§ 1776.16 Loan servicing.

(a) If RUS determines that HWWS loans may be serviced by CSC, then the grant recipient will enter into an agreement with the Centralized Servicing Center for servicing all HWWS loans made from the revolving loan fund. All HWWS loan payments will be received by and processed at the Centralized Servicing Center. The grant recipient will be charged a fee for this service, and such fee should be included in the projected financial statements and work plan submitted as part of the grant application. This fee may be reimbursed as an administrative expense as provided in §1776.13.

(b) If RUS determines that CSC is not able to service HWWS loans, then the grant recipient shall be responsible for servicing, or causing to be serviced, all HWWS loans. Servicing will include preparing loan agreements, processing loan payments, reviewing financial statements and debt reserves balances, and other responsibilities such as enforcement of loan terms. Loan servicing will be in accordance with the work plan RUS approved when the grant was awarded. It will continue as long as any loan made in whole or in part with RUS grant funds is outstanding.

7 CFR Ch. XVII (1-1-09 Edition)

§ 1776.17 Revolving loan fund maintenance.

As long as any part of the HWWS grant remains available for lending, and loans made from the revolving loan fund have an outstanding balance due, the grant recipient must maintain the revolving loan fund for the purposes set forth in §1776.13.

(e) All moneys deposited in such bank account or accounts shall be money of the revolving loan fund.

(f) Loans to loan recipients are advanced from the revolving loan fund.

(g) The revolving loan fund will consist of receivables created by making loans, the grant recipient's security interest in collateral pledged by loan recipients, collections on the receivables, interest, fees, and any other income or assets derived from the operation of the revolving loan fund.

(h) The portion of the revolving loan fund that consists of HWWS grant funds, on a last-in-first-out basis, may be used for only those purposes set forth in this part.

(i) The grant recipient must submit an annual budget of proposed administrative costs for RUS approval. The amount removed from the revolving loan fund for administrative costs in any year must be reasonable; must not exceed the actual cost of operating the revolving loan fund, including loan servicing and providing technical assistance; and must not exceed the amount approved by RUS in the grant recipient's annual budget.

(j) A reasonable amount of revolved funds must be used to create a reserve for bad debts. Reserves should be accumulated over a period of years. The

Rural Utilities Service, USDA

§ 1777.4

total amount should not exceed maximum expected losses, considering the quality of the grant recipient's portfolio of loans. Unless the grant recipient provides loss and delinquency records that, in the opinion of RUS, justifies different amounts, a reserve for bad debts of 6 percent of outstanding loans must be accumulated over three years and then maintained as set forth in the grant agreement.

(k) Any cash in the revolving loan fund from any source that is not needed for debt service, approved administrative costs, or reasonable reserves must be available for additional loans to loan recipients.

(l) All reserves and other cash in the revolving loan fund not immediately needed for loans to loan recipients or other authorized uses must be deposited in accounts in banks or other financial institutions. Such accounts must be fully covered by Federal deposit insurance or fully collateralized with U.S. Government obligations, and must be interest bearing. Any interest earned thereon remains a part of the revolving loan fund.
