1 **SEC. 212. ESTABLISHMENT OF PUBLIC DIPLOMACY RE-**  
2 **SERVE CORPS.**

3 (a) FINDING.—Congress finds that currently a short-  
4 age of trained public diplomacy Foreign Service officers  
5 at the mid-career level threatens the effectiveness of  
6 United States outreach to publics abroad.

7 (b) SENSE OF CONGRESS.—It is the sense of Con-  
8 gress that—

9 (1) the Foreign Service should recruit individ-  
10 uals with professional experience relevant to public  
11 diplomacy, and provide training and mentoring to  
12 cultivate their skills in order to build up the corps  
13 of professionals in the public diplomacy cone; and

14 (2) apart from the public diplomacy cone, train-  
15 ing of all Foreign Service officers should include  
16 more information on techniques of public diplomacy.

17 (c) ESTABLISHMENT OF PUBLIC DIPLOMACY RE-  
18 SERVE CORPS.—Section 301 of the Foreign Service Act  
19 of 1980 (22 U.S.C. 3941) is amended by adding at the  
20 end the following new subsection:

21 “(e) ESTABLISHMENT OF PUBLIC DIPLOMACY RE-  
22 SERVE CORPS.—

23 “(1) IN GENERAL.—The Secretary of State is  
24 authorized to establish in the Foreign Service a Pub-  
25 lic Diplomacy Reserve Corps consisting of mid- and  
26 senior-level former Foreign Service officers and

1 other individuals with experience in the private or  
2 public sector relevant to public diplomacy, to serve  
3 for a period of 6 months to 2 years in postings  
4 abroad.

5 “(2) PROHIBITION ON CERTAIN ACTIVITIES.—  
6 While actively serving with the Reserve Corps, indi-  
7 viduals may not engage in activities directly or indi-  
8 rectly intended to influence public opinion within the  
9 United States in the same manner and to the same  
10 extent that employees of the Department of State  
11 engaged in public diplomacy are so prohibited.”.

12 **SEC. 213. ENHANCING UNITED STATES PUBLIC DIPLOMACY**  
13 **OUTREACH.**

14 (a) FINDINGS.—Congress finds the following:

15 (1) The platform strategy for United States  
16 public diplomacy programs has changed dramatically  
17 with events of the past decade. The United States  
18 Government used to operate hundreds of free-stand-  
19 ing facilities around the world, known as “American  
20 Centers” or “America Houses”, that offered venues  
21 for cultural and educational events as well as access  
22 to books, magazines, films, and other selected mate-  
23 rials about the United States. The consolidation of  
24 the United States Information Agency (USIA) into  
25 the Department of State accelerated the post-Cold

1 War process of closing these facilities, and the dead-  
2 ly attacks on United States embassies in Tanzania  
3 and Kenya prompted the imposition of security re-  
4 quirements under law that included co-locating  
5 United States Government employees in hardened  
6 embassy compounds.

7 (2) Information Resource Centers, which offer  
8 library services and space for public events, that are  
9 now located in embassy compounds allow limited ac-  
10 cess—and in some cases, none whatsoever—by the  
11 public, and half of them operate on a “by appoint-  
12 ment only” basis. “American Corner” facilities, op-  
13 erated by local contacts in university or public li-  
14 braries in some countries, are no substitute for a  
15 designated venue recognized as a resource for infor-  
16 mation on United States culture and education  
17 staffed by a knowledgeable representative of the em-  
18 bassy.

19 (b) PARTNERSHIP ARRANGEMENTS TO FURTHER  
20 PUBLIC DIPLOMACY AND OUTREACH.—Recognizing the  
21 security challenges of maintaining free-standing public di-  
22 plomacy facilities outside of embassy compounds, the Sec-  
23 retary of State shall consider new partnership arrange-  
24 ments with local or regional entities in foreign countries  
25 that can operate free-standing American Centers in areas

1 well-trafficked by a cross-section of people in such coun-  
2 tries, including in downtown storefronts, health care clin-  
3 ics, and other locations that reach beyond library patrons  
4 and university students. Where such partnership arrange-  
5 ments currently exist, the Secretary shall evaluate the effi-  
6 cacy of such partnership arrangements and determine  
7 whether such partnership arrangements can provide a  
8 model for public diplomacy facilities outside of embassy  
9 and consulate compounds elsewhere. Not later than 180  
10 days after the date of the enactment of this Act, the Sec-  
11 retary shall brief the appropriate congressional committees  
12 on the evaluation and determinations described in the pre-  
13 ceding sentence.

14       (c) ESTABLISHMENT OF CERTAIN PUBLIC DIPLO-  
15 MACY FACILITIES.—After taking into account relevant se-  
16 curity needs, the Secretary of State shall consider placing  
17 United States public diplomacy facilities at locations that  
18 maximize the role of such facilities in the educational and  
19 cultural life of the cities in which such facilities are lo-  
20 cated, and help build a growing constituency for such fa-  
21 cilities, in accordance with the authority given to the Sec-  
22 retary under section 606(a)(2)(B) of the Secure Embassy  
23 Construction and Counterterrorism Act of 1999 (22  
24 U.S.C. 4865(a)(2)(B)) to waive certain requirements of

1 that Act with respect to the location of certain United  
2 States diplomatic facilities in foreign countries.

3 **SEC. 214. PUBLIC DIPLOMACY RESOURCE CENTERS.**

4 (a) ESTABLISHMENT AND MAINTENANCE OF LI-  
5 BRARIES.—Section 1(b)(3) of the State Department Basic  
6 Authorities Act of 1956 (22 U.S.C. 2651a(b)(3)) is  
7 amended—

8 (1) in subparagraph (D), by striking “and” at  
9 the end;

10 (2) in subparagraph (E), by striking the period  
11 at the end and inserting “; and”; and

12 (3) by adding at the end the following new sub-  
13 paragraph:

14 “(F) provide for the establishment of new  
15 and the maintenance of existing libraries and  
16 resource centers at or in connection with United  
17 States diplomatic and consular missions.”.

18 (b) OPERATION OF LIBRARIES.—

19 (1) IN GENERAL.—The Secretary of State shall  
20 ensure that libraries and resource centers estab-  
21 lished and maintained in accordance with subpara-  
22 graph (F) of section 1(b)(3) of the State Depart-  
23 ment Basic Authorities Act of 1956 (as added by  
24 subsection (a)(3) of this section) are open to the  
25 general public and, if practicable, made available

1 over the internet to the greatest extent practicable,  
2 subject to policies and procedures established by the  
3 Secretary to ensure the safety and security of  
4 United States diplomatic and consular missions and  
5 of United States officers, employees, and personnel  
6 posted at such missions at which such libraries are  
7 located.

8 (2) SHOWINGS OF UNITED STATES FILMS.—To  
9 the extent practicable, the Secretary of State shall  
10 ensure that such libraries and resource centers  
11 schedule public showings of United States films that  
12 showcase United States culture, society, values, and  
13 history, including making such films available over  
14 the internet, if practicable.

15 (c) ADVISORY COMMISSION ON PUBLIC DIPLO-  
16 MACY.—Not later than 1 year after the date of the enact-  
17 ment of this section, the Advisory Commission on Public  
18 Diplomacy (authorized under section 1334 of the Foreign  
19 Affairs Reform and Restructuring Act of 1998 (22 U.S.C.  
20 6553)) shall submit to the Committee on Foreign Affairs  
21 of the House of Representatives and the Committee on  
22 Foreign Relations of the Senate a report containing an  
23 evaluation of the functions and effectiveness of the librar-  
24 ies and resource centers, including online outreach, that  
25 are authorized under this section.

1 (d) AUTHORIZATION OF APPROPRIATIONS.—From  
2 amounts authorized to be appropriated for Diplomatic and  
3 Consular Programs pursuant to section 101(1)(A), there  
4 is authorized to be appropriated to the Secretary of State  
5 such sums as may be necessary for each of fiscal years  
6 2010 and 2011 to carry out this section.

7 **SEC. 215. GRANTS FOR INTERNATIONAL DOCUMENTARY**  
8 **EXCHANGE PROGRAMS.**

9 (a) FINDINGS.—Congress finds the following:

10 (1) Since September 11, 2001, a distorted per-  
11 ception of the United States has grown abroad, even  
12 as many Americans struggle to understand the in-  
13 creasingly complex world beyond the borders of the  
14 United States.

15 (2) This public diplomacy crisis poses an ongo-  
16 ing threat to United States security, diplomatic rela-  
17 tions, commerce, and citizen-to-citizen relationships  
18 between the United States and other countries.

19 (3) Independently produced documentary films  
20 have proven to be an effective means of commu-  
21 nicating United States ideas and values to popu-  
22 lations of other countries.

23 (4) It is in the interest of the United States to  
24 provide assistance to United States nongovernmental

1 organizations that produce and distribute independ-  
2 ently produced documentary films.

3 (b) ASSISTANCE.—The Secretary of State is author-  
4 ized to make grants, on such terms and conditions as the  
5 Secretary may determine, to United States nongovern-  
6 mental organizations that use independently produced  
7 documentary films to promote better understanding of the  
8 United States abroad and better understanding of global  
9 perspectives and other countries in the United States.

10 (c) ACTIVITIES SUPPORTED.—Grants provided under  
11 subsection (b) shall, to the maximum extent practicable,  
12 be used to carry out the following activities:

13 (1) Fund, distribute, and promote documentary  
14 films that convey a diversity of views about life in  
15 the United States to foreign audiences and bring in-  
16 sightful foreign perspectives to United States audi-  
17 ences.

18 (2) Support documentaries described in para-  
19 graph (1) that are made by independent foreign and  
20 domestic producers, selected through a peer review  
21 process.

22 (3) Develop a network of overseas partners to  
23 produce, distribute, and broadcast such documen-  
24 taries.

1 (d) SPECIAL FACTORS.—In making the grants de-  
2 scribed in subsection (b), the Secretary shall give pref-  
3 erence to nongovernmental organizations that—

4 (1) provide at least 35 percent of the total  
5 project cost in matching funds from non-Federal  
6 sources; and

7 (2) have prior experience supporting independ-  
8 ently produced documentary films that have been  
9 broadcast on public television in the United States.

10 (e) REPORT.—Not later than 2 years after the date  
11 of the enactment of this Act, the Secretary shall submit  
12 to Congress a report that contains a detailed description  
13 of the implementation of this section for the prior year.

14 (f) AUTHORIZATION OF APPROPRIATIONS.—Of the  
15 amounts authorized to be appropriated for Educational  
16 and Cultural Exchange Programs pursuant to section  
17 101(4), there is authorized to be appropriated to the Sec-  
18 retary of State \$5,000,000 for each of fiscal years 2010  
19 and 2011 to carry out this section.

20 **SEC. 216. UNITED STATES ADVISORY COMMISSION ON PUB-**  
21 **LIC DIPLOMACY.**

22 (a) REAUTHORIZATION OF UNITED STATES ADVI-

4 (2) While Special Olympics sports programming

12 grams for people with intellectual disabilities.

13 (3) Special Olympics has documented the chal-

15 lectual disability worldwide and its capacity to  
16 change discriminatory attitudes to understanding,  
17 acceptance, and advocacy for people with intellectual  
18 disabilities. It does so through an array of edu-  
19 cational and attitude change activities that affect  
20 multiple levels of society. These activities have re-  
21 ceived financial support from the Bureau of Edu-  
22 cational and Cultural Affairs (ECA) of the Depart-

5 **SEC. 241. FINDINGS AND SENSE OF CONGRESS ON THE**  
6 **NEED TO STRENGTHEN UNITED STATES**  
7 **ARMS CONTROL AND NONPROLIFERATION**  
8 **CAPABILITIES.**

9 (a) FINDINGS.—Congress finds the following:

10 (1) International security relies upon collective  
11 security arrangements and alliances, as unilateral  
12 actions by one country, no matter how powerful, are  
13 insufficient to cope effectively with security threats.

14 (2) In the same manner, collective arrange-  
15 ments, conventions, and alliances devoted to halting  
16 the proliferation of weapons of mass destruction,  
17 their means of production and delivery, frequently  
18 institutionalized within multilateral treaties and con-  
19 ventions, are critical to effective collective global ac-  
20 tion.

21 (3) In order to safeguard and advance United  
22 States national security, the Department of State  
23 must have the structural and human resources nec-  
24 essary to lead and participate in all international ne-  
25 gotiations, conventions, organizations, arrangements,

1 and implementation fora in the field of nonprolifera-  
2 tion and arms control.

3 (4) North Korea and Iran present fundamental  
4 challenges to the global nonproliferation regime,  
5 challenges that can only be met by active, com-  
6 mitted, and long-term multilateral engagement, par-  
7 ticipation, and leadership by the United States.

8 (5) Further, the United States has outlined an  
9 ambitious agenda in arms control and nonprolifera-  
10 tion for the coming years, including—

11 (A) the conclusion of a strategic arms re-  
12 duction treaty with Russia that preserves the  
13 benefits of the expiring START I treaty and  
14 makes further reductions in the total number of  
15 nuclear warheads in both countries, consistent  
16 with their national security needs;

17 (B) United States ratification of the Com-  
18 prehensive Test Ban Treaty (CTBT), consid-  
19 ered a foundational treaty by the global non-  
20 proliferation community for further advances  
21 toward greater stability and the reduction of  
22 role of nuclear weapons;

23 (C) the creation of a Fissile Material Cut-  
24 off Treaty (FMCT) to reduce the rate of pro-  
25 duction and ultimately halt the production of

1           militarily-useful fissile material for nuclear  
2           weapons;

3           (D) the securing of vulnerable nuclear ma-  
4           terial worldwide that could be stolen and uti-  
5           lized by terrorist groups and rogue countries for  
6           nuclear and radiological weapons;

7           (E) the reinvigoration of the Treaty on the  
8           Nonproliferation of Nuclear Weapons (NPT),  
9           the cornerstone of the global nuclear non-  
10          proliferation regime, especially at the 2010 Re-  
11          view Conference;

12          (F) the expansion and greater development  
13          of the Proliferation Security Initiative (PSI)  
14          and the Global Initiative to Combat Nuclear  
15          Terrorism into durable international institu-  
16          tions;

17          (G) the disruption and prevention of nu-  
18          clear black markets;

19          (H) the convening of a Global Summit on  
20          Nuclear Security;

21          (I) strengthening the infrastructure and  
22          technical and financial resources available to  
23          the International Atomic Energy Agency  
24          (IAEA) and its international nuclear safeguards  
25          system; and

1           (J) engaging multiple international conven-  
2           tions and negotiations on restriction on conven-  
3           tional arms of various types.

4           (b) SENSE OF CONGRESS.—It is the sense of Con-  
5 gress that—

6           (1) the Secretary of State should immediately  
7           develop a plan to strengthen the capabilities of the  
8           Department of State to lead and participate effec-  
9           tively in all international negotiations and implemen-  
10          tation fora in the field of nonproliferation and arms  
11          control, especially to increase the human, organiza-  
12          tional, and financial resources available to the Un-  
13          dersecretary of State for Arms Control and Inter-  
14          national Security;

15          (2) such plan should—

16                (A) focus especially on the recruitment and  
17                professional development of civilian and Foreign  
18                Service officers in the areas of arms control and  
19                nonproliferation within the Department of  
20                State, especially to increase the number of per-  
21                sonnel assigned to arms control and non-  
22                proliferation and enhance recruitment of tech-  
23                nical specialists, as well as provide for the long-  
24                term sustainability of personnel and resources;  
25                and

1 (B) identify measures to make service in  
2 arms control and nonproliferation offices, bu-  
3 reaus, and in foreign postings an attractive  
4 path for further promotion within the Foreign  
5 Service; and

6 (3) the Secretary of State should regularly keep  
7 Congress informed as to the measures taken to  
8 strengthen the arms control and nonproliferation ca-  
9 pabilities of the Department of State, including what  
10 additional legal authority or appropriations are re-  
11 quired.

12 **SEC. 242. AUTHORIZATION OF ADDITIONAL ARMS CONTROL**  
13 **AND NONPROLIFERATION POSITIONS.**

14 Of the amounts authorized to be appropriated under  
15 section 101, \$3,000,000 is authorized to be appropriated  
16 for an additional 25 positions at the Department of State  
17 for arms control and nonproliferation functions over the  
18 number of such positions in existence as of the date of  
19 the enactment of this Act.

20 **SEC. 243. ADDITIONAL AUTHORITY OF THE SECRETARY OF**  
21 **STATE.**

22 Section 401(d) of the Arms Control and Disar-  
23 mament Act (Public Law 87-297; 22 U.S.C. 2581) is  
24 amended, in the first proviso, by striking “the President”  
25 and inserting “the Secretary of State”.

7 that the work of any such mission does not falter in  
8 transitions during rotations.

9 (4) As the number of positions at such missions  
10 designated for United States officers that are not  
11 filled continues to increase, locally employed staff  
12 are called upon to assume many of the responsibil-  
13 ities that United States staff have carried in the  
14 past.

15 (5) Based on a survey conducted by the Office  
16 of the Inspector General (OIG) Department of  
17 State, the United States is failing to provide a com-  
18 petitive compensation package for locally employed  
19 staff that is commensurate with their experience,  
20 technical skills, and responsibilities.

21 (6) The Department of State OIG survey data  
22 show that the United States Government is pro-  
23 viding salary increases that are approximately 60  
24 percent of what is the prevailing practice of the local  
25 labor market.

1           (7) The Department of State OIG has found  
2           numerous cases in which such missions are losing  
3           staff to other employers. The OIG has also found  
4           numerous cases where it is difficult to replace em-  
5           ployees who left to take other jobs, particularly in  
6           countries with low unemployment rates.

7           (b) POLICY REVIEW.—The Secretary of State shall  
8           direct a policy review to assess the adequacy of locally em-  
9           ployed staff compensation. In carrying out such policy re-  
10          view the Secretary shall consider the recommendations of  
11          the Office of the Inspector General of the Department of  
12          State, including the following:

13           (1) The Bureau of Human Resources, in co-  
14          ordination with the Office of Management, Policy,  
15          Rightsizing and Innovation, should hire an outside  
16          contractor with international experience to perform  
17          an organizational review of the Compensation Man-  
18          agement Division of the Office of Overseas Employ-  
19          ment to advise on the organization of the compensa-  
20          tion management division and on how many analysts  
21          are required to handle the compensation manage-  
22          ment responsibilities, and to recommend training  
23          and certifications the analysts should obtain.

24           (2) The Office of Management, Policy,  
25          Rightsizing and Innovation, in coordination with the

1 Bureau of Human Resources and the Bureau of Re-  
2 source Management, should ensure that the working  
3 group on locally employed staff compensation re-  
4 views the connectivity between the activities of the  
5 Office of Overseas Employment and the Office of  
6 State Programs, Operations and Budget in the Bu-  
7 reau of Resource Management, and makes and dis-  
8 tributes written, documented determinations as to  
9 the data used by the two offices to make estimates  
10 of locally employed staff compensation adjustments,  
11 the timing of these activities, and the responsibility  
12 each office has for tracking implementation of locally  
13 employed staff compensation adjustments.

14 (3) The Bureau of Human Resources, in co-  
15 ordination with the Office of Management, Policy,  
16 Rightsizing and Innovation, should implement a lo-  
17 cally employed staff compensation review process  
18 whereby the Office of Overseas Employment in the  
19 Bureau of Human Resources reviews and adjust  
20 each post's salary schedule every 5 years based on  
21 a recent salary survey. During the intervening years,  
22 the Department should authorize cost-of-living (or  
23 inflation) adjustments based on reliable inflation  
24 data.

1           (4) The Bureau of Human Resources, in co-  
2           ordination with the Office of Management, Policy,  
3           Rightsizing and Innovation, should implement a sys-  
4           tematic process of providing comprehensive informa-  
5           tion to diplomatic and consular missions, Depart-  
6           ment of State offices, and agency headquarters on  
7           periodic salary survey reviews, including comprehen-  
8           sible salary survey analysis, explanations of salary  
9           survey changes, and if appropriate, copies of the off-  
10          the-shelf surveys for the host country. This approach  
11          should be documented and made a part of the peri-  
12          odic process.

13          (5) The Bureau of Human Resources, in co-  
14          ordination with the Office of Management, Policy,  
15          Rightsizing and Innovation, the regional bureaus,  
16          and the Bureau of Resource Management, should es-  
17          tablish, maintain, and monitor a database that  
18          tracks information related to locally employed staff  
19          compensation and adjustments, including budgetary  
20          resources, salary level ceilings calculated by the Of-  
21          fice of Overseas Employment, salary levels requested  
22          by post, salary levels implemented, dates for these  
23          activities, and calculations of whether the Depart-  
24          ment is meeting prevailing practice. This database

1 should replace the current practice of commu-  
2 nicating salary review information by cable.

3 (6) The Bureau of Human Resources, in co-  
4 ordination with the Office of Management, Policy,  
5 Rightsizing and Innovation, should evaluate the pos-  
6 sibility of using different pay setting data estab-  
7 lishing different pay scales for blue-collar positions  
8 and for professional level positions, and should issue  
9 and distribute a written report on the findings and  
10 the possibility of implementing the findings.

11 (7) The Office of Management, Policy,  
12 Rightsizing and Innovation should ensure that the  
13 working group on locally employed staff compensa-  
14 tion considers the possibility of including members  
15 from other United States Government agencies that  
16 employ locally employed staff. Whether this rec-  
17 ommendation is implemented or not, the Office of  
18 Management, Policy, Rightsizing and Innovation  
19 should document the decision in writing, and dis-  
20 tribute the decision widely in the Department of  
21 State and to other agencies that employ locally em-  
22 ployed staff.

23 (8) The Office of Management, Policy,  
24 Rightsizing and Innovation should ensure that the  
25 working group on locally employed staff compensa-

1       tion considers the possibility of centralizing decision  
2       making for locally employed staff salary increases,  
3       and, whether such is eventually implemented or not,  
4       make a determination as to its value, document the  
5       decision in writing, and distribute the decision wide-  
6       ly in the Department of State.

7               (9) The Bureau of Human Resources, in co-  
8       operation with Resource Management International  
9       Cooperative Administrative Support Services, should  
10      establish a senior level interagency locally employed  
11      staff board of governors to set overall locally em-  
12      ployed staff policy.

13              (10) The Bureau of Human Resources should  
14      send the cable announcing the proposed salary in-  
15      creases for locally employed staff to the attention of  
16      both the chief of mission and the management offi-  
17      cer.

18              (11) The Bureau of Human Resources should  
19      request a list of position titles and grades from all  
20      positions with exception rate ranges and details on  
21      the exception rate range adjustments in the 2010  
22      Locally Employed Staff Compensation Question-  
23      naire.

24              (c) REPORT.—Not later than 90 days after the date  
25      of the enactment of this Act, the Secretary of State shall

1 submit to the appropriate committees a report on the im-  
2 plementation of this section, including a review of efforts  
3 to implement the recommendations of the Office of the  
4 Inspector General of the Department of State specified in  
5 subsection (b).

21          ABORTION.—Nothing in this section, and in particular the  
22          duties of the office described in subsection (c), shall be  
23          construed as affecting in any way existing statutory prohi-  
24          bitions against abortion or existing statutory prohibitions  
25          on the use of funds to engage in any activity or effort

1 to alter the laws or policies in effect in any foreign country  
2 concerning the circumstances under which abortion is per-  
3 mitted, regulated, or prohibited.

4 (f) AUTHORIZATION OF APPROPRIATIONS.—Of the

21 Service employee or a Government executive branch em-  
22 ployee, if such Foreign Service employee or Government  
23 executive branch employee is subject to the authority of  
24 the chief of mission pursuant to section 207, of an amount  
25 equal to a maximum of eight times the salary of such For-

1 eign Service employee or Government executive branch  
2 employee if such Foreign Service employee or Government  
3 executive branch employee is killed as a result of an act  
4 of international terrorism. Such payment shall be accorded  
5 the same treatment as a payment made under subsection  
6 (a). For purposes of this subsection, the term ‘act of inter-  
7 national terrorism’ has the meaning given such term in  
8 section 2331(1) of title 18, United States Code.”.

9 (b) CERTAIN SPECIFIC PAYMENTS.—Subject to the  
10 availability of appropriations specifically for the purpose  
11 specified in this subsection as provided in appropriations  
12 Acts enacted on or after October 1, 2007, and notwith-

16 by subsection a(2) of this section) to an individual de-  
17 scribed in such section 413(d) or to an individual who was  
18 otherwise serving at a United States diplomatic or con-  
19 sular mission abroad without a regular salary who was  
20 killed as a result of an act of international terrorism (as  
21 such term is defined in section 2331(1) of title 18, United  
22 States Code) that occurred between January 1, 1998, and  
23 the date of the enactment of this section, including the  
24 victims of the bombing of August 7, 1998, in Nairobi,  
25 Kenya. Such a payment shall be deemed to be a payment

1 under section 413(d) of the Foreign Service Act of 1980,  
2 except that for purposes of this section, such payment  
3 shall, with respect to a United States citizen receiving pay-  
4 ment under this section, be in an amount equal to ten  
5 times the salary specified in this section. For purposes of  
6 this section and section 413(d) of such Act, with respect  
7 to a United States citizen receiving payment under this  
8 section, the salary to be used for purposes of determining  
9 such payment shall be \$94,000.

10 **SEC. 336. BROADENING EXPERIENCE WITHIN THE FOREIGN**  
11 **SERVICE.**

12 Not later than 180 days after the date of the enact-  
13 ment of this Act, the Secretary of State, acting through  
14 the Director of the Foreign Service, shall submit to the  
15 appropriate congressional committees a detailed plan to  
16 increase the career incentives provided to Foreign Service  
17 officers to serve in bureaus and offices of the Department  
18 of State not primarily focused on regional issues, including  
19 the Bureau of Democracy, Human Rights and Labor, the  
20 Bureau of Oceans and International Environmental and  
21 Scientific Affairs, and the Bureau of Population, Refugees  
22 and Migration. In formulating such plan, the Secretary  
23 shall consult with a broad range of active and retired For-  
24 eign Service officers and current and former officials of

1 the Department to elicit proposals on how to promote non-  
2 regional assignments, and shall consider—

3 (1) requiring all Foreign Service officers to  
4 serve at least 2 years in an bureau or office of the  
5 Department not primarily focused on regional issues  
6 prior to joining the Senior Foreign Service; and

7 (2) changing the composition of Foreign Service  
8 selection boards to increase the participation of De-  
9 partment personnel with extensive experience in bu-  
10 reaus and offices of the Department not primarily  
11 focused on regional issues.

12 **TITLE IV—INTERNATIONAL**  
13 **ORGANIZATIONS**  
14 **Subtitle A—International**  
15 **Leadership**

16 **SEC. 401. SHORT TITLE.**

17 This subtitle may be cited as the “United States  
18 International Leadership Act of 2009”.

19 **SEC. 402. PROMOTING ASSIGNMENTS TO INTERNATIONAL**  
20 **ORGANIZATIONS.**

21 (a) PROMOTIONS.—

22 (1) IN GENERAL.—Section 603(b) of the For-  
23 eign Service Act of 1980 (22 U.S.C. 4003) is  
24 amended, in the second sentence, by inserting before  
25 the period at the end the following: “, and should

1 consider whether the member of the Service has  
2 served in a position whose primary responsibility is  
3 to formulate policy toward, or represent the United  
4 States at, an international organization, a multilat-  
5 eral institution, or a broad-based multilateral nego-  
6 tiation of an international instrument”.

7 (2) EFFECTIVE DATE.—The amendment made  
8 by paragraph (1) shall take effect on the date of the  
9 enactment of this Act and shall apply to members of  
10 the Foreign Service beginning on January 1, 2015.

11 (b) ESTABLISHMENT OF A MULTILATERAL DIPLO-  
12 MACY CONE IN THE FOREIGN SERVICE.—

13 (1) FINDINGS.—Congress finds the following:

14 (A) The Department of State maintains a  
15 number of United States missions both within  
16 the United States and abroad that are dedi-  
17 cated to representing the United States to  
18 international organizations and multilateral in-  
19 stitutions, including missions in New York,  
20 Brussels, Geneva, Rome, Montreal, Nairobi, Vi-  
21 enna, and Paris.

22 (B) In offices at the Harry S. Truman  
23 Building, the Department maintains a signifi-  
24 cant number of positions in bureaus that are ei-  
25 ther dedicated, or whose primary responsibility

1 is, to represent the United States to such orga-  
2 nizations and institutions or at multilateral ne-  
3 gotiations.

4 (C) Given the large number of positions in  
5 the United States and abroad that are dedi-  
6 cated to multilateral diplomacy, the Department  
7 of State may be well served in developing per-  
8 sons with specialized skills necessary to become  
9 experts in this unique form of diplomacy.

10 (2) REPORT.—Not later than 180 days after  
11 the date of the enactment of this Act, the Secretary  
12 of State shall submit to the appropriate congres-  
13 sional committees a report—

14 (A) evaluating whether a new cone should  
15 be established for the Foreign Service that con-  
16 centrates on members of the Service who serve  
17 at international organizations and multilateral  
18 institutions or are primarily responsible for par-  
19 ticipation in broad-based multilateral negotia-  
20 tions of international instruments; and

21 (B) that provides alternative mechanisms  
22 for achieving the objective of developing a core  
23 group of United States diplomats and other  
24 Government employees who have expertise and

1 broad experience in conducting multilateral di-  
2 plomacy.

3 **SEC. 403. IMPLEMENTATION AND ESTABLISHMENT OF OF-**  
4 **FICE ON MULTILATERAL NEGOTIATIONS.**

5 (a) ESTABLISHMENT OF OFFICE.—The Secretary of  
6 State is authorized to establish, within the Bureau of  
7 International Organization Affairs, an Office on Multilat-  
8 eral Negotiations, to be headed by a Special Representa-  
9 tive for Multilateral Negotiations (in this section referred  
10 to as the “Special Representative”).

11 (b) APPOINTMENT.—If the office referred to in sub-  
12 section (a) is established, the Special Representative shall  
13 be appointed by the President by and with the advice and  
14 consent of the Senate and shall have the rank of Amba-  
15 sador-at-Large. At the discretion of the President another  
16 official at the Department may serve as the Special Rep-  
17 resentative. The President may direct that the Special  
18 Representative report to the Assistant Secretary for Inter-  
19 national Organization Affairs.

20 (c) STAFFING.—The Special Representative shall  
21 have a staff of Foreign Service and civil service officers  
22 skilled in multilateral diplomacy.

23 (d) DUTIES.—The Special Representative shall have  
24 the following responsibilities:

1           (1) IN GENERAL.—The primary responsibility  
2 of the Special Representative shall be to assist in the  
3 organization of, and preparation for, United States  
4 participation in multilateral negotiations, including  
5 the advocacy efforts undertaken by the Department  
6 of State and other United States agencies.

7           (2) ADVISORY ROLE.—The Special Representa-  
8 tive shall advise the President and the Secretary of

10 national organizations and multilateral institutions  
11 and negotiations and, in coordination with the As-  
12 sistant Secretary for International Organization Af-  
13 fairs, shall make recommendations regarding—

14                   (A) effective strategies and tactics to  
15 achieve United States policy objectives at multi-  
16 lateral negotiations;

17                   (B) the need for and timing of high level  
18 intervention by the President, the Secretary of  
19 State, the Deputy Secretary of State, and other  
20 United States officials to secure support from  
21 key foreign government officials for the United  
22 States position at such organizations, institu-  
23 tions, and negotiations;

24                   (C) the composition of United States dele-  
25 gations to multilateral negotiations; and

1 resumption by the United States of the payment of its full  
2 contributions to certain international organizations at the  
3 beginning of each calendar year).

5 **NATIONS.**

6 In addition to amounts otherwise available for the  
7 payment of Assessed Contributions to International Orga-  
8 nizations and Contributions for International Peace-  
9 keeping Activities, there is authorized to be appropriated  
10 such sums as may be necessary to pay all United States  
11 arrearages in payments to the United Nations recognized  
12 by the United States.

13 **Subtitle B—General Provisions**

14 **SEC. 411. ORGANIZATION OF AMERICAN STATES.**

15 (a) SENSE OF CONGRESS.—It is the sense of Con-  
16 gress that—

17 (1) multilateral diplomacy in the context of the  
18 Americas has suffered considerably in the past dec-  
19 ade, to the direct detriment of the national interest  
20 of the United States in the region;

21 (2) given the recent proliferation of multilateral  
22 groupings in the Americas region in which the  
23 United States is not a member, it is imperative to  
24 focus on and promote United States diplomatic ef-  
25 forts in the Organization of American States (OAS),

1 where the United States is a founding member and  
2 whose central tenets include democratic values con-  
3 sidered vital for this region;

4 (3) it is critical for the United States to imme-  
5 diately re-establish its unique leadership voice in this  
6 region and specifically in the OAS setting; and

7 (4) an effective way to help achieve this short  
8 term objective is to establish a fund to promote mul-  
9 tilateral interests of the United States in the region.

10 (b) MULTILATERAL FUND.—

11 (1) IN GENERAL.—There is hereby established  
12 in the Department of State a Fund to Promote  
13 Multilateralism in the Americas (referred to in this  
14 section as the “Fund”).

15 (2) ACTIVITIES SUPPORTED.—The Fund shall  
16 support activities that promote the multilateral in-  
17 terests of the United States in the Americas region,  
18 including—

19 (A) United States diplomatic activities  
20 within and related to the OAS;

21 (B) voluntary contributions to entities and  
22 organs of the OAS to carry out programs and  
23 activities that support the interests of the  
24 United States;

25 (C) outreach and cultural activities;

1 (D) conferences; and

2 (E) general advocacy for United States in-  
3 terests.

4 (c) ADMINISTRATION.—The Fund shall be adminis-  
5 tered by the United States Mission to the Organization  
6 of American States, as directed by the United States Per-  
7 manent Representative to the OAS, for use on matters  
8 that arise in the context of the OAS.

9 (d) AUTHORIZATION.—Of the amounts authorized to  
10 be appropriated for the Administration of Foreign Affairs  
11 pursuant to section 101, there is authorized to be appro-  
12 priated \$2,000,000 for each of fiscal years 2010 and 2011  
13 only to carry out this section.

14 **SEC. 412. PEACEKEEPING OPERATIONS CONTRIBUTIONS.**

15 Section 404(b)(2)(B) of the Foreign Relations Au-  
16 thorization Act, Fiscal Years 1994 and 1995 (Public Law  
17 103–236) (22 U.S.C. 287e note) is amended at the end  
18 by adding the following new clause:

19 “(vi) For assessments made during  
20 calendar years 2009, 2010, and 2011, 27.1  
21 percent.”.

22 **SEC. 413. PACIFIC ISLANDS FORUM.**

23 It is the sense of Congress that the Secretary of State  
24 should work with the Pacific Islands Forum to find appro-  
25 priate affiliations for representatives of American Samoa,

1 Guam, and the Commonwealth of the Northern Mariana  
2 Islands.

3 **SEC. 414. REVIEW OF ACTIVITIES OF INTERNATIONAL COM-**  
4 **MISSIONS.**

5 (a) IN GENERAL.—Not later than 1 year after the  
6 date of the enactment of this Act and 2 years thereafter,  
7 the Secretary of State shall submit to the appropriate con-  
8 gressional committees a report on the activities of each  
9 of the commissions specified in paragraphs (1), (2), and  
10 (3) of section 103.

11 (b) REPORT ELEMENTS.—The reports required  
12 under subsection (a) shall include information concerning  
13 the following:

14 (1) Amounts obligated and expended during the  
15 two previous fiscal years by each of such commis-  
16 sions.

17 (2) A description of the projects carried out  
18 during such years by each of such commissions and  
19 a description of the management and implementa-  
20 tion of such projects, including the use of private  
21 contractors.

22 (3) Projects anticipated during the next two fis-  
23 cal years related to the activities of each of such  
24 commissions because of obligations that the United

1 States has entered into based on any treaty between  
2 the United States and another country.

3 (c) SUBMISSION OF THE REPORTS.—The reports  
4 may be combined with the annual budget justification sub-  
5 mitted by the President in accordance with section  
6 1105(a) of title 31, United States Code.

7 **SEC. 415. ENHANCING NUCLEAR SAFEGUARDS.**

8 (a) FINDINGS.—Congress makes the following find-  
9 ings:

10 (1) The Treaty on the Non-Proliferation of Nu-  
11 clear Weapons, done at Washington, London, and  
12 Moscow July 1, 1968, and entered into force March  
13 5, 1970 (commonly known as the “Nuclear Non-  
14 Proliferation Treaty” or “NPT”) and the safeguards  
15 system of the International Atomic Energy Agency  
16 (IAEA) are indispensable to international peace and  
17 security.

18 (2) Congress has long supported efforts aimed  
19 at effective and efficient assurances of nuclear fuel  
20 supply, the strengthening of IAEA safeguards, and  
21 assistance to the developing world for nuclear and  
22 non-nuclear energy sources, as embodied in the Nu-  
23 clear Non-Proliferation Act of 1978 (22 U.S.C. 3201  
24 et seq.).

1           (3) According to some experts, global energy  
2 demand will grow by 50 percent in the next 20  
3 years, predominantly in the developing world.

4           (4) The Government Accountability Office  
5 (GAO) stated in testimony before Congress in Sep-  
6 tember 2006 that “while IAEA is increasingly rely-  
7 ing on the analytical skills of its staff to detect coun-  
8 tries” undeclared nuclear activities, the agency is  
9 facing a looming human capital crisis.

10          (5) The Director General of the IAEA told the  
11 Board of Governors of the IAEA in March 2009  
12 that the “deteriorating conditions in our labora-  
13 tories, for example, threaten both our ability to de-  
14 liver our programmed, as well as our independent  
15 analytical capability”.

16          (6) Considerable investment is needed for the  
17 IAEA’s Safeguards Analytical Laboratory (SAL), to  
18 meet future IAEA requirements as its workload is  
19 growing, the laboratory’s infrastructure is aging,  
20 and IAEA requirements have become more demand-  
21 ing, and while initial plans have been made for lab-  
22 oratory enhancement and are currently pending  
23 budgetary approval (sometime in 2009), the simple  
24 fact is that, as more countries implement IAEA

1       safeguards, many more nuclear samples come to  
2       SAL for analysis.

3               (7) The existing funding, planning, and execu-  
4       tion of IAEA safeguards is not sufficient to meet the  
5       predicted growth in the future of civilian nuclear  
6       power, and therefore any growth in civilian nuclear  
7       power must be evaluated against the challenges it  
8       poses to verification of the assurances of peace and  
9       security provided by the IAEA safeguards system.

10       (b) AUTHORIZATION OF APPROPRIATIONS.—There is  
11      authorized to be appropriated \$10,000,000 for the refurbishment or possible replacement of the IAEA's Safeguards Analytical Laboratory.

14       (c) REPORT.—Not later than 180 days after the date  
15      of the enactment of this Act, the Secretary of State, in  
16      consultation with the Secretary of Energy, shall submit  
17      to the appropriate congressional committees and the Com-  
18      mittee on Armed Services of the House of Representatives  
19      and the Committee on Armed Services of the Senate a  
20      report on the refurbishment or possible replacement of the  
21      IAEA's Safeguards Analytical Laboratory pursuant to  
22      subsection (b).

1 **SEC. 416. IMPLEMENTATION OF RECOMMENDATIONS OF**  
2 **COMMISSION ON THE PREVENTION OF WEAP-**  
3 **ONS OF MASS DESTRUCTION PROLIFERATION**  
4 **AND TERRORISM.**

5 (a) **AUTHORIZATION OF APPROPRIATIONS.**—There is  
6 authorized to be appropriated such sums as may be nec-  
7 essary for each of the fiscal years 2010 and 2011 to imple-  
8 ment the following recommendations of the Report of the  
9 Commission on the Prevention of Weapons of Mass De-  
10 struction Proliferation and Terrorism regarding the Inter-  
11 national Atomic Energy Agency (IAEA) and nuclear safe-  
12 guards reform:

13 (1) The United States should work with the  
14 IAEA Director General to consider establishing a  
15 safeguards user fee, whereby countries with in-  
16 spected facilities would be assessed a fee to help  
17 defer the costs of IAEA inspections.

18 (2) The United States should work with the  
19 IAEA Director General and other interested parties  
20 to routinely (at least every 2 years) assess whether  
21 the IAEA can meet its own inspection goals, whether  
22 those goals afford timely warning of an ability to ac-  
23 count for a bomb's worth of nuclear material, as re-  
24 quired by United States law, and what corrective ac-  
25 tions, if any, might help the IAEA to achieve its in-  
26 spection goals. This assessment should also clarify

1 those instances in which achieving the goals is not  
2 possible.

3 (3) The United States should work with the  
4 IAEA Director General to provide for the acquisition  
5 and implementation of near-real-time surveillance  
6 equipment at a number of sites where nuclear fuel  
7 rods are located and where such equipment must be  
8 installed so that the IAEA can establish the inspec-  
9 tion continuity of the fresh and spent fuel rods and  
10 to install wide-area surveillance needed to monitor  
11 activities under the Additional Protocol.

12 (4) The United States should work with the  
13 IAEA Director General to promote much-needed  
14 transparency at suspect sites, to help deter transfers  
15 of nuclear fuel and nuclear weapons technology, and  
16 to encourage IAEA member states to maintain a  
17 registry of all foreign visitors at safeguarded sites.  
18 This registry should be made available to other  
19 IAEA members upon request.

20 (5) The United States should work with the  
21 IAEA Director General to establish a complete coun-  
22 try-by-country inventory of nuclear materials that  
23 could be used to make nuclear bombs. The informa-  
24 tion should be shared, as appropriate, with indi-

3 database regularly.

4 (6) The United States should work with the  
5 IAEA Director General to require that the transfer  
6 of all items on the Nuclear Suppliers Group dual-use

10 unreported transfers illegal and subject to seizure.

# TITLE VI—PEACE CORPS

## SEC. 601. FINDINGS; STATEMENT OF POLICY.

(a) FINDINGS.—Congress finds the following:

(1) On October 14, 1960, then Senator John F. Kennedy addressed students on the steps of the University of Michigan Union to enlist their effort to make the world a better place by serving their country abroad.

(2) On March 1, 1961, then President John F. Kennedy signed an Executive Order establishing a Peace Corps that was “designed to permit our people to exercise more fully their responsibilities in the great common cause of world development”.

(3) Since its establishment, the Peace Corps has been guided by its mission to promote world peace and friendship and has sought to fulfill the following three goals:

(A) To help the people of interested countries in meeting their needs for trained men and women.

(B) To promote a better understanding of Americans on the part of the peoples served.

(C) To help promote a better understanding of other peoples on the part of Americans.

1           (4) Over the last 48 years, nearly 200,000  
2 Peace Corps volunteers have served in 139 countries.

3           (5) The Peace Corps is the world's premier  
4 international service organization dedicated to pro-  
5 moting sustainable grassroots development by work-  
6 ing with host communities in the areas of agri-  
7 culture, business development, education, the envi-  
8 ronment, health and HIV/AIDS, and youth.

9           (6) The Peace Corps remains committed to  
10 sending well trained and well supported Peace Corps  
11 volunteers overseas to promote peace, friendship,  
12 cross-cultural awareness, and mutual understanding  
13 between the United States and other countries. The  
14 Peace Corps has an impressive record of engen-  
15 dering good will through the service that American  
16 volunteers provide.

17           (7) Recognizing the Peace Corps' unique and  
18 effective role in promoting volunteer service by  
19 American citizens, President Obama and Vice Presi-  
20 dent Biden announced their intent to double the size  
21 of Peace Corps in an expeditious and effective man-  
22 ner.

23           (8) Over 13,000 Americans applied in 2008 to  
24 volunteer their service to serve the world's poorest  
25 communities in the Peace Corps, a 16 percent in-

1       crease over the nearly 11,000 applications received  
2       in 2007.

3           (9) Under current funding levels, the Peace  
4       Corps is able to provide new placements for only  
5       one-third of the American applicants seeking the op-  
6       portunity to serve their country and the world. At  
7       the end of fiscal year 2008, there were nearly 8,000  
8       Peace Corps volunteers serving in 76 countries  
9       around the world.

10       (b) STATEMENT OF POLICY.—It is the policy of the  
11      United States to—

12           (1) double the number of Peace Corps volun-  
13       teers and strengthen and improve the Peace Corps  
14       and its programs;

15           (2) improve the coordination of Peace Corps  
16       programs with development programs of other Fed-  
17       eral departments and agencies, without diminishing  
18       the independence of the Peace Corps; and

19           (3) promote all types of volunteerism by Ameri-  
20       cans in the developing world.

21      **SEC. 602. AMENDMENTS TO THE PEACE CORPS ACT.**

22       (a) PEACE CORPS RESPONSE PROGRAM.—The Peace  
23      Corps Act (22 U.S.C. 2501 et seq.) is amended by insert-  
24      ing after section 5 the following new section:

1 **“SEC. 5A. PEACE CORPS RESPONSE PROGRAM.**

2       “The Director of the Peace Corps is authorized to  
3 establish a special program that assigns returned Peace  
4 Corps volunteers or other volunteers to provide short-term  
5 development or other relief assistance or to otherwise be  
6 assigned or made available to any entity referred to in sub-  
7 section (a)(1) of section 10. The term of such service shall  
8 be less than the term of service of a volunteer under sec-  
9 tion 5. Except to the extent determined necessary and ap-  
10 propriate by the Director, the program established under  
11 this section may not cause a diminution in the number  
12 or quality of projects or volunteers assigned to longer term  
13 assignments under section 5.”.

14       (b) COORDINATION OF PEACE CORPS PROGRAMS.—  
15 Paragraph (2) of section 4(c) of the Peace Corps Act (22  
16 U.S.C. 2503(c)) is amended to read as follows:

17       “(2) The Director of the Peace Corps shall, as appro-  
18 priate and to the maximum extent practicable without di-  
19 minishing any program or operational independence, work  
20 with the heads of Federal departments and agencies to  
21 identify synergies and avoid duplication of efforts with  
22 Peace Corps programs in the field and at headquarters.”.

23       (c) READJUSTMENT ALLOWANCE.—Subsection (c) of  
24 section 5 of the Peace Corps Act (22 U.S.C. 2504(c)) is  
25 amended, in the first sentence, by striking “\$125” and  
26 inserting “\$225”.

1 (d) AUTHORIZATION OF APPROPRIATIONS.—Section  
2 3(b)(1) of the Peace Corps Act (22 U.S.C. 2502(b)(1))  
3 is amended by striking “\$270,000,000” and all that fol-  
4 lows through the period at the end and inserting the fol-  
5 lowing: “\$450,000,000 for fiscal year 2010 and such sums  
6 as may be necessary for fiscal year 2011.”.

7 **SEC. 603. REPORT.**

8 (a) PEACE CORPS RESPONSE PROGRAM REPORT.—  
9 Not later than 1 year after the date of the enactment of  
10 this Act, the Director of the Peace Corps shall submit to  
11 the appropriate congressional committees a report on the  
12 Peace Corps Response Program or any similar program  
13 developed under in accordance with section 5A of the  
14 Peace Corps Act (as added by section 602(a) of this Act),  
15 including information on the following:

16 (1) The achievements and challenges of the  
17 Peace Corps Response Program or any similar pro-  
18 gram since its inception as the Peace Corps Crisis  
19 Corps in 1996.

20 (2) The goals, objectives, program areas, and  
21 growth projections for the Peace Corps Response  
22 Program or any similar program from fiscal year  
23 2010 through fiscal year 2011.

2 partner organizations and projects for the Peace  
3 Corps Response Program or any similar program.

5 lect volunteers for service under the Peace Corps Re-  
6 sponse Program or any similar program.

7           (5) The measures used to evaluate projects of  
8 the Peace Corps Response Program or any similar  
9 program and the effectiveness of volunteers assigned  
10 to such Program or similar program at achieving  
11 identified objectives.

12       (b) ANNUAL REPORTS.—Not later than 1 year after  
13 the date of the enactment of this Act and annually there-

15 appropriate congressional committees a report on progress  
16 made in carrying out this title, including efforts to

18 other Federal departments and agencies carrying out de-  
19 velopment assistance programs (as required under para-  
20 graph (2) of section 4(c) of the Peace Corps Act (22  
21 U.S.C. 2503(c)), as amended by section 602(b) of this  
22 Act).

1 **TITLE VII—SENATOR PAUL**  
2 **SIMON STUDY ABROAD FOUN-**  
3 **DATION ACT OF 2009**

4 **SEC. 701. SHORT TITLE.**

5 This title may be cited as the “Senator Paul Simon  
6 Study Abroad Foundation Act of 2009”.

7 **SEC. 702. FINDINGS.**

8 Congress makes the following findings:

9 (1) According to former President George W.  
10 Bush, “America’s leadership and national security  
11 rest on our commitment to educate and prepare our  
12 youth for active engagement in the international  
13 community.”.

14 (2) According to former President William J.  
15 Clinton, “Today, the defense of United States inter-  
16 ests, the effective management of global issues, and  
17 even an understanding of our Nation’s diversity re-  
18 quire ever-greater contact with, and understanding  
19 of, people and cultures beyond our borders.”.

20 (3) Congress authorized the establishment of  
21 the Commission on the Abraham Lincoln Study  
22 Abroad Fellowship Program pursuant to section 104  
23 of the Miscellaneous Appropriations and Offsets Act,  
24 2004 (division h of Public Law 108–199). Pursuant  
25 to its mandate, the Lincoln Commission has sub-

1       mitted to Congress and the President a report of its  
2       recommendations for greatly expanding the oppor-  
3       tunity for students at institutions of higher edu-  
4       cation in the United States to study abroad, with  
5       special emphasis on studying in developing nations.

6           (4) According to the Lincoln Commission,  
7       “[s]tudy abroad is one of the major means of pro-  
8       ducing foreign language speakers and enhancing for-  
9       eign language learning” and, for that reason, “is  
10      simply essential to the [N]ation’s security.”.

11          (5) Studies consistently show that United  
12      States students score below their counterparts in  
13      other advanced countries on indicators of inter-  
14      national knowledge. This lack of global literacy is a  
15      national liability in an age of global trade and busi-  
16      ness, global interdependence, and global terror.

17          (6) Americans believe that it is important for  
18      their children to learn other languages, study  
19      abroad, attend a college where they can interact with  
20      international students, learn about other countries  
21      and cultures, and generally be prepared for the glob-  
22      al age.

23          (7) In today’s world, it is more important than  
24      ever for the United States to be a responsible, con-  
25      structive leader that other countries are willing to

1 follow. Such leadership cannot be sustained without  
2 an informed citizenry with significant knowledge and  
3 awareness of the world.

4 (8) Study abroad has proven to be a very effective  
5 means of imparting international and foreign  
6 language competency to students.

7 (9) In any given year, only approximately 1  
8 percent of all students enrolled in United States in-  
9 stitutions of higher education study abroad.

10 (10) Less than 10 percent of the students who  
11 graduate from United States institutions of higher  
12 education with bachelors degrees have studied  
13 abroad.

14 (11) Far more study abroad must take place in  
15 developing countries. Ninety-five percent of the  
16 world's population growth over the next 50 years  
17 will occur outside of Europe, yet in the academic  
18 year 2004–2005, 60 percent of United States stu-  
19 dents studying abroad studied in Europe, and 45  
20 percent studied in four countries—the United King-  
21 dom, Italy, Spain, and France.

22 (12) The Final Report of the National Commis-  
23 sion on Terrorist Attacks Upon the United States  
24 (the 9/11 Commission Report) recommended that  
25 the United States increase support for “scholarship,

1 exchange, and library programs”. The 9/11 Public  
2 Discourse Project, successor to the 9/11 Commis-  
3 sion, noted in its November 14, 2005, status report  
4 that this recommendation was “unfulfilled,” and  
5 stated that “[t]he U.S. should increase support for  
6 scholarship and exchange programs, our most power-  
7 ful tool to shape attitudes over the course of a gen-  
8 eration.”. In its December 5, 2005, Final Report on  
9 the 9/11 Commission Recommendations, the 9/11  
10 Public Discourse Project gave the government a  
11 grade of “D” for its implementation of this rec-  
12 ommendation.

13 (13) Investing in a national study abroad pro-  
14 gram would help turn a grade of “D” into an “A”  
15 by equipping United States students to communicate  
16 United States values and way of life through the  
17 unique dialogue that takes place among citizens  
18 from around the world when individuals study  
19 abroad.

20 (14) An enhanced national study abroad pro-  
21 gram could help further the goals of other United  
22 States Government initiatives to promote edu-  
23 cational, social, and political reform and the status  
24 of women in developing and reforming societies

1 around the world, such as the Middle East Partner-  
2 ship Initiative.

3 (15) To complement such worthwhile Federal  
4 programs and initiatives as the Benjamin A. Gilman  
5 International Scholarship Program, the National Se-  
6 curity Education Program, and the National Secu-  
7 rity Language Initiative, a broad-based under-  
8 graduate study abroad program is needed that will  
9 make many more study abroad opportunities acces-  
10 sible to all undergraduate students, regardless of  
11 their field of study, ethnicity, socio-economic status,  
12 or gender.

13 (16) To restore America's standing in the  
14 world, President Barack Obama has said that he will  
15 call on our nation's greatest resource, our people, to  
16 reach out to and engage with other nations.

17 **SEC. 703. PURPOSES.**

18 The purposes of this title are—

19 (1) to significantly enhance the global competi-  
20 tiveness and international knowledge base of the  
21 United States by ensuring that more United States  
22 students have the opportunity to acquire foreign lan-  
23 guage skills and international knowledge through  
24 significantly expanded study abroad;

1           (2) to enhance the foreign policy capacity of the  
2 United States by significantly expanding and diversi-  
3 fying the talent pool of individuals with non-tradi-  
4 tional foreign language skills and cultural knowledge  
5 in the United States who are available for recruit-  
6 ment by United States foreign affairs agencies, leg-  
7 islative branch agencies, and nongovernmental orga-  
8 nizations involved in foreign affairs activities;

9           (3) to ensure that an increasing portion of  
10 study abroad by United States students will take  
11 place in nontraditional study abroad destinations  
12 such as the People’s Republic of China, countries of  
13 the Middle East region, and developing countries;  
14 and

15           (4) to create greater cultural understanding of  
16 the United States by exposing foreign students and  
17 their families to United States students in countries  
18 that have not traditionally hosted large numbers of  
19 United States students.

20 **SEC. 704. DEFINITIONS.**

21 In this title:

22           (1) **APPROPRIATE CONGRESSIONAL COMMIT-**  
23 **TEES.**—The term “appropriate congressional com-

7           requirements of paragraphs (4) and (5) of section  
8           605(b);

9           (3) whether grant-making by the Foundation is  
10          being undertaken in a manner consistent with sub-  
11          sections (d), (e), and (f) of section 606;

12          (4) the extent to which the Foundation is using  
13          best practices in the implementation of this Act and  
14          the administration of the program described in sec-  
15          tion 606; and

16          (5) other relevant matters, as determined by  
17          the Comptroller General, after consultation with the  
18          appropriate congressional committees.

19          (c) REPORT REQUIRED.—The Comptroller General  
20          shall submit a report on the results of the review con-  
21          ducted under subsection (a) to the Secretary of State (in  
22          the capacity of the Secretary as Chairperson of the Board  
23          of the Foundation) and to the appropriate congressional  
24          committees.

4 appropriated to carry out this title \$40,000,000 for

6 2011.

7 (2) AMOUNTS IN ADDITION TO OTHER AVAIL-  
8 ABLE AMOUNTS.—Amounts authorized to be appro-  
9 priated by paragraph (1) are in addition to amounts  
10 authorized to be appropriated or otherwise made  
11 available for educational exchange programs, includ-  
12 ing the J. William Fulbright Educational Exchange  
13 Program and the Benjamin A. Gilman International  
14 Scholarship Program, administered by the Bureau of  
15 Educational and Cultural Affairs of the Department  
16 of State.

17 (b) ALLOCATION OF FUNDS.—

18 (1) IN GENERAL.—The Foundation may allo-  
19 cate or transfer to any agency of the United States  
20 Government any of the funds available for carrying  
21 out this Act. Such funds shall be available for obli-  
22 gation and expenditure for the purposes for which  
23 the funds were authorized, in accordance with au-  
24 thority granted in this Act or under authority gov-

2       transferred.

3               (2) NOTIFICATION.—The Foundation shall no-

7       **TITLE VIII—EXPORT CONTROL**  
8       **REFORM AND SECURITY AS-**  
9       **SISTANCE**  
10      **Subtitle A—Defense Trade Controls**  
11      **Performance Improvement Act**  
12      **of 2009**

13      **SEC. 801. SHORT TITLE.**

14             This subtitle may be cited as the “Defense Trade  
15      Controls Performance Improvement Act of 2009”.

16      **SEC. 802. FINDINGS.**

17             Congress finds the following:

18               (1) In a time of international terrorist threats  
19             and a dynamic global economic and security environ-  
20             ment, United States policy with regard to export  
21             controls is in urgent need of a comprehensive review  
22             in order to ensure such controls are protecting the  
23             national security and foreign policy interests of the  
24             United States.

1           (2) In January 2007, the Government Account-  
2           ability Office designated the effective identification  
3           and protection of critical technologies as a govern-  
4           ment-wide, high-risk area, warranting a strategic re-  
5           examination of existing programs, including pro-  
6           grams relating to arms export controls.

7           (3) Federal Government agencies must review  
8           licenses for export of munitions in a thorough and  
9           timely manner to ensure that the United States is  
10          able to assist United States allies and to prevent nu-  
11          clear and conventional weapons from getting into the  
12          hands of enemies of the United States.

13          (4) Both staffing and funding that relate to the  
14          Department of State's arms export control respon-  
15          sibilities have not kept pace with the increased work-  
16          load relating to such responsibilities, especially dur-  
17          ing the current decade.

18          (5) Outsourcing and off-shoring of defense pro-  
19          duction and the policy of many United States trad-  
20          ing partners to require offsets for major sales of de-  
21          fense and aerospace articles present a potential  
22          threat to United States national security and eco-  
23          nomic well-being and serve to weaken the defense in-  
24          dustrial base.

1           (6) Export control policies can have a negative  
2           impact on United States employment, nonprolifera-  
3           tion goals, and the health of the defense industrial  
4           base, particularly when facilitating the overseas  
5           transfer of technology or production and other forms  
6           of outsourcing, such as offsets (direct and indirect),  
7           co-production, subcontracts, overseas investment and  
8           joint ventures in defense and commercial industries.  
9           Federal Government agencies must develop new and  
10          effective procedures for ensuring that export control  
11          systems address these problems and the threat they  
12          pose to national security.

13          (7) In the report to Congress required by the  
14          Conference Report (Report 109–272) accompanying  
15          the bill, H.R. 2862 (the Science, State, Justice,  
16          Commerce and Related Agencies Appropriations Act,  
17          2006; Public Law 109–108), the Department of  
18          State concluded that—

19                 (A) defense trade licensing has become  
20                 much more complex in recent years as a con-  
21                 sequence of the increasing globalization of the  
22                 defense industry;

23                 (B) the most important challenge to the  
24                 Department of State’s licensing process has  
25                 been the sheer growth in volume of applicants

1 for licenses and agreements, without the cor-  
2 responding increase in licensing officers; and

3 (C) the increase in licensing volume with-  
4 out a corresponding increase in trained and ex-  
5 perience personnel has resulted in delays and  
6 increased processing times.

7 (8) In 2006, the Department of State processed  
8 over three times as many licensing applications as  
9 the Department of Commerce with about a fifth of  
10 the staff of the Department of Commerce.

11 (9) On July 27, 2007, in testimony delivered to  
12 the Subcommittee on Terrorism, Nonproliferation  
13 and Trade of the Committee on Foreign Affairs of  
14 the House of Representatives to examine the effec-  
15 tiveness of the United States export control regime,  
16 the Government Accountability Office found that—

17 (A) the United States Government needs  
18 to conduct assessments to determine its overall  
19 effectiveness in the area of arms export control;  
20 and

21 (B) the processing times of the Depart-  
22 ment of State doubled over the period from  
23 2002 to 2006.

24 (10)(A) Allowing a continuation of the status  
25 quo in resources for defense trade licensing could ul-

1 timately harm the United States defense industrial  
2 base. The 2007 Institute for Defense Analysis report  
3 entitled “Export Controls and the U.S. Defense In-  
4 dustrial Base” found that the large backlog and long  
5 processing times by the Department of State for ap-  
6 plications for licenses to export defense items led to  
7 an impairment of United States firms in some sec-  
8 tors to conduct global business relative to foreign  
9 competitors.

10 (B) Additionally, the report found that United  
11 States commercial firms have been reluctant to en-  
12 gage in research and development activities for the  
13 Department of Defense because this raises the fu-  
14 ture prospects that the products based on this re-  
15 search and development, even if intrinsically com-  
16 mercial, will be saddled by Department of State mu-  
17 nitions controls due to the link to that research.

18 (11) According to the Department of State’s  
19 fiscal year 2008 budget justification to Congress,  
20 commercial exports licensed or approved under the  
21 Arms Export Control Act exceeded  
22 \$30,000,000,000, with nearly 80 percent of these  
23 items exported to United States NATO allies and  
24 other major non-NATO allies.

1           (12) A Government Accountability Office report  
2           of October 9, 2001 (GAO–02–120), documented am-  
3           biguous export control jurisdiction affecting 25 per-  
4           cent of the items that the United States Government  
5           agreed to control as part of its commitments to the  
6           Missile Technology Control Regime. The United  
7           States Government has not clearly determined which  
8           department has jurisdiction over these items, which  
9           increases the risk that these items will fall into the  
10          wrong hands. During both the 108th, 109th, and  
11          110th Congresses, the House of Representatives  
12          passed legislation mandating that the Administra-  
13          tion clarify this issue.

14          (13) During 2007 and 2008, the management  
15          and staff of the Directorate of Defense Trade Con-  
16          trols of the Department of State have, through ex-  
17          traordinary effort and dedication, eliminated the  
18          large backlog of open applications and have reduced  
19          average processing times for license applications;  
20          however, the Directorate remains understaffed and  
21          long delays remain for complicated cases.

22 **SEC. 803. STRATEGIC REVIEW AND ASSESSMENT OF THE**  
23 **UNITED STATES EXPORT CONTROLS SYSTEM.**

24          (a) REVIEW AND ASSESSMENT.—

1           (1) IN GENERAL.—Not later than March 31,  
2           2010, the President shall conduct a comprehensive  
3           and systematic review and assessment of the United  
4           States arms export controls system in the context of  
5           the national security interests and strategic foreign  
6           policy objectives of the United States.

7           (2) ELEMENTS.—The review and assessment  
8           required under paragraph (1) shall—

9                   (A) determine the overall effectiveness of  
10                  the United States arms export controls system  
11                  in order to, where appropriate, strengthen con-  
12                  trols, improve efficiency, and reduce unneces-  
13                  sary redundancies across Federal Government  
14                  agencies, through administrative actions, in-  
15                  cluding regulations, and to formulate legislative  
16                  proposals for new authorities that are needed;

17                  (B) develop processes to ensure better co-  
18                  ordination of arms export control activities of  
19                  the Department of State with activities of other  
20                  departments and agencies of the United States  
21                  that are responsible for enforcing United States  
22                  arms export control laws;

23                  (C) ensure that weapons-related nuclear  
24                  technology, other technology related to weapons  
25                  of mass destruction, and all items on the Mis-

1           sile Technology Control Regime Annex are sub-  
2           ject to stringent control by the United States  
3           Government;

4           (D) determine the overall effect of arms  
5           export controls on counterterrorism, law en-  
6           forcement, and infrastructure protection mis-  
7           sions of the Department of Homeland Security;

8           (E) determine the effects of export controls  
9           policies and the practices of the export control  
10          agencies on the United States defense industrial  
11          base and United States employment in the in-  
12          dustries affected by export controls;

13          (F) contain a detailed summary of known  
14          attempts by unauthorized end-users (such as  
15          international arms traffickers, foreign intel-  
16          ligence agencies, and foreign terrorist organiza-  
17          tions) to acquire items on the United States  
18          Munitions List and related technical data, in-  
19          cluding—

20                  (i) data on—

21                          (I) commodities sought, such as  
22                          M-4 rifles, night vision devices, F-14  
23                          spare parts;

- 1 (II) parties involved, such as the  
2 intended end-users, brokers, con-  
3 signees, and shippers;
- 4 (III) attempted acquisition of  
5 technology and technical data critical  
6 to manufacture items on the United  
7 States Munitions List;
- 8 (IV) destination countries and  
9 transit countries;
- 10 (V) modes of transport;
- 11 (VI) trafficking methods, such as  
12 use of false documentation and front  
13 companies registered under flags of  
14 convenience;
- 15 (VII) whether the attempted il-  
16 licit transfer was successful; and
- 17 (VIII) any administrative or  
18 criminal enforcement actions taken by  
19 the United States and any other gov-  
20 ernment in relation to the attempted  
21 illicit transfer;
- 22 (ii) a thorough evaluation of the Blue  
23 Lantern Program, including the adequacy  
24 of current staffing and funding levels;

1 (iii) a detailed analysis of licensing ex-  
2 emptions and their successful exploitation  
3 by unauthorized end-users; and

4 (iv) an examination of the extent to  
5 which the increased tendency toward  
6 outsourcing and off-shoring of defense pro-  
7 duction harm United States national secu-  
8 rity and weaken the defense industrial  
9 base, including direct and indirect impact  
10 on employment, and formulate policies to  
11 address these trends as well as the policy  
12 of some United States trading partners to  
13 require offsets for major sales of defense  
14 articles; and

15 (G) assess the extent to which export con-  
16 trol policies and practices under the Arms Ex-  
17 port Control Act promote the protection of  
18 basic human rights.

19 (b) CONGRESSIONAL BRIEFINGS.—The President  
20 shall provide periodic briefings to the appropriate congres-  
21 sional committees on the progress of the review and as-  
22 sessment conducted under subsection (a). The require-  
23 ment to provide congressional briefings under this sub-  
24 section shall terminate on the date on which the President

1 transmits to the appropriate congressional committees the  
2 report required under subsection (c).

3 (c) REPORT.—Not later than 18 months after the  
4 date of the enactment of this Act, the President shall  
5 transmit to the appropriate congressional committees and  
6 the Committee on Armed Services of the House of Rep-  
7 resentatives and the Committee on Armed Services of the  
8 Senate a report that contains the results of the review and  
9 assessment conducted under subsection (a). The report re-  
10 quired by this subsection shall contain a certification that  
11 the requirement of subsection (a)(2)(C) has been met, or  
12 if the requirement has not been met, the reasons therefor.  
13 The report required by this subsection shall be submitted  
14 in unclassified form, but may contain a classified annex,  
15 if necessary.

16 **SEC. 804. PERFORMANCE GOALS FOR PROCESSING OF AP-**  
17 **PLICATIONS FOR LICENSES TO EXPORT**  
18 **ITEMS ON UNITED STATES MUNITIONS LIST.**

19 (a) IN GENERAL.—The Secretary of State, acting  
20 through the head of the Directorate of Defense Trade  
21 Controls of the Department of State, shall establish and  
22 maintain the following goals:

23 (1) The processing time for review of each ap-  
24 plication for a license to export items on the United  
25 States Munitions List (other than a Manufacturing

1 License Agreement) shall be not more than 60 days  
2 from the date of receipt of the application.

3 (2) The processing time for review of each ap-  
4 plication for a commodity jurisdiction determination  
5 shall be not more than 60 days from the date of re-  
6 ceipt of the application.

7 (3) The total number of applications described  
8 in paragraph (1) that are unprocessed shall be not  
9 more than 7 percent of the total number of such ap-  
10 plications submitted in the preceding calendar year.

11 (b) ADDITIONAL REVIEW.—(1) If an application de-  
12 scribed in paragraph (1) or (2) of subsection (a) is not  
13 processed within the time period described in the respec-  
14 tive paragraph of such subsection, then the Managing Di-  
15 rector of the Directorate of Defense Trade Controls or the  
16 Deputy Assistant Secretary for Defense Trade and Re-  
17 gional Security of the Department of State, as appro-  
18 priate, shall review the status of the application to deter-  
19 mine if further action is required to process the applica-  
20 tion.

21 (2) If an application described in paragraph (1) or  
22 (2) of subsection (a) is not processed within 90 days from  
23 the date of receipt of the application, then the Assistant  
24 Secretary for Political-Military Affairs of the Department  
25 of State shall—

1           (A) review the status of the application to de-  
2           termine if further action is required to process the  
3           application; and

4           (B) submit to the appropriate congressional  
5           committees a notification of the review conducted  
6           under subparagraph (A), including a description of  
7           the application, the reason for delay in processing  
8           the application, and a proposal for further action to  
9           process the application.

10          (3) For each calendar year, the Managing Director  
11          of the Directorate of Defense Trade Controls shall review  
12          not less than 2 percent of the total number of applications  
13          described in paragraphs (1) and (2) of subsection (a) to  
14          ensure that the processing of such applications, including  
15          decisions to approve, deny, or return without action, is  
16          consistent with both policy and regulatory requirements  
17          of the Department of State.

18          (c) STATEMENTS OF POLICY.—

19               (1) UNITED STATES ALLIES.—Congress states  
20               that—

21                       (A) it shall be the policy of the Directorate  
22                       of Defense Trade Controls of the Department  
23                       of State to ensure that, to the maximum extent  
24                       practicable, the processing time for review of  
25                       applications described in subsection (a)(1) to

1 export items that are not subject to the require-  
2 ments of section 36 (b) or (c) of the Arms Ex-  
3 port Control Act (22 U.S.C. 2776 (b) or (c)) to  
4 United States allies in direct support of combat  
5 operations or peacekeeping or humanitarian op-  
6 erations with United States Armed Forces is  
7 not more than 7 days from the date of receipt  
8 of the application; and

9 (B) it shall be the goal, as appropriate, of  
10 the Directorate of Defense Trade Controls to  
11 ensure that, to the maximum extent practicable,  
12 the processing time for review of applications  
13 described in subsection (a)(1) to export items  
14 that are not subject to the requirements of sec-  
15 tion 36 (b) or (c) of the Arms Export Control  
16 Act to government security agencies of United  
17 States NATO allies, Australia, New Zealand,  
18 Japan, South Korea, Israel, and, as appro-  
19 priate, other major non-NATO allies for any  
20 purpose other than the purpose described in  
21 paragraph (1) is not more than 30 days from  
22 the date of receipt of the application.

23 (2) PRIORITY FOR APPLICATIONS FOR EXPORT  
24 OF U.S.-ORIGIN EQUIPMENT.—In meeting the goals  
25 established by this section, it shall be the policy of

1 the Directorate of Defense Trade Controls of the  
2 Department of State to prioritize the processing of  
3 applications for licenses and agreements necessary  
4 for the export of United States-origin equipment  
5 over applications for Manufacturing License Agree-  
6 ments.

7 (d) REPORT.—Not later than December 31, 2011,  
8 and December 31, 2012, the Secretary of State shall sub-  
9 mit to the appropriate congressional committees a report  
10 that contains a detailed description of—

11 (1)(A) the average processing time for and  
12 number of applications described in subsection  
13 (a)(1) to—

14 (i) United States NATO allies, Australia,  
15 New Zealand, Japan, South Korea, and Israel;

16 (ii) other major non-NATO allies; and

17 (iii) all other countries; and

18 (B) to the extent practicable, the average proc-  
19 essing time for and number of applications described  
20 in subsection (b)(1) by item category;

21 (2) the average processing time for and number  
22 of applications described in subsection (a)(2);

23 (3) the average processing time for and number  
24 of applications for agreements described in part 124  
25 of title 22, Code of Federal Regulations (relating to

1 the International Traffic in Arms Regulations (other  
2 than Manufacturing License Agreements));

3 (4) the average processing times for applica-  
4 tions for Manufacturing License Agreements;

5 (5) any management decisions of the Direc-  
6 torate of Defense Trade Controls of the Department  
7 of State that have been made in response to data  
8 contained in paragraphs (1) through (3); and

9 (6) any advances in technology that will allow  
10 the time-frames described in subsection (a)(1) to be  
11 substantially reduced.

12 (e) CONGRESSIONAL BRIEFINGS.—If, at the end of  
13 any month beginning after the date of the enactment of  
14 this Act, the total number of applications described in sub-  
15 section (a)(1) that are unprocessed is more than 7 percent  
16 of the total number of such applications submitted in the  
17 preceding calendar year, then the Secretary of State, act-  
18 ing through the Under Secretary for Arms Control and  
19 International Security, the Assistant Secretary for Polit-  
20 ical-Military Affairs, or the Deputy Assistant Secretary  
21 for Defense Trade and Regional Security of the Depart-  
22 ment of State, as appropriate, shall brief the appropriate  
23 congressional committees on such matters and the correc-  
24 tive measures that the Directorate of Defense Trade Con-

1 trols will take to comply with the requirements of sub-  
2 section (a).

3 (f) TRANSPARENCY OF COMMODITY JURISDICTION  
4 DETERMINATIONS.—

5 (1) DECLARATION OF POLICY.—Congress de-  
6 clares that the complete confidentiality surrounding  
7 several hundred commodity jurisdiction determina-  
8 tions made each year by the Department of State  
9 pursuant to the International Traffic in Arms Regu-  
10 lations is not necessary to protect legitimate propri-  
11 etary interests of persons or their prices and cus-  
12 tomers, is not in the best security and foreign policy  
13 interests of the United States, is inconsistent with  
14 the need to ensure a level playing field for United  
15 States exporters, and detracts from United States  
16 efforts to promote greater transparency and respon-  
17 sibility by other countries in their export control sys-  
18 tems.

19 (2) PUBLICATION ON INTERNET WEBSITE.—  
20 The Secretary of State shall—

21 (A) upon making a commodity jurisdiction  
22 determination referred to in paragraph (1) pub-  
23 lish on the Internet website of the Department  
24 of State not later than 30 days after the date  
25 of the determination—

1 (i) the name of the manufacturer of  
2 the item;

3 (ii) a brief general description of the  
4 item;

5 (iii) the model or part number of the  
6 item; and

7 (iv) the United States Munitions List  
8 designation under which the item has been  
9 designated, except that—

10 (I) the name of the person or  
11 business organization that sought the  
12 commodity jurisdiction determination  
13 shall not be published if the person or  
14 business organization is not the man-  
15 ufacturer of the item; and

16 (II) the names of the customers,  
17 the price of the item, and any propri-  
18 etary information relating to the item  
19 indicated by the person or business  
20 organization that sought the com-  
21 modity jurisdiction determination  
22 shall not be published; and

23 (B) maintain on the Internet website of

14 and other departments and agencies, United  
15 States assistance programs that fulfill the goals  
16 of the Merida Initiative or are closely related to  
17 the goals of the Merida Initiative;

18 (E) to the extent possible, tracking infor-  
19 mation required under the second section 620J  
20 of the Foreign Assistance Act of 1961 (22  
21 U.S.C. 2378d) (as added by section 651 of divi-  
22 sion J of Public Law 110–161) with respect to  
23 countries participating in the Merida Initiative;  
24 and

1 (F) consulting with the Attorney General  
2 and the Secretary of Homeland Security with  
3 respect to the activities of Federal, State, and  
4 local law enforcement authorities in the United  
5 States relating to the goals of the Merida Ini-  
6 tiative, particularly along the United States-  
7 Mexico border.

8 (2) RANK AND STATUS OF THE COORDI-

17 **SEC. 902. ADDING THE CARIBBEAN TO THE MERIDA INITIA-**  
18 **TIVE.**

19 (a) FINDINGS.—Congress finds the following:

20 (1) The illicit drug trade—which has taken a  
21 toll on the small countries of the Caribbean Commu-  
22 nity (CARICOM) for many years—is now moving  
23 even more aggressively into these countries.

24 (2) A March 2007 joint report by the United  
25 Nations Office on Drugs and Crime (UNODC) and

1 the World Bank noted that murder rates in the Car-  
2ibbean—at 30 per 100,000 population annually—are  
3higher than for any other region of the world and  
4have risen in recent years for many of the region’s  
5countries. The report also argues that the strongest  
6explanation for the high crime and violence rates in  
7the Caribbean and their rise in recent years is drug  
8trafficking.

9 (3) If the United States does not move quickly  
10to provide Merida Initiative assistance to the  
11CARICOM countries, the positive results of the  
12Merida Initiative in Mexico and Central America will  
13move the drug trade deeper into the Caribbean and  
14multiply the already alarming rates of violence.

15 (b) CONSULTATIONS.—Not later than 30 days after  
16the date of the enactment of this Act, the Secretary of  
17State is authorized to consult with the countries of the  
18Caribbean Community (CARICOM) in preparation for  
19their inclusion into the Merida Initiative.

20 (c) INCORPORATION OF CARICOM COUNTRIES INTO  
21THE MERIDA INITIATIVE.—The President is authorized to  
22incorporate the CARICOM countries into the Merida Ini-  
23tiative.

14 **SPHERE.**

15 (a) FINDINGS.—Congress finds the following:

16 (1) The 2008 Country Report on Terrorism

11                           **THE DEPARTMENT OF STATE AND UNITED**  
12                           **STATES AGENCY FOR INTERNATIONAL DE-**  
13                           **VELOPMENT.**

14           (a) FINDINGS.—Congress finds the following:

15           (1) Building a more expeditionary and capable  
16           Department of State and United States Agency for  
17           International Development requires recruitment of  
18           personnel with experience working in unstable areas.

19           (2) Veterans of the Armed Forces have special-  
20           ized experience gained from working under stressful  
21           circumstances in hostile, foreign environments or  
22           under difficult circumstances.

23           (3) The Foreign Service Act of 1980 states that  
24           “‘The fact that an applicant for appointment as a  
25           Foreign Service officer candidate is a veteran or dis-

1       abled veteran shall be considered an affirmative fac-  
2       tor in making such appointments.”.

3           (4) In 1998, Congress enacted the Veterans  
4       Employment Opportunities Act (VEOA), requiring  
5       that Federal agencies must allow preference eligibles  
6       and certain veterans to apply for positions an-  
7       nounced under merit promotion procedures whenever  
8       an agency is recruiting from outside its own work-  
9       force.

10          (5) The annual report of the Office of Per-  
11       sonnel Management on “The Employment of Vet-

14       Federal Government to hire veterans, reported that  
15       15.6 percent of all Department of State employees  
16       were veterans.

17       (b) SENSE OF CONGRESS.—It is the sense of Con-  
18       gress that the Department of State and the United States  
19       Agency for International Development should intensify  
20       their efforts to recruit more veterans, that those appli-  
21       cants who are entitled to five or ten point veterans pref-  
22       erence have also served in the Armed Forces in areas of  
23       instability with specialties such as civil affairs, law en-  
24       forcement, and assignments where they regularly per-  
25       formed other nation-building activities, and that this expe-

2 appointments to serve in the Foreign Service.

4 of the enactment of this Act, the Secretary of State and  
5 the Administrator of the United States Agency for Inter-

19 States additional legal tools to ensure compliance with the  
20 Hague Convention and facilitate the swift return of

3 in carrying out the activities of the Fund.

5 Financial returns on Fund investments that include  
6 a component of private venture capital may be dis-  
7 tributed, at such times and in such amounts as the  
8 Board of Directors of the Fund may determine, to  
9 the investors of such capital.

10 (b) NONAPPLICABILITY OF OTHER LAWS.—

11 (1) IN GENERAL.—Funds made available from  
12 the United States Government to the Fund may be  
13 used for the purposes of the agreement between the  
14 United States Government and the Fund notwith-  
15 standing any other provision of law.

16 (2) SUPPORT FROM FEDERAL DEPARTMENTS  
17 AND AGENCIES.—The heads of Federal departments  
18 and agencies may conduct programs and activities  
19 and provide services in support of the activities of  
20 the Fund notwithstanding any other provision of  
21 law.

22 (c) DEFINITION.—In this section, the term “South-  
23 ern Africa Enterprise Development Fund” or “Fund” in-  
24 cludes—

1           (1) any successor or related entity to the South-  
2           ern Africa Enterprise Development Fund that is ap-  
3           proved the United States Government; and

4           (2) any organization, corporation, limited-liabil-  
5           ity partnership, foundation, or other corporate struc-

7           States Government to manage, any or all of the re-  
8           maining funds or assets of the Southern Africa En-

10 **SEC. 1103. DIABETES TREATMENT AND PREVENTION AND**  
11                           **SAFE WATER AND SANITATION FOR PACIFIC**  
12                           **ISLAND COUNTRIES.**

13           (a) IN GENERAL.—There is authorized to be appro-  
14           priated \$500,000 for each of fiscal years 2010 and 2011  
15           to establish a diabetes prevention and treatment program  
16           for Pacific Island countries and for safe water and sanita-  
17           tion.

18           (b) PACIFIC ISLAND COUNTRIES DEFINED.—In this

22           Solomon Islands, Tonga, Tuvalu, and Vanuatu.

23 **SEC. 1104. STATELESSNESS.**

24           (a) PURPOSE.—It is the purpose of this section to  
25           increase global stability and security for the United States

1 and the international community and decrease trafficking  
2 and discrimination by reducing the number of individuals  
3 who are de jure or de facto stateless and as a consequence  
4 are unable to avail themselves of their right to a nation-  
5 ality and its concomitant rights and obligations and are  
6 excluded from full participation in civil society.

7 (b) FINDINGS.—Congress finds the following:

8 (1) The right to a nationality is a foundation of  
9 human rights, and a deterrent to displacement and  
10 disaffection. The State is the primary vehicle  
11 through which individuals are guaranteed their in-  
12 alienable rights and are made subject to the rule of  
13 law. Regional stability and security are undermined  
14 when individuals cannot avail themselves of their  
15 right to a nationality and its concomitant rights and  
16 obligations and are excluded from full participation  
17 in civil society.

18 (2) The right to a nationality and citizenship is  
19 therefore specifically protect in international declara-  
20 tions and treaties, including Article 15 of the Uni-  
21 versal Declaration of Human Rights, the 1954 Con-  
22 vention Relating to the Status of Stateless Persons,  
23 the 1961 Convention on the Reduction of Stateless-  
24 ness, Article 24 of the International Covenant on  
25 Civil and Political Rights, and Article 9(2) of the

1 Convention on the Elimination of Discrimination  
2 Against Women.

3 (3) In the 21st century, the adverse effects of  
4 de jure or de facto statelessness still impact at least  
5 an estimated 11,000,000 million people worldwide,  
6 who are unable to avail themselves of the rights of  
7 free people everywhere to an effective nationality, to  
8 the rights to legal residence, to travel, to work in the  
9 formal economy or professions, to attend school, to  
10 access basic health services, to purchase or own  
11 property, to vote, or to hold elected office, and to  
12 enjoy the protection and security of a country.

13 (c) THE UNITED NATIONS.—

14 (1) POLICY.—It shall be the policy of the  
15 United States that the President and the Permanent  
16 Representative of the United States to the United  
17 Nations work with the international community to  
18 increase political and financial support for the work  
19 of the United Nations High Commissioner for Refu-  
20 gees (UNHCR) to prevent and resolve problems re-  
21 lated to de jure and de facto statelessness, and to  
22 promote the rights of the de jure or de facto state-  
23 less, by taking these and other actions:

24 (A) Increasing the attention of the United  
25 Nations and the UNHCR to de jure and de

1           facto statelessness and increasing its capacity  
2           to reduce statelessness around the world by co-  
3           ordinating the mainstreaming of de jure and de  
4           facto statelessness into all of the United Na-  
5           tions human rights work, in cooperation with all  
6           relevant United Nations agencies.

7                   (B) Urging United Nations country teams  
8           in countries with significant de jure or de facto  
9           stateless populations to devote increasing atten-  
10          tion and resources to undertake coordinated ef-  
11          forts by all United Nations offices, funds, and  
12          programs to bring about the full registration  
13          and documentation of all persons resident in  
14          the territory of each country, either as citizens  
15          or as individuals in need of international protec-  
16          tion.

17                   (C) Urging the creation of an Inter-Agency  
18          Task Force on Statelessness with representa-  
19          tion from the UNHCR, the United Nations  
20          Children's Fund (UNICEF), and other relevant  
21          United Nations agencies that will coordinate to  
22          increase agency awareness and information ex-  
23          change on de jure and de facto statelessness to  
24          ensure a consistent and comprehensive ap-

1           proach to the identification of stateless groups  
2           and individuals and resolution of their status.

3           (D) Urging that nationality and de jure  
4           and de facto statelessness issues are addressed  
5           in all country reviews conducted by United Na-  
6           tions treaty bodies and relevant special mecha-  
7           nisms engaged in country visits, and pursuing  
8           creation of a standing mechanism within the  
9           United Nations to complement the work of the  
10          UNHCR in addressing issues of de jure and de  
11          facto statelessness that give rise to urgent  
12          human rights or security concerns.

13          (E) Urging the UNHCR to include nation-  
14          ality and statelessness in all country-specific  
15          and thematic monitoring, reporting, training,  
16          and protection activities, and across special pro-  
17          cedures, and to designate at least one human  
18          rights officer to monitor, report, and coordinate  
19          the office's advocacy on nationality and de jure  
20          and de facto statelessness.

21          (F) Urging the United Nations to ensure  
22          that its work on trafficking includes measures  
23          to restore secure citizenship to trafficked  
24          women and girls, and to work with Member  
25          States to guarantee that national legislation

1 gives women full and equal rights regarding  
2 citizenship.

3 (G) Urging the United Nations to increase  
4 its capacity to respond to the needs of de jure  
5 or de facto stateless individuals, particularly  
6 children, and to strengthen and expand the  
7 United Nations protection and assistance activi-  
8 ties, particularly in field operations, to better  
9 respond to the wide range of protection and as-  
10 sistance needs of de jure or de facto stateless  
11 individuals.

12 (H) Urging the UNICEF to increase its  
13 efforts to encourage all Member States of the  
14 United Nations to permit full and easy access  
15 to birth registration for all children born in  
16 their territories, particularly in Member States  
17 in which there are displaced populations, and  
18 work with the UNHCR and Member States to  
19 ensure the issuance of birth certificates to all  
20 children born to refugees and displaced persons.

21 (2) AUTHORIZATION OF APPROPRIATIONS.—

22 There is authorized to be appropriated \$5,000,000  
23 for each of fiscal years 2010 and 2011 to be made  
24 available to improve the UNHCR's assistance to de

1        jure or de facto stateless individuals. Such funds  
2        may be used to—

3                (A) protect the rights, meet emergency hu-  
4                manitarian needs, and provide assistance to de  
5                jure or de facto stateless groups and individ-  
6                uals;

7                (B) provide additional resources to—

8                        (i) increase the number of protection  
9                        officers;

10                      (ii) increase the number of profes-  
11                      sional staff in the statelessness unit; and

12                      (iii) train protection officers and  
13                      United Nations country teams in the field  
14                      to identify, reduce, protect, and prevent de  
15                      jure and de facto statelessness;

16                (C) improve identification of de jure or de  
17                facto stateless groups and individuals by car-  
18                rying out a comprehensive annual study of the  
19                scope of de jure and de facto statelessness  
20                worldwide, including causes of de jure and de  
21                facto statelessness and dissemination of best  
22                practices for remedying de jure and de facto  
23                statelessness; and

24                (D) increase the United Nations edu-  
25                cational and technical assistance programs to

1           prevent de jure and de facto statelessness, in-  
2           cluding outreach to Member States and their  
3           legislatures, with particular emphasis on those  
4           countries determined to have protracted de jure  
5           or de facto statelessness situations.

6           (3) AUTHORIZATION OF APPROPRIATIONS TO  
7           THE UNICEF.—There is authorized to be appro-  
8           priated \$3,000,000 for each of fiscal years 2010 and  
9           2011 to augment to the UNICEF’s ability to aid  
10          countries with significant de jure or de facto state-  
11          less populations to bring about the full registration  
12          of all children born to de jure or de facto stateless  
13          parents.

14          (d) THE UNITED STATES.—

15               (1) FOREIGN POLICY.—Given the importance of  
16               obtaining and preserving nationality and the protec-  
17               tion of a government, and of preventing the exploi-  
18               tation or trafficking of de jure or de facto stateless  
19               groups or individuals, the President shall make the  
20               prevention and reduction of de jure or de facto  
21               statelessness an important goal of United States for-  
22               eign policy and human rights efforts. Such efforts  
23               shall include—

1           (A) calling upon host countries to protect  
2           and assume responsibility for de jure or de  
3           facto stateless groups or individuals;

4           (B) working with countries of origin to fa-  
5           cilitate the resolution of problems faced by de  
6           jure or de facto stateless groups or individuals;

7           (C) working with countries of origin and  
8           host countries to facilitate the resolution of dis-  
9           putes and conflicts that cause or result in the  
10          creation of de jure or de facto statelessness;

11          (D) encouraging host countries to afford  
12          de jure or de facto stateless groups or individ-  
13          uals the full protection of the 1954 Convention  
14          Relating to the Status of Stateless Persons and  
15          the 1961 Convention on the Reduction of State-  
16          lessness and all relevant international conven-  
17          tions;

18          (E) directing the Secretary of State to pro-  
19          vide assistance to countries to prevent and re-  
20          solve situations of de jure or de facto stateless-  
21          ness and to prevent the trafficking or exploi-  
22          tation of de jure or de facto stateless individ-  
23          uals;

24          (F) directing the Office of Trafficking in  
25          Persons of the Department of State to continue

1 to document and analyze the effects of state-  
2 lessness on trafficking in persons, both as a  
3 cause of trafficking and as an obstacle to reach-  
4 ing and assisting trafficked persons; and

5 (G) encouraging and facilitating the work  
6 of nongovernmental organizations in the United  
7 States and abroad that provide legal and hu-  
8 manitarian support to de jure or de facto state-  
9 less groups or individuals, to increase the access  
10 of de jure or de facto stateless groups or indi-  
11 viduals to such organizations, and to encourage  
12 other governments to provide similar support  
13 and access.

14 (2) UNITED STATES ACTIVITIES.—

15 (A) IN GENERAL.—Given the importance  
16 of preventing new instances of de jure or de  
17 facto statelessness and the trafficking of de jure  
18 or de facto stateless individuals, and of pro-  
19 tecting the human rights of de jure or de facto  
20 stateless individuals, the President shall submit  
21 to the Committee on Foreign Affairs and the  
22 Committee on the Judiciary of the House of  
23 Representatives and the Committee on Foreign  
24 Relations and the Committee on the Judiciary

1 of the Senate a report that includes the fol-  
2 lowing:

3 (i) A list of countries and territories  
4 with significant de jure or de facto state-  
5 less populations under their jurisdictions  
6 and the conditions and consequences of  
7 such de jure or de facto statelessness of  
8 such individuals.

9 (ii) United States international efforts  
10 to prevent further de jure or de facto  
11 statelessness and encourage the granting  
12 of full legal protection of the human rights  
13 of de jure or de facto stateless individuals.

14 (B) STATEMENT OF POLICY.—It shall be  
15 the policy of the United States to comply with  
16 the principles and provisions of the 1954 Con-  
17 vention Relating to the Status of Stateless Per-  
18 sons and the 1961 Convention on the Reduction  
19 of Statelessness to the fullest extent possible  
20 and to encourage other countries to do so as  
21 well.

22 (C) ACTIONS BY SECRETARY OF STATE.—

23 (i) INCREASE IN RESOURCES AND  
24 STAFF.—The Secretary of State shall per-  
25 manently increase in the Bureau of Popu-

1           lation, Refugees, and Migration in the De-  
2           partment of State the resources dedicated  
3           to and staff assigned to work toward the  
4           prevention and resolution of de jure and de  
5           facto statelessness and the protection of de  
6           jure or de facto stateless individuals.

7           (ii) COORDINATION.—To coordinate  
8           United States policies toward combating de  
9           jure and de facto statelessness, the Sec-  
10          retary of State shall establish an Inter-  
11          agency Working Group to Combat State-  
12          lessness. This working group should in-  
13          clude representatives of the Bureau of  
14          Population, Refugees and Migration, the  
15          Bureau of International Organizations, the  
16          Bureau of Democracy, Human Rights and  
17          Labor, the Office of Trafficking in Persons  
18          of the Department of State, and the  
19          United States Agency for International  
20          Development, as well as representatives  
21          from relevant offices of the Department of  
22          Justice and relevant offices of the Depart-  
23          ment of Homeland Security.

24          (D) AUTHORIZATION OF APPROPRIA-  
25          TIONS.—There are authorized to be appro-

1           priated such sums as may be necessary to carry  
2           out the provisions of this subsection.

3 **SEC. 1105. STATEMENT OF POLICY REGARDING THE ECU-**  
4 **MENICAL PATRIARCHATE.**

5           It shall be the policy of the United States to urge  
6 Turkey to—

7           (1) respect property rights and religious rights  
8           of the Ecumenical Patriarch;

9           (2) grant the Ecumenical Patriarchate appro-  
10          priate international recognition and ecclesiastic suc-  
11          cession; and

12          (3) grant the Ecumenical Patriarchate the right  
13          to train clergy of all nationalities, not just Turkish  
14          nationals.

15 **SEC. 1106. LIMITATION ON ASSISTANCE FOR WEATHER CO-**  
16 **OPERATION ACTIVITIES TO COUNTRIES IN**  
17 **THE AMERICAS.**

18          (a) SENSE OF CONGRESS.—It is the sense of Con-  
19 gress that the United States should facilitate international  
20 cooperation on hurricane preparedness because—

21          (1) hundreds of millions of people in the Amer-  
22          icas live in coastal communities and are susceptible  
23          to the immense risks posed by hurricanes;

1           (2) the need for hurricane tracking overflights  
2           and other weather cooperation activities to track and  
3           monitor hurricanes in the Americas is acute; and

4           (3) accurate hurricane forecasts can help pre-  
5           vent the loss of life and injury and reduce property  
6           loss and economic disruption.

7           (b) REPORT.—

8           (1) IN GENERAL.—Not later than 180 days  
9           after the date of the enactment of this Act, the Sec-  
10          retary of State shall transmit to the appropriate  
11          congressional committees a report on the status of  
12          United States cooperation with other countries in  
13          the Americas on hurricane preparedness and other  
14          weather cooperation activities.

15          (2) MATTERS TO BE INCLUDED.—The report  
16          required under paragraph (1) shall include—

17                (A) a list of countries in the Americas that  
18                do not cooperate with the United States on hur-  
19                ricane preparedness and other weather coopera-  
20                tion activities; and

21                (B) the status of any negotiations regard-  
22                ing hurricane preparedness and other weather  
23                cooperation activities between the United States  
24                and countries listed in subparagraph (A).

1 (c) LIMITATION ON ASSISTANCE.—The Secretary of  
2 State may not provide assistance for weather cooperation  
3 activities to countries listed in the report under subsection  
4 (b)(2)(A).

5 (d) WAIVER.—The Secretary of State may waive the  
6 limitation on assistance requirements under subsection (c)  
7 if the Secretary of State certifies to the appropriate con-  
8 gressional committees that the waiver is in the national  
9 interest of the United States.

10 **SEC. 1107. STATEMENT OF CONGRESS REGARDING AFGHAN**  
11 **WOMEN.**

12 Congress—

13 (1) supports the decision by President Hamid  
14 Karzai of Afghanistan to submit for review the Shi  
15 'ite Personal Status Law and strongly urges him not  
16 to publish such law on the grounds that such law  
17 violates the basic human rights of women and is in-  
18 consistent with the Constitution of Afghanistan;

19 (2) urges President Karzai, the Ministry of  
20 Justice, and other parties involved in reviewing the  
21 law to formally declare as unconstitutional the provi-  
22 sions of such law regarding marital rape and restric-  
23 tions on women's freedom of movement;

24 (3) reiterates its strong sense that the provi-  
25 sions in such law which restrict the rights of women

1 should be removed, and that an amended draft of  
2 the Shi'ite Personal Status Law should be submitted  
3 for parliamentary review;

4 (4) recognizes that actions limiting or sup-  
5 pressing the human rights of Afghan women and  
6 girls undermines the intent of the significant finan-  
7 cial and training contributions that the United  
8 States and international community have provided to  
9 rebuild the country and to help establish institutions  
10 that protect and promote respect of basic and funda-  
11 mental human rights to overcome the devastating  
12 damage to those rights from years of Taliban rule;

13 (5) encourages the Secretary of State, the Spe-  
14 cial Representative for Afghanistan and Pakistan,  
15 the Ambassador-at-Large for Global Women's  
16 Issues, and the United States Ambassador to Af-  
17 ghanistan to consider and address the status of  
18 women's rights and security in Afghanistan to en-  
19 sure that such rights are not being eroded through  
20 unjust laws, policies, or institutions; and

21 (6) encourages the Government of Afghanistan  
22 to solicit information and advice from the Ministry  
23 of Justice, the Ministry for Women's Affairs, the Af-  
24 ghanistan Independent Human Rights Commission,  
25 and women-led nongovernmental organizations to

1 ensure that current and future legislation and offi-  
2 cial policies protect and uphold the equal rights of  
3 women, including through national campaigns to  
4 lead public discourse on the importance of women's  
5 status and rights to the overall stability of Afghani-  
6 stan.

7 **SEC. 1108. GLOBAL PEACE OPERATIONS INITIATIVE PRO-**  
8 **GRAMS AND ACTIVITIES.**

9 (a) FINDINGS.—Congress makes the following find-  
10 ings:

11 (1) Over 100,000 military and civilian per-  
12 sonnel are engaged in 18 United Nations peace-  
13 keeping operations around the world. Peacekeeping  
14 operations are critical to maintaining a peaceful and  
15 stable international environment.

16 (2) The United States has a vital interest in en-  
17 suring that United Nations peacekeeping operations  
18 are successful. Countries undergoing conflict threat-  
19 en the national and economic security of the United  
20 States, risk becoming safe havens for terrorist orga-  
21 nizations, and often feature levels of human rights  
22 abuses and human deprivation that are an affront to  
23 the values of the American people.

24 (3) Over the years, United Nations peace-  
25 keeping has evolved to meet the demands of dif-

1       ferent conflicts and a changing political landscape.  
2       Today’s peacekeeping mission is most often “multi-  
3       dimensional” and includes a wide variety of complex  
4       tasks such as civilian protection, helping to build  
5       sustainable institutions of governance, human rights  
6       monitoring, security sector reform, facilitating deliv-  
7       ery of humanitarian relief and disarmament, demobi-  
8       lization and reintegration of former combatants.

9               (4) United Nations peacekeeping operations  
10       allow the United States to respond to global crises  
11       within a multilateral framework with costs shared  
12       among nations. A 2007 Government Accountability  
13       Office report found that in general a United States  
14       peacekeeping operation is likely to be “much more  
15       expensive” than a United Nations peacekeeping op-  
16       eration, regardless of location.

17              (5) In many missions due to vast swaths of ter-  
18       rain and limited infrastructure, ongoing low-inten-  
19       sity fighting, and the presence of “peace spoilers”,  
20       United Nations peacekeepers cannot carry out the  
21       complex tasks with which they are charged without  
22       critical enablers, and in particular air assets.

23              (6) The United Nations Secretary-General has  
24       repeatedly noted the deleterious impact of insuffi-  
25       cient helicopters for peacekeeping missions in Darfur

1 and the Democratic Republic of the Congo. History  
2 has shown that under-resourced peacekeeping troops  
3 are not only unable to carry out their mandates,  
4 they erode the credibility of the United Nations and  
5 are themselves likely to come under attack.

6 (7) Senate Resolution 432 and House Resolu-  
7 tion 1351 of the 110th Congress—

8 (A) urged members of the international  
9 community, including the United States, that  
10 possessed the capability to provide tactical and  
11 utility helicopters needed for the United Na-  
12 tions-African Union Mission in Darfur  
13 (UNAMID) to do so as soon as possible; and

14 (B) urged the President to intervene per-  
15 sonally by contacting other heads of state and  
16 asking them to contribute the aircraft and  
17 crews to the Darfur mission.

18 (8) The current framework of relying on mem-  
19 ber countries to provide air assets on a volunteer  
20 basis has not yielded sufficient results. The United  
21 Nations still faces a shortfall of over 50 helicopters  
22 for UNAMID, the Democratic Republic of Congo  
23 (MONUC), and the Republic of Chad  
24 (MINURCAT). A review of trend lines suggests that  
25 any new United Nations peacekeeping missions au-

1       thorized within the next 5 to 7 years would face  
2       similar shortfalls.

3           (9) Numerous studies and reports have deter-  
4       mined that there is no global shortage of air assets.  
5       It is inexcusable to allow authorized United Nations  
6       peacekeeping missions to founder for the lack of  
7       critical mobility capabilities.

8       (b) PURPOSE.—The purpose of assistance authorized  
9       by this section is to contribute to peace and security and  
10      help protect civilians by training and equipping peace-  
11      keepers worldwide, to include financing the refurbishment  
12      of helicopters.

13      (c) USE OF FUNDS.—

14           (1) IN GENERAL.—The Secretary of State is  
15      authorized to use amounts authorized to be appro-  
16      priated to carry out this section to provide funding  
17      to carry out and expand Global Peace Operations  
18      Initiative programs and activities. Such programs  
19      and activities shall include—

20           (A) assist partner countries to establish  
21      and strengthen the institutional infrastructure  
22      required for such countries to achieve self-suffi-  
23      ciency in participating in peace support oper-  
24      ations, including for the training of formed po-  
25      lice units;

1 (B) train peacekeepers worldwide to in-  
2 crease global capacity to participate in peace  
3 support operations;

4 (C) provide transportation and logistics  
5 support to deploying peacekeepers as appro-  
6 priate;

7 (D) enhance the capacity of regional and  
8 sub-regional organizations to train for, plan, de-  
9 ploy, manage, obtain, and integrate lessons  
10 learned from peace operations;

11 (E) support multilateral approaches to co-  
12 ordinate international contributions to peace  
13 support operations capacity building efforts;  
14 and

15 (F) financing the refurbishment of heli-  
16 copters in preparation for their deployment to  
17 United Nations peacekeeping operations or to  
18 regional peacekeeping operations which have  
19 been approved by the United Nations Security  
20 Council.

21 (2) SENSE OF CONGRESS.—It is the sense of  
22 Congress that failure on the part of the inter-  
23 national community to take all steps necessary to  
24 deploy and maintain fully capacitated United Na-  
25 tions peacekeeping operations will result in contin-

1 ued loss of life and human suffering. Therefore, in  
2 carrying out this section, the Secretary of State  
3 should prioritize the refurbishment of helicopters  
4 with a goal of participating in the financing of no  
5 fewer than three helicopter refurbishments by the

4 **SEC. 1112. STATEMENT OF CONGRESS REGARDING RETURN**  
5 **OF PORTRAITS OF HOLOCAUST VICTIMS TO**  
6 **ARTIST DINA BABBITT.**

7 (a) FINDINGS.—Congress finds the following:

8 (1) Dina Babbitt (formerly known as Dinah  
9 Gottliebova), a United States citizen, has requested  
10 the return of watercolor portraits she painted while  
11 suffering a 1½-year-long internment at the Ausch-  
12 witz death camp during World War II.

13 (2) Dina Babbitt was ordered to paint the por-  
14 traits by the infamous war criminal Dr. Josef  
15 Mengele.

16 (3) Dina Babbitt's life, and her mother's life,  
17 were spared only because she painted portraits of  
18 doomed inmates of Auschwitz-Birkenau, under or-  
19 ders from Dr. Josef Mengele.

20 (4) These paintings are currently in the posses-  
21 sion of the Auschwitz-Birkenau State Museum.

22 (5) Dina Babbitt is the rightful owner of the  
23 artwork, because the paintings were produced by her  
24 own talented hands as she endured the unspeakable  
25 conditions that existed at the Auschwitz death camp.

1           (6) This continued injustice can be righted  
2 through cooperation between agencies of the United  
3 States and Poland.

4           (7) This issue was raised in the Foreign Rela-  
5 tions Authorization Act, Fiscal Year 2003 (Public  
6 Law 107–228).

7 (b) STATEMENT OF CONGRESS.—Congress—

8           (1) continues to recognize the moral right of  
9 Dina Babbitt to obtain the artwork she created, and  
10 recognizes her courage in the face of the evils per-  
11 petrated by the Nazi command of the Auschwitz-  
12 Birkenau death camp, including the atrocities com-  
13 mitted by Dr. Josef Mengele;

14           (2) urges the President to make all efforts nec-  
15 essary to retrieve the seven watercolor portraits  
16 Dina Babbitt painted, while suffering a 1½-year-  
17 long internment at the Auschwitz death camp, and  
18 return them to her;

19           (3) urges the Secretary of State to make imme-  
20 diate diplomatic efforts to facilitate the transfer of  
21 the seven original watercolors painted by Dina Bab-  
22 bitt from the Auschwitz-Birkenau State Museum to  
23 Dina Babbitt, their rightful owner;

24           (4) urges the Government of Poland to imme-  
25 diately facilitate the return to Dina Babbitt of the

1 artwork painted by her that is now in the possession  
2 of the Auschwitz-Birkenau State Museum; and

3 (5) urges the officials of the Auschwitz-  
4 Birkenau State Museum to transfer the seven origi-  
5 nal paintings to Dina Babbitt as expeditiously as  
6 possible.

7 **SEC. 1113. STATEMENT OF POLICY REGARDING SOMALIA.**

8 (a) STATEMENT OF POLICY.—It shall be the policy  
9 of the United States to—

10 (1) advance long-term stability and peace in So-  
11 malia;

12 (2) provide assistance to the government of So-  
13 malia and nongovernmental organizations, including  
14 Somali-led nongovernmental organizations, and par-  
15 ticularly women’s groups, as appropriate;

16 (3) support efforts to establish democratic civil  
17 authorities and institutions in Somalia that reflect  
18 local and traditional structures, built on the rule of  
19 law and respect for human rights, and strengthen  
20 the security sector; and

21 (4) support reconciliation efforts in Somalia in  
22 order to ensure lasting peace.

23 (b) SENSE OF CONGRESS.—It is the sense of Con-

20 of Homeland Security that the government of a for-  
21 eign country denies or unreasonably delays accepting

23 dent of that country after the Secretary of Home-  
24 land Security asks whether the government will ac-  
25 cept the alien under this section, the Secretary of

1 State shall order consular officers in that foreign  
2 country to discontinue granting immigrant visas or  
3 nonimmigrant visas, or both, to citizens, subjects,  
4 nationals, and residents of that country until the  
5 Secretary of Homeland Security notifies the Sec-  
6 retary of State that the country has accepted the  
7 alien.

8 “(2) DENYING ADMISSION TO FOREIGN GOV-

12 country denies or unreasonably delays accepting an  
13 alien who is a citizen, subject, national, or resident  
14 of that country after the alien has been ordered re-  
15 moved, the Secretary of Homeland Security, in con-  
16 sultation with the Secretary of State, may deny ad-  
17 mission to any citizen, subject, national, or resident  
18 of that country who is seeking or has received a non-

20 (G) of section 101(a)(15).

21 “(3) QUARTERLY REPORTS.—Not later than 90

## 7 **Subtitle B—Sense of Congress** 8 **Provisions**

### 9 **SEC. 1121. PROMOTING DEMOCRACY AND HUMAN RIGHTS** 10 **IN BELARUS.**

11 (a) FINDINGS.—Congress finds the following:

12 (1) Despite some modest improvements, notably  
13 the release of political prisoners, the Belarusian Gov-  
14 ernment’s human rights and democracy record re-  
15 mains poor as governmental authorities continue to  
16 commit frequent serious abuses.

17 (2) Since 1996, President Alexander  
18 Lukashenka has consolidated his power over all in-  
19 stitutions and undermined the rule of law through  
20 authoritarian means.

21 (3) Belarus restricts civil liberties, including  
22 freedoms of press, speech, assembly, association, and  
23 religion. Nongovernmental organizations and polit-  
24 ical parties are subject to harassment, fines, pros-  
25 ecution, and closure. The Belarusian Government

1 maintains a virtual monopoly over the country's in-  
2 formation space.

3 (b) POLICY.—It is the policy of the United States  
4 to—

5 (1) support the aspirations of the people of  
6 Belarus for democracy, human rights, and the rule  
7 of law;

8 (2) support the aspirations of the people of  
9 Belarus to preserve the independence and sov-  
10 ereignty of their country;

11 (3) seek and support the growth of democratic  
12 movements and institutions in Belarus as well the  
13 development of a democratic political culture and  
14 civil society;

15 (4) seek and support the growth of an open  
16 market economy in Belarus through the development  
17 of entrepreneurship and protection of property  
18 rights; and

19 (5) remain open to re-evaluating United States  
20 policy toward Belarus, including existing sanctions,  
21 as warranted by demonstrable democratic and  
22 human rights progress made by the Belarusian Gov-  
23 ernment.

24 (c) SENSE OF CONGRESS.—It is the sense of Con-  
25 gress that—

1           (1) the United States should furnish assistance  
2 to Belarus to the support democratic processes in  
3 that country, including—

4           (A) expanding and facilitating the develop-  
5 ment of independent print, radio, television, and  
6 internet broadcasting to and within Belarus;

7           (B) aiding the development of civil society  
8 through assistance to nongovernmental organi-  
9 zations promoting democracy and supporting  
10 human rights, including youth groups, entre-  
11 preneurs, and independent trade unions;

12           (C) supporting the work of human rights  
13 defenders;

14           (D) enhancing the development of demo-  
15 cratic political parties;

16           (E) assisting the promotion of free, fair,  
17 and transparent electoral processes;

18           (F) enhancing international exchanges, in-  
19 cluding youth and student exchanges, as well as  
20 advanced professional training programs for  
21 leaders and members of the democratic forces  
22 in skill areas central to the development of civil  
23 society; and

24           (G) supporting educational initiatives such  
25 as the European Humanities University, a

1 Belarusian university in exile based in Vilnius,  
2 Lithuania; and

3 (2) the United States should support radio, tel-  
4 evision, and internet broadcasting to the people of  
5 Belarus in languages spoken in Belarus, including  
6 broadcasting by Radio Free Europe/Radio Liberty,  
7 European Radio for Belarus, and Belsat.

8 **SEC. 1122. SENSE OF CONGRESS RELATING TO SOVIET NU-**  
9 **CLEAR TESTS AND KAZAKHSTAN'S COMMIT-**  
10 **MENT TO NONPROLIFERATION.**

11 (a) FINDINGS.—Congress finds the following:

12 (1) In 1991, immediately after achieving inde-  
13 pendence, Kazakhstan closed and sealed the world's  
14 second largest nuclear test site in Semipalatinsk  
15 which had been inherited from the former Soviet  
16 Union and at which more than 500 nuclear tests  
17 had been conducted from 1949 to 1991.

18 (2) The cumulative power of explosions from  
19 those tests, conducted above ground, on the ground,  
20 and underground is believed to be equal to the power  
21 of 20,000 explosions of the type of bomb dropped on  
22 Hiroshima, Japan, in 1945.

23 (3) More than 1,500,000 people in Kazakhstan  
24 suffered because of decades of Soviet nuclear weap-  
25 ons testing in the region.

1           (4) A horrifying array of disease will continue  
2           to destroy the lives of hundreds of thousands and  
3           their descendants for many generations to come as  
4           a result of these tests.

5           (5) Since its independence, Kazakhstan has  
6           constructed a stable and peaceful state, voluntarily  
7           disarmed the world's fourth largest nuclear arsenal,  
8           joined the Strategic Arms Reduction Treaty  
9           (START), and within the frameworks of the Cooper-  
10          ative Threat Reduction program the government of  
11          Kazakhstan, in cooperation with the United States  
12          Government, conducted a very successful secret op-  
13          eration, code-named Project Sapphire, as a result of  
14          which 581 kilograms (1,278 pounds) of highly en-  
15          riched uranium enough to produce 20–25 nuclear  
16          warheads were removed from Kazakhstan.

17          (6) Because of the successful cooperation be-  
18          tween the Governments of the United States and  
19          Kazakhstan, the last lethal weapon was removed  
20          from Kazakhstan in April 1995.

21          (7) Kazakhstan, allegiant to its commitment to  
22          nonproliferation, in December 2004 signed with the  
23          United States an amendment to the bilateral agree-  
24          ment on the nonproliferation of weapons of mass de-  
25          struction which will move the two nations towards a

1 new level of cooperation in preventing the threat of  
2 bio-terrorism.

3 (8) By its actions, Kazakhstan has proven itself  
4 not only as a universally recognized leader and one  
5 of the key members in the nonproliferation process,  
6 but also as a reliable and consistent ally of the  
7 United States in reducing nuclear threats and pre-  
8 venting lethal weapons from being acquired by ter-  
9 rorist organizations such as Al-Qaeda.

10 (9) Recently Kazakhstan has also offered to  
11 host an international nuclear fuel bank where low-  
12 enriched uranium would be stored in accordance  
13 with the highest international standards for safety,  
14 security, and safeguards.

15 (10) The Norwegian Defence Research Estab-  
16 lishment is also working with Kazakhstan to  
17 strengthen nuclear security and nonproliferation.

18 (b) SENSE OF CONGRESS.—It is the sense of Con-  
19 gress that—

20 (1) the people of Kazakhstan and its Govern-  
21 ment should be congratulated for their commitment  
22 to nonproliferation and their leadership in offering  
23 to host an international nuclear fuel bank; and

24 (2) the Secretary of State should work to estab-  
25 lish a joint working group with the Governments of

1 Kazakhstan and Norway to explore common chal-  
2 lenges and opportunities on disarmament and non-  
3 proliferation, and to assist in assessing the environ-  
4 mental damage and health effects caused by Soviet  
5 nuclear testing in Semipalatinsk.

6 **SEC. 1123. SENSE OF CONGRESS ON HOLOCAUST-ERA**  
7 **PROPERTY RESTITUTION AND COMPENSA-**  
8 **TION.**

9 It is the sense of Congress that—

10 (1) countries in Central and Eastern Europe  
11 which have not already done so must return looted  
12 and confiscated properties to their rightful owners  
13 or, where restitution is not possible, pay equitable  
14 compensation, in accordance with principles of jus-  
15 tice and in an expeditious manner that is trans-  
16 parent and fair;

17 (2) countries in Central and Eastern Europe  
18 must enact and implement appropriate restitution  
19 and compensation legislation to facilitate private,  
20 communal, and religious property restitution; and

21 (3) countries in Central and Eastern Europe  
22 must ensure that such restitution and compensation  
23 legislation establishes a simple, transparent, and  
24 timely process, so that such process results in a real

1 benefit to those individuals who suffered from the  
2 unjust confiscation of their property.

3 **SEC. 1124. EFFORTS TO SECURE THE FREEDOM OF GILAD**  
4 **SHALIT.**

5 It is the sense of Congress that Israeli soldier Gilad  
6 Shalit, who has been held captive continuously since his  
7 illegal abduction by Gazan kidnappers in 2006, should be  
8 safely released at the earliest possible time and that, pend-  
9 ing his release, the International Committee of the Red  
10 Cross should be granted full access to him, in accordance  
11 with international law and civilized values.

12 **SEC. 1125. SENSE OF CONGRESS RELATING TO SUDAN.**

13 It is the sense of Congress that—

14 (1) the United States should support efforts to  
15 find a stable and lasting peace in Sudan in the wake  
16 of a devastating conflict that led to a major humani-  
17 tarian disaster and caused the deaths of hundreds of  
18 thousands, and continues to cause violence in Darfur  
19 and throughout Sudan;

20 (2) to achieve that peace, all parties must agree  
21 to uphold the Comprehensive Peace Agreement  
22 (CPA);

23 (3) international partners should aim to widen  
24 acceptance of the Darfur Peace Agreement by all  
25 stakeholders;

1           (4) the United States should support efforts to  
2           prepare for the national elections and for the ref-  
3           erendum;

4           (5) the United States should support efforts to  
5           develop a coordinated international strategy to sup-  
6           port the rebuilding of Sudan, with a particular focus  
7           on key CPA benchmarks including policy toward the  
8           Three Areas, transitional justice, which would in-  
9           clude prosecuting perpetrators of war crimes, oil rev-  
10          enue sharing, the census, the return of displaced  
11          Darfuris and other peoples to their homeland, and  
12          management of the armed forces; and

13          (6) United States policy toward Darfur should  
14          be fully integrated with United States policy toward  
15          the CPA, as full and lasting resolution to the Darfur  
16          crisis hinges on the resolution of a common set of  
17          national problems.

18 **SEC. 1126. SENSE OF CONGRESS ON RESTRICTIONS ON RE-**  
19 **LIGIOUS FREEDOM IN VIETNAM.**

20 (a) FINDINGS.—Congress finds the following:

21           (1) The Secretary of State, under the Inter-  
22           national Religious Freedom Act of 1998 (22 U.S.C.  
23           6401 et seq.) and authority delegated by the Presi-  
24           dent, designates nations found guilty of “particularly

1 severe violations of religious freedom” as “Countries  
2 of Particular Concern”.

3 (2) In November 2006, the Secretary of State  
4 announced that the Socialist Republic of Vietnam  
5 was no longer designated as a “Country of Par-  
6 ticular Concern”.

7 (3) The Unified Buddhist Church of Vietnam  
8 (UBCV), the Hoa Hao Buddhists, and the Cao Dai  
9 groups continue to face unwarranted abuses because  
10 of their attempts to organize independently of the  
11 Government of Vietnam, including the detention and  
12 imprisonment of individual members of these reli-  
13 gious communities.

14 (4) Over the last 3 years, 18 Hoa Hao Bud-  
15 dhists have been arrested for distributing sacred  
16 texts or publically protesting the religious restric-  
17 tions placed on them by the Government of Vietnam,  
18 at least 12 remain in prison, including 4 sentenced  
19 in 2007 for staging a peaceful hunger strike.

20 (5) At least 15 individuals are being detained in  
21 long term house arrest for reasons relating to their  
22 faith, including the most venerable Thich Quang Do  
23 and most of the leadership of the UBCV.

24 (6) According to Human Rights Watch, “In  
25 April 2008 Montagnard Christian Y Ben Hdok was

1       beaten to death while in police custody in Dak Lak  
2       after other Montagards in his district tried to flee to  
3       Cambodia to seek political asylum.”.

4           (7) According to the United States Commission  
5       on International Religious Freedom 2009 Annual  
6       Report, religious freedom advocates and human  
7       rights defenders Nguyen Van Dai, Le Thi Cong  
8       Nhan, and Fr. Thaddeus Nguyen Van Ly are in  
9       prison under Article 88 of the Criminal Code of  
10      Vietnam and Fr. Nguyen Van Loi is being held  
11      without official detention orders under house arrest.

12          (8) In February 2009, as many as 11  
13      Montagnard Protestants were detained for refusing  
14      to join the officially recognized Southern Evangelical  
15      Church of Vietnam, and 2 still remain in prison.

16          (9) Since August 2008, the Government of  
17      Vietnam has arrested and sentenced at least eight  
18      individuals and beaten, tear-gassed, harassed, pub-  
19      licly slandered, and threatened Catholics engaged in  
20      peaceful activities seeking the return of Catholic  
21      Church properties confiscated by the Vietnamese  
22      Government after 1954 in Hanoi, including in the  
23      Thai Ha parish.

24      (b) SENSE OF CONGRESS.—It is the sense of Con-  
25      gress that—

1           (1) the Secretary of State should place Vietnam  
2           on the list of “Countries of Particular Concern” for  
3           particularly severe violations of religious freedom;  
4           and

5           (2) the Government of Vietnam should lift re-  
6           strictions on religious freedom and implement nec-  
7           essary legal and political reforms to protect religious  
8           freedom.

9 **SEC. 1127. SENSE OF CONGRESS RELATING TO THE MUR-**  
10 **DER OF UNITED STATES AIR FORCE RESERVE**  
11 **MAJOR KARL D. HOERIG AND THE NEED FOR**  
12 **PROMPT JUSTICE IN STATE OF OHIO V. CLAU-**  
13 **DIA C. HOERIG.**

14 (a) FINDINGS.—Congress finds the following:

15           (1) United States Air Force Reserve Major  
16           Karl D. Hoerig of Newton Falls, Ohio, was a United  
17           States citizen and soldier who admirably served his  
18           country for over 25 years and flew over 200 combat  
19           missions.

20           (2) The State of Ohio has charged Claudia C.  
21           Hoerig with aggravated murder in the case of State  
22           of Ohio v. Claudia C. Hoerig.

23           (3) The State of Ohio charges that Claudia C.  
24           Hoerig, Karl D. Hoerig’s wife, allegedly purchased a  
25           .357 five-shot revolver, practiced shooting the weap-

1 on, and then shot Karl D. Hoerig three times, which  
2 led to his death on March 12, 2007.

3 (4) Claudia C. Hoerig fled to Brazil, and claims  
4 she is both a citizen of the United States and Brazil.

5 (5) Brazil's constitution forbids extradition of  
6 its nationals, but the United States and Brazil recognize and uphold a Treaty of Extradition signed in  
7 1964.  
8

9 (6) Law enforcement officials are vigorously  
10 pursuing State of Ohio v. Claudia C. Hoerig, the  
11 charge of aggravated murder is internationally recognized, and the punishment, which is not capital  
12 punishment, is internationally respected.  
13

14 (b) SENSE OF CONGRESS.—It is the sense of Congress that—  
15

16 (1) the alleged aggravated murder of United  
17 States Air Force Reserve Major Karl D. Hoerig is  
18 deserving of justice, and his family and friends deserve closure regarding the murder of their loved  
19 one;  
20

21 (2) the United States Government should, as a  
22 priority matter, work with prosecutors in the State  
23 of Ohio, as well as facilitate cooperation with the  
24 Government of Brazil, in order to obtain justice in  
25 this tragic case; and

1           (3) a resolution of the case of State of Ohio v.  
2           Claudia Hoerig is important to maintain the tradi-  
3           tionally close cooperation and friendship between the  
4           United States and Brazil.

5 **SEC. 1128. SENSE OF CONGRESS REGARDING PENSION PAY-**  
6                           **MENTS OWED BY THE STATES OF THE**  
7                           **FORMER SOVIET UNION.**

8           It is the sense of Congress that the United States  
9           should continue working with the states of the former So-  
10          viet Union to come to an agreement whereby each state  
11          of the former Soviet Union would pay the tens of thou-  
12          sands of beneficiaries who have immigrated to the United  
13          States the pensions for which they are eligible and enti-  
14          tled.

15 **SEC. 1129. SENSE OF CONGRESS RELATING TO ISRAEL'S**  
16                           **RIGHT TO SELF-DEFENSE.**

17          It is the sense of Congress that Israel has the inalien-  
18          able right to defend itself in the face of an imminent nu-  
19          clear or military threat from Iran, terrorist organizations,  
20          and the countries that harbor them.

21 **SEC. 1130. INTERNATIONAL PREVENTION AND ELIMI-**  
22                           **NATION OF CHILD SOLDIERS.**

23          It is the sense of Congress that—

24                   (1) the use of child soldiers is unacceptable;

1           (2) the use of child soldiers is a violation of  
2 human rights and the prevention and elimination of  
3 child soldiers should be a foreign policy goal of the  
4 United States;

5           (3) the use of child soldiers promotes killing  
6 and maiming, sexual violence, abductions, desta-  
7 bilization, and displacement;

8           (4) investing in the health, education, well  
9 being, and safety of children, and providing eco-  
10 nomic opportunity and vocational training for at-risk  
11 youth, is critical to achieving the goals of the United  
12 Nations Convention of the Rights of Children; and

13           (5) countries should raise to 18 years of age the  
14 minimum age for the voluntary recruitment of per-  
15 sons into their national armed forces.

1 **SEC. 3. FINDINGS.**

2 Congress finds the following:

3 (1) The Islamic Republic of Pakistan has been  
4 a critical ally of the United States for more than 4  
5 decades.

6 (2) With the free and fair election of February  
7 18, 2008, Pakistan returned to civilian rule after al-  
8 most 9 years under a military dictatorship.

9 (3) After the September 11, 2001, terrorist at-  
10 tacks against the United States, Pakistan chose to  
11 partner with the United States in the fight against  
12 al Qaeda, the Taliban, and other extremist and ter-  
13 rorist groups.

14 (4) Since 2001, the United States has contrib-  
15 uted more than \$12,000,000,000 to Pakistan to  
16 strengthen Pakistan's governance, economy, edu-  
17 cation system, healthcare services, and military, so  
18 as to bring freedom and opportunities to the people  
19 of Pakistan while helping to combat terrorism and  
20 to counter a domestic insurgency.

21 (5) The United States requires a balanced, inte-  
22 grated, countrywide strategy that provides assistance  
23 throughout Pakistan and does not disproportionately  
24 focus on military assistance or one particular area or  
25 province.

1           (6) Despite killing or capturing hundreds of al  
2        Qaeda operatives and other terrorists—including  
3        major al Qaeda leaders, such as Khalid Sheikh Mu-  
4        hammad, Ramzi bin al-Shibh, and Abu Faraj al-  
5        Libi—Pakistan’s FATA, parts of the NWFP,  
6        Quetta in Balochistan, and Muridke in Punjab re-  
7        main a sanctuary for al Qaeda, the Afghan Taliban,  
8        and affiliated groups from which these groups orga-  
9        nize terrorist actions against Pakistan and other  
10       countries.

11           (7) Pakistan’s security forces have recently  
12        begun taking concerted action against those who  
13        threaten Pakistan’s security and stability, with mili-  
14        tary operations in the Bajour agency in the FATA  
15        and in the Swat, Buner, and Dir districts in the  
16        NWFP.

17           (8) The displacement of over 1,000,000 Paki-  
18        stanis poses a grave humanitarian crisis and re-  
19        quires the immediate attention of the United Na-  
20        tions, and the strong support of donor nations, to  
21        provide food, water, shelter, medicine, sanitation and  
22        other emergency services and supplies to the dis-  
23        placed, along with longer-term development assist-  
24        ance. The humanitarian crisis highlights the need  
25        for Pakistan to develop an effective national counter-

1 insurgency strategy, in order to mitigate such dis-  
2 placement.

3 **SEC. 4. DECLARATION OF PRINCIPLES.**

4 Congress declares that the relationship between the  
5 United States and Pakistan should be based on the fol-  
6 lowing principles:

7 (1) Pakistan is a critical friend and ally to the  
8 United States, both in times of strife and in times  
9 of peace, and the two countries share many common  
10 goals, including combating terrorism and violent  
11 radicalism, solidifying democracy and rule of law in  
12 Pakistan, and promoting the social and material  
13 well-being of the people of Pakistan.

14 (2) United States assistance to Pakistan is in-  
15 tended to supplement, not supplant, Pakistan's own  
16 efforts in building a stable, secure, and prosperous  
17 Pakistan, and United States assistance will be whol-  
18 ly ineffective without Pakistan's own serious efforts  
19 to improve the health, education, and living stand-  
20 ards of its population, including maintaining or in-  
21 creasing the financial resources devoted to such ef-  
22 forts.

23 (3) The United States supports Pakistan's  
24 struggle against extremist elements and recognizes  
25 the profound sacrifice made by Pakistan in the fight

1 against terrorism, including the loss of more than  
2 1,600 soldiers since 2001 in combat with al Qaeda,  
3 the Taliban, and other extremist and terrorist  
4 groups.

5 (4) The United States intends to work with the  
6 Government of Pakistan—

7 (A) to build mutual trust and confidence  
8 by actively and consistently pursuing a sus-  
9 tained, long-term, multifaceted relationship be-  
10 tween the two countries, devoted to strength-  
11 ening the mutual security, stability, and pros-  
12 perity of both countries;

13 (B) to support the people of Pakistan and  
14 their democratic government in their efforts to  
15 consolidate democracy, through strengthening  
16 Pakistan's parliament, helping Pakistan rees-  
17 tablish an independent and transparent judicial  
18 system, and working to extend the rule of law  
19 in all areas in Pakistan;

20 (C) to promote long-term development and  
21 infrastructure projects, including in healthcare,  
22 water management, and energy programs, in all  
23 areas of Pakistan, that are sustained and sup-  
24 ported by each successive democratic govern-  
25 ment in Pakistan;

1           (D) to encourage sustainable economic de-  
2           velopment in Pakistan and the integration of  
3           Pakistan into the global economy in order to  
4           improve the living conditions of the people of  
5           Pakistan;

6           (E) to ensure that the people of Pakistan,  
7           including those living in areas governed by the  
8           FCR, have access to public, modernized edu-  
9           cation and vocational training to enable them to  
10          provide for themselves, for their families, and  
11          for a more prosperous future for their children;

12          (F) to expand people-to-people engagement  
13          between the two countries, through increased  
14          educational, technical, and cultural exchanges  
15          and other methods;

16          (G) to ensure transparency of and provide  
17          effective accountability for all United States as-  
18          sistance and reimbursements provided to Paki-  
19          stan;

20          (H) to take steps to improve Pakistan's  
21          counterterrorism financing and anti-money  
22          laundering laws to comply with international  
23          standards, to include applying for "Financial  
24          Action Task Force" observer status and adher-  
25          ing to the United Nations International Con-

1           vention for the Suppression of the Financing of  
2           Terrorism;

3           (I) to establish a counterinsurgency and  
4           counterterrorism strategy to prevent any terri-  
5           tory of Pakistan from being used as a base or  
6           conduit for terrorist attacks in Pakistan, or  
7           elsewhere, and ensure that madrasas in Paki-  
8           stan are not used to incite terrorism;

9           (J) to ensure that Pakistan has strong and  
10          effective law enforcement and national defense  
11          forces, under civilian leadership, with sufficient  
12          and appropriate security equipment and train-  
13          ing to effectively defend Pakistan against inter-  
14          nal and external threats;

15          (K) to ensure access of United States in-  
16          vestigators to individuals suspected of engaging  
17          in worldwide proliferation of nuclear materials,  
18          as necessary, and restrict such individuals from  
19          travel or any other activity that could result in  
20          further proliferation;

21          (L) to help Pakistan meet its commitment  
22          to not support any person or group that con-  
23          ducts violence, sabotage, or other activities  
24          meant to instill fear or terror in Pakistan's  
25          neighboring countries; and

1 (M) to help Pakistan gain control of its  
2 under-governed areas and stop any support, di-  
3 rection, guidance to, or acquiescence in the ac-  
4 tivities of, any person or group that engages in  
5 acts of violence or intimidation against civilians,  
6 civilian groups, or governmental entities.

21 (A) REGULATIONS.—The Secretary of the  
22 Treasury, after consultation with the United

24 regulations setting forth customs procedures  
25 similar in all material respects to the require-

1           ments of article 502(1) of the NAFTA as im-  
2           plemented pursuant to United States law, which  
3           shall apply to any importer that claims duty-  
4           free treatment for an article under section 405.

5           (B) DETERMINATION.—In order for arti-  
6           cles produced in a Reconstruction Opportunity  
7           Zone to qualify for the duty-free treatment  
8           under section 405, there shall be in effect a de-  
9           termination by the President that Afghanistan  
10          or Pakistan, as the case may be—

11                   (i) has implemented and follows; or

12                   (ii) is making substantial progress to-  
13                   ward implementing and following,

14           procedures and requirements similar in all ma-  
15           terial respects to the relevant procedures and  
16           requirements under chapter 5 of the NAFTA.

17          (2) CERTIFICATE OF ORIGIN.—A certificate of  
18          origin that otherwise would be required pursuant to  
19          the provisions of paragraph (1) shall not be required  
20          in the case of an article imported under section 405  
21          if such certificate of origin would not be required  
22          under article 503 of the NAFTA, as implemented  
23          pursuant to United States law, if the article were  
24          imported from Mexico.

1           (3) PENALTIES.—If the President determines,

9           (4) UNLAWFUL TRANSSHIPMENT DESCRIBED.—  
10          For purposes of this section, unlawful transshipment

13          mation concerning the country of origin, manufac-  
14          ture, processing, or assembly of the article or any of  
15          its components. For purposes of the preceding sen-  
16          tence, false information is material if disclosure of  
17          the true information would mean or would have  
18          meant that the article is or was ineligible for duty-  
19          free treatment under section 405.

20          (5) MONITORING AND REPORTS TO CON-  
21          GRESS.—U.S. Customs and Border Protection shall

7                   in clause (ii), that extraordinary cir-

9                   or Pakistan, as the case may be, from  
10                  meeting the requirements set forth in  
11                  paragraph (1) (A) and (B); and
