

§ 122.102

(a) Submit their baggage to Customs for inspection; or

(b) Arrange with the importing carrier for the baggage to be processed under regular in-transit procedures.

When passengers choose not to have access to their baggage while in the U.S., the baggage shall be listed on the Air Cargo Manifest as provided in § 122.48.

§ 122.102 Inspection of baggage in transit.

(a) General baggage in transit may be inspected upon arrival, while in transit, and upon exportation. Carriers shall present in-transit baggage for inspection at any time found necessary by the port director.

(b) In-transit baggage shall be presented to a Customs officer for inspection and clearance before the baggage can be delivered to a passenger while in the U.S.

Subpart L—Transit Air Cargo Manifest (TACM) Procedures

§ 122.111 Application.

Cargo (including manifested baggage) which arrives and is transported under Customs control in, through, or from, the U.S. may be transported in bond under this subpart. If cargo is not transported under this subpart, it shall be transported under other provisions of this chapter. (See subparts I and J of this part, and parts 18 and 123 of this chapter.)

§ 122.112 Definitions.

The following definitions apply in this subpart:

(a) *Transit air cargo*. “Transit air cargo” is cargo, including manifested baggage, transported under the requirements of this subpart.

(b) *Port of arrival*. The “port of arrival” is the port in the U.S. where imported cargo must be documented for further transportation under this subpart.

(c) *Transfer or transferred*. “Transfer or transferred” means the change of documentation of cargo to transit air cargo for transportation. The terms also include the physical movement of the cargo from one carrier to another,

19 CFR Ch. I (4–1–01 Edition)

and thereafter by air or surface movement to the port of destination.

(d) *Transit air cargo manifest*. “Transit air cargo manifest” is used in this subpart as the shortened title for the transportation entry and transit air cargo manifest.

§ 122.113 Form for transit air cargo manifest procedures.

A manifest on Customs Form 7509 is required for transit air cargo, as provided in § 122.48(c) of this part. The words “Transportation Entry and Transit Air Cargo Manifest” shall be printed, stamped or marked on the form and on all copies of the form required for transit air cargo movement.

§ 122.114 Contents.

(a) *Form duplicates original manifest*. Each transit air cargo manifest shall be a duplicate of the sheet presented as part of the cargo manifest for the aircraft on which the cargo arrived in the U.S.

(b) *Shipments shown on manifest*—(1) *Country of exportation*. Each transit air cargo manifest sheet may list:

(i) Only air cargo shipments from one exporting country, with the name of the country shown in the heading; or

(ii) Air cargo shipments from several exporting countries, with the name of the exporting country shown in the “Nature of Goods” column.

(2) *Shipment to same port*. Each transit air manifest sheet may list only those shipments manifested by way of the port of arrival for:

(i) The same Customs port of destination;

(ii) The same Customs port for later exportation; or

(iii) Direct exportation from the port of arrival.

(c) *Information required*. Each air cargo manifest sheet shall show:

(1) The foreign port of lading;

(2) The date the aircraft arrived at the port of arrival;

(3) Each U.S. port where Customs services will be necessary due to transit air cargo procedures; and

(4) The final port of destination in the U.S., or the foreign country of destination, for each shipment. The foreign country destination shown on the manifest must be the final destination,

as shown by airline shipping documents, even though airline transport may be scheduled to end before the shipment arrives at the final destination.

(d) *Corrections.* If corrections in the route shown on the original manifest for the cargo are required at the port of arrival to make a manifest sheet workable as a transit air cargo manifest, the director of the port of arrival may allow the corrections.

§ 122.115 Labeling of cargo.

A warning label, as required by §18.4(e) of this chapter, shall be attached to all transit air cargo not directly exported from the port of arrival before the cargo leaves the port of arrival.

§ 122.116 Identification of manifest sheets.

When the original cargo manifest for the aircraft on which the cargo arrives is presented by the aircraft commander or its authorized agent at the port of arrival, a manifest number will be given to the aircraft entry documents by Customs. The number given shall be used by the airline to identify all copies of the transit air cargo manifest. All copies of the manifest shall be correctly numbered before cargo will be released from the port of arrival as transit air cargo.

§ 122.117 Requirements for transit air cargo transport.

(a) *Transportation—(1) Port to port.* Transit air cargo may be carried to another port only when a receipt is given, as provided in paragraph (b) of this section. The receipt may be given only to an airline which:

- (i) Is a common carrier for the transportation of bonded merchandise; and
- (ii) Has the required Customs bond on file.

(2) *Exportation from port of arrival.* Transit air cargo may be exported from the port of arrival only if covered by a bond on Customs Form 301, containing the bond conditions set forth in subpart G of part 113 of this chapter, as provided in §18.25 of this chapter.

(b) *Receipt—(1) Requirements.* When air cargo is to move from the port of arrival as transit air cargo, a receipt

shall be given. The receipt shall be made by the airline responsible for transport or export within the general order period (see §122.50).

(2) *Contents.* The receipt shall appear on each copy of the transit air cargo manifest, clearly signed and dated if required, in the following form:

Received the cargo listed herein for delivery to Customs at the port of destination or exportation shown above, or for direct exportation.

Name of carrier (or exporter)

Attorney or agent of carrier (or exporter)

Date

(c) *Responsibility for transit air cargo—(1) Direct exportation.* The responsibility of the airline exporting transit air cargo for direct exportation begins when a receipt, as provided in paragraph (b) of this section, is presented to Customs.

(2) *Other than direct exportation.* When the transit air cargo is not for direct exportation, the responsibility of the airline receiving the cargo begins when a receipt, as provided in paragraph (b) of this section, is presented to Customs.

(3) *Carting.* When carting is used to deliver transit air cargo to receiving airlines, the importing airline is responsible for the cargo under its own bond until a receipt is filed by the receiving airline. This does not apply when the carting is done under part 112 of this chapter, at the expense of the parties involved.

(4) *Importing airlines.* An importing airline which has qualified as a carrier of bonded merchandise, whether registered in the U.S. or a foreign area, may:

- (i) Give a receipt for the air cargo;
- (ii) File an appropriate bond; and
- (iii) Deliver the cargo to an authorized domestic carrier for in-bond transportation from the port of arrival. The importing carrier's bond covers the transportation.

(d) *Split shipments.* A receipt shall be given by one airline for all of the cargo shipments listed on one transit air cargo manifest sheet. Cargo shipments so listed shall be transported from the

§ 122.118

port of arrival on one aircraft or carrier unless the use of more than one aircraft or carrier would be allowed:

(1) By §122.92(d) under a single combined entry and manifest;

(2) By §122.118(d); or

(3) By §122.119(e), permitting the use of a surface carrier for transport.

Otherwise, all shipments on the transit air cargo manifest shall be separately documented and transported under the regular procedures for transportation of merchandise in bond (See subpart J).

[T.D. 88-12, 53 FR 9292, Mar. 22, 1988, as amended by T.D. 98-74, 63 FR 51289, Sept. 25, 1998]

§ 122.118 Exportation from port of arrival.

(a) *Application.* Transit air cargo may be transferred for exportation from any port of arrival under this section. The port director may require any supervision necessary to enforce the regulations of other Federal agencies.

(b) *Time.* Transit air cargo shall be exported from the port of arrival within 10 days from the date the exporting airline receives the cargo. After the 10-day period, the individual cargo shipments must be made the subject of individual entries, as appropriate.

(c) *Transit air cargo manifest copies.* Three copies of the transit air cargo manifest shall be filed with Customs.

(1) *Review copy.* The importing airline shall file a copy of each transit air cargo manifest sheet covering any cargo shipment that will be transferred for direct exportation. This filing shall be made as soon as the exporting airline has been chosen. The exporting airline need not give receipt on the review copy for the cargo to be transferred, but the name of the exporting airline shall be placed on the copy.

(2) *Exportation copy.* The exportation copy shall be filed by the exporting airline when clearance documents are presented to Customs.

(3) *Clearance copy.* The clearance copy shall be filed with the exporting aircraft's clearance documents.

The exportation and clearance copies shall show the exporting airline's receipt for the cargo, aircraft number, flight number, and the date.

(d) *Direct export on different aircraft.* Transit air cargo shipments which are

listed on one aircraft transit air cargo manifest sheet may be directly exported on different aircraft of the exporting airline. If this occurs, two additional copies of the transit air cargo manifest shall be filed for each shipment or group of shipments transported in other aircraft. Each copy of the transit air cargo manifest shall be clearly marked to show which shipment or shipments listed are covered by the manifest copy.

(e) *Direct export by another airline.* If shipments listed on one transit air cargo manifest sheet are not exported from the same port on the same airline, separate export entries on Customs Form 7512, as required by §18.25 of this chapter, shall be filed.

(f) *Post entered air cargo.* Air cargo not listed on the manifest (i.e., overages) which has been post entered under §122.49(b) may be exported from the port of origin under this subpart. If this occurs, four copies of the air cargo manifest, Customs Form 7509, marked "Post Entry", shall be provided. All requirements of §122.44(b) shall be followed in using this procedure.

(g) *Review.* The review copy of the transit air cargo manifest sheets must be reviewed by Customs as required for the carrier manifest copy in §122.120(g). The reviewing officer shall take the proper action if a license is necessary for any cargo. The exporting airline shall be notified that any transit air cargo which is not covered by the required license must be placed under constructive Customs custody in a special area of the airline's terminal until the license is obtained.

§ 122.119 Transportation to another U.S. port.

(a) *Application.* Air cargo shipments may be transferred for transportation as transit air cargo from the port of arrival to another port in the U.S. under this section. The director of the port of arrival may require Customs supervision of the transfer.

(b) *Time.* Transit air cargo traveling to a final port of destination in the U.S. shall be delivered to Customs at its destination within 15 days from the date the receiving airline gives the receipt for the cargo at the port of arrival.

(c) *Transit air cargo manifest copies.* Four copies of the transit air cargo manifest, including a carrier manifest copy, shall be filed by the airline giving a receipt for moving the cargo shipments to their destination. The permit copy is used and kept by Customs at the port of arrival.

(d) *Failure to deliver on time—(1) Procedure.* If transit air cargo does not arrive at the destination port on time, the director of the port of arrival shall take action as provided in §§18.6 and 18.8 of this chapter. The amount of duty and tax shall be decided at the port of arrival on the basis of information:

- (i) On the permit copy kept at the port of arrival; and
- (ii) Obtained from the carriers as necessary.

The director of the port of arrival shall notify the airline that presented a receipt for the cargo that there has been a failure to deliver.

(2) *Responsibility of airline.* When the airline that presented a receipt for the cargo receives notice of discrepancies, the airline shall answer within 90 days of the date of such notice to the director of the port of arrival. The answer shall provide any information or documents related to the value and description of the cargo involved that the receipting airline and the importing airline can produce.

(e) *Surface movement to port of destination.* If an aircraft arrives at the port of arrival with cargo to be carried as transit air cargo, the cargo may be transferred to another carrier for surface movement to the port of destination. The transfer is allowed under the following conditions:

- (1) The bond of the party receiving the cargo for surface movement must cover the transfer and surface movement;
- (2) The description of the cargo on the transit air cargo manifest must be complete;
- (3) The entire shipment listed in the transit air cargo manifest must be shipped from the port of arrival to the port of destination by the same surface carrier; and

(4) The requirements of §122.114(b) must be followed.

[T.D. 88-12, 54 FR 9292, Mar. 22, 1988; T.D. 00-22, 65 FR 16518, Mar. 29, 2000]

§ 122.120 Transportation to another port for exportation.

(a) *Application.* Air cargo may be transferred as transit air cargo at the port of arrival for transportation to another port in the U.S. and later exportation under this section.

(b) *Supervision—(1) From port of arrival to exportation port.* The director of the port of arrival shall order any supervision found necessary for the transfer of transit air cargo for transportation to another port for export.

(2) *At exportation port.* Customs shall be notified far enough in advance to be able to make any required supervision of the lading of cargo, and to enforce any other Federal agency requirements, when transit air cargo is ready for lading on the exporting aircraft.

(c) *Time.* Transit air cargo covered by this section shall be delivered to Customs at the port of exportation within 15 days from the date of receipt by the forwarding airline.

(d) *Transit air cargo manifest copies.* Five copies of the transit air cargo manifest shall be filed with Customs.

(1) *Port of arrival.* Two copies of the transit air cargo manifest, marked separately as “permit” and “control” copies, shall be filed with Customs at the port of arrival. Filing shall be made when the arriving aircraft enters, or before the general order period ends, by the airline which presents a receipt to transport the cargo from the port of arrival to the port of destination.

(2) *Port of exportation.* Three copies of the transit air cargo manifest shall be filed at the port of exportation.

(i) *Carrier manifest copy.* The carrier manifest copy shall be attached to the listing of cargo shipments and submitted when the cargo arrives at the exportation port.

(ii) *Exportation and clearance copies.* Two copies, marked separately as “exportation” and “clearance” copies, shall be filed with Customs at the exportation port.

(e) *Delivery to exporting airline.* When the transit air cargo arrives at the exportation port, it may be delivered directly to the exporting carrier, together with the exportation and clearance copies. The name of the exporting carrier shall be clearly noted on the carrier manifest copy, which shall then be delivered to Customs.

(f) *Storage by exporting airline.* The exporting carrier shall keep all cargo listed on the transit air cargo manifest in one storage space. This storage space shall be separate from the area in which special shipments which require a license under paragraph (g) of this section are stored.

(g) *Export license—(1) Review.* A Customs officer shall review the carrier manifest copy of the transit air cargo manifest to make sure that the export licensing requirements of other Federal agencies have been followed.

(2) *Information inadequate.* If the manifest information is not enough for Customs to determine that a license or other requirement applies, then the transit air cargo shall be checked by examination, or by inspection of the air waybills or attached invoices.

(3) *When license or other requirement applies.* The exporting airline shall be notified at once if Customs finds that the shipment cannot be exported without a license or other approval. The shipment shall then be put under constructive Customs custody in a special area set aside for the shipment in the exporting airline's cargo terminal.

(h) *Filing of exportation and clearance copies—(1) Information.* When filed with Customs, the exportation and clearance copies of the transit air cargo manifest shall each show:

- (i) The aircraft number;
- (ii) The aircraft flight number; and
- (iii) The date.

(2) *Filing.* The exporting airline shall file the exportation and clearance copies before the aircraft that carries the transit air cargo departs. The clearance copies shall be grouped together and not mixed in with other outward manifest sheets. The exportation copies shall be grouped together, and kept separate from the outward clearance documents.

(i) *Cargo not laden at same airport by same airline.* If all the cargo listed on

one transit air cargo manifest sheet is not laden for exportation from the same U.S. airport by the same airline, then separate entries on Customs Form 7512 are required for each cargo shipment listed:

- (1) For transportation and exportation under subpart J of this part; or
- (2) For direct exportation under § 18.25 of this chapter.

(j) *Cargo laden on more than one aircraft of same airline.* When any cargo shipment listed on the same transit air cargo manifest must be exported on more than one aircraft of the same airline, § 122.118(d) applies.

(k) *Failure to deliver.* If all or part of the cargo listed on the transit air cargo manifest is not accounted for with an exportation copy within 40 days, the director of the port of arrival shall take action as provided in § 122.119(d).

[T.D. 88-12, 53 FR 9292, Mar. 25, 1988, as amended by T.D. 98-74, 63 FR 51289, Sept. 25, 1998; T.D. 00-22, 65 FR 16518, Mar. 29, 2000]

Subpart M—Aircraft Liquor Kits

§ 122.131 Application.

(a) *Liquor and tobacco.* Subpart M applies to:

- (1) Duty-free and tax-free liquor and tobacco; and
- (2) Duty-paid and tax-paid liquor and tobacco which has been placed in the same liquor kit as duty-free and tax-free liquor and tobacco.

(b) *Aircraft.* Subpart M applies to all commercial aircraft on domestic or foreign flights operating into, from and between U.S. airports, which are carrying:

- (1) Duty-free and tax-free liquor and tobacco withdrawn from bond under section 309, Tariff Act of 1930, as amended (19 U.S.C. 1309); or
- (2) Other liquor or tobacco on which duty or taxes have not been paid.

This includes any aircraft carrying duty-free and tax-free liquor under 19 U.S.C. 1309, or other Federal law, although the aircraft is not required to enter, clear or report arrival.
