## Explanation

The Code of Federal Regulations is a codification of the general and permanent rules published in the Federal Register by the Executive departments and agencies of the Federal Government. The Code is divided into 50 titles which represent broad areas subject to Federal regulation. Each title is divided into chapters which usually bear the name of the issuing agency. Each chapter is further subdivided into parts covering specific regulatory areas.

Each volume of the Code is revised at least once each calendar year and issued on a quarterly basis approximately as follows:

Title 1 through Title 16.....	as of January 1
Title 17 through Title 27.....	as of April 1
Title 28 through Title 41.....	as of July 1
Title 42 through Title 50.....	as of October 1

The appropriate revision date is printed on the cover of each volume.

### LEGAL STATUS

The contents of the Federal Register are required to be judicially noticed (44 U.S.C. 1507). The Code of Federal Regulations is prima facie evidence of the text of the original documents (44 U.S.C. 1510).

### HOW TO USE THE CODE OF FEDERAL REGULATIONS

The Code of Federal Regulations is kept up to date by the individual issues of the Federal Register. These two publications must be used together to determine the latest version of any given rule.

To determine whether a Code volume has been amended since its revision date (in this case, April 1, 2001), consult the "List of CFR Sections Affected (LSA)," which is issued monthly, and the "Cumulative List of Parts Affected," which appears in the Reader Aids section of the daily Federal Register. These two lists will identify the Federal Register page number of the latest amendment of any given rule.

### EFFECTIVE AND EXPIRATION DATES

Each volume of the Code contains amendments published in the Federal Register since the last revision of that volume of the Code. Source citations for the regulations are referred to by volume number and page number of the Federal Register and date of publication. Publication dates and effective dates are usually not the same and care must be exercised by the user in determining the actual effective date. In instances where the effective date is beyond the cut-off date for the Code a note has been inserted to reflect the future effective date. In those instances where a regulation published in the Federal Register states a date certain for expiration, an appropriate note will be inserted following the text.

### OMB CONTROL NUMBERS

The Paperwork Reduction Act of 1980 (Pub. L. 96-511) requires Federal agencies to display an OMB control number with their information collection request.

Many agencies have begun publishing numerous OMB control numbers as amendments to existing regulations in the CFR. These OMB numbers are placed as close as possible to the applicable recordkeeping or reporting requirements.

#### OBSOLETE PROVISIONS

Provisions that become obsolete before the revision date stated on the cover of each volume are not carried. Code users may find the text of provisions in effect on a given date in the past by using the appropriate numerical list of sections affected. For the period before January 1, 1986, consult either the List of CFR Sections Affected, 1949–1963, 1964–1972, or 1973–1985, published in seven separate volumes. For the period beginning January 1, 1986, a “List of CFR Sections Affected” is published at the end of each CFR volume.

#### CFR INDEXES AND TABULAR GUIDES

A subject index to the Code of Federal Regulations is contained in a separate volume, revised annually as of January 1, entitled CFR INDEX AND FINDING AIDS. This volume contains the Parallel Table of Statutory Authorities and Agency Rules (Table I). A list of CFR titles, chapters, and parts and an alphabetical list of agencies publishing in the CFR are also included in this volume.

An index to the text of “Title 3—The President” is carried within that volume.

The Federal Register Index is issued monthly in cumulative form. This index is based on a consolidation of the “Contents” entries in the daily Federal Register.

A List of CFR Sections Affected (LSA) is published monthly, keyed to the revision dates of the 50 CFR titles.

#### REPUBLICATION OF MATERIAL

There are no restrictions on the republication of material appearing in the Code of Federal Regulations.

(z) *Bona fide hedging transactions and positions*—(1) *General definition*. Bona fide hedging transactions and positions shall mean transactions or positions in a contract for future delivery on any contract market, or in a commodity

## § 1.3

option, where such transactions or positions normally represent a substitute for transactions to be made or positions to be taken at a later time in a physical marketing channel, and where they are economically appropriate to the reduction of risks in the conduct and management of a commercial enterprise, and where they arise from:

(i) The potential change in the value of assets which a person owns, produces, manufactures, processes, or merchandises or anticipates owning, producing, manufacturing, processing, or merchandising,

(ii) The potential change in the value of liabilities which a person owns or anticipates incurring, or

(iii) The potential change in the value of services which a person provides, purchases, or anticipates providing or purchasing.

Notwithstanding the foregoing, no transactions or positions shall be classified as bona fide hedging unless their purpose is to offset price risks incidental to commercial cash or spot operations and such positions are established and liquidated in an orderly manner in accordance with sound commercial practices and, for transactions or positions on contract markets subject to trading and position limits in effect pursuant to section 4a of the Act, unless the provisions of paragraphs (z) (2) and (3) of this section and §§1.47 and 1.48 of the regulations have been satisfied.

(2) *Enumerated hedging transactions.* The definitions of bona fide hedging transactions and positions in paragraph (z)(1) of this section includes, but is not limited to, the following specific transactions and positions:

(i) *Sales* of any commodity for future delivery on a contract market which do not exceed in quantity:

(A) Ownership or fixed-price purchase of the same cash commodity by the same person; and

(B) Twelve months' unsold anticipated production of the same commodity by the same person provided that no such position is maintained in any future during the five last trading days of that future.

(ii) *Purchases* of any commodity for future delivery on a contract market which do not exceed in quantity.

(A) The fixed-price sale of the same cash commodity by the same person.

(B) The quantity equivalent of fixed-price sales of the cash products and by-products of such commodity by the same person; and

(C) Twelve months' unfilled anticipated requirements of the same cash commodity for processing, manufacturing, or feeding by the same person, provided that such transactions and positions in the five last trading days of any one future do not exceed the person's unfilled anticipated requirements of the same cash commodity for that month and for the next succeeding month.

(iii) Offsetting sales and purchases for future delivery on a contract market which do not exceed in quantity that amount of the same cash commodity which has been bought and sold by the same person at unfixed prices basis different delivery months of the contract market, provided that no such position is maintained in any future during the five last trading days of that future.

(iv) Sales and purchases for future delivery described in paragraphs (z)(2)(i), (ii), and (iii) of this section may also be offset other than by the same quantity of the same cash commodity, provided that the fluctuations in value of the position for future delivery are substantially related to the fluctuations in value of the actual or anticipated cash position, and provided that the positions in any one future shall not be maintained during the five last trading days of that future.

the requirements of this section by filing (in accordance with paragraphs (a), (b), (c), and (j) of this section) a copy of its Financial and Operational Combined Uniform Single Report under the Securities Exchange Act of 1934, part II or part IIA, in lieu of Form 1-FR: *Provided, however,* That all information which is required to be furnished on and submitted with Form 1-FR is provided with such Report.

Attached to each financial report filed pursuant to this paragraph (i) must be an oath or affirmation that to the best knowledge and belief of the individual making such oath or affirmation the information contained therein is true and correct. If the applicant or registrant is a sole proprietorship, then the oath or affirmation must be made by the proprietor; if a partnership, by a general partner; or if a corporation, by

the chief executive officer or chief financial officer.

(j) *Requirements for guarantee agreement.* (1) A guarantee agreement filed pursuant to this section must be signed in a manner sufficient to be a binding guarantee under local law by an appropriate person on behalf of the futures commission merchant and the introducing broker, and each signature must be accompanied by evidence that the signatory is authorized to enter the agreement on behalf of the futures commission merchant or introducing broker and is such an appropriate person. For purposes of this paragraph (j), an appropriate person shall be the proprietor, if the firm is a sole proprietorship; a general partner, if the firm is a partnership; and either the chief executive officer or the chief financial officer, if the firm is a corporation.

(2) No futures commission merchant may enter into a guarantee agreement if:

(i) It knows or should have known that its adjusted net capital is less than the amount set forth in §1.12(b); or

(ii) There is filed against the futures commission merchant an adjudicatory proceeding brought by or before the Commission pursuant to the provisions of sections 6(c), 6(d), 6c, 6d, 8a or 9 of the Act or §§3.55, 3.56 or 3.60 of this chapter.

(3) A guarantee agreement filed in connection with an application for initial registration as an introducing broker in accordance with the provisions of §3.10(a) of this chapter shall become effective upon the granting of registration or, if appropriate, a temporary license, to the introducing broker. A guarantee agreement filed other than in connection with an application for initial registration as an introducing broker shall become effective as of the date agreed to by the parties.

(4)(i) If the registration of the introducing broker is suspended, revoked, or withdrawn in accordance with the provisions of this chapter, the guarantee agreement shall expire as of the date of such suspension, revocation or withdrawal.

(ii) If the registration of the futures commission merchant is suspended or

## § 1.10

revoked, the guarantee agreement shall expire 30 days after such suspension or revocation, or at such earlier time as may be approved by the Commission, the introducing broker, and the introducing broker's designated self-regulatory organization.

(5) A guarantee agreement may be terminated at any time during the term thereof:

(6) The termination of a guarantee agreement by a futures commission merchant or an introducing broker, or the expiration of such an agreement, shall not relieve either party from any liability or obligation arising from acts or omissions which occurred during the term of the agreement.

(7) An introducing broker may not simultaneously be a party to more than one guarantee agreement: *Provided, however,* That the provisions of this paragraph (j)(7) shall not be deemed to preclude an introducing broker from entering into a guarantee agreement with another futures commission merchant if the introducing broker or the futures commission merchant which is a party to the existing agreement has provided notice of termination of the existing agreement in accordance with

the provisions of paragraph (j)(5) of this section, and the new guarantee agreement does not become effective until the day following the date of termination of the existing agreement: *And, provided further,* That the provisions of this paragraph (j)(7) shall not be deemed to preclude an introducing broker from entering into a guarantee agreement with another futures commission merchant if the futures commission merchant which is a party to the existing agreement ceases to remain registered and the existing agreement would therefore expire in accordance with the provisions of paragraph (j)(4)(ii) of this section.

(8)(i) An introducing broker which is a party to a guarantee agreement which has been terminated in accordance with the provisions of paragraph (j)(5) of this section, or which is due to expire in accordance with the provisions of paragraph (j)(4)(ii) of this section, must cease doing business as an introducing broker on or before the effective date of such termination or expiration unless, on or before 10 days prior to the effective date of such termination or expiration or such other period of time as the Commission or the designated self-regulatory organization may allow for good cause shown, the introducing broker files with its designated self-regulatory organization either a new guarantee agreement effective as of the day following the date of termination of the existing agreement, or, in the case of a guarantee agreement which is due to expire in accordance with the provisions of paragraph (j)(4)(ii) of this section, a new guarantee agreement effective on or before such expiration, or either:

Each person filing a Form 1-FR-IB in accordance with this section must include with the financial report a statement describing the source of his current assets and representing that his capital has been contributed for the purpose of operating his business and will continue to be used for such purpose.

(ii) Notwithstanding the provisions of paragraph (j)(8)(i) of this section or of § 1.17(a) of this part, an introducing broker which is a party to a guarantee agreement which has been terminated in accordance with the provisions of paragraph (j)(5)(ii) of this section shall not be deemed to be in violation of the minimum adjusted net capital requirement of § 1.17(a)(1)(ii) or (a)(2) of this part for 30 days following such termination. Such an introducing broker must cease doing business as an introducing broker on or after the effective date of such termination, and may not resume doing business as an introducing broker unless and until it files a new agreement or either:

tion) a Form 1-FR-IB in lieu of a Form 1-FR-FCM.

(2) If an introducing broker or applicant therefor avails itself of the filing option available under paragraph (k)(1) of this section, the report required to be filed in accordance with § 1.16(c)(5) of this part must be filed as of the date of the Form 1-FR-IB being filed, and such an introducing broker or applicant therefor must maintain its financial records and make its monthly formal computation of its adjusted net capital, as required by § 1.18 of this part, in a manner consistent with Form 1-FR-IB.

(c) If an applicant or registrant at any time fails to make or keep current the books and records required by these regulations, such applicant or registrant must, on the same day such event occurs, give telegraphic or facsimile notice of such fact, specifying the books and records which have not been made or which are not current, and within 5 business days after giving such notice file a written report stating what steps have been and are being taken to correct the situation.

(d) Whenever any applicant or registrant discovers or is notified by an independent public accountant, pursuant to § 1.16(e)(2) of these regulations, of the existence of any material inadequacy, as specified in § 1.16(d)(2) of these regulations, such applicant or registrant must give telegraphic or facsimile notice of such material inadequacy within 3 business days, and within 5 business days after giving such notice file a written report stating what steps have been and are being taken to correct the material inadequacy.

(e) Whenever any self-regulatory organization learns that a member registrant has failed to file a notice or written report as required by § 1.12, that self-regulatory organization must immediately report this failure by telephone, confirmed in writing immediately by telegraphic or facsimile notice, as provided in paragraph (i) of this section.

office of the Commission at Washington, DC immediately.

(2) Whenever a registered futures commission merchant determines that any position it carries for another registered futures commission merchant or for a registered leverage transaction merchant must be liquidated immediately, transferred immediately or that the trading of any account of such futures commission merchant or leverage transaction merchant shall be only for purposes of liquidation, because the other futures commission merchant or the leverage transaction merchant has failed to meet a call for margin or to make other required deposits, the carrying futures commission merchant must give telephonic, confirmed in writing by telegraphic or facsimile notice of such a determination to the principal office of the Commission at Washington, DC, immediately.

(3) Whenever a registered futures commission merchant determines that an account which it is carrying is undermargined by an amount which exceeds the futures commission merchant's adjusted net capital determined in accordance with § 1.17, the futures commission merchant must give immediate telephonic, confirmed in writing by telegraphic or facsimile notice of such a determination to the designated self-regulatory organization and the principal office of the Commission at Washington, DC. A designated self-regulatory organization may grant an exemption from the provisions of this paragraph to a futures commission merchant with respect to any particular account on a continuous basis provided the designated self-regulatory organization documents the reasons for granting such an exemption and continues to monitor any such account.

## Commodity Futures Trading Commission

## § 1.12

(4) A futures commission merchant shall report immediately by telephone, confirmed in writing immediately by telegraphic or facsimile notice, whenever any commodity interest account it carries is subject to a margin call, or call for other deposits required by the futures commission merchant, that exceeds the futures commission merchant's excess adjusted net capital, determined in accordance with §1.17, and such call has not been answered by the close of business on the day following the issuance of the call. This applies to all accounts carried by the futures commission merchant, whether customer, noncustomer, or omnibus, that are subject to margining, including commodity futures and options. In addition to actual margin deposits by an account owner, a futures commission merchant may also take account of favorable market moves in determining whether the margin call is required to be reported under this paragraph.

(5)(i) A futures commission merchant shall report immediately by telephone, confirmed in writing immediately by telegraphic or facsimile notice, whenever its excess adjusted net capital is less than six percent of the maintenance margin required by the futures commission merchant on all positions held in accounts of a noncustomer other than a noncustomer who is subject to the minimum financial requirements of:

(A) A futures commission merchant, or

(B) The Securities and Exchange Commission for a securities broker and dealer.

(ii) For purposes of paragraph (f)(5)(i), maintenance margin shall include all deposits which the futures commission merchant requires the noncustomer to maintain in order to carry its positions at the futures commission merchant.

(g) A futures commission merchant shall provide written notice of a substantial reduction in capital as compared to that last reported in a financial report filed with the Commission pursuant to §1.10. This notice shall be provided as follows:

(1) If any event or series of events, including any withdrawal, advance, loan

or loss cause, on a net basis, a reduction in net capital (or, if the futures commission merchant is qualified to use the filing option available under §1.10(h), tentative net capital as defined in the rules of the Securities and Exchange Commission) of 20 percent or more, notice must be provided within two business days of the event or series of events causing the reduction; and

(2) If equity capital of the futures commission merchant or a subsidiary or affiliate of the futures commission merchant consolidated pursuant to §1.17(f) (or 17 CFR 240.15c3-1e) would be withdrawn by action of a stockholder or a partner or by redemption or repurchase of shares of stock by any of the consolidated entities or through the payment of dividends or any similar distribution, or an unsecured advance or loan would be made to a stockholder, partner, sole proprietor, employee or affiliate, such that the withdrawal, advance or loan would cause, on a net basis, a reduction in excess adjusted net capital (or, if the futures commission merchant is qualified to use the filing option available under §1.10(h), excess net capital as defined in the rules of the Securities and Exchange Commission) of 30 percent or more, notice must be provided at least two business days prior to the withdrawal, advance or loan that would cause the reduction: *Provided, however*, That the provisions of paragraphs (g)(1) and (g)(2) of this section do not apply to any futures or securities transaction in the ordinary course of business between a futures commission merchant and any affiliate where the futures commission merchant makes payment to or on behalf of such affiliate for such transaction and then receives payment from such affiliate for such transaction within two business days from the date of the transaction.

(3) Upon receipt of such notice from a futures commission merchant, the Director of the Division of Trading and Markets or the Director's designee may require that the futures commission merchant provide or cause a Material Affiliated Person (as that term is defined in §1.14(a)(2)) to provide, within

### § 1.13

three business days from the date of request or such shorter period as the Division Director or designee may specify, such other information as the Division Director or designee determines to be necessary based upon market conditions, reports provided by the futures commission merchant, or other available information.

(h) Whenever a person registered as a futures commission merchant knows or should know that the total amount of its funds on deposit in segregated accounts on behalf of customers, or that the total amount set aside on behalf of customers trading on non-United States markets, is less than the total amount of such funds required by the Act and the Commission's rules to be on deposit in segregated or secured amount accounts on behalf of such customers, the registrant must report immediately by telephone, confirmed in writing immediately by telegraphic or facsimile notice, such deficiency to the registrant's designated self-regulatory organization and the principal office of the Commission in Washington, D.C., to the attention of the Director and the Chief Accountant of the Division of Trading and Markets.

(i)(1) Every notice and written report required to be given or filed by this section (except for notices required by paragraph (f) of this section) by a futures commission merchant, an applicant for registration as a futures commission merchant or a self-regulatory organization must be filed with the regional office of the Commission nearest the principal place of business of the applicant or registrant (except that an applicant, registrant or self-regulatory organization under the jurisdiction of the Commission's Western Regional Office must file such notices and reports with the Southwestern Regional Office), with the designated self-regulatory organization, if any, with the Securities and Exchange Commission, if such applicant or registrant is a securities broker or dealer, and with the National Futures Association, if the firm is an applicant. In addition, every notice required to be given by this section must also be filed with the principal office of the Commission in Washington, DC. Each statement of financial condition, each statement of the

### 17 CFR Ch. I (4-1-01 Edition)

computation of the minimum capital requirements pursuant to §1.17 of this part, and each schedule of segregation requirements and funds on deposit in segregation required by this section must be filed in accordance with the provisions of §1.10(d) of this part unless otherwise indicated.

(2) Every notice and written report which an introducing broker or applicant for registration as an introducing broker is required to give or file by paragraphs (a), (c) and (d) of this section must be filed with the National Futures Association (on behalf of the Commission), with the designated self-regulatory organization, if any, and with every futures commission merchant carrying or intending to carry customer accounts for the introducing broker or applicant for registration as an introducing broker. Any notice or report filed with the National Futures Association pursuant to this paragraph shall be deemed for all purposes to be filed with, and to be the official record of, the Commission.

(1) The futures commission merchant is required, or that Material Affiliated Person is required, to maintain and preserve information, or such information is maintained and preserved by the futures commission merchant on behalf of the Material Affiliated Person, pursuant to § 240.17h-1T of this title, or such other risk assessment regulations as the Securities and Exchange Commission may adopt, and maintains and makes available for inspection by the Commission in accordance with the provisions of this section copies of the records and reports maintained and filed on Form 17-H (or such other forms or reports as may be required) by such futures commission merchant or its Material Affiliated Person with the Securities and Exchange Commission pursuant to §§ 240.17h-1T and 240.17h-2T of this title, or such other risk assessment regulations as the Securities and Exchange Commission may adopt;

(2) In the case of a Material Affiliated Person (including a foreign banking organization) that is subject to examination by, or the reporting requirements of, a Federal banking agency, the futures commission merchant or such Material Affiliated Person maintains and makes available for inspection by the Commission in accordance with the provisions of this section copies of all reports submitted by such Material Associated Person to the Federal banking agency pursuant to section 5211 of the Revised Statutes, section 9 of the Federal Reserve Act, section 7(a) of the Federal Deposit Insurance Act, section 10(b) of the Home Owners' Loan Act, or section 5 of the Bank Holding Company Act of 1956; or

authority or other foreign regulatory authority, any supplemental information the Commission may request and there is no statute or other bar in the foreign jurisdiction that would preclude the futures commission merchant, the Material Affiliated Person, the foreign futures authority or other foreign regulatory authority from providing such information to the Commission; or (2) the foreign futures authority or other foreign regulatory authority with whom the Material Affiliated Person files such reports has entered into an information-sharing agreement with the Commission which is in effect as of the futures commission merchant's fiscal year-end and which will allow the Commission to obtain the type of information required herein. The futures commission merchant shall maintain a copy of the original report and a copy translated into the English language. For the purposes of this section, the term "Foreign Futures Authority" shall have the meaning set forth in section 1a(10) of the Act.

(d) *Exemptions.* (1) The provisions of this section shall not apply to any futures commission merchant which holds funds or property of or for futures customers of less than \$6,250,000 and has less than \$5,000,000 in adjusted net capital as of the futures commission merchant's current fiscal year-end; provided, however, that such futures commission merchant is not a clearing member of an exchange.

(2) The Commission may, upon written application by a Reporting Futures Commission Merchant, exempt from the provisions of this section, other than paragraph (a)(1)(ii) of this section, either unconditionally or on specified terms and conditions, any futures commission merchant affiliated with such Reporting Futures Commission Merchant. The term "Reporting Futures Commission Merchant" shall mean, in the case of a futures commission merchant that is affiliated with another registered futures commission merchant, the futures commission merchant which maintains the greater amount of adjusted net capital as last reported on financial reports filed with the Commission pursuant to § 1.10 unless another futures commission mer-

chant is acting as the Reporting Broker or Dealer under § 240.17h-2T of this title, or the Commission permits another futures commission merchant to act as the Reporting Futures Commission Merchant. In granting exemptions under this section, the Commission shall consider, among other factors, whether the records required by this section concerning the Material Affiliated Persons of the futures commission merchant affiliated with the Reporting Futures Commission Merchant will be available to the Commission pursuant to this section or § 1.15. A request for exemption filed under this paragraph (d)(2) shall explain the basis for the designation of a particular futures commission merchant as the Reporting Futures Commission Merchant and will become effective on the thirtieth day after receipt of such request by the Commission unless the Commission objects to the request by that date.

(3) The Commission may exempt any futures commission merchant from any provision of this section if it finds that the exemption is not contrary to the public interest and the purposes of the provisions from which the exemption is sought. The Commission may grant the exemption subject to such terms and conditions as it may find appropriate.

(e) *Location of records.* A futures commission merchant required to maintain records concerning Material Affiliated Persons pursuant to this section may maintain those records either at the principal office of the Material Affiliated Person or at a records storage facility, provided that, except as set forth in paragraph (c) of this section, the records are located within the boundaries of the United States and the records are kept and available for inspection in accordance with § 1.31. If such records are maintained at a place other than the futures commission merchant's principal place of business, the Material Affiliated Person or other entity maintaining the records shall file with the Commission a written undertaking, in a form acceptable to the Commission, signed by a duly authorized person, to the effect that the records will be treated as if the futures commission merchant were maintaining the records pursuant to this section

and that the entity maintaining the records will permit examination of such records at any time, or from time to time during business hours, by representatives or designees of the Commission and promptly furnish the Commission representative or its designee true, correct, complete and current hard copy of all or any part of such records. The election to maintain records at the principal place of business of the Material Affiliated Person or at a records storage facility pursuant to the provisions of this paragraph shall not relieve the futures commission merchant required to maintain and preserve such records from any of its responsibilities under this section or § 1.15.

(f) *Confidentiality.* All information obtained by the Commission pursuant to the provisions of this section from a futures commission merchant concerning a Material Affiliated Person shall be deemed confidential information for the purposes of section 8 of the Act.

(g) *Implementation schedule.* (1) Each futures commission merchant registered as of December 31, 1994 and subject to the requirements of this section shall maintain and preserve the information required by paragraphs (a)(1)(i) and (a)(1)(ii) of this section commencing April 30, 1995 and the information required by paragraphs (a)(1)(iii) and (a)(1)(iv) of this section commencing May 15, 1995 or, if December 31, 1994 is not the futures commission merchant's fiscal year-end, 135 calendar days following the first fiscal year-end occurring after December 31, 1994.

(2) Each futures commission merchant whose registration becomes effective after December 31, 1994 and is subject to the requirements of this section shall maintain and preserve the information required by paragraphs (a)(1)(i) and (a)(1)(ii) of this section commencing 60 calendar days after registration become effective and the information required by paragraphs (a)(1)(iii) and (a)(1)(iv) of this section commencing 105 calendar days following the first fiscal year-end occurring after registration becomes effective.

(c) *Exemptions.* (1) The provisions of this section shall not apply to any futures commission merchant which holds funds or property of or for futures customers of less than \$6,250,000 and has less than \$5,000,000 in adjusted net capital as of the futures commission merchant's fiscal year-end; provided, however, that such futures commission merchant is not a clearing member of an exchange.

(2) The Commission may, upon written application by a Reporting Futures Commission Merchant, exempt from the provisions of this section, other than paragraph (a)(1)(ii) of this section, either unconditionally or on specified terms and conditions, any futures commission merchant affiliated with such Reporting Futures Commission Merchant. The term "Reporting Futures Commission Merchant" shall mean, in the case of a futures commission merchant that is affiliated with another registered futures commission merchant, the futures commission merchant which maintains the greater amount of net capital as last reported on its financial reports filed with the Commission pursuant to §1.10 unless another futures commission merchant is acting as the Reporting Broker or Dealer under §240.17h-2T of this title or the Commission permits another futures commission merchant to act as the Reporting Futures Commission Merchant. The Reporting Futures Commission Merchant must submit the information required by paragraph (a)(1)(i) of this section on behalf of its affiliated futures commission merchants.

(3) The Commission may exempt any futures commission merchant from any provision of this section if it finds that the exemption is not contrary to the public interest and the purposes of the provisions from which the exemption is sought. The Commission may grant the exemption subject to such terms and conditions as it may find appropriate.

(d) *Special provisions with respect to Material Affiliated Persons subject to the supervision of certain domestic regulators.*

(1) The futures commission merchant agrees to use its best efforts to obtain from the Material Affiliated Person and to cause the Material Affiliated Person to provide, directly or through its foreign futures authority or other foreign regulatory authority, any supplemental information the Commission may request and there is no statute or other bar in the foreign jurisdiction that would preclude the futures commission merchant, the Material Affiliated Person, the foreign futures authority or other foreign regulatory authority from providing such information to the Commission; or

(2) The foreign futures authority or other foreign regulatory authority with whom the Material Affiliated Person files such reports has entered into an information sharing agreement with the Commission which is in effect as of the futures commission merchant's fiscal year-end and which will allow the Commission to obtain the type of information required herein. ### § 1.16 Qualifications and reports of accountants.

(a) *Definitions*—(1) *Accountant's report.* The term "accountant's report," when used in regard to financial statements and schedules, means a document in which an independent licensed or certified public accountant indicates the scope of the audit (or examination) which he has made and sets forth his

opinion regarding the financial statements and schedules taken as a whole or an assertion to the fact that an overall opinion cannot be expressed. When an overall opinion cannot be expressed, the reasons therefore must be stated.

(2) *Audit or examination.* The terms “audit” and “examination,” when used in regard to financial statements and schedules, mean an examination of the statements and schedules by an accountant in accordance with generally accepted auditing standards for the purposes of expressing an opinion thereon.

(3) *Certified.* The term “certified,” when used in regard to financial statements and schedules, means audited and reported upon with an opinion expressed by an independent certified public accountant or independent licensed public accountant.

(4) *Customer.* The term “customer” means customer (as defined in § 1.3(k)) and option customer (as defined in § 1.3(jj) of this part and in § 32.1(c) of this chapter) and includes a foreign futures and foreign options customer (as defined in § 30.1(c) of this chapter).

(b) *Qualifications of accountants.* (1) The Commission will recognize any person as a certified public accountant who is duly registered and in good standing as such under the laws of the place of his residence or principal office. The Commission will recognize any person as a licensed public accountant who was duly licensed on or before December 31, 1970, and is in good standing as such under the laws of the place of his residence or principal office.

(2) The Commission will not recognize any certified public accountant or licensed public accountant as independent who is not in fact independent. For example, an accountant will not be considered independent with respect to any applicant or registrant or any parent, subsidiary, or other affiliate of such applicant or registrant (i) in which, during the period of his professional engagement to examine the financial statements and schedules being reported on or at the date of his report, he or his firm or a member thereof had, or was committed to acquire, any direct financial interest or any material

indirect financial interest, or (ii) with which, during the period of his professional engagement to examine the financial statements and schedules being reported on, at the date of his report or during the period covered by the financial statements, he or his firm or a member thereof was connected as a promoter, underwriter, voting trustee, director, officer, or employee, except that a firm will be deemed independent with respect to an applicant or registrant and its affiliates if a former employee or officer of such applicant or registrant or any such affiliate is employed by the firm and such individual has completely disassociated himself from the applicant or registrant and its affiliates and does not participate in auditing financial statements and schedules of the applicant or registrant or its affiliates covering any period of his employment by the applicant or registrant or its affiliates. An accountant will not be considered independent if he or his firm or a member thereof performs manual or automated bookkeeping services or assumes responsibility for maintenance of the accounting records, including accounting classification decisions, of such applicant or registrant or any of its affiliates. For the purposes of this § 1.16(b), the term “member” means all partners in the firm and all professional employees participating in the audit or located in the office of the firm participating in a significant portion of the audit.

(3) In determining whether an accountant may in fact not be independent with respect to a particular applicant or registrant, the Commission will give appropriate consideration to all relevant circumstances, including evidence bearing on all relationships between the accountant and that applicant or registrant or any affiliate thereof, and will not confine itself to the relationship existing in connection with the filing of reports with the Commission.

(c) *Accountant's reports*—(1) *Technical requirements.* The accountant's report (i) must be dated, (ii) must be signed manually, (iii) must indicate the city and State where issued and (iv) must identify without detailed enumeration

the financial statements covered by the report.

(2) *Representations as to the audit.* The accountant's report (i) must state whether the audit was made in accordance with generally accepted auditing standards, and (ii) must designate any auditing procedures deemed necessary by the accountant under the circumstances of the particular case which have been omitted and the reasons for their omission. However, nothing in this paragraph (c)(2) shall be construed to imply authority for the omission of any procedure which independent accountants would ordinarily employ in the course of an audit made for the purposes of expressing the opinion required by paragraph (c)(3) of this section.

(3) *Opinion to be expressed.* The accountant's report must state clearly: (i) The opinion of the accountant with respect to the financial statements and schedules covered by the report and the accounting principles and practices reflected therein and (ii) the opinion of the accountant as to the consistency of the application of the accounting principles, or as to any changes in such principles which have material effect on the financial statements and schedules.

(4) *Exceptions.* Any matters to which the accountant takes exception must be clearly identified, such exceptions specifically and clearly stated, and to the extent practicable, the effect of each exception on related financial statements and schedules given.

(5) *Accountant's report on material inadequacies.* A registrant must file concurrently with the annual audit report a supplemental report by the accountant describing any material inadequacies found to exist or found to have existed since the date of the previous audit. An applicant must file concurrently with the audit report a supplemental report by the accountant describing any material inadequacies found to exist as of the date of the Form 1-FR being filed: *Provided, however,* That if such applicant is registered with the Securities and Exchange Commission as a securities broker or dealer, and it files (in accordance with §1.10(h)) a copy of its Financial and Operational Combined Uni-

form Single Report under the Securities Exchange Act of 1934, part II or part IIA, in lieu of Form 1-FR, the accountant's supplemental report must be made as of the date of such report. The supplemental report must indicate any corrective action taken or proposed by the applicant or registrant in regard thereto. If the audit did not disclose any material inadequacies, the supplemental report must so state.

(d) *Audit objectives.* (1) The audit must be made in accordance with generally accepted auditing standards and must include a review and appropriate tests of the accounting system, the internal accounting control, and the procedures for safeguarding customer and firm assets in accordance with the provisions of the Act and the regulations thereunder, since the prior examination date. The audit must include all procedures necessary under the circumstances to enable the independent licensed or certified public accountant to express an opinion on the financial statements and schedules. The scope of the audit and review of the accounting system, the internal controls, and procedures for safeguarding customer and firm assets must be sufficient to provide reasonable assurance that any material inadequacies existing at the date of the examination in (i) the accounting system, (ii) the internal accounting controls, and (iii) the procedures for safeguarding customer and firm assets (including, in the case of a futures commission merchant, the segregation requirements of section 4d(2) of the Act and these regulations and the secured amount requirements of the Act and these regulations) will be discovered. Additionally, as specified objectives the audit must include reviews of the practices and procedures followed by the registrant in making (A) periodic computations of the minimum financial requirements pursuant to §1.17 and (B) in the case of a futures commission merchant, daily computations of the segregation requirements of section 4d(2) of the Act and these regulations and the secured amount requirements of the Act and these regulations.

(2) A material inadequacy in the accounting system, the internal accounting controls, the procedures for safeguarding customer and firm assets, and

## § 1.16

the practices and procedures referred to in paragraph (d)(1) of this section which is to be reported in accordance with paragraph (e)(2) of this section includes any conditions which contributed substantially to or, if appropriate corrective action is not taken, could reasonably be expected to:

(i) Inhibit an applicant or registrant from promptly completing transactions or promptly discharging his responsibilities to customers or other creditors;

(ii) Result in material financial loss;

(iii) Result in material misstatement of the applicant's or registrant's financial statements and schedules; or

(iv) Result in violations of the Commission's segregation or secured amount (in the case of a futures commission merchant), recordkeeping or financial reporting requirements to the extent that could reasonably be expected to result in the conditions described in paragraph (d)(2) (i), (ii), or (iii) of this section.

(e) *Extent and timing of audit procedures.* (1) The extent and timing of audit procedures are matters for the independent public accountant to determine on the basis of his review and evaluation of existing internal controls and other audit procedures performed in accordance with generally accepted auditing standards and the audit objectives set forth in paragraph (d) of this section. In determining the extent of testing, consideration must be given to the materiality of an area and to the possible effect on the financial statements and schedules of a material misstatement in a related account.

(2) If during the course of an audit or interim work, the independent public accountant determines that any material inadequacies exist in the accounting system, in the internal accounting control, in the procedures for safeguarding customer or firm assets, or as otherwise defined in paragraph (d) of this section, he must call such inadequacies to the attention of the applicant or registrant, which has the responsibility to give notice to the National Futures Association and, if an applicant, or the Commission and the designated self-regulatory organization, if any, if a registrant, in accordance with paragraphs (d) and (g) of

## 17 CFR Ch. I (4-1-01 Edition)

§ 1.12: *Provided, however,* That if the applicant or registrant is an introducing broker or applicant for registration as an introducing broker, it also has the responsibility to give notice to the National Futures Association, the designated self-regulatory organization, if any, and every futures commission merchant carrying or intending to carry customer accounts for the introducing broker or applicant for registration as an introducing broker. The applicant or registrant must also furnish the accountant with a copy of said notice within three (3) business days. If the accountant fails to receive such notice from the applicant or registrant within three (3) business days, or if he disagrees with the statements contained in the notice of the applicant or registrant, the accountant must inform the National Futures Association, in the case of an applicant, or the Commission and the designated self-regulatory organization, if any, in the case of a registrant, by reporting the material inadequacy and, in the case of an applicant or registrant which is an introducing broker or applicant for registration as in introducing broker, the accountant must also inform the National Futures Association, the designated self-regulatory organization, if any, and every futures commission merchant carrying or intending to carry customer accounts for the introducing an introducing broker, within three (3) business days thereafter. Such report from the accountant must, if the applicant or registrant failed to file a notice, describe the material inadequacies found to exist. If the applicant or registrant filed a notice, the accountant must file a report detailing the aspects, if any, of the applicant's or registrant's notice with which the accountant does not agree.

(f) *Extension of time for filing audited reports.* (1) In the event a registrant finds that it cannot file its certified financial statements and schedules for any year within the time specified in § 1.10 without substantial undue hardship, it may file with the principal office of the Commission in Washington, DC, an application for extension of time to a specified date not more than 90 days after the date as of which the certified financial statements and

schedules were to have been filed. Notice of such application must be sent to the designated self-regulatory organization, if any. The application must be made by the registrant and must:

(i) State the reasons for the requested extension;

(ii) Indicate that the inability to make a timely filing is due to circumstances beyond the control of the registrant, if such is the case, and describe briefly the nature of such circumstances;

(iii) Be accompanied by the latest available formal computation of the registrant's adjusted net capital and minimum financial requirements computed in accordance with §1.17;

(iv) In the case of a futures commission merchant, be accompanied by the latest available computation of required segregation and by a computation of the amount of money, securities, and property segregated on behalf of customers, and by a computation of secured amounts and funds held in separate accounts for foreign futures and foreign options customers in accordance with §30.7 of this chapter, as of the date of the latest available computation;

(v) Contain an agreement to file the report on or before the date specified by the registrant in the application;

(vi) Be received by the principal office of the Commission in Washington, DC and by the designated self-regulatory organization, if any, prior to the date on which the report is due; and

(vii) Be accompanied by a letter from the independent public accountant answering the following questions:

(A) What specifically are the reasons for the extension request?

(B) On the basis of that part of your audit to date, do you have any indication that may cause you to consider commenting on any material inadequacies in the accounting system, internal accounting controls or procedures for safeguarding customer or firm assets?

(C) Do you have any indication from the part of your audit completed to date that would lead you to believe that the firm was or is not meeting the minimum capital requirements specified in §1.17 or (in the case of a futures commission merchant) either the segregation requirements of section 4d(2)

of the Act and these regulations or the secured amount requirements of the Act and these regulations, or has any significant financial or recordkeeping problems?

(2) Within ten calendar days after receipt of an application for extension of time, the Commission shall: (i) Notify the registrant of the grant or denial of the requested extension; or (ii) indicate to the registrant that additional time is required to analyze the request, in which case the amount of time needed will be specified.

(3) On the written request of any designated self-regulatory organization or registrant, or on its own motion, the Commission may grant an extension of time or an exemption from any of the certified financial reporting requirements of this chapter either unconditionally or on specified terms and conditions.

(g) *Replacement of accountant.* (1) In the event (i) the independent public accountant who was previously engaged as the principal accountant to audit an applicant's or registrant's financial statements resigns (or indicates he declines to stand for re-election after the completion of the current audit) or is dismissed as the applicant's or registrant's principal accountant, (ii) another independent accountant is engaged as principal accountant, or (iii) an independent accountant on whom the principal accountant expresses reliance in his report regarding a subsidiary resigns (or formally indicates he declines to stand for re-election after completion of the current audit) or is dismissed or another independent public accountant is engaged to audit that subsidiary, an applicant shall file written notice of such occurrence with the National Futures Association, and a registrant shall file written notice of such occurrence with the Commission at its principal office in Washington, DC, and with the designated self-regulatory organization, if any, not more than 15 business days after such occurrence.

(2) Such notice must state (i) the date of such resignation (or declination to stand for re-election, dismissal or engagement) and (ii) whether, in connection with the audit of the two most recent fiscal years and any subsequent

interim period preceding such resignation, dismissal or engagement, there were any disagreements with the former accountant on any matter of accounting principles or practices, financial statements disclosure, auditing scope or procedures, or compliance with the applicable rules of the Commission, which, if not resolved to the satisfaction of the former accountant, would have caused him to make reference in connection with his report to the subject matter of the disagreements (if so, describe such disagreements). The disagreements required to be reported in this paragraph (g)(2) include both those resolved to the former accountant's satisfaction and those not resolved to the former accountant's satisfaction. Disagreements contemplated by this paragraph (g)(2) are those which occur at the decision-making level, *i.e.*, between personnel of the applicant or registrant responsible for presentation of its financial statements and schedules and personnel of the accounting firm responsible for rendering its report. The notice must also state whether the accountant's report on the financial statements and schedules for any of the past two years contained an adverse opinion or a disclaimer of opinion or was qualified as to uncertainties, audit scope, or accounting principles (if so, describe the nature of each such adverse opinion, disclaimer of opinion, or qualification). An applicant must also request the former accountant to furnish the applicant with a letter addressed to the National Futures Association, and a registrant must also request the former accountant to furnish the registrant with a letter addressed to the Commission, stating whether he agrees with the statements contained in the notice of the applicant or registrant and, if not, stating the respects in which he does not agree. Each copy of the notice and accountant's letter must be manually signed by the sole proprietor or a general partner or a duly authorized corporate officer of the applicant or registrant, as appropriate, and by the accountant.

(3) If (i) within the 24 months prior to the date of the most recent audited financial statement, a notice has been filed pursuant to paragraph (g)(1) of this section reporting a change of accountants, (ii) included in such filing there is a reported disagreement on any matters of accounting principles or practices, financial statements disclosure, auditing scope, or noncompliance with the applicable rules of the Commission, (iii) during the fiscal year in which the change in accountants took place or during the subsequent fiscal year, there have been any transactions or events similar to those which involved a reported disagreement, and (iv) such transactions or events are material and were accounted for or disclosed in a manner different from that which the former accountant apparently would have concluded was required, the existence and nature of the disagreements and also the effect on the financial statements must be stated in a written notice to the National Futures Association, in the case of an applicant, or to the Commission at its principal office in Washington, DC, and the designated self-regulatory organization, if any, in the case of a registrant, if the method which the former accountant apparently would have concluded was required had been followed. These disclosures need not be made if the method asserted by the former accountant ceases to be generally accepted because of authoritative standards or interpretations subsequently issued. The notice required by this paragraph (g)(3) must be filed by the applicant or registrant concurrently with the financial statements and schedules to which it pertains.

(h) *Exemption for introducing broker or applicant therefor.* The provisions of this section do not apply to an introducing broker which is operating pursuant to a guarantee agreement, nor do such provisions apply to an applicant for registration as an introducing broker who files concurrently with such application a guarantee agreement, provided such introducing

(2)(i) The requirements of paragraph (a)(1) of this section shall not be applicable if the registrant is a member of a designated self-regulatory organization and conforms to minimum financial standards and related reporting requirements set by such designated self-regulatory organization in its bylaws, rules, regulations or resolutions approved by the Commission pursuant to section 4f(b) of the Act and § 1.52.

(ii) The minimum requirements of paragraph (a)(1)(ii) of this section shall not be applicable to an introducing broker which elects to meet the alternative adjusted net capital requirement for introducing brokers by operating pursuant to a guarantee agreement which meets the requirements set forth in § 1.10(j). (5) An introducing broker who is not in compliance with this section, or is unable to demonstrate such compliance as required by paragraph (a)(3) of this section, must immediately cease doing business as an introducing broker until such time as the registrant is able to demonstrate such compliance: *Provided, however,* That if such registrant immediately demonstrates to the satisfaction of the Commission or the designated self-regulatory organization the ability to achieve compliance, the Commission or the designated self-regulatory organization may in its discretion allow such registrant up to a maximum of 10 business days in which to achieve compliance without having to cease doing business as required above. If the introducing broker is required to cease doing business in accordance with this paragraph (a)(5), the introducing broker must immediately notify each of its customers and the futures commission merchants carrying the account of each customer that it has ceased doing business. Nothing in this paragraph (a)(5) shall be construed as preventing the Commission or the designated self-regulatory organization from taking action against a registrant for non-compliance with any of the provisions of this section.

(xii) In the case of an applicant or registrant which is a purchaser of a commodity option which is traded on a contract market the same safety factor as if the applicant or registrant were the grantor of such option in accordance with paragraph (c)(5)(x) of this section, but in no event shall the safety factor be greater than the market value attributed to such option;

(xiii) Five percent of all unsecured receivables includable under paragraph (c)(2)(ii)(D) of this section used by the applicant or registrant in computing "net capital" and which are not due from:

(A) A registered futures commission merchant;

(B) A broker or dealer that is registered as such with the Securities and Exchange Commission; or

(C) A foreign broker that has been granted comparability relief pursuant to §30.10 of this chapter, *Provided, how-*

(xiv) For securities brokers and dealers, all other deductions specified in §240.15c3-1 of this title.

(6) [Reserved]

(7) *Liabilities* are "adequately collateralized" when, pursuant to a legally enforceable written instrument, such liabilities are secured by identified assets that are otherwise unencumbered and the market value of which exceeds the amount of such liabilities.

(8) The term *contractual commitments* shall include underwriting, when issued, when distributed, and delayed delivery contracts; and the writing or endorsement of security puts and calls and combinations thereof; but shall not include uncleared regular way purchases and sales of securities. (d) Each applicant or registrant shall have equity capital (inclusive of satisfactory subordination agreements which qualify under this paragraph (d) as equity capital) of not less than 30 percent of the debt-equity total, provided, an applicant or registrant may be exempted from the provisions of this paragraph (d) for a period not to exceed 90 days or for such longer period which the Commission may, upon application of the applicant or registrant, grant in the public interest or for the protection of investors. For the purposes of this paragraph (d):

and has a remaining term of not less than 12 months if:

(i) It does not have any of the provisions for accelerated maturity provided for by paragraphs (h)(2)(ix)(A), (x)(A), or (x)(B) of this section, or the provisions allowing for special prepayment provided for by paragraph (h)(2)(vii)(B) of this section, and is maintained as capital subject to the provisions restricting the withdrawal thereof required by paragraph (e) of this section; or

(ii) The partnership agreement provides that capital contributed pursuant to a satisfactory subordination agreement as defined in paragraph (h) of this section shall in all respects be partnership capital subject to the provisions restricting the withdrawal thereof required by paragraph (e) of this section, and

(A) In the case of a corporation, the sum of its par or stated value of capital stock, paid in capital in excess of par, retained earnings, unrealized profit and loss, and other capital accounts.

(B) In the case of a partnership, the sum of its capital accounts of partners (inclusive of such partners' commodities, options and securities accounts subject to the provisions of paragraph (e) of this section), and unrealized profit and loss.

(C) In the case of a sole proprietorship, the sum of its capital accounts of the sole proprietorship and unrealized profit and loss.

(2) Debt-equity total means equity capital as defined in paragraph (d)(1) of this section plus the outstanding principal amount of satisfactory subordination agreements.

(e) No equity capital of the applicant or registrant or a subsidiary's or affiliate's equity capital consolidated pursuant to paragraph (f) of this section, whether in the form of capital contributions by partners (including amounts in the commodities, options and securities trading accounts of partners which are treated as equity capital but excluding amounts in such trading accounts which are not equity capital and excluding balances in limited partners' capital accounts in excess of their stated capital contributions), par or stated value of capital stock, paid-in capital in excess of par

or stated value, retained earnings or other capital accounts, may be withdrawn by action of a stockholder or partner or by redemption or repurchase of shares of stock by any of the consolidated entities or through the payment of dividends or any similar distribution, nor may any unsecured advance or loan be made to a stockholder, partner, sole proprietor, or employee if, after giving effect thereto and to any other such withdrawals, advances, or loans and any payments of payment obligations (as defined in paragraph (h) of this section) under satisfactory subordination agreements and any payments of liabilities excluded pursuant to paragraph (c)(4)(vi) of this section which are scheduled to occur within six months following such withdrawal, advance or loan:

(1) Either adjusted net capital of any of the consolidated entities would be less than the greatest of:

(ii) For a futures commission merchant or applicant therefor, 6 percent of the following amount: The customer funds required to be segregated pursuant to the Act and the regulations in this part and the foreign futures or foreign options secured amount, less the market value of commodity options purchased by customers on or subject to the rules of a contract market or a foreign board of trade for which the full premiums have been paid: Provided, however, That the deduction for each customer shall be limited to the amount of customer funds in such customer's account(s) and foreign futures and foreign options secured amounts;

(iii) 120 percent of the amount of adjusted net capital required by a registered futures association of which it is a member; or

(iv) For an applicant or registrant which is also a securities broker or dealer, the amount of net capital specified in Rule 15c3-1(e) of the Securities and Exchange Commission (17 CFR 240.15c3-1(e)); or

## § 1.17

(2) In the case of any applicant or registrant included within such consolidation, if equity capital of the applicant or registrant (inclusive of satisfactory subordination agreements which qualify as equity under paragraph (d) of this section) would be less than 30 percent of the required debt-equity total as defined in paragraph (d) of this section.

*Provided*, That this paragraph (e) shall not preclude an applicant or registrant from making required tax payments or preclude the payment to partners of reasonable compensation. The Commission may, upon application of the applicant or registrant, grant relief from this paragraph (e) if the Commission deems it to be in the public interest or for the protection of nonproprietary accounts.

(f)(1) Every applicant or registrant, in computing its net capital pursuant to this section must, subject to the provisions of paragraphs (f)(2) and (f)(4) of this section, consolidate in a single computation, assets and liabilities of any subsidiary or affiliate for which it guarantees, endorses, or assumes directly or indirectly the obligations or liabilities. The assets and liabilities of a subsidiary or affiliate whose liabilities and obligations have not been guaranteed, endorsed, or assumed directly or indirectly by the applicant or registrant may also be so consolidated if an opinion of counsel is obtained as provided for in paragraph (f)(2) of this section.

(2)(i) If the consolidation, provided for in paragraph (f)(1) of this section, of any such subsidiary or affiliate results in the increase of the applicant's or registrant's adjusted net capital or decreases the minimum adjusted net capital requirement, and an opinion of counsel called for in paragraph (f)(2)(ii) of this section has not been obtained, such benefits shall not be recognized in the applicant's or registrant's computation required by this section.

(ii) Except as provided for in paragraph (f)(2)(i) of this section, consolidation shall be permitted with respect to any subsidiaries or affiliates which are majority owned and controlled by the applicant or registrant, and for which the applicant can demonstrate to the satisfaction of the National Futures

Association, or for which the registrant can demonstrate to the satisfaction of the Commission and the designated self-regulatory organization, if any, by an opinion of counsel, that the net asset values or the portion thereof related to the parent's ownership interest in the subsidiary or affiliate, may be caused by the applicant or registrant or an appointed trustee to be distributed to the applicant or registrant within 30 calendar days. Such opinion must also set forth the actions necessary to cause such a distribution to be made, identify the parties having the authority to take such actions, identify and describe the rights of other parties or classes of parties, including but not limited to customers, general creditors, subordinated lenders, minority shareholders, employees, litigants, and governmental or regulatory authorities, who may delay or prevent such a distribution and such other assurances as the National Futures Association, the Commission or the designated self-regulatory organization by rule or interpretation may require. Such opinion must be current and periodically renewed in connection with the applicant's or registrant's annual audit pursuant to §1.10 or upon any material change in circumstances.

(3) In preparing a consolidated computation of adjusted net capital pursuant to this section, the following minimum and non-exclusive requirements shall be observed;

(i) Consolidated adjusted net capital shall be reduced by the estimated amount of any tax reasonably anticipated to be incurred upon distribution of the assets of the subsidiary or affiliate.

(ii) Liabilities of a consolidated subsidiary or affiliate which are subordinated to the claims of present and future creditors pursuant to a satisfactory subordination agreement shall be deducted from consolidated adjusted net capital unless such subordination extends also to the claims of present or future creditors of the parent applicant or registrant and all consolidated subsidiaries.

(iii) Subordinated liabilities of a consolidated subsidiary or affiliate which are consolidated in accordance with paragraph (f)(3)(i) of this section may

## 17 CFR Ch. I (4-1-01 Edition)

not be prepaid, repaid, or accelerated if any of the entities included in such consolidation would otherwise be unable to comply with the provisions of paragraph (h) of this section.

(iv) Each applicant or registrant included within the consolidation shall at all times be in compliance with the adjusted net capital requirement to which it is subject.

(4) No applicant or registrant shall guarantee, endorse, or assume directly or indirectly any obligation or liability of a subsidiary or affiliate unless the obligation or liability is reflected in the computation of adjusted net capital pursuant to this section except as provided in paragraph (f)(2)(i) of this section.

(g) [Reserved]

(h) The term *satisfactory subordination agreement* (“subordination agreement”) means an agreement which contains the minimum and nonexclusive requirements set forth below.

(1) Certain definitions for purposes of this section:

(i) A subordination agreement may be either a subordinated loan agreement or a secured demand note agreement.

(ii) The term *subordinated loan agreement* means the agreement or agreements evidencing or governing a subordinated borrowing of cash.

(iii) The term “collateral value” of any securities pledged to secure a secured demand note means the market value of such securities after giving effect to the percentage deductions specified in Rule 240.15c3-1d(a)(2)(iii) of the Securities and Exchange Commission (17 CFR 240.15c3-1d(a)(2)(iii)).

(iv) The term *payment obligation* means the obligation of an applicant or registrant in respect to any subordination agreement:

(A) To repay cash loaned to the applicant or registrant pursuant to a subordinated loan agreement; or

(B) To return a secured demand note contributed to the applicant or registrant or to reduce the unpaid principal amount thereof and to return cash or securities pledged as collateral to secure the secured demand note; and  
(C) “payment” shall mean the performance by an applicant or registrant of a payment obligation.

(v)(A) The term *secured demand note agreement* means an agreement (including the related secured demand note) evidencing or governing the contribution of a secured demand note to an applicant or registrant and the pledge of securities and/or cash with the applicant or registrant as collateral to secure payment of such secured demand note. The secured demand note agreement may provide that neither the lender, his heirs, executors, administrators, or assigns shall be personally liable on such note and that in the event of default the applicant or registrant shall look for payment of such note solely to the collateral then pledged to secure the same.

(B) The secured demand note shall be a promissory note executed by the lender and shall be payable on the demand of the applicant or registrant to which it is contributed: *Provided, however*, That the making of such demand may be conditioned upon the occurrence of any of certain events which are acceptable to the designated self-regulatory organization and the Commission.

(C) If such note is not paid upon presentment and demand as provided for therein, the applicant or registrant shall have the right to liquidate all or any part of the securities then pledged as collateral to secure payment of the same and to apply the net proceeds of such liquidation, together with any cash then included in the collateral, in payment of such note. Subject to the prior rights of the applicant or registrant as pledgee, the lender, as defined in paragraph (h)(i)(v)(F) of this section may retain ownership of the collateral and have the benefit of any increases and bear the risks for any decreases in the value of the collateral and may retain the right to vote securities contained within the collateral and any right to income therefrom or distributions thereon, except the applicant or registrant shall have the right to receive and hold as pledgee all dividends payable in securities and all partial and complete liquidating dividends.

(D) Subject to the prior rights of the applicant or registrant as pledgee, the lender may have the right to direct the sale of any securities included in the

collateral, to direct the purchase of securities with any cash included therein, to withdraw excess collateral or to substitute cash or other securities as collateral: *Provided*, That the net proceeds of any such sale and the cash so substituted and the securities so purchased or substituted are held by the applicant or registrant as pledgee, and are included within the collateral to secure payment of the secured demand note: *And provided further*, That no such transaction shall be permitted, if, after giving effect thereto, the sum of the amount of any cash, plus the collateral value of the securities, then pledged as collateral to secure the secured demand note would be less than the unpaid principal amount of the secured demand note.

(E) Upon payment by the lender, as distinguished from a reduction by the lender which is provided for in paragraph (h)(2)(vi)(C) of this section or reduction by the applicant or registrant as provided for in paragraph (h)(2)(vii) of this section, of all or any part of the unpaid principal amount of the secured demand note, the applicant or registrant shall issue to the lender a subordinated loan agreement in the amount of such payment (or in the case of an applicant or registrant that is a partnership, credit a capital account of the lender), or issue preferred or common stock of the applicant or registrant in the amount of such payment, or any combination of the foregoing, as provided for in the secured demand note agreement.

(F) The term *lender* means the person who lends cash to an applicant or registrant pursuant to a subordinated loan agreement and the person who contributes a secured demand note to an applicant or registrant pursuant to a secured demand note agreement.

(2) Minimum requirements for subordination agreements:

(i) Subject to paragraph (h)(1) of this section, a subordination agreement shall mean a written agreement between the applicant or registrant and the lender, which:

(A) Has a minimum term of 1 year, except for temporary subordination agreements provided for in paragraph (h)(3)(v) of this section, and

(B) Is a valid and binding obligation enforceable in accordance with its terms (subject as to enforcement to applicable bankruptcy, insolvency, reorganization, moratorium, and other similar laws) against the applicant or registrant and the lender and their respective heirs, executors, administrators, successors, and assigns.

(ii) *Specific amount*. All subordination agreements shall be for a specific dollar amount which shall not be reduced for the duration of the agreement except by installments as specifically provided for therein and except as otherwise provided in this paragraph (h)(2) of this section.

(iii) *Effective subordination*. The subordination agreement shall effectively subordinate any right of the lender to receive any payment with respect thereto, together with accrued interest or compensation, to the prior payment or provision for payment in full of all claims of all present and future creditors of the applicant or registrant arising out of any matter occurring prior to the date on which the related payment obligation matures, except for claims which are the subject of subordination agreements which rank on the same priority as or junior to the claim of the lender under such subordination agreements.

(iv) *Proceeds of subordinated loan agreements*. The subordinated loan agreement shall provide that the cash proceeds thereof shall be used and dealt with by the applicant or registrant as part of its capital and shall be subject to the risks of the business.

(v) *Certain rights of the borrower*. The subordination agreement shall provide that the applicant or registrant shall have the right to:

(A) Deposit any cash proceeds of a subordinated loan agreement and any cash pledged as collateral to secure a secured demand note in an account or accounts in its own name in any bank or trust company;

(B) Pledge, repledge, hypothecate and rehypothecate, any or all of the securities pledged as collateral to secure a secured demand note, without notice, separately or in common with other securities or property for the purpose of securing any indebtedness of the applicant or registrant; and

(C) Lend to itself or others any or all of the securities and cash pledged as collateral to secure a secured demand note.

(vi) *Collateral for secured demand notes.* Only cash and securities which are fully paid for and which may be publicly offered or sold without registration under the Securities Act of 1933, and the offer, sale, and transfer of which are not otherwise restricted, may be pledged as collateral to secure a secured demand note. The secured demand note agreement shall provide that if at any time the sum of the amount of any cash, plus the collateral value of any securities, then pledged as collateral to secure the secured demand note is less than the unpaid principal amount of the secured demand note, the applicant or registrant must immediately transmit written notice to that effect to the lender. The secured demand note agreement shall also provide that if the borrower is an applicant, such notice must also be transmitted immediately to the National Futures Association, and if the borrower is a registrant, such notice must also be transmitted immediately to the designated self-regulatory organization, if any, and the Commission. The secured demand note agreement shall also require that following such transmittal:

(A) The lender, prior to noon of the business day next succeeding the transmittal of such notice, may pledge as collateral additional cash or securities sufficient, after giving effect to such pledge, to bring the sum of the amount of any cash plus the collateral value of any securities, then pledged as collateral to secure the secured demand note, up to an amount not less than the unpaid principal amount of the secured demand note; and

(B) Unless additional cash or securities are pledged by the lender as provided in paragraph (h)(2)(vi)(A) above, the applicant or registrant at noon on the business day next succeeding the transmittal of notice to the lender must commence sale, for the account of the lender, of such of the securities then pledged as collateral to secure the secured demand note and apply so much of the net proceeds thereof, together with such of the cash then

pledged as collateral to secure the secured demand note as may be necessary to eliminate the unpaid principal amount of the secured demand note: *Provided, however,* That the unpaid principal amount of the secured demand note need not be reduced below the sum of the amount of any remaining cash, plus the collateral value of the remaining securities, then pledged as collateral to secure the secured demand note. The applicant or registrant may not purchase for its own account any securities subject to such a sale; and

(C) The secured demand note agreement may also provide that, in lieu of the procedures specified in the provisions required by paragraph (h)(2)(vi)(B) of this section, the lender, with the prior written consent of the applicant and the National Futures Association, or with the prior written consent of the registrant and the designated self-regulatory organization or, if the registrant is not a member of a designated self-regulatory organization, the Commission, may reduce the unpaid principal amount of the secured demand note: *Provided,* That after giving effect to such reduction the adjusted net capital of the applicant or registrant would not be less than the greatest of:

(1) 120 percent of the appropriate minimum dollar amount required by paragraphs (a)(1)(i)(A) or (a)(1)(ii)(A) of this section;

(2) For a futures commission merchant or applicant therefor, 7 percent of the following amount: The customer funds required to be segregated pursuant to the Act and the regulations in this part and the foreign futures or foreign options secured amount, less the market value of commodity options purchased by customers on or subject to the rules of a contract market or a foreign board of trade for which the full premiums have been paid: *Provided, however,* That the deduction for each customer shall be limited to the amount of customer funds in such customer's account(s) and foreign futures and foreign options secured amounts;

(3) 120 percent of the amount of adjusted net capital required by a registered futures association of which it is a member; or

## § 1.17

(4) For an applicant or registrant which is also a securities broker or dealer, the amount of net capital specified in Rule 15c3-1d(b)(6)(iii) of the Securities and Exchange Commission (17 CFR 240.15c3-1d(b)(6)(iii)): *Provided, further*, That no single secured demand note shall be permitted to be reduced by more than 15 percent of its original principal amount and after such reduction no excess collateral may be withdrawn.

(vii) *Permissive prepayments and special prepayments.* (A) An applicant or registrant at its option, but not at the option of the lender, may, if the subordination agreement so provides, make a payment of all or any portion of the payment obligation thereunder prior to the scheduled maturity date of such payment obligation (hereinafter referred to as a "prepayment"), but in no event may any prepayment be made before the expiration of one year from the date such subordination agreement became effective: *Provided, however*, That the foregoing restriction shall not apply to temporary subordination agreements which comply with the provisions of paragraph (h)(3)(v) of this section nor shall it apply to "special prepayments" made in accordance with the provisions of paragraph (h)(2)(vii)(B) of this section. No prepayment shall be made if, after giving effect thereto (and to all payments of payment obligations under any other subordination agreements then outstanding, the maturity or accelerated maturities of which are scheduled to fall due within six months after the date such prepayment is to occur pursuant to this provision, or on or prior to the date on which the payment obligation in respect to such prepayment is scheduled to mature disregarding this provision, whichever date is earlier) without reference to any projected profit or loss of the applicant or registrant, the adjusted net capital of the applicant or registrant is less than the greatest of:

(1) 120 percent of the appropriate minimum dollar amount required by paragraphs (a)(1)(i)(A) or (a)(1)(ii)(A) of this section;

(2) For a futures commission merchant or applicant therefor, 7 percent of the following amount: The customer

funds required to be segregated pursuant to the Act and the regulations in this part and the foreign futures or foreign options secured amount, less the market value of commodity options purchased by customers on or subject to the rules of a contract market or a foreign board of trade for which the full premiums have been paid: *Provided, however*, That the deduction for each customer shall be limited to the amount of customer funds in such customer's account(s) and foreign futures and foreign options secured amounts;

(3) 120 percent of the amount of adjusted net capital required by a registered futures association of which it is a member; or

(4) For an applicant or registrant which is also a securities broker or dealer, the amount of net capital specified in Rule 15c3-1d(b)(7) of the Securities and Exchange Commission (17 CFR 240.15c3-1d(b)(7)).

(B) An applicant or registrant at its option, but not at the option of the lender, may, if the subordination agreement so provides, make a payment at any time of all or any portion of the payment obligation thereunder prior to the scheduled maturity date of such payment obligation (hereinafter referred to as a "special prepayment"). No special prepayment shall be made if, after giving effect thereto (and to all payments of payment obligations under any other subordination agreements then outstanding, the maturity or accelerated maturities of which are scheduled to fall due within six months after the date such special prepayment is to occur pursuant to this provision, or on or prior to the date on which the payment obligation in respect to such special prepayment is scheduled to mature disregarding this provision, whichever date is earlier) without reference to any projected profit or loss of the applicant or registrant, the adjusted net capital of the applicant or registrant is less than the greatest of:

(1) 200 percent of the appropriate minimum dollar amount required by paragraphs (a)(1)(i)(A) or (a)(1)(ii)(A) of this section;

(2) For a futures commission merchant or applicant therefor, 10 percent of the following amount: The customer

funds required to be segregated pursuant to the Act and the regulations in this part and the foreign futures or foreign options secured amount, less the market value of commodity options purchased by customers on or subject to the rules of a contract market or a foreign board of trade for which the full premiums have been paid: *Provided, however*, That the deduction for each customer shall be limited to the amount of customer funds in such customer's account(s) and foreign futures and foreign options secured amounts;

(3) 120 percent of the amount of adjusted net capital required by a registered futures association of which it is a member; or

(4) For an applicant or registrant which is also a securities broker or dealer, the amount of net capital specified in Rule 15c3-1d(c)(5)(ii) of the Securities and Exchange Commission (17 CFR 240.15c3-1d(c)(5)(ii)): *Provided, however*, That no special prepayment shall be made if pre-tax losses during the latest three-month period were greater than 15 percent of current excess adjusted net capital.

(C)(I) Notwithstanding the provisions of paragraphs (h)(2)(vii)(A) and (h)(2)(vii)(B) of this section, in the case of an applicant, no prepayment or special prepayment shall occur without the prior written approval of the National Futures Association; in the case of a registrant, no prepayment or special prepayment shall occur without the prior written approval of the designated self-regulatory organization, if any, or of the Commission if the registrant is not a member of a self-regulatory organization.

(2) A registrant may make a prepayment or special prepayment without the prior written approval of the designated self-regulatory organization: *Provided*, That the registrant: Is a securities broker or dealer registered with the Securities and Exchange Commission; files a request to make a prepayment or special prepayment with its applicable securities designated examining authority, as defined in Rule 15c3-1(c)(12) of the Securities and Exchange Commission (17 CFR 240.15c3-1(c)(12)), in the form and manner prescribed by the designated examining authority; files a copy of the prepay-

ment request or special prepayment request with the designated self-regulatory organization at the time it files such request with the designated examining authority in the form and manner prescribed by the designated self-regulatory organization; and files a copy of the designated examining authority's approval of the prepayment or special prepayment with the designated self-regulatory organization immediately upon receipt of such approval. The approval of the prepayment or special prepayment by the designated examining authority will be deemed approval by the designated self-regulatory organization, unless the designated self-regulatory organization notifies the registrant that the designated examining authority's approval shall not constitute designated self-regulatory organization approval.

(3) The designated self-regulatory organization shall immediately provide the Commission with a copy of any notice of approval issued where the requested prepayment or special prepayment will result in the reduction of the registrant's net capital by 20 percent or more or the registrant's excess adjusted net capital by 30 percent or more.

(viii) *Suspended repayment.* (A) The payment obligation of the applicant or registrant in respect of any subordination agreement shall be suspended and shall not mature if, after giving effect to payment of such payment obligation (and to all payments of payment obligations of the applicant or registrant under any other subordination agreement(s) then outstanding which are scheduled to mature on or before such payment obligation), the adjusted net capital of the applicant or registrant would be less than the greatest of:

(1) 120 percent of the appropriate minimum dollar amount required by paragraphs (a)(1)(i)(A) or (a)(1)(ii)(A) of this section;

(2) For a futures commission merchant or applicant therefor, 6 percent of the following amount: The customer funds required to be segregated pursuant to the Act and the regulations in this part and the foreign futures or foreign options secured amount, less the market value of commodity options purchased by customers on or subject

to the rules of a contract market or a foreign board of trade for which the full premiums have been paid: *Provided, however,* That the deduction for each customer shall be limited to the amount of customer funds in such customer's account(s) and foreign futures and foreign options secured amounts;

(3) 120 percent of the amount of adjusted net capital required by a registered futures association of which it is a member; or

(4) For an applicant or registrant which is also a securities broker or dealer, the amount of net capital specified in Rule 15c3-1d(b)(8)(i) of the Securities and Exchange Commission (17 CFR 240.15c3-1d(b)(8)(i)): *Provided,* That the subordination agreement may provide that if the payment obligation of the applicant or registrant thereunder does not mature and is suspended as a result of the requirement of this paragraph (h)(2)(viii) for a period of not less than six months, the applicant or registrant shall then commence the rapid and orderly liquidation of its business, but the right of the lender to receive payment, together with accrued interest or compensation, shall remain subordinate as required by the provisions of this section.

(B) [Reserved]

(ix) *Accelerated maturity.* Obligation to repay to remain subordinate:

(A) Subject to the provisions of paragraph (h)(2)(viii) of this section, a subordination agreement may provide that the lender may, upon prior written notice to the applicant and the National Futures Association, or upon prior written notice to the registrant and the designated self-regulatory organization or, if the registrant is not a member of a designated self-regulatory organization, the Commission, given not earlier than six months after the effective date of such subordination agreement, accelerate the date on which the payment obligation of the borrower, together with accrued interest or compensation, is scheduled to mature to a date not earlier than six months after giving of such notice, but the right of the lender to receive payment, together with accrued interest or compensation, shall remain subordinate as required by the provisions of this paragraph (h)(2) of this section.

(B) Notwithstanding the provisions of paragraph (h)(2)(viii) of this section, the payment obligation of the applicant or registrant with respect to a subordination agreement, together with accrued interest and compensation, shall mature in the event of any receivership, insolvency, liquidation pursuant to the Securities Investor Protection Act of 1970 or otherwise, bankruptcy, assignment for the benefit of creditors, reorganization whether or not pursuant to the bankruptcy laws, or any other marshalling of the assets and liabilities of the applicant or registrant, but the right of the lender to receive payment, together with accrued interest or compensation, shall remain subordinate as required by the provisions of paragraph (h)(2) of this section.

(x) *Accelerated maturity of subordination agreements on event of default and event of acceleration.* Obligation to repay to remain subordinate:

(A) A subordination agreement may provide that the lender may, upon prior written notice to the applicant and the National Futures Association, or upon prior written notice to the registrant and the designated self-regulatory organization or, if the registrant is not a member of a designated self-regulatory organization, the Commission, of the occurrence of any event of acceleration (as hereinafter defined) given no sooner than six months after the effective date of such subordination agreement, accelerate the date on which the payment obligation of the applicant or registrant, together with accrued interest or compensation, is scheduled to mature, to the last business day of a calendar month which is not less than six months after notice of acceleration is received by the applicant and by the National Futures Association, or by the registrant and the designated self-regulatory organization or, if the registrant is not a member of a designated self-regulatory organization, the Commission. Any subordination agreement containing such events of acceleration may also provide that, if upon such accelerated maturity date the payment obligation of the applicant or registrant is suspended as required by paragraph (h)(2)(viii) of this section and liquidation of the applicant

or registrant has not commenced on or prior to such accelerated maturity date, notwithstanding paragraph (h)(2)(viii) of this section, the payment obligation of the applicant or registrant with respect to such subordination agreement shall mature on the day immediately following such accelerated maturity date and in any such event the payment obligations of the applicant or registrant with respect to all other subordination agreements then outstanding shall also mature at the same time but the rights of the respective lenders to receive payment, together with accrued interest or compensation, shall remain subordinate as required by the provisions of paragraph (h)(2) of this section. Events of acceleration which may be included in a subordination agreement complying with this paragraph (h)(2)(x) of this section shall be limited to:

(1) Failure to pay interest or any installment of principal on a subordination agreement as scheduled;

(2) Failure to pay when due other money obligations of a specified material amount;

(3) Discovery that any material, specified representation or warranty of the applicant or registrant which is included in the subordination agreement and on which the subordination agreement was based or continued was inaccurate in a material respect at the time made;

(4) Any specified and clearly measurable event which is included in the subordination agreement and which the lender and the applicant or registrant agree, (a) is a significant indication that the financial position of the applicant or registrant has changed materially and adversely from agreed upon specified norms; or (b) could materially and adversely affect the ability of the applicant or registrant to conduct its business as conducted on the date the subordination agreement was made; or (c) is a significant change in the senior management of the applicant or registrant or in the general business conducted by the applicant or registrant from that which obtained on the date the subordination agreement became effective;

(5) Any continued failure to perform agreed covenants included in the subor-

dination agreement relating to the conduct of the business of the applicant or registrant or relating to the maintenance and reporting of its financial position; and

(B) Notwithstanding the provisions of paragraph (h)(2)(viii) of this section, a subordination agreement may provide that, if liquidation of the business of the applicant or registrant has not already commenced, the payment obligation of the applicant or registrant shall mature, together with accrued interest or compensation, upon the occurrence of an event of default (as hereinafter defined). Such agreement may also provide that, if liquidation of the business of the applicant or registrant has not already commenced, the rapid and orderly liquidation of the business of the applicant or registrant shall then commence upon the happening of an event of default. Any subordination agreement which so provides for maturity of the payment obligation upon the occurrence of an event of default shall also provide that the date on which such event of default occurs shall, if liquidation of the applicant or registrant has not already commenced, be the date on which the payment obligation of the applicant or registrant with respect to all other subordination agreements then outstanding shall mature but the rights of the respective lenders to receive payment, together with accrued interest or compensation, shall remain subordinate as required by the provisions of paragraph (h)(2) of this section. (3) The Commission shall revoke the registration of the applicant or registrant;

(4) The self-regulatory organization shall suspend (and not reinstate within 10 days) or revoke the applicant or registrant's status as a member thereof;

(5) Any receivership, insolvency, liquidation pursuant to the Securities Investor Protection Act of 1970 or otherwise, bankruptcy, assignment for the benefit of creditors, reorganization whether or not pursuant to bankruptcy laws, or any other marshalling of the assets and liabilities of the applicant or registrant. (3) *Miscellaneous provisions*—(i) *Prohibited cancellation*. The subordination agreement shall not be subject to cancellation by either party; no payment shall be made with respect thereto and the agreement shall not be terminated, rescinded or modified by mutual consent or otherwise if the effect thereof would be inconsistent with the requirements of paragraph (h) of this section.

(ii) *Notice of maturity or accelerated maturity*. (A) 120 percent of the minimum dollar amount required by paragraphs (a)(1)(i)(A) or (a)(1)(ii)(A) of this section;

(B) For a futures commission merchant or applicant therefor, 6 percent of the following amount: The customer funds required to be segregated pursuant to the Act and the regulations in this part and the foreign futures or foreign options secured amount, less the market value of commodity options purchased by customers on or subject to the rules of a contract market or a foreign board of trade for which the full premiums have been paid: *Provided, however*, That the deduction for each customer shall be limited to the amount of customer funds in such customer's account(s) and foreign futures and foreign options secured amounts;

(C) 120 percent of the amount of adjusted net capital required by a registered futures association of which it is a member; or

(D) For an applicant or registrant which is also a securities broker or dealer, the amount of net capital specified in Rule 15c3-1d(c)(2) of the Securities and Exchange Commission (17 CFR 240.15c3-1d(c)(2)).

(iii) *Certain legends*. If all the provisions of a satisfactory subordination agreement do not appear in a single instrument, then the debenture or other evidence of indebtedness shall bear on its face an appropriate legend stating that it is issued subject to the provisions of a satisfactory subordination agreement which shall be adequately referred to and incorporated by reference.

(iv) *Legal title to securities*. All securities pledged as collateral to secure a secured demand note must be in bearer form, or registered in the name of the applicant or registrant or the name of its nominee or custodian.

(B) For a futures commission merchant or applicant therefor, 7 percent of the following amount: The customer funds required to be segregated pursuant to the Act and the regulations in this part and the foreign futures or foreign options secured amount, less the market value of commodity options purchased by customers on or subject to the rules of a contract market or a foreign board of trade for which the full premiums have been paid: *Provided, however,* That the deduction for each customer shall be limited to the amount of customer funds in such customer's account(s) and foreign futures and foreign options secured amounts;

(C) 120 percent of the amount of adjusted net capital required by a registered futures association of which it is a member;

(D) For an applicant or registrant which is also a securities broker or dealer, the amount of net capital specified in Rule 15c3-1d(c)(5)(i) of the Securities and Exchange Commission (17 CFR 240.15c3-1d(c)(5)(i)); or

(E) The amount of equity capital as defined in paragraph (d) of this section is less than the limits specified in paragraph (d) of this section. Such temporary subordination agreement shall be subject to all the other provisions of this section.

(vi) *Filing.* An applicant shall file a signed copy of any proposed subordination agreement (including nonconforming subordination agreements) with the National Futures Association at least ten days prior to the proposed effective date of the agreement or at such other time as the National Futures Association for good cause shall accept such filing. ness of the registrant (except that a registrant under the jurisdiction of the Commission's Western Regional Office shall file such copies with the Commission's Southwestern Regional Office) at least ten days prior to the proposed effective date of the agreement or at such other time as the Commission for good cause shall accept such filing. A registrant that is a member of a designated self-regulatory organization shall file signed copies of any proposed subordination agreement (including nonconforming subordination agreements) with the designated self-regulatory organization in such quantities and at such time as the designated self-regulatory organization may require prior to the effective date. The applicant or registrant shall also file with said parties a statement setting forth the name and address of the lender, the business relationship of the lender to the applicant or registrant and whether the applicant or registrant carried funds or securities for the lender at or about the time the proposed agreement was so filed. A proposed agreement filed by an applicant with the National Futures Association shall be reviewed by the National Futures Association, and no such agreement shall be a satisfactory subordination agreement for the purposes of this section unless and until the National Futures Association has found the agreement acceptable and such agreement has become effective in the form found acceptable. A proposed agreement filed by a registrant shall be reviewed by the designated self-regulatory organization with whom such an agreement is required to be filed prior to its becoming effective or, if the registrant is not a member of any designated self-regulatory organization, by the regional office of the Commission where the agreement is required to be filed prior to its becoming effective. No proposed agreement shall be a satisfactory subordination agreement for the purposes of this section unless and until the designated self-regulatory organization or, if a registrant is not a member of any designated self-regulatory organization, the Commission, has found the agreement acceptable and such agreement has become effective in the form found acceptable: *Provided, however,*

That a proposed agreement shall be a satisfactory subordination agreement for purpose of this section if the registrant: is a securities broker or dealer registered with the Securities and Exchange Commission; files signed copies of the proposed subordination agreement with the applicable securities designated examining authority, as defined in Rule 15c3-1(c)(12) of the Securities and Exchange Commission (17 CFR 240.15c3-1(c)(12)), in the form and manner prescribed by the designated examining authority; files signed copies of the proposed subordination agreement with the designated self-regulatory organization at the time it files such copies with the designated examining authority in the form and manner prescribed by the designated self-regulatory organization; and files a copy of the designated examining authority's approval of the proposed subordination agreement with the designated self-regulatory organization immediately upon receipt of such approval. The designated examining authority's determination that the proposed subordination agreement satisfies the requirements for a satisfactory subordination agreement will be deemed a like finding by the designated self-regulatory organization, unless the designated self-regulatory organization notifies the registrant that the designated examining authority's determination shall not constitute a like finding by the designated self-regulatory organization.

(vii) *Subordination agreements in effect prior to adoption.* Any subordination agreement which has been entered into prior to the effective date of this section and which has been deemed to be satisfactorily subordinated pursuant to this section previously in effect or the adjusted net capital rules of a self-regulatory organization shall continue to be deemed a satisfactory subordination agreement until the maturity of such agreement. *Provided*, That no renewal of an agreement which provides for automatic or optional renewal by the applicant or registrant or lender shall be deemed to be a satisfactory subordination agreement unless such renewal agreement meets the requirements of this section, within 6 months of the effective date of this section. *Provided*

*further*, That all subordination agreements must meet the requirements of this rule within 5 years of the effective date of this section.

(4) A designated self-regulatory organization and the Commission may allow debt with a maturity date of 1 year or more to be treated as meeting the provisions of this paragraph (h): *Provided*, (i) Such exemption shall only be given when the registrant's adjusted net capital is less than the minimum required by this section or by the capital rule of the designated self-regulatory organization to which such registrant is subject;

(ii) That such debt did not exist prior to its use under this paragraph (h)(4);

(iii) Such exemption shall be for a period of 30 days or such lesser period as the designated self-regulatory organization and the Commission may determine;

(iv) Such exemption shall not be allowed more than once in any 12 month period; and

(v) At all times during such exemption the registrant shall make a good faith effort to comply with the provisions of this section or the capital rule of the designated self-regulatory organization to which such registrant is subject exclusive of any benefits derived from this paragraph (h)(4).

(i) [Reserved]

(j) For the purposes of this section *cover* is defined as follows:

(1) *General definition.* Cover shall mean transactions or positions in a contract for future delivery on a board of trade or a commodity option where such transactions or positions normally represent a substitute for transactions to be made or positions to be taken at a later time in a physical marketing channel, and where they are economically appropriate to the reduction of risks in the conduct and management of a commercial enterprise, and where they arise from:

(i) The potential change in the value of assets which a person owns, produces, manufactures, processes, or merchandises or anticipates owning, producing, manufacturing, processing, or merchandising.

(ii) The potential change in the value of liabilities which a person owes or anticipates incurring, or

## § 1.18

## 17 CFR Ch. I (4-1-01 Edition)

(iii) The potential change in the value of services which a person provides, purchases or anticipates providing or purchasing. Notwithstanding the foregoing, no transactions or positions shall be classified as cover for the purposes of this section unless their purpose is to offset price risks incidental to commercial cash or spot operations and such positions are established and liquidated in accordance with sound commercial practices and unless the provisions of paragraphs (j)(2) and (3) of this section have been satisfied.

(2) *Enumerated cover transactions.* The definition of covered transactions and positions in paragraph (j)(1) of this section includes, but is not limited to, the following specific transactions and positions:

(i) Ownership or fixed-price purchase of any commodity which does not exceed in quantity (A) the sales of the same commodity for future delivery on a board of trade or (B) the purchase of a put commodity option of the same commodity for which the market value for the actual commodity or futures contract which is the subject of the option is less than the strike price of the option or (C) the ownership of a commodity option position established by the sale (grant) of a call commodity option of the same commodity for which the market value for the actual commodity or futures contract which is the subject of the option is more than the strike price of the option: *Provided*, That for purposes of paragraph (c)(5)(x) of this section the market value for the actual commodity or futures contract which is the subject of such option need not be more than the strike price of that option;

(ii) Fixed-price sale of any commodity which does not exceed in quantity (A) the purchase of the same commodity for future delivery on a board of trade or (B) the purchase of a call commodity option of the same commodity for which the market value for the actual commodity or futures contract which is the subject of such option is more than the strike price of the option or (C) ownership of a commodity option position established by the sale (grant) of a put commodity option of the same commodity for which

the market value for the actual commodity or futures contract which is the subject of the option is less than the strike price of the option: *Provided*, That for purposes of paragraph (c)(5)(x) of this section the market value for the actual commodity or futures contract which is the subject of such option need not be less than the strike price of that option; and

(iii) Ownership or fixed-price contracts of a commodity described in paragraphs (j)(2)(i) and (j)(2)(ii) of this section may also be covered other than by the same quantity of the same cash commodity, provided that the fluctuations in value of the position for future delivery or commodity option are substantially related to the fluctuations in value of the actual cash position.

(3) *Nonenumerated cases.* Upon specific request, the Commission may recognize transactions and positions other than those enumerated in paragraph (j)(2) of this section as cover in amounts and under the terms and conditions as it may specify. Any applicant or registrant who wishes to avail itself of the provisions of this paragraph (j)(3) must apply to the Commission in writing at its principal office in Washington, DC giving full details of the transaction including detailed information which will demonstrate that the transaction is economically appropriate to the reduction of risk exposure attendant to the conduct and management of a commercial enterprise.

### CUSTOMERS' MONEY, SECURITIES, AND PROPERTY

#### § 1.20 Customer funds to be segregated and separately accounted for.

(a) All customer funds shall be separately accounted for and segregated as belonging to commodity or option customers. Such customer funds when deposited with any bank, trust company, clearing organization or another futures commission merchant shall be deposited under an account name which clearly identifies them as such

and shows that they are segregated as required by the Act and this part. Each registrant shall obtain and retain in its files for the period provided in §1.31 a written acknowledgment from such bank, trust company, clearing organization, or futures commission merchant, that it was informed that the customer funds deposited therein are those of commodity or option customers and are being held in accordance with the provisions of the Act and this part: *Provided, however*, that an acknowledgment need not be obtained from a clearing organization that has adopted and submitted to the Commission rules that provide for the segregation as customer funds, in accordance with all relevant provisions of the Act and the rules and orders promulgated thereunder, of all funds held on behalf of customers. Under no circumstances shall any portion of customer funds be obligated to a clearing organization, any member of a contract market, a futures commission merchant, or any depository except to purchase, margin, guarantee, secure, transfer, adjust or settle trades, contracts or commodity option transactions of commodity or option customers. No person, including any clearing organization or any depository, that has received customer funds for deposit in a segregated account, as provided in this section, may hold, dispose of, or use any such funds as belonging to any person other than the option or commodity customers of the futures commission merchant which deposited such funds.

(b) All customer funds received by a clearing organization from a member of the clearing organization to purchase, margin, guarantee, secure or settle the trades, contracts or commodity options of the clearing member's commodity or option customers and all money accruing to such commodity or option customers as the result of trades, contracts or commodity options so carried shall be separately accounted for and segregated as belonging to such commodity or option customers, and a clearing organization shall not hold, use or dispose of such customer funds except as belonging to such commodity or option customers. Such customer funds when deposited in a bank or trust company shall be de-

posited under an account name which clearly shows that they are the customer funds of the commodity or option customers of clearing members, segregated as required by the Act and these regulations. The clearing organization shall obtain and retain in its files for the period provided by §1.31 an acknowledgment from such bank or trust company that it was informed that the customer funds deposited therein are those of commodity or option customers of its clearing members and are being held in accordance with the provisions of the Act and these regulations.

(c) Each futures commission merchant shall treat and deal with the customer funds of a commodity customer or of an option customer as belonging to such commodity or option customer. All customer funds shall be separately accounted for, and shall not be commingled with the money, securities or property of a futures commission merchant or of any other person, or be used to secure or guarantee the trades, contracts or commodity options, or to secure or extend the credit, of any person other than the one for whom the same are held: *Provided, however*, That customer funds treated as belonging to the commodity or option customers of a futures commission merchant may for convenience be commingled and deposited in the same account or accounts with any bank or trust company, with another person registered as a futures commission merchant, or with a clearing organization, and that such share thereof as in the normal course of business is necessary to purchase, margin, guarantee, secure, transfer, adjust, or settle the trades, contracts or commodity options of such commodity or option customers or resulting market positions, with the clearing organization or with any other person registered as a futures commission merchant, may be withdrawn and applied to such purposes, including the payment of premiums to option grantors, commissions, brokerage, interest, taxes, storage and other fees and charges, lawfully accruing in connection with such trades, contracts or commodity options: *Provided, further*,

### § 1.21 Care of money and equities accruing to customers.

All money received directly or indirectly by, and all money and equities accruing to, a futures commission merchant from any clearing organization or from any clearing member or from any member of a contract market incident to or resulting from any trade, contract or commodity option made by or through such futures commission merchant on behalf of any commodity or option customer shall be considered as accruing to such commodity or option customer within the meaning of the Act and these regulations. Such money and equities shall be treated and dealt with as belonging to such commodity or option customer in accordance with the provisions of the Act and these regulations. Money and equities accruing in connection with commodity or option customers' open trades, contracts, or commodity options need not be separately credited to individual accounts but may be treated and dealt with as belonging undivided to all commodity or option customers having open trades, contracts, or commodity option positions which if closed would result in a credit to such commodity or option customers.

[46 FR 54519, Nov. 3, 1981]

### § 1.22 Use of customer funds restricted.

No futures commission merchant shall use, or permit the use of, the customer funds of one commodity and/or option customer to purchase, margin, or settle the trades, contracts, or commodity options of, or to secure or extend the credit of, any person other than such customer or option customer. Customer funds shall not be used to carry trades or positions of the same commodity and/or option customer other than in commodities or

commodity options traded through the facilities of a contract market.

[47 FR 57007, Dec. 22, 1982]

### § 1.23 Interest of futures commission merchant in segregated funds; additions and withdrawals.

The provision in section 4d(2) of the Act and the provision in § 1.20(c), which prohibit the commingling of customer funds with the funds of a futures commission merchant, shall not be construed to prevent a futures commission merchant from having a residual financial interest in the customer funds, segregated as required by the Act and the rules in this part and set apart for the benefit of commodity or option customers; nor shall such provisions be construed to prevent a futures commission merchant from adding to such segregated customer funds such amount or amounts of money, from its own funds or unencumbered securities from its own inventory, of the type set forth in § 1.25, as it may deem necessary to ensure any and all commodity or option customers' accounts from becoming undersegregated at any time. The books and records of a futures commission merchant shall at all times accurately reflect its interest in the segregated funds. A futures commission merchant may draw upon such segregated funds to its own order, to the extent of its actual interest therein, including the withdrawal of securities held in segregated safekeeping accounts held by a bank, trust company, contract market clearing organization or other futures commission merchant. Such withdrawal shall not result in the funds of one commodity and/or option customer being used to purchase, margin or carry the trades, contracts or commodity options, or extend the credit of any other commodity customer, option customer or other person.

[62 FR 42400, Aug. 7, 1997]

### § 1.24 Segregated funds; exclusions therefrom.

Money held in a segregated account by a futures commission merchant shall not include: (a) Money invested in obligations or stocks of any clearing organization or in memberships in or obligations of any contract market; or

(b) money held by any clearing organization which it may use for any purpose other than to purchase, margin, guarantee, secure, transfer, adjust, or settle the contracts, trades, or commodity options of the commodity or option customers of such futures commission merchant.

[46 FR 54519, Nov. 3, 1981]

### § 1.25 Investment of customer funds.

(a) *Permitted investments.* (1) Subject to the terms and conditions set forth in this section, a futures commission merchant or a clearing organization may invest customer funds in the following instruments (permitted investments):

(v) Commercial paper;

(vi) Corporate notes;

(vii) General obligations of a sovereign nation; and

(viii) Interests in money market mutual funds.

(2) In addition, a futures commission merchant or a clearing organization may buy and sell the permitted investments listed in paragraphs (a)(1)(i) through (viii) of this section pursuant to agreements for resale or repurchase of the instruments, in accordance with the provisions of paragraph (d) of this section.

(2) *Ratings.* (i) *Initial requirement.* Instruments that are required to be rated by this section must be rated by an NRSRO. For an investment to qualify as a permitted investment, ratings are required as follows:

(A) U.S. government securities need not be rated;

(B) Municipal securities, government sponsored agency securities, certificates of deposit, commercial paper, and corporate notes, except notes that are asset-backed, must have the highest short-term rating of an NRSRO or one of the two highest long-term ratings of an NRSRO;

(D) Sovereign debt must be rated in the highest category by at least one NRSRO; and

(E) Money market mutual funds that are rated by an NRSRO must be rated at the highest rating of the NRSRO.

(ii) *Effect of downgrade.* If an NRSRO lowers the rating of an instrument that was previously a permitted investment on the basis of that rating to below the minimum rating required under this section, the value of the instrument recognized for segregation purposes will be the lesser of:

(A) The current market value of the instrument; or

(B) The market value of the instrument on the business day preceding the downgrade, reduced by 20 percent of that value for each business day that has elapsed since the downgrade.

(3) *Restrictions on instrument features.*

(i) With the exception of money market mutual funds, no permitted investment may contain an embedded derivative of any kind, including but not limited to a call option, put option, or collar, cap, or floor on interest paid.

(ii) No instrument may contain interest-only payment features.

(iii) No instrument may provide payments linked to a commodity, currency, reference instrument, index, or benchmark except as provided in paragraph (b)(3)(iv) of this section.

(iv) Variable-rate securities are permitted, provided the interest rates paid correlate closely and on an unleveraged basis to a benchmark of either the Federal Funds target or effective rate, the prime rate, the three-month Treasury Bill rate, or the one-month or three-month LIBOR rate.

(v) Certificates of deposit, if negotiable, must be able to be liquidated within one business day or, if not negotiable, must be redeemable at the issuing bank within one business day, with any penalty for early withdrawal limited to any accrued interest earned according to its written terms.

(4) *Concentration.* (i) *Direct investments.* (A) U.S. government securities and money market mutual funds shall not be subject to a concentration limit or other limitation.

(B) Securities of any single issuer of government sponsored agency securities held by a futures commission merchant or clearing organization may not exceed 25 percent of total assets held in segregation by the futures commission merchant or clearing organization.

(C) Securities of any single issuer of municipal securities, certificates of deposit, commercial paper, or corporate notes held by a futures commission merchant or clearing organization may not exceed 5 percent of total assets held in segregation by the futures commission merchant or clearing organization.

(D) Sovereign debt is subject to the following limits: a futures commission merchant may invest in the sovereign debt of a country to the extent it has balances in segregated accounts owed to its customers denominated in that country's currency; a clearing organization may invest in the sovereign debt of a country to the extent it has balances in segregated accounts owed to its clearing member futures commission merchants denominated in that country's currency.

(ii) *Repurchase agreements.* For purposes of determining compliance with the concentration limits set forth in this section, securities sold by a futures commission merchant or clearing organization subject to agreements to repurchase shall be combined with securities held by the futures commis-

sion merchant or clearing organization as direct investments.

(iii) *Reverse repurchase agreements.* The concentration limit applicable to securities of each issuer that are held by a futures commission merchant or clearing organization subject to agreements to resell to a particular counterparty shall be as follows:

(A) For a portfolio of securities held that are subject to resale to a counterparty that has been rated single A or higher by two or more NRSROs, or whose obligation under an agreement is guaranteed by a parent or affiliate company that has been rated single A or higher by two or more NRSROs:

(1) Government sponsored agency debt, issued by the same issuer and supplied by the counterparty, may not exceed 50 percent of the total amount of securities supplied by such counterparty; and

(2) Municipal securities, certificates of deposit, commercial paper, and corporate notes, issued by the same issuer and supplied by the counterparty, may not exceed 10 percent of the total amount of securities supplied by such counterparty; and

(B) For a portfolio of securities held that are subject to resale to a counterparty that does not have a rating or guarantee as specified in paragraph (b)(4)(iii)(A) of this section:

(1) Government sponsored agency debt, issued by the same issuer and supplied by the counterparty, may not exceed 25 percent of the total amount of securities supplied by such counterparty; and

(2) Municipal securities, certificates of deposit, commercial paper, and corporate notes, issued by the same issuer and supplied by the counterparty, may not exceed 5 percent of the total amount of securities supplied by such counterparty.

(iv) *Treatment of securities issued by affiliates.* For purposes of determining compliance with the concentration limits set forth in this section, securities issued by entities that are affiliated, as defined in paragraph (b)(6) of this section, shall be aggregated and deemed the securities of a single issuer. An interest in a permitted money market mutual fund is not

deemed to be a security issued by its sponsoring entity.

(v) *Treatment of customer-owned securities.* For purposes of determining compliance with the concentration limits set forth in this section, securities owned by the customers of a futures commission merchant and posted as margin collateral are not included in total assets held in segregation by the futures commission merchant, and securities posted by a futures commission merchant with a clearing organization are not included in total assets held in segregation by the clearing organization.

(5) *Time-to-maturity.* Except for investments in money market mutual funds, the dollar-weighted average of the time-to-maturity of the portfolio, as that average is computed pursuant to § 270.2a-7 of this title, may not exceed 24 months.

(6) *Investments in instruments issued by affiliates.* (i) A futures commission merchant shall not invest customer funds in obligations of an entity affiliated with the futures commission merchant, and a clearing organization shall not invest customer funds in obligations of an entity affiliated with the clearing organization. An affiliate includes parent companies, including all entities through the ultimate holding company, subsidiaries to the lowest level, and companies under common ownership of such parent company or affiliates.

(ii) A futures commission merchant or clearing organization may invest customer funds in a fund affiliated with that futures commission merchant or clearing organization.

(7) *Recordkeeping.* A futures commission merchant and a clearing organization shall prepare and maintain a record that will show for each business day with respect to each type of investment made pursuant to this section, the following information:

(i) The type of instruments in which customer funds have been invested;

(ii) The original cost of the instruments; and

(iii) The current market value of the instruments.

(c) *Money market mutual funds.* The following provisions will apply to the investment of customer funds in money market mutual funds (the fund).

(1) Generally, the fund must be an investment company that is registered under the Investment Company Act of 1940 with the Securities and Exchange Commission and that holds itself out to investors as a money market fund, in accordance with § 270.2a-7 of this title. A fund sponsor, however, may petition the Commission for an exemption from this requirement. The Commission may grant such an exemption provided that the fund can demonstrate that it will operate in a manner designed to preserve principal and to maintain liquidity. The application for exemption must describe how the fund's structure, operations and financial reporting are expected to differ from the requirements contained in § 270.2a-7 of this title and the risk-limiting provisions for direct investments contained in this section. The fund must also specify the information that the fund would make available to the Commission on an ongoing basis.

(2) The fund must be sponsored by a federally-regulated financial institution, a bank as defined in section 3(a)(6) of the Securities Exchange Act of 1934, an investment adviser registered under the Investment Advisers Act of 1940, or a domestic branch of a foreign bank insured by the Federal Deposit Insurance Corporation, except for a fund exempted in accordance with paragraph (c)(1) of this section.

(3) A futures commission merchant or clearing organization shall maintain the confirmation relating to the purchase in its records in accordance with § 1.31 and note the ownership of fund shares (by book-entry or otherwise) in a custody account of the FCM or clearing organization in accordance with § 1.26(a). If the futures commission merchant or the clearing organization holds its shares of the fund with the fund's shareholder servicing agent, the sponsor of the fund and the fund itself are required to provide the acknowledgment letter required by § 1.26.

(4) The net asset value of the fund must be computed by 9 a.m. of the business day following each business day and made available to the futures commission merchant or clearing organization by that time.

(5) A fund must be able to redeem an interest by the business day following

## § 1.25

a redemption request by the futures commission merchant or clearing organization. Demonstration that this requirement has been met may include either an appropriate provision in the offering memorandum of the fund or a separate side agreement between the fund and a futures commission merchant or clearing organization.

(6) The agreement pursuant to which the futures commission merchant or clearing organization has acquired and is holding its interest in a fund must contain no provision that would prevent the pledging or transferring of shares.

(d) *Repurchase and reverse repurchase agreements.* A futures commission merchant or clearing organization may buy and sell the permitted investments listed in paragraphs (a)(1)(i) through (viii) of this section pursuant to agreements for resale or repurchase of the securities (agreements to repurchase or resell), provided the agreements to repurchase or resell conform to the following requirements:

(1) The securities are specifically identified by coupon rate, par amount, market value, maturity date, and CUSIP or ISIN number.

(2) Counterparties are limited to a bank as defined in section 3(a)(6) of the Securities Exchange Act of 1934, a domestic branch of a foreign bank insured by the Federal Deposit Insurance Corporation, a securities broker or dealer, or a government securities broker or government securities dealer registered with the Securities and Exchange Commission or which has filed notice pursuant to section 15C(a) of the Government Securities Act of 1986.

(3) The transaction is executed in compliance with the concentration limit requirements applicable to the securities held in connection with the agreements to repurchase referred to in paragraphs (b)(4)(ii) and (iii) of this section.

(4) The transaction is made pursuant to a written agreement signed by the parties to the agreement, which is consistent with the conditions set forth in paragraphs (d)(1) through (d)(12) of this section and which states that the parties thereto intend the transaction to be treated as a purchase and sale of securities.

(5) The term of the agreement is no more than one business day, or reversal of the transaction is possible on demand.

(6) The securities transferred under the agreement are held in a safekeeping account with a bank as referred to in paragraph (d)(2) of this section, a clearing organization, or the Depository Trust Company in an account that complies with the requirements of § 1.26.

(7) The futures commission merchant or the clearing organization may not use securities received under the agreement in another similar transaction and may not otherwise hypothecate or pledge such securities, except securities may be pledged on behalf of customers at another futures commission merchant or clearing organization. Substitution of securities is allowed, *provided, however*, that:

(i) The qualifying securities being substituted and original securities are specifically identified by date of substitution, market values substituted, coupon rates, par amounts, maturity dates and CUSIP or ISIN numbers;

(ii) Substitution is made on a "delivery versus delivery" basis; and

(iii) The market value of the substituted securities is at least equal to that of the original securities.

(8) The transfer of securities is made on a delivery versus payment basis in immediately available funds. The transfer is not recognized as accomplished until the funds and/or securities are actually received by the custodian of the futures commission merchant's or clearing organization's customer funds or securities purchased on behalf of customers. The transfer or credit of securities covered by the agreement to the futures commission merchant's or clearing organization's customer segregated custodial account is made simultaneously with the disbursement of funds from the futures commission merchant's or clearing organization's customer segregated cash account at the custodian bank. On the sale or resale of securities, the futures commission merchant's or clearing organization's customer segregated cash account at the custodian bank must receive same-day funds credited to such segregated account simultaneously

with the delivery or transfer of securities from the customer segregated custodial account.

(9) A written confirmation to the futures commission merchant or clearing organization specifying the terms of the agreement and a safekeeping receipt are issued immediately upon entering into the transaction and a confirmation to the futures commission merchant or clearing organization is issued once the transaction is reversed.

(10) The transactions effecting the agreement are recorded in the record required to be maintained under § 1.27 of investments of customer funds, and the securities subject to such transactions are specifically identified in such record as described in paragraph (d)(1) of this section and further identified in such record as being subject to repurchase and reverse repurchase agreements.

(11) An actual transfer of securities by book entry is made consistent with Federal or State commercial law, as applicable. At all times, securities received subject to an agreement are reflected as “customer property.”

(12) The agreement makes clear that, in the event of the bankruptcy of the futures commission merchant or clearing organization, any securities purchased with customer funds that are subject to an agreement may be immediately transferred. The agreement also makes clear that, in the event of a futures commission merchant or clearing organization bankruptcy, the counterparty has no right to compel liquidation of securities subject to an agreement or to make a priority claim for the difference between current market value of the securities and the price agreed upon for resale of the securities to the counterparty, if the former exceeds the latter.

(e) *Deposit of firm-owned securities into segregation.* A futures commission merchant shall not be prohibited from directly depositing unencumbered securities of the type specified in this section, which it owns for its own account, into a segregated safekeeping account or from transferring any such securities from a segregated account to its own account, up to the extent of its residual financial interest in customers' segregated funds; provided, however,

that such investments, transfers of securities, and disposition of proceeds from the sale or maturity of such securities are recorded in the record of investments required to be maintained by § 1.27. All such securities may be segregated in safekeeping only with a bank, trust company, clearing organization, or other registered futures commission merchant. Furthermore, for purposes of §§ 1.25, 1.26, 1.27, 1.28 and 1.29, investments permitted by § 1.25 that are owned by the futures commission merchant and deposited into such a segregated account shall be considered customer funds until such investments are withdrawn from segregation.

### § 1.26 Deposit of instruments purchased with customer funds.

(a) Each futures commission merchant who invests customer funds in instruments described in § 1.25 shall separately account for such instruments and segregate such instruments as belonging to such commodity or option customers. Such instruments, when deposited with a bank, trust company, clearing organization or another futures commission merchant, shall be deposited under an account name which clearly shows that they belong to commodity or option customers and are segregated as required by the Act and this part. Each futures commission merchant upon opening such an account shall obtain and retain in its files an acknowledgment from such bank, trust company, clearing organization or other futures commission merchant that it was informed that the instruments belong to commodity or option customers and are being held in accordance with the provisions of the Act and this part. *Provided, however,* that an acknowledgment need not be obtained from a clearing organization that has adopted and submitted to the Commission rules that provide for the segregation as customer funds, in accordance with all relevant provisions of the Act and the rules and orders promulgated thereunder, of all funds held on behalf of customers and all instruments purchased with customer funds. Such acknowledgment shall be retained in accordance with § 1.31. Such

Such instruments, when deposited with a bank or trust company, shall be deposited under an account name which will clearly show that they belong to commodity or option customers and are segregated as required by the Act and this part. Each clearing organization upon opening such an account shall obtain and retain in its files a written acknowledgment from such bank or trust company that it was informed that the instruments belong to commodity or option customers of clearing members and are being held in accordance with the provisions of the Act and this part. Such acknowledgment shall be retained in accordance with §1.31. Such bank or trust company shall allow inspection of such instruments at any reasonable time by representatives of the Commission.

(1) For purposes of this section:

(i) The term "micrographic media" means microfilm or microfiche or any similar medium.

The arrangement shall provide that the Technical Consultant will have access to, and the ability to download, information from the Electronic Recordkeeper's electronic storage media to any medium acceptable under this regulation.

(i) The Technical Consultant must file with the Commission an undertaking in a form acceptable to the Commission, signed by the Technical Consultant or a person duly authorized by the Technical Consultant. This notification will briefly specify the nature of the issues for which additional time for review is required.

(2) All proposed contract market rules submitted for review under paragraph (c) of this section may be deemed approved or be placed into effect, as appropriate, ten days after Commission receipt (or at such earlier time as may be determined by the Commission) unless:

(ii) The Commission intends to institute a proceeding to disapprove the rule pursuant to the procedures specified in section 5a(a)(12)(A) of the Act.

(4) A notice of intention to commence a disapproval proceeding issued pursuant to paragraph (c)(3) of this section will:

(e) *Membership lists.* Upon request of the Commission each contract market shall promptly furnish to the Commission a current list of the contract market's membership.

(f) *Temporary emergency rules.* In the event of an emergency, a contract market, by a two-thirds vote of its governing board, may place into immediate effect a temporary emergency rule to deal with the emergency without prior Commission approval, and without compliance with the ten-day notice requirement pursuant to section

5a(a)(12)(A) of the Act and paragraphs (b) and (c) of this section, respectively, subject to the following provisions:

If the report is submitted more than 10 days after the Commission receives all of the information required under paragraphs (2) and (3) from a contract market, the report will include an explanation of why submission within 10 days from receipt of notification and explanation was not practicable.

(6) A determination by the Commission to suspend the effect of a rule under subparagraph (4)(ii) of this regulation will be subject to judicial review on the same basis as an emergency determination under section 8a(9) of the Act.

(7) A temporary emergency rule may provide for, or may authorize the contract market, or the governing board thereof or any committee thereof, to undertake actions necessary or appropriate to meet the emergency, including, but not limited to, such actions as:

(i) Limiting trading to liquidation only, in whole or in part, or limiting trading to liquidation only except for new sales by parties who have the commodity to delivery pursuant to such sales;

(ii) Extending or shortening the expiration date for trading in contracts;

(viii) Extending, limiting or changing hours of trading;

(ix) Suspending trading; and

(x) Modifying or suspending any provision of the rules of the contract market, including any contract market prohibition against dual trading.

(8) A contract market shall not maintain in effect rules that are inconsistent with this regulation.

(9) Nothing in this section prevents the Commission from taking emergency action under section 8a(9) of the Act or from taking any enforcement action under section 6(c), 6(d), 6b, or 6c of the Act.

(10) Governing board members who abstain from voting on a temporary emergency rule pursuant to § 1.69 shall not be counted in determining whether such a rule was approved by the two-thirds vote required by this regulation. Such members can be counted for the purpose of determining whether a quorum exists.

(g) *Physical emergencies.* In the event the physical functions of a contract market are, or are threatened to be, severely and adversely affected by a “physical emergency,” such as fire or other casualty, bomb threats, substantial inclement weather, power failures, communications breakdowns, computer system breakdowns, screen-based trading system breakdowns or transportation breakdowns, a contract market official, duly authorized to take such action for and on behalf of the contract market with respect to such a “physical emergency” pursuant to a rule of the contract market that has been approved by the Commission or has become effective pursuant to section 5a(a)(12) of the Act and these regulations, may take any action authorized by such rule necessary or appropriate to deal with the emergency, including, but not limited to, suspending trading on the contract market. Suspension of trading in the contract market by such a designated official shall not continue in effect for more than five (5) days, except where the contract market has submitted in writing and the Commission has granted, for good cause shown, a request for an extension of time. A request for an extension of time must be given to the Director of the Division of Trading and Markets or any employee of the Commission, as may be designated by the Director for such purpose. If so authorized by such

a rule of the contract market, the designated official may also order restoration of trading on the contract market, or removal of other restrictions imposed by the official as permitted by this paragraph (g), in the absence of action by the governing board of the contract market, upon a determination by such official that the “physical emergency” has sufficiently abated to permit the physical functions of the contract market to continue in an orderly manner. A contract market must notify the Director of the Division of Trading and Markets or any employee of the Commission, as may be designated by the Director for such purpose, of the implementation, modification or termination of a physical emergency action as soon as possible after taking the action.

(h) *Stock index contracts.* (1) Notwithstanding the provisions of paragraph (b) of this section, all changes in the composition, computation, or method of stock selection of a stock index in which a contract market is designated to trade futures contracts, or options on such futures contracts, shall be deemed approved by the Commission at the time such changes are adopted by a contract market if:

(i) The index is compiled for commercial purposes by an independent third party; and

(ii) The change is consistent with a rule of the contract market which has been approved by the Commission for this purpose which specifically defines, or establishes standards governing, the composition of the stock index upon which the designated futures contracts are authorized to trade.

(ii) The change is consistent with a rule of the contract market which has been approved by the Commission for this purpose, which specifically defines or establishes standards governing the composition of the index upon which designated futures or commodity options are authorized to trade;

(iii) The contract market provides the Commission with written notice of the change within five days after the change is adopted by the contract market; and

(iv) The contract market labels the written notice as being submitted pursuant to paragraph (i) of this section.

Upon such notification by the Commission to the contract market, the change will be subject to the usual procedures under section 5a(a)(12)(A) of the Act and paragraph (b) of this section.

(j) *Survey lists.* (1) Notwithstanding the provisions of paragraph (b) of this section, all changes in lists of banks, brokers, dealers or other entities which provide price or cash market information to a contract market for purposes of computing cash settlement prices or a cash price series, or for defining deliverable supply, shall be deemed approved by the Commission at the time such changes are adopted by a contract market if:

(o) *Option strike price listing procedures.* (1) Notwithstanding the provisions of paragraph (b) of this section, all changes in the number of strike prices listed, both initially when a contract for a specific expiration date is first listed for trading and throughout the life of that option contract, and changes in the strike-price interval(s) shall be deemed approved by the Commission 10 days after written notice of such change is received by the Commission if:

(i) The amended rule provides for a strike-price listing procedure that is specified and automatic.

(ii) The amended rule does not affect any option with open interest at the time the rule goes into effect.

(iii) The contract market labels the written notice as being submitted pursuant to Commission Regulation 1.41(o).

(2) The Commission will, within 10 days after receipt by the Commission of notice of a change in the strike price listing procedure of an option contract, notify the contract market making the submission if it appears that the change is not consistent with the provisions of this paragraph. (p) *Option last trading day specification.* (1) For purposes of this paragraph, an option on a future is an option contract that includes a provision for exercise of the option into an underlying futures contract. An option on a physical does not contain such a provision.

(2) Notwithstanding the provisions of paragraph (b) of this section, all changes in the last trading day of an option on a future or an option on a physical shall be deemed approved by the Commission 10 days after written notice of such change is received by the Commission if:

(i) For futures options not based on cash-settled futures contracts, the option expires not less than one business day before the earlier of the last trading day or first notice day of the underlying futures contract; for futures options based on cash-settled futures contracts, the option expires no later than

the last trading day of the underlying futures contract; or, for options on physicals, the option expires not less than one business day before the earlier of the last trading day or first notice day of any non-cash-settled futures contract in the same or a related commodity, or no later than the last trading day of a cash-settled futures contract in the same or a related commodity.

(q) *Option cabinet trade provisions.* (1) For purposes of this paragraph, a cabinet trade is defined as an option trade that represents a transaction whereby the per-contract value of the cabinet trade is less than the per-contract value associated with a trade at the existing minimum premium fluctuation specified in the contract market's rules for that option contract.

(2) Notwithstanding the provisions of paragraph (b) of this section, all initial specifications of, and changes to, option cabinet trade provisions shall be deemed approved by the Commission 10 days after written notice of such change is received by the Commission if:

(i) The initial specification of a cabinet trade rule or a change thereto provides that the per-contract value (or values) of the cabinet trade is (are) less than the per-contract value associated with a trade at the existing minimum premium fluctuation specified in the contract market's rules for that option contract.

Accordingly, and for purposes of this paragraph, a serial option is defined as a futures option contract which is based on the same futures delivery month but which expires earlier than the option contract expiring nearest to but before, or on, the last trading day of the underlying futures delivery month.

(2) Notwithstanding the provisions of paragraph (b) of this section, all initial specifications of, and changes to, the serial option listing procedures for options on futures (option contracts that include a provision for exercise into a futures contract) shall be deemed approved by the Commission 10 days after written notice of such change is received by the Commission if:

(ii) The proposed requirement is specified in the rules, is objective and applies uniformly to all existing regular facilities as well as to all applications for regularity.

(iii) The proposed requirement is related solely for the purpose of ensuring

the financial integrity of the regular facility(ies).

(iv) The contract market labels the written notice as being submitted pursuant to Commission Regulation 1.41(t).

(2) The Commission will, within 10 days after receipt by the Commission of a rule change relating to the financial standards or requirements for regular delivery facilities, notify the contract market making the submission if it appears that the change is not consistent with the provisions of this paragraph or if the submission raises issues relating to the requirements of the Commodity Exchange Act or the regulations promulgated thereunder. ### § 1.46 Application and closing out of offsetting long and short positions.

(a) *Application of purchases and sales.* Except with respect to purchases or sales which are for omnibus accounts, any futures commission merchant who, on or subject to the rules of a contract market:

(1) Purchases any commodity for future delivery for the account of any customer when the account of such customer at the time of such purchase has a short position in the same future of the same commodity on the same market;

(2) Sells any commodity for future delivery for the account of any customer when the account of such customer at the time of such sale has a long position in the same future of the same commodity on the same market;

(3) Purchases a put or call option for the account of any option customer when the account of such option customer at the time of such purchase has a short put or call option position with the same underlying futures contract or same underlying physical, strike price, expiration date and contract market as that purchased; or

(4) Sells a put or call option for the account of any option customer when the account of such option customer at the time of such sale has a long put or call option position with the same underlying futures contract or same underlying physical, strike price, expiration date and contract market as that sold shall on the same day apply such purchase or sale against such previously held short or long futures or option position, as the case may be, and shall, for futures transactions, promptly furnish such customer a statement showing the financial result of the transactions involved and, if applicable, that the account was introduced to the futures commission merchant by an introducing broker and the names of the futures commission merchant and introducing broker.

(b) *Close-out against oldest open position.* In all instances wherein the short or long futures or option position in such customer's or option customer's account immediately prior to such offsetting purchase or sale is greater than the quantity purchased or sold, the futures commission merchant shall apply such offsetting purchase or sale to the oldest portion of the previously held short or long position: *Provided*, That upon specific instructions from the customer or option customer the offsetting transaction shall be applied as specified by the customer or option customer without regard to the date of acquisition of the previously held position. Such instructions may also be accepted from any person who, by power of attorney or otherwise, actually directs trading in the customer's or option customer's account unless the person directing the trading is the futures

commission merchant (including any partner thereof), or is an officer, employee, or agent of the futures commission merchant. With respect to every such offsetting transaction that, in accordance with such specific instructions, is not applied to the oldest portion of the previously held position, the futures commission merchant shall clearly show on the statement issued to the customer or option customer in connection with the transaction, that because of the specific instructions given by or on behalf of the customer or option customer the transaction was not applied in the usual manner, *i.e.*, against the oldest portion of the previously held position. However, no such showing need be made if the futures commission merchant has received such specific instructions in writing from the customer or option customer for whom such account is carried.

(c) *In-and-out trades; day trades.* Notwithstanding the provisions of paragraphs (a) and (b) of this section shall not be deemed to require the application of purchases or sales closed out during the same day (commonly known as “in-and-out trades” or “day trades”) against short or long positions carried forward from a prior date.

(2) Purchases or sales constituting “bona fide hedging transactions” as defined in § 1.3(z); nor

(3) Sales during a delivery period for the purpose of making delivery during such delivery period if such sales are accompanied by instructions to make delivery thereon, together with ware-

(h)(1) Upon the approval of a plan or part of one under paragraph (g) of this section, a self-regulatory organization which is included in such a plan shall be considered to have met its affirmative action responsibilities under §1.51 to the extent that such responsibilities have been delegated to a designated self-regulatory organization.

(2) After the Commission has approved a plan or part of one under §1.52(g), a self-regulatory organization relieved of responsibility must notify each of its members which is subject to such a plan: (i) Of the limited nature of its responsibility for such a member's compliance with its minimum financial and related reporting requirements; and (ii) of the identity of the designated self-regulatory organization

which has been delegated responsibility for such a member.

(i) The Commission may at any time, after appropriate notice and opportunity for hearing, withdraw its approval of any plan or part of one established under this section, if such plan or part of one ceases to effectuate adequately the purposes of section 4(f)(b) of the Act or of this section.

(j) Whenever a registered futures commission merchant or a registered introducing broker holding membership in a self-regulatory organization ceases to be a member in good standing of that self-regulatory organization, such self-regulatory organization must, on the same day that event takes place, give telegraphic notice of that event to the principal office of the Commission in Washington, DC and send a copy of that notification to such futures commission merchant or such introducing broker.

(k) Nothing in this section shall preclude the Commission from examining any futures commission merchant or introducing broker for compliance with the minimum financial and related reporting requirements to which such futures commission merchant or introducing broker is subject.

(l) In the event a plan is not filed and/or approved for each registered futures commission merchant or for each registered introducing broker which is a member of more than one self-regulatory organization, the Commission may design and, after notice and opportunity for comment, approve a plan for those futures commission merchants or introducing brokers which are not the subject of an approved plan (under paragraph (g) of this section), delegating to a designated self-regulatory organization the responsibilities described in paragraph (c) of this section.

### § 1.55 Distribution of "Risk Disclosure Statement" by futures commission merchants and introducing brokers.

(a)(1) Except as provided in 1.65, no futures commission merchant, or in the case of an introduced account no introducing broker, may open a commodity futures account for a customer,

other than for a customer specified in paragraph (f) of this section, unless the futures commission merchant or introducing broker first:

(i) Furnishes the customer with a separate written disclosure statement containing only the language set forth in paragraph (b) of this section (except for nonsubstantive additions such as captions) or as otherwise approved under paragraph (c) of this section; *Provided, however*, that the disclosure statement may be attached to other documents as the cover page or the first page of such documents and as the only material on such page; and

(ii) Receives from the customer an acknowledgment signed and dated by the customer that he received and understood the disclosure statement.

(b) The language set forth in the written disclosure document required by paragraph (a) of this section shall be as follows:

**RISK DISCLOSURE STATEMENT**

The risk of loss in trading commodity futures contracts can be substantial. You should, therefore, carefully consider whether such trading is suitable for you in light of your circumstances and financial resources. You should be aware of the following points:

(1) You may sustain a total loss of the funds that you deposit with your broker to establish or maintain a position in the commodity futures market, and you may incur losses beyond these amounts. If the market moves against your position, you may be called upon by your broker to deposit a substantial amount of additional margin funds, on short notice, in order to maintain your position. If you do not provide the required funds within the time required by your broker, your position may be liquidated at a loss, and you will be liable for any resulting deficit in your account.

(2) Under certain market conditions, you may find it difficult or impossible to liquidate a position. This can occur, for example, when the market reaches a daily price fluctuation limit ("limit move").

(3) Placing contingent orders, such as "stop-loss" or "stop-limit" orders, will not necessarily limit your losses to the intended amounts, since market conditions on the exchange where the order is placed may make it impossible to execute such orders.

(4) All futures positions involve risk, and a "spread" position may not be less risky than an outright "long" or "short" position.

(5) The high degree of leverage (gearing) that is often obtainable in futures trading because of the small margin requirements can work against you as well as for you. Le-

verage (gearing) can lead to large losses as well as gains.

(6) You should consult your broker concerning the nature of the protections available to safeguard funds or property deposited for your account.

ALL OF THE POINTS NOTED ABOVE APPLY TO ALL FUTURES TRADING WHETHER FOREIGN OR DOMESTIC. IN ADDITION, IF YOU ARE CONTEMPLATING TRADING FOREIGN FUTURES OR OPTIONS CONTRACTS, YOU SHOULD BE AWARE OF THE FOLLOWING ADDITIONAL RISKS:

(7) Foreign futures transactions involve executing and clearing trades on a foreign exchange. This is the case even if the foreign exchange is formally "linked" to a domestic exchange, whereby a trade executed on one exchange liquidates or establishes a position on the other exchange. No domestic organization regulates the activities of a foreign exchange, including the execution, delivery, and clearing of transactions on such an exchange, and no domestic regulator has the power to compel enforcement of the rules of the foreign exchange or the laws of the foreign country. Moreover, such laws or regulations will vary depending on the foreign country in which the transaction occurs. For these reasons, customers who trade on foreign exchanges may not be afforded certain of the protections which apply to domestic transactions, including the right to use domestic alternative dispute resolution procedures. In particular, funds received from customers to margin foreign futures transactions may not be provided the same protections as funds received to margin futures transactions on domestic exchanges. Before you trade, you should familiarize yourself with the foreign rules which will apply to your particular transaction.

(8) Finally, you should be aware that the price of any foreign futures or option contract and, therefore, the potential profit and loss resulting therefrom, may be affected by any fluctuation in the foreign exchange rate between the time the order is placed and the foreign futures contract is liquidated or the foreign option contract is liquidated or exercised.

THIS BRIEF STATEMENT CANNOT, OF COURSE, DISCLOSE ALL THE RISKS AND OTHER ASPECTS OF THE COMMODITY MARKETS

I hereby acknowledge that I have received and understood this risk disclosure statement.

  - (ii) which has a net worth of \$1,000,000;
- (7) An employee benefit plan subject to the Employee Retirement Income Security Act of 1974, or a foreign person performing a similar role or function and subject as such to foreign regulation, with total assets exceeding \$5,000,000 or whose investment decisions are made by a bank, trust company, insurance company, investment adviser subject to regulation under the Investment Advisers Act of 1940 (15 U.S.C. 80b-1 *et seq.*), or a commodity trading advisor subject to regulation under the Commodity Exchange Act;

APPENDIX A To CFTC RULE 1.55 (c) — GENERIC RISK DISCLOSURE STATEMENT

**Risk Disclosure Statement for Futures and Options**

*This brief statement does not disclose all of the risks and other significant aspects of trading in futures and options. In light of the risks, you should undertake such transactions only if you understand the nature of the contracts (and contractual relationships) into which you are entering and the extent of your exposure to risk. Trading in futures and options is not suitable for many members of the public. You should carefully consider whether trading is appropriate for you in light of your experience, objectives, financial resources and other relevant circumstances.*

**Futures****1. Effect of 'Leverage' or 'Gearing'**

Transactions in futures carry a high degree of risk. The amount of initial margin is small relative to the value of the futures contract so that transactions are 'leveraged' or 'geared'. A relatively small market movement will have a proportionately larger impact on the funds you have deposited or will have to deposit: this may work against you as well as for you. You may sustain a total loss of initial margin funds and any additional funds deposited with the firm to maintain your position. If the market moves against your position or margin levels are increased, you may be called upon to pay substantial additional funds on short notice to maintain your position. If you fail to comply with a request for additional funds within the time prescribed, your position may be liquidated at a loss and you will be liable for any resulting deficit.

**2. Risk-reducing orders or strategies**

The placing of certain orders (e.g. 'stop-loss' orders, where permitted under local law, or 'stop-limit' orders) which are intended to limit losses to certain amounts may not be effective because market conditions may make it impossible to execute such orders. Strategies using combinations of positions, such as 'spread' and 'straddle' positions may be as risky as taking simple 'long' or 'short' positions.

**Options****3. Variable degree of risk**

Transactions in options carry a high degree of risk. Purchasers and sellers of options should familiarize themselves with the type of option (i.e. put or call) which they contemplate trading and the associated risks. You should calculate the extent to which the value of the options must increase for your position to become profitable, taking into account the premium and all transaction costs.

The purchaser of options may offset or exercise the options or allow the options to expire. The exercise of an option results either in a cash settlement or in the purchaser acquiring or delivering the underlying

interest. If the option is on a future, the purchaser will acquire a futures position with associated liabilities for margin (see the section on Futures above). If the purchased options expire worthless, you will suffer a total loss of your investment which will consist of the option premium plus transaction costs. If you are contemplating purchasing deep-out-of-the-money options, you should be aware that the chance of such options becoming profitable ordinarily is remote.

Selling ('writing' or 'granting') an option generally entails considerably greater risk than purchasing options. Although the premium received by the seller is fixed, the seller may sustain a loss well in excess of that amount. The seller will be liable for additional margin to maintain the position if the market moves unfavorably. The seller will also be exposed to the risk of the purchaser exercising the option and the seller will be obligated to either settle the option in cash or to acquire or deliver the underlying interest. If the option is on a future, the seller will acquire a position in a future with associated liabilities for margin (see the section on Futures above). If the option is 'covered' by the seller holding a corresponding position in the underlying interest or a future or another option, the risk may be reduced. If the option is not covered, the risk of loss can be unlimited.

Certain exchanges in some jurisdictions permit deferred payment of the option premium, exposing the purchaser to liability for margin payments not exceeding the amount of the premium. The purchaser is still subject to the risk of losing the premium and transaction costs. When the option is exercised or expires, the purchaser is responsible for any unpaid premium outstanding at that time.

**Additional risks common to futures and options****4. Terms and conditions of contracts**

You should ask the firm with which you deal about the terms and conditions of the specific futures or options which you are trading and associated obligations (e.g. the circumstances under which you may become obligated to make or take delivery of the underlying interest of a futures contract and, in respect of options, expiration dates and restrictions on the time for exercise). Under certain

circumstances the specifications of outstanding contracts (including the exercise price of an option) may be modified by the exchange or clearing house to reflect changes in the underlying interest.

5. Suspension or restriction of trading and pricing relationships

Market conditions (e.g. illiquidity) and/or the operation of the rules of certain markets (e.g. the suspension of trading in any contract or contract month because of price limits or 'circuit breakers') may increase the risk of loss by making it difficult or impossible to effect transactions or liquidate/offset positions. If you have sold options, this may increase the risk of loss.

Further, normal pricing relationships between the underlying interest and the future, and the underlying interest and the option may not exist. This can occur when, for example, the futures contract underlying the option is subject to price limits while the option is not. The absence of an underlying reference price may make it difficult to judge 'fair' value.

6. Deposited cash and property

You should familiarize yourself with the protections accorded money or other property you deposit for domestic and foreign transactions, particularly in the event of a firm insolvency or bankruptcy. The extent to which you may recover your money or property may be governed by specific legislation or local rules. In some jurisdictions, property which had been specifically identifiable as your own will be pro-rated in the same manner as cash for purposes of distribution in the event of a shortfall.

7. Commission and other charges

Before you begin to trade, you should obtain a clear explanation of all commission, fees and other charges for which you will be liable. These charges will affect your net profit (if any) or increase your loss.

8. Transactions in other jurisdictions

Transactions on markets in other jurisdictions, including markets formally linked to a domestic market, may expose you to additional risk. Such markets may be subject to regulation which may offer different or diminished investor protection. Before you trade you should enquire about any rules relevant to your particular transactions. Your local regulatory authority will be unable to compel the enforcement of the rules of regulatory

authorities or markets in other jurisdictions where your transactions have been effected. You should ask the firm with which you deal for details about the types of redress available in both your home jurisdiction and other relevant jurisdictions before you start to trade.

9. Currency risks

The profit or loss in transactions in foreign currency-denominated contracts (whether they are traded in your own or another jurisdiction) will be affected by fluctuations in currency rates where there is a need to convert from the currency denomination of the contract to another currency.

10. Trading facilities

Most open-outcry and electronic trading facilities are supported by computer-based component systems for the order-routing, execution, matching, registration or clearing of trades. As with all facilities and systems, they are vulnerable to temporary disruption or failure. Your ability to recover certain losses may be subject to limits on liability imposed by the system provider, the market, the clearing house and/or member firms. Such limits may vary: you should ask the firm with which you deal for details in this respect.

11. Electronic trading

Trading on an electronic trading system may differ not only from trading in an open-outcry market but also from trading on other electronic trading systems. If you undertake transactions on an electronic trading system, you will be exposed to risks associated with the system including the failure of hardware and software. The result of any system failure may be that your order is either not executed according to your instructions or is not executed at all.

12. Off-exchange transactions

In some jurisdictions, and only then in restricted circumstances, firms are permitted to effect off-exchange transactions. The firm with which you deal may be acting as your counterparty to the transaction. It may be difficult or impossible to liquidate an existing position, to assess the value, to determine a fair price or to assess the exposure to risk. For these reasons, these transactions may involve increased risks. Off-exchange transactions may be less regulated or subject to a separate regulatory regime. Before you undertake such transactions, you should familiarize yourself with applicable rules and attendant risks.

I hereby acknowledge that I have received and understood this risk disclosure statement.

### § 1.66 No-action positions with respect to floor traders.

(a) Notwithstanding any other provision of law, if a contract market submits to the National Futures Association by April 26, 1993 a list of floor traders who were granted trading privileges on that contract market on or before April 26, 1993, and whose floor trading privileges remain in effect, which includes the name, date of birth and social security number of such floor traders, as well as facts regarding such floor traders which are set forth as statutory disqualifications in section 8a(2) of the Act if the contract market knows of such facts, and such list is signed by the chief operating officer of the contract market, the Commission will not commence an enforcement proceeding against a floor trader on that list based solely upon the floor trader's failure to register or receive a temporary license under section 4f of the Act and §3.11 of this chapter, nor will the Commission commence an enforcement proceeding against the contract market under §1.62 for failing to bar such floor trader from operating as such: *Provided, however,* That for those floor traders listed as to whom the contract market knows of facts set forth as statutory disqualifications in section 8a(2) of the Act, the no-action position contained in paragraph (a) of this section will only apply if the contract market submits a supplemental statement signed by the chief operating officer of the contract market stating that, in light of the Congressional mandate requiring registration of floor traders under the Act, the contract market acknowledges its responsibility to take affirmative action to conduct appropriate surveillance of such floor traders. These no-action positions shall expire upon the floor's trader being granted or denied registration under the Act, or on June 11, 1993, whichever comes earliest: *Provided, however,* That if the floor trader files an application for registration in accordance with §3.11 of this chapter

with the National Futures Association by June 11, 1993, the no-action positions for the floor trader and the contract market as to the registration of such floor trader will be extended until the floor trader is granted or denied registration under the Act, unless an Administrative Law Judge issues an interim order suspending the no-action position as to such floor trader in accordance with paragraph (b) of this section or the application for registration is withdrawn.

(b) *Suspension of no-action position under paragraph (a) of this section pursuant to section 8a(2) of the Act—(1) Notice.* On the basis of information obtained by the Commission, the Commission may at any time serve notice upon a floor trader whose name appears on a list submitted in accordance with paragraph (a) of this section that:

(i) The Commission alleges and is prepared to prove that such floor trader is subject to one or more of the statutory disqualifications set forth in section 8a(2) of the Act;

(ii) An Administrative Law Judge shall make a determination, based upon written evidence, as to whether the floor trader is subject to such statutory disqualification; and

(iii) If the floor trader is found to be subject to a statutory disqualification, the no-action status of the floor trader under paragraph (a) of this section may be suspended and the floor trader ordered to show cause why registration should not be denied.

(2) *Written submission.* If the floor trader wishes to challenge the accuracy of the allegations set forth in the notice, the floor trader may submit written evidence limited to the type described in §3.60(b)(1) of this chapter. Such written submission must be served upon the Division of Enforcement and filed with the Proceedings Clerk within twenty days of the date of service of notice to the floor trader.

(5) *Suspension and order to show cause.*  
 (i) If the floor trader is found to be subject to a statutory disqualification, the Administrative Law Judge, within thirty days after receipt of the floor trader's written submission, if any, and any reply thereto, shall issue an interim order suspending the no-action status of the floor trader under paragraph (a) of this section and requiring the floor trader to show cause within twenty days of the date of the order why, notwithstanding the existence of the statutory disqualification, the registration of the floor trader should not be denied. The no-action status of the floor trader shall be suspended, effective five days after the order to show cause is served upon the floor trader in accordance with §3.50(a) of this chapter, until a final order with respect to the order to show cause has been issued: *Provided, That* if the sole basis upon which the floor trader is subject to statutory disqualification is the existence of a temporary order, judgment or decree of the type described in section 8a(2)(C) of the Act, the order to show cause shall not be issued and the floor trader shall be suspended until such time as the temporary order, judgment or decree shall have expired: *Provided, however, That* in no event shall the floor trader's no-action status be suspended for a period to exceed six months.

(ii) If the floor trader is found not to be subject to a statutory disqualification, the Administrative Law Judge shall issue an order to that effect and the Proceedings Clerk shall promptly serve a copy of such order on the floor trader, the Division of Trading and Markets and the Division of Enforcement. Such order shall be effective as a final order of the Commission fifteen days after the date it is served upon the floor trader in accordance with the provisions of §3.50(a) of this chapter

**§ 1.69 Voting by interested members of self-regulatory organization governing boards and various committees.**

(a) *Definitions.* For purposes of this section:

(1) *Disciplinary committee* means any person or committee of persons, or any subcommittee thereof, that is authorized by a self-regulatory organization to issue disciplinary charges, to conduct disciplinary proceedings, to settle disciplinary charges, to impose disciplinary sanctions, or to hear appeals thereof in cases involving any violation of the rules of the self-regulatory organization except those cases where the person or committee is authorized summarily to impose minor penalties for violating rules regarding decorum, attire, the timely submission of accurate records for clearing or verifying each day's transactions or other similar activities.

(2) *Family relationship* of a person means the person's spouse, former spouse, parent, stepparent, child, stepchild, sibling, stepbrother, stepsister, grandparent, grandchild, uncle, aunt, nephew, niece or in-law.

(3) *Governing board* means a self-regulatory organization's board of directors, board of governors, board of managers, or similar body, or any subcommittee thereof, duly authorized, pursuant to a rule of the self-regulatory organization that has been approved by the Commission or has become effective pursuant to either Section 5a(a)(12)(A) or 17(j) of the Act to take action or to recommend the taking of action on behalf of the self-regulatory organization.

(4) *Oversight panel* means any panel, or any subcommittee thereof, authorized by a self-regulatory organization

to recommend or establish policies or procedures with respect to the self-regulatory organization's surveillance, compliance, rule enforcement, or disciplinary responsibilities.

(5) *Member's affiliated firm* is a firm in which the member is a "principal," as defined in § 3.1(a), or an employee.

(6) *Named party in interest* means a person or entity that is identified by name as a subject of any matter being considered by a governing board, disciplinary committee, or oversight panel.

(7) *Self-regulatory organization* means a "self-regulatory organization" as defined in § 1.3(ee) and includes a "clearing organization" as defined in § 1.3(d), but excludes registered futures associations for the purposes of paragraph (b)(2) of this section.

(8) *Significant action* includes any of the following types of self-regulatory organization actions or rule changes that can be implemented without the Commission's prior approval:

(i) Any actions or rule changes which address an "emergency" as defined in § 1.41(a)(4)(i) through (iv) and (vi) through (viii); and,

(ii) Any changes in margin levels that are designed to respond to extraordinary market conditions such as an actual or attempted corner, squeeze, congestion or undue concentration of positions, or that otherwise are likely to have a substantial effect on prices in any contract traded or cleared at such self-regulatory organization; but does not include any rule not submitted for prior Commission approval because such rule is unrelated to the terms and conditions of any contract traded at such self-regulatory organization.

(b) *Self-regulatory organization rules.* Each self-regulatory organization shall maintain in effect rules that have been submitted to the Commission pursuant to Section 5a(a)(12)(A) of the Act and § 1.41 or, in the case of a registered futures association, pursuant to Section 17(j) of the Act, to address the avoidance of conflicts of interest in the execution of its self-regulatory functions. Such rules must provide for the following:

(1) *Relationship with named party in interest—(i) Nature of relationship.* A member of a self-regulatory organiza-

tion's governing board, disciplinary committee or oversight panel must abstain from such body's deliberations and voting on any matter involving a named party in interest where such member:

(A) Is a named party in interest;

(B) Is an employer, employee, or fellow employee of a named party in interest;

(C) Is associated with a named party in interest through a "broker association" as defined in § 156.1;

(D) Has any other significant, ongoing business relationship with a named party in interest, not including relationships limited to executing futures or option transactions opposite of each other or to clearing futures or option transactions through the same clearing member; or,

(E) Has a family relationship with a named party in interest.

(ii) *Disclosure of relationship.* Prior to the consideration of any matter involving a named party in interest, each member of a self-regulatory organization governing board, disciplinary committee or oversight panel must disclose to the appropriate self-regulatory organization staff whether he or she has one of the relationships listed in paragraph (b)(1)(i) of this section with a named party in interest.

(iii) *Procedure for determination.* Each self-regulatory organization must establish procedures for determining whether any member of its governing board, disciplinary committees or oversight committees is subject to a conflicts restriction in any matter involving a named party in interest. Taking into consideration the exigency of the committee action, such determinations should be based upon:

(A) Information provided by the member pursuant to paragraph (b)(1)(ii) of this section; and

(B) Any other source of information that is held by and reasonably available to the self-regulatory organization.

(2) *Financial interest in a significant action—(i) Nature of interest.* A member of a self-regulatory organization's governing board, disciplinary committee or oversight panel must abstain from such body's deliberations and voting on any significant action if the member

knowingly has a direct and substantial financial interest in the result of the vote based upon either exchange or non-exchange positions that could reasonably be expected to be affected by the action.

(ii) *Disclosure of interest.* Prior to the consideration of any significant action, each member of a self-regulatory organization governing board, disciplinary committee or oversight panel must disclose to the appropriate self-regulatory organization staff the position information referred to in paragraph (b)(2)(iii) of this section that is known to him or her. This requirement does not apply to members who choose to abstain from deliberations and voting on the subject significant action.

(iii) *Procedure for determination.* Each self-regulatory organization must establish procedures for determining whether any member of its governing board, disciplinary committees or oversight committees is subject to a conflicts restriction under this section in any significant action. Such determination must include a review of:

(A) Gross positions held at that self-regulatory organization in the member's personal accounts or "controlled accounts," as defined in § 1.3(j);

(B) Gross positions held at that self-regulatory organization in proprietary accounts, as defined in § 1.17(b)(3), at the member's affiliated firm;

(C) Gross positions held at that self-regulatory organization in accounts in which the member is a principal, as defined in § 3.1(a);

(D) Net positions held at that self-regulatory organization in "customer" accounts, as defined in § 1.17(b)(2), at the member's affiliated firm; and,

(E) Any other types of positions, whether maintained at that self-regulatory organization or elsewhere, held in the member's personal accounts or the proprietary accounts of the member's affiliated firm that the self-regulatory organization reasonably expects could be affected by the significant action.

(iv) *Bases for determination.* Taking into consideration the exigency of the significant action, such determinations should be based upon:

(A) The most recent large trader reports and clearing records available to the self-regulatory organization;

(B) Information provided by the member with respect to positions pursuant to paragraph (b)(2)(ii) of this section; and,

(C) Any other source of information that is held by and reasonably available to the self-regulatory organization.

(3) *Participation in deliberations.* (i) Under the rules required by this section, a self-regulatory organization governing board, disciplinary committee or oversight panel may permit a member to participate in deliberations prior to a vote on a significant action for which he or she otherwise would be required to abstain, pursuant to paragraph (b)(2) of this section, if such participation would be consistent with the public interest and the member recuses himself or herself from voting on such action.

(ii) In making a determination as to whether to permit a member to participate in deliberations on a significant action for which he or she otherwise would be required to abstain, the deliberating body shall consider the following factors:

(A) Whether the member's participation in deliberations is necessary for the deliberating body to achieve a quorum in the matter; and

(B) Whether the member has unique or special expertise, knowledge or experience in the matter under consideration.

(iii) Prior to any determination pursuant to paragraph (b)(3)(i) of this section, the deliberating body must fully consider the position information which is the basis for the member's direct and substantial financial interest in the result of a vote on a significant action pursuant to paragraph (b)(2) of this section.

(4) *Documentation of determination.* Self-regulatory organization governing boards, disciplinary committees, and oversight panels must reflect in their minutes or otherwise document that the conflicts determination procedures required by this section have been followed. Such records also must include:

(i) The names of all members who attended the meeting in person or who

§ 1.70

otherwise were present by electronic means;

(ii) The name of any member who voluntarily recused himself or herself or was required to abstain from deliberations and/or voting on a matter and the reason for the recusal or abstention, if stated; and

(iii) Information on the position information that was reviewed for each member.

(ii) Applicants for registration as a futures commission merchant or introducing broker must accompany their Form 7-R with a Form 1-FR-FCM or Form 1-FR-IB, respectively, in accordance with the provisions of § 1.10 of this chapter: *Provided, however,* That an applicant for registration as a futures commission merchant or introducing broker which is registered with the Securities and Exchange Commission as a securities broker or dealer may accompany its Form 7-R with a copy of its Financial and Operational Combined Uniform Single Report under the Securities Exchange Act of 1934, Part II or Part II A, in accordance with the provisions of § 1.10(h) of this chapter.

(iii) Applicants for registration as a commodity pool operator must accompany their Form 7-R with the financial statements described in § 4.13(c) of this chapter.

(iv) Applicants for registration as a leverage transaction merchant must accompany their Form 7-R with a

Form 2-FR in accordance with the provisions of §31.13 of this chapter.

(2)(i) Each Form 7-R filed in accordance with the requirements of paragraph (a)(1)(i) of this section must be accompanied by a Form 8-R, completed in accordance with the instructions thereto and executed by each natural person who is a principal of the applicant, and must be accompanied by the fingerprints of that principal on a fingerprint card provided by the National Futures Association for that purpose, unless such principal is a director who qualifies for the exemption from the fingerprint requirement pursuant to §3.21(c) of this part. The provisions of paragraph (a)(2)(i) of this section do not apply to any principal who has a current Form 8-R on file with the Commission or the National Futures Association.

(ii) In the case of an applicant with a principal that is not a natural person, the applicant's Form 7-R must also be accompanied by a Form 8-R, completed in accordance with the instructions thereto and executed by each natural person who is the holder or beneficial owner of ten percent or more of the outstanding shares of any class of stock or has contributed ten percent or more of the capital of the entity that is a non-natural person principal listed on the Form 7-R of the applicant, and must be accompanied by the fingerprints of such natural person on a fingerprint card provided by the National Futures Association for that purpose: *Provided, however,* That the provisions of paragraph (a)(2)(ii) of this section shall not apply if the non-natural person principal files reports under the Securities Exchange Act of 1934, has filed a registration statement under the Securities Act of 1933, is subject to regulation by the Securities and Exchange Commission, is an insurance company subject to regulation by any State, or is a bank or any other financial depository institution subject to regulation by any State or the United States. However, if such natural person is a foreign national who is regulated by a foreign futures authority that provides information concerning facts which would constitute a potential statutory disqualification and whether such person is in good standing with the foreign futures authority to the National Futures Association, has been granted relief under §30.10 of this chapter, or is employed by or a principal of a firm which has been granted relief under §30.10 of this chapter, the National Futures Association may waive the requirement to file a Form 8-R and a fingerprint card. In appropriate cases, the Commission and the National Futures Association may require further information from the applicant with respect to any natural person or entities referred to in paragraph (a)(2)(ii) of this section.

(b) *Duration of registration.* (1) A person registered as a futures commission merchant, introducing broker, commodity trading advisor, commodity pool operator or leverage transaction merchant in accordance with paragraph (a) of this section will continue to be so registered until the effective date of any revocation or withdrawal of such registration. (2) A person registered as an introducing broker who was a party to a guarantee agreement with a futures commission merchant in accordance with §1.10(j) of this chapter will have its registration cease thirty days after the termination of such guarantee agreement unless the procedures set forth in §1.10(j)(8) of this chapter are followed.

(d) *Annual filing.* Any person registered as a futures commission merchant, introducing broker, commodity trading advisor, commodity pool operator or leverage transaction merchant in accordance with paragraph (a) of this section must file with the National Futures Association a Form 7-R, completed in accordance with the instructions thereto, annually on a date specified by the National Futures Association. The failure to file the Form 7-R within thirty days following such date shall be deemed to be a request for withdrawal from registration. #### **§3.11 Registration of floor brokers and floor traders.**

(a) *Application for registration.* (1) Application for registration as a floor broker or floor trader must be on Form 8-R, completed and filed with the National Futures Association in accordance with the instructions thereto. Each Form 8-R filed in accordance with paragraph (a) of this section must be accompanied by the fingerprints of the applicant on a fingerprint card provided for that purpose by the National Futures Association, except that a fingerprint card need not be filed by any applicant who has a current Form 8-R on file with the Commission or the National Futures Association.

(2) An applicant for registration as a floor broker or floor trader will not be registered or issued a temporary license as a floor broker or floor trader unless the applicant has been granted trading privileges by a board of trade

designated as a contract market by the Commission. A temporary license issued to an applicant for registration as a floor broker who has not been registered as a floor broker within the preceding sixty days will permit such applicant to act in the capacity of a floor trader only.

(3) When the Commission or the National Futures Association determines that an applicant for registration as a floor broker or floor trader is not disqualified from such registration or temporary license, the National Futures Association will provide notification in writing to the applicant and to any contract market that has granted the applicant trading privileges that the applicant's registration or temporary license as a floor broker or floor trader is granted.

(b) *Duration of registration.* A person registered as a floor broker or floor trader in accordance with paragraphs (a) or (c) of this section, and whose registration has neither been revoked nor withdrawn, will continue to be so registered unless such person's trading privileges on all contract markets have ceased: *Provided, That* if a floor broker or floor trader whose trading privileges on all contract markets have ceased for reasons unrelated to any Commission action or any contract market disciplinary proceeding and whose registration is not revoked, suspended or withdrawn is granted trading privileges as a floor broker or floor trader, respectively, by any contract market where he held such privileges within the preceding sixty days, such registration as a floor broker or floor trader, respectively, shall be deemed to continue and no new Form 8-R or Form 3-R need be filed solely on the basis of the resumption of trading privileges. A floor broker or floor trader is prohibited from engaging in activities requiring registration under the Act or from representing himself to be a registrant under the Act or the representative or agent of any registrant during the pendency of any suspension of such registration or of all such trading privileges. Sponsor Certification Statement signed by the new supervising registrant, principal or contract market (who must meet the requirements set forth in §3.60(b)(2)(i) (A) and (C)) that contains conditions identical to those agreed to by the previous supervising registrant, principal or contract market, provided that such person includes written certifications stating that:

(A) The person's registration as a floor trader is not suspended or revoked; and

(d) *Review of floor broker or floor trader registration information.* Every three years, the National Futures Association shall provide each floor broker and floor trader with a printout of information contained in the National Futures Association's registration database regarding such registrant. This printout shall be promptly reviewed by the floor broker or floor trader. If the information contained therein is correct, the floor broker or floor trader need not take any further action. If the information contained therein is incorrect, the floor broker or floor trader must indicate what changes are necessary and return the printout promptly to the National Futures Association with appropriate changes. The failure of a registrant to return the printout will be deemed to constitute recertification of the registration information contained therein: *Provided, however,* That the failure to return the printout promptly to the National Futures Association with appropriate changes, if necessary, shall be deemed a violation of this rule under the Act.

### § 3.32 Changes requiring new registration; addition of principals.

(a)(1) Except as otherwise provided in this section, if the registrant is a futures commission merchant, introducing broker, commodity pool operator, commodity trading advisor or leverage transaction merchant, registration is deemed to terminate and a new registration is required whenever a person not listed on the registrant's application for registration (or amendment of such application prior to the granting of registration):

(i) Becomes the holder or beneficial owner of ten percent or more of the outstanding shares of any class of stock or acquires the right to vote ten percent or more of the corporate registrant's voting securities;

(ii) Becomes entitled to receive ten percent or more of the registrant's profits;

(iii) Contributes ten percent or more of the capital: *Provided, however,* That if such capital contribution consists of subordinated debt contributed by an unaffiliated bank insured by the Federal Deposit Insurance Corporation, United States branch or agency of an unaffiliated foreign bank that is licensed under the laws of the United States and regulated, supervised and examined by United States government authorities having regulatory responsibility for such financial institutions, or insurance company regulated by any State, the termination of registration shall be deemed not to have occurred and the re-registration requirement shall not apply, provided such debt is not guaranteed by another party not listed as a principal;

(iv) Becomes a director of the corporate registrant;

(v) Becomes the chief executive officer of the corporate registrant or occu-

pies a position of similar status or performs a similar function;

(vi) Acquires ownership of the registrant's business in the case of a sole proprietorship; or

(vii) Becomes a general partner of the registrant in the case of a partnership.

(2)(i) If the person who becomes a principal of the registrant because of an event described in paragraphs (a)(1)(i), (a)(1)(ii), or (a)(1)(iii) of this section is a non-natural person and each natural person who would be deemed a principal, under the definition set forth in § 3.1(a) of this part, of the entity that is a non-natural person has a current Form 8-R on file with the Commission or the National Futures Association, the registrant's registration shall not be deemed to terminate and a new Form 7-R need not be filed: *Provided, however,* That within twenty days of the occurrence of the event described in paragraphs (a)(1)(i), (a)(1)(ii), or (a)(1)(iii) of this section, the registrant must notify the National Futures Association of the name of such added principal on Form 3-R and must file written certifications with the National Futures Association stating:

(A) The ultimate day-to-day control of the registrant remains the same,

(B) The addition of the new principal will not affect the conduct or the day-to-day operations of the registrant, and

(C) The insertion of the new principal into the chain of ownership is not being done for the purpose, and will not have the effect, of limiting any liability of the registrant.

(ii) If the principals of the new non-natural person principal of the registrant are also non-natural person principals, the registrant's registration shall not be deemed to terminate and a new Form 7-R need not be filed only if the registrant files a Form 8-R and fingerprints for each natural person who is the holder or beneficial owner of ten percent or more of the outstanding shares of any class of stock or has contributed ten percent or more of the capital of such latter non-natural persons: *Provided, however,* That the provisions of paragraph (a)(2)(ii) of this section shall not apply if the non-natural person principal files reports under the Securities Exchange Act of 1934, has

filed a registration statement under the Securities Act of 1933, is subject to regulation by the Securities and Exchange Commission, is an insurance company subject to regulation by any State, or is a bank or any other financial depository institution subject to regulation by any State or by the United States. The provisions of paragraph (a)(2)(ii) of this section do not apply to any natural person who has a current Form 8-R on file with the Commission or the National Futures Association. However, if such natural person is a foreign national who is regulated by a foreign futures authority that provides information concerning facts which would constitute a potential statutory disqualification and whether such person is in good standing with the foreign futures authority to the National Futures Association, has been granted relief under § 30.10 of this chapter, or is employed by or a principal of a firm which has been granted relief under § 30.10 of this chapter, the National Futures Association may waive the requirement to file a Form 8-R and a fingerprint card. In appropriate cases, the Commission and the National Futures Association may require further information from the registrant with respect to any natural persons or entities referred to in paragraph (a)(2)(ii) of this section.

(3) If a registrant adds a new director, the registrant's registration shall not be deemed to terminate and a new Form 7-R need not be filed pursuant to paragraph (a)(1)(iv) of this section if a majority of the board of directors remains the same and the registrant, within twenty days after the election of the director, files with the National Futures Association:

(i) A Form 8-R, completed in accordance with the instructions thereto and executed by the new director, accompanied by the fingerprints of that principal on a fingerprint card provided by the National Futures Association for that purpose (unless such director qualifies for the exemption from the fingerprint requirement pursuant to § 3.21(c) of this part), unless the new director has a current Form 8-R on file with the National Futures Association or the Commission;

(ii) A Form 3-R amending the registrant's Form 7-R to identify the new director and, if such new director has a current Form 8-R on file with the National Futures Association or the Commission, a statement to that effect; and

(iii) A corporate resolution prohibiting the new director from exercising any authority or voting privilege as a director with respect to the conduct of the registrant's commodity interest related business until the National Futures Association has completed its fitness inquiry and has determined that the new director is not unfit to act as a principal of the registrant.

(b) Application for a new registration required under paragraph (a) of this section must be on Form 7-R, completed and filed with the National Futures Association in accordance with the instructions thereto.

(c) Notwithstanding any other provision of this part, each Form 7-R filed in accordance with paragraph (b) of this section must be accompanied by a Form 8-R, completed in accordance with the instructions thereto and executed by each natural person who is a principal of the registrant and who was not listed on the registrant's initial application for registration or any amendment thereto. The Form 8-R for each such principal must be accompanied by the fingerprints of that principal on a fingerprint card provided by the National Futures Association for that purpose, unless such principal is a director who qualifies for the exemption from the fingerprint requirement pursuant to § 3.21(c) of this part.

(d) In the event of a change requiring the filing of an application for registration pursuant to paragraph (a) of this section, if each person not listed as a principal on the registrant's initial application or any amendment thereto currently is registered in any capacity or is a principal of a current Commission registrant with respect to whom the registrant has made all necessary filings under this part, such registration shall not terminate until the earliest of:

(1) 90 days from the date that such change occurred; or

(2) Notification by the National Futures Association of the granting of the new registration; or

(3) Five days after service upon the registrant of a notice by the National Futures Association that the registrant may be found subject to a statutory disqualification from registration.

(e)(1) Except where a registrant chooses to file an application pursuant to paragraph (d) of this section, if applicable, in the event of a change as described in paragraph (a)(1)(v) of this section, a new registration will not be required if the registrant submits a written notice on Form 3-R to the National Futures Association prior to the date of such change in control (and such change does not occur until the registrant receives written approval from the National Futures Association) and includes with such notice a Form 8-R, completed in accordance with the instructions thereto and executed by the registrant's new chief executive officer or person occupying a position of similar status or performing a similar function. The Form 8-R for such individual must be accompanied by the fingerprints of that individual on a fingerprint card provided for that purpose by the National Futures Association: *Provided, however,* That a fingerprint card need not be provided under this paragraph for any individual who has a current Form 8-R on file with the National Futures Association or the Commission.

(2) No person who submits written notification in accordance with the provisions of paragraph (e)(1) of this section may become so affiliated with such registrant until that registrant receives a written confirmation from the National Futures Association that such affiliation has been approved.

(f) All documents submitted pursuant to this section shall be filed with the National Futures Association.

(g) Notwithstanding the provisions of § 3.12(a), if a new registration is granted under this section, any person who is registered, or who has submitted an application for registration, as an associated person of the registrant on or prior to the date of any event described in paragraph (a) of this section, shall be deemed to be registered, or to have

submitted an application for registration, as an associated person of such new registrant.

(h) Except as otherwise provided in this section, within twenty days after any natural person becomes a principal of an applicant for registration subsequent to the filing of a Form 7-R in accordance with the requirements set forth in § 3.10(a) of this part, the applicant for registration must file a Form 8-R with the National Futures Association. The Form 8-R must be completed by such principal in accordance with the instructions thereto and must be accompanied by the fingerprints of that principal on a fingerprint card provided for that purpose by the National Futures Association, unless such principal is a director who qualifies for the exemption from the fingerprint requirement pursuant to § 3.21(c) of this part. This filing need not be made for any such principal who has a current Form 8-R on file with the National Futures Association or the Commission: *Provided,* That within twenty days the applicant for registration must notify the National Futures Association of the name of such added principal on Form 3-R.

(i)(1) Any person adversely affected by the operation of this section may file a petition with the Secretary of the Commission, which petition must set forth with particularity the reasons why that person believes that it should be exempted from the requirements of this section and why such an exemption would not be contrary to the public interest and the purposes of this section. The petition will be granted or denied by the Commission on the basis of the papers filed. The Commission may grant such a petition if it finds that the exemption is not contrary to the public interest and the purposes of this section. The petition may be granted subject to such terms and conditions as the Commission may find appropriate.

(2)(i) Until such time as the Commission orders otherwise, the Commission hereby delegates to the Director of the Division of Trading and Markets or the Director's designee the authority to grant or deny petitions filed pursuant to paragraph (i) of this section.

#### §§ 3.52–3.54 [Reserved]

#### § 3.55 Suspension and revocation of registration pursuant to section 8a(2) of the Act.

(a) *Notice.* On the basis of information obtained by the Commission, the Commission may at any time serve notice upon a registrant in any capacity under the Act that:

(1) The Commission alleges and is prepared to prove that the registrant is subject to one or more of the statutory disqualifications set forth in section 8a(2) of the Act;

(2) An Administrative Law Judge shall make a determination, based upon written evidence, as to whether the registrant is subject to such statutory disqualification; and

(3) If the registrant is found to be subject to a statutory disqualification, the registration of the registrant may be suspended and the registrant ordered to show cause why such registration should not be revoked.

(b) *Written submission.* If the registrant wishes to challenge the accuracy of the allegations set forth in the notice, the registrant may submit written evidence limited to the type described in §3.60(b)(1) of this part. Such written submission must be served upon the Division of Enforcement and filed with the Proceedings Clerk within twenty days of the date of service of notice to the registrant.

(c) *Reply.* Within ten days of receipt of any written submission filed by the registrant, the Division of Enforcement may serve upon the registrant and file with the Proceedings Clerk a reply.

(d) *Determination by Administrative Law Judge.* A determination by the Administrative Law Judge as to whether the registrant is subject to a statutory disqualification must be based upon the evidence of the statutory disqualification, notice with proof of service, the written submission, if any, filed by the registrant in response thereto, any written reply submitted by the Division of Enforcement and such other papers as the Administrative Law Judge may require or permit.

(e) *Suspension and order to show cause.*  
 (1) If the registrant is found to be subject to a statutory disqualification, the Administrative Law Judge, within thirty days after receipt of the registrant's written submission, if any, and any reply thereto, shall issue an interim order suspending the registration of the registrant and requiring the registrant to show cause within twenty days of the date of the order why, notwithstanding the existence of the statutory disqualification, the registration of the registrant should not be revoked. The registration of the registrant shall be suspended, effective five days after the order to show cause is served upon the registrant in accordance with §3.50(a), until a final order

with respect to the order to show cause has been issued: *Provided, That* if the sole basis upon which the registrant is subject to statutory disqualification is the existence of a temporary order, judgment or decree of the type described in section 8a(2)(C) of the Act, the order to show cause shall not be issued and the registrant shall be suspended until such time as the temporary order, judgment or decree shall have expired: *Provided, however,* That in no event shall the registrant be suspended for a period to exceed six months.

(2) If the registrant is found not to be subject to a statutory disqualification, the Administrative Law Judge shall issue an order to that effect and the Proceedings Clerk shall promptly serve a copy of such order on the registrant, the Division of Trading and Markets and the Division of Enforcement. Such order shall be effective as a final order of the Commission fifteen days after the date it is served upon the registrant in accordance with the provisions of §3.50(a) of this part unless a timely application for review is filed in accordance with §10.102 of this chapter. The appellate procedures set forth in §§10.102, 10.103, 10.104, 10.106, 10.107 and 10.109 of this chapter shall apply to any appeal brought under paragraph (e)(2) of this section.

(f) *Further proceedings.* If an order to show cause is issued pursuant to paragraph (e)(1) of this section, further proceedings on such order shall be conducted in accordance with the provisions of §3.60(b)-(j) of this part.

**§3.56 Suspension or modification of registration pursuant to section 8a(11) of the Act.**

(a) *Notice.* (1) On the basis of information obtained by the Commission, the Commission may at any time serve written notice upon a registrant in any capacity under the Act that:

(i) The Commission alleges and is prepared to prove, by reference to an information, indictment or complaint authorized by a United States Attorney or an appropriate official of any State that the registrant is charged

with the commission of or participation in a crime involving a violation of the Act or a violation of any other provision of Federal or State law that would reflect on the honesty or the fitness of the person to act as a fiduciary that is punishable by imprisonment for a term exceeding one year, and that continued registration of the person may pose a threat to the public interest or may threaten to impair public confidence in any market regulated by the Commission;

(ii) An Administrative Law Judge shall make a determination, based upon written evidence and any oral hearing granted, as to whether the registrant is charged with the Commission of or participation in such a crime and whether the continued registration of the person may pose a threat to the public interest or may threaten to impair public confidence in any market regulated by the Commission; and

(iii) If the registrant is found to be charged with the commission of or participation in such a crime and it is found that the continued registration of the person may pose a threat to the public interest or may threaten to impair public confidence in any market regulated by the Commission, the registration of the registrant shall be suspended or modified.

(2) The notice referred to in paragraph (a) of this section shall include a short and plain statement that the continued registration of the registrant may pose a threat to the public interest or may threaten to impair public confidence in any market regulated by the Commission.

(b) *Response.* (1) If the registrant wishes to challenge the accuracy of the allegations in the notice, the registrant may submit written evidence as to:

- (i) The registrant's identity;
- (ii) The existence of a clerical error in any record documenting the information, indictment or complaint;
- (iii) The nature of the information, indictment or complaint; or

(iv) The statement accompanying the notice referred to in paragraph (a)(2) of this section and, in an effort to have his registration modified rather than suspended, the Supplemental Sponsor Certification Statement signed by a

sponsor, supervising floor broker or, in the case of a floor trader, a supervising registrant, principal or contract market, as appropriate for the registrant in accordance with § 3.60(b)(2)(i) and who meets the standard set forth in § 3.60(b)(2)(i)(A) and (C).

(2) The registrant may also request an oral hearing, which shall include a statement of the issues to be addressed, a list of any witnesses to be called, a summary of the testimony to be elicited and copies of any documents to be introduced. An oral hearing shall be granted upon request.

(3) Such written submissions must be served upon the Division of Enforcement and filed with the Proceedings Clerk within twenty days of the date of service of notice to the registrant under paragraph (a) of this section.

(c) *Reply.* Within ten days of receipt of any written submission filed by the registrant, the Division of Enforcement may serve upon the registrant and file with the Proceedings Clerk a reply.

(d) *Oral hearing.* An oral hearing shall be conducted pursuant to such sections of the Commission's Rules of Practice, 17 CFR part 10, as the Administrative Law Judge deems necessary and in a manner which shall ensure that the proceeding is resolved expeditiously.

(e) *Determination by Administrative Law Judge.* (1) A determination by the Administrative Law Judge as to whether the Division of Enforcement has shown by a preponderance of the evidence that the registrant is charged with the commission of or participation in a crime as set forth in the notice and that the continued registration of the registrant may pose a threat to the public interest or may threaten to impair public confidence in any market regulated by the Commission must be based upon the evidence of service, the response, if any, filed by the registrant, any written reply submitted by the Division of Enforcement and such other papers as the Administrative Law Judge may require or permit, and the oral hearing, if any. If the Division of Enforcement has made the required showings, the Administrative Law Judge, within thirty days after the last written submission or the oral hearing, shall issue an order suspending or modifying the registration

of the registrant. If the Division of Enforcement has not made the required showings, the Administrative Law Judge, within thirty days after the last written submission or the oral hearing, shall issue an order to that effect. The Administrative Law Judge's order shall include a written determination setting forth the basis for his ruling.

(2) The Proceedings Clerk shall promptly serve a copy of such order on the registrant, the Division of Trading and Markets and the Division of Enforcement. Such Order shall be effective as a final order of the Commission fifteen days after the date it is served upon the registrant in accordance with the provisions of §3.50(a) unless a timely application for review is filed in accordance with §10.102 of this chapter. The appellate procedures set forth in §§10.102, 10.103, 10.104, 10.106, 10.107 and 10.109 of this chapter shall apply to any appeal brought under paragraph (e)(2) of this section.

(f) Any order of suspension or modification issued under this section shall remain in effect until such information, indictment, or complaint is disposed of or until terminated by the Commission.

(g) On disposition of such information, indictment, or complaint, the Commission may issue and serve on such registrant a notice under §3.55 or §3.60 to suspend, restrict, or revoke the registration of such person.

(h) A finding of not guilty or other disposition of the charge shall not preclude the Commission from thereafter instituting any other proceedings under the Act or its rules.

(i) A person aggrieved by an order issued under this section may obtain review of such order in the same manner and on the same terms and conditions as are provided in section 6(c) of the Act.

[58 FR 19595, Apr. 15, 1993, as amended at 60 FR 54801, Oct. 26, 1995]

**§3.57 Proceedings under section 8a(2)(E) of the Act.**

The Commission will not initiate a proceeding under section 8a(2)(E) of the Act, if *respondet superior* is the sole basis upon which the registrant may be found subject to a statutory disqualification.

**§3.60 Procedure to deny, condition, suspend, revoke or place restrictions upon registration pursuant to sections 8a(2), 8a(3) and 8a(4) of the Act.**

(a) *Notice.* On the basis of information obtained by the Commission, the Commission may at any time give written notice to any applicant for registration or any registrant in any capacity under the Act that:

(1) The Commission alleges and is prepared to prove that the registrant or applicant is subject to one or more of the statutory disqualifications set forth in section 8a(2), 8a(3) or 8a(4) of the Act;

(2) The allegations set forth in the notice, if true, constitute a basis upon which registration may be denied, granted upon conditions, suspended, revoked or restricted;

(3) The applicant or registrant is entitled to file a response within thirty days of the date of service of the notice to challenge the evidentiary basis of the statutory disqualification set forth in the notice or show cause why, notwithstanding the accuracy of those allegations, registration should nevertheless be granted, or granted upon condition, or should not be conditioned, suspended, revoked or restricted; and

(4) If the applicant or registrant does not file a timely response to the notice:

(i) The applicant or registrant will be deemed to have waived his right to a hearing on all issues and the facts stated in the notice shall be deemed to be true and conclusive for the purpose of finding that the applicant or registrant is subject to a statutory disqualification under sections 8a(2), 8a(3) or 8a(4) of the Act; and

(ii) A presiding officer may thereafter decide whether to issue an order of default in accordance with paragraph (g) of this section to deny, condition, suspend, revoke, or place restrictions upon registration based solely upon the facts set forth in the notice.

(b) *Response.* Within thirty days after service upon the applicant or registrant of a notice issued in accordance with the provisions of paragraph (a) of this section, the applicant or registrant shall file a response with the Proceedings Clerk and serve a copy of

the response on the Division of Enforcement.

(1) In the response, the applicant or registrant shall state whether he challenges the evidentiary basis of the statutory disqualification set forth in the notice. The grounds for such a challenge shall include evidence as to:

- (i) The applicant's or registrant's identity,
- (ii) The existence of a clerical error in any record documenting the statutory disqualification,
- (iii) The nature or date of the statutory disqualification,
- (iv) The post-conviction modification of any record of conviction, or
- (v) The favorable disposition of any appeal.

The applicant or registrant shall state the nature of each challenge and submit a verified statement or affidavit to support facts material to each challenge raised in the response.

(2)(i) In the response, if the person is not an associated person, a floor broker or a floor trader or an applicant for registration in any of those capacities, the applicant or registrant shall also state whether he intends to show that registration would not pose a substantial risk to the public despite the existence of the disqualification set forth in the notice. If the person is an associated person, a floor broker or a floor trader or an applicant for registration in any of those capacities, the applicant or registrant shall also state whether he intends to show that full, conditioned or restricted registration would not pose a substantial risk to the public despite the existence of the disqualification set forth in the notice. If the person is an associated person or an applicant for registration as an associated person and intends to make such a showing, he must also submit a letter signed by an officer or general partner authorized to bind the sponsor whereby the sponsor agrees to sign a Supplemental Sponsor Certification Statement and supervise compliance with any conditions or restrictions that may be imposed on the applicant or registrant as a result of a statutory disqualification proceeding under this section; if the person is a floor broker or a floor trader or an applicant for registration in either capacity and in-

tends to make such a showing, he must, in the case of a floor broker or applicant for registration as a floor broker, also submit a letter signed by his employer or if he has no employer by another floor broker or, in the case of a floor trader or applicant for registration as a floor trader, also submit a letter signed by an officer of the floor trader's clearing member, if such officer is a registrant or a principal of a registrant, or the chief operating officer of each contract market that has granted trading privileges, whereby the employer or floor broker, appropriate registrant, principal or contract market chief operating officer (on behalf of the contract market) agrees to sign a Supplemental Sponsor Certification Statement and supervise compliance with any conditions or restrictions that may be imposed on the applicant or registrant as a result of a statutory disqualification proceeding under this section: *Provided, That*, with respect to such sponsor, supervising employer or floor broker, supervising registrant or principal:

(A) An adjudicatory proceeding pursuant to the provisions of sections 6(c), 6(d), 6c, 6d, 8a or 9 of the Act is not pending; and

(B) In the case of a sponsor which is a futures commission merchant or a leverage transaction merchant, the sponsor is not subject to the reporting requirements of §1.12(b) or §31.7(b) of this chapter, respectively; and

(C) Such person is not barred from service on self-regulatory organization governing boards or committees based on disciplinary history in accordance with §1.63 of this chapter.

(ii) If, in the response, the applicant or registrant states that he intends to make the showing referred to in paragraph (b)(2)(i) of this section, he shall also, within fifteen days after filing his initial response under paragraph (b) of this section, file with the Proceedings Clerk and serve a copy on the Division of Enforcement a submission which includes a statement of the applicant, registrant or his attorney identifying and summarizing the testimony of each witness whom the applicant or registrant intends to have testify in support of facts material to his showing, and copies of all documents which the

applicant or registrant intends to introduce to support facts material to his showing. The factors forming the basis for a disqualified applicant's or registrant's showing referred to in paragraph (b)(2)(i) of this section may include:

(A) Evidence mitigating the seriousness of the wrongdoing underlying the statutory disqualification set forth in the notice;

(B) Evidence that the applicant or registrant has undergone rehabilitation since the time of the wrongdoing underlying the statutory disqualification; and

(C) If the person is an associated person, floor broker or floor trader or an applicant for registration in any of those capacities, evidence that the applicant's or registrant's registration on a conditioned or restricted basis would be subject to supervisory controls likely both to detect future wrongdoing by the applicant or registrant and protect the public from any harm arising from the applicant's or registrant's future wrongdoing, including proposed conditions or restrictions.

(c) *Reply.* Within thirty days after the latter of the date the applicant or registrant serves a copy of the response on the Division of Enforcement (if no further submission is to be made in accordance with paragraph (b)(2)(ii) of this section), or the date the applicant or registrant serves a copy of the further submission made in accordance with paragraph (b)(2)(i) of this section on the Division of Enforcement, the Division of Enforcement shall file a reply thereto with the Proceedings Clerk and serve a copy of the reply on the applicant or registrant. The Division of Enforcement's reply shall include either:

(1) A motion for summary disposition stating that there are no genuine issues of material fact to be determined and that registration should be denied or revoked, based upon the applicant's or registrant's response and further submission, if any, and any other materials which are attached to the reply and would be admissible under § 10.91 of this chapter; or

(2) A description of factual issues raised in the applicant's or registrant's response and further submission, if any, that the Division of Enforcement

regards as material and disputed. Such a reply shall also include the identity and a summary of the expected testimony of each witness whom the Division intends to have testify, and copies of all documents which the Division intends to introduce.

(d) *Oral Presentation.* Within thirty days of the date the Division of Enforcement files its reply in accordance with the provisions of paragraph (c) of this section to the applicant's or registrant's response and further submission, if any, the Administrative Law Judge shall issue an order:

(1) If the Administrative Law Judge finds, based on the motion for summary disposition, that a party is entitled to judgment as a matter of law, granting, denying, suspending, or revoking the registration of an applicant or registrant, or dismissing the notice issued in accordance with paragraph (a) of this section, and such order shall be made in accordance with the standards set forth in paragraphs (e) and (f) of this section; or

(2) Notifying the parties of a time and place of hearing. At such hearing, the parties shall be limited to presentation of witnesses and documents listed in previous filings except, for good cause shown, the parties may request that the witness and document lists be supplemented for purposes of rebuttal. Such oral hearing shall be conducted in accordance with §§ 10.61-10.81 and 10.83 of this chapter. The Administrative Law Judge shall file an initial decision after completion of the oral hearing in accordance with the standards set forth in paragraphs (e) and (f) of this section.

(3) Upon notice that the Administrative Law Judge has concluded that an oral presentation is appropriate, the parties may elect to participate by telephone in accordance with the terms set forth in § 12.209(b) of this chapter. To effect such an election, the party shall file a notice with the Proceedings Clerk and serve a copy on all opposing parties within fifteen days of the date the Administrative Law Judge's notice is served. The filing of an election to participate by telephone will be deemed a waiver of the party's right to

a full oral hearing on the parties' material disputes of fact. The Administrative Law Judge shall schedule a telephonic hearing only if all parties to the proceeding elect such a procedure. The Administrative Law Judge shall conduct such a hearing in accordance with § 12.209(b) of this chapter. Following the hearing, the Administrative Law Judge shall issue a written decision in accordance with the standards set forth in paragraphs (e) and (f) of this section.

(e) *Determination by Administrative Law Judge—Standards of Proof.* The Administrative Law Judge's written determination shall specifically consider whether the Division of Enforcement has shown by a preponderance of the evidence that the applicant or registrant is subject to the statutory disqualification set forth in the notice issued by the Commission and, where appropriate:

(1) In actions involving statutory disqualifications set forth in section 8a(2) of the Act, whether the applicant or registrant has made a clear and convincing showing that full, conditioned or restricted registration would not pose a substantial risk to the public despite the existence of the statutory disqualification; or

(2) In actions involving statutory disqualifications set forth in sections 8a(3) or 8a(4) of the Act, whether the applicant or registrant has shown by a preponderance of the evidence that full, conditioned or restricted registration would not pose a substantial risk to the public despite the existence of the statutory disqualification.

(f) *Determination of Administrative Law Judge—Findings.* In making his written determination, the Administrative Law Judge shall set forth the facts material to his conclusion and provide an explanation of his decision in light of the statutory disqualification set forth in the notice and, where appropriate, his findings regarding:

(1) Evidence mitigating the seriousness of the wrongdoing underlying the applicant's or registrant's statutory disqualification;

(2) Evidence that the applicant or registrant has undergone rehabilitation since the time of the wrongdoing underlying the statutory disqualification; and

(3) If the person is an associated person, a floor broker or a floor trader or an applicant for registration in any of those capacities, evidence that the applicant's or registrant's registration on a conditioned or restricted basis would be subject to supervisory controls likely both to detect future wrongdoing by the applicant or registrant and protect the public from any harm arising from future wrongdoing by the applicant or registrant. Any decision providing for a conditioned or restricted registration shall take into consideration the applicant's or registrant's statutory disqualification and the time period remaining on such statutory disqualification, and shall fix a time period after which the registrant and his sponsor, supervising employer or floor broker, or supervising registrant, principal or contract market may petition to lift or modify the conditions or restrictions in accordance with § 3.64.

(g) *Default.* The procedures for obtaining a default order and the setting aside of a default order in a proceeding instituted under this section shall follow the procedures set forth in §§ 10.93 and 10.94 of this chapter.

(h) *Settlements.* (1) *When offers may be made.* Parties may, at any time during the course of the proceeding, propose offers of settlement. All offers of settlement shall be in writing.

(2) *Content of offer.* Each offer of settlement made by a respondent shall:

(i) Acknowledge service of the notice;

(ii) Admit the jurisdiction of the Commission with respect to the matters set forth in the notice;

(iii) Include a waiver of:

(A) A hearing,

(B) All post-hearing procedures,

(C) Judicial review, and

(D) Any objection to the staff's participation in the Commission's consideration of the offer;

(iv) Stipulate the record basis on which an order may be entered, which may consist solely of the notice and any findings contained in the offer of settlement; and

(v) Consent to the entry of an order reflecting the terms of settlement agreed upon, including, where appropriate:

(A) Findings that the respondent is subject to statutory disqualification

under sections 8a(2), 8a(3), or 8a(4) of the Act, and

(B) The revocation, suspension, denial or granting of full registration or imposition of conditioned or restricted registration.

(3) *Submission of offer.* Offers of settlement made by a respondent shall be submitted in writing to the Division of Enforcement, which shall present them to the Commission with the Division's recommendation. The respondent will be informed if the recommendation will be unfavorable, in which event the offer shall not be presented to the Commission unless the respondent so requests. Any offer of settlement not presented to the Commission shall be null and void with respect to any acknowledgment, admission, waiver, stipulation or consent contained in the offer and shall not be used in any manner in the proceeding by any party thereto.

(4) *Acceptance of offer.* The offer of settlement will only be deemed accepted upon issuance by the Commission of an opinion and order based on the offer. Upon issuance of the opinion and order, the proceeding shall be terminated as to the respondent involved and so noted on the docket by the Proceedings Clerk.

(5) *Rejection of offer.* When an offer of settlement is rejected, the party making the offer shall be notified by the Division of Enforcement and the offer of settlement shall be deemed withdrawn. A rejected offer of settlement and any documents relating thereto shall not constitute a part of the record in the proceeding; and the offer will be null and void with respect to any acknowledgment, admission, waiver, stipulation or consent contained in the offer and shall not be used in any manner in the proceeding by any party thereto.

(i) *Effect of the Administrative Law Judge's Determination.* The Administrative Law Judge's written determination shall become the final decision of the Commission thirty days following the date the Proceedings Clerk serves the determination on the parties unless:

(1) One or more of the parties files and serves a timely notice of appeal in accordance with §10.102 of this chapter; or

(2) The Commission issues an order staying the effective date of the determination and notifying the parties of its intention to undertake sua sponte review in accordance with §10.105 of this chapter.

(j) *Appeal.* Following the filing of a notice of appeal, the rules of appellate procedure set forth in §§10.102, 10.103, 10.104, 10.106, 10.107 and 10.109 of this chapter shall apply to any proceeding brought under this section.

(k) With the exception of §§10.2 through 10.5, 10.7 through 10.12(a) (1), 10.12(a) (3) through 10.12(g), 10.26(a)-(d), 10.34, 10.43, 10.44 and 10.84 of this chapter, or unless otherwise provided in §§3.50 through 3.64 of this part, the provisions of the Commission's Rules of Practice in part 10 of this chapter shall not apply in any proceeding brought under this part to deny, suspend, revoke, restrict or condition registration pursuant to sections 8a(2), 8a(3) or 8a(4) of the Commodity Exchange Act.

(l) The failure of any sponsor, supervising employer or floor broker, or supervising registrant, principal or contract market to fulfill its obligations with respect to supervision or monitoring of a conditioned or restricted registrant as agreed to in the Supplemental Sponsor Certification Statement shall be deemed a violation of this rule under the Act.

APPENDIX A TO PART 3—INTERPRETATIVE STATEMENT WITH RESPECT TO SECTION 8A(2)(C) AND (E) AND SECTION 8A(3)(J) AND (M) OF THE COMMODITY EXCHANGE ACT

*Section 8a(2) (C) and (E)*

The provisions of sections 8a(2)–8a(4) of the Commodity Exchange Act (“Act”) establish a system of statutory disqualifications pursuant to which the Commission may find an applicant or registrant unfit for registration and vest the Commission with wide discretion to deny, condition, suspend, restrict or revoke the registration of any person subject to one or more of the disqualifications set forth therein. The Commission recognizes that the full exercise of its authority under these provisions of the Act may have unintended results. In particular, the exercise of such authority may, in certain cases, impede the efficient enforcement of the Act and the various federal and state securities acts.

At this time, the Commission cannot anticipate all of the circumstances under which it may elect not to exercise its authority under sections 8a(2)–8a(4). Until the Commission has gained experience with these provisions of the Act, such determinations generally must be made on a case-by-case basis. Nonetheless, the Commission has identified two paragraphs of section 8a(2) of the Act which it has determined to interpret more narrowly than required.

*Section 8a(2)(C).* Section 8a(2) of the Act authorizes the Commission to deny, condition, suspend or restrict the registration of any person “upon notice, but without a hearing” and to revoke the registration of any person “with such hearing as may be appropriate,” if such person is subject to one or more of the disqualifications described in paragraphs (A)–(H). Section 8a(2)(C) authorizes the Commission to affect the registration of any person:

“if such person is permanently or temporarily enjoined by order, judgment, or decree of any court of competent jurisdiction \* \* \* , including an order entered pursuant to an agreement of settlement to which the Commission or any Federal or State agency or other governmental body is a party, from (i) acting as a futures commission merchant, introducing broker, floor broker, floor trader, commodity trading advisor, commodity pool operator, associated person of any registrant under the Act, securities broker, securities dealer, municipal securities broker, municipal securities dealer, transfer agent, clearing agency, securities information processor, investment advisor, investment company, or affiliated person or employee of any of the foregoing or (ii) engaging in or continuing any activity involving any transaction in or advice concerning contracts of sale of a commodity for future delivery, concerning mat-

ters subject to Commission regulation under section 4c or 19 of the Act, or concerning securities;”

The Commission believes that a person enjoined from acting in a certain capacity as described in section 8a(2)(C)(i), even if the order of injunction is entered into pursuant to an agreement of settlement, similarly should be prohibited from acting in any other capacity which requires registration with the Commission. Therefore, the Commission does not intend to limit its authority under section 8a(2)(C)(i) of the Act.

However, the Commission is also aware that it has often initiated proceedings in which the sole relief sought was an injunction from engaging in certain conduct. In such circumstances, the Commission has accepted offers of settlement which provide that the findings set forth in the settlement will not form the sole basis for the denial, suspension or revocation of such person’s registration with the Commission. The Commission does not wish to impede the resolution by negotiated settlement of such proceedings. Therefore, the Commission has determined that it will not exercise its authority under section 8a(2)(C)(ii) of the Act with respect to any person temporarily or permanently enjoined by agreement of settlement from engaging in any conduct described in that paragraph, if the agreement of settlement clearly restricts the use of such order of injunction or any findings set forth therein in subsequent or collateral proceedings.

Thus, a provision in the agreement of settlement to the effect, *inter alia*, that the findings set forth in the agreement will not form the *sole basis* upon which the registration of such person may be affected will preclude a collateral proceeding under section 8a(2)(C)(ii) where the sole basis for such proceeding is the agreement of settlement. Unless otherwise precluded in the agreement of settlement, however, the person will be collaterally estopped from denying the findings set forth therein, whether or not admitted, in any other subsequent or collateral proceeding and such findings may, in conjunction with the findings in such subsequent or collateral proceeding, form a basis for affecting the registration of that person or imposing such other sanctions as may be deemed appropriate.

Section 8a(2)(E) of the Act authorizes the Commission to affect the registration of any person:

If such person, within ten years preceding the filing of the application or at any time thereafter, has been found in a proceeding brought by the Commission or any Federal or State agency or other governmental body, or by agreement of settlement to which the Commission or any Federal or State agency or other governmental body is a party, (i) to have violated any provision of this Act, [the

securities acts], chapter 96 of title 18 of the United States Code, or any similar statute of a State or foreign jurisdiction, or any rule, regulation, or order under any such statutes, or the rules of the Municipal Securities Rulemaking Board where such violation involves embezzlement, theft, extortion, fraud, fraudulent conversion, misappropriation of funds, securities or property, forgery, counterfeiting, false pretenses, bribery, or gambling, or (ii) to have willfully aided, abetted, counseled, commanded, induced, or procured such violation by any other person;

As in section 8a(2)(C)(ii), the Commission will not exercise its authority under section 8a(2)(E) of the Act with respect to any person subject to a statutory disqualification thereunder, if the findings are part of an agreement of settlement which clearly restricts the use of such findings by inclusion of a provision to the effect, *inter alia*, that the findings set forth in the agreement will not form the *sole basis* upon which the registration of such person may be affected.

Section 2(a)(1)(A) of the Act, *inter alia*, codifies the legal concept of *respondant superior* by providing that a futures commission merchant, introducing broker, commodity trading advisor, commodity pool operator or leverage transaction merchant may be held liable for the conduct of an associated person sponsored by such registrant.\* Thus, findings of the type described in paragraph (E) may be entered against a registrant solely because such registrant is responsible, under section 2(a)(1)(A) of the Act, for the conduct of its associated persons. As prescribed in §3.57 of the Commission's regulations, however, the Commission will not exercise its authority under section 8a(2)(E) to affect the registration of such registrant, if *respondant superior* is the sole basis for finding that the registrant is subject to a statutory disqualification.

The Commission notes that section 8a(3)(C) and 8a(4) authorize the Commission to affect the registration of a person if it is found, after notice and opportunity for a hearing, that such person "failed reasonably to supervise another person, who is subject to such person's supervision, with a view to preventing violations of this Act or [the securities acts], or of any of the rules, regulation or orders thereunder, and the person subject to supervision committed such a violation

\* Specifically, section 2(a)(1)(A)(iii) of the Act provides in part, that the "act, omission or failure of any official, agent, or other person acting for any individual, association, partnership, corporation, or trust within the scope of his employment or office shall be deemed the act, omission, or failure of such individual, association, partnership, corporation, or trust as well as of such official, agent, or other person." 7 U.S.C. 4 (1982).

\* \* \* In this connection, the Commission believes that any proceeding to affect the registration of a registrant against which findings have been made solely pursuant to section 2(a)(1)(A) of the Act is more appropriately initiated under the provisions of section 8a(3)(C) and 8a(4).

Section 8a(2)(E) may also be interpreted to authorize the Commission to affect the registration of any person if the findings described therein are made in a proceeding initiated by a private party either in a court of law or in a reparations proceeding under section 14 of the Act. At the present time, however, the Commission does not intend to exercise its authority under section 8a(2)(E) on the basis of such findings. The Commission believes that such proceedings are intended primarily to provide restitution to the customer and are not intended to be punitive in nature. Therefore, it may not be appropriate to use findings in such proceedings to affect the registration of any person under section 8a(2)(E).

At the same time, however, such findings may form the basis of a proceeding against a person under the provisions of section 8a(3)(M) and 8a(4), which authorize the Commission, after notice and opportunity for a hearing, to deny, condition, suspend, restrict or revoke the registration of any person if "there is other good cause." Similarly, such findings may form the basis for a proceeding against a registrant under sections 8a(3)(C) and 8a(4) for the failure of such registrant "reasonably to supervise another person, who is subject to such person's supervision, with a view to preventing violations of this Act \* \* \* or of any of the rules, regulations or orders thereunder \* \* \*." Moreover, because the Commission views actions by private parties as an important adjunct to the Commission's own enforcement proceedings, the Commission intends to monitor carefully decisions in such proceedings and may amend this interpretation if deemed appropriate.

#### *Section 8a(3) (J) and (M)*

Section 8a(3) authorizes the Commission to refuse to register an applicant for registration if, after notice and opportunity for a hearing, the applicant is found subject to one or more of the disqualifications described in paragraphs (A)–(M). Section 8a(4) authorizes the Commission, after notice and opportunity for a hearing, to condition, suspend, restrict, or revoke the registration of any person subject to a disqualification under section 8a(3).

Section 8a(3)(J) authorizes the Commission to affect the registration of any person if:

such person is subject to an outstanding order denying, suspending, or expelling such person from membership in a contract market, a registered futures association, any

other self-regulatory organization or any foreign regulatory body that the Commission recognizes as having a comparable regulatory program, or barring or suspending such person from being associated with any member or members of such contract market, association, self-regulatory organization, or foreign regulatory body.

The Commission interprets the term “self-regulatory organization” to include, in addition to a contract market and a registered futures association, any self-regulatory organization as defined in section 3(a)(26) of the Securities Exchange Act of 1934. Thus, a self-regulatory organization includes any national securities exchange, any registered securities association, any registered clearing agency and the Municipal Securities Rule-making Board.

*Section 8a(3)(M).* Section 8a(3)(M) authorizes the Commission to affect the registration of any person if “there is other good cause”. Specifically, the Commission interprets paragraph (M) to authorize the Commission to refuse to register such person in any new capacity, if such person, or any principal of such person, is the subject of an administrative proceeding brought by the Commission to revoke the existing registration of such person in any other capacity, pending a final decision in such administrative proceeding. The Commission believes it would be inconsistent to register a person in a new capacity, thereby determining that such person is qualified to be registered, while simultaneously seeking to revoke such person’s registration in a different capacity because such person’s conduct disqualifies him from registration.

Similarly, the Commission interprets paragraph (M) to authorize the Commission to refuse to register, register conditionally or otherwise affect the registration of any person if such person has consented, in connection with an agreement of settlement with a contract market, a registered futures association, or any other self-regulatory organization, to comply with an undertaking to withdraw all forms of existing or pending registration and/or not to apply for registration with the National Futures Association or the Commission in any capacity. Such person’s effort to violate his or her prior undertaking to withdraw from and/or not to apply for registration shall be considered to constitute “other good cause” under paragraph (M). The Commission believes that allowing such a person to be registered would be inappropriate and inconsistent with the intention of parties to the prior settlement agreement. The failure to withdraw or the attempt to register in the face of such an undertaking would indicate the lack of fair and honest dealing which the Commission believes constitutes “other good cause” for denying, revoking or conditioning registration

under the Act. The Commission also believes that allowing registration in such a situation would be inconsistent with both Section 8a(2)(A), which authorizes the Commission to refuse to register, to register conditionally, or to revoke, suspend or place restrictions upon the registration of any person if such person’s prior registration has been suspended (and the period of such suspension has not expired) or has been revoked, and Section 8a(3)(J), which authorizes the Commission to refuse to register or to register conditionally any person if he or she is subject to an outstanding order denying, suspending, or expelling such person from membership in a contract market, a registered futures association, or any other self-regulatory organization.

Good cause to affect a person’s registration also exists: (1) If the operations of such person disrupt or would tend to disrupt orderly market conditions, or cause or would tend to cause sudden or unreasonable fluctuations or unwarranted changes in the price of commodities or contracts for future delivery of commodities or commodity options; (2) if such person has used or is using in its name a term such as “board of trade”, “clearing corporation” or “exchange” in a misleading context, or uses any terms in its representations to the public which may indicate that the person is a contract market or a member of a contract market when such is not the case, or has used or is using a misleading name which would tend to suggest to the public that the person is affiliated with another person when that is not the case or that the person is engaged in a commodity-related business when the person is not in fact substantially so engaged, or has failed to disclose to the public an agency relationship with another person when such failure could mislead the public; (3) if such person is subject to an outstanding order denying, suspending or revoking the license of such person by a licensing authority, such as a state real estate or insurance commission; and (4) if such person has failed to answer the inquiries or requests for further information concerning an application for registration filed with the Commission.

This listing, of course, is not exclusive. In general, the Commission interprets paragraph (M) to authorize the Commission to affect the registration of any person if, as a result of any act or pattern of conduct attributable to such person, although never the subject of formal action or proceeding before either a court or governmental agency, such person’s potential disregard of or inability to comply with the requirements of the Act or the rules, regulations or order thereunder, or such person’s moral turpitude, or lack of honesty or financial responsibility is demonstrated to the Commission.

A commodity pool operator filing a notice under this paragraph (d)(1)(ix)(A)(2) shall either provide disclosure and reporting in accordance with the requirements of Part 4 to those participants objecting to the filing of such notice or allow such participants to redeem their units of participation in the pool within three months of the filing of such notice.

(B) Where the claimant is a commodity trading advisor, be received by the Commission before the date the trading advisor first enters into an agreement to direct or guide the commodity interest account of a qualified eligible person pursuant to § 4.7.

(2) The notice will be effective upon receipt by the Commission with respect to each pool for which it was made where the claimant is a commodity pool operator and otherwise generally where the claimant is a commodity trading advisor; *Provided*, That any notice which does not include all the required information shall not be effective, and that if at the time the Commission receives the notice, an enforcement proceeding brought by the Commission under the Act or the regulations is pending against the pool operator or trading advisor or any of its principals, the exemption will not be effective until twenty-one calendar days after receipt of the notice by the Commission and that in such case an exemption may be denied by the Commission or made subject to such conditions as the Commission may impose.

(3) Any exemption claimed hereunder shall cease to be effective upon any change which would cause the commodity pool operator of an exempt pool to be ineligible for the relief claimed with respect to such pool or which would cause a commodity trading advisor to be ineligible for the relief claimed. The pool operator or trading

advisor must promptly file a notice advising the Commission of such change.

(4)(i) Any exemption from the requirements of § 4.21, 4.22, 4.23, 4.24, 4.25 or 4.26 claimed hereunder with respect to a pool shall not affect the obligation of the commodity pool operator to comply with all other applicable provisions of Part 4, the Act and the Commission's rules and regulations, with respect to the pool and any other pool the pool operator operates or intends to operate.

(ii) Any exemption from the requirements of § 4.31, 4.33, 4.34, 4.35 or 4.36 claimed hereunder shall not affect the obligation of the commodity trading advisor to comply with all other applicable provisions of Part 4, the Act and the Commission's rules and regulations, with respect to any qualified eligible person and any other client to which the commodity trading advisor provides or intends to provide commodity interest trading advice.

(e) *Insignificant deviations from a term, condition or requirement of § 4.7.* (1) A failure to comply with a term or condition of § 4.7 will not result in the loss of the exemption with respect to a particular pool or client if the commodity pool operator or the commodity trading advisor relying on the exemption shows that:

(i) The failure to comply did not pertain to a term, condition or requirement directly intended to protect that particular qualified eligible person;

(ii) The failure to comply was insignificant with respect to the exempt pool as a whole or to the particular exempt account; and

(iii) A good faith and reasonable attempt was made to comply with all applicable terms, conditions and requirements of § 4.7.

(2) A transaction made in reliance on § 4.7 must comply with all applicable terms, conditions and requirements of § 4.7. Where an exemption is established only through reliance upon paragraph (e)(1) of this section, the failure to comply shall nonetheless be actionable by the Commission.

The application must be made by the pool operator and must:

(A) State the name of the pool for which the application is being made;

(E) Be filed with the Commission prior to the date on which the Annual Report is due.

(ii) The application must be accompanied by a letter from the independent public accountant answering the following questions:

(A) What specifically are the reasons for the extension request?

(B) Do you have any indication from the part of your audit completed to date that would lead you to believe that the commodity pool operator was or is not meeting the segregation or

(iii) Within ten calendar days after receipt of an application for an extension of time, the Commission shall:

(A) Notify the commodity pool operator of the grant or denial of the requested extension, or

(B) Indicate to the pool operator that additional time is required to analyze the request, in which case the amount of time needed will be specified.

(iv) The notice must include representations by the commodity pool operator that:

(g)(1) A commodity pool operator may initially elect any fiscal year for a pool, but the first fiscal year may not end more than one year after the pool's formation. For purposes of this section, a pool shall be deemed to be formed as of the date the pool operator first receives funds, securities or other property for the purchase of an interest in the pool.

(2) If a commodity pool operator elects a fiscal year other than the calendar year, it must give written notice of the election to all participants and must file the notice with the Commission within 90 calendar days after the date of the pool's formation. If this notice is not given, the pool operator will be deemed to have elected the calendar year as the pool's fiscal year.

(3) The commodity pool operator must continue to use the elected fiscal year for the pool unless it provides written notice of any proposed change to all participants and files such notice with the Commission at least 90 days before the change and the Commission does not disapprove the change within 30 days after the filing of the notice.

(h)(1) Each Account Statement and Annual Report must contain a signed oath or affirmation that, to the best of the knowledge and belief of the individual making the oath or affirmation, the information contained in the document is accurate and complete; *Pro-*

##### RISK DISCLOSURE STATEMENT

YOU SHOULD CAREFULLY CONSIDER WHETHER YOUR FINANCIAL CONDITION PERMITS YOU TO PARTICIPATE IN A COMMODITY POOL. WITHDRAW YOUR PARTICIPATION IN THE POOL.

FURTHER, COMMODITY POOLS MAY BE SUBJECT TO SUBSTANTIAL CHARGES FOR MANAGEMENT, AND ADVISORY AND BROKERAGE FEES. IT MAY BE NECESSARY FOR THOSE POOLS THAT ARE SUBJECT TO THESE CHARGES TO MAKE SUBSTANTIAL TRADING PROFITS TO AVOID DEPLETION OR EXHAUSTION OF THEIR ASSETS. (2) If the pool may trade foreign futures or options contracts, the Risk Disclosure Statement must further state:

YOU SHOULD ALSO BE AWARE THAT THIS COMMODITY POOL MAY TRADE FOREIGN FUTURES OR OPTIONS CONTRACTS. TRANSACTIONS ON MARKETS LOCATED OUTSIDE THE UNITED STATES, INCLUDING MARKETS FORMALLY LINKED TO A UNITED STATES MARKET, MAY BE SUBJECT TO REGULATIONS WHICH OFFER DIFFERENT OR DIMINISHED PROTECTION TO THE POOL AND ITS PARTICIPANTS. FURTHER, UNITED STATES REGULATORY AUTHORITIES MAY BE UNABLE TO COMPEL THE ENFORCEMENT OF THE RULES OF REGULATORY AUTHORITIES OR MARKETS IN NON-UNITED STATES JURISDICTIONS WHERE TRANSACTIONS FOR THE POOL MAY BE EFFECTED.

(3) If the potential liability of a participant in the pool is greater than the amount of the participant's contribution for the purchase of an interest in the pool and the profits earned thereon, whether distributed or not, the commodity pool operator must make the following additional statement in the Risk Disclosure Statement, to be prominently disclosed as the last paragraph thereof:

## Commodity Futures Trading Commission

## § 4.24

ALSO, BEFORE YOU DECIDE TO PARTICIPATE IN THIS POOL, YOU SHOULD NOTE THAT YOUR POTENTIAL LIABILITY AS A PARTICIPANT IN THIS POOL FOR TRADING LOSSES AND OTHER EXPENSES OF THE POOL IS NOT LIMITED TO THE AMOUNT OF YOUR CONTRIBUTION FOR THE PURCHASE OF AN INTEREST IN THE POOL AND ANY PROFITS EARNED THEREON. A COMPLETE DESCRIPTION OF THE LIABILITY OF A PARTICIPANT IN THIS POOL IS EXPLAINED MORE FULLY IN THIS DISCLOSURE DOCUMENT.

UNDER CERTAIN MARKET CONDITIONS, YOU MAY FIND IT DIFFICULT OR IMPOSSIBLE TO LIQUIDATE A POSITION. THIS CAN OCCUR, FOR EXAMPLE, WHEN THE MARKET MAKES A "LIMIT MOVE."

THE PLACEMENT OF CONTINGENT ORDERS BY YOU OR YOUR TRADING ADVISOR, SUCH AS A "STOP-LOSS" OR "STOP-LIMIT" ORDER, WILL NOT NECESSARILY LIMIT YOUR LOSSES TO THE INTENDED AMOUNTS, SINCE MARKET CONDITIONS

MAY MAKE IT IMPOSSIBLE TO EXECUTE SUCH ORDERS.

A "SPREAD" POSITION MAY NOT BE LESS RISKY THAN A SIMPLE "LONG" OR "SHORT" POSITION.

THE HIGH DEGREE OF LEVERAGE THAT IS OFTEN OBTAINABLE IN COMMODITY TRADING CAN WORK AGAINST YOU AS WELL AS FOR YOU. THE USE OF LEVERAGE CAN LEAD TO LARGE LOSSES AS WELL AS GAINS.

IN SOME CASES, MANAGED COMMODITY ACCOUNTS ARE SUBJECT TO SUBSTANTIAL CHARGES FOR MANAGEMENT AND ADVISORY FEES. IT MAY BE NECESSARY FOR THOSE ACCOUNTS THAT ARE SUBJECT TO THESE CHARGES TO MAKE SUBSTANTIAL TRADING PROFITS TO AVOID DEPLETION OR EXHAUSTION OF THEIR ASSETS. THIS DISCLOSURE DOCUMENT CONTAINS, AT PAGE (insert page number), A COMPLETE DESCRIPTION OF EACH FEE TO BE CHARGED TO YOUR ACCOUNT BY THE COMMODITY TRADING ADVISOR.

THIS BRIEF STATEMENT CANNOT DISCLOSE ALL THE RISKS AND OTHER SIGNIFICANT ASPECTS OF THE COMMODITY MARKETS. YOU SHOULD THEREFORE CAREFULLY STUDY THIS DISCLOSURE DOCUMENT AND COMMODITY TRADING BEFORE YOU TRADE, INCLUDING THE DESCRIPTION OF THE PRINCIPAL RISK FACTORS OF THIS INVESTMENT, AT PAGE (insert page number).

(2) If the commodity trading advisor may trade foreign futures or options contracts pursuant to the offered trading program, the Risk Disclosure Statement must further state the following:

YOU SHOULD ALSO BE AWARE THAT THIS COMMODITY TRADING ADVISOR MAY ENGAGE IN TRADING FOREIGN FUTURES OR OPTIONS CONTRACTS. TRANSACTIONS ON MARKETS LOCATED OUTSIDE THE UNITED STATES, INCLUDING MARKETS FORMALLY LINKED TO A UNITED STATES MARKET MAY BE SUBJECT TO REGULATIONS WHICH OFFER DIFFERENT OR DIMINISHED PROTECTION. FURTHER, UNITED STATES REGULATORY AUTHORITIES MAY BE UNABLE TO COMPEL THE ENFORCEMENT OF THE RULES OF REGULATORY AUTHORITIES OR MARKETS IN NON-UNITED STATES JURISDICTIONS WHERE YOUR TRANSACTIONS MAY BE EFFECTED. BEFORE YOU TRADE YOU SHOULD INQUIRE ABOUT ANY RULES RELEVANT TO YOUR PARTICULAR CONTEMPLATED TRANSACTIONS AND ASK THE FIRM WITH WHICH YOU INTEND TO TRADE FOR DETAILS ABOUT THE TYPES OF REDRESS

(3) Where any fee is based on an increase in the value of the client's commodity interest account, the trading advisor must specify how that increase is calculated, the period of time during which the increase is calculated, the fee to be charged at the end of that period and the value of the account at which payment of the fee commences.

(j) *Conflicts of interest.* (1) A full description of any actual or potential conflicts of interest regarding any aspect of the trading program on the part of:

- (i) The commodity trading advisor;

(ii) The action was brought by the Commission; *Provided, however,* that a concluded action that did not result in civil monetary penalties exceeding \$50,000 need not be disclosed unless it involved allegations of fraud or other willful misconduct; or

(l) *Trading for own account.* If the commodity trading advisor or any principal thereof trades or intends to trade commodity interests for its own account, the trading advisor must disclose whether clients will be permitted to inspect the records of such person's trading and any written policies related to such trading.

(m) *Performance disclosures.* Past performance must be disclosed as set forth in § 4.35.

(n) *Supplemental information.* If any information, other than that required by Commission rules, the antifraud provisions of the Act, other federal or state laws and regulations, any rules of a self-regulatory agency or laws of a non-United States jurisdiction, is provided, such information:

(1) May not be misleading in content or presentation or inconsistent with the required disclosures;

(o) *Material information*. Nothing set forth in §§ 4.31, 4.34, 4.35 or § 4.36 shall relieve a commodity trading advisor from any obligation under the Act or the regulations thereunder, including the obligation to disclose all material information to existing or prospective clients even if the information is not specifically required by such sections.

## Subpart D—Advertising

### § 4.40 [Reserved]

### § 4.41 Advertising by commodity pool operators, commodity trading advisors, and the principals thereof.

(a) No commodity pool operator, commodity trading advisor, or any principal thereof, may advertise in a manner which:

(1) Employs any device, scheme or artifice to defraud any participant or client or prospective participant or client; or

(2) Involves any transaction, practice or course of business which operates as a fraud or deceit upon any participant or client or any prospective participant or client.

(b)(1) No person may present the performance of any simulated or hypothetical commodity interest account, transaction in a commodity interest or series of transactions in a commodity interest of a commodity pool operator, commodity trading advisor, or any

principal thereof, unless such performance is accompanied by one of the following:

(i) The following statement: “Hypothetical or simulated performance results have certain inherent limitations. Unlike an actual performance record, simulated results do not represent actual trading. Also, since the trades have not actually been executed, the results may have under- or over-compensated for the impact, if any, of certain market factors, such as lack of liquidity. Simulated trading programs in general are also subject to the fact that they are designed with the benefit of hindsight. No representation is being made that any account will or is likely to achieve profits or losses similar to those shown;” or

(ii) A statement prescribed pursuant to rules promulgated by a registered futures association pursuant to section 17(j) of the Act.

(2) If the presentation of such simulated or hypothetical performance is other than oral, the prescribed statement must be prominently disclosed.

(c) The provisions of this section shall apply:

(1) To any publication, distribution or broadcast of any report, letter, circular, memorandum, publication, writing, advertisement or other literature or advice, including the texts of standardized oral presentations and of radio, television, seminar or similar mass media presentations, and

(2) Regardless of whether the commodity pool operator or commodity trading advisor is exempt from registration under the Act.

This notification will briefly specify the nature of the specific issues for which additional time for review is required. Upon such notification, the period for fast-track review of paragraphs (a) and (b) of this section shall be extended for a period of thirty days.

(d) *Notification of termination of fast-track procedures.* During the fast-track review period provided under paragraphs (a) or (b) of this section, or of the thirty-day extension when the period has been enlarged under paragraph (c) of this section, the Commission shall notify the board of trade that the Commission is terminating fast-track review procedures and will review the proposed rule under the usual procedures of section 6 of the Act, if it appears that the proposed contract may violate a specific provision of the Act, regulation, or form or content requirement of Appendix A of this part. ### §5.2 Dormant contracts.

(a) *Definitions.* For purposes of this section:

(1) The term *dormant contract market* means any commodity futures or option contract market:

(i) In which no trading has occurred in any future or option expiration for a period of six complete calendar months; or

(ii) Which has been certified by a board of trade to the Commission to be a dormant contract market.

(2) [Reserved]

(b) *Listing of additional futures trading months or option expirations.* No dormant contract market may list additional months or expirations for trading, or otherwise permit trading to recommence in such a dormant contract market, until such time as the Commission approves, pursuant to section 5a(a)(12)(A) of the Act and §1.41(b) of these regulations, the bylaw, rule, regulation or resolution of the contract market submitted to the Commission pursuant to paragraph (c) of this section.

(c) *Bylaw, rule, regulation or resolution to list additional trading months or expirations.* (1) Any bylaw, rule, regulation or resolution of a contract market to list additional trading months or expirations in a dormant contract market or to otherwise recommence trading in such a contract market shall be submitted to the Commission under section 5a(a)(12)(A) of the Act and §1.41(b) of these regulations.

(2) Each submission shall include the information required to be submitted pursuant to §1.41(b) of these regulations and also shall:

(i) Clearly designate the submission as filed pursuant to Commission Rule 5.2.

(ii) Contain an economic justification for the listing of additional months or expirations in the dormant contract market, which shall include an explanation of those economic conditions which have changed subsequent to the time the contract became dormant and an explanation of how any new terms and conditions which are now being proposed by the contract market, or which have been proposed for an option market's underlying futures contract market, would make it reasonable to expect that the futures or option contract will be used on more than an occasional basis for hedging or price basing.

(d) *Exemptions.* No contract market shall be considered dormant until the end of sixty (60) complete calendar months:

(1) Following designation;

(2) Following notice to the contract market that the Commission has reviewed the economic purpose and the terms and conditions of the contract and has determined in its discretion to permit this exemption; or

(3) Following Commission approval of the contract market bylaw, rule, regulation, or resolution submitted pursuant to paragraph (c) of this section.

### §5.3 Listing contracts for trading by exchange certification.

(3) Files with the Commission at its Washington, DC, headquarters and the regional office having jurisdiction over it a copy of the contract's initial terms and conditions and a certification by the board of trade that the contract's initial terms and conditions neither violate nor are inconsistent with any provision of the Commodity Exchange Act or of the rules thereunder, and the filing is received no later than the close of business of the business day preceding the contract's initial listing;

(4) Files with the Commission at its Washington, DC, headquarters and the regional office having jurisdiction over it the text of each amendment to the contract terms and conditions (with deletions in brackets and additions underscored), a brief explanation of the amendment including a description of any substantive opposing views by members of the board of trade or others and a certification by the board of trade that the amendment neither violates nor is inconsistent with any provision of the Commodity Exchange Act or of the rules thereunder, and the filing is received no later than the close of business of the business day preceding the amendment's implementation;

(a) Application for Designation of Physical Delivery Futures Contracts

A board of trade shall submit:

- (1) The rules setting forth the terms and conditions of the futures contract.
- (2) A description of the cash market for the commodity on which the contract is based.

(i) The description may include, in addition to or in lieu of materials prepared by the board of trade, existing studies by industry trade groups, academics, governmental bodies or other entities, reports of consultants, or other materials which provide a description of the underlying cash market.

(ii) Where the same, or a closely related commodity, is already designated as a contract market which and is not dormant, the cash market description can be confined to those aspects relevant to particular term(s) or condition(s) which differ from such existing contract.

(3) A demonstration that the terms and conditions, as a whole, will result in a deliverable supply such that the contract will not be conducive to price manipulation or distortion and that the deliverable supply reasonably can be expected to be available to short traders and salable by long traders at its market value in normal cash marketing channels.

For purposes of this demonstration, provide the following information in chart or narrative form.

APPENDIX C TO PART 5—INTERNAL PROCEDURE REGARDING PERIOD FOR RESPONSE BY EXCHANGES

(a) *Response Period.* The failure of an exchange to provide a substantially complete, substantive response within one year from the date of a written Commission notice of the material incompleteness of an application for contract market designation, or to supplement such an application within one year from the date of a voluntary agreement to do so, will be deemed to constitute the withdrawal of such an application. Such a withdrawal results in forfeiture of the designation application fee and terminates the Commission's statutory review period for

that application. The applicable fee for designation applications will be waived for a period of one year from the date of the application's withdrawal where the withdrawn designation application, or a substantially identical application, is refiled within that period. A refiled designation application will be treated as a new application in all other respects.

(b) *Pending Applications.* For all applications pending on the effective date of this procedure, requests for a further stay of the tolling period must be made by the governing board of the exchange within forty-five days prior to the expiration of a year from the date of the stay. *Provided however,* That in no event shall such a request be required before April 14, 1987. Such requests for a further stay should affirm the exchange's intention to complete the designation applications for which the stay is being requested. Such requests should be sent to the attention of the Office of the Secretariat, Commodity Futures Trading Commission, Three Lafayette Centre, 1155 21st Street, NW., Washington, DC 20581. Those pending applications for which no such request is received will be subject to the procedures contained in paragraph (a) of this appendix.

#### APPENDIX D TO PART 5—INTERNAL PROCEDURE REGARDING PERIOD FOR PUBLIC COMMENT

The Commission will seek public comment on applications for designation of futures and option contract markets by publishing a notice of availability of the terms and conditions of the proposed contract. Generally, the Commission will provide for a public comment period of thirty days on such applications for designation; *provided,* however, that the public comment period will be fifteen days for those applications submitted for review under the fast-track procedures of §5.1(b) of this part. The Commission, or its delegatee under §140.96 of this chapter, in its discretion, may publish for comment the notice of availability for such longer period as appropriate.

### Subpart B—Disciplinary Procedure

#### § 8.05 Enforcement staff.

(a) Each exchange shall establish an adequate enforcement staff which shall be authorized by the exchange to initiate and conduct investigations, to prepare reports incident to such investigations and to prosecute possible rule violations within the disciplinary jurisdiction of the exchange. The enforcement staff shall consist of employees of the exchange and/or persons hired on a contract basis. It may not include either members of the exchange or persons whose interests conflict with enforcement duties. When carrying out any responsibility under this part 8 or any rule adopted pursuant thereto, a member of the enforcement staff may not operate under the direction or control of any person or persons with trading privileges.

(b) Each exchange is responsible for assuring the effective and diligent enforcement of all rules within its disciplinary jurisdiction, regardless of whether its enforcement staff consists of employees or persons hired on a contract basis.

#### § 8.06 Investigations.

(a) Each exchange shall establish and maintain a disciplinary procedure

which requires the enforcement staff of the exchange to conduct investigations of possible rule violations within the disciplinary jurisdiction of the exchange. Such an investigation shall be commenced:

(1) Upon the receipt of a request from the Commission, its Executive Director or his delegee, or

(2) Upon the discovery or receipt of information by the exchange which, in the judgment of the enforcement staff, indicates a possible basis for finding that a violation has occurred or will occur.

(b) Each enforcement staff investigation shall be completed within four months, unless there exists significant reason to extend it beyond such period. If for any reason the enforcement staff closes an investigation before determining whether a reasonable basis exists for finding that a violation has occurred, the staff shall fully set forth the reasons for so closing the investigation in its report.

#### § 8.07 Investigation reports.

(a) The enforcement staff shall submit a written investigation report to the disciplinary committee of the exchange in every instance in which the enforcement staff has determined from surveillance or from an investigation that a reasonable basis exists for finding a violation. The investigation report shall include the reason the investigation was initiated, a summary of the complaint, if any, the relevant facts, the enforcement staff's conclusions and a recommendation as to whether the disciplinary committee should proceed with the matter.

(b) If after conducting an investigation the enforcement staff has determined that no reasonable basis exists for finding a violation, it shall prepare a written report including the reason the investigation was initiated, a summary of the complaint, if any, the relevant facts, the enforcement staff's conclusions and, if applicable, any recommendation that the disciplinary committee issue a warning letter in accordance with paragraph (c) of this section. The report shall become part of the investigation file which thereafter may be closed.

## § 8.08

(c) In addition to the action required to be taken under either paragraph (a) or (b) of this section, the rules of an exchange may authorize the enforcement staff to issue a warning letter to a person under investigation or to recommend that the disciplinary committee issue such a letter. A warning letter issued in accordance with this section is not a penalty or an indication that a finding of a violation has been made. A copy of such warning letter issued by the enforcement staff shall be included in the investigation report required by paragraph (a) or (b) of this section.

(Approved by the Office of Management and Budget under control number 3038-0022)

[43 FR 41950, Sept. 19, 1978, as amended at 46 FR 63036, Dec. 30, 1981]

## § 8.08 Disciplinary committee.

Each exchange shall establish one or more disciplinary committees which shall be authorized by the exchange to determine whether violations have been committed, to accept offers of settlement and to set and impose appropriate penalties. Each such disciplinary committee shall consist of one or more members of the exchange or persons on the staff of the exchange; however, persons on the enforcement staff may not serve on a disciplinary committee.

## § 8.09 Review of investigation report.

The disciplinary committee shall promptly review each investigation report. In the event the disciplinary committee determines that additional investigation or evidence is needed, it shall promptly direct the enforcement staff to conduct its investigation further. Within a reasonable period of time not to exceed 30 days after the receipt of a completed investigation report, the disciplinary committee shall take one of the following actions:

(a) If the disciplinary committee determines that no reasonable basis exists for finding a violation or that prosecution is otherwise unwarranted, it may direct that no further action be taken. Such determination must be in writing and contain a brief statement setting forth the reasons therefor.

(b) If the disciplinary committee determines that a reasonable basis exists

for finding a violation which should be adjudicated, it shall direct that the person alleged to have committed the violation be served with a notice of charges and shall proceed in accordance with the rules of this subpart.

## § 8.10 Predetermined penalties.

An exchange may adopt rules which set specific maximum penalties for particular violations. If the rules of an exchange establish predetermined penalties, the disciplinary committee shall have discretion in each case whether to employ the predetermined penalty. If the predetermined penalty is employed, it shall be stated in the notice of charges. In such case, after a hearing on a denied charge where a respondent is found to have committed the violation charged, the disciplinary committee shall impose the predetermined penalty or an appropriate lesser penalty.

## § 8.11 Notice of charges.

The notice of charges shall:

(a) State the acts, practices, or conduct in which the person is alleged to have engaged;

(b) State the rule alleged to have been violated (or about to be violated);

(c) State the predetermined penalty, if any;

(d) Prescribe the period within which a hearing on the charges may be requested;

(e) Advise the person charged that:

(1) He is entitled, upon request, to a hearing on the charges;

(2) If the rules of the exchange so provide, failure to request a hearing within the period prescribed in the notice, except for good cause, shall be deemed a waiver of the right to a hearing; and

(3) If the rules of the exchange so provide, failure in an answer to deny expressly a charge shall be deemed to be an admission of such charge.

## § 8.16

### § 8.12 Right to representation.

Upon being served with a notice of charges the respondent shall have the right to be represented by legal counsel or any other representative of his choosing in all succeeding stages of the disciplinary proceeding.

### § 8.13 Answer to charges.

The respondent shall be given a reasonable period of time to file an answer to the charges. The rules of an exchange may provide that:

(a) The answer must be in writing and include a statement that the respondent admits, denies or does not have and is unable to obtain sufficient information to admit or deny each allegation. A statement of a lack of sufficient information shall have the effect of a denial of an allegation.

(b) Failure to file an answer on a timely basis shall be deemed an admission of all allegations contained in the notice of charges.

(c) Failure in an answer to deny expressly a charge shall be deemed to be an admission of such charge.

### § 8.14 Admission or failure to deny charges.

(a) The rules of an exchange may provide that if the respondent admits or fails to deny any of the charges the disciplinary committee may find that the rule violation alleged in the notice of charges for which the respondent admitted or failed to deny any of the charges has been committed. If the exchange rules so provide, then:

(1) The disciplinary committee shall impose a penalty no greater than the predetermined penalty, if any, stated in the notice of charges for the corresponding violation found to have been committed.

(2) If no predetermined penalty was stated, the disciplinary committee shall impose a penalty for each violation found to have been committed.

(b) The disciplinary committee shall promptly notify the respondent in writing of any penalty to be imposed pursuant to paragraph (a) of this section and shall advise him that he may request a hearing on such penalty within a reasonable period of time, which shall be stated in the notice, but that except for good cause shown no

hearing shall be permitted on a penalty imposed pursuant to subparagraph (a)(1) of this section.

(c) The rules of an exchange may provide that if a respondent fails to request a hearing within the period of time stated in the notice he shall be deemed to have accepted the penalty.

(Approved by the Office of Management and Budget under control number 3038-0022)

[43 FR 41950, Sept. 19, 1978, as amended at 46 FR 63036, Dec. 30, 1981]

### § 8.15 Denial of charges and right to hearing.

In every instance where the respondent has requested a hearing on a charge which is denied, or on a penalty set by the disciplinary committee under § 8.14(a)(2), he shall be given an opportunity for a hearing in accordance with the requirements of § 8.17. The exchange rules may provide that, except for good cause, the hearing shall be concerned only with those charges denied and/or penalties set by the disciplinary committee under § 8.14(a)(2) for which a hearing has been requested.

### § 8.16 Settlement offers.

(a) The rules of an exchange may permit a respondent to submit a written offer of settlement to the disciplinary committee at any time after the investigation report is completed. The disciplinary committee may accept the offer of settlement, but may not alter its terms unless the respondent agrees.

(b) The rules of an exchange may provide that the disciplinary committee, in its discretion, may permit the respondent to accept a penalty without either admitting or denying the rule violations upon which the penalty is based.

(c) If an offer of settlement is accepted by the disciplinary committee, it shall issue a written decision specifying the rule violations it has reason to believe were committed and any penalty to be imposed. Where applicable, the decision shall also include a statement that the respondent has accepted the penalties imposed without either admitting or denying the rule violations.

(d) The respondent may withdraw his offer of settlement at any time before final acceptance by the disciplinary

committee. If an offer is withdrawn after submission, or is rejected by the disciplinary committee, the respondent shall not be deemed to have made any admissions by reason of the offer of settlement and shall not be otherwise prejudiced by having submitted the offer of settlement.

### § 8.17 Hearing.

(a) The following minimum requirements shall apply to any hearing required by this subpart:

(1) The hearing shall be fair and shall be conducted before members of the disciplinary committee. The hearing may be conducted before all of the members of the disciplinary committee or a panel thereof, but no member of the disciplinary committee may serve on the committee or panel if he or any person or firm with which he is affiliated has a financial, personal, or other direct interest in the matter under consideration.

(2) The respondent shall be entitled in advance of the hearing to examine all books, documents, or other tangible evidence in the possession or under the control of the exchange which are to be relied upon by the enforcement staff in presenting the charges contained in the notice of charges or which are relevant to those charges.

(3) The hearing shall be promptly convened after reasonable notice to the respondent.

(4) The formal rules of evidence need not apply; nevertheless, the procedures for the hearing may not be so informal as to deny a fair hearing.

(5) The enforcement staff shall be a party to the hearing and shall present its case on those charges and penalties which are the subject of the hearing.

(6) The respondent shall be entitled to appear personally at the hearing.

(7) The respondent shall be entitled to cross-examine any persons appearing as witnesses at the hearing.

(8) The respondent shall be entitled to call witnesses and to present such evidence as may be relevant to the charges.

## 17 CFR Ch. I (4-1-01 Edition)

(9) The exchange shall require persons within its jurisdiction who are called as witnesses to appear at the hearing and to produce evidence. It shall make reasonable efforts to secure the presence of all other persons called as witnesses whose testimony would be relevant.

(10) If the respondent has requested a hearing, a substantially verbatim record of the hearing shall be made and shall become a part of the record of the proceeding. The record must be one that is capable of being accurately transcribed; however, it need not be transcribed unless the transcript is requested by Commission staff or the respondent, the decision is appealed under § 8.19, or is reviewed by the Commission pursuant to section 8c of the Act or part 9 of this chapter. In all other instances a summary record of a hearing is permitted.

(i) The rules of an exchange may provide that the cost of transcribing the record of the hearing shall be borne by a respondent who requests the transcript, appeals the decision pursuant to § 8.19, or whose application for Commission review of the disciplinary action has been granted under part 9 of this chapter. In all other instances, the cost of transcribing the record shall be borne by the exchange.

(b) The rules of an exchange may provide that a penalty may be summarily imposed upon any person within its jurisdiction whose actions impede the progress of a hearing.

(Approved by the Office of Management and Budget under control number 3038-0022)

[43 FR 41950, Sept. 19, 1978, as amended at 46 FR 63036, Dec. 30, 1981]

### § 8.18 Decision.

Promptly following a hearing conducted in accordance with § 8.17, the disciplinary committee shall render a written decision based upon the weight of the evidence contained in the record of the proceeding and shall provide a copy to the respondent. The decision shall include:

(a) The notice of charges or a summary of the charges;

(b) The answer, if any, or a summary of the answer;

## § 8.26

(c) A brief summary of the evidence produced at the hearing or, where appropriate, incorporation by reference of the investigation report;

(d) A statement of findings and conclusions with respect to each charge, including the specific rules which the respondent is found to have violated; and

(e) A declaration of any penalty imposed and the effective date of such penalty.

### § 8.19 Appeal.

The rules of an exchange may permit a respondent to appeal promptly an adverse decision of a disciplinary committee in all or in certain classes of cases. Such rules may require a respondent's notice of appeal to be in writing and to specify the findings, conclusions, and/or penalty to which objection is taken. If the rules of an exchange permit appeal, they shall provide for the following:

(a) The exchange shall establish a board of appeals which shall be authorized to hear appeals of respondents. In addition, the rules of an exchange may provide that the board of appeals may, on its own initiative, order review of a decision by the disciplinary committee within a reasonable period of time after the decision has been rendered.

(b) No member of the board of appeals shall serve on an appeal or review panel if such member participated in any prior stage of the disciplinary proceeding or if he or any person or firm with which he is affiliated has a financial, personal, or other direct interest in the matter. The rules of an exchange may provide that the appeal or review proceeding may be conducted before all of the members of the board of appeals or a panel thereof. Except for good cause shown, the appeal or review shall be conducted solely on the record before the disciplinary committee, the written exceptions filed by the parties, and the oral or written arguments of the parties.

(c) Promptly following the appeal or review proceeding, the board of appeals shall issue a written decision and shall

provide a copy to the respondent. The decision shall include a statement of findings and conclusions with respect to each charge or penalty reviewed, including the specific rules which the respondent was found to have violated by the disciplinary committee, and a declaration of any penalty imposed and the effective date of such penalty.

(Approved by the Office of Management and Budget under control number 3038-0022)

### § 8.20 Final decision.

Each exchange shall establish rules setting forth when a decision rendered pursuant to this subpart B shall become the final decision of such exchange.

## Subpart C—Summary Actions

### § 8.25 Member responsibility actions.

An exchange may suspend at any time, or take other summary action against, a person subject to its jurisdiction upon a reasonable belief that such immediate action is necessary to protect the best interest of the marketplace.

### § 8.26 Procedure for member responsibility actions.

An action pursuant to § 8.25 shall be taken in accordance with an exchange procedure which provides for the following:

(a) The respondent shall, whenever practicable, be served with a notice before the action is taken. If prior notice is not practicable, the respondent shall be served with a notice at the earliest possible opportunity. The notice shall:

(1) State the action,  
(2) Briefly state the reasons for the action, and

(3) State the effective time and date and the duration of the action.

(b) The respondent shall have the right to be represented by legal counsel or any other representative of his choosing in all proceedings subsequent to the summary action taken pursuant to § 8.25.

(c) The respondent shall promptly be given opportunity for a subsequent hearing. The hearing shall be fair and

shall be held before one or more persons authorized by the exchange to conduct hearings pursuant to this section. The hearing shall be conducted in accordance with the requirements set forth in §§ 8.17(a)(4)–(9) and (b).

(d) Promptly following the hearing provided for in paragraph (c) of this section, the exchange shall render a written decision based upon the weight of the evidence contained in the record of the proceeding and shall provide a copy to the respondent. The decision shall include:

(1) A description of the summary action taken,

(2) The reasons for the summary action,

(3) A brief summary of the evidence produced at the hearing,

(4) Findings and conclusions,

(5) A determination that the summary action should be affirmed, modified or reversed, and

(6) A declaration of any action to be taken pursuant to the determination specified in paragraph (d)(5) of this section and the effective date and duration of such action.

(e) The rules of an exchange may permit the respondent to appeal promptly an adverse decision. Such rules shall be established in accordance with the requirements set forth in § 8.19.

An exchange may adopt rules which permit the enforcement staff or a designated committee of officials to summarily impose minor penalties against persons within its jurisdiction for violating rules regarding decorum, attire, the timely submission of accurate records required for clearing or verifying each day's transactions or other similar activities.

### § 8.28 Final decision.

Each exchange shall establish rules setting forth when a decision rendered pursuant to this subpart C shall become the final decision of such exchange.

### §9.7 Settlement.

At any time before there has been a final determination by the Commission with respect to any notice of appeal

## §9.8

filed in accordance with §9.20, the parties may file a stipulation for dismissal based on a settlement agreement. Thereupon, the Commission may issue an order terminating the proceeding before the Commission as to the parties to the settlement agreement. The entry of such an order does not affect the Commission's authority under the Act.

### §9.8 Practice before the Commission.

(a) *Practice*—(1) *By non-attorneys*. An individual may appear *pro se* (on his own behalf); a general partner may represent the partnership; a *bona fide* officer of a corporation, trust or association may represent the corporation, trust or association.

(2) *By attorneys*. The proceeding will not be delayed or suspended pending disposition of the appeal; *Provided*, That the Commission may suspend the proceedings for a reasonable time for the purpose of enabling the party to obtain other counsel or representative.

(c) *Withdrawal of representation*. Withdrawal from representation of a party will be only by leave of the Commission. Such leave to withdraw may be conditioned on the attorney's (or representative's) submission of an affidavit averring that the party represented has actual knowledge of the withdrawal, and such affidavit must include the name and address of a successor counsel (or representative) or a statement that the represented party

### §9.9 Waiver of rules; delegation of authority.

(a) *Standards for waiver; notice to parties*. To prevent undue hardship on any party or for other good cause shown the Commission may waive any rule in this part in a particular case and may order proceedings in accordance with its direction upon a determination that no party will be prejudiced thereby and that the ends of justice will be served. Reasonable notice will be given to all parties of any action taken pursuant to this paragraph.

(b) *Delegation of authority*. (1) The Commission hereby delegates, until the Commission orders otherwise, to the General Counsel, or the General Counsel's designee, the authority:

(i) To waive or modify any of the requirements of §§9.20–9.25 and to waive or modify the requirements of the Commission's rules relating to reparations incorporated by §9.3 insofar as such requirements pertain to changes in time permitted for filing, and to the form, execution, service and filing of documents;

(b) *Contents of notice.* For purposes of this part, the written notice of a disciplinary action or access denial action may be either a copy of a written decision which accords with § 8.16, § 8.18, or § 8.19(c) of this chapter (including copies of any materials incorporated by reference) or other written notice which must include:

### §9.12 Effective date of disciplinary or access denial action.

(a) *Effective date.* Any disciplinary or access denial action taken by an exchange will not become effective until at least fifteen days after the written notice prescribed by §9.11 is delivered to the person disciplined or denied access; *Provided, however,* That the exchange may cause a disciplinary action to become effective prior to that time if:

(1) As authorized by §8.25 of this chapter, the exchange reasonably believes, and so states in its written decision, that immediate action is necessary to protect the best interests of the marketplace; or

(2) As authorized by §8.17(b) of this chapter, the exchange determines, and so states in its written decision, that the actions of a person who is within the exchange's jurisdiction have impeded the progress of a disciplinary hearing; or

(3) As authorized by §8.27 of this chapter, the exchange determines that a person has violated exchange rules relating to decorum or attire, or timely submission of accurate records required for clearing or verifying each day's transactions or other similar activities; or

(4) The person against whom the action is taken has consented to the penalty to be imposed and to the timing of its effectiveness.

(b) *Notice of early effective date.* If the exchange determines in accordance with paragraph (a)(1) of this section that a disciplinary action will become effective prior to the expiration of fifteen days after written notice thereof, it must notify the person disciplined in

writing, either personally or by telegram or other means of written telecommunication to the person's last known address, stating the reasons for the determination. The exchange must also by telegram or other means of written telecommunication immediately notify the Commission (Attention: Contracts Markets Section, Division of Trading and Markets). Where notice is delivered by telegram or other means of written telecommunication, the time within which the person so notified may file a petition for stay pursuant to §9.24(a)(2) will be increased by one day.

### §9.13 Publication of notice.

Whenever an exchange suspends, expels or otherwise disciplines, or denies any person access to the exchange, it must make public its findings by disclosing at least the information contained in the notice required by §9.11(b). An exchange must make such findings public as soon as the disciplinary action or access denial action becomes effective in accordance with the provisions of §9.12 by posting a notice in a conspicuous place on its premises to which its members and the public regularly have access for a period of five consecutive business days. Thereafter, the exchange must maintain and make available for public inspection a record of the information contained in the disciplinary or access denial notice.

### §§ 9.14–9.19 [Reserved]

## Subpart C—Initial Procedure With Respect to Appeals

[52 FR 25366, July 7, 1987; 52 FR 27286, July 20, 1987]

#### § 9.21 Record of exchange proceeding.

(a) *Filing of record.* Within thirty days after service of the notice of appeal, the exchange must file two copies of the record of the exchange proceeding (as defined in § 9.2(i)) with the Proceedings Clerk, and serve a copy on the appellant and any other party to the proceeding, provided that such person has agreed to pay the exchange reasonable fees, as provided in the rules of the exchange, for printing the copy. The record must be bound as a unit, must be chronologically indexed and tabbed,

must be certified as correct by a duly authorized official, agent or employee of the exchange, and must contain a certificate of service on the appellant or any other party to the proceeding (or waiver of service for failure to pay costs pursuant to this rule).

(b) *Motion that the Commission not accept notice of appeal.* Within fifteen days after service of the notice of appeal, the exchange may file a motion that the Commission not accept a notice of appeal of any matter that the exchange contends is excluded from this part by §§ 9.1(b), 9.2(a) and 9.2(g). Such motion must be accompanied by an affidavit averring facts in support of the motion. The filing of such motion will operate to stay the filing of the record and subsequent submissions pending the Commission's ruling on such motion. The appellant may serve and file a written response to such motion within ten days after service of the motion.

#### § 9.22 Appeal brief.

(a) *Time to file.* Any person who has filed a notice of appeal in accordance with the provisions of § 9.20 must perfect the appeal by filing an appeal brief with the Proceedings Clerk within thirty days after service of the record of the exchange proceeding. The Commission may dismiss any appeal for which an appeal brief is not timely filed.

(b) *Contents.* Each appeal brief submitted to the Commission pursuant to this section must include, in the order indicated:

(1) A statement of the issues presented for review;

(2) *A statement of the case.* The statement must first indicate briefly the nature of the case and include a full description of the disciplinary, access denial or other adverse action. There must follow a clear and concise statement of all facts relevant to the consideration of the appeal, including, if known, each alleged act or omission forming the basis of the exchange action, with appropriate references to the record of the exchange proceeding;

(3) *An argument.* The argument may be preceded by a summary. The argument must contain the contentions of the appellant with respect to the issues presented, and the reasons therefor,

and citations to relevant authorities and to parts of the record of the exchange proceeding; and

(4) A conclusion stating the precise relief sought.

(c) *Length of appeal brief.* Without prior leave of the Commission, the appeal brief may not exceed thirty-five pages, exclusive of any table of contents, table of cases, index and appendix containing transcripts of testimony, exhibits, statutes, rules, regulations or similar materials.

#### §9.23 Answering brief.

(a) *Time for filing answering brief.* Within thirty days after service of the appeal brief, the exchange must file with the Commission an answering brief.

(b) *Contents of answering brief.* The answering brief generally must follow the same style as prescribed for the appeal brief but may omit a statement of the issues or of the case if the exchange does not dispute the issues or the statement of the case contained in the appeal brief.

(c) *Length of answering brief.* Without prior leave of the Commission, the answering brief may not exceed thirty-five pages, exclusive of any table of contents, table of cases, index and appendix containing transcripts of testimony, exhibits, statutes, rules, regulations or similar materials.

#### §9.24 Petition for stay pending review.

(a) *Time to file.* (1) Within ten days after the notice of the disciplinary or access denial action has been delivered in accordance with §9.11 to a person disciplined or denied access, that person may petition the Commission to stay the disciplinary or access denial action pending consideration by the Commission of the notice of appeal and, if granted, the appeal underlying the notice of appeal. The petition for stay must be accompanied by the notice of appeal.

(2) Within ten days after a notice of summary action has been delivered in accordance with §9.12(b) to a person who is the subject of a summary action authorized by §8.25 of this chapter, that person may petition the Commission to stay the effectiveness of the summary action pending completion of

the exchange proceeding conducted as authorized by §8.26 of this chapter.

(3) The Commission may deny any petition for stay which is not timely filed or which is not otherwise in accord with these rules.

(b) *Contents of petition for stay.* A petition filed under this section must state the reasons that the stay is requested and the facts relied upon, as specified in §9.20. Averments of the petition must be supported by affidavits, other sworn statements or copies thereof, or a stipulation as to those facts which are not in dispute. Based upon the petition, the Commission, in its discretion, may order a stay of the disciplinary action or access denial action.

(c) *Response to petition.* The exchange may serve and file a written response to any petition for a stay within five days after service of the petition.

(d) *Standards for granting petition for stay.* The Commission will promptly determine whether to grant or deny a petition for stay and may act upon a petition at any time, without waiting for a response thereto. In determining whether to grant or deny the petition for stay, the Commission will consider, among other things, whether the petitioner has established:

(1) Petitioner's likelihood of success on the merits; and

(2) That denial of the stay would cause irreparable harm to the petitioner; and

(3) That granting the stay would not endanger orderly trading or otherwise cause substantial harm to the exchange or market participants; and

(4) That granting the stay would not be contrary to the Act, and the rules, regulations and orders of the Commission thereunder or otherwise contrary to the public interest.

(e) *Ex parte stays.* The Commission may act upon a petition for stay, without waiting for the exchange's response thereto only where petitioner:

(1) Expressly requests an *ex parte* stay;

(2) Files a proof of service; and

(3) Clearly establishes by affidavit that immediate and irreparable injury, loss or damage will result to the petitioner before the exchange can be heard in opposition.

## Commodity Futures Trading Commission

## § 9.31

Any order granting a stay prior to the filing of the exchange's reply will expire by its terms within such time after service of the Commission's ruling on the petition, not to exceed ten days, as the Commission fixes, unless within the time so fixed the order, for good cause shown, is extended for a like period or unless the exchange consents that it may be extended for a longer period. In any case, the exchange may move for dissolution or modification of the stay, and the Commission will proceed to determine such motion as expeditiously as the ends of justice require.

[52 FR 25366, July 7, 1987; 52 FR 27286, July 20, 1987]

### § 9.25 Limited participation of interested persons.

On its own motion or upon motion of any person asserting a direct and substantial interest in the outcome of a proceeding conducted under this part, the Commission, in its discretion, may permit the limited participation by such interested person in the proceeding. A motion for leave to participate in the proceeding must identify the interest of that person and must state the reasons why participation in the proceeding by that person is desirable, and must state whether that person requests a copy of the record of the exchange proceeding to the extent permitted by section 8c(a)(2) of the Act and that such person agrees to pay the exchange reasonable fees, as provided in the rules of the exchange, for printing the copy.

[52 FR 25366, July 7, 1987, as amended at 59 FR 5701, Feb. 8, 1994]

### § 9.26 Participation of Commission staff.

Within twenty days after the receipt by the Division of Trading and Markets of the answering brief, the Division of Trading and Markets may file with the Proceedings Clerk a notice of intention to participate in the proceedings as *amicus curiae*. Within thirty days after filing the notice of intention to participate, the Division may file a brief as *amicus curiae*. Without prior leave of the Commission, the brief may not exceed thirty-five pages. The brief must be filed and served on the appellant, ex-

change and any other parties to the proceeding in the manner specified by these rules. Within ten days after service of the Division's brief, any party may file a reply to the Division's brief. After the filing of the notice of intent to participate, no employee of the Division of Trading and Markets may thereafter make any communication relating to the proceeding, other than on the record of the proceeding before the Commission, to any Commissioner or Commission decisional employee.

### §§ 9.27–9.29 [Reserved]

## Subpart D—Commission Review of Disciplinary, Access Denial or Other Adverse Action

### § 9.30 Scope of review.

On review, the Commission may, in its discretion, consider *sua sponte* any issues arising from the record before it and may base its determination thereon, or limit the issues to those presented in the statement of issues in the briefs, treating those issues not raised as waived. If the Commission determines to consider any issue not raised by the parties, it may issue an order that notifies the parties of such determination and provides an opportunity for the parties to address any issue considered *sua sponte* by the Commission.

### § 9.31 Commission review of disciplinary or access denial action on its own motion.

(a) *Request for additional information.* Where a person disciplined or denied access has not appealed the exchange decision to the Commission, upon review of the notice specified in § 9.11, the Division of Trading and Markets may request that the exchange file with the Division the record of the exchange proceeding, or designated portions of the record, a brief statement of the evidence and testimony adduced to support the exchange's findings that a rule or rules of the exchange were violated and such recordings, transcripts and other documents applicable to the particular exchange proceeding as the Division may specify. The exchange must promptly advise the person who is the

## §9.32

subject of the disciplinary or access denial action of the Division's request. Within thirty days after service of the Division's request, the exchange must file the information requested with the Division and, upon request, deliver that information to the person who is the subject of the disciplinary or access denial action. Delivery and filing must be in the manner prescribed by §9.11(c). A person subject to the disciplinary action or access denial action requesting a copy of the information furnished to the Division must, if the exchange rules so provide, agree to pay the exchange reasonable fees for printing the copy.

(b) *Review on motion of the Commission.* The Commission may institute review of an exchange disciplinary or access denial action on its own motion. Other than in extraordinary circumstances, such review will be initiated within 180 days after the Commission has received the notice of exchange action provided for in §9.11. If the Commission should institute review on its own motion, it will issue an order permitting the person who is the subject of the disciplinary or access denial action an opportunity to file an appropriate submission, and the exchange an opportunity to file a reply thereto.

### §9.32 Oral argument.

(a) *On motion of Commission.* On its own motion, the Commission may, in its discretion, hear oral argument by the parties any time before the decision of the Commission is filed with the Proceedings Clerk.

(b) *On request of party.* Any party may file with the Proceedings Clerk a request in writing for the opportunity to present oral argument before the Commission, which the Commission may, in its discretion, grant or deny. A request under this paragraph must be filed concurrently with the party's brief.

(c) *Reporting and transcription.* Oral argument before the Commission will be recorded and transcribed unless the Commission directs otherwise. In the event the Commission affords the parties the opportunity to present oral argument before the Commission, the oral argument will proceed in accord-

## 17 CFR Ch. I (4-1-01 Edition)

ance with the provisions of §10.103 (b) and (d) of this chapter.

### §9.33 Final decision by the Commission.

(a) *Opinion and order.* Upon review, the Commission may affirm, modify, set aside, or remand for further proceedings, in whole or in part, the decision of the exchange. The Commission's decision will be contained in its opinion and order which will be based upon the record before it, including the record of the exchange proceeding, and any oral argument made in accordance with §9.32. Except as provided in paragraph (b) of this section, the opinion and order will constitute the final decision of the Commission, effective upon service on the parties. In the event the Commission is equally divided as to its decision, the Commission will affirm without opinion the decision of the exchange, which will constitute the Commission's final decision.

(b) *Order of summary affirmance.* If the Commission finds that the result reached in the decision of the exchange is substantially correct and that none of the arguments on appeal made by the appellant raise important questions of law or policy, the Commission may, by appropriate order, summarily affirm the decision of the exchange without opinion, which will constitute the Commission's final decision. Unless the Commission expressly indicates otherwise in its order, an order of summary affirmance does not reflect a Commission determination to adopt the exchange final decision, including any rationale contained therein, as its opinion and order, and neither the exchange's final decision nor the Commission's order of summary affirmance will serve as a Commission precedent in other proceedings.

(c) *Standards of review.* In reviewing an exchange disciplinary, access denial or other adverse action, the Commission will consider whether:

(1) The exchange disciplinary, access denial or other adverse action was taken in accordance with the rules of the exchange;

(2) Fundamental fairness was observed in the conduct of the proceeding resulting in the disciplinary, access denial or other adverse action;

(3)(i) In the case of a disciplinary action, the record contains substantial evidence of a violation of the rules of the exchange, or (ii) in the case of an access denial or other adverse action, the record contains substantial evidence supporting the exchange action; and

(4) The disciplinary, access denial or other adverse action otherwise accords with the Act and the rules, regulations and orders of the Commission thereunder.

### §10.22 Complaint and notice of hearing.

(a) *Content.* The complaint and notice of hearing shall include:

(1) The legal authority and jurisdiction under which the hearing is held;

(2) The matters of fact and law to be considered and determined.

The complaint shall set forth the matters of fact alleged therein in such manner as will permit a specific response to each allegation. The notice shall notify the respondent of his right to a hearing and shall specify the time required by §10.23 of these rules for the filing of an answer and the consequence of failure to file an answer.

(b) *Service.* The Proceedings Clerk shall give appropriate notice to each respondent by serving them with a copy of the complaint and notice of

hearing. Service may be made in person, by confirmed telegraphic notice, or by registered mail or certified mail, addressed to the last known business or residence address of the person to be served or the address of his duly authorized agent for service. (c) *Effect of failure to file answer.* A party who fails to file an answer within 20 days shall be in default and, pursuant to procedures set forth in § 10.93 of these rules, the proceeding may be determined against him by the Administrative Law Judge upon his consider-

ation of the complaint, the allegations of which shall then be deemed to be true.

(d) *Admission of all allegations of fact.* If a respondent's answer admits the truth of all the material allegations of fact contained in the complaint, it shall constitute a waiver of hearing on those allegations. However, the Administrative Law Judge may conduct a hearing, if so requested, by any of the parties. Following waiver, the parties may submit proposed findings and conclusions and briefs, as provided in § 10.82 and may appeal any initial decision to the Commission as provided in § 10.102 of these rules.

Upon motion to the Administrative Law Judge and with notice to all other parties and the Commission, the Division of Enforcement may amend a complaint to correct typographical and clerical errors or to make other technical, non-substantive revisions within the scope of the original complaint.

(b) *Other pleadings.* Except for the complaint and notice of hearing, a party may amend any pleading once as a matter of course at any time before a responsive pleading is served or, if the

## § 10.25

## Subpart C—Parties and Limited Participation

### § 10.31 Parties.

The parties to an adjudicatory proceeding shall include the Division of Enforcement, each respondent named in the complaint and each person permitted to intervene pursuant to § 10.33 of these rules. A respondent shall cease to be a party or purposes of a pending proceeding when (a) a default order is entered against him pursuant to § 10.93; or (b) the Commission accepts an offer of settlement pursuant to § 10.108 of these rules.

### § 10.32 Substitution of parties.

Upon motion and for good cause shown the Administrative Law Judge may order a substitution of parties.

### § 10.33 Intervention as a party.

(a) *Petition for Leave to Intervene.* Any person whose interests may be affected substantially by the matters to be considered in a proceeding may petition the Administrative Law Judge for leave to intervene as a party in the

proceeding any time after the institution of a proceeding and before such proceeding has been submitted for final consideration. Petitions for leave to intervene shall be in writing and shall set forth with specificity the nature of the petitioner's interest in the proceeding and the manner in which his interests may be affected substantially. The Administrative Law Judge may direct a petitioner requesting intervention to submit himself for examination as to his interest in the proceeding.

(b) *Response to petition.* A petition for leave to intervene shall be served by the petitioner upon all parties to the proceeding, who may support or oppose the petition in a document filed within ten days after service of the petition upon them or within such other period as the Administrative Law Judge may direct in a particular case.

(c) *Leave to intervene—when granted.* No person shall be admitted as a party to a proceeding by intervention unless the Administrative Law Judge is satisfied that (1) a substantial interest of the person seeking to intervene may be adversely affected by the matter to be considered in the proceeding; (2) that his intervention will not materially prejudice the rights of any party, through delay or otherwise; (3) that his participation as a party will otherwise be consistent with the public interest; and (4) that leave to be heard pursuant to §10.34 would be inadequate for the protection of his interests. The burden shall be upon the petitioner to satisfy the Administrative Law Judge on these issues.

(d) *Rights of intervenor.* A person who has been granted leave to intervene shall from that time forward have all the rights and responsibilities of a party to the proceeding.

#### § 10.34 Limited participation.

(a) *Petitions for leave to be heard.* Any person may, in the discretion of the Administrative Law Judge, be given leave to be heard in any proceeding as to any matter affecting his interests. Petitions for leave to be heard shall be in writing, shall set forth (1) the nature and extent of the applicant's interest in the proceeding; (2) the issues on which he wishes to participate; and (3)

in what manner he wishes to participate. The Administrative Law Judge may direct any person requesting leave to be heard to submit himself to examination as to his interest in the proceeding.

(b) *Rights of a participant.* Leave to be heard pursuant to §10.34(a) may include such rights of a party as the Administrative Law Judge may deem appropriate, except that oral argument before the Commission may be permitted only by the Commission.

#### § 10.35 Permission to state views.

Any person may, in the discretion of the Administrative Law Judge be permitted to file a memorandum or make an oral statement of his views, and the Administrative Law Judge may, in his discretion, accept for the record written communications received from any person.

#### § 10.36 Commission review of rulings.

Interlocutory review by the Commission of a ruling as to matters within the scope of §10.33, §10.34 or §10.35 may be sought in accordance with the procedures set forth in §10.101 of these rules without certification by the Administrative Law Judge.

otherwise furnished by the parties pursuant to § 10.42;

(g) Discussing adoption of shortened procedures pursuant to § 10.92;

(h) Promoting a fair and expeditious hearing.

At or following the conclusion of a prehearing conference, the Administrative Law Judge shall serve a prehearing memorandum containing agreements reached and any procedural determinations made by him, unless the conference shall have been recorded and transcribed in written form and a copy of the transcript has been made available to each party.

[41 FR 2511, Jan. 16, 1976, as amended at 63 FR 55791, Oct. 19, 1998]

### § 10.42 Discovery.

(a) *Prehearing materials*—(1) *In general*. Unless otherwise ordered by an Administrative Law Judge, the parties to a proceeding shall furnish to all other parties to the proceeding on or before a date set by the Administrative Law Judge in the form of a prehearing memorandum or otherwise:

(i) An outline of its case or defense;

(ii) The legal theories upon which it will rely;

(iii) The identity, and the city and state of residence, of each witness, other than an expert witness, who is expected to testify on its behalf, along with a brief summary of the matters to be covered by the witness's expected testimony;

(iv) A list of documents which it intends to introduce at the hearing, along with copies of any such documents which the other parties do not already have in their possession and to which they do not have reasonably ready access.

(2) *Expert witnesses*. Unless otherwise ordered by the Administrative Law Judge, in addition to the information described in paragraph (a)(1) of this section, any party who intends to call an expert witness shall also furnish to all other parties to the proceeding on or before a date set by the Administrative Law Judge:

(i) A statement identifying the witness and setting forth his or her qualifications;

(ii) A list of any publications authored by the witness within the preceding ten years;

(iii) A list of all cases in which the witness has testified as an expert, at trial or in deposition, within the preceding four years;

(iv) A complete statement of all opinions to be expressed by the witness and the basis or reasons for those opinions; and

(v) A list of any documents, data or other written information which were considered by the witness in forming his or her opinions, along with copies of any such documents, data or information which the other parties do not already have in their possession and to which they do not have reasonably ready access.

(3) The foregoing procedures shall not be deemed applicable to rebuttal evidence submitted by any party at the hearing.

(4) In any action where a party fails to comply with the requirements of this paragraph (a), the Administrative Law Judge may make such orders in regard to the failure as are just, taking into account all of the relevant facts and circumstances of the failure to comply.

(b) *Investigatory materials*—(1) *In general*. Unless otherwise ordered by the Commission or the Administrative Law Judge, the Division of Enforcement shall make available for inspection and copying by the respondents, prior to the scheduled hearing date, any of the following documents that were obtained by the Division prior to the institution of proceedings in connection with the investigation that led to the complaint and notice of hearing:

(i) All documents that were produced pursuant to subpoenas issued by the Division or otherwise obtained from persons not employed by the Commission, together with each subpoena or written request, or relevant portion thereof, that resulted in the furnishing of such documents to the Division; and

(ii) All transcripts of investigative testimony and all exhibits to those transcripts.

(2) *Documents that may be withheld*. The Division of Enforcement may withhold any document that would disclose:

(i) The identity of a confidential source;

(ii) Confidential investigatory techniques or procedures;

(iii) Separately the market positions, business transactions, trade secrets or names of customers of any persons other than the respondents, unless such information is relevant to the resolution of the proceeding;

(iv) Information relating to, or obtained with regard to, another matter of continuing investigatory interest to the Commission or another domestic or foreign governmental entity, unless such information is relevant to the resolution of the proceeding; or

(v) Information obtained from a domestic or foreign governmental entity or from a foreign futures authority that either is not relevant to the resolution of the proceeding or was provided on condition that the information not be disclosed or that it only be disclosed by the Commission or a representative of the Commission as evidence in an enforcement or other proceeding.

(3) Nothing in paragraphs (b)(1) and (b)(2) of this section shall limit the ability of the Division of Enforcement to withhold documents or other information on the grounds of privilege, the work product doctrine or other protection from disclosure under applicable law. When the investigation by the Division of Enforcement that led to the pending proceeding encompasses transactions, conduct or persons other than those involved in the proceeding, the requirements of (b)(1) of this section shall apply only to the particular transaction, conduct and persons involved in the proceeding.

(4) *Index of withheld documents.* When documents are made available for inspection and copying pursuant to paragraph (b)(1) of this section, the Division of Enforcement shall furnish the respondents with an index of all documents that are withheld pursuant to paragraphs (b)(2) or (b)(3) of this section, except for any documents that are being withheld because they disclose information obtained from a domestic or foreign governmental entity or from a foreign futures authority on condition that the information not be disclosed or that it only be disclosed by

the Commission or a representative of the Commission as evidence in an enforcement or other proceeding, in which case the Division shall inform the other parties of the fact that such documents are being withheld at the time it furnishes its index under this paragraph, but no further disclosures regarding those documents shall be required. This index shall describe the nature of the withheld documents in a manner that, to the extent practicable without revealing any information that itself is privileged or protected from disclosure by law or these rules, will enable the other parties to assess the applicability of the privilege or protection claimed.

(5) *Arrangements for inspection and copying.* Upon request by the respondents, all documents subject to inspection and copying pursuant to this paragraph (b) shall be made available to the respondents at the Commission office nearest the location where the respondents or their counsel live or work. Otherwise, the documents shall be made available at the Commission office where they are ordinarily maintained or at any other location agreed upon by the parties in writing. Upon payment of the appropriate fees set forth in appendix B to part 145 of this chapter, any respondent may obtain a photocopy of any document made available for inspection. Without the prior written consent of the Division of Enforcement, no respondent shall have the right to take custody of any documents that are made available for inspection and copying, or to remove them from Commission premises.

(6) *Failure to make documents available.* In the event that the Division of Enforcement fails to make available documents subject to inspection and copying pursuant to this paragraph (b), no rehearing or reconsideration of a matter already heard or decided shall be required, unless the respondent demonstrates prejudice caused by the failure to make the documents available.

(7) *Requests for confidential treatment; protective orders.* If a person has requested confidential treatment of information submitted by him or her, either pursuant to rules adopted by the Commission under the Freedom of Information Act (part 145 of this chapter)

or under the Commission's Rules Relating To Investigations (part 11 of this chapter), the Division of Enforcement shall notify him or her, if possible, that the information is to be disclosed to parties to the proceeding and he or she may apply to the Administrative Law Judge for an order protecting the information from disclosure, consideration of which shall be governed by § 10.68(c)(2).

(c) *Witness statements*—(1) *In general.* Each party to an adjudicatory proceeding shall make available to the other parties any statement of any person whom the party calls, or expects to call, as a witness that relates to the anticipated testimony of the witness and is in the party's possession. Such statements shall include the following:

(i) Transcripts of investigative, deposition, trial or similar testimony given by the witness,

(ii) Written statements signed by the witness, and

(iii) Substantially verbatim notes of interviews with the witness, and all exhibits to such transcripts, statements and notes. For purposes of this paragraph (c), "substantially verbatim notes" means notes that fairly record the exact words of the witness, subject to minor, inconsequential deviations. Such statements shall include memoranda and other writings authored by the witness that contain information relating to his anticipated testimony. The Division of Enforcement shall produce witness statements pursuant to this paragraph prior to the scheduled hearing date, at a time to be designated by the Administrative Law Judge. Respondents shall produce witness statements pursuant to this paragraph at the close of the Division's case in chief during the hearing. If necessary, the Administrative Law Judge shall, upon request, grant the Division a continuance of the hearing in order to review and analyze any witness statements produced by the respondents.

(2) Nothing in paragraph (c)(1) of this section shall limit the ability of a party to withhold documents or other information on the grounds of privilege, the work product doctrine or other protection from disclosure under applicable law.

(3) *Index of withheld documents.* When a party makes witness statements available pursuant to paragraph (c)(1) of this section, he or she shall furnish each of the other parties with an index of all documents that the party is withholding on the grounds of privilege or work product. This index shall describe the nature of the withheld documents in a manner that, to the extent practicable without revealing information that itself is privileged or protected from disclosure by law or these rules, will enable the other parties to assess the applicability of the privilege or protection claimed.

(4) *Failure to produce witness statements.* In the event that a party fails to make available witness statements subject to production pursuant to this section, no rehearing or reconsideration of a matter already heard or decided shall be required, unless another party demonstrates prejudice caused by the failure to make the witness statements available.

(d) *Modification of production requirements.* The Administrative Law Judge shall modify any of the requirements of paragraphs (a) through (c) of this section that any party can show is unduly burdensome or is otherwise inappropriate under all the circumstances.

(e) *Admissions*—(1) *Request for admissions.* Any party may serve upon any other party, with a copy to the Proceedings Clerk, a written request for admission of the truth of any facts relevant to the pending proceeding set forth in the request. Each matter of which an admission is requested shall be separately set forth. Unless prior written approval is obtained from the Administrative Law Judge, the number of requests shall not exceed 50 in number including all discrete parts and subparts.

(2) *Response.* A matter shall be considered to be admitted unless, within 15 days after service of the request, or within such other time as the Administrative Law Judge may allow, the party upon whom the request is directed serves upon the requesting party a sworn written answer or objection to the matter. If objection is made, the reasons therefor shall be stated. The response shall specifically deny the

matter or set forth in detail the reasons why the answering party cannot truthfully admit or deny the matter. A denial shall fairly meet the substance of the requested admission and when good faith requires that a party qualify his answer and deny only a part of the matter, he shall specify so much of it as is true and qualify or deny the remainder. An answering party may not give a lack of information or knowledge as a reason for failure to admit or deny unless he states that he has made reasonable inquiry and that the information known or reasonably available to him is insufficient to enable him to admit or deny. A party who considers that a matter of which an admission has been requested presents a genuine issue for trial may not, on that ground alone, object to the request; he may deny the matter or set forth reasons why he cannot admit or deny it.

(3) *Determining sufficiency of answers or objections.* The party who has requested the admissions may move to determine the sufficiency of the answers or objections. Unless the objecting party sustains his burden of showing that the objection is justified, the Administrative Law Judge shall order that an answer be served. If the Administrative Law Judge determines that an answer does not comply with the requirements of this rule, he may order either that the matter is admitted or that an amended answer be served.

(4) *Effect of admission.* Any matter admitted under this rule is conclusively established and may be used at a hearing as against the party who made the admission. However, the Administrative Law Judge may permit withdrawal or amendment when the presentation on the merits of the proceeding will be served thereby and the party who obtains the admission fails to satisfy the Administrative Law Judge that withdrawal or amendment will prejudice him in maintaining his action or defense on the merits.

(f) *Objections to authenticity or admissibility of documents—(1) Identification of documents.* The Administrative Law Judge, acting on his or her own initiative or upon motion by any party, may direct each party to serve upon the other parties, with a copy to the Proceedings Clerk, a list identifying the

documents that it intends to introduce at the hearing and requesting the other parties to file and serve a response disclosing any objection, together with the factual or legal grounds therefor, to the authenticity or admissibility of each document identified on the list. A copy of each document identified on the list shall be served with the request, unless the party being served already has the document in his possession or has reasonably ready access to it.

(2) *Objections to authenticity or admissibility.* Within 20 days after service or at such other time as may be designated by the Administrative Law Judge, each party upon whom the list described in paragraph (f)(1) of this section was served shall file a response disclosing any objection, together with the factual or legal grounds therefor, to the authenticity or admissibility of each document identified on the list. Except for relevance, waste of time or needless presentation of cumulative evidence, all objections not raised may be deemed waived.

(3) *Rulings on objections.* In his or her discretion, the Administrative Law Judge may treat as a motion in limine any list served by a party pursuant to paragraph (f)(1) of this section, where any other party has filed a response objecting to the authenticity or the admissibility on any item listed. In that event, after affording the parties an opportunity to file briefs containing arguments on the motion to the degree necessary for a decision, the ALJ may rule on any objection to the authenticity or admissibility of any document identified on the list in advance of trial, to the extent appropriate.

#### § 10.43 Stipulations.

The parties may by stipulation in writing at any stage of the proceeding, or orally made at hearing, agree upon any pertinent facts in the proceeding. It is desirable that the facts be thus agreed upon so far as and whenever practicable. Stipulations may be received in evidence at a hearing and when received in evidence shall be binding on the parties thereto.

## § 10.44

## 17 CFR Ch. I (4-1-01 Edition)

### § 10.44 Depositions and interrogatories.

(a) *When permitted.* If it appears that:

(1) A prospective witness will be unable to attend or testify at a hearing on the basis of age, illness, infirmity, imprisonment or on the basis that he is or will be outside of the United States at the time of the hearing (unless it appears that the absence of the witness was procured by the party seeking to take the deposition),

(2) His testimony is material,

(3) It is necessary to take his deposition in the interest of Justice, the Administrative Law Judge may by order direct that his deposition be taken either orally or in the form of written interrogatories, and may issue a subpoena to compel the attendance of the witness for deposition.

(b) *Application for deposition.* Any party desiring to take the deposition of a witness shall make application in writing to the Administrative Law Judge for an order to take deposition. In addition to the showing required in § 10.44(a), the application shall include:

(1) The name and post office address of the witness;

(2) The specific matters concerning which the witness is expected to testify and their relevance;

(3) The reasons why the deposition should be taken, supported by affidavits and a physician's certificate, where appropriate;

(4) The time when, the place where, and the name and address of the person before whom the deposition is to be taken;

(5) A specification of the documents and materials which the deponent is requested to produce;

(6) Application for any subpoenas.

(c) *Service and reply.* A copy of the application to take deposition shall be served upon every other party to the proceeding and upon the person sought to be deposed. Any party or the deponent may serve and file an opposition to the application within seven days after the application is filed.

(d) *Time when, place where, and officer before whom deposition is taken—*(1) *Where the deposition is taken.* Unless otherwise ordered or agreed to by stipulation, depositions shall be taken in

the city or municipality where the deponent is located.

(2) *Officer before whom taken.* (i) Within the United States or a territory of the United States, depositions shall be taken before an officer authorized to administer oaths by the laws of the United States or of the place where the examination is held.

(ii) Within a foreign country, depositions may be taken before an officer or person designated by the Administrative Law Judge or agreed upon by the parties by a stipulation in writing to be filed with the Proceedings Clerk.

(e) *Procedures for taking oral depositions.* (1) Oral examination and cross-examination of witnesses shall be conducted in a manner similar to that permitted at a formal hearing. All questions and testimony shall be recorded verbatim, except to the extent that all parties present or represented may agree that a matter shall be off the record.

(2) All objections made at the time of the examination to the qualifications of the officer taking the deposition, or to the manner of taking it, or to the evidence presented, or to the conduct of any party, or any other objection to the proceeding shall be noted by the officer upon the deposition, and shall subsequently be determined by the Administrative Law Judge. Evidence objected to shall be taken subject to the objections. However, the parties may stipulate that, except as to objections to the form of questions, all objections to the matters testified to in a deposition are preserved for the hearing, whether or not raised at the time of deposition.

(3) During the taking of a deposition a party or deponent may request and obtain an adjournment to permit an application to be made to the Administrative Law Judge for an order suspending the deposition on grounds of bad faith in the conduct of the examination, annoyance, embarrassment, oppression of a deponent or party, or improper questions. An attorney who requests and obtains an adjournment for this purpose but fails, without good cause, promptly to apply for relief to the Administrative Law Judge may be found guilty of contemptuous conduct

in accordance with §10.11(b) of these rules.

(f) *Procedures for use of interrogatories.*

(1) If depositions are to be taken and submitted on written interrogatories, the interrogatories shall be filed in triplicate with the application for deposition and served on the parties. Within ten days after service, any party may file, in triplicate, with the Proceedings Clerk, his objections, if any, to such interrogatories and may file such cross-interrogatories as he desires to submit. Other parties shall have ten days to file their objections to cross-interrogatories. Objections shall be settled by the Administrative Law Judge.

(2) When a deposition is taken upon written interrogatories and cross-interrogatories, no party shall be present or represented and no person other than the witness, a stenographic reporter, and the officer shall be present. The officer shall propound the interrogatories and cross-interrogatories to the witness, and the interrogatories and responses thereto shall be transcribed and reduced to writing.

(g) *Use of depositions at hearing.* (1) Any part or all of a deposition, to the extent admissible under rules of evidence applied as though the witness were then present and testifying at the hearing, may be used against any party who had reasonable notice of the taking of the deposition, if the Administrative Law Judge finds that:

(i) The witness is dead;

(ii) The witness is unable to attend or testify because of age, illness, infirmity, or imprisonment;

(iii) The witness is out of the United States at the time of the hearing, unless it appears that the absence of the witness was procured by the party offering the deposition.

(2) If only part of a deposition is offered in evidence by a party, an adverse party may require him to introduce any other part which ought in fairness to be considered with the part introduced, and any party may introduce any other parts.

(3) Objection may be made at a hearing to receiving in evidence any deposition or part thereof for any reason which would require the exclusion of

the evidence if the witness were then present and testifying.

[41 FR 2511, Jan. 16, 1976, as amended at 60 FR 54802, Oct. 26, 1995]

### Subpart E—Hearings

#### § 10.61 Time and place of hearing.

(a) *Notice.* All parties shall be notified of the time and place of hearing, which shall be fixed with due regard for the public interest and the convenience and necessity of the parties and their representatives.

(b) *Requests for change.* A request for postponement of a hearing or for a change in the place assigned for hearing will be granted by the Administrative Law Judge only for good cause shown.

#### § 10.62 Appearances.

(a) *Who may appear.* The parties may appear in person, by counsel or by other representatives of their choosing, subject to the provisions of §10.11 of these rules and part 14 of this chapter, dealing with appearance and practice before the Commission.

(b) *Effect of failure to appear.* (1) If any party to the proceeding, after filing an answer fails to appear at the hearing or any part thereof, he shall to that extent be deemed to have waived the right to an oral hearing in the proceeding. In the event that a party appears at the hearing and no party appears for the opposing side, the party who is present may present his evidence, in whole or in part, in the form of affidavits or by oral testimony, before the Administrative Law Judge.

(2) A failure to appear at a hearing shall not constitute a waiver of a party's right to propose findings of fact based on the record in the proceeding, to propose conclusions of law or to submit briefs, in the manner provided in §10.82, if the non-appearing party submits prior to the scheduled hearing or within three days thereafter, a notice of appearance indicating his intent to continue to participate in the proceeding. Otherwise, his failure to appear will constitute a default, and a default order may be sought in accordance with procedures set forth in §10.93 of these rules.

## § 10.63

17 CFR Ch. I (4-1-01 Edition)

### § 10.63 Consolidation; separate hearings.

(a) *Consolidation.* Two or more proceedings involving a common question of law or fact may be joined for hearing of any or all the matters in issue or may be consolidated by order of the Administrative Law Judge. The Administrative Law Judge may make such rulings concerning the conduct of such proceedings as may tend to avoid unnecessary costs or delay.

(b) *Separate Hearings.* The Administrative Law Judge, for the convenience of the parties, to avoid prejudice, or to expedite final resolution of the issues, may order a separate hearing of any claim or issue, or grant a separate hearing to any respondent.

### § 10.64 Public hearings.

All hearings shall be public, except that upon application of a respondent or affected witness the Administrative Law Judge may direct that specific documents or testimony be received and retained non-publicly in order to prevent unwarranted disclosure of trade secrets or sensitive commercial or financial information or an unwarranted invasion of personal privacy.

### § 10.65 Record of hearing.

(a) *Reporting and transcription.* Hearings for the purpose of taking evidence shall be recorded and transcribed in written form under the supervision of the Administrative Law Judge by a reporter employed by the Commission for that purpose. The original transcript shall be a part of the record and shall be the sole official transcript. Copies of transcripts, except those portions granted non-public treatment, shall be available from the reporter at rates not to exceed the maximum rates fixed by the contract between the Commission and the reporter.

(b) *Corrections.* Any party may submit a timely request to the Administrative Law Judge to correct the transcript. Corrections may be submitted to the Administrative Law Judge by stipulation of the parties, or by motion by any party, and upon notice to all parties to the proceeding, the Administrative Law Judge may specify corrections of the transcript. A copy of such specification shall be furnished to all

parties and made a part of the record. Corrections shall be made by the official reporter, who shall furnish substitute pages of the transcript, under the usual certificate of the reporter, for insertion in the official record. The original uncorrected pages shall be retained in the files of the Proceedings Clerk.

[41 FR 2511, Jan. 16, 1976, as amended at 60 FR 54802, Oct. 26, 1995]

### § 10.66 Conduct of the hearing.

(a) *Expedition.* Hearings shall proceed expeditiously and insofar as practicable hearings shall be held at one place and shall continue, without suspension, until concluded.

(b) *Rights of parties.* Every party shall be entitled to due notice of hearings, the right to be represented by counsel, and the right to cross-examine witnesses, present oral and documentary evidence, submit rebuttal evidence, raise objections, make arguments and move for appropriate relief. Nothing in this paragraph limits the authority of the Commission or the Administrative Law Judge to exercise authority under other provisions of the Commission's rules, to enforce the requirement that evidence presented be relevant to the proceeding or to limit cross-examination to the subject matter of the direct examination and matters affecting the credibility of the witness.

(c) *Examination of witnesses.* All witnesses at a hearing for the purpose of taking evidence shall testify under oath or affirmation, which shall be administered by the Administrative Law Judge. A witness may be cross-examined by each adverse party and, in the discretion of the Administrative Law Judge, may be cross-examined, without regard to the scope of direct examination, as to any matter which is relevant to the issues in the proceeding.

(d) *Expert witnesses.* The Administrative Law Judge, at his discretion, may order that direct testimony of expert witnesses be made by verified written statement rather than presented orally at the hearing. Any expert witness whose testimony is presented in this manner shall be available for oral cross-examination, and may be examined orally upon re-direct following cross-examination.

(e) *Exhibits.* The original of each exhibit introduced in evidence or marked for identification shall be filed and retained in the docket of the proceeding, unless the Administrative Law Judge permits the substitution of copies for the original documents. A copy of each exhibit introduced by a party or marked for identification at his request shall be supplied by him to the Administrative Law Judge and to each other party to the proceeding.

[41 FR 2511, Jan. 16, 1976, as amended at 63 FR 55793, Oct. 19, 1998; 63 FR 68829, Dec. 14, 1998]

#### § 10.67 Evidence.

(a) *Admissibility.* Relevant, material and reliable evidence shall be admitted. Irrelevant, immaterial, unreliable and unduly repetitious evidence shall be excluded.

(b) *Official notice.* (1) Official notice may be taken of

(i) Any material fact which might be judicially noticed by a district court of the United States; or

(ii) Any matter in the public official records of the Commission.

(2) If official notice is requested or taken of a material fact, any party, upon timely request, shall be afforded an opportunity to establish the contrary.

(c) *Objections.* A party shall timely and briefly state the grounds relied upon for any objection made to the introduction of evidence. If a party has had no opportunity to object to a ruling at the time it is made, he shall not thereafter be prejudiced by the absence of an objection.

(d) *Exceptions.* Formal exception to an adverse ruling is not required. It shall be sufficient that a party, at the time the ruling is sought or entered, makes known to the Administrative Law Judge the action he wishes the Administrative Law Judge to take or his objection to the action being taken and his grounds therefor.

(e) *Excluded evidence.* When an objection to a question propounded to a witness is sustained, the examining attorney may make a specific offer of what he expects to prove by the answer of the witness, or the Administrative Law Judge may, in his discretion, receive the evidence in full. Rejected exhibits,

adequately marked for identification, shall be retained in the record so as to be available for consideration by any reviewing authority.

(f) *Affidavits.* Affidavits may be admitted by the Administrative Law Judge only if the evidence is otherwise admissible and the parties agree that affidavits may be used.

(g) *Official government records.* An official government record or any entry therein, when admissible for any purpose, may be evidenced by an official publication thereof or by a copy attested by the officer having legal custody of the record or by his deputy, accompanied by a certificate that such officer has custody. If the office in which the record is kept is within the United States the certificate may be made by a judge of a court of record in the district or political subdivision in which the record is kept, authenticated by the seal of his office. If the office in which the record is kept is in a foreign state or country, the certificate may be made by any officer in the Foreign Service of the United States stationed in the foreign state or country in which the record is kept and authenticated by the seal of his office. A written statement signed by an officer having custody of an official record or by his deputy, that after diligent search, no record or entry dealing with a specific matter is found to exist, accompanied by a certificate as provided above, is admissible as evidence that the records of his office contain no such record or entry.

(h) *Entries in the regular course of business.* Any writing or record, whether in the form of an entry in a book or otherwise, made as a memorandum or record of any act, transaction, occurrence, or event, will be admissible as evidence thereof if it shall appear that it was made in the regular course of business by a person who had a duty to report or record it.

#### § 10.68 Subpoenas.

(a) Application for and issuance of subpoenas—(1) *Application for and issuance of subpoena ad testificandum.* Any party may apply to the Administrative Law Judge for the issuance of a subpoena requiring a person to appear and testify (subpoena ad testificandum)

at the hearing. All requests for the issuance of a subpoena ad testificandum shall be submitted in duplicate and in writing and shall be served upon all other parties to the proceeding, unless the request is made on the record at the hearing or the requesting party can demonstrate why, in the interest of fairness or justice, the requirement of a written submission or service on one or more of the other parties is not appropriate. A subpoena ad testificandum shall be issued upon a showing by the requesting party of the general relevance of the testimony being sought and the tender of an original and two copies of the subpoena being requested, except in those situations described in paragraph (b) of this section, where additional requirements are set forth.

(2) *Application for subpoena duces tecum.* An application for a subpoena requiring a person to produce specified documentary or tangible evidence (subpoena duces tecum) at any designated time or place may be made by any party to the Administrative Law Judge. All requests for the issuance of a subpoena duces tecum shall be submitted in duplicate and in writing and shall be served upon all other parties to the proceeding, unless the request is made on the record at the hearing or the requesting party can demonstrate why, in the interest of fairness or justice, the requirement of a written submission or service on one or more of the other parties is not appropriate. Except in those situations described in paragraph (b) of this section, where additional requirements are set forth, each application for the issuance of a subpoena duces tecum shall contain a statement or showing of general relevance and reasonable scope of the evidence being sought and be accompanied by an original and two copies of the subpoena being requested, which shall describe the documentary or tangible evidence to be subpoenaed with as much particularity as is feasible.

(3) *Standards for issuance of subpoena duces tecum.* The Administrative Law Judge considering any application for a subpoena duces tecum shall issue the subpoena requested if he is satisfied the application complies with this section and the request is not unreason-

able, oppressive, excessive in scope or unduly burdensome. No attempt shall be made to determine the admissibility of evidence in passing upon an application for a subpoena duces tecum and no detailed or burdensome showing shall be required as a condition to the issuance of any subpoena.

(4) *Denial of application.* In the event the Administrative Law Judge determines that a requested subpoena or any of its terms are unreasonable, oppressive, excessive in scope, or unduly burdensome, he may refuse to issue the subpoena, or may issue it only upon such conditions as he determines fairness requires.

(b) *Special requirements relating to application for and issuance of subpoenas for commission records and for the appearance of commission employees or employees of other agencies—(1) Form.* An application for the issuance of subpoena shall be made in the form of a written motion served upon all other parties, if the subpoena would require

(i) The production of documents, papers, books, physical exhibits, or other material in the records of the Commission;

(ii) The appearance of a Commissioner or an official or employee of the Commission;

(iii) The appearance of a Commissioner or an official or employee of any other state or federal agency in his official capacity.

(2) *Content.* The motion shall specifically describe the material to be produced, the information to be disclosed, or the testimony to be elicited from the witness, and shall show

(i) The relevance of the material, information, or testimony to the matters at issue in the proceeding;

(ii) The reasonableness of the scope of the proposed subpoena; and

(iii) That such material, information, or testimony is not available from other sources.

(3) *Rulings.* The motion shall be decided by the Administrative Law Judge and shall provide such terms or conditions for the production of the material, the disclosure of the information or the appearance of the witness as may appear necessary and appropriate for the protection of the public interest.

(4) *Commission review of rulings.* Interlocutory review by the Commission of a ruling made under this section may be sought in accordance with the procedures set forth in §10.101 without certification by the Administrative Law Judge.

(c) *Motions to quash subpoenas; protective orders—(1) Application.* Within 10 days after a subpoena has been served or at any time prior to the return date thereof, a motion to quash or modify the subpoena or for a protective order limiting the use or disclosure of any information, documents or testimony covered by the subpoena may be filed with the Administrative Law Judge who issued it. At the same time, a copy of the motion shall be served on the party who requested the subpoena and all other parties to the proceeding. The motion shall include a brief statement setting forth the basis for the requested relief. If the Administrative Law Judge to whom the motion has been directed has not acted upon the motion by the return date, the subpoena shall be stayed pending his or her final action.

(2) *Disposition.* After due notice to the person upon whose request the subpoena was issued, and after opportunity for response by that person, the Administrative Law Judge may (i) quash or modify the subpoena, or (ii) condition denial of the application to quash or modify the subpoena upon just and reasonable terms, including, in the case of a subpoena duces tecum, a requirement that the person in whose behalf the subpoena was issued shall advance the reasonable cost of producing documentary or other tangible evidence. The Administrative Law Judge may issue a protective order sought under paragraph (c)(1) of this section or under any other section of these rules upon a showing of good cause. In considering whether good cause exists to issue a protective order, the Administrative Law Judge shall weigh the harm resulting from disclosure against the benefits of disclosure. Good cause shall only be established upon a showing that the person seeking the protective order will suffer a clearly defined and serious injury if the order is not issued, provided, however, that any such injury shall be balanced

against the public's right of access to judicial records. No protective order shall be granted that will prevent the Division of Enforcement or any respondent from adequately presenting its case.

(d) *Attendance and mileage fees.* Persons summoned to testify either by deposition or at a hearing under requirement of subpoena are entitled to the same fees and mileage as are paid to witnesses in the courts of the United States. Fees and mileage are paid by the party at whose instance the persons are called.

(e) *Service of subpoenas—(1) How effected.* Service of a subpoena upon a party shall be made in accordance with §10.12(a) of these rules except that only one copy of a subpoena need be served. Service of a subpoena upon any other person shall be made by delivering a copy of the subpoena to him as provided in paragraphs (e)(2) or (e)(3) of this section, as applicable, and by tendering to him or her the fees for one day's attendance and mileage as specified in paragraph (d) of this section. When the subpoena is issued at the instance of the Commission, fees and mileage need not be tendered at the time of service.

(2) *Service upon a natural person.* Delivery of a copy of a subpoena and tender of the fees to a natural person may be effected by

- (i) Handing them to the person;
- (ii) Leaving them at his office with the person in charge thereof or, if there is no one in charge, by leaving them in a conspicuous place therein;
- (iii) Leaving them at his dwelling place or usual place of abode with some person of suitable age and discretion then residing therein;
- (iv) Mailing them by registered or certified mail to him at his last known address; or
- (v) Any other method whereby actual notice is given to him and the fees and mileage are timely made available.

(3) *Service upon other persons.* When the person to be served is not a natural person, delivery of a copy of the subpoena and tender of the fees and mileage may be effected by

## § 10.69

(i) Handing them to a registered agent for service, or to any officer, director, or agent in charge of any office of such person;

(ii) Mailing them by registered or certified mail to any such representative at his last known address; or

(iii) Any other method whereby actual notice is given to any such representative and the fees and mileage are timely made available.

(f) *Enforcement of subpoenas.* Upon failure of any person to comply with a subpoena issued at the request of a party, that party may petition the Commission in its discretion to institute an action in an appropriate U.S. District Court for enforcement of that subpoena. When instituting an action to enforce a subpoena requested by the Division of Enforcement, the Commission, in its discretion, may delegate to the Director of the Division or any Commission employee designated by the Director and acting under his or her direction, or to any other employee of the Commission, authority to serve as the Commission's counsel in such subpoena enforcement action.

## § 10.69 Reopening hearings.

Any party may petition the Administrative Law Judge to reopen a hearing to adduce additional evidence at any time prior to issuance of the initial decision. The petition shall show that the evidence sought to be adduced is relevant and material and that there were reasonable grounds for failure to adduce such evidence at the time of the original hearing.

### Subpart F—Post Hearing Procedures; Initial Decisions

#### § 10.81 Filing the transcript of evidence.

As soon as practicable after the close of the hearing, the reporter shall transmit to the Proceedings Clerk the transcript of the testimony and the exhibits introduced in evidence at the hearing, except such portions of the transcript and exhibits as shall have been

#### § 10.82 Proposed findings and conclusions; briefs.

In any proceeding involving a hearing or an opportunity for hearing, the parties may file written proposed findings of fact and conclusions of law. Briefs may be filed in support of proposed findings and conclusions either as part of the same document or in a separate document. Any proposed finding or conclusion not briefed may be regarded as waived.

(a) *Proposed findings and briefs; time for filing.* Where the parties file proposed findings and briefs, the following schedule shall apply, unless otherwise determined by the Administrative Law Judge:

(1) *Initial submission.* Proposed findings, conclusions and an initial brief shall be served and filed by the Division of Enforcement and intervenors on the side of the Division of Enforcement within 45 days of the close of the hearing;

(2) *Answering submission.* Proposed findings, conclusions, and an answering brief shall be served and filed by the respondents and intervenors on the side of the respondents within 30 days after service of the initial findings, conclusions and briefs upon the respondents;

(3) *Reply.* A reply brief may be filed by the Division of Enforcement and intervenors on the side of the Division of Enforcement within 15 days after filing of the answering submission;

(4) *Submissions by limited participants.* Submissions by a person admitted as a limited participant pursuant to § 10.34 of these rules, are permitted under such terms as determined by the Administrative Law Judge.

(b) *Alternative procedures for submissions.* In his discretion the Administrative Law Judge may lengthen or shorten the periods for the filing of submissions, may direct simultaneous filings, may direct that respondents make the first filing, or may otherwise modify the procedures set forth in paragraph (a) of this section for purposes of a particular proceeding.

(c) *Briefs.* (1) The initial brief should include:

- (i) A short, clear and concise statement of the case;
- (ii) Specification of the questions to be resolved; and
- (iii) The argument, presenting clearly the points of fact and law relied upon in support of the position taken on each question.

(2) The answering brief shall generally follow the same style as prescribed for the initial brief but may omit a statement of the case if the party does not dispute the statement of the case contained in the initial brief;

(3) Reply briefs should be limited to rebuttal of matters in the prior briefs.

(d) *Content and form of proposed findings and conclusions.* (1) The findings of fact shall be confined to the material issues of fact presented on the record, with exact citations to the transcripts of record and exhibits in support of each proposed finding.

(2) The proposed findings and conclusions of the party filing initially shall be set forth in consecutively numbered paragraphs and all counter-statement of proposed findings and conclusions shall, in addition to any other matter, indicate which paragraphs of initial proposals are not disputed.

#### § 10.83 Oral arguments.

In his discretion the Administrative Law Judge may hear oral arguments by the parties any time before he files his initial decision with the Proceedings Clerk. The argument shall be recorded and transcribed in written form.

[41 FR 2511, Jan. 16, 1976, as amended at 60 FR 54802, Oct. 26, 1995]

#### § 10.84 Initial decision.

(a) *When initial decision is required.* The Administrative Law Judge shall make an initial decision in any proceeding in which a hearing is required to be conducted in conformity with the requirements of the Administrative Procedure Act, as codified, 5 U.S.C. 557. He shall make an initial decision in other proceedings in which the Commission directs him to make such a decision.

(b) *Filing of initial decision.* After the parties have been afforded an oppor-

tunity to file their proposed findings of fact, proposed conclusions of law and supporting briefs pursuant to § 10.82, the Administrative Law Judge shall prepare upon the basis of the record in the proceeding and shall file with the Proceedings Clerk his or her decision, a copy of which shall be served by the Proceedings Clerk upon each of the parties.

(c) *Effect of initial decision.* The initial decision shall become the decision of the Commission 30 days after service thereof, except:

(1) The decision shall not become final as to any party who shall have filed a notice of appeal pursuant to § 10.102 of these rules; and

(2) The decision shall not become final as to any party to the proceeding if, within 30 days after the initial decision and order, the Commission itself shall have placed the case on its own docket for review or stayed the effective date of the decision.

In the event that the initial decision becomes the final decision of the Commission with respect to a party, that party shall be duly notified thereof by the Proceedings Clerk. The notice shall state that the time for filing a notice of appeal by the party has expired, that the Commission has determined not to review the initial decision on its own initiative and shall specify the date on which a final order in the proceeding shall become effective as against that party.

[41 FR 2511, Jan. 16, 1976, as amended at 60 FR 54802, Oct. 26, 1995; 61 FR 21954, May 13, 1996; 63 FR 55794, Oct. 19, 1998]

### Subpart G—Disposition Without Full Hearing

#### § 10.91 Summary disposition.

(a) *Filing of motions, answers.* Any party who believes that there is no genuine issue of material fact to be determined and that he is entitled to a decision as a matter of law may move for a summary disposition in his favor of all or any part of the proceeding. Such motion shall be filed at or before the first prehearing conference or at such later time as may be allowed by the Administrative Law Judge. Any adverse party within 20 days after service

## § 10.92

of the motion, may serve opposing papers or may countermove for summary disposition.

(b) *Supporting papers.* A motion for summary judgment shall include a statement of material facts as to which the moving party contends there is no genuine issue, supported by the pleadings, and by affidavits, other verified statements, including investigative transcripts, admissions, stipulations, and depositions. The motion may also be supported by briefs containing points and authorities in support of the contention of the party making the motion. When a motion is made and supported as provided in this section, an adverse party may not rest upon the mere allegations, but shall serve and file in response a statement setting forth those material facts as to which he contends a genuine issue exists, supported by affidavits or otherwise. He may also submit a brief of points and authorities.

(c) *Form of affidavits.* Supporting and opposing affidavits shall be made upon personal knowledge, shall set forth such facts as would be admissible in evidence, and shall show affirmatively that the affiant is competent to testify on the matters stated therein. Sworn or certified copies of all papers or parts thereof referred to in an affidavit shall be attached thereto or served therewith.

(d) *Oral argument.* Oral argument may be granted at the discretion of the Administrative Law Judge.

(e) *Ruling on motion.* The Administrative Law Judge shall grant a motion for summary disposition if the undisputed pleaded facts, affidavits, other verified statements, admissions, stipulations, and depositions, and matters of official notice show that (1) there is no genuine issue as to any material fact, (2) there is no necessity that further facts be developed in the record, and (3) such party is entitled to a decision as a matter of law.

(f) *Review of ruling; appeal.* An order denying a motion for summary disposition is subject to interlocutory review under the provisions of §10.101 on the same terms as a ruling on any other motion. An order granting a motion for summary disposition is reviewable by the Commission in accordance with the

## 17 CFR Ch. I (4–1–01 Edition)

provisions of §10.102 relating to appeals of initial decisions.

### § 10.92 Shortened procedure.

(a) *How initiated.* With the consent of the parties, in lieu of a full oral hearing, the Administrative Law Judge may order a shortened procedure as to the submission of direct evidence may be ordered in a proceeding. An order for shortened procedure shall list the names and addresses of all persons who are parties to the proceeding and shall direct compliance with the procedures established in this section. The order shall be served by the Proceedings Clerk upon all parties.

(b) *Filing of Statements*—(1) *Opening statement.* Within 20 days after receipt of notice that the shortened procedure will be used, the Division of Enforcement shall serve upon all other parties and file with the Proceedings Clerk, in triplicate, an opening statement, in support of the complaint;

(2) *Answering statement.* Within 20 days after receipt of the opening statement of the Division, each respondent may serve upon all other parties and file with the Proceedings Clerk, in triplicate, in support of his answer, an answering statement.

(3) *Statement in reply.* Within ten days after receipt of all answering statements, or within ten days after the expiration of the period within which answering statements may be served, the Division of Enforcement may serve upon all other parties and file with the Proceedings Clerk, in triplicate, a statement in reply, which shall be confined strictly to replying to the facts and arguments set forth in the answering statements.

(c) *Joint statements.* Parties having a common interest may serve and file joint statements.

(d) *Failure to file statement.* Any party who, without the express permission of the Administrative Law Judge, should fail to file a statement within the time prescribed by this section after service upon him of an order for shortened procedures shall be in default and shall be deemed to have waived any further hearing.

(e) *Content of statements.* As used in this section, the term “statement” includes

## Commodity Futures Trading Commission

## § 10.101

(1) Statements of fact signed and sworn to by persons having knowledge of those facts;

(2) Documents filed as part of the proof of the alleged facts (which shall be duly authenticated under oath or otherwise in a manner that would render them admissible in evidence at an oral hearing under the rules in this part); and

(3) Briefs containing argument to sustain the contentions of the party submitting the statement.

(f) *Verification.* The facts asserted in any statement filed under shortened procedure must be sworn to by persons having knowledge thereof and, except under unusual circumstances, the persons should be those who would appear as witnesses to substantiate the facts asserted should a full oral hearing become necessary.

(g) *Hearings*—(1) *Request for cross-examination or other hearings.* If cross-examination is desired of any witness whose affidavit or other verified statement has been submitted, the name of the witness and the subject matter of the desired cross-examination shall be stated at the end of the answering statement or statement in reply as the case may be. Oral hearings under other circumstances may also be requested but will be granted only under exceptional circumstances. Any request filed under this subparagraph shall include a justification of the need for oral hearing.

(2) *Hearings issues limited.* The order setting the proceeding for oral hearing, if hearing is found necessary, will specify the matters upon which the parties are not in agreement and concerning which oral evidence is to be introduced. Unless material facts are in dispute, oral hearing will not be held.

(h) *Subsequent procedure.* Post-hearing procedures shall be the same as those in proceedings in which the shortened procedures have not been followed.

[41 FR 2511, Jan. 16, 1976, as amended at 60 FR 54802, Oct. 26, 1995; 64 FR 30903, June 9, 1999]

### § 10.93 Obtaining default order.

When a respondent has failed to (a) file an answer as provided in §10.23 of these rules or (b) failed to appear or

file a notice of appearance as provided in §10.62 of these rules or (c) failed to file a statement under the shortened procedures as provided in §10.92 of these rules, the Division of Enforcement may move the Administrative Law Judge to enter findings and conclusions and a default order against that respondent based upon the matters set forth in the complaint, which shall be deemed to be true for purposes of this determination.

### § 10.94 Setting aside of default.

In order to prevent injustice and on such conditions as may be appropriate, (a) the Commission may at any time set aside a default order obtained under §10.93; and (b) the Administrative Law Judge may set aside a default order obtained under §10.93 at any time prior to filing of his initial decision in a proceeding in which there are remaining respondents. Any motion to set aside a default shall be made within a reasonable time, and shall state the reasons for the failure to file or appear and specify the nature of the proposed defense in the proceeding.

## Subpart H—Appeals to the Commission; Settlements

### § 10.101 Interlocutory appeals.

Interlocutory review by the Commission of a ruling on a motion by an Administrative Law Judge may be sought in accordance with the following procedures:

(a) *Scope of review.* The Commission will not review a ruling of the Administrative Law Judge prior to the Commission's consideration of the entire proceeding in the absence of extraordinary circumstances. An interlocutory appeal may be permitted, in the discretion of the Commission, under the following circumstances:

(1) Appeal from an adverse ruling pursuant to §10.8(b) on a motion to disqualify an Administrative Law Judge;

(2) Appeal from a ruling pursuant to §10.11(b) suspending an attorney from participation in a particular proceeding.

(3) Appeal from a ruling pursuant to §§10.33 and 10.34 denying intervention or limited participation;

## § 10.102

(4) Appeal from a ruling pursuant to § 10.68(b) requiring the appearance of an officer or employee of the Commission or another government agency or the production of Commission records;

(5) Upon a determination by the Administrative Law Judge, certified to the Commission either in writing or on the record, that

(i) A ruling sought to be appealed involves a controlling question of law or policy;

(ii) An immediate appeal may materially advance the ultimate resolution of the issues in the proceeding; and

(iii) Subsequent reversal of the ruling would cause unnecessary delay or expense to the parties.

(b) *Procedure to obtain interlocutory review*—(1) *In general.* An application for interlocutory review may be filed within five days after notice of the Administrative Law Judge's ruling on a matter described in paragraphs (a)(1), (a)(2), (a)(3) or (a)(4) of this section, except if a request for certification under paragraph (a)(5) of this section has been filed with the Administrative Law Judge within five days after notice of the Administrative Law Judge's ruling on the matter. If a request for certification has been filed, an Application for interlocutory review under paragraphs (a)(1) through (a)(5) of this section may be filed within five days after notification of the Administrative Law Judge's ruling on such request.

(2) An application for review shall:

(i) Designate the ruling or part thereof from which appeal is being taken;

(ii) Present the points of fact and law relied upon in support of the position taken; and

(iii) Not exceed 15 pages.

(3) Any party that opposes the application may file a response, not to exceed 15 pages, within five days after service of the application.

(4) The Commission will determine whether to grant a review based upon the application for review and the response thereto, without oral argument or further written presentation, unless the Commission shall otherwise direct.

(c) *Proceedings not stayed.* The filing of an application for review and the grant of review shall not stay proceedings before an Administrative Law Judge unless the Administrative Law

## 17 CFR Ch. I (4-1-01 Edition)

Judge or the Commission shall so order. The Commission will not consider a motion for a stay unless the motion shall have first been made to the Administrative Law Judge and denied.

[41 FR 2511, Jan. 16, 1976, as amended at 63 FR 55794, Oct. 19, 1998; 64 FR 30903, June 9, 1999]

### § 10.102 Review of initial decisions.

(a) *Notice of appeal*—(1) *In general.* Any party to a proceeding may appeal to the Commission an initial decision or a dismissal or other final disposition of the proceeding by the Administrative Law Judge as to any party. The appeal shall be initiated by serving and filing with the Proceedings Clerk a notice of appeal within 15 days after service of the initial decision or other order terminating the proceeding; where service of the initial decision or other order terminating the proceeding is effected by mail or commercial carrier, the time within which the party served may file a notice of appeal shall be increased by 3 days.

(2) *Cross appeals.* If a timely notice of appeal is filed by one party, any other party may file a notice of appeal within 15 days after service of the first notice or within 15 days after service of the initial decision or other order terminating the proceeding, whichever is later.

(3) *Confirmation of filing.* The Proceedings Clerk shall confirm the filing of a notice of appeal by mailing a copy thereof to each other party.

(b) *Briefs: Time for filing.* The appeal shall be perfected through the filing of an appeal brief.

(1) *Appeal brief.* The appeal brief shall be filed within 30 days after filing of the notice of appeal.

(2) *Answering brief.* Within 30 days after service of the appeal brief upon any other party that party may file an answering brief.

(3) *Reply brief.* Within 14 days after service of an answering brief, the party that filed the first brief may file a reply brief.

(4) No further briefs shall be permitted, unless so ordered by the Commission on its own motion.

(5) *Cross appeals.* In the event that any party files a notice of cross appeal

pursuant to paragraph (a)(2) of this section, the Commission shall, to the extent practicable, adjust the briefing schedule and any page limitations otherwise applicable under this section so as to accommodate consolidated briefing by the parties.

If the appeal brief is not filed within the time specified the opposing party may move for dismissal of the appeal.

(c) *Briefs: Number of copies.* An original and 10 copies of all briefs submitted under this section shall be filed with the Proceedings Clerk.

(d) *Briefs: Content and form.* (1) The appeal brief should include, in the order indicated:

(i) A statement of the issues presented for review.

(ii) A statement of the case. The statement shall first indicate briefly the nature of the case. There shall follow a statement of the facts relevant to the issues presented for review, with appropriate references to the record.

(iii) An argument. The argument may be preceded by a summary. The argument shall contain the contentions of the party to the appeal with respect to the issues presented, and the reasons therefor, and citations to supporting authorities, statutes and parts of the record.

(iv) A conclusion stating the precise relief sought.

(2) The answering brief generally shall follow the same style as prescribed for the appeal brief but may omit a statement of the issues or of the case if the party does not dispute the issues and statement of the case contained in the appeal brief. Any reply brief shall be confined to matters raised in the answering brief and shall be limited to 15 pages in length.

(3) Any matter not briefed shall be deemed waived, and may not be argued before the Commission.

(e) *Appendix to briefs*—(1) *Designation of contents of appendix.* At the time an appellant serves and files its appeal brief, it shall also serve and file a designation of those specific parts of the record to which it wishes to direct the particular attention of the Commission and that it wishes to have included in the appendix, including, but not necessarily limited to, particular pages of the transcript and portions of exhibits

filed in the proceeding. The designation shall be set forth in a document wholly separate and apart from the brief, shall enumerate those specific parts of the record that the appellant wishes to have included in the appendix and shall not incorporate by reference citations to the record contained in its brief or in any other document. If an appellee deems it necessary to direct the particular attention of the Commission to specific parts of the record not designated by any appellant, it shall serve and file with its answering brief a designation of additional portions of the record for inclusion in the appendix. Any reply brief filed by the appellant may, if necessary, supplement the appellant's previous designation. In designating parts of the record for inclusion in the appendix, the principal parts of the record relied upon should be designated, but the parties shall have regard to the fact that the entire record is always available to the Commission for reference and examinations and shall not engage in unnecessary designation. The fact that a part of the record is not included in an appendix shall not prevent any party or the Commission from relying thereon.

(2) *Preparation of the appendix.* Within 15 days after the last answering brief or reply brief of a party was due to be filed, the Office of Proceedings shall prepare an appendix to the briefs which will contain a list of the relevant docket entries filed in the proceedings before the Administrative Law Judge, the initial decision and order of the Administrative Law Judge, the pleadings filed on behalf of the parties who are participating in the appeal and such other parts of the record designated by the parties to the appeal in accordance with the procedures set forth in paragraph (e)(1) of this section. The Proceedings Clerk shall cause one copy of the appendix to be served on each of the parties to the appeal and shall cause ten copies of the appendix to be placed in the docket of the proceeding for the use of the Commission.

(3) *Objections to appendix.* Any party who believes that an error or omission has been made in the preparation of the appendix or that the appendix is

### § 10.103

misleading, prejudicial or otherwise inadequate may on that basis file a motion with the Commission to amend or supplement the appendix within 30 days of the date of the mailing of the appendix.

The Commission has determined that once an appeal goes to the Commission, it is in a better position than the Chief Administrative Law Judge to review motions objecting to the appendix or seeking to supplement the appendix. Consequently, upon the adoption of this amendment, the Commission and not the Chief Administrative Law Judge will consider any objection to the appendix pursuant to paragraph (e)(3) of this section. As provided by the amendment, a motion raising objections to the appendix must be filed within 30 days after the date of the mailing of the appendix.

(f) *Effect of failure to file an appeal.* Timely appeal to the Commission for review of an initial decision is mandatory as a prerequisite to seeking judicial review of a final decision entered pursuant to these Rules of Practice.

### § 10.103 Oral argument before the Commission.

(a) *Request.* Any party may file with the Proceedings Clerk a request in writing for the opportunity to present oral argument before the Commission, which the Commission may in its discretion grant or deny. A request for oral argument must be made within the time provided for filing the initial briefs.

(b) *Time allowed.* Unless otherwise directed by the Commission, not more than one-half hour will be allowed for oral argument by any participant. Where the same or similar interests are represented by more than one participant, an aggregate of not more than one-half hour will be allowed the interests so represented irrespective of the number of participants, the time to be divided equally among such participants or as they may agree among

themselves. In appropriate cases the Commission may, in its discretion, extend, shorten or reallocate the time prescribed herein.

(c) *Reporting and transcription.* Oral arguments before the Commission shall be reported and transcribed in written form unless the Commission shall direct otherwise.

(d) *Commissioners not present at oral argument.* A member of the Commission who was not present at the oral argument may participate in the decision of the proceeding. Any Commissioner participating in the decision who was not present at the argument will review the transcript of argument.

[41 FR 2511, Jan. 16, 1976, as amended at 60 FR 54802, Oct. 26, 1995]

### § 10.104 Scope of review; Commission decision.

(a) *Scope of review.* The Commission will ordinarily consider the whole record on review, and base its determination thereon. However, it may limit the issues to those presented in the statement of issues in the brief.

(b) *Decision on review.* On review, the Commission may affirm, reverse, modify, set aside or remand for further proceedings, in whole or in part, the initial decision by the Administrative Law Judge and make any findings or conclusions which in its judgment are proper based on the record in the proceeding. The Commission's decision shall be contained in its opinion and order. In the event the Commission is equally divided as to its decision the initial decision will be affirmed, without opinion.

(c) *Contents of record.* The record of the proceeding before the Commission for final decision shall include:

(1) The complaint, notice of hearing, answers and any amendments thereto;

(2) Any application, motion or objection made during the course of the proceeding, briefs in support thereof, rulings thereon and exceptions thereto;

(3) Any admission or stipulations between the parties, and documents or papers filed in connection with prehearing conferences; and the record of prehearing conferences, if recorded;

(4) The transcript of testimony taken at the hearing, together with exhibits received at the hearing;

## § 10.106

(5) Any statements filed under the shortened procedure;

(6) Portions of the official public records of the Commission specified in any of the above;

(7) Any proposed findings of fact, conclusions of law and briefs in support thereof, which were filed in connection with the hearing;

(8) Any written communication accepted by the Administrative Law Judge pursuant to §§10.34 and 10.35 relating to limited participation;

(9) The initial decision and the petition for review;

(10) Any other documents which appear on the docket of the proceeding.

### § 10.105 Review by Commission on its own initiative.

The Commission may on its own initiative, within 30 days after the initial decision has been served on all parties, direct review of any initial decision of an Administrative Law Judge. The Commission shall determine the scope of the review and the issues which will be considered and make provisions for the filing of briefs and oral argument, if deemed appropriate by the Commission. Notice that the Commission has directed review on its own initiative shall be served on all parties by the Proceedings Clerk.

[41 FR 2511, Jan. 16, 1976, as amended at 60 FR 54802, Oct. 26, 1995]

### § 10.106 Reconsideration; stay pending judicial review.

(a) *Reconsideration.* Within 15 days after service of a Commission opinion and order any party may file with the Commission a petition for reconsideration of the opinion and order, setting forth the relief desired and the grounds in support thereof. Any petition filed under this section must be confined to new questions raised by the opinion or order and concerning which the petitioner had no opportunity to argue before the Commission. The filing of a petition for reconsideration shall not operate to stay the effective date of the Commission's order.

(b) *Stay pending judicial appeal*—(1) *Application for stay.* Within 15 days after service of a Commission opinion and order imposing upon any party any of the sanctions listed in §§10.1(a)

through 10.1(e), that party may file an application with the Commission requesting that the effective date of the order be stayed pending judicial review. The application shall state the reasons why a stay is warranted and the facts relied upon in support of the stay. Any averments contained in the application must be supported by affidavits or other sworn statements or verified statements made under penalty of perjury in accordance with the provisions of 28 U.S.C. 1746.

(2) *Standards for issuance of stay.* The Commission may grant an application for a stay pending judicial appeal upon a showing that:

(i) The applicant is likely to succeed on the merits of his appeal;

(ii) Denial of the stay would cause irreparable harm to the applicant; and

(iii) Neither the public interest nor the interest of any other party will be adversely affected if the stay is granted.

(3) *Civil monetary penalties and restitution.* Notwithstanding the requirements set forth in paragraph (b)(2) of this section, the Commission shall grant any application to stay the imposition of a civil monetary penalty or an order to pay a specific sum as restitution if the applicant has filed with the Proceedings Clerk a surety bond guaranteeing full payment of the penalty or restitution plus interest in the event that the Commission's opinion and order is sustained or the applicant's appeal is not perfected or is dismissed for any reason and the Commission has determined that neither the public interest nor the interest of any other party will be affected by granting the application. The required surety bond shall be in the form of an undertaking by a surety company on the approved list of sureties issued by the Treasury Department of the United States, and the amount of interest shall be calculated in accordance with 28 U.S.C. 1961(a) and (b), beginning on the date 30 days after the Commission's opinion and order was served on the applicant. In the event the Commission denies the applicant's motion for a stay, the Proceedings Clerk shall return the surety bond to the applicant.

## § 10.107

## 17 CFR Ch. I (4-1-01 Edition)

(c) *Response.* Unless otherwise requested by the Commission, no response to a petition for reconsideration pursuant to paragraph (a) of this section or an application for a stay pursuant to paragraph (b) of this section shall be filed. The Commission shall set the time for filing any response at the time it asks for a response. The Commission shall not grant any such petition or application without providing other parties to the proceeding with an opportunity to respond.

[41 FR 2511, Jan. 16, 1976, as amended at 63 FR 55795, Oct. 19, 1998; 63 FR 68829, Dec. 14, 1998; 64 FR 30903, June 9, 1999]

### § 10.107 Leave to adduce additional evidence.

Any time prior to issuance of the final decision the Commission may, upon its own motion or upon application in writing by any party, after notice to the parties and an opportunity for them to be heard, reopen the hearing for the reception of further evidence. The application shall show to the satisfaction of the Commission that the additional evidence is material, and that there were reasonable grounds for failure to adduce such evidence at the hearing. The Commission may hear the additional evidence or may refer the proceeding to the Administrative Law Judge for the taking of the additional evidence.

### § 10.108 Settlements.

(a) *When offers may be made.* Parties may at any time during the course of the proceeding propose offers of settlement. All offers of settlement shall be in writing.

(b) *Content of offer of settlement.* Each offer of settlement made by a respondent shall:

(1) Acknowledge service of the Complaint;

(2) Admit the jurisdiction of the Commission with respect to the matters set forth in the Complaint;

(3) Include a waiver of:

(i) A hearing,

(ii) All post-hearing procedures,

(iii) Judicial review, and

(iv) Any objection to the staff's participation in the Commission's consideration of the offer;

(4) Stipulate the record basis on which an order may be entered, which may consist solely of the complaint and the findings contained in the offer of settlement; and

(5) Consent to the entry of an order reflecting the terms of settlement agreed upon, including, where appropriate:

(i) Findings by the Commission that the respondent has violated specified provisions of the Act, and

(ii) The imposition of sanctions.

(c) *Submission of offer of settlement.* Offers of settlement made by a respondent shall be submitted in writing to the Division of Enforcement, which shall present them to the Commission with the Division's recommendation. The respondent will be informed if the recommendation will be unfavorable, in which event the offer shall not be presented to the Commission unless the respondent so requests. Any offer of settlement not presented to the Commission shall be null and void with respect to any acknowledgement, admission, waiver, stipulation or consent contained in the offer and shall not be used in any manner in the proceeding by any party thereto.

(d) *Acceptance of offer by the Commission.* The Commission will accept an offer of settlement only by issuing its opinion and order based on the offer. Upon issuance of the opinion and order, the proceeding shall be terminated as to the respondent involved and so noted on the docket by the Proceedings Clerk.

(e) *Rejection of offer of settlement; effect of rejection.* When the Commission rejects an offer of settlement, the party making the offer shall be notified of the Commission's action and the offer of settlement shall be deemed withdrawn. A rejected offer of settlement and any documents relating thereto shall not constitute a part of the record in the proceeding; and the offer will be null and void with respect to any acknowledgment, admission, waiver, stipulation or consent contained in the offer and shall not be used in any manner in the proceeding by any party thereto.

## Commodity Futures Trading Commission

## § 10.110

### § 10.109 Delegation of authority to Chief of the Opinions Section.

The Commodity Futures Trading Commission hereby delegates, until such time as it orders otherwise, the following function to the General Counsel, to be performed by him or by such person or persons under his direction as he may designate from time to time:

(a) With respect to proceedings conducted pursuant to the Commodity Exchange Act, as amended, 7 U.S.C. 1 *et seq.*, and subject to the Commission's Rules of Practice as set forth in part 10 of this chapter, to:

(2) Remand, with or without specific instructions, initial decisions or other orders disposing of the entire proceeding to the appropriate officer in the following situations:

(i) Where a default order has been made pursuant to § 10.93 of these rules and a motion to vacate the default or equivalent request has been directed to the Commission under § 10.94 without the benefit of a prior ruling by the Administrative Law Judge;

(ii) Where, in his judgment, clarification or supplementation of the initial decision or other order disposing of the entire proceeding prior to Commission review is appropriate; however, the General Counsel or his designee may not direct that the record be reopened;

(iii) Where, in his judgment, a ministerial act necessary to the proper conduct of the proceeding has not been performed;

(3) Deny applications for interlocutory Commission review of a ruling of the Administrative Law Judge in cases in which the Administrative Law Judge has not certified the ruling to the Commission in the manner prescribed by § 10.101(a) of the rules; and the ruling does not concern the disqualification of, or a motion to disqualify, an Administrative Law Judge; and the ruling does not concern the suspension of, or failure to suspend, an

attorney from participation in a particular proceeding, or the denial of intervention or limited participation;

(4) Deny any application for interlocutory review in a proceeding if it is not filed in accordance with § 10.101(b) of these rules;

(5) Dismiss any appeal from an initial decision or other disposition of the entire proceeding by an Administrative Law Judge, where such appeal is not filed and perfected in accordance with § 10.102 of these rules;

(6) Strike any filing that does not meet the requirements of, or is not perfected in accordance with, part 10 of these rules;

(7) Stay, for a limited period of time not to exceed ten working days, any order of the Commission entered in a proceeding subject to these rules;

(b) Notwithstanding the provisions of paragraph (a) of this section, in any case in which the General Counsel or his designee believes it appropriate, he may submit the matter to the Commission for its consideration;

(c) Within seven (7) days after service of a ruling issued pursuant to paragraph (a) of this section, a party may file with the Proceedings Clerk a petition for Commission reconsideration of the ruling. Unless the Commission orders otherwise, the filing of a petition for reconsideration shall not operate to stay the effective date of such ruling.

### Subpart I—Restitution Orders

SOURCE: 63 FR 55795, Oct. 19, 1998, unless otherwise noted.

### § 10.110 Basis for issuance of restitution orders.

(a) *Appropriateness of restitution as a remedy.* In any proceeding in which an order requiring restitution may be entered, the Administrative Law Judge shall, as part of his or her initial decision, determine whether restitution is appropriate. In deciding whether restitution is appropriate, the Administrative Law Judge, in his or her discretion, may consider the degree of complexity likely to be involved in establishing claims, the likelihood that

## § 10.111

claimants can obtain compensation through their own efforts, the ability of the respondent to pay claimants damages that his or her violations have caused, the availability of resources to administer restitution and any other matters that justice may require.

(b) *Restitution order.* If the Administrative Law Judge determines that restitution is an appropriate remedy in a proceeding, he or she shall issue an order specifying the following:

(1) All violations that form the basis for restitution;

(2) The particular persons, or class or classes of persons, who suffered damages proximately caused by each such violation;

(3) The method of calculating the amount of damages to be paid as restitution; and

(4) If then determinable, the amount of restitution the respondent shall be required to pay.

### **§ 10.111 Recommendation of procedure for implementing restitution.**

Except as provided by § 10.114, after such time as any order requiring restitution becomes effective (*i.e.*, becomes final and is not stayed), the Division of Enforcement shall petition the Commission for an order directing the Division to recommend to the Commission or, in the Commission's discretion, the Administrative Law Judge a procedure for implementing restitution. Each party that has been ordered to pay restitution shall be afforded an opportunity to review the Division of Enforcement's recommendations and be heard.

### **§ 10.112 Administration of restitution.**

Based on the recommendations submitted pursuant to § 10.111, the Commission or the Administrative Law Judge, as applicable, shall establish in writing a procedure for identifying and notifying individual persons who may be entitled to restitution, receiving and evaluating claims, obtaining funds to be paid as restitution from the party and distributing such funds to qualified claimants. As necessary or appropriate, the Commission or the Administrative Law Judge may appoint any person, including an employee of the Commission, to administer, or assist in admin-

istering, such restitution procedure. Unless otherwise ordered by the Commission, all costs incurred in administering an order of restitution shall be paid from the restitution funds obtained from the party who was so sanctioned; provided, however, that if the administrator is a Commission employee, no fee shall be charged for his or her services or for services performed by any other Commission employee working under his or her direction.

### **§ 10.113 Right to challenge distribution of funds to customers.**

Any order of an Administrative Law Judge directing or authorizing the distribution of funds paid as restitution to individual customers shall be considered a final order for appeal purposes to be subject to Commission review pursuant to § 10.102.

### **§ 10.114 Acceleration of establishment of restitution procedure.**

The procedures provided for by §§ 10.111 through 10.113 may be initiated prior to the issuance of the initial decision of the Administrative Law Judge and may be combined with the hearing in the proceeding, either upon motion by the Division of Enforcement or if the Administrative Law Judge, acting on his own initiative or upon motion by a respondent, concludes that the presentation, consideration and resolution of the issues relating to the restitution procedure will not materially delay the conclusion of the hearing or the issuance of the initial decision.

#### APPENDIX A TO PART 10—COMMISSION POLICY RELATING TO THE ACCEPTANCE OF SETTLEMENTS IN ADMINISTRATIVE AND CIVIL PROCEEDINGS

It is the policy of the Commission not to accept any offer of settlement submitted by any respondent or defendant in an administrative or civil proceeding, if the settling respondent or defendant wishes to continue to deny the allegations of the complaint or the findings of fact or conclusions of law to be made in the settlement order entered by the Commission or a court. In accepting a settlement and entering an order finding violations of the Act and/or regulations promulgated under the Act, the Commission makes uncontested findings of fact and conclusions

## § 11.2

of law. Similarly, in settling a civil proceeding with a defendant the Commission invites the federal court to make conclusions of law and, in some instances, findings of fact. The Commission does not believe it would be appropriate for it to be making or inviting a court to make such uncontested findings of violations if the party against whom the findings and conclusions are to be entered is continuing to deny the alleged misconduct.

The refusal of a settling respondent or defendant to admit the allegations in a Commission-instituted complaint or the findings of fact or conclusions of law in the settlement order entered by the Commission or a court shall be treated as a denial, unless the party states that he or she neither admits nor denies the allegations or the findings and conclusions. In that event, the proposed offer of settlement, consent or consent order must include a provision stating that, by neither admitting nor denying the allegations, findings or conclusions, the settling respondent or defendant agrees that neither he or she nor any of his or her agents or employees under his authority or control shall take any action or make any public statement denying, directly or indirectly, any allegation in the complaint or findings or conclusions in the order, or creating, or tending to create, the impression that the complaint or the order is without a factual basis; provided, however, that nothing in this provision shall affect the settling respondent's or defendant's—

- i. Testimonial obligation, or
- ii. Right to take legal positions in other proceedings to which the Commission is not a party.

Except as otherwise specified herein, the rules will apply to the conduct of investigation whether or not the Commission has authorized the use of subpoenas in the particular matter to compel the production of evidence.

[63 FR 5233, Feb. 2, 1998]

#### § 11.2 Authority to conduct investigations.

(a) The Director of the Division of Enforcement and members of the Commission staff acting pursuant to his authority and under his direction may conduct such investigations as he deems appropriate to determine whether any persons have violated, are violating, or are about to violate the provisions of the Commodity Exchange Act, as amended, or the rules, regulations or orders adopted by the Commission pursuant to that Act, or, in accordance with the provisions of section 12(f) of the Act, whether any persons have violated, are violating or are about to violate the laws, rules or regulations relating to futures or options matters administered or enforced by a foreign futures authority, or whether an applicant for registration or designation meets the requisite statutory criteria. For this purpose, the Director may obtain evidence through voluntary statements and submissions, through exercise of inspection powers over boards of trade, reporting traders, and persons required by law to register with the Commission, or when authorized by order of the Commission,

through the issuance of subpoenas. The Director shall report to the Commission the results of his investigations and recommend to the Commission such enforcement action as he deems appropriate. In particular matters the Director of the Division of Trading and Markets and the Chief Economist and Director of the Division of Economic Analysis, and members of their staffs acting within the scope of their respective responsibilities, are also authorized to investigate, report and recommend to the Commission in accordance with these rules.

(b) The Commission hereby delegates, until the Commission orders otherwise, to its Regional Directors and to the Director, the Deputy Directors, the Program Coordinator, the Chief Counsel, the Associate Directors, and the Regional Counsel of the Division of Enforcement the authority to grant to any employee of the Division of Enforcement all or a portion of the authority which the Commission, by order, has authorized specified employees of the Commission to perform in connection with a Commission investigation conducted by the Division of Enforcement. With the approval of the Executive Director, the Director of the Division of Enforcement may also grant such authority to any Commission employee under the direction of the Executive Director.

(Secs. 2a(11) and 6(b) of the Act, 7 U.S.C. 4a(j) and 15 (1976), as amended by the Futures Trading Act of 1978, Pub. L. 95-405, sec. 13, 92 Stat. 871 (1978))

#### § 11.3 Confidentiality of investigations.

All information and documents obtained during the course of an investigation, whether or not obtained pursuant to subpoena, and all investigative proceedings shall be treated as non-public by the Commission and its staff except to the extent that (a) the Commission directs or authorizes the public disclosure of the investigation; (b) the information or documents are made a matter of public record during the course of an adjudicatory proceeding; or (c) disclosure is required by

the Freedom of Information Act, 5 U.S.C. 552, and the rules adopted by the Commission thereunder, 17 CFR part 145. Procedures by which persons submitting information to the Commission during the course of an investigation may specifically seek confidential treatment of information for purposes of Freedom of Information Act disclosure are set forth in 17 CFR 145.9. A request for confidential treatment of information for purposes of the Freedom of Information Act shall not, however, prevent disclosure for law enforcement purposes or when disclosure is otherwise found appropriate in the public interest and permitted by law.

#### § 11.4 Subpoenas.

(a) *Issuance of subpoenas.* The Commission or any member of the Commission or of its staff who, by order of the Commission, has been authorized to issue subpoenas in the course of a particular investigation may issue a subpoena directing the person named therein to appear before a designated person at a specified time and place to testify or to produce documentary evidence, or both, relating to any matter under investigation.

(b) *Authorization to issue subpoenas.* An order of the Commission authorizing one or more members of the Commission or of its staff to issue subpoenas in the course of a particular investigation shall include:

- (1) A general description of the scope of the investigation;
- (2) The authority under which the investigation is being conducted; and
- (3) A designation of the members of the Commission or of its staff authorized by the Commission to issue subpoenas.

(c) *Service.* Service of subpoenas issued for investigative purposes shall be effected in the following manner:

- (1) *Service upon a natural person.* Delivery of a copy of a subpoena to a natural person may be effected by
  - (i) Handing it to the person;
  - (ii) Leaving it at his office with the person in charge thereof or, if there is no one in charge, by leaving it in a conspicuous place therein;

(iii) Leaving it at his dwelling place or usual place of abode with some person of suitable age and discretion then residing therein;

(iv) Mailing it by registered or certified mail to him at his last known address; or

(v) Any other method whereby actual notice is given to him.

(2) *Service upon other persons.* When the person to be served is not a natural person, delivery of a copy of the subpoena may be effected by (i) handing it to a registered agent for service, or to any officer, director, or agent in charge of any office of such person; (ii) mailing it by registered or certified mail to any such representative at his last known address; or (iii) any other method whereby actual notice is given to any such representative.

(d) *Witness fees and mileage.* Witnesses appearing pursuant to subpoena shall be paid the same fees and mileage that are paid to witnesses in the courts of the United States.

#### § 11.5 Transcripts.

Transcripts of testimony taken in the course of an investigatory proceeding shall be recorded solely by an official reporter or other person or by other means authorized by the Commission or by a member of the Commission or its staff conducting the investigation for the Commission.

#### § 11.6 Oath; false statements.

(a) *Oath.* At the discretion of the member of the Commission or staff member conducting the investigation, testimony of a witness may be taken under oath.

(b) *Penalties for false statements and other false information.* Any person making false statements under oath during the course of a Commission investigation is subject to the criminal penalties for perjury in 18 U.S.C. 1621. Any person who knowingly and willfully makes false or fraudulent statements, whether under oath or otherwise, or who falsifies, conceals or covers up a material fact, or submits any false writing or document, knowing it to contain false, fictitious or fraudulent information, is subject to the criminal penalties set forth in 18 U.S.C. 1001.

#### § 11.7 Rights of witnesses.

(a) *Orders authorizing issuance of subpoenas.* Any person upon whom a subpoena has been served compelling him to furnish documentary evidence or testimony in an investigation shall, upon his request, be permitted to examine a copy of the Commission's order pursuant to which the subpoena has been issued. However, a copy of the order shall not be furnished for his retention except with the express approval of either the Director, a Deputy Director, the Program Coordinator, the Chief Counsel, an Associate Director, or a Regional Counsel of the Division of Enforcement, or a Regional Director of the Commission; approval shall not be given unless it has been shown by the person seeking to retain a copy that his retention of a copy would be consistent both with the protection of privacy of persons involved in the investigation and with the unimpeded conduct of the investigation.

(b) *Copies of testimony or data.* A person compelled to submit data or evidence in the course of an investigatory proceeding shall be entitled to retain or, upon payment of appropriate fees as set forth in the Schedule of Fees for records services, 17 CFR part 145b, procure a copy or transcript thereof, except that the witness may for good cause be limited to inspection of the official transcript of his testimony.

(c) *Right to counsel.* A person compelled to appear, or who appears in person by request or permission of the Commission or its staff during an investigation, may be accompanied, represented, and advised by counsel. Subject to the provisions of § 11.8(b) of this part, he may be represented by any attorney-at-law who is admitted to practice before the highest court in any State or territory or the District of Columbia, who has not been suspended or disbarred from appearance and practice before the Commission in accordance with the provisions of part 14 of this title, and who has not been excluded from further participation in the particular investigatory proceeding for good cause established in accordance with paragraph (c)(2) of this section.

(1) The right to be accompanied, represented and advised by counsel shall mean the right of a person testifying to

have an attorney present with him during any aspect of an investigative proceeding and to have this attorney advise his client before, during and after the conclusion of such examination. At the conclusion of the examination, counsel may request the person presiding to permit the witness to clarify any of his answers which may need clarification in order that his answers not be left equivocal or incomplete on the record. For his use in protecting the interests of his client with respect to that examination counsel may make summary notes during the examination.

(2) With due regard for the rights of a witness, the Commission may for good cause exclude a particular attorney from further participation in any investigation in which the Commission has found the attorney to have engaged in dilatory, obstructionist or contumacious conduct. The person conducting an investigation may report to the Commission instances of apparently dilatory, obstructionist or contumacious conduct on the part of an attorney. After due notice to the attorney, the Commission may take such action as the circumstances warrant based upon a written transcript evidencing the conduct of the attorney in that investigation or such other or additional written or oral presentation as the Commission may permit or direct.

(d) *Self-Incrimination; immunity*—(1) *Self-Incrimination*. Except as provided in paragraph (d)(2) of this section, a witness testifying or otherwise giving information in an investigation may refuse to answer questions on the basis of the right against self-incrimination granted by the Fifth Amendment of the Constitution of the United States.

(2) *Immunity*.<sup>2</sup> If the Commission believes that the testimony or other information sought to be obtained from any individual may be necessary to the public interest and that individual has

refused or is likely to refuse to testify or provide other information on the basis of his privilege against self-incrimination, the Commission, with the approval of the Attorney General, may issue an order requiring the individual to give testimony or provide other information which he previously refused to give on the basis of self-incrimination. Whenever a witness refuses, on the basis of his privilege against self-incrimination, to testify or provide other information in an investigation under this part, and the person presiding over the investigation communicates to the witness an order issued by the Commission requiring the witness to give testimony or provide other information, the witness may not refuse to comply with the order on the basis of his privilege against self-incrimination; but no testimony or other information compelled under the order (or any information directly or indirectly derived from such testimony or other information) may be used against the witness in any criminal case, except a prosecution for perjury, giving a false statement, or otherwise failing to comply with the order.

[41 FR 29799, July 19, 1976, as amended at 61 FR 1709, Jan. 23, 1996]

#### § 11.8 Sequestration.

(a) *Sequestration of witnesses*. All witnesses and potential witnesses shall be sequestered and prohibited from being present during the examination of any other witness unless otherwise permitted in the discretion of the person conducting the investigation.

(b) *Sequestration of counsel*. When a reasonable basis exists to believe that an investigation may be obstructed or impeded, directly or indirectly, by an attorney's representation of more than one witness during the course of an investigation, the member of the Commission or of the Commission's staff conducting the investigation may prohibit that attorney from being present during the testimony of any witness other than the witness in whose behalf counsel first appeared in the investigatory proceeding. To the extent practicable, consistent with the integrity of the investigation, the attorney will be advised of the reasons for his having been sequestered.

<sup>2</sup> This subsection shall be effective on and after such date as section 6001 of Title 18 of the United States Code has been amended to include the Commodity Futures Trading Commission among those agencies which may, with the approval of the Attorney General, grant immunity to witnesses to the extent and in the manner prescribed in 18 U.S.C. 6001 *et seq.*

APPENDIX A TO PART 11—INFORMAL  
PROCEDURE RELATING TO THE REC-  
COMMENDATION OF ENFORCEMENT  
PROCEEDINGS

The Division of Enforcement (“Division”), in its discretion, may inform persons who may be named in a proposed enforcement proceeding of the nature of the allegations pertaining to them. The Division, in its discretion, may advise such persons that they may submit a written statement prior to the consideration by the Commission of any staff recommendation for the commencement of such proceeding. Unless otherwise provided for by either the Director, a Deputy Director, the Program Coordinator, the Chief Counsel, an Associate Director, or a Regional Counsel of the Division, or a Regional Director of the Commission, such written statements shall be submitted within 14 days after persons are informed by the Division of Enforcement of the nature of the proposed allegations pertaining to them and shall be no more than 20 pages, double spaced on 8½ by 11 inch paper, setting forth their views of factual, legal or policy matters relevant to the commencement of an enforcement proceeding. Any statement of fact included in the submission must be sworn to by a person with personal knowledge of such fact. Statements shall be forwarded to the Director, Division of Enforcement, Commodity Futures Trading Commission, Three Lafayette Centre, 1155 21st Street, NW., Washington, DC 20581, with copies to the staff conducting the investigation, shall clearly identify the specific investigation, and, if desired, may request that the statement be forwarded to the Commission. Similarly, persons who become involved in an investigation, and submit a written statement on their initiative, should follow the relevant procedures described herein. In the event the Division recommends the commencement of an enforcement proceeding to the Commission, any written statement will be forwarded to the Commission if so requested. The Commission may, in its discretion, consider all, any portion or none of the submission when it considers the staff recommendation to commence an enforcement proceeding.

(3) *Time and place of filing of complaint.* A complaint shall be filed by delivering a copy thereof, in proper form, to the Commission at its principal offices in Washington, DC, addressed to the Office of Proceedings, attention of the Proceedings Clerk. The complaint may be filed in person, during normal business hours, or by certified mail, or registered mail with return receipt requested. If filing is by mail, it shall be addressed to the Proceedings Clerk, Office of Proceedings, Commodity Futures Trading Commission, Three Lafayette Centre, 1155 21st Street, NW., Washington, DC 20581. The complaint shall not be served on any person or party named therein. Upon the filing of the complaint and the appropriate filing fee, the Proceedings Clerk shall assign a docket number to the matter and shall maintain the official docket.

(4) *Bond required if complainant is nonresident; filing date of nonresident's complaint.* (1) If a complaint in reparations is filed by a nonresident of the United States, the complaint shall not be considered duly filed in proper form unless it is accompanied by:

(A) A bond in double the amount of the claim either with a surety company approved by the Treasury Department of the United States or two personal sureties, each of whom shall be a citizen of the United States and shall qualify as financially responsible for the entire amount of the bond, which bond shall run to the respondent and be conditioned upon the payment of costs

## § 12.14

(including reasonable attorney's fees, for the respondent if the respondent shall prevail) and any reparation award that may be issued by the Commission against the complainant on any counterclaim asserted by respondent; or

(B) A written request that the bond requirement be waived in accordance with section 14(c) of the Commodity Exchange Act, accompanied by sufficient proof that the country of which the complainant is a resident permits the filing of a complaint by a resident of the United States against a citizen of that country without the furnishing of a bond.

(ii) The provisions of paragraphs (b)(4)(i)(A) or (b)(4)(i)(B) of this section must be satisfied within two years after the complainant's cause of action accrues.

(iii) When mailed from a foreign country, a nonresident's complaint shall be deemed filed on the date that it is received in proper form by the Commission's Proceedings Clerk, not on the date of mailing from the country of origin.

## § 12.14 Withdrawal of complaint.

At any time prior to service of notification to the complainant pursuant to § 12.15(a) of the Director of the Office of Proceedings' determination to forward the complaint to a registrant, complainant may file a written notice of withdrawal of the complaint which shall terminate the Commission's consideration of the complaint without prejudice to complainant's right to re-file a reparations complaint based upon the same set of facts within two years after the cause of action accrues. If the complainant has previously filed a notice of withdrawal of a complaint based upon the same set of facts, the notice of withdrawal of complaint shall terminate the case with prejudice to complainant's rights to re-file a complaint in reparations based on the same set of facts, but such termination shall be regarded by the Commission as without prejudice to complainant's right to seek redress in such alternative forums

as may be available for adjudication of his claims.

## § 12.15 Notification of complaint.

(a) *Forwarding of complaint to registrant.* If, in the opinion of the Director of the Office of Proceedings, the facts set forth in a complaint warrant such action as to any of the registrants, a copy of the complaint, together with any attachments thereto, shall be forwarded by serving by registered mail or certified mail any such registrant named therein at an address previously designated with the Commission by the registrant for receipt of reparation complaints, as provided in Commission Regulation 17 CFR 3.30, or, if no such designation has been filed with the Commission, at such address as will accomplish actual notice to the respondent. Should the Director determine to forward the complaint, the complainant shall be notified of this determination at the time the complaint is forwarded.

(b) *Determination not to forward complaint.* The Director may, in his discretion, refuse to forward a complaint as to a particular respondent if it appears that the matters alleged therein are not cognizable in reparations, or that grounds exist pursuant to § 12.24 (c) or (d) for refusing to forward the complaint. If the Director of the Office of Proceedings should determine not to forward the complaint to all registrants named in the complaint in accordance with this Section, no proceeding shall be held thereon and the complainant shall be notified to that effect. If the Director determines to forward the complaint as to less than all of the registrants, the complainant shall be so notified. A termination of the complaint as to any registrant shall be regarded by the Commission as without prejudice to the right of the complainant to seek such alternative forms of relief as may be available.

## § 12.16 Response to complaint.

Within 25 days after the complaint has been served by the Office of Proceedings on the registrant, or within such additional time (not to exceed 10 days absent extraordinary circumstances) as the Director of the Office of Proceedings, or his/her delegee

may grant, for good cause shown, each registrant shall either—

(a) Satisfy the complaint in accordance with §12.17 of these rules; or

(b) Answer the complaint in the manner prescribed by §12.18 of these rules.

[59 FR 9636, Mar. 1, 1994]

**§ 12.17 Satisfaction of complaint.**

A respondent may satisfy the complaint (a) by paying to the complainant either the amount to which the complainant claims to be entitled as set forth in the complaint or such other amount as the complainant will accept in satisfaction of his claim; and (b) by submitting to the Commission notice of satisfaction and withdrawal of the complaint, duly executed by the complainant and the respondent.

**§ 12.18 Answer; election of procedure.**

An answer filed pursuant to §12.16 of these rules shall meet the following requirements:

(a) *Content.* Each answer shall contain:

(1) The full name, current address and telephone number (during business hours) of each respondent on whose behalf the answer is filed;

(2) A complete description of each registrant's case, including but not limited to, a precise and detailed statement of the facts which constitute each registrant's ground for defense;

(3) Admissions, if any, as to the registrant's liability for the amount (or any portion thereof) claimed as damages;

(4) A statement indicating whether the registrant is (and if the answer is filed on behalf of two or more registrants, which if any of them are) in receivership or subject to bankruptcy proceedings;

(5) A statement indicating whether an arbitration or civil court litigation, based on the same set of facts set forth in the complaint (involving any or all of the parties named therein), is pending;

(6) A counterclaim which the registrant wishes to pursue under §12.19 of these rules;

(7) An election of an alternative decisional procedure pursuant to subparts C, D, or E of these rules. (A proceeding pursuant to subpart D may be

elected only if the amount of actual damages claimed in the complaint or as counterclaims, exclusive of interest, costs, and punitive damages, does not exceed \$30,000. A procedure pursuant to subpart E may be elected only if the amount of actual damages claimed in the complaint or as counterclaims, exclusive of interest, costs, and punitive damages exceeds \$30,000;

(8) If appropriate, a filing fee in the amount prescribed by §12.25 shall be submitted with an answer at the time of its filing.

(b) *Motion for reconsideration of determination to forward the complaint.* An answer may include a motion for reconsideration of the determination to forward the complaint, specifying the grounds therefor, which the Director of the Office of Proceedings, in his discretion, may grant by terminating the case pursuant to §12.27, or deny by forwarding the pleadings and matters of record for an elected decisional proceeding pursuant to §12.26. The inclusion in an answer of a motion for reconsideration shall not preclude a respondent, if the motion is denied, from moving for dismissal at a later stage of the proceeding for the same reasons cited in a motion for reconsideration pursuant to this paragraph.

(c) *Subscription and verification of the answer.* An answer shall be signed personally by each registrant on behalf of whom it is filed or by a duly authorized officer or agent of any such registrant who is not a natural person. Each registrant's signature shall be given under oath, or by affirmation under penalty of law, attesting that he has read the answer; that to the best of his knowledge all of the statements in the answer, the counterclaim (if any), and the materials required by these rules to be appended thereto, are accurate and true, and that the answer (and counterclaim, if any) has not been interposed for delay.

(d) *Affidavit of service.* The registrant shall file with his answer an affidavit showing that he has served a true copy of the answer upon the complainant, either personally or by first-class mail addressed to the complainant at the address set forth in the complaint.

(e) *Time and place of filing an answer.* An answer shall be filed by mailing or

delivering a copy thereof, in proper form, to the Commission at its principal office in Washington, DC, addressed to the Office of Proceedings, Attention of the Proceedings Clerk. The answer may be filed in person, during normal business hours, or by certified mail, or registered mail with return receipt requested. If filing is by mail, it shall be addressed to the Proceedings Clerk, Office of Proceedings, Commodity Futures Trading Commission, Three Lafayette Centre, 1155 21st Street, NW., Washington, DC 20581.

[49 FR 6621, Feb. 22, 1984, as amended at 59 FR 9637, Mar. 1, 1994; 60 FR 49335, Sept. 25, 1995]

### § 12.19 Counterclaim.

A registrant may, at the time of filing an answer to a complaint, set forth as a counterclaim: (a) Facts alleging a violation and a request for a reparation award that would be a proper subject for a complaint under §12.13 of these rules; or

(b) Any claim which at the time the complaint is served the registrant has against the complainant if it arises out of the transaction or occurrence or series of transactions or occurrences set forth in the complaint.

### § 12.20 Response to counterclaim; reply; election of procedure.

(a) *Response to counterclaim.* If an answer asserts a counterclaim, the complainant shall, within thirty (30) days after service upon him of the answer by the respondent: (1) Satisfy the counterclaim as if it were a complaint, in the manner prescribed by §12.17 of these rules; or (2) file a reply to the counterclaim with the Commission.

(b) *Form and content of reply.* Should the complainant, under this paragraph, elect to file a reply to a counterclaim, the reply shall be strictly confined to the matters alleged in the counterclaim and shall conform to the form and content and other requirements set forth in §12.18 of these rules.

(c) *Election of decisional procedure.* If neither the complainant nor the respondent, in the complaint or answer respectively, has previously made an election of the summary decisional procedure or the formal decisional pro-

cedure, the complainant may make such an election in his reply.

### § 12.21 Voluntary dismissal.

(a) At any time after the Director of the Office of Proceedings has served notification to the parties pursuant to §12.15 of these rules of his determination to forward the complaint to the respondent for a response, either the complainant or the respondent may obtain dismissal of the complaint (or the proceeding, if one has commenced) by filing a stipulation of dismissal, duly executed by all of the complainants and each respondent against whom the complaint has been forwarded (or added as a party in the course of a proceeding); *Provided however*, That if the stipulation is filed after any respondent has filed an answer, the terms of the stipulation shall include a dismissal of any counterclaims in the answer.

(b) A dismissal of a complaint pursuant to this paragraph shall be with prejudice to complainant's right to refile a claim in reparations based upon the same set of facts as alleged in the dismissed complaint. Unless otherwise stated in the stipulation, a dismissal ordered pursuant to this paragraph shall be regarded by the Commission as without prejudice to the parties' right to seek redress in such alternative forums as may be available for adjudication of their claims.

(c) Upon receiving a written stipulation of dismissal which satisfies the requirements of this rule, the official before whom the matter or proceeding is pending shall issue an order of dismissal, and serve a copy thereof upon each of the parties.

(d) This rule shall be applicable at all stages of a reparation proceeding.

### § 12.22 Default proceedings.

(a) *Institution of a default proceeding.* Failure timely to respond to a complaint or a counterclaim, as required by §§ 12.16 and 12.20 of these rules, or, if applicable, to pay a filing fee required by §12.25(b) or (c), shall be treated as an admission of the allegations of the complaint or counterclaim by the non-responding party, shall constitute a waiver by such party of any decisional procedure afforded by these Rules on

the facts set forth in the complaint or counterclaim, and shall result in the institution of a default proceeding.

(b) *Default procedure.* Upon a party's failure to respond timely to a complaint or counterclaim as prescribed in §§ 12.16 and 12.20 of these rules, or timely to comply with § 12.25 (b) or (c), the Director of the Office of Proceedings shall forward the pleadings, and other materials then of record, to a Judgment Officer or Administrative Law Judge who may thereafter enter findings and conclusions concerning the questions of violations and damages and, if warranted, enter a reparation award against the non-responding party. If the facts which are treated as admitted are considered insufficient to support a violation or the amount of reparations sought, the Judgment Officer or Administrative Law Judge may order production of supplementary evidence from the party not in default and may enter a default order and an award based thereon.

(c) *Finality.* A default order issued pursuant to this rule, or pursuant to any other provisions of these part 12 Reparation Rules, shall become the final decision and order of the Commission thirty (30) days after service thereof, unless the order is set aside pursuant to § 12.23(a) of these rules, or unless the Commission takes review of such order on its own motion on or before the thirtieth day.

[49 FR 6621, Feb. 22, 1984, as amended at 57 FR 20638, May 14, 1992]

#### § 12.23 Setting aside of default.

(a) *Default order not final.* In order to prevent injustice or for good cause shown, and on such conditions as may be appropriate, a non-final default order (including any award therein) may be set aside by the official who issued the order.

(1) *Procedure for setting aside non-final default order.* Any party or person who is the subject of a default order issued pursuant to these rules may, at any time before the order becomes final pursuant to § 12.22(c), file and serve a motion to set aside the default, which shall set forth reasons why the act or omission for which the party was defaulted was not willful, why there is a reasonable likelihood of success for the

party's claim or defense if heard on the merits, and why no prejudice will be sustained by other parties if the default is set aside. A motion to set aside a default order filed pursuant to this paragraph (a)(1) shall be decided, in the first instance, by the official who issued the default order.

(2) *Review.* A denial of a motion to set aside a non-final default order by the official who issued the order shall be treated as an initial decision, which may be appealed to the Commission in accordance with the requirements of § 12.401 of these rules. A grant of a motion to set aside a non-final default order may be appealed only in accordance with the requirements of § 12.309 of these rules.

(b) *Default order final.* A default order that has become final pursuant to § 12.22(c) shall not be set aside except upon a motion filed and served by the defaulted party showing that he should be relieved from the default order because of fraud perpetrated on a decisionmaking official or the Commission, mistake, excusable neglect, or because the order is void for want of jurisdiction. Such a motion shall also show that, if the default order were set aside, there would be a reasonable likelihood of success for his claim or defense on the merits and that no party would be prejudiced thereby. Motions to set aside a final default order for fraud, mistake, or excusable neglect shall be filed within one year after the order was issued. All motions to set aside default orders shall be decided, in the first instance, by the official who issued the order. A denial of a motion to set aside a default order that has become final shall be treated as an initial decision, which may be appealed to the Commission in accordance with the requirements of § 12.401 of these rules. A grant of a motion to set aside a final default order shall be treated as a non-final order which may be appealed only in accordance with the requirements of § 12.309 of these rules.

#### § 12.24 Parallel proceedings.

(a) *Definition.* For purposes of this section, a parallel proceeding shall include:

(1) An arbitration proceeding or civil court proceeding, involving one or

17 CFR Ch. I (4-1-01 Edition)

more of the respondents as a party, which is pending at the time the reparation complaint is filed and involves claims or counterclaims that are based on the same set of facts which serve as a basis for all of the claims in the reparations complaint, and which either:

(i) Was commenced at the instance of the complainant in reparations; or

(ii) Involves counterclaims by the complainant in reparations alleging violations of the Commodity Exchange Act, or any regulation or order issued thereunder; or

(iii) Is governed by a compulsory counterclaim rule of federal court procedure which required the complainant in reparations to assert all of his claims (including those based on alleged violations of the Commodity Exchange Act, and any regulation or order issued thereunder) as counterclaims in that proceeding;

(2) The appointment by a court of a receivership over the assets, property or proceeds of a respondent named in a reparation complaint where the responsibility of the receivership includes the resolution of claims made by customers; or

(3) A petition filed under any chapter of the Bankruptcy Code, 11 U.S.C. 101 *et seq.*, as amended, commenced pursuant to 11 U.S.C. 301 or 302 by a respondent in a reparation proceeding, or the issuance by a bankruptcy court of an order for relief after the filing against a respondent in a reparation proceeding of an involuntary petition in bankruptcy pursuant to 11 U.S.C. 303.

(b) *Notice.* At the time a complaint in reparations is filed pursuant to these rules, or at any time thereafter, any party, receiver or trustee, or counsel to any of the foregoing with knowledge of a parallel proceeding shall promptly notify the Commission, by first-class mail addressed to the Office of Proceedings, attention of the Proceedings Clerk, and serve notice on all other parties, including the receiver or trustee. The notice shall include the following information:

(1) The caption of the parallel proceeding;

(2) The name of the court or the arbitration tribunal (including address and phone number, if known);

(3) The docket number or numbers;

(4) The date the parallel proceeding was filed (and the current status if known); and

(5) If a proceeding in bankruptcy or receivership is pending, the date of the appointment and name and address of the receiver or trustee.

A copy of any relevant complaint, petition or order shall be attached to the notice.

(c) *Effect of pending arbitration or civil court litigation.* (1) The Director of the Office of Proceedings shall refuse to institute an elected decisional procedure concerning a reparation complaint filed under this part in which there is a parallel proceeding described in paragraph (a)(1) of this section and shall return the complaint to the complaining person. The effective date of the Director's termination of the complaint without prejudice shall be fifteen (15) days from the date of service of notice of the action taken pursuant to this paragraph.

(2) If notice of a parallel proceeding described in paragraph (a)(1) of this section is received before the initial decision is filed (or before a final decision under § 12.106 of the rules is entered), a proceeding in which a decisional procedure has been commenced shall be dismissed, without prejudice. The effective date of the order of dismissal shall be fifteen (15) days from the date of service of the order by the Proceedings Clerk.

(d) *Effect of receivership or bankruptcy proceedings.* (1) The Director of the Office of Proceedings shall refuse to institute an elected decisional procedure as to a respondent in any reparation complaint filed pursuant to this part who is the subject of a parallel proceeding described in paragraph (a)(2) or (a)(3) of this section, and shall notify all parties, including the receiver or trustee, that as to that respondent a reparation proceeding shall not be instituted. The effective date of the Director's action shall be fifteen (15) days from the date of service of the notice thereof.

(2) A proceeding in which an elected decisional procedure has been commenced shall be ordered dismissed, without prejudice, as to any respondent who becomes the subject of a parallel proceeding described in paragraph

(a)(2) or (a)(3) of this section if notice pursuant to paragraph (b) of this section is received before the filing of an initial decision (or before a final decision is issued pursuant to §12.106) as to that respondent. The Proceedings Clerk shall notify all parties, including the receiver or trustee, of the order. The effective date of the order shall be fifteen (15) days from the date of the service of the order by the Proceedings Clerk.

(e) *Exceptions.* At the time notice of a parallel proceeding is filed pursuant to paragraph (b) of this section, or any time thereafter, any party, or the receiver or trustee, may file and serve upon other parties a statement in support of or in opposition to any action taken or to be taken pursuant to paragraph (c) or (d) of this section. This statement shall be addressed to the Office of Proceedings, attention of the Proceedings Clerk. Upon receipt of any such statement, the Proceedings Clerk shall immediately forward the statement to the official with responsibility over the case. The notice and the statements filed by the parties shall be reviewed by that official who, on or before the effective date of action taken pursuant to paragraphs (c)(1), (c)(2), (d)(1), and (d)(2), of this section, may take such actions as, in his opinion, are necessary to ensure that the parties to the matter or proceedings are not unduly prejudiced.

(f) *No right of appeal to the Commission.* Any action taken, or order issued, pursuant to paragraphs (c)(1), (c)(2), (d)(1), or (d)(2), of this section that has become effective shall be deemed a final order which is not subject to appeal pursuant to subpart F of these rules.

#### § 12.25 Filing fees.

(a) *Fees payable upon filing a complaint.* (1) A complainant who, in the complaint, has elected the voluntary decisional procedure shall, at the time of filing the complaint, pay a filing fee of \$50.00;

(2) A complainant who, in the complaint wherein the amount of damages claimed does not exceed \$30,000, exclusive of interest and costs, has not elected the voluntary decisional procedure

(b) *Fees payable upon filing an answer.*

(1) If a complainant, in the complaint, has elected the voluntary decisional procedure, a respondent who, in his answer, elects the summary decisional procedure (available only where the amount of damages claimed in the complaint or as counterclaims does not exceed \$30,000) shall, at the time of filing the answer, pay a filing fee of \$75.00.

(2) If a complainant, in the complaint, has elected the voluntary decisional procedure, a respondent who, in his answer, elects the formal decisional procedure (available only where the amount of damages claimed in the complaint or as counterclaims exceeds \$30,000) shall, at the time of filing the answer, pay a filing fee of \$200.00.

(c) *Fees payable upon filing a reply.* In any case in which a counterclaim has been made, unless a complainant in the complaint, or the respondent in an answer, has elected the summary decisional procedure or the formal decisional procedure a complainant, who in his reply elects either of these procedures, shall, at the time of filing the reply, pay a filing fee of \$75.00 or \$200.00, respectively, depending whether the procedure elected by complainant is pursuant to subparts D or E.

### § 12.27 Termination of consideration of pleadings.

If the Director of the Office of Proceedings should determine not to proceed in a manner set forth in §12.26 (a), (b), or (c), consideration of the complaint and the answer (and reply, if any) shall terminate, and no proceeding shall be held on the allegations in any such pleadings. Such termination shall be regarded by the Commission as without prejudice to the right of the parties to seek such alternative forms of relief as may be available to them. If the consideration of the pleadings should be terminated, the Proceedings Clerk shall immediately notify the parties to that effect by registered or certified mail. A determination by the Director not to proceed in the manner set forth in §12.26 (a), (b), or (c) of these rules is not subject to appeal pursuant to subpart F of these rules.

## Subpart B—Discovery

### § 12.30 Methods of discovery.

(a) *In general.* Parties may obtain discovery by the following methods in accordance with the procedures and limitations set forth in the section indicated:

- (1) Production of documents or other items (§12.31);
- (2) Deposition on written interrogatories (§12.32);

(3) Admissions (§12.33).

(b) *Scope of discovery.* The scope of discovery is as follows:

(1) *Relevancy.* Except as provided below, discovery may be obtained regarding any matter not privileged, which is relevant to the subject matter in the pending proceeding, including the existence, description, nature, custody, condition and location of any books, documents, or other tangible items, and the identity and location of persons having knowledge of any discoverable matters. Tax returns and personal bank account records shall not be discoverable, except upon motion by the party seeking discovery showing the need for disclosure of information contained therein, and that the same information could not be obtained through other means.

(2) *Protective orders.* Upon motion by a party or the person from whom discovery is sought, filed within twenty days after the objectionable discovery notice or request is served, and for good cause shown, the official presiding over discovery may issue any order to protect a party or person from annoyance, embarrassment, oppression, or undue burden or expense, or to prevent the raising of issues untimely or inappropriate to the proceeding, or the inappropriate disclosure of trade secrets or sensitive commercial or financial information. Relief through a protective order may include one or more of the following:

- (i) That discovery not be had;
- (ii) That discovery may be had only on specified terms and conditions;
- (iii) That certain matters not be inquired into, or that the scope of the discovery be limited to certain matters;
- (iv) That a trade secret or other confidential commercial information not be disclosed or be disclosed only in a designated way; and
- (v) That the parties simultaneously file specified documents or information in sealed envelopes to be opened only as directed by the decisionmaking official.

(3) *Motions for order compelling discovery.* It shall be the duty of a party to obtain an order compelling discovery from another party if the latter party fails to comply with a discovery notice,

by filing a motion therefor within twenty days after the time allowed by these rules for compliance with the notice has expired.

(c) *Sanctions for abuse of discovery.* If an Administrative Law Judge or a Judgement Officer finds that any party, without substantial justification, has necessitated the filing of a motion for a protective order or for an order compelling discovery, or any other discovery-related motions, that party shall, if the motion is granted, be ordered to pay, at the termination of the proceeding, the reasonable expenses of the moving party incurred in filing the motion, unless the decisionmaking official finds that circumstances exist which would make an award of such expenses unjust. If a decisionmaking official finds that any party, without substantial justification, has filed a motion for a protective order or for an order compelling discovery, or any discovery-related motions, that party shall, if the motion is denied, be ordered to pay, at the termination of the proceeding, the reasonable expenses of an adverse party incurred in opposing the motion, unless the decisionmaker finds that circumstances exist which would make an award of such expenses unjust.

(d) *Time limit.* Absent an extension of time, all discovery notices or requests shall be served within (30) days (and all discovery shall be completed within (50) days) after the notification and the order required by §12.26 (a), (b), or (c) has been served on the parties. Upon motion by a party and for good cause shown, the time allowed for discovery may be enlarged for one additional period not to exceed thirty (30) days.

## § 12.32

## 17 CFR Ch. I (4-1-01 Edition)

custody or control. A copy of the notice shall be served on all other parties to the proceeding. All documents requested in the notice to produce shall be served on the party seeking the discovery within twenty (20) days after service of the notice to produce.

(b) *By a non-party.* Any party may, by filing an appropriate motion showing the need for the materials and an application for a subpoena in accordance with the procedure prescribed in § 12.313 and within the time prescribed by § 12.30(d) of these rules, seek leave to serve upon a non-party a notice to produce copies of any specifically designated categories of materials as are described in paragraph (a) of this section. After an appropriate order and subpoena has been issued, such party may serve upon a non-party a notice to produce such materials. All materials requested in the notice to produce, and, if applicable, a detailed explanation of why any of the specified materials cannot be produced, shall be served on the party seeking discovery within such time (not to exceed thirty (30) days) as the subpoena shall specify. Enforcement of the order and subpoena may be sought in accordance with § 12.313.

### § 12.32 Depositions on written interrogatories.

(a) *Notice.* Any party, within the time prescribed by § 12.30(d), may serve on any other party or any officer or agent of a party a notice of the taking of a deposition on written interrogatories.

(b) *Number.* The number of written interrogatories served upon any one party shall not exceed thirty. For the purpose of this rule, each sub-interrogatory or divisible part of an interrogatory shall be regarded as one interrogatory. Leave to serve additional interrogatories shall not be granted absent extraordinary circumstances.

(c) *Reply.* (1) Each interrogatory served shall be answered by the party served or if the party is a corporation, partnership, association, or government agency, by any officer or agent thereof selected by the responding party.

(2) Each interrogatory shall be answered separately and fully in writing, unless objected to, in which event the reasons for objection shall be stated in

lieu of an answer. For the purposes of this rule, an evasive or incomplete answer shall be treated as a failure to answer. The answers are to be signed and verified by the person making them. The person upon whom a notice to take a deposition on written interrogatories has been served shall serve a copy of the answers and objections within twenty (20) days after service of the interrogatories.

(d) *Deposition of a non-party.* The deposition on written interrogatories of a non-party may be taken only within the time prescribed by § 12.30(d), and only pursuant to an order entered and subpoena issued in accordance with the provisions of § 12.313 of these rules; provided however, that the deposition on written interrogatories of a Commission member or employee may only be taken upon a showing that the Commission member or employee has personal knowledge of the matters sought to be discovered (*i.e.*, not obtained pursuant to a Commission investigation), that the information sought to be discovered is material and that the information sought to be discovered is not available from other sources.

(e) *Filing of depositions on written interrogatories in a voluntary or summary decisional proceeding.* In proceedings commenced pursuant to § 12.26 (a) and (b) of these rules, copies of all depositions on written interrogatories shall be filed by the party on whose behalf the discovery was obtained.

### § 12.33 Admissions.

(a) *Request for admissions.* Any party may, within the time permitted by § 12.30(d) of these rules, serve upon any other party a written request for admissions of the truth of any matters set forth in the request that relate to statements or opinions of fact or of the application of law to fact, including the genuineness of any document described in the request. Copies of documents shall be served with the request unless they have been or are otherwise furnished or made available for inspection and copying. A copy of the request shall be filed with the Proceedings Clerk.

(b) *Reply.* Each matter of which an admission is requested shall be separately set forth. The matter is admitted unless within twenty (20) days after service of the request, the party upon whom the request is directed files and serves upon the party requesting the admission a verified written answer or objection to the matter. If objection is made, the reasons therefor shall be stated. The answer shall specifically deny the matter or set forth in detail the reasons why the answering party cannot truthfully admit or deny the matter. A denial shall fairly meet the substance of the requested admission and when good faith requires that a party qualify his answer and deny only a part of the matter of which an admission is requested, he shall specify so much of it as is true and qualify or deny the remainder. An answering party may not give a lack of information or knowledge as a reason for failure to admit or deny unless he states that he has made reasonable inquiry and that the information known or reasonably available to him is insufficient to enable him to admit or deny. A party who considers that a matter of which an admission has been requested presents a genuine issue for trial may not, on that ground alone, object to the request; he may deny the matter or set forth reasons why he cannot admit or deny it.

(c) *Determining sufficiency of answers or objections.* The party who has requested the admissions may move to determine the sufficiency of the answers or objections. Unless the objecting party sustains his burden of showing that the objection is justified, the official presiding over discovery shall order that an answer be served. If such official determines that an answer does not comply with the requirements of this rule, he may order either that the matter is admitted or that an amended answer be served.

(d) *Effect of admission.* Any matter admitted under this rule is conclusively established and may be used as proof against the party who made the admission. However, the discovery or decisionmaking official may permit withdrawal or amendment when the presentation of the merits of the proceeding will be served thereby and the party

who obtains the admission fails to satisfy such official that withdrawal or amendments will prejudice him in maintaining his action or defense on the merits.

**§ 12.34 Discovery by a decisionmaking official.**

(a) *Applicability.* The provisions of this rule apply only to summary decisional proceedings and formal decisional proceedings commenced pursuant to §12.26 (b) and (c). This rule does not apply to a voluntary decisional proceeding commenced pursuant to §12.26(a). For the purposes of this rule, the term “decisionmaking official” shall mean a Judgment Officer or Administrative Law Judge assigned to render a decision in the proceeding.

(b) *Production of documents and tangible things—(1) Order for production.* A decisionmaking official may, upon his own motion, order a party or non-party to produce copies of specifically designated documents, papers, books, accounts, or tangible things (or categories of any of the foregoing) which are in the possession, custody or control of the party, non-party or agent thereof, against whom the order is directed. Except as provided in paragraph (b)(2) of this section, a party or non-party ordered to produce documents or any of the above items under this rule shall file and serve the documents and items listed in the order within twenty (20) days from the date of service of the order, or within such period of time as the decisionmaking official may direct. The decisionmaking official may issue subpoenas to compel the production by parties or non-parties of such documents and tangible things as are described in this section.

(2) *Trade secrets, commercially sensitive or confidential information.* If any party or person against whom an order to produce has been directed acting in good faith has reason to believe that any documents or other tangible thing ordered to be produced contains a trade secret, or commercially sensitive or other confidential information, the party or person may, in lieu of serving any such document, in accordance with paragraph (b)(1) of this section, file and serve a written request for confidential treatment of such documents. Any

## § 12.35

such request for confidential treatment shall be accompanied by a verified statement identifying with particularity the information on those documents considered to be trade secrets, commercially sensitive or confidential information, with reasons therefor, and indicating which portions, if any, of those documents may be served on other parties without disclosure of such information. Upon considering a request for confidential treatment in accordance with this subsection, the decisionmaking official may, if he finds that the information identified in the request warrants confidential treatment and is not probative of any material fact in controversy, make copies of the documents produced, delete such information from the copies, and serve the copies as modified upon the other parties, with or without an appropriate protective order limiting dissemination to the parties and their counsel, if any.

(3) *Inability to produce.* Any party or person who cannot produce documents or other tangible things called for in an order for production, because those documents or things are not in his possession, custody or control, shall file and serve within the time provided in paragraph (b)(1) of this section a verified statement identifying the documents which cannot be produced and setting forth with particularity the reasons for non-production.

(c) *Order for written testimony.* The decisionmaking official may, upon his own motion, order a party or non-party witness to submit verified statements or written responses to interrogatories, or both, as to all relevant matters within the party's personal knowledge which are required in response to the order. A party or person ordered to file affidavits and/or verified written responses to interrogatories shall file and serve the documents within such period of time as the decisionmaking official may direct. The official may issue subpoenas to compel the filing by parties or non-parties of such verified statements and written responses as are described in this subsection.

## 17 CFR Ch. I (4-1-01 Edition)

### § 12.35 Consequences of a party's failure to comply with a discovery order.

If a party fails to comply with an order compelling discovery, or an order issued pursuant to § 12.34, the official assigned to render the decision in the case may, upon motion by a party or on his own motion, take such action in regard thereto as is just, including but not limited to the following:

(a) Infer that the documents or things not produced would have been adverse to the party;

(b) Rule that for the purposes of the proceeding the information in or contents of the documents or things not produced be taken as established adversely to the party;

(c) Rule that the party may not be heard to object to introduction and use of secondary evidence to show what the withheld documents or other evidence would have shown;

(d) Rule that a pleading, or part of a pleading, or a motion or other submission by the party, to which the order for production related, be stricken;

(e) Dismiss the entire proceeding with prejudice to matters alleged in the complaint, but without prejudice to counterclaims; and

(f) Issue a default order and render a decision against the party, whose rights shall thereafter be determined by §§ 12.22 and 12.23 of these rules.

### § 12.36 Subpoenas to compel discovery.

An application for a subpoena requiring a party or non-party to comply with a discovery order issued pursuant to §§ 12.31 and 12.32, may be made, in writing, by any party without notice to other parties, and may be filed simultaneously with the motion for the discovery order. The standards for issuance or denial of such an application, the service requirement, and the method for enforcing such subpoenas shall be determined by the provisions of § 12.313 of these rules.

### Subpart C—Rules Applicable to Voluntary Decisional Proceedings

#### § 12.100 Scope and applicability of rules.

(a) *In general.* The rules set forth in this subpart are applicable only to proceedings forwarded pursuant to § 12.26(a) of the Reparation Rules. The rules of subpart B permitting discovery are applicable in a voluntary decisional proceeding. Unless specifically made applicable, the rules prescribed in subparts D, E, and F shall not apply in a voluntary decisional proceeding.

(b) *Waiver by electing the voluntary decisional procedure.* By electing the voluntary decisional procedure, parties waive the opportunity for an oral hearing and whatever rights they may have otherwise had: to receive a written statement of the findings of fact upon which the final decision is based; to prejudgment interest in connection with a reparation award; to appeal to the Commission the final decision; and to appeal the final decision to a U.S. Court of Appeals pursuant to section 14(e) of the Commodity Exchange Act, 7 U.S.C. 18(e).

#### § 12.101 Functions and responsibilities of the Judgment Officer.

The Judgment Officer shall be responsible for the fair and orderly conduct of the proceeding and shall have the authority:

- (a) To rule upon discovery-related motions, and to issue orders pertaining to discovery;
- (b) To take such action pursuant to § 12.35 as is appropriate if a party fails to comply with a discovery order;
- (c) To issue subpoenas pursuant to § 12.36 of these rules;
- (d) To issue orders of default for good cause shown against any party who fails to participate in the proceeding, or to comply with any provisions of these rules;
- (e) To receive submissions of proof;
- (f) Make the final decision in accordance with § 12.106 of these rules; and
- (g) Issue such orders as are necessary and appropriate to effectuate the orderly conduct of the proceeding.

[49 FR 6621, Feb. 22, 1984; 49 FR 15070, Apr. 17, 1984]

#### § 12.102 Disqualification of Judgment Officer.

(a) *At his own request.* A Judgment Officer may withdraw from a voluntary decisional proceeding when he considers himself to be disqualified on the grounds of personal bias, conflict of interest, or similar bases. In such event he shall immediately notify the Commission and each of the parties of his withdrawal and of his basis for such action.

(b) *Upon the request of a party.* Any party may request a Judgment Officer to disqualify himself on the grounds of personal bias, conflict of interest, or similar bases. Interlocutory review of an adverse ruling by the Judgment Officer may be sought without certification of the matter by the Judgment Officer only in accordance with the procedures set forth in § 12.309 of the Reparation Rules.

#### § 12.103 Filing of documents; subscription; service.

Except as otherwise specifically provided in these rules, all documents filed in a voluntary decisional proceeding, including (but not limited to) amended or supplemental pleadings, motions, discovery requests and responses thereto, and submissions of proof, shall meet the requirements of §§ 12.11 and 12.12 of the Reparation Rules as to form, and shall be filed and served in accordance with § 12.10 of the Reparation Rules.

#### § 12.104 Amendments to pleadings; motions.

(a) *Amendments and supplemental pleadings.* At any time prior to the issuance of the final decision, the parties may, by unanimous express written consent, amend or supplement the pleadings. Supplemental pleadings may set forth transactions or occurrences or events which have happened since the date of the pleadings to be amended or supplemented, and which are relevant to any of the issues involved.

(b) *Motions.* Except as specifically permitted by rule in this subpart, motions, other than discovery-related motions and motions relating to procedural orders, shall be prohibited. Motions for procedural orders, including

## § 12.105

motions for extension of time, may be acted upon at any time.

### § 12.105 Submission of proof only in documentary or tangible form.

Proof in support of the complaint and in support of the respondent's answer (including counterclaims, if any), and any reply thereto, may be found in those verified documents, in verified statements of non-party witnesses, in other verified statements of fact, and in other documents and tangible evidence. No oral testimony by, or examination of, the parties or their witnesses shall be permitted.

### § 12.106 Final decision and order.

(a) *When a final decision is required.* After all submissions of proof have been received, the Judgment Officer shall make the final decision. Upon its issuance, the final decision shall forthwith be filed with the Proceedings Clerk, and immediately served on the parties. The Proceedings Clerk shall also serve a notice, to accompany the final decision, of the effect of a failure by a party ordered to pay a reparation award to file the documents required by § 12.407(c) of these rules.

(b) *Content of final decision.* The final decision shall contain:

(1) A briefly stated conclusion, not accompanied by findings of fact, as to whether the respondent violated any provision of the Act, Commission's regulations or orders, resulting in damages to the complainant; and

(2) If one or more counterclaims have been permitted in the proceeding, a brief conclusion, not accompanied by findings of fact, as to whether the complainant is liable to the respondent for such counterclaims; and

(3) A determination of the amount of damages, if any, sustained by complainant or respondent in connection with reparation claims or counterclaims, and an order against a party found liable for damages directing that party to pay an award. An award in favor of the complainant shall not exceed the amount of damages in the complaint (including any amendment thereto), and an award in favor of a respondent shall not exceed the amount of damages claimed in a counterclaim (including any amendment thereto).

## 17 CFR Ch. I (4-1-01 Edition)

A conclusion made pursuant to paragraph (b)(1) of this section shall not be deemed a finding of the Commission for the purposes of Section 8a of the Commodity Exchange Act.

(c) *No assessment of prejudgment interest or costs.* A party found liable for damages in a voluntary decisional proceeding shall not be assessed prejudgment interest, attorney's fees, or costs (other than the filing fee and costs assessed as a sanction for abuse of discovery).

(d) *Effect of final decision and order: No appeal.* A party may not appeal to the Commission a final decision issued pursuant to subpart C of these rules. In accordance with the election and waivers described in § 12.100(b), a final decision may not be appealed to a U.S. Court of Appeals pursuant to section 14(e) of the Commodity Exchange Act, but a final decision shall be recognized as a final order of the Commission for all other purposes including the judicial enforcement of an award made in connection with the final decision pursuant to section 14(d) of the Commodity Exchange Act.

(e) *Effective date of final decision.* A final decision and order shall become effective thirty (30) days after service, unless the Commission pursuant to § 12.403 takes review of the decision on its own motion on or before the thirtieth day. Any reparation award ordered in a final decision pursuant to this rule shall be satisfied in full within forty-five (45) days after service thereof, unless the Commission pursuant to § 12.403(b) stays the duty of satisfaction. Any party who fails timely to satisfy such an award is subject to the automatic suspension provisions of § 12.407(c).

[49 FR 6621, Feb. 22, 1984, as amended at 59 FR 9637, Mar. 1, 1994]

## Subpart D—Rules Applicable to Summary Decisional Proceedings

### § 12.200 Scope and applicability of rules.

The rules set forth in this subpart are applicable only to proceedings forwarded pursuant to § 12.26(b) of the Reparation Rules. The rules in subpart B permitting discovery are applicable in a summary decisional proceeding.

Unless specifically made applicable, the rules prescribed in subparts C and E shall not apply to such proceedings. Parties to a proceeding forwarded pursuant to §12.26(b) may, by signed agreement filed at any time prior to the issuance of the initial decision, or of any other order disposing of all issues in the proceeding, elect to have all of the issues in the proceeding decided pursuant to the voluntary decisional procedure. Upon receiving a timely filed stipulation signed by all parties evidencing such an election, the Judgment Officer shall conduct the proceeding and render a decision pursuant to subpart C of these rules.

**§ 12.201 Functions and responsibilities of the Judgment Officer.**

The Judgment Officer shall be responsible for the fair and orderly conduct of the proceeding and shall have the authority:

(a) In his discretion, to conduct pre-decision conferences in accordance with §12.206 of these rules;

(b) To rule upon all discovery-related motions, and to take such action pursuant to §12.35 as is appropriate if a party fails to comply with a discovery order;

(c) To issue orders for the production of documents and tangible things and orders for written testimony, as provided in §12.34 of these rules;

(d) To take such action as is appropriate under §12.35 of these rules, if a party fails to comply with an order issued by the Judgment Officer pursuant to §12.34;

(e) To rule on all motions permitted pursuant to §12.205;

(f) To issue default orders for good cause against parties who fail to participate in the proceeding or to comply with these rules;

(g) If an oral hearing is ordered, to preside at the hearing, which shall include the authority to receive relevant evidence, to administer oaths and affirmations, to examine witnesses, and to rule on offers of proof;

(h) To issue subpoenas in accordance with the provisions of §§12.34, 12.36 and 12.209 of these rules;

(i) To make the initial decision in accordance with §12.210 of these rules; and

(j) To issue such orders as are necessary and appropriate to effectuate the orderly conduct of the proceeding.

[49 FR 6621, Feb. 22, 1984; 49 FR 15070, Apr. 17, 1984, as amended at 59 FR 9637, Mar. 1, 1994]

**§ 12.202 Disqualification of Judgment Officer.**

(a) *At his own request.* A Judgment Officer may withdraw from a summary decisional proceeding when he considers himself to be disqualified on the grounds of personal bias, conflict of interest, or similar bases. In such event, he shall immediately notify the Commission and each of the parties of his withdrawal and of his basis for such action.

(b) *Upon the request of a party.* Any party may request a Judgment Officer to disqualify himself on the grounds of personal bias, conflict of interest, or similar bases. Interlocutory review of an order denying such a request may be sought without certification of the matter by the Judgment Officer only in accordance with the procedures set forth in §12.309 of the Reparation Rules.

**§ 12.203 Filing of documents; subscription; service.**

Except as otherwise specifically provided in these rules, all documents filed in a summary decisional proceeding, including (but not limited to) amended or supplemental pleadings, motions, discovery notices and responses thereto, documents produced or filed pursuant to §12.34 of these rules, and submissions of proof, shall meet the requirements of §§12.11 and 12.12 of these rules as to form, and shall be filed and served in accordance with §12.10 of the Reparation Rules.

**§ 12.204 Amended and supplemental pleadings.**

(a) *Amendments to pleadings.* At any time before the parties have concluded their submission of proof, the Judgment Officer may allow amendments of the pleadings either upon written consent of the parties, or for good cause shown, provided however, that any pleading as amended shall not contain an allegation of damages in excess of \$30,000. Any party may file a response to a motion to amend the pleadings

## § 12.205

within ten (10) days after the date of service upon him of the motion;

(b) *Supplemental pleadings.* At any time before the parties have concluded their submissions of proof, and upon such terms as are just, the Judgment Officer may, upon motion by a party, permit a party to serve a supplemental pleading setting forth transactions, occurrences or events which have happened since the date of the pleadings sought to be supplemented and which are relevant to any of the issues in the proceeding: *Provided However,* That any pleading as supplemented may not contain an allegation of damages in excess of \$30,000. Any party may file a response to a motion to supplement the pleadings within ten (10) days after the date of service upon him of the motion.

(c) *Pleadings to conform to the evidence.* When issues not raised by the pleadings but reasonably within the scope of a summary decisional proceeding are tried with the express or implied consent of the parties, they shall be treated in all respects as if they had been raised in the pleadings.

[49 FR 6621, Feb. 22, 1984, as amended at 59 FR 9637, Mar. 1, 1994]

## § 12.205 Motions.

(a) *In general.* Motions for relief not otherwise specifically provided for in subpart D of these rules, other than discovery-related motions and motions for extensions of time and similar procedural orders, shall not be allowed. Except as otherwise specifically provided in these rules, all motions permitted under these rules shall be directed to the Judgment Officer prior to the filing of the initial decision, and to the Commission after the initial decision has been filed. Motions for extensions of time and similar procedural orders may be acted upon at any time, without awaiting a response thereto. Any party adversely affected by such action may request reconsideration, vacation or modification of such action.

(b) *Answer to motions.* Any party may serve and file a written response to a motion within ten (10) days after service of the motion upon him, or within such longer or shorter period as is established by these rules, or as the

## 17 CFR Ch. I (4-1-01 Edition)

Judgment Officer or the Commission may direct.

(c) *Dismissal—(1) By the Judgment Officer.* A Judgment Officer, acting upon his own motion, may

(i) Dismiss the entire proceeding without prejudice to counterclaims, if he finds that the matters alleged in the complaint fail to state a claim cognizable in reparations; or

(ii) Order dismissal of any claim, counterclaim, or party from the proceeding if he finds, after review of the record, that such claim or counterclaim (by itself or as applied to any party) is not cognizable in reparations.

(2) *Motion for dismissal by a party.* Any party who believes that grounds exist for dismissal of the entire complaint, or of any claim therein, or of any counterclaim or party from the proceeding, may file a motion for dismissal specifying the claims or parties to be dismissed and the reasons therefor. Upon consideration of the whole record, the Judgment Officer may grant or deny such motion, in whole or in part.

(3) *Content and effect of order of dismissal.* Any order of dismissal entered pursuant to this rule shall contain a brief statement of the findings and conclusions which serve as the basis for the order. An order of dismissal of the entire proceeding pursuant to this rule shall have the effect of an initial decision (see §12.213(d)), and may be appealed to the Commission in accordance with the requirements of §12.401 of these rules.

## § 12.206 Pre-decision conferences.

At any time after a summary decisional proceeding has been commenced pursuant to §12.26(b), the Judgment Officer may, in his discretion, conduct one or more pre-decision conferences to be held in Washington, DC or by telephone, with all parties, for the purposes of:

(a) Discussing the advisability of electing the voluntary decisional procedure;

(b) Encouraging settlement of the entire case, or any part thereof, (such discussions may be *ex parte* with the consent of all parties);

(c) Simplifying or clarifying issues;

(d) Obtaining stipulations, admissions of fact and of authenticity of documents;

(e) Discussing amendments or supplements to the pleadings;

(f) Encouraging an early settlement of disputes relating to discovery; and

(g) Discussing any matters of relevance in the proceeding.

At or following the conclusion of such a conference, the Judgment Officer may serve a pre-decision memorandum and order setting forth the agreements, if any, reached by the parties, any procedural determinations made by him, and the issues for resolution not disposed of by the admissions or agreements by the parties. Such order, when issued, shall control the subsequent course of the proceeding unless modified to prevent injustice.

#### § 12.207 Summary disposition.

(a) *Filing of motions, answers.* Any party who believes that there is no genuine issue of material fact to be determined and that he is entitled to a decision as a matter of law concerning all issues of liability in the proceeding may file a motion for summary disposition at any time until the parties have concluded their submissions of proof. Any adverse party, within ten (10) days after service of the motion, may file and serve opposing papers or may countermove for summary disposition.

(b) *Supporting papers.* A motion for summary disposition shall include a statement of the material facts as to which the moving party contends there is no genuine issue, supported by the pleadings, and by affidavits, other verified statements, admissions, stipulations, and interrogatories. The motion may also be supported by briefs containing points and authorities in support of the contention of the party making the motion. When a motion is made and supported as provided in this section, unless otherwise ordered by the Judgment Officer, an adverse party may not rest upon the mere allegations, but shall serve and file in response a statement setting forth those material facts as to which he contends a genuine issue exists, supported by affidavits and other verified material. He may also submit a brief of points and authorities.

(c) *Summary disposition upon motion of the Judgment Officer.* If the Judgment Officer believes that there may be no genuine issue of material fact to be determined and that one of the parties may be entitled to a decision as a matter of law, he may direct the parties to submit papers in support of and in opposition to summary disposition, substantially as provided in paragraphs (a) and (b) of this section.

(d) *Ruling on summary disposition.* The Judgment Officer may grant summary disposition if the undisputed pleaded facts, affidavits, other verified statements, admissions, stipulations, and matters of official notice show that (1) there is no genuine issue as to any material fact; (2) there is no necessity that further facts be developed in the record; and (3) a party is entitled to a decision in his favor as a matter of law.

(e) *Review of ruling; appeal.* An application for interlocutory review of an order denying a motion for summary disposition shall not be allowed. An order granting summary disposition as to all of the issues and all of the parties in the proceeding shall have the same effect as an initial decision (see § 12.210(d)), and may be appealed to the Commission, in accordance with § 12.401 of these rules.

#### § 12.208 Submissions of proof.

(a) *Documentary evidence.* Each party may file and serve verified statements of fact and affidavits of non-party witnesses with personal knowledge of the facts which they aver to be true. Proof in support of the complaint and in support of the respondent's answer may be found in those verified documents, in affidavits of non-party witnesses, in other verified statements of fact, and in other documents and tangible exhibits.

(b) *Oral testimony and examination.* The Judgment Officer may order an oral hearing for the presentation of testimony and examination of the parties and their witnesses when appropriate and necessary for the resolution of factual issues, upon motion by either a party or the Judgment Officer. An oral hearing held under this section will be convened by conference telephone call as provided in § 12.209(b), except that an in-person hearing may be

## § 12.209

held in Washington, DC, under the circumstances set forth in § 12.209(c).

[49 FR 6621, Feb. 22, 1984, as amended at 59 FR 9637, Mar. 1, 1994]

### § 12.209 Oral testimony.

(a) *Generally.* When the Judgment Officer determines that an oral hearing is necessary and appropriate, such oral hearing will be held either by telephone or in person in Washington, DC, as set forth below. The Judgment Officer, in his or her discretion with consideration for the convenience of the parties and their witnesses, will determine the time and date of such hearing. During an oral hearing, in his or her discretion, the Judgment Officer may regulate appropriately the course and sequence of testimony and examination of the parties and their witnesses and limit the issues.

(b) *Telephonic hearings.* When a Judgment Officer has determined to hold an oral hearing by telephone, an order to that effect will be issued at least 15 days prior to the hearing notifying the parties of the date and time of the hearing. The order will direct the parties to confirm, at least 48 hours in advance of the hearing, that the correct telephone numbers for the parties and their witnesses are on file with the Office of Proceedings, and warn that failure to provide correct telephone numbers may be deemed waiver of that party's right to participate in the hearing, to present evidence, or to cross-examine other witnesses. If a party is unavailable by telephone at the appointed time, any other party in attendance may present testimony, and the Judgment Officer also may impose any appropriate sanction listed in § 12.35. All telephonic hearings will be recorded electronically but will be transcribed only upon direction of the Judgment Officer (if necessary) or in the event of Commission review. The parties may secure a copy of the recording of the hearing from the Proceedings Clerk upon written request and payment of the cost of the recording.

(c) *Washington, DC hearings.* In exceptional circumstances and when an in-person hearing is determined to be necessary in resolving the issues, the Judgment Officer may order an in-person hearing in Washington, DC upon

## 17 CFR Ch. I (4-1-01 Edition)

written request by a party and the agreement of at least one opposing party. The Judgment Officer will issue notice of the time, date, and location of an in-person hearing to the parties at least 30 days in advance of the hearing. Except as otherwise provided herein, an in-person hearing will be held and recorded in the manner prescribed in § 12.312(c) through (f) of these rules. A party not agreeing to appear at the hearing in Washington, DC, may be ordered to participate by telephone. Any party not appearing in person or by telephone will be deemed to have waived the right to participate in the hearing, to present evidence, or to cross-examine other witnesses; further, that party may be subject to such action under § 12.35 as the Judgment Officer may find appropriate. The Judgment Officer may order any party who requests or agrees to appear at a hearing in Washington, DC and fails to appear without good cause, to pay any reasonable costs unnecessarily incurred by parties appearing at such a hearing.

(d) *Compulsory process.* An application for a subpoena requiring a non-party to participate in a telephonic hearing or to appear at an in-person hearing in Washington, DC, may be made in writing to the Judgment Officer without notice to the other parties. The standards for issuance or denial of an application for a subpoena, the service and travel fee requirements, and the method for enforcing such subpoenas are set forth at § 12.313 of these rules.

### § 12.210 Initial decision.

(a) *In general.* Proposed findings of fact and conclusions of law briefs shall not be allowed. As soon as practicable after all submissions of proof have been received, the Judgment Officer shall make the initial decision, which he shall forthwith file with the Proceedings Clerk. Upon filing of an initial decision, the Proceedings Clerk shall immediately serve upon the parties a copy of the initial decision and a notification of the effect of a party's failure timely to appeal the initial decision to the Commission, as provided in paragraphs (d) and (e) of this section, as well as the effect of a failure by a

party who has been ordered to pay a reparation award timely to file the documents required by §12.407(c).

(b) *Content of initial decision.* In the initial decision in a summary decisional proceeding, the Judgment Officer shall:

(1) Include a brief statement of his findings as to the facts, with references to those portions of the record which support his findings;

(2) Make a determination whether or not the respondent has violated any provision of the Commodity Exchange Act, or rule, regulation or order thereunder;

(3) Make a determination whether the complainant is liable to any respondent who has made a counterclaim in the proceeding;

(4) Determine the amount of damages, if any, that the complainant has sustained as a result of respondent's violations, the amount of punitive damages, if any, for which respondent is liable to complainant, which shall not exceed \$30,000, exclusive of interest and costs; and the amount, if any, for which complainant is liable to respondents based on counterclaims, which, in aggregate, shall not exceed \$30,000, exclusive of interest and costs; and

(5) Include an order directing either the respondent or the complainant, depending upon whose liability is greater, to pay an amount based on the difference in the amounts determined pursuant to paragraph (b)(4) of this section, on or before a date fixed in the order.

(c) *Costs; prejudgment interest.* The Judgment Officer may, in the initial decision, award costs (including the costs of instituting the proceeding, and if appropriate, reasonable attorneys' fees) and, if warranted as a matter of law under the circumstances of the particular case, prejudgment interest to the party in whose favor a judgment is entered.

(d) *Effect of initial decision.* The initial decision shall become the final decision and order of the Commission thirty (30) days after service thereof, except:

(1) The initial decision shall not become the final decision as to a party who shall have timely filed and perfected an appeal thereof to the Com-

mission in accordance with §12.401 of these rules; and

(2) The initial decision shall not become final as to any party to the proceeding if, within thirty (30) days after service of the initial decision, the Commission itself shall have placed the case on its own docket for review or stayed the effective date of the initial decision.

(e) *Effect of failure to file and perfect an appeal to the Commission.* Unless the Commission takes review on its own motion, the timely filing and perfection of an appeal to the Commission of the initial decision is mandatory as a prerequisite to appellate judicial review of a final decision and order entered pursuant to these rules.

### Subpart E—Rules Applicable to Formal Decisional Proceedings

#### § 12.300 Scope and applicability of rules.

The rules set forth in this subpart are applicable to proceedings forwarded pursuant to §12.26(c) of the Reparation Rules. The rules in subpart B permitting discovery are applicable in a formal decisional proceeding, as supplemented by §12.301. Unless specifically made applicable, the rules prescribed in subparts C and D shall not apply to formal decisional proceedings. Parties to a proceeding forwarded pursuant to §12.26(c) may, by written agreement filed at any time prior to the issuance of an initial decision, or of any other order disposing of all issues in the proceeding, elect to have all issues in the proceeding decided pursuant to the voluntary decisional procedure. Upon receiving a timely filed stipulation signed by all parties evidencing such an election, the Administrative Law Judge shall conduct the proceeding and render a decision pursuant to subpart C of these rules.

#### §§ 12.301–12.302 [Reserved]

#### § 12.303 Pre-decision conferences.

During the time period permitted for discovery pursuant to §12.30(d), and thereafter, the Administrative Law Judge may, in his discretion, conduct

## § 12.304

## 17 CFR Ch. I (4–1–01 Edition)

one or more pre-decision conferences to be held in Washington, DC or by telephone, with all parties for the purposes of:

(a) Discussing the advisability of electing the voluntary decisional procedure;

(b) Encouraging a settlement of the entire case, or any part thereof (such discussions may be *ex parte* with the consent of all parties);

(c) Simplifying or clarifying issues;

(d) Obtaining stipulations, admissions of fact and of authenticity of documents;

(e) Discussing amendments or supplements to the pleadings;

(f) Encouraging an early settlement of disputes relating to discovery; and

(g) Discussing any matters of relevance in the proceeding.

At or following the conclusion of a pre-decision conference, the Administrative Law Judge may serve a pre-decision memorandum and order setting forth the agreements reached by the parties, any procedural determinations made by him, and the issues for resolution not disposed of by admissions or agreements by the parties. Such an order shall control the subsequent course of the proceeding unless modified to prevent injustice.

(a) To issue such orders as are described in §12.34 of these rules;

(b) To issue subpoenas pursuant to §§12.34, 12.36, and 12.313 of these rules;

(c) To take such action as is appropriate pursuant to §12.35 if a party fails to comply with a discovery order, or an order issued pursuant to §12.34 of these rules;

(d) [Reserved]

(e) In his discretion, to conduct pre-decision conferences, for the purposes prescribed in §12.303, at any time after a proceeding has commenced pursuant to §12.26(c);

(f) To issue pre-hearing orders as required by §12.312(a);

(g) To certify interlocutory matters to the Commission for its determination in accordance with §12.309;

(j) If appropriate, to issue orders for summary disposition in the manner prescribed by §12.310;

(k) If an oral hearing is ordered, to preside at the oral hearing, which shall include the authority to receive relevant evidence, to administer oaths and affirmations, to examine witnesses, and to rule on offers of proof;

(l) To make the initial decision; and

(m) To issue such orders, and take any other actions as are required to give effect to these rules.

[49 FR 6621, Feb. 22, 1984; 49 FR 15070, Apr. 17, 1984; 49 FR 17750, Apr. 25, 1984, as amended at 57 FR 20637, May 14, 1992]

### § 12.305 Disqualification of Administrative Law Judge.

(a) *At his own request.* An Administrative Law Judge may withdraw from a formal decisional proceeding when he considers himself to be disqualified on the grounds of personal bias, conflict of interest, or similar bases. In such event, he shall immediately notify the Commission and each of the parties of his withdrawal and of his basis for such action.

(b) *Upon the request of a party.* Any party may request an Administrative Law Judge to disqualify himself on the grounds of personal bias, conflict of interest, or similar bases. Interlocutory review of an order denying such a request may be sought without certification of the matter by an Administrative Law Judge, only in accordance with the procedures set forth in §12.309 of these rules.

### § 12.306 Filing of documents; subscription; service.

Except as otherwise specifically provided in these rules, all documents filed in a formal decisional proceeding including, but not limited to, amended or supplemental pleadings, motions,

discovery notices or requests, and responses thereto, documents filed or produced pursuant to §12.34 of these rules, and submissions of proof, shall meet the requirements of §§12.11 and 12.12 of the rules as to form, and shall be filed and served in accordance with §12.10 of the Reparation Rules.

**§ 12.307 Amended and supplemental pleadings.**

(a) *Amendments to pleadings.* At any time before the parties have concluded their submissions of proof, the Administrative Law Judge may allow amendments of the pleadings either upon written consent of the parties or for good cause shown. Any party may file a response to a motion to amend the pleadings within ten (10) days after the date of service upon him of the motion.

(b) *Supplemental pleadings.* At any time before the parties have concluded their submissions of proof, and upon such terms as are just, an Administrative Law Judge may, upon motion by a party, permit a party to serve a supplemental pleading setting forth transactions, occurrences or events which have happened since the date of the pleadings sought to be supplemented and which are relevant to the issues in the proceeding. Any party may file a response to a motion to supplement the pleadings with ten (10) days after the date of service upon him of the motion.

(c) *Pleadings to conform to the evidence.* When issues not raised by the pleadings but reasonably within the scope of a formal decisional proceeding are tried with the express or implied consent of the parties, they shall be treated in all respects as if they had been raised in the pleadings.

**§ 12.308 Motions.**

(a) *In general.* An application for a form of relief not otherwise specifically provided for in this subpart E shall be made by a motion, which shall be in writing (unless made on the record during an oral hearing). The motion shall state the relief sought and the basis for the relief and may set forth the authority relied upon. All motions, unless otherwise provided in these rules, shall be directed to the Administrative Law Judge before the initial decision is

filed, and to the Commission after the initial decision is filed.

(b) *Answer to motions.* Any party may serve and file a written response to a motion within ten (10) days after service of the motion upon him, or within such longer or shorter period as established by these rules, or as the Administrative Law Judge or the Commission may direct.

(c) *Dismissal*—(1) *By the Administrative Law Judge.* The Administrative Law Judge, acting on his own motion, may, at any time after he has been assigned the case:

(i) Dismiss the entire proceeding, without prejudice to counterclaims, if he finds that none of the matters alleged in the complaint state a claim that is cognizable in reparations; or

(ii) Order dismissal of any claim, counterclaim, or party from the proceeding if he finds that such claim or counterclaim (by itself, or as applied to a party) is not cognizable in reparations.

(2) *Motion for dismissal by a party.* Any party who believes that grounds exist for dismissal of the entire complaint, of any claim therein, of any counterclaim, or of a party from the proceeding, may file a motion for dismissal specifying the claims, counterclaims, or parties to be dismissed and the reasons therefor. Upon consideration of the whole record, the Administrative Law Judge may grant or deny such motion, in whole or in part.

(3) *Content and effect of order of dismissal.* Any order of dismissal entered pursuant to this rule shall contain a brief statement of the findings and conclusions which serve as the basis for the order. An order of dismissal of the entire proceeding pursuant to this rule shall have the effect of an initial decision which may be appealed to the Commission in accordance with the requirements set forth in §12.401 of these rules.

(d) *Motions for procedural orders.* Motions for procedural orders, including motions for extensions of time, may be acted on at any time, without awaiting a response thereto. Any party adversely affected by such action may request reconsideration, vacation or modification of such action.

## § 12.309

## 17 CFR Ch. I (4–1–01 Edition)

(e) *Dilatory motions.* Repetitive or numerous motions dealing with the same subject matter shall not be permitted.

### § 12.309 Interlocutory review by the Commission.

Interlocutory review by the Commission of a ruling on a motion by an Administrative Law Judge may be sought only as prescribed in this rule:

(a) *When interlocutory appeal may be taken.* An interlocutory appeal may be permitted, in the discretion of the Commission, under the following circumstances:

(1) The appeal is from a ruling pursuant to § 12.102, § 12.202, or § 12.305 refusing to grant a motion to disqualify a Judgment Officer or Administrative Law Judge;

(2) The appeal is from a ruling pursuant to § 12.9 suspending an attorney from participation in a reparation proceeding;

(3) Upon a determination by the Administrative Law Judge certified to the Commission either in writing or on the record, that

(i) A ruling sought to be appealed involves a controlling question of law or policy;

(ii) An immediate appeal may materially advance the ultimate resolution of the issues in the proceeding; and

(iii) Subsequent reversal of the ruling would cause unnecessary delay or expense to the parties; or

(4) The appeal is from a ruling which satisfies the conditions of paragraphs (a)(3) (i)–(iii) of this section, despite the absence of certification, and extraordinary circumstances are shown to exist.

(b) *Procedure to obtain interlocutory review.* An application for interlocutory review may be served and filed within ten (10) days after service of a ruling described in paragraphs (a)(1), (a)(2), and (a)(4) of this section or of notice that a determination has been made pursuant to paragraph (a)(3) of this section. The application for interlocutory review shall contain:

(1) A statement of the facts necessary to an understanding of the controlling questions determined by the Administrative Law Judge, and to an understanding of the extraordinary cir-

cumstances warranting interlocutory review by the Commission;

(2) A statement of the question or issue involved in the ruling upon which the application for review is based;

(3) A statement of the reasons why, in the opinion of the party requesting review, the ruling was erroneous and should be reversed or modified; and

(4) A copy of all papers filed by the parties that relate to the subject matter of the ruling at issue, including the order containing the ruling.

Within seven (7) days after service of the application for interlocutory review, any party may file a response in opposition to the application.

(c) *Standard for review.* In the absence of extraordinary circumstances, the Commission will not review a ruling of an Administrative Law Judge prior to the Commission's consideration of the proceeding pursuant to subpart F of these rules. A Commission denial of an application for interlocutory review shall be without prejudice to the applying party's right to raise any argument made in the application as an issue in an appeal taken pursuant to subpart F of these rules.

(d) *Proceedings not stayed.* The filing of an application for interlocutory review and a grant of review shall not stay proceedings before an Administrative Law Judge (or a Judgment Officer, if applicable) unless that official or the Commission shall so order. The Commission will not consider a motion for a stay unless the motion shall have first been made to the Administrative Law Judge (or, if applicable, the Judgment Officer) and denied.

(e) *Interlocutory review by the Commission on its own motion.* Nothing in this rule should be construed as restricting the Commission from acting on its own motion to review on an interlocutory basis any ruling of an Administrative Law Judge, Proceedings Officer or a Judgment Officer in any proceeding commenced pursuant to § 12.26 of these rules.

### § 12.310 Summary disposition.

(a) *Filing of motions, answers.* Any party who believes that there is no genuine issue of material fact to be determined and that he is entitled to a decision as a matter of law concerning

all issues of liability in the proceeding may file a motion for summary disposition at any time before a determination is made by the Administrative Law Judge to order an oral hearing in the proceeding. Any adverse party, within ten (10) days after service of the motion, may file and serve opposing papers or may countermove for summary disposition.

(b) *Supporting papers.* A motion for summary disposition shall include a statement of all material facts as to which the moving party contends that there is no genuine issue, supported by the pleadings, and by affidavits, other verified statements, admissions, stipulations, and interrogatories. The motion may also be supported by briefs containing points and authorities in support of the contention of the party making the motion. When a motion is made and supported as provided in this section, unless otherwise ordered by the Administrative Law Judge, an adverse party may not rest upon the mere allegations, but shall serve and file in response a statement setting forth those material facts as to which he contends a genuine issue exists, supported by affidavits and other verified material. He may also submit a brief of points and authorities.

(c) *Oral argument.* Oral argument may be heard at the discretion of the Administrative Law Judge and shall be heard in Washington, DC, or by telephonic conference call. Such argument shall be recorded, and written transcripts shall be made in the event that a grant or denial of summary disposition is reviewed by the Commission.

(d) *Summary disposition upon motion of the Administrative Law Judge.* If the Administrative Law Judge believes that there may be no genuine issue of material fact to be determined and that one of the parties may be entitled to a decision as a matter of law, he may direct the parties to submit papers in support of and in opposition to summary disposition, and may hear oral argument, substantially as provided in paragraphs (a), (b) and (c) of this section.

(e) *Ruling on summary disposition.* The Administrative Law Judge shall grant summary disposition if the undisputed pleaded facts, affidavits, other verified statements, admissions, stipulations,

and matters of official notice, show that (1) there is no genuine issue as to any material fact; (2) there is no necessity that further facts be developed in the record; and (3) a party is entitled to a decision as a matter of law.

(f) *Review of ruling; appeal.* An application for interlocutory review of an order denying a motion for summary disposition shall not be allowed. Interlocutory review of an order granting summary disposition which disposes of less than all of the issues in the proceeding may be sought only in accordance with §12.309 of these rules. An order granting summary disposition which is dispositive of all issues, and as to all parties, in the proceeding may be appealed to the Commission in accordance with the requirements set forth in §12.401 of these rules.

#### **§12.311 Disposition of proceeding or issues without oral hearing.**

If the Administrative Law Judge determines that the documentary proof and other tangible forms of proof submitted by the parties are sufficient to permit resolution of some or all of the factual issues in the proceeding without the need for oral testimony, he may order that all proof relating to such issues be submitted in documentary and tangible form, and dispose of such issues without an oral hearing. In such an event, proof in support of the complaint, answer, and reply, may be found in those verified documents, in depositions on written interrogatories, in admissible documents obtained through discovery, in other verified statements of fact, documents and tangible evidence.

#### **§12.312 Oral hearing.**

(a) *Notification; prehearing order.* If and when the proceeding has reached the stage of an oral hearing, the Administrative Law Judge, giving due regard for the convenience of the parties, shall set a time for hearing, as well as a location prescribed by paragraph (b) of this section, and shall file with the Proceedings Clerk, for immediate service upon the parties:

(1) An order requiring the parties to file and serve, within fifteen days after service of the order, a prehearing memorandum setting forth briefly:

## § 12.312

## 17 CFR Ch. I (4-1-01 Edition)

(i) A statement of all issues to be tried at the hearing;

(ii) An identification of each witness expected to be called by that party;

(iii) A summary of the testimony each witness is expected to provide; and

(2) A notice stating the time and location of the hearing.

Prior to the hearing, the Administrative Law Judge may issue an order based on the contents of the parties' memoranda filed pursuant to paragraph (a)(1) of this section, which, unless modified to prevent injustice, shall control the scope of matters to be tried at the oral hearing. If any change in the time or place of the hearing becomes necessary, it shall be made by the Administrative Law Judge, who, in such event, shall file with the Proceedings Clerk a notice of the change. Such notice shall be served upon the parties, unless it is made during the course of an oral hearing and made a part of the transcript. Hearings shall proceed expeditiously and, absent extraordinary circumstances, shall be held in one location and shall continue, without suspension, until concluded.

(b) *Location of hearing.* Unless the Director of the Office of Proceedings for reasons of administrative economy or practical necessity determines otherwise, and except as provided in this subparagraph, the location of an oral hearing shall be in one of the following cities: Albuquerque, N.M.; Atlanta, Ga.; Boston, Mass.; Chicago, Ill.; Cincinnati, Ohio; Columbia, S.C.; Denver, Colo.; Houston, Tex.; Kansas City, Mo.; Los Angeles, Cal.; Minneapolis, Minn.; New Orleans, La.; New York, N.Y.; Oklahoma City, Okla.; Phoenix, Ariz.; San Diego, Cal.; San Francisco, Cal.; Seattle, Wash.; St. Petersburg, Fla.; and Washington, DC. The Administrative Law Judge may, in any case where a party avers, in an affidavit, that none of the foregoing cities is located within 300 miles of his principal residence, waive this paragraph and, upon giving due regard for the convenience of all of the parties, order that the hearing be held in a more convenient locale.

(1) *Who may appear.* The parties may appear in person, by counsel, or by other representatives of their choosing, subject to the provisions of §12.9 of

these rules concerning practice before the Commission.

(2) *Effect of failure to appear.* If any party to the proceeding fails to appear at the hearing, or at any part thereof, he shall to that extent be deemed to have waived the opportunity for an oral hearing in the proceeding. The Administrative Law Judge, for just cause, may take such action as is appropriate pursuant to §12.35 of these rules against a party who fails to appear at the hearing. In the event that a party appears at the hearing and no party appears for the opposing side, the party who is present may present his evidence, in whole or in part, in the form of affidavits or by oral testimony, before the Administrative Law Judge.

(c) *Public hearings.* All oral hearings shall be public except that upon application of a party or affected witness the Administrative Law Judge may direct that specific documents or testimony be received and retained non-publicly in order to prevent unwarranted disclosure of trade secrets or sensitive commercial or financial information or an unwarranted invasion of personal privacy.

(d) *Conduct of the hearing.* Subject to paragraph (e) of this section, and except as otherwise provided, at an oral hearing every party shall be entitled to:

(1) *Conduct direct and cross-examination of parties and witnesses.* All witnesses at a hearing for the purpose of taking evidence shall testify under oath or affirmation, which shall be administered by the Administrative Law Judge. Unless otherwise ordered by the Administrative Law Judge, parties shall be entitled to present oral direct testimony and other documentary proof, and to conduct direct examination and cross examine adverse parties and witnesses. To expedite the hearing, the Administrative Law Judge may, in his discretion, order that the direct testimony of the parties and their witnesses be presented in documentary form, by affidavit, interrogatory, and other documents. In any event, the Administrative Law Judge, in his discretion, may permit cross examination, without regard to the scope of direct testimony, as to any matter which is

relevant to the issues in the proceeding;

(2) *Introduce exhibits.* The original of each exhibit introduced in evidence or marked for identification shall be filed unless the Administrative Law Judge permits the substitution of copies for the original documents. A copy of each exhibit introduced by a party or marked for identification at his request shall be supplied by him to the Administrative Law Judge and to each other party to the proceeding. Exhibits shall be maintained by the reporter who shall serve as custodian of the exhibits until they are transmitted to the Proceedings Clerk pursuant to paragraph (f) of this section;

(3) *Make objections.* A party shall timely and briefly state the grounds relied upon for any objection made to the introduction of evidence. Formal exception to an adverse ruling shall not be required; and

(4) *Make offers of proof.* When an objection to a question propounded to a witness is sustained, the examiner may make a specific offer of what he expects to prove by the answer of the witness. Rejected exhibits, adequately marked for identification, shall be retained in the record so as to be available for consideration by any reviewing authority.

(e) *Admissibility of evidence.* Relevant, material and reliable evidence shall be admitted. Irrelevant, immaterial, unreliable and unduly repetitious evidence shall be excluded.

(f) *Record of an oral hearing.* Oral hearings for the purpose of taking evidence shall be recorded and shall be transcribed in written form under the supervision of the Administrative Law Judge by a reporter employed by the Commission for that purpose. The original transcript shall be a part of the record and shall be the sole official transcript. Copies of transcripts, except those portions granted non-public treatment, shall be available from the reporter at rates not to exceed the maximum rates fixed by the contract between the Commission and the reporter. As soon as practicable after the close of the hearing, the reporter shall transmit to the Proceedings Clerk the transcript of the testimony and the exhibits introduced in evidence at the

hearing, except such portions of the transcript and exhibits as shall have already been delivered to the Administrative Law Judge.

(g) *Proposed findings of fact and conclusions law; briefs.* An Administrative Law Judge, upon his own motion or upon motion of a party, may permit the filing of post-hearing proposed findings of fact and conclusions of law. Absent an order permitting such findings and conclusions, none shall be allowed. Unless otherwise ordered by the Administrative Law Judge and for good cause shown, the proposed findings and conclusions (including briefs in support thereof), shall not exceed twenty-five (25) pages and shall be filed not later than forty-five (45) days after the close of the oral hearing.

#### § 12.313 Subpoenas for attendance at an oral hearing.

(a) *In general—*(1) *Application for issuance of subpoenas.* An application for a subpoena requiring a party or other person to appear and testify at an oral hearing (subpoena *ad testificandum*) or to appear and testify and to produce specified documentary or tangible evidence at the hearing (subpoena *duces tecum*), shall (unless made orally at a hearing) be filed in writing and in duplicate, but need not be served upon other parties. The application shall be accompanied by the original and one copy of the subpoena.

(2) *Standards for issuance or denial of subpoenas.* The Administrative Law Judge considering any application for a subpoena shall issue the subpoena if he is satisfied the application complies with this rule and the request is not unreasonable, oppressive, excessive in scope or unduly burdensome. In the event the Administrative Law Judge determines that a requested subpoena or any of its terms is unreasonable, oppressive, excessive in scope, or unduly burdensome, he may refuse to issue the subpoena, or may issue it only upon such conditions as he determines fairness requires.

(b) *Special requirements relating to application for an issuance of subpoenas for the appearance of commission employees—*

(1) *Form.* An application for the

issuance of a subpoena shall be made in the form of a written motion served upon all other parties, if the subpoena would require the appearance of a Commissioner or an official or employee of the Commission.

(2) *Content.* The motion shall specifically describe the material to be produced, the information to be disclosed, or the testimony to be elicited from the witness, and shall show

(i) The relevance of the material, information, or testimony to the matters at issue in the proceeding;

(ii) The reasonableness of the scope of the proposed subpoena; and

(iii) That such material, information, or testimony is not available from other sources.

(3) *Rulings.* The motion shall be decided by the Administrative Law Judge and his order shall provide such terms and conditions for the production of the material, the disclosure of the information, or the appearance of the witnesses as may appear necessary and appropriate for the protection of the public interest.

(c) *Service of subpoenas*—(1) *How effected.* Service of a subpoena upon a party shall be made in accordance with §12.10 of these rules. Service of a subpoena upon any other person shall be made by delivering a copy of the subpoena to him as provided in paragraph (c) (2) or (3) of this section, and by tendering to him the fees for one day's attendance and the mileage as specified in paragraph (e) of this section. When the subpoena is issued at the instance of any officer or agency of the United States, fees and mileage need not be tendered at the time of service.

(2) *Service upon a natural person.* Delivery of a copy of a subpoena and tender of fees and mileage to a natural person may be effected by (i) handing them to the person; (ii) leaving them at his office with the person in charge thereof or, if there is no one in charge, by leaving the subpoena in a conspicuous place therein; (iii) leaving them at his dwelling place or usual place of abode with some person of suitable age and discretion then residing therein; (iv) mailing them by registered or certified mail to him at his last known address; or (v) any other method whereby actual notice is given

to him and the fees and mileage are timely made available.

(3) *Service upon other persons.* When the person to be served is not a natural person, delivery of a copy of the subpoena and tender of the fees and mileage may be effected by

(i) Handing them to a registered agent for service, or to any officer, director, or agent in charge of any office of such person;

(ii) Mailing them by registered or certified mail to any such representative at his last known address; or

(iii) Any other method whereby actual notice is given to any such representative and the fees and mileage are timely made available.

(d) *Motion to quash subpoena.* At or any time before the time specified in the subpoena for compliance therewith, a person upon whom a subpoena has been served may file a motion to quash or modify the subpoena with the Administrative Law Judge who issued the subpoena, and serve a copy of the motion on the party who requested the subpoena. Such motion shall include a brief statement of the reasons therefor. After due notice to the person upon whose request the subpoena was issued, and an opportunity for that person to respond, the Administrative Law Judge may (1) quash or modify the subpoena, or (2) condition denial of the application to quash or modify the subpoena upon just and reasonable terms, including, on the case of a subpoena *duces tecum*, a requirement that the person on whose behalf the subpoena was issued shall advance the reasonable cost of producing documentary or other tangible evidence.

(e) *Attendance and mileage fees.* Persons summoned to testify at a hearing under requirement of subpoenas are entitled to the same fees and mileage as are paid to witnesses in the courts of the United States. Fees and mileage shall be paid by the party at whose instance the persons are subpoenaed or called.

(f) *Enforcement of subpoenas.* Upon failure of any person to comply with a subpoena issued at the request of a party, that party may petition the Commission, in its discretion, to institute an action in an appropriate U.S.

### § 12.314 Initial decision.

(a) *In general.* The Administrative Law Judge as soon as practicable after the parties have completed their submissions of proof, or after the conclusion of an oral hearing if one is held, shall render the initial decision, which he shall forthwith file with the Proceedings Clerk, and a copy of which shall be served immediately by the Proceedings Clerk upon each of the parties. The Proceedings Clerk shall also serve a notice, to accompany the initial decision, of the effect of a party's failure timely to appeal to the Commission the initial decision, as provided in paragraphs (d) and (e) of this section, and the effect of a failure of a party who has been ordered to pay a reparation award timely to file the documents required by § 12.407(c).

(b) *Content of initial decision.* In the initial decision the Administrative Law Judge shall:

(1) Include a brief statement of his findings as to the facts, with references to those portions of the record which support his findings;

(2) Make a determination whether or not the respondent has violated any provision of the Commodity Exchange Act, or rule, regulation or order thereunder;

(3) Make a determination whether the complainant is liable to any respondent who has made a counterclaim in the proceeding;

(4) Determine the amount of damages, if any, that the complainant has sustained as a result of respondent's violations, the amount of punitive damages if warranted, and the amount, if any, for which complainant is liable to a respondent based on a counterclaim; and

(5) Include an order directing either the respondent or the complainant, depending upon whose liability is greater, to pay an amount based on the difference in the amounts determined pursuant to paragraph (b)(4) of this section, on or before a date fixed in the order.

(c) *Costs, prejudgment interest.* Except as provided in §§ 12.30(c) and 12.315 of these rules, the Administrative Law Judge may, in the initial decision, award costs (including the cost of instituting the proceeding and, if appropriate, reasonable attorney's fees) and, if warranted as a matter of law under the circumstances of the particular case, prejudgment interest, to the party in whose favor a judgment is entered.

(d) *Effect of initial decision.* The initial decision and order shall become the final decision and order of the Commission, without further order by the Commission, thirty (30) days after service thereof, except that:

(1) The initial decision shall not become the final decision as to a party who shall have timely filed and perfected an appeal thereof to the Commission, in accordance with § 12.401 of these rules; and

(2) The initial decision shall not become final as to any party to the proceeding if, within thirty (30) days after service of the initial decision, the Commission itself shall have placed the case on its own docket for review or stayed the effective date of the initial decision.

(e) *Effect of failure to file and perfect an appeal to the Commission.* Unless the Commission takes review of an initial decision on its own motion, the timely filing and perfection of an appeal to the Commission of the initial decision is mandatory as a prerequisite to appellate judicial review of a final decision and order entered pursuant to these rules.

### Subpart F—Commission Review of Decisions

#### § 12.400 Scope and applicability of rules.

The rules set forth in this subpart are applicable to proceedings forwarded pursuant to §12.26 (b) and (c) of these rules. Except as provided in §§12.106(e) and 12.403(b) of these rules, the rules set forth in this subpart are not applicable to proceedings forwarded pursuant to §12.26(a) of the Reparation Rules.

[49 FR 6621, Feb. 22, 1984; 49 FR 15070, Apr. 17, 1984]

#### § 12.401 Appeal to the Commission.

(a) *How effected.* Any aggrieved party to a proceeding forwarded pursuant to §12.26 (b) or (c) of these rules may appeal to the Commission an initial decision or other disposition of the entire proceeding by complying with the requirements of this section. An appealing party shall serve upon all parties and file with the Proceedings Clerk a notice of appeal within fifteen (15) days after service of the initial decision or other order disposing of the entire proceeding. The notice need consist only of a brief statement indicating the filing party's intent to appeal the initial decision, and shall include the date upon which the initial decision was rendered, the names of all parties, and the docket number of the proceeding. A non-refundable appellate filing fee in the amount of \$50 shall be paid at the time of filing a notice of appeal. The failure of a party timely to file and serve a notice of appeal, and to pay the appellate filing fee, in accordance with this paragraph, or to perfect the appeal in accordance with paragraph (b) of this section, shall constitute a voluntary waiver of any objection to the initial decision, or other order disposing of the proceeding, and of all further administrative or judicial review

under these rules and the Commodity Exchange Act.

(b) *Perfecting the appeal; appeal brief.* An appeal shall be perfected by the appealing party by timely filing with the Proceedings Clerk an appeal brief which meets the requirements of paragraphs (b) and (d) of this section. An original and one copy of the appeal brief shall be filed within thirty (30) days after filing of the notice of appeal. By motion of the appealing party, the Commission may, for good cause shown, extend the time for filing the appeal brief. If the appeal brief is not filed within the time prescribed in this subparagraph, the Commission may, upon its own motion or upon motion by a party, dismiss the appeal, in which event the initial decision shall become the final decision and order of the Commission, effective upon service of the order of dismissal.

(c) *Answering brief.* Any party upon whom the appealing party serves a brief may, within thirty (30) days after service of the appeal brief, file an original and one copy of an answering brief, and serve one copy thereof, unless the time limit is extended by the Commission upon motion of the party and for good cause shown.

(d) *Briefs.* Parties filing an appeal brief or answering brief pursuant to this section shall meet the requirements of §12.11 of these rules as to form. The content of briefs shall satisfy the requirements of §10.102(d) of the Commission's regulations, 17 CFR 10.102(d), except that any party, with leave of the Commission, may file an informal document in lieu of a brief. No brief shall exceed thirty-five (35) pages in length without leave of the Commission.

(e) *Oral argument.* Any party may request, in writing and within the time provided for filing the initial briefs, the opportunity to present oral argument before the Commission, which the Commission may, in its discretion, grant or deny. In the event the Commission affords the parties the opportunity to present oral argument before the Commission, the oral argument shall proceed in accordance with the provisions of §10.103 of the Commission's regulations, 17 CFR 10.103.

## Commodity Futures Trading Commission

## § 12.405

(f) *Scope of review.* On review, the Commission may, in its discretion, consider *sua sponte* any issues arising from the record and may base its determination thereon, or limit the issues to those presented in the statement of issues in the briefs, treating those issues not raised as waived.

[49 FR 6621, Feb. 22, 1984; 49 FR 15070, Apr. 7, 1984]

### § 12.402 Appeal of disposition of less than all claims or parties in a proceeding.

(a) *In general.* Where two or more different claims for relief are presented, or where multiple parties are involved, in a proceeding forwarded pursuant to § 12.26 (b) or (c) of these rules, the Judgment Officer or Administrative Law Judge, may upon his own motion or by motion of a party, direct that an initial decision or other order disposing of one or more, but fewer than all of the claims or parties, shall be final and immediately appealable to the Commission. Such a direction may be made only upon an express determination that there is no just reason for delay. When such a direction is made, a party may appeal the initial decision or order in accordance with the procedure prescribed by § 12.401 of these rules.

(b) *When decision is not appealable.* In the absence of such a direction by the Judgment Officer or an Administrative Law Judge, an initial decision or order disposing of fewer than all of the claims or all of the parties shall be subject to revision by the decisionmaker at any time before a disposition is made of all remaining claims or parties, and no appeal may be taken to the Commission pursuant to this rule.

### § 12.403 Commission review on its own motion.

(a) *In general.* The Commission may on its own motion, within 30 days after it has been served on all parties, determine to review an initial decision, or other order disposing of all issues in the proceeding as to all claims and all parties, in a proceeding forwarded pursuant to § 12.26 (b) and (c) of these rules. In such event, the Commission may determine the scope of the issues on review, and make provisions for the filing of briefs or, if deemed appro-

priate, such other means for the parties to present their views. The parties shall be duly notified thereof by the Proceedings Clerk.

(b) *Commission review of a final decision in a voluntary decisional proceeding.* If such action is necessary to prevent manifest injustice, the Commission may, upon its own motion, review a final decision issued pursuant to § 12.106 of these rules by appropriate order filed with the Proceedings Clerk within 30 days after service upon the parties of the final decision. In such event, the Commission may determine the scope of the issue on review, make provisions for the filing of briefs (or, if deemed appropriate, such other means for the parties to present their views). The parties shall be duly notified thereof by the Proceedings Clerk.

### § 12.404 The record of proceedings.

The record of proceedings on appeal before the Commission shall include: The pleadings; motions and requests filed, and rulings thereon; the transcript of the testimony taken at an oral hearing, together with the exhibits filed therein; the transcript of testimony taken during an oral examination by telephone; any statements or stipulations filed in any proceeding; any documents or papers filed in connection with prehearing conferences; such proposed findings of fact, conclusions, and orders and briefs as may have been permitted to be filed in connection with an oral hearing; such statements of objections, and briefs in support thereof, as may have been filed in the proceedings; and the initial (or final) decision, or other order disposing of issues in the proceeding.

[49 FR 6621, Feb. 22, 1984, as amended at 59 FR 9638, Mar. 1, 1994]

### § 12.405 Leave to adduce additional evidence.

Any time prior to issuance of its final decision pursuant to § 12.406, the Commission may, after notice to the parties and an opportunity for them to present their views, reopen the hearing to receive further evidence. The application shall show to the satisfaction of the Commission that the additional evidence is material, and that there were reasonable grounds for failure to

adduce such evidence at the hearing. The Commission may receive the additional evidence or may remand the proceeding to the Judgment Officer or Administrative Law Judge to receive the additional evidence.

**§ 12.406 Final decision of the Commission.**

(a) *Opinion and order.* Unless the Commission, in accordance with paragraph (b) of this section, orders summary affirmance of the initial decision, the Commission's opinion and order in a proceeding appealed pursuant to § 12.401 of these rules shall constitute the Commission's final decision, effective upon service. On review, the Commission may affirm, reverse, modify, set aside or remand for further proceedings, in whole or in part, the initial decision and make any findings or conclusions which in its judgment are warranted based on the record in the proceeding.

(b) *Order on summary affirmance.* If the Commission, in its opinion, finds that the result reached in the initial decision is substantially correct and that none of the arguments on appeal made by the appealing party raise any important question of law or policy, the Commission may, by appropriate order, summarily affirm the initial decision and order without opinion, which shall constitute the Commission's final decision, effective upon service. Unless the Commission expressly indicates otherwise in its order, an order of summary affirmance does not reflect a Commission determination to adopt the initial decision, including any rationale contained therein, as its opinion and order, and neither initial decision nor the Commission's order of summary affirmance shall serve as a Commission precedent in other proceedings.

(c) *Filing and service of final decision.* The Commission shall, upon issuance of a final decision pursuant to this § 12.406, file the final decision with the Proceeding's Clerk, who shall forthwith serve upon each of the parties a copy of the final decision as well as notice of the effect of a party's failure to pay a reparation award as provided in § 12.407 of these rules, and of an aggrieved party's right to obtain judicial

review of the final decision pursuant to section 14(e) of the Act, 7 U.S.C. 18(e).

(d) *Date of the reparation order.* For purposes of computing the 30-day period for filing the appeal bond required by section 14(e) of the Act, 7 U.S.C. 18(e), "the date of the reparation order" shall be the date that the Commission's opinion and order (or order of summary affirmance, as the case may be) is filed with the Proceedings Clerk. This date shall be reflected by the date stamp on the first page of the Commission's order.

[49 FR 6621, Feb. 22, 1984, as amended at 53 FR 17692, May 18, 1988]

**§ 12.407 Satisfaction of reparation award; enforcement; sanctions.**

(a) *Satisfaction of reparation award—*  
(1) *Where initial decision has become the final decision.* Any reparation award ordered in an initial decision, or similar dispositive order (but not a final decision issued pursuant to § 12.106 of these rules), shall be satisfied in full within forty-five (45) days after service of the initial decision, unless a timely appeal thereof has been perfected pursuant to § 12.401, or unless the Commission, pursuant to § 12.403(a), has stayed the effective date of the initial decision.

(2) *Final decision pursuant to § 12.406.* Any reparation award ordered in a final decision of the Commission issued pursuant to § 12.406 of these rules shall be satisfied in full within fifteen (15) days after service of the final decision, or such other longer period of time as may be specified in the final decision, unless a petition for review is filed in accordance with section 14(e) of the Act, 7 U.S.C. 18(e).

(b) *Enforcement of reparation award.* If any person against whom a reparation award has been made does not timely comply with paragraph (a) or (b) of this section, the party in whose favor the award is made is entitled to seek enforcement of award in accordance with the procedure prescribed in section 14(d) of the Commodity Exchange Act, 7 U.S.C. 18(d).

(c) *Automatic suspension.* A person required to pay a reparation award shall be prohibited from trading on all contract markets and if such person is registered, his registration shall be suspended automatically, without further

notice, unless such person shall, within fifteen (15) days after the time limit for satisfaction of an award (as prescribed in paragraph (a) or (b) of this section) expires, file with the Proceedings Clerk and serve on the other parties:

(1) A copy of a certified check or the equivalent showing satisfaction of the award; or

(2) A sworn release executed by each recipient of a reparation award, which has not been satisfied by payment with a certified check or the equivalent; or

(3) A verified statement that a judicial appeal has been filed and perfected in accordance with section 14(e) of the Act, 7 U.S.C. 18(e). (This paragraph is applicable only in proceedings commenced pursuant to §12.26 (b) or (c), and only if the person has timely filed and perfected an appeal to the Commission as prescribed in §12.401.)

(d) *Reinstatement.* The sanctions imposed in accordance with paragraph (c) of this section shall remain in effect until the person required to pay the reparation award demonstrates to the satisfaction of the Commission that he has paid the amount required in full with interest at the prevailing rate computed in accordance with 28 U.S.C. 1961 from the date directed in the final order to the date of payment, compounded annually.

(e) *Automatic suspension after appeal.* If on appeal to the U.S. Court of Appeals the appellee prevails, or if the appeal is dismissed, the automatic prohibition against trading and suspension of registration shall become effective at the expiration of thirty (30) days from the date of judgment on the appeal, but if the judgment is stayed by a court of competent jurisdiction, the suspension shall become effective ten (10) days after the expiration of such stay, unless prior thereto the judgment of the court or the final order of the Commission has been satisfied.

**§ 12.408 Delegation of authority to the Deputy General Counsel for Opinions.**

Pursuant to the authority granted under section 2(a)(4) and 2(a)(11) of the Commodity Exchange Act, as amended, 7 U.S.C. 4a(c) and 4a(j), the Commission

hereby delegates, until such time as it orders otherwise, the following functions to the General Counsel, to be performed by him or such person or persons under his direction as he may designate from time to time:

(a) With respect to reparation proceedings conducted pursuant to section 14 of the Commodity Exchange Act, as amended, 7 U.S.C. 18, and subject to the Commission's Reparation Rules as set forth in part 12 of this chapter, to:

(1) Consider and decide miscellaneous procedural motions that may be directed to the Commission pursuant to part 12 of these rules after the initial decision or other order disposing of the entire proceeding has been filed;

(2) Remand, with or without specific instructions, initial decisions or other orders disposing of the entire proceeding to the appropriate officer (Director of the Office of Proceedings, Judgment Officer, or Administrative Law Judge) in the following situations:

(i) Where a default order or award has been made pursuant to part 12 of these rules and a motion to vacate the default or an equivalent request has been made; or

(ii) Where, in his judgment, clarification or supplementation of an initial decision or other order disposing of the entire proceeding prior to Commission review is appropriate; and

(iii) Where, in his judgment, a ministerial act necessary to the proper conduct of the proceeding has not been performed.

(3) Deny applications for interlocutory review by the Commission of a ruling of an Administrative Law Judge in cases in which the Administrative Law Judge has not certified the ruling to the Commission in the manner prescribed by §12.309 of these rules, and the ruling does not concern the disqualification of, or a motion to disqualify, an Administrative Law Judge, or Judgment Officer, or the suspension of, or failure to suspend, an attorney from participating in reparation proceedings;

(4) Dismiss any appeal from an initial decision or other disposition of the entire proceeding by an Administrative Law Judge (or Judgment Officer), in a proceeding where such appeal is not filed or perfected in accordance with

§12.401, and deny any application for interlocutory review if it is not filed in accordance with §12.309 of these rules;

(5) Strike any filing that does not meet the requirements of, or is not perfected in accordance with, these part 12 rules; and

(6) Enter any order that, in his judgment, will facilitate or expedite Commission review of an initial decision or other order disposing of the entire proceeding.

(b) Notwithstanding the provisions of paragraph (a) of this section, in any case in which he believes it appropriate, the General Counsel or his designee may submit the matter to the Commission for its consideration.

(c) Within seven (7) days after service of a ruling issued pursuant to this §12.408, a party may file with the Commission a petition for reconsideration of the ruling. Unless the Commission orders otherwise, the filing of a petition for reconsideration shall not operate to stay the effective date of such ruling.

An attorney may also be excluded from further participation in a particular adjudicatory proceeding in accordance with the provisions of §10.11(b) of this chapter or from further participation in a particular investigatory proceeding in accordance with the provisions of §11.7(c)(2) of this chapter.

### §14.2 Definitions of appearance and practice.

(a) *Appearance.* For the purpose of this part, "appearance" refers to the representation of a person by another who appears in his behalf at any adjudicatory, investigatory or rulemaking

### § 14.3

proceeding conducted before the Commission, including but not limited to those proceedings encompassed in parts 10 through 13 of the Commission's rules.

(b) *Practice.* For the purpose of this part, practicing before the Commission shall include but shall not be limited to:

(1) The preparation of any statement, opinion or other paper by any attorney or accountant filed with or submitted to the Commission on behalf of another person in or in connection with any application, notification, report or other document; and

(2) Transacting any other formal business with the Commission, on behalf of another person, in the capacity of an attorney or accountant.

### § 14.3 Hearings.

Hearings required or permitted to be held under provisions of this part shall be held before an Administrative Law Judge, utilizing the procedures established in the rules of practice (part 10) for adjudicatory proceedings. Any proceeding brought under provisions of this part shall, unless otherwise determined by the Commission, be prosecuted by the General Counsel of the Commission or by such attorneys in his office as he may assign.

### § 14.4 Violation of Commodity Exchange Act.

The Commission may deny, temporarily or permanently, the privilege of appearing or practicing before it in any way to any person who is found by the Commission, after notice of and opportunity for hearing in the matter, to have violated, caused, or aided and abetted any violation of the Commodity Exchange Act, as amended, 7 U.S.C. 1 *et seq.*, or the rules and regulations adopted thereunder.

### § 14.5 Criminal conviction.

court, may not appear or practice before the Commission. A conviction within the meaning of this section shall be deemed to have occurred when the convicting court enters its judgment or order, regardless of whether an appeal is pending or could be taken, and includes a judgment on a plea of *nolo contendere*.

### § 14.6 Disbarment or suspension by licensing authority.

Any attorney who has been suspended or disbarred by a Court of the United States or any state or territory or the District of Columbia and any person whose license to practice as an accountant has been revoked or suspended in any state or territory or the District of Columbia may not appear or practice before the Commission during the period when such suspension or revocation is in effect. A suspension or revocation shall be deemed to have occurred when the disbarring, suspending or revoking agency or tribunal enters its order, regardless of whether appeal is pending or could be taken, and includes a judgment or order on a plea of *nolo contendere* or the procedural equivalent of such a plea. For purposes of this section it shall be irrelevant that any attorney or accountant who has been suspended, disbarred, or otherwise disqualified from practice before a court or in a jurisdiction continues in professional good standing before other courts or in other jurisdictions.

### § 14.7 Finding of violation of Commodity Exchange Act or Federal securities laws in another proceeding.

(a) *Temporary suspension.* The Commission, with due regard to the public interest, and without preliminary hearing, may by order temporarily suspend from appearing or practicing before it any person who, on or after the effective date of this rule has been by name:

(1) Permanently enjoined by reason of his misconduct by any court of competent jurisdiction (i) whether by consent, default, upon summary judgment or after trial, in any action brought by the Commission based upon violations of any provision of the Commodity Exchange Act, as amended, or of the rules and regulations adopted thereunder, or

(ii) after trial or upon summary judgment in any action brought by the U.S. Securities and Exchange Commission based upon any violation of the federal securities laws (15 U.S.C. 77a to 80b-20) or of rules and regulations adopted thereunder;

(2) Found by any court of competent jurisdiction (whether by consent, default, upon summary judgment or after trial) in any action brought by the Commission to which he is a party, or found by the Commission (whether by consent, default, upon summary disposition or after hearing) in any administrative proceeding in which the Commission is a complainant and to which he is a party, to have committed, caused, or aided and abetted a violation of any provision of the Commodity Exchange Act, as amended, or of the rules and regulations promulgated under any of those statutes;

(b) *Petition to lift suspension.* Any person temporarily suspended from appearing and practicing before the Commission in accordance with paragraph (a) of this section may, within 30 days after service upon him of temporary suspension, petition the Commission to lift the temporary suspension. If no petition has been received by the Commission within 30 days after service of the order by mail the suspension shall become permanent.

(c) *Consideration of petition.* Within 30 days after the filing of the petition described in paragraph (b) of this section the Commission shall either lift the temporary suspension or set the matter down for hearing or both. After opportunity for hearing, the Commission may censure the petitioner or may dis-

qualify the petitioner from appearing or practicing before the Commission for a period of time or permanently or may determine that no action is appropriate.

(d) *Hearing.* A showing that the petitioner has been enjoined or has been found to have committed, caused or aided or abetted violations as described in paragraph (a) of this section, without more, may be a basis for censure or disqualification; that showing having been made, the burden shall then be on the petitioner to show why he should not be censured or disqualified. A petitioner will not be heard to contest any findings against him or admissions made by him in the judicial or administrative proceedings upon which the proposed censure or disqualification is based. A petitioner who has consented to the entry of a permanent injunction as described in paragraph (a)(1) of this section without admitting the facts set forth in the complaint shall nevertheless be presumed for all purposes under this section to have been enjoined by reason of the misconduct alleged in the complaint.

#### **§ 14.8 Lack of requisite qualifications, character and integrity.**

In addition to those matters specifically referred to in §§ 14.4 through 14.7, the Commission may, after notice and opportunity for hearing in the matter, deny, temporarily or permanently, the privilege of appearing or practicing before it to any person who is found by the Commission by a preponderance of the evidence:

(a) Not to possess the requisite qualifications to represent others; or

(b) To be lacking in character or integrity; or

(c) To have engaged in unethical or improper unprofessional conduct either in the course of an adjudicatory, investigative, rulemaking or other proceeding before the Commission or otherwise.

#### **§ 14.9 Duty to file information concerning adverse judicial or administrative action.**

Any person appearing or practicing before the Commission who has been the subject of a conviction, suspension, disbarment, revocation, injunction or

## § 14.10

finding of the kind described in §§14.5 through 14.7, unless based on action instituted by the Commission, shall promptly file a copy of the relevant order, judgment or decree with the Secretariat of the Commission at Three Lafayette Centre, 1155 21st Street, NW., Washington, DC 20581, together with any related opinion or statement of the agency or tribunal involved. Any person who has been the subject of administrative or judicial action of the kind described in §§14.5 through 14.7 and who has not filed a copy of the order, judgment or decree within thirty days after its entry shall for that reason alone be disqualified from appearing or practicing before the Commission until such time as the appropriate filing shall be made, but neither the filing of these documents nor the failure of a person to file them shall in any way affect the operations of any other provision of this part.

### § 14.10 Reinstatement.

Any person who is disqualified from appearing or practicing before the Commission under any of the provisions of this part may at any time file an application of reinstatement and the applicant may, in the Commission's discretion, be afforded a hearing on the application. However, denial of the privilege of appearing or practicing before the Commission shall continue unless and until the applicant has been reinstated by order of the Commission.

**§ 15.04 [Reserved]**

**§ 15.05 Designation of a futures commission merchant or introducing broker to be the agent of foreign brokers, customers of a foreign broker, and foreign traders.**

(a) For purposes of this section, the term “futures contract” means any contract for the purchase or sale of any

## Commodity Futures Trading Commission

## § 15.05

commodity for future delivery traded or executed on or subject to the rules of any contract market; the term "option contract" means any contract for the purchase or sale of a commodity option traded or executed on or subject to the rules of any contract market; the term "customer" means any person for whose benefit a foreign broker makes or causes to be made any futures contract or option contract; and the term "communication" means any summons, complaint, order, subpoena, special call, request for information, or notice, as well as any other written document or correspondence.

(b) Any futures commission merchant who makes or causes to be made any futures contract or option contract for the account of any foreign broker or foreign trader, and any introducing broker who introduces such an account to a futures commission merchant, shall thereupon be deemed to be the agent of the foreign broker or the foreign trader for purposes of accepting delivery and service of any communication issued by or on behalf of the Commission to the foreign broker or the foreign trader with respect to any futures or option contracts which are or have been maintained in such accounts carried by the futures commission merchant. In the case of a futures commission merchant who makes or causes to be made any futures or option contract for the account of a foreign broker, the futures commission merchant and the introducing broker, if any, shall also be the agent of the customers of the foreign broker (including any customer who is also a foreign broker and its customers) who have positions in the foreign broker's futures or option contract account carried by the futures commission merchant for purposes of accepting delivery and service of any communication issued by or on behalf of the Commission to the customer with respect to any futures or option contracts which are or have been maintained in such accounts carried by the futures commission merchant. Service or delivery of any communication issued by or on behalf of the Commission to a futures commission merchant or to an introducing broker pursuant to such agency shall constitute valid and effective

service or delivery upon the foreign broker, a customer of the foreign broker or the foreign trader. A futures commission merchant or an introducing broker who has been served with, or to whom there has been delivered, a communication issued by or on behalf of the Commission to a foreign broker, a customer of the foreign broker or the foreign trader shall transmit the communication promptly and in a manner which is reasonable under the circumstances, or in a manner specified by the Commission in the communication, to the foreign broker, a customer of the foreign broker or the foreign trader.

(c) It shall be unlawful for any futures commission merchant and for any introducing broker to open or cause to be opened a futures or options contract account for, or to effect or cause to be effected transactions in futures contracts or option contracts for an existing account of, a foreign broker or foreign trader unless the futures commission merchant or introducing broker informs the foreign broker or foreign trader prior thereto, in any reasonable manner which the futures commission merchant or introducing broker deems to be appropriate, of the requirements of this section.

(d) The requirements of paragraphs (b) and (c) of this section shall not apply to any account carried by a futures commission merchant or introduced by an introducing broker if the foreign broker, customer of a foreign broker, or foreign trader for whose benefit such account is carried or introduced has duly executed and maintains in effect a written agency agreement in compliance with this paragraph with a person domiciled in the United States and has provided a copy of the agreement to the futures commission merchant and to the introducing broker, if any, prior to the opening of an account, or placing orders for transactions in futures contracts or option contracts of an existing account, with the futures commission merchant or introducing broker. This agreement must authorize the person domiciled in the United States to serve as the agent of the foreign broker and customers of the foreign broker or the foreign trader for purposes of accepting delivery and

service of all communications issued by or on behalf of the Commission to the foreign broker, customers of the foreign broker, or foreign trader and must provide an address in the United States where the agent will accept delivery and service of communications from the Commission. This agreement must be filed with the Commission by the futures commission merchant or introducing broker prior to the opening of an account for the foreign broker or foreign trader or the effecting of a transaction in futures or option contracts for an existing account of a foreign broker or foreign trader. Unless otherwise specified by the Commission, the agreements required to be filed with the Commission shall be filed with the Secretary of the Commission at Three Lafayette Centre, 1155 21st Street, NW., Washington, DC 20581. A foreign broker, customer of a foreign broker, or foreign trader shall notify the Commission immediately if the written agency agreement is terminated, revoked or is otherwise no longer in effect. If a futures commission merchant carrying, or an introducing broker introducing, an account for a foreign broker or foreign trader knows or should know that the agreement has expired, has been terminated or is otherwise no longer in effect, the futures commission merchant or introducing broker shall notify the Secretary of the Commission immediately. If the written agency agreement expires, terminates or is not in effect, the futures commission merchant, introducing broker, and the foreign broker, customers of the foreign broker, or foreign trader are subject to the provisions of paragraphs (b) and (c) of this section.

and/or option positions held on the dates specified in the call, each futures commission merchant, member of a contract market and foreign broker shall furnish to the Commission in accordance with paragraph (b) of this section the following information concerning accounts of traders owning or controlling such futures and/or option position, except for accounts carried by another futures commission merchant on a fully disclosed basis, as may be specified in the call:

(1) *Reporting medium.* Except as otherwise specifically approved by the Commission, information shall be provided on compatible data processing media.

(2) *File layout.* All required machine records shall be submitted together in a single file. Each record will be 80 characters long with a record type identifier in the first four positions and a record sequence identifier in the last eight positions. Specific record formats are a set of COBOL language record descriptions. Four records are defined as follows:

(i) Type 400A records are an identification record used to pass data specifying the firm that is reporting. One 400A record should be included in the file.

(ii) Type 410B and 411C records are account identification records. Type 410B records are used to furnish account numbers. A series of type 411C records are used to transmit the name and address of the accounts. A series of 411C records should follow each 410B record.

(iii) Type 520E records are open position records. A series of 520E records should follow the last 411C record for each account.

(3) The required record description is as follows:

01 O-T-400A:  
05 O-T-RECORD-TYPE—PIC X(4) VALUE 400A.

05 O-T-REPORT-DATE—PIC X(6).  
05 O-T-REPORTING-FIRM-NAME—PIC X(55).  
05 FILLER—PIC X(7).  
05 O-T-SEQUENCE—PIC 9(8).  
01 O-T-410B:  
05 O-T-RECORD-TYPE—PIC X(4) VALUE 410B.  
05 O-T-ACCOUNT-NUMBER—PIC X(48).  
05 FILLER—PIC X(20).  
05 O-T-SEQUENCE—PIC 9(8).  
01 O-T-520E:  
05 O-T-RECORD-TYPE—PIC X(4) VALUE 520E.  
05 O-T-COMMODITY-ID—PIC X(6).  
05 O-T-DELIVERY-OR-EXPIRATION-MONTH—PIC X(4).  
05 O-T-PUT-OR-CALL-OPTION—PIC X.  
05 O-T-STRIKE-PRICE—PIC 9(8).  
05 O-T-OPEN-LONG-POSITION—PIC 9(8).  
05 O-T-OPEN-SHORT-POSITION—PIC X(8).  
05 FILLER—PIC X(33).  
05 O-T-SEQUENCE—PIC 9(8).

(4) *Field definitions.* Field definitions for each record are as follows:

(i) *Record type identifier.* Unique identifier used by CFTC to transmit the format and implied meaning of data in a record. Valid values are 400A, 410B, 411C, and 520E.

(ii) *Report date.* This is the date specified in the call for which the futures commission merchant or member provides position information. Dates should be encoded as six numeric characters—YYMMDD where YY is the last 2 digits of the year, MM is the month, and DD is the day of the month coded with a leading 0 for months and days 1-9.

(iii) *Reporting firm name.* The name of the firm which must respond to the Commission's call. The name of the firm is left justified in the field.

(iv) *Account number.* A unique identifier for each account reported to the Commission under the §21.02a call. This can be any sequence of alphanumeric characters not to exceed 48 characters which are left justified in the field.

(v) *Name and address.* The name and address of the person (individual or firm) for whom the account is carried. No specific format is required. Information is encoded in columns 5 through 72 on the 411C records. One 411C record corresponds to one line of characters used by respondents to maintain customer name and address on their system. There is no limit on

the number of 411C records which can be used to transmit the information.

(vi) *Commodity ID*. A 6-digit numeric sequence uniquely identifying a contract traded on a particular exchange. The 6-digit numbers will be supplied by the Commission in the special call.

(vii) *Year and month*. The year and month of delivery of the commodity specified in the futures contract, encoded as for characters YYMM. YY is the last two digits of the year and MM is the month, with a leading 0 for months 1-9.

If options information is being transmitted, this corresponds to the delivery month and year of the future upon which the option is traded or, in the case of options on physicals, the options expiration month and year.

(viii) *Put or call identifier*. If the 520E record is used to transmit futures data, this field is blank. For put options, encode this field with a "P," for call options a "C".

(ix) *Strike price*. For futures information, this field is blank. For options, the first position is a decimal indicator (D) and in the second through eighth positions the integer strike price (IIIIII). The value of the option strike price is computed  $IIIIII * EXP10(-D)$ . Thus, 30004375 is interpreted as  $4375 * EXP10(-3) = 4.375 = 4\%$ .

(x) *Open long (short) positions*. Total number of long (short) contracts in the commodity specified in the call that are open on the firm's books for a particular account as of the end of the trading day specified in the call. The field should be zero filled with right justified integers from 0 to 99999999.

(c) Response to special calls made pursuant to this section may be satisfied by responding as if the special call were issued under § 21.02 of this chapter, or in machine-readable form in a manner other than that specified in paragraph (b), in the discretion of the Director of the Division of Economic Analysis, upon a showing that the futures commission merchant, member of a contract market, or foreign broker is not able technologically to provide the information in the form required by this section. Petitions for exemption under this paragraph must be filed sufficiently in advance of the date specified in the special call to provide

the Director with a period for consideration of the petition which is reasonable under the circumstances.

[49 FR 1339, Jan. 11, 1984, as amended at 51 FR 4720, Feb. 7, 1986; 60 FR 54802, Oct. 26, 1995]

**§ 21.03 Selected special calls—duties of foreign brokers, domestic and foreign traders, futures commission merchants, introducing brokers, and contract markets.**

(a) For purposes of this section, the term "accounts of a futures commission merchant or foreign broker" means all open contracts and transactions in futures and options on the records of the futures commission merchant or foreign broker; the term "beneficial interest" means having or sharing in any rights, obligations or financial interest in any futures or options account; the term "customer" means any futures commission merchant, introducing broker, foreign broker, or trader for whom a futures commission merchant makes or causes to be made a futures or options contract. Paragraphs (e), (g) and (h) of this section shall not apply to any futures commission merchant or customer whose books and records are open at all times to inspection in the United States by any representative of the Commission.

(b) It shall be unlawful for a futures commission merchant to open a futures or options account or to effect transactions in futures or options contracts for an existing account, or for an introducing broker to introduce such an account, for any customer for whom the futures commission merchant or introducing broker is required to provide the explanation provided for in § 15.05(c) of this chapter until the futures commission merchant or introducing broker has explained fully to the customer, in any manner the futures commission merchant or introducing broker deems appropriate, the provisions of this section.

(c) Upon a determination by the Commission that information concerning accounts may be relevant information in enabling the Commission to determine whether the threat of a market manipulation, corner, squeeze, or other market disorder exists in any contract market, the Commission may

issue a call for information from a futures commission merchant or customer pursuant to the provisions of this section.

(d) In the event the call is issued to a foreign broker or foreign trader, its agent, designated pursuant to §15.05 of this chapter, shall, if directed, promptly transmit calls made by the Commission pursuant to this section by telex or a similarly expeditious means of communication.

(e) The futures commission merchant, introducing broker, or customer to whom the special call is issued must provide to the Commission the information specified below for the commodity, contract market, and delivery months or option expiration dates named in the call. Such information shall be filed at the place and within the time specified by the Commission.

(1) For each account of a futures commission merchant, introducing broker, or foreign broker, including those accounts in the name of the futures commission merchant or foreign broker, on the dates specified in the call issued pursuant to this section, a futures commission merchant, introducing broker, or foreign broker shall provide the Commission with the following information:

(i) The name and address of the person in whose name the account is carried or introduced and, if the person is not an individual, the name of the individual to contact regarding the account;

(ii) The total open futures and options contracts in the account;

(iii) The number of futures contracts against which delivery notices have been issued or received and the number against which exchanges of futures for cash have been transacted during the period of time specified in the call;

(iv) Whether the account is carried for and in the name of another futures commission merchant or foreign broker; and

(v) For the accounts which are not carried for and in the name of another futures commission merchant, introducing broker, or foreign broker, the name and address of any other person who controls the trading of the account, and the name and address of any

person who has a ten percent or more beneficial interest in the account.

(2) Each trader shall provide the Commission with the following information:

(i) The total open futures and options contracts owned or controlled on the dates specified in the call;

(ii) The name and address of any person having a ten percent or more beneficial interest in the open futures or options contracts reported pursuant to this paragraph;

(iii) The name and address of any other person who controls the trading of the open futures or options contracts reported pursuant to this paragraph; and

(iv) The cash commodity transaction and position information required to be maintained pursuant to §18.05 of this chapter as specified in the call which relates to futures or options positions of the trader in the United States.

(f) If the Commission has reason to believe that a futures commission merchant or customer has not responded as required to a call made pursuant to this section, the Commission in writing may inform the contract market specified in the call and that contract market shall prohibit the execution of, and no futures commission merchant, introducing broker, or foreign broker shall accept an order for, trades on the contract market and in the months or expiration dates specified in the call for or on behalf of the futures commission merchant or customer named in the call, unless such trades offset existing open contracts of such futures commission merchant or customer.

(g) Any futures commission merchant or customer named in a special call that believes he or she is or may be adversely affected or aggrieved by action taken by the Commission under paragraph (f) shall have the opportunity for a prompt hearing after the Commission acts. That person may immediately present in writing to the Commission for its consideration any comments or arguments concerning the Commission's action and may present for Commission consideration any documentary or other evidence that person deems appropriate. Upon request, the Commission may, in its discretion, determine that an oral

hearing be conducted to permit the further presentation of information and views concerning any matters by any or all such persons. The oral hearing may be held before the Commission or any person designated by the Commission, which person shall cause all evidence to be reduced to writing and forthwith transmit the same and a recommended decision to the Commission. The Commission's directive under paragraph (f) of this section shall remain in effect unless and until modified or withdrawn by the Commission.

(h) If, during the course of or after the Commission acts pursuant to paragraph (f), the Commission determines that it is appropriate to undertake a proceeding pursuant to section 6(c) of the Commodity Exchange Act, 7 U.S.C. 9 and 15, the Commission shall issue a complaint in accordance with the requirements of section 6(c), and, upon further determination by the Commission that the conditions described in §21.03(c) still exist, a hearing pursuant to section 6(c) of the Act shall commence no later than five business days after service of the complaint. In the event the futures commission merchant or customer served with the complaint under section 6(c) has, prior to the commencement of the section 6(c) hearing, sought a hearing pursuant to paragraph (g) above and the Commission has determined to accord him such a hearing, the two hearings shall be conducted simultaneously. Nothing in this section shall preclude the Commission from taking other appropriate action under the Commodity Exchange Act or the Commission's Rules, including action under section 6(c) of the Act, regardless of whether the conditions described in §21.03(c) still exist, and no ruling issued in the course of a hearing pursuant to paragraph (g) or this paragraph shall constitute an estoppel against the Commission in any other action.

(d) To solicit or enter into an agreement to direct, or to guide such customer's account by means of a systematic program that recommends specific transactions in any foreign option or foreign futures contract unless such person shall have registered, under the Act, with the Commission as a commodity trading advisor and such reg-

(2) Any news reporter, news columnist, or news editor of the print or electronic media, or any lawyer, accountant, or teacher,

(3) The publisher or producer of any print or electronic data of general and regular dissemination, including its employees,

(4) The named fiduciary, or trustee, of any defined benefit plan which is subject to the provisions of the Employee Retirement Income Security Act of 1974, or any fiduciary whose sole business is to advise that plan,

### § 30.5 Alternative procedures for non-domestic persons.

Any person not located in the United States, its territories or possessions, who is required in accordance with the provisions of this part to be registered

## § 30.5

## 17 CFR Ch. I (4-1-01 Edition)

with the Commission, other than a person required to be registered as a futures commission merchant, may apply for an exemption from registration under this part by filing a petition for exemption with the National Futures Association and designating an agent for service of process, as specified below. A person who receives confirmation of an exemption pursuant to this section must engage in all transactions subject to regulation under Part 30 through a registered futures commission merchant or a foreign broker who has received confirmation of an exemption pursuant to §30.10 in accordance with the provisions of §30.3(b).

(a) *Agent for service of process.* Any person who seeks exemption from registration under this part shall enter into a written agency agreement with the futures commission merchant located in the United States through which business is done, with any registered futures association or any other person located in the United States in the business of providing services as an agent for service of process, pursuant to which agreement such futures commission merchant or other person is authorized to serve as the agent of such person for purposes of accepting delivery and service of communications issued by or on behalf of the Commission, U.S. Department of Justice, any self-regulatory organization or any foreign futures or foreign options customer. If the written agency agreement is entered into with any person other than the futures commission merchant through which business is done, the futures commission merchant or foreign broker who has received confirmation of an exemption pursuant to §30.10 with whom business is conducted must be expressly identified in such agency agreement. Service or delivery of any communication issued by or on behalf of the Commission, U.S. Department of Justice, any self-regulatory organization or any foreign futures or foreign options customer, pursuant to such agreement, shall constitute valid and effective service or delivery upon such person. Unless otherwise specified by the Commission, the agreement required by this section shall be filed with the Vice President-Registration, National Futures Association, 200 West

Madison Street, Chicago, Illinois 60606, with a copy to the Vice President-Compliance, National Futures Association. For the purposes of this section, the term “communication” includes any summons, complaint, order, subpoena, request for information, or notice, as well as any other written document or correspondence relating to any activities of such person subject to regulation under this part.

(b) *Termination of agreement.* Whenever the agreement referred to in paragraph (a) of this section is terminated or is otherwise no longer in effect, the futures commission merchant or any other person which is party to the agreement shall immediately notify the Vice President-Compliance of the National Futures Association and the futures commission merchant through which business is done, as appropriate. Upon notice, a futures commission merchant shall not accept from the person that has entered into such agreement any order, other than liquidating order(s), for, or on behalf of a foreign futures or foreign options customer. Notwithstanding the termination of the agreement referred to in paragraph (a) of this section, service or delivery of any communication issued by or on behalf of the Commission, U.S. Department of Justice, any self-regulatory organization or any foreign futures or foreign options customer pursuant to the agreement shall nonetheless constitute valid and effective service or delivery upon such person with respect to any transaction entered into on or before the date of the termination of the agreement.

(c) *Applicability of other rules.* Any person who is located outside of the United States, its territories or possessions, and who, in accordance with the provisions of paragraph (a) of this section, is exempt from registration as an introducing broker, commodity pool operator or commodity trading advisor under this part, shall nonetheless comply with the provisions of §30.6 of this part and §§1.37 and 1.57 of this chapter as if registered in such capacity.

(d) *Access to records.* Any person exempt from registration with the Commission in accordance with the provisions of paragraph (a) of this section

must, upon the request of any representative of the Commission or U.S. Department of Justice, provide such records as such person is required to maintain under this part as requested at the place in the United States designated by the representative within 72 hours after the person receives the request.

(e) *Petition for exemption.* Any person seeking an exemption from registration as an introducing broker, commodity pool operator or commodity trading advisor under this section must file a petition for exemption, which will be granted or denied based on compliance with §30.5(a) and the provision of this paragraph. The petition must:

- (3) Represent that:
  - (i) The petitioner is located outside of the United States, its territories or possessions;

  - (iii) The petitioner irrevocably agrees to the jurisdiction of the Commission and state and federal courts in the United States with respect to activities and transactions subject to this part;
- (4) Represent that the petitioner would not be statutorily disqualified from registration under Section 8a(2) or 8a(3) of the Commodity Exchange Act and that the petitioner is not disqualified from registration pursuant to the laws or regulations of its home country;
- (5) If the petitioner or its activities are regulated by any government entity or self-regulatory organization, state the name and address of such government entity or self-regulatory organization;
- (6) State whether the petitioner is applying for a §30.5 exemption from registration as an introducing broker,

commodity pool operator or commodity trading advisor;

(d) In no event may money, securities or property representing the foreign futures or foreign options secured amount be held or commingled and deposited with customer funds in the same account or accounts required to be separately accounted for and segregated pursuant to section 4d of the Act and the regulations thereunder.

(e) Each futures commission merchant which invests money, securities or property on behalf of foreign futures or foreign options customers shall keep a record showing the following:

(1) The futures commission merchant has authorized to place orders for the account of the futures commission merchant's foreign futures and options customer omnibus account; and

(2)(i) Is an eligible swap participant, as defined in §35.1(b)(2) of this chapter, or

(ii) Whose investment decisions with respect to foreign futures and foreign option transactions are made by a commodity trading advisor subject to regulation under the Act, including any investment adviser registered as such with the Securities and Exchange Commission that is exempt from regulation as a commodity trading advisor under the Act or Commission regulations, or a foreign person performing a similar role or function subject as such to foreign regulation, *provided* that the commodity trading advisor has total assets under management exceeding \$50,000,000 and that the commodity trading advisor places the foreign futures or foreign options order.

(b) *Procedures for futures commission merchants.* It shall be unlawful for any futures commission merchant to permit an authorized customer to place orders for execution in the futures commission merchant's foreign futures and options customer omnibus account directly with a person exempt from registration under paragraphs (c) and (d) of this section, unless, such futures commission merchant:

(1) Meets one of the following capital requirements, as determined by the futures commission merchant's most recent required filing of a Form 1-FR-FCM with the Commission:

(i) Possesses \$20,000,000 in adjusted net capital, as defined by §1.17(c)(5) of this chapter; or

satisfies the participation criteria set forth in paragraph (a) of this section and to specify the manner in which trades may be executed through its customer omnibus account pursuant to this section;

(3) Furnishes a written disclosure statement to each such authorized customer advising the customer of the additional risks the customer may be assuming in placing orders directly with the foreign broker. The disclosure statement must read as follows:

This statement applies to the ability of authorized customers<sup>1</sup> of [FCM] to place orders for foreign futures and options transactions directly with non-US entities (each, an "Executing Firm") that execute transactions on behalf of [FCM's] foreign futures and options customer omnibus accounts.

Please be aware of the following should you be permitted to place the type of orders specified above.

- The orders you place with an Executing Firm are for [FCM's] foreign futures and options customer omnibus account maintained with a foreign clearing firm. Consequently, [FCM] may limit or otherwise condition the orders you place with the Executing Firm.

- You should be aware of the relationship of the Executing Firm and [FCM]. [FCM] may not be responsible for the acts, omissions, or errors of the Executing Firm, or its representatives, with which you place your orders. In addition, the Executing Firm may not be affiliated with [FCM]. If you choose to place orders directly with an Executing Firm, you may be doing so at your own risk.

- It is your responsibility to inquire about the applicable laws and regulations that govern the foreign exchanges on which transactions will be executed on your behalf. Any orders placed by you for execution on that exchange will be subject to such rules and regulations, its customs and usages, as well as any local laws that may govern transactions on that exchange. These laws, rules, regulations, customs and usages may offer different or diminished protection from those that govern transactions on US exchanges. In particular, funds received from customers to margin foreign futures transactions may not be provided the same protections as funds received to margin futures transactions on domestic exchanges. Before you trade, you should familiarize yourself with the foreign rules which will apply to your particular transaction. United States

regulatory authorities may be unable to compel the enforcement of the rules of regulatory authorities or markets in non-US jurisdictions where transactions may be effected.

- It is your responsibility to determine whether the Executing Firm has consented to the jurisdiction of the courts in the United States. In general, neither the Executing Firm nor any individuals associated with the Executing Firm will be registered in any capacity with the Commodity Futures Trading Commission. Similarly, your contacts with the Executing Firm may not be sufficient to subject the Executing Firm to the jurisdiction of courts in the United States in the absence of the Executing Firm's consent. Accordingly, neither the courts of the United States nor the Commission's reparations program may be available as a forum for resolution of any disagreements you may have with the Executing Firm, and your recourse may be limited to actions outside the United States.

- Unless you object within five (5) days, by giving notice as provided in your customer agreement after receipt of this disclosure, [FCM] will assume your consent to the aforementioned conditions.

(c) *Exemption for foreign futures and options brokers.* Any person not located in the United States, its territories or possessions, who is otherwise required in accordance with this part to be registered with the Commission as a futures commission merchant or as an introducing broker will be exempt from such registration, notwithstanding that such person accepts orders for foreign futures and foreign options transactions from authorized customers of a registered futures commission merchant that meets the requirements of paragraph (b)(1) of this section, provided, that:

(1) The orders are executed for or on behalf of the foreign futures and options customer omnibus account of a registered futures commission merchant;

[65 FR 47280, Aug. 2, 2000]

APPENDIX A TO PART 30—INTERPRETATIVE STATEMENT WITH RESPECT TO THE COMMISSION'S EXEMPTIVE AUTHORITY UNDER §30.10 OF ITS RULES

Part 30 of the Commission's regulations establishes the regulatory structure governing the offer and sale in the United States of futures and options contracts made or to be made on or subject to the rules of a foreign board of trade. Section 30.10 of these regulations provides that, upon petition, the Commission may exempt any person from any requirement of this part. Specifically, section 30.10 states:

Any person adversely affected by any requirement of this part may file a petition with the Secretary of the Commission, which petition must set forth with particularity the reasons why that person believes that he should be exempt from such requirement. The Commission may, in its discretion, grant such an exemption if that person demonstrates to the Commission's satisfaction that the exemption is not otherwise contrary to the public interest or to the purposes of the provision from which exemption is sought. The petition will be granted or denied on the basis of the papers filed. The petition may be granted subject to such terms and conditions as the Commission may find appropriate.

As the provisions of this section make clear, any person subject to regulation under part 30 may petition the Commission for an exemption. In adopting these regulations, however, the Commission noted in particular that persons located outside the United States that solicit or accept orders directly from United States customers for foreign futures or options transactions and that are subject to a comparable regulatory scheme in the country in which they are located may apply under section 30.10 for exemption from some or all of the requirements that would otherwise be applicable to such persons. This interpretative statement sets forth the elements that the Commission intends to evaluate in determining whether a particular regulatory program may be found to be comparable to the Commission's program.

The Commission wishes to emphasize, however, that this interpretative statement is not all inclusive, and that information with respect to other aspects of a particular regulatory program may be submitted by a petitioner or requested by the Commission. In this connection, the Commission would have broad discretion to determine that the policies of any program element generally are met, notwithstanding the fact that the offshore program does not contain an element identical to that of the Commission's regulatory program and conversely may assess how particular elements are in fact applied by offshore authorities. Thus, for example, in order to find that a particular program is comparable, the regulations thereunder would have to be applicable to all United States customers, notwithstanding any exemptions that might otherwise be available to particular classes of customer located offshore. A petitioner, therefore, must set forth with particularity the factual basis for a finding of comparability and the reasons why such policies and purposes are met, notwithstanding differences of degree and kind in its regulatory program.

No exemptions of a general nature will be granted unless the persons to which the exemption is to be applied consent to submit to jurisdiction in the United States by designating an agent for service of process pursuant to the provisions of rule 30.5 with respect to any activities of such persons otherwise subject to regulation under this part and to notify the National Futures Association of the commencement or termination of business in the United States. In this connection, to be exempted, such person must further agree to respond to a request to confirm that it continues to do business in the United States.

Persons located outside the United States may seek an exemption on their own behalf or an exemption may be sought on a general basis through the governmental agency responsible for the implementation and en-

forcement of the regulatory program in question, or the self-regulatory organizations of which such persons are members. The appropriate petitioner is a matter of judgment and may be determined by the parties seeking the exemption. The Commission, however, notes that it will be able to address petitions more efficiently if they are filed by the governmental agency or self-regulatory organization responsible for the regulatory program.

In this connection, as will be discussed in more detail below, any exemption of a general nature based on comparability will be conditioned upon appropriate information sharing arrangements between the Commission and the relevant governmental agency and/or self-regulatory organization. Representations from the appropriate governmental agency with respect to the applicability of any blocking statutes that may prevent the sharing of information requested under private arrangements would also be considered. Finally, in considering an exemption request, the Commission will take into account the extent to which United States persons or contracts regulated by the Commission are permitted to engage in futures-related activities or be offered in the country from which an exemption is sought.

In the Commission's review, the minimum elements of a comparable regulatory program would include: (1) Registration, authorization or other form of licensing, fitness review or qualification of persons through which customer orders are solicited and accepted; (2) minimum financial requirements for those persons that accept customer funds; (3) protection of customer funds from misapplication; (4) recordkeeping and reporting requirements; (5) minimum sales practice standards, including disclosure of the risks of futures and options transactions and, in particular, the risk of transactions undertaken outside the jurisdiction of domestic law; and (6) compliance.

*Qualification.* Under domestic law, registration identifies to the Commission, the public and other governmental agencies the individuals and entities that are properly authorized to solicit and accept customer orders and are in good standing. Equally important, the procedure provides the Commission, through the National Futures Association, the opportunity to determine whether applicants are unfit to deal with the public. In this connection, the standards for determining whether a person through its principals is fit for registration with the Commission are set forth in section 8a(2)-8a(4) of the Act. Timely access to information as to a firm's good standing and the application by relevant authorities of membership and licensing criteria, as well as the criteria themselves, will be considered by the Commission in assessing comparability.

*Minimum Financial Requirements.* Minimum financial requirements for persons that handle customer funds serve at least three critical functions. First, they provide a cushion together with margin such that in the event of a default of a customer, the losses of that customer need not adversely affect the funds held on behalf of other customers. Second, they help ensure that the person has sufficient funds to operate its business and, therefore, is less likely to be tempted to misapply customer funds for its own purposes. Third, they ensure that the person holding customer funds has some financial stake in its business and, therefore, is serious in its intent. In assessing comparability, capital rules or their equivalent will be considered together with any provisions made for insuring customer losses, the scope of clearing guarantees and segregation or customer trust calculation and accounting requirements which, to the extent they cover undermargined accounts, can provide significant protection of one customer from another customer's losses.

*Customer Funds.* The Act requires the strict segregation of customer funds from those of the person holding such funds. One of the primary purposes of this requirement is to prevent the misapplication of those funds for purposes other than those intended by the customer, which may affect not only the customer but the market as a whole. The purpose of segregation is also to identify customer deposits as assets of the customer, rather than the firm, in order that in bankruptcy such funds are payable only to satisfy the carrying firm's obligations to such customers and not other obligations of the firm. In assessing comparability of protection of customer funds, the Commission will consider protections accorded customer funds in a bankruptcy under applicable law, as well as protection from fraud.

*Recordkeeping and Reporting.* Recordkeeping requirements have long been recognized as the linchpin of the Commission's regulatory scheme. Reporting and recordkeeping requirements assist in determining that a registrant is acting in accordance with the provisions of the Act and the rules, regulations and orders of the Commission thereunder. Similarly, reporting requirements ensure that customers are timely advised of the transactions that have been executed on their behalf, thus ensuring that they are aware of their positions in the markets and may object to any transactions that they believe are in error. The Commission will consider the types of records maintained, the ability through those records to trace funds and transactions, and the period of retention and accessibility of records under the information sharing arrangements discussed below in considering comparability.

*Sales Practice Standards.* In 1982, Congress reaffirmed the importance of minimum sales practice standards to protect customers from fraud or misrepresentation by requiring any futures association registered by the Commission to adopt and enforce rules governing the sales practices of its members. The Commission has consistently provided that written disclosure of the risks of futures and options trading is essential to ensure that potential customers are aware of these risks and are not otherwise misled and that other appropriate disclosure is made. The Commission will review the type and manner of disclosure given and the mechanisms for assuring the disclosure requirements are met and, in particular, the treatment of discretionary accounts for which, for example, Commission rule 166.2 requires particularized documentation of intent to confer discretion in the case of foreign futures and options transactions.

*Compliance.* Finally, in assessing comparability of a program, the Commission will examine the procedures employed by the governmental authority or the appropriate self-regulatory organization to audit for compliance with, and to take action as appropriate against those persons that violate, the requirements of that program.

*Information Sharing.* As noted above, any exemption of a general nature would also require an information sharing arrangement between the Commission and the appropriate governmental or self-regulatory organization to ensure Commission access to information on an as needed basis as may be necessary to fulfill its regulatory responsibilities. The information subject to these arrangements generally would be of a type necessary in the first instance to monitor domestic markets and to protect domestic customers trading on foreign markets.

Firm-specific information that is potentially relevant to protection of domestic customers engaged in foreign transactions could include the following: (1) Registration qualification status; (2) names of principals; (3) current capital; (4) location of customer funds; (5) address of main office and branches; (6) exchange and self-regulatory organization memberships; (7) the existence of any derogatory information such as that required to be disclosed on the Commission's Form 7-R; (8) notice of limitations imposed on activities; (9) notice of undersegregation or undercapitalization; (10) notice of misuse of customer funds; and (11) notice of sanctions or of expulsion from exchange or self-regulatory organization membership. The Commission believes that much of the above information would be public in the ordinary course in most jurisdictions. From time to time, the Commission also may need immediate access to financial information concerning risks posed to domestic firms by the carrying of foreign positions.

In addition to information that relates to the financial stability and creditworthiness of the firm, the Commission should have access to transaction-specific information that confirms the execution of orders and prices and facilitates tracing of customer funds. Such data could include records reflecting: (1) That an order has been received by a firm on behalf of one or more United States customers; (2) that an order has been executed on an exchange on behalf of one or more United States customers; (3) that funds to margin, guarantee or secure United States customer transactions have been received by a firm and deposited in an appropriate depository; and (4) the price at which a transaction was executed and general access to pricing information.

Again, such information is likely to be maintained in the ordinary course of business. Tracing of customer funds would be most essential in cases of insolvency where repatriation of funds is at issue.

The Commission may also seek relevant position data information, including the identity of the position holder and related positions, in connection with surveillance of a potential "market disruption." This is particularly true in the case of integrated markets.

The Commission wishes to emphasize that the information sharing arrangements discussed herein are not necessarily a substitute for, nor would they preclude, a more formal agreement or arrangement with respect to the sharing of information.

APPENDIX B TO PART 30—INTERPRETATIVE STATEMENT WITH RESPECT TO THE SECURED AMOUNT REQUIREMENT SET FORTH IN §30.7

1. Rule 30.7 requires FCMs who accept money, securities or property from foreign futures and foreign options customers to maintain in a separate account or accounts such money, securities and property in an amount at least sufficient to cover or satisfy all of its current obligations to those customers.<sup>1</sup> This amount is denominated as the

<sup>1</sup>"Foreign futures or foreign options customer" means "any person located in the United States, its territories or possessions who trades in foreign futures or foreign options: Provided, That an owner or holder of a proprietary account as defined in paragraph (y) of [Rule 1.3] shall not be deemed to be a foreign futures or foreign options customer

"foreign futures or foreign options secured amount" and that term is defined in Rule 1.3(rr). The separate accounts must be maintained under an account name that clearly identifies the funds as belonging to foreign futures and foreign options customers at a depository that meets the requirements of Rule 30.7(c). Further, each FCM must obtain and retain in its files for the period provided in Rule 1.31 an acknowledgment from the depository that the depository was informed that such money, securities or property are held for or on behalf of foreign futures and foreign options customers and are being held in accordance with the provisions of these regulations.

2. In a series of orders issued pursuant to Rule 30.10, the Commission required that certain foreign firms exempt from registration as FCMs essentially comply with the standards of Rule 30.7.<sup>2</sup> Specifically, the Commission stated that "[the secured amount] requirement is intended to ensure that funds

within the meaning of [Rules 30.6 and 30.7]." Rule 30.1(c). "Foreign futures" means "any contract for the purchase or sale of any commodity for future delivery made, or to be made, on or subject to the rules of any foreign board of trade." Rule 30.1(a). "Foreign option" means "any transaction or agreement which is or is held out to be of the character of, or is commonly known to the trade as, an 'option,' 'privilege,' 'indemnity,' 'bid,' 'offer,' 'put,' 'call,' 'advance guaranty,' or 'decline guaranty,' made or to be made on or subject to the rules of any foreign board of trade." Rule 30.1(b).

<sup>2</sup>Under Rule 30.10, the Commission may exempt a foreign firm acting in the capacity of an FCM from registration under the Commodity Exchange Act ("Act") and compliance with certain Commission rules based upon the firm's compliance with comparable regulatory requirements imposed by the firm's home-country regulator or self-regulatory organization ("SRO"). Once the Commission determines that the foreign jurisdiction's regulatory structure offers comparable regulatory oversight, the Commission may issue an Order granting general relief subject to certain conditions. Firms seeking confirmation of relief (referred to herein as "Rule 30.10 firms") must make certain representations set forth in the Rule 30.10 order issued to the regulator or SRO from the firm's home country. For a list of those foreign regulators and SROs that have been issued a Rule 30.10 order, see Appendix C to Part 30. In certain cases, where a foreign regulator or SRO has requested that firms subject to its jurisdiction be granted broader relief to engage in transactions on exchanges other than in its home jurisdiction (referred to herein as "expanded relief"), the relief has

provided by U.S. customers for foreign futures and options transactions, whether held at a U.S. FCM under Rule 30.7(c) or a firm exempted from registration as an FCM under CFTC Rule 30.10, will receive equivalent protection at all intermediaries and exchange clearing organizations.”<sup>3</sup> The Commission further interpreted Rule 30.7 to require each FCM and Rule 30.10 firm to take appropriate action (i.e., set aside funds in a “mirror” account) in the event that it becomes aware of facts leading it to conclude that foreign futures and foreign options customer funds are not being handled consistent with the requirements of Commission rules or relevant order for relief by any subsequent intermediary or exchange clearing organization.

3. Upon further analysis and reconsideration of this matter, the Commission has determined to revise its prior interpretation of the Rule 30.7 secured amount requirement. The Commission notes that the initial depository’s ability to identify customer funds affords foreign futures and foreign options customers a measure of protection in the event that the intermediating FCM or foreign firm becomes insolvent. Moreover, Rule 30.6(a) requires that foreign futures and foreign options customers receive a Rule 1.55 written disclosure explaining that the treatment of customer funds outside the U.S. may not afford the same level of protection offered in the U.S. These protections exist whether the intermediating firm is a U.S. FCM or a firm exempt from such registration under Rule 30.10.<sup>4</sup>

been granted where the relevant authority has represented that it will monitor its firms for compliance with the terms of the order in connection with such offshore transactions. Although Rule 30.10 orders generally exempt foreign intermediaries from compliance with the secured amount requirement under Rule 30.7, firms seeking confirmation of the expanded relief must represent that, with respect to transactions entered into on behalf of U.S. customers on any non-U.S. exchange located outside their home country, they will treat U.S. customer funds in a manner consistent with the provisions of Rule 30.7. For the most recent order granting expanded relief, see 64 FR 50248 (September 16, 1999) (Singapore Exchange Derivatives Trading Limited).

<sup>3</sup>64 FR 50248, 50251, n.19 (emphasis added).

<sup>4</sup>Although orders for expanded relief exempt foreign firms from compliance with Rule 1.55, sales practice standards and the treatment of customer funds constitute two of the specific elements examined in evaluating whether the particular foreign regulatory program provides a basis for permitting substituted compliance for purposes of exemptive relief pursuant to Rule 30.10. Appendix A to Part 30.

4. The Commission further notes, however, that, in February 1998, Rule 30.6 was amended to permit an FCM to open a commodity account for a foreign futures or foreign options customer without providing the Rule 1.55 risk disclosure statement or obtaining an acknowledgment of receipt of such statement, provided that the customer is, at the time at which the account is opened, one of several types of sophisticated customers enumerated in Rule 1.55(f) (“Rule 1.55(f) customers”).<sup>5</sup> While the amendment to Rule 30.6(a) extinguished the obligation to provide a standardized risk disclosure statement to Rule 1.55(f) customers at the time of the account opening, the Commission stated that FCMs have obligations to these customers independent of such a duty that would be material in the circumstances of a given transactions.<sup>6</sup>

5. After careful consideration of the issue, the Commission has determined that intermediaries should advise all customers (regardless of their level of sophistication) to consider making appropriate inquiries relating to the treatment of customer funds by depositories located outside the jurisdiction of the intermediating firm. Accordingly, the Commission has determined that an FCM, at a minimum, must provide each foreign futures or foreign option customer with a written disclosure tracking the language in either: (1) Rule 1.55(b)(7),<sup>7</sup> or (2) Paragraphs 6

<sup>5</sup>63 FR 8566 (February 20, 1998). The list of sophisticated customers referenced in Rule 1.55(f) closely tracks, with one exception, the list of “eligible swap participants” in Rule 35.1.

<sup>6</sup>*Id.* at 8569.

<sup>7</sup>Rule 1.55(b)(7) reads as follows: Foreign futures transactions involve executing and clearing trades on a foreign exchange. This is the case even if the foreign exchange is formally “linked” to a domestic exchange whereby a trade executed on one exchange liquidates or establishes a position on the other exchange. No domestic organization regulates the activities of a foreign exchange, including the execution, delivery and clearing of transactions on such exchange, and no domestic regulator has the power to compel enforcement of the rules of the foreign exchange or the laws of the foreign country. Moreover, such laws or regulations will vary depending on the foreign country in which the transaction occurs. For these reasons, customers who trade on foreign exchanges may not be afforded certain of the protections which apply to domestic transactions, including the right to use alternative dispute resolution. In particular, funds received from customers to margin foreign futures transactions may not be provided the same protections as funds received to margin futures transactions on domestic

and 8 of Appendix A to Rule 1.55(c).<sup>8</sup> Rule 30.10 firms must provide each foreign futures or foreign options customer with a written disclosure tracking the language in either Rule 1.55(b)(7) or paragraphs 6 and 8 of Appendix A to Rule 1.55(c), or a comparable disclosure statement prescribed by the firm's home country regulator. The Commission further encourages all firms, whether domestic or foreign, to provide a Rule 1.55 written risk disclosure to all customers, regardless of each customer's respective level of experience. The Commission notes that, in any instance where a firm provides a Rule 1.55(f) customer with a written disclosure, it is not necessary for the firm to obtain an acknowledgment of receipt. In addition, those FCMs that already have provided customers with a disclosure tracking either Rule 1.55(b)(7) or paragraphs 6 and 8 of Appendix A to Rule

exchanges. Before you trade, you should familiarize yourself with the foreign rules which will apply to your particular transaction.

<sup>8</sup>Appendix A to Rule 1.55(c) is the Generic Risk Disclosure Statement, which FCMs may use as an alternative to the Risk Disclosure Statement prescribed in Rule 1.55(b). The Commission understands that most FCMs, in particular those that are most active in international markets, use the Generic Risk Disclosure Statement.

Paragraphs 6 and 8 of Appendix A to Rule 1.55(c) read as follows:

6. Deposited cash and property.

You should familiarize yourself with the protections accorded money or property you deposit for domestic and foreign transactions, particularly in the event of a firm insolvency or bankruptcy. The extent to which you may recover your money or property may be governed by specified legislation or local rules. In some jurisdictions, property which has been specifically identifiable as your own will be pro-rated in the same manner as cash for purposes of distribution in the event of a shortfall.

8. Transactions in other jurisdictions.

Transactions on markets in other jurisdictions, including markets formally linked to a domestic market, may expose you to additional risk. Such markets may be subject to regulation which may offer different or diminished investor protection. Before you trade you should enquire about any rules relevant to your particular transactions. Your local regulatory authority will be unable to compel the enforcement of the rules of the regulatory authorities or markets in other jurisdictions where your transactions have been effected. You should ask the firm with which you deal for details about the types of redress available in both your home jurisdiction and other relevant jurisdictions before you start to trade.

1.55(c) (or in the case of Rule 30.10 firm, a comparable disclosure statement prescribed by its home country regulatory) need not provide those same customers with an additional written disclosure.

6. For the reasons set forth above, the Commission is revising its interpretation of the secured amount requirement set forth in Rule 30.7. The Commission believes that the Rule 30.7 acknowledgment required of FCMs, or other appropriate acknowledgment required by Rule 30.10 firms, only applies to the maintenance of the account or accounts containing foreign futures and foreign options customer funds by the initial depository, and not to the manner in which any subsequent depository holds or subsequently transmits those funds. If an FCM receives from the initial depository the acknowledgment described in Rule 30.7, furnishes to each foreign futures or foreign options customer a written disclosure statement tracking the language set forth in Rule 1.55(b)(7) or paragraphs 6 and 8 of Appendix A of Rule 1.55(c) and otherwise complies with the provisions of Rule 30.7, then it may include all funds maintained in the separate account or accounts in calculating its secured amount requirement. A Rule 30.10 firm must satisfy the same requirements, except that it may provide each foreign futures or foreign options customer with a comparable disclosure statement prescribed by its home regulator.

7. IF an FCM or Rule 30.10 firm fails to receive the required acknowledgment from the initial depository or provide the above written disclosure statement (and in certain circumstances, receive from customers and acknowledgment of receipt), then it must set aside funds with an acceptable depository and receive from such depository the required acknowledgment.

8. The Commission's interpretation of the Rule 30.7 secured amount requirement will apply to all regulated activities with all new and existing foreign futures and foreign options customers as of October 11, 2000. The Commission's interpretation does not alter any other requirement set forth in Rule 30.7 or any other section of Part 30.

(1) The nominal size, composition and tolerable ranges of the delivery pack or the actual size, composition and tolerable range of the component of the delivery pack;

(2) Minimum guaranteed quality, deliverable countries of origin, deliverable markings or imprints, and deliverable refiners or mints;

(2) For all short leverage contracts in a leverage customer's account, the aggregate amount owed to the leverage customer by the leverage transaction merchant pursuant to all such contracts less the amount equal to the value of all such leverage contracts in the leverage customer's account, based on the leverage transaction merchant's current ask prices for such contracts;

### § 31.6 Registration of leverage commodities.

(a) *Registration of leverage commodities.* Each leverage commodity upon which a leverage contract is offered for sale or purchase or is sold or purchased by a particular leverage transaction merchant must be separately registered with the Commission. Registration will be granted only when the following conditions are, and continue to be, met:

(1) The person requesting registration of a leverage commodity is a registered leverage transaction merchant;

(2) The commodity to be registered is a leverage commodity as defined in § 31.4(g);

(3) There exists a widely accepted and broadly disseminated commercial or retail cash price series for the commodity;

(4) The commodity can be readily purchased or sold in normal commercial or retail channels by leverage customers making or taking delivery on a leverage contract;

(5) The terms and conditions of the leverage contracts based on the leverage commodity are consistent with the Act and the regulations thereunder,

and are not contrary to the public interest; and

(6) The terms and conditions of the leverage contracts based on the leverage commodity do not include substantial characteristics of other interests, such as options, certificates of deposit, or other regulated instruments.

(b) *Application for registration.* Applications to register leverage commodities should be filed with the Commission at its Washington, DC headquarters. Attn: Secretariat. Three copies of each such submission should be filed. The Commission may return any application which does not comply with the form and content requirements of this section. Each applicant must:

(1) Provide evidence that the person applying for registration of the leverage commodity is registered or has applied to the National Futures Association for registration as a leverage transaction merchant;

(2) Provide an explanation of the distinguishing characteristics of the leverage commodity for which registration is sought, including a complete description of the cash market for the leverage commodity, and for the spot, forward, and futures markets for the generic commodity;

(5) Include a description of the commodity inspection and/or certification procedures typically required for commercial or retail sales of the specified commodity. Such description must be accompanied by information regarding the availability of any normally required certification or inspection service at the delivery points including

those of the leverage transaction merchant; and

(6) Include copies of all leverage contracts which are to be offered by the leverage transaction merchant on the leverage commodity.

(c) *Continuing registration of leverage commodities.* A registered leverage transaction merchant must submit to the Commission for its review, at least forty-five (45) days before their effective date, any proposed changes in the specifications of the leverage commodity and the terms and conditions of the leverage contract from those submitted as part of the registration application unless such contract specifically provides that such terms and conditions are subject to change. Three copies of each such submission must be furnished to the Commission at its Washington, DC headquarters. Attn: Secretariat. The Commission may return any submission which does not comply with the form and content requirements of this section. Each such submission must, in the following order:

(1) Explain how any such changes might affect the ability of leverage customers to realize the leverage commodity's economic value and how such amendments might affect the ability of leverage customers making or taking delivery to buy or sell the leverage commodity;

(2) Explain the effect of such changes upon the continued appropriateness of the commercial or retail cash price series submitted pursuant to paragraph (b)(3) of this section, or, as an alternative, submit a new price series and a justification of its use; and

(3) Indicate whether, if such changes are applied to existing leverage commodities, there will be a change in the economic value of such commodities and, if so, quantify the extent of such changes.

(d) *Authority to disapprove amendments.* The Commission may disapprove, alter, or amend changes to the distinguishing characteristics of the registered leverage commodity, or to the terms and conditions of the leverage contracts offered thereon, after appropriate notice and opportunity for hearing, when the Commission determines that such a change is in viola-

tion of any of the provisions of the Act or any of the regulations thereunder, or that it is necessary or appropriate to ensure the financial solvency of leverage transactions or prevent manipulation or fraud. Upon notification by the Commission of its determination to disapprove, alter or amend such changes, the proposed changes will not become effective pending a final determination by the Commission to disapprove, alter, or amend such changes.

(e) *Authority to alter or amend specifications of the registered leverage commodity or the terms and conditions of leverage contract.* The Commission may alter or amend specific distinguishing characteristics of the registered leverage commodity or the terms and conditions of leverage contracts after appropriate notice and opportunity for hearing when the Commission determines that, in light of intervening events, such alterations or amendments would be necessary or appropriate to ensure the financial solvency of leverage transactions or prevent manipulation or fraud.

(f)(1) The Commission hereby delegates to the Director of the Division of Economic Analysis until such time as the Commission orders otherwise, all functions reserved to the Commission in paragraphs (b) and (c) of this section.

(2) The Director of the Division of Economic Analysis may submit any matter which has been delegated to the Director under paragraph (f)(1) of this section to the Commission for its consideration.

### § 31.8 Cover of leverage contracts.

(a)(1) Each leverage transaction merchant must at all times maintain cover of at least 90 percent of the amount of physical commodities subject to open long leverage contracts entered into with leverage customers, and must at all times also maintain cover of at least 90 percent of the amount of physical commodities subject to open short leverage contracts entered into with leverage customers. At least 25 percent of the amount of physical commodities subject to open long leverage contracts must be covered by the types of permissible cover set forth in paragraphs (a)(2) (i) and (ii) of this section.

(iii) Purchase, in physical form, of the leverage commodity subject to the leverage contract, or of the same alternative commodities provided for in paragraph (a)(2)(ii) of this section, with settlement within two business days shall be considered permissible cover from the time the purchase order is confirmed, even though the leverage transaction merchant does not have possession or control of a warehouse receipt until settlement: *Provided, however*, That such purchases are not made from an affiliated firm, and such purchases at no time constitute more than 10 percent of the amount of physical commodities subject to open long leverage contracts entered into with leverage customers: *And, provided further*, That the leverage transaction merchant maintains, in accordance with § 31.14 of this part, detailed records of these transactions which will be subject to inspection, copying and audit by the Commission and a

designated self-regulatory organization.

(B) Purchases of call commodity options for the same generic commodity subject to the leverage contract, or of the same alternative commodities provided for in paragraph (a)(2)(ii) of this section, on or subject to the rules of a contract market in accordance with the provisions of part 33 of this chapter: *Provided*, That the market value of the actual commodity or futures contract which is the subject of such option is more than the value of the underlying commodity based on the strike price of the option.

(3) Permissible cover for a short leverage contract is limited to:

(i) Sales for future delivery on or subject to the rules of a contract market of the same generic commodity subject to the leverage contract, or of the same

(b) Such leverage transaction merchant must be in compliance with paragraph (a) of this section at all times and must be able to demonstrate such compliance to the satisfaction of the Commission and/or the designated self-regulatory organization. A leverage transaction merchant who is not in compliance with paragraph (a) of this section or is unable to demonstrate such compliance must immediately cease engaging in the business of offering to enter into, entering into, or confirming the execution of, any leverage contract until such time as the leverage transaction merchant is able to demonstrate such compliance. Nothing in this paragraph (b) shall be construed as preventing the Commission or the designated self-regulatory organization from taking action against a leverage transaction merchant for non-compliance with any of the provisions of this section.

(c) The amount of cover which is actually maintained by a leverage transaction merchant, and the amount of cover which must be maintained by a leverage transaction merchant in order to comply with the requirements of this section, shall be computed as of the close of each business day by the leverage transaction merchant. A written record of this computation shall be made and kept, together with all supporting data, in accordance with the provisions of § 1.31 of this chapter. This daily computation shall be made by noon on the next business day and shall be computed in a format identical to the Schedule of Coverage Requirements and Coverage Provided con-

tained in Form 2-FR. In computing the amount of cover actually maintained, the leverage transaction merchant shall include only those warehouse receipts which are unencumbered or against which the balance of the principal and accrued interest on cash loans for which such receipts serve as collateral does not exceed 70 percent of the current market value of the commodities underlying such receipts.

(d) A leverage transaction merchant who uses as collateral for cash loans warehouse receipts held as cover for leverage contracts shall maintain a separate record for such loans which contains the following information:

Such loans shall be evidenced in a written agreement executed by the leverage transaction merchant and the lender. The leverage transaction merchant shall retain such agreement and any related notes in accordance with the requirements of § 31.14 of this part.

(e) The requirements of paragraphs (a) through (d) of this section shall not be applicable if the leverage transaction merchant is a member of a designated self-regulatory organization and conforms to minimum cover standards and related reporting requirements set by such designated self-regulatory organization in its bylaws, rules, regulations or resolutions approved by the Commission pursuant to section 19 of the Act and § 31.28 of this part.

(1) For purposes of determining compliance with the provisions of paragraph (a) of this section, each leverage transaction merchant must compute the market value of the physical commodities subject to leverage contracts which it has entered into by using the widely accepted and broadly disseminated commercial or retail cash price series submitted with the leverage transaction merchant's application for registration of the leverage commodity in accordance with § 31.6, and cannot include any mark-ups or discounts of the leverage transaction merchant.

(7) The term “liabilities” has the same meaning as in § 1.17(c)(4) of this chapter;

(8) In computing adjusted net capital, the safety factors set forth in § 1.17(c)(5) of this chapter shall apply: *Provided, however*, That the safety factors set forth in § 1.17(c)(5)(ii) (B) and (C) of this chapter shall not apply to inventory, to the extent such inventory represents cover for leverage contracts entered into by a leverage transaction merchant; *And, provided further*, That the safety factors set forth in § 1.17(c)(5) (x) and (xii) of this chapter shall not apply to any futures contracts or commodity options traded on contract markets held in proprietary accounts which represent cover for leverage contracts entered into by a leverage transaction merchant;

(9) The safety factors set forth in § 1.17(c)(5) (viii) and (ix) of this chapter for undermargined commodity futures and commodity option customer and noncustomer accounts shall apply in a like manner to undermargined leverage customer and noncustomer accounts, respectively, and the term “leverage transaction merchant” shall be substituted for the terms “applicable boards of trade” or “clearing organization”; and

(10) The provisions set forth in § 1.17 (d), (e), (f), (h) and (j) of this chapter shall apply.

(c) No person shall be registered as a leverage transaction merchant unless, commencing on the date the person applies for such registration, the person prepares, and keeps current, ledgers or other similar records which show or summarize, with appropriate references to supporting documents, each transaction affecting his asset, liability, income, expense and capital accounts, and in which (except as other-

wise permitted in writing by the Commission) all his asset, liability and capital accounts are classified into either the account classification subdivisions specified on Form 2-FR or categories that are in accord with generally accepted accounting principles. Each person so registered shall prepare and keep current such records.

(d) Each registered leverage transaction merchant, and each person who has applied for registration as a leverage transaction merchant, must make and keep as a record in accordance with § 31.14 of this part formal computations of its adjusted net capital and of its minimum financial requirements pursuant to this section as of the close of business each month. Such computations must be completed and made available for inspection by any representative of the National Futures Association, in the case of an applicant, or of the Commission, the designated self-regulatory organization, if any, or the United States Department of Justice in the case of a registrant, within 30 days after the date for which the computations are made, commencing the first month-end after the date the application for registration is filed.

#### §31.11 Disclosure.

(a) Except as provided in paragraph (i) of this section, prior to the opening of a leverage customer account, a leverage transaction merchant soliciting an order for any leverage contract shall furnish to the prospective leverage customer a dated Disclosure Document and receive from such prospective leverage customer a signed and dated copy of the risk disclosure statement contained in such document which acknowledges that the customer received and understood the Disclosure Document. The Disclosure Document shall contain then current information with respect to the leverage contract being offered by the person soliciting the order therefor, and shall contain:

(1) The following bold-faced risk disclosure statement in at least ten-point type on the first page of the Disclosure Document:

BECAUSE OF THE UNPREDICTABLE NATURE OF THE PRICES OF PRECIOUS AND OTHER METALS, LEVERAGE CONTRACTS INVOLVE A HIGH DEGREE OF RISK AND ARE NOT SUITABLE FOR MANY MEMBERS OF THE PUBLIC. THE LEVERAGE CUSTOMER SHOULD BE AWARE THAT THE VALUE OF A LEVERAGE CONTRACT ORIGINALLY PURCHASED BY A CUSTOMER ("LONG LEVERAGE CONTRACT") MUST EXCEED THE BREAK-EVEN PRICE BEFORE IT IS POSSIBLE TO REALIZE A PROFIT ON THE CONTRACT. SIMILARLY, THE VALUE OF A LEVERAGE CONTRACT ORIGINALLY SOLD BY A LEVERAGE CUSTOMER ("SHORT LEVERAGE CONTRACT") MUST BE LESS THAN THE BREAK-EVEN PRICE BEFORE IT IS POSSIBLE TO REALIZE A PROFIT ON THE CONTRACT. A FILLED IN VERSION OF THE CUSTOMER CONFIRMATION STATEMENT REFLECTING A SINGLE TRANSACTION IN A REPRESENTATIVE LEVERAGE COMMODITY FOR A LONG LEVERAGE TRANSACTION AND A SHORT LEVERAGE TRANSACTION

WHICH INCLUDES A FORMULA FOR CALCULATING AN ESTIMATE OF THE LEVERAGE CONTRACT'S BREAK-EVEN VALUE IS ATTACHED TO THIS DOCUMENT. THIS IS IN THE SAME FORMAT AS THE CONFIRMATION STATEMENT YOU WILL RECEIVE TO CONFIRM YOUR ACTUAL TRANSACTION. BE CERTAIN THAT YOU UNDERSTAND THE INFORMATION PROVIDED BY THIS STATEMENT BEFORE YOU ENTER INTO A LEVERAGE TRANSACTION.

YOU SHOULD ALSO UNDERSTAND THAT THE CHARGES FOR SIMILAR LEVERAGE CONTRACTS WHICH ARE REFLECTED ON THE FILLED-IN CONFIRMATION STATEMENT AS ESTIMATED MAY VARY AMONG LEVERAGE FIRMS, AND THAT SUCH FIRMS HAVE COMPLETE DISCRETION IN SETTING THEIR CHARGES AND THE PRICE OF THE LEVERAGE CONTRACTS THEY OFFER. PRIOR TO ENTERING INTO ANY LEVERAGE CONTRACT A PROSPECTIVE LEVERAGE CUSTOMER SHOULD COMPARE THE CHARGES AND PRICES OF SUCH FIRMS WITH EACH OTHER AND WITH THE COMMISSIONS FOR AND PRICES OF FUTURES CONTRACTS TRADED ON DESIGNATED EXCHANGES.

YOU SHOULD ALSO BE AWARE THAT YOU ARE SUBJECT TO MARGIN CALLS. THE LEVERAGE FIRM RESERVES THE RIGHT TO LIQUIDATE YOUR POSITION IF YOU DO NOT RESPOND TO A MARGIN CALL WITHIN THE TIME SPECIFIED IN YOUR LEVERAGE AGREEMENT. IN ANY EVENT, IF THE EQUITY IN YOUR CONTRACT AT ANY TIME FALLS BELOW 50% OF THE MINIMUM MARGIN, YOUR CONTRACT MAY BE LIQUIDATED WITHOUT PRIOR NOTICE. YOU MUST, HOWEVER, BE NOTIFIED OF LIQUIDATION WITHIN NO MORE THAN 24 HOURS THEREAFTER AND PERMITTED TO REESTABLISH YOUR CONTRACT FOR A PERIOD OF 5 BUSINESS DAYS. LEVERAGE CONTRACTS PURCHASED FROM A LEVERAGE TRANSACTION MERCHANT ARE RE-ESTABLISHED AT THE THEN PREVAILING BID PRICE AND LEVERAGE CONTRACTS SOLD TO A LEVERAGE TRANSACTION MERCHANT ARE RE-ESTABLISHED AT THE THEN PREVAILING ASK PRICE WITHOUT COMMISSIONS, FEES OR OTHER MARKUPS OR CHARGES UNDER RULES SET BY THE COMMODITY FUTURES TRADING COMMISSION, AS MORE COMPLETELY DESCRIBED IN THIS DISCLOSURE DOCUMENT. IN CASE OF LIQUIDATION, ALL OF YOUR FUNDS MAY BE USED TO SETTLE THE DEFICIT IN THE ACCOUNT, AND YOU MAY BE LIABLE FOR ADDITIONAL FUNDS TO SETTLE IN FULL.

IF YOU ARE A FIRST-TIME LEVERAGE CUSTOMER, YOU MAY RESCIND YOUR

FIRST LEVERAGE TRANSACTION SUBJECT ONLY TO ACTUAL PRICE LOSSES BUT OTHERWISE WITHOUT PENALTY FOR THREE BUSINESS DAYS FOLLOWING AND INCLUDING THE DAY OF RECEIPT OF THE CONFIRMATION.

YOU SHOULD BE AWARE THAT IN ORDER TO REALIZE ANY VALUE FROM A LONG LEVERAGE CONTRACT, THE LEVERAGE TRANSACTION MERCHANT WHICH SOLD YOU THE LEVERAGE CONTRACT MUST REPURCHASE IT, OR YOU MUST PAY THE LEVERAGE TRANSACTION MERCHANT THE FULL PURCHASE PRICE FOR THE LEVERAGE CONTRACT, TAKE DELIVERY OF THE LEVERAGE COMMODITY, AND THEN SELL THE LEVERAGE COMMODITY, POSSIBLY AT A LOWER PRICE THAN THE PRICE PAID TO PURCHASE THE LEVERAGE COMMODITY FROM THE LEVERAGE TRANSACTION MERCHANT. YOU SHOULD ALSO BE AWARE THAT IN ORDER TO REALIZE ANY VALUE FROM A SHORT LEVERAGE CONTRACT, THE LEVERAGE TRANSACTION MERCHANT TO WHICH YOU SOLD THE LEVERAGE CONTRACT MUST RESELL IT TO YOU, OR YOU MUST ACQUIRE THE LEVERAGE COMMODITY IN ORDER TO MAKE DELIVERY TO THE LEVERAGE TRANSACTION MERCHANT, POSSIBLY AT A HIGHER PRICE THAN THE PRICE YOU WILL RECEIVE FROM THE LEVERAGE TRANSACTION MERCHANT.

THERE IS NO MARKET FOR THE LEVERAGE CONTRACT ITSELF OTHER THAN TO HAVE IT REPURCHASED BY OR RESOLD TO THE LEVERAGE TRANSACTION MERCHANT. A LEVERAGE TRANSACTION MERCHANT IS UNDER NO OBLIGATION TO OFFER TO REPURCHASE OR RESELL A LEVERAGE CONTRACT AT ALL TIMES, ALTHOUGH THE LEVERAGE TRANSACTION MERCHANT MUST OFFER TO REPURCHASE ANY LONG LEVERAGE CONTRACT PREVIOUSLY PURCHASED BY A LEVERAGE CUSTOMER AND MUST ALSO OFFER TO RESELL ANY SHORT LEVERAGE CONTRACT PREVIOUSLY SOLD BY A LEVERAGE CUSTOMER AT ANY TIME DURING WHICH THE LEVERAGE TRANSACTION MERCHANT IS OFFERING TO ENTER INTO NEW LONG OR SHORT LEVERAGE CONTRACTS WITH CUSTOMERS INVOLVING THE SAME LEVERAGE COMMODITY. AS NOTED ABOVE, HOWEVER, A LEVERAGE TRANSACTION MERCHANT HAS COMPLETE DISCRETION IN SETTING THE PRICE AND ANY CHARGES RELATED THERETO.

THE COMMODITY FUTURES TRADING COMMISSION HAS NOT PASSED UPON THE MERITS OF THESE LEVERAGE CONTRACTS AS AN INVESTMENT VEHICLE NOR UPON THE ACCURACY OR ADEQUACY OF THIS DISCLOSURE DOCUMENT. ANY REPRESENTATION TO THE

CONTRARY IS A VIOLATION OF THE COMMODITY EXCHANGE ACT AND THE REGULATIONS THEREUNDER.

(vii) A description of the manner in which a leverage customer may seek to have a leverage contract repurchased or resold by the leverage transaction merchant, including an explanation of the procedure to be followed by the leverage transaction merchant to effect such repurchase or resale and the manner in which the repurchase or resale price is determined;

(ii) If there has been no such action against any of the foregoing persons, the leverage transaction merchant must make a statement to that effect with respect to each such person.

(b)(1) If the leverage transaction merchant knows or should know that the Disclosure Document is materially inaccurate or incomplete in any respect, it must correct that defect and must distribute the correction to:

(i) All existing leverage customers within 30 calendar days after the date upon which the leverage transaction merchant first knows or has reason to know of the defect; and

(ii) Each prospective leverage customer prior to opening an account for such person.

The leverage transaction merchant may furnish the correction by means of an amended document, a sticker on the document, a notice in a monthly statement or by other similar means.

(2) The leverage transaction merchant may not use the document until such correction is made.

(c) The leverage transaction merchant must date each document and amendment thereto as of the date it is first used.

(d) Subject to the provisions of paragraph (b) of this section, all information contained in the document must be current as of the date of the document.

(g) If any contract term set forth in accordance with paragraph (a)(2) of this section provides that such term is subject to change, the leverage transaction merchant must ensure that this fact, the conditions under which the change may take place, and the foreseeable consequences of the change are

clearly stated in the Disclosure Document, in describing that contract term.

(h) A leverage transaction merchant must transmit a notification to each leverage customer within 24 hours of making any change not otherwise permitted under the contract terms set forth in accordance with paragraph (a)(2) of this section. A notification of any change in the interest rate charged by the leverage transaction merchant must also be transmitted to each leverage customer within twenty-four hours of each change: *Provided, however*, That no notification is required if the change in interest rate is one percent or less as compared to the rate charged at the prior month-end and the new interest rate is made available to customers by means of a toll-free telephone call, and such availability is set forth in the Disclosure Document. The notification required by this paragraph must be transmitted by first class mail or other, at least equivalent, means of communication.

(i) A person soliciting or accepting an order for a leverage contract is not required to deliver a Disclosure Document leverage to a leverage customer, as required by paragraph (a) of this section, if a disclosure document meeting all of the requirements of this section previously has been delivered by the person to the leverage customer: *Provided, however*, That such a Disclosure Document must be delivered:

(2) If the previously delivered Disclosure Document has become outdated or has become inaccurate in any material respect.

### §31.12 Segregation.

(a) Any person that accepts leverage customer funds from a leverage customer to enter into or maintain a leverage contract shall treat and deal with such leverage customer funds as belonging to that leverage customer. Such leverage customer funds: (1) Shall be separately accounted for and segregated as belonging to the leverage customer, (2) shall be kept in the United States, (3) shall not be commingled with the funds of any other person, and (4) shall not be used to secure

or extend the credit of any leverage customer or person other than the one for whom the leverage customer funds are held: *Provided, however,* That the leverage customer funds treated as belonging to a leverage customer may for convenience be commingled with other leverage customer funds and deposited in the same account or accounts with a futures commission merchant or with a bank or trust company located in the United States under conditions set forth in paragraph (b) of this section. Any leverage customer funds when so deposited with a futures commission merchant, bank or trust company, shall be deposited under an account name which clearly indicates that the account contains leverage customer funds that are segregated as required by this section. Each person so depositing any leverage customer funds shall obtain and retain in its files for the period provided in §1.31 of this chapter an acknowledgment from the futures commission merchant, bank or trust company wherein the leverage customer funds have been deposited that the futures commission merchant, bank or trust company has been informed that the leverage customer funds deposited with it are being treated by the depositing person as belonging to leverage customers and are being held in accordance with the provisions of this section. The futures commission merchant, bank or trust company shall allow inspection of such segregated accounts, including all documents pertaining thereto, at any reasonable time by any representative of the Commission or designated self-regulatory organization, if any. Notwithstanding the foregoing, a leverage transaction merchant may exclude from its segregation requirements commissions and other charges lawfully accruing in connection with leverage contracts provided such charges have actually been made to leverage customers' accounts and are shown on the customers' statements.

(b) No leverage customer funds deposited in accordance with paragraph (a) of this section shall be held, disposed of, used or treated as belonging to the depositing person or any person other than the leverage customers from whom the leverage customer funds

were received: *Provided, however,* That leverage customer funds may be used to purchase obligations of the United States, general obligations of any state or of any political subdivision thereof, obligations fully guaranteed as to principal and interest by the United States, or unencumbered warehouse receipts for inventory held in approved contract market depositories or in commercial banks located in the United States which represent cover for leverage contracts purchased by such leverage customers, or may be deposited in a commodity account with a futures commission merchant to margin futures contracts or to purchase commodity options traded on or subject to the rules of a contract market which are permissible cover as described in §31.8(a) (2) and (3) for leverage contracts entered into by such leverage customers. Any use of leverage customer funds as described in this paragraph (b) shall be made through an account or accounts used for the deposit of leverage customer funds, and proceeds from any sale, liquidation or other disposition of obligations or warehouse receipts obtained by such use shall be redeposited in these accounts. Each person that uses leverage customer funds to purchase obligations or warehouse receipts of the type described in this paragraph (b) shall separately account for and segregate the obligations or warehouse receipts as belonging to leverage customers. The obligations or warehouse receipts shall be deposited with a futures commission merchant, bank or trust company in the United States and shall be deposited under an account name which clearly indicates that it contains obligations or warehouse receipts treated as belonging to leverage customers, segregated as required by this section. Each person so depositing any obligations or warehouse receipts shall obtain and retain in its files for the period provided in §1.31 of this chapter an acknowledgment from the futures commission merchant, bank or trust company wherein the obligations or warehouse receipts have been deposited that the futures commission merchant, bank or trust company has been informed that the obligations or warehouse receipts

**§ 31.12****17 CFR Ch. I (4-1-01 Edition)**

are being treated by the depositing person as belonging to leverage customers and are being held in accordance with the provisions of this section. The futures commission merchant, bank or trust company shall allow inspection of such obligations or warehouse receipts at any reasonable time by any representative of the Commission or designated self-regulatory organization, if any. Each person that uses leverage customer funds to margin futures contracts or to purchase commodity options traded on or subject to the rules of a contract market which represent permissible cover for leverage contracts entered into by such leverage customers shall use a commodity account separate from any other commodity account containing futures contracts which do not represent cover. The leverage customer funds deposited in a commodity account with a futures commission merchant to margin futures contracts or to purchase commodity options traded on or subject to the rules of a contract market which represent permissible cover for leverage contracts entered into by such leverage customers shall be deposited under an account name which clearly indicates that it contains obligations treated as belonging to leverage customers, segregated as required by this section. Each person so depositing any leverage customer funds shall obtain and retain in its files for the period provided in § 1.31 of this chapter an acknowledgment from the futures commission merchant wherein the leverage customer funds have been deposited that:

(8) The name of the person to or through which the obligation or warehouse receipt was disposed.

(d) Persons that use leverage customer funds to purchase obligations or unencumbered warehouse receipts described in paragraph (b) of this section shall include such obligations or unencumbered warehouse receipts in segregated accounts at values which do not exceed the lesser of current market value or a value calculated on the basis of a commercial or retail cash price series used to compute the market value of the physical commodities subject to leverage contracts in accordance with § 31.9(a)(1).

(e) The provisions of paragraphs (a) and (b) of this section shall not operate to prevent any person that uses leverage customer funds to purchase government obligations as described therein from receiving and retaining as its own any increment or interest resulting from such government obligations: *Provided, however,* That the leverage transaction merchant fulfills its obligation to pay carrying charges on a short leverage contract, including any margin deposit made in connection with such a contract, in accordance with § 31.25(b).

(f) The amount of leverage customer funds which are and which must be in

a segregated account in order to comply with the requirements of this section shall be computed as of the close of each business day by each person required to segregate such leverage customer funds. A written record of this computation shall be made and kept, together with all supporting data, in accordance with the provisions of §1.31 of this chapter. This daily computation shall be made by noon on the next business day and shall be identical in format to the Schedule of Segregation Requirements and Funds in Segregation contained in Form 2-FR.

Such record shall show separately for each leverage customer a description of the securities or property received; the name and address of such leverage customer; the dates when the securities or property were received; the identity of the depositories or other places where such securities or property are segregated; the dates of deposits and withdrawals from such depositories; and the date of return of such securities or property to such leverage customer, or other disposition thereof, together with the facts and circumstances of such other disposition.

(h) The requirements of paragraphs (a) through (g) of this section shall not be applicable if the leverage transaction merchant is a member of a designated self-regulatory organization and conforms to minimum segregation standards and related reporting requirements set by such designated self-regulatory organization in its bylaws, rules, regulations or resolutions approved by the Commission pursuant to section 19 of the Act and §31.28 of this part.

### § 31.20 Prohibition of guarantees against loss.

(a) No leverage transaction merchant shall in any way represent that it will, with respect to any leverage contract in any account carried by the leverage transaction merchant for or on behalf of any person:

(1) Guarantee such person against loss;

(2) Limit the loss of such person; or

(3) Not call for or attempt to collect initial, minimum or maintenance leverage margin established for customers.

(b) No person shall in any way represent that a leverage transaction merchant will engage in any of the acts or practices described in paragraphs (a)(1), (a)(2) or (a)(3) of this section.

(c) This section shall not be construed to prevent a leverage transaction merchant from assuming or sharing in the losses resulting from an error or mishandling of an order.

(d) This section shall not affect any guarantee entered into prior to the effective date of this section, but this section shall apply to any extension, modification or renewal thereof entered into after such date.

[49 FR 5540, Feb. 13, 1984]

### § 31.21 Leverage contracts entered into prior to April 13, 1984; subsequent transactions.

Nothing contained in these regulations shall be construed to affect any lawful activities that occurred prior to April 13, 1984. All leverage contracts offered or entered into on or after April

13, 1984 shall be subject to the terms and conditions of these regulations.

[54 FR 41082, Oct. 5, 1989]

### § 31.22 Prohibited trading in leverage contracts.

No futures commission merchant or introducing broker shall offer to enter into, enter into, confirm the execution of, or solicit or accept orders for any leverage contract.

[54 FR 41082, Oct. 5, 1989]

### § 31.23 Limited right to rescind first leverage contract.

(a) A leverage customer who is entering a leverage contract or contracts for the first time with a particular leverage transaction merchant may rescind such contract or contracts during a period of not less than three business days from and including the day on which the leverage customer receives the Confirmation Statement pursuant to the following provisions:

(1) Such customer may be assessed actual price losses accruing to the customer's position from the time at which the customer entered into a leverage contract to the time that the leverage contract was rescinded. Such losses do not extend to any other charges or fees, such as account initiation, carrying, margin or account termination;

(2) In the case of a leverage customer whose initial leverage transaction was a purchase of a leverage contract from a leverage transaction merchant (long leverage contract), actual losses accruing to the position may be calculated only by subtracting the ask price of the leverage contract offered by the leverage transaction merchant at the time when the leverage contract was rescinded from the ask price at which the leverage contract was purchased by the leverage customer and which appears on the Confirmation Statement. In the case of a leverage customer whose initial leverage transaction was a sale of a leverage contract to a leverage transaction merchant (short leverage contract), actual losses are calculated by subtracting the bid price at which the leverage contract was sold by the leverage customer and which appears on the Confirmation Statement

## § 31.24

## 17 CFR Ch. I (4-1-01 Edition)

from the bid price of the leverage contract offered by the leverage transaction merchant at the time when the leverage contract was rescinded.

(3) Such customer may rescind the contract by telegram sent to the leverage transaction merchant at the address provided on the confirmation statement, or by telephone to a telephone number provided by the leverage transaction merchant on the Confirmation Statement with immediate written affirmation of rescission by telegram, certified letter or at least equivalent means.

(b) A leverage transaction merchant must make complete refund of all monies received except for actual price losses as calculated in paragraph (a)(2) of this section, to the leverage customer who has rescinded a contract pursuant to paragraph (a) of this section within 24 hours of notification of rescission.

### § 31.24 [Reserved]

### § 31.25 Bid and ask prices; carrying charges.

(a) A leverage transaction merchant must use the same bid price at any particular point in time to purchase a leverage contract from a leverage customer (initiation of a short transaction) and to repurchase a leverage contract from a leverage customer (close-out of a long transaction), and a leverage transaction merchant must use the same ask price at any particular point in time to sell a leverage contract to a leverage customer (initiation of a long transaction) and to resell a leverage contract to a leverage customer (close-out of a short transaction), with respect to contracts involving the same leverage commodity.

(b) A leverage transaction merchant must apply a carrying charge rate on a short leverage contract that is within one percent per annum of the carrying charge rate that it applies to a long leverage contract. In the case of a short leverage contract, the leverage customer must be credited with carrying

charges computed on the total initial value of the contract, using the bid price when the contract was executed, plus any margin deposits made by the leverage customer in connection with the contract, and the same carrying charge rate must be applied to the total initial value of the contract and to the margin deposits. In the case of a long leverage contract, the leverage customer must be assessed carrying charges only on the unpaid balance of the contract, which is the total initial value of the contract, using the ask price when the contract was executed, minus any margin deposits made in connection with the contract: *Provided, however,* That in the case of a long leverage contract, interest on unpaid carrying charges may be assessed at the same rate as the interest rate component of the carrying charges and, if such an assessment were made and if the leverage transaction merchant offers short leverage contracts, payment of interest on carrying charges that have been credited to the leverage customer's account and not withdrawn must be made at the same rate as the interest rate component of the carrying charges.

(k) Whether the leverage customer was the owner or holder of a proprietary leverage account as defined in §31.4(e); and

(l) The profit or loss incurred by the leverage customer on the contract. In the case of a long leverage contract, profit or loss shall be determined by subtracting, from the total value of the contract based on the leverage transaction merchant's bid price at the time of repurchase or liquidation, the total value of the contract based on the ask price at which the contract was entered into, minus any amounts paid or owed by the leverage customer to the leverage transaction merchant, including initial, carrying and termination charges, plus any amounts paid or credited by the leverage transaction merchant to the leverage customer, in connection with the leverage contract. In the case of a short leverage contract, profit or loss shall be determined by subtracting, from the total value of the contract based on the bid price at which the contract was entered into, the total value of the contract based on the leverage transaction merchant's ask price at the time of resale or liquidation, minus any amounts paid or owed by the leverage customer to the leverage transaction merchant, including initial and termination charges, plus any amounts paid or credited by the leverage transaction merchant to the leverage customer, including car-

rying charges, in connection with the leverage contract.

### § 31.27 Registered futures association membership.

Each person registered or required to register as a leverage transaction merchant must become and remain a member of at least one futures association which is registered under section 17 of the Act and which provides for the membership therein of such leverage transaction merchant, unless no such futures association is so registered.

[54 FR 41083, Oct. 5, 1989]

### § 31.28 Self-regulatory organization adoption and surveillance of minimum financial, cover, segregation and sales practice requirements.

(a) Each self-regulatory organization must adopt, and submit for Commission approval, rules prescribing minimum financial, cover, segregation and sales practice, and related reporting requirements for all its members who are registered leverage transaction merchants. Each self-regulatory organization shall submit for Commission approval any modification or other amendments to such rules. Such requirements must be the same as, or more stringent than, those contained in this part 31 and the definition of adjusted net capital must be the same as that prescribed in §31.9(b)(4) of this part.

(b) Each self-regulatory organization which has members who are registered leverage transaction merchants shall have in effect and enforce rules submitted to the Commission pursuant to paragraph (a) of this section and approved by the Commission.

(c) Any two or more self-regulatory organizations may file with the Commission a plan for delegating to a designated self-regulatory organization, for any registered leverage transaction merchant which is a member of more than one such self-regulatory organization, the responsibility of:

(1) Monitoring and auditing for compliance with the minimum financial, cover, segregation and sales practice,

**§ 31.28**

**17 CFR Ch. I (4-1-01 Edition)**

and related reporting requirements adopted by such self-regulatory organizations in accordance with paragraph (a) of this section; and

(2) Receiving the reports necessitated by such minimum financial, cover, segregation and sales practice, and related reporting requirements.

(d) Any plan filed under this section may contain provisions for the allocation of expenses reasonably incurred by the designated self-regulatory organization among the self-regulatory organizations participating in such a plan.

(e) A plan's designated self-regulatory organization must report to that plan's other self-regulatory organizations any violation of such other self-regulatory organizations' rules and regulations for which the responsibility to monitor, audit or examine has been delegated to such designated self-regulatory organization under this section.

(f) The self-regulatory organizations may, among themselves, establish programs to provide access to any necessary information.

(g) After appropriate notice and opportunity for comment, the Commission may, by written notice, approve such a plan, or any part of the plan, if it finds that the plan, or any part of it:

(1) Is necessary or appropriate to serve the public interest;

(2) Is for the protection and in the interest of leverage customers;

(3) Reduces multiple monitoring and auditing for compliance with the minimum financial, cover, segregation and sales practice, and related reporting requirements of the self-regulatory organizations submitting the plan for any leverage transaction merchant which is a member of more than one self-regulatory organization;

(4) Reduces multiple reporting of the information necessitated by such minimum financial, cover, segregation and sales practice, and related reporting requirements by any leverage transaction merchant which is a member of more than one self-regulatory organization;

(5) Fosters cooperation and coordination among the self-regulatory organizations; and

(6) Does not hinder the development of a registered futures association under section 17 of the Act.

(h) After the Commission has approved a plan or part of one under paragraph (g) of this section, a self-regulatory organization relieved of responsibility must notify each of its members which is subject to such a plan:

(1) Of the limited nature of its responsibility for such a member's compliance with its minimum financial, cover, segregation and sales practice, and related reporting requirements; and

(2) Of the identity of the designated self-regulatory organization which has been delegated responsibility for such a member.

(i) The Commission may at any time, after appropriate notice and opportunity for hearing, withdraw its approval of any plan or part of one established under this section, if such plan or part of one ceases to effectuate adequately the purposes of section 19 of the Act or of this section.

(j) Whenever a registered leverage transaction merchant holding membership in a self-regulatory organization ceases to be a member in good standing of that self-regulatory organization, such self-regulatory organization must, on the same day that event takes place, give telegraphic notice of that event to the principal office of the Commission in Washington, DC and send a copy of that notification to such leverage transaction merchant.

(k) Nothing in this section shall preclude the Commission from examining any leverage transaction merchant for compliance with the minimum financial, cover, segregation and sales practice, and related reporting requirements to which such leverage transaction merchant is subject.

(l) In the event a plan is not filed and/or approved for each registered leverage transaction merchant which is a member of more than one self-regulatory organization, the Commission may design and, after notice and opportunity for comment, approve a plan for those leverage transaction merchants which are not the subject of an approved plan (under paragraph (g) of

this section), delegating to a designated self-regulatory organization the responsibilities described in paragraph (c) of this section.

[54 FR 41083, Oct. 5, 1989]

### § 31.29 Arbitration or other dispute settlement procedures.

Each self-regulatory organization which has members who are registered as leverage transaction merchants must be able to demonstrate its capability to promulgate rules and to conduct proceedings which provide a fair, equitable and expeditious procedure, through arbitration or otherwise, for the voluntary settlement of a leverage customer's claim or grievance brought against any member leverage transaction merchant or any employee of a member leverage transaction merchant. Such rules shall be consistent with the rules set forth in part 180 of this chapter governing contract market arbitration and dispute settlement procedures.

(i) The duration of the commodity options being offered and the total quantity and quality of the commodities which may be purchased or sold upon exercise of the options being offered or which underlie the contracts of sale for future delivery which may be purchased or sold upon exercise of such commodity options;

(ii) A listing of the elements comprising the purchase price to be charged, including the premium, mark-ups on the premium, costs, fees and other charges, as well as the method by which the premium is established;

(iii) The services to be provided for the separate elements comprising the purchase price; and

amount of storage, interest, commissions (whether denominated as sales commissions or otherwise), and all similar fees and charges which may be incurred;

(3) A statement to the effect that the price of the commodity or contract of sale for future delivery underlying each option transaction being offered must either rise above the striking price, or fall below the striking price, as the case may be, by an amount in excess of the sum of the premium and all other costs incurred in entering into and exercising the commodity option in order for the option customer to realize a profit on the commodity option transaction;

(4) A clear explanation of the effect of any foreign currency fluctuations with respect to commodity option transactions which are to be executed on or through the facilities of a foreign board of trade;

(5) The following boldfaced statements on the first page of the summary disclosure statement:

A PERSON SHOULD NOT PURCHASE A COMMODITY OPTION UNLESS HE IS PREPARED TO SUSTAIN A TOTAL LOSS OF THE PURCHASE PRICE OF THE COMMODITY OPTION. SUCH TRANSACTIONS SHOULD BE ENTERED INTO ONLY BY PERSONS WHO ARE AWARE OF THE POTENTIAL FOR LOSS AND WHO UNDERSTAND THE NATURE AND EXTENT OF THEIR RIGHTS AND OBLIGATIONS.**

**THESE COMMODITY OPTIONS HAVE NOT BEEN APPROVED OR DISAPPROVED BY THE COMMODITY FUTURES TRADING COMMISSION NOR HAS THE COMMISSION PASSED UPON THE ACCURACY OR ADEQUACY OF THIS STATEMENT. (6) Statements to the effect that:

(i) Specific market movements of the commodities or contracts of sale for future delivery underlying the options being offered cannot be accurately predicted, and

(ii) Generally, an option customer will be unable to sell any option purchased in any market to recover any of

the purchase price, but rather may only liquidate by exercising an option before the expiration date of the option.

(b) A person shall not be required to deliver the summary disclosure statement to an option customer as required by paragraph (a) of this section if a summary disclosure statement has previously been furnished by such person to the option customer: *Provided, however,* That notwithstanding the foregoing, a disclosure statement shall be delivered in any event (1) upon the request of the option customer, or (2) if the previously delivered disclosure statement has become outdated or has become inaccurate in any material respect.

(c) Prior to the entry into a commodity option transaction, each option customer or prospective option customer shall, to the extent the following amounts are known, be informed by the person soliciting or accepting the order therefor of the actual amount of the premium, markups on the premium, costs, fees and other charges comprising the purchase price, as well as the striking price and all costs to be incurred by the option customer if the commodity option is exercised.

(d) Not more than 24 hours after the execution of a commodity option transaction, each person which accepts any money, securities or property (or extends credit in lieu thereof) from an option customer as payment of the purchase price in connection with a commodity option transaction shall furnish, by mail or other generally accepted means of communication, such option customer with a written confirmation statement containing at least the following information:

(1) The actual amount of the purchase price including a separate listing of the premium, mark-ups on the premium, costs, fees, and other charges;

(2) The striking price;

(3) The total quantity and quality of the commodity which may be purchased or sold, or which underlies the contract of sale for future delivery which may be purchased or sold, upon exercise of the commodity option;

(4) The exercise date of the commodity option purchased, and in the case of an option on a contract of sale

### § 32.6 Segregation.

(a) Any person which accepts money, securities, or property from an option customer as payment of the purchase price in connection with a commodity option transaction shall treat and deal with such money, securities, and property as belonging to such option customer until expiration of the term of the option or, if the option customer exercises the option, until all rights of the option customer under the commodity option have been fulfilled. Such money, securities, and property (1) shall be separately accounted for and segregated as belonging to such option customer, (2) shall be kept in the United States, and (3) shall not be commingled with the money, securities, or property of any other person, including the money, securities, or property received by a futures commission merchant to margin, guarantee or secure the trades or contracts of commodity customers (as defined in § 1.3(k) of this chapter) or with the money accruing to such commodity customers as the result of such trades or contracts: *Provided, however*, That the money, securities, or property treated as belonging to an option customer may for convenience be commingled with the money, securities, or property treated as belonging to any other option customer and deposited in the same account or accounts with any bank or trust company in the United States. Such money, securities, and property, when so deposited with any bank or trust company, shall be deposited under an account name which will clearly show that it contains money, securities, or property, segregated as required by this part. Each person depositing such money, securities, or property shall obtain and retain in its files for the period provided in § 1.31 of this chapter an acknowledgment from such bank or trust company that it was informed that the money, securities, and prop-

erty therein are being treated as belonging to option customers and are being held in accordance with the provisions of this part. Such bank or trust company shall allow inspection of such accounts at any reasonable time by representatives of the Commission: *Provided, further*, That, up to a maximum of 10 percent of the money, securities or property accepted from an option customer as payment of the purchase price in connection with a commodity option transaction need not be treated and dealt with as belonging to the option customer and segregated as aforesaid.

Each person depositing such obligations shall obtain and retain in its files an acknowledgment from such bank or trust company that it was informed that the obligations are treated as belonging to option customers and are being held in accordance with the provisions of this part. Such acknowledgment shall be retained for the period provided in § 1.31 of this chapter. Such bank or trust company shall allow inspection of the obligations at

(3) [Reserved]

(4) To the extent that the customer makes payment of the purchase price to the agricultural trade option merchant prior to option expiration or exercise, that amount:

(ii) Any amount not so used shall be treated as belonging to the customer until option expiration or exercise as provided under and in accordance with § 32.6.

(5) Producers may not:

(i) Grant or sell a put option; or

(ii) Grant or sell a call option, except to the extent that such a call option is purchased or combined with a purchased or long put option position, and only to the extent that the customer's call option position does not exceed the customer's put option position in the amount to be delivered. Provided, however, that the options must be entered into simultaneously and expire simul-

(6) All option contracts, including all terms and conditions, offered or sold pursuant to this section shall be in writing, a signed copy of which shall be provided to the customer, or if the contract is verbal, it shall be confirmed in a writing which includes all terms and conditions, signed by the agricultural trade option merchant, and provided to the customer within 48 hours.

(7) Prior to the entry by a customer into the first option transaction with an agricultural trade option merchant, the agricultural trade option merchant shall furnish, through written or electronic media, a summary disclosure statement to the option customer. The summary disclosure statement shall include:

(i) The following statements in bold-face type on the first page(s) of the summary disclosure statement:

This brief statement does not disclose all of the risks and other significant aspects of trading in community trade options. You are encouraged to seek out as much information as possible from sources other than the person selling you this option about the use and risks of option contracts before entering into this contract. The issuer of your option should be willing and able to answer clearly any of your questions.

#### APPROPRIATENESS OF OPTION CONTRACTS

Option contracts may result in the total loss of any funds you pay to the issuer of your option. You should carefully consider whether trading in such instruments is appropriate for you in light of your experience, objectives, financial resources and other relevant circumstances. The issuer of your option contract should be willing and able to explain the financial outcome of your option contract under different market conditions. You should also be aware that this option is not issued by, guaranteed by, or traded on or subject to the rules of a futures exchange. You may be able to obtain a similar contract or execute a similar risk management strategy using an instrument traded on a futures exchange which offers greater regulatory and financial protections.

#### COSTS AND FEES ASSOCIATED WITH AN OPTION CONTRACT

Before entering into an option contract, you should understand all of the costs associated with it. These include the option premium, commissions, fees, costs associated with delivery if the option requires settlement by delivery upon its exercise and any

## Commodity Futures Trading Commission

§ 32.13

other charges which may be incurred. All of these costs and fees must be specified in the terms of your option contract.

### KNOW AND UNDERSTAND THE TERMS OF THE OPTION CONTRACT

Before entering into an option contract, you should know and understand all of the option contract's terms. All of the option contract's terms should be included in the written contract, or for a verbal agreement, in a written confirmation. You should receive a signed copy of either the written contract or of the written confirmation. Your option contract should include contract terms setting:

(A) The total quantity of commodity underlying the option contract;

(B) The strike price(s) of the option contract;

(C) The procedure for exercise of the option contract, including when you can exercise and the latest time and date for exercise;

(D) Whether the option can be offset or canceled prior to expiration;

(E) Whether settlement of the option is for cash or by delivery of the commodity;

(F) If settlement is by delivery, the delivery location or locations, the quality or grade of commodity to be delivered and how adjustments to price for deviations from stated quality or grade are determined;

(G) If settlement is by cash, the method for determining the cash-settlement price; and

(H) The cost and method of payment.

### BUSINESS USE OF TRADE OPTIONS

In order to comply with the law, you must be buying this option for business-related purposes. The terms and structure of the contracts must therefore relate to your activity or commitments in the underlying cash market. Any amendments allowed to the option contract or its cancellation or offset prior to its expiration date must reflect changes in your activity, in your commitments in the underlying cash market or in the carrying of inventory. Producers are not permitted to enter into short call options unless the producer also enters into a long put option contract for the same amount or more of the commodity, at the same time and with the same expiration date. Producers are not permitted to sell put options, whether alone or in combination with a call option.

### DISPUTE RESOLUTION

If a dispute should arise under the terms of this trade option contract, you have the right to choose to use the reparations program run by the Commodity Futures Trading Commission or any other dispute resolution forum provided to you under the terms of your customer agreement or by law. For more information on the Commission's Rep-

arations Program contact: Office of Proceedings, Commodity Futures Trading Commission, Three Lafayette Centre, 1155 21st Street, NW., Washington, DC 20581, (202) 418-5250.

The Commodity Futures Trading Commission does not intend this statement as a recommendation or endorsement of agricultural trade options. These commodity options have not been approved or disapproved by the Commodity Futures Trading Commission, nor has the Commission passed upon the accuracy or adequacy of this disclosure statement. An agricultural trade option merchant, when notifying a customer of its intent to submit a claim or grievance to arbitration under a pre-existing agreement, must advise the customer in writing that the customer within forty-five days may elect to seek reparations under Section 14 of the Act and part 12 of this chapter.

Agricultural trade option merchants shall maintain such books and records as specified in § 1.31 of this chapter, and report to the Commission as provided for in this paragraph (c) and paragraph (d) of this section and as the Commission may otherwise require by rule, regulation, or order. Such books and records shall be open at all times to inspection by any representative of the Commission and the United States Department of Justice.

(d) *Reports.* Agricultural trade option merchants must file annual reports with the Commission at its Washington, DC, headquarters within ninety days after the close of the agricultural trade option merchant's fiscal year, in the form and manner specified by the Commission, which shall contain the following information:

(2) Total number of customers by commodity with open option contracts at the end of the reporting period.

(e) *Special calls.* Upon special call by the Commission for information relating to agricultural trade options offered or sold on the dates specified in the call, each agricultural trade option merchant shall furnish to the Commission within the time specified the following information as specified in the call:

(1) All positions and transactions in agricultural trade options, including information on the identity of agricultural trade option customers and on the value of premiums, fees, commissions, or charges other than option premiums, collected on such transactions.

(2) All related positions and transactions for future delivery or options on contracts for future delivery or on physicals on all contract markets.

(3) All related positions and transactions in cash commodities, their products, and by-products.

(g) *Exemption.* (1) The provisions of §§3.13, 32.2, 32.11 of this chapter and this section shall not apply to a commodity option offered by a person which has a reasonable basis to believe that:

### **§ 33.4 Designation as a contract market for the trading of commodity options.**

The Commission may designate any board of trade located in the United States as a contract market for the trading of options on contracts of sale for future delivery or for options on physicals in any commodity regulated under the Act, when the applicant complies with and carries out the requirements of the Act (as provided in § 33.2), the regulations in this part, and the

following conditions and requirements with respect to the commodity option for which the designation is sought:

(a) Such board of trade—

(1) Applies for designation as a contract market for the purpose of trading “put” and/or “call” options which:

(i) Are not capable of being transferred, assigned or otherwise disposed of other than on or subject to the rules of the board of trade; and

(ii) With respect to options on futures contracts, may be exercised only by the establishment, by book entry, in the clearing organization of positions in the underlying futures contract.

(2) [Reserved]

(3) If designation for the trading of options on futures contracts is sought, is designated as a contract market for the underlying contract of sale for future delivery which is the subject of the option for which designation is sought, and submits, if so requested by the Commission, the information called for by § 1.50 of this chapter (relating to continued compliance with the conditions and requirements for designation as a contract market) for the specified futures contract underlying the option for which the designation is sought, and the applicant complies with the conditions and requirements for designation as a contract market for such contract for future delivery as set forth in sections 5 and 5a(a) of the Act and as set forth in these regulations.

(4) In the case of a contract market which is requesting designation for the trading of options on physicals for which it is designated as a contract market for contracts of sale for future delivery or for options on futures contracts, submits, if so requested by the Commission, the information called for by § 1.50 of this chapter (relating to continued compliance with the conditions and requirements for designation as a contract market) for that specified futures contract and/or options on that futures contract, and the applicant complies with the conditions and requirements for designation as a contract market for such contract for future delivery as set forth in sections 5 and 5a(a) of the Act and as set forth in these regulations.

(5) Demonstrates that:

§ 33.4

17 CFR Ch. I (4-1-01 Edition)

(i) The commodity option for which it is requesting designation is likely to serve a legitimate economic purpose;

(ii)-(iii) [Reserved]

(iv) If designation for the trading of options on physicals is sought and thereafter for the purpose of demonstrating continued compliance with the Act and these regulations:

(A) The cash market for the underlying physical exhibits sufficient liquidity such that the grantor and purchaser of the option have the opportunity to purchase or sell the underlying physical at its economic value in normal cash marketing channels;

(B) There exists an accurate and widely-disseminated price series for the underlying physical which is deliverable on the option contract;

(C) Trading of such options will not be disruptive of trading in the cash market for the underlying physical or of any futures contract; and

(D) The individual terms and conditions of the option contract conform to practices in the underlying cash market or are otherwise justified, including a demonstration that the terms and conditions of the option contract provide for a deliverable supply which is not conducive to price manipulation or distortion, consistent with a description of the cash market furnished by the board of trade.

(b) Such board of trade adopts rules which:

(1) Prescribe in regard to strike prices:

(i) The dollar amount of the intervals between strike prices;

(ii) The strike prices at which trading in a new option expiration will be introduced;

(iii) The point, in terms of the price of the underlying futures contract or underlying physical, at which a new strike price will be introduced in any option which is already trading;

(iv) [Reserved]

(2) Prescribe an expiration date of the option that is not less than one business day before the earlier of the last trading day or the first notice day of any futures contract on the same or a related commodity; *Provided, however*, That where the underlying futures contract is cash-settled, the option

may expire simultaneously with the expiration of the futures contract.

(3) Require that upon exercise of each option, notification thereof be given to the option grantor.

(4) Require, with respect to all written option customer complaints, that each member futures commission merchant which engages in the offer or sale of commodity options regulated under this part:

(i) Retain all such complaints;

(ii) Make and retain a record of the date the complaint was received, the associated person who serviced, or the introducing broker who introduced, the account, a general description of the matter complained of, and what, if any, action was taken by the futures commission merchant in regard to the complaint; and

(5) Require each member futures commission merchant which engages in the offer or sale of option contracts regulated under this part to adopt and enforce written procedures pursuant to which it will be able to supervise adequately each option customer's account, including but not limited to, the solicitation of any such account: *Provided*, That as used in this paragraph (b)(5), the term "option customer" does not include another futures commission merchant.

(6) [Reserved]

(7) Require each member futures commission merchant which engages in the offer or sale of option contracts regulated under this part to enforce the disclosure requirements set forth in § 33.7.

(8)-(9) [Reserved]

(10) Prohibit fraudulent or high-pressure sales communications by member futures commission merchants relating to the offer or sale of option contracts regulated under this part.

(11) Establish appropriate criteria which are reasonably designed to secure performance, upon exercise, of the option contracts.

(c) Such board of trade establishes procedures and conducts sales practice audits of member futures commission merchants which engage in the offer or sale of option contracts regulated under this part. These sales practice audits must be of sufficient scope to

## § 33.6

enforce the contract market's rules, including investigation for the improper handling of discretionary accounts, inadequate internal supervision, fraudulent or high-pressure sales communications, compliance with disclosure requirements, improper handling and disposition of option customer complaints, and, where applicable, the futures commission merchant's offer or sale of deep-out-of-the-money options.

(d) A board of trade must submit an analysis and justification of the individual terms and conditions of the option contract. In determining whether to approve option contract terms and conditions, the Commission may consider the analysis and justification submitted for such terms and conditions, including, without limitation:

(1) [Reserved]

(2) The conditions precedent to the exercise of the commodity option and the method by which the option may be exercised;

(3) The nature of the clearing mechanism to be utilized for the commodity option, and the differences, if any, among the clearing mechanisms for options on futures contracts, options on physicals, and futures contracts;

(4) Specific notice periods, including the periods from the date notice of intent to exercise an option is given until exercise is accomplished;

(5) The default provisions and procedures of the commodity option, if any; and

(6) Permitted deviations from or substitutes for compliance with the terms and conditions set forth in paragraphs (d) (1) through (5) of this section.

(e) Such board of trade provides for the general quotation and dissemination of volume and last sale price information on a timely basis with respect to the commodity option for which designation is sought and with respect to the underlying futures contract.

(f) Such board of trade demonstrates that clearance and processing of option transactions on or subject to the rules of the board of trade will not adversely affect the clearance and processing of any transactions for future delivery on

or subject to the rules of the board of trade.

### § 33.6 Suspension or revocation of designation as a contract market for the trading of commodity options.

The Commission may, after notice and opportunity for a hearing on the record, suspend or revoke the designation of any board of trade as a contract market in a commodity option for which it is designated if the Commission determines that:

(a) The board of trade, or any director, officer, agent, or employee thereof, is violating or has violated any of the provisions of this part.

(c) The option market is not used on more than an occasional basis for other than speculative purposes by producers, processors, merchants or commercial users engaged in handling or utilizing the commodity (including the products, by-products or source commodity thereof) underlying an option, in interstate commerce; or

(d) Option trading on the contract market in that contract is contrary to the protection of option customers or the underlying futures or cash markets, or is otherwise contrary to the public interest: *Provided*, That pending completion of any proceeding under this section, the Commission may suspend such designation for the duration of the proceedings, if in the Commission's judgment, the continuation of such trading presents a substantial risk to the public interest.

#### § 33.7 Disclosure.

(a)(1) Except as provided in § 1.65 of this chapter, no futures commission merchant, or in the case of an introduced account no introducing broker, may open or cause the opening of a commodity option account for an option customer, other than for a customer specified in § 1.55(f) of this chapter, unless the futures commission merchant or introducing broker first:

(i) Furnishes the option customer with a separate written disclosure statement as set forth in this section or another statement approved under § 1.55(c) of this chapter and set forth in appendix A to § 1.55 which the Commission finds satisfies this requirement, or includes either such statement in a booklet containing the customer account agreement and other disclosure statements required by Commission rules; *provided, however*, that if the statement contained in § 33.7 is used it

must follow the statement required by § 1.55; and

(ii) Subject to the provisions of § 1.55(d) of this chapter, receives from the option customer an acknowledgment signed and dated by the option customer that he received and understood the disclosure statement.

(2) The disclosure statement and the acknowledgment shall be retained by the futures commission merchant or the introducing broker in accordance with § 1.31 of this chapter. The disclosure statement must be as set forth in paragraph (b) of this section, typed or printed in type of not less than 10-point size, and, where indicated, in all capital letters.

(b) The disclosure statement must read as follows:

#### Options Disclosure Statement

BECAUSE OF THE VOLATILE NATURE OF THE COMMODITIES MARKETS, THE PURCHASE AND GRANTING OF COMMODITY OPTIONS INVOLVE A HIGH DEGREE OF RISK. COMMODITY OPTION TRANSACTIONS ARE NOT SUITABLE FOR MANY MEMBERS OF THE PUBLIC. SUCH TRANSACTIONS SHOULD BE ENTERED INTO ONLY BY PERSONS WHO HAVE READ AND UNDERSTOOD THIS DISCLOSURE STATEMENT AND WHO UNDERSTAND THE NATURE AND EXTENT OF THEIR RIGHTS AND OBLIGATIONS AND OF THE RISKS INVOLVED IN THE OPTION TRANSACTIONS COVERED BY THIS DISCLOSURE STATEMENT.

BOTH THE PURCHASER AND THE GRANTOR SHOULD KNOW WHETHER THE PARTICULAR OPTION IN WHICH THEY CONTEMPLATE TRADING IS AN OPTION WHICH, IF EXERCISED, RESULTS IN THE ESTABLISHMENT OF A FUTURES CONTRACT (AN "OPTION ON A FUTURES CONTRACT") OR RESULTS IN THE MAKING OR TAKING OF DELIVERY OF THE ACTUAL COMMODITY UNDERLYING THE OPTION (AN "OPTION ON A PHYSICAL COMMODITY"). BOTH THE PURCHASER AND THE GRANTOR OF AN OPTION ON A PHYSICAL COMMODITY SHOULD BE AWARE THAT, IN CERTAIN CASES, THE DELIVERY OF THE ACTUAL COMMODITY UNDERLYING THE OPTION MAY NOT BE REQUIRED AND THAT, IF THE OPTION IS EXERCISED, THE OBLIGATIONS OF THE PURCHASER AND GRANTOR WILL BE SETTLED IN CASH.

BOTH THE PURCHASER AND THE GRANTOR SHOULD KNOW WHETHER THE PARTICULAR OPTION IN WHICH THEY CONTEMPLATE TRADING IS SUBJECT TO

A "STOCK-STYLE" OR "FUTURES-STYLE" SYSTEM OF MARGINING. UNDER A STOCK-STYLE MARGINING SYSTEM, A PURCHASER IS REQUIRED TO PAY THE FULL PURCHASE PRICE OF THE OPTION AT THE INITIATION OF THE TRANSACTION. THE PURCHASER HAS NO FURTHER OBLIGATION ON THE OPTION POSITION. UNDER A FUTURES-STYLE MARGINING SYSTEM, THE PURCHASER DEPOSITS INITIAL MARGIN AND MAY BE REQUIRED TO DEPOSIT ADDITIONAL MARGIN IF THE MARKET MOVES AGAINST THE OPTION POSITION. THE PURCHASER'S TOTAL SETTLEMENT VARIATION MARGIN OBLIGATION OVER THE LIFE OF THE OPTION, HOWEVER, WILL NOT EXCEED THE ORIGINAL OPTION PREMIUM, ALTHOUGH SOME INDIVIDUAL PAYMENT OBLIGATIONS AND/OR RISK MARGIN REQUIREMENTS MAY AT TIMES EXCEED THE ORIGINAL OPTION PREMIUM. IF THE PURCHASER OR GRANTOR DOES NOT UNDERSTAND HOW OPTIONS ARE MARGINED UNDER A STOCK-STYLE OR FUTURES-STYLE MARGINING SYSTEM, HE OR SHE SHOULD REQUEST AN EXPLANATION FROM THE FUTURES COMMISSION MERCHANT ("FCM") OR INTRODUCING BROKER ("IB").

A PERSON SHOULD NOT PURCHASE ANY COMMODITY OPTION UNLESS HE OR SHE IS ABLE TO SUSTAIN A TOTAL LOSS OF THE PREMIUM AND TRANSACTION COSTS OF PURCHASING THE OPTION. A PERSON SHOULD NOT GRANT ANY COMMODITY OPTION UNLESS HE OR SHE IS ABLE TO MEET ADDITIONAL CALLS FOR MARGIN WHEN THE MARKET MOVES AGAINST HIS OR HER POSITION AND, IN SUCH CIRCUMSTANCES, TO SUSTAIN A VERY LARGE FINANCIAL LOSS.

A PERSON WHO PURCHASES AN OPTION SUBJECT TO STOCK-STYLE MARGINING SHOULD BE AWARE THAT, IN ORDER TO REALIZE ANY VALUE FROM THE OPTION, IT WILL BE NECESSARY EITHER TO OFFSET THE OPTION POSITION OR TO EXERCISE THE OPTION. OPTIONS SUBJECT TO FUTURES-STYLE MARGINING ARE MARKED TO MARKET, AND GAINS AND LOSSES ARE PAID AND COLLECTED DAILY. IF AN OPTION PURCHASER DOES NOT UNDERSTAND HOW TO OFFSET OR EXERCISE AN OPTION, THE PURCHASER SHOULD REQUEST AN EXPLANATION FROM THE FCM OR IB. CUSTOMERS SHOULD BE AWARE THAT IN A NUMBER OF CIRCUMSTANCES, SOME OF WHICH WILL BE DESCRIBED IN THIS DISCLOSURE STATEMENT, IT MAY BE DIFFICULT OR IMPOSSIBLE TO OFFSET AN EXISTING OPTION POSITION ON AN EXCHANGE.

THE GRANTOR OF AN OPTION SHOULD BE AWARE THAT, IN MOST CASES, A COMMODITY OPTION MAY BE EXERCISED

AT ANY TIME FROM THE TIME IT IS GRANTED UNTIL IT EXPIRES. THE PURCHASER OF AN OPTION SHOULD BE AWARE THAT SOME OPTION CONTRACTS MAY PROVIDE ONLY A LIMITED PERIOD OF TIME FOR EXERCISE OF THE OPTION.

THE PURCHASER OF A PUT OR CALL SUBJECT TO STOCK-STYLE OR FUTURES-STYLE MARGINING IS SUBJECT TO THE RISK OF LOSING THE ENTIRE PURCHASE PRICE OF THE OPTION—THAT IS, THE PREMIUM CHARGED FOR THE OPTION PLUS ALL TRANSACTION COSTS.

THE COMMODITY FUTURES TRADING COMMISSION REQUIRES THAT ALL CUSTOMERS RECEIVE AND ACKNOWLEDGE RECEIPT OF A COPY OF THIS DISCLOSURE STATEMENT BUT DOES NOT INTEND THIS STATEMENT AS A RECOMMENDATION OR ENDORSEMENT OF EXCHANGE-TRADED COMMODITY OPTIONS.

(1) Some of the risks of option trading.

Specific market movements of the underlying future or underlying physical commodity cannot be predicted accurately.

The grantor of a call option who does not have a long position in the underlying futures contract or underlying physical commodity is subject to risk of loss should the price of the underlying futures contract or underlying physical commodity be higher than the strike price upon exercise or expiration of the option by an amount greater than the premium received for granting the call option.

The grantor of a call option who has a long position in the underlying futures contract or underlying physical commodity is subject to the full risk of a decline in price of the underlying position reduced by the premium received for granting the call. In exchange for the premium received for granting a call option, the option grantor gives up all of the potential gain resulting from an increase in the price of the underlying futures contract or underlying physical commodity above the option strike price upon exercise or expiration of the option.

The grantor of a put option who does not have a short position in the underlying futures contract or underlying physical commodity (*e.g.*, commitment to sell the physical) is subject to risk of loss should the price of the underlying futures contract or underlying physical commodity decrease below the strike price upon exercise or expiration of the option by an amount in excess of the premium received for granting the put option.

The grantor of a put option on a futures contract who has a short position in the underlying futures contract is subject to the full risk of a rise in the price in the underlying position reduced by the premium received for granting the put. In exchange for

the premium received for granting a put option on a futures contract, the option grantor gives up all of the potential gain resulting from a decrease in the price of the underlying futures contract below the option strike price upon exercise or expiration of the option. The grantor of a put option on a physical commodity who has a short position (*e.g.*, commitment to sell the physical) is subject to the full risk of a rise in the price of the physical commodity which must be obtained to fulfill the commitment reduced by the premium received for granting the put. In exchange for the premium, the grantor of a put option on a physical commodity gives up all the potential gain which would have resulted from a decrease in the price of the commodity below the option strike price upon exercise or expiration of the option.

(2) *Description of commodity options.* Prior to entering into any transaction involving a commodity option, an individual should thoroughly understand the nature and type of option involved and the underlying futures contract or physical commodity. The futures commission merchant or introducing broker is required to provide, and the individual contemplating an option transaction should obtain:

(i) An identification of the futures contract or physical commodity underlying the option and which may be purchased or sold upon exercise of the option or, if applicable, whether exercise of the option will be settled in cash;

(ii) The procedure for exercise of the option contract, including the expiration date and latest time on that date for exercise. (The latest time on an expiration date when an option may be exercised may vary; therefore, option market participants should ascertain from their futures commission merchant or their introducing broker the latest time the firm accepts exercise instructions with respect to a particular option.);

(iii) A description of the purchase price of the option including the premium, commissions, costs, fees and other charges. (Since commissions and other charges may vary widely among futures commission merchants and among introducing brokers, option customers may find it advisable to consult more than one firm when opening an option account.);

(iv) A description of all costs in addition to the purchase price which may be incurred if the commodity option is exercised, including the amount of commissions (whether termed sales commissions or otherwise), storage, interest, and all similar fees and charges which may be incurred;

(v) An explanation and understanding of the option margining system;

(vi) A clear explanation and understanding of any clauses in the option contract and of any items included in the option contract explicitly or by reference which might affect

the customer's obligations under the contract. This would include any policy of the futures commission merchant or the introducing broker or rule of the exchange on which the option is traded that might affect the customer's ability to fulfill the option contract or to offset the option position in a closing purchase or closing sale transaction (for example, due to unforeseen circumstances that require suspension or termination of trading); and

(vii) If applicable, a description of the effect upon the value of the option position that could result from limit moves in the underlying futures contract.

(3) *The mechanics of option trading.* Before entering into any exchange-traded option transaction, an individual should obtain a description of how commodity options are traded.

Option customers should clearly understand that there is no guarantee that option positions may be offset by either a closing purchase or closing sale transaction on an exchange. In this circumstance, option grantors could be subject to the full risk of their positions until the option position expires, and the purchaser of a profitable option might have to exercise the option to realize a profit.

For an option on a futures contract, an individual should clearly understand the relationship between exchange rules governing option transactions and exchange rules governing the underlying futures contract. For example, an individual should understand what action, if any, the exchange will take in the option market if trading in the underlying futures market is restricted or the futures prices have made a "limit move."

The individual should understand that the option may not be subject to daily price fluctuation limits while the underlying futures may have such limits, and, as a result, normal pricing relationships between options and the underlying future may not exist when the future is trading at its price limit. Also, underlying futures positions resulting from exercise of options may not be capable of being offset if the underlying future is at a price limit.

(4) *Margin requirements.* An individual should know and understand whether the option he or she is contemplating trading is subject to a stock-style or futures-style system of margining. Stock-style margining requires the purchaser to pay the full option premium at the time of purchase. The purchaser has no further financial obligations, and the risk of loss is limited to the purchase price and transaction costs. Futures-style margining requires the purchaser to pay initial margin only at the time of purchase. The option position is marked to market, and gains and losses are collected and paid daily. The purchaser's risk of loss is

limited to the initial option premium and transaction costs.

An individual granting options under either a stock-style or futures-style system of margining should understand that he or she may be required to pay additional margin in the case of adverse market movements.

(5) Profit potential of an option position. An option customer should carefully calculate the price which the underlying futures contract or underlying physical commodity would have to reach for the option position to become profitable. Under a stock-style margining system, this price would include the amount by which the underlying futures contract or underlying physical commodity would have to rise above or fall below the strike price to cover the sum of the premium and all other costs incurred in entering into and exercising or closing (offsetting) the commodity option position. Under a future-style margining system, option positions would be marked to market, and gains and losses would be paid and collected daily, and an option position would become profitable once the variation margin collected exceeded the cost of entering the contract position.

Also, an option customer should be aware of the risk that the futures price prevailing at the opening of the next trading day may be substantially different from the futures price which prevailed when the option was exercised. Similarly, for options on physicals that are cash settled, the physicals price prevailing at the time the option is exercised may differ substantially from the cash settlement price that is determined at a later time. Thus, if a customer does not cover the position against the possibility of underlying commodity price change, the realized price upon option exercise may differ substantially from that which existed at the time of exercise.

(6) *Deep-out-of-the-money options.* A person contemplating purchasing a deep-out-of-the-money option (that is, an option with a strike price significantly above, in the case of a call, or significantly below, in the case of a put, the current price of the underlying futures contract or underlying physical commodity) should be aware that the chance of such an option becoming profitable is ordinarily remote.

On the other hand, a potential grantor of a deep-out-of-the-money option should be aware that such options normally provide small premiums while exposing the grantor to all of the potential losses described in section (1) of this disclosure statement.

(7) *Glossary of terms.* (i) *Contract market.* Any board of trade (exchange) located in the United States which has been designated by the Commodity Futures Trading Commission to list a futures contract or commodity option for trading.

(ii) *Exchange-traded option; put option; call option.* The options discussed in this disclosure statement are limited to those which may be traded on a contract market. These options (subject to certain exceptions) give an option purchaser the right to buy in the case of a call option, or to sell in the case of a put option, a futures contract or the physical commodity underlying the option at the stated strike price prior to the expiration date of the option. Each exchange-traded option is distinguished by the underlying futures contract or underlying physical commodity, strike price, expiration date, and whether the option is a put or a call.

(iii) *Underlying futures contract.* The futures contract which may be purchased or sold upon the exercise of an option on a futures contract.

(iv) *Underlying physical commodity.* The commodity of a specific grade (quality) and quantity which may be purchased or sold upon the exercise of an option on a physical commodity.

(v) *Class of options.* A put or a call covering the same underlying futures contract or underlying physical commodity.

(vi) *Series of options.* Options of the same class having the same strike price and expiration date.

(vii) *Exercise price.* See strike price.

(viii) *Expiration date.* The last day when an option may be exercised.

(ix) *Premium.* The amount agreed upon between the purchaser and seller for the purchase or sale of a commodity option.

(x) *Strike price.* The price at which a person may purchase or sell the underlying futures contract or underlying physical commodity upon exercise of a commodity option. This term has the same meaning as the term "exercise price."

(xi) *Short option position.* See opening sale transaction.

(xii) *Long option position.* See opening purchase transaction.

(xiii) *Types of options transactions—(A) Opening purchase transaction.* A transaction in which an individual purchases an option and thereby obtains a long option position.

(B) *Opening sale transaction.* A transaction in which an individual grants an option and thereby obtains a short option position.

(C) *Closing purchase transaction.* A transaction in which an individual with a short option position liquidates the position. This is accomplished by a closing purchase transaction for an option of the same series as the option previously granted. Such a transaction may be referred to as an offset transaction.

(D) *Closing sale transaction.* A transaction in which an individual with a long option position liquidates the position. This is accomplished by a closing sale transaction for an

### § 33.8

option of the same series as the option previously purchased. Such a transaction may be referred to as an offset transaction.

(xiv) *Purchase price.* The total actual cost paid or to be paid, directly or indirectly, by a person to acquire a commodity option. This price includes all commissions and other fees, in addition to the option premium.

(xv) *Grantor, writer, seller.* An individual who sells an option. Such a person is said to have a short position.

(xvi) *Purchaser.* An individual who buys an option. Such a person is said to have a long position.

(c) Prior to the entry of the first commodity option transaction for the account of an option customer, a futures commission merchant or an introducing broker, or the person soliciting or accepting the order therefor, must provide an option customer with all of the information required under the disclosure statement, including the commissions, costs, fees and other charges to be incurred in connection with the commodity option transaction and all costs to be incurred by the option customer if the commodity option is exercised: *Provided*, That the futures commission merchant or the introducing broker, or the person soliciting or accepting the order therefor, must provide current information to an option customer if information provided previously has become inaccurate.

(d) Prior to the entry into a commodity option transaction on or subject to the rules of a contract market, each option customer or prospective option customer shall, to the extent the following amounts are known or can reasonably be approximated, be informed by the person soliciting or accepting the order therefor of the amount of the strike price and the premium (and any mark-ups thereon, if applicable).

(e) A futures commission merchant and an introducing broker must establish the necessary procedures and supervision to ensure compliance with the requirements of this section.

(f) This section does not relieve a futures commission merchant or an introducing broker from any obligation under the Act or the regulations thereunder, including the obligation to disclose all material information to existing or prospective option customers

(c) The contract market on which the section 4(c) contract market transaction is traded or executed complies with the provisions of this part.

#### **§36.3 Section 4(c) contract market trading rules.**

A board of trade may submit for Commission review, pursuant to the expedited procedures set forth in this paragraph, trading rules for section 4(c) contract market transactions (“special execution procedures”) that need not meet the requirements of sec-

tions 4b(a)(iv), 4b(b) and 4c(a) of the Act and §§1.38(a), 1.39, 155.2, 155.3 and 155.4 of this chapter, provided that such section 4(c) contract market trading rules satisfy the terms and conditions of this section.

(a) *Definition.* “Special execution procedures” means contract market rules permitting noncompetitive bids, offers, negotiation, and/or execution of orders and transactions.

(b) Special execution procedures that permit a member to trade for his own account opposite the account of another member must provide for an audit trail that meets the requirements of §1.35(a), (e), (g) and (i) and §1.38(b) of this chapter.

(c) Special execution procedures that permit a futures commission merchant or floor broker to take the opposite side of a customer order for its own account or permit the execution of orders directly between customer accounts of different principals must provide for an audit trail that meets the requirements of paragraph (b) of this section and that also requires a written record of each customer order which must consist of customer account identification, terms of the order, including price-specific instruction from the customer, order number, and time of order receipt. No order shall be executed without price-specific instruction from the customer. Procedures submitted under this paragraph also must include a specific prohibition against disclosure of customer order information other than to facilitate execution thereof and a requirement that members provide to their customers, in writing, prior to the initial execution for that customer of any transaction using these procedures, a description of the special execution procedures and, in particular, how they vary from on-floor competitive trading procedures.

(d) Section 4(c) contract market trading rules that provide that transactions may be executed using any combination of special execution procedures and competitive on-floor trading procedures must set forth the circumstances under which such transactions could occur competitively on-floor, provided that any transaction executed using special execution procedures be in compliance with paragraphs

(2) The immediate post-execution report of each purchase and each sale transaction and dissemination on the relevant market floor, trading screen, and/or vendor service through the board of trade's market quotation system of the price, quantity, and contract traded pursuant to this section. Transactions may be executed pursuant to this section only during hours in which such immediate post-execution dissemination is available;

(3) The report to clearing, and clearing, of each transaction concluded pursuant to this section as quickly as practicable, but in no event later than required for trades subject to §§1.38 and 1.39 of this chapter; and

(4) Compliance with §36.9 of this part, except that any trade executed using special execution procedures in compliance with this section need not be in compliance with section 4b(a)(iv) of the Act.

(f)(1) Transactions offered or entered into in compliance with special execution procedures submitted to the Commission and permitted to become effective pursuant to the terms of this part shall not be deemed to violate sections 4b(a) (iv), 4b(b), or 4c(a) of the Act or §§1.38(a), 1.39, 155.2, 155.3 or 155.4 of this chapter.

(2) No person shall offer or enter into any section 4(c) contract market transaction, unless it meets all requirements of the applicable special execution procedures submitted to the Commission and permitted to become effective pursuant to the terms of this part.

Upon such notification by the Commission or its delegee, the submission will be subject to the usual procedures for rule approval under section 5a(a)(12)(A) of the Act and §1.41(b) of this chapter.

(4) Once trading in a section 4(c) contract market transaction has commenced, any modification to any approved section 4(c) contract market trading rule must be submitted to the Commission for review pursuant to the standards and procedures for section 4(c) contract market trading rules set forth in this section.

[48 FR 15464, Apr. 11, 1983]

### § 140.24 Control and accountability procedures.

Persons entrusted with classified information shall be responsible for providing protection and accountability for such information at all times and for locking classified information in approved security equipment whenever it is not in use or under direct supervision of authorized persons.

(a) *General safeguards.* (1) Classified material must not be left in unoccupied rooms or be left inadequately protected in an occupied office, or one occupied by other than security cleared employees. Under no circumstances shall classified material be placed in desk drawers or anywhere other than in approved storage containers.

(2) Employees using classified material shall take every precaution to prevent deliberate or casual inspection of it by unauthorized persons. Classified material shall be kept under constant surveillance and face down or covered when not in use.

(3) All copies of classified documents and any informal material such as memoranda, rough drafts, shorthand notes, carbon copies, carbon paper, typewriter ribbons, recording discs, spools and tapes shall be given the same classification and secure handling as the classified information they contain.

(4) Commission personnel authorized to use classified materials will obtain them from the Executive Director or his delegee on the day required and return them to the Executive Director or his delegee before the close of business on the same day.

(5) Classified information shall not be revealed in telephone or telecommunications conversations.

(6) Any person who has knowledge of the loss or possible compromise of classified information shall immediately report the circumstances either to the Security Officer or to the Executive Director or his delegee. The Executive

Director or his delegee shall initiate a preliminary inquiry to determine the circumstances surrounding an actual or possible compromise, and to determine what corrective measures and administrative, disciplinary, or legal action is necessary.

(b) *Reproduction controls.* (1) The number of copies of documents containing classified information must be kept to the minimum required by operational necessity to decrease the risk of compromise and reduce storage costs.

(2) Top Secret documents, except for the controlled initial distribution of information processed or received electrically, shall not be reproduced without the consent of the originator.

(3) Unless restricted by the originating agency, Secret and Confidential documents may be reproduced to the extent required by operational needs.

(4) Reproduced copies of classified documents shall be subject to the same accountability and controls as the original documents.

(5) Classified reproduction shall be controlled by persons with the proper level of security clearance.

(6) Records shall be maintained to show the number and distribution of reproduced copies to all Top Secret documents, of all classified documents covered by special access programs distributed outside the originating agency, and of all Secret and Confidential documents which are marked with special dissemination and reproduction limitations.

(7) Unauthorized reproduction of classified material will be subject to appropriate disciplinary action.

(c) *Storage of classified material.* (1) All classified material in the custody of the Commission will be stored in accordance with the guidelines set forth in 32 CFR 2001.43.

(2) In addition, the Commission remains subject to the provisions of 32 CFR part 2001, *et seq.*, insofar as they are applicable to classified materials held by the Commission.

The authority to make such a determination is also delegated by the Commission to the Commission employees identified

(c) Notwithstanding the provisions of paragraph (a) of this section, in any case in which a Commission employee delegated authority under this section believes it appropriate, he or she may submit to the Commission for its consideration the question of whether disclosure of information should be made.

(d) For purposes of this section, the term "official" shall mean any officer or member of a committee of a contract market, registered futures association or self-regulatory organization who is specifically charged with market surveillance or audit or investigative responsibilities, or their duly authorized representative or agent, who is named on the list filed pursuant to paragraph (b) of this section or any supplement thereto.

(e) For the purposes of this section, the term "self-regulatory organization" shall mean the same as that defined in section 3(a) (26) of the Securities Exchange Act of 1934.

(f) Any contract market, registered futures association or self-regulatory

organization receiving information from the Commission under these provisions shall not disclose such information except that disclosure may be made in any self-regulatory action or proceeding.

(3) Any foreign futures authority, as defined in section 1a(10) of the Act, or any department or agency of any foreign government or political subdivision thereof, acting within the scope of

(b) Any disclosure made pursuant to paragraph (a) of this section shall be made with the concurrence of the Director of the Division of Enforcement or in his or her absence a Deputy Director of the Division of Enforcement. [57 FR 61291, Dec. 24, 1992]

**§ 140.99 Requests for exemptive, no-action and interpretative letters.**

(a) *Definitions.* For the purpose of this section:

(1) *Exemptive letter* means a written grant of relief issued by the staff of a Division of the Commission from the applicability of a specific provision of the Act or of a rule, regulation or order issued thereunder by the Commission. An exemptive letter may only be issued by staff of a Division when the Commission itself has exemptive authority and that authority has been delegated by the Commission to the Division in question. An exemptive letter binds the Commission and its staff with respect to the relief provided therein. Only the Beneficiary may rely upon the exemptive letter.

(2) *No-action letter* means a written statement issued by the staff of a Division of the Commission or of the Office of the General Counsel that it will not recommend enforcement action to the Commission for failure to comply with a specific provision of the Act or of a Commission rule, regulation or order if a proposed transaction is completed or a proposed activity is conducted by the Beneficiary. A no-action letter represents the position only of the Division that issued it, or the Office of the General Counsel if issued thereby. A no-action letter binds only the issuing Division or the Office of the General Counsel, as applicable, and not the Commission or other Commission staff. Only the Beneficiary may rely upon the no-action letter.

(3) *Interpretative letter* means written advice or guidance issued by the staff of a Division of the Commission or the Office of the General Counsel. An interpretative letter binds only the issuing

Division or the Office of the General Counsel, as applicable, and does not bind the Commission or other Commission staff. An interpretative letter may be relied upon by persons in addition to the Beneficiary.

(4) *Letter* means an exemptive, no-action or interpretative letter.

(5) *Division* means the Division of Trading and Markets or the Division of Economic Analysis.

(b) *General requirements.* (1) Issuance of a Letter is entirely within the discretion of Commission staff.

(2) Each request for a Letter must comply with the requirements of this section. Commission staff may reject or decline to respond to a request that does not comply with the requirements of this section.

(3) The request must relate to a proposed transaction or a proposed activity. Absent extraordinary circumstances, Commission staff will not issue a Letter based upon transactions or activities that have been completed or activities that have been conducted prior to the date upon which the request is filed with the Commission.

(4) The request must be made by or on behalf of the person whose activities or transactions are the subject of the request. Commission staff will not respond to a request for a Letter that is made by or on behalf of an unidentified person.

(5)(i) The request must set forth as completely as possible all material facts and circumstances giving rise to the request.

(ii) Commission staff will not respond to a request based on a hypothetical situation. However, a requester may set forth one or more alternative structures or fact situations for a proposed transaction or activity; *Provided*, That the request complies with this section with respect to each alternative structure or fact situation.

(c) *Information requirements.* Each request for a Letter must comply with the following information requirements:

(1)(i) A request made by the person on whose behalf the Letter is sought must contain:

(A) The name, main business address, main telephone number and, if applicable, the National Futures Association

## Commodity Futures Trading Commission

## § 140.99

registration identification number of such person; and

(B) The name and, if applicable, the National Futures Association registration identification number of each other person for whose benefit the person is seeking the Letter.

(ii) When made by a requester other than the person on whose behalf the Letter is sought, the request must contain:

(A) The name, main business address and main business telephone number of the requester;

(B) The name and, if applicable, the National Futures Association registration identification number of the person on whose behalf the Letter is sought; and

(C) The name and, if applicable, the National Futures Association registration identification number of each other person for whose benefit the requester is seeking the Letter.

(iii) The request must provide the name, address and telephone number of a contact person from whom Commission staff may obtain additional information if necessary.

(2) The section number of the particular provision of the Act and/or Commission rules, regulations or orders to which the request relates must be set forth in the upper right-hand corner of the first page of the request.

(3) The request must be accompanied by:

(i) A certification by a person with knowledge of the facts that the material facts as represented in the request are true and complete. The following form of certification is sufficient for this purpose:

I hereby certify that the material facts set forth in the attached letter dated \_\_\_\_\_ are true and complete to the best of my knowledge.

(name and title) \_\_\_\_\_  
and

(ii) An undertaking made by the person on whose behalf the Letter is sought or by that person's authorized representative that, if at any time prior to issuance of a Letter, any material representation made in the request ceases to be true and complete, the person who made the undertaking will ensure that Commission staff is informed promptly in writing of all materially

changed facts and circumstances. If a material change in facts or circumstances occurs subsequent to issuance of a Letter, the person on whose behalf the Letter is sought (or that person's authorized representative at the time of the change) must promptly so inform Commission staff.

(4) The request must identify the type of relief requested and Letter sought and must clearly state why a Letter is needed. The request must identify all relevant legal and factual issues and discuss the legal and public policy bases supporting issuance of the Letter.

(5) The request must contain references to all relevant authorities, including applicable provisions of the Act, Commission rules, regulations and orders, judicial decisions, administrative decisions, relevant statutory interpretations and policy statements. Adverse authority must be cited and discussed.

(6) The request must identify prior publicly available Letters issued by Commission staff in response to circumstances similar to those surrounding the request (including adverse Letters), and must identify any conditions imposed by prior Letters as prerequisites for the issuance of those Letters. Citation of a representative sample of prior Letters is sufficient where a comprehensive recitation of prior Letters on a given topic would be repetitious or would not assist the staff in considering the request.

(7) Requests may ask that, if the requested exemptive relief, no-action position or interpretative guidance is denied, the staff consider granting alternative relief or adopting an alternative position.

(d) *Filing requirements.* Each request for a Letter must comply with the following filing requirements:

(1) The request must be in writing and signed.

(2) The request must be filed with the Director, Division of Trading and Markets, Commodity Futures Trading Commission, Three Lafayette Centre, 1155 21st Street, NW., Washington, DC 20581. Request must be submitted electronically using the e-mail address [tmletters@cftc.gov](mailto:tmletters@cftc.gov); *Provided*, That a

properly signed paper copy of the request is provided to the Division of Trading and Markets within ten days for purposes of verification of the electronic transmission. The Director will route the request to the appropriate Division or the Office of the General Counsel.

(e) *Form of staff response.* No response to any request governed by this section is effective unless it is in writing, signed by appropriate Commission staff, and transmitted in final form to the recipient. Failure by Commission staff to respond to a request for a Letter does not constitute approval of the request. Nothing in this section shall preclude Commission staff from responding to a request for a Letter by way of endorsement or any other abbreviated, written form of response.

(f) *Withdrawal of requests.* (1) A request for a Letter may be withdrawn by filing with Commission staff a written request for withdrawal, signed by the person on whose behalf the Letter was sought or by that person's authorized representative, that states whether the person on whose behalf the Letter was sought will proceed with the proposed transaction or activity.

(2) Where a request has been submitted by an authorized representative of the person on whose behalf a Letter is sought, the authorized representative may withdraw from representation at any time without explanation, *Provided*, That Commission staff is promptly so notified.

(g) *Failure to pursue a request.* In the event that Commission staff requests additional information or analysis from a requester and the requester does not provide that information or analysis within thirty calendar days, Commission staff generally will issue a denial of the request; *Provided, however*, that Commission staff in its discretion may issue an extension of time to provide the information and or analysis.

(h) *Confidential treatment.* Confidential treatment of a request for a Letter must be requested separately in accordance with §140.98 or §145.9 of this chapter, as applicable.

(i) *Applicability to other sections.* The provisions of this section shall not affect the requirements of, or otherwise be applicable to:

(1) Notice filings required to be made to claim relief from the Act or from a Commission rule, regulation or order including, without limitations, §§4.5, 4.7(d), 4.12(b), 4.13(b) and 4.14(a)(8) of this chapter; or

(2) Requests for exemption pursuant to Section 4(c) of the Act.

### Subpart C—Regulation Concerning Conduct of Members and Employees of Former Members and Employees of the Commission

AUTHORITY: 7 U.S.C. 4a (f) and (j), 12a(5), and 13.

SOURCE: 41 FR 27511, July 2, 1976, unless otherwise noted.

#### § 140.735-1 Authority and purpose.

This subpart sets forth specific standards of conduct required of members, employees, and special government employees, and regulations concerning former members, employees, and special government employees of the Commodity Futures Trading Commission. These rules are separate from and in addition to the Office of Government Ethics' conduct rules, Standards of Ethical Conduct for Employees of the Executive Branch, 5 CFR part 2635, and the Commission's supplemental rules set forth in 5 CFR part 5100. In addition, this subpart contains references to various statutes governing employee conduct in order to aid members and employees in their understanding of statutory restrictions and requirements.<sup>1</sup>

[58 FR 52657, Oct. 12, 1993]

<sup>1</sup>These references, however, do not purport to cover all restrictions and requirements, and the paraphrased restatements of statutory provisions, such as that of 18 U.S.C. 201, *et seq.*, appearing in this subpart C, are not intended to be, and should not be construed as, verbatim quotations of the law. The statutory text should be consulted in any situation in which it might apply.

**§ 140.735-2 Business and financial transactions and interests.**

(a) *Application.* This section applies to all transactions effected by or on behalf of a Commission member or employee, including transactions for the account of other persons effected by the member or employee, directly or indirectly under a power of attorney or otherwise. Since this section applies to “indirect” participation in transactions, a member or employee is considered to have sufficient interest in the transactions of the spouse or minor child of the member or employee, or other relatives who are residents of the immediate household of the member or employee, so that such transactions must be reported and, absent compelling countervailing reasons, are subject to all the terms of this section.

(b) *Prohibitions.* No Commission member or employee shall:

(1) Participate, directly or indirectly, in any transaction—

(i) Involving a contract of sale of any commodity for future delivery;

(ii) Involving any commodity that is of the character of, or is commonly known to the trade as, an option, privilege, indemnity, bid, offer, put, call, advance guaranty or decline guaranty; or

(iii) For the delivery of any commodity that is or is to be executed pursuant to a standardized contract commonly known to the trade as a margin account, margin contract, leverage account or leverage contract or similar contracts when subject to regulation by the Commission under section 19 of the Act; except that the prohibitions in paragraphs (b)(1) (i) and (ii) of this section shall not apply to:

(A) A transaction in connection with a farming, ranching, oil and gas, mineral rights or other natural resource operation in which the Commission member or employee has a financial interest, if the Commission member or employee is not involved in the decision to engage in, and does not have prior knowledge of, the actual futures or option transaction and has previously notified the General Counsel in writing of the nature of the operation, the extent of the member’s or employee’s interest, the types of transactions in which the operation may engage and

the identity of the person or persons who will make trading decisions for the operation; or

(B) A transaction entered into by any investment company (*e.g.*, a mutual fund) or similar pooled investment entity other than one operated by a person who is a commodity pool operator with respect to that entity, in which the direct or indirect ownership interest of the Commission member or employee is limited to and represents less than 1 per cent of the total ownership interest of the fund or entity and with which the Commission member or employee has no other relationship;<sup>2</sup>

(2) Participate, directly or indirectly, in any investment transaction involving an actual commodity if:

(i) The transaction involves the use of nonpublic information, or

(ii) The transaction is effectuated by an instrument regulated by the Commission, and is not in connection with a transaction permitted under paragraph (b)(1) of this section, or

<sup>2</sup> Attention is directed to section 9(c) of the Commodity Exchange Act, which makes it a felony for any member or employee of the Commission, or agent thereof, to participate, directly or indirectly, in, *inter alia*, any commodity futures, option or leverage transaction, unless authorized to do so by Commission rule or regulation. Attention is also directed to 17 CFR 4.5, which excludes certain otherwise regulated persons from the definition of “commodity pool operator” with respect to the operation of specific investment entities enumerated in the regulation.

Although not required, if they choose to do so, Commission members or employees may use powers of attorney or other arrangements in order to meet the notice requirements of, and to assure that they have no control or knowledge of, futures or option transactions permitted under paragraph (b)(1)(A) of this section. A Commission member or employee considering such arrangements should consult with the Office of the General Counsel in advance for approval. Should a Commission member or employee gain knowledge of an actual futures or option transaction that has already taken place and the market position represented by that transaction still remains open, he or she should promptly report that fact and all other details to the General Counsel and seek advice as to what action, including recusal from pending matters involving that market, may be appropriate.

§ 140.735-3

17 CFR Ch. I (4-1-01 Edition)

(iii) The transaction is effected by an instrument functionally equivalent to an instrument regulated by the Commission;<sup>3</sup>

(3) Have a beneficial interest, through ownership of securities or otherwise, in any person<sup>4</sup> regulated by the Commission,<sup>5</sup> such as a contract market or clearinghouse or member thereof, a registered futures commission merchant,<sup>6</sup> any person associated with a futures commission merchant or with any agent of a futures commission merchant, floor broker, commodity trading advisor or commodity pool operator, or any other person required to be registered in a fashion similar to any of the above under the Commodity Exchange Act or pursuant to any rule or regulation promulgated by the Commission;

(4) Have a significant beneficial interest, through ownership of securities or otherwise, in any other person required to file reports under the Com-

modity Exchange Act or pursuant to any rule or regulation promulgated by the Commission;<sup>7</sup> or

(5) Purchase or sell any securities of a company which, to his knowledge, is involved in any:

(i) Pending investigation by the Commission;

(ii) Proceeding before the Commission or to which the Commission is a party; or

(iii) Other matter under consideration by the Commission that could significantly affect the company.

[58 FR 52657, Oct. 12, 1993]

**§ 140.735-3 Non-governmental employment and other outside activity.**

A Commission member or employee shall not accept employment or compensation from any person, exchange or clearinghouse subject to regulation by the Commission. For purposes of this section, a person subject to regulation by the Commission includes but is not limited to a contract market or clearinghouse or member thereof, a registered futures commission merchant, any person associated with a futures commission merchant or with any agent of a futures commission merchant, floor broker, commodity trading advisor, commodity pool operator or any person required to be registered in a fashion similar to any of the above or file reports under the Act or pursuant to any rule or regulation promulgated by the Commission.<sup>8</sup>

[58 FR 52658, Oct. 12, 1993]

<sup>3</sup>Attention is directed to section 9(c) of the Commodity Exchange Act which provides, among other things, that it shall be a felony for any Commission member or employee to participate in any investment transaction in an actual commodity that the Commission by rule or regulation has prohibited to Commission members and employees. A transaction involving an instrument that is the "functional equivalent to an instrument regulated by the Commission" would include, for example, but is not limited to, a transaction in a stock index effectuated through the purchase or sale of an option traded on a national securities exchange where the stock index also underlies a futures contract regulated by the Commission. Attention is also directed to §140.735-8 of this subpart for information regarding interpretative and advisory service by the General Counsel of the Commission.

<sup>4</sup>As defined in section 1a(16) of the Commodity Exchange Act and 17 CFR 1.3(u) thereunder, a "person" includes an individual, association, partnership, corporation, and a trust.

<sup>5</sup>Attention is directed to sections 2(a)(7) and 9(c) of the Commodity Exchange Act. See footnotes 1, 2, and 8 to this subpart.

<sup>6</sup>This provision does not, however, preclude a member or employee from carrying securities on margin, pursuant to customary margin requirements, with a broker who is also a registered futures commission merchant, or engaged in the trading of commodity options, or commodity leverage transactions.

<sup>7</sup>For purposes of this section, the Office of the General Counsel normally views "significant" ownership as being 10 per cent or more of the outstanding securities of a firm or a \$25,000 total investment in a firm, regardless of the percentage of stock owned. The Office has also noted that each investment must be considered on a case-by-case basis and that an investment level in excess of \$25,000 may not be "significant" in the case of a large company.

<sup>8</sup>Attention is directed to section 2(a)(7) of the Commodity Exchange Act, which provides, among other things, that no Commission member or employee shall accept employment or compensation from any person, exchange or clearinghouse subject to regulation by the Commission, or participate, directly or indirectly, in any contract market operations or transactions of a character subject to regulation by the Commission.

**§ 140.735-4 Receipt and disposition of foreign gifts and decorations.**

(a) For purposes of this section only:

(1) *Commission member* or *employee* means any Commission member or any person employed by or who occupies an office or a position in the Commission; an expert or consultant under contract with the Commission, or in the case of an organization performing services under such contract, any individual involved in the performance of such service; and the spouse, unless the individual and his or her spouse are separated, and any dependent, as defined by section 152 of the Internal Revenue Code of 1954, of any such person.

(2) *Foreign government* means:

(A) Any unit of foreign governmental authority, including any foreign national, state, local, and municipal government;

(B) Any international or multinational organization whose membership is composed of any unit of foreign government described in paragraph (a)(2)(A) of this section; and

(C) Any agent or representative of any such unit or such organization, while acting as such.

(3) *Gift* means a tangible or intangible present (other than a decoration) tendered by, or received from, a foreign government, except grants and other forms of assistance to which section 108A of the Mutual Educational and Cultural Exchange Act of 1961 applies.

(4) *Decoration* means an order, device, medal, badge, insignia, emblem, or award tendered by, or received from, a foreign government.

(5) *Minimal value* means a retail value in the United States at the time of acceptance of \$140 or less, except as redefined to reflect changes in the consumer price index at three year intervals by the Administrator of General Services pursuant to authority granted in 5 U.S.C. 7342(a)(5)(A).

(b) Commission members and employees shall not:

(1) Request or otherwise encourage the tender of a gift or decoration;

(2) Accept a gift of currency, except that which has an historical or numismatic value;

(3) Accept gifts of travel or gifts of expenses for travel, such as transportation, food and lodging, from foreign

governments, other than those authorized in paragraph (c)(5) of this section; or

(4) Accept any gift or decoration, except as authorized by this section.

(c) Gifts which may be accepted:

(1) Commission members and employees may accept and retain gifts of minimal value tendered or received as a souvenir or mark of courtesy from a foreign government without further approval. If the value of a gift is uncertain, the recipient shall be responsible for establishing that it is of minimal value, as defined in this section. Documentary evidence may be required in support of the valuation.

(2) Commission members and employees may accept, on behalf of the United States, gifts of more than minimal value tendered or received from a foreign government when it appears that to refuse the gift would likely cause offense or embarrassment or otherwise adversely affect the foreign relations of the United States. When a tangible gift of more than minimal value is accepted on behalf of the United States, it becomes the property of the United States.

(3) Commission members and employees may accept a gift of more than minimal value where such gift is in the nature of an educational scholarship or medical treatment.

(4) Within 60 days after accepting a tangible gift of more than minimal value, other than a gift described in paragraph (c)(5) of this section, a Commission member or employee shall file a statement with the Executive Director of the Commission which shall include the following information:

(A) The name and position of the Commission member or employee;

(B) A brief description of the gift and the circumstances justify acceptance;

(C) The identity, if known, of the foreign government and the name and position of the individual who presented the gift;

(D) The date of acceptance of the gift;

(E) The estimated value in the United States of the gift at the time of acceptance; and

(F) The disposition or current location of the gift.

(5) Commission members and employees are authorized to accept from a foreign government gifts of travel or gifts of expenses for travel taking place entirely outside the United States, such as transportation, food and lodging, of more than minimal value if the acceptance is approved by the Executive Director, upon a finding that it is consistent with the interests of the Commission. Either prior to or within 30 days after accepting each gift of travel or gift of travel expenses pursuant to this paragraph, the Commission member or employee concerned shall file a statement with the Executive Director containing the following information:

(A) The name and position of the Commission member or employee;

(B) A brief description of the gift and the circumstances justifying acceptance;

(C) The identity, if known, of the foreign government and the name and position of the individual who presented the gift; and

(D) The date of acceptance.

(6) Not later than January 31 of each year the Executive Director shall compile a listing of all statements filed during the preceding year by Commission members and employees pursuant to paragraphs (c)(4) and (c)(5) of this section and shall transmit the listing to the Secretary of State.

(d) Commission members or employees may accept, retain and wear decorations tendered by a foreign government in recognition of active field service in time of combat operations or awarded for other outstanding or unusually meritorious performance, subject to the approval of the Executive Director. Without this approval, the decoration is deemed to have been accepted on behalf of the United States, shall become the property of the United States, and shall be deposited by the employee, within 60 days of acceptance, with the Executive Director for official use or forwarding to the Administrator of General Services for disposal in accordance with paragraph (g) of this section. Under normal circumstances, it can be expected that a Commission member or employee will be notified of the intent of a foreign government to award him or her or a spouse or dependent a decoration for

outstanding or unusually meritorious service sufficiently in advance so that the approval required can be sought prior to its acceptance. A request for the approval of the Executive Director shall be submitted in writing, stating the nature of the decoration and the reason why it is being awarded. Whenever possible, the request should also be accompanied by a statement from the foreign government, preferably in the form of the citation, which shows the basis for the tender of the award, whether it is in recognition of active field service in time of combat operations or for other outstanding or unusually meritorious performance.

(e) Within 60 days after acceptance of a tangible gift of more than minimal value or a decoration for which the Executive Director has not given approval, a Commission member or employee shall:

(1) Deposit the gift or decoration for disposal with the Executive Director; or

(2) Subject to the approval of the Commission, upon the recommendation of the Executive Director, deposit the gift or decoration with the Commission for official use.

A gift or decoration may be retained for official use if the Commission determines that it can be properly displayed in an area accessible to employees and members of the public. Within 30 days after termination of the official use of a gift, the Executive Director shall forward the gift to the Administrator of General Services in accordance with paragraph (g) of this section.

(f) Whenever possible, gifts and decorations that have been deposited with the Executive Director for disposal shall be returned to the donor. The Executive Director, in coordination with the Office of the General Counsel, shall examine the circumstances surrounding the donation, assessing whether any adverse effect on the foreign relations of the United States might result from the return of the gift or decoration to the donor. The appropriate Department of State officials shall be consulted if a question of adverse effect on United States foreign relations arises.

(g) Gifts and decorations that have not been returned to the donor, retained for official use, or for which official use has terminated, shall be forwarded by the Executive Director to the Administrator of General Services for transfer, donation, or other disposal in accordance with the provisions of the Federal Property and Administrative Services Act of 1949, as amended, and 5 U.S.C. 7342.

(h) In accordance with 5 U.S.C. 7342(h), the U.S. Attorney General may bring a civil action in any United States district court against any Commission member or employee who knowingly solicits or accepts a gift from a foreign government not consented to by the Congress of the United States in 5 U.S.C. 7342, or who fails to deposit or report such gift as required by 5 U.S.C. 7342. The court may assess a penalty against such Commission member or employee in any amount not exceeding the retail value of the gift improperly solicited or received plus \$5,000.

(i) A violation of the requirements set forth in this section by a Commission employee may be cause for appropriate disciplinary action which may be in addition to any penalty prescribed by law.

(j)(1) The burden of proving minimal value shall be on the recipient. In the event of a dispute over the value of a gift, the Executive Director shall arrange for an outside appraiser to determine whether the gift is of more or less than minimal value.

(2) When requested by the Administrator of Government Services, the Executive Director shall arrange for an appraisal of a gift or decoration.

(k) No appropriated funds of the Commission may be used to buy any tangible gift of more than minimal value for any foreign individual, unless the gift has been approved by Congress.

#### § 140.735-5 Disclosure of information.

A Commission employee or former employee shall not divulge, or cause or allow to be divulged, confidential or non-public commercial, economic or official information to any unauthorized

person, or release such information in advance of authorization for its release.<sup>9</sup> Except as directed by the Commission or its General Counsel as provided in these regulations, no Commission employee or former employee is authorized to accept service of any subpoena for documentary information contained in or relating to the files of the Commission. Any employee or former employee who is served with a subpoena requiring testimony regarding non-public information or documents shall, unless the Commission authorizes the disclosure of such information, respectfully decline to disclose the information or produce the documents called for, basing his refusal on these regulations.<sup>10</sup> Any employee or former employee who is served with a subpoena calling for information regarding the Commission's business shall promptly advise the General Counsel of the service of such subpoena, the nature of the information or

<sup>9</sup> Attention is directed to section 9(d) of the Commodity Exchange Act, which provides that it shall be a felony punishable by a fine of not more than \$500,000 or imprisonment for not more than five years, or both, together with the costs of prosecution—(1) for any Commissioner of the Commission or any employee or agent thereof who, by virtue of his employment or position, acquires information which may affect or tend to affect the price of any commodity future or commodity and which information has not been promptly made public, to impart such information with intent to assist another person, directly or indirectly, to participate in any transaction in commodity futures, any transaction in an actual commodity, or in any transaction of the character of or which is commonly known to the trade as an option, privilege, indemnity, bid, offer, put, call, advance guaranty or decline guaranty, or in any transaction for the delivery of any commodity under a standardized contract commonly known to the trade as a margin account, margin contract, leverage account or leverage contract, or under any contract or other arrangement that the Commission determines to serve the same function or is marketed in the same manner as such standardized contract, and (2) for any person to acquire such information from any Commissioner of the Commission or any employee or agent thereof and to use such information in any of the foregoing transactions.

<sup>10</sup> No employee shall disclose such information unless directed to do so by the Commission.

documents sought, and any circumstances which may bear upon the desirability of making such information or document available in the public interest.<sup>11</sup> In any proceeding in which the Commission is not a party, no employee of the Commission shall testify concerning matters related to the business of the Commission unless authorized to do so by the Commission.

[58 FR 52658, Oct. 12, 1993]

**§ 140.735-6 Practice by former members and employees of the Commission.**

(a) *Personal and substantial participation or nonpublic knowledge of a particular matter.* No person who has been a member or employee of the Commission shall ever knowingly make, with the intent to influence, any communication to or appearance before the Commission in connection with any particular matter involving a specific party or parties<sup>12</sup> in which such person, or one participating with him or her in the particular matter, participated personally and substantially, or gained nonpublic knowledge of facts thereof, while with the Commission.<sup>13</sup>

<sup>11</sup>The prohibitions regarding confidential or nonpublic information stated above are intended to cover the matters addressed in sections 4(c), 8, and 9(d) of the Commodity Exchange Act as well as nonpublic information under the Freedom of Information Act, 5 U.S.C. 552, the rules of the Commission thereunder, 17 CFR part 145, the Privacy Act, 5 U.S.C. 552a, the rules of the Commission thereunder, 17 CFR part 146, and cases where, apart from specific prohibitions in any statute or rule, the disclosure or use of such information would be unethical.

<sup>12</sup>The phrase "particular matter involving a specific party or parties" does not apply to general rulemaking, general policy and standards formulation or other similar matters. See § 2637.201(c)(1) of the regulations of the Office of Government Ethics, 5 CFR 2637.201(c)(1); *cf.*, memorandum of the Attorney General dealing with the conflict-of-interest provisions prior to amendment by the Ethics in Government Act (reproduced following 18 U.S.C. 201).

<sup>13</sup>Attention is directed to 18 U.S.C. 207(a)(1), as amended, which generally prohibits former Federal officers and employees permanently from knowingly making, with the intent to influence, any communication to or appearance before any Federal (or District of Columbia) department, agency or

(b) *Particular matter under an individual's official responsibility.* No person who has been a member or employee of the Commission shall, within two years after that employment has ceased, knowingly make, with the intent to influence, any communication to or appearance before the Commission in connection with a particular matter involving a specific party or parties which was actually pending under his official responsibility as a member or employee of the Commission at any time within one year prior to the termination of government service.<sup>14</sup>

(c) *Restrictions on former members and senior employees.* A former member or employee of the Commission who occupied a "senior" position specified in 18 U.S.C. 207(c)(2), as amended, shall not within one year after such "senior" employment has ceased, knowingly make, with the intent to influence, any communication to or appearance before the Commission on behalf of any other person in connection with any

court, or court martial, or any officer or employee thereof, in connection with any particular matter involving a specific party or parties in which the United States (or the District of Columbia) is a party or has a direct and substantial interest and in which the former officer or employee participated personally and substantially while with the government.

<sup>14</sup>Attention is directed to 18 U.S.C. 207(a)(2), as amended. Section 207(a)(2) generally prohibits former Federal officers and employees, within two years after their Federal employment has ceased, from knowingly making, with the intent to influence, any communication to or appearance before any Federal (or District of Columbia) department, agency or court, or court martial, or any officer or employee thereof, in connection with any particular matter involving a specific party or parties in which the United States (or the District of Columbia) is a party or has a direct and substantial interest and which was actually pending under the official responsibility of the former officer or employee within one year prior to the termination of government service.

As used in paragraph (b) of this section, the term "official responsibility" has the meaning assigned to it in 18 U.S.C. 202(b), namely, the "direct administrative or operating authority, whether intermediate or final, and either exercisable alone or with others, and either personally or through subordinates, to approve, disapprove, or otherwise direct Government action."

matter in which such person seeks official action by the Commission.<sup>15</sup>

(d) *Exceptions.* The prohibitions contained in paragraphs (a), (b), and (c) of this section do not apply to communications solely for the purpose of furnishing scientific or technological information if approved by the Commission or generally to giving testimony under oath or making a statement which is subject to penalty or perjury. Further, the prohibition contained in paragraph (c) of this section does not apply to an uncompensated statement in a particular area within the special knowledge of the former Commission member or employee.<sup>16</sup>

(e) *Reporting requirement.* Any former member or employee of the Commission who, within two years after ceasing to be such, is employed or retained as the representative of any person (except the United States) in connection with a matter in which it is contemplated that he will appear before or communicate with the Commission

<sup>15</sup> Attention is directed to 18 U.S.C. 207(c), as amended, which places restrictions on the representational activities of certain senior officers and employees after their departure from a senior position. Section 207(c) generally makes it unlawful for one year after service in a "senior" position terminates for a former "senior" Federal employee to knowingly make, with the intent to influence, any communication to or appearance before an employee of a department or agency in which he served in any capacity during the one year period prior to termination from "senior" service, if that communication or appearance is on behalf of any other person (except the United States), in connection with any matter concerning which he seeks official action by that employee.

Note that the one year period is measured from the date when the employee ceases to be a senior employee, not from the termination of Government service, unless the two occur simultaneously. This provision prohibits communications to or appearances before the Government and does not prohibit "behind-the-scenes" assistance. The restriction does not require that the former employee have ever been in any way involved in the matter that is the subject of the communication or appearance. The restriction applies with respect to any matter, whether or not involving a specific party.

<sup>16</sup> Attention is directed to 18 U.S.C. 207(j), as amended (listing other exceptions). Self-representation is not prohibited under section 207.

shall, within ten days of such retainer or employment, or of the time when appearance before or communication with the Commission is first contemplated, file with the General Counsel of the Commission a statement as to the nature thereof together with any desired explanation as to why it is deemed consistent with this section. Employment of a recurrent character may be covered by a single comprehensive statement. Each such statement should include an appropriate caption indicating that it is filed pursuant to this section. The reporting requirement of this paragraph does not apply to communications incidental to court appearances in litigation involving the Commission.

(f) *Definitions.* As used in this section, the phrase "appearance before the Commission" means any formal or informal appearance on behalf of any person (except the United States) before the Commission, or any member or employee thereof with an intent to influence. As used in this section, the phrase "communication with the Commission" means any oral or written communication made to the Commission, or any member or employee thereof, on behalf of any person (except the United States) with an intent to influence.

(g) *Advisory ruling.* Persons in doubt as to the applicability of this section may apply for an advisory ruling by addressing a letter requesting such a ruling to the General Counsel.

(h) *Procedures for administrative enforcement of statutory restrictions on post-government employment conflicts of interest.*<sup>17</sup> (1) *Scope.* The provisions of this paragraph prescribe procedures for administrative enforcement of the restrictions which 18 U.S.C. 207 (a), (b), and (c), as amended, place on appearances before or communications with Federal (and District of Columbia) departments, agencies and courts, and other enumerated entities, as well as the officers and employees thereof, by former Commission members and employees.

(2) *Investigations.* The General Counsel of the Commission, or his or her

<sup>17</sup> This section does not apply to employees who leave service after December 31, 1990.

designee, shall conduct such investigations as he or she deems appropriate to determine whether any former Commission member or employee have violated 18 U.S.C. 207 (a), (b) or (c), as amended. The General Counsel shall report the results of his or her investigations to the Commission and shall recommend to the Commission such action as he or she deems appropriate.

(3) *Hearings.* Hearings required to be held under the provisions of this section shall be held before an Administrative Law Judge, utilizing the procedures prescribed by the Commission's rules of practice for adjudicatory proceedings (17 CFR part 10), except to the extent that those rules are inconsistent with the provisions of this section. Any proceeding brought under the provisions of this section shall be prosecuted by the General Counsel or his or her designee.

(4) *Sanctions.* If the Commission finds, after notice and opportunity for a hearing, that a former Commission member or employee has violated 18 U.S.C. 207 (a), (b) or (c), as amended, the Commission may prohibit that person from making, on behalf of any other person (except the United States), any formal or informal appearance before, or with the intent to influence any oral or written communication to, the Commission on a pending matter of business for a period not to exceed five years, or may take other appropriate disciplinary action.

**§ 140.735-7 Statutory violations applicable to conduct of Commission members and employees.**

**§ 140.735-8 Interpretative and advisory service.**

(a) *Counselor for the Commission.* The General Counsel, or his or her designee, will serve as Counselor for the Commission and as the Commission's representative to the Office of Government Ethics, on matters covered by this subpart. The General Counsel will

also serve as the Commission's designated agency ethics official to review the financial reports filed by high-level Commission officials under title II of the Ethics in Government Act, as well as otherwise to coordinate and manage the Commission's ethics program.

### § 141.1 Purpose and scope.

(a) This regulation provides procedures for the collection by administrative offset of a federal employee's salary without his/her consent to satisfy certain debts owed to the federal government. These regulations apply to employees of other federal agencies and current employees of the Commission who owe debts to the Commission and to current employees of the Commission who owe debts to other federal agencies. This regulation does not apply when the employee consents to recovery from his/her current pay account.

(b) This regulation does not apply to debts or claims arising under:

(1) The Internal Revenue Code of 1954, as amended, 26 U.S.C. 1 *et seq.*;

(2) The Social Security Act, 42 U.S.C. 301 *et seq.*;

(3) The tariff laws of the United States; or

(4) Any case where a collection of a debt by salary offset is explicitly provided for or prohibited by another statute.

(c) This regulation does not apply to any adjustment to pay arising out of an employee's selection of coverage or a change in coverage under a federal benefits program requiring periodic deductions from pay if the amount to be recovered was accumulated over four pay periods or less.

(d) This regulation does not preclude the compromise, suspension, or termination of collection action where appropriate under the standards implementing the Federal Claims Collection Act, 31 U.S.C. 3711 *et seq.*, 4 CFR parts 101 through 105, 45 CFR part 1177.

(e) This regulation does not preclude an employee from requesting waiver of an overpayment under 5 U.S.C. 5584, 10 U.S.C. 2774 or 32 U.S.C. 716 or in any way questioning the amount or validity of the debt by submitting a subsequent claim to the General Accounting Office in accordance with General Accounting Office procedures. This regulation does not preclude an employee from requesting a waiver pursuant to other statutory provisions applicable to the particular debt being collected. Neither the requesting of a waiver nor the filing of a claim with the General Accounting Office will affect the

## § 141.2

amount or validity of the debt being collected until a waiver has been granted or the debt has been determined to be for an incorrect amount or invalid.

(f) Matters not addressed in these regulations should be reviewed in accordance with the Federal Claims Collection Standards at 4 CFR 101.1 *et seq.*

### § 141.7 Coordinating offset with another Federal agency.

(a) *The Commission as the creditor agency.* When the Commission determines that an employee of another federal agency owes a delinquent debt to the Commission, the Commission shall as appropriate:

(1) Arrange for a hearing upon the proper petitioning by the employee;

(2) Certify to the paying agency in writing that the employee owes the debt, the amount and basis of the debt, the date on which payment is due, the date the Government's right to collect the debt accrued, and that Commission regulations for salary offset have been approved by the Office of Personnel Management;

(3) If collection must be made in installments, the Commission must advise the paying agency of the amount or percentage of disposable pay to be collected in each installment;

(4) Advise the paying agency of the actions taken under 5 U.S.C. 5514(b) and provide the dates on which action was taken unless the employee has consented to salary offset in writing or signed a statement acknowledging that the Commission has complied with the procedures required by law. The written consent or acknowledgment must be sent to the paying agency;

(5) If the employee is in the process of separating, the Commission must submit its debt claim to the paying agency as provided in this part. The paying agency must certify any amounts already collected, notify the employee, and send a copy of the certification and notice of the employee's separation to the Commission. If the

## § 141.8

## 17 CFR Ch. I (4-1-01 Edition)

paying agency is aware that the employee is entitled to payments from the Civil Service Retirement and Disability Fund or similar payments, it must certify to the agency responsible for making such payments the amount of the debt and that the provisions of 5 CFR 550.1108 have been followed; and

(6) If the employee has already separated and all payments due from the paying agency have been paid, the Commission may request, unless otherwise prohibited, that money payable to the employee from the Civil Service Retirement and Disability Fund or other similar funds be collected by administrative offset.

(b) *The Commission as the paying agency.* (1) Upon receipt of a properly certified debt claim from another agency, deductions will be scheduled to begin at the next established pay interval. The employee must receive written notice from the Commission that the Commission has received a certified debt claim from the creditor agency, the amount of the debt, the date salary offset will begin, and the amount of the deduction(s). The Commission shall not review the merits of the creditor agency's determination of the validity or the amount of the certified claim.

(2) If the employee transfers to another agency after the creditor agency has submitted its debt claim to the Commission and before the debt is collected completely, the Commission must certify the total amount collected. One copy of the certification must be furnished to the employee. A copy must be furnished the creditor agency with notice of the employee's transfer.

### § 141.8 Procedures for salary offset.

(a) Deductions to liquidate an employee's debt will be by the method and in the amount stated in the Commission's notice of intention to offset as provided in §141.4. Debts will be collected in one lump sum where possible. If the employee is financially unable to pay in one lump sum, collection must be made in installments.

(b) Debts will be collected by deduction at officially established pay intervals from an employee's current pay account unless alternative arrangements for repayment are made.

(c) Installment deductions will be made over a period not greater than the anticipated period of employment. The size of installment deductions must bear a reasonable relationship to the size of the debt and the employee's ability to pay. The deduction for the pay intervals for any period must not exceed 15% of disposable pay unless the employee has agreed in writing to a deduction of a greater amount.

(d) Unliquidated debts may be offset against any financial payment due to a separated employee including but not limited to final salary or leave payments in accordance with 31 U.S.C. 3716.

### § 141.9 Refunds.

(a) The Commission will refund promptly any amounts deducted to satisfy debts owed to the Commission when the debt is waived, found not owed to the Commission or when directed by an administrative or judicial order.

(b) The creditor agency will promptly return any amounts deducted by the Commission to satisfy debts owed to the creditor agency when the debt is waived, found not owed, or when directed by an administrative or judicial order.

(c) Unless required by law, refunds under this subsection shall not bear interest.

### § 141.10 Statute of limitations.

If a debt has been outstanding for more than 10 years after the agency's right to collect the debt first accrued, the agency may not collect by salary offset unless facts material to the Government's right to collect were not known and could not reasonably have been known by the official or officials who were charged with the responsibility for discovery and collection of such debts.

### § 141.11 Non-waiver of rights.

An employee's involuntary payment of all or any part of a debt collected under these regulations will not be construed as a waiver of any rights that employee may have under 5 U.S.C. 5514 or any other provision of contract or law unless there are statutes or contract(s) to the contrary.

**§ 141.12 Interest, penalties, and administrative costs.**

Charges may be assessed for interest, penalties, and administrative costs in accordance with the Federal Claims Collection Standards, 4 CFR 102.13.

**PART 142—INDEMNIFICATION OF CFTC EMPLOYEES**

Sec.

142.1 Purpose and scope.

142.2 Policy.

AUTHORITY: 7 U.S.C. 4a(j).

SOURCE: 54 FR 25234, June 14, 1989, unless otherwise noted.

**§ 142.1 Purpose and scope.**

This part sets forth the policy and procedure with respect to the indemnification of Commission employees who are sued in their individual capacities and suffer an adverse judgment as a result of conduct taken within the scope of employment. (For purposes of this part the term Commission employees includes all present and former Commissioners and employees of the Commission). This part is intended to provide indemnification for adverse judgments for constitutional and federal statutory torts excepted from the Federal Tort Claims Act exclusive remedy provision 28 U.S.C. 2679(b) (as amended by the Federal Employees Liability Reform and Tort Compensation Act of 1988 (Pub. L. 100-694)). In any lawsuit which is filed against the employee alleging a common law tort occurring within the scope of employment, the United States may be substituted for the individual employee and any liability which may be found will be assessed against the government, pursuant to the Federal Employees Liability Reform and Tort Compensation Act of 1988.

**§ 142.2 Policy.**

(a) The Commission may indemnify its employees by the payment of available funds, in whole, or in part, for any verdict, judgment or other monetary award which is rendered against any employee, provided that the conduct giving rise to the verdict, judgment or award was taken within the scope of his or her employment with the Com-

mission and that such indemnification is in the interest of the United States, as determined by the Commission.

(b) The Commission may settle or compromise a personal damage claim against its employee by the payment of available funds, at any time, provided the alleged conduct giving rise to the personal damage claim was taken within the scope of employment and that such settlement is in the interest of the United States as determined by the Commission in its discretion.

(c) Absent exceptional circumstances, as determined by the Commission, the Commission will not entertain a request either to agree to indemnify or to settle a personal damage claim before entry of an adverse verdict, judgment or monetary award.

(d) When an employee of the Commission becomes aware that an action may be or has been filed against the employee in his or her individual capacity as a result of conduct taken within the scope of his or her employment, the employee should immediately notify the Commission's Office of General Counsel that such an action is pending or threatened.

(e) The employee may thereafter request either (1) indemnification to satisfy a verdict, judgment or award entered against the employee or (2) payment to satisfy the requirements of a settlement proposal. The employee shall submit a written request, with documentation including copies of the verdict, judgment, award or settlement proposal, as appropriate, to the head of his or her division or office, who thereupon shall submit to the General Counsel, in a timely manner, a recommended disposition of the request. The General Counsel shall also seek the views of the Department of Justice. The General Counsel shall forward the request, the division or office's recommendation and the General Counsel's recommendation to the Commission for decision.

(f) Any payment under this section either to indemnify a Commodity Futures Trading Commission employee or to settle a personal damage claim shall be contingent upon the availability of appropriated funds of the Commodity Futures Trading Commission.

**§ 143.1 Purpose.**

This part implements the Federal Claims Collection Act, as amended by the Debt Collection Act, 31 U.S.C. 3701-3719, and interpreted by the Department of Justice and General Accounting Office in the Federal Claims Collection Standards (4 CFR parts 101-105), and the Federal Civil Penalties Inflation Adjustment Act of 1990 as amended by the Debt Collection Improvement Act of 1996. This part provides procedures which the Commission will use to collect claims owed the United States arising from activities under the Commission's jurisdiction, including amounts due the United States from fees, fines, civil penalties, damages, interest and other sources. This part further sets forth procedures for the Commission to determine and collect interest, penalties, and administrative costs on unpaid claims and to refer unpaid claims for litigation. [61 FR 55566, Oct. 28, 1996]

**§ 143.2 Notice of claim.**

(a) The Commission will send a written notice to any person who owes pay-

ment to the United States under this part, stating the basis for the claim, the interest, penalties, and administrative costs that may be imposed for non-payment, and the date full payment is due.

(c) If no response or an unsatisfactory response is received by the date indicated in the notice, the Commission may take any further action appropriate under the Commodity Exchange Act or regulations thereunder, or under 4 CFR parts 101-105 and the Federal Claims Collection Act, as amended, 31 U.S.C. 3701-3719.

**§ 143.3 Interest, penalty charges, and administrative costs.**

(a) The Commission will assess interest on unpaid claims. The rate of interest assessed shall be the rate of the current value of funds to the U.S. Treasury (*i.e.*, the Treasury tax and loan account rate) as prescribed and published by the Secretary of the Treasury. The Commission will charge penalty fees of not more than 6 percent per year on any portion of a claim that is delinquent for more than 90 days. The Commission will also impose actual administrative costs to cover the processing and handling of delinquent claims.

(b) Interest on claims will be charged and will run from the date the notice of claim is mailed if the amount of the claim is not paid within 30 days from that date. Interest will be calculated only on the principal of the claim. The rate of interest charged is the rate in effect on the date from which interest begins to run. The rate will remain fixed for the duration of the indebtedness.

(c) The Commission may waive in whole or in part interest, penalty charges or administrative costs if it finds that:

(1) The debtor is unable to pay any significant sum within a reasonable period of time;

## § 143.8

(2) Collection of interest or penalty charges jeopardizes collection of the principal of the claim; or

(3) It is in the best interests of the United States.

### § 143.4 Collection by offset.

(a) Whenever feasible, the Commission will collect claims under this part by means of administrative offset against obligations of the United States to the debtor.

(b) The Commission will notify the debtor in writing of its intent to use offset procedures to collect the debt unless the debtor agrees to repayment. The notice to the debtor shall include the type and amount of the claim and an explanation of the debtor's rights for records and review under 31 U.S.C. 3716(a).

(c) The Commission will seek to coordinate administrative offset with other federal agencies in accordance with 4 CFR part 102.

### § 143.5 Collection by compromise.

The Commission may settle claims not exceeding \$100,000 (excluding interest) by compromise at less than the principal amount of the claim if—

(a) The debtor shows an inability to pay the full amount within a reasonable period of time;

(b) The Government would be unable to enforce collection in full through litigation or administrative means within a reasonable period of time;

(c) The cost of collecting the claim in full is not justified by the amount of the claim; or

(d) The Commission's enforcement policy would be served by settlement of the claim for less than the full amount.

[50 FR 5384, Feb. 8, 1985, as amended at 57 FR 61292, Dec. 24, 1992]

### § 143.6 Referral for litigation.

Claims that cannot be collected by the Commission under this part or for which collection action cannot be ended or suspended under 4 CFR part 104 will be referred to the Department of Justice for litigation.

### § 143.7 Delegation of authority to the Executive Director.

(a) The Commission hereby delegates, until such time as the Commis-

(ii) For violations committed on or after October 23, 2000, not more than the greater of \$120,000 or triple the monetary gain to such person for each such violation;

(2) For each violation for which a civil monetary penalty is assessed against any contract market or other person pursuant to section 6c of the Commodity Exchange Act, 7 U.S.C. 13a-1:

(b) The Commission will adjust for inflation the maximum penalties set forth in this section at least once every four years.

(c) Unless otherwise amended by an act of Congress, the penalties set forth in this section or any penalty adjusted for inflation in the future pursuant to paragraph (b) of this section shall be applicable only to violations of the Commodity Exchange Act, Commission rules, or Commission orders which occur after the date on which such future inflation adjustments become effective.

### § 145.7 Requests for Commission records and copies thereof.

Requests for Commission records and copies thereof shall specify the preferred form or format (including electronic formats) of the response. The Commission will accommodate requesters as to form or format if the record is readily available in that form or format. When requesters do not specify the form or format of the response, the Commission will respond in the form or format in which the document is most accessible to the Commission.

(a) *Public inquiries and inspection of public records.* Information concerning the nature and extent of available public records may be obtained in person, by telephone, via Internet (<http://www.cftc.gov>), or by writing to the Commission offices designated in §§145.2 and 145.6.

(b) *Requests for nonpublic records.* Except as provided in paragraph (a) of this section with respect to public records, all requests for records maintained by the Commission shall be in writing, shall be addressed to the Assistant Secretary of the Commission for FOI, Privacy and Sunshine Acts Compliance, and shall be clearly marked "Freedom of Information Act Request".

(c) *Misdirected written requests/oral requests.* (1) The Commission cannot assure that a timely or satisfactory response will be given to requests for records that are directed to the Commission other than in the manner prescribed in paragraph (b) of this section. Any misdirected written request for nonpublic records should be promptly forwarded to the Assistant Secretary of the Commission for FOI, Privacy and Sunshine Acts Compliance. Misdirected

requests for nonpublic records will be considered to have been received for purposes of this section only when they actually have been received by the Assistant Secretary. The Commission will not entertain an appeal under paragraph (h) of this section from an alleged denial or failure to comply with a misdirected request, unless the request was in fact received by the Assistant Secretary for FOI, Privacy and Sunshine Acts Compliance.

(2) While the Commission will attempt to comply with oral requests for copies of records designated by the Commission as public records, the Commission cannot assure a timely or satisfactory response to such requests. The Commission will not consider an oral request for nonpublic records. An appeal under paragraph (h) of this section from an alleged denial or failure to comply with an oral request will not be considered. Any person who has orally requested a copy of a record and who believes that the request was denied improperly should resubmit the request in writing in accordance with paragraph (b) of this section.

(d) *Description of requested records.* Each written request for Commission records made under paragraph (b) of this section shall reasonably describe the records sought with sufficient specificity to permit the records to be located among the records maintained by or for the Commission. The Commission staff may communicate with the requester (by telephone when practicable) in an effort to reduce the administrative burden of processing a broad request and to minimize fees for copying and search services.

(e) *Description of requester and intended use of requested records.* In each request for records, requesters shall reasonably identify themselves as a commercial user, educational institution, noncommercial scientific institution, or representative of the news media if one of these categories is applicable. The requester shall describe the use to which the records will be put.

(f) *Request for existing records.* The Commission's response to a request for nonpublic records will encompass all nonpublic records identifiable as responsive to the request that are in ex-

istence on the date that the written request is received by the Assistant Secretary for FOI, Privacy and Sunshine Acts Compliance. The Commission need not create a new record in response to a FOIA request.

(g) *Fee agreement.* A request for copies of records pursuant to paragraph (b) of this section must indicate the requester's agreement to pay all fees that are associated with the processing of the request, in accordance with the rates set forth in appendix B to part 145, or the requester's intention to limit the fees incurred to a stated amount. If the requester states a fee limitation, no work will be done that will result in fees beyond the stated amount. A requester who seeks a waiver or reduction of fees pursuant to paragraph (a)(8) of appendix B of this part must show that such a waiver or reduction would be in the public interest. If the Assistant Secretary receives a request for records under paragraph (b) of this section from a requester who has not paid fees from a previous request in accordance with appendix B of this part, the staff will decline to process the request until such fees have been paid.

(h) *Initial determination, denials.* (1) With respect to any request for nonpublic records as defined in §145.0(d), the Assistant Secretary of the Commission for FOI, Privacy and Sunshine Acts Compliance, or his or her designee, will forward the request to the Commission divisions or offices likely to maintain records that are responsive to the request. If a responsive record is located, the Assistant Secretary, or designee, will, in consultation with the Commission office in which the record was located, determine whether to comply with such request. The Assistant Secretary may, in his or her discretion, determine whether to comply with any portion of a request for nonpublic records before considering the remainder of the request.

(2) Where it is determined to deny, in whole or in part, a request for nonpublic records, the Assistant Secretary, or designee, will notify the requester of the denial, citing applicable exemptions of the Freedom of Information Act or other provisions of law that

require or allow the records to be withheld. The Assistant Secretary's response to the FOIA request should describe in general terms what categories of documents are being withheld under which applicable FOIA exemption or exemptions. The Assistant Secretary, in denying an initial request for records, is not required to provide the requester with an inventory of those documents determined to be exempt from disclosure.

(3) The Assistant Secretary, or his or her designee, will issue an initial determination with respect to a FOIA request within ten business days after receipt by the Assistant Secretary. In unusual circumstances, as defined in this paragraph, the prescribed time limit may be extended by written notice to the person making a request for a record or a copy. The notice shall set forth the reasons for the extension and the date on which a determination is expected to be dispatched. No such notice shall specify a date that would result in an extension for more than ten business days. As used in this paragraph, "unusual circumstances" means, but only to the extent reasonably necessary to the proper processing of a particular request:

(i) The need to search for and collect the requested records from field facilities or other establishments that are separate from the office processing the request;

(ii) The need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records which are demanded in a single request;

(iii) The need for consultation, which shall be conducted with all practicable speed, with another agency having a substantial interest in the determination of the request or among two or more components in the Commission having substantial subject matter interest therein;

(iv) The need to coordinate a response with several Commission offices;

(v) The need to obtain records currently being used by members of the Commission, the Commission staff, or the public;

(vi) The need to respond to a large number of previously-filed FOIA requests.

(i) *Administrative review.* (1) Any person who has been notified pursuant to paragraph (g) of this section that his request for records has been denied in whole or in part may file an application for review as set forth below.

(2) An application for review must be received by the Office of General Counsel within 30 days of the date of the denial by the Assistant Secretary. This 30-day period shall not begin to run until the Assistant Secretary has issued an initial determination with respect to all portions of the request for nonpublic records. An application for review shall be in writing and shall be marked "Freedom of Information Act Appeal." The original shall be sent to the Commission's Office of General Counsel. If the appeal involves information as to which the FOIA requester has received a detailed written justification of a request for confidential treatment pursuant to §145.9(e), the requester must also serve a copy of the appeal on the submitter of the information.

(3) The applicant must attach to the application for review a copy of all correspondence relevant to the request, *i.e.*, the initial request, any correspondence amending or modifying the request, and all correspondence from the staff responding to the request.

(4) The application for review shall state such facts and cite such legal or other authorities as the applicant may consider appropriate. The application may, in addition, include a description of the general benefit to the public from disclosure of that information.

(5) If the appeal involves information that is subject to a petition for confidential treatment filed under §145.9, the submitter of the information shall have an opportunity to respond in writing to the appeal within 10 business days of the date of filing of the appeal. Any response shall be sent to the Commission's Office of General Counsel. Copies shall be sent to the Assistant Secretary of the Commission for FOI, Privacy and Sunshine Acts Compliance and to the person requesting the information.

## § 145.8

(6) The General Counsel, or his or her designee, shall have the authority to consider all appeals under this section from initial determinations of the Assistant Secretary of the Commission for FOI, Privacy and Sunshine Acts Compliance. The General Counsel may:

(i) Determine either to affirm or to reverse the initial determination in whole or in part;

(ii) Determine to disclose a record, even if exempt, if good cause for doing so either is shown by the application or otherwise appears;

(iii) Remand the matter to the Assistant Secretary (A) to correct a deficiency in the initial processing of the request, or (B) when an investigation as to which the staff originally claimed exemption from mandatory disclosure on the basis of 5 U.S.C. 555(b)(7)(A) or 7 U.S.C. 12(a) is subsequently closed; or;

(iv) Refer the matter to the Commission for a decision.

(j) If the initial denial of the request for nonpublic records is reversed, the Office of General Counsel shall, in writing, advise the requester that the records will be available on or after a specified date. If, on appeal, the denial of access to a record is affirmed in whole or in part, the person who requested the information shall be notified in writing of (1) the reasons for the denial and (2) the provisions of 5 U.S.C. 552(a)(4) providing for judicial review of a determination to withhold records.

### § 145.8 Fees for records services.

A schedule of fees for record services, including locating, and making records available, and copying, appears in appendix B to this part 145. ## 17 CFR Ch. I (4-1-01 Edition)

### § 145.9 Petition for confidential treatment of information submitted to the Commission.

(a) *Purpose.* This section provides a procedure by which persons submitting information in any form to the Commission can request that the information not be disclosed pursuant to a request under the Freedom of Information Act, 5 U.S.C. 552. This section does not affect the Commission's right, authority, or obligation to disclose information in any other context.

(b) *Scope.* The provisions of this section shall apply only where the Commission has not specified that an alternative procedure be utilized in connection with a particular study, report, investigation, or other matter.

(c) *Definitions.* The following definitions apply to this section:

(1) *Submitter.* A "submitter" is any person who submits any information or material to the Commission or who permits any information or material to be submitted to the Commission. For purposes of paragraph (d)(1)(ii) of this section only, "submitter" includes any person whose information has been submitted to a designated contract market or registered futures association that in turn has submitted the information to the Commission.

(2) *FOIA requester.* A "FOIA requester" is any person who files with the Commission a request to inspect or copy Commission records or documents pursuant to the Freedom of Information Act, 5 U.S.C. 552.

(d) *Written request for confidential treatment.* (1) Any submitter may request in writing that the Commission afford confidential treatment under the Freedom of Information Act to any information that he or she submits to the Commission. Except as provided in paragraph (d)(4) of this section, no oral requests for confidential treatment will be accepted by the Commission. The submitter shall specify the grounds on which confidential treatment is being requested but need not provide a detailed written justification of the request unless required to do so under paragraph (e) of this section. Confidential treatment may be requested only on the grounds that disclosure:

## Commodity Futures Trading Commission

## § 145.9

(i) Is specifically exempted by a statute that either requires that the matters be withheld from the public in such manner as to leave no discretion on the issue or establishes particular criteria for withholding or refers to particular types of matters to be withheld.

(ii) Would reveal the submitter's trade secrets or confidential commercial or financial information.

(iii) Would constitute a clearly unwarranted invasion of the submitter's personal privacy.

(iv) Would reveal investigatory records compiled for law enforcement purposes whose disclosure would deprive the submitter of a right to a fair trial or an impartial adjudication.

(v) Would reveal investigatory records compiled for law enforcement purposes whose disclosure would constitute an unwarranted invasion of the personal privacy of the submitter.

(vi) Would reveal investigatory records compiled for law enforcement purposes when disclosure would interfere with enforcement proceedings or disclose investigative techniques and procedures, provided that the claim may be made only by a designated contract market or registered futures association with regard to its own investigatory records.

(2) The original of any written request for confidential treatment must be sent to the Assistant Secretary of the Commission for FOI, Privacy and Sunshine Acts Compliance. A copy of any request for confidential treatment shall be sent to the Commission division or office receiving the original of any material for which confidential treatment is being sought.

(3) A request for confidential treatment shall be clearly marked "FOIA Confidential Treatment Request" and shall contain the name, address, and telephone number of the submitter. The submitter is responsible for informing the Assistant Secretary of the Commission for FOI, Privacy and Sunshine Acts Compliance of any changes in his or her name, address, and telephone number.

(4) A request for confidential treatment should accompany the material for which confidential treatment is being sought. If a request for confiden-

tial treatment is filed after the filing of such material, the submitter shall have the burden of showing that it was not possible to request confidential treatment for that material at the time the material was filed. A request for confidential treatment of a future submission will not be processed. All records which contain information for which a request for confidential treatment is made or the appropriate segregable portions thereof should be marked by the person submitting the records with a prominent stamp, typed legend, or other suitable form of notice on each page or segregable portion of each page stating "Confidential Treatment Requested by [name]." If such marking is impractical under the circumstances, a cover sheet prominently marked "Confidential Treatment Requested by [name]" should be securely attached to each group of records submitted for which confidential treatment is requested. Each of the records transmitted in this matter should be individually marked with an identifying number and code so that they are separately identifiable. In some circumstances, such as when a person is testifying in the course of a Commission investigation or providing documents requested in the course of a Commission inspection, it may be impractical to submit a written request for confidential treatment at the time the information is first provided to the Commission. In no circumstances can the need to comply with the requirements of this section justify or excuse any delay in submitting information to the Commission. Rather, in such circumstances, the person testifying or otherwise submitting information should inform the Commission employee receiving the information, at the time the information is submitted or as soon thereafter as practicable, that the person is requesting confidential treatment for the information. The person shall then submit a written request for confidential treatment within 30 days of the submission of the information. If access is requested under the Freedom of Information Act with respect to material for which no timely request for confidential treatment has been made, it may be presumed that the submitter of the information has

waived any interest in asserting that the material is confidential.

(5) A request for confidential treatment shall state the length of time for which confidential treatment is being sought.

(6) A request for confidential treatment (as distinguishing from the material that is the subject of the request) shall be considered a public document. When a submitter deems it necessary to include, in its request for confidential treatment, information for which it seeks confidential treatment, the submitter shall place that information in an appendix to the request.

(7) On 10 business days notice from the Assistant Secretary, a submitter shall submit a detailed written justification of a request for confidential treatment, as specified in paragraph (e) of this section. Upon request and for good cause shown, the Assistant Secretary may grant an extension of such time. The Assistant Secretary will notify the submitter that failure to provide timely a detailed written justification will be deemed a waiver of the submitter's opportunity to appeal an adverse determination.

(8)(i) Requests for confidential treatment for any reasonably segregable material that is not exempt from public disclosure under the Freedom of Information Act, as implemented in §145.5, shall be summarily rejected under §145.9(d)(9). Requests for confidential treatment of public information contained in financial reports as specified in §1.10 shall not be processed. A submitter has the burden of specifying clearly and precisely the material that is the subject of the confidential treatment request. A submitter may be able to meet this burden in various ways, including:

(A) Segregating material for which confidential treatment is being sought;

(B) Submitting two copies of the submission: a copy from which material for which confidential treatment is being sought has been obliterated, deleted, or clearly marked and an unmarked copy; and

(C) Clearly describing the material within a submission for which confidential treatment is being sought.

(ii) A submitter shall not employ a method of specifying the material for

which confidential treatment is being sought if that method makes it unduly difficult for the Commission to read the full submission, including all portion claimed to be confidential, in its entirety.

(9) If a submitter fails to follow the procedures set forth in paragraphs (d)(1) through (d)(8) of this section, the Assistant Secretary of the Commission for FOI, Privacy and Sunshine Acts Compliance or his or her designee may summarily reject the submitter's request for confidential treatment with leave to the submitter to refile a proper petition. Failure of the Assistant Secretary or his or her designee summarily to reject a confidential treatment request pursuant to this paragraph shall not be construed to indicate that the submitter has complied with the procedures set forth in paragraphs (d)(1) through (d)(8) of this section.

(10) Except as provided in paragraph (d)(9) of this section, no determination with respect to any request for confidential treatment will be made until the Commission receives a Freedom of Information Act request for the material for which confidential treatment is being sought.

(e) *Detailed written justification of request for confidential treatment.* (1) If the Assistant Secretary or his or her designee determines that a FOIA request seeks material for which confidential treatment has been requested pursuant to §145.9, the Assistant Secretary or his or her designee shall require the submitter to file a detailed written justification of the confidential request within ten business days (unless under §145.9(d)(7) an extension of time has been granted) of that determination unless, pursuant to an earlier FOIA request, a prior determination to release or withhold the material has been made, the submitter has already provided sufficient information to grant the request for confidential treatment; or the material is otherwise in the public domain. The detailed written justification shall be filed with the Assistant Secretary of the Commission for FOI, Privacy and Sunshine Acts Compliance. It shall be clearly marked "Detailed Written Justification of FOIA Confidential Treatment Request"

## Commodity Futures Trading Commission

## § 145.9

and shall contain the request number supplied by the Commission. The submitter shall also send a copy of the detailed written justification to the FOIA requester at the address specified by the Commission.

(2) The period for filing a detailed written justification shall be extended only under exceptional circumstances.

(3) The detailed written justification of the confidential treatment request shall contain:

(i) The reasons, referring to the specific exemptive provisions of the Freedom of Information Act listed in paragraph (d)(1) of this section, why the information that is the subject of the FOIA request should be withheld from access under the Freedom of Information Act;

(ii) The applicability of any specific statutory or regulatory provisions that govern or may govern the treatment of the information;

(iii) The existence and applicability of prior determinations by the Commission, other federal agencies, or courts concerning the specific exemptive provisions of the Freedom of Information Act pursuant to which confidential treatment is being requested. Submitters shall satisfy any evidentiary burdens imposed upon them by applicable Freedom of Information Act case law.

(iv) Such additional facts and authorities as the submitter may consider appropriate.

(4) The detailed written justification of a confidential treatment request shall be accompanied by affidavits to the extent necessary to establish the facts necessary to satisfy the submitter's evidentiary burden.

(5) The detailed written justification of a confidential treatment request (as distinguished from the material that is the subject of the request) shall be considered a public document. However, a submitter will be permitted to submit to the Commission supplementary confidential affidavits with his or her detailed written justification if that is the only way in which he or she can convincingly demonstrate that the material that is the subject of the confidential treatment request should not be disclosed to the FOIA requester.

(f) *Initial determination with respect to petition for confidential treatment.* (1) The Assistant Secretary for FOI, Privacy and Sunshine Acts Compliance or his or her designee, in consultation with the Office in which the record was located, shall issue an initial determination with respect to a confidential treatment request for material that is responsive to the FOIA request. This determination shall be issued at the same time as the initial determination with respect to the FOIA request. *See* §145.7(g). To the extent that the initial determination grants a confidential treatment request in full or in part, it should specify the FOIA exemptions upon which this determination is based and briefly describe the material to which each exemption applies. *See* §145.7(g)(2). To the extent that the initial determination denies confidential treatment to any material for which confidential treatment was requested, it should briefly describe the material for which confidential treatment is denied.

(2) If the Assistant Secretary or his or her designee determines that a confidential treatment request shall be denied in full or in part, the submitter shall be informed of his or her right to appeal to the Commission's General Counsel in accordance with the procedures set forth in paragraph (g) of this section. The material for which confidential treatment was denied shall be released to the FOIA requester if the submitter does not file an appeal within 10 business days of the date on which his or her request was denied.

(3) If the Assistant Secretary or his or her designee determines that a confidential treatment request shall be granted in full or in part, the FOIA requester shall be informed of his or her right to appeal to the Commission's General Counsel in accordance with the procedures set forth in §145.7(h).

(g) *Appeal from initial determination that confidential treatment is not warranted.* (1) An appeal from an initial determination to deny a confidential treatment request in full or in part shall be filed with the General Counsel of the Commission. No disclosure of the material that is the subject of the appeal shall be made until the appeal is resolved. If both a submitter and a

FOIA requester appeal to the General Counsel from a partial grant and partial denial of a confidential treatment request, those appeals shall be consolidated.

(2) Any appeal of a denial of a request for confidential treatment shall be in writing, and shall be clearly marked "FOIA Confidential Treatment Appeal." The appeal shall include a copy of the initial determination and shall clearly indicate the portions of the initial determination from which an appeal is being taken.

(3) The appeal shall be sent to the Commission's Office of General Counsel. A copy of the appeal shall be sent to the FOIA requester. The General Counsel or his or her designee shall have the authority to consider all appeals from initial determinations of the Assistant Secretary of the Commission for FOI, Privacy and Sunshine Acts compliance. The General Counsel may, in his sole and unfettered discretion, refer such appeals and questions concerning stays under paragraph (g)(10) of this section to the Commission for decision.

(4) In the appeal, the submitter may supply additional substantiation for his or her request for confidential treatment, including additional affidavits and additional legal argument. Such submissions shall be governed by paragraph (e)(5) of this section.

(5) The FOIA requester shall have an opportunity to respond in writing to the appeal within 10 business days of the date of filing of the FOIA Confidential Treatment Appeal. The FOIA requester need not respond, however. Any response shall be sent to the Commission's Office of General Counsel. A copy shall be sent to the submitter.

(6) All FOIA Confidential Treatment Appeals and all responses thereto shall be considered public documents.

(7) The General Counsel will make a determination with respect to any appeal within twenty business days after receipt by the Office of General Counsel of such appeal or within such extended period as may be permitted in accordance with the standards set forth in §145.7(g)(3). Although other procedures may be employed, to the extent possible the General Counsel will decide the appeal on the basis of the af-

fidavits and other documentary evidence submitted by the submitter and the FOIA requests.

(8) The General Counsel or his or her designee shall have the authority to remand any matter to the Assistant Secretary of the Commission for FOI, Privacy and Sunshine Acts Compliance to correct deficiencies in the initial processing of the confidential treatment request.

(9) If the General Counsel or his or her designee denies a confidential treatment appeal in full or in part, the information for which confidential treatment is denied shall be disclosed to the FOIA requester 10 business days later, subject to any stay entered pursuant to paragraph (g)(10) of this section.

(10) The General Counsel or his or her designee shall have the authority to enter and vacate stays as set forth below. If, within 10 business days of the date of issuance of a determination by the General Counsel or his or her designee to disclose information for which a submitter sought confidential treatment, the submitter commences an action in federal court concerning that determination, the General Counsel will stay the public disclosure of the information pending final judicial resolution of the matter. The General Counsel or his or her designee may vacate a stay entered under this section, either on his or her own motion or at the request of the FOIA requester. If such a stay is vacated, the information will be released to the requester 10 business days after the submitter is notified of this action, unless a court orders otherwise.

(h) *Extensions of time limits.* Any time limit under this section may be extended for good cause shown, in the discretion of the Commission, the Commission's General Counsel, or the Assistant Secretary of the Commission for FOI, Privacy and Sunshine Acts Compliance.

(i) A submitter whose confidential treatment request has been upheld by the Commission shall, upon request of the General Counsel, aid the Commission in defending a court action to compel the Commission to disclose the information subject to the confidential treatment request. If the submitter is

unwilling to aid the Commission in this regard, the General Counsel may, in appropriate cases, make the information available to the public.

### APPENDIX B TO PART 145—SCHEDULE OF FEES

(a) *Charges for requests.* The following charges may be made where applicable for responding to requests for records.

(1) Three dollars for each one-quarter hour spent by clerical personnel in searching for or reviewing records.

(2) Where a search or review cannot be performed by clerical personnel, \$4.50 for each quarter hour spent by professional personnel in searching for or reviewing records.

(3) The Commission uses a variety of computer systems to support its operations and store records. Older systems of records, particularly systems involving large numbers of records, are maintained on a mainframe computer. More recently, systems have been developed using small, inexpensive, shared computer systems to store records. Systems of use in particular programmatic and administrative operations may also store records on the workstation computers assigned to particular staff members. For searches of records stored on the Commission's mainframe computer, the use of computer processing time will be charged at \$456.47 for each hour, \$7.61 for each minute, and \$0.1268 for each second of computer processing time indicated by the job accounting log printed with each search. When searches

require the expertise of a computer specialist, staff time for programming and performing searches will be charged at \$32.00 per hour. For searches of records stored on personal computers used as workstations by Commission staff and shared access network servers, the computer processing time is included in the search time for the staff member using that workstation as set forth in the other paragraphs under paragraph (a) of Appendix B.

(4) Document duplication, including computer printouts, will be charged at \$0.15 per page.

(5) For copies of materials other than paper records, such as computer tapes or cassette tapes, the requesting party shall be charged the actual cost of materials and reproduction, including the time of clerical personnel at a rate of \$3.00 per quarter hour.

(6) When, in accordance with §145.7(f), a request has been made and granted to examine Commission records at an office of the Commission other than the office in which the records are routinely maintained, the requesting party (i) shall reimburse the Commission for the actual cost of transporting the records and (ii) shall be charged at a rate 3.00 for each quarter hour devoted by clerical personnel in preparing the records for transit.

(7) For certifying that requested records are true copies, the charge will be \$3.00 per certification.

(8) Upon request, records will be mailed by means of overnight or express mail at the fee of \$10.00 per package mailed.

(b) *Waiver or reduction of fees.* Fees shall be waived or reduced by the Commission if (i) the fees is less than \$5.00, the approximate cost to the Commission of collecting the fee; or, (ii) if the Commission determines that the disclosure of the information is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in the commercial interest of the requester.

(c) *Applicability of fees.* Fees shall be charged even if no records are ultimately furnished to the requester. Fees apply to various types of requests as follows.

(1) *Commercial use request.* Fees for search time, review time and duplication of records will be charged to requests from or on behalf of one who seeks information for a user or purpose that furthers the commercial, trade or profit interests of the requester or the person on whose behalf the request is made.

(2) *Educational institution or noncommercial scientific institution.* Only duplication fees will be charged to schools or to organizations which operate solely for the purpose of scientific research, the results of which are not intended to promote any particular product or industry. No charge will be made for the first 100 pages duplicated or for search or review time.

(3) *Representative of the news media.* Only duplication fees will be charged to any person actively gathering news for an entity that is organized and operated to publish or broadcast news to the public. No charge will be made for the first 100 pages duplicated or for search or review time.

(4) *Other requesters.* Fees for search time and duplication will be charged to requesters who are not covered by one of the categories above. No charge will be made for the first two hours of search time, the first 100 pages of duplication, or for review time. If the search is for records stored in a computer format, a combination of computer operation charges and search time charges will be waived up to the equivalent of two hours of professional search time.

(d) *Aggregation of requests.* For purposes of determining fees, the Commission may aggregate reasonably related requests if multiple requests are made within a 30-day period or if there is a solid basis for believing that multiple requests were made solely to avoid fees.

(e) *Notification of fees.* A request for Commission records may state that the party is willing to pay fees up to a stated limit for services to be provided in searching, reviewing and duplicating requested records. If such a statement is made, no work will be done that will result in fees beyond the stated limit without written authorization. If no limit is stated, no work will be done that will result in fees in excess of \$25.00 without written authorization from the requester.

(f) *Advance payment of fees.* The Commission may request advance payment of all or part of the fee (i) when fees are expected to exceed \$250; or (ii) when a requester has previously failed to pay fees in a timely fashion.

(g) *Payment of fees.* Payment should be made by check or money order payable to the Commodity Futures Trading Commission.

(h) *Interest on fees.* The Commission will begin charging interest on unpaid bills starting on the 31st day following the day on which the bill was sent. Interest will be at the rate prescribed in 31 U.S.C. 3717.

(i) *Collection of fees.* If fees not paid, the Commission may disclose debts to appropriate authorities for collection or to consumer reporting agencies.

### § 146.12 Exemptions.

(a) Investigatory materials compiled for law enforcement purposes are exempt from portions of the Privacy Act of 1974 and of these rules as set forth in paragraph (c) of this section, on the basis and to the extent that individual access to these files could impair the effectiveness and orderly conduct of the Commission's regulatory and enforcement program. (b)(1) In the case of each meeting or portion of meeting closed to the public pursuant to §147.3(b) (8), (9)(i), (9)(ii) or (b)(10), or any combination thereof, the Commission shall make and maintain either a complete transcript or recording as described in paragraph (a) of this section, or a set of minutes.

(2) When the Commission elects to keep minutes under paragraph (b)(1) of this section, the minutes shall fully and clearly describe all matters discussed at the closed meeting or closed portion thereof, and shall provide a full and accurate summary of any actions taken, and the reasons therefor, including a description of each of the views expressed on any item, and a record of any roll call vote taken which reflects the vote of each Commissioner on the question. All documents considered in connection with any actions taken shall be identified in such minutes.

(b)(1) All determinations made pursuant to paragraph (a) of this section that items of discussion or testimony reflected in transcripts, recordings or sets of minutes of closed meetings or closed portions thereof are exempt from disclosure pursuant to §147.3(b), shall be made by the Assistant Secretary of the Commission for FOI, Privacy and Sunshine Acts compliance after due consultation with the Office of the Commission's General Counsel and the Director of any affected staff division.

(2) Any person who objects to any determination made pursuant to paragraph (b)(1) of this section may seek Commission review of that determination by filing with the Commission's Office of the Secretariat a brief written statement that review is sought which contains a concise statement of the reasons why the determination should be set aside.

(c) The Commission shall maintain a complete verbatim copy of the transcript, a complete electronic recording or a complete copy of the minutes of each meeting or portion of a meeting closed to the public, which are made in accordance with §147.7(a) or §147.7(b), for a period of at least two years after such meeting or portion of meeting, or until one year after the conclusion of any Commission proceeding with respect to which the meeting or portion thereof was held, whichever occurs later.

**SOURCE:** 46 FR 57671, Nov. 25, 1981, unless otherwise noted.

**Subpart A—General Provisions**

**§ 148.1 Purpose of these rules.**

The Equal Access to Justice Act, 5 U.S.C. 504 (called “the Act” in this part), provides for the award of attorney fees and other expenses to eligible individuals and entities who are prevailing private parties in adjudicatory proceedings before the Commission. An eligible party may receive an award when it prevails over the Commission,

unless the Commission’s position was substantially justified or special circumstances make an award unjust. The rules in this part describe the parties eligible for awards and the proceedings that are covered. They also explain how to apply for awards, and the procedures and standards that the Commission will use to make them.

[51 FR 18880, May 23, 1986]

**§ 148.2 When the Act applies.**

The Act applies to any covered adjudicatory proceeding pending before the Commission on or after October 1, 1981. This includes proceedings begun before October 1, 1981, if final Commission action has not been taken before that date. Awards may be sought for fees and other expenses incurred before October 1, 1981, in any such covered proceeding.

[51 FR 18880, May 23, 1986]

**§ 148.3 Proceedings covered.**

(a) The Act applies to adjudicatory proceedings conducted by the Commission. These are adjudications under 5 U.S.C. 554 in which the position of the Commission or any other agency of the United States, or any component of an agency, is presented by an attorney or other representative who enters an appearance and participates in the proceeding. Reparation proceedings under section 14 of the Commodity Exchange Act, 7 U.S.C. 18, Commission review of exchange disciplinary and access denial actions under section 8c of the Commodity Exchange Act, 7 U.S.C. 12c, and registered futures association disciplinary and membership denial actions under section 17 of the Commodity Exchange Act, 7 U.S.C. 21, are not covered by the Act. Proceedings brought to determine whether or not to grant or renew registrations pursuant to sections 8a or 17(o), of the Commodity Exchange Act, 7 U.S.C. 8, 12a and 21(o), or contract market designations pursuant to section 6(a) of the Commodity Exchange Act, 7 U.S.C. 8 (a), are excluded, but proceedings brought to suspend or revoke registrations or contract market designations are covered if they are otherwise adjudicatory proceedings.

## Commodity Futures Trading Commission

## § 148.4

For the Commission, the types of proceedings generally covered are adjudicatory proceedings as defined in §10.2(b) of this chapter; part 14 proceedings, if they involve a hearing, are also covered.

(b) The Commission's decision not to identify a type of proceeding as an adversary adjudication shall not preclude the filing of an application by a party who believes the proceeding is covered by the Act; whether the proceeding is covered will then be an issue for resolution in the proceedings on the application.

(c) If a proceeding includes both matters covered by the Act and matters specifically excluded from coverage, any award made will include only fees and expenses related to covered issues.

[46 FR 57671, Nov. 25, 1981, as amended at 51 FR 18880, May 23, 1986; 59 FR 5528, Feb. 7, 1994]

### § 148.4 Eligibility of applicants.

(a) To be eligible for an award of attorney fees and other expenses under the Act, the applicant must be a party to the adjudicatory proceeding for which it seeks an award. The term "party" is defined in 5 U.S.C. 551(3). The applicant must show that it meets all conditions of eligibility set out in this subpart and in subpart B.

(b) The types of eligible applicants are as follows:

(1) An individual with a net worth of not more than \$2 million;

(2) The sole owner of an unincorporated business who has a net worth of not more than \$7 million, including both personal and business interests, and not more than 500 employees;

(3) A charitable or other tax-exempt organization described in section 501(c)(3) of the Internal Revenue Code (26 U.S.C. 501(c)(3)) with not more than 500 employees;

(4) A cooperative association as defined in section 15(a) of the Agricultural Marketing Act (12 U.S.C. 1141j(a)) with not more than 500 employees; and

(5) Any other partnership, corporation, association, unit of local government, or public or private organization with a net worth of not more than \$7 million and not more than 500 employees.

(c) For the purpose of eligibility, the net worth and number of employees of an applicant shall be determined as of the date the adjudicatory proceeding was initiated.

(d) An applicant who owns an unincorporated business will be considered as an "individual" rather than a "sole owner of an unincorporated business" if the issues on which the applicant prevails are related primarily to personal interests rather than to business interests.

(e) The employees of an applicant include all persons who regularly perform services for compensation for the applicant, under the applicant's direction and control. The term "employee" also embraces all the agents of an applicant, by whatever title or label they may be known, for whose acts or omissions the applicant may be held liable under the Commodity Exchange Act. See 7 U.S.C. 4. Part-time employees shall be included on a proportional basis.

(f) The net worth and number of employees of the applicant and all of its affiliates shall be aggregated to determine eligibility. Any individual, corporation or other entity that directly or indirectly controls or owns a majority of the voting shares or other interest of the applicant, or any corporation or other entity of which the applicant directly or indirectly owns or controls a majority of the voting shares or other interest, will be considered an affiliate for purposes of this part, unless the Presiding Officer determines that such treatment would be unjust and contrary to the purposes of the Act in light of the actual relationship between the affiliated entities. In addition, the Presiding Officer may determine that financial relationships of the applicant other than those described in this paragraph constitute special circumstances that would make an award unjust.

(g) An applicant that participates in a proceeding on behalf of one or more other persons or entities that would be ineligible is not itself eligible for an award.

[46 FR 57671, Nov. 25, 1981, as amended at 51 FR 18880, May 23, 1986]

## § 148.5

17 CFR Ch. I (4-1-01 Edition)

### § 148.5 Standards for awards.

(a) A prevailing applicant may receive an award for fees and expenses incurred in connection with an adjudicatory proceeding, or in a significant and discrete substantive portion of the proceeding, unless the position of the Commission was substantially justified. The position of the Commission includes, in addition to the position taken by the Commission in the adversary adjudication, the action or failure to act by the Commission upon which the adversary adjudication is based. The burden of proof that an award should not be made to an eligible prevailing applicant is on the Commission.

(b) An award will be reduced or denied if the applicant has unduly or unreasonably protracted the adjudicatory proceeding or if special circumstances make the award sought unjust.

[46 FR 57671, Nov. 25, 1981, as amended at 51 FR 18880, May 23, 1986]

### § 148.6 Allowable fees and expenses.

(a) Awards will be based on rates customarily charged by persons engaged in the business of acting as attorneys, agents and expert witnesses, even if the services were made available without charge or at a reduced rate to the applicant.

(b) No award for the fee of an attorney or agent under these rules may exceed \$75 per hour. No award to compensate an expert witness may exceed the maximum daily rate prescribed for GS-18 under section 5332 of title 5 of the U.S. Code. However, an award may also include the reasonable expenses of the attorney, agent, or witness as a separate item, if the attorney, agent or witness ordinarily charges clients separately for such expenses.

(c) In determining the reasonableness of the fee sought for an attorney, agent or expert witness, the Presiding Officer shall consider the following:

(1) If the attorney, agent or witness is in private practice, his or her customary fee for similar services, or, if an employee of the applicant, the fully allocated cost of the services;

(2) The prevailing rate for similar services in the community in which the attorney, agent or witness ordinarily performs services;

(3) The time actually spent in the representation of the applicant;

(4) The time reasonably spent in light of the difficulty or complexity of the issues in the adjudicatory proceeding; and

(5) Such other factors as may bear on the value of the services provided.

(d) The reasonable cost of any study, analysis, test, project or similar matter prepared on behalf of a party may be awarded, to the extent that the charge for the service does not exceed the prevailing rate for similar services, and the study or other matter was necessary for preparation of the applicant's case.

### § 148.7 Rulemaking on maximum rates for attorney fees.

(a) If warranted by an increase in the cost of living or by special circumstances (such as limited availability of attorneys qualified to handle certain types of proceedings), the Commission may adopt regulations providing that attorney fees may be awarded at a rate higher than \$75 per hour in some or all of the types of proceedings covered by this part. The Commission will conduct any rulemaking proceedings for this purpose under the informal rulemaking procedures of the Administrative Procedure Act, 5 U.S.C. 553.

(b) Any person may file with the Commission a petition for rulemaking to increase the maximum rate for attorney fees, in accordance with § 13.2 of this chapter.

### § 148.8 Awards against other agencies.

If an applicant is entitled to an award because it prevails over another agency of the United States that participates in an adjudicatory proceeding before the Commission and takes a position that is not substantially justified, the award or an appropriate portion of the award shall be made against that agency.

### Subpart B—Information Required from Applicants

#### § 148.11 Contents of application.

(a) An application for an award of fees and expenses under the Act shall identify the applicant and the adjudicatory proceeding for which an award is sought. The application shall show that the applicant has prevailed and identify the position of the Commission or other agency that the applicant alleges was not substantially justified. Unless the applicant is an individual, the application shall also state the number of employees of the applicant and describe briefly the type and purpose of its organization or business.

(b) The application shall also include a statement that the applicant's net worth does not exceed \$2 million (if an individual) or \$7 million (for all other applicants, including their affiliates). However, an applicant may omit this statement if:

(1) It attaches a copy of a ruling by the Internal Revenue Service that it qualifies as an organization described in section 501(c)(3) of the Internal Revenue Code (26 U.S.C. 501(c)(3)) or, in the case of a tax-exempt organization not required to obtain a ruling from the Internal Revenue Service on its exempt status, a statement that describes the basis for the applicant's belief that it qualifies under such section; or

(2) It states that it is a cooperative association as defined in section 15(a) of the Agricultural Marketing Act (12 U.S.C. 1141j(a)).

(c) The application shall state the amount of fees and expenses for which an award is sought.

(d) The application may also include any other matters that the applicant wishes the Commission to consider in determining whether and in what amount an award should be made.

(e) The application shall be signed by the applicant or an authorized officer or attorney of the applicant. It shall also contain or be accompanied by a written verification under oath or under penalty of perjury that the information provided in the application is true and correct.

[46 FR 57671, Nov. 25, 1981, as amended at 51 FR 18880, May 23, 1986]

#### § 148.12 Net worth exhibit.

(a) Each applicant except a qualified tax-exempt organization or cooperative association must provide with its application a detailed exhibit showing the net worth of the applicant and any affiliates (as defined in § 148.4(f) of this part) when the adjudicatory proceeding was initiated. The exhibit may be in any form convenient to the applicant that provides full disclosure of the applicant's and its affiliates' assets and liabilities and is sufficient to determine whether the applicant qualifies under the standards in this part. The Presiding Officer may require an applicant to file additional information to determine its eligibility for an award.

(b) Ordinarily, the net worth exhibit will be included in the public record of the adjudicatory proceeding. However, an applicant that objects to public disclosure of information in any portion of the exhibit and believes there are legal grounds for withholding it from disclosure may submit that portion of the exhibit directly to the Presiding Officer in a sealed envelope labeled "Confidential Financial Information," accompanied by a motion to withhold the information from public disclosure. The motion shall describe the information sought to be withheld and explain, in detail, why it falls within one or more of the specific exemptions from mandatory disclosure under the Freedom of Information Act, 5 U.S.C. 552(b)(1)–(9), why public disclosure of the information would adversely affect the applicant, and why disclosure is not required in the public interest. The material in question shall be served on counsel representing the Commission or other agency against which the applicant seeks an award, but need not be served on any other party to the adjudicatory proceeding. If the Presiding Officer finds that the information should not be withheld from disclosure, it shall be placed in the public record of the adjudicatory proceeding. Otherwise, any request to inspect or copy the exhibit shall be disposed of in accordance with the Commission's established procedures under the Freedom of Information Act as provided in part 145 of this chapter. For that purpose, the applicant shall file a copy of its motion

### § 148.13

with the Commission's Freedom of Information Act Compliance Staff in the Office of the Secretariat, Washington, DC.

#### **§ 148.13 Documentation of fees and expenses.**

The application shall be accompanied by full documentation of the fees and expenses, including the cost of any study, analysis, test, project or similar matter, for which an award is sought. A separate itemized statement shall be submitted for each professional firm or individual whose services are covered by the application, showing the hours spent in connection with the proceeding by each individual, a description of the specific services performed, the rate at which each fee has been computed, any expenses for which reimbursement is sought, the total amount claimed, and the total amount paid or payable by the applicant or by any other person or entity for the services provided. The Presiding Officer may require the applicant to provide vouchers, receipts, or other substantiation for any expenses claimed.

#### **§ 148.14 When an application may be filed.**

(a) An application may be filed whenever the applicant has prevailed in the adjudicatory proceeding or in a significant and discrete substantive portion of the proceeding, subject to the separate hearing procedure pursuant to § 10.63(b) of this chapter, but in no case later than 30 days after the Commission's final disposition of the adjudicatory proceeding.

(b) If review or reconsideration is sought or taken of a decision as to which an applicant believes it has prevailed, proceedings for the award of fees shall be stayed pending final disposition of the underlying controversy.

(c) For purposes of this rule, final disposition means the later of

(1) The date on which an initial decision by the Presiding Officer becomes final pursuant to § 10.84 of this chapter;

(2) Issuance of an order disposing of any petitions for reconsideration of the Commission's final order in the proceeding pursuant to § 10.106 of the Rules of Practice;

### 17 CFR Ch. I (4-1-01 Edition)

(3) If no petition for reconsideration is filed, the last date on which such a petition could have been filed pursuant to § 10.106 of the Rules of Practice; or

(4) Issuance of a final Commission order or any other final resolution of a proceeding, such as a settlement or voluntary dismissal, which is not subject to a petition for reconsideration.

### **Subpart C—Procedures for Considering Applications**

#### **§ 148.21 Filing and service of documents.**

Any application for an award or other pleading or document related to an application shall be filed and served on all parties to the adjudicatory proceeding, except as provided in § 148.12(b) for confidential financial information.

#### **§ 148.22 Answer to application.**

(a) Within 30 days after service of an application, counsel representing the Commission or other agency against which an award is sought may file an answer to the application. Unless counsel for the Commission or for another relevant agency requests an extension of time for filing or files a statement of intent to negotiate under paragraph (b) of this section, failure to file an answer within the 30-day period may be treated as a consent to the award requested.

(b) If counsel for the Commission or for another relevant agency and the applicant believe that the issues in the fee application can be settled, they may jointly file a statement of their intent to negotiate a settlement. The filing of this statement shall extend the time for filing an answer for an additional 30 days, and further extensions may be granted by the Presiding Officer upon request by counsel for the Commission or for another relevant agency and the applicant.

(c) Any answer shall explain in detail any objections to the award requested and identify the facts relied on in support of the position of counsel for the Commission or for another relevant agency. If the answer is based on any alleged facts not already in the record of the adjudicatory proceeding, counsel for the Commission or for another relevant agency shall include with the answer either supporting affidavits or a

## § 148.28

request for further proceedings under § 148.26 of this part.

### § 148.23 Reply.

Within 15 days after service of an answer, the applicant may file a reply. If the reply is based on any alleged facts not already in the record of the adjudicatory proceeding, the applicant shall include with the reply either supporting affidavits or a request for further proceedings under § 148.26 of this part.

### § 148.24 Comments by other parties.

Any party to an adjudicatory proceeding other than the applicant and counsel for the Commission or for another relevant agency may file comments on an application within 30 days after it is served or on an answer within 15 days after it is served. A commenting party may not participate further in proceedings on the application unless the Presiding Officer determines that the public interest requires such participation in order to permit full exploration of matters raised in the comments.

### § 148.25 Settlement.

The applicant may propose settlement of the award to the Commission before final action on the application, either in connection with a settlement of the adjudicatory proceeding, or after the adjudicatory proceeding has been concluded, in either case in accordance with § 10.108 of this chapter. If a prevailing party offers a proposed settlement of an award before an application has been filed, the application shall be filed with the proposed settlement.

### § 148.26 Further proceedings.

(a) Ordinarily, the determination of an award will be made on the basis of the written record. However, on request of either the applicant or counsel for the Commission or for another relevant agency, or on his or her own initiative, the Presiding Officer may order further proceedings, such as an informal conference, oral argument, additional written submissions or an evidentiary hearing. Such further proceedings shall be held only when necessary for full and fair resolution of the issues arising from the application, and

shall be conducted as promptly as possible. Whether or not the position of the Commission was substantially justified shall be determined on the basis of the administrative record, as a whole, which is made in the adversary adjudication for which fees and other expenses are sought. No discovery and/or evidentiary proceedings shall be permitted into the question of whether the agency's position was substantially justified.

(b) A request that the Presiding Officer order further proceedings under this section shall specifically identify the information sought or the disputed issues and shall explain why additional proceedings are necessary to resolve the issues.

[46 FR 57671, Nov. 25, 1981, as amended at 51 FR 18881, May 23, 1986]

### § 148.27 Decision.

The Presiding Officer shall issue an initial decision on the application in accordance with the provisions of § 10.84 of this chapter. The decision shall include written findings and conclusions on the applicant's eligibility and status as a prevailing party, and an explanation of the reasons for any difference between the amount requested and the amount awarded. The decision shall also include, if at issue, findings on whether the Commission's position was substantially justified, whether the applicant unduly or unreasonably protracted the adjudicatory proceedings, or whether special circumstances make an award unjust. If the applicant has sought an award against more than one agency, the decision shall allocate responsibility for payment of any award made among the agencies, and shall explain the reasons for the allocation made.

### § 148.28 Appeal to the Commission.

(a) Either the applicant or counsel for the Commission or for another relevant agency may appeal the initial decision on the fee application by complying with the requirements of this section. An appealing party shall serve upon opposing parties and shall file with the Proceedings Clerk a notice of appeal within fifteen (15) days after

**§ 148.29**

**17 CFR Ch. I (4-1-01 Edition)**

service of the initial decision. The notice need consist only of a brief statement indicating the filing party's intent to appeal the initial decision, and shall include the date upon which the initial decision was rendered, the name of the proceeding, and the docket number of the proceeding. The failure of a party timely to file and serve a notice of appeal in accordance with this paragraph, or to perfect the appeal in accordance with paragraph (b) of this section, shall constitute a voluntary waiver of any objection to the initial decision, and of all further administrative or judicial review under these rules and the Equal Access to Justice Act.

(b) An appeal shall be perfected by the appealing party by timely filing with the Proceedings Clerk an appeal brief which meets the requirements of paragraphs (b) and (d) of this section. An original and one copy of the appeal brief shall be filed within thirty (30) days after filing of the notice of appeal. By motion of the appealing party, the Commission may, for good cause shown, extend the time for filing the appeal brief. If the appeal brief is not filed within the time prescribed in this subparagraph, the Commission may, upon its own motion or upon motion by a party, dismiss the appeal, in which event the initial decision shall become the final decision and order of the Commission, effective upon service of the order of dismissal.

(c) The opposing party may, within thirty (30) days after service of the appeal brief, file an original and one copy of an answering brief, and serve one copy thereof, unless the time limit is extended by the Commission upon motion of the party and for good cause shown.

(d) Parties filing an appeal brief or answering brief shall meet the requirements of §10.12 of this chapter as to form. The content of briefs shall satisfy the requirements of §10.102(d) of this chapter, except that any party, with leave of the Commission, may file an informal document in lieu of a brief. No brief shall exceed thirty-five (35) pages in length without advance leave of the Commission.

(e) On review, the Commission may, in its discretion, consider *sua sponte* any issues arising from the record and

may base its determination thereon, or limit the issues to those presented in the statement of issues in the briefs, treating those issues not raised as waived.

[51 FR 18881, May 23, 1986]

**§ 148.29 Judicial review.**

Judicial review of final Commission decisions on awards may be sought as provided in 5 U.S.C. 504(c)(2).

**§ 148.30 Payment of award.**

An applicant seeking payment of an award from the Commission shall submit to the Executive Director of the Commission, Three Lafayette Centre, 1155 21st Street, NW., Washington, DC 20581, a copy of the Commission's final decision granting the award, accompanied by a statement that the applicant will not seek review of the decision in the United States courts. At the same time, the applicant shall provide a copy of his submissions to counsel for the Commission. The Commission will, within 60 days of receipt of the applicant's submissions, forward to the United States Department of the Treasury a Standard Form 1166, "Voucher and Schedule of Payments," so as to have the Treasury Department issue a check in the amount awarded in the Commission's decision, unless judicial review of the award or of the underlying decision in the adjudicatory proceeding has been sought by the applicant or any other party to the adjudicatory proceeding.

(3) With respect to any other program or activity, a handicapped person who meets the essential eligibility requirements for participation in, or receipt of benefits from, that program or activity; and

**§§ 149.112–149.129 [Reserved]**

**§ 149.130 General prohibitions against discrimination.**

(a) No qualified handicapped person shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

(b)(1) The agency, in providing any aid, benefit, or service, may not, directly or through contractual, licensing, or other arrangements, on the basis of handicap—

(i) Deny a qualified handicapped person the opportunity to participate in or benefit from the aid, benefit, or service;

(ii) Afford a qualified handicapped person an opportunity to participate in or benefit from the aid, benefit, or service that is not equal to that afforded others;

(iii) Provide a qualified handicapped person with an aid, benefit, or service

that is not as effective in affording equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as that provided to others;

(iv) Provide different or separate aid, benefits, or services to handicapped persons or to any class of handicapped persons than is provided to others unless such action is necessary to provide qualified handicapped persons with aid, benefits, or services that are as effective as those provided to others;

(v) Deny a qualified handicapped person the opportunity to participate as a member of planning or advisory boards; or

(vi) Otherwise limit a qualified handicapped person in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving the aid, benefit, or service.

(2) The agency may not deny a qualified handicapped person the opportunity to participate in programs or activities that are not separate or different, despite the existence of permissibly separate or different programs or activities.

(3) The agency may not, directly or through contractual or other arrangements, utilize criteria or methods of administration the purpose or effect of which would—

(i) Subject qualified handicapped persons to discrimination on the basis of handicap; or

(ii) Defeat or substantially impair accomplishment of the objectives of a program activity with respect to handicapped persons.

(4) The agency may not, in determining the site or location of a facility, make selections the purpose or effect of which would—

(i) Exclude handicapped persons from, deny them the benefits of, or otherwise subject them to discrimination under any program or activity conducted by the agency; or

(ii) Defeat or substantially impair the accomplishment of the objectives of a program or activity with respect to handicapped persons.

(5) The agency, in the selection of procurement contractors, may not use criteria that subject qualified handicapped persons to discrimination on the basis of handicap.

(6) The agency may not administer a licensing or certification program in a manner that subjects qualified handicapped persons to discrimination on the basis of handicap, nor may the agency establish requirements for the programs or activities of licensees or certified entities that subject qualified handicapped persons to discrimination on the basis of handicap. However, the programs or activities of entities that are licensed or certified by the agency are not, themselves, covered by this part.

(c) The exclusion of nonhandicapped persons from the benefits of a program limited by Federal statute or Executive order to handicapped persons or the exclusion of a specific class of handicapped persons from a program limited by Federal statute or Executive order to a different class of handicapped persons is not prohibited by this part.

(d) The agency shall administer programs and activities in the most integrated setting appropriate to the needs of qualified handicapped persons.

**§§ 149.131–149.139 [Reserved]**

**§ 149.140 Employment.**

No qualified handicapped person shall, on the basis of handicap, be subjected to discrimination in employment under any program or activity conducted by the agency. The definitions, requirements, and procedures of section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791), as established by the Equal Employment Opportunity Commission in 29 CFR part 1613, shall apply to employment in federally conducted programs or activities.

**§§ 149.141–149.148 [Reserved]**

**§ 149.149 Program accessibility: Discrimination prohibited.**

Except as otherwise provided in § 149.150, no qualified handicapped person shall, because the agency's facilities are inaccessible to or unusable by handicapped persons, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

**§ 149.150 Program accessibility: Existing facilities.**

(a) *General.* The agency shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by handicapped persons. This paragraph does not—

(1) Necessarily require the agency to make each of its existing facilities accessible to and usable by handicapped persons;

(2) In the case of historic preservation programs, require the agency to take any action that would result in a substantial impairment of significant historic features of an historic property; or

(3) Require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with § 149.150(a) would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that handicapped persons receive the benefits and services of the program or activity.

(b) *Methods*—(1) *General.* The agency may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock,

or any other methods that result in making its programs or activities readily accessible to and usable by handicapped persons. The agency is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section. The agency, in making alterations to existing buildings, shall meet accessibility requirements to the extent compelled by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151-4157), and any regulations implementing it. In choosing among available methods for meeting the requirements of this section, the agency shall give priority to those methods that offer programs and activities to qualified handicapped persons in the most integrated setting appropriate.

(2) *Historic preservation programs.* In meeting the requirements of § 149.150(a) in historic preservation programs, the agency shall give priority to methods that provide physical access to handicapped persons. In cases where a physical alteration to an historic property is not required because of § 149.150(a)(2) or (a)(3), alternative methods of achieving program accessibility include—

(i) Using audio-visual materials and devices to depict those portions of an historic property that cannot otherwise be made accessible;

(ii) Assigning persons to guide handicapped persons into or through portions of historic properties that cannot otherwise be made accessible; or

(iii) Adopting other innovative methods.

(c) *Time period for compliance.* The agency shall comply with the obligations established under this section by October 21, 1986, except that where structural changes in facilities are undertaken, such changes shall be made by August 22, 1989, but in any event as expeditiously as possible.

(d) *Transition plan.* In the event that structural changes to facilities will be undertaken to achieve program accessibility, the agency shall develop, by February 23, 1987, a transition plan setting forth the steps necessary to complete such changes. The agency shall provide an opportunity to interested persons, including handicapped persons

or organizations representing handicapped persons, to participate in the development of the transition plan by submitting comments (both oral and written). A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum—

(1) Identify physical obstacles in the agency's facilities that limit the accessibility of its programs or activities to handicapped persons;

(2) Describe in detail the methods that will be used to make the facilities accessible;

(3) Specify the schedule for taking the steps necessary to achieve compliance with this section and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period; and

(4) Indicate the official responsible for implementation of the plan.

**§ 149.151 Program accessibility: New construction and alterations.**

Each building or part of a building that is constructed or altered by, on behalf of, or for the use of the agency shall be designed, constructed, or altered so as to be readily accessible to and usable by handicapped persons. The definitions, requirements, and standards of the Architectural Barriers Act (42 U.S.C. 4151–4157), as established in 41 CFR 101–19.600 to 101–19.607, apply to buildings covered by this section.

**§§ 149.152–149.159 [Reserved]**

**§ 149.160 Communications.**

(a) The agency shall take appropriate steps to ensure effective communication with applicants, participants, personnel of other Federal entities, and members of the public.

(1) The agency shall furnish appropriate auxiliary aids where necessary to afford a handicapped person an equal opportunity to participate in, and enjoy the benefits of, a program or activity conducted by the agency.

(i) In determining what type of auxiliary aid is necessary, the agency shall give primary consideration to the requests of the handicapped person.

(ii) The agency need not provide individually prescribed devices, readers for

personal use or study, or other devices of a personal nature.

(2) Where the agency communicates with applicants and beneficiaries by telephone, telecommunication devices for deaf person (TDD's) or equally effective telecommunication systems shall be used.

(b) The agency shall ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of accessible services, activities, and facilities.

(c) The agency shall provide signage at a primary entrance to each of its inaccessible facilities, directing users to a location at which they can obtain information about accessible facilities. The international symbol for accessibility shall be used at each primary entrance of an accessible facility.

(d) This section does not require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with § 149.160 would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that, to the maximum extent possible, handicapped persons receive the benefits and services of the program or activity.

§§ 149.161–149.169 [Reserved]

§ 149.170 Compliance procedures.

(a) Except as provided in paragraph (b) of this section, this section applies to all allegations of discrimination on the basis of handicap in programs or activities conducted by the agency.

(b) The agency shall process complaints alleging violations of section 504 with respect to employment according to the procedures established by the Equal Employment Opportunity Commission in 29 CFR part 1613 pursuant to section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791).

(c) The Executive Director of the Commission shall be responsible for coordinating implementation of this section. Complaints may be sent to the Equal Employment Opportunity Officer, Commodity Futures Trading Commission, Three Lafayette Centre, 1155 21st Street, NW., Washington, DC 20581.

(d) The agency shall accept and investigate all complete complaints for which it has jurisdiction. All complete complaints must be filed within 180 days of the alleged act of discrimination. The agency may extend this time period for good cause.

(e) If the agency receives a complaint over which it does not have jurisdiction, it shall promptly notify the complainant and shall make reasonable efforts to refer the complaint to the appropriate government entity.

(f) The agency shall notify the Architectural and Transportation Barriers Compliance Board upon receipt of any complaint alleging that a building or facility that is subject to the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), or section 502 of the Rehabilitation Act of 1973, as amended (29 U.S.C. 792), is not readily accessible to and usable by handicapped persons.

(g) Within 180 days of the receipt of a complete complaint for which it has jurisdiction, the agency shall notify the complainant of the results of the investigation in a letter containing—

- (1) Findings of fact and conclusions of law;
- (2) A description of a remedy for each violation found; and
- (3) A notice of the right to appeal.

(h) Appeals of the findings of fact and conclusions of law or remedies must be filed by the complainant within 90 days of receipt from the agency of the letter required by §149.170(g). The agency may extend this time for good cause.

(i) Timely appeals shall be accepted and processed by the head of the agency.

(j) The head of the agency shall notify the complainant of the results of the appeal within 60 days of the receipt of the request. If the head of the agency determines that additional information is needed from the complainant, he or she shall have 60 days from the date of receipt of the additional information to make his or her determination on the appeal.

(k) The time limits cited in paragraphs (g) and (j) of this section may be extended with the permission of the Assistant Attorney General.

(l) The agency may delegate its authority for conducting complaint investigations to other Federal agencies, except that the authority for making the final determination may not be delegated to another agency.

#### § 150.4 Aggregation of positions.

(a) *Positions to be aggregated.* The position limits set forth in §510.2 of this part shall apply to all positions in accounts for which any person by power of attorney or otherwise directly or indirectly holds positions or controls trading or to positions held by two or more persons acting pursuant to an expressed or implied agreement or understanding the same as if the positions were held by, or the trading of the position were done by, a single individual.

(b) *Ownership of accounts.* For the purpose of applying the position limits set forth in §510.2, except for the ownership interest of limited partners, shareholders, members of a limited liability company, beneficiaries of a trust or similar type of pool participant in a commodity pool subject to the provisos set forth in paragraph (c) of this section, any trader holding positions in more than one account, or holding accounts or positions in which the trader by power of attorney or otherwise directly or indirectly has a 10% or greater ownership or equity interest, must aggregate all such accounts or positions.

For the purpose of applying the position limits set forth in §150.2:

(1) A commodity pool operator having ownership or equity interest of 10% or greater in an account or positions as a limited partner, shareholder or other similar type of pool participant must aggregate those accounts or positions with all other accounts or positions owned or controlled by the commodity pool operator;

(2) A trader that is a limited partner, shareholder or other similar type of pool participant with an ownership or equity interest of 10% or greater in a pooled account or positions who is also a principal or affiliate of the operator of the pooled account must aggregate the pooled account or positions with all other accounts or positions owned or controlled by that trader, *provided, however,* that the trader need not aggregate such pooled positions or accounts if:

(i) The pool operator has, and enforces, written procedures to preclude the trader from having knowledge of, gaining access to, or receiving data about the trading or positions of the pool;

(ii) The trader does not have direct, day-to-day supervisory authority or control over the pool's trading decisions; and

(iii) The trader, if a principal of the commodity pool operator, maintains only such minimum control over the commodity pool operator as is consistent with its responsibilities as a principal and necessary to fulfill its duty to supervise the trading activities of the commodity pool;

(3) Each limited partner, shareholder, or other similar type of pool participant having an ownership or equity interest of 25% or greater in a commodity pool the operator of which is exempt from registration under §4.13 of this chapter must aggregate the pooled account or positions with all other accounts or positions owned or controlled by that trader.

(d) *Trading control by futures commission merchants.* The position limits set forth in §150.2 of this part shall be construed to apply to all positions held by a futures commission merchant or its separately organized affiliates in a discretionary account, or in an account

## 17 CFR Ch. I (4-1-01 Edition)

which is part of, or participates in, or receives trading advice from a customer trading program of a futures commission merchant or any of the officers, partners, or employees of such futures commission merchant or its separately organized affiliates, unless:

(1) A trader other than the futures commission merchant or the affiliate directs trading in such an account;

(2) The futures commission merchant or the affiliate maintains only such minimum control over the trading in such an account as is necessary to fulfill its duty to supervise diligently trading in the account; and

(3) Each trading decision of the discretionary account or the customer trading program is determined independently of all trading decisions in other accounts which the futures commission merchant or the affiliate holds, has a financial interest of 10% or more in, or controls.

(e) *Call for information.* Upon call by the Commission, the Director of the Division of Economic Analysis or the Director's delegatee, any person claiming an exemption under paragraphs (c) or (d) of this section must provide to the Commission such information as specified in the call relating to the positions owned or controlled by that person, trading done pursuant to the claimed exemption, or the relevant business relationships supporting a claim of exemption.

### § 150.5 Exchange-set speculative position limits.

(a) *Exchange limits.* Each contract market as a condition of designation under part 5, appendix A, of this chapter shall be bylaw, rule, regulation, or resolution limit the maximum number of contracts a person may hold or control, separately or in combination, net long or net short, for the purchase or sale of a commodity for future delivery or, on a futures-equivalent basis, options thereon. This section shall not apply to a contract market for which position limits are set forth in § 150.2 of this part or for a futures or option contract market on a major foreign currency, for which there is no legal impediment to delivery and for which there exists a highly liquid cash mar-

ket. Nothing in this section shall be construed to prohibit a contract market from fixing different and separate position limits for different types of futures contracts based on the same commodity, or from fixing different position limits for different futures or for different delivery months, or from exempting positions which are normally known in the trade as "spreads, straddles, or arbitrage," of from fixing limits which apply to such positions which are different from limits fixed for other positions.

(b) *Levels at designation.* At the time of its initial designation, a contract market must provide for speculative position limit levels as follows:

(1) For physical delivery contracts, the spot month limit level must be no greater than one-quarter of the estimated spot month deliverable supply, calculated separately for each month to be listed, and for cash settled contracts, the spot month limit level must be no greater than necessary to minimize the potential for manipulation or distortion of the contract's or the underlying commodity's price;

(2) Individual nonspot or all-months-combined levels must be no greater than 1,000 contracts for tangible commodities other than energy products;

(3) Individual nonspot or all-months-combined levels must be no greater than 5,000 contracts for energy products and nontangible commodities, including contracts on financial products.

(c) *Adjustments to levels.* Contract markets may adjust their speculative limit levels as follows:

(1) For physical delivery contracts, the spot month limit level must be no greater than one-quarter of the estimated spot month deliverable supply, calculated separately for each month to be listed, and for cash settled contracts, the spot month limit level must be no greater than necessary to minimize the potential for manipulation or distortion of the contract's or the underlying commodity's price; and

(2) Individual nonspot or all-months-combined levels must be no greater than 10% of the average combined futures and delta-adjusted option month-end open interest for the most recent calendar year up to 25,000 contracts

with a marginal increase of 2.5% thereafter or be based on position sizes customarily held by speculative traders on the contract market, which shall not be extraordinarily large relative to total open positions in the contract, the breadth and liquidity of the cash market underlying each delivery month and the opportunity for arbitrage between the futures market and the cash market in the commodity underlying the futures contract.

(d) *Hedge exemption.* (1) No exchange bylaw, rule, regulation, or resolution adopted pursuant to this section shall apply to bona fide hedging positions as defined by a contract market in accordance with §1.3(z)(1) of this chapter. *Provided, however,* that the contract market may limit bona fide hedging positions or any other positions which have been exempted pursuant to paragraph (e) of this section which it determines are not in accord with sound commercial practices or exceed an amount which may be established and liquidated in an orderly fashion.

(2) Traders must apply to the contract market for exemption from its speculative position limit rules. In considering whether to grant such an application for exemption, contract markets must take into account the factors contained in paragraph (d)(1) of this section.

(e) *Trader accountability exemption.* Twelve months after a contract market's initial listing for trading or at any time thereafter, contract markets may submit for Commission approval under section 5a(a)(12) of the Act and §1.41(b) of this chapter a bylaw, rule, regulation, or resolution, substituting for the position limits required under paragraphs (a), (b) and (c) of this section an exchange rule requiring traders to be accountable for large positions as follows:

(1) For futures and option contracts on a financial instrument or product having an average open interest of 50,000 contracts and an average daily trading volume of 100,000 contracts and a very highly liquid cash market, an exchange bylaw, regulation or resolution requiring traders to provide information about their position upon request by the exchange;

(2) For futures and option contracts on a financial instrument or product or on an intangible commodity having an average month-end open interest of 50,000 and an average daily volume of 25,000 contracts and a highly liquid cash market, an exchange bylaw, regulation or resolution requiring traders to provide information about their position upon request by the exchange and to consent to halt increasing further a trader's positions if so ordered by the exchange;

(3) For futures and option contracts on a tangible commodity, including but not limited to metals, energy products, or international soft agricultural products, having an average month-end open interest of 50,000 contracts and an average daily volume of 5,000 contracts and a liquid cash market, an exchange bylaw, regulation or resolution requiring traders to provide information about their position upon request by the exchange and to consent to halt increasing further a trader's positions if so ordered by the exchange, *provided, however,* such contract markets are not exempt from the requirement of paragraphs (b) or (c) that they adopt an exchange bylaw, regulation or resolution setting a spot month speculative position limit with a level no greater than one quarter of the estimated spot month deliverable supply;

(4) For purposes of this paragraph, trading volume and open interest shall be calculated by combining the month-end futures and its related option contract, on a delta-adjusted basis, for all months listed during the most recent calendar year.

(f) *Other exemptions.* Exchange speculative position limits adopted pursuant to this section shall not apply to any position acquired in good faith prior to the effective date of any bylaw, rule, regulation, or resolution which specifies such limit or to a person that is registered as a futures commission merchant or as a floor broker under authority of the Act except to the extent that transactions made by such person are made on behalf of or for the account or benefit of such person. In addition to the express exemptions specified in this section, a contract market may propose such other exemptions from the requirements of this section

## § 150.6

consistent with the purposes of this section and shall submit such rules Commission review under section 5a(1)(12) of the Act and §1.41(b) of this chapter.

(g) *Aggregation.* In determining whether any person has exceeded the limits established under this section, all positions in accounts for which such person by power of attorney or otherwise directly or indirectly controls trading shall be included with the positions held by such person; such limits upon positions shall apply to positions held by two or more person acting pursuant to an express or implied agreement or understanding, the same as if the positions were held by a single person.

### § 150.6 Responsibility of contract markets.

Nothing in this part shall be construed to affect any provisions of the Act relating to manipulation or corners nor to relieve any contract market or its governing board from responsibility under section 5(4) of the Act to prevent manipulation and corners.

### § 155.2 Trading standards for floor brokers.

Each contract market shall adopt and submit to the Commission for approval pursuant to section 5a(a)(12)(A) of the Act and §1.41 of this chapter, a set of rules which shall, at a minimum, with respect to each member of the contract market acting as a floor broker:

(a) Prohibit such member from purchasing any commodity for future delivery, purchasing any call option, or selling any put option, for his own account or for any account in which he has an interest, while holding an order of another person for the (1) purchase of any future, (2) purchase of any call option, or (3) sale of any put option, in the same commodity which is executable at the market price or at the price at which such purchase or sale can be made for the member's own account or any account in which he has an interest.

(b) Prohibit such member from selling any commodity for future delivery, selling any call option, or purchasing any put option, for his own account or for any account in which he has an interest, while holding an order of another person for the (1) sale of any future, (2) sale of any call option, or (3) purchase of any put option, in the same commodity which is executable at the market price or at the price at which such sale or purchase can be made for the member's own account or any account in which he has an interest.

(c) Prohibit such member from executing any transaction for any account of another person for which buying and/or selling orders can be placed or originated, or for which transactions can be executed, by such member without the prior specific consent of the account owner, regardless of whether the general authorization for such orders or transactions is pursuant to a written agreement, except that orders for

## § 155.3

such an account may be placed with another member for execution.

(d) Prohibit such member from disclosing at any time that he is holding an order of another person or from divulging any order revealed to him by reason of his relationship to such other person, except pursuant to paragraph (c) of this section or at the request of an authorized representative of the Commission or the contract market.

(e) Prohibit such member from taking, directly or indirectly, the other side of any order of another person revealed to him by reason of his relationship to such other person, except with such other person's prior consent and in conformity with contract market rules approved by the Commission.

(f) Prohibit such member from making any purchase or sale which has been directly or indirectly pre-arranged.

(g) Prohibit such member from allocating trades among accounts except in accordance with rules of the contract market which have been approved by the Commission.

(h) Prohibit such member from withholding or withdrawing from the market any order or part of an order of another person for the convenience of another member.

(i) Require that every execution of a transaction on the floor by such member be confirmed promptly with the opposite floor broker or floor trader; such confirmation shall identify price or premium, quantity, future or commodity option and respective clearing members. In the event a contract market cannot require prompt identification of respective clearing members without seriously disrupting the functions of its marketplace, the contract market may petition the Commission for exemption from this requirement. Such petition shall include:

(1) An explanation of why the contract market cannot require the prompt identification of respective clearing members without seriously disrupting the functions of its marketplace, and

(2) A proposed contract market rule which will insure that the opposite sides of every trade executed on the contract market can be effectively matched and will be accepted by a

clearing member for clearance or will be otherwise sufficiently guaranteed.

The Commission may, in its discretion and upon such terms and conditions as it deems appropriate, grant such petition for exemption upon finding that the functions of the contract market may be seriously disrupted by requiring the prompt identification of respective clearing members and that the contract market appears to have adequately insured that every trade executed thereon can be effectively matched and will be accepted by a clearing member for clearance or will be otherwise sufficiently guaranteed.

(2) Knowingly take, directly or indirectly, the other side of any order of another person revealed to the futures commission merchant or any of its affiliated persons by reason of their relationship to such other person, except with such other person's prior consent and in conformity with contract market rules approved by the Commission.

(c) No futures commission merchant shall knowingly handle the account of any affiliated person of another futures commission merchant or of an introducing broker unless the futures commission merchant:

[48 FR 35304, Aug. 3, 1983]

### § 155.5 Prohibition of dual trading by floor brokers.

(a) *Definitions.* For purposes of this section:

(1) *Trading session* means the hours during which a contract market is scheduled to trade continuously during a trading day, as set forth in contract market rules, including any related post-settlement trading session. A contract market may have more than one trading session during a trading day.

(2) *Customer* means an account owner for which a trade is designated with the customer type indicator prescribed under Commission regulation 1.35(e)(4).

(3) *Contract market* means any contract separately designated by the Commission, *provided, that* two or more contracts trading concurrently pursuant to a single designation order on other than a transitory basis and for which the contract terms differ significantly other than as to delivery or expiration months shall each be considered a contract market for purposes of this section, and *provided further, that* screen-based trading in a contract designated by the Commission to the extent conducted through a competitive auction process pursuant to an algorithm that applies non-discretionary rules of priority as permitted under contract market rules made effective under the Act shall be considered a separate contract market for purposes of this section.

(4) *Dual trading* means the execution of customer orders by a floor broker during the same trading session in which the floor broker executes directly or initiates and passes to another member for execution a transaction in the same contract market for:

(i) The floor broker's own account;

(ii) Any account in which the floor broker's ownership interest or share of trading profits is ten percent or more;

(iii) An account for which the floor broker has trading discretion; or

(iv) Any other account controlled by a person with whom such floor broker is subject to trading restrictions under section 4j(d) to the extent section 4j(d) has been applied by Commission rule or order.

(5) *Daily trading volume* means the total number of sells (or buys) executed

in any contract market during a trading day, excluding from the computation ex-pit transactions as permitted under contract market rules that have been made effective under the Act.

(6) *Average daily trading volume* means an arithmetic average of daily trading volume in a contract market over a specified time period on any day when any expiration or delivery month was listed for trading.

(7) *Volume year* means a continuous 12-month period that includes the last calendar month-end date prior to the computation date.

(8) *Computation date* means the date on which a contract market computes its average daily trading volume for the most recent volume year.

(9) *Affected contract market* means a contract market in which the average daily trading volume equals or exceeds the threshold level of 8,000 contracts for each of four quarters during the most recent volume year.

(b) *Dual trading prohibition.* No floor broker shall dual trade in an affected contract market, except as provided in contract market rules that have been made effective pursuant to section 5a(a)(12) of the Act and Commission regulation 1.41, unless that contract market is exempted under paragraph (d) of this section. This prohibition shall not affect ex-pit transactions as described in paragraph (a)(5) of this section.

(c) *Contract markets*—(1) *Contract market rules.* Prior to the effective date of the dual trading prohibition under this section or under a Commission order denying an exemption petition filed pursuant to paragraph (d) of this section or revoking an exemption pursuant to paragraph (e) of this section, each affected contract market, unless exempted under paragraph (d) of this section, shall adopt rules that have been made effective pursuant to section 5a(a)(12) of the Act and Commission regulation 1.41 to prohibit dual trading in accordance with the provisions of this section. In the absence of such contract market rules, upon the effective date of the dual trading prohibition as implemented either under this section or by Commission order, Commission regulations 155.5 (a) and

(b) shall be deemed to be rules of the contract market.

(2) *Volume computation.* Each contract market that may be subject to a dual trading prohibition shall determine whether it is an affected contract market by computing at least quarterly its average daily trading volume for each of four quarters during the most recent volume year. In addition, the contract market shall:

(i) At least five days before the effective date of the dual trading prohibition under this section or under a Commission order denying an exemption petition or revoking an exemption, and thereafter within at least two business days of each computation date, publish, in a manner sufficient to reach all members, a list of the affected contract markets and the effective date of the dual trading prohibition and, on the same date, provide that information in writing to the Director of the Division of Trading and Markets, or an employee of the Commission under the supervision of such Director, as may be designated by the Director; and

(ii) Maintain a record of its average daily trading volume computations required hereunder. Such record shall include the computation date, the beginning and ending dates for the volume year under consideration, the beginning and ending dates for each quarter in the volume year and the average daily trading volume for each quarter.

(3) *Newly affected contract market.* If a contract market that was not affected on the immediately preceding computation date becomes affected as of the current computation date, the effective date of a dual trading prohibition for that contract market shall be no more than 30 calendar days after the current computation date for that contract market.

(4) *Permitted exceptions.* Notwithstanding the applicability of a dual trading prohibition under this section, dual trading shall be permitted in affected contract markets in accordance with rules that have been submitted to the Commission pursuant to section 5a(a)(12) of the Act and Commission regulation 1.41 as follows:

(i) *Correction of errors.* To offset trading errors resulting from the execution of customer orders, *provided, that the*

floor broker must liquidate the position in his personal error account resulting from that error by open and competitive means as soon as practicable, but not later than the close of business on the business day following the discovery of the error. In the event that the daily price fluctuation limit is reached and a floor broker is unable to offset the error trade, however, the floor broker must liquidate the position in his personal error account resulting from that error as soon as practicable thereafter.

(ii) *Customer consent.* To permit a customer to designate in writing not less than once annually a specifically identified floor broker to dual trade while executing orders for such customer's accounts. An account controller acting pursuant to a power of attorney may designate a dual trading broker on behalf of its customer, *provided, that* the customer explicitly grants in writing to the individual account controller the authority to select a dual trading broker.

(iii) *Spread transactions.* To permit a broker who unsuccessfully attempts to leg into a spread transaction for a customer to take the executed leg into his personal account and to offset such position, *provided, that* a record is prepared and maintained to demonstrate that the customer order was for a spread trade; to permit a broker to execute for his personal account a spread transaction recognized by a contract market if at least one leg of the spread is in a non-affected market; and to permit a broker to execute for his personal account an intra-market spread transaction if at least one leg of the spread is in a low-volume month as described in §155.5(c)(4)(v).

(iv) *Member customers.* To permit transactions for members of the contract market not present on the floor, *provided, that* the contract market, within the single record required by Commission regulation 1.35(e), specifically identifies such transactions through account numbers, a separate customer type indicator, or otherwise for surveillance purposes.

(v) *Low-volume months.* To recognize any expiration or delivery month that, on the basis of historical data and an analysis thereof and other factors iden-

tified by the contract market, reasonably can be expected to have an average daily trading volume of less than 500 contracts during the period beginning with the current computation date and ending with the next computation date, *provided, that* the contract market keeps full and systematic records supporting these determinations and, as part of its trade surveillance program, establishes special procedures, including appropriate reports, to monitor dual trading activity in the relevant low-volume contract months.

(vi) *Spot month.* To recognize a period of trading in a maturing futures contract, during which period liquidity in the maturing futures contract reasonably can be expected on the basis of historical data and an analysis thereof and other factors identified by the contract market, to shift to the next contract month, *provided, that* the contract market can demonstrate that effective surveillance will be conducted for dual trading-related abuses during such period.

(vii) *Market emergencies.* To address emergency market conditions resulting in a temporary emergency action under Commission regulation 1.41(f).

(d) *Exemption petitions—(1) Standards.* A contract market may apply for an exemption from the dual trading prohibition of paragraph (b) of this section by filing a written petition, signed by the contract market's chief operating officer or, in his absence, an exchange official acting in the capacity of chief operating officer, that states facts sufficient to demonstrate that its trade monitoring system, consistent with the standards articulated in guidelines set forth in appendix A to this section, is capable of detecting and deterring, and is used on a regular basis to detect and deter, all types of violations attributable to dual trading, and is capable of generating an audit trail that satisfies the requirements of Commission regulation 1.35. The petition shall be directed to the Office of the Secretariat, Commodity Futures Trading Commission, Three Lafayette Centre, 1155 21st Street, NW., Washington, DC 20581, with a copy to the Director of the Division of Trading and Markets.

(2) *Content requirements.* An exemption petition must identify each contract market that is, or is projected to be, affected. The petition must include a full description of each component of the contract market's trade monitoring system including the systems in place, rules, policies and procedures in effect, standards applied, trading violations targeted, and the results achieved. To the extent practicable, the petition shall include performance statistics covering the 12-month period ending with the month preceding the petition date. Where such statistics are not available, specific, representative performance examples should be provided. The petition also must set forth the contract market's program or plan and projected implementation timetable for conformity with the requirements of section 5a(b)(3) of the Act. An exemption petition must address, in the order listed below, the following components of a contract market's trade monitoring system:

- (i) Physical observation of trading areas;
- (ii) Audit trail and recordkeeping systems able to, and used to, capture essential data on the terms, participants, and sequence of transactions (including relevant data on unmatched trades and outrades) and otherwise satisfy the requirements of Commission regulation 1.35 and section 5a(b)(3) of the Act, as implemented by Commission regulations and orders;
- (iii) Systems capable of reviewing, and used to review, trading data effectively on a regular basis to detect, and other measures designed to prevent, rule violations attributable to dual trading committed in the execution of trades and customer orders on the floor or subject to the rules of the contract market, including:
  - (A) Trading ahead of customer orders directly or indirectly;
  - (B) Trading against customer orders directly or indirectly in violation of contract market rules;
  - (C) Disclosing, misallocating or withholding customer orders;
  - (D) Failing to resolve errors, unmatched trades or outrades properly and promptly; and
  - (E) Crossing customer orders by matching or "offsetting" customer or-

(iv) The use of information gathered through such systems on a consistent basis to bring appropriate disciplinary actions against violators;

(v) The commitment of resources necessary for such systems to be effective in detecting and deterring violations attributable to dual trading, including adequate staff to investigate and prosecute disciplinary actions; and

(vi) The assessment of meaningful penalties against violators and the referral of appropriate cases to the Commission.

(3) *Alternative requirements.* If a contract market believes that its trade monitoring system does not meet the standards set forth in paragraph (d)(1) of this section, the contract market's petition must include, in addition to the information required to be provided under paragraph (d)(2) of this section:

(i) A specific description of the corrective actions the contract market will take that it believes to be sufficient and appropriate to meet the standards in paragraph (d)(1) of this section, together with an explanation of the sufficiency and appropriateness of such actions, including specific implementation dates, any related changes in systems, operations, staffing, policies, rules, procedures, and budget allocations; and

(ii) Data and an economic analysis of that data to demonstrate any adverse impact of a dual trading prohibition on hedging and price basing at the contract market.

(4) *Remittal.* The Director of the Division of Trading and Markets (or an employee of the Commission under the supervision of such Director as may be designated by the Director) may remit to the contract market, with an appropriate explanation, and not accept pursuant to paragraph (d) of this section, any petition for exemption that does not comply with the content requirements of paragraphs (d)(2) and (3) of this section, as identified in the remittal letter. The affected contract market must resubmit its exemption petition with deficiencies corrected no more than 20 days after receipt of the

remittal notice. If the exemption petition is not resubmitted within the prescribed 20-day period, the Commission, at its discretion, may permit the dual trading prohibition provided for in paragraph (b) of this section to become effective as to any such affected contract market. The Commission's review period shall be calculated from the date of resubmission.

(5) *Deferred application of the prohibition.* If a contract market submits a petition for exemption that satisfies the content requirements of paragraphs (d)(2) and (3) of this section prior to the effective date of the dual trading prohibition, the Commission will suspend application of the prohibition against the contract market unless and until the petition is denied, pursuant to the effective date set forth in the denial order.

(6) *Publication.* A notice of the submission of each exemption petition deemed complete under paragraphs (d)(2) and (3) of this section will be published promptly by the Commission or the Director of the Division of Trading and Markets (or by an employee of the Commission under the supervision of the Director, as may be designated by the Director) in the FEDERAL REGISTER. Upon publication of such notice, copies of each petition, with the exception of any information or materials determined by the Commission to be subject to confidential treatment, will be publicly available through the Office of the Secretariat in accordance with the provisions of part 145 of this chapter.

(7) *Grant of exemption without conditions—(i) Findings and order.* A contract market's exemption petition will be granted without conditions by Commission order if the Commission finds that, based on the information, views and arguments placed before it by the contract market in writing in its petition and any attachments or supplements thereto, and orally in any presentation pursuant to paragraph (d)(8)(iii) of this section, and other relevant information identified by the Commission, the contract market has demonstrated conformity with the standards contained in paragraph (d)(1) of this section. The Commission's order will state the Commission's findings.

(ii) *Publication.* A Commission order granting an exemption pursuant to this paragraph (d)(7) of this section will be published promptly in the FEDERAL REGISTER.

(iii) *Effective date.* A Commission order granting an exemption without conditions pursuant to this paragraph (d)(7) shall be effective upon issuance.

(8) *Proposed conditional exemption or petition denial—(i) Notice.* If the Commission intends to deny an exemption petition or to exempt a contract market subject to conditions, the Commission will notify the contract market in writing that it intends to deny or condition the petition and state:

(A) Specific deficiencies in the contract market's trade monitoring system;

(B) Any corrective actions to the trade monitoring system that the Commission believes the affected contract market must take to satisfy the standards of paragraph (d)(1) of this section, and a timetable for such corrective actions; and

(C) Any conditions or limitations that the Commission proposes to attach to an exemption under paragraph (d) of this section.

(ii) *Publication.* A notice issued to a contract market under this paragraph (d)(8) will be published promptly in the FEDERAL REGISTER.

(iii) *Opportunity for written submission and oral presentation.* Within five days of receipt of the notice from the Commission, the contract market may request in writing the opportunity to make an oral presentation to the Commission. The contract market will be notified promptly by the Commission of the date and the terms under which the contract market may make an oral presentation. The contract market must submit any written supplemental data, views, or arguments within 20 days of receipt of the Commission's notice, unless the Commission notifies the contract market otherwise.

(9) *Grant of conditional exemption—(i) Findings and order.* A contract market's exemption petition will be granted subject to conditions by Commission order if the Commission determines, based on the information, views and arguments placed before it by the contract market in writing in its petition and

any attachments or supplements thereto, and orally in any presentation pursuant to paragraph (d)(8)(c)(iii) of this section and other relevant information identified by the Commission, that:

(A) The contract market's trade monitoring system does not satisfy the standards set forth in paragraph (d)(1) of this section, but other corrective actions are sufficient and appropriate to meet the standards in paragraph (d)(1) of this section;

(B) There is a substantial likelihood that a dual trading prohibition would harm the public interest in hedging or price basing at the contract market; and

(C) The conditions or limitations being attached to the grant of exemption by the Commission are appropriate in light of the purposes of this section.

The Commission's order will state the Commission's findings and the conditions or limitations placed upon the contract market.

(ii) *Publication.* A Commission order granting a conditional exemption pursuant to this paragraph (d)(9) will be published promptly in the FEDERAL REGISTER.

(iii) *Effective date.* A Commission order granting a conditional exemption pursuant to this paragraph (d)(9) shall become effective 20 days after issuance, unless the Commission determines that more immediate action is appropriate in the public interest and states an earlier effective date in the order.

(10) *Denial of petition*—(i) *Findings and order.* A contract market's exemption petition will be denied by Commission order if the Commission determines, based on the information, views and arguments placed before it in connection with the petition and other relevant information, that:

(A) The contract market has not demonstrated that its trade monitoring system satisfies the standards set forth in paragraph (d)(1) of this section, and there is not a substantial likelihood that a dual trading prohibition would harm the public interest in hedging or price basing at the contract market; or

(B) The contract market has demonstrated that there is a substantial likelihood that a dual trading prohibi-

tion may harm the public interest in hedging or price basing at the contract market, but has not demonstrated that other corrective actions are sufficient or appropriate to meet the standards in paragraph (d)(1) of this section.

The Commission's order denying the exemption will state the Commission's findings and the date on which the dual trading prohibition will take effect on the contract market.

(ii) *Publication.* A Commission order denying an exemption pursuant to this paragraph (d)(10) will be published promptly by the Commission in the FEDERAL REGISTER.

(iii) *Effective date.* A Commission order denying a contract market's petition for an exemption pursuant to this paragraph (d)(10) of this section shall become effective at least 20 days after issuance, unless the Commission determines that more immediate action is appropriate in the public interest.

(e) *Exemption revocation.* An exemption may be revoked if the Commission determines that the standards in paragraph (d)(1) of this section are not being met or if any condition of the exemption has not been met. The Commission shall notify the contract market in writing of its intent to issue an order to revoke the contract market's exemption. Such notice shall include the reasons for the proposed revocation and the procedures under which the contract market shall have the opportunity to be heard. After considering information relevant to the proposed revocation, the Commission shall determine whether to revoke the exemption. Any Commission revocation order shall state findings in support of the revocation and be effective at least 20 days after issuance unless the Commission determines that more immediate action is appropriate in the public interest. Such order shall state the date on which the dual trading prohibition shall take effect.

APPENDIX A TO REGULATION 155.5—  
GUIDELINES REGARDING CONTRACT  
MARKET PETITION FOR EXEMPTION  
FROM DUAL TRADING PROHIBITION  
BASED ON SUFFICIENCY OF THE  
TRADE MONITORING SYSTEM.

Regulation 155.5 permits a contract market to petition the Commission for exemption

from the dual trading prohibition on the basis that its trade monitoring system satisfies certain standards. Appendix A is intended to provide additional guidance to a contract market as to what is necessary to demonstrate that the components of a contract market's trade monitoring system, as enumerated in the regulation, are sufficient to detect and deter violations attributable to dual trading. Although these guidelines include certain standards that the Commission intends to apply in determining whether a particular contract market's trade monitoring system meets the exemption standards in Regulation 155.5, the Commission may, in its discretion, consider a contract market's trade monitoring system as a whole, including contract market rules and other regulatory measures designed to prevent trading abuses attributable to dual trading.

#### *I. Physical Observation of Trading Areas*

Demonstrate (*e.g.*, by daily floor surveillance log) that compliance staff performs floor surveillance:

- (1) To the extent practicable, on each open and close;
  - (2) Randomly at other times during each trading session; and
- Demonstrate further that information developed through such surveillance is integrated into other compliance activities as appropriate.
- (3) When special market conditions warrant.

#### *II. Audit Trail System*

Provide a detailed description of the methodology and procedures followed to generate and assure the accuracy of recorded trade execution times. Demonstrate the highest degree of accuracy practicable (but in no event less than 90% accuracy) of trade execution times required under regulation 1.35(g) (within one minute, plus or minus, of execution) during four consecutive months within the 12-month period ending with the month preceding the submission of the exemption petition. Demonstrate the effective integration of such trade timing data into the contract market's surveillance system with respect to dual trading-related abuses.

If trade execution times are recorded manually or independently time-stamped at the contract market, demonstrate accuracy rate through, at a minimum, a comparison of the times recorded for both the buying and selling sides of each trade, or the time stamp for the sides required to be time-stamped, to the times reported in the price change register.

If trade execution times are imputed for recordation at the contract market, demonstrate accuracy rate through, at a minimum, accuracy of the data inputted and a

description of the contract market's trade imputation algorithm, including how and why it reliably establishes the accuracy of the imputed trade execution times.

If trade execution times are recorded through electronic hand-held trading cards, demonstrate accuracy rate through, at a minimum, the accuracy of the timing mechanism (such as an internal clock), including a description of how the timing mechanism is set and the uniformity of the time set for all the electronic hand-held trading cards used on the contract market, and the unalterability of the trade execution times recorded.

#### *III. Recordkeeping System*

Demonstrate that a "representative sample" of documentation required to be prepared and maintained by each floor member and member firm regarding the execution of customer orders and other trading is reviewed for regulation 1.35 compliance at least once each year. Provide checklist used in the review of the documentation. Demonstrate that information developed regarding inadequate or violative recordkeeping is incorporated into other compliance activities as appropriate.

#### *IV. Surveillance Systems to Detect Dual Trading-Related Abuses*

Demonstrate (*e.g.*, by description of procedures and by logs) that the contract market, on a daily basis, reviews trade registers and computerized surveillance reports to detect dual trading-related abuses. The contract market also must describe:

- A. The extent to which available trade data, including account numbers, are reviewed; and
- B. The cycle and generic content of such computerized reports.

#### *V. Use, on Consistent Basis, of Information to Bring Dual Trading-Related Disciplinary Actions and Assessment of Meaningful Penalties*

Provide a list of each investigation and disciplinary proceeding involving one or more dual trading-related abuses, which investigation or disciplinary proceeding was in an open status at any time during the 12-month period ending with the month preceding the submission of the exemption petition. Include in list:

- A. Source of investigation (*e.g.*, customer complaint or inquiry; automated report; manual review; floor surveillance);
- B. Type of abuse alleged or found; and
- C. Disposition at each level of the process. For each settlement or adjudication, state any penalties (monetary or other) assessed.

A futures association must demonstrate that it will be able to carry out the purposes of section 17 of the Act. In addition, an association, in disciplining its members should demonstrate that it will:

SOURCE: 55 FR 41068, Oct. 9, 1990, unless otherwise noted.

### Subpart A—General Provisions

#### § 171.1 Scope of rules.

(a) *Matters included.* Unless specifically excluded by subsection (b), this part governs review by the Commission, pursuant to sections 17(h), (i) and (o) of the Commodity Exchange Act (“Act”), as amended, of any disciplinary action, membership denial action, registration action or member responsibility action taken by the National Futures Association or any registered futures association. Unless specifically indicated, references in this part to the National Futures Association shall also include any other registered futures association.

(b) *Matters excluded.* The Commission will not review under these rules the following decisions by the National Futures Association:

(1) A decision in a disciplinary action if the party aggrieved by the decision knowingly failed to pursue the right to appeal an adverse decision to the Appeals Committee of the National Futures Association and there are no extraordinary circumstances that otherwise warrant Commission consideration of the aggrieved party’s appeal;

(2) A decision in an arbitration action brought pursuant to section 17(b)(10) of the Act or any rule of the National Futures Association;

(3) Suspension of a member based solely on that member’s failure to pay National Futures Association dues;

(4) A decision to disqualify any member for service on the National Futures Association Board of Directors, Busi-

ness Conduct Committees or arbitration panels pursuant to the standards for service adopted by the National Futures Association to implement Commission rule 1.63.

(c) *Appeals from excluded decisions.* If the Deputy General Counsel for Opinions or his delegee determines that a notice of appeal submitted to the Commission is from a decision that is excluded from review under this part, he may strike it and order it returned to the aggrieved party who submitted it.

(d) *Applicability of these part 171 rules.* Unless otherwise ordered, these rules will apply in their entirety to all appeals and matters relating thereto filed on or after October 31, 1990. Any part 171 proceeding commenced prior to October 31, 1990 continues to be governed by the procedures established in former subpart F of part 3 of the Commission’s regulations, if applicable, or by the procedures established for that proceeding by Commission order. Parties to any proceeding pending on October 31, 1990 may, within 30 days after October 31, 1990 by written stipulation executed by all parties, and filed with the Proceedings Clerk before the Commission’s final decision is rendered, elect to have the matter governed by the provisions of these part 171 rules.

(h) *Membership denial action* includes any proceeding brought by the National Futures Association to (1) determine whether an applicant should be admitted to membership or be permitted to be associated with a member, (2) determine whether an applicant should be admitted to membership or be permitted to be associated with a member on a conditional basis, or (3) determine whether to revoke or restrict the membership or association status of any person who is a member or is associated with a member.

## § 171.5

## 17 CFR Ch. I (4–1–01 Edition)

(b) *Date of service of orders.* In computing any period of time involving the date of service of an order, the date of service shall be the date the order is mailed or hand delivered by the Proceedings Clerk, which, unless otherwise indicated, shall be the date stamped on the order by the Proceedings Clerk.

### § 171.5 Extension of time.

(a) *In general.* Except as otherwise provided by these rules, for good cause shown, on its own motion or the motion of a party, the Commission may at any time extend or shorten the time prescribed by the rules for filing any document. In any instance in which a specific time period is not prescribed in this part for an action to be taken concerning any matter, the Commission may establish a time for that action.

(b) *Filing of motion.* Absent extraordinary circumstances, when the time period that has been prescribed for an action to be taken concerning any matter exceeds seven days, requests for extension of that time period shall be filed at least five days prior to the expiration of the time period provided and shall include an explanation of the facts and circumstances that justify the extension.

### § 171.6 Ex parte communications.

(a) *Prohibition of ex parte communications.* (1) No party to a proceeding before the Commission under these rules and no person outside the Commission who has a direct or indirect interest (pecuniary or otherwise) in the outcome of the proceeding or might be aggrieved by the outcome of the proceeding shall make or knowingly cause to be made an *ex parte* communication relevant to the merits of the proceeding subject to these rules to a Commissioner, member of the personal staff of a Commissioner or Commission decisional employee.

(2) No Commissioner, member of the personal staff of a Commissioner or Commission decisional employee shall make or knowingly cause to be made to a party to a proceeding subject to these rules or to any person outside the Commission who has a direct or indirect interest (pecuniary or otherwise) in the outcome of the proceeding or might be aggrieved by the outcome of

the proceeding, an *ex parte* communication relevant to the merits of the proceeding subject to these rules.

(b) *Procedure for handling.* Any Commissioner, member of a Commissioner's personal staff or Commission decisional employee who receives, or who makes or knowingly causes to be made, an *ex parte* communication prohibited by paragraph (a) of this section shall:

(1) Place on the public record of the proceeding:

(i) All such written communications;

(ii) Memoranda stating the substance of all such oral communications; and

(iii) All written responses, and memoranda stating the substance of all oral responses, to the materials described in paragraphs (b)(1)(i) and (b)(1)(ii) of this section; and

(c) *Sanctions.* (1) Upon receipt of an *ex parte* communication knowingly made or knowingly caused to be made by a party in violation of the prohibition contained in paragraph (a)(1) of this section, the Commission may, to the extent consistent with the interests of justice and the policies of the Act, require the party to show cause why his claim or interest in the proceeding should not be dismissed, denied, disregarded, or otherwise adversely affected on account of such violation.

(2) Any Commissioner, member of a Commissioner's personal staff or Commission decisional employee who knowingly makes or knowingly causes to be made, or who knowingly solicits or knowingly causes the solicitation of, an *ex parte* communication which violates the prohibitions contained in paragraph (a)(2) of this section may be deemed to have engaged in conduct of the type proscribed by 17 CFR 140.735–3(b)(3).

(d) *Applicability of prohibitions and sanctions against ex parte communications.* (1)(i) The prohibitions of this section shall begin to apply at the time that a copy of a notice of appeal has been filed with the Proceedings Clerk in accordance with § 171.23 or § 171.44 of this part; or a petition for stay or for

an emergency effective date has been filed in accordance with § 171.22, § 171.41 or § 171.43 of this part. The prohibitions of this section shall remain in effect until a final order has been entered in the proceeding which is no longer subject to review by the Commission or to review by any court.

(ii) The Commission may, by specific order entered in a particular proceeding, determine that these prohibitions shall commence from some date prior, or shall continue until a date subsequent, to the times specified in paragraph (d)(1)(i) of this section.

(2) The sanctions in paragraph (c)(1) of this section shall not apply to a person making a prohibited communication (or causing it to be made) absent evidence that the person acted with actual or constructive knowledge that the person receiving the communication was a Commissioner, member of the personal staff of a Commissioner or a Commission decisional employee.

#### § 171.7 [Reserved]

(c) *Motions for procedural orders.* Motions for procedural orders, including motions for extensions of time, may be acted on at any time, without awaiting a response thereto. Any party adversely affected by such action may request reconsideration, vacation or modification of the action.

(d) *Dilatory motions.* Frivolous or repetitive motions dealing with the same subject matter shall not be permitted.

### § 171.11 Sanctions.

In the event a party fails to fulfill his obligations under these Rules, the Commission may impose appropriate sanctions including dismissal of the appeal or summary reversal of the decision under appeal. Sanctions may be imposed on the motion of a party or on the Commission's own motion.

### § 171.12 Settlement.

§ 171.21

Commission in accordance with the provisions of part 14 of this chapter may represent parties as an attorney in proceedings before the Commission.

(b) *Debarment of counsel or representative during the course of a proceeding.* Whenever, while a proceeding is pending before the Commission, the Commission finds that a person acting as counsel or representative for any party to the proceeding is guilty of contemptuous conduct, the Commission may order that such person be precluded from further acting as counsel or representative in a proceeding subject to these rules. The Commission may suspend the proceedings for a reasonable time for the purpose of enabling the party to obtain other counsel or representative.

(c) *Withdrawal from representation.* Withdrawal from representation of a party will be only by leave of the Commission. Such leave to withdraw may be subject to conditions including submission of an affidavit averring that the party represented has actual knowledge of the withdrawal and providing the name and address of a successor counsel (or representative) or a statement that the represented party has determined to proceed *pro se*. If the party proceeds *pro se*, the statement shall include the address where the party can thereafter be served.

### § 171.14 Waiver of rules.

To prevent undue hardship on any party or for other good cause shown, the Commission may waive any rule in this part in a particular case and may order proceedings in accordance with its direction. Such an order shall be based upon a determination that no party will be prejudiced thereby and that the ends of justice will be served. Reasonable notice will be given to all parties of any action taken pursuant to this paragraph.

## Subpart B—Notice and Effective Date of Final Decisions in Disciplinary, Membership Denial and Registration Actions

§ 171.20 [Reserved]

### § 171.21 Notice of final decision.

(a) *When required.* The National Futures Association shall promptly serve all parties, as well as the Proceedings Clerk and the Secretary of the Commission, with a written notice of any final decision in a disciplinary action, membership denial action or registration action subject to these rules. The notice may be contained in the written decision issued by the National Futures Association.

(b) *Content of the notice.* At a minimum, the notice shall provide the following information:

(1) The names of the parties to the proceeding;

(2) The date the notice was served and the effective date of the decision;

(3) A statement informing the parties of their right to appeal the decision to the Commission pursuant to §171.28 as well as their right to seek a stay of the effective date of the decision pursuant to §171.27.

(4) For a disciplinary action:

(i) A statement setting forth the relevant acts of practices engaged in or omitted by the parties to the proceeding;

(ii) A statement setting forth the specific rule or rules of the association violated by the relevant acts or practices or omissions to act of the parties to the proceeding;

(iii) A statement setting forth the penalty imposed and the basis for its imposition.

(5) For a membership action:

(i) The specific grounds for the denial, bar, expulsion, or restriction;

(ii) The findings made concerning those grounds;

(iii) An explanation of the result reached in light of the grounds for ineligibility found and the findings made.

(6) For a registration action:

(i) The statutory disqualification at issue;

(ii) The findings made concerning the statutory disqualification;

(iii) An explanation of the result reached in light of the statutory disqualification shown and the findings made.

(c) *Effect of inadequate notice.* (1) If the National Futures Association issues a notice of a final decision subject to these rules that is not substantially consistent with the requirements of this section, and the record does not establish that the errors therein are harmless, the notice may be stricken. The Commission may act on its own motion or on the motion of a party.

(2) When a notice is struck, the final decision of the National Futures Association shall not be effective until a proper notice is served.

**§ 171.22 Effective date of final decisions in disciplinary, membership denial and registration actions.**

(a) *General rule.* A final decision of the National Futures Association in a disciplinary action, membership denial action or registration action shall be effective thirty days after service of the notice described in § 171.21.

(b) *Petitions for stay pending review or for an emergency effective date—(1) Stay pending review.* Within ten days of service of the notice described in § 171.21, any aggrieved party may seek from the Commission a stay pending consideration of the merits of an appeal by filing and serving an appropriate petition. The mere filing of such a petition shall not stay the effective date of the decision. The burden of persuasion shall rest with the party seeking the stay. If the Commission does not grant the petition prior to the effective date of the decision under review, it shall be deemed denied. All petitions for stay must be accompanied by a notice of appeal.

(2) *Emergency effective date.* Within ten days of service of the notice described in § 171.21, the National Futures Association may seek from the Commission an order establishing an emergency effective date for the decision by filing and serving an appropriate petition. The mere filing of such a petition

shall not alter the effective date of the decision. The burden of persuasion rests with the National Futures Association. If the Commission does not grant the petition by the date specified as the emergency effective date, it shall be deemed denied.

(3) *Contents of petition for stay and petition for an emergency effective date.* A petition for stay or for an emergency effective date shall be in writing. Material factual allegations shall be supported by an affidavit or other sworn statement unless the parties stipulate that the material facts are not in dispute.

(4) *Response.* Within five days of the service of the petition, a party may file in opposition to the petition. Material factual allegations shall be supported by an affidavit or other sworn statement unless the parties stipulate that the material facts are not in dispute.

(c) *Standards for determining petitions for a stay or an emergency effective date petition.* In reviewing petitions filed under this section, the Commission shall consider:

(1) The likelihood that a challenge to the merits of the decision will be successful; and

(2) The likelihood that the denial of the petition would result in irreparable harm to the petitioner; and

(3) The effect a grant of the petition would have on the opposing party; and

(4) The effect a grant or denial of the petition would have on the public interest.

(d) *Expedited consideration.* If, in its view, it is necessary to protect the petitioner's right to a meaningful determination of the issues raised in the petition, the Commission may act upon a petition for a stay or for an emergency effective date prior to its receipt of an opposing party's response. Any party aggrieved by such expedited consideration may seek reconsideration within seven days of service of the decision.

**§ 171.23 Notice of appeal.**

(a) *Time to file.* Any party aggrieved by the final decision of the National Futures Association in a disciplinary, membership denial or registration action may, within thirty days of the National Futures Association's service of the notice described in § 171.21, file a

## Commodity Futures Trading Commission

## § 171.26

notice of appeal with the Proceedings Clerk. The filing of such a notice shall not stay the effective date of the decision.

(b) *Contents.* The notice of appeal shall consist of a brief statement indicating that the party is requesting Commission review of an action of the National Futures Association. It should identify:

(1) The name and address of the person appealing and, if represented, the name and address of his representative;

(2) The case name and docket number of the National Futures Association proceeding; and

(3) The date of the decision.

(c) *Filing fee.* Each notice of appeal must be accompanied by a nonrefundable filing fee of \$100. This amount may be paid by check, bank draft or money order, payable to the Commodity Futures Trading Commission.

(d) *Defective notices of appeal.* Notices of appeal that are untimely or not accompanied by the filing fee shall not be accepted by the Proceedings Clerk absent a showing, by motion, of excusable neglect.

### § 171.24 Submission of the record.

Within thirty days after service of a notice of appeal, the National Futures Association shall file with the Proceedings Clerk two copies of the record of the proceeding (as defined by § 171.2(k)). The record shall be bound as a unit, chronologically indexed and tabbed, and certified as correct by a duly authorized official, agent or employee of the National Futures Association. The National Futures Association shall serve on the party appealing, in lieu of the record, a copy of the index of the record and a copy of any document in the record not previously served on the party appealing. If the party appealing objects to the materials included or excluded in preparing the record, he shall file his objections with his brief on appeal. The Commission may, at any time, direct that an omission or misstatement be corrected and, if necessary, that a supplemental record be prepared and filed.

### § 171.25 Appeal brief.

(a) *Time to file.* Any person who has filed a notice of appeal in accordance

with the provisions of § 171.23, shall perfect the appeal by filing an appeal brief with the Proceedings Clerk within thirty days after service of the record by the National Futures Association. The Commission may dismiss any appeal for which an appeal brief is not timely filed.

(b) *Contents.* Each appeal brief submitted to the Commission pursuant to this section shall include, in the order indicated:

(1) A statement of the issues presented for review;

(2) A statement of the case. The statement shall indicate briefly the nature of the case and include a full description of the action being challenged. There shall follow a clear and concise statement of all facts relevant to the consideration of the appeal with appropriate citations to the record;

(3) An argument. The argument shall contain the contentions of the appellant with respect to the issues presented and the reasons supporting those contentions. It shall cite specifically to the relevant authorities and to those parts of the record that support appellant's contentions; and

(4) A conclusion stating the precise relief sought.

(c) *Length of appeal brief.* Without prior leave of the Commission, the appeal brief may not exceed thirty five pages, exclusive of any table of contents, table of cases, index and appendix containing transcripts of testimony, exhibits, rules, regulations or similar materials.

### § 171.26 Answering brief.

(a) *Time for filing answering brief.* Within thirty days after service of the appeal brief, the National Futures Association shall file with the Proceedings Clerk an answering brief.

(b) *Contents of answering brief.* The contents of the answering brief generally shall be consistent with those set forth in § 171.25(b) but may omit a statement of the issues and a statement of the case if the National Futures Association does not dispute the issues or the statement of the case contained in the appeal brief.

(c) *Length of the answering brief.* Without prior leave of the Commission, the answering brief may not exceed thirty

five pages, exclusive of any table of contents, table of cases, index and appendix containing transcripts of testimony, exhibits, statutes, rules, regulations or similar materials.

**§ 171.27 Limited participation by interested persons.**

(a) Upon motion of any interested person or, on its own motion, the Commission may permit, or solicit, limited participation in the proceeding by such interested person. A motion for leave to participate in the proceeding shall be filed promptly, shall identify the interest of that person and shall show why participation in the proceeding by that person would serve the public interest. If the Commission determines that participation would serve the public interest, it shall by order establish a supplementary briefing schedule for the interested person and the parties to the proceeding.

(b) For purposes of this subsection, *interested person* shall include parties and any other persons who might be adversely affected or aggrieved by the outcome of a proceeding; their officers, agents, employees, associates, affiliates, attorneys, accountants or other representatives; and any other person having a direct or indirect pecuniary or other interest in the outcome of a proceeding.

**§ 171.28 Participation by Commission staff.**

The Division of Enforcement, the Division of Trading and Markets or the Division of Economic Analysis may participate in any proceeding by filing a notice of appearance. Such a notice shall be filed and served on or before the twentieth day following the date of service of its brief by the National Futures Association. The Commission shall by order establish a supplementary briefing schedule for the Commission staff and other parties to the proceeding. If it concludes that participation of the Commission staff will not serve the public interest, the Commission shall prohibit further participation.

**Subpart C—Commission Review of Final Decisions in Disciplinary, Membership Denial and Registration Actions**

**§ 171.30 Scope of review.**

On review, the Commission may, in its discretion and after appropriate consideration of the notice given to the parties, consider *sua sponte* any issues arising from the record before it and may base its determination thereon. The Commission may also limit its consideration to those issues specifically raised in the parties' briefs, treating all other issues as waived.

**§ 171.31 Commission review in the absence of an appeal.**

(a) *Request by Commission staff.* At any time prior to the effective date of a final decision of the National Futures Association in a disciplinary, membership denial or registration action, the Division of Enforcement, the Division of Trading and Markets or the Division of Economic Analysis may file and serve a memorandum requesting the Commission to institute review of the National Futures Association proceeding. The filing of such a memorandum shall stay the effective date of the decision at issue for twenty days.

(b) *Response by the National Futures Association.* The National Futures Association may file a response to the memorandum of the Commission staff within fifteen days of the service of the memorandum.

(c) *Commission determination of staff request.* To preserve the status quo while it determines whether review is appropriate, the Commission may extend the stay of the effective date of the decision at issue for an additional 30 days. If the Commission decides to take review, the effective date of the decision at issue shall be stayed pending the decision of the Commission, unless otherwise ordered. The Commission shall by order establish the procedure for submission of both the record of the proceeding and the briefs of the parties to the proceeding.

(d) *Commission review on its own motion.* At any time prior to the effective date of a final decision of the National

## § 171.34

Futures Association in a disciplinary, membership denial or registration action, the Commission may take review of a decision by issuing an appropriate order. If the Commission determines that it is appropriate to take review on its own motion, it shall by order establish the procedure for submission of both the record of the proceeding and the briefs of the parties.

### § 171.32 Oral argument.

(a) *On motion of Commission.* On its own motion, the Commission may, in its discretion, hear oral argument in a proceeding.

(b) *On request of party.* Any party may file with the Proceedings Clerk a request in writing for the opportunity to present oral argument before the Commission, which the Commission may, in its discretion, grant or deny. A request under this paragraph must be filed concurrently with the party's brief.

(c) *Reporting and transcription.* Oral argument before the Commission will be recorded and transcribed unless the Commission directs otherwise. In the event the Commission affords the parties the opportunity to present oral argument before the Commission, the oral argument will proceed in accordance with the provisions of § 10.103(b) of this chapter.

### § 171.33 Final decision by the Commission.

(a) *Opinion and order.* Upon review, the Commission may affirm, modify, set aside, or remand for further proceedings, in whole or in part, the decision of the National Futures Association. The Commission's decision will be contained in its opinion and order which will be based upon the record before it, including the record of the registered futures association proceeding, briefs submitted to the Commission by the parties and any oral argument made in accordance with § 171.32. Except as provided in paragraph (b) of this section, the opinion and order will constitute the final decision of the Commission, effective upon service on the parties. In the event the Commission is equally divided as to its decision, the decision of the National Fu-

tures Association shall be affirmed without a Commission opinion.

(b) *Order of summary affirmance.* If the Commission finds that the result reached in the decision of the National Futures Association is substantially correct and that none of the arguments on appeal made by the appellant raise important questions of law or policy, the Commission may, by appropriate order, summarily affirm the decision without opinion. The decision of the National Futures Association shall constitute the Commission's final decision, effective upon service. Unless the Commission expressly indicates otherwise in its order, an order of summary affirmance does not reflect a Commission determination to adopt the rationale of the National Futures Association, and neither the order of summary affirmance nor the underlying order shall serve as Commission precedent in other proceedings.

### § 171.34 Standards of review.

(a) *Disciplinary actions.* In reviewing a final decision of the National Futures Association in a disciplinary action, the Commission shall affirm the order of the National Futures Association, unless the Commission finds that:

(1) The proceedings were not conducted in a manner consistent with fundamental fairness;

(2) The proceedings were not conducted in a manner consistent with the rules of the National Futures Association;

(3) The weight of the evidence does not support the findings of the National Futures Association concerning the relevant acts or practices engaged in or omitted;

(4) The determination that the acts or practices engaged in or omitted violated rules of the National Futures Association does not rest on a reasonable interpretation of the rules at issue;

(5) The National Futures Association's application of its rules is not consistent with the purposes of the Act;

(6) The National Futures Association's choice of sanction is excessive or oppressive in light of the violations found having due regard for the public interest.

§ 171.40

17 CFR Ch. I (4-1-01 Edition)

(b) *Membership denial actions.* In reviewing a final decision of the National Futures Association in a membership denial action, the Commission shall affirm the order of the National Futures Association, unless the Commission finds that:

(1) The proceedings were not conducted in a manner consistent with fundamental fairness;

(2) The proceedings were not conducted in a manner consistent with the rules of the National Futures Association;

(3) The weight of the evidence does not support the findings made or adopted in the final decision;

(4) The conclusion of the National Futures Association is not consistent with the purposes of the Act.

(c) *Registration actions.* In reviewing a decision of the National Futures Association in a registration action, the Commission shall affirm the order of the National Futures Association unless the Commission finds that:

(1) The proceedings were not conducted in a manner consistent with fundamental fairness;

(2) The proceedings were not conducted in a manner consistent with the rules of the National Futures Association;

(3) The weight of the evidence does not support the findings made or adopted in the final decision;

(4) The conclusion of the National Futures Association is not consistent with the purposes of the Act.

**Subpart D—Commission Review of Decisions by the National Futures Association In Member Responsibility Actions**

**§ 171.40 Notice of the commencement of a member responsibility action.**

The notice of a Member Responsibility Action provided by the National Futures Association pursuant to its rules shall advise the affected parties of their right to petition the Commission pursuant to § 171.41 to stay the effective date of the action pending a hearing before the National Futures Association on the factual issues relevant to the suspension, restriction or remedial action ordered.

**§ 171.41 Petition for a stay of effective date of a member responsibility action pending a hearing by the National Futures Association.**

(a) *Time to file.* Within ten days after the National Futures Association serves the notice required by § 171.40, any party aggrieved by the National Futures Association's determination that the member responsibility action should be effective prior to the opportunity for a hearing on the factual issues relevant to the suspension, restriction or remedial action imposed may petition the Commission to stay its effectiveness pending completion of further proceedings by the National Futures Association. The burden of persuasion shall rest with the party seeking the stay.

(b) *Content.* A petition for stay shall meet the content requirements set forth in § 171.22(b)(3).

(c) *Response.* A response may be filed by the National Futures Association in accordance with § 171.22(b)(4).

(d) *Standards for granting petition for stay.* In reviewing petitions to stay the effectiveness of the member responsibility action pending completion of further proceedings, the Commission shall consider:

(1) Whether, in the circumstances presented, the notice and opportunity for a hearing provided by the National Futures Association are consistent with principles of fundamental fairness; and

(2) The likelihood that the denial of the petition would result in irreparable harm to petitioner; and

(3) The effect a grant of the petition would have on the interests of the National Futures Association; and

(4) The effect a grant or denial of the petition would have on the public interest.

(e) If the suspension, restriction or remedial action imposed by the National Futures Association in a member responsibility action is effective at the time a petition for a stay is filed with the Commission, the Commission shall not delay its decision on the petition to await the receipt of the National Futures Association's response. If the action is not effective at the time the petition is filed, the Commission will not act upon the petition prior to the

## § 171.43

receipt of a response from the National Futures Association unless, in its view, expedited action on the petition is necessary to protect petitioner's right to a meaningful determination of the right to a stay. If the Commission grants the petition prior to the receipt of the response of the National Futures Association, the association may seek reconsideration of the Commission's action within seven days of service of the decision.

(f) *Proceedings following Commission disposition.* If the petition for a stay is denied, the National Futures Association shall continue its action in accordance with the applicable rules of the association. If the petition for a stay is granted, the action shall be remanded to the National Futures Association for further proceedings as provided in the Commission's decision. Unless otherwise ordered by the Commission, a stay issued pursuant to this section shall not deprive the National Futures Association of the authority, after conducting a hearing under the appropriate rules of the association, to make the suspension, restriction or remedial action ordered in the member responsibility action immediately effective at the time a final decision is issued.

### § 171.42 Notice of a final decision of the National Futures Association in a member responsibility action.

(a) *When required.* The National Futures Association shall promptly serve all parties, as well as the Proceeding Clerk and Secretary of the Commission, with a written notice of any final decision in a member responsibility action. The notice may be contained in the written decision issued by the National Futures Association. If the National Futures Association determines that the decision shall be effective upon issuance, in addition to serving a written notice, it shall also contact the parties and the Proceedings Clerk by telephone to inform them of its determination.

(b) *Contents of the written notice.* At a minimum, the notice shall provide the following information:

(1) The name of the parties to the proceeding;

(2) The date the notice was served and the effective date of the decision;

(3) A statement informing the parties of their right to appeal the decision to the Commission pursuant to § 171.44 as well as their right to seek a stay of the decision pending Commission consideration of their appeal pursuant to § 171.43;

(4) A description of the action taken and the reasons for the action;

(5) Findings of fact and conclusions of law on all issues relevant to its decision;

(6) A determination of the appropriate relief based on the findings and conclusions.

### § 171.43 Petition for a stay of the effective date of a final decision of the National Futures Association in a member responsibility action.

(a) *Filing the petition.* Within ten days of the service of the notice described in § 171.42, any aggrieved party may seek from the Commission a stay of the effective date of the decision of the National Futures Association pending consideration of the merits of an appeal by filing and serving an appropriate petition. The mere filing of such a petition shall not stay the effective date of the decision. The burden of persuasion shall rest with the party seeking the stay.

(b) *Contents.* A petition for a stay shall be in writing. Material factual allegations shall be supported by an affidavit or other sworn statement unless the parties stipulate that the material facts are not in dispute.

(c) *Response.* Within five days of the service of the petition, the National Futures Association may file an opposition to the petition. Material factual allegations shall be supported by an affidavit or other sworn statement unless the parties stipulate that the material facts are not in dispute.

(d) *Standards for determining petitions for a stay.* In reviewing petitions filed under this section, the Commission shall consider:

(1) The likelihood that petitioner's challenge to the merits of the decision will be successful; and

(2) The likelihood that the denial of the petition would result in irreparable harm to the petitioner; and

## § 171.44

(3) The effect a grant of the petition would have on the National Futures Association; and

(4) The effect a grant or denial of the petition would have on the public interest.

(e) *Expedited consideration.* If the suspension, restriction or remedial action imposed by the National Futures Association in a member responsibility action is effective at the time a petition for a stay is filed with the Commission, the Commission shall not delay its decision on the petition to await the receipt of the National Futures Association's response. If the decision is not effective at the time the petition is filed, the Commission will not act upon the petition prior to the receipt of a response from the National Futures Association unless, in its view, expedited action on the petition is necessary to protect petitioner's right to a meaningful determination of the right to a stay. If the Commission grants the petition prior to the receipt of the response of the National Futures Association, the association may seek reconsideration of the Commission's action within seven days of service of the decision.

### § 171.44 Notice of appeal.

(a) *Time to file.* Any party aggrieved by a final decision of the National Futures Association in a member responsibility action may, within thirty days of the service of the notice described in §171.42, file with the Proceedings Clerk and serve on the National Futures Association a notice of appeal. The filing of such a notice shall not stay the effective date of the decision.

(b) *Contents.* The notice of appeal shall meet the content requirements of §171.23(b).

(c) *Filing fee.* Each notice of appeal must be accompanied by a nonrefundable filing fee of \$100. This amount may be paid by check, bank draft or money order, payable to the Commodity Futures Trading Commission.

(d) *Defective notices of appeal.* Notices of appeal that are untimely or not accompanied by the filing fee shall not be accepted by the Proceedings Clerk absent a showing, by motion, of excusable neglect.

#### § 180.1 Definitions.

(a) The term *claim or grievance* as used in this part shall mean any dispute which arises out of any transaction on or subject to the rules of a contract market, executed by or effected through a member of that contract market or employee thereof which dispute does not require for adjudication the presence of essential witnesses or third parties over whom the contract market does not have jurisdiction and who are not otherwise available. The term *claim or grievance* does not include disputes arising from cash market transactions which are not a part of or directly connected with any transaction for the purchase or sale of any commodity for future delivery or commodity option.

(b) The term *customer* as used in this part includes an option customer (as defined in § 1.3(jj) of this chapter) and any person for or on behalf of whom a member of a contract market effects a transaction on such contract market,

### § 180.2 Fair and equitable procedure.

Every contract market shall adopt rules which provide for a fair and equitable procedure through arbitration or otherwise for the settlement of customer's claims and grievances against any member or employee thereof which shall include at least the following as *minimum* requirements for a fair and equitable procedure:

(a) The procedure shall be objective and impartial. Customers must be provided with the choice of a panel or other decision-maker composed of one or more persons, of which at least a majority are not members or associated with any member of a contract market, or employee thereof, and are not otherwise associated with a contract market. The rules of a contract market may, with proper notice, require the customer to request such a panel or other such decision-maker at the time of submission of the claim or grievance to the procedure. *Ex parte* contacts by any of the parties with members of any panel or other decision-maker shall not be permitted.

(b) The procedure shall grant each of the parties the right, if desired, to be represented by counsel, at his own expense, in any aspect of the procedure.

(c) The procedure shall provide for the prompt settlement of claims or grievances and counterclaims, if any (permitted by §180.4 of this part). Unnecessary or unreasonable delay by any of the parties shall not be permitted.

(d) The procedure shall require adequate notice to the parties and opportunity for a prompt hearing as follows:

(1) Each of the parties shall be entitled personally to appear at such hearing, unless the contract market shall

have adopted a procedure for the written submission of claims or grievances (and any counterclaims applicable thereto) which in the aggregate do not exceed \$5,000. If the claim or grievance (and any counterclaim applicable thereto) in the aggregate does not exceed \$5,000, provision may be made for the claim or grievance to be resolved without a hearing through a submission on the basis of written documents, unless a hearing is required by the panel or other decision-maker or by rule.

(2) The formal rules of evidence need not apply at the hearing. Nevertheless, the procedures established may not be so informal as to deny due process. Each party must be given adequate opportunity to prepare and present all relevant facts in support of the claims and grievances, defenses or counterclaims (permitted by §180.4 of this part), and to present rebuttal evidence to such claims or grievances, defenses or counterclaims made by the other parties.

(3) Each party shall be entitled to examine other parties and any witnesses appearing at the hearing and to examine all relevant documents presented in connection with the claim or grievance, defense or counterclaim applicable thereto.

(4) A verbatim record of the hearing may be required, the cost of which must be reasonable. There shall be no requirement that a verbatim record be transcribed unless requested by a party who shall bear the cost of the transcription, and contract markets shall otherwise seek to minimize the cost associated with such record.

(e) The procedure shall provide adequate notice to the parties in advance of a submission of a claim or grievance, or counterclaim (permitted by §180.4 of this part), of the nature and amount of any fees or costs which may be assessed against customers utilizing the procedure. Fees or costs shall be reasonable, particularly in relation to the complexity and amount of the claim or grievance or counterclaim, if any, presented. Costs may be apportioned among the parties or may be assessed against the losing party as the panel or other decision-maker, in its discretion,

sees fit. The rules of a contract market, however, must provide that a contract market member which is a party to an arbitration proceeding shall pay any incremental fees which may be assessed by a qualified forum for provision of a panel or other decision-maker which conforms to the requirements of paragraph (a) of this subsection, unless the arbitrators in a particular proceeding determine that the customer has acted in bad faith in initiating or conducting that proceeding.

(f) The procedure shall provide that the settlement award shall be rendered promptly in writing and be final. There shall be no right of appeal to any entity within the contract market which can overturn the settlement-procedure decision; the only right of appeal being as provided under applicable law.

(g) The procedure shall not impose any restrictions on the jurisdiction or venue of any court to enforce an award so rendered.

(Approved by the Office of Management and Budget under control number 3038-0022)

(Secs. 5(a)(11), 17(b)(10) and 8a(5) of the Commodity Exchange Act, as amended, 7 U.S.C. 7a(11), 21(b)(10) and 12a(5))

[41 FR 27523, July 2, 1976, as amended at 46 FR 63036, Dec. 30, 1981; 48 FR 22142, May 17, 1983; 57 FR 46093, Oct. 7, 1992]

**§ 180.3 Voluntary procedure and compulsory payments.**

(a) The use by customers of the dispute settlement procedures established by contract markets pursuant to the Act or this part or of the arbitration or other dispute settlement procedures specified in an agreement under paragraph (b)(3) of this section shall be voluntary. The procedures so established shall prohibit any agreement or understanding pursuant to which customers of members of the contract market agree to submit claims or grievances for settlement under said procedures prior to the time when the claim or grievance arose, except in accordance with paragraph (b) of this section.

(b) No futures commission merchant, introducing broker, floor broker, commodity pool operator, commodity trading advisor, or associated person shall enter into any agreement or understanding with a customer in which the customer agrees, prior to the time the

claim or grievance arises, to submit such claim or grievance to any settlement procedure except as follows:

(1) Signing the agreement must not be made a condition for the customer to utilize the services offered by the futures commission merchant, introducing broker, floor broker, commodity pool operator, commodity trading advisor or associated person.

(2) If the agreement is contained as a clause or clauses of a broader agreement, the customer must separately endorse the clause or clauses containing the cautionary language and provisions specified in this section. Such futures commission merchant or introducing broker may obtain such endorsement as provided in § 1.55(d) of this chapter for the following classes of customers only:

(i) An investment company registered under the Investment Company Act of 1940;

(ii) An insurance company subject to regulation by any State;

(iii) A bank, trust company or any other such financial depository institution subject to regulation by any State or the United States;

(iv) A pension plan subject to title I of the Employee Retirement Income Security Act of 1974, an employee welfare benefit plan subject to the fiduciary responsibility provisions of the Employee Retirement Income Security Act of 1974, and a plan defined as a government plan in section 3(32) of title I of the Employee Retirement Income Security Act of 1974;

(v) A foreign entity that is regulated in a manner comparable to the entities specified in paragraphs (b)(2)(i)-(iv) of this section; or

(vi) A person who is a "qualified eligible person" as defined in § 4.7(a) of this chapter.

(3) The agreement may not require the customer to waive the right to seek reparations under section 14 of the Act and part 12 of these regulations. Accordingly, the customer must be advised in writing that he or she may seek reparations under section 14 of the Act by an election made within 45 days after the futures commission merchant, introducing broker, floor broker, commodity pool operator, commodity trading advisor or associated

person notifies the customer that arbitration will be demanded under the agreement. This notice must be given at the time when such person notifies the customer of an intention to arbitrate. The customer must also be advised that if he or she seeks reparations under section 14 of the Act and the Commission declines to institute reparation proceedings, the claim or grievance will be subject to the pre-existing arbitration agreement and must also be advised that aspects of the claims or grievances that are not subject to the reparations procedure (i.e. do not constitute a violation of the Act or rules thereunder) may be required to be submitted to the arbitration or other dispute settlement procedure set forth in the preexisting arbitration agreement.

(4) The agreement must advise the customer that, at such time as he or she may notify the futures commission merchant, introducing broker, floor broker, commodity pool operator, commodity trading advisor or associated person that he or she intends to submit a claim to arbitration, or at such time as such person notifies the customer of its intent to submit a claim to arbitration, the customer will have the opportunity to elect a qualified forum for conducting the proceeding.

(i) In the case of a future commission merchant, introducing broker, commodity pool operator, commodity trading advisor or associated person, within ten business days after receipt of such notice from the customer, or at the time such a registrant so notifies the customer, the futures commission merchant, introducing broker, commodity pool operator, commodity trading advisor or associated person must provide the customer with a list of organizations whose procedures qualify them to conduct arbitrations in accordance with the requirements of §180.2 of this part, together with a copy of the rules of each forum listed. The list must include:

(A) The contract market, if available, upon which the transaction giving rise to the dispute was executed or could have been executed;

(B) A registered futures association; and

THE CFTC RECOGNIZES THAT THE OPPORTUNITY TO SETTLE DISPUTES BY ARBITRATION MAY IN SOME CASES PROVIDE MANY BENEFITS TO CUSTOMERS, INCLUDING THE ABILITY TO OBTAIN AN EXPEDITIOUS AND FINAL RESOLUTION OF DISPUTES WITHOUT INCURRING SUBSTANTIAL COSTS. THE CFTC REQUIRES, HOWEVER, THAT EACH CUSTOMER INDIVIDUALLY EXAMINE THE RELATIVE MERITS OF ARBITRATION AND THAT YOUR CONSENT TO THIS ARBITRATION AGREEMENT BE VOLUNTARY.

BY SIGNING THIS AGREEMENT, YOU: (1) MAY BE WAIVING YOUR RIGHT TO SUE IN A COURT OF LAW; AND (2) ARE AGREEING TO BE BOUND BY ARBITRATION OF ANY CLAIMS OR COUNTERCLAIMS WHICH YOU OR [NAME] MAY SUBMIT TO ARBITRATION UNDER THIS AGREEMENT. YOU ARE NOT, HOWEVER, WAIVING YOUR RIGHT TO ELECT INSTEAD TO PETITION THE CFTC TO INSTITUTE REPARATIONS PROCEEDINGS UNDER SECTION 14 OF THE COMMODITY EXCHANGE ACT WITH RESPECT TO ANY DISPUTE WHICH MAY BE ARBITRATED PURSUANT TO THIS AGREEMENT. IN THE EVENT A DISPUTE ARISES, YOU WILL BE NOTIFIED IF [NAME] INTENDS TO SUBMIT THE DISPUTE TO ARBITRATION. IF YOU BELIEVE A VIOLATION OF THE COMMODITY EXCHANGE ACT IS INVOLVED AND IF YOU PREFER TO REQUEST A SECTION 14 "REPARATIONS" PROCEEDING BEFORE THE CFTC, YOU WILL HAVE 45 DAYS FROM THE DATE OF SUCH NOTICE IN WHICH TO MAKE THAT ELECTION.

YOU NEED NOT SIGN THIS AGREEMENT TO OPEN AN ACCOUNT WITH [NAME]. SEE 17 CFR 180.1-180.5.

(7) If the agreement specifies a forum for arbitration other than a contract market or registered futures association, the procedures of such forum must be fair and equitable as defined by §180.2 of this part.

(c) The procedure established by a contract market pursuant to section 5a(a)(11) of the Act or this part may require parties utilizing such procedure to agree, under applicable state law, submission agreement or otherwise, to be bound by an award rendered in the procedure, provided that the agreement to submit the claim or grievance to the procedure was made in accordance with paragraph (b) of this section or that the agreement to submit the claim or grievance was made after the claim or

A procedure established by a contract market under the Act for the settlement of customers' claims or grievances against a member or employee thereof may permit the submission of a counterclaim in the procedure by a person against whom a claim or grievance is brought. Other counterclaims are permissible only if the customer agrees to the submission after the counterclaim has arisen, and if the aggregate monetary value of the counterclaim is capable of calculation.

If adopted, the procedure shall be independent of, and shall not interfere with or delay the resolution of, customers' claims or grievances submitted for resolution under the procedure established pursuant to the Act. Such a procedure shall provide procedural safeguards which must include, at a minimum, fair and equitable procedures conforming to those set forth in §180.2 of this part, except that:

ceived from customers after bankruptcy in response to margin calls, and

(iv) No payments need be made to restore initial margin.

(2) *Margin calls.* The trustee, or in the case of an involuntary bankruptcy, the commodity broker against which the petition is filed or the trustee if a trustee has been appointed, must issue margin calls with respect to any account in which the funded balance less the value on the date of return or transfer of any property previously returned or transferred does not equal or exceed:

(i) 100% of the maintenance margin requirements of the applicable board of trade with respect to the open commodity contracts in such account; or

(ii) If there are no such maintenance margin requirements, 100% of the clearing organization margin requirements applicable to the open commodity contracts in such account; or

(iii) If there are no maintenance margin requirements or clearing organization margin requirements, then 50% of the initial margin applicable to the open commodity contracts in such account;

*Provided, That* no margin calls need be made by the trustee to restore initial margin. A margin call for such accounts should be made as soon as possible following the order for relief and the trustee shall be authorized, but not obligated, to liquidate any account for which such margin call is not met within a reasonable time as defined in §190.04(e)(4): *Provided, That* the trustee must immediately liquidate any account which is in deficit.

(3) *Margin payments by the customer.* The full amount of any margin payment by a customer in response to a margin call under paragraph (g)(2) of this section must be credited to the funded balance of the particular account for which it was made.

### § 190.03 Operation of the debtor's estate subsequent to the primary liquidation date.

Subsequent to the primary liquidation date, accounts which contain open commodity contracts not required to be liquidated under §190.02 (f)(1) shall be operated by the trustee as follows:

(a) *Operation of accounts held open for transfer*—(1) *Establishment of transfer accounts.* On the primary liquidation date, the trustee must generate a new statement of account for each class of account of a customer which contains a commodity contract not required to be liquidated under § 190.02(f)(1). The opening balance of such statement must be equal to its funded balance, less the value on the date of its transfer or return of any property transferred or returned with respect to the net equity claim for such account prior to the primary liquidation date.

(2) *Accounting for transfer accounts.* The opening balance of any statement generated on the primary liquidation date in accordance with paragraph (a)(1) of this section must be adjusted for operations on or subsequent to the primary liquidation date in the same manner as the equity in a commodity futures account maintained for or on behalf of a customer would be adjusted in the ordinary course of business prior to the filing date: *Provided, however,* That such statement of account must also be adjusted to reflect certain adjustments to the funded balance in accordance with § 190.07(c)(2), such that the balance in that account will always be equal to the funded balance of the claimant's net equity claim adjusted for corrections and subsequent operations less the value on the date of transfer or return of any property transferred or returned with respect to that claim prior to the primary liquidation date.

(3) *Margin calls.* The trustee must promptly issue margin calls with respect to any account referred to under paragraph (a)(1) of this section in which the balance does not equal or exceed 100% of the maintenance margin requirements of the applicable board of trade with respect to the open commodity contracts in such account, or if there are no such maintenance margin requirements, 100% of the clearing organization margin requirements applicable to the open commodity contracts in such account, or if there are no maintenance margin requirements or clearing organization margin requirements, then 50% of the initial margin applicable to the commodity contracts in such account: *Provided,* That no

margin calls need be made to restore initial margin.

(4) *Margin payments.* The trustee may make variation or maintenance margin payments to the broker carrying any account referred to in paragraph (a)(1) of this section as appropriate if such payments do not exceed the balance of the statement of account generated under paragraph (a)(1) of this section with respect to which such contracts are credited. Any customer for which commodity contracts remain open subsequent to the primary liquidation date will not be relieved of the obligation to make margin payments by reason of the bankruptcy of the commodity broker: *Provided,* That the full amount of any margin payment made by a customer subsequent to the primary liquidation date must be credited to the account referred to in paragraph (a)(1) of this section for which it was made.

(5) *Distribution.* No distribution of equity may be made to or on behalf of customers by the trustee with respect to an account established in accordance with paragraph (a)(1) of this section, except pursuant to paragraph (a)(4) of this section and to § 190.08(d).

(b) *Liquidation of open commodity contracts.* Commodity contracts held open by the trustee in accordance with paragraph (a)(1) of this section must be liquidated promptly and in an orderly manner, if:

(1) Any payment of margin would result in a deficit in the account in which they are held;

(2) The customer for, or on whose behalf, the account is held fails to meet a margin call within a reasonable time;

(3) The trustee has received no customer instructions with respect to such contract by the close of business on the fifth business day after entry of the order for relief;

(4) The commodity contract has not been transferred in accordance with § 190.08(d)(2) on or before the close of business on the tenth business day after entry of the order for relief; or

(5) The commodity contract would otherwise remain open beyond the last day of trading in such contract or the first day on which notice of delivery may be tendered with respect to such contract, whichever occurs first.

(c) *Liquidation of specifically identifiable property other than open commodity contracts.* All specifically identifiable property other than open commodity contracts which have not been liquidated prior to the primary liquidation date, and for which no customer instructions have been timely received must be liquidated, to the extent reasonably possible, no later than the close of business on the fifth business day after final publication of the notice referred to in § 190.02(b)(1). All other specifically identifiable property must be liquidated or returned, to the extent reasonably possible, no later than the close of business on the tenth business day after final publication of such notice.

**§ 190.04 Operation of the debtor's estate—general.**

(a) *Compliance with the Act and regulations.* Except as specifically provided otherwise in this part, the trustee shall comply with all of the provisions of the Act and of the regulations thereunder as if it were the debtor.

(b) *Computation of funded balance.* Using the information available, the trustee must compute a funded balance for each customer account which contains open commodity contracts as of the close of business each day subsequent to the order for relief until the final liquidation date. Such computation must be completed prior to noon on the next business day.

(c) *Records—(1) Maintenance.* Subject to the requirements of the Bankruptcy Code, records of the computations required by this part shall be maintained in accordance with § 1.31 of this chapter by the trustee for the greater of the period required by § 1.31 of this chapter or for a period of one year after the close of the bankruptcy proceeding for which they were compiled.

(2) *Accessibility.* The records required to be maintained by paragraph (c)(1) of this section shall be available during business hours to the Court, parties in interest, the Commission and the U.S. Department of Justice. At any time on or after the filing date, the commodity broker, or the trustee if a trustee has been appointed, shall be required to give the Commission and the U.S. Department of Justice immediate access

to all records of the debtor, including records required to be retained in accordance with § 1.31 of this chapter and all other records of the commodity broker, whether or not the Act or this chapter would require such records to be maintained by the commodity broker.

(d) *Liquidation—(1) Order of liquidation—(i) Open outcry.* Liquidation of open commodity contracts held for a house or a customer account by or on behalf of a commodity broker which is a debtor shall be accomplished in accordance with § 1.38 of this chapter: *Provided*, That to the extent reasonably possible the trustee shall first liquidate all net positions and shall subsequently liquidate all long and short positions in the same commodity in the same delivery month on the same contract market in tandem: and, *Provided further*, That any covered commodity owned by a debtor shall be liquidated, to the extent reasonably possible, at the same time as its cover.

(ii) *Book entry.* Notwithstanding paragraph (1), in appropriate cases, upon application by the trustee or the affected clearing organization, the Commission may permit offsetting open commodity contracts to be liquidated, or settlement on such contracts to be made, by book entry. Such book entry shall offset such trades on the books of the commodity broker using an execution price equal to the weighted average of the liquidation prices for contracts in the same commodity for the same delivery month on the same contract market which are not matched on the books of the commodity broker, or if there are no such unmatched contracts, using the average of the opening price and the settlement price of contracts in the same commodity for the same delivery month on the same contract market as of the close of business on the market day of the order for relief.

(2) *Liquidation only.* Nothing in this part shall be interpreted to permit the trustee to purchase or sell new commodity contracts for customers of the debtor except to offset open commodity contracts or to transfer any transferable notice received by the debtor or the trustee under any commodity contract: *Provided, however*,

## Commodity Futures Trading Commission

## § 190.05

That the trustee may, in its discretion and with approval of the Commission, cover uncovered inventory or commodity contracts of the debtor which cannot be liquidated immediately because of price limits or other market conditions, or may take an offsetting position in a new month or at a strike price for which limits have not been reached.

(e) *Other matters*—(1) *Determination as to bona fide hedges*. In determining which commodity contracts are eligible to be held open for transfer pursuant to customer instruction, the trustee may rely on the designation in the accounting records of the commodity broker that the account for or on behalf of which the contract is held is a hedging account. Commodity contracts maintained in a hedging account may be treated by the trustee as specifically identifiable.

(2) *Disbursements*. The trustee shall make no disbursements to customers prior to final distribution except with approval of the court or in accordance with § 190.08(d).

(3) *Investment*. The trustee shall promptly invest the equity resulting from the liquidation of commodity contracts, and the proceeds of the liquidation of specifically identifiable property, in obligations of the United States and obligations fully guaranteed as to principal and interest by the United States, and may similarly invest any customer equity in accounts which remain open in accordance with § 190.03: *Provided*, That such obligations are maintained in a depository located in the United States, its territories or possessions.

(4) *Margin calls—reasonable time*. Except as otherwise provided in this part, a reasonable time for meeting margin calls made by the trustee shall be deemed to be one hour, or such greater period not to exceed one business day, as the trustee may determine in its sole discretion.

(5) *Management of Long Option Contracts*. Subject to the applicable liquidation provisions the trustee must use its best efforts to assure that a

long option contract with value does not expire worthless.

### § 190.05 Making and taking delivery on commodity contracts.

(a) *General*. (1) In the event that the trustee is unable to liquidate an open commodity futures contract subject to physical delivery or an option on a physical commodity, which cannot be settled in cash, prior to the last day of trading in that contract as required by §§ 190.02(f)(1) and 190.03(b)(5), the trustee must use its best efforts to prevent property which is to be delivered for or on behalf of a customer to fulfill that contract, or property for which delivery is being taken with respect to a customer pursuant to that contract, from becoming part of the debtor's estate.

(2) Delivery account shall mean any account prominently designated as such in the records of the debtor which contains only the specifically identifiable property associated with delivery set forth in § 190.01(kk) (3), (4), and (5), except that with respect to § 190.01(kk) (4) and (5), delivery need not be made or taken and exercise need not be effected for such property to be included in a delivery account.

(3) The portion of the price or the proceeds of a commodity contract upon delivery which is not specifically identifiable property under § 190.01(kk) (4) and (5) must be distributed pro rata under section 766(h) of the Code.

(b) *Contract market rules for deliveries on behalf of a customer of a debtor*. Except in the case of a commodity futures or option contract which is settled in cash, each contract market shall adopt, maintain in effect and enforce rules which have been approved by the Commission in accordance with section

## § 190.06

## 17 CFR Ch. I (4-1-01 Edition)

5a(a)(12) of the Act and §1.41 of this chapter, which:

(1) Permit the making and taking of delivery to fulfill a commodity futures contract for a physical commodity or an option on a physical commodity, which has not become part of the debtor's estate on the date of the entry of the order for relief but with respect to which commodity contract:

(i) Trading has ceased on the date of the entry of the order for relief;

(ii) Notice of delivery has been tendered on or before the date of the entry of the order for relief; or,

(iii) Trading ceases before it can be liquidated by the trustee, to be effected directly between the customer of the debtor and the person identified by the clearing organization as the party to whom delivery should be made or from whom delivery should be taken by such customer of the debtor without intervention of the trustee and without including such physical commodity or the payment for such physical commodity in any bankruptcy distribution: *Provided, however,* That a customer shall not be relieved of his obligation to make or take delivery for the sole reason that delivery must be made or taken from a commodity broker which is a debtor; and

(2) Recognize that the equity of a customer of the debtor in a commodity contract upon which delivery is made or taken must be included in the net equity claim of that customer and, as such, can only be distributed pro rata at the time of, and as part of, any distributions to customers made by the trustee.

(c) *Delivery made or taken within the debtor's estate.* (1) Any property in a delivery account which is part of the debtor's estate on the date of the order for relief may be returned under the terms set forth in §190.08(d)(1)(ii).

(2) If the property to be delivered is part of the debtor's estate on the date of the order for relief and a customer of the debtor is required to make delivery, the trustee must make delivery in the same manner as if no bankruptcy had occurred and the party by whom delivery is taken must pay the full notice price or strike price for delivery.

(3) If delivery is to be made or taken on behalf of a house account the trust-

ee must either make or take delivery, as the case may be, on behalf of the debtor's estate: *Provided,* That if the trustee, at any time, takes delivery of a physical commodity, the trustee must convert that physical commodity to cash as promptly as possible.

### § 190.06 Transfers.

(a) *Transfer rules.* No self-regulatory organization or clearing organization may adopt, maintain in effect or enforce rules which:

(1) Are inconsistent with the provisions of this part;

(2) Interfere with the acceptance by its members of open commodity contracts and the equity margining or securing such contracts from futures commission merchants, or persons which are required to be registered as futures commission merchants, which are required to transfer accounts pursuant to §1.17(a)(4) of this chapter; or

(3) Prevent the acceptance by its members of transfers of open commodity contracts and the equity margining or securing such contracts from futures commission merchants with respect to which a petition in bankruptcy has been filed, if such transfers have been approved by the Commission.

*Provided, however,* That this paragraph shall not limit the exercise of any contractual right of a self-regulatory organization or clearing organization to liquidate open commodity contracts.

(b) *Notice.* Unless notice has been filed pursuant to §1.65(b) of this chapter, if a futures commission merchant, or a person required to be registered as a futures commission merchant, intends to transfer commodity contracts held by or for a commodity broker from or for the account of a customer

to another person registered as a futures commission merchant after a petition in bankruptcy has been filed by or against such commodity broker, the transferor must notify the Commission no later than is required under § 190.02(a)(2).

(c) *Financial requirements for transferees.* (1) No transfer may be made which would cause the transferee to be in violation of the minimum financial requirements set forth in this chapter.

(2) A transferee may accept a transfer of open commodity contracts even though the money, securities and other property eligible for transfer under the regulations contained in this part is insufficient to fully margin such positions, if the transferee agrees to accept the transfer subject to any loss due to the failure to recover such deficiency from the customers whose contracts it has accepted or from the estate of the debtor.

(3) The transferee of a commodity contract for which notice is given under § 190.06(b)(2) must keep that contract open one business day after its receipt, unless the customer for whom the transfer is made fails to respond within a reasonable time to a margin call for the difference between the margin transferred with such contract and the margin which such transferee would require with respect to a similar commodity contract held for the account of a customer in the ordinary course of business.

(4) No commission may be collected by the transferor with respect to the transfer of an open commodity contract for which notice is given under § 190.06(b)(2).

(d) *Customer instructions*—(1) *Customer instructions.* A commodity broker must provide an opportunity for each customer to specify when undertaking its first hedging contract whether, in the event of bankruptcy, such customer prefers that open commodity contracts held in a hedging account be liquidated by the trustee without seeking customer instructions. Such commodity broker may obtain evidence of the customer instructions as provided in § 1.55(d) of this chapter.

(2) *Record of customer instructions.* Each futures commission merchant must indicate prominently in the ac-

counting records in which it maintains open trade balances any customer accounts which are hedging accounts for which the customer has not specified that it prefers open contracts to be liquidated in bankruptcy by the trustee without instruction.

(e) *Eligibility for transfer under section 764(b) of the Bankruptcy Code*—(1) *Accounts eligible for transfer.* Subject to the requirements of paragraph (e)(2) of this section, all accounts are eligible for transfer after the filing date pursuant to section 764(b) of the Bankruptcy Code, except:

(i) House accounts or the accounts of general partners of the debtor if the debtor is a partnership;

(ii) Leverage accounts, if the debtor is the leverage transaction merchant with respect to such accounts;

(iii) Dealer option accounts, if the debtor is the dealer option grantor with respect to such accounts;

(iv) Accounts which contain no open commodity contracts; or

(v) Accounts which are in deficit.

(2) *Amount of equity which may be transferred.* In no case may money, securities or property be transferred in respect of any eligible account if the value of such money, securities or property would exceed the funded balance of such account based on available information as of the close of business on the business day immediately preceding transfer less the value on the date of return or transfer of any property previously returned or transferred with respect thereto.

(f) *Special rules for transfers under section 764(b) of the Bankruptcy Code*—(1) *Dealer options*—(i) *Eligibility for transfer.* Prior to exercise, any dealer option contract held by or for the account of a debtor which is a futures commission merchant from or for the account of a customer may be transferred even if the funded balance available for transfer which is attributable to such contract does not equal 100% of the portion of the purchase price required to be segregated with respect to such contract: *Provided,* That a dealer option contract will be eligible for transfer only if any deficiency in the funded balance of the customer account in which it is held is not due to amounts owed by such customer to the debtor;

and, *Provided further*, That the transferee of any dealer option contract need not segregate more than an amount equal to that portion of the purchase price due the grantor which is transferred with the contract which should be equal to the grantor's funded balance in the portion of the purchase price segregated less any reasonable reserve established by the trustee for the nonrecovery of overpayments.

(ii) *Obligation of the dealer option grantor*. In the event of the transfer of a dealer option contract pursuant to this section, the failure of the debtor futures commission merchant to segregate 100% of the purchase price due the grantor for such contract, or the failure of the dealer option grantor to collect 100% of such purchase price due the grantor, shall not excuse the dealer option grantor from its obligation to perform such contract in full upon its exercise, without any setoff or set aside for the premium deficiency.

(2) *Clearing organizations*. Commodity contracts held by a clearing organization which is a debtor may not be transferred.

(3) *Partial transfers*—(i) *Of the customer estate*. If all eligible customer accounts held by a debtor cannot be transferred under this section, a partial transfer may nonetheless be made. The Commission will not disapprove such a transfer for the sole reason that it was a partial transfer if it would prefer the transfer of accounts, the liquidation of which could adversely affect the market or the bankrupt estate. Any dealer option contract held by or for the account of a debtor which is a futures commission merchant from or for the account of a customer which has not previously been transferred, and is eligible for transfer, must be transferred on or before the close of business on the tenth business day after entry of the order for relief.

(ii) *Of a customer account*. If all of a customer's open commodity contracts cannot be transferred under this section, a partial transfer of contracts may be made. A partial transfer may be effected by liquidating that portion of the open commodity contracts held by a customer which represents sufficient equity to permit the transfer of the remainder. If any commodity con-

tracts to be transferred in a partial transfer are part of a spread or straddle, both sides of such spread or straddle must be transferred or neither side may be transferred.

(g) *Prohibition on avoidance of transfers under section 764(b) of the Bankruptcy Code*—(1) *Pre-relief transfers*. Notwithstanding the provisions of paragraph (e) of this section, the following transfers may not be avoided by a trustee:

(i) The transfer of commodity accounts prior to the entry of the order for relief in compliance with §1.17(a)(4) of this chapter unless such transfer is disapproved by the Commission; or

(ii) The transfer prior to the order for relief by a public customer, including a transfer by a public customer which is a commodity broker, of commodity accounts held from or for the account of such customer by or on behalf of the debtor unless:

(A) The customer acted in collusion with the debtor or its principals to obtain a greater share of the bankrupt estate than that to which it would be entitled in a bankruptcy distribution; or

(B) The transfer is disapproved by the Commission.

(2) *Post-relief transfers*. On or after the entry of the order for relief, the following transfers to one or more transferees may not be avoided by the trustee:

(i) The transfer of a customer account eligible to be transferred under paragraph (e) or (f) of this section made by the trustee of the commodity broker or by any self-regulatory organization or clearing organization of the commodity broker:

(A) On or before the close of business on the fourth business day after the entry of the order for relief; and

(B) The Commission is notified in accordance with §190.02(a)(2) prior to the transfer and does not disapprove the transfer; or

(ii) The transfer of a customer account at the direction of the Commission on or before the close of business on the fourth business day after the order for relief upon such terms and conditions as the Commission may deem appropriate and in the public interest.

## Commodity Futures Trading Commission

## § 190.07

(3) *Withdrawals prior to bankruptcy.* The withdrawal or settlement of a commodity account by a public customer including a public customer which is a commodity broker, prior to the filing date may not be avoided by a trustee unless:

(i) The customer making the withdrawal or settlement acted in collusion with the debtor or its principals to obtain a greater share of the bankruptcy estate than that to which such customer would be entitled in a bankruptcy distribution; or

(ii) The withdrawal or settlement is disapproved by the Commission.

(h) *Commission action.* Notwithstanding any other provision of this section, in appropriate cases and to protect the public interest, the Commission may:

(1) Prohibit the transfer of customer accounts; or

(2) Permit transfers of accounts which do not comply with the requirements of this section.

### § 190.07 Calculation of allowed net equity.

Allowed net equity shall be computed as follows:

(a) *Allowed claim.* The allowed net equity claim of a customer shall be equal to the aggregate of the funded balances of such customer's net equity claim for each account class plus or minus the adjustments specified in paragraph (d) of this section.

(b) *Net equity.* Net equity means the total claim of a customer against the estate of the debtor based on the commodity contracts held by the debtor for or on behalf of such customer less any indebtedness of the customer to the debtor. Net equity shall be calculated as follows:

(1) *Step 1—Equity determination.* Determine the equity balance of each customer account by computing, with respect to such account, the sum of:

(i) The ledger balance;

(ii) The open trade balance; and

(iii) The current realizable market value, determined as of the close of the market on the last preceding market day, of any securities or other property held by or for the debtor from or for

such account, plus accrued interest, if any.

(A) For the purposes of this paragraph (b)(1), the ledger balance of a customer account shall be calculated by adding:

(1) Cash deposited to purchase, margin, guarantee, secure, or settle a commodity contract;

(2) Except as is otherwise provided in this chapter, the cash proceeds of such cash, or of securities or other property referred to in paragraph (b)(1) of this section held from or for the customer by or for the account of the commodity broker; and

(3) Gains realized on trades, and

(B) Subtracting from the result:

(1) Losses realized on trades;

(2) Disbursements to or on behalf of the customer; and

(3) The normal costs attributable to the payment of commissions, brokerage, interest, taxes, storage, transaction fees, insurance and other costs and charges lawfully incurred in connection with the purchase, sale, exercise, or liquidation of any commodity contract in such account.

For purposes of this paragraph (b)(1), the open trade balance of a customer's account shall be computed by subtracting the unrealized loss in value of the open commodity contracts held by or for such account from the unrealized gain in value of the open commodity contracts held by or for such account.

(2) *Step 2—Customer determination (aggregation).* Aggregate the credit and debit equity balances of all accounts of the same class held by a customer in the same capacity. Paragraphs (b)(2)(i) through (b)(2)(xiii) of this section prescribe which accounts must be treated as being held in the same capacity and which accounts must be treated as being held in a separate capacity.

(i) Except as otherwise provided in this paragraph (b)(2), all accounts which are maintained with a debtor in a person's name and which, under this paragraph (b)(2), are deemed to be held by that person in its individual capacity shall be deemed to be held in the same capacity.

(ii) An account maintained with a debtor by a guardian, custodian, or conservator for the benefit of a ward, or for the benefit of a minor under the

§ 190.07

17 CFR Ch. I (4-1-01 Edition)

Uniform Gift to Minors Act, shall be deemed to be held in a separate capacity from accounts held by such guardian, custodian or conservator in its individual capacity.

(iii) An account maintained with a debtor in the name of an executor or administrator of an estate shall be deemed to be held in a separate capacity from accounts held by such executor or administrator in its individual capacity.

(iv) Subject to paragraph (b)(2)(iii) of this section, an account maintained with a debtor in the name of a decedent, in the name of the decedent's estate, or in the name of the executor or administrator of such estate shall be deemed to be accounts held in the same capacity.

(v) An account maintained with a debtor by a trustee shall be deemed to be held in the individual capacity of the grantor of the trust unless the trust is created by a valid written instrument for a purpose other than avoidance of an offset under the regulations contained in this part. A trust account which is not deemed to be held in the individual capacity of its grantor under paragraph (b)(2)(v) of this section shall be deemed to be held in a separate capacity from accounts held in an individual capacity by the trustee, by the grantor or any successor in interest of the grantor, or by any trust beneficiary, and from accounts held by any other trust.

(vi) An account maintained with a debtor by a corporation, partnership, or unincorporated association shall be deemed to be held in a separate capacity from accounts held by the shareholders, partners or members of such corporation, partnership or unincorporated association, if such entity was created for purposes other than avoidance of an offset under the regulations contained in this part.

(vii) A hedging account of a person shall be deemed to be held in the same capacity as a speculative account of such person.

(viii) Subject to paragraph (b)(2)(ix) of this section, the futures accounts, leverage accounts, options accounts, foreign futures accounts and delivery accounts of the same person shall not be deemed to be held in separate capacities:

*Provided, however,* That such accounts may be aggregated only in accordance with paragraph (b)(3) of this section.

(ix) An omnibus customer account of a futures commission merchant maintained with a debtor shall be deemed to constitute one account and to be held in a separate capacity from the house account and any other omnibus customer account of such futures commission merchant.

(x) A joint account maintained with the debtor shall be deemed to be held in a separate capacity from any account held in an individual capacity by the participants in such account, from any account held in an individual capacity by a commodity pool operator or commodity trading advisor for such account, and from any other joint account: *Provided, however,* That if such account is not transferred in accordance with § 190.06, it shall be deemed to be held in the same capacity as any other joint account held by identical participants and a participant's percentage interest therein shall be deemed to be held in the same capacity as any account held in an individual capacity by such participant.

(xi) An account maintained with a debtor in the name of a plan which, on the filing date, has in effect a registration statement in accordance with the requirements of section 1031 of the Employee Retirement Income Security Act of 1974 and the regulations thereunder shall be deemed to be held in a separate capacity from an account held in an individual capacity by the plan administrator, any employer, employee, participant, or beneficiary with respect to such plan.

(xii) Except as otherwise provided in this section, an account maintained with a debtor by an agent or nominee for a principal or a beneficial owner shall be deemed to be an account held in the individual capacity of such principal or beneficial owner.

(xiii) Accounts held by a customer in separate capacities shall be deemed to be accounts of different customers. The burden of proving that an account is held in a separate capacity shall be upon the customer.

(3) *Step 3—Setoffs.* (i) The net equity of one customer account may not be

offset against the net equity of any other customer.

(ii) Any obligation which is not required to be included in computing the equity of a customer under paragraph (b)(1) of this section, but which is owed by such customer to the debtor must be deducted from any obligation not required to be included in computing the equity of a customer which is owed by such debtor to the customer. If the former amount exceeds the latter, the excess must be deducted from the equity balance of the customer obtained after performing the preceding calculations required by paragraph (b) of this section: *Provided*, That if the customer owns more than two classes of accounts the excess must be offset against each positive equity balance in the same proportion as that positive equity balance bears to the total of all positive equity balances of accounts of different classes held by such customer.

(iii) A negative equity balance obtained with respect to one customer account class must be set off against a positive equity balance in any other account class of such customer held in the same capacity: *Provided*, That if a customer owns more than two classes of accounts such balance must be offset against each positive equity balance in the same proportion as that positive equity balance bears to the total of all positive equity balances in accounts of different classes held by such customer.

(iv) To the extent any indebtedness of the debtor to the customer which is not required to be included in computing the equity of such customer under paragraph (b)(1) of this section exceeds such indebtedness of the customer to the debtor, the customer claim therefor will constitute a general creditor's claim rather than a customer property claim, and the net equity therefor shall be separately calculated.

(v) The rules pertaining to separate capacities and permitted setoffs contained in this section must be applied subsequent to the entry of an order for relief; prior to the filing date the provisions of §1.22 of this chapter and of section 4d(2) of the Act shall govern what setoffs are permitted.

(4) *Step 4—Correction for distributions.* The value on the date of transfer or distribution of any property transferred or distributed subsequent to the filing date and prior to the primary liquidation date with respect to each class of account held by a customer must be added to the equity obtained for that customer for accounts of that class after performing the steps contained in paragraphs (b)(1)–(3) of this section: *Provided, however*, That if all accounts for which there are customer claims of record and 100% of the equity pertaining thereto are transferred in accordance with §190.06 and section 764(b) of the Bankruptcy Code, net equity shall be computed based solely upon those customer claims, if any, filed subsequent to bankruptcy which are not claims of record on the filing date.

(5) *Step 5—Correction for subsequent events.* Compute any adjustments to Steps 1 through 4 of this paragraph (b) required to correct misestimates or errors including, without limitation, corrections for subsequent events such as the liquidation of unliquidated claims at a value different from the estimated value previously used in computing net equity.

(6) *Step 6—Net equity of accounts which remain open subsequent to the primary liquidation date.* If the accounts of a customer contain commodity contracts which remain open subsequent to the primary liquidation date, the trustee must adjust the net equity obtained for that customer pursuant to the steps contained in paragraphs (b) (1) through (5) of this section as provided in paragraphs (d)(1) and (d)(2) of this section.

(c) *Calculation of funded balance.* “Funded balance” means a customer's pro rata share of the customer estate with respect to each account class available as of the primary liquidation date for distribution to customers of the same class.

(1) The funded balance of any customer claim shall be computed by:

(i) Multiplying the ratio of the amount the net equity claim less the amounts referred to in (1)(ii) of this section of such customer for any account class bears to the sum of the net equity claims less the amounts referred

to in (1)(ii) of this section of all customers for accounts of that class by the sum of:

(A) The value of the money, securities or property segregated on behalf of all accounts of the same class less the amounts referred to in (1)(ii) of this section;

(B) The value of any money, securities or property which must be allocated under §190.08 to customer accounts of the same class; and

(C) The amount of any add-back required under paragraph (b)(4) of this section; and

(ii) Then adding 100% of any margin payment made between the entry of the order for relief and the primary liquidation date.

(2) *Corrections to funded balance.* The funded balance must be adjusted, as of the primary liquidation date, to correct for subsequent events including, without limitation:

(i) Added claimants;

(ii) Disallowed claims;

(iii) Liquidation of unliquidated claims at a value other than their estimated value;

(iv) Recovery of property; and

(v) Deficits generated by the continued operation of accounts after the primary liquidation date which cannot be fully adjusted under paragraph (d) of this section.

(d) *Adjustments to funded balance for operations subsequent to the primary liquidation date.* If accounts of a customer contain commodity contracts which remain open subsequent to the primary liquidation date, the funded balance for each class must be adjusted until liquidation or transfer of all such open commodity contracts of that customer of the same class, as follows:

(1) Unrealized and realized gains and any receipts of margin with respect thereto must be added to the funded balance;

(2) Unrealized and realized losses, and the normal costs attributable to the payment of commissions, brokerage, interest, taxes, storage, transaction fees and other costs and charges lawfully incurred with respect to the maintenance or liquidation of such open commodity contracts, and any distributions must be subtracted from the funded balance; and

(3) Subject to claims against the trustee for failure to liquidate, any deficit which is not recovered from the customer on whose behalf it is incurred must be charged against the funded balance of each account which remained open on the date the deficit occurred in the same proportion as the funded balance of each account bears to all the funded balances of all accounts which remained open on that date.

(e) *Valuation.* In computing net equity, commodity contracts and other property held by or for a commodity broker must be valued as provided in this paragraph (e): *Provided, however,* That if identical commodity contracts, securities, or other property are liquidated on the same date, but cannot be liquidated at the same price, the trustee may use the weighted average of the liquidation prices in computing the net equity of each customer holding such contracts, securities or property.

(1) *Exchange-traded contracts.* The value of an open commodity contract which is traded on a board of trade shall be equal to the settlement price as of the close of business on the board of trade upon which it is traded: *Provided,* That if such contract is transferred its value shall be determined at the time of its transfer: and *Provided further,* That if such contract is liquidated, its value shall be equal to the net proceeds of liquidation.

(2) *Principal contracts.* The valuation date of principal contracts which are not transferred shall be the date of the order for relief unless there is specific property which constitutes cover by the principal for the principal contract in which case it shall be the date of liquidation of the cover. For purposes of valuing contracts for which there is no established secondary market:

(i) *Cash price series approved by Commission.* The market value of the physical commodity which is the subject of a principal contract shall be computed using a cash price series approved by the Commission for use by the dealer option grantor, in the case of dealer options, and by the leverage transaction merchant, in the case of leverage contracts.

## Commodity Futures Trading Commission

## § 190.08

(ii) *No cash price series approved by Commission.* If no applicable cash price series has been submitted to the Commission, or if such a cash price series has been submitted, but has not been approved by the Commission, the market value of the physical commodity which is the subject of a principal contract shall be equal to the lesser of:

(A) The market value of the physical commodity as of the close of business on the local cash market most proximate to the debtor's principal place of business; or

(B) The spot month settlement price on a contract market which trades contracts in that physical commodity most proximate to the debtor's principal place of business: *Provided*, That where there is more than one local market as described in paragraphs (e)(2)(ii) (A) or (B) of this section, the trustee should use the most active market.

(iii) *Special rule for valuing dealer options.* A dealer option which is in-the-money will be deemed to have been exercised for purposes of determining its value which shall be equal to the greater of:

(A) The in-the-money amount; or

(B) The premium paid for such option divided by the number of days contained in the option period and multiplied by the number of days remaining in such period on the liquidation date: *Provided*, That in the trustee's sole discretion, the trustee may reduce such value to an amount which does not exceed the average of the premiums recently paid for similar options granted by the same grantor.

Any time value not reflected in this computation claimed by a customer must be treated as a general creditor's claim.

(iv) *Special rule for valuing leverage contracts.* Notwithstanding paragraphs (e)(2) (i) and (ii) of this section, if the records of the debtor are not sufficient to substantiate customer claims for profits and to identify the owners of contracts with losses, the liquidation value of a leverage contract shall be deemed to be an amount equal to the total deposit made by a customer in respect to such contract.

(3) *Bucketed contracts.* The value of a commodity contract which has not

been established in fact shall be deemed to be equal to the value of the total deposit made by a customer in respect to such contract.

(4) *Securities.* The value of a listed security shall be equal to the closing price for such security on the exchange upon which it is traded. The value of over-the-counter securities traded pursuant to the National Association of Securities Dealers Automated Quotation system shall be equal, in the case of a long position, to the closing bid price and, in the case of a short position, to the closing asking price. The value of all other over-the-counter securities shall be equal in the case of a long position, to the average of the bid prices for long positions, and in the case of a short position, to the average of the asking prices for the short positions. If liquidated prior to the primary liquidation date, the value of such security shall be equal to the net proceeds of its liquidation. Securities which are not publicly traded shall be valued by the trustee subject to approval of the court, using such professional assistance as the trustee deems necessary in its sole discretion under the circumstances.

(5) *Property.* Cash commodities held in inventory, as collateral or otherwise, shall be valued at their fair market value. Subject to the other provisions of this paragraph (e), all other property shall be valued by the trustee subject to approval by the court, using such professional assistance as the trustee deems necessary in its sole discretion under the circumstances: *Provided, however*, That if such property is sold, its value for purposes of the calculations required by this part shall be the net proceeds of such sale: *Provided further*, That the sale is made in compliance with all applicable statutes, rules and orders of any court or governmental entity with jurisdiction thereover.

### § 190.08 Allocation of property and allowance of claims.

The property of the debtor's estate must be allocated among account classes and between customer classes as provided in this section, except for

special distributions required under Appendix B to this part. The property so allocated will constitute a separate estate of the customer class and the account class to which it is allocated, and will be designated by reference to such customer class and account class.

(a) *Scope of customer property.* (1) Customer property includes the following:

(i) All cash, securities, or other property or the proceeds of such cash, securities or other property received, acquired, or held by or for the account of the debtor, from or for the account of a customer, including a non-public customer, which is:

(A) Property received, acquired or held to margin, guarantee, secure, purchase or sell a commodity contract;

(B) Open commodity contracts;

(C) Warehouse receipts, bills of lading, or other documents of title or property held or acquired by the debtor to fulfill a commodity contract;

(D) Profits or contractual rights accruing to a customer as the result of a commodity contract;

(E) The full proceeds of a letter of credit if such letter of credit was received, acquired or held to margin, guarantee, secure, purchase or sell a commodity contract;

(F) Property hypothecated under §1.30 of this chapter to the extent that the value of such property exceeds the proceeds of any loan of margin made with respect thereto, and

(ii) All cash, securities, or other property which:

(A) Is segregated on the filing date;

(B) Is a security owned by the debtor to the extent there are customer claims for securities of the same class and series of an issuer;

(C) Is specifically identifiable to a customer;

(D) Is property of a type described in paragraph (a)(1)(i)(A) of this section which has been withdrawn and subsequently is recovered by the avoidance powers of the trustee;

(E) Represents recovery of any debit balance, margin deficit, or other claim of the debtor against a customer account;

(F) Was unlawfully converted but is part of the debtor's estate;

(G) Is property of the debtor that any applicable law, rule, regulation, or

order requires to be set aside for the benefit of customers, unless including such property in the customer estate would not significantly increase the customer estate;

(H) Is property of the debtor's estate recovered by the Commission in any proceeding brought against the principals, agents, or employees of the debtor;

(I) Is proceeds from the investment of customer property by the trustee pending final distribution; or

(J) Is cash, securities or other property of the debtor's estate, including the debtor's trading or operating accounts and commodities of the debtor held in inventory, but only to the extent that the property enumerated in paragraphs (a)(1)(i)(E) and (a)(1)(ii)(A) through (a)(1)(ii)(H) of this section is insufficient to satisfy in full all claims of public customers.

(2) Customer property will not include:

(i) Claims against the debtor for damages for any wrongdoing of the debtor, including claims for misrepresentation or fraud, or for any violation of the Act or of the regulations thereunder;

(ii) Other claims for property which are not based upon property received, acquired or held by or for the account of the debtor, from or for the account of the customer;

(iii) Forward contracts;

(iv) Property delivered to or from a customer to or by another customer to fulfill a commodity contract held for or on behalf of either customer by the debtor if such delivery is effected pursuant to §190.05 by a commodity broker other than the debtor;

(v) Property deposited by a customer with a commodity broker after the entry of an order for relief which is not necessary to meet the maintenance margin requirements applicable to the accounts of such customer; and

(vi) Property hypothecated pursuant to §1.30 to the extent of the loan of margin with respect thereto.

(b) *Allocation of property between customer classes.* No portion of the customer estate may be allocated to pay non-public customer claims until all public customer claims have been satisfied in full. Any property segregated

on behalf of non-public customers must be treated initially as part of the public customer estate and allocated under paragraph (c)(2) of this section.

(c) *Allocation of property among account classes*—(1) *Segregated property*. Subject to paragraph (b) of this section, property held by or for the account of a customer, which is segregated on behalf of a specific account class, or readily traceable on the filing date to customers of such account class, must be allocated to the customer estate of the account class for which it is segregated or to which it is readily traceable.

(2) *All other property*. Money, securities and property received from or for the account of customers on behalf of any account class which is recovered on behalf of the customer estate and which cannot be allocated in accordance with paragraph (c)(1) of this section, must be allocated as of the primary liquidation date in the following order:

(i) To the estate of the account class for which, after the allocation required in paragraph (c)(1) of this section, the percentage of each public customer net equity claim which is funded is the lowest, until the funded percentage of net equity claims of such class equals the percentage of each public customer's net equity claim which is funded for the account class with the next lowest percentage of the funded claims; and then

(ii) To the estate of the two account classes referred to in paragraph (c)(2)(i) of this section so that the percentage of the net equity claims which are funded for each class remains equal until the percentage of each public customer net equity claim which is funded equals the percentage of each public customer net equity claim which is funded for the account class with the next lowest percentage of funded claims, and so forth, until the percentage of each public customer net equity claim which is funded is equal for all classes of accounts; and then,

(iii) Among account classes in the same proportion as the public customer net equity claims for each such account class bears to the total of public customer net equity claims of all account classes until the public customer

claims of each account class are paid in full; and, thereafter,

(iv) To the non-public customer estate for each account class in the same order as is prescribed in paragraphs (c)(2) (i) to (iii) of this section for the allocation of the customer estate among account classes.

(d) *Distribution of customer property*—(1) *Return or transfer of specifically identifiable property other than a commodity contract*. Specifically identifiable property other than an open commodity contract not required to be liquidated under §190.02(f)(2) may be returned or transferred on behalf of the customer to which it is identified:

(i) If it is margining an open commodity contract, only if cash is first deposited with the trustee in an amount equal to the greater of the full fair market value of such property on the return date or the balance due on the return date on any loan by the debtor to the customer for which such property constitutes security; or

(ii) If it is not so margining an open contract, at the option of the customer, either pursuant to the terms of paragraph (d)(1)(i) of this section, or pursuant to the following terms: such customer first deposits cash with the trustee in an amount equal to the amount by which the greater of the value of the specifically identifiable property to be transferred or returned on the date of such transfer or return or the balance due on the return date on any loan by the debtor to the customer for which such property constitutes security, together with any other disbursements made, or to be made, to such customer, plus a reasonable reserve in the trustee's sole discretion, exceeds the estimated aggregate of the funded balances for each class of account of such customer less the value on the date of its transfer or return of any property transferred or returned prior to the primary liquidation date with respect to the customer's net equity claim for such account; *Provided*, That adequate security for the nonrecovery of any overpayments by the trustee is provided to the debtor's estate by the customer.

(2) *Transfers of specifically identifiable commodity contracts under section 766 of the Bankruptcy Code*. Any specifically

## § 190.09

identifiable commodity contract which is not required to be liquidated under § 190.02(f)(1) or § 190.03(b), and which is not otherwise liquidated, may be transferred on behalf of a customer: *Provided*, That such customer must first deposit cash with the trustee in an amount equal to the amount by which the equity to be transferred to margin such contract together with any other transfers or returns of specifically identifiable property or disbursements made, or to be made, to such customer, plus a reasonable reserve in the trustee's sole discretion, exceeds the estimated aggregate of the funded balances for each class of account of such customer less the value on the date of its transfer or return of any property transferred or returned prior to the primary liquidation date with the respect to the customer's net equity claim for such account: and, *Provided further*, That adequate security for the nonrecovery of any overpayments by the trustee is provided to the debtor's estate by the customer.

(3) *Distribution in kind of specifically identifiable securities*. If any securities of a customer would have been specifically identifiable under § 190.01(kk)(6) if that customer had had no open commodity contracts, the customer may request that the trustee purchase or otherwise obtain the largest whole number of like-kind securities, with a fair market value (inclusive of transaction costs) which does not exceed that portion of such customer's allowed net equity claim that constitutes a claim for securities, if like-kind securities can be purchased in a fair and orderly manner.

(4) *Proof of customer claim*. No distribution shall be made pursuant to paragraphs (d)(1) and (d)(3) of this section prior to receipt of a completed proof of customer claim as described in § 190.02(d).

(5) *No differential distributions*. No further disbursements may be made to customers for whom transfers have been made pursuant to § 190.06 and paragraph (d)(2) of this section, until a percentage of each net equity claim equivalent to the percentage distributed to such customers is distributed to all public customers. Partial distributions, other than the transfers re-

ferred to in § 190.06 and paragraph (d)(2) of this section, made prior to the final net equity determination date must be made pursuant to a preliminary plan of distribution approved by the court, upon notice to the parties and to all customers, which plan requires adequate security to the debtor's estate for the nonrecovery of any overpayments by the trustee and distributes an equal percentage of net equity to all public customers.

(6) *Margin payments*. The trustee may make margin payments on behalf of any account which do not exceed the funded balance of that account.

### § 190.09 Member property.

(a) *Member property*. "Member property" means, in connection with a clearing organization bankruptcy, the property which may be used to pay that portion of the net equity claim of a member which is based on its house account.

(b) *Scope of member property*. Member property shall include all money, securities and property received, acquired, or held by a clearing organization to margin, guarantee or secure the proprietary account, as defined in § 1.3(y) of this chapter, of a clearing member: *Provided, however*, That any guaranty deposit or similar payment or deposit made by such member and any capital stock, or membership of such member in the clearing organization shall also be included in member property after payment in full of that portion of the net equity claim of the member based on its customer account and of any obligations due the clearing organization which may be paid therefrom in accordance with the by-laws or rules of the clearing organization, including obligations due from the clearing organization to customers or other members.

### § 190.10 General.

(a) *Notices*. Unless instructed otherwise, all mandatory or discretionary notices to be given to the Commission under this part shall be directed to the Washington, DC headquarters of the Commission (Three Lafayette Centre, 1155 21st Street, NW., Washington, DC

20581) and addressed to the Secretariat, for the attention of the Director of the Division of Trading and Markets. All such notices shall be in writing and shall be given by telegram or other similarly rapid means of communication. For purposes of this part, notice to the Commission shall be deemed to be given only upon actual receipt.

(b) *Request for exemption from time limit.* (1) A trustee or any other person charged with the management of a commodity broker which has filed a petition in bankruptcy, or against which such a petition has been filed, may for good cause shown request from the Commission an exemption from, or extension of, any time limit prescribed by this part 190: *Provided*, That no such exemption or extension will be granted for any time period established by the Bankruptcy Code, as amended, 11 U.S.C. 101 *et seq.*

(2) Such a request shall be made *ex parte* and by any means of communication, written or oral: *Provided*, That an oral request shall be confirmed in writing within one business day and such confirmation shall contain all the information required by paragraph (b)(3) of this section. Any such request shall be directed to the person as provided in paragraph (a) of this section, and at the address provided therein.

(3) Such a request shall state the particular provision of the part 190 rules with respect to which the exemption or extension is sought, the reason for the requested exemption or extension, the amount of time sought if the request is for an extension, and the reason why such exemption or extension would not be contrary to the purposes of the Bankruptcy Code and the Commission's part 190 regulations promulgated thereunder.

(4) The Director of the Division of Trading and Markets, or such members of the Commission's staff acting under his direction as he may designate, on the basis of the information provided in any such request, shall determine, in his sole discretion, whether to grant, deny or otherwise respond to a request, and shall communicate that determination by the most appropriate means to the person making the request and to the bankruptcy court with jurisdiction over the case.

(c) *Disclosure statement for non-cash margin.* (1) Except as provided in §1.65 of this chapter, no commodity broker (other than a clearing organization) may accept property other than cash from or for the account of a customer, other than a customer specified in §1.55(f) of this chapter, to margin, guarantee, or secure a commodity contract unless the commodity broker first furnishes the customer with the disclosure statement set forth in paragraph (c)(2) of this section in boldface print in at least 10 point type which may be provided as either a separate, written document or incorporated into the customer agreement, or with another statement approved under §1.55(c) of this chapter and set forth in appendix A to §1.55 which the Commission finds satisfies this requirement.

(2) The disclosure statement required by paragraph (c)(1) of this section is as follows:

THIS STATEMENT IS FURNISHED TO YOU BECAUSE RULE 190.10 (c) OF THE COMMODITY FUTURES TRADING COMMISSION REQUIRES IT FOR REASONS OF FAIR NOTICE UNRELATED TO THIS COMPANY'S CURRENT FINANCIAL CONDITION.

1. YOU SHOULD KNOW THAT IN THE UNLIKELY EVENT OF THIS COMPANY'S BANKRUPTCY, PROPERTY, INCLUDING PROPERTY SPECIFICALLY TRACEABLE TO YOU, WILL BE RETURNED, TRANSFERRED OR DISTRIBUTED TO YOU, OR ON YOUR BEHALF, ONLY TO THE EXTENT OF YOUR PRO RATA SHARE OF ALL PROPERTY AVAILABLE FOR DISTRIBUTION TO CUSTOMERS.

2. NOTICE CONCERNING THE TERMS FOR THE RETURN OF SPECIFICALLY IDENTIFIABLE PROPERTY WILL BE BY PUBLICATION IN A NEWSPAPER OF GENERAL CIRCULATION.

3. THE COMMISSION'S REGULATIONS CONCERNING BANKRUPTCIES OF COMMODITY BROKERS CAN BE FOUND AT 17 CODE OF FEDERAL REGULATIONS PART 190.

(3) The statement contained in paragraph (c)(2) of this section need be furnished only once to each customer to whom it is required to be furnished by this section.

(d) *Delegation of authority to the Director of the Division of Trading and Markets.* (1) Until such time as the Commission orders otherwise, the Commission hereby delegates to the Director of

the Division of Trading and Markets, and to such members of the Commission's staff acting under his direction as he may designate, all the functions of the Commission set forth in this part except the authority to approve or disapprove a withdrawal or settlement of a commodity account by a public customer pursuant to §190.06(g)(3).

(2) The Director of the Division of Trading and Markets may submit to the Commission for its consideration any matter which has been delegated to him pursuant to paragraph (d)(1) of this section.

(3) Nothing in this section shall prohibit the Commission, at its election, from exercising its authority delegated to the Director of the Division of Trading and Markets under paragraph (d)(1) of this section.

(e) *Forward contracts.* For purposes of this part, an entity for or with whom the debtor deals who holds a claim against the debtor solely on account of a forward contract will not be deemed to be a customer.

(f) *Notice of court papers pertaining to the operation of the estate.* The trustee shall promptly provide the Commission with copies of any complaint, motion, or petition filed in a commodity broker bankruptcy which concerns the disposition of customer property. Court papers shall be directed to the Washington, DC headquarters of the Commission addressed as provided in paragraph (a) of this section.

(g) *Other.* The Bankruptcy Code will not be construed by the Commission to prohibit a commodity broker from doing business as any combination of the following: futures commission merchant, commodity option dealer, foreign futures commission merchant or leverage transaction merchant, nor will the Commission construe the Bankruptcy Code to permit any operation, trade or business, or any combination of the foregoing, otherwise prohibited by the Act or by any rule,

#### APPENDIX A TO PART 190—BANKRUPTCY FORMS

##### BANKRUPTCY APPENDIX FORM 1—OPERATION OF THE DEBTOR'S ESTATE—SCHEDULE OF TRUSTEE'S DUTIES

For the convenience of a prospective trustee, the Commission has constructed an approximate schedule of important duties which the trustee should perform during the early stages of a commodity broker bankruptcy proceeding. The schedule includes duties required by this part, subchapter IV of chapter 7 of the Bankruptcy Code as well as certain practical suggestions, but it is only intended to highlight the more significant duties and is not an exhaustive description of all the trustee's responsibilities. It also assumes that the commodity broker being liquidated is an FCM. Moreover, it is important to note that the operating facts in a particular bankruptcy proceeding may vary the schedule or obviate the need for any of the particular activities.

#### ALL CASES

##### *Date of Order for Relief*

1. Assure that the commodity broker has notified the Commission and its designated self-regulatory organization ("DSRO") that a petition or order for relief has been filed (§190.02(a)(1)).

2. Attempt to estimate short-fall in customer segregated funds.

a. If there is a substantial short-fall of customer segregated funds, the trustee should:

i. Contact the DSRO and attempt to effectuate a transfer under section 764(b) of the Code (hereinafter "bulk transfer"); notify the Commission for assistance (§§190.02(a)(2) and (e)(1), §190.06(b)(2), (e), (f)(3), (g)(2), and

## Commodity Futures Trading Commission

## Pt. 190, App. A

(h) but recognize that a bulk transfer is highly unlikely.

ii. If a bulk transfer cannot be effectuated, liquidate all customer commodity contracts, except dealer options and specifically identifiable commodity contracts which are bona fide hedging positions (as defined in §190.01(kk)(2)) with instructions not to be liquidated. (See §§190.02(f) and 190.06(d)(1)). (In this connection, depending upon the size of the debtor and other complications of liquidation, the trustee should be aware of special liquidation rules, and in particular the availability under certain circumstances of book-entry liquidation (§190.04(d)(1)(ii)).

b. If there is a small short-fall of customer segregated funds, negotiate with the clearing organization to effect a bulk transfer; notify the Commission (§§190.02(a)(2) and (e)(1), 190.06(b)(2), (e), (f)(3), (g)(2), and (h)).

3. Whether or not a transfer has occurred, liquidate or offset open commodity contracts not eligible for transfer (*i.e.*, deficit accounts, accounts with no open positions) (§190.06(e)(1)).

4. Offset all futures contracts which would otherwise remain open beyond the last day of trading or first day on which notice of intent to deliver may be tendered; offset long options on a physical commodity which cannot be settled in cash, have value and would be automatically exercised or would remain open beyond the last day of exercise; and offset all short options on a physical commodity which cannot be settled in cash (§190.02(f)(1)).

5. Compute estimated funded balance for each customer commodity account containing open commodity contracts (§190.04(b)) (daily thereafter).

6. Make margin calls if necessary (§190.02(g)(1)) (daily thereafter).

7. Liquidate or offset any open commodity account for which a customer has failed to meet a margin call (§190.02(f)(1)) (daily thereafter).

8. Commence liquidation or offset of specifically identifiable property described in §190.02(f)(2)(i) (property which has lost 10% or more of value) (and as appropriate thereafter).

9. Commence liquidation or offset of property described in §190.02(f)(3) (“all other property”).

10. Be aware of any contracts in delivery position and rules pertaining to such contracts (§190.05).

### *First Business Day After the Entry of an Order for Relief*

2. On or before the fourth business day after the filing of a petition in bankruptcy, the trustee should use his best efforts to effect a transfer in accordance with §§190.06 (e) and (f) of all open commodity contracts and equity held for or on behalf of customers of the commodity broker (§190.02(e)(2)) unless the debtor can provide certain assurances to the trustee.

BANKRUPTCY APPENDIX FORM 2—REQUEST FOR INSTRUCTIONS CONCERNING NON-CASH PROPERTY DEPOSITED WITH (COMMODITY BROKER)

*Please take notice:* On (date), a petition in bankruptcy was filed by [against] (commodity broker). Those commodity customers of (commodity broker) who deposited certain kinds of non-cash property (see below) with (commodity broker) may instruct the trustee of the estate to return their property to them as provided below.

As no customer may obtain more than his proportionate share of the property available to satisfy customer claims, if you instruct the trustee to return your property to you, you will be required to pay the estate, as a condition to the return of your property, an amount determined by the trustee. If your property is not margining an open contract, this amount will approximate the difference between the market value of your property and your pro rata share of the estate, as estimated by the trustee. If your property is margining an open contract, this amount will be approximately the full fair market value of the property on the date of its return.

*Kinds of Property To Which This Notice Applies*

1. Any security deposited as margin which, as of (date petition was filed), was securing an open commodity contract and is:

- registered in your name,
- not transferable by delivery, and
- not a short-term obligation.

2. Any fully-paid, non-exempt security held for your account in which there were no open contracts as of (date petition was filed). (Rather than the return, at this time, of the specific securities you deposited with (commodity broker), you may instead request now, or at any later time, that the trustee purchase "like-kind" securities of a fair market value which does not exceed your proportionate share of the estate).

3. Any warehouse receipt, bill of lading or other document of title deposited as margin which, as of (date petition was filed), was securing an open commodity contract and:—can be identified in (commodity broker)'s records as being held for your account, and— is neither in bearer form nor otherwise transferable by delivery.

4. Any warehouse receipt bill of lading or other document of title, or any commodity received, acquired or held by (commodity broker) to make or take delivery or exercise from or for your account and which:—can be identified in (commodity broker)'s records as received from or for your account as held specifically for the purpose of delivery or exercise.

5. Any cash or other property deposited to make or take delivery on a futures or options contract may be eligible to be returned. The trustee should be contacted directly for further information if you have deposited such property with (commodity broker) and desire its return.

*Instructions must be received by (close of business on 4th business day after 2d publication date) or the trustee will liquidate your property. (If you own such property but fail to provide the trustee with instructions, you will still have a claim against (commodity broker) but you will not be able to have your specific property returned to you).*

NOTE— Prior to receipt of your instructions, circumstances may require the trustee to liquidate your property, or transfer your property to another broker if it is margining open contracts. If your property is transferred and your instructions were received within the required time, your instructions will be forwarded to the new broker.

*Instructions should be directed to: (Trustee's name, address, telephone and/or telex number).*

*Even if you request the return of your property, you must also pay the trustee the amount he specifies and provide the trustee with proof of your claim before (close of business on the 10th business day after 2d publication date) or your property will be liquidated. (Upon receipt of customer instructions to return property, the trustee will mail the sender a form which describes the information he must provide to substantiate his claim).*

NOTE— The trustee is required to liquidate your property despite the timely receipt of your instructions, money, and proof of claim if, for any reason, your property cannot be returned by (close of business on the 10th business day after 2d publication date).

BANKRUPTCY APPENDIX FORM 3—REQUEST FOR INSTRUCTIONS CONCERNING TRANSFER OF YOUR HEDGE CONTRACTS HELD BY (COMMODITY BROKER)

United States Bankruptcy Court \_\_\_ District of \_\_\_ In re \_\_\_, Debtor, No. \_\_\_.

*Please take notice:* On (date), a petition in bankruptcy was filed by [against] (commodity broker).

You indicated when your hedge account was opened that the contracts (futures and/or options) in your hedge account should not be liquidated automatically in the event of the bankruptcy of (commodity broker), and that you wished to provide instructions at this time concerning their disposition.

*Instructions to transfer your positions and a cash deposit (as described below) must be received by the trustee by (close of business on 5th business day after entry of order for relief) or your positions will be liquidated.*

*If you request the transfer of your contracts, prior to their transfer, you must pay the trustee in cash an amount determined by the trustee which will approximate the difference between the value of the equity margining your positions and your pro rata share of the estate plus an amount constituting security for the nonrecovery of any overpayments. In your instructions, you should specify the broker to which you wish your contracts transferred.*

Be further advised that prior to receipt of your instructions, circumstances may, in any event, require the trustee to liquidate or transfer your contracts. If your contracts are so transferred and your instructions are received, your instructions will be forwarded to the new broker.

Note also that the trustee is required to liquidate your positions despite the timely receipt of your instructions and money if, for any reason, you have not made arrangements to transfer and/or your contracts are not transferred by (10 business days after entry of order for relief).

*Instructions should be sent to: (Trustee's or designee's name, address, telephone and/or telex number). [Instructions may also be provided by phone].*

APPENDIX B TO PART 190—SPECIAL  
BANKRUPTCY DISTRIBUTIONS

FRAMEWORK 1—SPECIAL DISTRIBUTION OF CUS-  
TOMER FUNDS WHEN FCM PARTICIPATED IN  
CROSS-MARGINING

The Commission has established the following distributional convention with respect to customer funds held by a futures commission merchant (FCM) that participated in a cross-margining (XM) program which shall apply if participating market professionals sign an agreement that makes reference to this distributional rule and the form of such agreement has been approved by the Commission by rule, regulation or order:

All customer funds held in respect of XM accounts, regardless of the product that customers holding such accounts are trading, are required by Commission order to be segregated separately from all other customer segregated funds. For purposes of this distributional rule, XM accounts will be deemed to be commodity interest accounts and securities held in XM accounts will be deemed to be received by the FCM to margin, guarantee or secure commodity interest contracts. The maintenance of property in an XM account will result in subordination of the claim for such property to certain non-XM customer claims and thereby will operate to cause such XM claim not to be treated as a customer claim for purposes of the Securities Investors Protection Act and the XM securities to be excluded from the securities estate. This creates subclasses of customer accounts, an XM account and a non-XM account (a person could hold each type of account), and results in two pools of customer segregated funds: An XM pool and a non-XM pool. In the event that there is a shortfall in the non-XM pool of customer class segregated funds and there is no shortfall in the XM pool of customer segregated funds, all customer net equity claims, whether or not they arise out of the XM subclass of accounts, will be combined and will be paid pro rata out of the total pool of available XM and non-XM customer funds. In the event that there is a shortfall in the XM pool of customer segregated funds and there is no shortfall in the non-XM pool of customer segregated funds, then customer net equity claims arising from the XM subclass of accounts shall be satisfied first from the XM pool of customer segregated funds, and customer net equity claims arising from the

Commodity Futures Trading Commission

Pt. 190, App. B

non-XM subclass of accounts shall be satisfied first from the non-XM customer segregated funds. Furthermore, in the event that there is a shortfall in both the non-XM and XM pools of customer segregated funds: (1) If the non-XM shortfall as a percentage of the segregation requirement in the non-XM pool is greater than or equal to the XM shortfall as a percentage of the segregation requirement in the XM pool, all customer net equity claims will be paid pro rata; and (2) if the XM shortfall as a percentage of the segregation requirement in the XM pool is greater than the non-XM shortfall as a percentage of the segregation requirement of the non-XM pool, non-XM customer net equity claims will be paid pro rata out of the available non-XM segregated funds, and XM customer net equity claims will be paid pro rata out of the available XM segregated funds. In this way, non-XM customers will never be adversely affected by an XM shortfall.

The following examples illustrate the operation of this convention. The examples assume that the FCM has two customers, one with exclusively XM accounts and one with exclusively non-XM accounts. However, the examples would apply equally if there were only one customer, with both an XM account and a non-XM account.

1. Sufficient Funds to Meet Non-XM and XM Customer Claims:

	Non-XM	XM	Total
Funds in segregation	150	150	300
Segregation requirement	150	150	300
Shortfall (dollars)	0	0	0
Shortfall (percent)	0	0	0
Distribution	150	150	300

There are adequate funds available and both the non-XM and the XM customer claims will be paid in full.

2. Shortfall in Non-XM Only:

	Non-XM	XM	Total
Funds in segregation	100	150	250
Segregation requirement	150	150	300
Shortfall (dollars)	50	0	50
Shortfall (percent)	50/150=33.3	0	33.3
Pro rata (percent)	150/300=50	150/300=50	50
Pro rata (dollars)	125	125	250
Distribution	125	125	250

Due to the non-XM account, there are insufficient funds available to meet both the non-XM and the XM customer claims in full. Each customer will receive his pro rata share of the funds available, or 50% of the \$250 available, or \$125.

3. Shortfall in XM Only:

	Non-XM	XM	Total
Funds in segregation	150	100	250

	Non-XM	XM	Total
Segregation requirement	150	150	300
Shortfall (dollars)	0	50	50
Shortfall (percent)	0	50/150=33.3	33.3
Pro rata (percent)	150/300=50	150/300=50	50
Pro rata (dollars)	125	125	250
Distribution	150	100	250

Due to the XM account, there are insufficient funds available to meet both the non-XM and the XM customer claims in full. Accordingly, the XM funds and non-XM funds are treated as separate pools, and the non-XM customer will be paid in full, receiving \$150 while the XM customer will receive the remaining \$100.

4. Shortfall in Both, With XM Shortfall Exceeding Non-XM Shortfall:

	Non-XM	XM	Total
Funds in segregation	125	100	225
Segregation requirement	150	150	300
Shortfall (dollars)	25	50	75
Shortfall (percent)	25/150=16.7	50/150=33.3	33.3
Pro rata (percent)	150/300=50	150/300=50	50
Pro rata (dollars)	112.50	112.50	225
Distribution	125	100	225

There are insufficient funds available to meet both the non-XM and the XM customer claims in full, and the XM shortfall exceeds the non-XM shortfall. The non-XM customer will receive the \$125 available with respect to non-XM claims while the XM customer will receive the \$100 available with respect to XM claims.

5. Shortfall in Both, With Non-XM Shortfall Exceeding XM Shortfall:

	Non-XM	XM	Total
Funds in segregation	100	125	225
Segregation requirement	150	150	300
Shortfall (dollars)	50	25	75
Shortfall (percent)	50/150=33.3	25/150=16.7	33.3
Pro rata (percent)	150/300=50	150/300=50	50
Pro rata (dollars)	112.50	112.50	225
Distribution	112.50	112.50	225

There are insufficient funds available to meet both the non-XM and the XM customer claims in full, and the non-XM shortfall exceeds the XM shortfall. Each customer will receive 50% of the \$225 available, or \$112.50.

6. Shortfall in Both, Non-XM Shortfall = XM Shortfall:

	Non-XM	XM	Total
Funds in segregation	100	100	200
Segregation requirement	150	150	300
Shortfall (dollars)	50	50	100
Shortfall (percent)	50/150=33.3	50/150=33.3	33.3
Pro rata (percent)	150/300=50	150/300=50	50
Pro rata (dollars)	100	100	200
Distribution	100	100	200

There are insufficient funds available to meet both the non-XM and the XM customer claims in full, and the non-XM shortfall equals the XM shortfall. Each customer will receive 50% of the \$200 available, or \$100.

These examples illustrate the principle that pro rata distribution across both accounts is the preferable approach except when a shortfall in the XM account could harm non-XM customers. Thus, pro rata distribution occurs in Examples 1, 2, 5 and 6. Separate treatment of the XM and non-XM accounts occurs in Examples 3 and 4.

**FRAMEWORK 2—SPECIAL DISTRIBUTION OF CUSTOMER FUNDS WHEN FCM PARTICIPATED IN THE TRADING OF DESIGNATED LINK CONTRACTS PURSUANT TO THE CBT-LIFFE LINK**

The Commission has established the following distributional convention with respect to Section 4d customer funds held by a futures commission merchant (FCM) that participates in the trading of Chicago Board of Trade (“CBT”)-designated contracts executed on the London International Financial Futures and Options Exchange (“LIFFE”) or LIFFE-designated contracts executed on CBT (“Designated Link Contracts”) pursuant to the CBT-LIFFE Link (“Link”) which shall apply if customers of the FCM have been provided with a notice which makes reference to this distributional rule and the form of such notice has been approved by the Commission by rule, regulation or order. The maintenance of property in a Link account would result in subordination of the claim for such property to certain non-Link customer claims in certain circumstances. This results in subclasses of customer accounts required to be segregated for purposes of Section 4d(2) of the Commodity Exchange Act: a Link account and a non-Link account (a person could hold each type of account), and results in two pools of customer segregated funds: a Link pool and a non-Link pool.

In the event that there is a shortfall in the non-Link pool of customer segregated funds, and there is no shortfall in the Link pool of customer segregated funds, customer net equity claims, whether or not they arise out of the Link subclass of accounts, will be combined and will be paid pro rata out of the total pool of available Link and non-Link customer funds. In the event that there is a shortfall in the Link pool of customer segregated funds, and there is no shortfall in the non-Link pool of customer segregated funds, customer net equity claims arising from the non-Link subclass of accounts shall be satisfied from the non-Link customer segregated funds, and customer net equity claims arising from the Link subclass of accounts shall be paid from the Link customer segregated funds (and, if applicable, any excess funds held by the FCM in segregation in the U.S.). Furthermore, in the event that

there is a shortfall in both the non-Link and Link pools of customer segregated funds: (1) If the non-Link shortfall as a percentage of the segregation requirement in the non-Link pool is greater than or equal to the Link shortfall as a percentage of the segregation requirement in the Link pool, customer net equity claims will be paid pro rata; and (2) if the Link shortfall as a percentage of the segregation requirement in the Link pool is greater than the non-Link shortfall as a percentage of the segregation requirement of the non-Link pool, non-Link customer net equity claims will be paid pro rata out of the available non-Link segregated funds, and Link customer net equity claims will be paid pro rata out of the available Link segregated funds. In this way, non-Link customers would never be adversely affected by a Link shortfall.<sup>1</sup>

The following examples illustrate the operation of this distributional convention. The examples assume that the FCM has two customers, one with exclusively Link accounts and one with exclusively non-Link accounts. In practice, the FCM would have a customer omnibus account with a LIFFE clearing member or would itself be a LIFFE clearing member with its own customer omnibus account. Positions in Designated CBT Contracts traded at LIFFE and initially cleared by LCH would be allocated to this customer omnibus account; following the transfer of the positions via the Link, the FCM would allocate the positions and any gains or losses to its customers’ accounts. Accordingly, a customer who trades Designated CBT Contracts at LIFFE may have the portion of his account which reflects his activity in the customer omnibus account at LIFFE deemed a Link account and the remainder of the account a non-Link account. Effectively this will result in the customer having two claims—one against Link property and one against non-Link property.<sup>2</sup>

<sup>1</sup>Because Link property will be located offshore, it is possible that such property could be frozen by governmental action or become unavailable as the result of sovereign events. In that situation, should such property subsequently become available, the Link property account may acquire no greater distributional share than Section 4d(2) (segregated funds) customers generally.

<sup>2</sup>Certain other property of the customers of the U.S. FCM also will be treated as “Link property” and part of the Link account for purposes of this Framework 2. In the case of Designated LIFFE Contracts traded on CBT, property received by the U.S. FCM to margin, guarantee or secure trades is included in the foreign futures and foreign options secured amount, pursuant to Commission Regulation 30.7. The Order approving the CBT/LIFFE Link permits BOTCC to commingle

**Pt. 190, App. B**

**1. Sufficient Funds to Meet Non-Link and Link Customer Claims:**

	Non-link	Link	Total
Funds in segregation	150	150	300
Segregation Requirement .....	150	150	300
Shortfall (dollars) .....	0	0	.....
Shortfall (percent) .....	0	0	.....
Distribution .....	150	150	300

There are adequate funds available, and both the non-Link and Link customer claims would be paid in full.

**2. Shortfall in Non-Link Only:**

	Non-link	Link	Total
Funds in segregation	100	150	250
Segregation Requirement .....	150	150	300
Shortfall (dollars) .....	50	0	.....
Shortfall (percent) .....	50/150=33.3	0	.....
Pro Rata (percent) .....	150/300=50	150/300=50	.....
Pro Rata (dollars) .....	125	125	.....
Distribution .....	125	125	250

Due to the non-Link account, there are insufficient funds available to meet both the non-Link and the Link customer claims in full. Each customer will receive his or her pro rata share of the funds available, or 50% of the \$250 available, or \$125.

**3. Shortfall in Link Only:**

	Non-link	Link	Total
Funds in segregation	150	100	250
Segregation Requirement .....	150	150	300
Shortfall (dollars) .....	0	50	.....
Shortfall (percent) .....	0	50/150=33.3	.....
Pro Rata (percent) .....	150/300=50	150/300=50	.....
Pro Rata (dollars) .....	125	125	.....
Distribution .....	150	100	250

Due to the Link account, there are insufficient funds available to meet both the non-Link and Link Customer claims in full. Accordingly, the Link funds and non-Link funds are treated as separate pools, and the non-Link customer will be paid in full, receiving \$150, while the Link customer would receive the remaining \$100.

**4. Shortfall in Both, Link Shortfall Exceeding Non-Link Shortfall:**

certain foreign currency with a Section 4d(2) account to permit certain property in excess of the required secured amount to be used to meet original margin requirements for U.S. contracts under Section 4d(2) of the Act. Such excess property held in a "combined" account but applied to margin requirements for U.S. contracts as Section 4d(2) property would also be "Link property" under this Framework.

	Non-link	Link	Total
Funds in segregation	125	100	225
Segregation Requirement .....	150	150	300
Shortfall (dollars) .....	25	50	.....
Shortfall (percent) .....	25/150=16.7	50/150=33.3	.....
Pro Rata (percent) .....	150/300=50	150/300=50	.....
Pro Rata (dollars) .....	112.50	112.50	.....
Distribution .....	125	100	225

There are insufficient funds available to meet both the non-Link and Link customer claims in full, and the Link shortfall exceeds the non-Link shortfall. The non-Link customer will receive \$125 available with respect to non-Link claims while the Link customer will receive the \$100 available with respect to the Link claims.

**5. Shortfall in Both, With Non-Link Shortfall Exceeding Link Shortfall:**

	Non-link	Link	Total
Funds in segregation	100	125	225
Segregation Requirement .....	150	150	300
Shortfall (dollars) .....	50	25	.....
Shortfall (percent) .....	50/150=33.3	25/150=16.7	.....
Pro Rata (percent) .....	150/300=50	150/300=50	.....
Pro Rata (dollars) .....	112.50	112.50	.....
Distribution .....	112.50	112.50	225

There are insufficient funds available to meet both the non-Link and Link customer claims in full, and the non-Link shortfall exceeds the Link shortfall. Each customer would receive 50% of the \$225 available, or \$112.50.

**6. Shortfall in Both, Non-Link Shortfall=Link Shortfall:**

	Non-link	Link	Total
Funds in segregation	100	100	200
Segregation Requirement .....	150	150	300
Shortfall (dollars) .....	50	50	.....
Shortfall (percent) .....	50/150=33.3	50/150=33.3	.....
Pro Rata (percent) .....	150/300=50	150/300=50	.....
Pro Rata (dollars) .....	100	100	.....
Distribution .....	100	100	200

There are insufficient funds available to meet both the non-Link and the Link customer claims in full, and the non-Link shortfall equals the Link shortfall. Each customer will receive 50% of the \$200 available, or \$100.

**7. Shortfall in Link Account Caused by Freeze That is Subsequently Lifted, Where Non-Link Account Had Actual Shortfall But Link Account Did Not Subsequent to Lifting of Freeze Order:**

	Non-link	Link	Total
Funds in segregation	100	Frozen	100
Segregation Requirement .....	150	150	300
Shortfall (dollars) .....	50	150	.....
Shortfall (percent) .....	50/150=33.3	150/150=100	.....

**Pt. 190, App. B**

**17 CFR Ch. I (4-1-01 Edition)**

	Non-link	Link	Total
Pro Rata (percent) .....	150/300=50	150/300=50	.....
Pro Rata (dollars) .....	50	50	.....
Initial Distribution .....	100	0	100
Freeze Lifted: Funds Previously Frozen ..	0	150	150
Subsequent Distribu- tion .....	25	125	.....
Total Distribution .....	125	125	250

Through the time of the initial distribution, this situation would follow the pattern of Example 4 because the shortfall in the Link account was larger. After the freeze was lifted, it would follow the pattern of Example 2 because the shortfall in the non-Link account was larger.

These examples illustrate the principle that Pro rata distribution across both accounts is the preferable approach except when a shortfall in the Link account could harm non-Link customers. Thus, pro rata distribution occurs in Examples 1, 2, 5 and 6. Separate treatment of the Link and non-Link accounts occurs in Examples 3 and 4. In Example 7, separate treatment occurs where the funds are frozen. It is adjusted to become pro rata treatment after the freeze is lifted.
