5 **PART 1—ACCESS TO HEALTH COVERAGE**

6 **SEC. 1001. GUARANTEED OFFER BY CARRIERS.**

- 7 (a) IN GENERAL.—Each carrier that offers health in-
- 8 surance coverage in the small group market in a fair rat-

1 ing area (as defined in section 1903) shall make available,  
2 to each small employer (covered in such market) in such  
3 fair rating area—

4 (1) qualified standard coverage consistent with  
5 section 1011(a), and

6 (2) subject to subsection (b), qualified high-de-  
7 ductible coverage consistent with section 1011(b).

8 (b) HIGH-DEDUCTIBLE COVERAGE.—

9 (1) EXCEPTION FOR HEALTH MAINTENANCE  
10 ORGANIZATIONS.—The requirement of subsection  
11 (a)(2) shall not apply with respect to health insur-  
12 ance coverage that—

13 (A) is provided by a Federally qualified  
14 health maintenance organization (as defined in  
15 section 1301(a) of the Public Health Service  
16 Act), or

17 (B) is not provided by such an organiza-  
18 tion but is provided by an organization recog-  
19 nized under State law as a health maintenance  
20 organization or managed care organization or a  
21 similar organization regulated under State law  
22 for solvency.

23 (2) LIMITATION ON OFFER OF HIGH-DEDUCT-  
24 IBLE COVERAGE.—Qualified high-deductible coverage  
25 may not be made available by a carrier to a small

1 employer with respect to an employee unless the car-  
2 rier also makes available qualified standard coverage  
3 that has identical benefits (other than the amount of  
4 the deductible) and the employee demonstrates to  
5 the carrier that the employee has available assets (as  
6 defined by the Secretary) equal to at least the de-  
7 ductible amount established under section  
8 1011(b)(2) applicable to the high-deductible cov-  
9 erage. A carrier may not make available to an em-  
10 ployee health coverage (other than coverage for sup-  
11 plemental benefits) the actuarial value of which is  
12 less than the actuarial value of qualified high-de-  
13 ductible coverage, unless the employee has available  
14 assets (as defined by the Secretary) equal to at least  
15 the deductible amount of the coverage offered.

16 (3) OPTION TO OFFER MEDISAVE COVERAGE.—  
17 The offer of high-deductible coverage under sub-  
18 section (a)(2) may be accompanied by the contribu-  
19 tion by an employer to a medical savings account (in  
20 accordance with section 7705 of the Internal Reve-  
21 nue Code of 1986).

22 (c) COVERAGE OF ENTIRE RATING AREA.—

23 (1) IN GENERAL.—With respect to each fair  
24 rating area for which a carrier offers health insur-  
25 ance coverage, the carrier shall provide for coverage

1 of benefits for items and services furnished through-  
2 out the fair rating area.

3 (2) SPECIAL RULE FOR CARRIERS OFFERING  
4 COVERAGE IN MULTI-STATE METROPOLITAN STATIS-  
5 TICAL AREAS.—In the case of a carrier that offers  
6 qualified health insurance coverage in the small em-  
7 ployer market in a portion of a State that is located  
8 in an interstate metropolitan statistical area, the  
9 carrier may not provide such coverage with respect  
10 to an employer in such metropolitan statistical area  
11 unless the carrier also offers such coverage in other  
12 portions of the area located in other States.

13 (3) SPECIAL RULE FOR COVERAGE THROUGH  
14 MANAGED CARE ARRANGEMENT.—In the case of cov-  
15 erage offered by a carrier or under a group health  
16 plan to the extent that it provides benefits through  
17 a managed care arrangement in a fair rating area,  
18 this subsection shall not be construed as requiring  
19 the establishment of facilities throughout the area, if  
20 the facilities are located consistent with section  
21 1002(b)(1).

22 (d) FAMILY COVERAGE OPTION.—The offer of cov-  
23 erage under this section with respect to an employee shall  
24 include the option of coverage of family members of the  
25 employee.

1 (e) LIMITATION ON CARRIERS.—A carrier may not  
2 require an employer under a group health plan to impose  
3 through a waiting period for health coverage under a plan  
4 or similarly require a limitation or condition on health cov-  
5 erage or benefits based on—

- 6 (1) the health status of an individual,
- 7 (2) claims experience of an individual,
- 8 (3) receipt of health care by an individual,
- 9 (4) medical history of an individual, or
- 10 (5) receipt of public subsidies by an individual.

11 **SEC. 1002. GUARANTEED ISSUE BY CARRIERS.**

12 (a) IN GENERAL.—Subject to subsections (b) and (c)  
13 and section 1003, each carrier that offers health insurance  
14 coverage in the small group market in a fair rating area—

15 (1) must accept every small employer in the  
16 area that applies for such coverage during an enroll-  
17 ment period provided under section 1005; and

18 (2) must accept for enrollment under such cov-  
19 erage every qualifying individual (and family mem-  
20 ber of such an individual) who applies for enrollment  
21 during an enrollment period provided under section  
22 1005 and may not place any restriction on the eligi-  
23 bility of an individual to enroll so long as such indi-  
24 vidual is a qualifying individual.

1 (b) SPECIAL RULES FOR MANAGED CARE ARRANGE-  
2 MENTS.—In the case of coverage offered by a carrier or  
3 under a group health plan that provides benefits through  
4 a managed care arrangement in a fair rating area, the  
5 carrier or plan—

6 (1) need not establish facilities for the delivery  
7 of health care services throughout the area so long  
8 as such facilities are located in a manner that does  
9 not discriminate on the basis of health status of in-  
10 dividuals residing in proximity to such facilities, and

11 (2) may deny such coverage in a fair rating  
12 area to employers if the organization demonstrates  
13 to the applicable regulatory authority that—

14 (A) it will not have the capacity to deliver  
15 services adequately to enrollees of any addi-  
16 tional groups or additional enrollees because of  
17 its obligations to existing group contract hold-  
18 ers and enrollees, and

19 (B) it is applying this paragraph uniformly  
20 to all employers without regard to the health  
21 status, claims experience, or duration of cov-  
22 erage of those employers and their employees.

23 Coverage may be denied under paragraph (2) only if the  
24 denial is applied during a consecutive period of at least  
25 180 days.

1 (c) SPECIAL RULE FOR FINANCIAL CAPACITY LIM-  
2 ITS.—In addition to the authority provided under sub-  
3 section (b)(2), in the case of coverage offered by any car-  
4 rier, the carrier may deny coverage to a small employer  
5 if the carrier demonstrates to the applicable regulatory au-  
6 thority that—

7 (1) it does not have the financial reserves nec-  
8 essary to underwrite additional coverage, and

9 (2) it is applying this subsection uniformly to  
10 all employers without regard to the health status,  
11 claims experience, or duration of coverage of those  
12 employers and their employees.

13 Coverage may be denied under this subsection only if the  
14 denial is applied during a consecutive period of at least  
15 180 days.

16 **SEC. 1003. GUARANTEED RENEWAL.**

17 (a) LIMITATION ON TERMINATION BY CARRIERS.—  
18 A carrier may not deny, cancel, or refuse to renew health  
19 coverage of an eligible employer within a type of coverage  
20 option described in section 1903(15) except—

21 (1) on the basis of nonpayment of premiums,

22 (2) on the basis of fraud or misrepresentation,

23 or

24 (3) subject to subsection (b), in a fair rating  
25 area because the carrier is ceasing to provide any

1 health insurance coverage in the small group market  
2 within such type of coverage option in the area.

3 (b) LIMITATIONS ON MARKET EXIT BY CARRIERS.—

4 (1) NOTICE, ETC.—Subsection (a)(3) shall not  
5 apply to a carrier ceasing to provide health insur-  
6 ance coverage unless—

7 (A) such termination of coverage takes ef-  
8 fect at the end of a contract year, and

9 (B) the carrier provides notice of such ter-  
10 mination to employers and individuals covered  
11 at least 30 days before the date of an annual  
12 open enrollment period established with respect  
13 to the employer or individual under section  
14 1005.

15 (2) LIMITATION ON REENTRY IN SMALL GROUP  
16 MARKET.—If a carrier ceases to offer or provide  
17 health insurance coverage in an area with respect to  
18 the small group market for a type of coverage op-  
19 tion, the insurer may not offer health insurance cov-  
20 erage in the area in such market within such type  
21 of coverage option until 5 years after the date of the  
22 termination.

23 (c) RULE FOR MULTIEMPLOYER PLANS.—A multi-  
24 employer plan may not cancel coverage or deny renewal

1 of coverage under such a plan or arrangement with respect  
2 to an employer other than—

3 (1) for nonpayment of contributions,

4 (2) for fraud or other misrepresentation by the  
5 employer, or

6 (3) because the plan is ceasing to provide any  
7 coverage in a geographic area.

8 **SEC. 1004. RESTRICTING PREEXISTING CONDITION EXCLU-**  
9 **SIONS.**

10 (a) **IN GENERAL.**—Except as provided in this section,  
11 a carrier or group health plan providing health coverage  
12 may not exclude health coverage with respect to services  
13 related to treatment of a condition based on the fact that  
14 the condition of an individual existed before the effective  
15 date of coverage of the individual.

16 (b) **LIMITED 12-MONTH EXCLUSION PERMITTED.**—

17 (1) **IN GENERAL.**—Subject to paragraph (2)  
18 and subsections (c) through (e), a carrier or group  
19 health plan providing health coverage may exclude  
20 health coverage with respect to services related to  
21 treatment of a condition of an individual based on  
22 the fact that the condition existed before the effec-  
23 tive date of coverage of the individual only if the pe-  
24 riod of the exclusion does not exceed 12 months be-  
25 ginning on the date of coverage.

1 (2) CREDITING OF PREVIOUS COVERAGE.—

2 (A) IN GENERAL.—A carrier or group  
3 health plan providing health coverage shall pro-  
4 vide that if a covered individual is in a period  
5 of continuous coverage (as defined in subpara-  
6 graph (C)) as of a date upon which coverage is  
7 initiated or reinitiated, any period of exclusion  
8 of coverage with respect to a preexisting condi-  
9 tion (as defined in subparagraph (B)) for such  
10 services or type of services shall be reduced by  
11 1 month for each month in the period of contin-  
12 uous coverage.

13 (B) PREEXISTING CONDITION DEFINED.—  
14 In this paragraph, the term “preexisting condi-  
15 tion” means, with respect to health coverage, a  
16 condition which has been diagnosed or treated  
17 during the 6-month period ending on the day  
18 before the first date of such coverage (without  
19 regard to any waiting period).

20 (C) PERIOD OF CONTINUOUS COVERAGE.—  
21 In this part, the term “period of continuous  
22 coverage” means the period beginning on the  
23 date an individual has health coverage (or cov-  
24 erage under a public plan providing medical  
25 benefits) and ends on the date the individual

1 does not have such coverage for a continuous  
2 period of more than 3 months (or 6 months in  
3 the case of an individual who loses coverage due  
4 to involuntary termination of employment, other  
5 than by reason of an employee's gross mis-  
6 conduct).

7 (c) EXCLUSION NOT APPLICABLE TO PREGNANCY.—  
8 Any exclusion of coverage under subsection (b)(1) shall  
9 not apply if the exclusion relates to pregnancy.

10 (d) EXCLUSION NOT APPLICABLE TO NEWBORNS  
11 AND ADOPTED CHILDREN.—

12 (1) NEWBORNS.—Any exclusion of coverage  
13 under subsection (b)(1) shall not apply to a child  
14 who is covered at the time of birth and remains in  
15 a period of continuous coverage after such time.

16 (2) ADOPTED CHILDREN.—Any exclusion of  
17 coverage under subsection (b)(1) shall not apply (be-

20 in a period of continuous coverage after such time.

21 (e) EXCLUSION NOT APPLICABLE TO INDIVIDUALS

15 organization that provides health insurance coverage shall  
16 not be considered as failing to meet the requirements of

18 standing that it provides for an exclusion of the coverage  
19 based on a preexisting condition consistent with the provi-

22 **SEC. 1005. ENROLLMENT PERIODS.**

8 APPLY.—

9 (1) TERMINATION OF RESIDENCE AREA.—For  
10 each qualifying individual, at the time the individual  
11 terminates residence in the service area of coverage

23 terms and conditions of employment or the  
24 terms and conditions of employment of a  
25 spouse),

1 there shall be an open enrollment period (of at least  
2 30 days) in which the individual is permitted to  
3 change the individual or family basis of coverage or  
4 the health coverage in which the individual is en-  
5 rolled. The circumstances under which such enroll-  
6 ment periods are required and the duration of such  
7 periods shall be specified by the Secretary.

8 (3) ENROLLMENT DUE TO LOSS OF PREVIOUS  
9 COVERAGE.—In the case of a qualifying individual  
10 who—

11 (A) had health coverage at the time of an  
12 individual's enrollment period,

13 (B) stated at the time of such period that  
14 having other health coverage was the reason for  
15 declining enrollment, and

16 (C) lost the other health coverage as a re-  
17 sult of the termination of the coverage, termi-  
18 nation or reduction of employment, or other  
19 reason, except termination at the option of the  
20 individual,

21 there shall be an open enrollment period during the  
22 30-day period beginning on the date of termination  
23 of the other coverage.

24 (4) ENROLLMENT AT TIME OF MARRIAGE.—

25 There shall be an open enrollment period with re-

4 is available as of such date.

5 (5) NO EFFECT ON COBRA CONTINUATION BEN-  
6 EFITS.—Nothing in this subsection shall be con-

10 law.

11 (e) PERIOD OF COVERAGE.—

10 mulgating such standards to carry out this section, the  
11 NAIC and the Secretary shall take into account the follow-  
12 ing:

13 (1) CLASSES OF BENEFITS.—The classes of  
14 benefits (such as inpatient and outpatient hospital  
15 services and physicians services) typically included in  
16 health plans under the Federal Employees Health  
17 Benefits Program.

18 (2) ACTUARIAL VALUE.—The actuarial value of  
19 benefits included in benchmark coverage for the  
20 areas involved (adjusted to take into account a  
21 standardized population and standardized utilization  
22 and cost factors).

23 (3) PREVENTIVE BENEFITS.—The need to cover  
24 cost-effective preventive benefits (such as well-baby

1 and well-child care and childhood immunizations)  
2 without inappropriate cost sharing.

3 (b) HIGH-DEDUCTIBLE COVERAGE.—For purposes  
4 of this title, health insurance coverage is considered to  
5 provide high-deductible coverage consistent with this sub-  
6 section if—

7 (1) benefits include the same type of benefits as  
8 provided for under standard coverage under sub-  
9 section (a);

10 (2) the deductible amount is within a range of  
11 amounts established under such standards so that  
12 the actuarial value of high-deductible coverage is at  
13 least 20 percent (but not more than 40 percent) less  
14 than the actuarial value of standard coverage;

15 (3) benefits under the coverage in any year  
16 (other than preventive benefits as provided under  
17 the standards) are covered only to the extent ex-  
18 penses incurred for items and services included in  
19 the coverage for the year exceed the deductible  
20 amount specified in paragraph (2); and

21 (4) the actuarial value of the coverage (as de-  
22 termined under rules established under such stand-  
23 ards) is equivalent to a percentage (specified in such  
24 standards and not less than 60 percent and not

1 more than 80 percent) of an actuarial value for  
2 standard coverage.

3 (c) RULES REGARDING OFFERING OF SUPPLE-  
4 MENTAL BENEFITS.—A carrier or group health plan offer-  
5 ing qualified health coverage may offer coverage of items  
6 and services only in addition to the qualified standard cov-  
7 erage offered (whether in the form of coverage of addi-  
8 tional items and services or a reduction in cost sharing)  
9 and only if—

10 (1) such supplemental coverage is offered and  
11 priced separately from the standard coverage offered  
12 and is only made available to individuals who obtain  
13 qualified standard coverage through the carrier or  
14 plan;

15 (2) the purchase of the qualified health cov-  
16 erage is not conditioned upon the purchase of such  
17 supplemental coverage; and

18 (3) in the case of supplemental coverage that  
19 consists of a reduction in the cost-sharing otherwise  
20 applicable, the premium for the supplemental cov-  
21 erage takes into account any expected increase in  
22 utilization of items and services included in the  
23 qualified health coverage resulting from obtaining  
24 the supplemental coverage.

1 (d) MODEL BENEFIT PACKAGES.—The standards es-  
2 tablished to carry out this section may provide for model  
3 benefit packages that will be considered to meet applicable  
4 requirements for standard coverage or high-deductible cov-  
5 erage, and which shall include model cost sharing arrange-  
6 ments for fee-for-service options, managed care options,  
7 and point-of-service options.

8 (e) FLEXIBILITY IN BENEFITS.—Nothing in this sec-  
9 tion (or section 1103) may be construed—

10 (1) to require the coverage of any specific pro-  
11 cedure or treatment or class of service in health cov-  
12 erage under this Act or through regulation;

13 (2) as requiring coverage to include benefits for  
14 items and services that are not medically necessary  
15 or appropriate;

16 (3) as limiting the benefits that may be offered  
17 as part of a group health plan or health insurance  
18 coverage; and

19 (4) to require or prohibit the use of a particular  
20 class of provider, among the providers that are le-  
21 gally authorized to provide such treatment.

22 **SEC. 1012. STANDARDS FOR MANAGED CARE ARRANGE-**  
23 **MENTS.**

24 (a) APPLICATION OF REQUIREMENTS.—Each group  
25 health plan, and each carrier providing health insurance

1 coverage, that provides for health care through a managed  
2 care arrangement (as defined in section 1903(12)(A))  
3 shall comply with the applicable requirements of this sec-  
4 tion.

5 (b) SCOPE OF ARRANGEMENTS WITH PROVIDERS.—

6 (1) ACCESS TO CARE.—The entity providing for  
7 a managed care arrangement with respect to health  
8 coverage shall enter into such agreements with  
9 health care providers (including primary and spe-  
10 cialty providers) or have such other arrangements as  
11 may be necessary to assure that covered individuals  
12 have reasonably prompt access through the entity's  
13 provider network to all items and services contained  
14 in the package of benefits for which coverage is pro-  
15 vided (including access to emergency services on a  
16 24-hour basis where medically necessary), in a man-  
17 ner that assures the continuity of the provision of  
18 such items and services.

19 (2) ACCESS TO SPECIALIZED TREATMENT.—

20 The entity providing for a managed care arrange-  
21 ment under health coverage shall demonstrate that  
22 covered individuals (including individuals with chron-

24 network to specialized treatment expertise.

1           (3) CHOICE OF PERSONAL PHYSICIAN.—The en-  
2           tity providing for a managed care arrangement  
3           under health coverage shall permit each enrollee to  
4           choose a personal physician from among available  
5           participating physicians and change that selection as  
6           appropriate.

7           (c) PROVISION OF EMERGENCY CARE SERVICES.—  
8           The entity providing for a managed care arrangement  
9           under health coverage must cover medically necessary  
10          emergency care services provided to covered individuals  
11          without regard to whether or not the provider furnishing  
12          such services has a contractual (or other) arrangement  
13          with the entity to provide items or services to covered indi-  
14          viduals and, in the case of services furnished for the treat-  
15          ment of an emergency medical condition (as defined in sec-  
16          tion 1867(e)(1) of the Social Security Act), without regard  
17          to prior authorization.

18          (d) DUE PROCESS STANDARDS RELATING TO PRO-  
19          VIDER NETWORKS.—

20                 (1) STANDARDS FOR SELECTION OF PROVIDERS  
21                 FOR NETWORK.—The entity providing for a man-  
22                 aged care arrangement under health coverage shall  
23                 establish standards (including criteria for quality, ef-  
24                 ficiency, credentialing, and services) to be used by  
25                 the entity for contracting with health care providers

1 with respect to the entity's provider network. Such  
2 standards shall be established in consultation with  
3 providers who are members of the network.

4 (2) TERMINATION PROCESS.—The entity may  
5 not terminate or refuse to renew a participation  
6 agreement with a provider in the entity's provider  
7 network unless the entity provides written notifica-  
8 tion to the provider of the entity's decision to termi-  
9 nate or refuse to renew the agreement. The notifica-  
10 tion shall include a statement of the reasons for the  
11 entity's decision, consistent with the standards es-  
12 tablished under paragraph (1).

13 (3) REVIEW PROCESS.—The entity shall provide  
14 a process under which the provider may request a  
15 review of the entity's decision to terminate or refuse  
16 to renew the provider's participation agreement.

17 (4) CONSTRUCTION.—Nothing in this sub-  
18 section shall be construed to affect any other provi-  
19 sion of law that provides an appeals process or other  
20 form of relief to a provider of health care services  
21 or an entity providing for a managed care arrange-  
22 ment.

23 **SEC. 1013. UTILIZATION REVIEW.**

24 (a) ESTABLISHMENT OF STANDARDS BY SEC-  
25 RETARY.—The Secretary shall establish standards for uti-

1 lization review programs, consistent with subsection (c),  
2 and shall periodically review and update such standards  
3 to reflect changes in the delivery of health care services.  
4 The Secretary shall establish such standards in consulta-

6 (b) REQUIRING REVIEW TO MEET STANDARDS.—A  
7 group health plan or carrier providing health insurance

10 unless the program meets the standards established by the  
11 Secretary under this section.

12 (c) REQUIREMENTS FOR STANDARDS.—Under the  
13 standards established under subsection (a)—

14 (1) individuals performing utilization review  
15 may not receive financial compensation based upon  
16 the number of denials of coverage;

17 (2) negative determinations of the medical ne-  
18 cessity or appropriateness of services or the site at  
19 which services are furnished may be made only by  
20 clinically qualified personnel;

21 (3) the utilization review program shall provide  
22 for a process under which an enrollee or provider  
23 may obtain timely review of a denial of coverage, in-  
24 cluding upon request a review conducted by the med-

1 ical director of the carrier or plan or a physician  
2 designated by the carrier or plan;

3 (4) utilization review shall be conducted in ac-

21          The premiums shall be established for the different benefit  
22          designs (including standard coverage and high-deductible

24          the population of the small group market in the fair rating

1 area, without regard to the distribution of such population  
2 among the types of coverage or type of coverage options.

3 (b) LIMITATION ON VARIATION BY AGE.—

4 (1) IN GENERAL.—Any variation in premium  
5 rates by age under subsection (a)(1) for age classes

9 graph (2).

10 (2) LIMITING RATIO.—For purposes of para-  
11 graph (1), the limiting ratio described in this para-

22 health plan choice organizations.

23           (2) LIMITATION ON VARIATIONS.—The vari-

2 the premium for the lowest expense category.

3 (e) PREMIUM RATING IN GROUP HEALTH PLANS.—

4 The premium rate established under a group health plan  
5 for health insurance coverage may not vary within a bene-  
6 fit design except by the factors described in subsection (a)  
7 and subject to the limitation specified in subsection (b).

8 (f) ACTUARIAL CERTIFICATION.—Each carrier that  
9 offers health insurance coverage in a State shall file annu-  
10 ally with the State commissioner of insurance a written

12 aries (or other individual acceptable to the commissioner)  
13 that, based upon an examination by the individual which  
14 includes a review of the appropriate records and of the  
15 actuarial assumptions of the carrier and methods used by  
16 the carrier in establishing premium rates for applicable

10 in consultation with the American Academy of  
11 Actuaries, a model risk adjustment system com-  
12 posed of one or more risk adjustment mecha-  
13 nisms under which premiums applicable to  
14 health insurance coverage in the small group  
15 market would be adjusted to take into account  
16 such factors as may be appropriate to predict  
17 the future need and the efficient use of services  
18 by covered individuals in the market. Such fac-  
19 tors may include the age, gender, geographic  
20 residence, health status, or other demographic  
21 characteristics of individuals enrolled in such  
22 plans and shall include consideration of enroll-  
23 ment of a disproportionate share of individuals  
24 who enroll during the initial open enrollment  
25 period under section 1005(b)(1).

1 (B) PROMULGATION AS PROPOSED  
2 RULE.—If the NAIC develops such model with-  
3 in such period, the Secretary shall publish the  
4 model as a proposed rule under section 553 of  
5 title 5, United States Code. If the NAIC has  
6 not developed such model within such period,  
7 the Secretary shall publish (not later than 60

16 shall publish a final rule, by not later than July 1,  
17 1996, that specifies risk adjustment mechanisms  
18 that the Secretary finds are effective for purposes of  
19 carrying out this section. Such rule shall include  
20 models developed by the NAIC if the Secretary finds  
21 that such models provide for effective risk adjust-  
22 ment mechanisms.

23 (3) MODIFICATION.—The Secretary, at the re-  
24 quest of the NAIC or otherwise, may by regulation

1 modify the model risk adjustment system established  
2 under this subsection.

3 (b) IMPLEMENTATION OF RISK ADJUSTMENT SYS-

17      ance of the plan in providing such coverage and relating

19      similar model benefit package established under section  
20      1104(b)(2).

10 TION.—A carrier—

11 (1) may not vary or condition the compensation

14 health status or claims experience of any individuals  
15 enrolled with the carrier through the agent or  
16 broker; and

17 (2) may not terminate, fail to renew, or limit its  
18 contract or agreement of representation with an

22 (c) PROHIBITION OF TIE-IN ARRANGEMENTS.—No  
23 carrier that offers health insurance coverage may require  
24 the purchase of any other insurance or product as a condi-  
25 tion for the purchase of such coverage.

1 **SEC. 1033. WRITTEN POLICIES AND PROCEDURES RESPECT-**  
2 **ING ADVANCE DIRECTIVES.**

3 A carrier and a group health plan offering health cov-  
4 erage shall meet the requirements of section 1866(f) of  
5 the Social Security Act (relating to maintaining written  
6 policies and procedures respecting advance directives), in-  
7 sofar as such requirements would apply to the carrier or  
8 plan if the carrier or plan were an eligible organization.

14 (1) **IN GENERAL.**—The Secretary shall request  
15 the NAIC to develop, within 9 months after the date

21 velops recommended regulations specifying such  
22 standards within such period, the Secretary shall re-  
23 view the standards. Such review shall be completed  
24 within 60 days after the date the regulations are de-  
25 veloped. Unless the Secretary determines within  
26 such period that the standards do not meet the re-

1 requirements, such standards shall serve as the stand-  
2 ards under this subtitle, with such amendments as  
3 the Secretary deems necessary.

4 (b) CONTINGENCY.—If the NAIC does not develop  
5 such model regulations within such period or the Secretary  
6 determines that such regulations do not specify standards  
7 that meet the requirements described in subsection (a),  
8 the Secretary shall specify, within 15 months after the  
9 date of the enactment of this Act, standards to carry out  
10 those requirements.

12 **THROUGH STATES.**

13 (a) APPLICATION OF STANDARDS.—

14 (1) IN GENERAL.—Each State shall submit to

19 surance coverage offered or renewed not later than  
20 such deadline.

21 (2) DEADLINE FOR REPORT.—The deadline  
22 under this paragraph is 1 year after the date the  
23 standards are established under section 1041.

24 (b) FEDERAL ROLE.—

1           (1) NOTICE OF DEFICIENCY.—If the Secretary  
2 determines that a State has failed to submit a report  
3 by the deadline specified under subsection (a)(2) or  
4 finds that the State has not implemented and pro-  
5 vided adequate enforcement of the standards estab-  
6 lished under section 1041, the Secretary shall notify  
7 the State and provide the State a period of 60 days  
8 in which to submit such report or to implement and  
9 enforce such standards.

10           (2) IMPLEMENTATION OF ALTERNATIVE.—

11           (A) IN GENERAL.—If, after such 60-day  
12 period, the Secretary finds that such a failure  
13 has not been corrected, the Secretary shall pro-  
14 vide for such mechanism for the implementation  
15 and enforcement of such standards in the State  
16 as the Secretary determines to be appropriate.

17           (B) EFFECTIVE PERIOD.—Such implemen-  
18 tation and enforcement shall take effect with  
19 respect to carriers, and health insurance cov-  
20 erage offered or renewed, on or after 3 months  
21 after the date of the Secretary's finding under

2 (a) IN GENERAL.—Subject to subsection (b), sections

6 (b) SUBSTITUTION OF REFERENCES.—For purposes  
7 of subsection (a), any reference in section 1041 or 1042  
8 to—

8 spect to such a failure by such a carrier.

9 “(b) AMOUNT OF TAX.—

10 “(1) IN GENERAL.—Subject to paragraph (2),  
11 the amount of the tax imposed by subsection (a)

7 30-day period beginning on the earliest date the  
8 carrier or administrator of the group health  
9 plan knew, or exercising reasonable diligence  
10 would have known, that such failure existed.

11           “(2) WAIVER BY SECRETARY.—In the case of a  
12 failure which is due to reasonable cause and not to  
13 willful neglect, the Secretary may waive part or all  
14 of the tax imposed by subsection (a) to the extent  
15 that payment of such tax would be excessive relative  
16 to the failure involved.

17           “(e) DEFINITIONS.—For purposes of this section, the  
18 terms ‘health insurance coverage’, ‘group health plan’, and  
19 ‘carrier’ have the respective meanings given such terms

23 (1) that a choice organization be established in  
24 each area of a State in which it operates; and

1           (2) that there be only one choice organization  
2           established with respect to any area.

3 **SEC. 1102. AGREEMENTS TO OFFER QUALIFIED HEALTH**  
4           **COVERAGE.**

5           (a) AGREEMENTS.—

6           (1) IN GENERAL.—Except as provided in para-  
7           graph (3), each choice organization for an area shall  
8           enter into an agreement under this section—

9                   (A) with each carrier that desires to make  
10                   available qualified health coverage in the small  
11                   group market through the choice organization  
12                   (consistent with any procedures established by  
13                   the State);

14                   (B) with each carrier that desires to make  
15                   available qualified health coverage in the indi-  
16                   vidual market through the choice organization  
17                   (consistent with any procedures established by  
18                   the State); or

19                   (C) with each carrier described in subpara-  
20                   graph (A) or subparagraph (B).

21           (2) TERMINATION OF AGREEMENT.—An agree-

25           (1) if the carrier's license or certification under

1 State law is terminated or for other good cause  
2 shown.

3 (b) RECEIPT OF PREMIUMS ON BEHALF OF CAR-  
4 RIERS.—

5 (1) IN GENERAL.—Under an agreement under  
6 this section between a choice organization and a car-  
7 rier—

8 (A) premiums shall be payable, and

9 (B) payment of premiums may be made by  
10 individuals (or employers on their behalf) di-  
11 rectly to the choice organization for the benefit  
12 of the carrier.

13 (2) TIMING OF PAYMENT OF PREMIUMS.—Pre-  
14 miums may be payable on a monthly basis (or, at  
15 the option of a qualifying employee or individual, on  
16 a quarterly basis). The choice organization may pro-  
17 vide for reasonable penalties and grace periods for  
18 late payment.

19 (3) CARRIERS RETAIN RISK OF  
20 NONPAYMENT.—Nothing in this subsection shall be  
21 construed as placing upon a choice organization any  
22 risk associated with the failure of individuals and  
23 employers to make prompt payment of premiums  
24 (other than the portion of the premium representing  
25 the choice organization administrative fee under sec-

1       tion 1105). Each small employer and qualifying indi-

15      the small employer of the qualifying employee or the  
16      qualifying individual, as the case may be.

17      (d) PAYMENT OF COMMISSIONS.—

18          (1) IN GENERAL.—Subject to paragraph (2),  
19      nothing in this part shall be construed to preclude  
20      a carrier from paying a commission or other remu-  
21      neration in connection with the purchase of health  
22      care coverage by individuals or groups, consistent  
23      with State law.

24          (2) LIMITATION ON VARIATION.—A carrier may

25 tion. Each choice organization shall coordinate annual

1 open enrollment periods (described in section 1005(c)) of  
2 all carriers through which coverage is offered by the orga-  
3 nization so that there is one common annual open enroll-  
4 ment period for all such carriers with respect to each indi-  
5 vidual enrolled for coverage through the organization.  
6 Nothing in this section shall preclude a choice organiza-  
7 tion from having different common annual open enroll-  
8 ment periods for different individuals.

9 **SEC. 1105. RESTRICTION ON CHARGES.**

10 (a) IN GENERAL.—A choice organization may impose  
11 an administrative fee with respect to a qualifying employee

5 viders or from requiring enrollees to obtain referral  
6 in order to have coverage for treatment by a special-

18 subtitle using such data elements.

19 (b) COMPLIANCE WITH MODIFIED STANDARDS.—

20 (1) IN GENERAL.—If the Secretary adopts a

14           **SEC. 2301. STANDARDS AND CERTIFICATION FOR HEALTH**  
15                   **INFORMATION NETWORK SERVICES.**

16           (a) STANDARDS FOR OPERATION.—The Secretary  
17           shall establish standards with respect to the operation of  
18           health information network services, including standards  
19           ensuring that such services—

20                   (1) develop, operate, and cooperate with one an-  
21                   other to form the health information network;

22                   (2) meet all of the standards adopted under  
23                   part 1 that are applicable to the services;

24                   (3) make public information concerning their  
25                   performance, as measured by uniform indicators

1 such as accessibility, transaction responsiveness, ad-  
2 ministrative efficiency, reliability, dependability, and  
3 any other indicator determined appropriate by the  
4 Secretary; and

5 (4) if they are part of a larger organization,  
6 have policies and procedures in place which isolate  
7 their activities with respect to processing informa-  
8 tion in a manner that prevents access to such infor-  
9 mation by such larger organization.

10 (b) CERTIFICATION BY THE SECRETARY.—

11 (1) ESTABLISHMENT.—Not later than 18  
12 months after the date of the enactment of this Act,  
13 the Secretary shall establish a certification proce-  
14 dure for health information network services which  
15 ensures that certified services are qualified to meet  
16 the requirements of this title and the standards es-  
17 tablished by the Secretary under this section. Such  
18 certification procedure shall be implemented in a  
19 manner that minimizes the costs and delays of oper-  
20 ations for such services.

21 (2) APPLICATION.—Each entity desiring to be  
22 certified as a health information network service  
23 shall apply to the Secretary for certification in a  
24 form and manner determined appropriate by the  
25 Secretary.

1           (3) AUDITS AND REPORTS.—The procedure es-  
2           tablished under paragraph (1) shall provide for au-  
3           dits by the Secretary and reports by an entity cer-  
4           tified under this section as the Secretary determines  
5           appropriate in order to monitor such entity’s compli-  
6           ance with the requirements of this subtitle and the  
7           standards established by the Secretary under this  
8           section.

9           (4) RECERTIFICATION.—A health information  
10          network service shall be recertified under this sub-  
11          section at least every 3 years.

12          (c) LOSS OF CERTIFICATION.—

13           (1) MANDATORY TERMINATION.—Except as  
14           provided in paragraph (2), if a health information  
15           network service violates a health information net-  
16           work privacy standard adopted under section 2104  
17           that is applicable to the service, its certification  
18           under this section shall be terminated unless the  
19           Secretary determines that appropriate corrective ac-  
20           tion has been taken.

21           (2) CONDITIONAL CERTIFICATION.—The Sec-  
22           retary may establish a procedure under which a  
23           health information network service may remain cer-  
24           tified on a conditional basis if the service is operat-  
25           ing consistently with a plan intended to correct any

1 violations described in paragraph (1). Such proce-  
2 dure may provide for the appointment of a trustee  
3 to continue operation of the service until the require-  
4 ments for full certification are met.

5 (d) CERTIFICATION BY PRIVATE ENTITIES.—The  
6 Secretary may designate private entities to conduct the  
7 certification procedures established by the Secretary under  
8 this section. A health information network service certified  
9 by such an entity in accordance with such designation  
10 shall be considered to be certified by the Secretary.

11 (e) INFORMATION HELD BY HEALTH INFORMATION  
12 NETWORK SERVICES.—If a health information network  
13 service certified under this section loses its certified status  
14 or takes any action that would threaten the continued  
15 availability of the standard data elements of health infor-  
16 mation held by such service, such data elements shall be  
17 transferred to another health information network service  
18 certified under this section that has been designated by  
19 the Secretary.

20 **SEC. 2302. IMPOSITION OF ADDITIONAL REQUIREMENTS.**

21 (a) IN GENERAL.—Except as provided in subsection  
22 (c), after the Secretary has established standards under  
23 section 2102 that are necessary to make uniform and com-  
24 patible for electronic transmission the data elements that  
25 the Secretary determines are appropriate for transmission

1 in connection with a transaction described in subtitle B,  
2 an individual or entity may not require an individual or  
3 entity, to provide in any manner any additional data ele-  
4 ment in connection with—

5 (1) the transaction; or

6 (2) an inquiry with respect to the transaction.

7 (b) TRANSMISSION METHOD.—Except as provided in  
8 subsection (c), after the Secretary has established stand-  
9 ards under section 2103 relating to the method by which  
10 data elements that the Secretary determines are appro-  
11 priate for transmission in connection with a transaction  
12 described in subtitle B may be transmitted electronically,  
13 an individual or entity may not require an individual or  
14 entity to transmit any data element in a manner inconsis-  
15 tent with the standards in connection with—

16 (1) the transaction; or

17 (2) an inquiry with respect to the transaction.

18 (c) EXCEPTION.—Subsections (a) and (b) do not  
19 apply if—

20 (1) an individual or entity voluntarily agrees to  
21 provide the additional data element; or

22 (2) a waiver is granted under subsection (d) to  
23 permit the requirement to be imposed.

24 (d) CONDITIONS FOR WAIVERS.—

1           (1) IN GENERAL.—An individual or entity may  
2           request a waiver from the Secretary in order to im-  
3           pose on an individual or entity a requirement other-  
4           wise prohibited under subsection (a) or (b). Subject  
5           to paragraph (2), the Secretary may grant such a  
6           waiver.

7           (2) CONSIDERATION OF WAIVER REQUESTS.—A  
8           waiver may not be granted under this subsection to  
9           impose an otherwise prohibited requirement unless  
10          the Secretary determines that the value of any addi-  
11          tional information to be provided under the require-  
12          ment for research or other purposes significantly  
13          outweighs the administrative cost of the imposition  
14          of the requirement, taking into account the burden  
15          of the timing of the imposition of the requirement.

16          (e) ANONYMOUS REPORTING.—If an individual or en-  
17          tity attempts to impose on an individual or entity a re-  
18          quirement prohibited under subsection (a) or (b), the indi-  
19          vidual or entity on whom the requirement is being imposed  
20          may contact the Secretary. The Secretary shall develop a  
21          procedure under which an individual or entity that con-  
22          tacts the Secretary under the preceding sentence shall re-  
23          main anonymous. The Secretary shall notify the individual  
24          or entity imposing the requirement that the requirement  
25          may not be imposed unless the other individual or entity

1 voluntarily agrees to such requirement or a waiver is ob-  
2 tained under subsection (d).

3 **SEC. 2303. EFFECT ON STATE LAW.**

4 (a) IN GENERAL.—Except as otherwise provided in  
5 this section, a provision, requirement, or standard under  
6 this subtitle shall supersede any contrary provision of  
7 State law.

8 (b) STATE “QUILL AND PEN” LAWS.—A State may  
9 not establish, continue in effect, or enforce any provision  
10 of State law that requires medical or health plan records  
11 (including billing information) to be maintained or trans-  
12 mitted in written rather than electronic form, except  
13 where the Secretary determines that the provision is nec-  
14 essary to prevent fraud and abuse, with respect to con-  
15 trolled substances, or for other purposes.

16 (c) PUBLIC HEALTH REPORTING.—Nothing in this  
17 title shall be construed to invalidate or limit the authority,  
18 power, or procedures established under any law providing  
19 for the reporting of disease or injury, child abuse, birth,  
20 or death, public health surveillance, or public health inves-  
21 tigation or intervention.

22 (d) PUBLIC USE FUNCTIONS.—Nothing in this title  
23 shall be construed to limit the authority of a Federal or  
24 State agency to make non-identifiable health information  
25 available for public use.

1 (e) PAYMENT FOR HEALTH CARE SERVICES OR PRE-  
2 MIUMS.—Nothing in this title shall be construed to pro-

5 by debit, credit, or other payment cards or numbers or  
6 other electronic payment means.

18   during a calendar year unless the medical mal-  
19   practice liability claim that is the subject of the ac-  
20   tion has been initially resolved under an alternative  
21   dispute resolution system certified for the year by

2 tested by a party affected by the decision pursuant to sub-  
3 section (c)(1).

4 **SEC. 4003. OPTIONAL APPLICATION OF PRACTICE GUIDE-**  
5 **LINES.**

6 (a) DEVELOPMENT AND CERTIFICATION OF GUIDE-  
7 LINES.—Each State may develop, for certification by the  
8 Secretary, a set of specialty clinical practice guidelines,  
9 based on recommended guidelines from national specialty  
10 societies, to be updated annually. In the absence of rec-  
11 ommended guidelines from such societies, each State may  
12 develop such guidelines based on such criteria as the State  
13 considers appropriate (including based on recommended  
14 guidelines developed by the Agency for Health Care Policy  
15 and Research).

16 (b) PROVISION OF HEALTH CARE UNDER GUIDE-  
17 LINES.—Notwithstanding any other provision of law, in  
18 any medical malpractice liability action arising from the  
19 conduct of a health care provider or health care profes-  
20 sional, if such conduct was in accordance with a guideline  
21 developed by the State in which the conduct occurred and  
22 certified by the Secretary under subsection (a), the guide-  
23 line—

1           (1) may be introduced by any party to the ac-  
2           tion (including a health care provider, health care  
3           professional, or patient); and

4           (2) if introduced, shall establish a rebuttable  
5           presumption that the conduct was in accordance  
6           with the appropriate standard of medical care, which  
7           may only be overcome by the presentation of clear  
8           and convincing evidence on behalf of the party  
9           against whom the presumption operates.

10 **SEC. 4004. TREATMENT OF NONECONOMIC AND PUNITIVE**  
11 **DAMAGES.**

12           (a) **LIMITATION ON NONECONOMIC DAMAGES.**—The  
13 total amount of noneconomic damages that may be award-  
14 ed to a claimant and the members of the claimant’s family  
15 for losses resulting from the injury which is the subject  
16 of a medical malpractice liability action may not exceed  
17 \$250,000, regardless of the number of parties against  
18 whom the action is brought or the number of actions  
19 brought with respect to the injury.

20           (b) **NO AWARD OF PUNITIVE DAMAGES AGAINST**  
21 **MANUFACTURER OF MEDICAL PRODUCT.**—In the case of  
22 a medical malpractice liability action in which the plaintiff  
23 alleges a claim against the manufacturer of a medical  
24 product, no punitive or exemplary damages may be award-  
25 ed against such manufacturer.

1 (c) JOINT AND SEVERAL LIABILITY FOR NON-  
2 ECONOMIC DAMAGES.—The liability of each defendant for  
3 noneconomic damages shall be several only and shall not  
4 be joint, and each defendant shall be liable only for the  
5 amount of noneconomic damages allocated to the defend-  
6 ant in direct proportion to the defendant's percentage of  
7 responsibility (as determined by the trier of fact).

8 (d) USE OF PUNITIVE DAMAGE AWARDS FOR OPER-  
9 ATION OF ADR SYSTEMS IN STATES.—

10 (1) IN GENERAL.—The total amount of any pu-  
11 nitive damages awarded in a medical malpractice li-  
12 ability action shall be paid to the State in which the  
13 action is brought (or, in a case brought in Federal  
14 court, in the State in which the health care services  
15 that caused the injury that is the subject of the ac-  
16 tion were provided), and shall be used by the State  
17 solely to implement and operate the State alternative  
18 dispute resolution system certified by the Secretary  
19 under section 4022 (except as provided in paragraph  
20 (2)).

21 (2) USE OF REMAINING AMOUNTS FOR PRO-  
22 VIDER LICENSING AND DISCIPLINARY ACTIVITIES.—  
23 If the amount of punitive damages paid to a State  
24 under paragraph (1) for a year is greater than the  
25 State's costs of implementing and operating the

1 State alternative dispute resolution system during  
2 the year, the balance of such punitive damages paid  
3 to the State shall be used solely to carry out activi-  
4 ties to assure the safety and quality of health care  
5 services provided in the State, including (but not  
6 limited to)—

7 (A) licensing or certifying health care pro-  
8 fessionals and health care providers in the  
9 State; and

10 (B) carrying out programs to reduce mal-  
11 practice-related costs for providers volunteering  
12 to provide services in medically underserved  
13 areas.

14 (3) MAINTENANCE OF EFFORT.—A State shall  
15 use any amounts paid pursuant to paragraph (1) to  
16 supplement and not to replace amounts spent by the  
17 State for implementing and operating the State al-  
18 ternative dispute resolution system or carrying out  
19 the activities described in paragraph (2).

20 **SEC. 4005. PERIODIC PAYMENTS FOR FUTURE LOSSES.**

21 (a) IN GENERAL.—In any medical malpractice liabil-  
22 ity action in which the damages awarded for future eco-  
23 nomic loss exceed \$100,000, a defendant may not be re-  
24 quired to pay such damages in a single, lump-sum pay-  
25 ment, but may be permitted to make such payments on

1 a periodic basis. The periods for such payments shall be  
2 determined by the court, based upon projections of when  
3 such expenses are likely to be incurred.

4 (b) WAIVER.—A court may waive the application of  
5 subsection (a) with respect to a defendant if the court de-  
6 termines that it is not in the best interests of the plaintiff  
7 to receive payments for damages on such a periodic basis.

8 **SEC. 4006. TREATMENT OF ATTORNEY'S FEES AND OTHER**  
9 **COSTS.**

10 (a) REQUIRING PARTY CONTESTING ADR RULING  
11 TO PAY ATTORNEY'S FEES AND OTHER COSTS.—

12 (1) IN GENERAL.—The court in a medical mal-  
13 practice liability action shall require the party that  
14 (pursuant to section 4002(c)(1)) contested the ruling  
15 of the alternative dispute resolution system with re-  
16 spect to the medical malpractice liability claim that  
17 is the subject of the action to pay to the opposing  
18 party the costs incurred by the opposing party under  
19 the action, including attorney's fees, fees paid to ex-  
20 pert witnesses, and other litigation expenses (but not  
21 including court costs, filing fees, or other expenses  
22 paid directly by the party to the court, or any fees  
23 or costs associated with the resolution of the claim  
24 under the alternative dispute resolution system), but  
25 only if—

1           (A) in the case of an action in which the  
2 party that contested the ruling is the claimant,  
3 the amount of damages awarded to the party  
4 under the action is less than the amount of  
5 damages awarded to the party under the ADR  
6 system; and

7           (B) in the case of an action in which the  
8 party that contested the ruling is the defendant,  
9 the amount of damages assessed against the  
10 party under the action is greater than the  
11 amount of damages assessed under the ADR  
12 system.

13           (2) EXCEPTIONS.—Paragraph (1) shall not  
14 apply if—

15           (A) the party contesting the ruling made  
16 under the previous alternative dispute resolu-  
17 tion system shows that—

18                   (i) the ruling was procured by corrup-  
19 tion, fraud, or undue means,

20                   (ii) there was partiality or corruption  
21 under the system,

22                   (iii) there was other misconduct under  
23 the system that materially prejudiced the  
24 party's rights, or

1 (iv) the ruling was based on an error  
2 of law;

3 (B) the party contesting the ruling made  
4 under the alternative dispute resolution system  
5 presents new evidence before the trier of fact  
6 that was not available for presentation under  
7 the ADR system;

8 (C) the medical malpractice liability action  
9 raised a novel issue of law; or

10 (D) the court finds that the application of  
11 such paragraph to a party would constitute an  
12 undue hardship, and issues an order waiving or  
13 modifying the application of such paragraph  
14 that specifies the grounds for the court's deci-  
15 sion.

16 (3) LIMIT ON ATTORNEYS' FEES PAID.—Attor-  
17 neys' fees that are required to be paid under para-  
18 graph (1) by the contesting party shall not exceed  
19 the amount of the attorneys' fees incurred by the  
20 contesting party in the action. If the attorneys' fees  
21 of the contesting party are based on a contingency  
22 fee agreement, the amount of attorneys' fees for  
23 purposes of the preceding sentence shall not exceed  
24 the reasonable value of those services.

1           (4) RECORDS.—In order to receive attorneys’  
2 fees under paragraph (1), counsel of record in the  
3 medical malpractice liability action involved shall  
4 maintain accurate, complete records of hours worked  
5 on the action, regardless of the fee arrangement  
6 with the client involved.

7           (b) CONTINGENCY FEE DEFINED.—As used in this  
8 section, the term “contingency fee” means any fee for pro-  
9 fessional legal services which is, in whole or in part, con-  
10 tingent upon the recovery of any amount of damages,  
11 whether through judgment or settlement.

12 **SEC. 4007. UNIFORM STATUTE OF LIMITATIONS.**

13           (a) IN GENERAL.—Except as provided in subsection  
14 (b), no medical malpractice claim may be initiated after  
15 the expiration of the 2-year period that begins on the date  
16 on which the alleged injury that is the subject of such  
17 claim was discovered, but in no event may such a claim  
18 be initiated after the expiration of the 4-year period that  
19 begins on the date on which the alleged injury that is the  
20 subject of such claim occurred.

21           (b) EXCEPTION FOR MINORS.—In the case of an al-  
22 leged injury suffered by a minor who has not attained 6  
23 years of age, a medical malpractice claim may not be initi-  
24 ated after the expiration of the 2-year period that begins  
25 on the date on which the alleged injury that is the subject

1 of such claim was discovered or should reasonably have  
2 been discovered, but in no event may such a claim be initi-  
3 ated after the date on which the minor attains 12 years  
4 of age.

5 **SEC. 4008. SPECIAL PROVISION FOR CERTAIN OBSTETRIC**  
6 **SERVICES.**

7 (a) **IN GENERAL.**—In the case of a medical mal-  
8 practice claim relating to services provided during labor  
9 or the delivery of a baby, if the health care professional  
10 or health care provider against whom the claim is brought  
11 did not previously treat the claimant for the pregnancy,  
12 the trier of fact may not find that such professional or  
13 provider committed malpractice and may not assess dam-  
14 ages against such professional or provider unless the mal-  
15 practice is proven by clear and convincing evidence.

16 (b) **APPLICABILITY TO GROUP PRACTICES OR**  
17 **AGREEMENTS AMONG PROVIDERS.**—For purposes of sub-  
18 section (a), a health care professional shall be considered  
19 to have previously treated an individual for a pregnancy  
20 if the professional is a member of a group practice whose  
21 members previously treated the individual for the preg-  
22 nancy or is providing services to the individual during  
23 labor or the delivery of a baby pursuant to an agreement  
24 with another professional.

1 **SEC. 4009. JURISDICTION OF FEDERAL COURTS.**

2 Nothing in this part shall be construed to establish  
3 any jurisdiction over any medical malpractice liability ac-  
4 tion in the district courts of the United States on the basis  
5 of section 1331 or 1337 of title 28, United States Code.

6 **SEC. 4010. PREEMPTION.**

7 (a) **IN GENERAL.**—The provisions of this part shall  
8 preempt any State law to the extent such law is inconsis-  
9 tent with such provisions, except that the provisions of this  
10 part shall not preempt any State law that provides for de-  
11 fenses or places limitations on a person’s liability in addi-  
12 tion to those contained in this part, places greater limita-  
13 tions on the amount of attorneys’ fees that can be col-  
14 lected, or otherwise imposes greater restrictions than those  
15 provided in this part.

16 (b) **EFFECT ON SOVEREIGN IMMUNITY AND CHOICE**  
17 **OF LAW OR VENUE.**—Nothing in this part shall be con-  
18 strued to—

19 (1) waive or affect any defense of sovereign im-  
20 munity asserted by any State under any provision of  
21 law;

22 (2) waive or affect any defense of sovereign im-  
23 munity asserted by the United States;

24 (3) affect the applicability of any provision of  
25 the Foreign Sovereign Immunities Act of 1976;

1           (4) preempt State choice-of-law rules with re-  
2           spect to claims brought by a foreign nation or a citi-  
3           zen of a foreign nation; or

4           (5) affect the right of any court to transfer  
5           venue or to apply the law of a foreign nation or to  
6           dismiss a claim of a foreign nation or of a citizen  
7           of a foreign nation on the ground of inconvenient  
8           forum.

19           (2) requires that a written opinion resolving the  
20           dispute be issued not later than 6 months after the  
21           date by which each party against whom the claim is  
22           filed has received notice of the claim (other than in  
23           exceptional cases for which a longer period is re-

25           the opinion contain—

2 and

3 (B) a description of the costs incurred in  
4 resolving the dispute under the system (includ-

8 the parties;

9 (3) requires individuals who hear and resolve

3 professional or provider committed malpractice, un-  
4 less, during the 90-day period beginning on the date  
5 the system resolves the claim against the profes-

8 the system; and

9 (7) provides for the regular transmittal to the  
10 Administrator for Health Care Policy and Research  
11 of information on disputes resolved under the sys-  
12 tem, in a manner that assures that the identity of  
13 the parties to a dispute shall not be revealed.

21 the State.

22 **SEC. 4022. CERTIFICATION OF STATE SYSTEMS; APPLICA-**  
23 **BILITY OF ALTERNATIVE FEDERAL SYSTEM.**

6 following calendar year.

7           (2) BASIS FOR CERTIFICATION.—The Secretary  
8 shall certify a State’s alternative dispute resolution  
9 system under this subsection for a calendar year if  
10 the Secretary determines under paragraph (1) that  
11 the system meets the requirements of section 4021,

13 that punitive damages awarded under the system are  
14 paid to the State for the uses described in such sec-

9 brought under the system shall be heard and  
10 resolved by arbitrators appointed by the Sec-  
11 retary in consultation with the Attorney Gen-  
12 eral; and

13           (C) with respect to a State in which the  
14 system is in effect, the Secretary may (at the  
15 State's request) modify the system to take into  
16 account the existence of dispute resolution pro-  
17 cedures in the State that affect the resolution  
18 of medical malpractice liability claims.

19           (3) TREATMENT OF STATES WITH ALTER-  
20 NATIVE SYSTEM IN EFFECT.—If the alternative Fed-  
21 eral ADR system established under this subsection is

25 may require) in an amount equal to 110 percent of

1 the costs incurred by the United States during the  
2 year as a result of the application of the system with  
3 respect to the State.

18 resolution systems on the cost of health care  
19 within each State,

20 (B) the impact of such systems on the ac-

3           States as alternative dispute resolution systems pur-  
4           suant to this part, an analysis of the feasibility and

1       except that such measure or degree of proof is more

8   (but in no event later than 60 days after the Attorney

16               U.S.C. 12(a)), except that such term includes  
17               section 5 of the Federal Trade Commission Act

14 **SEC. 4102. ISSUANCE OF HEALTH CARE CERTIFICATES OF**  
15 **PUBLIC ADVANTAGE.**

16 (a) ISSUANCE AND EFFECT OF CERTIFICATE.—The  
17 Attorney General, after consultation with the Secretary,  
18 shall issue in accordance with this section a certificate of  
19 public advantage to each eligible health care collaborative  
20 activity that complies with the requirements in effect  
21 under this section on or after the expiration of the 1-year  
22 period that begins on the date of the enactment of this  
23 Act (without regard to whether or not the Attorney Gen-  
24 eral has promulgated regulations to carry out this section  
25 by such date). Such activity, and the parties to such activ-

1 ity, shall not be liable under any of the antitrust laws for  
2 conduct described in such certificate and engaged in by  
3 such activity if such conduct occurs while such certificate  
4 is in effect.

5 (b) REQUIREMENTS APPLICABLE TO ISSUANCE OF  
6 CERTIFICATES.—

7 (1) STANDARDS TO BE MET.—The Attorney  
8 General shall issue a certificate to an eligible health  
9 care collaborative activity if the Attorney General  
10 finds that—

11 (A) the benefits that are likely to result  
12 from carrying out the activity outweigh the re-  
13 duction in competition (if any) that is likely to  
14 result from the activity, and

15 (B) such reduction in competition is nec-  
16 essary to obtain such benefits.

17 (2) FACTORS TO BE CONSIDERED.—

18 (A) WEIGHING OF BENEFITS AGAINST RE-  
19 Duction IN COMPETITION.—For purposes of  
20 making the finding described in paragraph  
21 (1)(A), the Attorney General shall consider  
22 whether the activity is likely—

23 (i) to maintain or to increase the  
24 quality of health care by providing new

1 services not currently offered in the rel-  
2 evant market,

3 (ii) to increase access to health care,

4 (iii) to achieve cost efficiencies that  
5 will be passed on to health care consumers,  
6 such as economies of scale, reduced trans-  
7 action costs, and reduced administrative  
8 costs, that cannot be achieved by the provi-  
9 sion of available services and facilities in  
10 the relevant market,

11 (iv) to preserve the operation of  
12 health care facilities located in underserved  
13 geographical areas,

14 (v) to improve utilization of health  
15 care resources, and

16 (vi) to reduce inefficient health care  
17 resource duplication.

18 (B) NECESSITY OF REDUCTION IN COM-  
19 PETITION.—For purposes of making the finding  
20 described in paragraph (1)(B), the Attorney  
21 General shall consider—

22 (i) the ability of the providers of  
23 health care services that are (or likely to  
24 be) affected by the health care collabo-  
25 rative activity and the entities responsible

1 for making payments to such providers to  
2 negotiate societally optimal payment and  
3 service arrangements,

4 (ii) the effects of the health care col-  
5 laborative activity on premiums and other  
6 charges imposed by the entities described  
7 in clause (i), and

8 (iii) the availability of equally effi-  
9 cient, less restrictive alternatives to achieve  
10 the benefits that are intended to be  
11 achieved by carrying out the activity.

12 (c) ESTABLISHMENT OF CRITERIA AND PROCE-  
13 DURES.—Subject to subsections (d) and (e), not later than  
14 1 year after the date of the enactment of this Act, the  
15 Attorney General and the Secretary shall establish jointly  
16 by rule the criteria and procedures applicable to the issu-  
17 ance of certificates under subsection (a). The rules shall  
18 specify the form and content of the application to be sub-  
19 mitted to the Attorney General to request a certificate,  
20 the information required to be submitted in support of  
21 such application, the procedures applicable to denying and  
22 to revoking a certificate, and the procedures applicable to  
23 the administrative appeal (if such appeal is authorized by  
24 rule) of the denial and the revocation of a certificate. Such  
25 information may include the terms of the health care col-

1 laborative activity (in the case of an activity in existence  
2 as of the time of the application) and implementation plan  
3 for the collaborative activity.

4 (d) ELIGIBLE HEALTH CARE COLLABORATIVE AC-  
5 TIVITY.—To be an eligible health care collaborative activ-  
6 ity for purposes of this section, a health care collaborative  
7 activity shall submit to the Attorney General an applica-  
8 tion that complies with the rules in effect under subsection  
9 (c) and that includes—

10 (1) an agreement by the parties to the activity  
11 that the activity will not foreclose competition by en-  
12 tering into contracts that prevent health care provid-  
13 ers from providing health care in competition with  
14 the activity,

15 (2) an agreement that the activity will submit  
16 to the Attorney General annually a report that de-  
17 scribes the operations of the activity and information  
18 regarding the impact of the activity on health care  
19 and on competition in health care, and

20 (3) an agreement that the parties to the activity  
21 will notify the Attorney General and the Secretary of  
22 the termination of the activity not later than 30  
23 days after such termination occurs.

24 (e) REVIEW OF APPLICATIONS FOR CERTIFICATES.—  
25 Not later than 90 days after an eligible health care col-

1 laborative activity submits to the Attorney General an ap-  
2 plication that complies with the rules in effect under sub-  
3 section (c) and with subsection (d), the Attorney General  
4 shall issue or deny the issuance of such certificate. If, be-  
5 fore the expiration of such 90-day period, the Attorney  
6 General may extend the time for issuance for good cause.

7 (f) REVOCATION OF CERTIFICATE.—Whenever the  
8 Attorney General finds that a health care collaborative ac-  
9 tivity with respect to which a certificate is in effect does  
10 not meet the standards specified in subsection (b), the At-  
11 torney General shall revoke such certificate.

12 (g) WRITTEN REASONS; JUDICIAL REVIEW.—

13 (1) DENIAL AND REVOCATION OF CERTIFI-  
14 CATES.—If the Attorney General denies an applica-  
15 tion for a certificate or revokes a certificate, the At-  
16 torney General shall include in the notice of denial  
17 or revocation a statement of the reasons relied upon  
18 for the denial or revocation of such certificate.

19 (2) JUDICIAL REVIEW.—

20 (A) AFTER ADMINISTRATIVE PROCEED-  
21 ING.—(i) If the Attorney General denies an ap-  
22 plication submitted or revokes a certificate is-  
23 sued under this section after an opportunity for  
24 hearing on the record, then any party to the  
25 health care collaborative activity involved may

1 commence a civil action, not later than 60 days  
2 after receiving notice of the denial or revoca-  
3 tion, in an appropriate district court of the  
4 United States for review of the record of such  
5 denial or revocation.

6 (ii) As part of the Attorney General's an-  
7 swer, the Attorney General shall file in such  
8 court a certified copy of the record on which  
9 such denial or revocation is based. The findings  
10 of fact of the Attorney General may be set aside  
11 only if found to be unsupported by substantial  
12 evidence in such record taken as a whole.

13 (B) DENIAL OR REVOCATION WITHOUT AD-  
14 MINISTRATIVE PROCEEDING.—If the Attorney  
15 General denies an application submitted or re-  
16 vokes a certificate issued under this section  
17 without an opportunity for hearing on the  
18 record, then any party to the health care col-  
19 laborative activity involved may commence a  
20 civil action, not later than 60 days after receiv-  
21 ing notice of the denial or revocation, in an ap-  
22 propriate district court of the United States for  
23 de novo review of such denial or revocation.

24 (h) EXEMPTION.—A person shall not be liable under  
25 any of the antitrust laws for conduct necessary—

1           (1) to prepare, agree to prepare, or attempt to  
2 agree to prepare an application to request a certifi-  
3 cate under this section, or

4           (2) to attempt to enter into any health care col-  
5 laborative activity with respect to which such a cer-  
6 tificate is in effect.

7           (i) DEFINITIONS.—In this section:

8           (1) The term “antitrust laws” has the meaning  
9 given it in subsection (a) of the first section of the  
10 Clayton Act (15 U.S.C. 12(a)), except that such

21 sharing in the provision and coordination of health

23 tion and financial risk-sharing between the parties,  
24 but does not include the exchanging of information,  
25 the entering into of any agreement, or the engage-

1       ment in any other conduct that is not reasonably re-  
2       quired to carry out such agreement.

3           (4) The term “health care services” includes

13      such services in the State.
