APPENDIX 1 TO PART 11—ORAL COMMUNICATIONS WITH THE PUBLIC DURING RULEMAKING

1. What is an ex parte contact?

"Ex parte" is a Latin term that means "one sided," and indicates that not all parties to an issue were present when it was discussed. An ex parte contact involving rulemaking is any communication between FAA and someone outside the government regarding a specific rulemaking proceeding, before that proceeding closes. A rulemaking proceeding does not close until we publish the final rule or withdraw the NPRM. Because an ex parte contact excludes other interested persons, including the rest of the public,
