(C) the extended deployment overseas of units stationed at such installation.

(2) Each notice under this subsection shall specify the nature of the guarantee involved and assess the extent and likelihood, if any, of the liability of the Federal Government with respect to the guarantee.

(INCLUDING TRANSFER OF FUNDS)

SEC. §122 117. In addition to any other transfer authority available to the Department of Defense, amounts may be transferred from the accounts established by sections 2906(a)(1) and 2906A(a)(1) of the Defense Base Closure and Realignment Act of 1990 (10 U.S.C. 2687 note), to the fund established by section 1013(d) of the Demonstration Cities and Metropolitan Development Act of 1966 (42 U.S.C. 3374) to pay for expenses associated with the Homeowners Assistance Program incurred under 42 U.S.C. 3374(a)(1)(A). (INCLUDING TRANSFER OF FUNDS)

SEC. 125. None of the funds made available in this title, or in any Act making appropriations for military construction which remain available for obligation, may be obligated or expended to carry out a military construction, land acquisition, or family housing project at or for a military installation approved for closure, or at a military installation for the purposes of supporting a function that has been approved for realignment to another installation, in 2005 under the Defense Base Closure and Realignment Act of 1990 (part A of title XXIX of Public Law 101-510; 10 U.S.C. 2687 note), unless such a project at a military installation approved for realignment will support a continuing mission or function at that installation or a new mission or function that is planned for that installation, or unless the Secretary of Defense certifies that the cost to the United States of carrying out such project would be less than the cost to the United States of cancelling such project, or if the project is at an active component base that shall be established as an enclave or in the case of projects having multi-agency use, that another Government agency has indicated it will assume ownership of the completed project. The Secretary of Defense may not transfer funds made available as a result of this limitation from any military construction project, land acquisition, or family housing project to another account or use such funds for another purpose or project without the prior approval of the Committees on Appropriations of both Houses of Congress. This section shall not apply to military construction projects, land acquisition, or family housing projects for which the project is vital to the national security or the protection of health, safety, or environmental quality: *Provided*, That the Secretary of Defense shall notify the congressional defense committees within seven days of a decision to carry out such a military construction project.

(INCLUDING TRANSFER OF FUNDS)

SEC. 126 120. During the 5-year period after appropriations available in this Act to the Department of Defense for military construction and family housing operation and maintenance and construction have expired for obligation, upon a determination that such appropriations will not be necessary for the liquidation of obli-

gations or for making authorized adjustments to such appropriations for obligations incurred during the period of availability of such appropriations, unobligated balances of such appropriations may be transferred into the appropriation “Foreign Currency Fluctuations, Construction, Defense”, to be merged with and to be available for the same time period and for the same purposes as the appropriation to which transferred.

¿SEC. 127. None of the funds appropriated or otherwise made available in this title may be used for any action that is related to or promotes the expansion of the boundaries or size of the Pinon Canyon Maneuver Site, Colorado.

¿SEC. 128. Amounts appropriated or otherwise made available in an account funded under the headings in this title may be transferred among projects and activities within the account in accordance with the reprogramming guidelines for military construction and family housing construction contained in the explanatory statement of managers to accompany this Act and in the guidance for military construction reprogrammings and notifications contained in Department of Defense Financial Management Regulation 7000.14–R, Volume 3, Chapter 7, of December 1996, as in effect on the date of enactment of this Act.

(*Military Construction and Veterans Affairs and Related Agencies Appropriations Act, 2010.*)

This amendment would insert the Administrative Provisions for the Department of Defense that were omitted inadvertently from the FY 2011 Budget to reflect correctly the policy assumed in the Budget. The proposed Budget totals would not be affected by this language amendment.

FY 2011 Pending Request: \$492,488,000

Revised Request: \$489,791,900

(In the appropriations language under the above heading, delete "\$492,488,000" and substitute *\$489,791,900*.)

This amendment would decrease the request by almost \$3 million for the Program Administration account to reflect correctly the policy assumed in the Budget. Additional funding for the acquisition workforce initiative was provided in section 307 of the Department of Education General Provisions. However, this funding was erroneously double counted in the appropriations language for the Program Administration account.

This amendment seeks to make the legislative language consistent with the Budget totals. As such, those totals would not be affected by the transmittal of this amendment.

Additional funding for the acquisition workforce initiative was provided in section 619 of the Department of the Treasury General Provisions. DEPARTMENT OF VETERANS AFFAIRS
ADMINISTRATIVE PROVISIONS

FY 2011 Budget Appendix Page: 1099

FY 2011 Pending Request: —

Proposed Amendment: Language

Revised Request: —

(In the appropriations language under the above heading, delete newly inserted sections 226, 227 and 228 and substitute with the following new section 226:)

SEC. 226. CANCELLATION AND APPROPRIATION

(a) Of the funds appropriated in the Military Construction and Veterans Affairs and Related Agencies Appropriations Act, 2010 (Public Law 111-117, Division E), the following amounts which become available on October 1, 2010 are hereby permanently cancelled from the following accounts in the amounts specified:

“Medical Services”, Department of Veterans Affairs, \$1,600,000,000;

“Medical Support and Compliance”, Department of Veterans Affairs, \$250,000,000; and

“Medical Facilities”, Department of Veterans Affairs, \$350,000,000.

(b) An additional amount is appropriated to the following accounts in the amounts specified, to become available on October 1, 2010 and to remain available until September 30, 2012:

“Medical Services”, Department of Veterans Affairs, \$1,600,000,000;

“Medical Support and Compliance”, Department of Veterans Affairs, \$250,000,000; and

“Medical Facilities”, Department of Veterans Affairs, \$350,000,000.

This amendment would clarify that the language transmitted with the FY 2011 Budget as sections 226, 227 and 228 of the general provisions for the Department of Veterans Affairs was not intended to be a reappropriation of funds. Rather than simply extending the period of availability through FY 2012, the clarification instead permanently cancels the funding that was appropriated for FY 2011 in the FY 2010 Military Construction and Veterans Affairs and Related Agencies Appropriations Act (Public Law 111-117) and newly appropriates the funds with the longer period of availability. The proposed Budget totals would not be affected by this language amendment.

NATIONAL AERONAUTICS AND SPACE ADMINISTRATION
CROSS AGENCY SUPPORT

FY 2011 Budget Appendix Pages: 1173–1174
FY 2011 Pending Request: \$3,111,400,000
Proposed Amendment: ·\$3,592,000
Revised Request: \$3,107,808,000

(In the appropriations language under the above heading, delete “\$3,111,400,000” and substitute *\$3,107,808,000*.)

This amendment would decrease the request by almost \$4 million for the Cross Agency Support (CAS) account to reflect correctly the policy assumed in the Budget. Additional funding for the acquisition workforce initiative was provided in section 526 of the Department of Commerce General Provisions. However, this funding was erroneously double counted in the appropriations language for the CAS account.

This amendment seeks to make the legislative language consistent with the Budget totals. As such, those totals would not be affected by the transmittal of this amendment.
