The applicant may, within 30 days from the date of the written proposed denial, file a written request for reconsideration therefrom, together with his reasons in support thereof, to the Joint Board. The Joint Board may afford an applicant the opportunity to make a personal appearance before the Joint Board. A decision on the request for reconsideration shall be rendered by the Joint Board as soon as practicable. In

§ 901.11 Enrollment procedures.

- (a) Enrollment. The Joint Board shall enroll each applicant it determines has met the requirements of these regulations and shall so notify the applicant. Subject to the provisions of subpart D of this part, an individual must renew his or her enrollment in the manner described in paragraph (d) of this section.
- (b) Enrollment certificate. The Joint Board (or its designee) shall issue a certificate of enrollment to each actuary who is duly enrolled under this part.
- (c) Rosters. The Executive Director shall maintain rosters of all actuaries who are duly enrolled under this part and of all individuals whose enrollment has been suspended or terminated.
- (d) Renewal of enrollment. To maintain active enrollment to perform actuarial services under the Employee Retirement Income Security Act of 1974, each enrolled actuary is required to have his/her enrollment renewed as set forth herein. Failure by an individual to receive notification of the renewal requirement from the Joint Board will not be justification for circumvention of such requirement.
- (1) All individuals enrolled before January 1, 1990, shall apply for renewal of enrollment on the prescribed form before March 1, 1990. The effective date of renewal for such individuals is April 1, 1990.
- (2) Thereafter, applications for renewal will be required of all enrolled actuaries between October 1, 1992, and March 1, 1993, and between October 1 and March 1 of every third year period subsequent thereto.
- (3) The Executive Director of the Joint Board will notify each enrolled actuary of the renewal of enrollment requirement at his/her address of record with the Joint Board.
- (4) A reasonable non-refundable fee may be charged for each application for renewal of enrollment filed.
- (5) Forms required for renewal may be obtained from the Executive Director, Joint Board for the Enrollment of

Actuaries, c/o Department of the Treasury, Washington, DC 20220.

- (e) Condition for renewal: Continuing professional education. To qualify for renewal of enrollment, an enrolled actuary must certify, on the form prescribed by the Executive Director, that he/she has satisfied the following continuing professional education requirements.
- (1) For renewed enrollment effective April 1, 1990. (i) A minimum of 10 hours of continuing education credit must be completed between (the effective date of these regulations) and December 31, 1989. Of the 10 hours, at least 6 hours must be comprised of core subject matter; the remainder may be comprised of non-core subject matter.
- (ii) An individual who receives initial enrollment between October 1, 1988 and December 31, 1989 is exempt from the continuing education requirement for the enrollment cycle ending December 31, 1989, but is required to file a timely application for renewal of enrollment effective April 1, 1990.
- (2) For renewed enrollment effective April 1, 1993 and every third year thereafter. (i) A minimum of 36 hours of continuing education credit must be completed between January 1, 1990, and December 31, 1992, and between January 1 and December 31 for each three year period subsequent thereto. Each such three year period is known as an enrollment cycle. Of the 36 hours, at least 18 must be comprised of core subject matter; the remainder may be of a noncore nature.
- (ii) An individual who receives initial enrollment during the first or second year of an enrollment cycle must satisfy the following requirements by the end of the enrollment cycle: Those enrolled during the first year of an enrollment cycle must complete 24 hours of continuing education; those enrolled during the second year of an enrollment cycle must complete 12 hours of continuing education. At least one-half of the applicable hours must be comprised of core subject matter; the remainder may be comprised of non-core subject matter. - (3) Enrolled actuaries whose enrollment status would have expired under previous regulations during the five year period from October 1, 1988, are not subject to compliance with such previous regulations addressing renewal of enrollment. Their enrollment status will not be adversely affected provided they comply with requirements on this part.
- (f) Qualifying continuing education— (1) In general. To qualify for continuing education credit consistent with the requirements of the above subsections, a course of learning must be a qualifying program comprised of core and/or non-core subject matter conducted by a qualifying sponsor.
- (i) Core subject matter is program content designed to enhance the knowledge of an enrolled actuary with respect to matters directly related to the performance of pension actuarial services under ERISA or the Internal Revenue Code. Such core subject matter includes the characteristics of actuarial cost methods under ERISA, actuarial assumptions, minimum funding standards, title IV of ERISA, requirements with respect to the valuation of plan assets, requirements for qualification of pension plans, maximum deductible contributions, tax treatments of distributions from qualified pension plans, excise taxes related to the funding of qualified pension plans and standards of performance for actuarial
- (ii) Non-core subject matter is program content designed to enhance the knowledge of an enrolled actuary in matters related to the performance of pension actuarial services. Examples include economics, computer programs, pension accounting, investment and finance, risk theory, communication skills and business and general tax law.
- (iii) The Joint Board may publish other topics or approve other topics which may be included in a qualifying

- program as core or non-core subject matter.
- (iv) Repeated taking of the same course of study cannot be used to satisfy the continuing education requirements of the regulations. If the major content of a program or session differs substantively from a previous one bearing the same or similar title, it may be used to satisfy such requirements.
- (2) Qualifying Programs—(i) Formal programs. Formal programs qualify as continuing education programs if they:
- (A) Require attendance by at least three individuals engaged in substantive pension service in addition to the instructor, discussion leader or speaker;
- (B) Require that the program be conducted by a qualified instructor, discussion leader or speaker, i.e. a person whose background, training, education and/or experience is appropriate for instructing or leading a discussion on the subject matter of the particular program; and
- (C) Require a written outline and/or textbook and certificate of attendance provided by the sponsor, all of which must be retained by the enrolled actuary for a three year period following the end of the enrollment cycle.
- (ii) Correspondence or individual study programs (including audio and/or video taped programs). Qualifying continuing education programs include correspondence or individual study programs completed on an individual basis by the enrolled actuary and conducted by qualifying sponsors. The allowable credit hours for such programs will be measured on a basis comparable to the measurement of a seminar or course for credit in an accredited educational institution. Such programs qualify as continuing education programs if they:
- (A) Require registration of the participants by the sponsor;
- (B) Provide a means for measuring completion by the participants (e.g., written examination); and
- (C) Require a written outline and/or textbook and certificate of completion provided by the sponsor. Such certificate must be retained by the participant for a three year period following the end of an enrollment cycle.

- (iii) Teleconferencing. Programs utilizing teleconferencing or other communications technologies qualify for continuing education purposes if they either:
- (A) Meet all the requirements of formal programs, except that they may include a sign-on/sign-off capacity or similar technique in lieu of the physical attendance of participants; or
- (B) Meet all the requirements of correspondence or individual study programs.
- (iv) Serving as an instructor, discussion leader or speaker. (A) Four hours of continuing education credit will be awarded for each contact hour completed as an instructor, discussion leader or speaker at an educational program which meets the continuing education requirements of this section, in recognition of both presentation and preparation time.
- (B) The credit for instruction and preparation may not exceed 50% of the continuing education requirement for an enrollment cycle.
- (C) Presentation of the same material as an instructor, discussion leader or speaker more than one time in any 36 month period will not qualify for continuing education credit. A program will not be considered to consist of the same material if a substantial portion of the content has been revised to reflect changes in the law or in the state of the art relative to the performance of pension actuarial service.
- (D) Credit as an instructor, discussion leader or speaker will not be awarded to panelists, moderators or others whose contribution does not constitute a substantial portion of the program. However, such individuals may be awarded credit for attendance, provided the other provisions of this section are met.
- (E) The nature of the subject matter will determine if credit will be of a core or non-core nature.
- (v) Credit for published articles, books, films, audio and video tapes, etc. (A) Continuing education credit will be awarded for the creation of materials for publication or distribution with respect to matters directly related to the continuing professional education requirements of this section.

- (B) The credit allowed will be on the basis of one hour credit for each hour of preparation time of the material. It will be the responsibility of the person claiming the credit to maintain records to verify preparation time.
- (C) Publication or distribution may utilize any available technology for the dissemination of written, visual or auditory materials.
- (D) The materials must be available on reasonable terms for acquisition and use by all enrolled actuaries.
- (E) The credit for the creation of materials may not exceed 25% of the continuing education requirement of any enrollment cycle.
- (F) The nature of the subject matter will determine if credit will be of a core or non-core nature.
- (G) Publication of the same material more than one time will not qualify for continuing education credit. A publication will not be considered to consist of the same material if a substantial portion has been revised to reflect changes in the law or in the state of the art relating to the performance of pension actuarial service.
- (vi) Service on Joint Board advisory committee(s). Continuing education credit may be awarded by the Joint Board for service on (any of) its advisory committee(s), to the extent that the Board considers warranted by the service rendered.
- (vii) Preparation of Joint Board examinations. Continuing educational credit may be awarded by the Joint Board for participation in drafting questions for use on Joint Board examinations or in pretesting its examinations, to the extent the Board determines suitable. Such credit may not exceed 50% of the continuing professional education requirement for the applicable enrollment cycle.
- (viii) Society examinations. Individuals may earn continuing professional education credit for achieving a passing grade on proctored examinations sponsored by a professional organization or society recognized by the Joint Board. Such credit is limited to the number of hours scheduled for each examination and may be applied only as non-core credit provided the content of the examination is non-core.

- (ix) Pension law examination. Individuals may establish eligibility for renewal of enrollment for any enrollment cycle by:
- (A) Achieving a passing score on the pension law actuarial examination offered by the Joint Board and administered under this part during the applicable enrollment cycle; and
- (B) Completing a minimum of 12 hours of qualifying continuing education in core subject matter during the same applicable enrollment cycle.
- (C) This option of satisfying the continuing professional education requirements is not available to those who receive initial enrollment during the enrollment cycle.
- (g) Sponsors. (1) Sponsors are those responsible for presenting programs.
- (2) To qualify as a sponsor, a program presenter must:
- (i) Be an accredited educational institution:
- (ii) Be recognized for continuing education purposes by the licensing body of any State, possession, territory, Commonwealth, or the District of Columbia responsible for the issuance of a license in the field of actuarial science, insurance, accounting or law;
- (iii) Be recognized by the Executive Director of the Joint Board as a professional organization or society whose programs include offering continuing professional education opportunities in subject matter within the scope of this section: or
- (iv) File a sponsor agreement with the Executive Director of the Joint Board to obtain approval of the program as a qualifying continuing education program.
- (3) Professional organizations or societies and others wishing to be considered as qualifying sponsors shall request such status of the Executive Director of the Joint Board and furnish information in support of the request together with any further information deemed necessary by the Executive Director.
- (4) A qualifying sponsor must ensure the program complies with the following requirements:
- (i) Programs must be developed by individual(s) qualified in the subject matter.

- (ii) Program subject matter must be current.
- (iii) Instructors, discussion leaders, and speakers must be qualified with respect to program content.
- (iv) Programs must include some means for evaluation of technical content and presentation.
- (v) Certificates of completion must be provided those who have successfully completed the program.
- (vi) Records must be maintained by the sponsor to verify satisfaction of the requirements of this section. Such records must be retained for a period of three years following the end of the enrollment cycle in which the program is held. In the case of programs of more than one session, records must be maintained to verify completion of the program and attendance by each participant at each session of the program.
- (5) Sponsor agreements and qualified professional organization or society sponsors approved by the Executive Director will remain in effect for one enrollment cycle. The names of such sponsors will be published on a periodic basis.
- (h) Measurement of continuing education course work. (1) All continuing education programs will be measured in terms of credit hours. The shortest recognized program will be one credit hour.
- (2) A credit hour is 50 minutes of continuous participation in a program. Each session in a program must be at least one full credit hour, i.e. 50 minutes. For example, a single-session program lasting 100 minutes will count as two credit hours, and a program comprised of three 75 minute sessions (225 minutes) constitutes four credit hours. However, at the end of an enrollment cycle, an individual may total the number of minutes of sessions of at least one credit hour in duration attended during the cycle and divide by fifty. For example, attending three 75 minute segments at two separate programs will accord an individual nine credit hours (450 minutes divided by 50) toward fulfilling the minimum number of continuing professional education hours. It will not be permissible to merge non-core hours with core hours. For university or college courses, each

- "semester" hour credit will equal 15 credit hours and each "quarter" hour credit will equal 10 credit hours. Measurements of other formats of university or college courses will be handled on a comparable basis.
- (i) Record keeping requirements. (1) Each individual applying for renewal shall retain for a period of three years following the end of an enrollment cycle the information required with regard to qualifying continuing professional education credit hours. Such information shall include:
- (i) The name of the sponsoring organization:
 - (ii) The location of the program;
- (iii) The title of the program and description of its content, e.g., course syllabus and/or textbook;

- (vii) The certificate of completion and/or signed statement of the hours of attendance obtained from the sponsor;
- (viii) The total core and non-core credit.
- (2) To receive continuing education credit for service completed as an instructor, discussion leader, or speaker, the following information must be maintained for a period of three years following the end of the applicable enrollment cycle.
- (i) The name of the sponsoring organization;
 - (ii) The location of the program;
- (iii) The title of the program and description of its content;
 - (iv) The dates of the program; and
- (v) The credit hours claimed and whether core or non-core subject matter.
- (3) To receive continuing education credit for a publication, the following information must be maintained for a period of three years following the end of the applicable enrollment cycle.
 - (i) The publisher;
 - (ii) The title of the publication;
 - (iii) A copy of the publication;
 - (iv) The date of publication;
 - (v) The credit hours claimed;

- (vi) Whether core or non-core subject matter: and
- (vii) The availability and distribution of the publications to enrolled actuaries.
- (j) Waivers. (1) Waiver from the continuing education requirements for a given period may be granted by the Executive Director of the Joint Board for the following reasons:
- (i) Physical incapacity, which prevented compliance with the continuing education requirements;
 - (ii) Extended active military duty;
- (iii) Absence from the individual's country of residence for an extended period of time due to employment or other reasons, provided the individual does not perform services as an enrolled actuary during such absence; and
- (iv) Other compelling reasons, which will be considered on a case-by-case basis.
- (2) A request for waiver must be accompanied by appropriate documentation. The individual will be required to furnish any additional documentation or explanation deemed necessary by the Executive Director of the Joint Board. Examples of appropriate documentation could be a medical certificate, military orders, etc.
- (3) A request for waiver must be filed no later than the last day of the renewal application period.
- (4) If a request for waiver is not approved, the individual will be so notified by the Executive Director of the Joint Board and placed on a roster of inactive enrolled individuals.
- (5) If a request for waiver is approved, the individual will be so notified.
- (6) Those who are granted waivers are required to file timely applications for renewal of enrollment.
- (k) Failure to comply. (1) Compliance by an individual with the requirements of this part shall be determined by the Executive Director of the Joint Board. An individual who applies for renewal of enrollment but who fails to meet the requirements of eligibility for renewal will be notified by the Executive Director at his/her last known address by first class mail. The notice will state the basis for the non-compliance and will provide the individual an opportunity to furnish in writing, within 60

days of the date of the notice, information relating to the matter. Such information will be considered by the Executive Director in making a final determination as to eligibility for renewal of enrollment.

- (2) The Executive Director of the Joint Board may require any individual, by first class mail sent to his/her mailing address of record with the Joint Board, to provide copies of any records required to be maintained under this section. The Executive Director may disallow any continuing professional education hours claimed if the individual concerned fails to comply with such requirements.
- (3) An individual whose application for renewal is not approved may seek review of the matter by the Joint Board. A request for review and the reasons in support of the request must be filed with the Joint board within 30 days of the date of the non-approved notice.
- (4) An individual who has not filed a timely application for renewal of enrollment, who has not made a timely response to the notice of non-compliance with the renewal requirements, or who has not satisfied the requirements of eligibility for renewal will be placed on a roster of inactive enrolled actuaries for a period of three years from the date renewal would have been effective. During this time, the individual will be ineligible to perform services as an enrolled actuary and to practice before the Internal Revenue Service.
- (5) During inactive enrollment status or at any other time an individual is ineligible to perform services as an enrolled actuary and to practice before the Internal Revenue Service, the individual shall not in any manner, directly or indirectly, indicate he or she is so enrolled, or use the term "enrolled actuary," the designation "E.A.," or other form of reference to eligibility to perform services as an enrolled actuary.
- (6) An individual placed in an inactive status must file an application for renewal of enrollment and satisfy the requirements for renewal as set forth in this section within three years from the date renewal would have been effective. The name of such individual

- otherwise will be removed from the inactive enrollment roster and his/her enrollment will terminate. Eligibility for enrollment must then be reestablished by the individual as provided in this part.
- (7) An individual placed in an inactive status may satisfy the requirements for renewal of enrollment at any time during his/her period of inactive enrollment. If such satisfaction includes completing the continuing education requirement, the application for renewal may be filed immediately upon such completion. Continuing education credit under this subsection may not be used to satisfy the requirements of the enrollment cycle in which the individual has been placed back on the active roster.
- (8) An individual in inactive status remains subject to the jurisdiction of the Joint Board and/or the Department of the Treasury with respect to disciplinary matters.
- (9) An individual who is in good faith has certified that he/she has satisfied the continuing professional education requirements of this section will not be considered to be in non-compliance with such requirements on the basis of a program he/she has attended being found inadequate or not in compliance with the requirements for renewal. Such individual will be granted renewal, but the Executive Director may require such individual to remedy the resulting shortfall by earning replacement credit during the cycle in which renewal was granted or within a reasonable time period as determined by the Executive Director. For example, if six of the credit hours claimed were disallowed, the individual may be required to present 42 credit hours instead of the minimum 36 credit hours to qualify for renewal related to the next cycle.
- (1) Inactive retirement status. An individual who no longer performs services as an enrolled actuary may request placement in an inactive retirement status at any time and such individual will be placed in such status. The individual will be ineligible to perform services as an enrolled actuary. Such individual must file a timely application for renewal of enrollment at each applicable renewal cycle as provided in

this part. An individual who is placed in an inactive retirement status may be reinstated to active enrollment status upon filing an application for renewal of enrollment and providing evidence of the completion of the required continuing professional education hours for the applicable enrollment cycle. An individual in inactive retirement status remains subject to the jurisdiction of the Joint Board and/or the Department of the Treasury with respect to disciplinary matters.

- (m) Renewal while under suspension or disbarment. An individual who is ineligible to perform actuarial services and/ or to practice before the Internal Revenue Service by virtue of disciplinary action is required to meet the requirements for renewal of enrollment during the period of such ineligibility.
- (n) Verification. The Executive Director of the Joint Board or his/her designee may review the continuing education records of an enrolled actuary and/or qualified sponsor, including attending programs, in a manner deemed appropriate to determine compliance with the requirements and standards for the renewal of enrollment as provided in this section.

Subpart D—Suspension or Termination of Enrollment

AUTHORITY: Sec. 3042(b), ERISA, 29 U.S.C. 1242(b).

SOURCE: 43 FR 39757, Sept. 7, 1978, unless otherwise noted.

§ 901.30 Authority to suspend or terminate enrollment.

Under section 3042(b) of ERISA the Joint Board may, after notice and opportunity for a hearing, suspend or terminate the enrollment of an enrolled actuary if the Joint Board finds that such enrolled actuary

- (a) Has failed to discharge his/her duties under ERISA, or
- (b) Does not satisfy the requirements for enrollment in effect at the time of his/her enrollment.

§ 901.31 Grounds for suspension or termination of enrollment.

(a) Failure to satisfy requirements for enrollment. The enrollment of an actuary may be terminated if it is found that the actuary did not satisfy the eligibility requirements set forth in \$\\$901.12 or 901.13, whichever is applicable.

(b) Failure to discharge duties. The enrollment of an actuary may be suspended or terminated if it is found that the actuary, following enrollment, failed to discharge his/her duties under ERISA. Such duties include those set forth in §901.20.

- (c) Disreputable conduct. The enrollment of an actuary may be suspended or terminated if it is found that the actuary has, at any time after he/she applied for enrollment, engaged in any conduct set forth in §901.13(e)(1)(i)–(vi) or other conduct evidencing fraud, dishonesty, or breach of trust. Such other conduct includes, but is not limited to, the following:
- (1) Conviction of any criminal offense under the laws of the United States (including section 411 of ERISA, 29 U.S.C. 1111), any State thereof, the District of Columbia, or any territory or possession of the United States, which evidences fraud, dishonesty, or breach of trust.
- (2) Knowingly filing false or altered documents, affidavits, financial statements or other papers on matters relating to employee benefit plans or actuarial services.
- (3) Knowingly making false or misleading representations, either orally or in writing, on matters relating to employee benefit plans or actuarial services, or knowingly failing to dis-

close information relative to such matters.

- (4) The use of false or misleading representations with intent to deceive a client or prospective client, or of intimations that the actuary is able to obtain special consideration or action from an officer or employee of any agency or court authorized to determine the validity of pension plans under ERISA
- (5) Willful violation of any of the regulations contained in this part.

§ 901.32 Receipt of information concerning enrolled actuaries.

If an officer or employee of the Department of the Treasury, the Department of Labor, the Pension Benefit Guaranty Corporation, or a member of the Joint Board has reason to believe that an enrolled actuary has violated any provision of this part, or if any such officer, employee or member receives information to that effect, he/ she may make a written report thereof, which report or a copy thereof shall be forwarded to the Executive Director, If any other person has information of any such violation, he/she may make a report thereof to the Executive Director or to any officer or employee of the Department of the Treasury, the Department of Labor, or to the Pension Benefit Guaranty Corporation.

§ 901.33 Initiation of proceeding.

Whenever the Executive Director has reason to believe that an enrolled actuary has violated any provision of the laws or regulations governing enrollment, such individual may be reprimanded or a proceeding may be initiated for the suspension or termination of such individual's enrollment. A reprimand as used in this paragraph is a statement informing the enrolled actuary that, in the opinion of the Executive Director, his/her conduct is in violation of the regulations and admonishing the enrolled actuary that repetition of the conduct occasioning the reprimand may result in the institution of a proceeding for the suspension or termination of the actuary's enrollment. A proceeding for suspension or

termination of enrollment shall be initiated by a complaint naming the respondent actuary, signed by the Executive Director and filed in the Executive Director's office. Except in cases where the nature of the proceeding or the public interest does not permit, a proceeding will not be initiated under this section until the facts which may warrant such a proceeding have been called to the attention of the actuary in writing and he/she has been given an opportunity to respond to the allegations of misconduct.

§ 901.34 Conferences.

(a) In general. The Executive Director may confer with an enrolled actuary concerning allegations of his/her misconduct whether or not a proceeding for suspension or termination has been initiated against him/her. If the conference results in agreement as to certain facts or other matters in connection with such a proceeding, such agreement may be entered in the record at the request of the actuary or the Executive Director.

(b) Voluntary suspension or termination of enrollment. An enrolled actuary, in order to avoid the initiation or conclusion of a suspension or termination proceeding, may offer his/her consent to suspension or termination of enrollment or may offer his/her resignation. The Executive Director may accept the offered resignation or may suspend or terminate enrollment in accordance with the consent offered.

§ 901.35 Contents of complaint.

(a) Charges. A complaint initiating a suspension or termination proceeding shall describe the allegations which are the basis for the proceeding, and fairly inform the respondent of the charges against him/her.

(b) Answer. In the complaint, or in a separate paper attached to the complaint, notice shall be given of the place at, and time within which the respondent shall file an answer, which time shall not be less than 15 days from the date of service of the complaint. Notice shall be given that a decision by default may be rendered against the respondent if an answer is not filed as required.

§ 901.36 Service of complaint and other papers.

(a) Complaint. The complaint or a copy thereof may be served upon the respondent by certified mail, or firstclass mail as hereinafter provided, by delivering it to the respondent, or the respondent's attorney or agent of record either in person or by leaving it at the office or place of business of the respondent, the attorney or agent, or in any other manner which may have been agreed to in writing by the respondent. Where the service is by certified mail, the return post office receipt signed by or on behalf of the respondent shall be proof of service. If the certified matter is not claimed or accepted by the respondent and is returned undelivered, complete service may be made upon the respondent by mailing the complaint to him/her by first-class mail, addressed to the respondent at the last address known to the Executive Director. If service is made upon the respondent or his/her attorney or agent in person or by leaving the complaint at the office or place of business of the respondent, attorney, or agent, the verified return by the person making service, setting forth the manner of service, shall be proof of such service.

(b) Service of papers other than complaint. Any paper other than the complaint may be served upon the respondent as provided in paragraph (a) of this section or by mailing the paper by first-class mail to the respondent at the last address known to the Executive Director or by mailing the paper by first-class mail to the respondent's attorney or agent. Such mailing shall constitute complete service. Notices may also be served upon the respondent or his/her attorney or agent by telegraph.

(c) Filing of papers. Whenever the filing of a paper is required or permitted in connection with a suspension or termination proceeding, and the place of filing is not specified by this subpart or by rule or order of the Administrative Law Judge, the paper shall be filed with the Executive Director of the Joint Board for the Enrollment of Actuaries, Treasury Department, Washington, D.C. 20220. All papers shall be filed in duplicate.

§ 901.37 Answer.

(a) Filing. The respondent's answer shall be filed in writing within the time specified in the complaint or notice of initiation of the proceeding, unless, on application, the time is extended by the Executive Director or the Administrative Law Judge. The answer shall be filed in duplicate with the Executive Director.

(b) Contents. The answer shall contain a statement of facts which constitute the grounds of defense and it shall specifically admit or deny each allegation set forth in the complaint, except that the respondent shall not deny a material allegation in the complaint which he/she knows to be true, or state that he/she is without sufficient information to form a belief when in fact the respondent possesses such information. The respondent may also state affirmatively special matters of defense.

(c) Failure to deny or answer allegations in the complaint. Every allegation in the complaint which is not denied in the answer shall be deemed to be admitted and may be considered as proven, and no further evidence in respect of such allegation need be adduced at a hearing. Failure to file an answer within the time prescribed in the notice to the respondent, except as the time for answer is extended by the Executive Director or the Administrative Law Judge, shall constitute an admission of the allegations of the complaint and a waiver of hearing, and the Administrative Law Judge may make a decision by default, without a hearing or further procedure.

§ 901.38 Supplemental charges.

If it appears to the Executive Director that the respondent in his/her answer falsely and in bad faith denies a material allegation of fact in the complaint or states that the respondent has no knowledge sufficient to form a belief when he/she in fact possesses such knowledge, or if it appears that the respondent has knowingly introduced false testimony during proceedings for suspension or termination of his/her enrollment, the Executive Director may file supplemental charges against the respondent. Such supplemental charges may be tried with

other charges in the case, provided the respondent is given due notice thereof and is afforded an opportunity to prepare a defense thereto.

§ 901.39 Reply to answer.

No reply to the respondent's answer shall be required, but the Executive Director may file a reply at his/her discretion or at the request of the Administrative Law Judge.

§ 901.40 Proof; variance; amendment of pleadings.

In the case of a variance between the allegations in a pleading and the evidence adduced in support of the pleading, the Administrative Law Judge may order or authorize amendment of the pleading to conform to the evidence, provided that the party who would otherwise be prejudiced by the amendment is given reasonable opportunity to meet the allegations of the pleading as amended. The Administrative Law Judge shall make findings on any issue presented by the pleadings as so amended.

$\S 901.41$ Motions and requests.

Motions and requests may be filed with the Executive Director or with the Administrative Law Judge.

$\S 901.42$ Representation.

A respondent or proposed respondent may appear at conference or hearing in person or may be represented by counsel or other representative. The Executive Director may be represented by an attorney or other employee of the Treasury Department.

§ 901.44 Hearings.

- (a) In general. The Administrative Law Judge shall preside at the hearing on a complaint for the suspension or termination of an enrolled actuary. Hearings shall be stenographically recorded and transcribed and the testimony of witnesses shall be taken under oath or affirmation. Hearings will be conducted pursuant to section 7 of the Administrative Procedure Act, 60 Stat. 241 (5 U.S.C. 556).
- (b) Failure to appear. If either party to the proceeding fails to appear at the hearing, after due notice thereof has been sent to the parties, the Administrative Law Judge may make a decision against the absent party by default.

§ 901.45 Evidence.

(a) In general. The rules of evidence prevailing in courts of law and equity are not controlling in hearings on complaints for the suspension or the termination of the enrollment of enrolled actuaries. Official documents, records, and papers of the Department of the Treasury, the Department of Labor, the Pension Benefit Guaranty Corporation, the Joint Board for the Enrollment of Actuaries or the Office of the Executive Director of the Joint Board for the Enrollment of Actuaries shall be admissible into evidence without the production of an officer or employee to authenticate them. Any such documents, records, and papers may be evidenced by a copy attested to or identified by an officer or employee of the Department of the Treasury, the Department of Labor, the Pension Benefit Guaranty Corporation, the Joint Board for the Enrollment of Actuaries, or the Office of the Executive Director of the Joint Board for the Enrollment of Actuaries, as the case may be.

- (e) Objections. Objections to evidence shall state the grounds relied upon, and the record shall not include argument thereon, except as ordered by the Administrative Law Judge. Rulings on such objections shall be part of the record. No exception to the ruling is necessary to preserve the rights of the parties.

§ 901.46 Depositions.

Depositions for use at a hearing may, with the written approval of the Administrative Law Judge, be taken by either the Executive Director or the respondent or their duly authorized representatives. Depositions may be taken upon oral or written interrogatories, upon not less than 10 days written notice to the other party, before any officer duly authorized to administer an oath for general purposes or before an officer or employee of the Department of the Treasury, the Department of Labor, the Pension Benefit Guaranty Corporation, or the Joint Board who is authorized to administer an oath. Such

notice shall state the names of the witnesses and the time and place where the depositions are to be taken. The requirement of 10 days notice may be waived by the parties in writing, and depositions may then be taken from the persons and at the times and places mutually agreed upon by the parties. When a deposition is taken upon written interrogatories, any cross-examination shall be upon written interrogatories. Copies of such written interrogatories shall be served upon the other party with the notice, and the copies of any written cross-interrogatories shall be mailed or delivered to the opposing party at least five days before the date of taking the depositions, unless the parties mutually agree otherwise. In cases where the hearing is stenographically reported by a Government contract reporter, copies of the transcript may be obtained from the reporter at rates not to exceed the maximum rates fixed by contract between the Government and the reporter. Where the hearing is stenographically reported by a regular employee of the Department of the Treasury, the Department of Labor, the Pension Benefit Guaranty Corporation, or the Joint Board, a copy thereof will be supplied to the respondent either without charge or upon the payment of a reasonable fee. Copies of exhibits introduced at the hearing or at the taking of depositions will be supplied to parties upon the payment of a reasonable fee (31 U.S.C. 483a).

§ 901.48 Proposed findings and conclusions.

Except in cases where the respondent has failed to answer the complaint or where a party has failed to appear at the hearing, the Administrative Law Judge, before making his/her decision, shall give the parties a reasonable opportunity to submit proposed findings

and conclusions and supporting reasons therefor.

§ 901.49 Decision of the Administrative Law Judge.

This part is issued by the Joint Board for the Enrollment of Actuaries (the "Joint Board") pursuant to the requirements of section 552 of title 5 of the United States Code, including the requirements that every Federal agency shall publish in the FEDERAL REGISTER, for the guidance of the public, descriptions of the established places at which, the officers from whom, and the methods whereby, the public may obtain information, make submittals or requests, or obtain decisions.

§ 902.2 Definitions.

- (a) Records of the Joint Board. For purposes of this part, the term "records of the Joint Board" means rules, statements, opinions, orders, memoranda, letters, reports, accounts, and other papers containing information in the possession of the Joint Board that constitute part of the Joint Board's official files
- (b) Unusual Circumstances. For purposes of this part, "unusual circumstances" means, but only to the extent reasonably necessary for the proper processing of the particular request:
- (1) The need to search for and collect the requested records from other establishments that are separate from the Joint Board's office processing the request;
- (2) The need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records which are demanded in a single request; or
- (3) The need for consultation, which shall be conducted with all practicable speed, with another agency having a substantial interest in the determination of the request.

§ 902.3 Published information.

(a) Federal Register. Pursuant to sections 552 and 553 of title 5 of the United States Code, and subject to the provisions of §902.5, the Joint Board publishes in the FEDERAL REGISTER for the guidance of the public, in addition to this part, descriptions of its organization and procedures, substantive rules

Records falling within such limitations may nevertheless be made available in accordance with this section to the extent consistent, in the judgment of the Chairman of the Joint Board ("Chairman"), with the effective performance of the Joint Board's statutory responsibilities and with the avoidance of injury to a public or private interest intended to be protected by such limitations.
- (b) Obtaining access to records. Records of the Joint Board subject to this section are available by appointment for public inspection or copying during regular business hours on regular business days at the office of the Executive Director. No such notice shall specify a date that will result in an extension of more than ten working days.

§ 902.5 Appeal.

(a) Any person denied access to records requested under §902.4, may within thirty days after notification of such denial, file a signed written appeal to the Joint Board. The appeal shall provide the name and address of the appellant, the identification of the records denied, and the dates of the original request and its denial.

(b) The Joint Board shall act upon any such appeal within twenty days (excepting Saturdays, Sundays and legal public holidays) of its receipt, unless for unusual circumstances the time for such action is deferred, subject to \$902.4(b), for not more than ten days. If action upon any such appeal is so deferred, the Joint Board shall notify the requester of the reasons for such deferral and the date on which the final reply is expected to be dispatched. If an extension is invoked in connection with an initial determination under §902.4(d), any unused days of such extension may be invoked in connection with the determination on appeal under §902.5(a), by written notice from the Joint Board

(See 5 U.S.C. 552a(d)(4)).

§ 903.8 Exemptions.

- (a) Names of systems: (1) JBEA—Enrollment Files.
 - (2) JBEA—Application Files.
 - (3) JBEA—General Information.
- (4) JBEA—Charge Case Inventory Files.
- (5) JBEA—Suspension and Termination Files.
- (b) Provisions from which exempted: These systems contain records described in 5 U.S.C. 552a(k), the Privacy Act of 1974. Exemption will be claimed for such records only where appropriate from the following provisions: subsections (c)(3), (d)(1), (2), (3) and (4), (e)(1), (c)(4)(G), (H) and (I), and (f)(1), (2), (3), (4) and (5) of 5 U.S.C. 552a.
- (c) Reasons for claimed exemptions: (1) The Privacy Act of 1974 creates several methods by which individuals may learn of and obtain records containing information on such individuals and consisting of investigatory material compiled for law enforcement purposes. These methods are as follows: Subsection (c)(3) allows individuals to discover if other agencies are investigating such individuals; subsections (d)(1), (e)(4)(H) and (f)(2), (3) and (5) establish the ability of individuals to gain access to investigatory material

§ 903.8

compiled on such individuals; subsections (d)(2), (3) and (4), (e)(4)(H) and (f)(4) presuppose access and enable individuals to contest the contents of investigatory material compiled on these individuals; and subsections (e)(4)(G) and (f)(1) allow individuals to determine whether or not they are under investigation. Because these subsections are variations upon the individual's ability to ascertain whether his civil or criminal misconduct has been discovered, these subsections have been grouped together for purposes of this notice.

(2)(i) The Joint Board believes that imposition of the requirements of subsection (c)(3), which requires that accountings of disclosures be made available to individuals, would impair the ability of the Joint Board and other investigative entities to conduct investigations of alleged or suspected violations of the regulations governing the performance of actuarial services with respect to plans to which the Employee Retirement Income Security Act (ERISA) applies, and of civil or criminal laws. Making the accountings of disclosures available to individuals enables such individuals to identify entities investigating them and thereby to determine the nature of the violations of which they are suspected. With such knowledge, individuals would be able to alter their illegal activities, destroy or alter evidence of such activities and seriously impair the successful completion of investigations. For these reasons, the Joint Board seeks exemption from the requirements of subsection (c)(3).

(ii) With respect to subsections (d)(1), (e)(4)(H), and (f)(2), (3) and (5), the Joint Board believes that access to investigatory material would prevent the successful completion of investigations. Individuals who gain access to investigatory material involving them discover the nature and extent of the violations of regulations, and of civil and criminal laws, of which they are suspected. By gaining access, such individuals also learn the facts developed during investigations. Knowledge of these matters enables these individuals to destroy or alter evidence which would otherwise have been used against them. In addition, knowledge

of the facts and suspected violations gives individuals, who are committing ongoing violations, or who are about to commit violations of regulations, or of civil or criminal laws, the opportunity to temporarily postpone the commission of the violations or to effectively disguise the commission of these violations. Material compiled on investigated individuals reveals investigative techniques and procedures, disclosure of which enables such individuals to structure their illegal activities so as to escape detection. Further, such material may contain, or by its very nature reveal, the identity of confidential sources. When the identities of confidential sources are revealed, they may be subjected to various forms of reprisal. If confidential sources of information are subjected to actual reprisals or fear thereof, they may become reluctant to provide information necessary to identify or prove the guilt of persons who violate regulations, or civil or criminal laws. Further, the protections afforded by the above-referenced subsections are unnecessary because the Joint Board may not deny enrollment or suspend or terminate the enrollment of an individual to perform actuarial services until it has provided such individual with due process safeguards. For the reasons stated in this subparagraph, the Joint Board seeks exemptions from the requirements of subsections (d)(1), (e)(4)(H), and (f)(2),

(iii) With respect to subsections (d) (2), (3) and (4), (e)(4)(H), and (f)(4), the Joint Board believes that the imposition of these requirements, which presuppose access and provide for amending records, would impair the ability to conduct investigations and would be unnecessary for the same reasons stated in the preceding subparagraph (2)(B). These reasons herein are incorporated by reference. Therefore, the Joint Board seeks exemption from the requirements of subsections (d) (2), (3) and (4), (e)(4)(H), and (f)(4).

(iv) With respect to subsections (e)(4)(G) and (f)(1), the Joint Board believes that informing individuals that they are the subjects of a particular system or systems of records would impair the ability of the Joint Board and

its agents to successfully complete investigations of suspected or alleged violators of the regulations governing the performance of actuarial services with respect to plans to which ERISA applies. Individuals who learn that they are suspected of violating said regulations are given the opportunity to destroy or alter evidence needed to prove the alleged violations. Such individuals may also be able to impair investigations by temporarily suspending or restructuring the activities which place them in violation of said regulations. Further, as noted in preceding subparagraph (2)(B) and incorporated by reference herein, the procedural requirements imposed on the Joint Board by ERISA make the protections afforded by subsections (c)(4)(G) and (f)(1)unnecessary. For these reasons, the Joint Board seeks exemptions from the requirements of subsections (c)(4)(G) and (f)(1).

(v) Subsection (e)(1) of the Privacy Act of 1974 requires that the Joint Board maintain in its records only information that is relevant and necessary to accomplish a purpose of the Office required to be accomplished by statute or by executive order of the President. The Joint Board believes that imposition of said requirement would seriously impair its ability, and the abilities of its agents and other investigative entities to effectively investigate suspected or alleged viola-

tions of regulations and of civil or criminal laws. The Joint Board does not initiate inquires into individuals' conduct unless it receives information evidencing violation by such individuals of the regulations governing performance of actuarial services with respect to plans to which ERISA applies. Sources of such information may be unfamiliar with the Joint Board's interpretations of said regulations and, therefore, may not always provide only relevant and necessary information. Therefore, it may often be impossible to determine whether or not information is relevant and necessary. For these reasons, the Joint Board seeks exemptions from the requirement of subsection (e)(1).

(vi) Subsection (e)(4)(I) of the Privacy Act of 1974 requires the publication of the categories of sources of records in each system of records. The Joint Board believes that imposition of said requirement would seriously impair its ability to obtain information from such sources for the following reasons. Revealing such categories of sources could disclose investigative techniques and procedures and could cause sources to decline to provide information because of fear of reprisal, or fear of breaches of promises of confidentiality. For these reasons, the Joint Board seeks exemptions from the requirement of subsection (e)(4)(I).
