(5) Permissible transfers of funds to other State agencies.

(b) The Director or his authorized designee shall limit grants under this part to the additional costs to an agency for administering and enforcing the initial regulatory program.

(f) The Director or his authorized designee shall sign the grant agreement upon its return from the agency and return one copy to the agency. The grant is effective and constitutes an

obligation of Federal funds in the amount and for the purposes stated in the grant agreement at the time the Director or his authorized designee signs the agreement.

§ 725.17 Grant amendments.

(a) A grant amendment is a written alteration to the grant amount, grant terms or conditions, budget or period, or other administrative, technical, or financial agreement whether accomplished on the initiative of the agency or the Director or his authorized designee or by mutual action of the agency and the Director or his authorized designee.

(b) The agency shall promptly notify the Director or his authorized designee in writing of events or proposed changes which require a grant amendment, such as:

(1) Rebudgeting;

(2) Changes which may affect the approved scope or objective of a program; or

(3) Changes which may increase or substantially decrease the total cost of a program.

(c) The Director or his authorized designee shall approve or disapprove each proposed amendment within 30 days of receipt, or as soon thereafter as possible, and shall notify the agency in writing of the approval or disapproval of the amendment.

(d) The date the Director or his authorized designee signs the grant amendment establishes the effective date of the action. If no time period is specified in the grant amendment then the amendment applies to the entire grant period.
