(ii) The board of directors of a Fund, including a majority of directors who are not interested persons, must approve the code of ethics of the Fund, the code of ethics of each investment adviser and principal underwriter of the Fund, and any material changes to these codes. The board must base its approval of a code and any material changes to the code on a determination that the code contains provisions reasonably necessary to prevent Access Persons from engaging in any conduct prohibited by paragraph (b) of this section. Before approving a code of a Fund, investment adviser or principal underwriter or any amendment to the code, the board of directors must receive a certification from the Fund, investment adviser or principal underwriter that it has adopted procedures reasonably necessary to prevent Access Persons from violating the Fund's, investment adviser's, or principal underwriter's code of ethics. written consent from the designated principal underwriter or depositor.

(2) *Administration of Code of Ethics.* (i) The Fund, investment adviser and principal underwriter must use reasonable diligence and institute procedures reasonably necessary to prevent violations of its code of ethics.

(ii) A director of a Fund who is not an "interested person" of the Fund within the meaning of section 2(a)(19) of the Act [15 U.S.C. 80a-2(a)(19)], and who would be required to make a report solely by reason of being a Fund director, need not make:

(A) An initial holdings report under paragraph (d)(1)(i) of this section and an annual holdings report under paragraph (d)(1)(iii) of this section; and

(B) A quarterly transaction report under paragraph (d)(1)(ii) of this section, unless the director knew or, in the ordinary course of fulfilling his or her official duties as a Fund director, should have known that during the 15-day period immediately before or after the director's transaction in a Covered Security, the Fund purchased or sold the Covered Security, or the Fund or its investment adviser considered purchasing or selling the Covered Security.

(iii) An Access Person to a Fund's principal underwriter need not make a report to the principal underwriter under paragraph (d)(1) of this section if:

(v) An Access Person need not make a quarterly transaction report under paragraph (d)(1)(ii) of this section if the report would duplicate information contained in broker trade confirmations or account statements received by the Fund, investment adviser or principal underwriter with respect to the Access Person in the time period required by paragraph (d)(1)(ii), if all of the information required by that paragraph is contained in the broker trade confirmations or account statements, or in the records of the Fund, investment adviser or principal underwriter.

Any report required by paragraph (d) of this section may contain a statement that the report will not be construed as an admission that the person making the report has any direct or indirect beneficial ownership in the Covered Security to which the report relates.

(e) *Pre-approval of investments in IPOs and limited offerings.* Investment Personnel of a Fund or its investment adviser must obtain approval from the Fund or the Fund's investment adviser before directly or indirectly acquiring beneficial ownership in any securities in an Initial Public Offering or in a Limited Offering.
