Explanation

The Code of Federal Regulations is a codification of the general and permanent rules published in the Federal Register by the Executive departments and agencies of the Federal Government. The Code is divided into 50 titles which represent broad areas subject to Federal regulation. Each title is divided into chapters which usually bear the name of the issuing agency. Each chapter is further subdivided into parts covering specific regulatory areas.

Each volume of the Code is revised at least once each calendar year and issued on a quarterly basis approximately as follows:

Title 1 through Title 16.....	as of January 1
Title 17 through Title 27.....	as of April 1
Title 28 through Title 41.....	as of July 1
Title 42 through Title 50.....	as of October 1

The appropriate revision date is printed on the cover of each volume.

LEGAL STATUS

The contents of the Federal Register are required to be judicially noticed (44 U.S.C. 1507). The Code of Federal Regulations is prima facie evidence of the text of the original documents (44 U.S.C. 1510).

HOW TO USE THE CODE OF FEDERAL REGULATIONS

The Code of Federal Regulations is kept up to date by the individual issues of the Federal Register. These two publications must be used together to determine the latest version of any given rule.

To determine whether a Code volume has been amended since its revision date (in this case, July 1, 2010), consult the "List of CFR Sections Affected (LSA)," which is issued monthly, and the "Cumulative List of Parts Affected," which appears in the Reader Aids section of the daily Federal Register. These two lists will identify the Federal Register page number of the latest amendment of any given rule.

EFFECTIVE AND EXPIRATION DATES

Each volume of the Code contains amendments published in the Federal Register since the last revision of that volume of the Code. Source citations for the regulations are referred to by volume number and page number of the Federal Register and date of publication. Publication dates and effective dates are usually not the same and care must be exercised by the user in determining the actual effective date. In instances where the effective date is beyond the cut-off date for the Code a note has been inserted to reflect the future effective date. In those instances where a regulation published in the Federal Register states a date certain for expiration, an appropriate note will be inserted following the text.

OMB CONTROL NUMBERS

The Paperwork Reduction Act of 1980 (Pub. L. 96-511) requires Federal agencies to display an OMB control number with their information collection request.

Many agencies have begun publishing numerous OMB control numbers as amendments to existing regulations in the CFR. These OMB numbers are placed as close as possible to the applicable recordkeeping or reporting requirements.

OBSOLETE PROVISIONS

Provisions that become obsolete before the revision date stated on the cover of each volume are not carried. Code users may find the text of provisions in effect on a given date in the past by using the appropriate numerical list of sections affected. For the period before January 1, 2001, consult either the List of CFR Sections Affected, 1949–1963, 1964–1972, 1973–1985, or 1986–2000, published in eleven separate volumes. For the period beginning January 1, 2001, a “List of CFR Sections Affected” is published at the end of each CFR volume.

“[RESERVED]” TERMINOLOGY

The term “[Reserved]” is used as a place holder within the Code of Federal Regulations. An agency may add regulatory information at a “[Reserved]” location at any time. Occasionally “[Reserved]” is used editorially to indicate that a portion of the CFR was left vacant and not accidentally dropped due to a printing or computer error.

INCORPORATION BY REFERENCE

What is incorporation by reference? Incorporation by reference was established by statute and allows Federal agencies to meet the requirement to publish regulations in the Federal Register by referring to materials already published elsewhere. For an incorporation to be valid, the Director of the Federal Register must approve it. The legal effect of incorporation by reference is that the material is treated as if it were published in full in the Federal Register (5 U.S.C. 552(a)). This material, like any other properly issued regulation, has the force of law.

What is a proper incorporation by reference? The Director of the Federal Register will approve an incorporation by reference only when the requirements of 1 CFR part 51 are met. Some of the elements on which approval is based are:

- (a) The incorporation will substantially reduce the volume of material published in the Federal Register.
- (b) The matter incorporated is in fact available to the extent necessary to afford fairness and uniformity in the administrative process.
- (c) The incorporating document is drafted and submitted for publication in accordance with 1 CFR part 51.

What if the material incorporated by reference cannot be found? If you have any problem locating or obtaining a copy of material listed as an approved incorporation by reference, please contact the agency that issued the regulation containing that incorporation. If, after contacting the agency, you find the material is not available, please notify the Director of the Federal Register, National Archives and Records Administration, 8601 Adelphi Road, College Park, MD 20740-6001, or call 202-741-6010.

CFR INDEXES AND TABULAR GUIDES

A subject index to the Code of Federal Regulations is contained in a separate volume, revised annually as of January 1, entitled CFR INDEX AND FINDING AIDS. This volume contains the Parallel Table of Authorities and Rules. A list of CFR titles, chapters, subchapters, and parts and an alphabetical list of agencies publishing in the CFR are also included in this volume.

An index to the text of “Title 3—The President” is carried within that volume.

The Federal Register Index is issued monthly in cumulative form. This index is based on a consolidation of the “Contents” entries in the daily Federal Register.

A List of CFR Sections Affected (LSA) is published monthly, keyed to the revision dates of the 50 CFR titles.

REPUBLICATION OF MATERIAL

There are no restrictions on the republication of material appearing in the Code of Federal Regulations.

Subpart A—General Provisions

§ 0.101 Purpose.

(a) The Department of the Treasury Employee Rules of Conduct (Rules) are separate from and additional to the Standards of Ethical Conduct for Em-

ployees of the Executive Branch (Exec-utive Branch-wide Standards) (5 CFR part 2635) and the Supplemental Standards of Ethical Conduct for Employees of the Department of the Treasury (Treasury Supplemental Standards) (to be codified at 5 CFR part 3101). The Rules prescribe employee rules of conduct and procedure and provide for disciplinary action for the violation of the Rules, the Treasury Supplemental Standards, the Executive Branch-wide Standards, and any other rule, regulation or law governing Department employees.

(b) The Rules are not all-inclusive and may be modified by interpretive guidelines and procedures issued by the Department's bureaus. The absence of a specific published rule of conduct covering an action does not constitute a condonation of that action or indicate that the action would not result in corrective or disciplinary action.

§ 0.102 Policy.

(a) All employees and officials of the Department are required to follow the rules of conduct and procedure contained in the Rules, the Treasury Supplemental Standards, the Executive Branch-wide Standards of Ethical Conduct, the Employee Responsibilities and Conduct (5 CFR part 735), and any bureau issued rules.

(b) Employees found in violation of the Rules, the Treasury Supplemental Standards, the Executive Branch-wide Standards or any applicable bureau rule may be instructed to take remedial or corrective action to eliminate the conflict. Remedial action may include, but is not limited to:

- (1) Reassignment of work duties;
- (2) Disqualification from a particular assignment;
- (3) Divestment of a conflicting interest; or
- (4) Other appropriate action.

(c) Employees found in violation of the Rules, the Treasury Supplemental Standards, the Executive Branch-wide Standards or any applicable bureau rule may be disciplined in proportion to the gravity of the offense committed, including removal. Disciplinary action will be taken in accordance with applicable laws and regulations

§0.103

and after consideration of the employee's explanation and any mitigating factors. Further, disciplinary action may include any additional penalty prescribed by law.

§0.103 Definitions.

The following definitions are used throughout this part:

(c) *Person* means an individual, corporation and subsidiaries it controls, company, association, firm, partnership, society, joint stock company, or any other organization or institution as specified in 5 CFR 2635.102(k).

(d) *Regular employee* or *employee* means an officer or employee of the Department of the Treasury but does not include a special Government employee.

(e) *Special Government employee* means an officer or employee who is retained, designated, appointed, or employed to perform temporary duties either on a full-time or intermittent basis, with or without compensation, for a period not to exceed 130 days during any consecutive 365-day period. See 18 U.S.C. 202(a).

The DAEO is responsible for managing the Department's ethics program, including coordinating ethics counseling and interpreting questions of conflicts of interest and other matters that arise under the Executive Branch-wide Standards and Treasury Supplemental Standards and Rules. See 5 CFR 2638.203. The Senior Counsel for Ethics is the Alternate Designated Agency Ethics Official.

§0.105 Deputy Ethics Official.

The Chief Counsel or Legal Counsel for a bureau, or a designee, is the Deputy Ethics Official for that bureau. The Legal Counsel for the Financial Crimes Enforcement Network is the Deputy Ethics Official for that organization. (c) Take appropriate corrective or disciplinary action against an employee who violates the Executive Branch-wide Standards, Treasury Supplemental Standards or Rules, or any other applicable law, rule or regulation, and against a supervisor who fails to carry out his responsibilities in taking or recommending corrective or disciplinary action when appropriate against an employee who has committed an offense.

§ 0.107 Employees.

(a) Employees are required to:

(2) Request clarification or interpretation from a supervisor or ethics official if the application of a rule contained in the Executive Branch-wide Standards, Treasury Supplemental Standards, or Rules is not clear;

(3) Report to the Inspector General or to the appropriate internal affairs office of the Bureau of Alcohol, Tobacco and Firearms, Customs Service, Internal Revenue Service, or Secret Service, any information indicating that an employee, former employee, contractor, subcontractor, or potential contractor engaged in criminal conduct or that an employee or former employee violated the Executive Branch-wide Standards or the Treasury Supplemental Standards or Rules. Legal Division attorneys acquiring this type of information during the representation of a bureau shall report it to the appropriate Chief or Legal Counsel or the Deputy General Counsel, who shall report such information to the Inspector General or appropriate internal affairs office; and

(b) The confidentiality of the source of the information reported to the Inspector General or the internal affairs office under this section will be maintained to the extent appropriate under the circumstances.

Subpart B—Rules of Conduct

(a) Employees may:

(1) Take an active part in political management or in political campaigns to the extent permitted by law (5 U.S.C. 7321-7326); and

(2) Vote as they choose and express their opinions on political subjects and candidates.

(b) Employees may not use their official authority or influence to interfere with or affect election results.

(c) Employees may be disqualified from employment for knowingly supporting or advocating the violent overthrow of our constitutional form of government.

NOTE: The Hatch Act Reform Amendments of 1993 significantly reduced the statutory restrictions on the political activity of most Department employees. However, career members of the Senior Executive Service and employees of the Secret Service, the Internal Revenue Service, Office of Criminal Investigation, the Customs Service, Office of Investigative Programs, and the Bureau of Alcohol, Tobacco and Firearms, Office of Law Enforcement, remain subject to significant restrictions on their political activities.

§ 0.202 Strikes.

Employees shall not strike against the Government.

§ 0.203 Gifts or gratuities from foreign governments.

(a) The United States Constitution prohibits employees from accepting gifts, emoluments, offices, or titles from a foreign government without the consent of the Congress. Congress has consented to an employee accepting

§0.204

and retaining a gift from a foreign government that is of minimal value and offered as a souvenir or mark of courtesy, unless otherwise prohibited by bureau regulation (5 U.S.C. 7342). Minimal value is prescribed in 41 CFR part 101-49 and was set at \$225.00 on the date that the Rules became effective.

(b) All gifts exceeding minimal value, the refusal of which would likely cause offense or embarrassment or otherwise adversely affect the foreign relations of the United States, shall be accepted and deposited with the Department within sixty days of acceptance. If the gift is travel or expenses for travel taking place entirely outside the United States, it shall be reported within thirty days (see 5 U.S.C. 7342(c)(1)(B)(ii)).

(c) As used in paragraph (b) of this section, *Deposit with the Department* means delivery to the Department Gift Unit or other depository as authorized by the Treasury Directive on Foreign Gifts (Treasury Directive 61-04).

(d) All foreign gifts must be reported as prescribed in the Treasury Directive on Foreign Gifts (Treasury Directive 61-04).

§0.204 Use of controlled substances and intoxicants.

Employees shall not sell, use or possess controlled substances or intoxicants in violation of the law while on Department property or official duty, or use a controlled substance or intoxicant in a manner that adversely affects their work performance.

§0.205 Care of documents and data.

(a) Employees shall not conceal, remove, alter, destroy, mutilate or access documents or data in the custody of the Federal Government without proper authority.

(b) Employees are required to care for documents according to Federal law and regulation, and Department procedure (18 U.S.C. 2071, 5 U.S.C. 552, 552a).

(c) The term *documents* includes, but is not limited to, any writing, recording, computer tape or disk, blueprint, photograph, or other physical object on which information is recorded.

§0.206 Disclosure of information.

Employees shall not disclose official information without proper authority,

31 CFR Subtitle A (7-1-10 Edition)

pursuant to Department or bureau regulation. Employees authorized to make disclosures should respond promptly and courteously to requests from the public for information when permitted to do so by law (31 CFR 1.9, 1.10, and 1.28(b)).

§0.207 Cooperation with official inquiries.

Employees shall respond to questions truthfully and under oath when required, whether orally or in writing, and must provide documents and other materials concerning matters of official interest when directed to do so by competent Treasury authority.

§0.208 Falsification of official records.

Employees shall not intentionally make false, misleading or ambiguous statements, orally or in writing, in connection with any matter of official interest. Matters of official interest include among other things: Transactions with the public, government agencies or fellow employees; application forms and other forms that serve as a basis for appointment, reassignment, promotion or other personnel action; vouchers; leave records and time and attendance records; work reports of any nature or accounts of any kind; affidavits; entry or record of any matter relating to or connected with an employee's duties; and reports of any moneys or securities received, held or paid to, for or on behalf of the United States.

§0.209 Use of Government vehicles.

Employees shall not use Government vehicles for unofficial purposes, including to transport unauthorized passengers. The use of Government vehicles for transporting employees between their domiciles and places of employment must be authorized by statute (See, e.g., 31 U.S.C. 1344).

§0.210 Conduct while on official duty or on Government property.

Employees must adhere to the regulations controlling conduct when they are on official duty or in or on Government property, including the Treasury Building, Treasury Annex Building and grounds; the Bureau of Engraving and Printing buildings and grounds; the

Office of the Secretary of the Treasury

§0.301

United States Mint buildings and grounds; the grounds of the Federal Law Enforcement Training Center; and Treasury-occupied General Services Administration buildings and grounds (see 31 CFR parts 91, 407, 605, 700).

§0.211 Soliciting, selling and canvassing.

Employees shall not solicit, make collections, canvass for the sale of any article, or distribute literature or advertising in any space occupied by the Department without appropriate authority.

§0.212 Influencing legislation or petitioning Congress.

(a) Employees shall not use Government time, money, or property to petition a Member of Congress to favor or oppose any legislation. This prohibition does not apply to the official handling, through the proper channels, of matters relating to legislation in which the Department of the Treasury has an interest.

(b) Employees, individually or collectively, may petition Congress or Members of Congress or furnish information to either House of Congress when not using Government time, money or property (5 U.S.C. 7211).

§0.213 General conduct prejudicial to the Government.

Employees shall not engage in criminal, infamous, dishonest, or notoriously disgraceful conduct, or any other conduct prejudicial to the Government.

§0.214 Nondiscrimination.

(a) Employees shall not discriminate against or harass any other employee, applicant for employment or person dealing with the Department on official business on the basis of race, color, religion, national origin, sex, sexual orientation, age, or disability. Sexual harassment is a form of sex discrimination and is prohibited by this section.

(b) An employee who engages in discriminatory conduct may be disciplined under these rules. However, this section does not create any enforceable legal rights in any person.

§0.215 Possession of weapons and explosives.

(a) Employees shall not possess firearms, explosives, or other dangerous or deadly weapons, either openly or concealed, while on Government property or official duty.

(b) The prohibition in paragraph (a) of this section does not apply to employees who are required to possess weapons or explosives in the performance of their official duties.

§0.216 Privacy Act.

Employees involved in the design, development, operation, or maintenance of any system of records or in maintaining records subject to the Privacy Act of 1974, as amended (5 U.S.C. 552a), shall comply with the conduct regulations delineated in 31 CFR 1.28(b).

§0.217 Personal financial interests.

(a) Employees may hold the following financial interests without violating 18 U.S.C. 208(a):

(1) The stocks or bonds of a publicly traded corporation with a value of \$1000 or less; and

(2) The stocks or bonds in the investment portfolio of a diversified mutual fund in which an employee has invested.

(b) The Department has found that the financial interests listed in paragraph (a) of this section are too remote and inconsequential to affect the integrity of an employee's service.

Subpart C—Special Government Employees

§0.301 Applicability of subpart B.

The rules of conduct contained in subpart B of this part apply to special Government employees employed with the Treasury Department. The regulations contained in §0.201 of subpart B, concerning political activity, apply to special Government employees only on the days that they serve the Department. Treasury bureaus are responsible for informing special Government employees employed with them of the applicability of bureau specific statutes or regulations.

§ 0.302

§ 0.302 Service with other Federal agencies.

A special Government employee serving concurrently in the Department and in a Federal agency other than the Department is required to inform the Department and the agency in which he serves of the arrangement so that appropriate administrative measures may be taken.

Subpart D—Advisers to the Department

§ 0.401 Advisers to the Department.

(a) An adviser or advisory committee member includes an individual who provides advice to the Department as a representative of an outside group and is not an employee or special Government employee of the Department. Questions concerning whether an individual serves the Department in the capacity of an adviser, employee, or special Government employee shall be addressed to the Designated Agency Ethics Official or a Deputy Ethics Official.

(b) Advisers or advisory committee members are not required to follow the Rules and are not generally required by the Department to file financial disclosure statements; nevertheless, they should be guided by the regulations in this part covering such issues as public disclosure of official information (§ 0.206), conduct (§ 0.211 and § 0.213), and gifts or gratuities from Foreign governments (§ 0.203).

§ 1.1 General.

(a) Purpose and scope. (1) This subpart contains the regulations of the Department of the Treasury implementing the Freedom of Information Act (FOIA), 5 U.S.C. 552, as amended by the Electronic Freedom of Information Act Amendments of 1996. The regulations set forth procedures for requesting access to records maintained by the Department of the Treasury. These regulations apply to all components of the Department of the Treasury. Any reference in this subpart to the Department or its officials, employees, or records shall be deemed to refer also to the components or their officials, employees, or records. Persons interested in the records of a particular component should also consult the appendix to this subpart that pertains to that component. In connection with such re-

publication, and at other appropriate times, components may issue supplementary regulations applicable only to the component in question, which are consistent with these regulations. In the event of any actual or apparent inconsistency, these Departmental regulations shall govern. Persons interested in the records of a particular component should, therefore, also consult the Code of Federal Regulations for any rules or regulations promulgated specifically with respect to that component (see Appendices to this subpart for cross references). The head of each component is hereby authorized to substitute the officials designated and change the addresses specified in the appendix to this subpart applicable to the components. The components of the Department of the Treasury for the purposes of this subpart are the following offices and bureaus:

(vii) Office of Thrift Supervision.

(viii) Bureau of Engraving and Printing.

(ix) United States Mint.

(x) Financial Crimes Enforcement Network.

(2) For purposes of this subpart, the office of the legal counsel for the components listed in paragraphs (a)(1)(i)(W), (a)(1)(i)(X), (1)(i)(Y) and (a)(1)(ii) through (x) of this section, are to be considered a part of their respective component. Any office which is now in existence or may hereafter be established, which is not specifically listed or known to be a component of any of those listed above, shall be deemed a part of the Departmental Offices for the purpose of these regulations.

(b) *Definitions.* As used in this subpart, the following terms shall have the following meanings:

(1) *Agency* has the meaning given in 5 U.S.C. 551(1) and 5 U.S.C. 552(f).

(2) *Appeal* means a request for a review of an agency's determination with regard to a fee waiver, category of requester, expedited processing, or denial in whole or in part of a request for access to a record or records.

(3) *Bureau* means an entity of the Department of the Treasury that is authorized to act independently in disclosure matters.

(4) *Business information* means trade secrets or other commercial or financial information.

(5) *Business submitter* means any entity which provides business information to the Department of the Treasury or its bureaus and which has a proprietary interest in the information.

(6) *Computer software* means tools by which records are created, stored, and retrieved. Normally, computer software, including source code, object code, and listings of source and object codes, regardless of medium, are not agency records. However, when data are embedded within the software and cannot be extracted without the software, the software may have to be treated as an agency record. Proprietary (or copyrighted) software is not an agency record.

(7) *Confidential commercial information* means records provided to the government by a submitter that arguably contain material exempt from release under Exemption 4 of the Freedom of Information Act, 5 U.S.C. 552(b)(4), because disclosure could reasonably be expected to cause substantial competitive harm.

(8) *Duplication* refers to the process of making a copy of a record in order to respond to a FOIA request. Such copies can take the form of paper copy, microform, audio-visual materials, or machine readable documentation (*e.g.*, magnetic tape or disk), among others.

(9) *Electronic records* means those records and information which are created, stored, and retrievable by electronic means. This ordinarily does not include computer software, which is a tool by which to create, store, or retrieve electronic records.

(10) *Request* means any request for records made pursuant to 5 U.S.C. 552(a)(3).

(11) *Requester* means any person who makes a request for access to records.

(12) *Responsible official* means a disclosure officer or the head of the organizational unit having immediate custody of the records requested, or an official designated by the head of the organizational unit.

(13) *Review*, for fee purposes, refers to the process of examining records located in response to a commercial use request to determine whether any portion of any record located is permitted to be withheld. It also includes processing any records for disclosure; *e.g.*, doing all that is necessary to excise them and otherwise prepare them for release.

(14) *Search* includes all time spent looking for material that is responsive to a request, including page-by-page or line-by-line identification of material within records. Searches may be done manually or by automated means.

[65 FR 40504, June 30, 2000, as amended at 68 FR 55311, Sept. 25, 2003; 75 FR 743, Jan. 6, 2010]

§ 1.2 Information made available.

(a) *General*. The FOIA (5 U.S.C. 552) provides for access to information and records developed or maintained by Federal agencies. The provisions of sec-

tion 552 are intended to assure the right of the public to information. Generally, this section divides agency information into three major categories and provides methods by which each category of information is to be made available to the public. The three major categories of information are as follows:

(1) Information required to be published in the FEDERAL REGISTER (see § 1.3);

(2) Information required to be made available for public inspection and copying or, in the alternative, to be published and offered for sale (see § 1.4); and

(3) Information required to be made available to any member of the public upon specific request (see § 1.5).

(b) Subject only to the exemptions and exclusions set forth in 5 U.S.C. 552(b) and (c), any person shall be afforded access to information or records in the possession of any bureau of the Department of the Treasury, subject to the regulations in this subpart and any regulations of a bureau implementing or supplementing them.

(c) *Exemptions*. (1) The disclosure requirements of 5 U.S.C. 552(a) do not apply to certain matters which are exempt under 5 U.S.C. 552(b); nor do the disclosure requirements apply to certain matters which are excluded under 5 U.S.C. 552(c).

(2) Even though an exemption described in 5 U.S.C. 552(b) may be applicable to the information or records requested, a Treasury bureau may, if not precluded by law, elect under the circumstances of that request not to apply the exemption. The fact that the exemption is not applied by a bureau in response to a particular request shall have no precedential significance in processing other requests, but is merely an indication that, in the processing of the particular request, the bureau finds no necessity for applying the exemption.

§ 1.3 Publication in the Federal Register.

(a) *Requirement*. Subject to the application of the exemptions and exclusions in 5 U.S.C. 552(b) and (c) and subject to the limitations provided in 5 U.S.C. 552(a)(1), each Treasury bureau

§ 1.4

shall, in conformance with 5 U.S.C. 552(a)(1), separately state, publish and maintain current in the FEDERAL REGISTER for the guidance of the public the following information with respect to that bureau:

(1) Descriptions of its central and field organization and the established places at which, the persons from whom, and the methods whereby, the public may obtain information, make submittals or requests, or obtain decisions;

(2) Statements of the general course and method by which its functions are channeled and determined, including the nature and requirements of all formal and informal procedures available;

(3) Rules of procedure, descriptions of forms available or the places at which forms may be obtained, and instructions as to the scope and contents of all papers, reports, or examinations;

(4) Substantive rules of general applicability adopted as authorized by law, and statements of general policy or interpretations of general applicability formulated and adopted by the bureau; and

(5) Each amendment, revision, or repeal of matters referred to in paragraphs (a)(1) through (4) of this section.

(b) *The United States Government Manual*. The functions of each bureau are summarized in the description of the Department and its bureaus in the United States Government Manual, which is issued annually by the Office of the Federal Register.

§ 1.4 Public inspection and copying.

(a) *In general*. Subject to the application of the exemptions and exclusions described in 5 U.S.C. 552(b) and (c), each Treasury bureau shall, in conformance with 5 U.S.C. 552(a)(2), make available for public inspection and copying, or, in the alternative, promptly publish and offer for sale the following information with respect to the bureau:

(1) Final opinions, including concurring and dissenting opinions, and orders, made in the adjudication of cases;

(2) Those statements of policy and interpretations which have been adopted by the bureau but are not published in the FEDERAL REGISTER;

31 CFR Subtitle A (7–1–10 Edition)

(3) Its administrative staff manuals and instructions to staff that affect a member of the public;

(4) Copies of all records, regardless of form or format, which have been released to any person under 5 U.S.C. 552(a)(3), and which the bureau determines have become or are likely to become the subject of subsequent requests for substantially the same records because they are clearly of interest to the public at large. The determination that records have become or may become the subject of subsequent requests shall be made by the Responsible Official (as defined at § 1.1(b)(12)).

(5) A general index of the records referred to in paragraph (a)(4) of this section.

(b) *Information made available by computer telecommunications*. For records required to be made available for public inspection and copying pursuant to 5 U.S.C. 552(a)(2) (paragraphs (a)(1) through (4) of this section) which are created on or after November 1, 1996, as soon as practicable but no later than one year after such records are created, each bureau shall make such records available on the Internet.

(c) *Deletion of identifying details*. To prevent a clearly unwarranted invasion of personal privacy, or pursuant to an exemption in 5 U.S.C. 552(b), a Treasury bureau may delete information contained in any matter described in paragraphs (a)(1) through (4) of this section before making such matters available for inspection or publishing it. The justification for the deletion shall be explained fully in writing, and the extent of such deletion shall be indicated on the portion of the record which is made available or published, unless including that indication would harm an interest protected by the exemption in 5 U.S.C. 552(b) under which the deletion is made. If technically feasible, the extent of the deletion shall be indicated at the place in the record where the deletion was made.

(d) *Public reading rooms*. Each bureau of the Department of the Treasury shall make available for public inspection and copying, in a reading room or otherwise, the material described in paragraphs (a)(1) through (5) of this section. Fees for duplication shall be charged in accordance with § 1.7. See

the appendices to this subpart for the location of established bureau reading rooms.

(e) *Indexes.* (1) Each bureau of the Department of the Treasury shall maintain and make available for public inspection and copying current indexes identifying any material described in paragraphs (a)(1) through (3) of this section. In addition, each bureau shall promptly publish, quarterly or more frequently, and distribute (by sale or otherwise) copies of each index or supplement unless the head of each bureau (or a delegate) determines by order published in the FEDERAL REGISTER that the publication would be unnecessary and impractical, in which case the bureau shall nonetheless provide copies of the index on request at a cost not to exceed the direct cost of duplication.

(2) Each bureau shall make the index referred to in paragraph (a)(5) of this section available on the Internet by December 31, 1999.

§ 1.5 Specific requests for other records.

(a) *In general.* (1) Except for records made available under 5 U.S.C. 552(a)(1) and (a)(2), but subject to the application of the exemptions and exclusions described in 5 U.S.C. 552(b) and (c), each bureau of the Department of the Treasury shall promptly make the requested records available to any person in conformance with 5 U.S.C. 552(a)(3). The request must conform in every respect with the rules and procedures of this subpart and the applicable bureau's appendix to this subpart. Any request or appeal from the initial denial of a request that does not comply with the requirements in this subpart will not be considered subject to the time constraints of paragraphs (h), (i), and (j) of this section, unless and until the request is amended to comply. Bureaus shall promptly advise the requester in what respect the request or appeal is deficient so that it may be amended and resubmitted for consideration in accordance with this subpart. If a requester does not respond within 30 days to a communication from a bureau to amend the request in order for it to be in conformance with this subpart, the request file will be considered closed. When the request conforms with the re-

quirements of this subpart, bureaus shall make every reasonable effort to comply with the request within the time constraints. If the description of the record requested is of a type that is not maintained by the bureau, the requester shall be so advised and the request shall be returned to the requester.

(2) This subpart applies only to records in the possession or control of the bureau at the time of the request. Records considered to be responsive to the request are those in existence on or before the date of receipt of the request by the appropriate bureau official. Requests for the continuing production of records created after the date of the appropriate bureau official's receipt of the request shall not be honored. Bureaus shall provide the responsive record or records in the form or format requested if the record or records are readily reproducible by the bureau in that form or format. Bureaus shall make reasonable efforts to maintain their records in forms or formats that are reproducible for the purpose of disclosure. For purposes of this section, *readily reproducible* means, with respect to electronic format, a record or records that can be downloaded or transferred intact to a floppy disk, compact disk (CD), tape, or other electronic medium using equipment currently in use by the office or offices processing the request. Even though some records may initially be readily reproducible, the need to segregate exempt from nonexempt records may cause the releasable material to not be readily reproducible.

(3) Requests for information classified pursuant to Executive Order 12958, "Classified National Security Information," require the responsible bureau to review the information to determine whether it continues to warrant classification. Information which no longer warrants classification under the Executive Order's criteria shall be declassified and made available to the requester, unless the information is otherwise exempt from disclosure.

(4) When a bureau receives five or more requests for substantially the same records, it shall place those requests in front of an existing request backlog that the responsible official

§ 1.5

may have. Upon completion of processing, the released records shall be made available in the bureau's public reading room, and if created on or after November 1, 1996, shall be made available in the electronic reading room of the bureau's web site.

(b) *Form of request.* In order to be subject to the provisions of this section, the following must be satisfied.

(1) The request for records shall be made in writing, signed by the person making the request, and state that it is made pursuant to the Freedom of Information Act, 5 U.S.C. 552, or this subpart.

(2) The request shall indicate whether the requester is a commercial user, an educational institution, non-commercial scientific institution, representative of the news media, or "other" requester, subject to the fee provisions described in § 1.7. In order for the Department to determine the proper category for fee purposes as defined in this section, a request for records shall also state how the records released will be used. This information shall not be used to determine the releasability of any record or records. A determination of the proper category of requester shall be based upon a review of the requester's submission and the bureau's own records. Where a bureau has reasonable cause to doubt the use to which a requester will put the records sought, or where that use is not clear from the request itself, bureaus should seek additional clarification before assigning the request to a specific category. The categories of requesters are defined as follows:

(i) *Commercial.* A commercial use request refers to a request from or on behalf of one who seeks information for a use or purpose that furthers the commercial, trade, or profit interests of the requester or the person on whose behalf the request is made, which can include furthering those interests through litigation. The bureaus may determine from the use specified in the request that the requester is a commercial user.

(ii) *Educational institution.* This refers to a preschool, a public or private elementary or secondary school, an institution of graduate higher education, an institution of undergraduate higher

31 CFR Subtitle A (7-1-10 Edition)

education, an institution of professional education, and an institution of vocational education, which operates a program or programs of scholarly research. This category does not include requesters wanting records for use in meeting individual academic research or study requirements.

(iii) *Non-commercial scientific institution.* This refers to an institution that is not operated on a "commercial" basis as that term is defined in paragraph (b)(2)(i) of this section, and which is operated solely for the purpose of conducting scientific research, the results of which are not intended to promote any particular product or industry.

(iv) *Representative of the news media.* This refers to any person actively gathering news for an entity that is organized and operated to publish or broadcast news to the public. The term *news* means information that is about current events or that would be of current interest to the public. Examples of news media entities include television or radio stations broadcasting to the public at large, and publishers of periodicals (but only in those instances when they can qualify as disseminators of "news") who make their products available for purchase or subscription by the general public. These examples are not intended to be all-inclusive. In the case of "freelance" journalists, they may be regarded as working for a news organization if they can demonstrate a solid basis for expecting publication through that organization, even though not actually employed by it. A publication contract would be the clearest proof, but bureaus may also look to the past publication record of a requester in making this determination.

(v) *"Other" Requester.* This refers to a requester who does not fall within any of the previously described categories.

(3) The request must be properly addressed to the bureau that maintains the record. The functions of each bureau are summarized in *The United States Government Manual* which is issued annually and is available from the Superintendent of Documents. Both the envelope and the request itself should be clearly marked "Freedom of Information Act Request." See

the appendices to this subpart for the office or officer to which requests shall be addressed for each bureau. A requester in need of guidance in defining a request or determining the proper bureau to which a request should be sent may contact Disclosure Services at 202/622-0930, or may write to Disclosure Services, Department of the Treasury, 1500 Pennsylvania Avenue, NW, Washington, DC 20220. Requesters may access the "FOIA Home Page" at the Department of the Treasury World Wide Web site at: <http://www.treas.gov>.

(4) The request must reasonably describe the records in accordance with paragraph (d) of this section.

(5) The request must set forth the address where the person making the request wants to be notified about whether or not the request will be granted.

(6) The request must state whether the requester wishes to inspect the records or desires to have a copy made and furnished without first inspecting them.

(7) The request must state the firm agreement of the requester to pay the fees for search, duplication, and review as may ultimately be determined in accordance with § 1.7. The agreement may state the upper limit (but not less than \$25) that the requester is willing to pay for processing the request. A request that fees be waived or reduced may accompany the agreement to pay fees and shall be considered to the extent that such request is made in accordance with § 1.7(d) and provides supporting information to be measured against the fee waiver standard set forth in § 1.7(d)(1). The requester shall be notified in writing of the decision to grant or deny the fee waiver. A requester shall be asked to provide an agreement to pay fees when the request for a fee waiver or reduction is denied and the initial request for records does not include such agreement. If a requester has an outstanding balance of search, review, or duplication fees due for FOIA request processing, the requirements of this paragraph are not met until the requester has remitted the outstanding balance due.

(c) *Requests for records not in control of bureau; referrals; consultations.* (1) When a requested record is in the possession

or under the control of a bureau of the Department other than the office to which the request is addressed, the request for the record shall be transferred to the appropriate bureau and the requester notified. This referral shall not be considered a denial of access within the meaning of these regulations. The bureau of the Department to which this referral is made shall treat this request as a new request addressed to it and the time limits for response set forth by paragraph (h)(1) of this section shall begin when the referral is received by the designated office or officer of the bureau.

(2) When a requested record has been created by an agency or Treasury bureau other than the Treasury bureau possessing the record, the bureau having custody of the record shall refer the record to the originating agency or Treasury bureau for a direct response to the requester. The requester shall be informed of the referral unless otherwise instructed by the originating agency. This is not a denial of a FOIA request; thus no appeal rights accrue to the requester.

(3) When a FOIA request is received for a record created by a Treasury bureau that includes information originated by another bureau of the Department of the Treasury or another agency, the record shall be referred to the originating agency or bureau for review and recommendation on disclosure. The agency or bureau shall respond to the referring office. The Treasury bureau shall not release any such records without prior consultation with the originating bureau or agency.

(4) In certain instances and at the discretion of the Departmental Offices, requests having impact on two or more bureaus of the Department may be coordinated by the Departmental Offices.

(d) *Reasonable description of records.* The request for records must describe the records in reasonably sufficient detail to enable employees who are familiar with the subject area of the request to locate the records without placing an unreasonable burden upon the Department. Whenever possible, a request should include specific information about each record sought, such as the date, title or name, author, recipients,

§ 1.5

and subject matter of the record. If the Department determines that the request does not reasonably describe the records sought, the requester shall be given an opportunity to provide additional information. Such opportunity may, when necessary, involve a discussion with knowledgeable Department of the Treasury personnel. The reasonable description requirement shall not be used by officers or employees of the Department of the Treasury to improperly withhold records from the public.

(e) *Requests for expedited processing.*

(1) When a request for records includes a request for expedited processing, both the envelope and the request itself must be clearly marked, "Expedited Processing Requested."

(2) Records will be processed as soon as practicable when a requester asks for expedited processing in writing and is granted such expedited treatment by the Department. The requester must demonstrate a compelling need for expedited processing of the requested records. A compelling need is defined as follows:

(i) Failure to obtain the requested records on an expedited basis could reasonably be expected to pose an imminent threat to the life or physical safety of an individual. The requester shall fully explain the circumstances warranting such an expected threat so that the Department may make a reasoned determination that a delay in obtaining the requested records could pose such a threat; or

(ii) With respect to a request made by a person primarily engaged in disseminating information, urgency to inform the public concerning actual or alleged Federal Government activity. A person "primarily engaged in disseminating information" does not include individuals who are engaged only incidentally in the dissemination of information. The standard of "urgency to inform" requires that the records requested pertain to a matter of current exigency to the American public and that delaying a response to a request for records would compromise a significant recognized interest to and throughout the American general public. The requester must adequately explain the matter or activity and why the records sought

31 CFR Subtitle A (7-1-10 Edition)

are necessary to be provided on an expedited basis.

(3) A demonstration of a compelling need by a person making a request for expedited processing shall be made by a statement certified by the requester to be true and correct to the best of his or her knowledge and belief. The statement must be in the form prescribed by 28 U.S.C. 1746, "I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge and belief. Executed on [date]."

(4) Upon receipt by the appropriate bureau official, a request for expedited processing shall be considered and a determination as to whether to grant or deny the request for expedited processing shall be made, and the requester notified, within 10 calendar days of the date of the request. However, in no event shall the bureau have fewer than five days (excluding Saturdays, Sundays, and legal public holidays) from the date of receipt of the request for such processing. The determination to grant or deny a request for expedited processing may be made solely on the information contained in the initial letter requesting expedited treatment.

(5) Appeals of initial determinations to deny expedited processing must be made within 10 calendar days of the date of the initial letter of determination denying expedited processing. Both the envelope and the appeal itself shall be clearly marked, "Appeal for Expedited Processing."

(6) An appeal determination regarding expedited processing shall be made, and the requester notified, within 10 days (excluding Saturdays, Sundays, and legal public holidays) from the date of receipt of the appeal.

(f) *Date of receipt of request.* A request for records shall be considered to have been received on the date on which a complete request containing the information required by paragraph (b) of this section has been received. A determination that a request is deficient in any respect is not a denial of access, and such determinations are not subject to administrative appeal. Requests shall be stamped with the date of receipt by the office prescribed in the appropriate appendix. As soon as the date of receipt has been established, the requester shall be so informed and shall

also be advised when to expect a response. The acknowledgment of receipt requirement shall not apply if a disclosure determination will be issued prior to the end of the 20-day time limit.

(g) *Search for record requested.* Department of the Treasury employees shall search to identify and locate requested records, including records stored at Federal Records Centers. Searches for records maintained in electronic form or format may require the application of codes, queries, or other minor forms of programming to retrieve the requested records. Wherever reasonable, searches shall be done by electronic means. However, searches of electronic records are not required when such searches would significantly interfere with the operation of a Treasury automated information system or would require unreasonable effort to conduct. The Department of the Treasury is not required under 5 U.S.C. 552 to tabulate or compile information for the purpose of creating a record or records that do not exist.

(h) *Initial determination*—(1) *In general.* The officers designated in the appendices to this part shall make initial determinations either to grant or to deny in whole or in part requests for records. Such officers shall respond in the approximate order of receipt of the requests, to the extent consistent with sound administrative practice. These determinations shall be made and the requester notified within 20 days (excepting Saturdays, Sundays, and legal public holidays) after the date of receipt of the request, as determined in accordance with paragraph (f) of this section, unless the designated officer invokes an extension pursuant to paragraph (j)(1) of this section or the requester otherwise agrees to an extension of the 20-day time limitation.

(2) *Granting of request.* If the request is granted in full or in part, and if the requester wants a copy of the records, a copy of the records shall be mailed to the requester, together with a statement of the applicable fees, either at the time of the determination or shortly thereafter.

(3) *Inspection of records.* In the case of a request for inspection, the requester shall be notified in writing of the determination, when and where the re-

quested records may be inspected, and of the fees incurred in complying with the request. The records shall then promptly be made available for inspection at the time and place stated, in a manner that will not interfere with Department of the Treasury operations and will not exclude other persons from making inspections. The requester shall not be permitted to remove the records from the room where inspection is made. If, after making inspection, the requester desires copies of all or a portion of the requested records, copies shall be furnished upon payment of the established fees prescribed by § 1.7. Fees may be charged for search and review time as stated in § 1.7.

(4) *Denial of request.* If it is determined that the request for records should be denied in whole or in part, the requester shall be notified by mail. The letter of notification shall:

(i) State the exemptions relied on in not granting the request;

(ii) If technically feasible, indicate the amount of information deleted at the place in the record where such deletion is made (unless providing such indication would harm an interest protected by the exemption relied upon to deny such material);

(iii) Set forth the name and title or position of the responsible official;

(iv) Advise the requester of the right to administrative appeal in accordance with paragraph (i) of this section; and

(v) Specify the official or office to which such appeal shall be submitted.

(5) *No records found.* If it is determined, after a thorough search for records by the responsible official or his delegate, that no records have been found to exist, the responsible official will so notify the requester in writing. The letter of notification will advise the requester of the right to administratively appeal the Department's determination that no records exist (*i.e.*, to challenge the adequacy of the Department's search for responsive records) in accordance with paragraph (i) of this section. The response shall specify the official or office to which the appeal shall be submitted for review.

(i) *Administrative appeal.* (1)(i) A requester may appeal a Department of

§ 1.5

the Treasury initial determination when:

(A) Access to records has been denied in whole or in part;

(B) There has been an adverse determination of the requester's category as provided in §1.7(d)(4);

(C) A request for fee waiver or reduction has been denied;

(D) It has been determined that no responsive records exist; or

(E) A request for expedited processing has been denied.

(ii) An appeal, other than an appeal for expedited processing, must be submitted within 35 days of the date of the initial determination or the date of the letter transmitting the last records released, whichever is later, except in the case of a denial for expedited processing. An appeal of a denial for expedited processing must be made within 10 days of the date of the initial determination to deny expedited processing (see §1.5(e)(5)). All appeals must be submitted to the official specified in the appropriate appendix to this subpart whose title and address should also have been included in the initial determination. An appeal that is improperly addressed shall be considered not to have been received by the Department until the office specified in the appropriate appendix receives the appeal.

(2) The appeal shall—

(i) Be made in writing and signed by the requester or his or her representative;

(ii) Be addressed to and mailed or hand delivered within 35 days (or within 10 days when expedited processing has been denied) of the date of the initial determination, or the date of the letter transmitting the last records released, whichever is later, to the office or officer specified in the appropriate appendix to this subpart and also in the initial determination. (See the appendices to this subpart for the address to which appeals made by mail should be addressed);

(iii) Set forth the address where the requester desires to be notified of the determination on appeal;

(iv) Specify the date of the initial request and date of the letter of initial determination, and, where possible, enclose a copy of the initial request and

31 CFR Subtitle A (7–1–10 Edition)

the initial determination being appealed.

(3)(i) Appeals shall be stamped with the date of their receipt by the office to which addressed, and shall be processed in the approximate order of their receipt. The receipt of the appeal shall be acknowledged by the office or officer specified in the appropriate appendix to this subpart and the requester advised of the date the appeal was received and the expected date of response. The decision to affirm the initial determination (in whole or in part) or to grant the request for records shall be made and notification of the determination mailed within 20 days (exclusive of Saturdays, Sundays, and legal public holidays) after the date of receipt of the appeal, unless extended pursuant to paragraph (j)(1) of this section. If it is decided that the initial determination is to be upheld (in whole or in part) the requester shall be—

(A) Notified in writing of the denial;

(B) Notified of the reasons for the denial, including the FOIA exemptions relied upon;

(C) Notified of the name and title or position of the official responsible for the determination on appeal; and

(D) Provided with a statement that judicial review of the denial is available in the United States District Court for the judicial district in which the requester resides or has a principal place of business, the judicial district in which the requested records are located, or the District of Columbia in accordance with 5 U.S.C. 552(a)(4)(B).

(ii) If the initial determination is reversed on appeal, the requester shall be so notified and the request shall be processed promptly in accordance with the decision on appeal.

(4) If a determination cannot be made within the 20-day period (or within a period of extension pursuant to paragraph (j)(1) of this section), the requester may be invited to agree to a voluntary extension of the 20-day appeal period. This voluntary extension shall not constitute a waiver of the right of the requester ultimately to commence an action in a United States district court.

Office of the Secretary of the Treasury

§ 1.5

(j) *Time extensions; unusual circumstances.* (1) In unusual circumstances, the time limitations specified in paragraphs (h) and (i) of this section may be extended by written notice from the official charged with the duty of making the determination to the person making the request or appeal setting forth the reasons for this extension and the date on which the determination is expected to be sent. As used in this paragraph, *unusual circumstances* means, but only to the extent reasonably necessary to the proper processing of the particular requests:

(i) The need to search for and collect the requested records from field facilities or other establishments that are separate from the office processing the request;

(ii) The need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records which are demanded in a single request; or

(iii) The need for consultation, which shall be conducted with all practicable speed, with another agency having a substantial interest in the determination of the request, or among two or more bureaus or components of bureaus of the Department of the Treasury having substantial subject matter interest therein.

(2) Any extension or extensions of time shall not cumulatively total more than 10 days (exclusive of Saturdays, Sundays, and legal public holidays). However, if additional time is needed to process the request, the bureau shall notify the requester and provide the requester an opportunity to limit the scope of the request or arrange for an alternative time frame for processing the request or a modified request. The requester shall retain the right to define the desired scope of the request, as long as it meets the requirements contained in this subpart.

(3) Bureaus may establish multitrack processing of requests based on the amount of work or time, or both, involved in processing requests.

(4) If more than one request is received from the same requester, or from a group of requesters acting in concert, and the Department believes that such requests constitute a single

request which would otherwise satisfy the unusual circumstances specified in paragraph (j)(1) of this section, and the requests involve clearly related matters, the Department may aggregate these requests for processing purposes.

(k) *Failure to comply.* If a bureau of the Department of the Treasury fails to comply with the time limits specified in paragraphs (h) or (i) of this section, or the time extensions of paragraph (j) of this section, any person making a request for records in accordance with § 1.5 shall be considered to have exhausted administrative remedies with respect to the request. Accordingly, the person making the request may initiate suit as set forth in paragraph (l) of this section.

(l) *Judicial review.* If an adverse determination is made upon appeal pursuant to paragraph (i) of this section, or if no determination is made within the time limits specified in paragraphs (h) and (i) of this section, together with any extension pursuant to paragraph (j)(1) of this section or within the time otherwise agreed to by the requester, the requester may commence an action in a United States district court in the district in which he resides, in which his principal place of business is located, in which the records are situated, or in the District of Columbia, pursuant to 5 U.S.C. 552(a)(4).

(m) *Preservation of records.* Under no circumstances shall records be destroyed while they are the subject of a pending request, appeal, or lawsuit under the FOIA.

(n) *Processing requests that are not properly addressed.* A request that is not properly addressed as specified in the appropriate appendix to this subpart shall be forwarded to the appropriate bureau or bureaus for processing. If the recipient of the request does not know the appropriate bureau to forward it to, the request shall be forwarded to the Departmental Disclosure Officer (Disclosure Services, DO), who will determine the appropriate bureau. A request not addressed to the appropriate bureau will be considered to have been received for purposes of paragraph (f) of this section when the request has

§ 1.6

been received by the appropriate bureau office as designated in the appropriate appendix to this subpart. An improperly addressed request, when received by the appropriate bureau office, shall be acknowledged by that bureau.

§ 1.6 Business information.

(a) *In general.* Business information provided to the Department of the Treasury by a business submitter shall not be disclosed pursuant to a Freedom of Information Act request except in accordance with this section.

(b) *Notice to business submitters.* A bureau shall provide a business submitter with prompt written notice of receipt of a request or appeal encompassing its business information whenever required in accordance with paragraph (c) of this section, and except as is provided in paragraph (g) of this section. Such written notice shall either describe the exact nature of the business information requested or provide copies of the records or portions of records containing the business information.

(c) *When notice is required.* The bureau shall provide a business submitter with notice of receipt of a request or appeal whenever:

(1) The business submitter has in good faith designated the information as commercially or financially sensitive information, or

(2) The bureau has reason to believe that disclosure of the information could reasonably be expected to cause substantial competitive harm.

(3) Notice of a request for business information falling within paragraph (c)(1) or (2) of this section shall be required for a period of not more than ten years after the date of submission unless the business submitter requests, and provides acceptable justification for, a specific notice period of greater duration.

(4) The submitter's claim of confidentiality should be supported by a statement by an authorized representative of the company providing specific justification that the information in question is in fact confidential commercial or financial information and has not been disclosed to the public.

(d) *Opportunity to object to disclosure.* (1) Through the notice described in

31 CFR Subtitle A (7-1-10 Edition)

paragraph (b) of this section, a bureau shall afford a business submitter ten days from the date of the notice (exclusive of Saturdays, Sundays, and legal public holidays) to provide the bureau with a detailed statement of any objection to disclosure. Such statement shall specify all grounds for withholding any of the information under any exemption of the Freedom of Information Act and, in the case of Exemption 4, shall demonstrate why the information is considered to be a trade secret or commercial or financial information that is privileged or confidential. Information provided by a business submitter pursuant to this paragraph may itself be subject to disclosure under the FOIA.

(2) When notice is given to a submitter under this section, the requester shall be advised that such notice has been given to the submitter. The requester shall be further advised that a delay in responding to the request may be considered a denial of access to records and that the requester may proceed with an administrative appeal or seek judicial review, if appropriate. However, the requester will be invited to agree to a voluntary extension of time so that the bureau may review the business submitter's objection to disclose.

(e) *Notice of intent to disclose.* A bureau shall consider carefully a business submitter's objections and specific grounds for nondisclosure prior to determining whether to disclose business information. Whenever a bureau decides to disclose business information over the objection of a business submitter, the bureau shall forward to the business submitter a written notice which shall include:

(1) A statement of the reasons for which the business submitter's disclosure objections were not sustained;

(2) A description of the business information to be disclosed; and

(3) A specified disclosure date which is not less than ten days (exclusive of Saturdays, Sundays, and legal public holidays) after the notice of the final decision to release the requested information has been mailed to the submitter. Except as otherwise prohibited by law, a copy of the disclosure notice

shall be forwarded to the requester at the same time.

(f) *Notice of FOIA lawsuit.* Whenever a requester brings suit seeking to compel disclosure of business information covered by paragraph (c) of this section, the bureau shall promptly notify the business submitter.

(g) *Exception to notice requirement.* The notice requirements of this section shall not apply if:

(1) The bureau determines that the information shall not be disclosed;

(2) The information lawfully has been published or otherwise made available to the public; or

(3) Disclosure of the information is required by law (other than 5 U.S.C. 552).

§ 1.7 Fees for services.

(a) *In general.* This fee schedule is applicable uniformly throughout the Department of the Treasury and pertains to requests processed under the Freedom of Information Act. Specific levels of fees are prescribed for each of the following categories of requesters. Requesters are asked to identify the applicable fee category they belong to in their initial request in accordance with § 1.5(b).

(1) *Commercial use requesters.* These requesters are assessed charges which recover the full direct costs of searching for, reviewing, and duplicating the records sought. Commercial use requesters are not entitled to two hours of free search time or 100 free pages of duplication of documents. Moreover, when a request is received for disclosure that is primarily in the commercial interest of the requester, the Department is not required to consider a request for a waiver or reduction of fees based upon the assertion that disclosure would be in the public interest. The Department may recover the cost of searching for and reviewing records even if there is ultimately no disclosure of records, or no records are located.

(2) *Educational and Non-Commercial Scientific Institution Requesters.* Records shall be provided to requesters in these categories for the cost of duplication alone, excluding charges for the first 100 pages. To be eligible, requesters must show that the request is made

under the auspices of a qualifying institution and that the records are not sought for a commercial use, but are sought in furtherance of scholarly (if the request is from an educational institution) or scientific (if the request is from a non-commercial scientific institution) research. These categories do not include requesters who want records for use in meeting individual academic research or study requirements.

(3) *Requesters who are Representatives of the News Media.* Records shall be provided to requesters in this category for the cost of duplication alone, excluding charges for the first 100 pages.

(4) *All Other Requesters.* Requesters who do not fit any of the categories described above shall be charged fees that will recover the full direct cost of searching for and duplicating records that are responsive to the request, except that the first 100 pages of duplication and the first two hours of search time shall be furnished without charge. The Department may recover the cost of searching for records even if there is ultimately no disclosure of records, or no records are located. Requests from persons for records about themselves filed in the Department's systems of records shall continue to be treated under the fee provisions of the Privacy Act of 1974 which permit fees only for duplication, after the first 100 pages are furnished free of charge.

(b) *Fee waiver determination.* Where the initial request includes a request for reduction or waiver of fees, the responsible official shall determine whether to grant the request for reduction or waiver before processing the request and notify the requester of this decision. If the decision does not waive all fees, the responsible official shall advise the requester of the fact that fees shall be assessed and, if applicable, payment must be made in advance pursuant to § 1.7(e)(2).

(c) *When fees are not charged.* (1) No fee shall be charged for monitoring a requester's inspection of records.

(2) Fees shall be charged in accordance with the schedule contained in paragraph (g) of this section for services rendered in responding to requests for records, unless any one of the following applies:

§ 1.7

(i) Services were performed without charge;

(ii) The cost of collecting a fee would be equal to or greater than the fee itself; or,

(iii) The fees were waived or reduced in accordance with paragraph (d) of this section.

(d) *Waiver or reduction of fees.* (1) Fees may be waived or reduced on a case-by-case basis in accordance with this paragraph by the official who determines the availability of the records, provided such waiver or reduction has been requested in writing. Fees shall be waived or reduced by this official when it is determined, based upon the submission of the requester, that a waiver or reduction of the fees is in the public interest because furnishing the information is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in the commercial interest of the requester. Fee waiver/reduction requests shall be evaluated against the fee waiver policy guidance issued by the Department of Justice on April 2, 1987.

(2) Normally no charge shall be made for providing records to state or foreign governments, international governmental organizations, or local government agencies or offices.

(3) Appeals from denials of requests for waiver or reduction of fees shall be decided in accordance with the criteria set forth in paragraph (d)(1) of this section by the official authorized to decide appeals from denials of access to records. Appeals shall be addressed in writing to the office or officer specified in the appropriate appendix to this subpart within 35 days of the denial of the initial request for waiver or reduction and shall be decided within 20 days (excluding Saturdays, Sundays, and legal public holidays).

(4) Appeals from an adverse determination of the requester's category as described in § 1.5(b)(2) and provided in § 1.5(i)(1) shall be decided by the official authorized to decide appeals from denials of access to records and shall be based upon a review of the requester's submission and the bureau's own records. Appeals shall be addressed in writing to the office or officer specified in the appropriate appendix to this sub-

31 CFR Subtitle A (7-1-10 Edition)

part within 35 days of the date of the bureau's determination of the requester's category and shall be decided within 20 days (excluding Saturdays, Sundays, and legal public holidays).

(e) *Advance notice of fees.* (1) When the fees for processing the request are estimated to exceed the limit set by the requester, and that amount is less than \$250, the requester shall be notified of the estimated costs. The requester must provide an agreement to pay the estimated costs; however, the requester shall also be given an opportunity to reformulate the request in an attempt to reduce fees.

(2) If the requester has failed to state a limit and the costs are estimated to exceed \$250.00, the requester shall be notified of the estimated costs and must pre-pay such amount prior to the processing of the request, or provide satisfactory assurance of full payment if the requester has a history of prompt payment of FOIA fees. The requester shall also be given an opportunity to reformulate the request in such a way as to constitute a request for responsive records at a reduced fee.

(3) When the Department or a bureau of the Department acts under paragraphs (e)(1) or (2) of this section, the administrative time limits of 20 days (excluding Saturdays, Sundays, and legal public holidays) from receipt of initial requests or appeals, plus extensions of these time limits, shall begin only after fees have been paid, a written agreement to pay fees has been provided, or a request has been reformulated.

(f) *Form of payment.* (1) Payment may be made by check or money order payable to the Treasury of the United States or the relevant bureau of the Department of the Treasury.

(2) The Department of the Treasury reserves the right to request prepayment after a request is processed and before documents are released.

(3) When costs are estimated or determined to exceed \$250, the Department shall either obtain satisfactory assurance of full payment of the estimated cost where the requester has a history of prompt payment of FOIA fees or require a requester to make an

Office of the Secretary of the Treasury

§ 1.7

advance payment of the entire estimated or determined fee before continuing to process the request.

(4) If a requester has previously failed to pay a fee within 30 days of the date of the billing, the requester shall be required to pay the full amount owed plus any applicable interest, and to make an advance payment of the full amount of the estimated fee before the Department begins to process a new request or the pending request. Whenever interest is charged, the Department shall begin assessing interest on the 31st day following the day on which billing was sent. Interest shall be at the rate prescribed in 31 U.S.C. 3717. In addition, the Department shall take all steps authorized by the Debt Collection Act of 1982, as amended by the Debt Collection Improvement Act of 1996, including administrative offset pursuant to 31 CFR Part 5, disclosure to consumer reporting agencies and use of collection agencies, to effect payment.

(g) *Amounts to be charged for specific services.* The fees for services performed by a bureau of the Department of the Treasury shall be imposed and collected as set forth in this paragraph.

(1) *Duplicating records.* All requesters, except commercial requesters, shall receive the first 100 pages duplicated without charge. Absent a determination to waive fees, a bureau shall charge requesters as follows:

(i) \$.20 per page, up to 8½×14", made by photocopy or similar process.

(ii) Photographs, films, and other materials—actual cost of duplication.

(iii) Other types of duplication services not mentioned above—actual cost.

(iv) Material provided to a private contractor for copying shall be charged to the requester at the actual cost charged by the private contractor.

(2) *Search services.* Bureaus shall charge for search services consistent with the following:

(i) *Searches for other than electronic records.* The Department shall charge for search time at the salary rate(s) (basic pay plus 16 percent) of the employee(s) making the search. However, where a single class of personnel is used exclusively (e.g., all administrative/clerical, or all professional/executive), an average rate for the range of grades typically involved may be es-

tablished. This charge shall include transportation of personnel and records necessary to the search at actual cost. Fees may be charged for search time as prescribed in § 1.7, even if the search does not yield any responsive records, or if records are denied.

(ii) *Searches for electronic records.* The Department shall charge for actual direct cost of the search, including computer search time, runs, and the operator's salary. The fee for computer output shall be actual direct costs. For requesters in the "all other" category, when the cost of the search (including the operator time and the cost of operating the computer to process a request) equals the equivalent dollar amount of two hours of the salary of the person performing the search (i.e., the operator), the charge for the computer search will begin.

(3) *Review of records.* The Department shall charge commercial use requesters for review of records at the salary rate(s) (i.e., basic pay plus 16 percent) of the employee(s) making the review. However, when a single class of personnel is used exclusively (e.g., all administrative/clerical, or all professional/executive), an average rate for the range of grades typically involved may be established. Fees may be charged for review time as prescribed in § 1.7, even if records ultimately are not disclosed.

(4) *Inspection of records.* Fees for all services provided shall be charged whether or not copies are made available to the requester for inspection.

(5) *Other services.* Other services and materials requested which are not covered by this part nor required by the FOIA are chargeable at the actual cost to the Department. This includes, but is not limited to:

(i) Certifying that records are true copies;

(ii) Sending records by special methods such as express mail, etc.

(h) *Aggregating requests.* When the Department or a bureau of the Department reasonably believes that a requester or group of requesters is attempting to break a request down into a series of requests for the purpose of evading the assessment of fees, the agency shall aggregate any such requests and charge accordingly.

Subpart B—Other Disclosure Provisions

§ 1.8 Scope.

The regulations in this subpart concern access to information and records other than under 5 U.S.C. 552. This subpart is applicable to the Departmental Offices and to the bureaus of the Department as defined in § 1.1(a) of this part, except to the extent that bureaus of the Department have adopted separate guidance governing the subject matter of a provision of this subpart.

[69 FR 54003, Sept. 7, 2004]

§ 1.9 Records not to be otherwise withdrawn or disclosed.

Except in accordance with this part, or as otherwise authorized, Treasury Department officers and employees are prohibited from making records or duplicates available to any person who is not an officer or employee of the Department, and are prohibited from withdrawing any such records or duplicates from the files, possession or control of the Department.

[69 FR 54003, Sept. 7, 2004]

§ 1.10 Oral information.

(a) Officers and employees of the Department may, in response to requests, orally provide information contained in records of the Department that are determined to be available to the public. If the obtaining of such information requires a search of records, a written request and the payment of the fee for a record search set forth in § 1.6 will be required.

(b) Information with respect to activities of the Department not a matter of record shall not be disclosed if the information involves matters exempt from disclosure under 5 U.S.C. 552 or the regulations in this part, or if the disclosure of such information would give the person requesting the information advantages not accorded to other citizens.

[69 FR 54003, Sept. 7, 2004]

§ 1.11 Testimony or the production of records in a court or other proceeding.

(a) *Applicability.* (1) This section sets forth the policies and procedures of the Department regarding the testimony of employees and former employees as witnesses in legal proceedings and the production or disclosure of information contained in Department documents for use in legal proceedings pursuant to a request, order, or subpoena (collectively referred to in this subpart as a demand).

(2) This section does not apply to any legal proceeding in which an employee is to testify while on leave status regarding facts or events that are unrelated to the official business of the Department.

(3)(i) Nothing in this section affects the rights and procedures governing public access to records pursuant to the Freedom of Information Act (5 U.S.C. 552) or the Privacy Act (5 U.S.C. 552a).

(ii) Demands in legal proceedings for the production of records, or for the testimony of Department employees regarding information protected by the Privacy Act (5 U.S.C. 552a), the Trade Secrets Act (18 U.S.C. 1905) or other confidentiality statutes, must satisfy the requirements for disclosure set forth in those statutes and the applicable regulations of this part before the records may be provided or testimony given.

(4) This section is intended only to provide guidance for the internal operations of the Department and to inform the public about Department procedures concerning the service of process and responses to demands or requests, and the procedures specified in this section, or the failure of any Treasury employee to follow the procedures specified in this section, are not intended to, do not, and may not be relied upon to create a right or benefit, substantive or procedural, enforceable at law by a party against the United States.

(b) *Definitions.* For purposes of this section:

(1) *Agency counsel* means:

(i) With respect to the Departmental Offices, the General Counsel or his or her designee; or

§ 1.11

(ii) With respect to a bureau or office of the Department, the Chief Counsel or Legal Counsel (or his or her designee) of such bureau or office.

(2) *Demand* means a request, order, or subpoena for testimony or documents related to or for possible use in a legal proceeding.

(3) *Department* means the United States Department of the Treasury.

(4) *Document* means any record or other property, no matter what media and including copies thereof, held by the Department, including without limitation, official letters, telegrams, memoranda, reports, studies, calendar and diary entries, maps, graphs, pamphlets, notes, charts, tabulations, analyses, statistical or informational accumulations, any kind of summaries of meetings and conversations, film impressions, magnetic tapes and sound or mechanical reproductions.

(5) *Employee* means all employees or officers of the Department, including contractors and any other individuals who have been appointed by, or are subject to the supervision, jurisdiction or control of the Secretary, as well as the Secretary of the Treasury. The procedures established within this subpart also apply to former employees of the Department where specifically noted.

(6) *General Counsel* means the General Counsel of the Department or other Department employee to whom the General Counsel has delegated authority to act under this subpart.

(7) *Legal proceeding* means all pre-trial, trial and post trial stages of all existing or reasonably anticipated judicial or administrative actions, hearings, investigations, or similar proceedings before courts, commissions, boards, grand juries, or other tribunals, foreign or domestic. This phrase includes all phases of discovery as well as responses to formal or informal requests by attorneys or others involved in legal proceedings.

(8) *Official business* means the authorized business of the Department.

(9) *Secretary* means the Secretary of the Treasury.

(10) *Testimony* means a statement in any form, including personal appearances before a court or other legal tribunal, interviews, depositions, telephonic, televised, or videotaped state-

31 CFR Subtitle A (7-1-10 Edition)

ments or any responses given during discovery or similar proceedings, which response would involve more than the production of documents.

(c) *Department policy*. No current or former employee shall, in response to a demand, produce any Department documents, provide testimony regarding any information relating to or based upon Department documents, or disclose any information or produce materials acquired as part of the performance of that employee's official duties or official status, without the prior authorization of the General Counsel or the appropriate agency counsel.

(d) *Procedures for demand for testimony or production of documents*. (1) A demand directed to the Department for the testimony of a Department employee or for the production of documents shall be served in accordance with the Federal Rules of Civil Procedure, Federal Rules of Criminal Procedure, or applicable state procedures and shall be directed to the General Counsel, Department of the Treasury, 1500 Pennsylvania Avenue, NW., Washington, DC 20220, or to the Chief or Legal Counsel of the concerned Department component. Acceptance of a demand shall not constitute an admission or waiver with respect to jurisdiction, propriety of service, improper venue, or any other defense in law or equity available under the applicable laws or rules.

(2) A subpoena or other demand for testimony directed to an employee or former employee shall be served in accordance with the Federal Rules of Civil or Criminal Procedure or applicable State procedure and a copy of the subpoena shall be sent to agency counsel.

(3)(i) In court cases in which the United States or the Department is not a party, where the giving of testimony or the production of documents by the Department, or a current or former employee is desired, an affidavit (or if that is not feasible, a statement) by the litigant or the litigant's attorney, setting forth the information with respect to which the testimony or production is desired, must be submitted

in order to obtain a decision concerning whether such testimony or production will be authorized. Such information shall include: the title of the legal proceeding, the forum, the requesting party's interest in the legal proceeding, the reason for the demand, a showing that other evidence reasonably suited to the requester's needs is not available from any other source and, if testimony is requested, the intended use of the testimony, a general summary of the desired testimony, and a showing that no document could be provided and used in lieu of testimony. The purpose of this requirement is to assist agency counsel in making an informed decision regarding whether testimony or the production of document should be authorized. Permission to testify or produce documents will, in all cases, be limited to the information set forth in the affidavit or statement, or to such portions thereof as may be deemed proper.

(ii) Agency counsel may consult or negotiate with an attorney for a party, or the party if not represented by an attorney, to refine or limit a demand so that compliance is less burdensome or obtain information necessary to make the determination required by paragraph (e) of this section. Failure of the attorney or party to cooperate in good faith to enable agency counsel to make an informed determination under this subpart may serve, where appropriate, as a basis for a determination not to comply with the demand.

(iii) A determination under this subpart to comply or not to comply with a demand is without prejudice as to any formal assertion or waiver of privilege, lack of relevance, technical deficiency or any other ground for noncompliance.

(4)(i) Employees shall immediately refer all inquiries and demands made on the Department to agency counsel.

(ii) An employee who receives a subpoena shall immediately forward the subpoena to agency counsel. Agency counsel will determine the manner in which to respond to the subpoena.

(e) *Factors to be considered by agency counsel.* (1) In deciding whether to authorize the release of official information or the testimony of personnel concerning official information (hereafter

referred to as "the disclosure") agency counsel shall consider the following factors:

(i) Whether the request or demand is unduly burdensome;

(ii) Whether the request would involve the Department in controversial issues unrelated to the Department's mission;

(iii) Whether the time and money of the United States would be used for private purposes;

(iv) The extent to which the time of employees for conducting official business would be compromised;

(v) Whether the public might misconstrue variances between personal opinions of employees and Department policy;

(vi) Whether the request demonstrates that the information requested is relevant and material to the action pending, genuinely necessary to the proceeding, unavailable from other sources, and reasonable in its scope;

(vii) Whether the number of similar requests would have a cumulative effect on the expenditure of agency resources;

(viii) Whether disclosure otherwise would be inappropriate under the circumstances; and

(ix) Any other factor that is appropriate.

(2) Among those demands and requests in response to which compliance will not ordinarily be authorized are those with respect to which any of the following factors exists:

(i) The disclosure would violate a statute, Executive order, or regulation;

(ii) The integrity of the administrative and deliberative processes of the Department would be compromised;

(iii) The disclosure would not be appropriate under the rules of procedure governing the case or matter in which the demand arose;

(iv) The disclosure, including release in camera, is not appropriate or necessary under the relevant substantive law concerning privilege;

(v) The disclosure, except when in camera and necessary to assert a claim of privilege, would reveal information properly classified or other matters exempt from unrestricted disclosure; or

(vi) The disclosure would interfere with ongoing enforcement proceedings,

§ 1.12

compromise constitutional rights, reveal the identity of an intelligence source or confidential informant, or disclose trade secrets or similarly confidential commercial or financial information.

(f) *Requests for opinion or expert testimony.* (1) Subject to 5 CFR 2635.805, an employee or former employee shall not provide, with or without compensation, opinion or expert testimony concerning official information, subjects, or activities, except on behalf of the United States or a party represented by the Department of Justice, without written approval of agency counsel.

(2) Upon a showing by the requestor of exceptional need or unique circumstances and that the anticipated testimony will not be adverse to the interests of the Department or the United States, agency counsel may, in writing, grant authorization for an employee, or former employee, to appear and testify at no expense to the United States.

(3) Any expert or opinion testimony by a former employee of the Department shall be excepted from § 1.11(f)(1) where the testimony involves only general expertise gained while employed at the Department.

(g) *Procedures when agency counsel directs an employee not to testify or provide documents.* (1) If agency counsel determines that an employee or former employee should not comply with a subpoena or other request for testimony or the production of documents, agency counsel will so inform the employee and the party who submitted the subpoena or made the request.

(2) If, despite the determination of the agency counsel that testimony should not be given and/or documents not be produced, a court of competent jurisdiction or other appropriate authority orders the employee or former employee to testify and/or produce documents, the employee shall notify agency counsel of such order.

(i) If agency counsel determines that no further legal review of, or challenge to, the order will be sought, the employee or former employee shall comply with the order.

(ii) If agency counsel determines to challenge the order, or that further legal review is necessary, the employee

31 CFR Subtitle A (7–1–10 Edition)

or former employee should not comply with the order. Where necessary, the employee should appear at the time and place set forth in the subpoena. If legal counsel cannot appear on behalf of the employee, the employee should produce a copy of this subpart and respectfully inform the legal tribunal that he/she has been advised by counsel not to provide the requested testimony and/or produce documents. If the legal tribunal rules that the subpoena must be complied with, the employee shall respectfully decline to comply, citing this section and *United States ex rel. Touhy v. Ragen*, 340 U.S. 462 (1951).

§ 1.12 Regulations not applicable to official request.

The regulations in this part shall not be applicable to official requests of other governmental agencies or officers thereof acting in their official capacities, unless it appears that granting a particular request would be in violation of law or inimical to the public interest. Cases of doubt should be referred for decision to agency counsel (as defined in § 1.11(b)(1)).

§ 1.23

benefit that such individual would otherwise be entitled to by Federal law, or for which such individual would otherwise be eligible, as a result of the maintenance of this material, such material shall be provided to the individual, except to the extent that the disclosure of the material would reveal the identity of a source who furnished information to the Government under an express promise that the identity of the source would be held in confidence, or prior to September 27, 1975, under an implied promise that the identity of the source would be held in confidence;

(iii) Maintained in connection with providing protective services to the President of the United States or other individuals pursuant to 18 U.S.C. 3056;

(3) At the time that rules under this subsection are adopted, the head of the component shall include in the state-

ment required under 5 U.S.C. 553(c) the reasons why the system of records is to be exempted from a provision of 5 U.S.C. 552a and this part. (See 5 U.S.C. 552a (j) and (k))

(d) *Review and report to OMB.* The Department shall ensure that the following reviews are conducted as often as specified below by each of the components who shall be prepared to report to the Departmental Disclosure Branch upon request the results of such reviews and any corrective action taken to resolve problems uncovered. Each component shall:

(1) Review every two years a random sample of the component's contracts that provide for the maintenance of a system of records on behalf of the component to accomplish a function of the component, in order to ensure that the working of each contract makes the provisions of the Act apply. (5 U.S.C. 552a(m)(1))

(2) Review annually component's recordkeeping and disposal policies and practices in order to assure compliance with the Act.

(3) Review routine use disclosures every 3 years, that are associated with each system of records in order to ensure that the recipient's use of such records continues to be compatible with the purpose for which the disclosing agency originally collected the information.

(4) Review every three years each system of records for which the component has issued exemption rules pursuant to section (j) or (k) of the Privacy Act in order to determine whether the exemption is needed.

(6) Review component's training practices annually to ensure that all component personnel are familiar with the requirements of the Act, these regulations and Departmental directives.

(7) Review annually the actions of component personnel that have resulted either in the agency being found

civily liable under section (g) of the Act, or an employee being found criminally liable under the provisions of section (i) of the Act, in order to determine the extent of the problem and to prevent future recurrences.

(8) Review annually each system of records notice to ensure that it accurately describes the system. Where minor changes are needed, publish an amended notice in the FEDERAL REGISTER. Minor changes shall be consolidated in one annual comprehensive publication. The term "minor change to a system of records" means a change that does not significantly change the system. More specifically, a minor change does not affect the character or purpose of the system and does not affect the ability of an individual to gain access to a record about the individual or to any information pertaining to such individual which is contained in the system; for example, changing the title of the system manager or the location of the system.

§ 1.24 Disclosure of records to person other than the individual to whom they pertain.

(a) *Conditions of disclosure.* No component of Treasury shall disclose any record which is contained in a system of records maintained by it by any means of communication to any person, or to another agency, except pursuant to a written request by, or with the prior written consent of, the individual to whom the record pertains, or the parent, if a minor, or legal guardian, if incompetent, of such individual, unless disclosure of the record would be:

(2) Retired under 5 U.S.C. 552 (subpart A of this part);

(3) For a routine use as defined in 5 U.S.C. 552a(a)(7) and § 1.21(g) and as described under 5 U.S.C. 552a(e)(4)(D) and § 1.23(a)(4);

(6) To the National Archives of the United States as a record which has sufficient historical or other value to warrant its continued preservation by the United States Government, or for evaluation by the Administrator of General Services or the designee of such official to determine whether the record has such value;

(7) To another agency or to an instrumentality of any governmental jurisdiction within or under the control of the United States for a civil or criminal law enforcement activity.

(i) If the activity is authorized by law; and

(ii) If the head of the agency or instrumentality has made a written request to the Department of the Treasury specifying the particular portion desired and the law enforcement activities for which the record is sought;

(8) To a person pursuant to a showing of compelling circumstances affecting the health or safety of an individual, if upon such disclosure, notification is transmitted to the last known address of such individual;

(9) To either House of Congress, or, to the extent of matter within its jurisdiction, any committee or subcommittee thereof, any joint committee of Congress or subcommittee of any such joint committee.

(a) *Accounting of certain disclosures.* Each component, with respect to each system of records under its control, shall:

(1) Keep an accurate accounting of:

§ 1.26

U.S.C. 552a (b) and § 1.24; and (ii) the name and address of the person or agency to whom the disclosure is made;

(2) Retain the accounting made under paragraph (a)(1) of this section for at least five years or the life of the record, whichever is longer, after the disclosure for which the accounting is made; and

(3) Inform any person or other agency about any correction or notation of dispute made by the constituent unit in accordance with 5 U.S.C. 552a (d) and § 1.28 of any record that has been disclosed to the person or agency if an accounting of the disclosure was made. (See 5 U.S.C. 552(c).)

(b) *Accounting systems.* To permit the accounting required by paragraph (a) of this section, system managers, with the approval of the head of their offices within a component, shall establish or implement, a system of accounting for all disclosures of records, either orally or in writing, made outside the Department of the Treasury. Accounting records shall:

(1) Be established in the least expensive and most convenient form that will permit the system manager to advise individuals, promptly upon request, what records concerning them have been disclosed and to whom;

(2) Provide, as a minimum, the identification of the particular record disclosed, the name and address of the person or agency to whom or to whom or to which disclosed, and the date, nature and purpose of the disclosure; and

(1) To those officers and employees of the Department of the Treasury who have a need for the record in the performance of their duties; or

(2) If disclosure would be required under 5 U.S.C. 552 and Subpart A of this part.

(d) *Access to accounting by individual.*
(1) Subject to paragraphs (c) and (d)(2)

31 CFR Subtitle A (7-1-10 Edition)

of this section, each component shall establish and set forth in the appendix to this subpart applicable to the component, procedures for making the accounting required under paragraph (a) of this section available to the individual to whom the record pertains and shall thereafter make such accounting available in accordance therewith at the request of the individual. The procedures may require the requester to provide reasonable identification.

(2) Access accountings of disclosure may be withheld from the individual named in the record only if the disclosures were (i) made under 5 U.S.C. 552a (b)(7) and § 1.24 (a)(7), or (ii) under a system of records exempted from the requirements of 5 U.S.C. 552a(c)(3) in accordance with 5 U.S.C. 552 (j) or (k) and § 1.23(c). (See 5 U.S.C. 552a(c))

§ 1.26 Procedures for notification and access to records pertaining to individuals—format and fees for request for access.

(a) *Procedures for notification and access.* Each component shall establish, in accordance with the requirements of 5 U.S.C. 553, and set forth in the appendix to this subpart applicable to such component procedures whereby an individual can be notified, in response to a request, if any system of records named by the individual contains a record pertaining to that individual. In addition, such procedures shall set forth the requirements for access to such records. As a minimum such procedures shall specify the times during, and the places at which access will be accorded, together with such identification as may be required of the individual before access. (See 5 U.S.C. 552a(f) (1), (2) and (3))

(b) *Access.* Each component in accordance with the procedures prescribed under paragraph (a) of this section, shall allow an individual to gain access to records or to any information pertaining to such individual which is contained in the system of records upon request. The individual shall be permitted to review the record and have a copy made of all or any portion of the

record in a form that is comprehensible. The individual will also be permitted to be accompanied by any person of the individual's choosing to review the record, except that the agency may require the individual to furnish a written statement authorizing discussion of that individual's record in the accompanying person's presence. (See 5 U.S.C. 552a(d)(1))

(c) *Exceptions.* Neither the procedures prescribed under paragraph (a) of this section nor the requirements for access under paragraph (b) of this section shall be applicable to—(1) systems of records exempted pursuant to 5 U.S.C. 552a (j) and (k) and § 1.23(c); (2) information compiled in reasonable anticipation of a civil action or proceeding (See 5 U.S.C. 552(d)(5)); or (3) information pertaining to an individual which is contained in, and inseparable from, another individual's record.

(d) *Format of request.* (1) A record for notification of whether a record exists shall:

(i) Be made in writing and signed by the person making the request, who must be the individual about whom the record is maintained, or such individual's duly authorized representative (See § 1.34);

(iv) Describe the nature of the record(s) sought in sufficient detail to enable Department personnel to locate the system of records containing the record with a reasonable amount of effort. Whenever possible, a request for access should describe the nature of the record sought, the date of the record or the period in which the record was compiled.

(v) Provide such identification of the requester as may be specified in the appropriate appendix to this subpart; and

(vi) Be addressed or delivered in person to the office or officer of the com-

ponent indicated for the particular system or subsystem or categories of records the individual wishes access to, as specified in "Privacy Act Issuances" published by the Office of the Federal Register and referenced in the appendices to this subpart. Assistance in ascertaining the appropriate component or in preparing a request for notification may be obtained by a written request to this effect addressed as specified in Appendix A of this part, as the address for the Departmental Offices for "Request for notification and access to records and accountings of disclosures".

(2) A request for access to records shall, in addition to complying with paragraph (a)(1)(i) through (vi) of this section:

(i) State whether the requester wishes to inspect the records or desires to have a copy made and furnished without first inspecting them;

(ii) If the requester desires to have a copy made, state the firm agreement of the requester to pay the fees for duplication ultimately determined in accordance with (31 CFR 1.6) Subpart A of this title, unless such fees are waived pursuant to that section by the system manager or other appropriate official as indicated in the appropriate appendix to these regulations; and

(iii) Comply with any other requirement set forth in the applicable appendix to this subpart or the "Notice of Records Systems" applicable to the system in question. Requesters are hereby advised that any request for access which does not comply with the foregoing requirements and those set forth elsewhere in this Subpart C, will not be deemed subject to the time constraints of this section, unless and until amended so as to comply. However, components shall advise the requester in what respect the request is deficient so that it may be processed. This section applies only to records which are contained in a system of records and which are in the possession or control of the component. (See 5 U.S.C. 552a (d) and (f))

(e) *Requests for records not in control of component.* (1) Treasury employees shall make reasonable efforts to assist an oral requester to ascertain to which office or officer a written request

§ 1.26

31 CFR Subtitle A (7-1-10 Edition)

should be sent. When the request is for a record which is not in the possession or control of any component of the Department of the Treasury, the requester shall be so advised.

(2) Where the record requested was created by a Department or agency other than the Department of the Treasury or a component of the Department and has been classified (e.g. National Defense or Intelligence Information) or otherwise restrictively endorsed (e.g. Office of Personnel Management records of FBI reports) by such other Department or agency, and a copy is in the possession of a component of the Department of the Treasury, that portion of the request shall be referred to the originating agency for determination as to all issues in accordance with the Privacy Act. In the case of a referral to another agency under this paragraph, the requester shall be notified that such portion of the request has been so referred and that the requester may expect to hear from that agency.

(3) When information sought from a system manager or other appropriate official in the Department of the Treasury includes information furnished by other Federal agencies not classified or otherwise restrictively endorsed, the system manager or other appropriate official receiving the request shall consult with the appropriate agency prior to making a decision to disclose or not to disclose the record. The decision as to whether the record shall be disclosed shall be made, in the first instance by the system manager or other appropriate official maintaining the record. (See 5 U.S.C. 552a (d) and (f))

(f) *Date of receipt of request.* A request for notification or access to records shall be considered to have been received for purposes of this subpart on the date on which the requirements of paragraph (d) of this section have been satisfied. Requests for notification or access to records and any separate agreement to pay shall be stamped or endorsed with the date of receipt by the receiving office. The latest of such stamped dates will be deemed to be the date of receipt of the request for the purposes of this subpart. (See 5 U.S.C. 552a (d) and (f))

(g) *Notification of determination—(1) In general.* Notification of determinations as to notification of whether a record exists or as to whether to grant access to records requested will be made by the officers designated in the appendices to this subpart. The notification of the determination shall be mailed within 30 days (excluding Saturdays, Sundays and legal public holidays) after the date of receipt of the request, as determined in accordance with paragraph (f) of this section. If it is not possible to respond within 30 days, the designated officer shall inform the requester, stating the reason for the delay (e.g. volume of records requested, scattered location of the records, need to consult other agencies, or the difficulty of the legal issues involved) and when a response will be dispatched. (See 5 U.S.C. 552a (d) and (f))

(2) *Granting of access.* When it has been determined that the request for access will be granted—(i) and a copy requested; such copy in a form comprehensible to the requester shall be furnished promptly, together with a statement of the applicable fees for duplication; and (ii) and the right to inspect has been requested, the requester shall be promptly notified in writing of the determination, and when and where the requested records may be inspected. An individual seeking to inspect such records may be accompanied by another person of such individual's choosing. The individual seeking access shall be required to sign the required form indicating that the Department of the Treasury is authorized to discuss the contents of the subject record in the accompanying person's presence. If, after making the inspection, the individual making the request desires a copy of all or a portion of the requested records, such copy in a form comprehensible to the individual shall be furnished upon payment of the applicable fees for duplication. Fees to be charged are as prescribed by 31 CFR part 1, Subpart A, § 1.6 Fees shall not be charged where they would amount, in the aggregate, to less than \$3.00. (See 5 U.S.C. 552a (d) and (f))

(3) *Requirements for access to medical records.* When access is requested to medical records, including psychological records, the responsible official

may determine that such release could have an adverse effect on the individual and that release will be made only to a physician authorized in writing to have access to such records by the individual making the request. Upon receipt of the authorization the physician will be permitted to review the records or to receive copies of the records by mail, upon proper verification of identity. (See 5 U.S.C. 552a (f) (3))

(4) *Denial of request.* When it is determined that the request for notification of whether a record exists or access to records will be denied (whether in whole or part or subject to conditions or exceptions), the person making the request shall be so notified by mail in accordance with paragraph (g)(1) of this section. The letter of notification shall specify the city or other location where the requested records are situated (if known), contain a statement of the reasons for not granting the request as made, set forth the name and title or position of the responsible official and advise the individual making the request of the right to file suit in accordance with 5 U.S.C. 552a (g)(1)(B).

(5) *Prohibition against the use of 5 U.S.C. 552 (b) exemptions.* Exemptions from disclosure under 5 U.S.C. 552 (b) (31 CFR part 1, Subpart A, §1.2 (c)), may not be invoked for the purpose of withholding from an individual any record which is otherwise accessible to such individual under the Privacy Act, 5 U.S.C. 552a and this subpart. (See 5 U.S.C. 552a (q))

(6) *Records exempt in whole or in part.*
 (i) When an individual requests notification as to whether a record exists or access to records concerning the individual which have been exempted from individual access pursuant to 5 U.S.C. 552a (j) or which have been compiled in reasonable anticipation of a civil action or proceeding in either a court or before an administrative tribunal and the assertion of the exemption is deemed necessary, the Department of the Treasury will neither confirm nor deny the existence of the record but shall advise the individual only that no record available to the individual pursuant to the Privacy Act of 1974 has been identified.

(ii) Requests from individuals for access to records which have been exempted from access pursuant to 5 U.S.C. 552a (k) shall be processed as follows:

(A) Requests for information classified pursuant to Executive Order 11652 require the responsible component of the Department to review the information to determine whether it continues to warrant classification under the criteria of sections 1 and 5 (B), (C), (D) and (E) of the Executive order. Information which no longer warrants classification under these criteria shall be declassified and made available to the individual. If the information continues to warrant classification, the individual shall be advised that the information sought is classified, that it has been reviewed and continues to warrant classification, and that it has been exempted from access pursuant to 5 U.S.C. 552 (b)(1) and 5 U.S.C. 552a (k)(1). Information which has been exempted pursuant to 5 U.S.C. 552a (j) and which is also classified shall be reviewed as required by this paragraph but the response to the individual shall be in the form prescribed by paragraph (g)(6)(i) of this section.

(B) Requests for information which has been exempted from disclosure pursuant to 5 U.S.C. 552a (k)(2) shall be responded to in the manner provided in paragraph (g)(6)(i) of this section unless the requester shows that the information has been used or is being used to deny the individual any right, privilege or benefit for which he is eligible or to which he would otherwise be entitled under federal law. In that event, the individual shall be advised of the existence of the information but such information as would identify a confidential source shall be extracted or summarized in a manner which protects the source to the maximum degree possible and the summary extract shall be provided to the requesting individual.

(C) Information compiled as part of an employee background investigation which has been exempted pursuant to 5 U.S.C. 552a (k)(5) shall be made available to an individual upon request except to the extent that it identifies the confidential source. Material identifying the confidential sources shall be

§ 1.27

extracted or summarized in a manner which protects the source to the maximum degree possible and the summary or extract shall be provided to the requesting individual.

(D) Testing or examination material which has been exempted pursuant to 5 U.S.C. 552a (k)(6) shall not be made available to an individual if disclosure would compromise the objectivity or fairness of the testing or examination process; but may be made available if no such compromise possibility exists. (See 5 U.S.C. 552a (d)(5), (j) and (k)).

§ 1.27 Procedures for amendment of records pertaining to individuals—format, agency review and appeal from initial adverse agency determination.

(See U.S.C. 552a (d) and (f))

(c) *Date of receipt of request.* A request for amendment of records pertaining to an individual shall be deemed to have been received for purposes of this subpart when the requirements of paragraph (b) of this section have been satisfied. The receiving office or officer shall stamp or otherwise endorse the date of receipt of the request. (See 5 U.S.C. 552a (d) and (f))

(d) *Review of requests to amend records.* Officials responsible for review of requests to amend records pertaining to an individual, as specified in the appropriate appendix to this subpart, shall:

(1) Not later than 10 days (excluding Saturdays, Sundays, and legal public holidays) after the date of receipt of such request, acknowledge in writing such receipt; and

(2) Promptly, either—(i) Make any correction of any portion which the individual believes and the official agrees is not accurate, relevant, timely, or complete; or

(ii) Inform the individual of the refusal to amend the record in accordance with the individual’s request, the reason for the refusal, and the name and business address of the officer designated in the applicable appendix to this subpart, as the person who is to review such refusal. (See 5 U.S.C. 552a (d) and (f))

(e) *Administrative appeal—(1) In general.* Each component shall permit individuals to request a review of initial decisions made under paragraph (d) of this section, when an individual disagrees with a refusal to amend this record. (See 5 U.S.C. 552a (d), (f), and (g)(1))

(2) Form of request for administrative review of refusal to amend record.

Office of the Secretary of the Treasury

§ 1.27

At any time within 35 days after the date of the notification of the initial decision described in paragraph (d)(2)(ii) of this section, the requester may submit an administrative appeal from such refusal to the official specified in the notification of the initial decision and the appropriate appendix to this subpart. The appeal shall:

(i) Be made in writing stating any arguments in support thereof and be signed by the person to whom the record pertains, or the duly authorized representative of such official;

(ii) Be addressed to and mailed or hand delivered within 35 days of the date of the initial decision, to the office or officer specified in the appropriate appendix to this subpart and in the notification. (See the appendices to this subpart for the address to which appeals made by mail should be addressed);

(iii) Have clearly marked on the appeal and on the envelope, "Privacy Act Amendment Appeal";

(iv) Reasonably describe the records requested to be amended; and

(v) Specify the date of the initial request, to amend records, and the date of the letter giving notification that the request was denied. (See 5 U.S.C. 552a (d) and (f))

(3) *Date of receipt.* Appeals shall be promptly stamped with the date of their receipt by the office to which addressed and such stamped date will be deemed to be the date of receipt for all purposes of this subpart. The receipt of the appeal shall be acknowledged within 10 days (excluding Saturdays, Sundays, and legal public holidays) from the date of the receipt (unless the determination on appeal is dispatched in 10 days, in which case, no acknowledgment is required) by the responsible official and the requester advised of the date of receipt established by the foregoing and when a response is due in accordance with this paragraph. (See 5 U.S.C. 552a (d) and (f))

(4) *Review of administrative appeals from denial of requests to amend records.* Officials responsible for deciding administrative appeals from denials of requests to amend records pertaining to an individual, as specified in the appendices to this subpart shall: Complete the review, and notify the requester of

the final agency decision within 30 days (exclusive of Saturdays, Sundays and legal public holidays) after the date of receipt of such appeal, unless the time is extended by the head of the agency or the delegate of such official, for good cause shown. If such final agency decision is to refuse to amend the record, in whole or in part, the requester shall also be advised of the right—(i) to file a concise "Statement of Disagreement" setting forth the reasons for his disagreement with the decision which shall be filed within 35 days of the date of the notification of the final agency decision and (ii) to judicial review of the final agency decision under 5 U.S.C. 552a(g)(1)(A). (See 5 U.S.C. 552a (d), (f) and (g)(1))

(5) *Notation on record and distribution of statements of disagreement.* The system manager is responsible, in any disclosure containing information about which an individual has filed a "Statement of Disagreement", occurring after the filing of the statement under paragraph (e)(4) of this section, for clearly noting any portion of the record which is disputed and providing copies of the statement and, if deemed appropriate, a concise statement of the component's reasons for not making the amendments requested to persons or other agencies to whom the disputed record has been disclosed. (See 5 U.S.C. 552a(d)(4))

(f) *Records not subject to correction under the Privacy Act.* The following records are not subject to correction or amendment by individuals:

(1) Transcripts or written statements made under oath; and

(2) Transcripts of Grand Jury proceedings, judicial or quasi-judicial proceedings which form the official record of those proceedings; and

(3) Pre-sentence reports comprising the property of the courts but maintained in agency files; and

(4) Records pertaining to the determination, the collection and the payment of the Federal taxes; and

(5) Records duly exempted from correction by notice published in the FEDERAL REGISTER; and

(6) Records compiled in reasonable anticipation of a civil action or proceeding.

§ 1.28

§ 1.28 Training, rules of conduct, penalties for non-compliance.

(a) *Training.* Subject to policy guidance and regulations issued by the Deputy Secretary, who has Department-wide responsibility therefor, each component shall institute a training program to instruct employees and employees of Government contractors covered by 5 U.S.C. 552a(m), who are involved in the design, development, operation or maintenance of any system of records, on a continuing basis with respect to the duties and responsibilities imposed on them and the rights conferred on individuals by the Privacy Act, the regulations in this subpart, including the appendices thereto, and any other related regulations. Such training shall provide suitable emphasis on the civil and criminal penalties imposed on the Department and the individual employees by the Privacy Act for non-compliance with specified requirements of the Act as implemented by the regulations in this subpart. (See 5 U.S.C. 552a(e)(9))

(b) *Rules of conduct.* In addition, to the Standards of Conduct published in part O of this title, particularly 31 CFR 0.735-44, the following are applicable to employees of the Department of the Treasury (including, to the extent required by the contract or 5 U.S.C. 552a(m), Government contractors and employees of such contractors), who are involved in the design, development, operation or maintenance of any system of records, or in maintaining any records, for or on behalf of the Department, including any component thereof.

(1) The head of each office of a component of the Department shall be responsible for assuring that employees subject to such official's supervision are advised of the provisions of the Privacy Act, including the criminal penalties and civil liabilities provided therein, and the regulations in this subpart, and that such employees are made aware of their individual and collective responsibilities to protect the security of personal information, to assure its accuracy, relevance, timeliness and completeness, to avoid unauthorized disclosure either orally or in writing, and to insure that no information system concerning individuals, no mat-

ter how small or specialized is maintained without public notice.

(2) Employees of the Department of the Treasury involved in the design, development, operation, or maintenance of any system of records, or in maintaining any record shall:

(i) Collect no information of a personal nature from individuals unless authorized to collect it to achieve a function or carry out a responsibility of the Department;

(ii) Collect from individuals only that information which is necessary to Department functions or responsibilities, unless related to a system exempted under 5 U.S.C. 552a (j) or (k):

(iii) Collect information, wherever possible, directly from the individual to whom it relates, unless related to a system exempted under 5 U.S.C. 552a(j);

(iv) Inform individuals from whom information is collected about themselves of the authority for collection, the purposes thereof, the use that will be made of the information, and the effects, both legal and practical, of not furnishing the information. (While this provision does not explicitly require it, where feasible, third party sources should be informed of the purposes for which information they are asked to provide will be used.);

(v) Neither collect, maintain, use nor disseminate information concerning an individual's religious or political beliefs or activities or membership in associations or organizations, unless (A) the individual has volunteered such information for the individual's own benefits; (B) the information is expressly authorized by statute to be collected, maintained, used or disseminated; or (C) the activities involved are pertinent to and within the scope of an authorized investigation, adjudication or correctional activity;

(vi) Advise their supervisors of the existence or contemplated development of any record system which is capable of retrieving information about individuals by individual identifier;

(vii) Disseminate no information concerning individuals outside the Department except when authorized by 5 U.S.C. 552a or pursuant to a routine use published in the FEDERAL REGISTER;

(viii) Assure that an accounting is kept in the prescribed form, of all dissemination of personal information outside the Department, whether made orally or in writing, unless disclosed under 5 U.S.C. 552 and subpart A of this part;

(ix) Maintain and process information concerning individuals with care in order to insure that no inadvertent disclosure of the information is made either within or without the Department; and

(x) Assure that the proper Department authorities are aware of any information in a system maintained by the Department which is not authorized to be maintained under the provisions of the Privacy Act of 1974, including information on First Amendment Activities, information that is inaccurate, irrelevant or so incomplete as to risk unfairness to the individual concerned.

(3) Heads of components within the Department or their delegates shall, at least annually, review the record systems subject to their supervision to insure compliance with the provisions of the Privacy Act of 1974 and the regulations in this subpart. (See 5 U.S.C. 552a (e)(9), (i) and (m))

(c) *Criminal penalties.* (1) The Privacy Act imposes criminal penalties on the conduct of Government officers or employees as follows: Any officer or employee of an agency (which term includes the Department of the Treasury):

(i) Who by virtue of the official's employment or official position, has possession of, or access to, agency records which contain individually identifiable information the disclosure of which is prohibited by this section (5 U.S.C. 552a) or regulations established thereunder, and who knowing that disclosure of the specific material is so prohibited, willfully discloses the material in any manner to any person or agency not entitled to receive it, or

(ii) Who willfully maintains a system of records without meeting the notice requirements of paragraph (e)(4) of this section (5 U.S.C. 552a)—shall be guilty of a misdemeanor and fined not more than \$5,000.

(2) The Act also imposes a collateral criminal penalty on the conduct of any person as follows:

“Any person who knowingly and willfully requests or obtains any record concerning an individual from an agency under false pretenses shall be guilty of a misdemeanor and fined not more than \$5,000.”

(3) For the purposes of 5 U.S.C. 552a (i), the provisions of paragraph (c)(1) of this section are applicable to Government contractors and employees of such contractors who by contract, operate by or on behalf of the Department of the Treasury a system of records to accomplish a Departmental function. Such contractor and employees are considered employees of the Department of the Treasury for the purposes of 5 U.S.C. 552a(i). (See 5 U.S.C. 552a (i) and (m).)

§ 1.29 Records transferred to Federal Records Center or National Archives of the United States.

(a) *Records transferred to the Administrator of General Services for storage in the Federal Records Center.* Records pertaining to an identifiable individual which are transferred to the Federal Records Center in accordance with 44 U.S.C. 3103 shall, for the purposes of the Privacy Act, 5 U.S.C. 552a, be considered to be maintained by the component which deposited the record and shall be subject to the provisions of the Privacy Act and this subpart. The Administrator of General Services shall not disclose such records except to the Department of the Treasury or to others under rules consistent with the Privacy Act which may be established by the Department of the Treasury or a component. If such records are retrieved for the purpose of making a determination about an individual, they must be reviewed for accuracy, relevance, timeliness, and completeness.

(b) *Records transferred to the National Archives of the United States.* (1) Records transferred to National Archives prior to September 27, 1975. Records pertaining to an identifiable individual transferred to the National Archives prior to September 27, 1975, as a record which has sufficient historical or other

§ 1.30

value to warrant its continued preservation by the United States Government shall be considered to be maintained by the National Archives, and

(i) Shall not be subject to 5 U.S.C. 552a,

(ii) Except, that a statement describing such records [modeled after 5 U.S.C. 552a (e)(4) (A) through (G)] shall be published in the FEDERAL REGISTER.

(2) *Records transferred to National Archives on or after September 27, 1975.* Records pertaining to an identifiable individual transferred to the National Archives as a record which has sufficient historical or other value to warrant its continued preservation by the United States Government, on or after September 27, 1975, shall be considered to be maintained by the National Archives, and

(i) Shall not be subject to 5 U.S.C. 552a,

(ii) Except, that a statement describing such records in accordance with 5 U.S.C. 552a (e)(4) (A) through (G) shall be published in the FEDERAL REGISTER and rules of conduct and training in accordance with 5 U.S.C. 552 (e) (9) are to be established by the National Archives. (See 5 U.S.C. 552a (e))

§ 1.30 Application to system of records maintained by Government contractors.

When a component contracts for the operation of a system of records, to accomplish a Departmental function, the provisions of the Privacy Act, 5 U.S.C. 552a, and this subpart shall be applicable to such system. The component shall have responsibility for insuring that the contractor complies with the contract requirements relating to privacy.

§ 1.31 Sale or rental of mailing lists.

(a) *In general.* An individual's name and address shall not be sold or rented by a component unless such action is specifically authorized by law.

(b) *Withholding of names and addresses.* This section shall not be construed to require the withholding of names and addresses otherwise permitted to be made public. (See 5 U.S.C. 552a (n)).

31 CFR Subtitle A (7-1-10 Edition)

§ 1.32 Use and disclosure of social security numbers.

(a) *In general.* An individual shall not be denied any right, benefit, or privilege provided by law by a component because of such individual's refusal to disclose his social security number.

(b) *Exceptions.* The provisions of paragraph (a) of this section shall not apply with respect to:

(1) Any disclosure which is required by Federal statute, or

(2) The disclosure of a social security number to any Federal, State, or local agency maintaining a system of records in existence and operating before January 1, 1975, if such disclosure was required under statute or regulation adopted prior to such date to verify the identity of an individual.

(c) *Requests for disclosure of social security number.* Any component which requests an individual to disclose his or her social security account number shall inform that individual whether:

(1) Disclosure is mandatory or voluntary.

(2) By what statutory or other authority such number is solicited, and

(3) What uses will be made of it. (See section 7 of the Privacy Act of 1974 set forth at 5 U.S.C. 552a, note.)

§ 1.34 Guardianship.

The parent or guardian of a minor or a person judicially determined to be incompetent shall, in addition to establishing the identity of the minor or other person represented, establish parentage or guardianship by furnishing a copy of a birth certificate showing parentage or a court order establishing the guardianship and may thereafter, act on behalf of such individual. (See 5 U.S.C. 552a (h))

§ 1.35 Information forms.

(a) *Review of forms.* Except for forms developed and used by constituent units, the Deputy Assistant Secretary for Administration shall be responsible for reviewing all forms developed and used by the Department of the Treasury to collect information from and about individuals. The heads of components shall each be responsible for the review of forms used by such component to collect information from and about individuals.

(b) *Scope of review.* The responsible officers shall review each form for the purpose of eliminating any requirement for information that is not relevant and necessary to carry out an agency function and to accomplish the following objectives;

(1) To insure that no information concerning religion, political beliefs or activities, association memberships (other than those required for a professional license), or the exercise of First Amendment rights is required to be disclosed unless such requirement of disclosure is expressly authorized by statute or is pertinent to, and within the scope of, any authorized law enforcement activity;

(2) To insure that the form or a separate form that can be retained by the individual makes clear to the individual which information he is required by law to disclose and the authority for that requirement and which information is voluntary;

(3) To insure that the form or a separate form that can be retained by the individual states clearly the principal purpose or purposes for which the information is being collected, and summarizes concisely the routine uses that will be made of the information;

(4) To insure that the form or a separate form that can be retained by the individual clearly indicates to the individual the effect in terms of rights, benefits or privileges of not providing all or part of the requested information; and

(5) To insure that any form requesting disclosure of a Social Security Number, or a separate form that can be retained by the individual, clearly advises the individual of the statute or regulation requiring disclosure of the number or clearly advises the individual that disclosure is voluntary and that no consequence will follow from the refusal to disclose it, and the uses that will be made of the number whether disclosed mandatorily and voluntarily.

(c) *Revision of forms.* Any form which does not meet the objectives specified in the Privacy Act and in this section, shall be revised to conform thereto. A separate statement may be used in instances when a form does not conform. This statement will accompany a form

and shall include all the information necessary to accomplish the objectives specified in the Privacy Act and this section.

§ 1.36 Systems exempt in whole or in part from provisions of 5 U.S.C. 552a and this part.

(a) *In General.* In accordance with 5 U.S.C. 552a(j) and (k) and § 1.23(c), the Department of the Treasury hereby exempts the systems of records identified below from the following provisions of the Privacy Act for the reasons indicated.

(b) *Authority.* These rules are promulgated pursuant to the authority vested in the Secretary of the Treasury by 5 U.S.C. 552a (j) and (k) and pursuant to the authority of § 123(c).

(2) The Department hereby exempts the systems of records listed in paragraphs (c)(1)(i) through (xiii) of this section from the following provisions of 5 U.S.C. 552a, pursuant to 5 U.S.C. 552a(j)(2): 5 U.S.C. 552a(c)(3) and (4), 5 U.S.C. 552a(d)(1), (2), (3), (4), 5 U.S.C. 552a(e)(1), (2) and (3), 5 U.S.C. 552a(e)(4)(G), (H), and (I), 5 U.S.C. 552a(e)(5) and (8), 5 U.S.C. 552a(f), and 5 U.S.C. 552a(g).

(d) *Reasons for exemptions under 5 U.S.C. 552a(j)(2).* (1) 5 U.S.C. 552a(e)(4)(G) and (f)(1) enable individuals to inquire whether a system of records contains records pertaining to them. Application of these provisions to the systems of records would give individuals an opportunity to learn whether they have been identified as suspects or subjects of investigation. As further described in the following paragraph, access to such knowledge would impair the Department's ability to carry out its mission, since individuals could:

- (i) Take steps to avoid detection;
- (ii) Inform associates that an investigation is in progress;
- (iii) Learn the nature of the investigation;
- (iv) Learn whether they are only suspects or identified as law violators;
- (v) Begin, continue, or resume illegal conduct upon learning that they are not identified in the system of records; or
- (vi) Destroy evidence needed to prove the violation.

(2) 5 U.S.C. 552a(d)(1), (e)(4)(H) and (f)(2), (3) and (5) grant individuals access to records pertaining to them. The application of these provisions to the systems of records would compromise

the Department's ability to provide useful tactical and strategic information to law enforcement agencies.

(i) Permitting access to records contained in the systems of records would provide individuals with information concerning the nature of any current investigations and would enable them to avoid detection or apprehension by:

(A) Discovering the facts that would form the basis for their arrest;

(B) Enabling them to destroy or alter evidence of criminal conduct that would form the basis for their arrest; and

(C) Using knowledge that criminal investigators had reason to believe that a crime was about to be committed, to delay the commission of the crime or commit it at a location that might not be under surveillance.

(ii) Permitting access to either ongoing or closed investigative files would also reveal investigative techniques and procedures, the knowledge of which could enable individuals planning crimes to structure their operations so as to avoid detection or apprehension.

(iii) Permitting access to investigative files and records could, moreover, disclose the identity of confidential sources and informers and the nature of the information supplied and thereby endanger the physical safety of those sources by exposing them to possible reprisals for having provided the information. Confidential sources and informers might refuse to provide criminal investigators with valuable information unless they believed that their identities would not be revealed through disclosure of their names or the nature of the information they supplied. Loss of access to such sources would seriously impair the Department's ability to carry out its mandate.

(iv) Furthermore, providing access to records contained in the systems of records could reveal the identities of undercover law enforcement officers who compiled information regarding the individual's criminal activities and thereby endanger the physical safety of those undercover officers or their families by exposing them to possible reprisals.

(v) By compromising the law enforcement value of the systems of records for the reasons outlined in paragraphs (d)(2)(i) through (iv) of this section, permitting access in keeping with these provisions would discourage other law enforcement and regulatory agencies, foreign and domestic, from freely sharing information with the Department and thus would restrict the Department's access to information necessary to accomplish its mission most effectively.

(vi) Limitation on access to the material contained in the protective intelligence files is considered necessary to the preservation of the utility of intelligence files and in safeguarding those persons the Department is authorized to protect. Access to the protective intelligence files could adversely affect the quality of information available to the Department; compromise confidential sources, hinder the ability of the Department to keep track of persons of protective interest; and interfere with the Department's protective intelligence activities by individuals gaining access to protective intelligence files.

(vii) Many of the persons on whom records are maintained in the protective intelligence suffer from mental aberrations. Knowledge of their condition and progress comes from authorities, family members and witnesses. Many times this information comes to the Department as a result of two party conversations where it would be impossible to hide the identity of informants. Sources of information must be developed, questions asked and answers recorded. Trust must be extended and guarantees of confidentiality and anonymity must be maintained. Allowing access to information of this kind to individuals who are the subjects of protective interest may well lead to violence directed against an informant by a mentally disturbed individual.

(viii) Finally, the dissemination of certain information that the Department may maintain in the systems of records is restricted by law.

(3) 5 U.S.C. 552a(d)(2), (3) and (4), (e)(4)(H), and (f)(4) permit an individual to request amendment of a record pertaining to him or her and require the agency either to amend the record, or

§ 1.36

to note the disputed portion of the record and to provide a copy of the individual's statement of disagreement with the agency's refusal to amend a record to persons or other agencies to whom the record is thereafter disclosed. Since these provisions depend on the individual's having access to his or her records, and since these rules exempt the systems of records from the provisions of 5 U.S.C. 552a relating to access to records, for the reasons set out in paragraph (d)(2) of this section, these provisions should not apply to the systems of records.

(4) 5 U.S.C. 552a(c)(3) requires an agency to make accountings of disclosures of a record available to the individual named in the record upon his or her request. The accountings must state the date, nature, and purpose of each disclosure of the record and the name and address of the recipient.

(i) The application of this provision would impair the ability of law enforcement agencies outside the Department of the Treasury to make effective use of information provided by the Department. Making accountings of disclosures available to the subjects of an investigation would alert them to the fact that another agency is conducting an investigation into their criminal activities and could reveal the geographic location of the other agency's investigation, the nature and purpose of that investigation, and the dates on which that investigation was active. Violators possessing such knowledge would be able to take measures to avoid detection or apprehension by altering their operations, by transferring their criminal activities to other geographical areas, or by destroying or concealing evidence that would form the basis for arrest. In the case of a delinquent account, such release might enable the subject of the investigation to dissipate assets before levy.

(ii) Moreover, providing accountings to the subjects of investigations would alert them to the fact that the Department has information regarding their criminal activities and could inform them of the general nature of that information. Access to such information could reveal the operation of the Department's information-gathering and analysis systems and permit violators

31 CFR Subtitle A (7-1-10 Edition)

to take steps to avoid detection or apprehension.

(iii) The release of such information to the subject of a protective intelligence file would provide significant information concerning the nature of an investigation, and could result in impeding or compromising the efforts of Department personnel to detect persons suspected of criminal activities or to collect information necessary for the proper evaluation of persons considered to be of protective interest.

(5) 5 U.S.C. 552(c)(4) requires an agency to inform any person or other agency about any correction or notation of dispute that the agency made in accordance with 5 U.S.C. 552a(d) to any record that the agency disclosed to the person or agency if an accounting of the disclosure was made. Since this provision depends on an individual's having access to and an opportunity to request amendment of records pertaining to him or her, and since these rules exempt the systems of records from the provisions of 5 U.S.C. 552a relating to access to and amendment of records, for the reasons set out in paragraph (f)(3) of this section, this provision should not apply to the systems of records.

(6) 5 U.S.C. 552a(e)(4)(I) requires an agency to publish a general notice listing the categories of sources for information contained in a system of records. The application of this provision to the systems of records could compromise the Department's ability to provide useful information to law enforcement agencies, since revealing sources for the information could:

(i) Disclose investigative techniques and procedures;

(ii) Result in threats or reprisals against informers by the subjects of investigations; and

(iii) Cause informers to refuse to give full information to criminal investigators for fear of having their identities as sources disclosed.

(7) 5 U.S.C. 552a(e)(1) requires an agency to maintain in its records only such information about an individual as is relevant and necessary to accomplish a purpose of the agency required to be accomplished by statute or executive order. The term "maintain," as defined in 5 U.S.C. 552a(a)(3), includes

“collect” and “disseminate.” The application of this provision to the systems of records could impair the Department’s ability to collect and disseminate valuable law enforcement information.

(i) At the time that the Department collects information, it often lacks sufficient time to determine whether the information is relevant and necessary to accomplish a Treasury Department purpose.

(ii) In many cases, especially in the early stages of investigation, it may be impossible to immediately determine whether information collected is relevant and necessary, and information that initially appears irrelevant and unnecessary often may, upon further evaluation or upon collation with information developed subsequently, prove particularly relevant to a law enforcement program.

(iii) Compliance with the records maintenance criteria listed in the foregoing provision would require the periodic up-dating of the Department’s protective intelligence files to insure that the records maintained in the system remain timely and complete.

(iv) Not all violations of law discovered by the Department fall within the investigative jurisdiction of the Department of the Treasury. To promote effective law enforcement, the Department will have to disclose such violations to other law enforcement agencies, including State, local and foreign agencies, that have jurisdiction over the offenses to which the information relates. Otherwise, the Department might be placed in the position of having to ignore information relating to violations of law not within the jurisdiction of the Department of the Treasury when that information comes to the Department’s attention during the collation and analysis of information in its records.

(8) 5 U.S.C. 552a(e)(2) requires an agency to collect information to the greatest extent practicable directly from the subject individual when the information may result in adverse determinations about an individual’s rights, benefits, and privileges under Federal programs. The application of this provision to the systems of records would impair the Department’s ability

to collate, analyze, and disseminate investigative, intelligence, and enforcement information.

(i) Most information collected about an individual under criminal investigation is obtained from third parties, such as witnesses and informants. It is usually not feasible to rely upon the subject of the investigation as a source for information regarding his criminal activities.

(ii) An attempt to obtain information from the subject of a criminal investigation will often alert that individual to the existence of an investigation, thereby affording the individual an opportunity to attempt to conceal his criminal activities so as to avoid apprehension.

(iii) In certain instances, the subject of a criminal investigation is not required to supply information to criminal investigators as a matter of legal duty.

(iv) During criminal investigations it is often a matter of sound investigative procedure to obtain information from a variety of sources to verify information already obtained.

(9) 5 U.S.C. 552a(e)(3) requires an agency to inform each individual whom it asks to supply information, on the form that it uses to collect the information or on a separate form that the individual can retain, of the agency’s authority for soliciting the information; whether disclosure of information is voluntary or mandatory; the principal purposes for which the agency will use the information; the routine uses that may be made of the information; and the effects on the individual of not providing all or part of the information. The systems of records should be exempted from this provision to avoid impairing the Department’s ability to collect and collate investigative, intelligence, and enforcement data.

(i) Confidential sources or undercover law enforcement officers often obtain information under circumstances in which it is necessary to keep the true purpose of their actions secret so as not to let the subject of the investigation or his or her associates know that a criminal investigation is in progress.

(ii) If it became known that the undercover officer was assisting in a criminal investigation, that officer’s

§ 1.36

physical safety could be endangered through reprisal, and that officer may not be able to continue working on the investigation.

(iii) Individuals often feel inhibited in talking to a person representing a criminal law enforcement agency but are willing to talk to a confidential source or undercover officer whom they believe not to be involved in law enforcement activities.

(iv) Providing a confidential source of information with written evidence that he or she was a source, as required by this provision, could increase the likelihood that the source of information would be subject to retaliation by the subject of the investigation.

(v) Individuals may be contacted during preliminary information gathering, surveys, or compliance projects concerning the administration of the internal revenue laws before any individual is identified as the subject of an investigation. Informing the individual of the matters required by this provision would impede or compromise subsequent investigations.

(vi) Finally, application of this provision could result in an unwarranted invasion of the personal privacy of the subject of the criminal investigation, particularly where further investigation reveals that the subject was not involved in any criminal activity.

(10) 5 U.S.C. 552a(e)(5) requires an agency to maintain all records it uses in making any determination about any individual with such accuracy, relevance, timeliness, and completeness as is reasonably necessary to assure fairness to the individual in the determination.

(i) Since 5 U.S.C. 552a(a)(3) defines "maintain" to include "collect" and "disseminate," application of this provision to the systems of records would hinder the initial collection of any information that could not, at the moment of collection, be determined to be accurate, relevant, timely, and complete. Similarly, application of this provision would seriously restrict the Department's ability to disseminate information pertaining to a possible violation of law to law enforcement and regulatory agencies. In collecting information during a criminal investigation, it is often impossible or

31 CFR Subtitle A (7-1-10 Edition)

unfeasible to determine accuracy, relevance, timeliness, or completeness prior to collection of the information. In disseminating information to law enforcement and regulatory agencies, it is often impossible to determine accuracy, relevance, timeliness, or completeness prior to dissemination, because the Department may not have the expertise with which to make such determinations.

(ii) Information that may initially appear inaccurate, irrelevant, untimely, or incomplete may, when collated and analyzed with other available information, become more pertinent as an investigation progresses. In addition, application of this provision could seriously impede criminal investigators and intelligence analysts in the exercise of their judgment in reporting results obtained during criminal investigations.

(iii) Compliance with the records maintenance criteria listed in the foregoing provision would require the periodic up-dating of the Department's protective intelligence files to insure that the records maintained in the system remain timely and complete.

(11) 5 U.S.C. 552a(e)(8) requires an agency to make reasonable efforts to serve notice on an individual when the agency makes any record on the individual available to any person under compulsory legal process, when such process becomes a matter of public record. The systems of records should be exempted from this provision to avoid revealing investigative techniques and procedures outlined in those records and to prevent revelation of the existence of an ongoing investigation where there is need to keep the existence of the investigation secret.

(12) 5 U.S.C. 552a(g) provides for civil remedies to an individual when an agency wrongfully refuses to amend a record or to review a request for amendment, when an agency wrongfully refuses to grant access to a record, when an agency fails to maintain accurate, relevant, timely, and complete records which are used to make a determination adverse to the individual, and when an agency fails to comply with any other provision of 5 U.S.C. 552a so as to adversely affect the individual. The systems of records

Office of the Secretary of the Treasury

§ 1.36

should be exempted from this provision to the extent that the civil remedies may relate to provisions of 5 U.S.C. 552a from which these rules exempt the systems of records, since there should be no civil remedies for failure to comply with provisions from which the Department is exempted. Exemption from this provision will also protect the Department from baseless civil court actions that might hamper its ability to collate, analyze, and disseminate investigative, intelligence, and law enforcement data.

(e) *Specific exemptions under 5 U.S.C. 552a(k)(1)*. (1) Under 5 U.S.C. 552a(k)(1), the head of any agency may promulgate rules to exempt any system of records within the agency from certain provisions of the Privacy Act of 1974 to the extent that the system contains information subject to the provisions of 5 U.S.C. 552(b)(1). This paragraph applies to the following system of records maintained by the Department of the Treasury:

(f) *Reasons for exemptions under 5 U.S.C. 552a(k)(1)*. The reason for invoking the exemption is to protect material required to be kept secret in the interest of national defense or foreign policy pursuant to Executive Order 12958 (or successor or prior Executive Order).

(g) *Specific exemptions under 5 U.S.C. 552a(k)(2)*. (1) Under 5 U.S.C. 552a(k)(2), the head of any agency may promulgate rules to exempt any system of records within the agency from certain provisions of the Privacy Act of 1974 if the system is investigatory material compiled for law enforcement purposes and for the purposes of assuring the safety of individuals protected by the

(2) The Department hereby exempts the systems of records listed in paragraphs (g)(1)(i) through (xiii) of this section from the following provisions of 5 U.S.C. 552a, pursuant to 5 U.S.C. 552a(k)(2); 5 U.S.C. 552a(c)(3), 5 U.S.C. 552a(d)(1), (2), (3), (4), 5 U.S.C. 552a(e)(1), 5 U.S.C. 552a(e)(4)(G), (H), and (I), and 5 U.S.C. 552a(f).

(h) *Reasons for exemptions under 5 U.S.C. 552a(k)(2).* (1) 5 U.S.C. 552a(c)(3) requires an agency to make accountings of disclosures of a record available to the individual named in the record upon his or her request. The accountings must state the date, nature, and purpose of each disclosure of the record and the name and address of the recipient.

(i) The application of this provision would impair the ability of the Department and of law enforcement agencies outside the Department of the Treasury to make effective use of information maintained by the Department.

Making accountings of disclosures available to the subjects of an investigation would alert them to the fact that an agency is conducting an investigation into their illegal activities and could reveal the geographic location of the investigation, the nature and purpose of that investigation, and the dates on which that investigation was active. Violators possessing such knowledge would be able to take measures to avoid detection or apprehension by altering their operations, by transferring their illegal activities to other geographical areas, or by destroying or concealing evidence that would form the basis for detection or apprehension. In the case of a delinquent account, such release might enable the subject of the investigation to dissipate assets before levy.

(ii) Providing accountings to the subjects of investigations would alert them to the fact that the Department has information regarding their illegal activities and could inform them of the general nature of that information.

(2) 5 U.S.C. 552a(d)(1), (e)(4)(H) and (f)(2), (3) and (5) grant individuals access to records pertaining to them. The application of these provisions to the systems of records would compromise the Department's ability to utilize and provide useful tactical and strategic information to law enforcement agencies.

(i) Permitting access to records contained in the systems of records would provide individuals with information concerning the nature of any current investigations and would enable them to avoid detection or apprehension by:

(A) discovering the facts that would form the basis for their detection or apprehension;

(B) enabling them to destroy or alter evidence of illegal conduct that would form the basis for their detection or apprehension, and

(C) using knowledge that investigators had reason to believe that a violation of law was about to be committed, to delay the commission of the violation or commit it at a location that might not be under surveillance.

(ii) Permitting access to either ongoing or closed investigative files would also reveal investigative techniques and procedures, the knowledge

§ 1.36

of which could enable individuals planning non-criminal acts to structure their operations so as to avoid detection or apprehension.

(iii) Permitting access to investigative files and records could, moreover, disclose the identity of confidential sources and informers and the nature of the information supplied and thereby endanger the physical safety of those sources by exposing them to possible reprisals for having provided the information. Confidential sources and informers might refuse to provide investigators with valuable information unless they believed that their identities would not be revealed through disclosure of their names or the nature of the information they supplied. Loss of access to such sources would seriously impair the Department's ability to carry out its mandate.

(iv) Furthermore, providing access to records contained in the systems of records could reveal the identities of undercover law enforcement officers or other persons who compiled information regarding the individual's illegal activities and thereby endanger the physical safety of those undercover officers, persons, or their families by exposing them to possible reprisals.

(v) By compromising the law enforcement value of the systems of records for the reasons outlined in paragraphs (h)(2)(i) through (iv) of this section, permitting access in keeping with these provisions would discourage other law enforcement and regulatory agencies, foreign and domestic, from freely sharing information with the Department and thus would restrict the Department's access to information necessary to accomplish its mission most effectively.

(vi) Finally, the dissemination of certain information that the Department may maintain in the systems of records is restricted by law.

(3) 5 U.S.C. 552a(d)(2), (3) and (4), (e)(4)(H), and (f)(4) permit an individual to request amendment of a record pertaining to him or her and require the agency either to amend the record, or to note the disputed portion of the record and to provide a copy of the individual's statement of disagreement with the agency's refusal to amend a record to persons or other agencies to

31 CFR Subtitle A (7-1-10 Edition)

whom the record is thereafter disclosed. Since these provisions depend on the individual's having access to his or her records, and since these rules exempt the systems of records from the provisions of 5 U.S.C. 552a relating to access to records, for the reasons set out in paragraph (h)(2) of this section, these provisions should not apply to the systems of records.

(4) 5 U.S.C. 552a(e)(1) requires an agency to maintain in its records only such information about an individual as is relevant and necessary to accomplish a purpose of the agency required to be accomplished by statute or executive order. The term "maintain," as defined in 5 U.S.C. 552a(a)(3), includes "collect" and "disseminate." The application of this provision to the system of records could impair the Department's ability to collect, utilize and disseminate valuable law enforcement information.

(i) At the time that the Department collects information, it often lacks sufficient time to determine whether the information is relevant and necessary to accomplish a Department purpose.

(ii) In many cases, especially in the early stages of investigation, it may be impossible immediately to determine whether information collected is relevant and necessary, and information that initially appears irrelevant and unnecessary often may, upon further evaluation or upon collation with information developed subsequently, prove particularly relevant to a law enforcement program.

(iii) Not all violations of law discovered by the Department analysts fall within the investigative jurisdiction of the Department of the Treasury. To promote effective law enforcement, the Department will have to disclose such violations to other law enforcement agencies, including State, local and foreign agencies that have jurisdiction over the offenses to which the information relates. Otherwise, the Department might be placed in the position of having to ignore information relating to violations of law not within the jurisdiction of the Department of the Treasury when that information comes to the Department's attention during the collation and analysis of information in its records.

Office of the Secretary of the Treasury

§ 1.36

(5) 5 U.S.C. 552a (e)(4)(G) and (f)(1) enable individuals to inquire whether a system of records contains records pertaining to them. Application of these provisions to the systems of records would allow individuals to learn whether they have been identified as suspects or subjects of investigation. As further described in the following paragraph, access to such knowledge would impair the Department's ability to carry out its mission, since individuals could:

- (i) Take steps to avoid detection;
- (ii) Inform associates that an investigation is in progress;
- (iii) Learn the nature of the investigation;
- (iv) Learn whether they are only suspects or identified as law violators;
- (v) Begin, continue, or resume illegal conduct upon learning that they are not identified in the system of records; or
- (vi) Destroy evidence needed to prove the violation.

(6) 5 U.S.C. 552a(e)(4)(I) requires an agency to publish a general notice listing the categories of sources for information contained in a system of records. The application of this provision to the systems of records could compromise the Department's ability to complete or continue investigations or to provide useful information to law enforcement agencies, since revealing sources for the information could:

- (i) Disclose investigative techniques and procedures;
- (ii) Result in threats or reprisals against informers by the subjects of investigations; and
- (iii) Cause informers to refuse to give full information to investigators for fear of having their identities as sources disclosed.

(i) *Specific exemptions under 5 U.S.C. 552a(k)(3).* (1) The head of any agency may promulgate rules to exempt any system of records within the agency from certain provisions of the Privacy Act of 1974 if it is maintained in connection with providing protective intelligence to the President of the United States or other individuals pursuant to section 3056 of Title 18. This paragraph applies to the following system of records maintained by the Department which contains material relating to criminal investigations con-

cerned with the enforcement of criminal statutes involving the security of persons and property. Further, this system contains records described in 5 U.S.C. 552a(k) including, but not limited to, classified material and investigatory material compiled for law enforcement purposes, for which exemption is claimed under 5 U.S.C. 552a(k)(3):

U.S. Secret Service:

Number	System name
USSS .007	Protection Information System.

(2) The Department hereby exempts the system of records listed in (i)(1) of this section from the following provisions of 5 U.S.C. 552a, pursuant to 5 U.S.C. 552a(k)(3): 5 U.S.C. 552a(c)(3), 5 U.S.C. 552a(d)(1), (2), (3), and (4), 5 U.S.C. 552a(e)(1), 5 U.S.C. 552a(e)(4)(G), (H), and (I), and 5 U.S.C. 552a(f).

(j) *Reasons for exemptions under 5 U.S.C. 552a(k)(3).* (1) 5 U.S.C. 552a(c)(3) requires an agency to make accountings of disclosures of a record available to the individual named in the record upon his or her request. The accountings must state the date, nature, and purpose of each disclosure of the record and the name and address of the recipient.

(i) The application of this provision would impair the ability of law enforcement agencies outside the Department of the Treasury to make effective use of information provided by the Department. Making accountings of disclosures available to the subjects of an investigation would alert them to the fact that another agency is conducting an investigation into their criminal activities and could reveal the geographic location of the other agency's investigation, the nature and purpose of that investigation, and the dates on which the investigation was active. Violators possessing such knowledge would be able to take measures to avoid detection or apprehension by altering their operations, by transferring their criminal activities to other geographical areas, or by destroying or concealing evidence that would form the basis for arrest.

(ii) Providing accountings to the subjects of investigations would alert them to the fact that the Department

§ 1.36

has information regarding their criminal activities and could inform them of the general nature of that information. Access to such information could reveal the operation of the Department's information-gathering and analysis systems and permit violators to take steps to avoid detection or apprehension.

(iii) The release of such information to the subject of a protective intelligence file would provide significant information concerning the nature and scope of an investigation, and could result in impeding or compromising the efforts of Department personnel to detect persons suspected of criminal activities or to collect information necessary for the proper evaluation of persons considered to be of protective interest.

(2) 5 U.S.C. 552a(d)(1), (e)(4)(H) and (f)(2), (3) and (5) grant individuals access to records pertaining to them. The application of these provisions to the systems of records would compromise the Department's ability to provide useful tactical and strategic information to law enforcement agencies.

(i) Permitting access to records contained in the systems of records would provide individuals with information concerning the nature of any current investigations and would enable them to avoid detection or apprehension by:

(A) Discovering the facts that would form the basis for their arrest;

(B) Enabling them to destroy or alter evidence of criminal conduct that would form the basis for their arrest, and

(C) Using knowledge that criminal investigators had reason to believe that a crime was about to be committed, to delay the commission of the crime or commit it at a location that might not be under surveillance.

(ii) Permitting access to either ongoing or closed investigative files would also reveal investigative techniques and procedures, the knowledge of which could enable individuals planning crimes to structure their operations so as to avoid detection or apprehension.

(iii) Permitting access to investigative files and records could, moreover, disclose the identity of confidential sources, and informers and the nature

31 CFR Subtitle A (7-1-10 Edition)

of the information supplied and thereby endanger the physical safety of those sources by exposing them to possible reprisals for having provided the information. Confidential sources and informers might refuse to provide criminal investigators with valuable information unless they believed that their identities would not be revealed through disclosure of their names or the nature of the information they supplied. Loss of access to such sources would seriously impair the Department's ability to carry out its mandate.

(iv) Furthermore, providing access to records contained in the systems of records could reveal the identities of undercover law enforcement officers who compiled information regarding the individual's criminal activities and thereby endanger the physical safety of those undercover officers or their families by exposing them to possible reprisals.

(v) By compromising the law enforcement value of the systems of records for the reasons outlined in paragraphs (j)(2)(i) through (iv) of this section, permitting access in keeping with these provisions would discourage other law enforcement and regulatory agencies, foreign and domestic, from freely sharing information with the Department and thus would restrict the Department's access to information necessary to accomplish its mission most effectively.

(vi) Limitation on access to the materials contained in the protective intelligence files is considered necessary to the preservation of the utility of intelligence files and in safeguarding those persons the Department is authorized to protect. Access to the protective intelligence files could adversely affect the quality of information available to the Department; compromise confidential sources; hinder the ability of the Department to keep track of persons of protective interest; and interfere with the Department's protective intelligence activities by individuals gaining access to protective intelligence files.

(vii) Many of the persons on whom records are maintained in the protective intelligence files suffer from mental aberrations. Knowledge of their

condition and progress comes from authorities, family members and witnesses. Many times this information comes to the Department as a result of two-party conversations where it would be impossible to hide the identity of informants. Sources of information must be developed, questions asked and answers recorded. Trust must be extended and guarantees of confidentiality and anonymity must be maintained. Allowing access of information of this kind to individuals who are the subjects of protective interest may well lead to violence directed against an informant by a mentally disturbed individual.

(viii) Finally, the dissemination of certain information that the Department may maintain in the systems of records is restricted by law.

(3) 5 U.S.C. 552a(d)(2), (3) and (4), (e)(4)(H), and (f)(4) permit an individual to request amendment of a record pertaining to him or her and require the agency either to amend the record, or to note the disputed portion of the record and to provide a copy of the individual's statement of disagreement with the agency's refusal to amend a record to persons or other agencies to whom the record is thereafter disclosed. Since these provisions depend on the individual's having access to his or her records, and since these rules exempt the systems of records from the provisions of 5 U.S.C. 552a relating to access to records, for the reasons set out in paragraph (j)(2) of this section, these provisions should not apply to the systems of records.

(4) 5 U.S.C. 552a(e)(1) requires an agency to maintain in its records only such information about an individual as is relevant and necessary to accomplish a purpose of the agency required to be accomplished by statute or executive order. The term "maintain," as defined in 5 U.S.C. 552a(a)(3), includes "collect" and "disseminate." The application of this provision to the systems of records could impair the Department's ability to collect and disseminate valuable law enforcement information.

(i) At the time that the Department collects information, it often lacks sufficient time to determine whether the

information is relevant and necessary to accomplish a Department purpose.

(ii) In many cases, especially in the early stages of investigation, it may be impossible immediately to determine whether information collected is relevant and necessary, and information that initially appears irrelevant and unnecessary often may, upon further evaluation or upon collation with information developed subsequently, prove particularly relevant to a law enforcement program.

(iii) Not all violations of law discovered by the Department analysts fall within the scope of the protective intelligence jurisdiction of the Department of the Treasury. To promote effective law enforcement, the Department will have to disclose such violations to other law enforcement agencies, including State, local and foreign agencies, that have jurisdiction over the offenses to which the information relates. Otherwise, the Department might be placed in the position of having to ignore information relating to violations of law not within the jurisdiction of the Department of the Treasury when that information comes to the Department's attention during the collation and analysis of information in its records.

(5) 5 U.S.C. 552a (e)(4)(G) and (f)(1) enable individuals to inquire whether a system of records contains records pertaining to them. Application of these provisions to the systems of records would allow individuals to learn whether they have been identified as suspects or subjects of investigation. As further described in the following paragraph, access to such knowledge would impair the Department's ability to carry out its mission to safeguard those persons the Department is authorized to protect, since individuals could:

- (i) Take steps to avoid detection;
- (ii) Inform associates that an investigation is in progress;
- (iii) Learn the nature of the investigation;
- (iv) Learn whether they are only suspects or identified as law violators;
- (v) Begin, continue, or resume illegal conduct upon learning that they are not identified in the system of records; or

§ 1.36

(vi) Destroy evidence needed to prove the violation.

(6) 5 U.S.C. 552a(e)(4)(I) requires an agency to publish a general notice listing the categories of sources for information contained in a system of records. The application of this provision to the systems of records could compromise the Department's ability to provide useful information to law enforcement agencies, since revealing sources for the information could:

- (i) Disclose investigative techniques and procedures;
- (ii) Result in threats or reprisals against informers by the subject(s) of a protective intelligence file; and
- (iii) Cause informers to refuse to give full information to criminal investigators for fear of having their identities as sources disclosed.

(k) *Specific exemptions under 5 U.S.C. 552a(k)(4)*. (1) Under 5 U.S.C. 552a(k)(4), the head of any agency may promulgate rules to exempt any system of records within the agency from certain provisions of the Privacy Act of 1974 if the system is required by statute to be maintained and used solely as statistical records. This paragraph applies to the following system of records maintained by the Department, for which exemption is claimed under 5 U.S.C. 552a(k)(4):

Internal Revenue Service:

Number	System name
IRS 70.001	Statistics of Income-Individual Tax Returns.

(2) The Department hereby exempts the system of records listed in paragraph (k)(1) of this section from the following provisions of 5 U.S.C. 552a, pursuant to 5 U.S.C. 552a(k)(4): 5 U.S.C. 552a(c)(3), 5 U.S.C. 552a(d)(1), (2), (3), and (4), 5 U.S.C. 552a(e)(1), 5 U.S.C. 552a(e)(4)(G), (H), and (I), and 5 U.S.C. 552a(f).

(3) The system of records is maintained under section 6108 of the Internal Revenue Code, which provides that "the Secretary or his delegate shall prepare and publish annually statistics reasonably available with respect to the operation of the income tax laws, including classifications of taxpayers and of income, the amounts allowed as deductions, exemptions, and credits,

31 CFR Subtitle A (7-1-10 Edition)

and any other facts deemed pertinent and valuable."

(1) *Reasons for exemptions under 5 U.S.C. 552a(k)(4)*. The reason for exempting the system of records is that disclosure of statistical records (including release of accounting for disclosures) would in most instances be of no benefit to a particular individual since the records do not have a direct effect on a given individual.

(m) *Specific exemptions under 5 U.S.C. 552a(k)(5)*. (1) Under 5 U.S.C. 552a(k)(5), the head of any agency may promulgate rules to exempt any system of records within the agency from certain provisions of the Privacy Act of 1974 if the system is investigatory material compiled solely for the purpose of determining suitability, eligibility, and qualifications for Federal civilian employment or access to classified information, but only to the extent that the disclosure of such material would reveal the identity of a source who furnished information to the Government under an express promise that the identity of the source would be held in confidence, or, prior to September 27, 1975, under an implied promise that the identity of the source would be held in confidence. Thus to the extent that the records in this system can be disclosed without revealing the identity of a confidential source, they are not within the scope of this exemption and are subject to all the requirements of the Privacy Act. This paragraph applies to the following systems of records maintained by the Department or one of its bureaus:

(i) Departmental Offices:

Number	System name
DO .004	Personnel Security System.
DO .306	TIGTA Recruiting and Placement.

(ii) Alcohol and Tobacco Tax and Trade Bureau.

(iii) Comptroller of the Currency:

(iv) U.S. Customs Service:

Number	System name
CS .127	Internal Affairs Records.

(v) Bureau of Engraving and Printing:

- (vi) Federal Law Enforcement Training Center
- (vii) Financial Management Service
- (viii) Internal Revenue Service:

Number	System name
IRS 34.021	Personnel Security Investigations, National Background Investigations Center.
IRS 34.022	Automated Background Investigations System (ABIS)
IRS 36.008	Recruiting, Examining and Placement Records.
IRS 90.003	Chief Counsel General Administrative Systems.
IRS 90.011	Attorney Recruiting Files.

- (ix) U.S. Mint
- (x) Bureau of the Public Debt
- (xi) U.S. Secret Service
- (xii) Office of Thrift Supervision
- (xiii) Financial Crimes Enforcement Network:

(2) The Department hereby exempts the systems of records listed in paragraph (m)(1)(i) through (xiii) of this section from the following provisions of 5 U.S.C. 552a, pursuant to 5 U.S.C. 552a(k)(5): 5 U.S.C. 552a(c)(3), 5 U.S.C. 552a(d)(1), (2), (3), and (4), 5 U.S.C. 552a(e)(1), 5 U.S.C. 552a(e)(4)(G), (H), and (I), and 5 U.S.C. 552a(f).

(n) *Reasons for exemptions under 5 U.S.C. 552a(k)(5).* (1) The sections of 5 U.S.C. 552a from which the systems of records are exempt include in general those providing for individuals' access to or amendment of records. When such access or amendment would cause the identity of a confidential source to be revealed, it would impair the future ability of the Department to compile investigatory material for the purpose of determining suitability, eligibility, or qualifications for Federal civilian employment, Federal contracts, or access to classified information. In addition, the systems shall be exempt from 5 U.S.C. 552a(e)(1) which requires that an agency maintain in its records only such information about an individual as is relevant and necessary to accomplish a purpose of the agency required to be accomplished by statute or executive order. The Department believes that to fulfill the requirements of 5 U.S.C. 552a(e)(1) would unduly restrict the agency in its information gath-

ering inasmuch as it is often not until well after the investigation that it is possible to determine the relevance and necessity of particular information.

(2) If any investigatory material contained in the above-named systems becomes involved in criminal or civil matters, exemptions of such material under 5 U.S.C. 552a (j)(2) or (k)(2) is hereby claimed.

(o) *Exemption under 5 U.S.C. 552a(k)(6).*

(1) Under 5 U.S.C. 552a(k)(6), the head of any agency may promulgate rules to exempt any system of records that is testing or examination material used solely to determine individual qualifications for appointment or promotion in the Federal service the disclosure of which would compromise the objectivity or fairness of the testing or examination process. This paragraph applies to the following system of records maintained by the Department, for which exemption is claimed under 5 U.S.C. 552a(k)(6):

Internal Revenue Service:

Number	System name
IRS 36.008	Recruiting, Examining and Placement Records.
DO .306	TIGTA Recruiting and Placement.

(2) The Department hereby exempts the system of records listed in paragraph (o)(1) of this section from the following provisions of 5 U.S.C. 552a, pursuant to 5 U.S.C. 552a(k)(6): 5 U.S.C. 552a(c)(3), 5 U.S.C. 552a(d)(1), (2), (3), and (4), 5 U.S.C. 552a(e)(1), 5 U.S.C. 552a(e)(4)(G), (H), and (I), and 5 U.S.C. 552a(f).

(p) *Reasons for exemptions under 5 U.S.C. 552a(k)(6).* The reason for exempting the system of records is that disclosure of the material in the system would compromise the objectivity or fairness of the examination process.

(q) *Exempt information included in another system.* Any information from a system of records for which an exemption is claimed under 5 U.S.C. 552a(j) or (k) which is also included in another system of records retains the same exempt status such information has in the system for which such exemption is claimed.

8. *Verification of identity.* An individual seeking notification or access to records, or seeking to amend a record, must satisfy one of the following identification requirements before action will be taken by the Departmental Offices on any such request:

(i) An individual seeking notification or access to records in person, or seeking to amend a record in person, may establish identity by the presentation of a single official document bearing a photograph (such as a passport or identification badge) or by the presentation of two items of identification which do not bear a photograph but do bear both a name and signature (such as a driver’s license or credit card).

(ii) An individual seeking notification or access to records by mail, or seeking to

amend a record by mail, may establish identity by a signature, address, and one other identifier such as a photocopy of a driver's license or other official document bearing the individual's signature.

(iii) Notwithstanding subdivisions (i) and (ii) of this subparagraph, an individual seeking notification or access to records by mail or in person, or seeking to amend a record by mail or in person, who so desires, may establish identity by providing a notarized statement, swearing or affirming to such individual's identity and to the fact that the individual understands the penalties provided in 5 U.S.C. 552a(i)(3) for requesting or obtaining access to records under false pretenses.

Notwithstanding subdivision (i), (ii), or (iii) of this subparagraph, a designated official may require additional proof of an individual's identity before action will be taken on any request, if such official determines that it is necessary to protect against unauthorized disclosure of information in a particular case. In addition, a parent of any minor or a legal guardian of any individual will be required to provide adequate proof of legal relationship before such person may act on behalf of such minor or such individual.

[52 FR 26305, July 14, 1987, as amended at 75 FR 745, Jan. 6, 2010]

APPENDIX B TO SUBPART C OF PART 1— INTERNAL REVENUE SERVICE

1. *Purpose.* The purpose of this section is to set forth the procedures that have been established by the Internal Revenue Service for individuals to exercise their rights under the Privacy Act of 1974 (88 Stat. 1896) with respect to systems of records maintained by the Internal Revenue Service, including the Office of the Chief Counsel. The procedures contained in this section are to be promulgated under the authority of 5 U.S.C. 552a(f). The procedures contained in this section relate to the following:

(a) The procedures whereby an individual can be notified in response to a request if a system of records named by the individual contains a record pertaining to such individual (5 U.S.C. 552a(f)(1)).

(b) The procedures governing reasonable times, places, and requirements for identifying an individual who requests a record of information pertaining to such individual before the Internal Revenue Service will make the record or information available to the individual (5 U.S.C. 552a (f)(2)).

(c) The procedures for the disclosure to an individual upon a request of a record of information pertaining to such individual, including special procedures for the disclosure to an individual of medical records, including psychological records. (5 U.S.C. 552a (f)(3)).

(d) The procedures for reviewing a request from an individual concerning the amendment of any record or information pertaining to the individual, for making a determination on the request, for an appeal within the Internal Revenue Service of an initial adverse agency determination, and for whatever additional means may be necessary for individuals to be able to exercise fully their right under 5 U.S.C. 552a (5 U.S.C. 552a (f)(4)).

Any individual seeking to determine whether a system of records maintained by any office of the Internal Revenue Service contains a record or information pertaining to such individual, or seeking access to, or amendment of, such a record, must comply fully with the applicable procedure contained in paragraph (3) or (4) of this section before the Internal Revenue Service will act on the request. Neither the notification and access (or accounting of disclosures) procedures under paragraph (3) of this section nor the amendment procedures under paragraph (4) of this section are applicable to (i) systems of records exempted pursuant to 5 U.S.C. 552a (j) and (k), (ii) information compiled in reasonable anticipation of a civil action or proceeding (see 5 U.S.C. 552a (d)(5)), or (iii) information pertaining to an individual which is contained in, and inseparable from, another individual's record.

2. *Access to and amendment of tax records.* The provisions of the Privacy Act of 1974 may not be used by an individual to amend or correct any tax record. The determination of liability for taxes imposed by the Internal Revenue Service Code, the collection of such taxes, and the payment (including credits or refunds of overpayments) of such taxes are governed by the provisions of the Internal Revenue Service Code and by the procedural rules of the Internal Revenue Service. These provisions set forth the established procedures governing the determination of liability for tax, the collection of such taxes, and the payment (including credits or refunds of overpayments) of such taxes. In addition, these provisions set forth the procedures (including procedures for judicial review) for resolving disputes between taxpayers and the Internal Revenue Service involving the amount of tax owed, or the payment or collection of such tax. These procedures are the exclusive means available to an individual to contest the amount of any liability for tax or the payment or collection thereof. See, for example, 26 CFR 601.103 for summary of general tax procedures. Individuals are advised that Internal Revenue Service procedures permit the examination of tax records during the course of an investigation, audit, or collection activity. Accordingly, individuals should contact the Internal Revenue Service employee conducting an audit or effecting the collection of tax liabilities to gain access to such records, rather than seeking access under the provisions of the Privacy Act.

Where, on the other hand, an individual desires information or records not in connection with an investigation, audit, or collection activity, the individual may follow these procedures.

3. *Procedures for access to records*—(a) *In general.* This paragraph sets forth the procedure whereby an individual can be notified in response to a request if a system of records named by the individual which is maintained by the Internal Revenue Service contains a record pertaining to such individual. In addition, this paragraph sets forth the procedure for the disclosure to an individual upon a request of a record or information pertaining to such individual, including the procedures for verifying the identity of the individual before the Internal Revenue Service will make a record available, and the procedure for requesting an accounting of disclosures of such records. An individual seeking to determine whether a particular system of records contains a record or records pertaining to such individual and seeking access to such records (or seeking an accounting of disclosures of such records) shall make a request for notification and access (or a request for an accounting of disclosures) in accordance with the rules provided in paragraph 3(b) of this section.

(b) *Form of request for notification and access or request for an accounting of disclosures.* (i) A request for notification and access (or request for an accounting of disclosures) shall be made in writing and shall be signed by the person making the request.

(ii) Such request shall be clearly marked, "Request for notification and access," or "Request for accounting of disclosures."

(iii) Such a request shall contain a statement that it is being made under the provisions of the Privacy Act of 1974.

(iv) Such request shall contain the name and address of the individual making the request. In addition, if a particular system employs an individual's social security number as an essential means of accessing the system, the request must include the individual's social security number. In the case of a record maintained in the name of two or more individuals (e.g., husband and wife), the request shall contain the names, addresses, and social security numbers (if necessary) of both individuals.

(v) Such request shall specify the name and location of the particular system of records (as set forth in the Notice of Systems) for which the individual is seeking notification and access (or an accounting of disclosures), and the title and business address of the official designated in the access section for the particular system (as set forth in the Notice of Systems). In the case of two or more systems of records which are under the control of the same designated official at the same systems location, a single request may be made for such systems. In the case of two or

more systems of records which are not in the control of the same designated official at the same systems location, a separate request must be made for each such system.

(vi) If an individual wishes to limit a request for notification and access to a particular record or records, the request should identify the particular record. In the absence of a statement to the contrary, a request for notification and access for a particular system of records shall be considered to be limited to records which are currently maintained by the designated official at the systems location specified in the request.

(vii) If such request is seeking notification and access to material maintained in a system of records which is exempt from disclosure and access under 5 U.S.C. 552a (k)(2), the individual making the request must establish that such individual has been denied a right, privilege, or benefit that such individual would otherwise be entitled to under Federal law as a result of the maintenance of such material.

(viii) Such request shall state whether the individual wishes to inspect the record in person, or desires to have a copy made and furnished without first inspecting it. If the individual desires to have a copy made, the request must include an agreement to pay the fee for duplication ultimately determined to be due. If the individual does not wish to inspect a record, but merely wishes to be notified whether a particular system or records contains a record pertaining to such individual, the request should so state.

(c) *Time and place for making a request.* A request for notification and access to records under the Privacy Act (or a request for accounting of disclosures) shall be addressed to or delivered in person to the office of the official designated in the access section for the particular system of records for which the individual is seeking notification and access (or an accounting of disclosures). The title and office address of such official is set forth for each system of records in the Notice of Systems of Records. A request delivered to an office in person must be delivered during the regular office hours of that office.

(d) Sample request for notification and access to records. The following are sample requests for notification and access to records which will satisfy the requirements of this paragraph:

REQUEST FOR NOTIFICATION AND ACCESS TO

ultimately determined to be due for duplication of such record. I have enclosed the necessary information.

REQUEST FOR NOTIFICATION AND ACCESS TO RECORDS IN PERSON

I, John Doe, of 100 Main Street, Boston, MA 02108 (soc. sec. num. 000-00-0000) request under the provisions of the Privacy Act of 1974, that the following system of records be examined and that I be granted access in person to inspect any record (or a specified record) contained therein pertaining to me. I have enclosed the necessary identification.

System Name:
System Location:
Designated Official:

John Doe

(e) *Processing a request for notification and access to records or a request for an accounting of disclosures.* (i) If a request for notification and access (or request for an accounting of disclosures) omits any information which is essential to processing the request, the request will not be acted upon and the individual making the request will be promptly advised of the additional information which must be submitted before the request can be processed.

(ii) Within 30 days (not including Saturdays, Sundays, and legal public holidays) after the receipt of a request for notification and access (or a request for an accounting of disclosures), to a particular system of records by the designated official for such system, a determination will be made as to whether the particular system of records is exempt from the notification and access provisions of the Privacy Act, and if such system is not exempt, whether it does or does not contain a record pertaining to the individual making the request. If a determination cannot be made within 30 days, the individual will be notified of the delay, the reasons therefor, and the approximate time required to make a determination. If it is determined by the designated official that the particular system of records is exempt from the notification and access provisions of the Privacy Act, the individual making the request will be notified of the provisions of the Privacy Act under which the exemption is claimed. On the other hand, if it is determined by the designated official that the particular system of records is not exempted from the notification and access provisions of the Privacy Act and that such system contains a record pertaining to the individual making the request, the individual will be

notified of the time and place where inspection may be made. If an individual has not requested that access be granted to inspect the record in person, but merely requests that a copy of the record be furnished, or if it is determined by the designated official that the granting of access to inspect a record in person is not feasible in a particular case, then the designated official will furnish a copy of the record with the notification, or if a copy cannot be furnished at such time, a statement indicating the approximate time such copy will be furnished. If the request is for an accounting of disclosures from a system of records which is not exempt from the accounting of disclosure provisions of the Privacy Act, the individual will be furnished with an accounting of such disclosures.

(f) *Granting of access.* Normally, an individual will be granted access to inspect a record in person within 30 days (excluding Saturdays, Sundays, and legal public holidays) after the receipt for a request for notification and access by the designated official. If access cannot be granted within 30 days, the notification will state the reasons for the delay and the approximate time such access will be granted. An individual wishing to inspect a record may be accompanied by another person of his choosing. Both the individual seeking access and the individual accompanying him may be required to sign a form supplied by the IRS indicating that the Service is authorized to disclose or discuss the contents of the record in the presence of both individuals. See 26 CFR 601.502 for requirements to be met by taxpayer's representatives in order to discuss the contents of any tax records.

(g) *Medical records.* When access is requested to medical records (including psychological records), the designated official may determine that release of such records will be made only to a physician designated by the individual to have access to such records.

(h) *Verification of identity.* An individual seeking notification or access to records, or seeking to amend a record, must satisfy one of the following identification requirements before action will be taken by the IRS on any such request:

(i) An individual seeking notification or access to records in person, or seeking to amend a record in person, may establish identity by the presentation of a single document bearing a photograph (such as a passport or identification badge) or by the presentation of two items of identification which do not bear a photograph but do bear both a name and signature (such as a driver's license or credit card).

(ii) An individual seeking notification or access to records by mail, or seeking to amend a record by mail, may establish identity by a signature, address, and one other

Pt. 1, Subpt. C, App. B

identifier such as a photocopy of a driver's license or other document bearing the individual's signature.

(iii) Notwithstanding subdivisions (i) and (ii) of this subparagraph, an individual seeking notification or access to records by mail or in person, or seeking to amend a record by mail or in person, who so desires, may establish identity by providing a notarized statement, swearing or affirming to such individual's identity and to the fact that the individual understands the penalties provided in 5 U.S.C. 552a(i)(3) for requesting or obtaining access to records under false pretenses.

(iv) Notwithstanding subdivisions (i), (ii), or (iii) of this subparagraph, a designated official may require additional proof of an individual's identity before action will be taken on any request if such official determines that it is necessary to protect unauthorized disclosure of information in a particular case. In addition, a parent of any minor or a legal guardian of any individual will be required to provide adequate proof of legal relationship before such person may act on behalf of such minor or such individual.

(i) *Fees.* The fee for costs required of the IRS in copying records pursuant to this paragraph is \$0.15 per page. However, no fee will be charged if the aggregate costs required of the IRS in copying records is less than \$3.00. If an individual who has requested access to inspect a record in person is denied such access by the designated official because it would not be feasible in a particular case, copies of such record will be furnished to the individual without payment of the fees otherwise required under this subparagraph. If the IRS estimates that the total fees for costs incurred in complying with a request for copies of records will amount to \$50 or more, the individual making the request may be required to enter into a contract for the payment of the actual fees with respect to the request before the Service will furnish the copies requested. Payment of fees for copies of records should be made by check or money order payable to the Internal Revenue Service.

4. *Procedures for amendment of records.* (a) In general. This paragraph sets forth the procedures for reviewing a request from an individual concerning the amendment of any record or information pertaining to such individual, for making a determination on the request, for making an appeal within the IRS of an initial adverse determination, and for judicial review of a final determination.

(b) *Amendment of record.* Under 5 U.S.C. 552a(d)(2), an individual who has been granted access to a record pertaining to such individual may, after inspecting the record, request that the record be amended to make any correction of any portion thereof which the individual believes is not accurate, relevant, timely, or complete. An individual

31 CFR Subtitle A (7-1-10 Edition)

may seek to amend a record in accordance with the rules provided in paragraph (d)(3) of this section. See paragraph (b) of this section for prohibition against amendment of tax records.

(c) *Form of request for amendment of record.*

(i) A request for amendment of a record shall be in writing and shall be signed by the individual making the request.

(ii) Such request shall be clearly marked "Request for amendment of record."

(iii) Such request shall contain a statement that it is being made under the provisions of the Privacy Act of 1974.

(iv) Such request shall contain the name and address of the individual making the request. In addition, if a particular system employs an individual's social security number as an essential means of accessing the system, the request must include the individual's social security number. In the case of a record maintained in the name of two or more individuals (e.g., husband and wife), the request shall contain the names, addresses, and social security numbers (if necessary) of both individuals.

(v) Such request shall specify the name and location of the system of records (as set forth in the Notice of Systems) in which such record is maintained, and the title and business address of the official designated in the access section for such system (as set forth in the Notice of Systems).

(vi) Such request shall specify the particular record in the system which the individual is seeking to amend.

(vii) Such request shall clearly state the specific changes which the individual wishes to make in the record and a concise explanation of the reasons for the changes. If the individual wishes to correct or add any information, the request shall contain specific language making the desired correction or addition.

(d) *Time and place for making request.* A request to amend a record under the Privacy Act shall be addressed to or delivered in person to the office of the official designated in the access section for the particular system of records. The title and office address of such official is set forth for each system of records in the Notice of Systems of Records. A request delivered to an office in person must be delivered during the regular office hours of that office.

(e) *Processing a request for amendment of a record.*

(i) Within 10 days (not including Saturdays, Sundays, and legal public holidays) after the receipt of a request to amend a record by the designated official, the individual will be sent a written acknowledgement that will state that the request has been received, that action is being taken thereon, and that the individual will be notified within 30 days (not including Saturdays, Sundays, and legal public holidays) after the receipt of the request whether the requested

Office of the Secretary of the Treasury

Pt. 1, Subpt. C, App. B

amendments will or will not be made. If a request for amendment of a record omits any information which is essential to processing the request, the request will not be acted upon and the individual making the request will be promptly advised on the additional information which must be submitted before the request can be processed.

PART 2—NATIONAL SECURITY INFORMATION

Sec.

2.1 Processing of mandatory declassification review requests.

2.2 Access to classified information by historical researchers, former Treasury Presidential and Vice Presidential appointees, and former Presidents and Vice Presidents.

AUTHORITY: 31 U.S.C. 321, E.O. 12958, 60 FR 19825, E.O. 13292, 68 FR 15315.

SOURCE: 72 FR 63104, Nov. 8, 2007, unless otherwise noted.

§ 2.1 Processing of mandatory declassification review requests.

(a) Except as provided by section 3.4(b) of Executive Order 13292, Further Amendment to Executive Order 12958, as amended, *Classified National Security Information*, all information classified by the Department of the Treasury under these Orders or any predecessor Executive Order shall be subject to mandatory declassification review by the Department, if:

(1) The request for a mandatory declassification review describes the document or material containing the information with sufficient specificity to enable Treasury personnel to locate it with a reasonable amount of effort;

(2) The information is not exempt from search and review under sections 105C, 105D, or 701 of the National Security Act of 1947 (50 U.S.C. 431, 432 and 432a); and

(3) The information has not been reviewed for declassification within the past 2 years or the information is not the subject of pending litigation.

(b) Requests for classified records originated by the Department of the Treasury shall be directed to the Office of Security Programs, Attention: Assistant Director (Information Security), 1500 Pennsylvania Avenue, NW., Washington, DC 20220. Upon receipt of each request for mandatory declassification review, pursuant to section 3.5 of Executive Order 13292, the following procedures will apply:

(1) The Office of Security Programs will acknowledge receipt of the request.

(2)(i) A mandatory declassification review request need not identify the requested information by date or title of the responsive records, but must be of sufficient specificity to allow Treasury personnel to locate records containing the information sought with a reasonable amount of effort. Whenever a request does not reasonably describe the information sought, the requester will be notified by the Office of Security Programs that unless additional information is provided or the scope of the request is narrowed, no further action will be undertaken with respect to the request.

(ii) If Treasury has reviewed the information within the past 2 years and determined that all or part thereof remains classified, or the information is the subject of pending litigation, the requester shall be so informed and advised of the requester’s appeal rights.

(3) The Office of Security Programs will determine the appropriate Treasury offices or bureaus to conduct the mandatory declassification review. The Office of Security Programs will also advise Treasury and/or bureau reviewing officials concerning the mandatory

§2.1

declassification review process. Classified information relating to intelligence activities (including special activities), intelligence sources or methods, or cryptology will also be coordinated with the Office of the Assistant Secretary (Intelligence and Analysis). As appropriate, the Office of Security Programs will refer requests to other Federal departments and agencies having a direct interest in the requested documents.

(4)(i) Treasury personnel undertaking a mandatory declassification review shall make reasonable efforts to determine if particular information may be declassified. Reviewing officials may rely on applicable exemption criteria under the Freedom of Information Act, the Privacy Act, and any other applicable law that authorizes the withholding of information. Reviewing officials shall also identify the amount of search and review time required to process each request. Barring extenuating circumstances, mandatory declassification reviews for reasonably small volumes of records should be completed in a timely fashion. A final determination regarding large volumes of records should ordinarily be made within one year of Treasury's receipt of any mandatory declassification review request.

(ii) If the Director, Office of Security Programs determines that a Treasury office or bureau responsible for conducting a mandatory declassification review is not making reasonable efforts to review classified information subject to a mandatory declassification request, the Director may authorize Treasury-and/or bureau-originated information to be declassified in consultation with the Department's Senior Agency Official.

(iii) If information cannot be declassified in its entirety, reasonable efforts, consistent with applicable law, will be made to release those declassified portions of the requested information that constitute a coherent segment. Upon the denial or partial denial of a declassification request, the requester will be so informed by the Office of Security Programs and advised of the requester's appeal rights.

(5)(i) If Treasury receives a mandatory declassification review request for

31 CFR Subtitle A (7-1-10 Edition)

information in its possession that were originated by another Federal department or agency, the Office of Security Programs will forward the request to that department or agency for a declassification determination, together with a copy of the requested records, a recommendation concerning a declassification determination, and a request to be advised of that department's or agency's declassification determination. The Office of Security Programs may, after consultation with the originating department or agency, inform any requester of the referral unless such association is itself classified under Executive Order 13292 or prior orders.

(ii) Mandatory declassification review requests concerning classified information originated by a Treasury office or bureau that has been transferred to another Federal department or agency will be forwarded to the appropriate successor department or agency for a declassification determination.

(6) If another Federal department or agency forwards a mandatory declassification review request to Treasury for information in its custody that was classified by Treasury, the Office of Security Programs will:

(i) Advise the referring department or agency as to whether it may notify the requester of the referral; and

(ii) Respond to the Federal department, agency, or requester, as applicable, in accordance with the requirements of this section.

(7)(i) Upon the denial, in whole or in part, of a request for the mandatory declassification review of information, the Office of Security Programs will so notify the requester in writing and will inform the requester of the right to appeal the classification determination within 60 calendar days of the receipt of the classification determination. The notice will also advise the requester of the name and address of the Treasury official who will be responsible for deciding an appeal (the Deciding Official). The Office of Security Programs will coordinate appeals with the appropriate Treasury offices and bureaus.

(ii) The Deciding Official should make a determination on an appeal

within 30 working days following the receipt of the appeal, or within 60 working days following receipt if the Deciding Official determines that additional time is required to make a determination and so notifies the requester. The Deciding Official should notify the requester in writing of Treasury's determination on appeal and, if applicable, the reasons for any whole or partial denial of the appeal. The Office of Security Programs will also notify the requester of their right of a final appeal to the Interagency Security Classification Appeals Panel, as appropriate, under 32 CFR 2001.33.

(8)(i) Treasury may charge fees for search, review, and duplicating costs in connection with a mandatory declassification review request.

(A) The fee for services of Treasury personnel involved in locating and/or reviewing records will be charged at the rate of a GS-11, Step 1 employee, in the Washington-Baltimore Federal pay area, in effect when the mandatory declassification review request is received by the Office of Security Programs for searches that take more than two hours or for review times that are greater than two hours. Fees may be waived, in writing, by a bureau head or the equivalent Treasury official at the Assistant Secretary level.

(B) There is no fee for duplicating the first 100 pages of fully or partially releasable documents. The cost of additional pages is 20 cents per page. No charges shall be levied for search and/or review time requiring less than 2 hours.

(ii) If it is estimated that the fees associated with a mandatory declassification review will exceed \$100, the Office of Security Programs will notify the requester in writing of the estimated costs and shall obtain satisfactory written assurance of full payment or require the requester to make an advance payment of the entire estimated fee before proceeding to process the request. Treasury may request pre-payment where the fee is likely to exceed \$500. After 60 calendar days without receiving the requester's written assurance of full payment or agreement to make pre-payment of estimated fees (or to amend the mandatory declassification review request in a manner

as to result in fees acceptable to the requester), Treasury may administratively terminate the mandatory declassification review request. Failure of a requester to pay fees after billing will result in future requests not being honored. Nothing in this paragraph will preclude Treasury from taking any other lawful action to recover payment for costs incurred in processing a mandatory declassification review request.

(iii) Payment of fees shall be made by check or money order to the Treasurer of the United States. Fees charged by Treasury for mandatory declassification review are separate and distinct from any other fees that may be imposed by a Presidential Library, the National Archives and Records Administration, or another Federal department or agency.

§ 2.2 Access to classified information by historical researchers, former Treasury Presidential and Vice Presidential appointees, and former Presidents and Vice Presidents.

(a) Access to classified information may be granted only to individuals who have a need-to-know the information. This requirement may be waived, however, for individuals who:

(1) Are engaged in historical research projects;

(2) Previously occupied a position in the Treasury to which they were appointed by the President under 3 U.S.C. 105(a)(2)(A), or the Vice President under 3 U.S.C. 106(a)(1)(A); or

(3) Served as President or Vice President.

(b) Access to classified information may be granted to individuals described in paragraph (a) of this section upon:

(1) A written determination by Treasury's Senior Agency Official, under Section 5.4(d) of Executive Order 13292, that access is consistent with the interest of the national security; and

(2) Receipt of the individual's written agreement to safeguard classified information, including taking all appropriate steps to protect classified information from unauthorized disclosure or compromise. This written agreement must also include the individual's consent to have any and all notes (including those prepared or stored in electronic media, whether written or

Pt. 3

oral) reviewed by authorized Treasury personnel to ensure that no classified information is contained therein and, if so, that the classified information is not published.

(c)(i)(A) A historical researcher is not authorized to have access to foreign government information or information classified by another Federal department or agency.

(B) A former Treasury Presidential or Vice Presidential appointee is only authorized access to classified information that the former official originated, reviewed, signed or received while serving as such an appointee.

(C) A former President or Vice President is only authorized access to classified information that was prepared by Treasury while that individual was serving as President or Vice President.

(ii) Granting access to classified information pursuant to this section does not constitute the granting of a security clearance for access to classified information.

(d) Treasury personnel will coordinate access to classified information by individuals described in paragraph (a) of this section with the Director, Office of Security Programs, who will ensure that the written agreement described in paragraph (b)(2) of this section is signed as a condition of being granted access to classified information.

(e) Any review of classified information by an individual described in paragraph (a) of this section shall take place in a location designated by the Director, Office of Security Programs. Such persons must be accompanied at all times by appropriately authorized Treasury personnel authorized to have access to the classified information being reviewed. All notes (including those prepared or stored in electronic media, whether written or oral) made by an individual described in paragraph (a) of this section shall remain in the custody of the Office of Security Programs pending a determination by appropriately cleared subject matter experts that no classified information is contained therein.

(f) An individual described in paragraph (a) of this section is subject to search, as are all packages or carrying cases prior to entering or leaving

31 CFR Subtitle A (7-1-10 Edition)

Treasury. Access to Treasury-originated classified information at another Federal department or agency, as may be authorized by the Director, Office of Security Programs shall be governed by security protocols in effect at the other Federal department or agency.

(g) Treasury personnel must perform a physical verification and an accounting of all classified information each time such information is viewed by an individual described in paragraph (a) of this section. Physical verification and an accounting of all classified information shall be made both prior to and after viewing. Any discrepancy must be immediately reported to the Director, Office of Security Programs.

(h) An individual described in paragraph (a) of this section may be charged reasonable fees for services rendered by Treasury in connection with the review of classified information under this section. To the extent such services involve searching, reviewing, and copying material, the provisions of §2.1(b)(8) shall apply.

SOURCE: 67 FR 65845, Oct. 28, 2002, unless otherwise noted.

Subpart A—General Provisions

§ 5.1 What definitions apply to the regulations in this part?

As used in this part:

Administrative offset or *offset* means withholding funds payable by the United States (including funds payable by the United States on behalf of a State Government) to, or held by the United States for, a person to satisfy a debt owed by the person. The term “administrative offset” includes, but is not limited to, the offset of Federal salary, vendor, retirement, and Social Security benefit payments. The terms “centralized administrative offset” and “centralized offset” refer to the process by which the Treasury Department's Financial Management Service offsets Federal payments through the Treasury Offset Program.

Administrative wage garnishment means the process by which a Federal agency orders a non-Federal employer to withhold amounts from a debtor's wages to satisfy a debt, as authorized by 31 U.S.C. 3720D, 31 CFR 285.11, and this part.

Agency or *Federal agency* means a department, agency, court, court administrative office, or instrumentality in the executive, judicial, or legislative branch of the Federal Government, including government corporations.

Creditor agency means any Federal agency that is owed a debt.

Debt means any amount of money, funds or property that has been determined by an appropriate official of the Federal Government to be owed to the United States by a person. As used in this part, the term “debt” does not include debts arising under the Internal Revenue Code of 1986 (26 U.S.C. 1 *et seq.*).

Debtor means a person who owes a debt to the United States.

Delinquent debt means a debt that has not been paid by the date specified in the agency’s initial written demand for payment or applicable agreement or instrument (including a post-delinquency payment agreement) unless other satisfactory payment arrangements have been made.

Delinquent Treasury debt means a delinquent debt owed to a Treasury entity.

Disposable pay has the same meaning as that term is defined in 5 CFR 550.1103.

Employee or *Federal employee* means a current employee of the Treasury Department or other Federal agency, including a current member of the Armed Forces, Reserve of the Armed Forces of the United States, or the National Guard.

FCCS means the Federal Claims Collection Standards, which were jointly published by the Departments of the Treasury and Justice and codified at 31 CFR parts 900-904.

Financial Management Service means the Financial Management Service, a bureau of the Treasury Department, which is responsible for the centralized collection of delinquent debts through the offset of Federal payments and other means.

Payment agency or *Federal payment agency* means any Federal agency that transmits payment requests in the form of certified payment vouchers, or other similar forms, to a disbursing official for disbursement. The “payment agency” may be the agency that employs the debtor. In some cases, the Treasury Department may be both the creditor agency and payment agency.

Person means an individual, corporation, partnership, association, organization, State or local government, or

any other type of entity other than a Federal agency.

Salary offset means a type of administrative offset to collect a debt owed by a Federal employee from the current pay account of the employee.

Secretary means the Secretary of the Treasury.

Tax refund offset is defined in 31 CFR 285.2(a).

Treasury debt means a debt owed to a Treasury entity by a person.

Treasury Department means the United States Department of the Treasury.

Treasury entity means the Office of Inspector General, the Office of Inspector General for Tax Administration, or a bureau of the Treasury Department, including the Departmental Offices, responsible for the collection of the applicable Treasury debt. Departmental Offices include, but are not limited to, the Office of D.C. Pensions, the Community Development Financial Institution Fund, the Executive Office of Asset Forfeiture, and the Office of Foreign Assets Control. Other bureaus include, but are not limited to, the Bureau of Public Debt; Bureau of Engraving and Printing; U.S. Mint; U.S. Secret Service; Customs Service; Financial Management Service; Internal Revenue Service; Bureau of Alcohol, Tobacco, and Firearms; Office of Comptroller of the Currency; the Office of Thrift Supervision; Federal Law Enforcement Training Center; and the Financial Crimes Enforcement Network.

§ 5.2 Why is the Treasury Department issuing these regulations and what do they cover?

(a) *Scope.* This part provides procedures for the collection of Treasury debts. This part also provides procedures for collection of other debts owed to the United States when a request for offset of a Treasury payment is received by the Treasury Department from another agency (for example, when a Treasury Department employee owes a debt to the United States Department of Education).

(b) *Applicability.* (1) This part applies to the Treasury Department when collecting a Treasury debt, to persons who owe Treasury debts, and to Federal agencies requesting offset of a payment

§5.3

issued by the Treasury Department as a payment agency (including salary payments to Treasury Department employees).

(2) This part does not apply to tax debts nor to any debt for which there is an indication of fraud or misrepresentation, as described in §900.3 of the FCCS, unless the debt is returned by the Department of Justice to the Treasury Department for handling.

(3) This part does not apply to the Financial Management Service when acting on behalf of other Federal agencies and states to collect delinquent debt referred to the Financial Management Service for collection action as required or authorized by Federal law. See 31 CFR part 285.

(4) Nothing in this part precludes collection or disposition of any debt under statutes and regulations other than those described in this part. See, for example, 5 U.S.C. 5705, Advancements and Deductions, which authorizes Treasury entities to recover travel advances by offset of up to 100% of a Federal employee's accrued pay. See, also, 5 U.S.C. 4108, governing the collection of training expenses. To the extent that the provisions of laws, other regulations, and Treasury Department enforcement policies differ from the provisions of this part, those provisions of law, other regulations, and Treasury Department enforcement policies apply to the remission or mitigation of fines, penalties, and forfeitures, and debts arising under the tariff laws of the United States, rather than the provisions of this part.

(c) *Additional policies and procedures.* Treasury entities may, but are not required to, promulgate additional policies and procedures consistent with this part, the FCCS, and other applicable Federal law, policies, and procedures.

(d) *Duplication not required.* Nothing in this part requires a Treasury entity to duplicate notices or administrative proceedings required by contract, this part, or other laws or regulations.

(e) *Use of multiple collection remedies allowed.* Treasury entities and other Federal agencies may simultaneously use multiple collection remedies to collect a debt, except as prohibited by law. This part is intended to promote

31 CFR Subtitle A (7–1–10 Edition)

aggressive debt collection, using for each debt all available collection remedies. These remedies are not listed in any prescribed order to provide Treasury entities with flexibility in determining which remedies will be most efficient in collecting the particular debt.

§5.3 Do these regulations adopt the Federal Claims Collection Standards (FCCS)?

This part adopts and incorporates all provisions of the FCCS. This part also supplements the FCCS by prescribing procedures consistent with the FCCS, as necessary and appropriate for Treasury Department operations.

Subpart B—Procedures To Collect Treasury Debts

§5.4 What notice will Treasury entities send to a debtor when collecting a Treasury debt?

(a) *Notice requirements.* Treasury entities shall aggressively collect Treasury debts. Treasury entities shall promptly send at least one written notice to a debtor informing the debtor of the consequences of failing to pay or otherwise resolve a Treasury debt. The notice(s) shall be sent to the debtor at the most current address of the debtor in the records of the Treasury entity collecting the debt. Generally, before starting the collection actions described in §§5.5 and 5.9 through 5.17 of this part, Treasury entities will send no more than two written notices to the debtor. The purpose of the notice(s) is to explain why the debt is owed, the amount of the debt, how a debtor may pay the debt or make alternate repayment arrangements, how a debtor may review documents related to the debt, how a debtor may dispute the debt, the collection remedies available to Treasury entities if the debtor refuses to pay the debt, and other consequences to the debtor if the debt is not paid. Except as otherwise provided in paragraph (b) of this section, the written notice(s) shall explain to the debtor:

(1) The nature and amount of the debt, and the facts giving rise to the debt;

(2) How interest, penalties, and administrative costs are added to the

debt, the date by which payment should be made to avoid such charges, and that such assessments must be made unless excused in accordance with 31 CFR 901.9 (see § 5.5 of this part);

(3) The date by which payment should be made to avoid the enforced collection actions described in paragraph (a)(6) of this section;

(4) The Treasury entity's willingness to discuss alternative payment arrangements and how the debtor may enter into a written agreement to repay the debt under terms acceptable to the Treasury entity (see § 5.6 of this part);

(5) The name, address, and telephone number of a contact person or office within the Treasury entity;

(6) The Treasury entity's intention to enforce collection if the debtor fails to pay or otherwise resolve the debt, by taking one or more of the following actions:

(i) *Offset*. Offset the debtor's Federal payments, including income tax refunds, salary, certain benefit payments (such as Social Security), retirement, vendor, travel reimbursements and advances, and other Federal payments (see §§ 5.10 through 5.12 of this part);

(ii) *Private collection agency*. Refer the debt to a private collection agency (see § 5.15 of this part);

(iii) *Credit bureau reporting*. Report the debt to a credit bureau (see § 5.14 of this part);

(iv) *Administrative wage garnishment*. Garnish the debtor's wages through administrative wage garnishment (see § 5.13 of this part);

(v) *Litigation*. Refer the debt to the Department of Justice to initiate litigation to collect the debt (see § 5.16 of this part);

(vi) *Treasury Department's Financial Management Service*. Refer the debt to the Financial Management Service for collection (see § 5.9 of this part);

(7) That Treasury debts over 180 days delinquent must be referred to the Financial Management Service for the collection actions described in paragraph (a)(6) of this section (see § 5.9 of this part);

(8) How the debtor may inspect and copy records related to the debt;

(9) How the debtor may request a review of the Treasury entity's deter-

mination that the debtor owes a debt and present evidence that the debt is not delinquent or legally enforceable (see §§ 5.10(c) and 5.11(c) of this part);

(10) How a debtor may request a hearing if the Treasury entity intends to garnish the debtor's private sector (*i.e.*, non-Federal) wages (see § 5.13(a) of this part), including:

(i) The method and time period for requesting a hearing;

(ii) That the timely filing of a request for a hearing on or before the 15th business day following the date of the notice will stay the commencement of administrative wage garnishment, but not necessarily other collection procedures; and

(iii) The name and address of the office to which the request for a hearing should be sent.

(11) How a debtor who is a Federal employee subject to Federal salary offset may request a hearing (see § 5.12(e) of this part), including:

(i) The method and time period for requesting a hearing;

(ii) That the timely filing of a request for a hearing on or before the 15th calendar day following receipt of the notice will stay the commencement of salary offset, but not necessarily other collection procedures;

(iii) The name and address of the office to which the request for a hearing should be sent;

(iv) That the Treasury entity will refer the debt to the debtor's employing agency or to the Financial Management Service to implement salary offset, unless the employee files a timely request for a hearing;

(v) That a final decision on the hearing, if requested, will be issued at the earliest practical date, but not later than 60 days after the filing of the request for a hearing, unless the employee requests and the hearing official grants a delay in the proceedings;

(vi) That any knowingly false or frivolous statements, representations, or evidence may subject the Federal employee to penalties under the False Claims Act (31 U.S.C. 3729-3731) or other applicable statutory authority, and criminal penalties under 18 U.S.C. 286, 287, 1001, and 1002, or other applicable statutory authority;

§5.5

(vii) That unless prohibited by contract or statute, amounts paid on or deducted for the debt which are later waived or found not owed to the United States will be promptly refunded to the employee; and

(viii) That proceedings with respect to such debt are governed by 5 U.S.C. 5514 and 31 U.S.C. 3716;

(12) How the debtor may request a waiver of the debt, if applicable (*see, for example*, Treasury Directive 34-01 (Waiving Claims Against Treasury Employees for Erroneous Payments), set forth at Appendix A of this part and at <http://www.treas.gov/regs>);

(13) How the debtor's spouse may claim his or her share of a joint income tax refund by filing Form 8379 with the Internal Revenue Service (*see* <http://www.irs.gov>);

(14) How the debtor may exercise other statutory or regulatory rights and remedies available to the debtor;

(15) That certain debtors may be ineligible for Federal Government loans, guaranties and insurance (*see* 31 U.S.C. 3720B, 31 CFR 285.13, and §5.17(a) of this part);

(16) If applicable, the Treasury entity's intention to suspend or revoke licenses, permits or privileges (*see* §5.17(b) of this part); and

(17) That the debtor should advise the Treasury entity of a bankruptcy proceeding of the debtor or another person liable for the debt being collected.

(b) *Exceptions to notice requirements.* A Treasury entity may omit from a notice to a debtor one or more of the provisions contained in paragraphs (a)(6) through (a)(17) of this section if the Treasury entity, in consultation with its legal counsel, determines that any provision is not legally required given the collection remedies to be applied to a particular debt.

(c) *Respond to debtors; comply with FCCS.* Treasury entities should respond promptly to communications from debtors and comply with other FCCS provisions applicable to the administrative collection of debts. *See* 31 CFR part 901.

31 CFR Subtitle A (7-1-10 Edition)

§5.5 How will Treasury entities add interest, penalty charges, and administrative costs to a Treasury debt?

(a) *Assessment and notice.* Treasury entities shall assess interest, penalties and administrative costs on Treasury debts in accordance with the provisions of 31 U.S.C. 3717 and 31 CFR 901.9, on Treasury debts. Interest shall be charged in accordance with the requirements of 31 U.S.C. 3717(a). Penalties shall accrue at the rate of 6% per year, or such other higher rate as authorized by law. Administrative costs, that is the costs of processing and handling a delinquent debt, shall be determined by the Treasury entity collecting the Treasury debt. Treasury entities may have additional policies regarding how interest, penalties, and administrative costs are assessed on particular types of debts. Treasury entities are required to explain in the notice to the debtor described in §5.4 of this part how interest, penalties, costs, and other charges are assessed, unless the requirements are included in a contract or repayment agreement.

(b) *Waiver of interest, penalties, and administrative costs.* Unless otherwise required by law, Treasury entities may not charge interest if the amount due on the debt is paid within 30 days after the date from which the interest accrues. *See* 31 U.S.C. 3717(d). Treasury entities may waive interest, penalties, and administrative costs, or any portion thereof, when it would be against equity and good conscience or not in the Treasury entity's best interest to collect such charges, in accordance with Treasury guidelines for waiving claims against Treasury employees for erroneous overpayments. *See* Treasury Directive 34-01 (Waiving Claims Against Treasury Employees for Erroneous Payments) set forth at Appendix A of this part and at <http://www.treas.gov/regs>. Legal counsel approval is not required to waive such charges. *Cf.*, §§5.7 and 5.8 of this part, which require legal counsel approval when compromising a debt or terminating debt collection activity on a debt.

(c) *Accrual during suspension of debt collection.* In most cases, interest, penalties and administrative costs will

continue to accrue during any period when collection has been suspended for any reason (for example, when the debtor has requested a hearing). Treasury entities may suspend accrual of any or all of these charges when accrual would be against equity and good conscience or not in the Treasury entity's best interest, in accordance with Treasury guidelines for waiving claims against Treasury employees for erroneous overpayments. *See* Treasury Directive 34-01 (Waiving Claims Against Treasury Employees for Erroneous Payments), set forth at Appendix A of this part and <http://www.treas.gov/regs>.

§ 5.6 When will Treasury entities allow a debtor to pay a Treasury debt in installments instead of one lump sum?

If a debtor is financially unable to pay the debt in one lump sum, a Treasury entity may accept payment of a Treasury debt in regular installments, in accordance with the provisions of 31 CFR 901.8 and the Treasury entity's policies and procedures.

§ 5.7 When will Treasury entities compromise a Treasury debt?

If a Treasury entity cannot collect the full amount of a Treasury debt, the Treasury entity may compromise the debt in accordance with the provisions of 31 CFR part 902 and the Treasury entity's policies and procedures. Legal counsel approval to compromise a Treasury debt is required as described in Treasury Directive 34-02 (Credit Management and Debt Collection), which may be found at <http://www.treas.gov/regs>.

§ 5.8 When will Treasury entities suspend or terminate debt collection on a Treasury debt?

If, after pursuing all appropriate means of collection, a Treasury entity determines that a Treasury debt is uncollectible, the Treasury entity may suspend or terminate debt collection activity in accordance with the provisions of 31 CFR part 903 and the Treasury entity's policies and procedures. Legal counsel approval to terminate debt collection activity is required as described in Treasury Directive 34-02 (Credit Management and Debt Collec-

tion), which may be found at <http://www.treas.gov/regs>.

§ 5.9 When will Treasury entities transfer a Treasury debt to the Treasury Department's Financial Management Service for collection?

(a) Treasury entities will transfer any eligible debt that is more than 180 days delinquent to the Financial Management Service for debt collection services, a process known as "cross-servicing." *See* 31 U.S.C. 3711(g) and 31 CFR 285.12. Treasury entities may transfer debts delinquent 180 days or less to the Financial Management Service in accordance with the procedures described in 31 CFR 285.12. The Financial Management Service takes appropriate action to collect or compromise the transferred debt, or to suspend or terminate collection action thereon, in accordance with the statutory and regulatory requirements and authorities applicable to the debt and the collection action to be taken. *See* 31 CFR 285.12(b)(2). Appropriate action includes, but is not limited to, contact with the debtor, referral of the debt to the Treasury Offset Program, private collection agencies or the Department of Justice, reporting of the debt to credit bureaus, and administrative wage garnishment.

(b) At least sixty (60) days prior to transferring a Treasury debt to the Financial Management Service, Treasury entities will send notice to the debtor as required by § 5.4 of this part. Treasury entities will certify to the Financial Management Service, in writing, that the debt is valid, delinquent, legally enforceable, and that there are no legal bars to collection. In addition, Treasury entities will certify their compliance with all applicable due process and other requirements as described in this part and other Federal laws. *See* 31 CFR 285.12(i) regarding the certification requirement.

(c) As part of its debt collection process, the Financial Management Service uses the Treasury Offset Program to collect Treasury debts by administrative and tax refund offset. *See* 31 CFR 285.12(g). The Treasury Offset Program is a centralized offset program administered by the Financial Management Service to collect delinquent debts

§ 5.10

owed to Federal agencies and states (including past-due child support). Under the Treasury Offset Program, before a Federal payment is disbursed, the Financial Management Service compares the name and taxpayer identification number (TIN) of the payee with the names and TINs of debtors that have been submitted by Federal agencies and states to the Treasury Offset Program database. If there is a match, the Financial Management Service (or, in some cases, another Federal disbursing agency) offsets all or a portion of the Federal payment, disburses any remaining payment to the payee, and pays the offset amount to the creditor agency. Federal payments eligible for offset include, but are not limited to, income tax refunds, salary, travel advances and reimbursements, retirement and vendor payments, and Social Security and other benefit payments.

§ 5.10 How will Treasury entities use administrative offset (offset of non-tax Federal payments) to collect a Treasury debt?

(a) *Centralized administrative offset through the Treasury Offset Program.* (1) In most cases, the Financial Management Service uses the Treasury Offset Program to collect Treasury debts by the offset of Federal payments. See § 5.9(c) of this part. If not already transferred to the Financial Management Service under § 5.9 of this part, Treasury entities will refer any eligible debt over 180 days delinquent to the Treasury Offset Program for collection by centralized administrative offset. See 31 U.S.C. 3716(c)(6); 31 CFR part 285, subpart A; and 31 CFR 901.3(b). Treasury entities may refer any eligible debt less than 180 days delinquent to the Treasury Offset Program for offset.

(2) At least sixty (60) days prior to referring a debt to the Treasury Offset Program, in accordance with paragraph (a)(1) of this section, Treasury entities will send notice to the debtor in accordance with the requirements of § 5.4 of this part. Treasury entities will certify to the Financial Management Service, in writing, that the debt is valid, delinquent, legally enforceable, and that there are no legal bars to collection by offset. In addition, Treasury

31 CFR Subtitle A (7–1–10 Edition)

entities will certify their compliance with the requirements described in this part.

(b) *Non-centralized administrative offset for Treasury debts.* (1) When centralized administrative offset through the Treasury Offset Program is not available or appropriate, Treasury entities may collect past-due, legally enforceable Treasury debts through non-centralized administrative offset. See 31 CFR 901.3(c). In these cases, Treasury entities may offset a payment internally or make an offset request directly to a Federal payment agency. If the Federal payment agency is another Treasury entity, the Treasury entity making the request shall do so through the Deputy Chief Financial Officer as described in § 5.20(c) of this part.

(2) At least thirty (30) days prior to offsetting a payment internally or requesting a Federal payment agency to offset a payment, Treasury entities will send notice to the debtor in accordance with the requirements of § 5.4 of this part. When referring a debt for offset under this paragraph (b), Treasury entities making the request will certify, in writing, that the debt is valid, delinquent, legally enforceable, and that there are no legal bars to collection by offset. In addition, Treasury entities will certify their compliance with these regulations concerning administrative offset. See 31 CFR 901.3(c)(2)(ii).

(c) *Administrative review.* The notice described in § 5.4 of this part shall explain to the debtor how to request an administrative review of a Treasury entity's determination that the debtor owes a Treasury debt and how to present evidence that the debt is not delinquent or legally enforceable. In addition to challenging the existence and amount of the debt, the debtor may seek a review of the terms of repayment. In most cases, Treasury entities will provide the debtor with a "paper hearing" based upon a review of the written record, including documentation provided by the debtor. Treasury entities shall provide the debtor with a reasonable opportunity for an oral hearing when the debtor requests reconsideration of the debt and the Treasury entity determines that

the question of the indebtedness cannot be resolved by review of the documentary evidence, for example, when the validity of the debt turns on an issue of credibility or veracity. Unless otherwise required by law, an oral hearing under this section is not required to be a formal evidentiary hearing, although Treasury entities should carefully document all significant matters discussed at the hearing. Treasury entities may suspend collection through administrative offset and/or other collection actions pending the resolution of a debtor's dispute. Each Treasury entity will have its own policies and procedures concerning the administrative review process consistent with the FCCS and the regulations in this section.

(d) *Procedures for expedited offset.* Under the circumstances described in 31 CFR 901.3(b)(4)(iii), Treasury entities may effect an offset against a payment to be made to the debtor prior to sending a notice to the debtor, as described in § 5.4 of this part, or completing the procedures described in paragraph (b)(2) and (c) of this section. Treasury entities shall give the debtor notice and an opportunity for review as soon as practicable and promptly refund any money ultimately found not to have been owed to the Government.

§ 5.11 How will Treasury entities use tax refund offset to collect a Treasury debt?

(a) *Tax refund offset.* In most cases, the Financial Management Service uses the Treasury Offset Program to collect Treasury debts by the offset of tax refunds and other Federal payments. See § 5.9(c) of this part. If not already transferred to the Financial Management Service under § 5.9 of this part, Treasury entities will refer to the Treasury Offset Program any past-due, legally enforceable debt for collection by tax refund offset. See 26 U.S.C. 6402(d), 31 U.S.C. 3720A and 31 CFR 285.2.

(b) *Notice.* At least sixty (60) days prior to referring a debt to the Treasury Offset Program, Treasury entities will send notice to the debtor in accordance with the requirements of § 5.4 of this part. Treasury entities will certify to the Financial Management

Service's Treasury Offset Program, in writing, that the debt is past-due and legally enforceable in the amount submitted and that the Treasury entities have made reasonable efforts to obtain payment of the debt as described in 31 CFR 285.2(d). In addition, Treasury entities will certify their compliance with all applicable due process and other requirements described in this part and other Federal laws. See 31 U.S.C. 3720A(b) and 31 CFR 285.2.

(c) *Administrative review.* The notice described in § 5.4 of this part shall provide the debtor with at least 60 days prior to the initiation of tax refund offset to request an administrative review as described in § 5.10(c) of this part. Treasury entities may suspend collection through tax refund offset and/or other collection actions pending the resolution of the debtor's dispute.

§ 5.12 How will Treasury entities offset a Federal employee's salary to collect a Treasury debt?

(a) *Federal salary offset.* (1) Salary offset is used to collect debts owed to the United States by Treasury Department and other Federal employees. If a Federal employee owes a Treasury debt, Treasury entities may offset the employee's Federal salary to collect the debt in the manner described in this section. For information on how a Federal agency other than a Treasury entity may collect debt from the salary of a Treasury Department employee, see §§ 5.20 and 5.21, subpart C, of this part.

(2) Nothing in this part requires a Treasury entity to collect a Treasury debt in accordance with the provisions of this section if Federal law allows otherwise. See, for example, 5 U.S.C. 5705 (travel advances not used for allowable travel expenses are recoverable from the employee or his estate by setoff against accrued pay and other means) and 5 U.S.C. 4108 (recovery of training expenses).

(3) Treasury entities may use the administrative wage garnishment procedure described in § 5.13 of this part to collect a debt from an individual's non-Federal wages.

(b) *Centralized salary offset through the Treasury Offset Program.* As described in § 5.9(a) of this part, Treasury entities

§ 5.12

will refer Treasury debts to the Financial Management Service for collection by administrative offset, including salary offset, through the Treasury Offset Program. When possible, Treasury entities should attempt salary offset through the Treasury Offset Program before applying the procedures in paragraph (c) of this section. See 5 CFR 550.1109.

(c) *Non-centralized salary offset for Treasury debts.* When centralized salary offset through the Treasury Offset Program is not available or appropriate, Treasury entities may collect delinquent Treasury debts through non-centralized salary offset. See 5 CFR 550.1109. In these cases, Treasury entities may offset a payment internally or make a request directly to a Federal payment agency to offset a salary payment to collect a delinquent debt owed by a Federal employee. If the Federal payment agency is another Treasury entity, the Treasury entity making the request shall do so through the Deputy Chief Financial Officer as described in § 5.20(c) of this part. At least thirty (30) days prior to offsetting internally or requesting a Federal agency to offset a salary payment, Treasury entities will send notice to the debtor in accordance with the requirements of § 5.4 of this part. When referring a debt for offset, Treasury entities will certify to the payment agency, in writing, that the debt is valid, delinquent and legally enforceable in the amount stated, and there are no legal bars to collection by salary offset. In addition, Treasury entities will certify that all due process and other prerequisites to salary offset have been met. See 5 U.S.C. 5514, 31 U.S.C. 3716(a), and this section for a description of the due process and other prerequisites for salary offset.

(d) *When prior notice not required.* Treasury entities are not required to provide prior notice to an employee when the following adjustments are made by a Treasury entity to a Treasury employee's pay:

(1) Any adjustment to pay arising out of any employee's election of coverage or a change in coverage under a Federal benefits program requiring periodic deductions from pay, if the amount to be recovered was accumulated over four pay periods or less;

31 CFR Subtitle A (7-1-10 Edition)

(2) A routine intra-agency adjustment of pay that is made to correct an overpayment of pay attributable to clerical or administrative errors or delays in processing pay documents, if the overpayment occurred within the four pay periods preceding the adjustment, and, at the time of such adjustment, or as soon thereafter as practical, the individual is provided written notice of the nature and the amount of the adjustment and point of contact for contesting such adjustment; or

(3) Any adjustment to collect a debt amounting to \$50 or less, if, at the time of such adjustment, or as soon thereafter as practical, the individual is provided written notice of the nature and the amount of the adjustment and a point of contact for contesting such adjustment.

(e) *Hearing procedures—(1) Request for a hearing.* A Federal employee who has received a notice that his or her Treasury debt will be collected by means of salary offset may request a hearing concerning the existence or amount of the debt. The Federal employee also may request a hearing concerning the amount proposed to be deducted from the employee's pay each pay period. The employee must send any request for hearing, in writing, to the office designated in the notice described in § 5.4. See § 5.4(a)(11). The request must be received by the designated office on or before the 15th calendar day following the employee's receipt of the notice. The employee must sign the request and specify whether an oral or paper hearing is requested. If an oral hearing is requested, the employee must explain why the matter cannot be resolved by review of the documentary evidence alone. All travel expenses incurred by the Federal employee in connection with an in-person hearing will be borne by the employee.

(2) *Failure to submit timely request for hearing.* If the employee fails to submit a request for hearing within the time period described in paragraph (e)(1) of this section, the employee will have waived the right to a hearing, and salary offset may be initiated. However, Treasury entities should accept a late request for hearing if the employee can

show that the late request was the result of circumstances beyond the employee's control or because of a failure to receive actual notice of the filing deadline.

(3) *Hearing official.* Treasury entities must obtain the services of a hearing official who is not under the supervision or control of the Secretary. Treasury entities may contact the Deputy Chief Financial Officer as described in § 5.20(c) of this part or an agent of any agency designated in Appendix A to 5 CFR part 581 (List of Agents Designated to Accept Legal Process) to request a hearing official.

(4) *Notice of hearing.* After the employee requests a hearing, the designated hearing official shall inform the employee of the form of the hearing to be provided. For oral hearings, the notice shall set forth the date, time and location of the hearing. For paper hearings, the notice shall notify the employee of the date by which he or she should submit written arguments to the designated hearing official. The hearing official shall give the employee reasonable time to submit documentation in support of the employee's position. The hearing official shall schedule a new hearing date if requested by both parties. The hearing official shall give both parties reasonable notice of the time and place of a rescheduled hearing.

(5) *Oral hearing.* The hearing official will conduct an oral hearing if he or she determines that the matter cannot be resolved by review of documentary evidence alone (for example, when an issue of credibility or veracity is involved). The hearing need not take the form of an evidentiary hearing, but may be conducted in a manner determined by the hearing official, including but not limited to:

(i) Informal conferences with the hearing official, in which the employee and agency representative will be given full opportunity to present evidence, witnesses and argument;

(ii) Informal meetings with an interview of the employee by the hearing official; or

(iii) Formal written submissions, with an opportunity for oral presentation.

(6) *Paper hearing.* If the hearing official determines that an oral hearing is not necessary, he or she will make the determination based upon a review of the available written record, including any documentation submitted by the employee in support of his or her position.

(7) *Failure to appear or submit documentary evidence.* In the absence of good cause shown (for example, excused illness), if the employee fails to appear at an oral hearing or fails to submit documentary evidence as required for a paper hearing, the employee will have waived the right to a hearing, and salary offset may be initiated. Further, the employee will have been deemed to admit the existence and amount of the debt as described in the notice of intent to offset. If the Treasury entity representative fails to appear at an oral hearing, the hearing official shall proceed with the hearing as scheduled, and make his or her determination based upon the oral testimony presented and the documentary evidence submitted by both parties.

(8) *Burden of proof.* Treasury entities will have the initial burden to prove the existence and amount of the debt. Thereafter, if the employee disputes the existence or amount of the debt, the employee must prove by a preponderance of the evidence that no debt exists or that the amount of the debt is incorrect. In addition, the employee may present evidence that the proposed terms of the repayment schedule are unlawful, would cause a financial hardship to the employee, or that collection of the debt may not be pursued due to operation of law.

(9) *Record.* The hearing official shall maintain a summary record of any hearing provided by this part. Witnesses will testify under oath or affirmation in oral hearings.

(10) *Date of decision.* The hearing official shall issue a written opinion stating his or her decision, based upon documentary evidence and information developed at the hearing, as soon as practicable after the hearing, but not later than 60 days after the date on which the request for hearing was received by the Treasury entity. If the employee requests a delay in the proceedings, the

§5.12

deadline for the decision may be postponed by the number of days by which the hearing was postponed. When a decision is not timely rendered, the Treasury entity shall waive penalties applied to the debt for the period beginning with the date the decision is due and ending on the date the decision is issued.

(1) *Content of decision.* The written decision shall include:

(i) A statement of the facts presented to support the origin, nature, and amount of the debt;

(ii) The hearing official's findings, analysis, and conclusions; and

(iii) The terms of any repayment schedules, if applicable.

(12) *Final agency action.* The hearing official's decision shall be final.

(f) Waiver not precluded. Nothing in this part precludes an employee from requesting waiver of an overpayment under 5 U.S.C. 5584 or 8346(b), 10 U.S.C. 2774, 32 U.S.C. 716, or other statutory authority.

(g) *Salary offset process*—(1) *Determination of disposable pay.* The office of the Deputy Chief Financial Officer will consult with the appropriate Treasury entity payroll office to determine the amount of a Treasury Department employee's disposable pay (as defined in §5.1 of this part) and will implement salary offset when requested to do so by a Treasury entity, as described in paragraph (c) of this section, or another agency, as described in §5.20 of this part. If the debtor is not employed by the Treasury Department, the agency employing the debtor will determine the amount of the employee's disposable pay and will implement salary offset upon request.

(2) *When salary offset begins.* Deductions shall begin within three official pay periods following receipt of the creditor agency's request for offset.

(3) *Amount of salary offset.* The amount to be offset from each salary payment will be up to 15 percent of a debtor's disposable pay, as follows:

(i) If the amount of the debt is equal to or less than 15 percent of the disposable pay, such debt generally will be collected in one lump sum payment;

(ii) Installment deductions will be made over a period of no greater than the anticipated period of employment.

31 CFR Subtitle A (7-1-10 Edition)

An installment deduction will not exceed 15 percent of the disposable pay from which the deduction is made unless the employee has agreed in writing to the deduction of a greater amount or the creditor agency has determined that smaller deductions are appropriate based on the employee's ability to pay.

(4) *Final salary payment.* After the employee has separated either voluntarily or involuntarily from the payment agency, the payment agency may make a lump sum deduction exceeding 15 percent of disposable pay from any final salary or other payments pursuant to 31 U.S.C. 3716 in order to satisfy a debt.

(h) *Payment agency's responsibilities.*

(1) As required by 5 CFR 550.1109, if the employee separates from the payment agency from which a Treasury entity has requested salary offset, the payment agency must certify the total amount of its collection and notify the Treasury entity and the employee of the amounts collected. If the payment agency is aware that the employee is entitled to payments from the Civil Service Retirement Fund and Disability Fund, the Federal Employee Retirement System, or other similar payments, it must provide written notification to the payment agency responsible for making such payments that the debtor owes a debt, the amount of the debt, and that the Treasury entity has complied with the provisions of this section. Treasury entities must submit a properly certified claim to the new payment agency before the collection can be made.

(2) If the employee is already separated from employment and all payments due from his or her former payment agency have been made, Treasury entities may request that money due and payable to the employee from the Civil Service Retirement Fund and Disability Fund, the Federal Employee Retirement System, or other similar funds, be administratively offset to collect the debt. Generally, Treasury entities will collect such monies through the Treasury Offset Program as described in §5.9(c) of this part.

(3) When an employee transfers to another agency, Treasury entities should resume collection with the employee's

new payment agency in order to continue salary offset.

§ 5.13 How will Treasury entities use administrative wage garnishment to collect a Treasury debt from a debtor's wages?

(a) Treasury entities are authorized to collect debts from a debtor's wages by means of administrative wage garnishment in accordance with the requirements of 31 U.S.C. 3720D and 31 CFR 285.11. This part adopts and incorporates all of the provisions of 31 CFR 285.11 concerning administrative wage garnishment, including the hearing procedures described in 31 CFR 285.11(f). Treasury entities may use administrative wage garnishment to collect a delinquent Treasury debt unless the debtor is making timely payments under an agreement to pay the debt in installments (see § 5.6 of this part). At least thirty (30) days prior to initiating an administrative wage garnishment, Treasury entities will send notice to the debtor in accordance with the requirements of § 5.4 of this part, including the requirements of § 5.4(a)(10) of this part. For Treasury debts referred to the Financial Management Service under § 5.9 of this part, Treasury entities may authorize the Financial Management Service to send a notice informing the debtor that administrative wage garnishment will be initiated and how the debtor may request a hearing as described in § 5.4(a)(10) of this part. If a debtor makes a timely request for a hearing, administrative wage garnishment will not begin until a hearing is held and a decision is sent to the debtor. See 31 CFR 285.11(f)(4). If a debtor's hearing request is not timely, Treasury entities may suspend collection by administrative wage garnishment in accordance with the provisions of 31 CFR 285.11(f)(5). All travel expenses incurred by the debtor in connection with an in-person hearing will be borne by the debtor.

(b) This section does not apply to Federal salary offset, the process by which Treasury entities collect debts from the salaries of Federal employees (see § 5.12 of this part).

§ 5.14 How will Treasury entities report Treasury debts to credit bureaus?

Treasury entities shall report delinquent Treasury debts to credit bureaus in accordance with the provisions of 31 U.S.C. 3711(e), 31 CFR 901.4, and the Office of Management and Budget Circular A-129, "Policies for Federal Credit Programs and Nontax Receivables." For additional information, see Financial Management Service's "Guide to the Federal Credit Bureau Program," which may be found at <http://www.fms.treas.gov/debt>. At least sixty (60) days prior to reporting a delinquent debt to a consumer reporting agency, Treasury entities will send notice to the debtor in accordance with the requirements of § 5.4 of this part. Treasury entities may authorize the Financial Management Service to report to credit bureaus those delinquent Treasury debts that have been transferred to the Financial Management Service under § 5.9 of this part.

§ 5.15 How will Treasury entities refer Treasury debts to private collection agencies?

Treasury entities will transfer delinquent Treasury debts to the Financial Management Service to obtain debt collection services provided by private collection agencies. See § 5.9 of this part.

§ 5.16 When will Treasury entities refer Treasury debts to the Department of Justice?

(a) *Compromise or suspension or termination of collection activity.* Treasury entities shall refer Treasury debts having a principal balance over \$100,000, or such higher amount as authorized by the Attorney General, to the Department of Justice for approval of any compromise of a debt or suspension or termination of collection activity. See §§ 5.7 and 5.8 of this part; 31 CFR 902.1; 31 CFR 903.1.

(b) *Litigation.* Treasury entities shall promptly refer to the Department of Justice for litigation delinquent Treasury debts on which aggressive collection activity has been taken in accordance with this part and that should not be compromised, and on which collection activity should not be suspended

§ 5.17

or terminated. See 31 CFR part 904. Treasury entities may authorize the Financial Management Service to refer to the Department of Justice for litigation those delinquent Treasury debts that have been transferred to the Financial Management Service under § 5.9 of this part.

§ 5.17 Will a debtor who owes a Treasury debt be ineligible for Federal loan assistance or Federal licenses, permits or privileges?

(a) *Delinquent debtors barred from obtaining Federal loans or loan insurance or guaranties.* As required by 31 U.S.C. 3720B and 31 CFR 901.6, Treasury entities will not extend financial assistance in the form of a loan, loan guarantee, or loan insurance to any person delinquent on a debt owed to a Federal agency. This prohibition does not apply to disaster loans. Treasury entities may extend credit after the delinquency has been resolved. See 31 CFR 285.13 for standards defining when a “delinquency” is “resolved” for purposes of this prohibition.

(b) *Suspension or revocation of eligibility for licenses, permits, or privileges.* Unless prohibited by law, Treasury entities should suspend or revoke licenses, permits, or other privileges for any inexcusable or willful failure of a debtor to pay a debt. The Treasury entity responsible for distributing the licenses, permits, or other privileges will establish policies and procedures governing suspension and revocation for delinquent debtors. If applicable, Treasury entities will advise the debtor in the notice required by § 5.4 of this part of the Treasury entities’ ability to suspend or revoke licenses, permits or privileges. See § 5.4(a)(16) of this part.

§ 5.18 How does a debtor request a special review based on a change in circumstances such as catastrophic illness, divorce, death, or disability?

(a) *Material change in circumstances.* A debtor who owes a Treasury debt may, at any time, request a special review by the applicable Treasury entity of the amount of any offset, administrative wage garnishment, or voluntary payment, based on materially changed circumstances beyond the control of the debtor such as, but not limited to,

31 CFR Subtitle A (7–1–10 Edition)

catastrophic illness, divorce, death, or disability.

(b) *Inability to pay.* For purposes of this section, in determining whether an involuntary or voluntary payment would prevent the debtor from meeting essential subsistence expenses (costs incurred for food, housing, clothing, transportation, and medical care), the debtor shall submit a detailed statement and supporting documents for the debtor, his or her spouse, and dependents, indicating:

- (1) Income from all sources;
- (2) Assets;
- (3) Liabilities;
- (4) Number of dependents;
- (5) Expenses for food, housing, clothing, and transportation;
- (6) Medical expenses; and
- (7) Exceptional expenses, if any.

(c) *Alternative payment arrangement.* If the debtor requests a special review under this section, the debtor shall submit an alternative proposed payment schedule and a statement to the Treasury entity collecting the debt, with supporting documents, showing why the current offset, garnishment or repayment schedule imposes an extreme financial hardship on the debtor. The Treasury entity will evaluate the statement and documentation and determine whether the current offset, garnishment, or repayment schedule imposes extreme financial hardship on the debtor. The Treasury entity shall notify the debtor in writing of such determination, including, if appropriate, a revised offset, garnishment, or payment schedule. If the special review results in a revised offset, garnishment, or repayment schedule, the Treasury entity will notify the appropriate agency or other persons about the new terms.

§ 5.19 Will Treasury entities issue a refund if money is erroneously collected on a debt?

Treasury entities shall promptly refund to a debtor any amount collected on a Treasury debt when the debt is waived or otherwise found not to be owed to the United States, or as otherwise required by law. Refunds under this part shall not bear interest unless required by law.

Subpart C—Procedures for Offset of Treasury Department Payments To Collect Debts Owed to Other Federal Agencies

§ 5.20 How do other Federal agencies use the offset process to collect debts from payments issued by a Treasury entity?

(a) *Offset of Treasury entity payments to collect debts owed to other Federal agencies.* (1) In most cases, Federal agencies submit eligible debts to the Treasury Offset Program to collect delinquent debts from payments issued by Treasury entities and other Federal agencies, a process known as “centralized offset.” When centralized offset is not available or appropriate, any Federal agency may ask a Treasury entity (when acting as a “payment agency”) to collect a debt owed to such agency by offsetting funds payable to a debtor by the Treasury entity, including salary payments issued to Treasury entity employees. This section and § 5.21 of this subpart C apply when a Federal agency asks a Treasury entity to offset a payment issued by the Treasury entity to a person who owes a debt to the United States.

(2) This subpart C does not apply to Treasury debts. *See* §§ 5.10 through 5.12 of this part for offset procedures applicable to Treasury debts.

(3) This subpart C does not apply to the collection of non-Treasury debts through tax refund offset. *See* 31 CFR 285.2 for tax refund offset procedures.

(b) *Administrative offset (including salary offset); certification.* A Treasury entity will initiate a requested offset only upon receipt of written certification from the creditor agency that the debtor owes the past-due, legally enforceable debt in the amount stated, and that the creditor agency has fully complied with all applicable due process and other requirements contained in 31 U.S.C. 3716, 5 U.S.C. 5514, and the creditor agency’s regulations, as applicable. Offsets will continue until the debt is paid in full or otherwise resolved to the satisfaction of the creditor agency.

(c) *Where a creditor agency makes requests for offset.* Requests for offset under this section shall be sent to the U.S. Department of the Treasury,

ATTN: Deputy Chief Financial Officer, 1500 Pennsylvania Avenue, NW., Attention: Metropolitan Square, Room 6228, Washington, DC 20220. The Deputy Chief Financial Officer will forward the request to the appropriate Treasury entity for processing in accordance with this subpart C.

(d) *Incomplete certification.* A Treasury entity will return an incomplete debt certification to the creditor agency with notice that the creditor agency must comply with paragraph (b) of this section before action will be taken to collect a debt from a payment issued by a Treasury entity.

(e) *Review.* A Treasury entity is not authorized to review the merits of the creditor agency’s determination with respect to the amount or validity of the debt certified by the creditor agency.

(f) *When Treasury entities will not comply with offset request.* A Treasury entity will comply with the offset request of another agency unless the Treasury entity determines that the offset would not be in the best interests of the United States, or would otherwise be contrary to law.

(g) *Multiple debts.* When two or more creditor agencies are seeking offsets from payments made to the same person, or when two or more debts are owed to a single creditor agency, the Treasury entity that has been asked to offset the payments may determine the order in which the debts will be collected or whether one or more debts should be collected by offset simultaneously.

(h) *Priority of debts owed to Treasury entity.* For purposes of this section, debts owed to a Treasury entity generally take precedence over debts owed to other agencies. The Treasury entity that has been asked to offset the payments may determine whether to pay debts owed to other agencies before paying a debt owed to a Treasury entity. The Treasury entity that has been asked to offset the payments will determine the order in which the debts will be collected based on the best interests of the United States.

§ 5.21

§ 5.21 What does a Treasury entity do upon receipt of a request to offset the salary of a Treasury entity employee to collect a debt owed by the employee to another Federal agency?

(a) *Notice to the Treasury employee.* When a Treasury entity receives proper certification of a debt owed by one of its employees, the Treasury entity will begin deductions from the employee's pay at the next officially established pay interval. The Treasury entity will send a written notice to the employee indicating that a certified debt claim has been received from the creditor agency, the amount of the debt claimed to be owed by the creditor agency, the date deductions from salary will begin, and the amount of such deductions.

(b) *Amount of deductions from Treasury employee's salary.* The amount deducted under § 5.20(b) of this part will be the lesser of the amount of the debt certified by the creditor agency or an amount up to 15% of the debtor's disposable pay. Deductions shall continue until the Treasury entity knows that the debt is paid in full or until otherwise instructed by the creditor agency. Alternatively, the amount offset may be an amount agreed upon, in writing, by the debtor and the creditor agency. See § 5.12(g) (salary offset process).

(c) *When the debtor is no longer employed by the Treasury entity—(1) Offset of final and subsequent payments.* If a Treasury entity employee retires or resigns or if his or her employment ends before collection of the debt is complete, the Treasury entity will continue to offset, under 31 U.S.C. 3716, up to 100% of an employee's subsequent payments until the debt is paid or otherwise resolved. Such payments include a debtor's final salary payment, lump-sum leave payment, and other payments payable to the debtor by the Treasury entity. See 31 U.S.C. 3716 and 5 CFR 550.1104(1) and 550.1104(m).

(2) *Notice to the creditor agency.* If the employee is separated from the Treasury entity before the debt is paid in full, the Treasury entity will certify to the creditor agency the total amount of its collection. If the Treasury entity is aware that the employee is entitled to payments from the Civil Service Retirement and Disability Fund, Federal

31 CFR Subtitle A (7-1-10 Edition)

Employee Retirement System, or other similar payments, the Treasury entity will provide written notice to the agency making such payments that the debtor owes a debt (including the amount) and that the provisions of 5 CFR 550.1109 have been fully complied with. The creditor agency is responsible for submitting a certified claim to the agency responsible for making such payments before collection may begin. Generally, creditor agencies will collect such monies through the Treasury Offset Program as described in § 5.9(c) of this part.

(3) *Notice to the debtor.* The Treasury entity will provide to the debtor a copy of any notices sent to the creditor agency under paragraph (c)(2) of this section.

(d) *When the debtor transfers to another Federal agency—(1) Notice to the creditor agency.* If the debtor transfers to another Federal agency before the debt is paid in full, the Treasury entity will notify the creditor agency and will certify the total amount of its collection on the debt. The Treasury entity will provide a copy of the certification to the creditor agency. The creditor agency is responsible for submitting a certified claim to the debtor's new employing agency before collection may begin.

(2) *Notice to the debtor.* The Treasury entity will provide to the debtor a copy of any notices and certifications sent to the creditor agency under paragraph (d)(1) of this section.

(e) *Request for hearing official.* A Treasury entity will provide a hearing official upon the creditor agency's request with respect to a Treasury entity employee. See 5 CFR 550.1107(a).

APPENDIX A TO PART 5—TREASURY DIRECTIVE 34-01—WAIVING CLAIMS AGAINST TREASURY EMPLOYEES FOR ERRONEOUS PAYMENTS

TREASURY DIRECTIVE 34-01

Date: July 12, 2000.

Sunset Review: July 12, 2004.

Subject: Waiving Claims Against Treasury Employees for Erroneous Payments.

1. Purpose

This Directive establishes the Department of the Treasury's policies and procedures for waiving claims by the Government against

Office of the Secretary of the Treasury

Pt. 5, App. A

an employee for erroneous payments of: (1) Pay and allowances (*e.g.*, health and life insurance) and (2) travel, transportation, and relocation expenses and allowances.

2. Background

a. 5 U.S.C. §5584 authorizes the waiver of claims by the United States in whole or in part against an employee arising out of erroneous payments of pay and allowances, travel, transportation, and relocation expenses and allowances. A waiver may be considered when collection of the claim would be against equity and good conscience and not in the best interest of the United States provided that there does not exist, in connection with the claim, an indication of fraud, misrepresentation, fault, or lack of good faith on the part of the employee or any other person having an interest in obtaining a waiver of the claim.

b. The General Accounting Office Act of 1996 (Pub. L. 104-316), Title I, §103(d), enacted October 19, 1996, amended 5 U.S.C. §5584 by transferring the authority to waive claims for erroneous payments exceeding \$1,500 from the Comptroller General of the United States to the Office of Management and Budget (OMB). OMB subsequently re delegated this waiver authority to the executive agency that made the erroneous payment. The authority to waive claims not exceeding \$1,500, which was vested in the head of each agency prior to the enactment of Pub. L. 104-316, was unaffected by the Act.

c. 5 U.S.C. §5514 authorizes the head of each agency, upon a determination that an employee is indebted to the United States for debts to which the United States is entitled to be repaid at the time of the determination, to deduct up to 15%, or a greater amount if agreed to by the employee, from the employee's pay at officially established pay intervals in order to repay the debt.

3. Delegation

a. The Deputy Assistant Secretary (Administration), the heads of bureaus, the Inspector General, and the Inspector General for Tax Administration are delegated the authority to waive, in whole or in part, a claim of the United States against an employee for an erroneous payment of pay and allowances, travel, transportation, and relocation expenses and allowances, aggregating less than \$5,000 per claim, in accordance with the limitations and standards in 5 U.S.C. §5584.

b. Treasury's Deputy Chief Financial Officer is delegated the authority to waive, in whole or in part, a claim of the United States against an employee for an erroneous payment of pay and allowances, travel, transportation, and relocation expenses and allowances, aggregating \$5,000 or more per claim, in accordance with the limitations and standards in 5 U.S.C. §5584.

4. Appeals

a. Requests for waiver of claims aggregating less than \$5,000 per claim which are denied in whole or in part may be appealed to the Deputy Chief Financial Officer for the Department of the Treasury.

b. Requests for waiver of claims aggregating \$5,000 or more per claim which are denied in whole or in part may be appealed to the Assistant Secretary (Management)/Chief Financial Officer.

5. Redlegation

The Deputy Assistant Secretary (Administration), the heads of bureaus, the Inspector General, and the Inspector General for Tax Administration may redelegate their respective authority and responsibility in writing no lower than the bureau deputy chief financial officer unless authorized by Treasury's Deputy Chief Financial Officer. Copies of each redelegation shall be submitted to the Department's Deputy Chief Financial Officer.

6. Responsibilities

a. The Deputy Assistant Secretary (Administration), the heads of bureaus, the Inspector General, and the Inspector General for Tax Administration shall:

(1) Promptly notify an employee upon discovery of an erroneous payment to that employee;

(2) Promptly act to collect the erroneous overpayment, following established debt collection policies and procedures;

(3) Establish time frames for employees to request a waiver in writing and for the bureau to review the waiver request. These time frames must take into consideration the responsibilities of the United States to take prompt action to pursue enforced collection on overdue debts, which may arise from erroneous payments.

(4) Notify employees whose requests for waiver of claims aggregating less than \$5,000 per claim are denied in whole or in part of the basis for the denial and the right to appeal the denial to the Deputy Chief Financial Officer of the Department of the Treasury. All such appeals shall:

(a) Be made in writing;

(b) Specify the basis for the appeal;

(c) Include a chronology of the events surrounding the erroneous payments;

(d) Include a statement regarding any mitigating factors; and

(e) Be submitted to the official who denied the waiver request no later than 60 days from receipt by the employee of written notice of the denial of the waiver; and

(f) Attach at least the following documents: the employee's original request for a waiver; the bureau's denial of the request;

Pt. 5, App. A

any personnel actions, *e.g.*, promotions, demotions, step increases, etc. that relate to the overpayment.

(5) Forward to Treasury's Deputy Chief Financial Officer the appeal and supporting documentation, the bureau's recommendation as to why the appeal should be approved or denied; and a statement as to the action taken by the bureau to avoid a recurrence of the error.

(6) Pay a refund when appropriate if a waiver is granted;

(7) Fulfill all labor relations responsibilities when implementing this directive; and

(8) Fulfill any other responsibility of the agency imposed by 5 U.S.C. §5584, or other applicable laws and regulations.

b. Treasury's Deputy Chief Financial Officer shall advise employees whose requests for waiver of claims aggregating \$5,000 or more per claim are denied in whole or in part of the basis for the denial and the right to appeal the denial to the Assistant Secretary (Management)/Chief Financial Officer. All such appeals shall be in the format and contain the information and documentation described in subsection 6.a.(4), above. The Deputy Chief Financial Officer shall forward to Assistant Secretary (Management)/Chief Financial Officer the appeal and supporting documentation, his/her recommendation as to why the appeal should be approved or denied, and a statement obtained from the bureau from which the claim arose as to the action taken by the bureau to avoid a recurrence of the error.

7. Reporting Requirements

a. Each bureau, the Deputy Assistant Secretary (Administration) for Departmental Offices, the Inspector General, and the Inspector General for Tax Administration shall maintain a register of waiver actions subject to Departmental review. The register shall cover each fiscal year and be prepared by December 31 of each year for the preceding fiscal year. The register shall contain the following information:

(1) The total amount waived by the bureau;

(2) The number and dollar amount of waiver applications granted in full;

(3) The number and dollar amount of waiver applications granted in part and denied in part, and the dollar amount of each;

(4) The number and dollar amount of waiver applications denied in their entirety;

(5) The number of waiver applications referred to the Deputy Chief Financial Officer for initial action or for appeal;

(6) The dollar amount refunded as a result of waiver action by the bureau; and

(7) The dollar amount refunded as a result of waiver action by the Deputy Chief Financial Officer or the Assistant Secretary (Management)/Chief Financial Officer.

b. Each bureau, the Deputy Assistant Secretary (Administration) for Departmental

31 CFR Subtitle A (7-1-10 Edition)

Offices, the Inspector General, and the Inspector General for Tax Administration shall retain a written record of each waiver action for 6 years and 3 months. At a minimum, the written record shall contain:

(1) The bureau's summary of the events surrounding the erroneous payment;

(2) Any written comments submitted by the employee from whom collection is sought;

(3) An account of the waiver action taken and the reasons for such action; and

(4) Other pertinent information such as any action taken to refund amounts repaid.

8. Effect of Request for Waiver

A request for a waiver of a claim shall not affect an employee's opportunity under 5 U.S.C. §5514(a)(2)(D) for a hearing on the determination of the agency concerning the existence or the amount of the debt, or the terms of the repayment schedule. A request by an employee for a hearing under 5 U.S.C. §5514(a)(2)(D) shall not affect an employee's right to request a waiver of the claim. The determination whether to waive a claim may be made at the discretion of the deciding official either before or after a final decision is rendered pursuant to 5 U.S.C. §5514(a)(2)(D) concerning the existence or the amount of the debt, or the terms of the repayment schedule.

9. Guidelines for Determining Requests

a. A request for a waiver shall *not* be granted if the deciding official determines there exists, in connection with the claim, an indication of fraud, misrepresentation, fault, or lack of good faith on the part of the employee or any other person having an interest in obtaining a waiver of the claim. There are no exceptions to this rule for financial hardship or otherwise.

(1) "Fault" exists if, in light of all the circumstances, it is determined that the employee knew or should have known that an error existed, but failed to take action to have it corrected. Fault can derive from an act or a failure to act. Unlike fraud, fault does not require a deliberate intent to deceive. Whether an employee should have known about an error in pay is determined from the perspective of a reasonable person. Pertinent considerations in finding fault include whether:

(a) The payment resulted from the employee's incorrect, but not fraudulent, statement that the employee should have known was incorrect;

(b) The payment resulted from the employee's failure to disclose material facts in the employee's possession which the employee should have known to be material; or

(c) The employee accepted a payment, which the employee knew or should have known to be erroneous.

(2) Every case must be examined in light of its particular facts. For example, where an employee is promoted to a higher grade but the step level for the employee's new grade is miscalculated, it may be appropriate to conclude that there is no fault on the employee's part because employees are not typically expected to be aware of and understand the rules regarding determination of step level upon promotion. On the other hand, a different conclusion as to fault potentially may be reached if the employee in question is a personnel specialist or an attorney who concentrates on personnel law.

b. If the deciding official finds an indication of fraud, misrepresentation, fault, or lack of good faith on the part of the employee or any other person having an interest in obtaining a waiver of the claim, then the request for a waiver must be denied.

c. If the deciding official finds no indication of fraud, misrepresentation, fault, or lack of good faith on the part of the employee or any other person having an interest in obtaining a waiver of the claim, the employee is *not* automatically entitled to a waiver. Before a waiver can be granted, the deciding official must also determine that collection of the claim against an employee would be against equity and good conscience and not in the best interests of the United States. Factors to consider when determining if collection of a claim against an employee would be against equity and good conscience and not in the best interests of the United States include, but are not limited to:

(1) Whether collection of the claim would cause serious financial hardship to the employee from whom collection is sought.

(2) Whether, because of the erroneous payment, the employee either has relinquished a valuable right or changed positions for the worse, regardless of the employee's financial circumstances.

(a) To establish that a valuable right has been relinquished, it must be shown that the right was, in fact, valuable; that it cannot be regained; and that the action was based chiefly or solely on reliance on the overpayment.

(b) To establish that the employee's position has changed for the worse, it must be shown that the decision would not have been made but for the overpayment, and that the decision resulted in a loss.

(c) An example of a "detrimental reliance" would be a decision to sign a lease for a more expensive apartment based chiefly or solely upon reliance on an erroneous calculation of salary, and the funds spent for rent cannot be recovered.

(3) The cost of collecting the claim equals or exceeds the amount of the claim;

(4) The time elapsed between the erroneous payment and discovery of the error and notification of the employee;

(5) Whether failure to make restitution would result in unfair gain to the employee;

(6) Whether recovery of the claim would be unconscionable under the circumstances.

d. The burden is on the employee to demonstrate that collection of the claim would be against equity and good conscience and not in the best interest of the United States.

Subpart A—General Provisions

§ 6.1 Purpose of these rules.

The Equal Access to Justice Act, 5 U.S.C. 504 (called “the Act” in this part), provides for the award of attorney fees and other expenses to eligible individuals and entities who are parties to certain administrative proceedings (called “adversary adjudications”) before agencies of the Government of the United States. An eligible party may receive an award when it prevails over an agency, unless the agency’s position in the proceeding was substantially justified or special circumstances make an award unjust. The rules in this part describe the parties eligible for awards and the proceedings that are covered. They also explain how to apply for awards, and the procedures and standards that the Treasury Department will use to make them.

§ 6.2 When the Act applies.

The Act applies to any adversary adjudication pending before an agency at any time between October 1, 1981 and September 30, 1984. This includes proceedings begun before October 1, 1981, if final agency action has not been taken before that date, and proceedings pending on September 30, 1984, regardless of when they were initiated or when final agency action occurs.

§ 6.3 Proceedings covered.

The Act applies to adversary adjudications required to be conducted by the Treasury Department under 5 U.S.C. 554. Within the Treasury Department, these proceedings are:

- (a) Bureau of Alcohol, Tobacco and Firearms: (1) Permit proceedings under the Federal Alcohol Administration Act (27 U.S.C. 204); (2) Permit proceedings under the Internal Revenue Code of 1954 (26 U.S.C. 5171, 5271, 5713); (3) License and permit proceedings under the Federal Explosives Laws (18 U.S.C. 843).

31 CFR Subtitle A (7–1–10 Edition)

- (b) Comptroller of the Currency:
All proceedings conducted under 12 CFR part 19, subpart A.

§ 6.4 Eligibility of applicants.

(a) To be eligible for an award of attorney fees and other expenses under the Act, the applicant must be a party to the adversary adjudication for which it seeks an award. The term “party” is defined in 5 U.S.C. 551(3). The applicant must show that it meets all conditions of eligibility set out in this subpart and has complied with the requirements in Subpart B of this part.

(b) The types of eligible applicants are as follows:

(1) An individual with a net worth of not more than \$1 million;

(2) The sole owner of an unincorporated business who has a net worth of not more than \$5 million, including both personal and business interests, and not more than 500 employees;

(3) A charitable or other tax-exempt organization described in section 501(c)(3) of the Internal Revenue Code (26 U.S.C. 501(c)(3)) with not more than 500 employees;

(4) A cooperative association as defined in section 15(a) of the Agricultural Marketing Act (12 U.S.C. 1141(a)) with not more than 500 employees, or

(5) Any other partnership, corporation, association, or public or private organization with a net worth of not more than \$5 million and not more than 500 employees.

(c) For the purpose of eligibility, the net worth and number of employees of an applicant shall be determined as of the date the proceeding was initiated.

(d) An applicant who owns an unincorporated business will be considered as an “individual” rather than a “sole owner of an unincorporated business” if the matter in controversy is primarily related to personal interests rather than to business interests.

(e) The employees of an applicant include all persons who regularly perform services for remuneration for the applicant, under the applicant’s direction and control. Part-time employees shall be included.

(f) The net worth and number of employees of the applicant and all of its affiliates shall be aggregated to determine eligibility. Any individual or

group of individuals, corporation or other entity that directly or indirectly controls or owns a majority of the voting shares of another business, or controls in any manner the election of a majority of that business's board of directors, trustees, or other persons exercising similar functions, will be considered an affiliate of that business for purposes of this part, unless the adjudicative officer determines that such treatment would be unjust and contrary to the purposes of the Act in light of the actual relationship between the affiliated entities. In addition, the adjudicative officer may determine that financial relationships of the applicant other than those described in this paragraph constitute special circumstances that would make an award unjust.

(g) An applicant that participates in a proceeding primarily on behalf of one or more other persons or entities that would be ineligible is not itself eligible for an award.

§ 6.5 Standards for awards.

(a) A prevailing applicant may receive an award for fees and expenses incurred in connection with the *final* disposition of a proceeding, unless (1) the position of the agency was substantially justified, or (2) special circumstances make the award unjust. No presumption arises that the agency's position was not substantially justified simply because the agency did not prevail.

(b) An award will be reduced or denied if the applicant has unduly or unreasonably protracted the proceeding or if special circumstances make the award sought unjust.

§ 6.6 Allowable fees and other expenses.

(a) The following fees and other expenses are allowable under the Act:

(1) Reasonable expenses of expert witnesses;

(2) Reasonable cost of any study, analysis, engineering report, test, or project which the agency finds necessary for the preparation of the party's case;

(3) Reasonable attorney or agent fees.

(b) The amount of fees awarded will be based upon the prevailing market

rates for the kind and quality of services furnished, except that

(1) Compensation for an expert witness will not exceed the highest rate paid by the agency for expert witnesses; and

(2) Attorney or agent fees will not be in excess of \$75 per hour.

§ 6.7 Delegations of authority.

The Director, Bureau of Alcohol, Tobacco and Firearms and the Comptroller of the Currency are authorized to take final action on matters pertaining to the Equal Access to Justice Act, 5 U.S.C. 504, in proceedings listed in § 6.3 under the respective bureau or office. The Secretary of the Treasury may by order delegate authority to take final action on matters pertaining to the Equal Access to Justice Act in particular cases to other subordinate officials.

Subpart B—Information Required From Applicants

§ 6.8 Contents of application.

(a) An application for an award of fees and expenses under the Act shall identify the applicant and the proceeding for which an award is sought. The application shall show that the applicant has prevailed and identify the position of the agency in the proceeding that the applicant alleges was not substantially justified. The application shall state the basis for the applicant's belief that the position was not substantially justified. Unless the applicant is an individual, the application shall also state the number of employees of the applicant and describe briefly the type and purpose of its organization or business.

(b) The application shall also include a statement that the applicant's net worth does not exceed \$1 million (if an individual) or \$5 million (for all other applicants, including their affiliates). However, an applicant may omit this statement if:

(1) It attaches a copy of a ruling by the Internal Revenue Service that it qualifies as an organization described in section 501(c)(3) of the Internal Revenue Code (26 U.S.C. 501(c)(3)) or, in the case of a tax-exempt organization not

§6.9

required to obtain a ruling from the Internal Revenue Service on its exempt status, a statement that describes the basis for the applicant's belief that it qualifies under such section; or

(2) It states that it is a cooperative association as defined in section 15(a) of the Agricultural Marketing Act (12 U.S.C. 1141j(a)).

(c) The application shall itemize the amount of fees and expenses for which an award is sought.

(d) The application may also include any other matters that the applicant wishes the agency to consider in determining whether and in what amount an award should be made.

(e) The application shall be signed by the applicant or an authorized officer with respect to the eligibility of the applicant and by the attorney of the applicant with respect to fees and expenses sought. It shall also contain or be accompanied by a written verification under oath or under penalty of perjury that the information provided in the application is true and correct.

In the case of national banking associations, "net worth" shall be considered to be the total capital and surplus as reported, in conformity with the applicable instructions and guidelines, on the bank's last Consolidated Report of Condition filed before the initiation of the underlying proceeding.

(b) The exhibit may be in any form convenient to the applicant that provides full disclosure of the applicant's and its affiliates assets and liabilities and is sufficient to determine whether the applicant qualifies under the stand-

ards in this part. The adjudicative officer may require an applicant to file additional information to determine its eligibility for an award.

§6.10 Documentation of fees and expenses.

(a) The application shall be accompanied by full documentation of the fees and expenses, including the cost of any study, engineering report, test, or project, for which an award is sought.

(b) The documentation shall include an affidavit from any attorney, agent, or expert witness representing or appearing in behalf of the party, stating the actual time expended and the rate at which fees and other expenses were computed and describing the specific services performed.

(1) The affidavit shall state the services performed. In order to establish the hourly rate, the affidavit shall state the hourly rate which is billed and paid by the majority of clients during the relevant time periods.

(2) If not hourly rate is paid by the majority of clients because, for instance, the attorney or agent represents most clients on a contingency basis, the attorney or agent shall provide information about two attorneys or agents with similar experience, who perform similar work, stating their hourly rate.

(c) The documentation shall also include a description of any expenses for which reimbursement is sought and a statement of the amounts paid and payable by the applicant or by any other person or entity for the services provided.

(d) The adjudicative officer may require the applicant to provide vouchers, receipts, or other substantiation for any expenses claimed.

(b) If review or reconsideration is sought or taken of a decision as to which an applicant believes it has prevailed, proceedings for the award of

fees shall be stayed pending final disposition of the underlying controversy.

Subpart C—Procedures for Considering Applications

§ 6.12 Filing and service of documents.

Any application for an award or other pleading or document related to an application shall be filed and served on all parties to the proceeding in the same manner as other pleadings in the proceeding.

§ 6.13 Answer to application.

(a) Within 30 days after service of an application, counsel representing the agency against which an award is sought shall file an answer to the application.

(b) If agency counsel and the applicant believe that the issues in the fee application can be settled, they may jointly file a statement of their intent to negotiate a settlement. The filing of this statement shall extend the time for filing an answer for an additional 60 days and further extensions may be granted by the adjudicative officer upon request by agency counsel and the applicant.

(c) The answer shall explain any objections to the award requested and identify the facts relied on in support of agency counsel's position. If the answer is based on any alleged facts not already in the record of the proceeding, agency counsel shall include with the answer supporting affidavits.

§ 6.14 Decision.

The adjudicative officer shall issue an initial decision on the application within 60 days after completion of proceedings on the application. The decision shall include written findings and conclusions on the applicant's eligibility and status as a prevailing party, and an explanation of the reasons for any difference between the amount requested and the amount awarded. The decision shall also include, if at issue, findings on whether the agency's position was substantially justified, whether the applicant unduly protracted the proceedings, or whether special circumstances make an award unjust.

§ 6.15 Agency review.

Either the applicant or agency counsel may seek review of the initial decision on the fee application, or the agency may decide to review the decision on its own initiative. If neither the applicant nor agency counsel seeks a review and the agency does not take review on its own initiative, the initial decision on the application shall become a final decision of the agency 30 days after it is issued. Whether to review a decision is a matter within the discretion of the agency. If review is taken, the agency will issue a final decision on the application or remand the application to the adjudicative officer for further proceedings.

§ 6.16 Judicial review.

Judicial review of final agency decisions on awards may be sought as provided in 5 U.S.C. 504(c)(2).

§ 6.17 Payment of award.

An applicant seeking payment of an award shall submit to the agency a copy of the agency's final decision granting the award, accompanied by a statement that the applicant will not seek review of the decision in the United States courts. An applicant shall be paid the amount awarded unless judicial review of the award or of the underlying decision of the adversary adjudication has been sought by the applicant or any other party to the proceeding.

§ 8.53 Initiation of disciplinary proceedings.

(a) *Receipt of information.* If an officer or employee of the Bureau has reason to believe that an attorney, certified public accountant, or enrolled practitioner has violated any of the provisions of this part or engaged in any disreputable conduct as defined in § 8.52, the employee shall promptly make a report thereof which will be forwarded to the Director of Practice. Any other person possessing information concerning violations or disreputable conduct may make a report thereof to the Director of Practice or to any officer or employee of the Bureau.

(b) *Institution of proceeding.* When the Director of Practice has reason to believe that any attorney, certified public accountant, or enrolled practitioner has violated any provisions of the laws or regulations governing practice before the Bureau, he or she may reprimand the person or institute a proceeding for the disbarment or suspension of that person. The proceeding will be instituted by a complaint which names the respondent and is signed by the Director of Practice and filed in his or her office. Except in cases of willfulness, or when time, the nature of the proceeding, or the public interest does not permit, the Director of Practice may not institute a proceeding until he or she has called to the attention of the proposed respondent, in writing, facts or conduct which warrant institution of a proceeding, and has accorded the proposed respondent the opportunity to demonstrate or achieve compliance with all lawful requirements.

§ 8.54 Conferences.

(a) *General.* The Director of Practice may confer with an attorney, certified public accountant, or enrolled practitioner concerning allegations of misconduct whether or not a proceeding for disbarment or suspension has been instituted. If a conference results in a stipulation in connection with a proceeding in which that person is the respondent, the stipulation may be entered in the record at the instance of either party to the proceeding.

(b) *Resignation or voluntary suspension.* An attorney, certified public accountant, or enrolled practitioner, in order to avoid the institution or conclusion of a disbarment or suspension proceeding, may offer his or her consent to suspension from practice before the Bureau. An enrolled practitioner may also offer a resignation. The Director of Practice, at his or her discretion, may accept the offered resignation of an enrolled practitioner and may suspend an attorney, certified public accountant, or enrolled practitioner in accordance with the consent offered.

§ 8.55 Contents of complaint.

(a) *Charges.* A complaint will give a plain and concise description of the allegations which constitute the basis for the proceeding. A complaint will be deemed sufficient if it fairly informs the respondent of the charges to that he or she is able to prepare a defense.

(b) *Demand for answer.* The complaint will give notification of the place and time prescribed for the filing of an answer by the respondent; that time will be not less than 15 days from the date of service of the complaint. Notice will be given that a decision by default may be rendered against the respondent if the complaint is not answered as required.

§ 8.56 Service of complaint and other papers.

(a) *Complaint.* A copy of the complaint may be served upon the respondent by certified mail or by first-class mail. The copy of the complaint may be delivered to the respondent or the respondent's attorney or agent of record either in person or by leaving it at the office or place of business of the

respondent, attorney or agent, or the complaint may be delivered in any manner which has been agreed to by the respondent. If the service is by certified mail, the post office receipt signed by or on behalf of the respondent will be proof of service. If the certified matter is not claimed or accepted by the respondent and is returned undelivered, complete service may be made upon the respondent by mailing the complaint to him or her by first-class mail, addressed to the respondent at the address under which he or she is enrolled or at the last address known to the Director of Practice. If service is made upon the respondent or the respondent's attorney or agent in person, or by leaving the complaint at the office or place of business of the respondent, attorney or agent, the verified return by the person making service, setting forth the manner of service, will be proof of service.

(b) *Service of other papers.* Any paper other than the complaint may be served upon an attorney, certified public accountant, or enrolled practitioner as provided in paragraph (a) of this section, or by mailing the paper by first-class mail to the respondent at the last address known to the Director of Practice, or by mailing the paper by first-class mail to the respondent's attorney or agent of record. This mailing will constitute complete service. Notices may be served upon the respondent or his attorney or agent by telegram.

(c) *Filing of papers.* When the filing of a paper is required or permitted in connection with a disbarment or suspension proceeding, and the place of filing is not specified by this subpart or by rule or order of the Administrative Law Judge, the papers will be filed with the Director of Practice, Treasury Department, Washington, DC 20220. All papers will be filed in duplicate.

§ 8.57 Answer.

(a) *Filing.* The respondent shall file the answer in writing within the time specified in the complaint or notice of institution of the proceeding, unless on application the time is extended by the Director of Practice or the Administrative Law Judge. The respondent shall file the answer in duplicate with the director of Practice.

§ 8.58

(b) *Contents.* The respondent shall include in the answer a statement of facts which constitute the grounds of defense, and shall specifically admit or deny each allegation set forth in the complaint, except that the respondent shall not deny a material allegation in the complaint which he or she knows to be true, or state that he or she is without sufficient information to form a belief when in fact the respondent possesses that information. The respondent may also state affirmatively special matters of defense.

(c) *Failure to deny or answer allegations in the complaint.* Every allegation in the complaint which is not denied in the answer is deemed to be admitted and may be considered as proven, and no further evidence in respect of that allegation need be adduced at a hearing. Failure to file an answer within the time prescribed in the notice to the respondent, except as the time for answer is extended by the Director of Practice or the Administrative Law Judge, will constitute an admission of the allegations of the complaint and a waiver of hearing, and the Administrative Law Judge may make a decision by default without a hearing or further procedure.

(d) *Reply by Director of Practice.* No reply to the respondent's answer is required, and new matter in the answer will be deemed to be denied, but the Director of Practice may file a reply at his or her discretion or at the request of the Administrative Law Judge.

§ 8.58 Supplemental charges.

If it appears that the respondent in his or her answer, falsely and in bad faith, denies a material allegation of fact in the complaint or states that the respondent has no knowledge sufficient to form a belief, when he or she in fact possesses that information, or if it appears that the respondent has knowingly introduced false testimony during proceedings for his or her disbarment or suspension, the Director of Practice may file supplemental charges against the respondent. These supplemental charges may be tried with other charges in the case, provided the respondent is given due notice and is afforded an opportunity to prepare to a defense to them.

31 CFR Subtitle A (7-1-10 Edition)

§ 8.59 Proof; variance; amendment of pleadings.

In the case of a variance between the allegations in a pleading, the Administrative Law Judge may order or authorize amendment of the pleading to conform to the evidence. The party who would otherwise be prejudiced by the amendment will be given reasonable opportunity to meet the allegation of the pleading as amended, and the Administrative Law Judge shall make findings on an issue presented by the pleadings as so amended.

§ 8.60 Motions and requests.

Motions and requests may be filed with the Director of Practice or with the Administrative Law Judge.

§ 8.61 Representation.

A respondent or proposed respondent may appear in person or be represented by counsel or other representative who need not be enrolled to practice before the Bureau. The Director of Practice may be represented by an Attorney or other employee of the Treasury Department.

(a) *Appointment.* An Administrative Law Judge, appointed as provided by 5 U.S.C. 3105, shall conduct proceedings upon complaints for the disbarment or suspension of attorneys, certified public accountants, or enrolled practitioners.

(b) *Responsibilities.* The Administrative Law Judge in connection with any disbarment or suspension proceeding shall have authority to:

(10) Perform acts and take measures as necessary to promote the efficient conduct of any proceeding.

§ 8.63 Hearings.

(a) *Conduct.* The Administrative Law Judge shall preside at the hearing on a complaint for the disbarment or suspension of an attorney, certified public accountant, or enrolled practitioner. Hearings will be stenographically recorded and transcribed and the testimony of witnesses will be received under oath or affirmation. The Administrative Law Judge shall conduct hearings pursuant to 5 U.S.C. 556.

(b) *Failure to appear.* If either party to the proceedings fails to appear at the hearing, after due notice has been sent, the Administrative Law Judge may deem them to have waived the right to a hearing and may make a decision against the absent party by default.

§ 8.64 Evidence.

(a) *Rules of evidence.* The rules of evidence prevailing in courts of law and equity are not controlling in hearings. However, the Administrative Law Judge shall exclude evidence which is irrelevant, immaterial, or unduly repetitious.

(b) *Depositions.* Depositions of witnesses taken pursuant to § 8.65 may be admitted as evidence.

(c) *Government documents.* Official documents, records, and papers of the Bureau of Alcohol, Tobacco and Firearms and the Office of the Director of Practice are admissible in evidence without the production of an officer or employee to authenticate them. These documents, records and papers may be evidenced by a copy attested or identified by an officer or employee of the Bureau or the Treasury Department.

(d) *Exhibits.* If any document, record, or other paper is introduced in evi-

dence as an exhibit, the Administrative Law Judge may authorize the withdrawal of the exhibit subject to any conditions he or she deems proper.

(e) *Objections.* Objections to evidence will be in short form, stating the grounds of objection and the record may not include arguments thereon, except as ordered by the Administrative Law Judge. Rulings on objections will be a part of the record. No exception to the ruling is necessary to preserve the rights of the parties.

§ 8.65 Depositions.

Depositions for use at a hearing may, with the written approval of the Administrative Law Judge, be taken by either the Director of Practice or the respondent or their authorized representatives. Depositions may be taken upon oral or written questioning, upon not less than 10 days' written notice to the other party before any officer authorized to administer an oath for general purposes or before an officer or employee of the Bureau authorized to administer an oath pursuant to 27 CFR 70.35. The written notice will state the names of the witnesses and the time and place where the depositions are to be taken. The requirement of 10 days' notice may be waived by the parties in writing, and depositions may then be taken from the persons and at the times and places mutually agreed to by the parties. When a deposition is taken upon written questioning, any cross-examination will be upon written questioning. Copies of the written questioning will be served upon the other party with the notice, and copies of any written cross-interrogation will be mailed or delivered to the opposing party at least 5 days before the date of taking the depositions, unless the parties mutually agree otherwise. A party on whose behalf a deposition is taken must file it with the Administrative Law Judge and serve one copy upon the opposing party. Expenses in the reproduction of depositions will be borne by the party at whose instance the deposition is taken.

§ 8.66 Transcript.

In cases in which the hearing is stenographically reported by a Government contract reporter, copies of the

§ 8.67

transcript may be obtained from the reporter at rates not to exceed the maximum rates fixed by contract between the Government and the reporter. If the hearing is stenographically reported by a regular employee of the Bureau, a copy of the hearing will be supplied to the respondent either without charge or upon the payment of a reasonable fee. Copies of exhibits introduced at the hearing or at the taking of depositions will be supplied to the parties upon the payment of a reasonable fee.

§ 8.68 Decision of Administrative Law Judge.

As soon as practicable after the conclusion of a hearing and the receipt of any proposed findings and conclusions timely submitted by the parties, the Administrative Law Judge shall make the initial decision in the case. The decision will include (a) a statement of findings and conclusions, as well as the reasons or basis therefor, upon all the material issues of fact, law, or discretion presented on the record, and (b) an order of disbarment, suspension, or reprimand or an order of dismissal of the complaint. The Administrative Law Judge shall file the decision with the Director of Practice and shall transmit a copy to the respondent or the respondent's attorney of record. In the absence of an appeal to the Secretary, or review of the decision upon motion of the Secretary, the decision of the Administrative Law Judge will, without further proceedings, become the decision of the Secretary of the Treasury 30 days from the date of the Administrative Law Judge's decision.

31 CFR Subtitle A (7-1-10 Edition)

§ 8.69 Appeal to the Secretary.

Within 30 days from the date of the Administrative Law Judge's decision, either party may appeal to the Secretary. The appeal will be filed with the Director of Practice in duplicate and will include exceptions to the decision of the Administrative Law Judge and supporting reasons for those exceptions. If the Director of Practice files the appeal, he or she shall transmit a copy of it to the respondent. Within 30 days after receipt of an appeal or copy thereof, the other party may file a reply brief in duplicate with the Director of Practice. If the Director of Practice files the reply brief, he or she shall transmit a copy of it to the respondent. Upon the filing of an appeal and a reply brief, if any, the Director of Practice shall transmit the entire record to the Secretary.

The Director of Practice shall transmit a copy of the Secretary's decision to the respondent.

§ 8.71 Effect of disbarment or suspension.

are untrue or that the applicant would not otherwise qualify for enrollment. Issuance of temporary recognition does not constitute enrollment to practice or a finding of eligibility for enrollment, and the temporary recognition may be withdrawn at any time by the Director of the Office of Professional Responsibility.

(e) *Appeal from denial of application.* The Director of the Office of Professional Responsibility must inform the applicant as to the reason(s) for any denial of an application for enrollment. (ii) Be a qualifying program consistent with the Internal Revenue Code and effective tax administration; and

(iii) Be sponsored by a qualifying sponsor.

(2) *Qualifying programs*—(i) *Formal programs*. A formal program qualifies as continuing education programs if it—

(A) Requires attendance. Additionally, the program sponsor must provide each attendee with a certificate of attendance; and

(C) Provides or requires a written outline, textbook, or suitable electronic educational materials.

(ii) *Correspondence or individual study programs (including taped programs)*. Qualifying continuing education programs include correspondence or individual study programs that are conducted by qualifying sponsors and completed on an individual basis by the enrolled individual. The allowable credit hours for such programs will be measured on a basis comparable to the measurement of a seminar or course for credit in an accredited educational institution. Such programs qualify as continuing education programs if they—

(A) Require registration of the participants by the sponsor;

(B) Provide a means for measuring completion by the participants (e.g., a written examination), including the issuance of a certificate of completion by the sponsor; and

(C) Provide a written outline, textbook, or suitable electronic educational materials.

(iii) *Serving as an instructor, discussion leader or speaker*. (A) One hour of continuing education credit will be awarded for each contact hour completed as an instructor, discussion leader, or speaker at an educational program that meets the continuing education requirements of paragraph (f) of this section.

(B) Two hours of continuing education credit will be awarded for actual subject preparation time for each contact hour completed as an instructor, discussion leader, or speaker at such programs. It is the responsibility of the individual claiming such credit to maintain records to verify preparation time.

(C) The maximum credit for instruction and preparation may not exceed 50 percent of the continuing education requirement for an enrollment cycle.

(D) An instructor, discussion leader, or speaker who makes more than one presentation on the same subject matter during an enrollment cycle, will receive continuing education credit for only one such presentation for the enrollment cycle.

(iv) *Credit for published articles, books, etc.* (A) For enrolled agents, continuing education credit will be awarded for publications on Federal taxation or Federal tax related matters, including accounting, tax preparation software, and taxation or ethics, provided the content of such publications is current and designed for the enhancement of the professional knowledge of an individual enrolled to practice before the Internal Revenue Service. The publication must be consistent with the Internal Revenue Code and effective tax administration. For enrolled retirement plan agents, continuing education credit will be awarded for publications on qualified retirement plan matters, provided the content of such publications is current and designed for the enhancement of the professional knowledge of an individual enrolled to practice as an enrolled retirement plan agent before the Internal Revenue Service. The publication must be consistent with the Internal Revenue Code and effective tax administration.

(B) The credit allowed will be on the basis of one hour credit for each hour of preparation time for the material. It is the responsibility of the person claiming the credit to maintain records to verify preparation time.

(C) The maximum credit for publications may not exceed 25 percent of the continuing education requirement of any enrollment cycle.

§ 10.6

(3) *Periodic examination.* (i) Individuals may establish eligibility for renewal of enrollment for any enrollment cycle by—

(A) Achieving a passing score on each part of the Special Enrollment Examination administered under this part during the three year period prior to renewal; and

(B) Completing a minimum of 16 hours of qualifying continuing education during the last year of an enrollment cycle.

(ii) Courses designed to help an applicant prepare for the examination specified in paragraph (a) of §10.4 are considered basic in nature and are not qualifying continuing education.

(g) *Sponsors.* (1) Sponsors are those responsible for presenting programs.

(2) To qualify as a sponsor, a program presenter must—

(i) Be an accredited educational institution;

(ii) Be recognized for continuing education purposes by the licensing body of any State, territory, or possession of the United States, including a Commonwealth, or the District of Columbia.

(3) A qualifying sponsor must ensure the program complies with the following requirements—

(i) Programs must be developed by individual(s) qualified in the subject matter;

(ii) Program subject matter must be current;

(iii) Instructors, discussion leaders, and speakers must be qualified with respect to program content;

(iv) Programs must include some means for evaluation of technical content and presentation;

31 CFR Subtitle A (7–1–10 Edition)

(v) Certificates of completion must be provided to the participants who successfully complete the program; and

(vi) Records must be maintained by the sponsor to verify the participants who attended and completed the program for a period of three years following completion of the program. In the case of continuous conferences, conventions, and the like, records must be maintained to verify completion of the program and attendance by each participant at each segment of the program.

(4) Professional organizations or societies wishing to be considered as qualified sponsors must request this status from the Director of the Office of Professional Responsibility and furnish information in support of the request together with any further information deemed necessary by the Director of the Office of Professional Responsibility.

(5) *Sponsor renewal*—(i) *In general.* A sponsor maintains its status as a qualified sponsor during the sponsor enrollment cycle.

(ii) *Renewal period.* Each sponsor must file an application to renew its status as a qualified sponsor between May 1 and July 31, 2008. Thereafter, applications for renewal will be required between May 1 and July 31 of every subsequent third year.

(iv) *Sponsor enrollment cycle.* The sponsor enrollment cycle is the three successive calendar years preceding the effective date of renewal.

(h) *Measurement of continuing education coursework.* (1) All continuing education programs will be measured in terms of contact hours. The shortest recognized program will be one contact hour.

(2) A contact hour is 50 minutes of continuous participation in a program. Credit is granted only for a full contact hour, *i.e.*, 50 minutes or multiples thereof. For example, a program lasting more than 50 minutes but less than 100 minutes will count as one contact hour.

(3) Individual segments at continuous conferences, conventions and the like

will be considered one total program. For example, two 90-minute segments (180 minutes) at a continuous conference will count as three contact hours.

(4) For university or college courses, each semester hour credit will equal 15 contact hours and a quarter hour credit will equal 10 contact hours.

(i) *Recordkeeping requirements.* (1) Each individual applying for renewal must retain for a period of three years following the date of renewal of enrollment the information required with regard to qualifying continuing professional education credit hours. Such information includes—

- (i) The name of the sponsoring organization;
- (ii) The location of the program;

- (iii) A copy of the publication;
- (iv) The date of publication; and
- (v) Records that substantiate the hours worked on the publication.

(j) *Waivers.* (1) Waiver from the continuing education requirements for a given period may be granted by the Director of the Office of Professional Responsibility for the following reasons—

- (i) Health, which prevented compliance with the continuing education requirements;
- (ii) Extended active military duty;
- (iii) Absence from the United States for an extended period of time due to employment or other reasons, provided the individual does not practice before the Internal Revenue Service during such absence; and
- (iv) Other compelling reasons, which will be considered on a case-by-case basis.

(2) A request for waiver must be accompanied by appropriate documentation. The individual is required to furnish any additional documentation or explanation deemed necessary by the Director of the Office of Professional Responsibility. Examples of appropriate documentation could be a medical certificate or military orders.

(3) A request for waiver must be filed no later than the last day of the renewal application period.

(4) If a request for waiver is not approved, the individual will be placed in inactive status, so notified by the Director of the Office of Professional Responsibility, and placed on a roster of inactive enrolled individuals.

(5) If a request for waiver is approved, the individual will be notified and issued a card evidencing renewal.

(6) Those who are granted waivers are required to file timely applications for renewal of enrollment.

(k) *Failure to comply.* (1) Compliance by an individual with the requirements of this part is determined by the Director of the Office of Professional Responsibility. An individual who fails to meet the requirements of eligibility for renewal of enrollment will be notified by the Director of the Office of Professional Responsibility at his or her enrollment address by first class mail. The notice will state the basis for the determination of noncompliance and will provide the individual an opportunity to furnish information in writing relating to the matter within 60

§ 10.6

days of the date of the notice. Such information will be considered by the Director of the Office of Professional Responsibility in making a final determination as to eligibility for renewal of enrollment.

(2) The Director of the Office of Professional Responsibility may require any individual, by notice sent by first class mail to his or her enrollment address, to provide copies of any records required to be maintained under this part. The Director of the Office of Professional Responsibility may disallow any continuing professional education hours claimed if the individual fails to comply with this requirement.

(3) An individual who has not filed a timely application for renewal of enrollment, who has not made a timely response to the notice of noncompliance with the renewal requirements, or who has not satisfied the requirements of eligibility for renewal will be placed on a roster of inactive enrolled individuals. During this time, the individual will be ineligible to practice before the Internal Revenue Service.

(4) Individuals placed in inactive enrollment status and individuals ineligible to practice before the Internal Revenue Service may not state or imply that they are enrolled to practice before the Internal Revenue Service, or use the terms enrolled agent or enrolled retirement plan agent, the designations "EA" or "ERPA" or other form of reference to eligibility to practice before the Internal Revenue Service.

(5) An individual placed in an inactive status may be reinstated to an active enrollment status by filing an application for renewal of enrollment and providing evidence of the completion of all required continuing professional education hours for the enrollment cycle. Continuing education credit under this paragraph (k)(5) may not be used to satisfy the requirements of the enrollment cycle in which the individual has been placed back on the active roster.

(6) An individual placed in an inactive status must file an application for renewal of enrollment and satisfy the requirements for renewal as set forth in this section within three years of being placed in an inactive status. The

31 CFR Subtitle A (7-1-10 Edition)

name of such individual otherwise will be removed from the inactive enrollment roster and his or her enrollment will terminate. Eligibility for enrollment must then be reestablished by the individual as provided in this section.

(7) Inactive enrollment status is not available to an individual who is the subject of a disciplinary matter in the Office of Professional Responsibility.

(1) *Inactive retirement status.* An individual who no longer practices before the Internal Revenue Service may request being placed in an inactive retirement status at any time and such individual will be placed in an inactive retirement status. The individual will be ineligible to practice before the Internal Revenue Service. Such individual must file a timely application for renewal of enrollment at each applicable renewal or enrollment period as provided in this section. An individual who is placed in an inactive retirement status may be reinstated to an active enrollment status by filing an application for renewal of enrollment and providing evidence of the completion of the required continuing professional education hours for the enrollment cycle. Inactive retirement status is not available to an individual who is the subject of a disciplinary matter in the Office of Professional Responsibility.

(m) *Renewal while under suspension or disbarment.* An individual who is ineligible to practice before the Internal Revenue Service by virtue of disciplinary action is required to be in conformance with the requirements for renewal of enrollment before his or her eligibility is restored.

(n) *Verification.* The Director of the Office of Professional Responsibility may review the continuing education records of an enrolled individual and/or qualified sponsor in a manner deemed appropriate to determine compliance with the requirements and standards for renewal of enrollment as provided in paragraph (f) of this section.

(o) *Enrolled actuaries.* The enrollment and the renewal of enrollment of actuaries authorized to practice under paragraph (d) of §10.3 are governed by the regulations of the Joint Board for the Enrollment of Actuaries at 20 CFR 901.1 through 901.71.

(p) *Effective/applicability date.* This section is applicable to enrollment effective on or after September 26, 2007.

(c) *Limited practice*—(1) *In general.* Subject to the limitations in paragraph (c)(2) of this section, an individual who is not a practitioner may represent a taxpayer before the Internal Revenue Service in the circumstances described in this paragraph (c)(1), even if the taxpayer is not present, provided the individual presents satisfactory identification and proof of his or her authority to represent the taxpayer. (viii) An individual who prepares and signs a taxpayer's tax return as the preparer, or who prepares a tax return but is not required (by the instructions to the tax return or regulations) to sign the tax return, may represent the taxpayer before revenue agents, customer service representatives or similar officers and employees of the Internal Revenue Service during an examination of the taxable year or period covered by that tax return, but, unless otherwise prescribed by regulation or notice, this right does not permit such individual to represent the taxpayer, regardless of the circumstances requiring representation, before appeals officers, revenue officers, Counsel or similar officers or employees of the Internal Revenue Service or the Department of Treasury.

(2) *Limitations.* (i) An individual who is under suspension or disbarment from practice before the Internal Revenue Service may not engage in limited practice before the Internal Revenue Service under paragraph (c)(1) of this section.

(ii) The Director, after notice and opportunity for a conference, may deny eligibility to engage in limited practice before the Internal Revenue Service under paragraph (c)(1) of this section to any individual who has engaged in conduct that would justify a sanction under § 10.50.

(iii) An individual who represents a taxpayer under the authority of paragraph (c)(1) of this section is subject, to the extent of his or her authority, to such rules of general applicability regarding standards of conduct and other matters as the Director of the Office of Professional Responsibility prescribes.

§ 10.24 Assistance from or to disbarred or suspended persons and former Internal Revenue Service employees.

(b) Accept assistance from any former government employee where the provisions of § 10.25 or any Federal law would be violated.

§ 10.25 Practice by former government employees, their partners and their associates.

(a) *Definitions.* For purposes of this section—

(1) *Assist* means to act in such a way as to advise, furnish information to, or otherwise aid another person, directly, or indirectly.

(2) *Government employee* is an officer or employee of the United States or any agency of the United States, including a special Government employee as defined in 18 U.S.C. 202(a), or of the District of Columbia, or of any State, or a member of Congress or of any State legislature.

(3) *Member of a firm* is a sole practitioner or an employee or associate thereof, or a partner, stockholder, associate, affiliate or employee of a partnership, joint venture, corporation, professional association or other affiliation of two or more practitioners who represent nongovernmental parties.

(4) *Particular matter involving specific parties* is defined at 5 CFR 2637.201(c), or superseding post-employment regulations issued by the U.S. Office of Government Ethics.

(5) *Rule* includes Treasury regulations, whether issued or under preparation for issuance as notices of proposed rulemaking or as Treasury decisions, revenue rulings, and revenue procedures published in the Internal Revenue Bulletin (see 26 CFR 601.601(d)(2)(ii)(b)).

(b) *General rules*—(1) No former Government employee may, subsequent to Government employment, represent

§ 10.26

(2) No former Government employee who personally and substantially participated in a particular matter involving specific parties may, subsequent to Government employment, represent or knowingly assist, in that particular matter, any person who is or was a specific party to that particular matter.

(3) A former Government employee who within a period of one year prior to the termination of Government employment had official responsibility for a particular matter involving specific parties may not, within two years after Government employment is ended, represent in that particular matter any person who is or was a specific party to that particular matter.

This paragraph (b)(4) does not, however, preclude any former employee from appearing on one's own behalf or from representing a taxpayer before the Internal Revenue Service in connection with a particular matter involving specific parties involving the application or interpretation of a rule with respect to that particular matter, provided that the representation is otherwise consistent with the other provisions of this section and the former employee does not utilize or disclose any confidential information acquired by the former employee in the development of the rule.

(2) When isolation of a former Government employee is required under paragraph (c)(1) of this section, a statement affirming the fact of such isolation must be executed under oath by the former Government employee and by another member of the firm acting on behalf of the firm. The statement must clearly identify the firm, the former Government employee, and the particular matter(s) requiring isolation. The statement must be retained by the firm and, upon request, provided to the Director of the Office of Professional Responsibility.

§ 10.27 Fees.

(a) *In general*. A practitioner may not charge an unconscionable fee in connection with any matter before the Internal Revenue Service.

(b) *Contingent fees*—(1) Except as provided in paragraphs (b)(2), (3), and (4) of this section, a practitioner may not charge a contingent fee for services

rendered in connection with any matter before the Internal Revenue Service.

(2) A practitioner may charge a contingent fee for services rendered in connection with the Service's examination of, or challenge to—

(i) An original tax return; or

(ii) An amended return or claim for refund or credit where the amended return or claim for refund or credit was filed within 120 days of the taxpayer receiving a written notice of the examination of, or a written challenge to the original tax return.

(3) A practitioner may charge a contingent fee for services rendered in connection with a claim for credit or refund filed solely in connection with the determination of statutory interest or penalties assessed by the Internal Revenue Service.

(4) A practitioner may charge a contingent fee for services rendered in connection with any judicial proceeding arising under the Internal Revenue Code.

(c) *Definitions.* For purposes of this section—

(1) *Contingent fee* is any fee that is based, in whole or in part, on whether or not a position taken on a tax return or other filing avoids challenge by the Internal Revenue Service or is sustained either by the Internal Revenue Service or in litigation. A contingent fee includes a fee that is based on a percentage of the refund reported on a return, that is based on a percentage of the taxes saved, or that otherwise depends on the specific result attained. A contingent fee also includes any fee arrangement in which the practitioner will reimburse the client for all or a portion of the client's fee in the event that a position taken on a tax return or other filing is challenged by the Internal Revenue Service or is not sustained, whether pursuant to an indemnity agreement, a guarantee, rescission rights, or any other arrangement with a similar effect.

(2) *Matter before the Internal Revenue Service* includes tax planning and advice, preparing or filing or assisting in preparing or filing returns or claims for refund or credit, and all matters connected with a presentation to the Internal Revenue Service or any of its

Such presentations include, but are not limited to, preparing and filing documents, corresponding and communicating with the Internal Revenue Service, rendering written advice with respect to any entity, transaction, plan or arrangement, and representing a client at conferences, hearings, and meetings.

(d) *Effective/applicability date.* This section is applicable for fee arrangements entered into after March 26, 2008.

[T.D. 9359, 72 FR 54548, Sept. 26, 2007]

§ 10.28 Return of client's records.

(a) In general, a practitioner must, at the request of a client, promptly return any and all records of the client that are necessary for the client to comply with his or her Federal tax obligations. The practitioner may retain copies of the records returned to a client. The existence of a dispute over fees generally does not relieve the practitioner of his or her responsibility under this section. Nevertheless, if applicable state law allows or permits the retention of a client's records by a practitioner in the case of a dispute over fees for services rendered, the practitioner need only return those records that must be attached to the taxpayer's return. The practitioner, however, must provide the client with reasonable access to review and copy any additional records of the client retained by the practitioner under state law that are necessary for the client to comply with his or her Federal tax obligations.

(b) For purposes of this section, *Records of the client* include all documents or written or electronic materials provided to the practitioner, or obtained by the practitioner in the course of the practitioner's representation of the client, that preexisted the retention of the practitioner by the client. The term also includes materials that were prepared by the client or a third party (not including an employee or agent of the practitioner) at any time and provided to the practitioner with respect to the subject matter of the representation. The term also includes any return, claim for refund,

§ 10.29

schedule, affidavit, appraisal or any other document prepared by the practitioner, or his or her employee or agent, that was presented to the client with respect to a prior representation if such document is necessary for the taxpayer to comply with his or her current Federal tax obligations. The term does not include any return, claim for refund, schedule, affidavit, appraisal or any other document prepared by the practitioner or the practitioner's firm, employees or agents if the practitioner is withholding such document pending the client's performance of its contractual obligation to pay fees with respect to such document.

§ 10.29 Conflicting interests.

(a) Except as provided by paragraph (b) of this section, a practitioner shall not represent a client before the Internal Revenue Service if the representation involves a conflict of interest. A conflict of interest exists if—

(1) The representation of one client will be directly adverse to another client; or

(2) There is a significant risk that the representation of one or more clients will be materially limited by the practitioner's responsibilities to another client, a former client or a third person, or by a personal interest of the practitioner.

(b) Notwithstanding the existence of a conflict of interest under paragraph (a) of this section, the practitioner may represent a client if—

(1) The practitioner reasonably believes that the practitioner will be able to provide competent and diligent representation to each affected client;

(2) The representation is not prohibited by law; and

(3) Each affected client waives the conflict of interest and gives informed consent, confirmed in writing by each affected client, at the time the existence of the conflict of interest is known by the practitioner. The confirmation may be made within a reasonable period after the informed consent, but in no event later than 30 days.

(c) Copies of the written consents must be retained by the practitioner for at least 36 months from the date of the conclusion of the representation of the affected clients, and the written

31 CFR Subtitle A (7–1–10 Edition)

consents must be provided to any officer or employee of the Internal Revenue Service on request.

(d) *Effective/applicability date.* This section is applicable on September 26, 2007.

§ 10.30 Solicitation.

(a) *Advertising and solicitation restrictions.* (1) A practitioner may not, with respect to any Internal Revenue Service matter, in any way use or participate in the use of any form or public communication or private solicitation containing a false, fraudulent, or coercive statement or claim; or a misleading or deceptive statement or claim. Enrolled agents or enrolled retirement plan agents, in describing their professional designation, may not utilize the term of art “certified” or imply an employer/employee relationship with the Internal Revenue Service. Examples of acceptable descriptions for enrolled agents are “enrolled to represent taxpayers before the Internal Revenue Service,” “enrolled to practice before the Internal Revenue Service,” and “admitted to practice before the Internal Revenue Service.” Similarly, examples of acceptable descriptions for enrolled retirement plan agents are “enrolled to represent taxpayers before the Internal Revenue Service as a retirement plan agent” and “enrolled to practice before the Internal Revenue Service as a retirement plan agent.”

(2) A practitioner may not make, directly or indirectly, an uninvited written or oral solicitation of employment in matters related to the Internal Revenue Service if the solicitation violates Federal or State law or other applicable rule, e.g., attorneys are precluded from making a solicitation that is prohibited by conduct rules applicable to all attorneys in their State(s) of licensure. Any lawful solicitation made by or on behalf of a practitioner eligible to practice before the Internal Revenue Service must, nevertheless, clearly identify the solicitation as such and, if applicable, identify the source of the information used in choosing the recipient.

(b) *Fee information.* (1)(i) A practitioner may publish the availability of a

Office of the Secretary of the Treasury

§ 10.33

written schedule of fees and disseminate the following fee information—

(A) Fixed fees for specific routine services.

(B) Hourly rates.

(C) Range of fees for particular services.

(D) Fee charged for an initial consultation.

(ii) Any statement of fee information concerning matters in which costs may be incurred must include a statement disclosing whether clients will be responsible for such costs.

(2) A practitioner may charge no more than the rate(s) published under paragraph (b)(1) of this section for at least 30 calendar days after the last date on which the schedule of fees was published.

(c) *Communication of fee information.* Fee information may be communicated in professional lists, telephone directories, print media, mailings, electronic mail, facsimile, hand delivered flyers, radio, television, and any other method. The method chosen, however, must not cause the communication to become untruthful, deceptive, or otherwise in violation of this part. A practitioner may not persist in attempting to contact a prospective client if the prospective client has made it known to the practitioner that he or she does not desire to be solicited. In the case of radio and television broadcasting, the broadcast must be recorded and the practitioner must retain a recording of the actual transmission. In the case of direct mail and e-commerce communications, the practitioner must retain a copy of the actual communication, along with a list or other description of persons to whom the communication was mailed or otherwise distributed. The copy must be retained by the practitioner for a period of at least 36 months from the date of the last transmission or use.

(d) *Improper associations.* A practitioner may not, in matters related to the Internal Revenue Service, assist, or accept assistance from, any person or entity who, to the knowledge of the practitioner, obtains clients or otherwise practices in a manner forbidden under this section.

(e) *Effective/applicability date.* This section is applicable on September 26, 2007.

A practitioner who prepares tax returns may not endorse or otherwise negotiate any check issued to a client by the government in respect of a Federal tax liability.

§ 10.32 Practice of law.

Nothing in the regulations in this part may be construed as authorizing persons not members of the bar to practice law.

§ 10.33 Best practices for tax advisors.

(a) *Best practices.* Tax advisors should provide clients with the highest quality representation concerning Federal tax issues by adhering to best practices in providing advice and in preparing or assisting in the preparation of a submission to the Internal Revenue Service. In addition to compliance with the standards of practice provided elsewhere in this part, best practices include the following:

(1) Communicating clearly with the client regarding the terms of the engagement. For example, the advisor should determine the client's expected purpose for and use of the advice and should have a clear understanding with the client regarding the form and scope of the advice or assistance to be rendered.

(2) Establishing the facts, determining which facts are relevant, evaluating the reasonableness of any assumptions or representations, relating the applicable law (including potentially applicable judicial doctrines) to the relevant facts, and arriving at a conclusion supported by the law and the facts.

(3) Advising the client regarding the import of the conclusions reached, including, for example, whether a taxpayer may avoid accuracy-related penalties under the Internal Revenue Code

§ 10.34

if a taxpayer acts in reliance on the advice.

(4) Acting fairly and with integrity in practice before the Internal Revenue Service.

(b) *Procedures to ensure best practices for tax advisors.* Tax advisors with responsibility for overseeing a firm's practice of providing advice concerning Federal tax issues or of preparing or assisting in the preparation of submissions to the Internal Revenue Service should take reasonable steps to ensure that the firm's procedures for all members, associates, and employees are consistent with the best practices set forth in paragraph (a) of this section.

(c) *Applicability date.* This section is effective after June 20, 2005.

[T.D. 9011, 67 FR 48771, July 26, 2002, as amended by T.D. 9165, 69 FR 75841, Dec. 20, 2004]

§ 10.34 Standards with respect to tax returns and documents, affidavits and other papers.

(a) [Reserved]

(b) *Documents, affidavits and other papers*—(1) A practitioner may not advise a client to take a position on a document, affidavit or other paper submitted to the Internal Revenue Service unless the position is not frivolous.

(2) A practitioner may not advise a client to submit a document, affidavit or other paper to the Internal Revenue Service—

(i) The purpose of which is to delay or impede the administration of the Federal tax laws;

(ii) That is frivolous; or

(iii) That contains or omits information in a manner that demonstrates an intentional disregard of a rule or regulation unless the practitioner also advises the client to submit a document that evidences a good faith challenge to the rule or regulation.

(c) *Advising clients on potential penalties*—(1) A practitioner must inform a client of any penalties that are reasonably likely to apply to the client with respect to—

(i) A position taken on a tax return if—

(A) The practitioner advised the client with respect to the position; or

(B) The practitioner prepared or signed the tax return; and

31 CFR Subtitle A (7–1–10 Edition)

(ii) Any document, affidavit or other paper submitted to the Internal Revenue Service.

(2) The practitioner also must inform the client of any opportunity to avoid any such penalties by disclosure, if relevant, and of the requirements for adequate disclosure.

(3) This paragraph (c) applies even if the practitioner is not subject to a penalty under the Internal Revenue Code with respect to the position or with respect to the document, affidavit or other paper submitted.

(d) *Relying on information furnished by clients.* A practitioner advising a client to take a position on a tax return, document, affidavit or other paper submitted to the Internal Revenue Service, or preparing or signing a tax return as a preparer, generally may rely in good faith without verification upon information furnished by the client. The practitioner may not, however, ignore the implications of information furnished to, or actually known by, the practitioner, and must make reasonable inquiries if the information as furnished appears to be incorrect, inconsistent with an important fact or another factual assumption, or incomplete.

(e) [Reserved]

(f) *Effective/applicability date.* Section 10.34 is applicable to tax returns, documents, affidavits and other papers filed on or after September 26, 2007.

[T.D. 9359, 72 FR 54549, Sept. 26, 2007]

§ 10.35 Requirements for covered opinions.

(a) A practitioner who provides a covered opinion shall comply with the standards of practice in this section.

(b) *Definitions.* For purposes of this subpart—

(1) A *practitioner* includes any individual described in § 10.2(a)(5).

(2) *Covered opinion*—(i) *In general.* A *covered opinion* is written advice (including electronic communications) by a practitioner concerning one or more Federal tax issues arising from—

(A) A transaction that is the same as or substantially similar to a transaction that, at the time the advice is rendered, the Internal Revenue Service has determined to be a tax avoidance transaction and identified by published

guidance as a listed transaction under 26 CFR 1.6011-4(b)(2);

(B) Any partnership or other entity, any investment plan or arrangement, or any other plan or arrangement, the principal purpose of which is the avoidance or evasion of any tax imposed by the Internal Revenue Code; or

(C) Any partnership or other entity, any investment plan or arrangement, or any other plan or arrangement, a significant purpose of which is the avoidance or evasion of any tax imposed by the Internal Revenue Code if the written advice—

(1) Is a *reliance opinion*;

(2) Is a *marketed opinion*;

(3) Is subject to *conditions of confidentiality*; or

(4) Is subject to *contractual protection*.

(ii) *Excluded advice*. A *covered opinion* does not include—

(A) Written advice provided to a client during the course of an engagement if a practitioner is reasonably expected to provide subsequent written advice to the client that satisfies the requirements of this section;

(B) Written advice, other than advice described in paragraph (b)(2)(i)(A) of this section (concerning listed transactions) or paragraph (b)(2)(ii)(B) of this section (concerning the principal purpose of avoidance or evasion) that—

(1) Concerns the qualification of a qualified plan;

(2) Is a *State or local bond opinion*; or

(3) Is included in documents required to be filed with the Securities and Exchange Commission;

(C) Written advice prepared for and provided to a taxpayer, solely for use by that taxpayer, after the taxpayer has filed a tax return with the Internal Revenue Service reflecting the tax benefits of the transaction. The preceding sentence does not apply if the practitioner knows or has reason to know that the written advice will be relied upon by the taxpayer to take a position on a tax return (including for these purposes an amended return that claims tax benefits not reported on a previously filed return) filed after the date on which the advice is provided to the taxpayer;

(D) Written advice provided to an employer by a practitioner in that practitioner's capacity as an employee of

that employer solely for purposes of determining the tax liability of the employer; or

(E) Written advice that does not resolve a Federal tax issue in the taxpayer's favor, unless the advice reaches a conclusion favorable to the taxpayer at any confidence level (e.g., not frivolous, realistic possibility of success, reasonable basis or substantial authority) with respect to that issue. If written advice concerns more than one Federal tax issue, the advice must comply with the requirements of paragraph (c) of this section with respect to any Federal tax issue not described in the preceding sentence.

(3) A *Federal tax issue* is a question concerning the Federal tax treatment of an item of income, gain, loss, deduction, or credit, the existence or absence of a taxable transfer of property, or the value of property for Federal tax purposes. For purposes of this subpart, a *Federal tax issue* is significant if the Internal Revenue Service has a reasonable basis for a successful challenge and its resolution could have a significant impact, whether beneficial or adverse and under any reasonably foreseeable circumstance, on the overall Federal tax treatment of the transaction(s) or matter(s) addressed in the opinion.

(4) *Reliance opinion*—(i) Written advice is a *reliance opinion* if the advice concludes at a confidence level of at least more likely than not (a greater than 50 percent likelihood) that one or more significant Federal tax issues would be resolved in the taxpayer's favor.

(ii) For purposes of this section, written advice, other than advice described in paragraph (b)(2)(i)(A) of this section (concerning listed transactions) or paragraph (b)(2)(i)(B) of this section (concerning the principal purpose of avoidance or evasion), is not treated as a *reliance opinion* if the practitioner prominently discloses in the written advice that it was not intended or written by the practitioner to be used, and that it cannot be used by the taxpayer, for the purpose of avoiding penalties that may be imposed on the taxpayer.

(5) *Marketed opinion*—(i) Written advice is a *marketed opinion* if the practitioner knows or has reason to know

§ 10.35

31 CFR Subtitle A (7-1-10 Edition)

that the written advice will be used or referred to by a person other than the practitioner (or a person who is a member of, associated with, or employed by the practitioner's firm) in promoting, marketing or recommending a partnership or other entity, investment plan or arrangement to one or more taxpayer(s).

(ii) For purposes of this section, written advice, other than advice described in paragraph (b)(2)(i)(A) of this section (concerning listed transactions) or paragraph (b)(2)(i)(B) of this section (concerning the principal purpose of avoidance or evasion), is not treated as a *marketed opinion* if the practitioner prominently discloses in the written advice that—

(A) The advice was not intended or written by the practitioner to be used, and that it cannot be used by any taxpayer, for the purpose of avoiding penalties that may be imposed on the taxpayer;

(B) The advice was written to support the promotion or marketing of the transaction(s) or matter(s) addressed by the written advice; and

(C) The taxpayer should seek advice based on the taxpayer's particular circumstances from an independent tax advisor.

(6) *Conditions of confidentiality.* Written advice is subject to *conditions of confidentiality* if the practitioner imposes on one or more recipients of the written advice a limitation on disclosure of the tax treatment or tax structure of the transaction and the limitation on disclosure protects the confidentiality of that practitioner's tax strategies, regardless of whether the limitation on disclosure is legally binding. A claim that a transaction is proprietary or exclusive is not a limitation on disclosure if the practitioner confirms to all recipients of the written advice that there is no limitation on disclosure of the tax treatment or tax structure of the transaction that is the subject of the written advice.

(7) *Contractual protection.* Written advice is subject to *contractual protection* if the taxpayer has the right to a full or partial refund of fees paid to the practitioner (or a person who is a member of, associated with, or employed by the practitioner's firm) if all or a part

of the intended tax consequences from the matters addressed in the written advice are not sustained, or if the fees paid to the practitioner (or a person who is a member of, associated with, or employed by the practitioner's firm) are contingent on the taxpayer's realization of tax benefits from the transaction. All the facts and circumstances relating to the matters addressed in the written advice will be considered when determining whether a fee is refundable or contingent, including the right to reimbursements of amounts that the parties to a transaction have not designated as fees or any agreement to provide services without reasonable compensation.

(8) *Prominently disclosed.* An item is prominently disclosed if it is readily apparent to a reader of the written advice. Whether an item is readily apparent will depend on the facts and circumstances surrounding the written advice including, but not limited to, the sophistication of the taxpayer and the length of the written advice. At a minimum, to be prominently disclosed an item must be set forth in a separate section (and not in a footnote) in a typeface that is the same size or larger than the typeface of any discussion of the facts or law in the written advice.

(9) *State or local bond opinion.* A *State or local bond opinion* is written advice with respect to a *Federal tax issue* included in any materials delivered to a purchaser of a State or local bond in connection with the issuance of the bond in a public or private offering, including an official statement (if one is prepared), that concerns only the excludability of interest on a State or local bond from gross income under section 103 of the Internal Revenue Code, the application of section 55 of the Internal Revenue Code to a State or local bond, the status of a State or local bond as a qualified tax-exempt obligation under section 265(b)(3) of the Internal Revenue Code, the status of a State or local bond as a qualified zone academy bond under section 1397E of the Internal Revenue Code, or any combination of the above.

(10) *The principal purpose.* For purposes of this section, the principal purpose of a partnership or other entity, investment plan or arrangement, or

other plan or arrangement is the avoidance or evasion of any tax imposed by the Internal Revenue Code if that purpose exceeds any other purpose. The principal purpose of a partnership or other entity, investment plan or arrangement, or other plan or arrangement is not to avoid or evade Federal tax if that partnership, entity, plan or arrangement has as its purpose the claiming of tax benefits in a manner consistent with the statute and Congressional purpose. A partnership, entity, plan or arrangement may have a significant purpose of avoidance or evasion even though it does not have the principal purpose of avoidance or evasion under this paragraph (b)(10).

(c) *Requirements for covered opinions.* A practitioner providing a *covered opinion* must comply with each of the following requirements.

(1) *Factual matters.* (i) The practitioner must use reasonable efforts to identify and ascertain the facts, which may relate to future events if a transaction is prospective or proposed, and to determine which facts are relevant. The opinion must identify and consider all facts that the practitioner determines to be relevant.

(ii) The practitioner must not base the opinion on any unreasonable factual assumptions (including assumptions as to future events). An unreasonable factual assumption includes a factual assumption that the practitioner knows or should know is incorrect or incomplete. For example, it is unreasonable to assume that a transaction has a business purpose or that a transaction is potentially profitable apart from tax benefits. A factual assumption includes reliance on a projection, financial forecast or appraisal. It is unreasonable for a practitioner to rely on a projection, financial forecast or appraisal if the practitioner knows or should know that the projection, financial forecast or appraisal is incorrect or incomplete or was prepared by a person lacking the skills or qualifications necessary to prepare such projection, financial forecast or appraisal. The opinion must identify in a separate section all factual assumptions relied upon by the practitioner.

(iii) The practitioner must not base the opinion on any unreasonable fac-

tual representations, statements or findings of the taxpayer or any other person. An unreasonable factual representation includes a factual representation that the practitioner knows or should know is incorrect or incomplete. For example, a practitioner may not rely on a factual representation that a transaction has a business purpose if the representation does not include a specific description of the business purpose or the practitioner knows or should know that the representation is incorrect or incomplete. The opinion must identify in a separate section all factual representations, statements or findings of the taxpayer relied upon by the practitioner.

(2) *Relate law to facts.* (i) The opinion must relate the applicable law (including potentially applicable judicial doctrines) to the relevant facts.

(ii) The practitioner must not assume the favorable resolution of any significant Federal tax issue except as provided in paragraphs (c)(3)(v) and (d) of this section, or otherwise base an opinion on any unreasonable legal assumptions, representations, or conclusions.

(iii) The opinion must not contain internally inconsistent legal analyses or conclusions.

(3) *Evaluation of significant Federal tax issues*—(i) *In general.* The opinion must consider all significant Federal tax issues except as provided in paragraphs (c)(3)(v) and (d) of this section.

(ii) *Conclusion as to each significant Federal tax issue.* The opinion must provide the practitioner's conclusion as to the likelihood that the taxpayer will prevail on the merits with respect to each significant Federal tax issue considered in the opinion. If the practitioner is unable to reach a conclusion with respect to one or more of those issues, the opinion must state that the practitioner is unable to reach a conclusion with respect to those issues. The opinion must describe the reasons for the conclusions, including the facts and analysis supporting the conclusions, or describe the reasons that the practitioner is unable to reach a conclusion as to one or more issues. If the practitioner fails to reach a conclusion at a confidence level of at least more likely than not with respect to one or more significant Federal tax issues

§ 10.35

31 CFR Subtitle A (7-1-10 Edition)

considered, the opinion must include the appropriate disclosure(s) required under paragraph (e) of this section.

(iii) *Evaluation based on chances of success on the merits.* In evaluating the significant Federal tax issues addressed in the opinion, the practitioner must not take into account the possibility that a tax return will not be audited, that an issue will not be raised on audit, or that an issue will be resolved through settlement if raised.

(iv) *Marketed opinions.* In the case of a marketed opinion, the opinion must provide the practitioner's conclusion that the taxpayer will prevail on the merits at a confidence level of at least more likely than not with respect to each significant Federal tax issue. If the practitioner is unable to reach a more likely than not conclusion with respect to each significant Federal tax issue, the practitioner must not provide the marketed opinion, but may provide written advice that satisfies the requirements in paragraph (b)(5)(ii) of this section.

(v) *Limited scope opinions.* (A) The practitioner may provide an opinion that considers less than all of the significant Federal tax issues if—

(1) The practitioner and the taxpayer agree that the scope of the opinion and the taxpayer's potential reliance on the opinion for purposes of avoiding penalties that may be imposed on the taxpayer are limited to the Federal tax issue(s) addressed in the opinion;

(2) The opinion is not advice described in paragraph (b)(2)(i)(A) of this section (concerning listed transactions), paragraph (b)(2)(i)(B) of this section (concerning the principal purpose of avoidance or evasion) or paragraph (b)(5) of this section (a marketed opinion); and

(3) The opinion includes the appropriate disclosure(s) required under paragraph (e) of this section.

(B) A practitioner may make reasonable assumptions regarding the favorable resolution of a Federal tax issue (an assumed issue) for purposes of providing an opinion on less than all of the significant Federal tax issues as provided in this paragraph (c)(3)(v). The opinion must identify in a separate section all issues for which the practitioner assumed a favorable resolution.

(4) *Overall conclusion.* (i) The opinion must provide the practitioner's overall conclusion as to the likelihood that the Federal tax treatment of the transaction or matter that is the subject of the opinion is the proper treatment and the reasons for that conclusion. If the practitioner is unable to reach an overall conclusion, the opinion must state that the practitioner is unable to reach an overall conclusion and describe the reasons for the practitioner's inability to reach a conclusion.

(ii) In the case of a marketed opinion, the opinion must provide the practitioner's overall conclusion that the Federal tax treatment of the transaction or matter that is the subject of the opinion is the proper treatment at a confidence level of at least more likely than not.

(d) *Competence to provide opinion; reliance on opinions of others.* (1) The practitioner must be knowledgeable in all of the aspects of Federal tax law relevant to the opinion being rendered, except that the practitioner may rely on the opinion of another practitioner with respect to one or more significant Federal tax issues, unless the practitioner knows or should know that the opinion of the other practitioner should not be relied on. If a practitioner relies on the opinion of another practitioner, the relying practitioner's opinion must identify the other opinion and set forth the conclusions reached in the other opinion.

(2) The practitioner must be satisfied that the combined analysis of the opinions, taken as a whole, and the overall conclusion, if any, satisfy the requirements of this section.

(e) *Required disclosures.* A covered opinion must contain all of the following disclosures that apply—

(1) *Relationship between promoter and practitioner.* An opinion must prominently disclose the existence of—

(i) Any compensation arrangement, such as a referral fee or a fee-sharing arrangement, between the practitioner (or the practitioner's firm or any person who is a member of, associated with, or employed by the practitioner's firm) and any person (other than the client for whom the opinion is prepared) with respect to promoting, marketing or recommending the entity,

plan, or arrangement (or a substantially similar arrangement) that is the subject of the opinion; or

(ii) Any referral agreement between the practitioner (or the practitioner's firm or any person who is a member of, associated with, or employed by the practitioner's firm) and a person (other than the client for whom the opinion is prepared) engaged in promoting, marketing or recommending the entity, plan, or arrangement (or a substantially similar arrangement) that is the subject of the opinion.

(2) *Marketed opinions.* A *marketed opinion* must prominently disclose that—

(i) The opinion was written to support the promotion or marketing of the transaction(s) or matter(s) addressed in the opinion; and

(ii) The taxpayer should seek advice based on the taxpayer's particular circumstances from an independent tax advisor.

(3) *Limited scope opinions.* A limited scope opinion must prominently disclose that—

(i) The opinion is limited to the one or more Federal tax issues addressed in the opinion;

(ii) Additional issues may exist that could affect the Federal tax treatment of the transaction or matter that is the subject of the opinion and the opinion does not consider or provide a conclusion with respect to any additional issues; and

(iii) With respect to any significant Federal tax issues outside the limited scope of the opinion, the opinion was not written, and cannot be used by the taxpayer, for the purpose of avoiding penalties that may be imposed on the taxpayer.

(4) *Opinions that fail to reach a more likely than not conclusion.* An opinion that does not reach a conclusion at a confidence level of at least more likely than not with respect to a significant Federal tax issue must prominently disclose that—

(i) The opinion does not reach a conclusion at a confidence level of at least more likely than not with respect to one or more significant Federal tax issues addressed by the opinion; and

(ii) With respect to those significant Federal tax issues, the opinion was not

written, and cannot be used by the taxpayer, for the purpose of avoiding penalties that may be imposed on the taxpayer.

(5) *Advice regarding required disclosures.* In the case of any disclosure required under this section, the practitioner may not provide advice to any person that is contrary to or inconsistent with the required disclosure.

(f) *Effect of opinion that meets these standards—(1) In general.* An opinion that meets the requirements of this section satisfies the practitioner's responsibilities under this section, but the persuasiveness of the opinion with regard to the tax issues in question and the taxpayer's good faith reliance on the opinion will be determined separately under applicable provisions of the law and regulations.

(2) *Standards for other written advice.* A practitioner who provides written advice that is not a covered opinion for purposes of this section is subject to the requirements of §10.37.

(g) *Effective date.* This section applies to written advice that is rendered after June 20, 2005.

[T.D. 9011, 67 FR 48771, July 26, 2002, as amended by T.D. 9165, 69 FR 75842, Dec. 20, 2004; 70 FR 19892, Apr. 15, 2005; 70 FR 28825, May 19, 2005; T.D. 9359, 72 FR 54549, Sept. 26, 2007]

§10.36 Procedures to ensure compliance.

(a) *Requirements for covered opinions.* Any practitioner who has (or practitioners who have or share) principal authority and responsibility for overseeing a firm's practice of providing advice concerning Federal tax issues must take reasonable steps to ensure that the firm has adequate procedures in effect for all members, associates, and employees for purposes of complying with §10.35. Any such practitioner will be subject to discipline for failing to comply with the requirements of this paragraph if—

(1) The practitioner through willfulness, recklessness, or gross incompetence does not take reasonable steps to ensure that the firm has adequate procedures to comply with §10.35, and one or more individuals who are members of, associated with, or employed by, the firm are, or have, engaged in a

§ 10.37

pattern or practice, in connection with their practice with the firm, of failing to comply with §10.35; or

(2) The practitioner knows or should know that one or more individuals who are members of, associated with, or employed by, the firm are, or have, engaged in a pattern or practice, in connection with their practice with the firm, that does not comply with §10.35 and the practitioner, through willfulness, recklessness, or gross incompetence, fails to take prompt action to correct the noncompliance.

(b) *Effective date.* This section is applicable after June 20, 2005.

[T.D. 9011, 67 FR 48771, July 26, 2002, as amended by T.D. 9165, 69 FR 75842, Dec. 20, 2004]

§ 10.37 Requirements for other written advice.

(a) *Requirements.* A practitioner must not give written advice (including electronic communications) concerning one or more Federal tax issues if the practitioner bases the written advice on unreasonable factual or legal assumptions (including assumptions as to future events), unreasonably relies upon representations, statements, findings or agreements of the taxpayer or any other person, does not consider all relevant facts that the practitioner knows or should know, or, in evaluating a Federal tax issue, takes into account the possibility that a tax return will not be audited, that an issue will not be raised on audit, or that an issue will be resolved through settlement if raised. All facts and circumstances, including the scope of the engagement and the type and specificity of the advice sought by the client will be considered in determining whether a practitioner has failed to comply with this section. In the case of an opinion the practitioner knows or has reason to know will be used or referred to by a person other than the practitioner (or a person who is a member of, associated with, or employed by the practitioner's firm) in promoting, marketing or recommending to one or more taxpayers a partnership or other entity, investment plan or arrangement a significant purpose of which is the avoidance or evasion of any tax imposed by the Internal Revenue Code,

31 CFR Subtitle A (7-1-10 Edition)

the determination of whether a practitioner has failed to comply with this section will be made on the basis of a heightened standard of care because of the greater risk caused by the practitioner's lack of knowledge of the taxpayer's particular circumstances.

(b) *Effective date.* This section applies to written advice that is rendered after June 20, 2005.

[T.D. 9011, 67 FR 48771, July 26, 2002, as amended by T.D. 9165, 69 FR 75842, Dec. 20, 2004; 70 FR 20805, Apr. 21, 2005]

§ 10.38 Establishment of advisory committees.

(a) *Advisory committees.* To promote and maintain the public's confidence in tax advisors, the Director of the Office of Professional Responsibility is authorized to establish one or more advisory committees composed of at least five individuals authorized to practice before the Internal Revenue Service. The Director should ensure that membership of an advisory committee is balanced among those who practice as attorneys, accountants, and enrolled agents. Under procedures prescribed by the Director, an advisory committee may review and make general recommendations regarding professional standards or best practices for tax advisors, including whether hypothetical conduct would give rise to a violation of §§10.35 or 10.36.

(b) *Effective date.* This section applies after December 20, 2004.

§ 10.50 Sanctions.

(a) *Authority to censure, suspend, or disbar.* The Secretary of the Treasury, or delegate, after notice and an opportunity for a proceeding, may censure, suspend, or disbar any practitioner from practice before the Internal Revenue Service if the practitioner is shown to be incompetent or disreputable (within the meaning of §10.51),

fails to comply with any regulation in this part (under the prohibited conduct standards of §10.52), or with intent to defraud, willfully and knowingly misleads or threatens a client or prospective client. Censure is a public reprimand.

(b) *Authority to disqualify.* The Secretary of the Treasury, or delegate, after due notice and opportunity for hearing, may disqualify any appraiser for a violation of these rules as applicable to appraisers.

(1) If any appraiser is disqualified pursuant to this subpart C, the appraiser is barred from presenting evidence or testimony in any administrative proceeding before the Department of the Treasury or the Internal Revenue Service, unless and until authorized to do so by the Director of the Office of Professional Responsibility pursuant to §10.81, regardless of whether the evidence or testimony would pertain to an appraisal made prior to or after the effective date of disqualification.

(2) Any appraisal made by a disqualified appraiser after the effective date of disqualification will not have any probative effect in any administrative proceeding before the Department of the Treasury or the Internal Revenue Service. An appraisal otherwise barred from admission into evidence pursuant to this section may be admitted into evidence solely for the purpose of determining the taxpayer's reliance in good faith on such appraisal.

(c) *Authority to impose monetary penalty—(1) In general.* (i) *The Secretary of the Treasury, or delegate, after notice and an opportunity for a proceeding, may impose a monetary penalty on any practitioner who engages in conduct subject to sanction under paragraph (a) of this section.*

(ii) If the practitioner described in paragraph (c)(1)(i) of this section was acting on behalf of an employer or any firm or other entity in connection with the conduct giving rise to the penalty, the Secretary of the Treasury, or delegate, may impose a monetary penalty on the employer, firm, or entity if it knew, or reasonably should have known, of such conduct.

(2) *Amount of penalty.* The amount of the penalty shall not exceed the gross

income derived (or to be derived) from the conduct giving rise to the penalty.

(3) *Coordination with other sanctions.* Subject to paragraph (c)(2) of this section—

(i) Any monetary penalty imposed on a practitioner under this paragraph (c) may be in addition to or in lieu of any suspension, disbarment or censure and may be in addition to a penalty imposed on an employer, firm or other entity under paragraph (c)(1)(ii) of this section.

(ii) Any monetary penalty imposed on an employer, firm or other entity may be in addition to or in lieu of penalties imposed under paragraph (c)(1)(i) of this section.

(d) *Sanctions to be imposed.* The sanctions imposed by this section shall take into account all relevant facts and circumstances.

(e) *Effective/applicability date.* This section is applicable to conduct occurring on or after September 26, 2007, except paragraph (c) which applies to prohibited conduct that occurs after October 22, 2004.

§ 10.51 Incompetence and disreputable conduct.

(a) *Incompetence and disreputable conduct.* Incompetence and disreputable conduct for which a practitioner may be sanctioned under §10.50 includes, but is not limited to—

(1) Conviction of any criminal offense under the Federal tax laws.

(2) Conviction of any criminal offense involving dishonesty or breach of trust.

(3) Conviction of any felony under Federal or State law for which the conduct involved renders the practitioner unfit to practice before the Internal Revenue Service.

(4) Giving false or misleading information, or participating in any way in the giving of false or misleading information to the Department of the Treasury or any officer or employee thereof, or to any tribunal authorized to pass upon Federal tax matters, in connection with any matter pending or likely to be pending before them, knowing the information to be false or misleading. Facts or other matters

§ 10.51

contained in testimony, Federal tax returns, financial statements, applications for enrollment, affidavits, declarations, and any other document or statement, written or oral, are included in the term "information."

(5) Solicitation of employment as prohibited under §10.30, the use of false or misleading representations with intent to deceive a client or prospective client in order to procure employment, or intimating that the practitioner is able improperly to obtain special consideration or action from the Internal Revenue Service or any officer or employee thereof.

(6) Willfully failing to make a Federal tax return in violation of the Federal tax laws, or willfully evading, attempting to evade, or participating in any way in evading or attempting to evade any assessment or payment of any Federal tax.

(7) Willfully assisting, counseling, encouraging a client or prospective client in violating, or suggesting to a client or prospective client to violate, any Federal tax law, or knowingly counseling or suggesting to a client or prospective client an illegal plan to evade Federal taxes or payment thereof.

(8) Misappropriation of, or failure properly or promptly to remit, funds received from a client for the purpose of payment of taxes or other obligations due the United States.

(9) Directly or indirectly attempting to influence, or offering or agreeing to attempt to influence, the official action of any officer or employee of the Internal Revenue Service by the use of threats, false accusations, duress or coercion, by the offer of any special inducement or promise of an advantage, or by the bestowing of any gift, favor or thing of value.

(10) Disbarment or suspension from practice as an attorney, certified public accountant, public accountant or actuary by any duly constituted authority of any State, territory, or possession of the United States, including a Commonwealth, or the District of Columbia, any Federal court of record or any Federal agency, body or board.

(12) Contemptuous conduct in connection with practice before the Internal Revenue Service, including the use of abusive language, making false accusations or statements, knowing them to be false or circulating or publishing malicious or libelous matter.

(13) Giving a false opinion, knowingly, recklessly, or through gross incompetence, including an opinion which is intentionally or recklessly misleading, or engaging in a pattern of providing incompetent opinions on questions arising under the Federal tax laws. False opinions described in this paragraph (a)(13) include those which reflect or result from a knowing misstatement of fact or law, from an assertion of a position known to be unwarranted under existing law, from counseling or assisting in conduct known to be illegal or fraudulent, from concealing matters required by law to be revealed, or from consciously disregarding information indicating that material facts expressed in the opinion or offering material are false or misleading. For purposes of this paragraph (a)(13), reckless conduct is a highly unreasonable omission or misrepresentation involving an extreme departure from the standards of ordinary care that a practitioner should observe under the circumstances. A pattern of conduct is a factor that will be taken into account in determining whether a practitioner acted knowingly, recklessly, or through gross incompetence. Gross incompetence includes conduct that reflects gross indifference, preparation which is grossly inadequate under the circumstances, and a consistent failure to perform obligations to the client.

(14) Willfully failing to sign a tax return prepared by the practitioner when the practitioner's signature is required by the Federal tax laws unless the failure is due to reasonable cause and not due to willful neglect.

(15) Willfully disclosing or otherwise using a tax return or tax return information in a manner not authorized by the Internal Revenue Code, contrary to the order of a court of competent jurisdiction, or contrary to the order of an

(a) *Officer or employee of the Internal Revenue Service.* If an officer or employee of the Internal Revenue Service has reason to believe that a practitioner has violated any provision of this part, the officer or employee will promptly make a written report to the Director of the Office of Professional Responsibility of the suspected violation. The report will explain the facts and reasons upon which the officer's or employee's belief rests.

(b) *Other persons.* Any person other than an officer or employee of the Internal Revenue Service having information of a violation of any provision of this part may make an oral or written report of the alleged violation to the Director of the Office of Professional Responsibility or any officer or employee of the Internal Revenue Service. § 10.60 Institution of proceeding.

(a) Whenever the Director of the Office of Professional Responsibility determines that a practitioner (or employer, firm or other entity, if applicable) violated any provision of the laws governing practice before the Internal Revenue Service or the regulations in this part, the Director of the Office of Professional Responsibility may reprimand the practitioner or, in accordance with § 10.62, institute a proceeding for a sanction described in § 10.50. A proceeding is instituted by the filing of a complaint, the contents of which are more fully described in § 10.62.

(b) Whenever the Director of the Office of Professional Responsibility is advised or becomes aware that a penalty has been assessed against an appraiser under section 6701(a) of the Internal Revenue Code, the Director of the Office of Professional Responsibility may reprimand the appraiser or, in accordance with § 10.62, institute a proceeding for disqualification of the appraiser. A proceeding for disqualification of an appraiser is instituted by the filing of a complaint, the contents of which are more fully described in § 10.62.

§ 10.61

(c) Except as provided in §10.82, a proceeding will not be instituted under this section unless the proposed respondent previously has been advised in writing of the law, facts and conduct warranting such action and has been accorded an opportunity to dispute facts, assert additional facts, and make arguments (including an explanation or description of mitigating circumstances).

(d) *Effective/applicability date.* This section is applicable on September 26, 2007.

[T.D. 9011, 67 FR 48765, July 26, 2002, as amended by T.D. 9359, 72 FR 54544, 54551, Sept. 26, 2007]

§ 10.61 Conferences.

(a) *In general.* The Director of the Office of Professional Responsibility may confer with a practitioner, employer, firm or other entity, or an appraiser concerning allegations of misconduct irrespective of whether a proceeding has been instituted. If the conference results in a stipulation in connection with an ongoing proceeding in which the practitioner, employer, firm or other entity, or appraiser is the respondent, the stipulation may be entered in the record by either party to the proceeding.

(b) *Voluntary sanction—(1) In general.* In lieu of a proceeding being instituted or continued under §10.60(a), a practitioner or appraiser (or employer, firm or other entity, if applicable) may offer a consent to be sanctioned under §10.50.

(2) *Discretion; acceptance or declination.* The Director of the Office of Professional Responsibility may, in his or her discretion, accept or decline the offer described in paragraph (b)(1) of this section. In any declination, the Director of the Office of Professional Responsibility may state that he or she would accept the offer described in paragraph (b)(1) of this section if it contained different terms. The Director of the Office of Professional Responsibility may, in his or her discretion, accept or reject a revised offer submitted

31 CFR Subtitle A (7–1–10 Edition)

in response to the declination or may counteroffer and act upon any accepted counteroffer.

(c) *Effective/applicability date.* This section is applicable on September 26, 2007.

(2) *Service by certified or first class mail.* (i) Service of the complaint may be made on the respondent by mailing the complaint by certified mail to the last known address (as determined under section 6212 of the Internal Revenue Code and the regulations thereunder) of the respondent. Where service is by certified mail, the returned post office receipt duly signed by the respondent will be proof of service.

(ii) If the certified mail is not claimed or accepted by the respondent, or is returned undelivered, service may be made on the respondent, by mailing the complaint to the respondent by first class mail. Service by this method will be considered complete upon mailing, provided the complaint is addressed to the respondent at the respondent's last known address as determined under section 6212 of the Internal Revenue Code and the regulations thereunder.

(ii) Service of the complaint may be made in person on, or by leaving the complaint at the office or place of business of, the respondent. Service by this method will be considered complete and proof of service will be a written statement, sworn or affirmed by the person who served the complaint, identifying the manner of service, includ-

ing the recipient, relationship of recipient to respondent, place, date and time of service.

(iii) Service may be made by any other means agreed to by the respondent. (b) *Service of papers other than complaint.* Any paper other than the complaint may be served on the respondent, or his or her authorized representative under § 10.69(a)(2) by:

(1) Mailing the paper by first class mail to the last known address (as determined under section 6212 of the Internal Revenue Code and the regulations thereunder) of the respondent or the respondent's authorized representative,

(2) Delivery by a private delivery service designated pursuant to section 7502(f) of the Internal Revenue Code to the last known address (as determined under section 6212 of the Internal Revenue Code and the regulations thereunder) of the respondent or the respondent's authorized representative, or

[T.D. 9011, 67 FR 48765, July 26, 2002, as amended by T.D. 9359, 72 FR 54544, 54552, Sept. 26, 2007]

§ 10.64 Answer; default.

(a) *Filing.* The respondent's answer must be filed with the Administrative Law Judge, and served on the Director of the Office of Professional Responsibility, within the time specified in the complaint unless, on request or application of the respondent, the time is extended by the Administrative Law Judge.

(b) *Contents.* The answer must be written and contain a statement of facts that constitute the respondent's grounds of defense. General denials are not permitted. The respondent must specifically admit or deny each allegation set forth in the complaint, except that the respondent may state that the respondent is without sufficient information to admit or deny a specific allegation. The respondent, nevertheless, may not deny a material allegation in the complaint that the respondent knows to be true, or state that the re-

31 CFR Subtitle A (7-1-10 Edition)

spondent is without sufficient information to form a belief, when the respondent possesses the required information. The respondent also must state affirmatively any special matters of defense on which he or she relies.

(c) *Failure to deny or answer allegations in the complaint.* Every allegation in the complaint that is not denied in the answer is deemed admitted and will be considered proved; no further evidence in respect of such allegation need be adduced at a hearing.

(d) *Default.* Failure to file an answer within the time prescribed (or within the time for answer as extended by the Administrative Law Judge), constitutes an admission of the allegations of the complaint and a waiver of hearing, and the Administrative Law Judge may make the decision by default without a hearing or further procedure. A decision by default constitutes a decision under § 10.76.

(e) *Signature.* The answer must be signed by the respondent or the respondent's authorized representative under § 10.69(a)(2) and must include a statement directly above the signature acknowledging that the statements made in the answer are true and correct and that knowing and willful false statements may be punishable under 18 U.S.C. 1001.

§ 10.65 Supplemental charges.

(a) *In general.* The Director of the Office of Professional Responsibility may file supplemental charges, by amending the complaint with the permission of the Administrative Law Judge, against the respondent, if, for example—

(1) It appears that the respondent, in the answer, falsely and in bad faith, denies a material allegation of fact in the complaint or states that the respondent has insufficient knowledge to form a belief, when the respondent possesses such information; or

(2) It appears that the respondent has knowingly introduced false testimony during the proceedings against the respondent.

(b) *Hearing.* The supplemental charges may be heard with other charges in the case, provided the respondent is given due notice of the

charges and is afforded a reasonable opportunity to prepare a defense to the supplemental charges.

(c) *Effective/applicability date.* This section is applicable on September 26, 2007.

[T.D. 9359, 72 FR 54552, Sept. 26, 2007]

§ 10.66 Reply to answer.

The Director of the Office of Professional Responsibility may file a reply to the respondent's answer, but unless otherwise ordered by the Administrative Law Judge, no reply to the respondent's answer is required. If a reply is not filed, new matter in the answer is deemed denied.

§ 10.67 Proof; variance; amendment of pleadings.

In the case of a variance between the allegations in pleadings and the evidence adduced in support of the pleadings, the Administrative Law Judge, at any time before decision, may order or authorize amendment of the pleadings to conform to the evidence. The party who would otherwise be prejudiced by the amendment must be given a reasonable opportunity to address the allegations of the pleadings as amended and the Administrative Law Judge must make findings on any issue presented by the pleadings as amended.

§ 10.68 Motions and requests.

(a) *Motions*—(1) *In general.* At any time after the filing of the complaint, any party may file a motion with the Administrative Law Judge. Unless otherwise ordered by the Administrative Law Judge, motions must be in writing and must be served on the opposing party as provided in § 10.63(b). A motion must concisely specify its grounds and the relief sought, and, if appropriate, must contain a memorandum of facts and law in support.

(2) *Summary adjudication.* Either party may move for a summary adjudication upon all or any part of the legal issues in controversy. If the non-moving party opposes summary adjudication in the moving party's favor, the non-moving party must file a written response within 30 days unless ordered otherwise by the Administrative Law Judge.

(3) *Good Faith.* A party filing a motion for extension of time, a motion for postponement of a hearing, or any other non-dispositive or procedural motion must first contact the other party to determine whether there is any objection to the motion, and must state in the motion whether the other party has an objection.

(b) *Response.* Unless otherwise ordered by the Administrative Law Judge, the nonmoving party is not required to file a response to a motion. If the Administrative Law Judge does not order the nonmoving party to file a response, and the nonmoving party files no response, the nonmoving party is deemed to oppose the motion. If a nonmoving party does not respond within 30 days of the filing of a motion for decision by default for failure to file a timely answer or for failure to prosecute, the nonmoving party is deemed not to oppose the motion.

(c) *Oral motions; oral argument*—(1) The Administrative Law Judge may, for good cause and with notice to the parties, permit oral motions and oral opposition to motions.

(2) The Administrative Law Judge may, within his or her discretion, permit oral argument on any motion.

(d) *Orders.* The Administrative Law Judge should issue written orders disposing of any motion or request and any response thereto.

(e) *Effective/applicability date.* This section is applicable on September 26, 2007.

An attorney or an employee of the Internal Revenue Service representing the Director of the Office of Professional Responsibility in a proceeding under this part may sign the complaint or any document required to be filed in the proceeding on behalf of the Director of the Office of Professional Responsibility.

(2) A respondent may appear in person, be represented by a practitioner,

§ 10.70

A practitioner or an attorney representing a respondent or proposed respondent may sign the answer or any document required to be filed in the proceeding on behalf of the respondent.

(b) *Ex parte communication.* The Director of the Office of Professional Responsibility, the respondent, and any representatives of either party, may not attempt to initiate or participate in *ex parte* discussions concerning a proceeding or potential proceeding with the Administrative Law Judge (or any person who is likely to advise the Administrative Law Judge on a ruling or decision) in the proceeding before or during the pendency of the proceeding. Any memorandum, letter or other communication concerning the merits of the proceeding, addressed to the Administrative Law Judge, by or on behalf of any party shall be regarded as an argument in the proceeding and shall be served on the other party.

§ 10.70 Administrative Law Judge.

(10) Make decisions.

[T.D. 9011, 67 FR 48765, July 26, 2002, as amended by T.D. 9359, 72 FR 54552, Sept. 26, 2007]

§ 10.71 Discovery.

(a) *In general.* Discovery may be permitted, at the discretion of the Administrative Law Judge, only upon written motion demonstrating the relevance, materiality and reasonableness of the requested discovery and subject to the requirements of §10.72(d)(2) and (3). Within 10 days of receipt of the answer, the Administrative Law Judge will notify the parties of the right to request discovery and the timeframes for filing a request. A request for discovery, and objections, must be filed in accordance with §10.68. In response to a request for discovery, the Administrative Law Judge may order—

(c) *Requests for admission.* Any party may serve on any other party a written request for admission of the truth of any matters which are not privileged and are relevant to the subject matter of this proceeding. Requests for admission shall not exceed a total of 30 (including any subparts within a specific request) without the approval from the Administrative Law Judge.

(d) *Limitations.* Discovery shall not be authorized if—

(1) The request fails to meet any requirement set forth in paragraph (a) of this section;

(2) It will unduly delay the proceeding;

(3) It will place an undue burden on the party required to produce the discovery sought;

(4) It is frivolous or abusive;

(5) It is cumulative or duplicative;

(6) The material sought is privileged or otherwise protected from disclosure by law;

(7) The material sought relates to mental impressions, conclusions, or legal theories of any party, attorney, or other representative, of a party prepared in anticipation of a proceeding; or

(8) The material sought is available generally to the public, equally to the parties, or to the party seeking the discovery through another source.

(e) *Failure to comply.* Where a party fails to comply with an order of the Administrative Law Judge under this section, the Administrative Law Judge may, among other things, infer that the information would be adverse to the party failing to provide it, exclude the information from evidence or issue a decision by default.

(f) *Other discovery.* No discovery other than that specifically provided for in this section is permitted.

(g) *Effective/applicability date.* This section is applicable to proceedings initiated on or after September 26, 2007.

[T.D. 9359, 72 FR 54552, Sept. 26, 2007]

(a) *In general*—(1) *Presiding officer.* An Administrative Law Judge will preside at the hearing on a complaint filed under § 10.60 for the sanction of a practitioner, employer, firm or other entity, or appraiser.

(2) *Time for hearing.* Absent a determination by the Administrative Law Judge that, in the interest of justice, a hearing must be held at a later time, the Administrative Law Judge should, on notice sufficient to allow proper preparation, schedule the hearing to occur no later than 180 days after the time for filing the answer.

(3) *Procedural requirements.* (i) Hearings will be stenographically recorded and transcribed and the testimony of witnesses will be taken under oath or affirmation.

(ii) Hearings will be conducted pursuant to 5 U.S.C. 556.

(iii) A hearing in a proceeding requested under § 10.82(g) will be conducted de novo.

(iv) An evidentiary hearing must be held in all proceedings prior to the issuance of a decision by the Administrative Law Judge unless—

(A) The Director of the Office of Professional Responsibility withdraws the complaint;

(B) A decision is issued by default pursuant to § 10.64(d);

(C) A decision is issued under § 10.82(e);

(D) The respondent requests a decision on the written record without a hearing; or

(E) The Administrative Law Judge issues a decision under § 10.68(d) or rules on another motion that disposes of the case prior to the hearing.

(b) *Cross-examination.* A party is entitled to present his or her case or defense by oral or documentary evidence, to submit rebuttal evidence, and to conduct cross-examination, in the presence of the Administrative Law Judge, as may be required for a full and true disclosure of the facts. This paragraph (b) does not limit a party from presenting evidence contained within a

§ 10.72

deposition when the Administrative Law Judge determines that the deposition has been obtained in compliance with the rules of this subpart D.

(c) *Prehearing memorandum.* Unless otherwise ordered by the Administrative Law Judge, each party shall file, and serve on the opposing party or the opposing party's representative, prior to any hearing, a prehearing memorandum containing—

(1) A list (together with a copy) of all proposed exhibits to be used in the party's case in chief;

(2) A list of proposed witnesses, including a synopsis of their expected testimony, or a statement that no witnesses will be called;

(3) Identification of any proposed expert witnesses, including a synopsis of their expected testimony and a copy of any report prepared by the expert or at his or her direction; and

(4) A list of undisputed facts.

(d) *Publicity—(1) In general.* All reports and decisions of the Secretary of the Treasury, or delegate, including any reports and decisions of the Administrative Law Judge, under this subpart D are, subject to the protective measures in paragraph (d)(4) of this section, public and open to inspection within 30 days after the agency's decision becomes final.

(2) *Request for additional publicity.* The Administrative Law Judge may grant a request by a practitioner or appraiser that all the pleadings and evidence of the disciplinary proceeding be made available for inspection where the parties stipulate in advance to adopt the protective measures in paragraph (d)(4) of this section.

(3) *Returns and return information—(i) Disclosure to practitioner or appraiser.* Pursuant to section 6103(l)(4) of the Internal Revenue Code, the Secretary of the Treasury, or delegate, may disclose returns and return information to any practitioner or appraiser, or to the authorized representative of the practitioner or appraiser, whose rights are or may be affected by an administrative action or proceeding under this subpart D, but solely for use in the action or proceeding and only to the extent that the Secretary of the Treasury, or delegate, determines that the returns or return information are or may be rel-

31 CFR Subtitle A (7–1–10 Edition)

evant and material to the action or proceeding.

(ii) *Disclosure to officers and employees of the Department of the Treasury.* Pursuant to section 6103(l)(4)(B) of the Internal Revenue Code, the Secretary of the Treasury, or delegate, may disclose returns and return information to officers and employees of the Department of the Treasury for use in any action or proceeding under this subpart D, to the extent necessary to advance or protect the interests of the United States.

(iii) *Use of returns and return information.* Recipients of returns and return information under this paragraph (d)(3) may use the returns or return information solely in the action or proceeding, or in preparation for the action or proceeding, with respect to which the disclosure was made.

(iv) *Procedures for disclosure of returns and return information.* When providing returns or return information to the practitioner or appraiser, or authorized representative, the Secretary of the Treasury, or delegate, will—

(A) Redact identifying information of any third party taxpayers and replace it with a code;

(B) Provide a key to the coded information; and

(C) Notify the practitioner or appraiser, or authorized representative, of the restrictions on the use and disclosure of the returns and return information, the applicable damages remedy under section 7431 of the Internal Revenue Code, and that unauthorized disclosure of information provided by the Internal Revenue Service under this paragraph (d)(3) is also a violation of this part.

(4) *Protective measures—(i) Mandatory protective order.* If redaction of names, addresses, and other identifying information of third party taxpayers may still permit indirect identification of any third party taxpayer, the Administrative Law Judge will issue a protective order to ensure that the identifying information is available to the parties and the Administrative Law Judge for purposes of the proceeding, but is not disclosed to, or open to inspection by, the public.

(ii) *Authorized orders.* (A) Upon motion by a party or any other affected person, and for good cause shown, the

Administrative Law Judge may make any order which justice requires to protect any person in the event disclosure of information is prohibited by law, privileged, confidential, or sensitive in some other way, including, but not limited to, one or more of the following—

(1) That disclosure of information be made only on specified terms and conditions, including a designation of the time or place;

(2) That a trade secret or other information not be disclosed, or be disclosed only in a designated way.

(iii) *Denials*. If a motion for a protective order is denied in whole or in part, the Administrative Law Judge may, on such terms or conditions as the Administrative Law Judge deems just, order any party or person to comply with, or respond in accordance with, the procedure involved.

(iv) *Public inspection of documents*. The Secretary of the Treasury, or delegate, shall ensure that all names, addresses or other identifying details of third party taxpayers are redacted and replaced with the code assigned to the corresponding taxpayer in all documents prior to public inspection of such documents.

(e) *Location*. The location of the hearing will be determined by the agreement of the parties with the approval of the Administrative Law Judge, but, in the absence of such agreement and approval, the hearing will be held in Washington, D.C.

(f) *Failure to appear*. If either party to the proceeding fails to appear at the hearing, after notice of the proceeding has been sent to him or her, the party will be deemed to have waived the right to a hearing and the Administrative Law Judge may make his or her decision against the absent party by default.

(g) *Effective/applicability date*. This section is applicable on September 26, 2007.

[T.D. 9011, 67 FR 48765, July 26, 2002. Redesignated and amended by T.D. 9359, 72 FR 54552, 54553, Sept. 26, 2007]

§ 10.73 Evidence.

(a) *In general*. The rules of evidence prevailing in courts of law and equity are not controlling in hearings or pro-

ceedings conducted under this part. The Administrative Law Judge may, however, exclude evidence that is irrelevant, immaterial, or unduly repetitious.

(b) *Depositions*. The deposition of any witness taken pursuant to § 10.71 may be admitted into evidence in any proceeding instituted under § 10.60.

(c) *Requests for admission*. Any matter admitted in response to a request for admission under § 10.71 is conclusively established unless the Administrative Law Judge on motion permits withdrawal or modification of the admission. Any admission made by a party is for the purposes of the pending action only and is not an admission by a party for any other purpose, nor may it be used against a party in any other proceeding.

(d) *Proof of documents*. Official documents, records, and papers of the Internal Revenue Service and the Office of Professional Responsibility are admissible in evidence without the production of an officer or employee to authenticate them. Any documents, records, and papers may be evidenced by a copy attested to or identified by an officer or employee of the Internal Revenue Service or the Treasury Department, as the case may be.

(e) *Withdrawal of exhibits*. If any document, record, or other paper is introduced in evidence as an exhibit, the Administrative Law Judge may authorize the withdrawal of the exhibit subject to any conditions that he or she deems proper.

(f) *Objections*. Objections to evidence are to be made in short form, stating the grounds for the objection. Except as ordered by the Administrative Law Judge, argument on objections will not be recorded or transcribed. Rulings on objections are to be a part of the record, but no exception to a ruling is necessary to preserve the rights of the parties.

(g) *Effective/applicability date*. This section is applicable on September 26, 2007.

§ 10.74

§ 10.74 Transcript.

In cases where the hearing is stenographically reported by a Government contract reporter, copies of the transcript may be obtained from the reporter at rates not to exceed the maximum rates fixed by contract between the Government and the reporter. Where the hearing is stenographically reported by a regular employee of the Internal Revenue Service, a copy will be supplied to the respondent either without charge or upon the payment of a reasonable fee. Copies of exhibits introduced at the hearing or at the taking of depositions will be supplied to the parties upon the payment of a reasonable fee (Sec. 501, Public Law 82-137)(65 Stat. 290)(31 U.S.C. 483a).

§ 10.75 Proposed findings and conclusions.

Except in cases where the respondent has failed to answer the complaint or where a party has failed to appear at the hearing, the parties must be afforded a reasonable opportunity to submit proposed findings and conclusions and their supporting reasons to the Administrative Law Judge.

§ 10.76 Decision of Administrative Law Judge.

(a) *In general*—(1) *Hearings*. Within 180 days after the conclusion of a hearing and the receipt of any proposed findings and conclusions timely submitted by the parties, the Administrative Law Judge should enter a decision in the case. The decision must include a statement of findings and conclusions, as well as the reasons or basis for making such findings and conclusions, and an order of censure, suspension, disbarment, monetary penalty, disqualification, or dismissal of the complaint.

(2) *Summary adjudication*. In the event that a motion for summary adjudication is filed, the Administrative Law Judge should rule on the motion for summary adjudication within 60 days after the party in opposition files a written response, or if no written response is filed, within 90 days after the motion for summary adjudication is filed. A decision shall thereafter be rendered if the pleadings, depositions, admissions, and any other admissible evidence show that there is no genuine

31 CFR Subtitle A (7-1-10 Edition)

issue of material fact and that a decision may be rendered as a matter of law. The decision must include a statement of conclusions, as well as the reasons or basis for making such conclusions, and an order of censure, suspension, disbarment, monetary penalty, disqualification, or dismissal of the complaint.

(3) *Returns and return information*. In the decision, the Administrative Law Judge should use the code assigned to third party taxpayers (described in § 10.72(d)).

(b) *Standard of proof*. If the sanction is censure or a suspension of less than six months' duration, the Administrative Law Judge, in rendering findings and conclusions, will consider an allegation of fact to be proven if it is established by the party who is alleging the fact by a preponderance of the evidence in the record. If the sanction is a monetary penalty, disbarment or a suspension of six months or longer duration, an allegation of fact that is necessary for a finding against the practitioner must be proven by clear and convincing evidence in the record. An allegation of fact that is necessary for a finding of disqualification against an appraiser must be proven by clear and convincing evidence in the record.

(c) *Copy of decision*. The Administrative Law Judge will provide the decision to the Director of the Office of Professional Responsibility, with a copy to the Director's authorized representative, and a copy of the decision to the respondent or the respondent's authorized representative.

(d) *When final*. In the absence of an appeal to the Secretary of the Treasury or delegate, the decision of the Administrative Law Judge will, without further proceedings, become the decision of the agency 30 days after the date of the Administrative Law Judge's decision.

(e) *Effective/applicability date*. This section is applicable to proceedings initiated on or after September 26, 2007.

(a) *Appeal*. Any party to the proceeding under this subpart D may file

Office of the Secretary of the Treasury

§ 10.79

an appeal of the decision of the Administrative Law Judge with the Secretary of the Treasury, or delegate. The appeal must include a brief that states exceptions to the decision of the Administrative Law Judge and supporting reasons for such exceptions.

(b) *Time and place for filing of appeal.* The appeal and brief must be filed, in duplicate, with the Director of the Office of Professional Responsibility within 30 days of the date that the decision of the Administrative Law Judge is served on the parties. The Director of the Office of Professional Responsibility will immediately furnish a copy of the appeal to the Secretary of the Treasury or delegate who decides appeals. A copy of the appeal for review must be sent to any non-appealing party. If the Director of the Office of Professional Responsibility files an appeal, he or she will provide a copy of the appeal and certify to the respondent that the appeal has been filed.

(c) *Effective/applicability date.* This section is applicable on September 26, 2007.

§ 10.78 Decision on review.

(a) *Decision on review.* On appeal from or review of the decision of the Administrative Law Judge, the Secretary of the Treasury, or delegate, will make the agency decision. The Secretary of the Treasury, or delegate, should make the agency decision within 180 days after receipt of the appeal.

(b) *Standard of review.* The decision of the Administrative Law Judge will not be reversed unless the appellant establishes that the decision is clearly erroneous in light of the evidence in the record and applicable law. Issues that are exclusively matters of law will be reviewed de novo. In the event that the Secretary of the Treasury, or delegate, determines that there are unresolved issues raised by the record, the case may be remanded to the Administrative Law Judge to elicit additional testimony or evidence.

(c) *Copy of decision on review.* The Secretary of the Treasury, or delegate, will provide copies of the agency decision to the Director of the Office of Professional Responsibility and the re-

spondent or the respondent's authorized representative.

(d) *Effective/applicability date.* This section is applicable on September 26, 2007.

[T.D. 9359, 72 FR 54555, Sept. 26, 2007]

§ 10.79 Effect of disbarment, suspension, or censure.

(a) *Disbarment.* When the final decision in a case is against the respondent (or the respondent has offered his or her consent and such consent has been accepted by the Director of the Office of Professional Responsibility) and such decision is for disbarment, the respondent will not be permitted to practice before the Internal Revenue Service unless and until authorized to do so by the Director of the Office of Professional Responsibility pursuant to § 10.81.

(b) *Suspension.* When the final decision in a case is against the respondent (or the respondent has offered his or her consent and such consent has been accepted by the Director of the Office of Professional Responsibility) and such decision is for suspension, the respondent will not be permitted to practice before the Internal Revenue Service during the period of suspension. For periods after the suspension, the practitioner's future representations may be subject to conditions as authorized by paragraph (d) of this section.

(c) *Censure.* When the final decision in the case is against the respondent (or the respondent has offered his or her consent and such consent has been accepted by the Director of the Office of Professional Responsibility) and such decision is for censure, the respondent will be permitted to practice before the Internal Revenue Service, but the respondent's future representations may be subject to conditions as authorized by paragraph (d) of this section.

(d) *Conditions.* After being subject to the sanction of either suspension or censure, the future representations of a practitioner so sanctioned shall be subject to conditions prescribed by the Director of the Office of Professional Responsibility designed to promote high standards of conduct. These conditions can be imposed for a reasonable period

§ 10.80

in light of the gravity of the practitioner's violations. For example, where a practitioner is censured because he or she failed to advise his or her clients about a potential conflict of interest or failed to obtain the clients' written consents, the Director of the Office of Professional Responsibility may require the practitioner to provide the Director of the Office of Professional Responsibility or another Internal Revenue Service official with a copy of all consents obtained by the practitioner for an appropriate period following censure, whether or not such consents are specifically requested.

§ 10.80 Notice of disbarment, suspension, censure, or disqualification.

On the issuance of a final order censuring, suspending, or disbarring a practitioner or a final order disqualifying an appraiser, the Director of the Office of Professional Responsibility may give notice of the censure, suspension, disbarment, or disqualification to appropriate officers and employees of the Internal Revenue Service and to interested departments and agencies of the Federal government. The Director of the Office of Professional Responsibility may determine the manner of giving notice to the proper authorities of the State by which the censured, suspended, or disbarred person was licensed to practice.

§ 10.81 Petition for reinstatement.

The Director of the Office of Professional Responsibility may entertain a petition for reinstatement from any person disbarred from practice before the Internal Revenue Service or any disqualified appraiser after the expiration of 5 years following such disbarment or disqualification. Reinstatement may not be granted unless the Director of the Office of Professional Responsibility is satisfied that the petitioner, thereafter, is not likely to conduct himself contrary to the regulations in this part, and that granting such reinstatement would not be contrary to the public interest.

§ 10.82 Expedited suspension.

(a) *When applicable.* Whenever the Director of the Office of Professional Responsibility determines that a practi-

31 CFR Subtitle A (7-1-10 Edition)

tioner is described in paragraph (b) of this section, the Director of the Office of Professional Responsibility may institute a proceeding under this section to suspend the practitioner from practice before the Internal Revenue Service.

(b) *To whom applicable.* This section applies to any practitioner who, within five years of the date a complaint instituting a proceeding under this section is served:

(1) Has had a license to practice as an attorney, certified public accountant, or actuary suspended or revoked for cause (not including failure to pay a professional licensing fee) by any authority or court, agency, body, or board described in § 10.51(a)(10).

(2) Has, irrespective of whether an appeal has been taken, been convicted of any crime under title 26 of the United States Code, any crime involving dishonesty or breach of trust, or any felony for which the conduct involved renders the practitioner unfit to practice before the Internal Revenue Service.

(3) Has violated conditions imposed on the practitioner pursuant to § 10.79(d).

(4) Has been sanctioned by a court of competent jurisdiction, whether in a civil or criminal proceeding (including suits for injunctive relief, relating to any taxpayer's tax liability or relating to the practitioner's own tax liability, for—

(i) Instituting or maintaining proceedings primarily for delay;

(ii) Advancing frivolous or groundless arguments; or

(iii) Failing to pursue available administrative remedies.

(c) *Instituting a proceeding.* A proceeding under this section will be instituted by a complaint that names the respondent, is signed by the Director of the Office of Professional Responsibility or a person representing the Director of the Office of Professional Responsibility under § 10.69(a)(1), is filed in the Director of the Office of Professional Responsibility's office, and is served according to the rules set forth in paragraph (a) of § 10.63. The complaint must give a plain and concise description of the allegations that constitute the basis for the proceeding.

Office of the Secretary of the Treasury

§ 10.90

The complaint must notify the respondent—

(1) Of the place and due date for filing an answer;

(2) That a decision by default may be rendered if the respondent fails to file an answer as required;

(3) That the respondent may request a conference with the Director of the Office of Professional Responsibility to address the merits of the complaint and that any such request must be made in the answer; and

(4) That the respondent may be suspended either immediately following the expiration of the period within which an answer must be filed or, if a conference is requested, immediately following the conference.

(d) *Answer.* The answer to a complaint described in this section must be filed no later than 30 calendar days following the date the complaint is served, unless the Director of the Office of Professional Responsibility extends the time for filing. The answer must be filed in accordance with the rules set forth in § 10.64, except as otherwise provided in this section. A respondent is entitled to a conference with the Director of the Office of Professional Responsibility only if the conference is requested in a timely filed answer. If a request for a conference is not made in the answer or the answer is not timely filed, the respondent will be deemed to have waived his or her right to a conference and the Director of the Office of Professional Responsibility may suspend such respondent at any time following the date on which the answer was due.

(e) *Conference.* The Director of the Office of Professional Responsibility or his or her designee will preside at a conference described in this section. The conference will be held at a place and time selected by the Director of the Office of Professional Responsibility, but no sooner than 14 calendar days after the date by which the answer must be filed with the Director of the Office of Professional Responsibility, unless the respondent agrees to an earlier date. An authorized representative may represent the respondent at the conference. Following the conference, upon a finding that the respondent is described in paragraph (b)

of this section, or upon the respondent's failure to appear at the conference either personally or through an authorized representative, the Director of the Office of Professional Responsibility may immediately suspend the respondent from practice before the Internal Revenue Service.

(f) *Duration of suspension.* A suspension under this section will commence on the date that written notice of the suspension is issued. A practitioner's suspension will remain effective until the earlier of the following—

(1) The Director of the Office of Professional Responsibility lifts the suspension after determining that the practitioner is no longer described in paragraph (b) of this section or for any other reason; or

(2) The suspension is lifted by an Administrative Law Judge or the Secretary of the Treasury in a proceeding referred to in paragraph (g) of this section and instituted under § 10.60.

(g) *Proceeding instituted under § 10.60.* If the Director of the Office of Professional Responsibility suspends a practitioner under this section, the practitioner may ask the Director of the Office of Professional Responsibility to issue a complaint under § 10.60. The request must be made in writing within 2 years from the date on which the practitioner's suspension commences. The Director of the Office of Professional Responsibility must issue a complaint requested under this paragraph within 30 calendar days of receiving the request.

(h) *Effective/applicability date.* This section is applicable on September 26, 2007.

§ 11.1 Purpose.

This part contains policy and procedures to ensure the priority of blind vendors in operating vending facilities on property controlled by the Department of the Treasury. The provisions of this part apply to all bureaus, the Departmental Offices and the Office of Inspector General.

§ 11.2 Policy.

Blind vendors licensed by State licensing agencies designated by the

Office of the Secretary of the Treasury

§ 11.6

Secretary of Education under the provisions of the Randolph-Sheppard Act (20 U.S.C. 107 *et seq.*) shall be given priority in the location and operation of vending facilities, including vending machines, on property controlled by the Department of the Treasury, provided the location or operation of such facility would not adversely affect the interests of the United States. Treasury bureaus shall ensure that the collection and distribution of vending machine income from vending machines on Treasury-controlled property shall be in compliance with the regulations set forth in 34 CFR 395.32. Blind vendors shall also be given priority on Treasury-controlled property in the operation of cafeterias according to 34 CFR 395.33.

§ 11.3 Definitions.

Terms used are defined in 34 CFR 395.1, except that as used in this part, the following terms shall have the following meanings:

(a) *Department of the Treasury controlled property* means any Federal building, land, or other real property owned, leased, or occupied by a bureau or office of the Department of the Treasury, of which the maintenance, operation, and protection is under the control of the Department of the Treasury.

(b) The term *bureau* means any bureau or office of the Department of the Treasury and such comparable administrative units as may hereafter be created or made a part of the Department, and includes the Departmental Offices and the Office of Inspector General. The "head of the bureau" for the Departmental Offices is the Deputy Assistant Secretary (Administration).

§ 11.4 Establishing vending facilities.

(a) Treasury bureaus shall not acquire a building by ownership, rent, or lease, or occupy a building to be constructed, substantially altered, or renovated unless it is determined that such buildings contain or will contain a "satisfactory site," as defined in 34 CFR 395.1(q), for the location and operation of a blind vending facility.

(b) In accordance with 34 CFR 395.31, Treasury bureaus shall provide the appropriate State licensing agency with

written notice of the intention to acquire or otherwise occupy such building. Providing notification shall be the responsibility of the bureau on-site property management official.

§ 11.5 Application for permit.

Applications for permits for the operation of vending facilities other than cafeterias shall be made in writing and submitted for the review and approval of the head of the appropriate Treasury bureau or that official's designee.

§ 11.6 Terms of permit.

Every permit shall describe the location of the vending facility, including any vending machines located on other than facility premises, and shall be subject to the following provisions:

(a) The permit shall be issued in the name of the applicant State licensing agency which shall perform the responsibilities set forth in 34 CFR 395.35 (a);

(b) The permit shall be issued for an indefinite period of time subject to suspension or termination on the basis of compliance or noncompliance with agreed upon terms.

(c) The permit shall provide that:

(1) No charge shall be made to the State licensing agency for normal cleaning, maintenance, and repair of the building structure in and adjacent to the vending facility areas;

(2) Cleaning necessary for sanitation; the maintenance of vending facilities and vending machines in an orderly condition at all times; the installation, maintenance, repair, replacement, servicing, and removal of vending facility equipment shall be without cost to the Department of the Treasury; and

(3) Articles sold at vending facilities operated by blind licensees may consist of newspapers, periodicals, publications, confections, tobacco products, foods, beverages, chances for any lottery authorized by State law and conducted by an agency of a State within such State, and other articles or services as are determined by the State licensing agency, in consultation with the appropriate Treasury bureau, to be suitable for a particular location. Such articles and services may be dispensed automatically or manually and may be prepared on or off the premises.

§ 11.7

(d) The permit shall further provide that vending facilities shall be operated in compliance with applicable health, sanitation, and building codes or ordinances.

(e) The permit shall further provide that installation, modification, relocation, removal, and renovation of vending facilities shall be subject to the prior approval and supervision of the bureau on-site property management officer of the appropriate Treasury bureau and the State licensing agency; that costs of relocations initiated by the State licensing agency shall be paid by the State licensing agency; that costs of relocations initiated by a Treasury bureau shall be paid by the Treasury bureau; and that all plumbing, electrical, and mechanical costs related to the renovation of existing facilities shall be paid by the appropriate Treasury bureau.

(f) The operation of a cafeteria by a blind vendor shall be covered by a contractual agreement and not by a permit. The State licensing agency shall be expected to perform under the same contractual arrangement applicable to commercial cafeteria operators.

§ 11.7 Enforcement procedures.

(a) The State licensing agency shall attempt to resolve day-to-day problems pertaining to the operation of the vending facility in an informal manner with the participation of the blind vendor and the on-site property management officials of the respective Treasury bureaus who are responsible for the Treasury-controlled property.

(b) Unresolved disagreements concerning the terms of the permit, the Act, or the regulations in this part and any other unresolved matters shall be reported in writing to the State licensing agency supervisory personnel by the bureau on-site supervisory property management official in an attempt to resolve the issue.

§ 11.8 Reports.

This section establishes a Department of the Treasury reporting requirement to comply with 34 CFR 395.38. At the end of each fiscal year, each property managing bureau shall submit a report to the Director, Office of Management Support Systems, De-

§ 13.3 Eligibility to receive protection or reimbursement.

(a) Protection, as determined by the Assistant Secretary, will be provided by the United States Secret Service Uniformed Division, pursuant to section 202 of Title 3, U.S. Code, as amended by Pub. According to present State Department figures, the following metropolitan areas have 20 or more such foreign diplomatic missions: Chicago, Houston, Los Angeles, Miami, New York City, New Orleans and San Francisco. (d) Where an extraordinary protective need exists, protection (or reimbursement) may be extended to missions as described in §§ 13.3(b)(3) (i) and (ii) whether or not associated with a visit by a foreign dignitary.

[45 FR 30621, May 9, 1980]

§ 13.4 Requests for protection and advance notices of reimbursement requests.

(a) In cases where they believe that an extraordinary protective need exists, the State or local governments may request that protection be provided by the United States Secret Service Uniformed Division; or they may give advance notice of their intention to provide, on a reimbursable basis, all or part of the protection themselves.

(1) Requests for protection or advance notices of reimbursement requests shall be made to: Assistant Secretary (Enforcement and Operations), Department of the Treasury, Washington, DC 20220. Each government requesting the protection authorized pursuant to section 202 of Title 3, U.S. Code, as amended by Pub. L. 94-196, or which intends to seek reimbursement pursuant to section 208(a) of Title 3, U.S. Code and §§ 13.6 and 13.7 of this part, shall submit an application describing the extraordinary protective need. Applications made pursuant to this section shall be submitted to the Assistant Secretary 14 days before the extraordinary protective need arises. In association with a visit, the application shall include the name and title of the visiting foreign official or dignitary, the country he represents, and the name and location of the international organization or mission he will be visiting. The application shall also include, if available, the temporary domicile of the visiting official

or dignitary and his schedule, including dates and times of arrival and departure from the United States. If the extraordinary protective need occurs at a permanent mission to an international organization of which the United States is a member or an observer mission invited to participate in the work of such organization, or if another foreign diplomatic mission of the country qualifies under §13.3 (b) or (d), the application shall include the name and location of the mission.

(b) State and local governments shall also indicate on the application whether they are requesting the use of the United States Secret Service Uniformed Division or whether they are giving advance notice of their intention to provide, on a reimbursable basis, all or part of the protection themselves. In order to assist the Assistant Secretary in determining whether to utilize the United States Secret Service Uniformed Division to meet all or part of the extraordinary protective need, or to utilize, with their consent, the services, personnel, equipment, and facilities of the State or local government, or both, the application must include an estimate of the approximate number of personnel by grade and rank, the services, equipment, and facilities required, along with an estimate of the cost of such personnel, services, equipment and facilities. This application must be submitted in a format consistent with that illustrated in Appendix I of this part.

(1) Upon receipt of a request for protection pursuant to paragraph (a)(1) of this section and for the purposes of reimbursement pursuant to §§13.6 and 13.7, the Assistant Secretary will determine whether an extraordinary protective need exists and whether the United States Secret Service Uniformed Division will be used for all, part or none of the protection. In making determinations, the Assistant Secretary may consult with appropriate Federal, State and local government agencies.

[45 FR 30621, May 9, 1980]

§ 13.5 Utilization of the services, personnel, equipment, and facilities of State and local governments.

The Assistant Secretary may decide to utilize, on a reimbursable basis, the services, personnel, equipment, and facilities of State and local governments of the affected metropolitan area desiring to provide protection, or he may utilize the United States Secret Service Uniformed Division, or both. If the United States Secret Service Uniformed Division is utilized to meet all the extraordinary protective need, the governments of the affected metropolitan area will not be reimbursed. If the United States Secret Service Uniformed Division is utilized to meet part of the extraordinary protective needs, the governments of the affected metropolitan area will be reimbursed for that qualifying portion of the protection which is provided by State and local police authorities. If the Assistant Secretary decides to utilize, with their consent, the services, personnel, equipment, and facilities of such State and local governments to meet the extraordinary protective need, he will so notify the government as soon as possible after receipt of a request for protection or an advance notice of a reimbursement request made pursuant to §13.4.

[45 FR 30622, May 9, 1980]

§ 13.6 Reimbursement of State and local governments.

(a) State and local governments providing services, personnel, equipment, or facilities to the affected metropolitan area pursuant to §13.5 may forward to the Assistant Secretary a bill for reimbursement for the personnel, equipment, facilities, and services utilized in meeting the extraordinary protective need. The bill shall be in accordance with the format in Appendix II of this part. The Assistant Secretary will reimburse only those costs directly related to the extraordinary protective need including personnel and equipment costs resulting from assignments made to assist in providing security at an otherwise qualified location in connection with the arrival, departure, or during the visit of a foreign dignitary. Reimbursable costs will also include the costs for establishing both fixed

§ 13.7

posts at a qualified location and protective perimeters outside of a qualified location when it is clearly established to the satisfaction of the Assistant Secretary that such assignments were necessary to assure the safety of the qualified location. Overhead and administrative costs associated with an extraordinary protective need are reimbursable as either a flat 18 percent of the total extraordinary protective need costs, or, if such costs can be clearly segregated from routine police costs, on a dollar-for-dollar basis. The jurisdiction seeking such reimbursement may select either method but may not use both. For the purposes of reimbursement the Assistant Secretary will, in all cases, determine when the extraordinary protective need began and terminated.

[45 FR 30622, May 9, 1980]

§ 13.7 Reimbursement when the Assistant Secretary makes no determination to utilize State and local government services, personnel, equipment and facilities.

(a) Where events require the State or local governments of the affected metropolitan area to provide protection to meet an extraordinary protective need otherwise qualifying for reimbursement, such reimbursement may be made even if the provisions of §§ 13.4 and 13.5 have not been complied with fully. In such circumstances the provisions of § 13.6 shall apply.

(b) In cases where State or local governments, or both, utilized their own services, personnel, equipment, and facilities to provide protection for an extraordinary protective need, and no request for protective assistance pursuant to § 13.4 was made because the extraordinary protective need occurred prior to the promulgation of this part but after July 1, 1974, an application by such government to the Assistant Secretary for reimbursement otherwise conforming to the requirements of this part will be considered.

31 CFR Subtitle A (7-1-10 Edition)

§ 13.8 Protection for motorcades and other places associated with a visit qualifying under section 202(7) of Title 3, U.S. Code.

(a) State and local governments furnishing services, personnel, equipment, and facilities to provide protection for motorcades and at other places associated with a visit qualifying under section 202(7) of Title 3, U.S. Code may forward to the Assistant Secretary a bill for reimbursement for the personnel, equipment, facilities, and services utilized in providing such protection.

(b) Requests for payments under this section shall conform to the procedures established elsewhere in this part governing reimbursements arising out of an extraordinary protective need.

§ 15.737-11 Institution of proceeding.

(a) Whenever the Director has reason to believe that any former officer or employee of the Department has violated 18 U.S.C. 207 (a), (b) or (c), he/she may reprimand such person or institute an administrative disciplinary proceeding for that person's suspension from practice before the Department or a separate statutory agency thereof. The proceeding shall be instituted by a complaint which names the respondent and is signed by the Director and filed in his/her office. Except in cases of willfulness, or where time, the nature of the proceeding, or the public interest does not permit, a proceeding will not be instituted under this section until facts or conduct which may warrant such action have been called to the attention of the proposed respondent in writing and he/she has been accorded the opportunity to provide his/her position on the matter.

(b) The Director shall coordinate proceedings under this part with the Department of Justice in cases where it initiates criminal prosecution.

§ 15.737-12 Contents of complaint.

(a) *Charges.* A complaint shall give a plain and concise description of the allegations which constitute the basis for the proceeding. A complaint shall be deemed sufficient if it fairly informs the respondent of the charges against him/her so that the respondent is able to prepare a defense.

(b) *Demand for answer.* In the complaint, or in a separate paper attached to the complaint, notification shall be given of the place and time within which the respondent shall file his/her answer, which time shall not be less than 15 days from the date of service of the complaint, and notice shall be given that a decision by default may be rendered against the respondent in the event he/she fails to file an answer as required.

§ 15.737-13 Service of complaint and other papers.

(a) *Complaint.* The complaint or a copy thereof may be served upon the respondent by certified mail, or first-class mail as hereinafter provided; by delivering it to the respondent or his/her attorney or agent of record either

in person or by leaving it at the office or place of business of the respondent, attorney or agent; or in any other manner which has been agreed to by the respondent. Where the service is by certified mail, the return post office receipt duly signed by or on behalf of the respondent shall be proof of service. If the certified mail is not claimed or accepted by the respondent and is returned undelivered, complete service may be made upon the respondent by mailing the complaint to him/her by first-class mail, addressed to him/her at the last address known to the Director. If service is made upon the respondent or his/her attorney or agent of record in person or by leaving the complaint at the office or place of business of the respondent, attorney or agent, the verified return by the person making service, setting forth the manner of service, shall be proof of such service.

(b) *Service of papers other than complaint.* Any paper other than the complaint may be served upon a respondent as provided in paragraph (a) of this section or by mailing the paper by first-class mail to the respondent at the last address known to the Director, or by mailing the paper by first-class mail to the respondent's attorney or agent of record. Such mailing shall constitute complete service. Notices may be served upon the respondent or his/her attorney or agent of record by telegraph.

(c) *Filing of papers.* Whenever the filing of a paper is required or permitted in connection with a proceeding, and the place of filing is not specified by this subpart or by rule or order of the Administrative Law Judge, the paper shall be filed with the Director of Practice, Department of the Treasury, Washington, DC 20220. All papers shall be filed in duplicate.

§ 15.737-14 Answer.

(a) *Filing.* The respondent's answer shall be filed in writing within the time specified in the complaint, unless on application the time is extended by the Director or the Administrative Law Judge. The answer shall be filed in duplicate with the Director.

§ 15.737-15

(b) *Contents.* The answer shall contain a statement of facts which constitute the grounds of defense, and it shall specifically admit or deny each allegation set forth in the complaint, except that the respondent shall not deny a material allegation in the complaint which he/she knows to be true, or state that he/she is without sufficient information to form a belief when in fact he/she possesses such information. The respondent may also state affirmatively special matters of defense.

(c) *Failure to deny or answer allegations in the complaint.* Every allegation in the complaint which is not denied in the answer shall be deemed to be admitted and may be considered as proved, and no further evidence in respect of such allegation need be adduced at a hearing. Failure to file an answer within the time prescribed in the notice to the respondent, except as the time for answer is extended by the Director or the Administrative Law Judge, shall constitute an admission of the allegations of the complaint and a waiver of hearing, and the Administrative Law Judge may make his/her decision by default without a hearing or further procedure.

§ 15.737-15 Reply to answer.

No reply to the respondent's answer shall be required, and new matter in the answer shall be deemed to be denied, but the Director may file a reply in his/her discretion or at the request of the Administrative Law Judge.

§ 15.737-16 Proof; variance; amendment of pleadings.

In the case of a variance between the allegations in a pleading and the evidence adduced in support of the pleading, the Administrative Law Judge may order or authorize amendment of the pleading to conform to the evidence: *Provided,* That the party who would otherwise be prejudiced by the amendment is given reasonable opportunity to meet the allegations of the pleading as amended; and the Administrative Law Judge shall make findings on any issue presented by the pleadings as so amended.

31 CFR Subtitle A (7-1-10 Edition)

§ 15.737-17 Motions and requests.

Motions and requests may be filed with the Director or with the Administrative Law Judge.

§ 15.737-18 Representation.

A respondent or proposed respondent may appear in person or he/she may be represented by counsel or other representative. The Director may be represented by an attorney or other employee of the Department.

§ 15.737-19 Administrative Law Judge.

(a) *Appointment.* An Administrative Law Judge appointed as provided by 5 U.S.C. 3105 (1966), shall conduct proceedings upon complaints for the administrative disciplinary proceedings under this part.

(b) *Power of Administrative Law Judge.* Among other powers, the Administrative Law Judge shall have authority, in connection with any proceeding assigned or referred to him/her, to do the following:

(1) Administer oaths and affirmations;

(2) Make rulings upon motions and requests, which rulings may not be appealed from prior to the close of a hearing except, at the discretion of the Administrative Law Judge, in extraordinary circumstances;

(3) Determine the time and place of hearing and regulate its course and conduct;

(4) Adopt rules of procedure and modify the same from time to time as occasion requires for the orderly disposition of proceedings;

(5) Rule upon offers of proof, receive relevant evidence, and examine witnesses;

(6) Take or authorize the taking of depositions;

(7) Receive and consider oral or written argument on facts or law;

(8) Hold or provide for the holding of conferences for the settlement or simplification of the issues by consent of the parties;

(9) Assess the responsible party extraordinary costs attributable to the location of a hearing;

(10) Perform such acts and take such measures as are necessary or appropriate to the efficient conduct of any proceeding; and

(11) Make initial decisions.

§ 15.737-20 Hearings.

(a) *In general.* The Administrative Law Judge shall preside at the hearing on a complaint for the suspension of a former officer or employee from practice before the Department. Hearings shall be stenographically recorded and transcribed and the testimony of witnesses shall be taken under oath or affirmation. Hearings will be conducted pursuant to 5 U.S.C. 556.

(b) *Public access to hearings.* Hearings will be closed unless an open hearing is requested by the respondent, except that if classified information or protected information of third parties (such as tax information) is likely to be adduced at the hearing, it will remain closed. A request for an open hearing must be included in the answer to be considered.

(c) *Failure to appear.* If either party to the proceeding fails to appear at the hearing, after due notice thereof has been sent to him/her, he/she shall be deemed to have waived the right to a hearing and the Administrative Law Judge may make a decision against the absent party by default.

§ 15.737-21 Evidence.

(a) *In general.* The rules of evidence prevailing in courts of law and equity are not controlling in hearings on complaints for the suspension of a former officer or employee from practice before the Department. However, the Administrative Law Judge shall exclude evidence which is irrelevant, immaterial, or unduly repetitious.

(b) *Depositions.* The deposition of any witness taken pursuant to § 15.737-22 of this part may be admitted.

(c) *Proof of documents.* Official documents, records and papers of the Department shall be admissible in evidence without the production of an officer or employee to authenticate them. Any such documents, records, and papers may be evidenced by a copy attested or identified by an officer or employee of the Department.

(d) *Exhibits.* If any document, record, or other paper is introduced in evidence as an exhibit, the Administrative Law Judge may authorize the with-

drawal of the exhibit subject to any conditions which he/she deems proper.

(e) *Objections.* Objections to evidence shall be in short form, stating the grounds of objection relied upon, and the record shall not include argument thereon, except as ordered by the Administrative Law Judge. Rulings on such objections shall be a part of the record. No exception to the ruling is necessary to preserve the rights of the parties.

§ 15.737-22 Depositions.

Depositions for use at a hearing may, with the consent of the parties in writing or the written approval of the Administrative Law Judge, be taken by either the Director or the respondent or their duly authorized representatives. Depositions may be taken upon oral or written interrogatories, upon not less than 10 days' written notice to the other party before any officer duly authorized to administer an oath for general purposes or before an officer or employee of the Department who is authorized to administer an oath. Such notice shall state the names of the witnesses and the time and place where the depositions are to be taken. The requirement of 10 days' notice may be waived by the parties in writing, and depositions may then be taken from the persons and at the times and places mutually agreed to by the parties. When a deposition is taken upon written interrogatories, any cross-examination shall be upon written interrogatories. Copies of such written interrogatories shall be served upon the other party with the notice, and copies of any written cross-interrogation shall be mailed or delivered to the opposing party at least 5 days before the date of taking the depositions, unless the parties mutually agree otherwise. A party upon whose behalf a deposition is taken must file it with the Administrative Law Judge and serve one copy upon the opposing party. Expenses in the reporting of depositions shall be borne by the party at whose instance the deposition is taken.

§ 15.737-23 Transcript.

In cases where the hearing is stenographically reported by a Government

§ 15.737-24

contract reporter, copies of the transcript may be obtained from the reporter at rates not to exceed the maximum rates fixed by contract between the Government and the reporter or from the Department at actual cost of duplication. Where the hearing is stenographically reported by a regular employee of the Department, a copy thereof will be supplied to the respondent either without charge or upon payment of a reasonable fee. Copies of exhibits introduced at the hearing or at the taking of depositions will be supplied to the parties upon the payment of a reasonable fee (Sec. 501, Pub. L. 82-137, 65 Stat. 290 (31 U.S.C. 483a)).

§ 15.737-24 Proposed findings and conclusions.

Except in cases where the respondent has failed to answer the complaint or where a party has failed to appear at the hearing, the Administrative Law Judge prior to making his/her decision, shall afford the parties a reasonable opportunity to submit proposed findings and conclusions and supporting reasons therefor.

§ 15.737-25 Decision of the Administrative Law Judge.

As soon as practicable after the conclusion of a hearing and the receipt of any proposed findings and conclusions timely submitted by the parties, the Administrative Law Judge shall make the initial decision in the case. The decision shall include (a) a statement of findings and conclusions, as well as the reasons or basis therefor, upon all the material issues of fact, law, or discretion presented on the record, and (b) an order of suspension from practice before the Department or separate statutory agency thereof or other appropriate disciplinary action, or an order of dismissal of the complaint. The Administrative Law Judge shall file the decision with the Director and shall transmit a copy thereof to the respondent or his/her attorney of record. In the absence of an appeal to the General Counsel or review of the decision upon motion of the General Counsel, the decision of the Administrative Law Judge shall without further proceedings become the decision of the General Coun-

sel 30 days from the date of the Administrative Law Judge's decision.

§ 15.737-26 Appeal to the General Counsel.

Within 30 days from the date of the Administrative Law Judge's decision, either party may appeal to the General Counsel. The appeal shall be filed with the Director in duplicate and shall include exceptions to the decision of the Administrative Law Judge and supporting reasons for such exceptions. If an appeal is filed by the Director, he/she shall transmit a copy thereof to the respondent. Within 30 days after receipt of an appeal or copy thereof, the other party may file a reply brief in duplicate with the Director. If the reply brief is filed by the Director, he/she shall transmit a copy of it to the respondent. Upon the filing of an appeal and a reply brief, if any, the Director shall transmit the entire record to the General Counsel.

§ 15.737-27 Decision of the General Counsel.

On appeal from or review of the initial decision of the Administrative Law Judge, the General Counsel will make the agency decision. In making his/her decision, the General Counsel will review the record or such portions thereof as may be cited by the parties to permit limiting of the issues. A copy of the General Counsel's decision shall be transmitted to the respondent by the Director.

§ 15.737-28 Notice of disciplinary action.

(a) Upon the issuance of a final order suspending a former officer or employee from practice before the Department or a separate statutory agency thereof, the Director shall give notice thereof to appropriate officers and employees of the Department. Officers and employees of the Department shall refuse to participate in any appearance by such former officer or employee or to accept any communication which constitutes the prohibited practice before the Department or separate statutory agency thereof during the period of suspension.

Office of the Secretary of the Treasury

§ 16.2

(b) The Director shall take other appropriate disciplinary action as may be required by the final order.

(b) For the purposes of this section, a related group of claims submitted at the same time shall include only those claims arising from the same transaction (e.g., grant, loan, application, or contract) that are submitted simultaneously as part of a single request, demand, or submission.

(c) Nothing in this section shall be construed to limit the reviewing official's authority to join in a single complaint against a person, claims that are unrelated or were not submitted simultaneously, regardless of the amount of money or the value of property or services demanded or requested, as long as the total amount for each claim does not exceed \$150,000.

§ 16.7 Complaint.

(a) On or after the date the Attorney General or his designee approves the issuance of a complaint in accordance with 31 U.S.C. 3803(b)(1), the reviewing official may serve a complaint on the defendant, as provided in § 16.8.

(b) The complaint shall state—

(1) The allegations of liability against the defendant, including the statutory basis for liability, an identification of the claims or statements that are the basis for the alleged liability, and the reasons why liability allegedly arises from such claims or statements;

(2) The maximum amount of penalties and assessments for which the defendant may be held liable;

§ 16.8

(3) Instructions for filing an answer to request a hearing, including a specific statement of the defendant's right to request a hearing by filing an answer and to be represented by an attorney;

(4) That the defendant has a right to review and obtain certain information pursuant to Section 16.20 herein; and

(5) That failure to file an answer within 30 days of service of the complaint will result in the imposition of the maximum amount of penalties and assessments without right to appeal.

(c) At the same time the reviewing official serves the complaint on the defendant(s), he or she shall serve the defendant with a copy of these regulations.

§ 16.8 Service of complaint.

(a) Service of a complaint must be made by a certified or registered mail or by delivery in any manner authorized by Rule 4(d) of the Federal Rules of Civil Procedure.

(b) Proof of service, stating the name and address of the person on whom the complaint was served, and the manner and date of service, may be made by—

(1) Affidavit of the individual making service;

(2) An acknowledged United States Postal Service return receipt card; or

(3) Written acknowledgement of the defendant or his representative.

§ 16.9 Answer.

(a) The defendant may request a hearing by filing an answer with the reviewing official within 30 days of service of the complaint. An answer shall be deemed to be a request for hearing.

(b) In the answer, the defendant—

(1) Shall admit or deny each of the allegations of liability made in the complaint;

(2) Shall state any defense on which the defendant intends to rely;

(3) May state any reasons why the defendant contends that the penalties and assessments should be less than the statutory maximum; and

(4) Shall state whether the defendant has authorized an attorney to act as defendant's representative, and shall state the name, address, and telephone number of the representative.

31 CFR Subtitle A (7-1-10 Edition)

§ 16.10 Default upon failure to file an answer.

(a) If the defendant does not file an answer within the time prescribed in § 16.9(a), the reviewing official may refer the complaint to the ALJ for initial decision.

(b) Upon the referral of the complaint, the ALJ shall promptly serve on defendant in the manner prescribed in § 16.8, a notice that an initial decision will be issued under this section.

(c) If the defendant fails to file a timely answer, the ALJ shall assume the facts alleged in the complaint to be true and, if such facts establish liability under § 16.3, the ALJ shall issue an initial decision imposing the maximum amount of penalties and assessments allowed under the statute.

(d) Except as otherwise provided in this section, by failing to file a timely answer, the defendant waives any right to further review of the penalties and assessments imposed under paragraph (c) of this section, and the initial decision shall become final and binding upon the parties 30 days after it is issued.

(e) If, before such an initial decision becomes final, the defendant files a motion with the ALJ, and serves a copy on the agency, seeking to reopen on the grounds that extraordinary circumstances prevented the defendant from filing a timely answer, the initial decision shall be stayed pending the ALJ's decision on the motion. The ALJ shall permit the agency a reasonable amount of time, not less than 15 calendar days, to respond to the defendant's motion.

(f) If, on such motion, the defendant can demonstrate extraordinary circumstances excusing the failure to file a timely answer, the ALJ shall withdraw the initial decision, if such a decision has been issued pursuant to paragraph (c) of this section, and shall grant the defendant an opportunity to answer the complaint.

(g) A decision of the ALJ denying a defendant's motion under paragraph (e) of this section is not subject to reconsideration under § 16.38.

(h) The defendant may appeal to the authority head the decision denying a motion to reopen by filing a notice of appeal with the authority head within

Office of the Secretary of the Treasury

§ 16.15

15 days after the ALJ denies the motion. The timely filing of a notice of appeal shall stay the initial decision until the authority head decides the issue.

(i) If the defendant files a timely notice of appeal with the authority head, the ALJ shall forward the record of the proceeding to the authority head.

(j) The authority head shall decide expeditiously, and based solely on the record before the ALJ, whether extraordinary circumstances excuse the defendant's failure to file a timely answer.

(k) If the authority head decides that extraordinary circumstances excuse the defendant's failure to file a timely answer, the authority head shall remand the case to the ALJ with instructions to grant the defendant an opportunity to file an answer.

(l) If the authority head decides that the defendant's failure to file a timely answer is not excused, the authority head shall reinstate the initial decision of the ALJ, which shall become final and binding upon the parties 30 days after the authority head issues such decision.

§ 16.11 Referral of complaint and answer to the ALJ.

Upon receipt of an answer, the reviewing official shall file the complaint and answer with the ALJ.

§ 16.12 Notice of hearing.

(a) When the ALJ receives the complaint and answer, the ALJ shall promptly serve a notice of hearing upon the defendant and the agency representative in the manner prescribed by § 16.8.

(b) Such notice shall include—

(1) The tentative time and place, and the nature of the hearing;

(2) The legal authority and jurisdiction under which the hearing is to be held;

(3) The matters of fact and law to be asserted;

(2) Participate or advise in the initial decision or the review of the initial decision by the authority head, except as a witness or a representative in public proceedings; or

(3) Make the collection of penalties and assessments under 31 U.S.C. 3806.

(b) The ALJ shall not be responsible to, or subject to the supervision or direction of the investigating official or the reviewing official.

(c) Except as provided in paragraph (a) of this section, the representative for the Government may be an attorney employed anywhere in the Legal Division of the Department, or an attorney employed in the offices of either the investigating official or the reviewing official; however the representative of the Government may not participate or advise in the review of the initial decision by the authority head.

§ 16.15 Ex parte contacts.

No party or person (except employees of the ALJ's office) shall communicate in any way with the ALJ on any matter at issue in a case, unless on notice and opportunity for all parties to participate. This provision does not prohibit a person or party from inquiring about the status of a case or asking routine questions concerning administrative functions or procedures.

§ 16.16

§ 16.16 Disqualification of reviewing official or ALJ.

(a) A reviewing official or ALJ in a particular case may disqualify himself or herself at any time.

(b) A party may file with the ALJ a motion for disqualification of a reviewing official or an ALJ. Such motion shall be accompanied by an affidavit alleging personal bias or other reason for disqualification.

(c) Such motion and affidavit shall be filed promptly upon the party's discovery of reasons requiring disqualification, or such objections shall be deemed waived.

(d) Such affidavit shall state specific facts that support the party's assertion that personal bias or other reason for disqualification exists and the time and circumstances of the party's discovery of such facts. It shall be accompanied by a certificate of the representative of record that it is made in good faith.

(e) Upon the filing of such a motion and affidavit, the ALJ shall proceed no further in the case until he or she resolves the matter of disqualification in accordance with paragraph (f) of this section.

(f)(1) If the ALJ determines that a reviewing official is disqualified, the ALJ shall dismiss the complaint without prejudice.

(2) If the ALJ disqualifies himself or herself, the agency shall seek to have the case promptly reassigned to another ALJ.

(3) If the ALJ denies a motion to disqualify, the authority head may determine the matter only as part of his or her review of the initial decision upon appeal, if any.

§ 16.17 Rights of parties.

Except as otherwise limited by this part, all parties may—

(c) The ALJ does not have the authority to make any determinations regarding the validity of Federal statutes or regulations, or Departmental orders, Directives, or other published rules.

§ 16.19 Prehearing conferences.

(a) The ALJ may schedule prehearing conferences as appropriate.

(b) Upon the motion of any party, the ALJ shall schedule at least one prehearing conference at a reasonable time in advance of the hearing.

§ 16.20 Disclosure of documents.

(a) Upon written request to the reviewing official, the defendant may review any relevant and material documents, transcripts, records, and other material that relate to the allegations set out in the complaint and upon which the findings and conclusions of the investigating official under § 16.4(b) are based unless such documents are subject to a privilege under Federal law. The Department shall schedule such review at a time and place convenient to it. Upon payment of fees for duplication, the defendant may obtain copies of such documents.

(b) Upon written request to the reviewing official, the defendant also

may obtain a copy of all exculpatory information in the possession of the reviewing official or investigating official relating to the allegations in the complaint, even if it is contained in a document that would otherwise be privileged. If the document would otherwise be privileged, only that portion containing exculpatory information must be disclosed.

(c) The notice sent to the Attorney General from the reviewing official as described in § 16.5 is not discoverable under any circumstances.

(d) The defendant may file a motion to compel disclosure of the documents subject to the provisions of this section. Such a motion may only be filed with the ALJ following the filing of an answer pursuant to § 16.9.

§ 16.21 Discovery.

(a) The following types of discovery are authorized:

- (1) Requests for production of documents for inspection and copying;
- (2) Requests for admissions of the authenticity of any relevant document or of the truth of any relevant fact;
- (3) Written interrogatories; and
- (4) Depositions.

(b) For the purposes of this section and §§ 16.22 and 16.23, the term “documents” includes information, documents, reports, answers, records, accounts, papers, and other data, either paper or electronic, and other documentary evidence. Nothing contained herein shall be interpreted to require the creation of a document.

(c) Unless mutually agreed to by the parties, discovery is available only as ordered by the ALJ. The ALJ shall regulate the timing of discovery.

(d) *Motions for discovery.* (1) A party seeking discovery may file a motion with the ALJ if it is not made available by another party on an informal basis. Such a motion shall be accompanied by a copy of the requested discovery, or in the case of depositions, a summary of the scope of the proposed deposition, and a description of the efforts which have been made by the party to obtain discovery.

(2) Within ten days of service, a party may file an opposition to the motion and/or a motion for protective order as provided in § 16.24.

§ 16.22

(3) The ALJ may grant a motion for discovery only if he or she finds that the discovery sought—

(i) Is necessary for the expeditious, fair, and reasonable consideration of the issues;

(ii) Is not unduly costly or burdensome;

(iii) Will not unduly delay the proceeding; and

(iv) Does not seek privileged information.

(4) The burden of showing that discovery should be allowed is on the party seeking discovery.

(5) The ALJ may grant discovery subject to a protective order under §16.24.

(e) *Depositions.* (1) If a motion for deposition is granted, the ALJ shall issue a subpoena for the deponent, which may require the deponent to produce documents. The subpoena shall specify the time and place at which the deposition will be held.

(2) The party seeking to depose shall serve the subpoena in the manner prescribed in §16.8.

(3) The deponent may file with the ALJ a motion to quash the subpoena or a motion for a protective order within ten days of service.

(f) Each party shall bear its own costs of discovery.

§ 16.22 Exchange of witness lists, statements, and exhibits.

(a) At least 15 days before the hearing or at such other time as may be ordered by the ALJ, the parties shall exchange witness lists, copies of prior statements of proposed witnesses, and copies of proposed hearing exhibits, including copies of any written statements that the party intends to offer in lieu of live testimony in accordance with §16.33(b). At the time the above documents are exchanged, any party that intends to rely on the transcript of deposition testimony in lieu of live testimony at the hearing, if permitted by the ALJ, shall provide each party with a copy of the specific pages of the transcript it intends to introduce into evidence.

31 CFR Subtitle A (7-1-10 Edition)

(b) If a party objects, the ALJ shall not admit into evidence the testimony of any witness whose name does not appear on the witness list or any exhibit not provided to the opposing party as provided above unless the ALJ finds good cause and that there is no prejudice to the objecting party.

(c) Unless another party objects within the time set by the ALJ, documents exchanged in accordance with paragraph (a) of this section, shall be deemed to be authentic for the purpose of admissibility at the hearing.

§ 16.23 Subpoenas for attendance at hearing.

(a) A party wishing to procure the appearance and testimony of any individual at the hearing may request that the ALJ issue a subpoena.

(b) A subpoena requiring the attendance and testimony of an individual may also require the individual to produce documents at the hearing.

(c) A party seeking a subpoena shall file a written request therefor not less than 15 days before the date fixed for the hearing unless otherwise allowed by the ALJ for good cause shown. Such request shall specify any documents to be produced and shall designate the witnesses and describe the address and location thereof with sufficient particularity to permit such witnesses to be found.

(d) The subpoena shall specify the time and place at which the witness is to appear and any documents the witness is to bring with him or her.

(e) The party seeking the subpoena shall serve it in the manner prescribed in §16.8. A subpoena on a party or upon an individual under the control of a party may be served by first class mail.

(f) A party or the individual to whom the subpoena is directed may file with the ALJ a motion to quash the subpoena within ten days after service or on or before the time specified in the subpoena for compliance if it is less than ten days after service.

§ 16.24 Protective order.

(a) A party or a prospective witness or deponent may file a motion for a protective order with respect to discovery sought by an opposing party or with respect to the hearing, seeking to

limit the availability or disclosure of evidence.

(b) In issuing a protective order, the ALJ may make any order which justice requires to protect a party or person from annoyance, embarrassment, oppression, or undue burden or expense, including one or more of the following:

- (1) That the discovery not be had;
- (2) That the discovery may be had only on specified terms and conditions, including a designation of the time or place;
- (3) That the discovery may be had only through a method of discovery other than that requested;
- (4) That certain matters not be inquired into, or that the scope of discovery be limited to certain matters;
- (5) That discovery be conducted with no one present except persons designated by the ALJ;
- (6) That the contents of discovery or evidence be sealed;
- (7) That a deposition after being sealed be opened only by order of the ALJ;
- (8) That a trade secret or other confidential research, development, commercial information, or facts pertaining to any criminal investigation, proceeding, or other administrative investigation not be disclosed or be disclosed only in a designated way; or
- (9) That the parties simultaneously file specified documents or information enclosed in sealed envelopes to be opened as directed by the ALJ.

§ 16.25 Fees.

The party requesting a subpoena shall pay the cost of the fees and mileage of any witness subpoenaed in the amounts that would be payable to a witness in a proceeding in United States District Court. A check for witness fees and mileage shall accompany the subpoena when served, except that when a subpoena is issued on behalf of the authority, a check for witness fees and mileage need not accompany the subpoena.

§ 16.26 Form, filing and service of papers.

(a) *Form.* (1) Documents filed with the ALJ shall include an original and two copies.

(2) Every pleading and paper filed in the proceeding shall contain a caption setting forth the title of the action, the case number assigned by the ALJ, and a designation of the paper (*e.g.*, motion to quash subpoena).

(3) Every pleading and paper shall be signed by, and shall contain the address and telephone number of the party or the person on whose behalf the paper was filed, or his or her representative.

(4) Papers are considered filed when they are mailed. Date of mailing may be established by a certificate from the party or its representative or by proof that the document was sent by certified or registered mail.

(b) *Service.* A party filing a document with the ALJ shall, at the time of filing, serve a copy of such document on every other party. Service upon any party of any document other than the complaint or notice of hearing shall be made by delivering or mailing a copy to the party's last known address. When a party is represented by an attorney, service shall be made upon such representative in lieu of the actual party.

(c) *Proof of service.* A certificate of the individual serving the document by personal delivery or by mail, setting forth the manner of service, shall be proof of service.

§ 16.27 Computation of time.

(a) In computing any period of time under this part or in an order issued thereunder, the time begins with the day following the act, event, or default, and includes the last day of the period, unless it is a Saturday, Sunday, or legal holiday observed by the Federal Government, in which event it includes the next business day.

(b) When the period of time allowed is less than seven days, intermediate Saturdays, Sundays, and legal holidays observed by the Federal Government shall be excluded from the computation. When the period of time allowed is more than seven days, all intervening calendar days are included in the computation.

(c) Where a document has been served or issued by mail, an additional five days will be added to the time permitted for any response.

§ 16.28

§ 16.28 Motions.

(a) Any application to the ALJ for an order or ruling shall be by motion. Motions shall state the relief sought, the authority relied upon, and the facts alleged, and shall be filed with the ALJ and served on all other parties.

(b) Except for motions made during a prehearing conference or at the hearing, all motions shall be in writing. The ALJ may require that oral motions be reduced to writing.

(c) Within 15 days after a written motion is served, or such other time as may be fixed by the ALJ, any party may file a response to such motion.

(d) The ALJ may not grant a written motion before the time for filing responses thereto has expired, except upon consent of the parties or following a hearing on the motion, but may overrule or deny such motion without awaiting a response.

(e) The ALJ shall make a reasonable effort to dispose of all outstanding motions prior to the beginning of the hearing.

§ 16.29 Sanctions.

(a) The ALJ may sanction a person, including any party or representative for—

(1) Failing to comply with an order, rule, or procedure governing the proceeding;

(2) Failing to prosecute or defend an action; or

(3) Engaging in other misconduct that interferes with the speedy, orderly, or fair conduct of the hearing.

(b) Any such sanction, including but not limited to those listed in paragraphs (c), (d), and (e) of this section, shall reasonably relate to the nature of the failure or misconduct.

(c) When a party fails to comply with an order, including an order for taking a deposition, the production of evidence within the party's control, or a request for admission, the ALJ may—

(1) Draw an inference in favor of the requesting party with regard to the information sought;

(2) In the case of requests for admission, deem each matter of which an admission is requested to be admitted;

(3) Prohibit the party failing to comply with such order from introducing evidence concerning, or otherwise rely-

31 CFR Subtitle A (7-1-10 Edition)

ing upon testimony relating to the information sought; and

(4) Strike any part of the pleadings or other submissions of the party failing to comply with such request.

(d) If a party fails to prosecute or defend an action under this part commenced by service of a notice of hearing, the ALJ may dismiss the action or may issue an initial decision imposing penalties and assessments.

(e) The ALJ may refuse to consider any motion, request, response, brief or other document which is not filed in a timely fashion.

§ 16.30 The hearing and burden of proof.

(a) The ALJ shall conduct a hearing on the record in order to determine whether the defendant is liable for a civil penalty or assessment under § 16.3 and, if so, the appropriate amount of any such civil penalty or assessment considering any aggravating or mitigating factors.

(b) The authority shall have the burden of proving defendant's liability and any aggravating factors by a preponderance of the evidence.

(c) The defendant shall have the burden of proving any affirmative defenses and any mitigating factors by a preponderance of the evidence.

(d) The hearing shall be open to the public unless otherwise ordered by the ALJ for good cause shown.

§ 16.31 Determining the amount of penalties and assessments.

(a) In determining an appropriate amount of civil penalties and assessments, the ALJ and upon appeal, the authority head, should evaluate any circumstances that mitigate or aggravate the violation and should articulate in their opinions the reasons that support the penalties and assessments they impose. Because of the intangible costs of fraud, the expense of investigating such conduct, and the need to deter others who might be similarly tempted, double damages and a significant civil penalty ordinarily should be imposed.

(b) Although not exhaustive, the following factors are among those that may influence the ALJ and the authority head in determining the amount of

penalties and assessments to impose with respect to the misconduct (*i.e.*, the false, fictitious, or fraudulent claims or statements) charged in the complaint:

(1) The number of false, fictitious, or fraudulent claims or statements;

(2) The time period over which such claims or statements were made;

(3) The degree of the defendant's culpability with respect to the misconduct;

(4) The amount of money or the value of the property, services, or benefit falsely claimed;

(5) The value of the Government's actual loss as a result of the misconduct, including foreseeable consequential damages and the costs of investigation;

(6) The relationship of the amount imposed as civil penalties to the amount of the Government's loss;

(7) The potential or actual impact of the misconduct upon national defense, public health or safety, or public confidence in the management of Government programs and operations;

(8) Whether the defendant has engaged in a pattern of the same or similar misconduct;

(9) Whether the defendant attempted to conceal the misconduct;

(10) The degree to which the defendant has involved others in the misconduct or in concealing it;

(11) Where the misconduct of employees or agents is imputed to the defendant, the extent to which the defendant's practices fostered or attempted to preclude such misconduct;

(12) Whether the defendant cooperated in or obstructed an investigation of the misconduct;

(13) Whether the defendant assisted in identifying and prosecuting other wrongdoers;

(14) The complexity of the program or transaction, and the degree of the defendant's sophistication with respect to it, including the extent of the defendant's prior participation in the program or in similar transactions;

(15) Whether the defendant has been found, in any criminal, civil, or administrative proceeding to have engaged in similar misconduct or to have dealt dishonestly with the Government of the United States or of a State, directly or indirectly; and

(16) The need to deter the defendant and others from engaging in the same or similar misconduct.

(c) Nothing in this section shall be construed to limit the ALJ or the authority head from considering any other factors that in any given case may mitigate or aggravate the offense for which penalties and assessments are imposed.

§ 16.32 Location of hearing.

(a) The hearing may be held—

(1) In any judicial district of the United States in which the defendant resides or transacts business;

(2) In any judicial district of the United States in which the claim or statement in issue was made; or

(3) In such other place as may be agreed upon by the defendant and the ALJ.

(b) Each party shall have the opportunity to present argument with respect to the location of the hearing.

(c) The hearing shall be held at the place and at the time ordered by the ALJ.

§ 16.33 Witnesses.

(a) Except as provided in paragraph (b) of this section, testimony at the hearing shall be given orally by witnesses under oath or affirmation.

(b) At the discretion of the ALJ, testimony may be admitted in the form of a written statement or deposition. Any such written statement must be provided to all other parties along with the last known address of such witness, in a manner which allows sufficient time for other parties to subpoena such witness for cross-examination at the hearing. Prior written statements of witnesses proposed to testify at the hearing and deposition transcripts shall be exchanged as provided in §16.22(a).

(c) The ALJ shall exercise reasonable control over the mode and order of interrogating witnesses and presenting evidence so as to—

(1) Make the interrogation and presentation effective for the ascertainment of the truth,

(2) Avoid needless consumption of time, and

(3) Protect witnesses from harassment or undue embarrassment.

§ 16.34

(d) The ALJ shall permit the parties to conduct such cross examination as may be required for a full and true disclosure of the facts.

(e) At the discretion of the ALJ, a witness may be cross-examined on matters relevant to the proceeding without regard to the scope of his or her direct examination. To the extent permitted by the ALJ, cross-examination on matters outside the scope of direct examination shall be conducted in the manner of direct examination and may proceed by leading questions only if the witness is a hostile witness, an adverse party, or a witness identified with an adverse party.

(f) Upon motion of any party, the ALJ shall order witnesses excluded so that they cannot hear the testimony of other witnesses. This rule does not authorize exclusion of—

(1) A party who is an individual;

(2) In the case of a party that is not an individual, an officer or employee of the party designated by the party's representative; or

(3) An individual whose presence is shown by a party to be essential to the presentation of its case, including an individual employed by the Government engaged in assisting the representative for the Government.

§ 16.34 Evidence.

(a) The ALJ shall determine the admissibility of evidence.

(b) Except as provided herein, the ALJ shall not be bound by the Federal Rules of Evidence. However, the ALJ may apply the Federal Rules of Evidence where appropriate, *e.g.*, to exclude unreliable evidence.

(c) The ALJ shall exclude irrelevant, immaterial, or incompetent evidence.

(d) Although relevant, evidence may be excluded if its probative value is substantially outweighed by the danger of unfair prejudice, confusion of the issues, or by considerations of undue delay or needless presentation of cumulative evidence.

(e) Although relevant, evidence may be excluded if it is privileged under Federal law.

(f) Evidence concerning offers of compromise or settlement shall be inadmissible to the extent provided in Rule 408 of the Federal Rules of Evidence.

31 CFR Subtitle A (7-1-10 Edition)

(g) The ALJ shall permit the parties to introduce rebuttal witnesses and evidence.

(h) All documents and other evidence offered or taken for the record shall be open to examination by all parties, unless otherwise ordered by the ALJ pursuant to § 16.24.

§ 16.35 The record.

(a) The hearing will be recorded and transcribed. Transcripts may be obtained following the hearing from the ALJ at a cost not to exceed the actual cost of duplication.

(b) The transcript of testimony, exhibits and other evidence admitted at the hearing, and all papers and requests filed in the proceeding constitute the record for the decision by the ALJ and the authority head.

(c) The record may be inspected and copied (upon payment of a reasonable fee) by anyone, unless otherwise ordered by the ALJ pursuant to § 16.24.

§ 16.36 Post-hearing briefs.

The ALJ may require the parties to file post-hearing briefs. The ALJ shall fix the time for filing such briefs, not to exceed 60 days from the date the parties receive the transcript of the hearing or, if applicable, the stipulated record. Such briefs may be accompanied by proposed findings of fact and conclusions of law. The ALJ may permit the parties to file reply briefs.

§ 16.37 Initial decision.

(a) The ALJ shall issue an initial decision, based solely on the record, which shall contain findings of fact, conclusion of law, and the amount of any penalties and assessments imposed.

(b) The findings of fact shall include a finding on each of the following issues:

(1) Whether the claims or statements identified in the complaint, or any portions thereof, violate § 16.3;

(2) If the person is liable for penalties of assessments, the appropriate amount of any such penalties or assessments considering any mitigating or aggravating factors that he or she finds in the case, such as those described in § 16.31.

(c) The ALJ shall promptly serve the initial decision on all parties within 90 days after the time for submission of post-hearing briefs and reply briefs (if permitted) has expired. The ALJ shall at the same time serve all defendants with a statement describing the right of any defendant determined to be liable for a civil penalty or assessment to file a motion for reconsideration with the ALJ or a notice of appeal with the authority head. If the ALJ fails to meet the deadline contained in this paragraph, he or she shall notify the parties of the reason for the delay and shall set a new deadline.

(d) Unless the initial decision of the ALJ is timely appealed to the authority head, or a motion for reconsideration of the initial decision is timely filed, the initial decision shall constitute the final decision of the authority head and shall be final and binding on the parties 30 days after it is issued by the ALJ.

§ 16.38 Reconsideration of initial decision.

(a) Except as provided in paragraph (d) of this section, any party may file a motion for reconsideration of the initial decision within 20 days of receipt of the initial decision. If service was made by mail, receipt will be presumed to be five days from the date of mailing in the absence of contrary proof.

(b) Every such motion must set forth the matters claimed to have been erroneously decided and the nature of the alleged errors. Such motion shall be accompanied by a supporting brief.

(c) Responses to such motions shall be allowed only upon request of the ALJ.

(d) No party may file a motion for reconsideration of an initial decision that has been revised in response to a previous motion for reconsideration.

(e) The ALJ may dispose of a motion for reconsideration by denying it or by issuing a revised initial decision.

(f) When a motion for reconsideration is made, the time periods for appeal to the authority head contained in § 16.38, and for finality of the initial decision in § 16.36(d), shall begin on the date the ALJ issues the denial of the motion for reconsideration or a revised initial decision, as appropriate.

§ 16.39 Appeal to authority head.

(a) Any defendant who has filed a timely answer and who is determined in an initial decision to be liable for a civil penalty or assessment may appeal such decision to the authority head by filing a notice of appeal with the authority head in accordance with this section.

(b)(1) No notice of appeal may be filed until the time period for filing a motion for reconsideration under § 16.38 has expired.

(2) If a motion for reconsideration is timely filed, a notice of appeal must be filed within 30 days after the ALJ denies the motion or issues a revised initial decision, whichever applies.

(3) If no motion for reconsideration is timely filed, a notice of appeal must be filed within 30 days after the ALJ issues the initial decision.

(4) The authority head may extend the initial 30 days period for an additional 30 days if the defendant files with the authority head a request for extension within the initial 30 days period and shows good cause.

(c) If the defendant files a timely notice of appeal with the authority head, the ALJ shall forward the notice of appeal and record of the proceeding to the authority head.

(d) A notice of appeal shall be accompanied by a written brief specifying exceptions to the initial decision and reasons supporting the exceptions.

(e) The representative for the agency may file a brief in opposition to exceptions within 30 days of receiving the notice of appeal and accompanying brief.

(f) There is no right to appear personally before the authority head.

(g) There is right to appeal any interlocutory ruling by the ALJ.

(h) In reviewing the initial decision, the authority head shall not consider any objection that was not raised before the ALJ unless a demonstration is made of extraordinary circumstances causing the failure to raise the objection.

(i) If any party demonstrates to the satisfaction of the authority head, prior to the issuance of the authority head's decision that additional evidence not presented at such hearing is

§ 16.40

material and that there were reasonable grounds for the failure to present such evidence at the hearing, the authority head shall remand the matter to the ALJ for consideration of such additional evidence.

(j) The authority head may affirm, reduce, reverse, compromise, remand, or settle any penalty or assessment, determined by the ALJ in any initial decision.

(k) The authority head shall promptly serve each party to the appeal to the ALJ with a copy of the decision of the authority head. At the same time the authority head shall serve the defendant with a statement describing the defendant's right to seek judicial review.

(l) Unless a petition for judicial review is filed as provided in 31 U.S.C. 3805 after a defendant has exhausted all administrative remedies under this part and within 60 days after the date on which the authority head serves the defendant with a copy of the authority head's decision, a determination that a defendant is liable under §16.3 is final and is not subject to judicial review.

§ 16.40 Stays ordered by the Department of Justice.

If at any time the Attorney General or an Assistant Attorney General designated by the Attorney General transmits to the authority head a written finding that continuation of the administrative process described in this part with respect to a claim or statement may adversely affect any pending or potential criminal or civil action related to such claim or statement, the authority head shall stay the process immediately. In such a case, the authority head may order the process resumed only upon receipt of the written authorization of the Attorney General.

§ 16.41 Stay pending appeal.

(a) An initial decision is stayed automatically pending disposition of a motion for reconsideration or of an appeal to the authority head.

(b) No administrative stay is available following a final decision of the authority head.

§ 16.45 Deposit in Treasury of United States.

All amounts collected pursuant to this part shall be deposited as miscellaneous receipts in the Treasury of the United States, except as provided in 31 U.S.C. 3806(g).

(a) Parties may make offers of compromise or settlement at any time.

(b) The reviewing official has the exclusive authority to compromise or settle a case under this part at any time after the date on which the reviewing official is permitted to issue a complaint and before the date on which the ALJ issues an initial decision.

(c) The authority head has exclusive authority to compromise or settle a case under this part at any time after the date on which the ALJ issues an initial decision, except during the pendency of any review under §16.42 or during the pendency of any action to collect penalties and assessments under §16.43.

(d) The Attorney General has exclusive authority to compromise or settle

a case under this part during the pendency of any review under § 16.42 or of any action to recover penalties and assessments under 31 U.S.C. 3806.

(b) If the defendant fails to file a timely answer, service of a notice under § 16.10(b) shall be deemed a notice of hearing for purposes of this section.

(c) The time limits of this statute of limitations may be extended by agreement of the parties.

§§ 17.112–17.129 [Reserved]

§ 17.130 General prohibitions against discrimination.

(a) No qualified individual with handicaps in the United States, shall, by reason of his or her handicap, be excluded from the participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

(b)(1) The agency, in providing any aid, benefit, or service, may not directly or through contractual, licensing, or other arrangements, on the basis of handicap—

(i) Deny a qualified individual with handicaps the opportunity to participate in or benefit from the aid, benefit, or service;

(ii) Afford a qualified individual with handicaps an opportunity to participate in or benefit from the aid, benefit, or service that is not equal to that afforded others;

(iii) Provide a qualified individual with handicaps with an aid, benefit, or service that is not as effective in affording equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as that provided to others;

(iv) Provide different or separate aid, benefits or services to individuals with

handicaps or to any class of individuals with handicaps than is provided to others unless such action is necessary to provide qualified individuals with handicaps with aid, benefits or services that are as effective as those provided to others;

(v) Deny a qualified individual with handicaps the opportunity to participate as a member of planning or advisory boards; or

(vi) Otherwise limit a qualified individual with handicaps in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving the aid, benefit, or service.

(2) For purposes of this part, aids, benefits, and services, to be equally effective, are not required to produce the identical result or level of achievement for individuals with handicaps and for nonhandicapped persons, but must afford individuals with handicaps equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement in the most integrated setting appropriate to the individual's needs.

(3) Even if the agency is permitted, under paragraph (b)(1)(iv) of this section, to operate a separate or different program for individuals with handicaps or for any class of individuals with handicaps, the agency must permit any qualified individual with handicaps who wishes to participate in the program that is not separate or different to do so.

(4) The agency may not, directly or through contractual or other arrangements, utilize criteria or methods of administration the purpose or effect of which would—

(i) Subject qualified individuals with handicaps to discrimination on the basis of handicap; or

(ii) Defeat or substantially impair accomplishment of the objectives of a program or activity with respect to individuals with handicaps.

(5) The agency may not, in determining the site or location of a facility, make selections the purpose or effect of which would—

(i) Exclude individuals with handicaps from, deny them the benefits of, or otherwise subject them to discrimination under any program or activity conducted by the agency; or

§§ 17.131–17.139

(6) The agency, in the selection of procurement contractors, may not use criteria that subject qualified individuals with handicaps to discrimination on the basis of handicap.

(7) The agency may not administer a licensing or certification program in a manner that subjects qualified individuals with handicaps to discrimination on the basis of handicap, nor may the agency establish requirements for the programs or activities of licensees or certified entities that subject qualified individuals with handicaps to discrimination on the basis of handicap. However, the programs or activities of entities that are licensed or certified by the agency are not, themselves, covered by this part.

(c) The exclusion of nonhandicapped persons from the benefits of a program limited by Federal statute or Executive order to individuals with handicaps or the exclusion of a specific class of individuals with handicaps from a program limited by Federal statute or Executive order to a different class of individuals with handicaps is not prohibited by this part.

(d) The agency shall administer programs and activities in the most integrated setting appropriate to the needs of qualified individuals with handicaps.

§§ 17.131–17.139 [Reserved]

§ 17.140 Employment.

No qualified individual with handicaps shall, on the basis of handicap, be subjected to discrimination in employment under any program or activity conducted by the Department. The definitions, requirements and procedures of section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791), as established by the Equal Employment Opportunity Commission in 29 CFR part 1613, shall apply to employment of federally conducted programs or activities.

31 CFR Subtitle A (7–1–10 Edition)

§§ 17.141–17.148 [Reserved]

§ 17.149 Program accessibility: Discrimination prohibited.

Except as otherwise provided in §17.150, no qualified individual with handicaps shall, because the agency's facilities are inaccessible to or unusable by individuals with handicaps, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

§ 17.150 Program accessibility; Existing facilities.

(a) *General.* The agency shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by individuals with handicaps. This paragraph does not require the agency—

(1) To make structural alterations in each of its existing facilities in order to make them accessible to and usable by individuals with handicaps where other methods are effective in achieving compliance with this section; or

(2) To take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with the §17.150(a) would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that individuals

with handicaps receive the benefits and services of the program or activity.

(b) *Methods.* The agency may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock, or any other methods that result in making its programs or activities readily accessible to and usable by individuals with handicaps. The agency, in making alterations to existing buildings, shall meet accessibility requirements to the extent compelled by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151-4157), and any regulations implementing it. In choosing among available methods for meeting the requirements of this section, the agency shall give priority to those methods that offer programs and activities to qualified individuals with handicaps in the most integrated setting appropriate.

(c) *Time period for compliance.* The agency shall comply with the obligations established under this section within sixty (60) days of the effective date of this part except that where structural changes in facilities are undertaken, such changes in facilities are undertaken, such changes shall be made within three years of the effective date of this part, but in any event as expeditiously as possible.

(d) *Transition plan.* In the event that structural changes to facilities will be undertaken to achieve program accessibility, the agency shall develop within six months of the effective date of this part, a transition plan setting forth the steps necessary to complete such changes. The agency shall provide an opportunity to interested persons, including individuals with handicaps or organizations representing individuals with handicaps, to participate in the development of the transition plan by submitting comments (both telephonic and written). A copy of the transition plan shall be made available for public inspection. The plan shall at a minimum—

(1) Identify physical obstacles in the agency's facilities that limit the physical accessibility of its programs or activities to individuals with handicaps;

(2) Describe in detail the methods that will be used to make the facilities accessible;

(3) Specify the schedule for taking the steps necessary to achieve compliance with this section and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period; and

(4) Indicate the official responsible for implementation of the plan.

§ 17.151 Program accessibility: New construction and alterations.

Each building or part of a building that is constructed or altered by, on behalf of, or for the use of the agency shall be designed, constructed, or altered so as to be readily accessible to and usable by individuals with handicaps. The definitions, requirements, and standards of the Architectural Barriers Act (42 U.S.C. 4151-4157), as established in 41 CFR 101-19.600 through 101-19.607 apply to buildings covered by this section.

§§ 17.152-17.159 [Reserved]

§ 17.160 Communications.

(a) The agency shall take appropriate steps to effectively communicate with applicants, participants, personnel of other Federal entities, and members of the public.

(1) The agency shall furnish appropriate auxiliary aids where necessary to afford an individual with handicaps an equal opportunity to participate in, and enjoy the benefits of, a program or activity conducted by the agency.

(i) In determining what type of auxiliary aid is necessary, the agency shall give primary consideration to the requests of the individual with handicaps.

(ii) The agency need not provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature to applicants or participants in programs.

(2) Where the agency communicates with applicants and beneficiaries by

§§ 17.161–17.169

telephone, the agency shall use telecommunication devices for deaf persons (TDD's) or equally effective telecommunication systems to communicate with persons with impaired hearing.

(b) The agency shall make available to interested persons, including persons with impaired vision or hearing, information as to the existence and location of accessible services, activities, and facilities.

(c) The agency shall post notices at a primary entrance to each of its inaccessible facilities, directing users to an accessible facility, or to a location at which they can obtain information about accessible facilities. The international symbol for accessibility shall be used at each primary entrance of an accessible facility.

(d) This section does not require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens.

In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with §17.160 would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all resources available for use in the funding and operation of the conducted program or activity and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that, to the maximum extent possible, individuals with handicaps receive the benefits and services of the program or activity.

If the agency determines that it needs additional information from the complainant, it shall have 30 days from the date it received the additional information to make its determination on the appeal.

§ 19.50 How is this part written?

(a) This part uses a “plain language” format to make it easier for the general public and business community to use. The section headings and text, often in the form of questions and answers, must be read together.

(b) Pronouns used within this part, such as “I” and “you,” change from subpart to subpart depending on the audience being addressed. The pronoun “we” always is the Department of the Treasury.

(c) The “Covered Transactions” diagram in the appendix to this part shows the levels or “tiers” at which

Office of the Secretary of the Treasury

§ 19.120

the Department of the Treasury enforces an exclusion under this part.

§ 19.75 Do terms in this part have special meanings?

This part uses terms throughout the text that have special meaning. Those terms are defined in Subpart I of this part. For example, three important terms are—

(a) *Exclusion or excluded*, which refers only to discretionary actions taken by a suspending or debarring official under this part or the Federal Acquisition Regulation (48 CFR part 9, subpart 9.4);

(b) *Disqualification or disqualified*, which refers to prohibitions under specific statutes, executive orders (other than Executive Order 12549 and Executive Order 12689), or other authorities. Disqualifications frequently are not subject to the discretion of an agency official, may have a different scope than exclusions, or have special conditions that apply to the disqualification; and

(c) *Ineligibility or ineligible*, which generally refers to a person who is either excluded or disqualified.

Subpart A—General

§ 19.100 What does this part do?

This part adopts a governmentwide system of debarment and suspension for Department of the Treasury nonprocurement activities. It also provides for reciprocal exclusion of persons who have been excluded under the Federal Acquisition Regulation, and provides for the consolidated listing of all persons who are excluded, or disqualified by statute, executive order, or other legal authority. This part satisfies the requirements in section 3 of Executive Order 12549, “Debarment and Suspension” (3 CFR 1986 Comp., p. 189), Executive Order 12689, “Debarment and Suspension” (3 CFR 1989 Comp., p. 235) and 31 U.S.C. 6101 note (Section 2455, Public Law 103–355, 108 Stat. 3327).

§ 19.105 Does this part apply to me?

Portions of this part (see table at § 19.25(b)) apply to you if you are a(n)—

(a) Person who has been, is, or may reasonably be expected to be, a partici-

pant or principal in a covered transaction;

(b) Respondent (a person against whom the Department of the Treasury has initiated a debarment or suspension action);

(c) Department of the Treasury debarring or suspending official; or

(d) Department of the Treasury official who is authorized to enter into covered transactions with non-Federal parties.

§ 19.110 What is the purpose of the nonprocurement debarment and suspension system?

(a) To protect the public interest, the Federal Government ensures the integrity of Federal programs by conducting business only with responsible persons.

(b) A Federal agency uses the nonprocurement debarment and suspension system to exclude from Federal programs persons who are not presently responsible.

(c) An exclusion is a serious action that a Federal agency may take only to protect the public interest. A Federal agency may not exclude a person or commodity for the purposes of punishment.

§ 19.115 How does an exclusion restrict a person’s involvement in covered transactions?

With the exceptions stated in §§ 19.120, 19.315, and 19.420, a person who is excluded by the Department of the Treasury or any other Federal agency may not:

(a) Be a participant in a(n) Department of the Treasury transaction that is a covered transaction under subpart B of this part;

(b) Be a participant in a transaction of any other Federal agency that is a covered transaction under that agency’s regulation for debarment and suspension; or

(c) Act as a principal of a person participating in one of those covered transactions.

§ 19.120 May we grant an exception to let an excluded person participate in a covered transaction?

(a) The Secretary of the Treasury may grant an exception permitting an

§ 19.125

excluded person to participate in a particular covered transaction. If the Secretary of the Treasury grants an exception, the exception must be in writing and state the reason(s) for deviating from the governmentwide policy in Executive Order 12549.

(b) An exception granted by one agency for an excluded person does not extend to the covered transactions of another agency.

§ 19.125 Does an exclusion under the nonprocurement system affect a person's eligibility for Federal procurement contracts?

If any Federal agency excludes a person under its nonprocurement common rule on or after August 25, 1995, the excluded person is also ineligible to participate in Federal procurement transactions under the FAR. Therefore, an exclusion under this part has reciprocal effect in Federal procurement transactions.

§ 19.130 Does exclusion under the Federal procurement system affect a person's eligibility to participate in nonprocurement transactions?

If any Federal agency excludes a person under the FAR on or after August 25, 1995, the excluded person is also ineligible to participate in nonprocurement covered transactions under this part. Therefore, an exclusion under the FAR has reciprocal effect in Federal nonprocurement transactions.

§ 19.135 May the Department of the Treasury exclude a person who is not currently participating in a nonprocurement transaction?

Given a cause that justifies an exclusion under this part, we may exclude any person who has been involved, is currently involved, or may reasonably be expected to be involved in a covered transaction.

§ 19.140 How do I know if a person is excluded?

Check the *Excluded Parties List System (EPLS)* to determine whether a person is excluded. The General Services Administration (GSA) maintains the *EPLS* and makes it available, as detailed in subpart E of this part. When a Federal agency takes an action to exclude a person under the nonprocure-

31 CFR Subtitle A (7-1-10 Edition)

ment or procurement debarment and suspension system, the agency enters the information about the excluded person into the *EPLS*.

§ 19.145 Does this part address persons who are disqualified, as well as those who are excluded from non-procurement transactions?

Except if provided for in Subpart J of this part, this part—

(a) Addresses disqualified persons only to—

(1) Provide for their inclusion in the *EPLS*; and

(2) State responsibilities of Federal agencies and participants to check for disqualified persons before entering into covered transactions.

(b) Does not specify the—

(1) Department of the Treasury transactions for which a disqualified person is ineligible. Those transactions vary on a case-by-case basis, because they depend on the language of the specific statute, Executive order, or regulation that caused the disqualification;

(2) Entities to which the disqualification applies; or

(3) Process that the agency uses to disqualify a person. Unlike exclusion, disqualification is frequently not a discretionary action that a Federal agency takes.

Subpart B—Covered Transactions

§ 19.200 What is a covered transaction?

A covered transaction is a nonprocurement or procurement transaction that is subject to the prohibitions of this part. It may be a transaction at—

(a) The primary tier, between a Federal agency and a person (see appendix to this part); or

(b) A lower tier, between a participant in a covered transaction and another person.

§ 19.205 Why is it important if a particular transaction is a covered transaction?

The importance of a covered transaction depends upon who you are.

(a) As a participant in the transaction, you have the responsibilities laid out in Subpart C of this part. Those include responsibilities to the

Office of the Secretary of the Treasury

§ 19.225

person or Federal agency at the next higher tier from whom you received the transaction, if any. They also include responsibilities if you subsequently enter into other covered transactions with persons at the next lower tier.

(b) As a Federal official who enters into a primary tier transaction, you have the responsibilities laid out in subpart D of this part.

(c) As an excluded person, you may not be a participant or principal in the transaction unless—

(1) The person who entered into the transaction with you allows you to continue your involvement in a transaction that predates your exclusion, as permitted under § 19.310 or § 19.415; or

(2) A(n) Department of the Treasury official obtains an exception from the Secretary of the Treasury to allow you to be involved in the transaction, as permitted under § 19.120.

§ 19.210 Which nonprocurement transactions are covered transactions?

All nonprocurement transactions, as defined in § 19.970, are covered transactions unless listed in § 19.215. (See appendix to this part.)

§ 19.215 Which nonprocurement transactions are not covered transactions?

The following types of nonprocurement transactions are not covered transactions:

(a) A direct award to—

(1) A foreign government or foreign governmental entity;

(2) A public international organization;

(3) An entity owned (in whole or in part) or controlled by a foreign government; or

(4) Any other entity consisting wholly or partially of one or more foreign governments or foreign governmental entities.

(b) A benefit to an individual as a personal entitlement without regard to the individual's present responsibility (but benefits received in an individual's business capacity are not excepted). For example, if a person receives social security benefits under the Supplemental Security Income provisions of the Social Security Act, 42 U.S.C. 1301

et seq., those benefits are not covered transactions and, therefore, are not affected if the person is excluded.

(c) Federal employment.

(d) A transaction that the Department of the Treasury needs to respond to a national or agency-recognized emergency or disaster.

(e) A permit, license, certificate, or similar instrument issued as a means to regulate public health, safety, or the environment, unless the Department of the Treasury specifically designates it to be a covered transaction.

(f) An incidental benefit that results from ordinary governmental operations.

(g) Any other transaction if the application of an exclusion to the transaction is prohibited by law.

§ 19.220 Are any procurement contracts included as covered transactions?

(a) Covered transactions under this part—

(1) Do not include any procurement contracts awarded directly by a Federal agency; but

(2) Do include some procurement contracts awarded by non-Federal participants in nonprocurement covered transactions (see appendix to this part).

(b) Specifically, a contract for goods or services is a covered transaction if any of the following applies:

(1) The contract is awarded by a participant in a nonprocurement transaction that is covered under § 19.210, and the amount of the contract is expected to equal or exceed \$25,000.

(2) The contract requires the consent of a(n) Department of the Treasury official. In that case, the contract, regardless of the amount, always is a covered transaction, and it does not matter who awarded it. For example, it could be a subcontract awarded by a contractor at a tier below a nonprocurement transaction, as shown in the appendix to this part.

(3) The contract is for federally-required audit services.

§ 19.225 How do I know if a transaction in which I may participate is a covered transaction?

As a participant in a transaction, you will know that it is a covered

§ 19.300

transaction because the agency regulations governing the transaction, the appropriate agency official, or participant at the next higher tier who enters into the transaction with you, will tell you that you must comply with applicable portions of this part.

Subpart C—Responsibilities of Participants Regarding Transactions

DOING BUSINESS WITH OTHER PERSONS

§ 19.300 What must I do before I enter into a covered transaction with another person at the next lower tier?

When you enter into a covered transaction with another person at the next lower tier, you must verify that the person with whom you intend to do business is not excluded or disqualified. You do this by:

- (a) Checking the *EPLS*; or
- (b) Collecting a certification from that person if allowed by this rule; or
- (c) Adding a clause or condition to the covered transaction with that person.

§ 19.305 May I enter into a covered transaction with an excluded or disqualified person?

(a) You as a participant may not enter into a covered transaction with an excluded person, unless the Department of the Treasury grants an exception under § 19.120.

(b) You may not enter into any transaction with a person who is disqualified from that transaction, unless you have obtained an exception under the disqualifying statute, Executive order, or regulation.

§ 19.310 What must I do if a Federal agency excludes a person with whom I am already doing business in a covered transaction?

(a) You as a participant may continue covered transactions with an excluded person if the transactions were in existence when the agency excluded the person. However, you are not required to continue the transactions, and you may consider termination. You should make a decision about whether to terminate and the type of termination action, if any, only after a

31 CFR Subtitle A (7–1–10 Edition)

thorough review to ensure that the action is proper and appropriate.

(b) You may not renew or extend covered transactions (other than no-cost time extensions) with any excluded person, unless the Department of the Treasury grants an exception under § 19.120.

§ 19.315 May I use the services of an excluded person as a principal under a covered transaction?

(a) You as a participant may continue to use the services of an excluded person as a principal under a covered transaction if you were using the services of that person in the transaction before the person was excluded. However, you are not required to continue using that person's services as a principal. You should make a decision about whether to discontinue that person's services only after a thorough review to ensure that the action is proper and appropriate.

(b) You may not begin to use the services of an excluded person as a principal under a covered transaction unless the Department of the Treasury grants an exception under § 19.120.

§ 19.320 Must I verify that principals of my covered transactions are eligible to participate?

Yes, you as a participant are responsible for determining whether any of your principals of your covered transactions is excluded or disqualified from participating in the transaction. You may decide the method and frequency by which you do so. You may, but you are not required to, check the *EPLS*.

§ 19.325 What happens if I do business with an excluded person in a covered transaction?

If as a participant you knowingly do business with an excluded person, we may disallow costs, annul or terminate the transaction, issue a stop work order, debar or suspend you, or take other remedies as appropriate.

§ 19.330 What requirements must I pass down to persons at lower tiers with whom I intend to do business?

Before entering into a covered transaction with a participant at the next lower tier, you must require that participant to—

(a) Comply with this subpart as a condition of participation in the transaction. You may do so using any method(s), unless §19.440 requires you to use specific methods.

(b) Pass the requirement to comply with this subpart to each person with whom the participant enters into a covered transaction at the next lower tier.

DISCLOSING INFORMATION—PRIMARY
TIER PARTICIPANTS

§ 19.335 What information must I provide before entering into a covered transaction with the Department of the Treasury?

Before you enter into a covered transaction at the primary tier, you as the participant must notify the Department of the Treasury office that is entering into the transaction with you, if you know that you or any of the principals for that covered transaction:

(a) Are presently excluded or disqualified;

(b) Have been convicted within the preceding three years of any of the offenses listed in §19.800(a) or had a civil judgment rendered against you for one of those offenses within that time period;

(c) Are presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses listed in §19.800(a); or

(d) Have had one or more public transactions (Federal, State, or local) terminated within the preceding three years for cause or default.

§ 19.340 If I disclose unfavorable information required under § 19.335, will I be prevented from participating in the transaction?

As a primary tier participant, your disclosure of unfavorable information about yourself or a principal under §19.335 will not necessarily cause us to deny your participation in the covered transaction. We will consider the information when we determine whether to enter into the covered transaction. We also will consider any additional information or explanation that you elect to submit with the disclosed information.

§ 19.345 What happens if I fail to disclose information required under § 19.335?

If we later determine that you failed to disclose information under §19.335 that you knew at the time you entered into the covered transaction, we may—

(a) Terminate the transaction for material failure to comply with the terms and conditions of the transaction; or

(b) Pursue any other available remedies, including suspension and debarment.

§ 19.350 What must I do if I learn of information required under § 19.335 after entering into a covered transaction with the Department of the Treasury?

At any time after you enter into a covered transaction, you must give immediate written notice to the Department of the Treasury office with which you entered into the transaction if you learn either that—

(a) You failed to disclose information earlier, as required by §19.335; or

(b) Due to changed circumstances, you or any of the principals for the transaction now meet any of the criteria in §19.335.

DISCLOSING INFORMATION—LOWER TIER
PARTICIPANTS

§ 19.355 What information must I provide to a higher tier participant before entering into a covered transaction with that participant?

Before you enter into a covered transaction with a person at the next higher tier, you as a lower tier participant must notify that person if you know that you or any of the principals are presently excluded or disqualified.

§ 19.360 What happens if I fail to disclose the information required under § 19.355?

If we later determine that you failed to tell the person at the higher tier that you were excluded or disqualified at the time you entered into the covered transaction with that person, we may pursue any available remedies, including suspension and debarment.

§ 19.365

§ 19.365 What must I do if I learn of information required under § 19.355 after entering into a covered transaction with a higher tier participant?

At any time after you enter into a lower tier covered transaction with a person at a higher tier, you must provide immediate written notice to that person if you learn either that—

(a) You failed to disclose information earlier, as required by § 19.355; or

(b) Due to changed circumstances, you or any of the principals for the transaction now meet any of the criteria in § 19.355.

Subpart D—Responsibilities of Department of the Treasury Officials Regarding Transactions

§ 19.400 May I enter into a transaction with an excluded or disqualified person?

(a) You as an agency official may not enter into a covered transaction with an excluded person unless you obtain an exception under § 19.120.

(b) You may not enter into any transaction with a person who is disqualified from that transaction, unless you obtain a waiver or exception under the statute, Executive order, or regulation that is the basis for the person's disqualification.

§ 19.405 May I enter into a covered transaction with a participant if a principal of the transaction is excluded?

As an agency official, you may not enter into a covered transaction with a participant if you know that a principal of the transaction is excluded, unless you obtain an exception under § 19.120.

§ 19.410 May I approve a participant's use of the services of an excluded person?

After entering into a covered transaction with a participant, you as an agency official may not approve a participant's use of an excluded person as a principal under that transaction, unless you obtain an exception under § 19.120.

31 CFR Subtitle A (7–1–10 Edition)

§ 19.415 What must I do if a Federal agency excludes the participant or a principal after I enter into a covered transaction?

(a) You as an agency official may continue covered transactions with an excluded person, or under which an excluded person is a principal, if the transactions were in existence when the person was excluded. You are not required to continue the transactions, however, and you may consider termination. You should make a decision about whether to terminate and the type of termination action, if any, only after a thorough review to ensure that the action is proper.

(b) You may not renew or extend covered transactions (other than no-cost time extensions) with any excluded person, or under which an excluded person is a principal, unless you obtain an exception under § 19.120.

§ 19.420 May I approve a transaction with an excluded or disqualified person at a lower tier?

If a transaction at a lower tier is subject to your approval, you as an agency official may not approve—

(a) A covered transaction with a person who is currently excluded, unless you obtain an exception under § 19.120; or

(b) A transaction with a person who is disqualified from that transaction, unless you obtain a waiver or exception under the statute, Executive order, or regulation that is the basis for the person's disqualification.

§ 19.425 When do I check to see if a person is excluded or disqualified?

As an agency official, you must check to see if a person is excluded or disqualified before you—

(a) Enter into a primary tier covered transaction;

(b) Approve a principal in a primary tier covered transaction;

(c) Approve a lower tier participant if agency approval of the lower tier participant is required; or

(d) Approve a principal in connection with a lower tier transaction if agency approval of the principal is required.

§ 19.430 How do I check to see if a person is excluded or disqualified?

You check to see if a person is excluded or disqualified in two ways:

(a) You as an agency official must check the *EPLS* when you take any action listed in § 19.425.

(b) You must review information that a participant gives you, as required by § 19.335, about its status or the status of the principals of a transaction.

§ 19.435 What must I require of a primary tier participant?

You as an agency official must require each participant in a primary tier covered transaction to—

(a) Comply with subpart C of this part as a condition of participation in the transaction; and

(b) Communicate the requirement to comply with Subpart C of this part to persons at the next lower tier with whom the primary tier participant enters into covered transactions.

§ 19.440 What method do I use to communicate those requirements to participants?

To communicate the requirements, you must include a term or condition in the transaction requiring the participants' compliance with subpart C of this part and requiring them to include a similar term or condition in lower-tier covered transactions.

[68 FR 66607, Nov. 26, 2003]

§ 19.445 What action may I take if a primary tier participant knowingly does business with an excluded or disqualified person?

If a participant knowingly does business with an excluded or disqualified person, you as an agency official may refer the matter for suspension and debarment consideration. You may also disallow costs, annul or terminate the transaction, issue a stop work order, or take any other appropriate remedy.

§ 19.450 What action may I take if a primary tier participant fails to disclose the information required under § 19.335?

If you as an agency official determine that a participant failed to disclose information, as required by § 19.335, at the time it entered into a

covered transaction with you, you may—

(a) Terminate the transaction for material failure to comply with the terms and conditions of the transaction; or

(b) Pursue any other available remedies, including suspension and debarment.

§ 19.455 What may I do if a lower tier participant fails to disclose the information required under § 19.355 to the next higher tier?

If you as an agency official determine that a lower tier participant failed to disclose information, as required by § 19.355, at the time it entered into a covered transaction with a participant at the next higher tier, you may pursue any remedies available to you, including the initiation of a suspension or debarment action.

Subpart E—Excluded Parties List System**§ 19.500 What is the purpose of the Excluded Parties List System (EPLS)?**

The *EPLS* is a widely available source of the most current information about persons who are excluded or disqualified from covered transactions.

§ 19.505 Who uses the EPLS?

(a) Federal agency officials use the *EPLS* to determine whether to enter into a transaction with a person, as required under § 19.430.

(b) Participants also may, but are not required to, use the *EPLS* to determine if—

(1) Principals of their transactions are excluded or disqualified, as required under § 19.320; or

(2) Persons with whom they are entering into covered transactions at the next lower tier are excluded or disqualified.

(c) The *EPLS* is available to the general public.

§ 19.510 Who maintains the EPLS?

In accordance with the OMB guidelines, the General Services Administration (GSA) maintains the *EPLS*. When a Federal agency takes an action to exclude a person under the nonprocurement or procurement debarment and

§ 19.515

suspension system, the agency enters the information about the excluded person into the *EPLS*.

§ 19.515 What specific information is in the *EPLS*?

(a) At a minimum, the *EPLS* indicates—

(1) The full name (where available) and address of each excluded or disqualified person, in alphabetical order, with cross references if more than one name is involved in a single action;

(2) The type of action;

(3) The cause for the action;

(4) The scope of the action;

(5) Any termination date for the action;

(6) The agency and name and telephone number of the agency point of contact for the action; and

(7) The Dun and Bradstreet Number (DUNS), or other similar code approved by the GSA, of the excluded or disqualified person, if available.

(b)(1) The database for the *EPLS* includes a field for the Taxpayer Identification Number (TIN) (the social security number (SSN) for an individual) of an excluded or disqualified person.

(2) Agencies disclose the SSN of an individual to verify the identity of an individual, only if permitted under the Privacy Act of 1974 and, if appropriate, the Computer Matching and Privacy Protection Act of 1988, as codified in 5 U.S.C. 552(a).

§ 19.520 Who places the information into the *EPLS*?

Federal officials who take actions to exclude persons under this part or officials who are responsible for identifying disqualified persons must enter the following information about those persons into the *EPLS*:

(a) Information required by § 19.515(a);

(b) The Taxpayer Identification Number (TIN) of the excluded or disqualified person, including the social security number (SSN) for an individual, if the number is available and may be disclosed under law;

(c) Information about an excluded or disqualified person, generally within five working days, after—

(1) Taking an exclusion action;

31 CFR Subtitle A (7–1–10 Edition)

(2) Modifying or rescinding an exclusion action;

(3) Finding that a person is disqualified; or

(4) Finding that there has been a change in the status of a person who is listed as disqualified.

§ 19.525 Whom do I ask if I have questions about a person in the *EPLS*?

If you have questions about a person in the *EPLS*, ask the point of contact for the Federal agency that placed the person's name into the *EPLS*. You may find the agency point of contact from the *EPLS*.

§ 19.530 Where can I find the *EPLS*?

(a) You may access the *EPLS* through the Internet, currently at <http://epls.arnet.gov>.

(b) As of November 26, 2003, you may also subscribe to a printed version. However, we anticipate discontinuing the printed version. Until it is discontinued, you may obtain the printed version by purchasing a yearly subscription from the Superintendent of Documents, U.S. Government Printing Office, Washington, DC 20402, or by calling the Government Printing Office Inquiry and Order Desk at (202) 783-3238.

Subpart F—General Principles Relating to Suspension and Debarment Actions

§ 19.600 How do suspension and debarment actions start?

When we receive information from any source concerning a cause for suspension or debarment, we will promptly report and investigate it. We refer the question of whether to suspend or debar you to our suspending or debarring official for consideration, if appropriate.

§ 19.605 How does suspension differ from debarment?

Suspension differs from debarment in that—

A suspending official . . .	A debaring official . . .
(a) Imposes suspension as a temporary status of ineligibility for procurement and nonprocurement transactions, pending completion of an investigation or legal proceedings.	Imposes debarment for a specified period as a final determination that a person is not presently responsible.
(b) Must— (1) Have <i>adequate evidence</i> that there may be a cause for debarment of a person; and (2) Conclude that <i>immediate action</i> is necessary to protect the Federal interest.	Must conclude, based on a <i>preponderance of the evidence</i> , that the person has engaged in conduct that warrants debarment.
(c) Usually imposes the suspension <i>first</i> , and then promptly notifies the suspended person, giving the person an opportunity to contest the suspension and have it lifted.	Imposes debarment <i>after</i> giving the respondent notice of the action and an opportunity to contest the proposed debarment.

§ 19.610 What procedures does the Department of the Treasury use in suspension and debarment actions?

In deciding whether to suspend or debar you, we handle the actions as informally as practicable, consistent with principles of fundamental fairness.

(a) For suspension actions, we use the procedures in this subpart and subpart G of this part.

(b) For debarment actions, we use the procedures in this subpart and subpart H of this part.

§ 19.615 How does the Department of the Treasury notify a person of a suspension or debarment action?

(a) The suspending or debaring official sends a written notice to the last known street address, facsimile number, or e-mail address of—

- (1) You or your identified counsel; or
- (2) Your agent for service of process, or any of your partners, officers, directors, owners, or joint venturers.

(b) The notice is effective if sent to any of these persons.

§ 19.620 Do Federal agencies coordinate suspension and debarment actions?

Yes, when more than one Federal agency has an interest in a suspension or debarment, the agencies may consider designating one agency as the lead agency for making the decision. Agencies are encouraged to establish methods and procedures for coordinating their suspension and debarment actions.

§ 19.625 What is the scope of a suspension or debarment?

If you are suspended or debarred, the suspension or debarment is effective as follows:

(a) Your suspension or debarment constitutes suspension or debarment of all of your divisions and other organizational elements from all covered transactions, unless the suspension or debarment decision is limited—

(1) By its terms to one or more specifically identified individuals, divisions, or other organizational elements; or

(2) To specific types of transactions.

(b) Any affiliate of a participant may be included in a suspension or debarment action if the suspending or debaring official—

(1) Officially names the affiliate in the notice; and

(2) Gives the affiliate an opportunity to contest the action.

§ 19.630 May the Department of the Treasury impute conduct of one person to another?

For purposes of actions taken under this rule, we may impute conduct as follows:

(a) *Conduct imputed from an individual to an organization.* We may impute the fraudulent, criminal, or other improper conduct of any officer, director, shareholder, partner, employee, or other individual associated with an organization, to that organization when the improper conduct occurred in connection with the individual's performance of duties for or on behalf of that organization, or with the organization's knowledge, approval or acquiescence. The organization's acceptance of the benefits derived from the conduct is evidence of knowledge, approval or acquiescence.

§ 19.635

(b) *Conduct imputed from an organization to an individual, or between individuals.* We may impute the fraudulent, criminal, or other improper conduct of any organization to an individual, or from one individual to another individual, if the individual to whom the improper conduct is imputed either participated in, had knowledge of, or reason to know of the improper conduct.

(c) *Conduct imputed from one organization to another organization.* We may impute the fraudulent, criminal, or other improper conduct of one organization to another organization when the improper conduct occurred in connection with a partnership, joint venture, joint application, association or similar arrangement, or when the organization to whom the improper conduct is imputed has the power to direct, manage, control or influence the activities of the organization responsible for the improper conduct. Acceptance of the benefits derived from the conduct is evidence of knowledge, approval or acquiescence.

§ 19.635 May the Department of the Treasury settle a debarment or suspension action?

Yes, we may settle a debarment or suspension action at any time if it is in the best interest of the Federal Government.

§ 19.640 May a settlement include a voluntary exclusion?

Yes, if we enter into a settlement with you in which you agree to be excluded, it is called a voluntary exclusion and has governmentwide effect.

§ 19.645 Do other Federal agencies know if the Department of the Treasury agrees to a voluntary exclusion?

(a) Yes, we enter information regarding a voluntary exclusion into the *EPLS*.

(b) Also, any agency or person may contact us to find out the details of a voluntary exclusion.

31 CFR Subtitle A (7–1–10 Edition)

Subpart G—Suspension

§ 19.700 When may the suspending official issue a suspension?

Suspension is a serious action. Using the procedures of this subpart and subpart F of this part, the suspending official may impose suspension only when that official determines that—

(a) There exists an indictment for, or other adequate evidence to suspect, an offense listed under § 19.800(a), or

(b) There exists adequate evidence to suspect any other cause for debarment listed under § 19.800(b) through (d); and

(c) Immediate action is necessary to protect the public interest.

§ 19.705 What does the suspending official consider in issuing a suspension?

(a) In determining the adequacy of the evidence to support the suspension, the suspending official considers how much information is available, how credible it is given the circumstances, whether or not important allegations are corroborated, and what inferences can reasonably be drawn as a result. During this assessment, the suspending official may examine the basic documents, including grants, cooperative agreements, loan authorizations, contracts, and other relevant documents.

(b) An indictment, conviction, civil judgment, or other official findings by Federal, State, or local bodies that determine factual and/or legal matters, constitutes adequate evidence for purposes of suspension actions.

(c) In deciding whether immediate action is needed to protect the public interest, the suspending official has wide discretion. For example, the suspending official may infer the necessity for immediate action to protect the public interest either from the nature of the circumstances giving rise to a cause for suspension or from potential business relationships or involvement with a program of the Federal Government.

§ 19.710 When does a suspension take effect?

A suspension is effective when the suspending official signs the decision to suspend.

§ 19.715 What notice does the suspending official give me if I am suspended?

After deciding to suspend you, the suspending official promptly sends you a Notice of Suspension advising you—

- (a) That you have been suspended;
- (b) That your suspension is based on—

- (1) An indictment;
- (2) A conviction;
- (3) Other adequate evidence that you have committed irregularities which seriously reflect on the propriety of further Federal Government dealings with you; or

- (4) Conduct of another person that has been imputed to you, or your affiliation with a suspended or debarred person;

- (c) Of any other irregularities in terms sufficient to put you on notice without disclosing the Federal Government's evidence;

- (d) Of the cause(s) upon which we relied under § 19.700 for imposing suspension;

- (e) That your suspension is for a temporary period pending the completion of an investigation or resulting legal or debarment proceedings;

- (f) Of the applicable provisions of this subpart, Subpart F of this part, and any other Department of the Treasury procedures governing suspension decision making; and

- (g) Of the governmentwide effect of your suspension from procurement and nonprocurement programs and activities.

§ 19.720 How may I contest a suspension?

If you as a respondent wish to contest a suspension, you or your representative must provide the suspending official with information in opposition to the suspension. You may do this orally or in writing, but any information provided orally that you consider important must also be submitted in writing for the official record.

§ 19.725 How much time do I have to contest a suspension?

(a) As a respondent you or your representative must either send, or make arrangements to appear and present, the

information and argument to the suspending official within 30 days after you receive the Notice of Suspension.

(b) We consider the notice to be received by you—

- (1) When delivered, if we mail the notice to the last known street address, or five days after we send it if the letter is undeliverable;

- (2) When sent, if we send the notice by facsimile or five days after we send it if the facsimile is undeliverable; or

- (3) When delivered, if we send the notice by e-mail or five days after we send it if the e-mail is undeliverable.

§ 19.730 What information must I provide to the suspending official if I contest a suspension?

(a) In addition to any information and argument in opposition, as a respondent your submission to the suspending official must identify—

- (1) Specific facts that contradict the statements contained in the Notice of Suspension. A general denial is insufficient to raise a genuine dispute over facts material to the suspension;

- (2) All existing, proposed, or prior exclusions under regulations implementing E.O. 12549 and all similar actions taken by Federal, state, or local agencies, including administrative agreements that affect only those agencies;

- (3) All criminal and civil proceedings not included in the Notice of Suspension that grew out of facts relevant to the cause(s) stated in the notice; and

- (4) All of your affiliates.

(b) If you fail to disclose this information, or provide false information, the Department of the Treasury may seek further criminal, civil or administrative action against you, as appropriate.

§ 19.735 Under what conditions do I get an additional opportunity to challenge the facts on which the suspension is based?

(a) You as a respondent will not have an additional opportunity to challenge the facts if the suspending official determines that—

- (1) Your suspension is based upon an indictment, conviction, civil judgment, or other finding by a Federal, State, or local body for which an opportunity to contest the facts was provided;

§ 19.740

(2) Your presentation in opposition contains only general denials to information contained in the Notice of Suspension;

(3) The issues raised in your presentation in opposition to the suspension are not factual in nature, or are not material to the suspending official's initial decision to suspend, or the official's decision whether to continue the suspension; or

(4) On the basis of advice from the Department of Justice, an office of the United States Attorney, a State attorney general's office, or a State or local prosecutor's office, that substantial interests of the government in pending or contemplated legal proceedings based on the same facts as the suspension would be prejudiced by conducting fact-finding.

(b) You will have an opportunity to challenge the facts if the suspending official determines that—

(1) The conditions in paragraph (a) of this section do not exist; and

(2) Your presentation in opposition raises a genuine dispute over facts material to the suspension.

(c) If you have an opportunity to challenge disputed material facts under this section, the suspending official or designee must conduct additional proceedings to resolve those facts.

§ 19.740 Are suspension proceedings formal?

(a) Suspension proceedings are conducted in a fair and informal manner. The suspending official may use flexible procedures to allow you to present matters in opposition. In so doing, the suspending official is not required to follow formal rules of evidence or procedure in creating an official record upon which the official will base a final suspension decision.

(b) You as a respondent or your representative must submit any documentary evidence you want the suspending official to consider.

§ 19.745 How is fact-finding conducted?

(a) If fact-finding is conducted—

(1) You may present witnesses and other evidence, and confront any witness presented; and

31 CFR Subtitle A (7-1-10 Edition)

(2) The fact-finder must prepare written findings of fact for the record.

(b) A transcribed record of fact-finding proceedings must be made, unless you as a respondent and the Department of the Treasury agree to waive it in advance. If you want a copy of the transcribed record, you may purchase it.

§ 19.750 What does the suspending official consider in deciding whether to continue or terminate my suspension?

(a) The suspending official bases the decision on all information contained in the official record. The record includes—

(1) All information in support of the suspending official's initial decision to suspend you;

(2) Any further information and argument presented in support of, or opposition to, the suspension; and

(3) Any transcribed record of fact-finding proceedings.

(b) The suspending official may refer disputed material facts to another official for findings of fact. The suspending official may reject any resulting findings, in whole or in part, only after specifically determining them to be arbitrary, capricious, or clearly erroneous.

§ 19.755 When will I know whether the suspension is continued or terminated?

The suspending official must make a written decision whether to continue, modify, or terminate your suspension within 45 days of closing the official record. The official record closes upon the suspending official's receipt of final submissions, information and findings of fact, if any. The suspending official may extend that period for good cause.

§ 19.760 How long may my suspension last?

(a) If legal or debarment proceedings are initiated at the time of, or during your suspension, the suspension may continue until the conclusion of those proceedings. However, if proceedings are not initiated, a suspension may not exceed 12 months.

(b) The suspending official may extend the 12 month limit under paragraph (a) of this section for an additional 6 months if an office of a U.S. Assistant Attorney General, U.S. Attorney, or other responsible prosecuting official requests an extension in writing. In no event may a suspension exceed 18 months without initiating proceedings under paragraph (a) of this section.

(c) The suspending official must notify the appropriate officials under paragraph (b) of this section of an impending termination of a suspension at least 30 days before the 12 month period expires to allow the officials an opportunity to request an extension.

Subpart H—Debarment

§ 19.800 What are the causes for debarment?

We may debar a person for—

(a) Conviction of or civil judgment for—

(1) Commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public or private agreement or transaction;

(2) Violation of Federal or State anti-trust statutes, including those proscribing price fixing between competitors, allocation of customers between competitors, and bid rigging;

(3) Commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, receiving stolen property, making false claims, or obstruction of justice; or

(4) Commission of any other offense indicating a lack of business integrity or business honesty that seriously and directly affects your present responsibility;

(b) Violation of the terms of a public agreement or transaction so serious as to affect the integrity of an agency program, such as—

(1) A willful failure to perform in accordance with the terms of one or more public agreements or transactions;

(2) A history of failure to perform or of unsatisfactory performance of one or more public agreements or transactions; or

(3) A willful violation of a statutory or regulatory provision or requirement applicable to a public agreement or transaction;

(c) Any of the following causes:

(1) A nonprocurement debarment by any Federal agency taken before October 1, 1988, or a procurement debarment by any Federal agency taken pursuant to 48 CFR part 9, subpart 9.4, before August 25, 1995;

(2) Knowingly doing business with an ineligible person, except as permitted under § 19.120;

(3) Failure to pay a single substantial debt, or a number of outstanding debts (including disallowed costs and overpayments, but not including sums owed the Federal Government under the Internal Revenue Code) owed to any Federal agency or instrumentality, provided the debt is uncontested by the debtor or, if contested, provided that the debtor's legal and administrative remedies have been exhausted;

(4) Violation of a material provision of a voluntary exclusion agreement entered into under § 19.640 or of any settlement of a debarment or suspension action; or

(5) Violation of the provisions of the Drug-Free Workplace Act of 1988 (41 U.S.C. 701); or

(d) Any other cause of so serious or compelling a nature that it affects your present responsibility.

§ 19.805 What notice does the debarring official give me if I am proposed for debarment?

After consideration of the causes in § 19.800 of this subpart, if the debarring official proposes to debar you, the official sends you a Notice of Proposed Debarment, pursuant to § 19.615, advising you—

(a) That the debarring official is considering debarring you;

(b) Of the reasons for proposing to debar you in terms sufficient to put you on notice of the conduct or transactions upon which the proposed debarment is based;

(c) Of the cause(s) under § 19.800 upon which the debarring official relied for proposing your debarment;

(d) Of the applicable provisions of this subpart, Subpart F of this part, and any other Department of the

§ 19.810

Treasury procedures governing debarment; and

(e) Of the governmentwide effect of a debarment from procurement and non-procurement programs and activities.

§ 19.810 When does a debarment take effect?

A debarment is not effective until the debarring official issues a decision. The debarring official does not issue a decision until the respondent has had an opportunity to contest the proposed debarment.

§ 19.815 How may I contest a proposed debarment?

If you as a respondent wish to contest a proposed debarment, you or your representative must provide the debarring official with information in opposition to the proposed debarment. You may do this orally or in writing, but any information provided orally that you consider important must also be submitted in writing for the official record.

§ 19.820 How much time do I have to contest a proposed debarment?

(a) As a respondent you or your representative must either send, or make arrangements to appear and present, the information and argument to the debarring official within 30 days after you receive the Notice of Proposed Debarment.

(b) We consider the Notice of Proposed Debarment to be received by you—

(1) When delivered, if we mail the notice to the last known street address, or five days after we send it if the letter is undeliverable;

(2) When sent, if we send the notice by facsimile or five days after we send it if the facsimile is undeliverable; or

(3) When delivered, if we send the notice by e-mail or five days after we send it if the e-mail is undeliverable.

§ 19.825 What information must I provide to the debarring official if I contest a proposed debarment?

(a) In addition to any information and argument in opposition, as a respondent your submission to the debarring official must identify—

31 CFR Subtitle A (7–1–10 Edition)

(1) Specific facts that contradict the statements contained in the Notice of Proposed Debarment. Include any information about any of the factors listed in § 19.860. A general denial is insufficient to raise a genuine dispute over facts material to the debarment;

(2) All existing, proposed, or prior exclusions under regulations implementing E.O. 12549 and all similar actions taken by Federal, State, or local agencies, including administrative agreements that affect only those agencies;

(3) All criminal and civil proceedings not included in the Notice of Proposed Debarment that grew out of facts relevant to the cause(s) stated in the notice; and

(4) All of your affiliates.

(b) If you fail to disclose this information, or provide false information, the Department of the Treasury may seek further criminal, civil or administrative action against you, as appropriate.

§ 19.830 Under what conditions do I get an additional opportunity to challenge the facts on which a proposed debarment is based?

(a) You as a respondent will not have an additional opportunity to challenge the facts if the debarring official determines that—

(1) Your debarment is based upon a conviction or civil judgment;

(2) Your presentation in opposition contains only general denials to information contained in the Notice of Proposed Debarment; or

(3) The issues raised in your presentation in opposition to the proposed debarment are not factual in nature, or are not material to the debarring official's decision whether to debar.

(b) You will have an additional opportunity to challenge the facts if the debarring official determines that—

(1) The conditions in paragraph (a) of this section do not exist; and

(2) Your presentation in opposition raises a genuine dispute over facts material to the proposed debarment.

(c) If you have an opportunity to challenge disputed material facts under this section, the debarring official or designee must conduct additional proceedings to resolve those facts.

Office of the Secretary of the Treasury

§ 19.860

§ 19.835 Are debarment proceedings formal?

(a) Debarment proceedings are conducted in a fair and informal manner. The debarring official may use flexible procedures to allow you as a respondent to present matters in opposition. In so doing, the debarring official is not required to follow formal rules of evidence or procedure in creating an official record upon which the official will base the decision whether to debar.

(b) You or your representative must submit any documentary evidence you want the debarring official to consider.

§ 19.840 How is fact-finding conducted?

(a) If fact-finding is conducted—

(1) You may present witnesses and other evidence, and confront any witness presented; and

(2) The fact-finder must prepare written findings of fact for the record.

(b) A transcribed record of fact-finding proceedings must be made, unless you as a respondent and the Department of the Treasury agree to waive it in advance. If you want a copy of the transcribed record, you may purchase it.

§ 19.845 What does the debarring official consider in deciding whether to debar me?

(a) The debarring official may debar you for any of the causes in § 19.800. However, the official need not debar you even if a cause for debarment exists. The official may consider the seriousness of your acts or omissions and the mitigating or aggravating factors set forth at § 19.860.

(b) The debarring official bases the decision on all information contained in the official record. The record includes—

(1) All information in support of the debarring official's proposed debarment;

(2) Any further information and argument presented in support of, or in opposition to, the proposed debarment; and

(3) Any transcribed record of fact-finding proceedings.

(c) The debarring official may refer disputed material facts to another official for findings of fact. The debarring

official may reject any resultant findings, in whole or in part, only after specifically determining them to be arbitrary, capricious, or clearly erroneous.

§ 19.850 What is the standard of proof in a debarment action?

(a) In any debarment action, we must establish the cause for debarment by a preponderance of the evidence.

(b) If the proposed debarment is based upon a conviction or civil judgment, the standard of proof is met.

§ 19.855 Who has the burden of proof in a debarment action?

(a) We have the burden to prove that a cause for debarment exists.

(b) Once a cause for debarment is established, you as a respondent have the burden of demonstrating to the satisfaction of the debarring official that you are presently responsible and that debarment is not necessary.

§ 19.860 What factors may influence the debarring official's decision?

This section lists the mitigating and aggravating factors that the debarring official may consider in determining whether to debar you and the length of your debarment period. The debarring official may consider other factors if appropriate in light of the circumstances of a particular case. The existence or nonexistence of any factor, such as one of those set forth in this section, is not necessarily determinative of your present responsibility. In making a debarment decision, the debarring official may consider the following factors:

(a) The actual or potential harm or impact that results or may result from the wrongdoing.

(b) The frequency of incidents and/or duration of the wrongdoing.

(c) Whether there is a pattern or prior history of wrongdoing. For example, if you have been found by another Federal agency or a State agency to have engaged in wrongdoing similar to that found in the debarment action, the existence of this fact may be used by the debarring official in determining that you have a pattern or prior history of wrongdoing.

§ 19.865

(d) Whether you are or have been excluded or disqualified by an agency of the Federal Government or have not been allowed to participate in State or local contracts or assistance agreements on a basis of conduct similar to one or more of the causes for debarment specified in this part.

(e) Whether you have entered into an administrative agreement with a Federal agency or a State or local government that is not governmentwide but is based on conduct similar to one or more of the causes for debarment specified in this part.

(f) Whether and to what extent you planned, initiated, or carried out the wrongdoing.

(g) Whether you have accepted responsibility for the wrongdoing and recognize the seriousness of the misconduct that led to the cause for debarment.

(h) Whether you have paid or agreed to pay all criminal, civil and administrative liabilities for the improper activity, including any investigative or administrative costs incurred by the government, and have made or agreed to make full restitution.

(i) Whether you have cooperated fully with the government agencies during the investigation and any court or administrative action. In determining the extent of cooperation, the debarring official may consider when the cooperation began and whether you disclosed all pertinent information known to you.

(j) Whether the wrongdoing was pervasive within your organization.

(k) The kind of positions held by the individuals involved in the wrongdoing.

(l) Whether your organization took appropriate corrective action or remedial measures, such as establishing ethics training and implementing programs to prevent recurrence.

(m) Whether your principals tolerated the offense.

(n) Whether you brought the activity cited as a basis for the debarment to the attention of the appropriate government agency in a timely manner.

(o) Whether you have fully investigated the circumstances surrounding the cause for debarment and, if so, made the result of the investigation available to the debarring official.

31 CFR Subtitle A (7-1-10 Edition)

(p) Whether you had effective standards of conduct and internal control systems in place at the time the questioned conduct occurred.

(q) Whether you have taken appropriate disciplinary action against the individuals responsible for the activity which constitutes the cause for debarment.

(r) Whether you have had adequate time to eliminate the circumstances within your organization that led to the cause for the debarment.

(s) Other factors that are appropriate to the circumstances of a particular case.

§ 19.865 How long may my debarment last?

(a) If the debarring official decides to debar you, your period of debarment will be based on the seriousness of the cause(s) upon which your debarment is based. Generally, debarment should not exceed three years. However, if circumstances warrant, the debarring official may impose a longer period of debarment.

(b) In determining the period of debarment, the debarring official may consider the factors in § 19.860. If a suspension has preceded your debarment, the debarring official must consider the time you were suspended.

(c) If the debarment is for a violation of the provisions of the Drug-Free Workplace Act of 1988, your period of debarment may not exceed five years.

§ 19.870 When do I know if the debarring official debars me?

(a) The debarring official must make a written decision whether to debar within 45 days of closing the official record. The official record closes upon the debarring official's receipt of final submissions, information and findings of fact, if any. The debarring official may extend that period for good cause.

(b) The debarring official sends you written notice, pursuant to § 19.615 that the official decided, either—

(1) Not to debar you; or

(2) To debar you. In this event, the notice:

(i) Refers to the Notice of Proposed Debarment;

(ii) Specifies the reasons for your debarment;

(iii) States the period of your debarment, including the effective dates; and

(iv) Advises you that your debarment is effective for covered transactions and contracts that are subject to the Federal Acquisition Regulation (48 CFR chapter 1), throughout the executive branch of the Federal Government unless an agency head or an authorized designee grants an exception.

§ 19.875 May I ask the debarring official to reconsider a decision to debar me?

Yes, as a debarred person you may ask the debarring official to reconsider the debarment decision or to reduce the time period or scope of the debarment. However, you must put your request in writing and support it with documentation.

§ 19.880 What factors may influence the debarring official during reconsideration?

The debarring official may reduce or terminate your debarment based on—

- (a) Newly discovered material evidence;
- (b) A reversal of the conviction or civil judgment upon which your debarment was based;
- (c) A bona fide change in ownership or management;
- (d) Elimination of other causes for which the debarment was imposed; or
- (e) Other reasons the debarring official finds appropriate.

§ 19.885 May the debarring official extend a debarment?

(a) Yes, the debarring official may extend a debarment for an additional period, if that official determines that an extension is necessary to protect the public interest.

(b) However, the debarring official may not extend a debarment solely on the basis of the facts and circumstances upon which the initial debarment action was based.

(c) If the debarring official decides that a debarment for an additional period is necessary, the debarring official must follow the applicable procedures in this subpart, and subpart F of this part, to extend the debarment.

Subpart A—General

§ 21.100 Conditions on use of funds.

(a) No appropriated funds may be expended by the recipient of a Federal contract, grant, loan, or cooperative agreement to pay any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with any of the following covered Federal actions: the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

(c) Each person who requests or receives from an agency a Federal contract, grant, loan, or a cooperative agreement shall file with that agency a disclosure form, set forth in Appendix B, if such person has made or has agreed to make any payment using nonappropriated funds (to include profits from any covered Federal action), which would be prohibited under paragraph (a) of this section if paid for with appropriated funds.

(d) Each person who requests or receives from an agency a commitment providing for the United States to insure or guarantee a loan shall file with that agency a statement, set forth in Appendix A, whether that person has made or has agreed to make any payment to influence or attempt to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with that loan insurance or guarantee.

(e) Each person who requests or receives from an agency a commitment providing for the United States to insure or guarantee a loan shall file with

that agency a disclosure form, set forth in Appendix B, if that person has made or has agreed to make any payment to influence or attempt to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with that loan insurance or guarantee.

§ 21.105 Definitions.

For purposes of this part:

(c) *Federal contract* means an acquisition contract awarded by an agency, including those subject to the Federal Acquisition Regulation (FAR), and any other acquisition contract for real or personal property or services not subject to the FAR.

United States cash assistance to an individual.

(f) *Federal loan* means a loan made by an agency. The term does not include loan guarantee or loan insurance.

(g) *Indian tribe* and *tribal organization* have the meaning provided in section 4 of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450B). Alaskan Natives are included under the definitions of Indian tribes in that Act.

(l) *Person* means an individual, corporation, company, association, authority, firm, partnership, society, State, and local government, regardless of whether such entity is operated for profit or not for profit. This term

§21.110

excludes an Indian tribe, tribal organization, or any other Indian organization with respect to expenditures specifically permitted by other Federal law.

(m) *Reasonable compensation* means, with respect to a regularly employed officer or employee of any person, compensation that is consistent with the normal compensation for such officer or employee for work that is not furnished to, not funded by, or not furnished in cooperation with the Federal Government.

(n) *Reasonable payment* means, with respect to professional and other technical services, a payment in an amount that is consistent with the amount normally paid for such services in the private sector.

(o) *Recipient* includes all contractors, subcontractors at any tier, and subgrantees at any tier of the recipient of funds received in connection with a Federal contract, grant, loan, or cooperative agreement. The term excludes an Indian tribe, tribal organization, or any other Indian organization with respect to expenditures specifically permitted by other Federal law.

(p) *Regularly employed* means, with respect to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement or a commitment providing for the United States to insure or guarantee a loan, an officer or employee who is employed by such person for at least 130 working days within one year immediately preceding the date of the submission that initiates agency consideration of such person for receipt of such contract, grant, loan, cooperative agreement, loan insurance commitment, or loan guarantee commitment. An officer or employee who is employed by such person for less than 130 working days within one year immediately preceding the date of the submission that initiates agency consideration of such person shall be considered to be regularly employed as soon as he or she is employed by such person for 130 working days.

§21.110 Certification and disclosure.

(a) Each person shall file a certification, and a disclosure form, if required, with each submission that initiates agency consideration of such person for:

(1) Award of a Federal contract, grant, or cooperative agreement exceeding \$100,000; or

(2) An award of a Federal loan or a commitment providing for the United States to insure or guarantee a loan exceeding \$150,000.

(b) Each person shall file a certification, and a disclosure form, if required, upon receipt by such person of:

(1) A Federal contract, grant, or cooperative agreement exceeding \$100,000; or

(2) A Federal loan or a commitment providing for the United States to insure or guarantee a loan exceeding \$150,000, unless such person previously filed a certification, and a disclosure form, if required, under paragraph (a) of this section.

(c) Each person shall file a disclosure form at the end of each calendar quarter in which there occurs any event that requires disclosure or that materially affects the accuracy of the information contained in any disclosure form previously filed by such person under paragraph (a) or (b) of this section. An event that materially affects the accuracy of the information reported includes:

(1) A cumulative increase of \$25,000 or more in the amount paid or expected to be paid for influencing or attempting to influence a covered Federal action; or

(2) A change in the person(s) or individual(s) influencing or attempting to influence a covered Federal action; or,

(3) A change in the officer(s), employee(s), or Member(s) contacted to influence or attempt to influence a covered Federal action.

(d) Any person who requests or receives from a person referred to in paragraph (a) or (b) of this section:

(1) A subcontract exceeding \$100,000 at any tier under a Federal contract;

(2) A subgrant, contract, or subcontract exceeding \$100,000 at any tier under a Federal grant;

(3) A contract or subcontract exceeding \$100,000 at any tier under a Federal loan exceeding \$150,000; or,

(4) A contract or subcontract exceeding \$100,000 at any tier under a Federal cooperative agreement, shall file a certification, and a disclosure form, if required, to the next tier above.

(e) All disclosure forms, but not certifications, shall be forwarded from tier to tier until received by the person referred to in paragraph (a) or (b) of this section. That person shall forward all disclosure forms to the agency.

(f) Any certification or disclosure form filed under paragraph (e) of this section shall be treated as a material representation of fact upon which all receiving tiers shall rely. All liability arising from an erroneous representation shall be borne solely by the tier filing that representation and shall not be shared by any tier to which the erroneous representation is forwarded. Submitting an erroneous certification or disclosure constitutes a failure to file the required certification or disclosure, respectively. If a person fails to file a required certification or disclosure, the United States may pursue all available remedies, including those authorized by section 1352, title 31, U.S. Code.

(g) For awards and commitments in process prior to December 23, 1989, but not made before that date, certifications shall be required at award or commitment, covering activities occurring between December 23, 1989, and the date of award or commitment. However, for awards and commitments in process prior to the December 23, 1989 effective date of these provisions, but not made before December 23, 1989, disclosure forms shall not be required at time of award or commitment but shall be filed within 30 days.

(h) No reporting is required for an activity paid for with appropriated funds if that activity is allowable under either subpart B or C.

Subpart B—Activities by Own Employees

§ 21.200 Agency and legislative liaison.

(a) The prohibition on the use of appropriated funds, in §21.100 (a), does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement if the payment is for agency and legislative liaison activities not directly related to a covered Federal action.

(b) For purposes of paragraph (a) of this section, providing any information specifically requested by an agency or Congress is allowable at any time.

(c) For purposes of paragraph (a) of this section, the following agency and legislative liaison activities are allowable at any time only where they are not related to a specific solicitation for any covered Federal action:

(1) Discussing with an agency (including individual demonstrations) the qualities and characteristics of the person's products or services, conditions or terms of sale, and service capabilities; and,

(2) Technical discussions and other activities regarding the application or adaptation of the person's products or services for an agency's use.

(d) For purposes of paragraph (a) of this section, the following agencies and legislative liaison activities are allowable only where they are prior to formal solicitation of any covered Federal action:

(1) Providing any information not specifically requested but necessary for an agency to make an informed decision about initiation of a covered Federal action;

(2) Technical discussions regarding the preparation of an unsolicited proposal prior to its official submission; and,

(3) Capability presentations by persons seeking awards from an agency pursuant to the provisions of the Small Business Act, as amended by Pub. L. 95-507 and other subsequent amendments.

(e) Only those activities expressly authorized by this section are allowable under this section.

§ 21.205

§ 21.205 Professional and technical services.

(a) The prohibition on the use of appropriated funds, in § 21.100 (a), does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement or an extension, continuation, renewal, amendment, or modification of a Federal contract, grant, loan, or cooperative agreement if payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal contract, grant, loan, or cooperative agreement or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal contract, grant, loan, or cooperative agreement.

(b) For purposes of paragraph (a) of this section, “professional and technical services” shall be limited to advice and analysis directly applying any professional or technical discipline. For example, drafting of a legal document accompanying a bid or proposal by a lawyer is allowable. Similarly, technical advice provided by an engineer on the performance or operational capability of a piece of equipment rendered directly in the negotiation of a contract is allowable. However, communications with the intent to influence made by a professional (such as a licensed lawyer) or a technical person (such as a licensed accountant) are not allowable under this section unless they provide advice and analysis directly applying their professional or technical expertise and unless the advice or analysis is rendered directly and solely in the preparation, submission or negotiation of a covered Federal action. Thus, for example, communications with the intent to influence made by a lawyer that do not provide legal advice or analysis directly and solely related to the legal aspects of his or her client’s proposal, but generally advocate one proposal over another are not allowable under this section because the lawyer is not providing professional legal services. Similarly, communications with the intent to influence made by an engi-

neer providing an engineering analysis prior to the preparation or submission of a bid or proposal are not allowable under this section since the engineer is providing technical services but not directly in the preparation, submission or negotiation of a covered Federal action.

(c) Requirements imposed by or pursuant to law as a condition for receiving a covered Federal award include those required by law or regulation, or reasonably expected to be required by law or regulation, and any other requirements in the actual award documents.

(d) Only those services expressly authorized by this section are allowable under this section.

§ 21.210 Reporting.

No reporting is required with respect to payments of reasonable compensation made to regularly employed officers or employees of a person.

Subpart C—Activities by Other Than Own Employees

§ 21.300 Professional and technical services.

(a) The prohibition on the use of appropriated funds, in § 21.100 (a), does not apply in the case of any reasonable payment to a person, other than an officer or employee of a person requesting or receiving a covered Federal action, if the payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal contract, grant, loan, or cooperative agreement or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal contract, grant, loan, or cooperative agreement.

(b) The reporting requirements in § 21.110 (a) and (b) regarding filing a disclosure form by each person, if required, shall not apply with respect to professional or technical services rendered directly in the preparation, submission, or negotiation of any commitment providing for the United States to insure or guarantee a loan.

(c) For purposes of paragraph (a) of this section, “professional and technical services” shall be limited to advice and analysis directly applying any professional or technical discipline. For example, drafting or a legal document accompanying a bid or proposal by a lawyer is allowable. Similarly, technical advice provided by an engineer on the performance or operational capability of a piece of equipment rendered directly in the negotiation of a contract is allowable. However, communications with the intent to influence made by a professional (such as a licensed lawyer) or a technical person (such as a licensed accountant) are not allowable under this section unless they provide advice and analysis directly applying their professional or technical expertise and unless the advice or analysis is rendered directly and solely in the preparation, submission or negotiation of a covered Federal action. Thus, for example, communications with the intent to influence made by a lawyer that do not provide legal advice or analysis directly and solely related to the legal aspects of his or her client’s proposal, but generally advocate one proposal over another are not allowable under this section because the lawyer is not providing professional legal services. Similarly, communications with the intent to influence made by an engineer providing an engineering analysis prior to the preparation or submission of a bid or proposal are not allowable under this section since the engineer is providing technical services but not directly in the preparation, submission or negotiation of a covered Federal action.

(d) Requirements imposed by or pursuant to law as a condition for receiving a covered Federal award include those required by law or regulation, or reasonably expected to be required by law or regulation, and any other requirements in the actual award documents.

(e) Persons other than officers or employees of a person requesting or receiving a covered Federal action include consultants and trade associations.

(f) Only those services expressly authorized by this section are allowable under this section.

Subpart D—Penalties and Enforcement

§ 21.400 Penalties.

(a) Any person who makes an expenditure prohibited herein shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such expenditure.

(b) Any person who fails to file or amend the disclosure form (see Appendix B) to be filed or amended if required herein, shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

(c) A filing or amended filing on or after the date on which an administrative action for the imposition of a civil penalty is commenced does not prevent the imposition of such civil penalty for a failure occurring before that date. An administrative action is commenced with respect to a failure when an investigating official determines in writing to commence an investigation of an allegation of such failure.

(d) In determining whether to impose a civil penalty, and the amount of any such penalty, by reason of a violation by any person, the agency shall consider the nature, circumstances, extent, and gravity of the violation, the effect on the ability of such person to continue in business, any prior violations by such person, the degree of culpability of such person, the ability of the person to pay the penalty, and such other matters as may be appropriate.

(e) First offenders under paragraphs (a) or (b) of this section shall be subject to a civil penalty of \$10,000, absent aggravating circumstances. Second and subsequent offenses by persons shall be subject to an appropriate civil penalty between \$10,000 and \$100,000, as determined by the agency head or his or her designee.

(f) An imposition of a civil penalty under this section does not prevent the United States from seeking any other remedy that may apply to the same conduct that is the basis for the imposition of such civil penalty.

§ 21.405

§ 21.405 Penalty procedures.

Agencies shall impose and collect civil penalties pursuant to the provisions of the Program Fraud and Civil Remedies Act, 31 U.S.C. sections 3803 (except subsection (c)), 3804, 3805, 3806, 3807, 3808, and 3812, insofar as these provisions are not inconsistent with the requirements herein.

§ 21.410 Enforcement.

The head of each agency shall take such actions as are necessary to ensure that the provisions herein are vigorously implemented and enforced in that agency.

Subpart E—Exemptions

§ 21.500 Secretary of Defense.

(a) The Secretary of Defense may exempt, on a case-by-case basis, a covered Federal action from the prohibition whenever the Secretary determines, in writing, that such an exemption is in the national interest. The Secretary shall transmit a copy of each such written exemption to Congress immediately after making such a determination.

(b) The Department of Defense may issue supplemental regulations to implement paragraph (a) of this section.

Subpart F—Agency Reports

§ 21.600 Semi-annual compilation.

(a) The head of each agency shall collect and compile the disclosure reports (see Appendix B) and, on May 31 and November 30 of each year, submit to the Secretary of the Senate and the Clerk of the House of Representatives a report containing a compilation of the information contained in the disclosure reports received during the six-month period ending on March 31 or September 30, respectively, of that year.

(b) The report, including the compilation, shall be available for public inspection 30 days after receipt of the report by the Secretary and the Clerk.

(c) Information that involves intelligence matters shall be reported only to the Select Committee on Intelligence of the Senate, the Permanent Select Committee on Intelligence of

31 CFR Subtitle A (7–1–10 Edition)

the House of Representatives, and the Committees on Appropriations of the Senate and the House of Representatives in accordance with procedures agreed to by such committees. Such information shall not be available for public inspection.

(d) Information that is classified under Executive Order 12356 or any successor order shall be reported only to the Committee on Foreign Relations of the Senate and the Committee on Foreign Affairs of the House of Representatives or the Committees on Armed Services of the Senate and the House of Representatives (whichever such committees have jurisdiction of matters involving such information) and to the Committees on Appropriations of the Senate and the House of Representatives in accordance with procedures agreed to by such committees. Such information shall not be available for public inspection.

(e) The first semi-annual compilation shall be submitted on May 31, 1990, and shall contain a compilation of the disclosure reports received from December 23, 1989 to March 31, 1990.

(f) Major agencies, designated by the Office of Management and Budget (OMB), are required to provide machine-readable compilations to the Secretary of the Senate and the Clerk of the House of Representatives no later than with the compilations due on May 31, 1991. OMB shall provide detailed specifications in a memorandum to these agencies.

(g) Non-major agencies are requested to provide machine-readable compilations to the Secretary of the Senate and the Clerk of the House of Representatives.

(h) Agencies shall keep the originals of all disclosure reports in the official files of the agency.

§ 21.605 Inspector General report.

(a) The Inspector General, or other official as specified in paragraph (b) of this section, of each agency shall prepare and submit to Congress each year, commencing with submission of the President's Budget in 1991, an evaluation of the compliance of that agency with, and the effectiveness of, the requirements herein. The evaluation may include any recommended changes that

may be necessary to strengthen or improve the requirements.

(b) In the case of an agency that does not have an Inspector General, the agency official comparable to an Inspector General shall prepare and submit the annual report, or, if there is no such comparable official, the head of the agency shall prepare and submit the annual report.

(c) The annual report shall be submitted at the same time the agency submits its annual budget justifications to Congress.

(d) The annual report shall include the following: All alleged violations relating to the agency's covered Federal actions during the year covered by the report, the actions taken by the head of the agency in the year covered by the report with respect to those alleged violations and alleged violations in previous years, and the amounts of civil penalties imposed by the agency in the year covered by the report.

(a) Subject to the provisions of paragraph (b) of this section, the principal and interest payment schedule and maturity of the Private Loan must be the same as the payment schedules and maturities of the Eligible FMS Loans or Eligible FMS Advances, as the case may be, which the Borrower has se-

lected to prepay with the proceeds of the Private Loan.

(b) Notwithstanding the preceding paragraph, an Eligible Private Lender that proposes to make a Private Loan, the proceeds of which will be used to prepay Eligible FMS Loans or Eligible FMS Advances, as the case may be, having differing payment structures and maturities, may:

(1) Consolidate the differing payment structures of the Eligible FMS Loans or the Eligible FMS Advances, as the case may be, into a single payment structure which complies with the following criteria:

(i) The Private Loan shall have one set of semi-annual payment dates;

(ii) Interest on and principal of the Private Loan shall be payable semi-annually; and

(iii) The amount of principal to be paid each year on account of the Private Loan shall be equal (rounded to the nearest \$1,000.00 if desired, except for the final payment) to the aggregate amount of principal that is scheduled to be paid in such year on account of the respective Eligible FMS Loans or Eligible FMS Advances; or

(2) Consolidate the differing payment structures and maturities of the Eligible FMS Loans or the Eligible FMS Advances, as the case may be, into a single payment structure and maturity complying with the following criteria:

(i) The final maturity date of the Private Loan shall be the approximate weighted average of the final maturity dates of the Eligible FMS Loans or the Eligible FMS Advances with respect to which the Borrower has selected to prepay amounts thereof permitted by this part to be prepaid;

(ii) The initial principal payment date of the Private Loan shall occur no later than the earliest scheduled principal payment date of the Eligible FMS Loans or the Eligible FMS Advances with respect to which the Borrower has selected to prepay amounts thereof permitted by this part to be prepaid;

(iii) The Private Loan shall have one set of semi-annual payment dates;

(iv) Interest on the Private Loan shall be payable semi-annually; and

(v) The principal of the Private Loan shall be payable in equal installments

§ 25.401

(rounded to the nearest \$1,000.00 if desired, except for the final payment) and shall be payable either semi-annually or annually.

§ 25.401 Fees.

The interest rate on the Private Loan may include compensation for costs at prevailing market rates with the agreement of the Borrower and the Eligible Private Lender selected by the Borrower.

§ 25.402 Transferability.

Each Private Loan Note, with the Guaranty attached, shall be fully and freely transferable to any Permitted Guaranty Holder.

§ 25.403 Registration.

The Guaranty shall cease to be effective with respect to the Private Loan or any Private Loan Portion or any Derivative to the extent that the Private Loan or the respective Private Loan Portion or the respective Derivative, as the case may be, is used to provide significant support for a Non-Registered Obligation.

§ 25.404 Non-separability.

(a) The Guaranty shall cease to be effective with respect to any Guaranteed Loan Amount or any Guaranteed Loan Portion Amount or any Guaranteed-Amount Equivalent to the extent that:

(1) The Guaranteed Amount or the respective Guaranteed Loan Portion Amount or the respective Guaranteed-Amount Equivalent, as the case may be, is separated at any time from the Unguaranteed Loan Amount or the respective Unguaranteed Loan Portion Amount or the respective Unguaranteed-Amount Equivalent, as the case may be, in any way, directly or through the issuance of any Guaranteed-Amount Equity Derivative or any Guaranteed-Amount Debt Derivative; or

(2) Any holder of the Private Loan Note or any Private Loan Portion Note or any Derivative, as the case may be, having a claim to payments on the Private Loan receives more than 90 percent of any payment due to such holder from payments made under the Guaranty at any time during the term of the Private Loan.

31 CFR Subtitle A (7-1-10 Edition)

(b) Notwithstanding the preceding paragraph, if any Guaranteed-Amount Debt Derivative is issued, the Guaranty shall not cease to be effective with respect to any Guaranteed Loan Amount or any Guaranteed Loan Portion Amount or any Guaranteed-Amount Equivalent, as the case may be, if both of the circumstances described in paragraphs (b)(1) and (b)(2) of this section.

(1) A Borrower shall have delivered to the Secretary of the treasury evidence, in form and substance satisfactory to the Secretary of the Treasury, that the Interest Rate Difference will be substantial.

(i) To be considered, the evidence must meet the following requirements:

(A) The Borrower must show that the Interest Rate Difference is directly attributable to paragraph (a) of this section being applied to the Private Loan, that is, that the Interest Rate Difference will exist even when all other financing terms of the Private Loan, including any collateralization of the Unguaranteed Loan Amount or the respective Unguaranteed Loan Portion Amount or the respective Unguaranteed-Amount Equivalent, as the case may be, are identical;

(B) When calculating the Interest Rate Difference, the Borrower must assume that the Unguaranteed Loan Amount or the respective Unguaranteed Loan Portion Amount or the respective Unguaranteed-Amount Equivalent, as the case may be, will be collateralized by securities backed by the full faith and credit of the United States, unless the Borrower is legally prohibited from so collateralizing the Unguaranteed Loan Amount or the respective Unguaranteed Loan Portion Amount or the respective Unguaranteed-Amount Equivalent, as the case may be, or the Borrower has demonstrated to the satisfaction of the Secretary of the Treasury that the Borrower is unable to so collateralize the Unguaranteed Loan Amount or the respective Unguaranteed Loan Portion Amount or the respective Unguaranteed-Amount Equivalent;

(C) If the Borrower is legally prohibited from collateralizing the Unguaranteed Loan Amount or the respective Loan Guaranteed Portion

Amount or the respective Unguaranteed-Amount Equivalent, as the case may be, with securities backed by the full faith and credit of the United States or has demonstrated to the satisfaction of the Secretary of the Treasury that the Borrower is unable to so collateralize the Unguaranteed Loan Amount or the respective Unguaranteed Loan Portion Amount or the respective Unguaranteed-Amount Equivalent, as the case may be, then the Borrower may calculate the Interest Rate Difference using whatever collateralization assumptions the Borrower elects;

(D) If the Borrower delivers evidence to the Secretary of the Treasury respecting the Interest Rate Difference, which evidence assumes either that the Unguaranteed Loan Amount or the respective Unguaranteed Loan Portion Amount or the respective Unguaranteed-Amount Equivalent, as the case may be, will not be collateralized at all or that the Unguaranteed Loan Amount or the respective Unguaranteed Loan Portion Amount or the respective Unguaranteed-Amount Equivalent, as the case may be, will be collateralized, but not by securities backed by the full faith and credit of the United States, then the Borrower must also deliver to the Secretary of the Treasury the written agreement of the Borrower, which agreement shall be in form and substance satisfactory to the Secretary of the Treasury, that the Borrower will not collateralize the Unguaranteed Loan Amount or the respective Unguaranteed Loan Portion Amount or the respective Unguaranteed-Amount Equivalent, as the case may be, at any time during the term of the Private Loan in any way different from the assumptions used in calculating the Interest Rate Difference; and

(E) The Borrower must deliver to the Secretary of the Treasury the evidence pertaining to the Interest Rate Difference at the time that the Borrower submits to DSAA its plan for prepayment, if any, if no plan of prepayment is submitted, then no later than 10 days prior to the time that the Borrower submits to DSAA its prepayment application.

(ii) If the Secretary of the Treasury determines that the evidence submitted by the Borrower pertaining to the Interest Rate Difference is satisfactory in form and in substance, and that the Interest Rate Difference is substantial, a modified version of the Guaranty (deleting therefrom the provision that the Guaranty shall cease to be effective if any Guaranteed-Amount Debt Derivative is issued) will be attached to the Private Loan Note or the Private Loan Portion Notes, as the case may be.

(2) The Secretary of the Treasury shall have determined, in the sole discretion of the Secretary of the Treasury, that the respective Borrower's loan prepayment at par pursuant to subsection (a) of the Act through the issuance of any Guaranteed-Amount Debt Derivative is necessary to achieve the international economic policy interests of the United States.

§ 25.405 Form of guaranty.

(a) The Guaranty that will be attached to the Private Loan Note on the Closing Date shall be in the following form (except that the bracketed words shall be deleted if the conditions specified in § 25.404(b) shall have occurred):

For Value Received, the Defense Security Assistance Agency of the Department of Defense ("DSAA"), hereby guarantees to (Name of Lender) ("Lender"), incorporated under the laws of (U.S. State or other U.S. jurisdiction) or if not so incorporated or organized, then the principal place of doing business is (U.S. location, address, and zip code), under the authority of Section 24 of the Arms Export Control Act, as amended ("Act"), the due and punctual payment of ninety percent (90%) of amounts due: (1) on the promissory note ("Note") in the principal amount of up to \$ _____ dated _____ issued to the Lender by the Government of (Name of Borrower) ("Borrower") pursuant to the Loan Agreement between the Lender and the Borrower dated the ____th day of _____ ("Agreement"); and (2) the Lender from the Borrower pursuant to the Agreement.

This Guaranty is a guaranty of payment covering all political and credit risks of nonpayment, including any nonpayment arising out of any claim which the Borrower may now or hereafter have against any person, corporation, or other entity (including without limitation, the United States, the Lender, and any supplier of defense items) in connection with any transaction, for any reason whatsoever. This Guaranty shall inure to the

§ 25.405

benefit of and shall be enforceable by the Lender and any Permitted Guaranty Holder (as hereinafter defined). This Guaranty shall not be impaired by any law, regulation or decree of the Borrower now or hereafter in effect which might in any manner change any of the terms of the Note or Agreement. The obligation of DSAA hereunder shall be binding irrespective of the irregularity, invalidity or unenforceability under any laws, regulations or decrees of the Borrower of the Note, the Agreement or other instruments related thereto.

DSAA hereby waives diligence, demand, protest, presentment and any requirement that the Lender exhaust any right or power to take any action against the Borrower and any notice of any kind whatsoever other than the demand for payment required to be given to DSAA hereunder in the event of default on a payment due under the Note.

In the event of failure of the Borrower to make payment, when and as due, of any installment of principal or interest under the Note, the DSAA shall make payment immediately to the Lender upon demand to the DSAA after the Borrower's failure to pay has continued for 10 calendar days. The amount payable under this Guaranty shall be ninety percent (90%) of the amount of the overdue installment of principal and interest, plus ninety percent (90%) of any and all late charges and interest thereon as provided in the Agreement. Upon payment by DSAA to the Lender, the Lender will assign to DSAA, without recourse or warranty, ninety percent (90%) of all of its rights in the Note and the Agreement with respect to such payment.

In the event of a default under the Agreement or the Note by the Borrower and so long as this Guaranty is in effect and the DSAA is not in default hereunder:

(i) The Lender or other Permitted Guaranty Holder shall not accelerate or reschedule payment of the principal or interest on the Note or any other note of the Borrower guaranteed by DSAA except with the written approval of DSAA; and

(ii) The Lender or other Permitted Guaranty Holder shall, if so directed by DSAA, invoke the default provisions of the Agreement.

Subject to the limitations set forth below, the Lender's rights under this Guaranty may be assigned to any "Permitted Guaranty Holder," that is: (1) An individual domiciled in the United States; (2) a corporation incorporated, chartered or otherwise organized in the United States; or (3) a partnership or other juridical entity doing business in the United States. In the event of such assignment DSAA shall be promptly notified. The Lender will not agree to any material amendment of the Agreement or Note or consent to any material deviation from the

31 CFR Subtitle A (7-1-10 Edition)

provisions thereof without the prior written consent of DSAA.

Permitted Guaranty Holders shall be severally bound by, and shall be severally entitled to, the rights and obligations of the Lender under the Note, the Agreement, and this Guaranty. The Lender shall maintain a current, accurate written record of the names, addresses, amount of financial interest in the Note and Agreement, and date of acquisition of such interest of each Permitted Guaranty Holder and shall furnish DSAA a copy of such record on its demand without charge. No assignment by the Lender or by any Permitted Guaranty Holder shall be effective for purposes of this Guaranty unless and until so recorded by the Lender.

The total amount of this Guaranty shall not at any time exceed ninety percent (90%) of the outstanding principal, unpaid accrued interest and arrearages, if any, under the Agreement and the Note, including any portion of the Note, or any derivative of the Note or any portion of the Note.

This Guaranty shall cease to be effective with respect to the guaranteed amount of the total amount of the Note (the "Guaranteed Loan Amount") or with respect to the guaranteed amount of any portion of the Note (the "Guaranteed Loan Portion Amount") [or with respect to the amount of any derivative or derivatives of the Note or any portion of the Note equal, or in the aggregate equal, in principal amount to the total amount of the Note or such portion of the Note, as the case may be, which amount of such derivative or derivatives is equal to the respective Guaranteed Loan Amount or Guaranteed Loan Portion Amount, as the case may be (the "Guaranteed-Amount Equivalent")] to the extent that (1) the Guaranteed Loan Amount or the respective Guaranteed Loan Portion Amount [or the respective Guaranteed-Amount Equivalent], as the case may be, is at any time separated from the unguaranteed amount of the total amount of the Note or the unguaranteed amount of the respective portion of the Note [or the amount of such derivative or derivatives of the Note which is not the amount which is equal to the Guaranteed Loan Amount or Guaranteed Loan Portion Amount, as the case may be], in any way, (a) directly, or (b) through the issuance of participation shares of, or undivided ownership or other equity interests in, the Note, or any portion of the Note, or any derivative of the Note or any portion of the Note, which have an exclusive or preferred claim to the Guaranteed Loan Amount or the respective Guaranteed Loan Portion Amount [or the respective Guaranteed-Amount Equivalent], as the case may be [or (c) through the issuance of

notes, bonds or other debt instruments or obligations which are collateralized or otherwise secured by a pledge of, or security interest in, the Note, or any portion of the Note or any derivative of the Note, which has an exclusive or preferred claim to the Guaranteed Loan Amount or the respective Guaranteed Loan Portion Amount or the respective Guaranteed-Amount Equivalent, as the case may be; or (2) any holder of the Note, or any portion of the Note, or any derivative of the Note or any portion of the Note, as the case may be, having claim to payment made on the Note, receives more than ninety percent of any payment due to such holder from payments made under this Guaranty at any time during the term of the Note or the Agreement.

This Guaranty is fully and freely transferable to any Permitted Guaranty Holder, except that it shall cease to be effective with respect to the Agreement or the Note, or any portion of the Note, or any derivative of the Note or any portion of the Note, to the extent that the Agreement or the Note, or the respective portion of the Note, or the respective derivative of the Note or any portion of the Note, as the case may be, is used to provide significant support for any non-registered obligation.

The full faith and credit of the United States is pledged to the performance of this Guaranty. No claim which the United States may now or hereafter have against the Lender or any Permitted Guaranty Holder for any reason whatsoever shall affect in any way the right of the Lender or any Permitted Guaranty Holder to receive full and prompt payment of any amount otherwise due under this Guaranty. The United States represents and warrants that (a) it has full power, authority and legal right to execute, deliver and perform this Guaranty, (b) this Guaranty has been executed in accordance with and pursuant to the terms and provisions of section 24 of the Act, the provisions of the Foreign Operations, Export Financing, and Related Programs Appropriations Act, 1988, under the hearing "Foreign Military Sales Debt Reform," and title 31, part 25, of the Code of Federal Regulations, (c) this Guaranty has been duly executed and delivered by a duly authorized representative of DSAA, and (d) this Guaranty constitutes the valid and legally binding obligations of the United States, enforceable in accordance with the terms hereof.

Any notice, demand, or other communication hereunder shall be deemed to have been given if in writing and actually delivered to the Comptroller, DSAA, the Pentagon, Washington, DC 20301-2800, or the successor, or such other place as may be designated in writing by the Comptroller, DSAA or the successor thereof.

§ 26.4 Comments on MDB projects.

(a) *Public comments*—(1) *Written comments* (i) A member of the public wishing to provide written comments on a MDB project must provide 2 copies of the comments to the Office of Multilateral Development Banks, U.S. Department of the Treasury, 1500 Pennsylvania Avenue NW., room 5400, Washington, DC 20220. Written comments should be submitted not later than two weeks after the member of the public has access to the particular document on which it wishes to offer comments—either the project listing, the EIA Summary, or the EIA for a particular project. Written public comments will be provided by the MDB Office to the U.S. Government agencies participating in meetings of the Working Group for Multilateral Assistance (WGMA), which meetings are described in § 26.4(c). The WGMA is an intergovernmental subcommittee of the Development Coordination Committee whose functions are set forth in the Presidential announcement of May 19, 1978, Vol. 14, No. 20, p. 932 of the Weekly Compilation of Presidential Documents. The WGMA meets to discuss the U.S. position on upcoming MDB projects.

(ii) All written comments will be available for inspection and copying in their entirety in the Department of the Treasury Library, 1500 Pennsylvania Avenue NW., Washington, DC ((202) 622-0990). (2) *Oral comments*. Oral comments from a member of the public may be made in periodic meetings convened by the BIC. Information concerning these meetings may be obtained by contacting the BIC or the MDB Office. The MDB Office will summarize and present such comments in the WGMA meetings described in § 26.4(c).

(b) *U.S. agency comments*. Comments from U.S. agencies shall be provided through the WGMA.

(c) *Consideration of comments*. The WGMA will consider all comments made by the public and U.S. agencies. The WGMA may review a project up to

three times. The first review will consider whether the project has been assigned the appropriate environmental category by the MDB. This review will take place as far in advance as possible of Board consideration of the project. The second review will consider the EIA Summary or the EIA (or information discussed in § 26.5(b)(1)), and comments received from the public on such documentation. The third WGMA review, which will take place shortly before Board consideration of the project, will consider the position of the U.S. Government on the project.

§ 26.5 Upgrades and additional environmental information.

(a) *Environmental category upgrades*. If the WGMA and the Department of the Treasury determine that a project would have a significant impact on the human environment, but that the level of environmental analysis planned by the MDB is insufficient, the Department of the Treasury will instruct the United States Executive Director of the concerned MDB to request that the MDB upgrade the project to an environmental category requiring additional environmental analysis. Members of the public may call the MDB Office to inquire about upgrade requests for specific projects.

(b) *Additional environmental information*. (1) If the WGMA and the Department of the Treasury determine on the basis of the first WGMA review that:

(i) A MDB project would have a significant impact on the human environment, and

(ii) The MDB appears to have made an appropriate decision that such project merits environmental analysis, but less than a full-fledged environmental impact assessment as defined by that MDB's own procedures, the Department of the Treasury will obtain, through the United States Executive Director of the concerned MDB, such environmental information from the MDB (*e.g.*, environmental chapters from project feasibility studies or environmental data sheets) which contains this environmental analysis. The MDB Office will provide this environmental information to the entities described in § 26.2(a).

(2) If such environmental information is insufficient to provide an adequate basis for analyzing the environmental impact of the proposed project and alternatives to the proposed project, the Department of the Treasury will instruct the United States Executive Director of the concerned MDB not to vote in favor of the project.

The assessing official will consider relevant factors when determining whether to assess or impose a civil penalty under this part, and the amount of a civil monetary penalty. Those factors may include, but are not limited to, the following:

- (a) The scope of the misuse;
- (b) The purpose and/or nature of the misuse;
- (c) The extent of the harm caused by the misuse;
- (d) The circumstances of the misuse; and
- (e) The benefit intended to be derived from the misuse.

§ 27.5

31 CFR Subtitle A (7-1-10 Edition)

§ 27.5 Initial Notice of Assessment.

The assessing official shall serve an Initial Notice of Assessment by United States mail or other means upon any person believed to be in violation of § 27.3 and otherwise subject to a civil penalty. The notice shall provide the name and telephone number of an agency officer or employee who can provide information concerning the notice and the provisions of this part, and shall include the following:

(a) A specific reference to the provisions of § 27.3 violated;

(b) A concise statement of the facts that support the conclusion that such a violation occurred;

(c) The amount of the penalty proposed, and/or any other proposed civil or equitable remedy;

(d) A notice informing the person alleged to be in violation of § 27.3 that he/she:

(1) May, within 30 days of the date of the notice, pay the proposed civil monetary penalty and consent to each proposed civil or equitable remedy, thereby waiving the right to make a written response under § 27.6 and to seek judicial review under § 27.8:

(i) By electronic funds transfer (EFT) in accordance with instructions provided in the notice, or

(ii) By means other than EFT only with the written approval of the assessing official;

(2) May make a written response within 30 days of the date of the notice asserting, as appropriate:

(i) Why a civil monetary penalty and/or other civil or equitable remedy should not be imposed;

(ii) Why a civil monetary penalty should be in a lesser amount than proposed; and

(iii) Why the terms of a proposed civil or equitable remedy should be modified;

(3) May be represented by an attorney or other representative, provided that a designation of representative signed by the person alleged to be in violation is received by the assessing official; and

(4) May request, within 20 days of the date of the notice, a copy of or opportunity to review any documents and/or other evidence compiled and relied on by the agency in determining to issue

the notice (the assessing official reserves the right to assert privileges available under law and may decline to disclose certain documents and/or other evidence); and

(e) The Initial Notice of Assessment shall also inform the person that:

(1) If no written response is received within the time allowed in § 27.6(b), a Final Notice of Assessment may be issued without a presentation by the person;

(2) If a written response has been made and it is deemed necessary, the assessing official may request, orally or in writing, additional information from the respondent;

(3) A Final Notice of Assessment may be issued in accordance with § 27.7 requiring that the civil monetary penalty be paid and compliance with the terms of any other civil or equitable remedy;

(4) A Final Notice of Assessment is subject to judicial review in accordance with 5 U.S.C. 701 *et seq.*; and

(5) All submissions sent in response to the Initial

Notice of Assessment must be transmitted to the address specified in the notice and include the name, address, and telephone number of the respondent.

§ 27.6 Written response.

(a)(1) A person served with an Initial Notice of Assessment may make a written response explaining why the civil penalty should not be imposed, explaining why a civil monetary penalty should be in a lesser amount than proposed and/or explaining why the terms of a proposed civil or equitable remedy should be modified. The written response must provide:

(i) A reference to and specifically identify the Initial Notice of Assessment involved;

(ii) The full name of the person charged;

(iii) If not a natural person, the name and title of the head of the organization charged; and

(iv) If a representative of the person charged is filing the written response, a copy of the duly executed designation as representative.

(2) The written response must admit or deny each violation of § 27.3 charged

in the Initial Notice of Assessment. Any charge not specifically denied will be presumed to be admitted. Where a charge is denied, the respondent shall specifically set forth the legal or factual basis upon which the charge is denied. If the basis of the written response is that the person charged is not the person responsible for the misuse(s) charged, the written response must set forth sufficient information to allow the agency to determine the truth of such an assertion. The written response should include any and all documents and/or other information that the respondent believes should be a part of the administrative record on the matter.

(b) *Time.* (1) Except as provided in paragraph (b)(2) of this section, any written response made under this paragraph must be received not later than 30 days after the date of the Initial Notice of Assessment.

(2) If a request for documents or other evidence is made pursuant to § 27.5(d)(4), the written response must be received not later than 20 days after the date of the Department's response to the request.

(3)(i) In computing the number of days allowed for filing a written response under this paragraph, the first day counted is the day after the date of the Initial Notice of Assessment. If the last date on which the response is required to be filed by this paragraph is a Saturday, Sunday or Federal holiday, the response will be due on the next weekday after that date.

(ii) If a response is transmitted by United States mail, it will be deemed timely filed if postmarked on or before the due date.

(4) The assessing official may extend the period for making a written response under paragraphs (b)(1) and (b)(2) for good cause shown. Generally, failure to obtain representation in a timely manner will not be considered good cause.

(c) *Filing.* A written response will be considered filed on the date received at the address specified in the Initial Notice of Assessment. The response may be sent by personal delivery, United States mail or commercial delivery. At the discretion of the assessing official, filing may be accomplished by fac-

simile or any other method deemed appropriate.

(d) The assessing official will fully consider the facts and arguments submitted by the respondent in the written response and any other documents filed pursuant to this paragraph in determining whether to issue a Final Notice of Assessment under § 27.7, the appropriate amount of the civil monetary penalty imposed and the terms of any other appropriate civil or equitable remedy.

§ 27.7 Final Notice of Assessment.

(a) In making a final determination whether to impose a penalty, the assessing official shall take into consideration all available information in the administrative record on the matter, including all information provided in or with a written response timely filed by the respondent and any additional information provided pursuant to § 27.5(e)(2). The assessing official will determine whether:

(1) The facts warrant a conclusion that no violation has occurred; or

(2) The facts warrant a conclusion that one or more violations have occurred; and

(3) The facts and violations found justify the conclusion that a civil penalty should be imposed.

(b) If the assessing official determines that no violation has occurred, the official shall promptly send a letter indicating that determination to the person served with an Initial Notice of Assessment and to any designated representative of such person.

(c)(1) If it has been determined that a violation has occurred, the assessing official shall issue a Final Notice of Assessment to the person served with an Initial Notice of Assessment and to any designated representative of such person.

(2) The assessing official may, in his/her discretion:

(i) Impose a civil monetary penalty and/or any civil or equitable remedy deemed necessary to rectify the potential for a continued misuse or harm from the violation(s);

(ii) Not impose a civil monetary penalty and/or civil or equitable remedy; or

§ 27.8

(iii) Impose a civil monetary penalty and/or civil or equitable remedy and condition payment of the civil monetary penalty on the violator's future compliance with 31 U.S.C. 333, this part and any civil or equitable remedy contained in the Final Notice of Assessment. If a civil monetary penalty is imposed, the assessing official shall determine the appropriate amount of the penalty in accordance with 31 U.S.C. 333(c)(2).

(3) The Final Notice of Assessment shall:

(i) Include:

(A) A specific reference to the provisions of § 27.3 found to have been violated;

(B) A concise statement of the facts warranting a conclusion that a violation has occurred;

(C) An analysis of how the facts and violation(s) justify the conclusion that a civil monetary penalty and/or civil or equitable remedy should be imposed; and

(D) The amount of each civil monetary penalty imposed, a statement as to how the amount of each penalty was determined, and the terms of any civil or equitable remedy deemed necessary to rectify the potential for a continued misuse or harm from the violation(s); and

(ii) Inform the person that:

(A) Payment of a civil monetary penalty imposed by the Final Notice of Assessment must be made within 30 days of the date of the notice, and that any civil or equitable remedy imposed must be complied with as provided in the Final Notice of Assessment;

(B) Payment of a civil monetary penalty imposed by the Final Notice of Assessment shall be by EFT in accordance with instructions provided in the notice, unless the assessing official has given written approval to have payment made by other means;

(C) payment of a civil monetary penalty imposed by the Final Notice of Assessment constitutes consent by the person to comply with the terms of any civil or equitable remedy contained in the notice;

(D) If payment of a civil monetary penalty imposed by the Final Notice of Assessment has been waived on the condition that the person comply with

31 CFR Subtitle A (7-1-10 Edition)

the terms of any civil or equitable remedy contained in the notice or comply in the future with 31 U.S.C. 333 and this part, failure by the person to so comply will make the civil monetary penalty payable on demand;

(E) If a civil monetary penalty is not paid within 30 days of the date of the Final Notice of Assessment (or on demand under paragraph (C)(3)(ii)(D) of this section), or if a civil or equitable remedy is not complied with in accordance with the terms of the notice, a civil action to collect the penalty or enforce compliance may be commenced at any time within two years of the date of the Final Notice of Assessment; and

(F) Any civil monetary penalty and civil or equitable remedy imposed by the Final Notice of Assessment may be subject to judicial review in accordance with 5 U.S.C. 701 et seq.

[65 FR 52865, 52881, 52882, Aug. 30, 2000]

§28.110 Remedial and affirmative action and self-evaluation.

(a) *Remedial action.* If the designated agency official finds that a recipient has discriminated against persons on the basis of sex in an education program or activity, such recipient shall take such remedial action as the designated agency official deems necessary to overcome the effects of such discrimination.

(b) *Affirmative action.* In the absence of a finding of discrimination on the basis of sex in an education program or activity, a recipient may take affirmative action consistent with law to overcome the effects of conditions that resulted in limited participation therein by persons of a particular sex. Nothing in these Title IX regulations shall be interpreted to alter any affirmative action obligations that a recipient may have under Executive Order 11246, 3 CFR, 1964-1965 Comp., p. 339; as amended by Executive Order 11375, 3 CFR, 1966-1970 Comp., p. 684; as amended by Executive Order 11478, 3 CFR, 1966-1970

Comp., p. 803; as amended by Executive Order 12086, 3 CFR, 1978 Comp., p. 230; as amended by Executive Order 12107, 3 CFR, 1978 Comp., p. 264.

(c) *Self-evaluation.* Each recipient education institution shall, within one year of September 29, 2000:

(1) Evaluate, in terms of the requirements of these Title IX regulations, its current policies and practices and the effects thereof concerning admission of students, treatment of students, and employment of both academic and non-academic personnel working in connection with the recipient's education program or activity;

(2) Modify any of these policies and practices that do not or may not meet the requirements of these Title IX regulations; and

(3) Take appropriate remedial steps to eliminate the effects of any discrimination that resulted or may have resulted from adherence to these policies and practices.

(d) *Availability of self-evaluation and related materials.* Recipients shall maintain on file for at least three years following completion of the evaluation required under paragraph (c) of this section, and shall provide to the designated agency official upon request, a description of any modifications made pursuant to paragraph (c)(2) of this section and of any remedial steps taken pursuant to paragraph (c)(3) of this section.

§28.115 Assurance required.

(a) *General.* Either at the application stage or the award stage, Federal agencies must ensure that applications for Federal financial assistance or awards of Federal financial assistance contain, be accompanied by, or be covered by a specifically identified assurance from the applicant or recipient, satisfactory to the designated agency official, that each education program or activity operated by the applicant or recipient and to which these Title IX regulations apply will be operated in compliance with these Title IX regulations. An assurance of compliance with these Title IX regulations shall not be satisfactory to the designated agency official if the applicant or recipient to whom such assurance applies fails to commit itself to take whatever remedial action is

§ 28.120

necessary in accordance with § 28.110(a) to eliminate existing discrimination on the basis of sex or to eliminate the effects of past discrimination whether occurring prior to or subsequent to the submission to the designated agency official of such assurance.

(b) *Duration of obligation.* (1) In the case of Federal financial assistance extended to provide real property or structures thereon, such assurance shall obligate the recipient or, in the case of a subsequent transfer, the transferee, for the period during which the real property or structures are used to provide an education program or activity.

(2) In the case of Federal financial assistance extended to provide personal property, such assurance shall obligate the recipient for the period during which it retains ownership or possession of the property.

(3) In all other cases such assurance shall obligate the recipient for the period during which Federal financial assistance is extended.

(c) *Form.* (1) The assurances required by paragraph (a) of this section, which may be included as part of a document that addresses other assurances or obligations, shall include that the applicant or recipient will comply with all applicable Federal statutes relating to nondiscrimination. These include but are not limited to: Title IX of the Education Amendments of 1972, as amended (20 U.S.C. 1681-1683, 1685-1688).

(2) The designated agency official will specify the extent to which such assurances will be required of the applicant's or recipient's subgrantees, contractors, subcontractors, transferees, or successors in interest.

§ 28.120 Transfers of property.

If a recipient sells or otherwise transfers property financed in whole or in part with Federal financial assistance to a transferee that operates any education program or activity, and the Federal share of the fair market value of the property is not upon such sale or transfer properly accounted for to the Federal Government, both the transferor and the transferee shall be deemed to be recipients, subject to the provisions of §§ 28.205 through 28.235(a).

31 CFR Subtitle A (7-1-10 Edition)

§ 28.125 Effect of other requirements.

(a) *Effect of other Federal provisions.* The obligations imposed by these Title IX regulations are independent of, and do not alter, obligations not to discriminate on the basis of sex imposed by Executive Order 11246, 3 CFR, 1964-1965 Comp., p. 339; as amended by Executive Order 11375, 3 CFR, 1966-1970 Comp., p. 684; as amended by Executive Order 11478, 3 CFR, 1966-1970 Comp., p. 803; as amended by Executive Order 12087, 3 CFR, 1978 Comp., p. 230; as amended by Executive Order 12107, 3 CFR, 1978 Comp., p. 264; sections 704 and 855 of the Public Health Service Act (42 U.S.C. 295m, 298b-2); Title VII of the Civil Rights Act of 1964 (42 U.S.C. 2000e *et seq.*); the Equal Pay Act of 1963 (29 U.S.C. 206); and any other Act of Congress or Federal regulation.

(b) *Effect of State or local law or other requirements.* The obligation to comply with these Title IX regulations is not obviated or alleviated by any State or local law or other requirement that would render any applicant or student ineligible, or limit the eligibility of any applicant or student, on the basis of sex, to practice any occupation or profession.

(c) *Effect of rules or regulations of private organizations.* The obligation to comply with these Title IX regulations is not obviated or alleviated by any rule or regulation of any organization, club, athletic or other league, or association that would render any applicant or student ineligible to participate or limit the eligibility or participation of any applicant or student, on the basis of sex, in any education program or activity operated by a recipient and that receives Federal financial assistance.

§ 28.130 Effect of employment opportunities.

The obligation to comply with these Title IX regulations is not obviated or alleviated because employment opportunities in any occupation or profession are or may be more limited for members of one sex than for members of the other sex.

§ 28.135 Designation of responsible employee and adoption of grievance procedures.

(a) *Designation of responsible employee.* Each recipient shall designate at least one employee to coordinate its efforts to comply with and carry out its responsibilities under these Title IX regulations, including any investigation of any complaint communicated to such recipient alleging its noncompliance with these Title IX regulations or alleging any actions that would be prohibited by these Title IX regulations. The recipient shall notify all its students and employees of the name, office address, and telephone number of the employee or employees appointed pursuant to this paragraph.

(b) *Complaint procedure of recipient.* A recipient shall adopt and publish grievance procedures providing for prompt and equitable resolution of student and employee complaints alleging any action that would be prohibited by these Title IX regulations.

§ 28.140 Dissemination of policy.

(a) *Notification of policy.* (1) Each recipient shall implement specific and continuing steps to notify applicants for admission and employment, students and parents of elementary and secondary school students, employees, sources of referral of applicants for admission and employment, and all unions or professional organizations holding collective bargaining or professional agreements with the recipient, that it does not discriminate on the basis of sex in the educational programs or activities that it operates, and that it is required by Title IX and these Title IX regulations not to discriminate in such a manner. Such notification shall contain such information, and be made in such manner, as the designated agency official finds necessary to apprise such persons of the protections against discrimination assured them by Title IX and these Title IX regulations, but shall state at least that the requirement not to discriminate in education programs or activities extends to employment therein, and to admission thereto unless §§ 28.300 through 28.310 do not apply to the recipient, and that inquiries concerning the application of Title IX and

these Title IX regulations to such recipient may be referred to the employee designated pursuant to § 28.135, or to the designated agency official.

(2) Each recipient shall make the initial notification required by paragraph (a)(1) of this section within 90 days of September 29, 2000 or of the date these Title IX regulations first apply to such recipient, whichever comes later, which notification shall include publication in:

(i) Newspapers and magazines operated by such recipient or by student, alumnae, or alumni groups for or in connection with such recipient; and

(ii) Memoranda or other written communications distributed to every student and employee of such recipient.

(b) *Publications.* (1) Each recipient shall prominently include a statement of the policy described in paragraph (a) of this section in each announcement, bulletin, catalog, or application form that it makes available to any person of a type, described in paragraph (a) of this section, or which is otherwise used in connection with the recruitment of students or employees.

(2) A recipient shall not use or distribute a publication of the type described in paragraph (b)(1) of this section that suggests, by text or illustration, that such recipient treats applicants, students, or employees differently on the basis of sex except as such treatment is permitted by these Title IX regulations.

(c) *Distribution.* Each recipient shall distribute without discrimination on the basis of sex each publication described in paragraph (b)(1) of this section, and shall apprise each of its admission and employment recruitment representatives of the policy of non-discrimination described in paragraph (a) of this section, and shall require such representatives to adhere to such policy.

Subpart B—Coverage**§ 28.200 Application.**

Except as provided in §§ 28.205 through 28.235(a), these Title IX regulations apply to every recipient and to each education program or activity operated by such recipient that receives Federal financial assistance.

§ 28.205

§ 28.205 Educational institutions and other entities controlled by religious organizations.

(a) *Exemption.* These Title IX regulations do not apply to any operation of an educational institution or other entity that is controlled by a religious organization to the extent that application of these Title IX regulations would not be consistent with the religious tenets of such organization.

(b) *Exemption claims.* An educational institution or other entity that wishes to claim the exemption set forth in paragraph (a) of this section shall do so by submitting in writing to the designated agency official a statement by the highest-ranking official of the institution, identifying the provisions of these Title IX regulations that conflict with a specific tenet of the religious organization.

§ 28.220 Admissions.

(a) Admissions to educational institutions prior to June 24, 1973, are not covered by these Title IX regulations.

(b) *Administratively separate units.* For the purposes only of this section, §§ 28.225 and 28.230, and §§ 28.300 through 28.310, each administratively separate unit shall be deemed to be an educational institution.

(c) *Application of §§ 28.300 through .310.* Except as provided in paragraphs (d) and (e) of this section, §§ 28.300 through 28.310 apply to each recipient. (a) *Application.* This section applies to each educational institution to which §§ 28.300 through 28.310 apply that:

(1) Admitted students of only one sex as regular students as of June 23, 1972; or

(2) Admitted students of only one sex as regular students as of June 23, 1965, but thereafter admitted, as regular students, students of the sex not admitted prior to June 23, 1965.

(b) *Provision for transition plans.* An educational institution to which this section applies shall not discriminate

on the basis of sex in admission or recruitment in violation of §§28.300 through 28.310.

§ 28.230 Transition plans.

(a) *Submission of plans.* An institution to which §28.225 applies and that is composed of more than one administratively separate unit may submit either a single transition plan applicable to all such units, or a separate transition plan applicable to each such unit.

(b) *Content of plans.* In order to be approved by the Secretary of Education, a transition plan shall:

(1) State the name, address, and Federal Interagency Committee on Education Code of the educational institution submitting such plan, the administratively separate units to which the plan is applicable, and the name, address, and telephone number of the person to whom questions concerning the plan may be addressed. The person who submits the plan shall be the chief administrator or president of the institution, or another individual legally authorized to bind the institution to all actions set forth in the plan.

(3) Identify and describe with respect to the educational institution or administratively separate unit any obstacles to admitting students without discrimination on the basis of sex.

(4) Describe in detail the steps necessary to eliminate as soon as practicable each obstacle so identified and indicate the schedule for taking these steps and the individual directly responsible for their implementation.

(5) Include estimates of the number of students, by sex, expected to apply for, be admitted to, and enter each class during the period covered by the plan.

(c) *Nondiscrimination.* No policy or practice of a recipient to which §28.225 applies shall result in treatment of applicants to or students of such recipient in violation of §§28.300 through 28.310 unless such treatment is necessitated by an obstacle identified in paragraph (b)(3) of this section and a schedule for eliminating that obstacle

has been provided as required by paragraph (b)(4) of this section.

(d) *Effects of past exclusion.* To overcome the effects of past exclusion of students on the basis of sex, each educational institution to which §28.225 applies shall include in its transition plan, and shall implement, specific steps designed to encourage individuals of the previously excluded sex to apply for admission to such institution. Such steps shall include instituting recruitment programs that emphasize the institution's commitment to enrolling students of the sex previously excluded.

§ 28.235 Statutory amendments.

(a) This section, which applies to all provisions of these Title IX regulations, addresses statutory amendments to Title IX.

The pageant, however, must comply with other nondiscrimination provisions of Federal law.

§ 28.300

(c) *Program or activity or program* means:

(B) A local educational agency (as defined in section 8801 of title 20), system of vocational education, or other school system;

(d)(1) Nothing in these Title IX regulations shall be construed to require or prohibit any person, or public or private entity, to provide or pay for any benefit or service, including the use of facilities, related to an abortion. Medical procedures, benefits, services, and the use of facilities, necessary to save the life of a pregnant woman or to address complications related to an abortion are not subject to this section.

(2) Nothing in this section shall be construed to permit a penalty to be imposed on any person or individual because such person or individual is seeking or has received any benefit or service related to a legal abortion. Accordingly, subject to paragraph (d)(1) of this section, no person shall be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any academic, extracurricular, research, occupational training, employment, or other educational program or activity operated by a recipient that receives Federal financial assistance because such individual has sought or received, or is seeking, a legal abortion, or any benefit or service related to a legal abortion.

Subpart C—Discrimination on the Basis of Sex in Admission and Recruitment Prohibited

§ 28.300 Admission.

(a) *General.* No person shall, on the basis of sex, be denied admission, or be subjected to discrimination in admission, by any recipient to which §§ 28.300 through §§ 28.310 apply, except as provided in §§ 28.225 and §§ 28.230.

(b) *Specific prohibitions.* (1) In determining whether a person satisfies any policy or criterion for admission, or in making any offer of admission, a recipient to which §§ 28.300 through 28.310 apply shall not:

(i) Give preference to one person over another on the basis of sex, by ranking

applicants separately on such basis, or otherwise;

(ii) Apply numerical limitations upon the number or proportion of persons of either sex who may be admitted; or

(iii) Otherwise treat one individual differently from another on the basis of sex.

(2) A recipient shall not administer or operate any test or other criterion for admission that has a disproportionately adverse effect on persons on the basis of sex unless the use of such test or criterion is shown to predict validly success in the education program or activity in question and alternative tests or criteria that do not have such a disproportionately adverse effect are shown to be unavailable.

(c) *Prohibitions relating to marital or parental status.* In determining whether a person satisfies any policy or criterion for admission, or in making any offer of admission, a recipient to which §§ 28.300 through 28.310 apply:

(1) Shall not apply any rule concerning the actual or potential parental, family, or marital status of a student or applicant that treats persons differently on the basis of sex;

(2) Shall not discriminate against or exclude any person on the basis of pregnancy, childbirth, termination of pregnancy, or recovery therefrom, or establish or follow any rule or practice that so discriminates or excludes;

(3) Subject to § 28.235(d), shall treat disabilities related to pregnancy, childbirth, termination of pregnancy, or recovery therefrom in the same manner and under the same policies as any other temporary disability or physical condition; and

(4) Shall not make pre-admission inquiry as to the marital status of an applicant for admission, including whether such applicant is “Miss” or “Mrs.” A recipient may make pre-admission inquiry as to the sex of an applicant for admission, but only if such inquiry is made equally of such applicants of both sexes and if the results of such inquiry are not used in connection with discrimination prohibited by these Title IX regulations.

§ 28.305 Preference in admission.

A recipient to which §§ 28.300 through 28.310 apply shall not give preference to

applicants for admission, on the basis of attendance at any educational institution or other school or entity that admits as students only or predominantly members of one sex, if the giving of such preference has the effect of discriminating on the basis of sex in violation of §§ 28.300 through 28.310.

§ 28.310 Recruitment.

(a) *Nondiscriminatory recruitment.* A recipient to which §§ 28.300 through 28.310 apply shall not discriminate on the basis of sex in the recruitment and admission of students. A recipient may be required to undertake additional recruitment efforts for one sex as remedial action pursuant to § 28.110(a), and may choose to undertake such efforts as affirmative action pursuant to § 28.110(b).

(b) *Recruitment at certain institutions.* A recipient to which §§ 28.300 through 28.310 apply shall not recruit primarily or exclusively at educational institutions, schools, or entities that admit as students only or predominantly members of one sex, if such actions have the effect of discriminating on the basis of sex in violation of §§ 28.300 through 28.310.

Subpart D—Discrimination on the Basis of Sex in Education Programs or Activities Prohibited

§ 28.400 Education programs or activities.

(a) *General.* Except as provided elsewhere in these Title IX regulations, no person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any academic, extracurricular, research, occupational training, or other education program or activity operated by a recipient that receives Federal financial assistance. Sections 28.400 through 28.455 do not apply to actions of a recipient in connection with admission of its students to an education program or activity of a recipient to which §§ 28.300 through 28.310 do not apply, or an entity, not a recipient, to which §§ 28.300 through 28.310 would not apply if the entity were a recipient.

§ 28.405

(b) *Specific prohibitions.* Except as provided in §§ 28.400 through 28.455, in providing any aid, benefit, or service to a student, a recipient shall not, on the basis of sex:

(1) Treat one person differently from another in determining whether such person satisfies any requirement or condition for the provision of such aid, benefit, or service;

(2) Provide different aid, benefits, or services or provide aid, benefits, or services in a different manner;

(3) Deny any person any such aid, benefit, or service;

(4) Subject any person to separate or different rules of behavior, sanctions, or other treatment;

(5) Apply any rule concerning the domicile or residence of a student or applicant, including eligibility for in-state fees and tuition;

(6) Aid or perpetuate discrimination against any person by providing significant assistance to any agency, organization, or person that discriminates on the basis of sex in providing any aid, benefit, or service to students or employees;

(7) Otherwise limit any person in the enjoyment of any right, privilege, advantage, or opportunity.

(c) *Assistance administered by a recipient educational institution to study at a foreign institution.* A recipient educational institution may administer or assist in the administration of scholarships, fellowships, or other awards established by foreign or domestic wills, trusts, or similar legal instruments, or by acts of foreign governments and restricted to members of one sex, that are designed to provide opportunities to study abroad, and that are awarded to students who are already matriculating at or who are graduates of the recipient institution; *Provided*, that a recipient educational institution that administers or assists in the administration of such scholarships, fellowships, or other awards that are restricted to members of one sex provides, or otherwise makes available, reasonable opportunities for similar studies for members of the other sex. Such opportunities may be derived from either domestic or foreign sources.

31 CFR Subtitle A (7-1-10 Edition)

(d) *Aids, benefits or services not provided by recipient.* (1) This paragraph (d) applies to any recipient that requires participation by any applicant, student, or employee in any education program or activity not operated wholly by such recipient, or that facilitates, permits, or considers such participation as part of or equivalent to an education program or activity operated by such recipient, including participation in educational consortia and cooperative employment and student-teaching assignments.

(2) Such recipient:

(i) Shall develop and implement a procedure designed to assure itself that the operator or sponsor of such other education program or activity takes no action affecting any applicant, student, or employee of such recipient that these Title IX regulations would prohibit such recipient from taking; and

(ii) Shall not facilitate, require, permit, or consider such participation if such action occurs.

§ 28.405 Housing.

(a) *Generally.* A recipient shall not, on the basis of sex, apply different rules or regulations, impose different fees or requirements, or offer different services or benefits related to housing, except as provided in this section (including housing provided only to married students).

(b) *Housing provided by recipient.* (1) A recipient may provide separate housing on the basis of sex.

(2) Housing provided by a recipient to students of one sex, when compared to that provided to students of the other sex, shall be as a whole:

(i) Proportionate in quantity to the number of students of that sex applying for such housing; and

(ii) Comparable in quality and cost to the student.

(c) *Other housing.* (1) A recipient shall not, on the basis of sex, administer different policies or practices concerning occupancy by its students of housing other than that provided by such recipient.

(2)(i) A recipient which, through solicitation, listing, approval of housing, or otherwise, assists any agency, organization, or person in making housing available to any of its students, shall

Office of the Secretary of the Treasury

§ 28.425

take such reasonable action as may be necessary to assure itself that such housing as is provided to students of one sex, when compared to that provided to students of the other sex, is as a whole:

(A) Proportionate in quantity; and

(B) Comparable in quality and cost to the student.

(ii) A recipient may render such assistance to any agency, organization, or person that provides all or part of such housing to students of only one sex.

§ 28.410 Comparable facilities.

A recipient may provide separate toilet, locker room, and shower facilities on the basis of sex, but such facilities provided for students of one sex shall be comparable to such facilities provided for students of the other sex.

§ 28.415 Access to course offerings.

(a) A recipient shall not provide any course or otherwise carry out any of its education program or activity separately on the basis of sex, or require or refuse participation therein by any of its students on such basis, including health, physical education, industrial, business, vocational, technical, home economics, music, and adult education courses.

(b)(1) With respect to classes and activities in physical education at the elementary school level, the recipient shall comply fully with this section as expeditiously as possible but in no event later than one year from September 29, 2000. With respect to physical education classes and activities at the secondary and post-secondary levels, the recipient shall comply fully with this section as expeditiously as possible but in no event later than three years from September 29, 2000.

(2) This section does not prohibit grouping of students in physical education classes and activities by ability as assessed by objective standards of individual performance developed and applied without regard to sex.

(3) This section does not prohibit separation of students by sex within physical education classes or activities during participation in wrestling, boxing, rugby, ice hockey, football, basketball, and other sports the purpose or major

activity of which involves bodily contact.

(4) Where use of a single standard of measuring skill or progress in a physical education class has an adverse effect on members of one sex, the recipient shall use appropriate standards that do not have such effect.

(5) Portions of classes in elementary and secondary schools, or portions of education programs or activities, that deal exclusively with human sexuality may be conducted in separate sessions for boys and girls.

(6) Recipients may make requirements based on vocal range or quality that may result in a chorus or choruses of one or predominantly one sex.

§ 28.420 Access to schools operated by LEAs.

A recipient that is a local educational agency shall not, on the basis of sex, exclude any person from admission to:

(a) Any institution of vocational education operated by such recipient; or

(b) Any other school or educational unit operated by such recipient, unless such recipient otherwise makes available to such person, pursuant to the same policies and criteria of admission, courses, services, and facilities comparable to each course, service, and facility offered in or through such schools.

§ 28.425 Counseling and use of appraisal and counseling materials.

(a) *Counseling.* A recipient shall not discriminate against any person on the basis of sex in the counseling or guidance of students or applicants for admission.

(b) *Use of appraisal and counseling materials.* A recipient that uses testing or other materials for appraising or counseling students shall not use different materials for students on the basis of their sex or use materials that permit or require different treatment of students on such basis unless such different materials cover the same occupations and interest areas and the use of such different materials is shown to be essential to eliminate sex bias. Recipients shall develop and use internal procedures for ensuring that such materials do not discriminate on the basis

§ 28.430

of sex. Where the use of a counseling test or other instrument results in a substantially disproportionate number of members of one sex in any particular course of study or classification, the recipient shall take such action as is necessary to assure itself that such disproportion is not the result of discrimination in the instrument or its application.

(c) *Disproportion in classes.* Where a recipient finds that a particular class contains a substantially disproportionate number of individuals of one sex, the recipient shall take such action as is necessary to assure itself that such disproportion is not the result of discrimination on the basis of sex in counseling or appraisal materials or by counselors.

§ 28.430 Financial assistance.

(a) *General.* Except as provided in paragraphs (b) and (c) of this section, in providing financial assistance to any of its students, a recipient shall not:

(1) On the basis of sex, provide different amounts or types of such assistance, limit eligibility for such assistance that is of any particular type or source, apply different criteria, or otherwise discriminate;

(2) Through solicitation, listing, approval, provision of facilities, or other services, assist any foundation, trust, agency, organization, or person that provides assistance to any of such recipient's students in a manner that discriminates on the basis of sex; or

(3) Apply any rule or assist in application of any rule concerning eligibility for such assistance that treats persons of one sex differently from persons of the other sex with regard to marital or parental status.

(b) *Financial aid established by certain legal instruments.* (1) A recipient may administer or assist in the administration of scholarships, fellowships, or other forms of financial assistance established pursuant to domestic or foreign wills, trusts, bequests, or similar legal instruments or by acts of a foreign government that require that awards be made to members of a particular sex specified therein; *Provided*, that the overall effect of the award of such sex-restricted scholarships, fellowships, and other forms of financial

31 CFR Subtitle A (7-1-10 Edition)

assistance does not discriminate on the basis of sex.

(2) To ensure nondiscriminatory awards of assistance as required in paragraph (b)(1) of this section, recipients shall develop and use procedures under which:

(i) Students are selected for award of financial assistance on the basis of nondiscriminatory criteria and not on the basis of availability of funds restricted to members of a particular sex;

(ii) An appropriate sex-restricted scholarship, fellowship, or other form of financial assistance is allocated to each student selected under paragraph (b)(2)(i) of this section; and

(iii) No student is denied the award for which he or she was selected under paragraph (b)(2)(i) of this section because of the absence of a scholarship, fellowship, or other form of financial assistance designated for a member of that student's sex.

(c) *Athletic scholarships.* (1) To the extent that a recipient awards athletic scholarships or grants-in-aid, it must provide reasonable opportunities for such awards for members of each sex in proportion to the number of students of each sex participating in inter-scholastic or intercollegiate athletics.

(2) A recipient may provide separate athletic scholarships or grants-in-aid for members of each sex as part of separate athletic teams for members of each sex to the extent consistent with this paragraph (c) and § 28.450.

§ 28.435 Employment assistance to students.

(a) *Assistance by recipient in making available outside employment.* A recipient that assists any agency, organization, or person in making employment available to any of its students:

(1) Shall assure itself that such employment is made available without discrimination on the basis of sex; and

(2) Shall not render such services to any agency, organization, or person that discriminates on the basis of sex in its employment practices.

(b) *Employment of students by recipients.* A recipient that employs any of its students shall not do so in a manner that violates §§ 28.500 through 28.550.

§ 28.440 Health and insurance benefits and services.

Subject to § 28.235(d), in providing a medical, hospital, accident, or life insurance benefit, service, policy, or plan to any of its students, a recipient shall not discriminate on the basis of sex, or provide such benefit, service, policy, or plan in a manner that would violate §§ 28.500 through 28.550 if it were provided to employees of the recipient. This section shall not prohibit a recipient from providing any benefit or service that may be used by a different proportion of students of one sex than of the other, including family planning services. However, any recipient that provides full coverage health service shall provide gynecological care.

§ 28.445 Marital or parental status.

(a) *Status generally.* A recipient shall not apply any rule concerning a student's actual or potential parental, family, or marital status that treats students differently on the basis of sex.

(b) *Pregnancy and related conditions.* (1) A recipient shall not discriminate against any student, or exclude any student from its education program or activity, including any class or extra-curricular activity, on the basis of such student's pregnancy, childbirth, false pregnancy, termination of pregnancy, or recovery therefrom, unless the student requests voluntarily to participate in a separate portion of the program or activity of the recipient.

(2) A recipient may require such a student to obtain the certification of a physician that the student is physically and emotionally able to continue participation as long as such a certification is required of all students for other physical or emotional conditions requiring the attention of a physician.

(3) A recipient that operates a portion of its education program or activity separately for pregnant students, admittance to which is completely voluntary on the part of the student as provided in paragraph (b)(1) of this section, shall ensure that the separate portion is comparable to that offered to non-pregnant students.

(4) Subject to § 28.235(d), a recipient shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy and recovery therefrom in the same

manner and under the same policies as any other temporary disability with respect to any medical or hospital benefit, service, plan, or policy that such recipient administers, operates, offers, or participates in with respect to students admitted to the recipient's educational program or activity.

(5) In the case of a recipient that does not maintain a leave policy for its students, or in the case of a student who does not otherwise qualify for leave under such a policy, a recipient shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy, and recovery therefrom as a justification for a leave of absence for as long a period of time as is deemed medically necessary by the student's physician, at the conclusion of which the student shall be reinstated to the status that she held when the leave began.

§ 28.450 Athletics.

(a) *General.* No person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, be treated differently from another person, or otherwise be discriminated against in any interscholastic, intercollegiate, club, or intramural athletics offered by a recipient, and no recipient shall provide any such athletics separately on such basis.

(b) *Separate teams.* Notwithstanding the requirements of paragraph (a) of this section, a recipient may operate or sponsor separate teams for members of each sex where selection for such teams is based upon competitive skill or the activity involved is a contact sport. However, where a recipient operates or sponsors a team in a particular sport for members of one sex but operates or sponsors no such team for members of the other sex, and athletic opportunities for members of that sex have previously been limited, members of the excluded sex must be allowed to try out for the team offered unless the sport involved is a contact sport. For the purposes of these Title IX regulations, contact sports include boxing, wrestling, rugby, ice hockey, football, basketball, and other sports the purpose or major activity of which involves bodily contact.

§ 28.455

(c) *Equal opportunity.* (1) A recipient that operates or sponsors interscholastic, intercollegiate, club, or intramural athletics shall provide equal athletic opportunity for members of both sexes. In determining whether equal opportunities are available, the designated agency official will consider, among other factors:

(i) Whether the selection of sports and levels of competition effectively accommodate the interests and abilities of members of both sexes;

(ii) The provision of equipment and supplies;

(iii) Scheduling of games and practice time;

(iv) Travel and per diem allowance;

(v) Opportunity to receive coaching and academic tutoring;

(vi) Assignment and compensation of coaches and tutors;

(vii) Provision of locker rooms, practice, and competitive facilities;

(viii) Provision of medical and training facilities and services;

(ix) Provision of housing and dining facilities and services;

(x) Publicity.

(2) For purposes of paragraph (c)(1) of this section, unequal aggregate expenditures for members of each sex or unequal expenditures for male and female teams if a recipient operates or sponsors separate teams will not constitute noncompliance with this section, but the designated agency official may consider the failure to provide necessary funds for teams for one sex in assessing equality of opportunity for members of each sex.

(d) *Adjustment period.* A recipient that operates or sponsors interscholastic, intercollegiate, club, or intramural athletics at the elementary school level shall comply fully with this section as expeditiously as possible but in no event later than one year from September 29, 2000. A recipient that operates or sponsors interscholastic, intercollegiate, club, or intramural athletics at the secondary or postsecondary school level shall comply fully with this section as expeditiously as possible but in no event later than three years from September 29, 2000.

§ 28.500 Employment.

(a) *General.* (1) No person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination in employment, or recruitment, consideration, or selection therefor, whether full-time or part-time, under any education program or activity operated by a recipient that receives Federal financial assistance.

(2) A recipient shall make all employment decisions in any education program or activity operated by such recipient in a nondiscriminatory manner and shall not limit, segregate, or classify applicants or employees in any way that could adversely affect any applicant's or employee's employment opportunities or status because of sex.

(3) A recipient shall not enter into any contractual or other relationship which directly or indirectly has the effect of subjecting employees or students to discrimination prohibited by §§ 28.500 through 28.550, including relationships with employment and referral agencies, with labor unions, and with organizations providing or administering fringe benefits to employees of the recipient.

(4) A recipient shall not grant preferences to applicants for employment on the basis of attendance at any educational institution or entity that admits as students only or predominantly members of one sex, if the giving of such preferences has the effect of discriminating on the basis of sex in violation of these Title IX regulations.

(b) *Application.* The provisions of §§ 28.500 through 28.550 apply to:

(1) Recruitment, advertising, and the process of application for employment;

Office of the Secretary of the Treasury

(b) Alternative tests or criteria for such purpose, which do not have such disproportionately adverse effect, are shown to be unavailable.

§ 28.510 Recruitment.

(a) *Nondiscriminatory recruitment and hiring.* A recipient shall not discriminate on the basis of sex in the recruitment and hiring of employees. Where a recipient has been found to be presently discriminating on the basis of sex

in the recruitment or hiring of employees, or has been found to have so discriminated in the past, the recipient shall recruit members of the sex so discriminated against so as to overcome the effects of such past or present discrimination.

(b) *Recruitment patterns.* A recipient shall not recruit primarily or exclusively at entities that furnish as applicants only or predominantly members of one sex if such actions have the effect of discriminating on the basis of sex in violation of §§ 28.500 through 28.550.

§ 28.515 Compensation.

A recipient shall not make or enforce any policy or practice that, on the basis of sex:

(a) Makes distinctions in rates of pay or other compensation;

(1) Discriminate on the basis of sex with regard to making fringe benefits available to employees or make fringe benefits available to spouses, families, or dependents of employees differently upon the basis of the employee's sex;

(2) Administer, operate, offer, or participate in a fringe benefit plan that does not provide for equal periodic benefits for members of each sex and for equal contributions to the plan by such recipient for members of each sex; or

(3) Administer, operate, offer, or participate in a pension or retirement plan that establishes different optional or compulsory retirement ages based on sex or that otherwise discriminates in benefits on the basis of sex.

§ 28.530 Marital or parental status.

31 CFR Subtitle A (7-1-10 Edition)

leave policy for its employees, or in the case of an employee with insufficient leave or accrued employment time to qualify for leave under such a policy, a recipient shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy, and recovery therefrom as a justification for a leave of absence without pay for a reasonable period of time, at the conclusion of which the employee shall be reinstated to the status that she held when the leave began or to a comparable position, without decrease in rate of compensation or loss of promotional opportunities, or any other right or privilege of employment.

§ 28.535 Effect of state or local law or other requirements.

(a) *Prohibitory requirements.* The obligation to comply with §§ 28.500 through 28.550 is not obviated or alleviated by the existence of any State or local law or other requirement that imposes prohibitions or limits upon employment of members of one sex that are not imposed upon members of the other sex.

A recipient may take action otherwise prohibited by §§ 28.500 through 28.550 provided it is shown that sex is a bona fide occupational qualification for that action, such that consideration of sex with regard to such action is essential to successful operation of the employment function concerned. A recipient shall not take action pursuant to this section that is based upon alleged comparative employment characteristics or stereotyped characterizations of one or the other sex, or upon preference based on sex of the recipient, employees, students, or other persons, but nothing contained in this section shall prevent a recipient from considering an employee's sex in relation to employment in a locker room or toilet facility used only by members of one sex.

Subpart F—Procedures**§ 28.600 Notice of covered programs.**

Within 60 days of September 29, 2000, each Federal agency that awards Federal financial assistance shall publish in the FEDERAL REGISTER a notice of the programs covered by these Title IX regulations. Copies of this notice also shall be made available upon request to the Federal agency's office that enforces Title IX.

§ 28.605 Compliance information.

(b) *Compliance reports.* Each recipient shall keep such records and submit to the designated agency official (or designee) timely, complete, and accurate compliance reports at such times, and in such form and containing such information, as the designated agency official (or designee) may determine to be

necessary to enable the official to ascertain whether the recipient has complied or is complying with these Title IX regulations. In the case of any program under which a primary recipient extends Federal financial assistance to any other recipient, such other recipient shall also submit such compliance reports to the primary recipient as may be necessary to enable the primary recipient to carry out its obligations under these Title IX regulations.

(c) *Access to sources of information.* Each recipient shall permit access by the designated agency official (or designee) during normal business hours to such of its books, records, accounts, and other sources of information, and its facilities as may be pertinent to ascertain compliance with these Title IX regulations. Asserted considerations of privacy or confidentiality may not operate to bar the Department from evaluating or seeking to enforce compliance with these Title IX regulations. Information of a confidential nature obtained in connection with compliance evaluation or enforcement shall not be disclosed except where necessary in formal enforcement proceedings or where otherwise required by law.

(d) *Information to beneficiaries and participants.* Each recipient shall make available to participants, beneficiaries, and other interested persons such information regarding the provisions of these Title IX regulations and their applicability to the program for which the recipient receives Federal financial assistance, and make such information available to them in such manner, as the designated agency official finds necessary to apprise such persons of the protections against discrimination assured them by Title IX and these Title IX regulations.

[65 FR 52882, Aug. 30, 2000]

§ 28.610

§ 28.610 Conduct of investigations.

(a) *Periodic compliance reviews.* The designated agency official (or designee) shall from time to time review the practices of recipients to determine whether they are complying with these Title IX regulations.

(b) *Complaints.* Any person who believes himself or herself or any specific class of individuals to be subjected to discrimination prohibited by these Title IX regulations may by himself or herself or by a representative file with the designated agency official (or designee) a written complaint. A complaint must be filed not later than 180 days from the date of the alleged discrimination, unless the time for filing is extended by the designated agency official (or designee).

(c) *Investigations.* The designated agency official (or designee) will make a prompt investigation whenever a compliance review, report, complaint, or any other information indicates a possible failure to comply with these Title IX regulations. The investigation should include, where appropriate, a review of the pertinent practices and policies of the recipient, the circumstances under which the possible noncompliance with these Title IX regulations occurred, and other factors relevant to a determination as to whether the recipient has failed to comply with these Title IX regulations.

(d) *Resolution of matters.* (1) If an investigation pursuant to paragraph (c) of this section indicates a failure to comply with these Title IX regulations, the designated agency official (or designee) will so inform the recipient and the matter will be resolved by informal means whenever possible. If it has been determined that the matter cannot be resolved by informal means, action will be taken as provided for in § 28.615.

(2) If an investigation does not warrant action pursuant to paragraph (d)(1) of this section the designated agency official (or designee) will so inform the recipient and the complainant, if any, in writing.

(e) *Intimidatory or retaliatory acts prohibited.* No recipient or other person shall intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX

or these Title IX regulations, or because he or she has made a complaint, testified, assisted, or participated in any manner in an investigation, proceeding or hearing under these Title IX regulations. The identity of complainants shall be kept confidential except to the extent necessary to carry out the purposes of these Title IX regulations, including the conduct of any investigation, hearing, or judicial proceeding arising under these Title IX regulations.

§ 28.615 Procedure for effecting compliance.

(a) *General.* If there appears to be a failure or threatened failure to comply with these Title IX regulations, and if the noncompliance or threatened noncompliance cannot be corrected by informal means, compliance with these Title IX regulations may be effected by the suspension or termination of or refusal to grant or to continue Federal financial assistance or by any other means authorized by law. Such other means may include, but are not limited to:

(1) A reference to the Department of Justice with a recommendation that appropriate proceedings be brought to enforce any rights of the United States under any law of the United States, or any assurance or other contractual undertaking; and

(2) Any applicable proceeding under State or local law.

(b) *Noncompliance with § 28.115.* If an applicant fails or refuses to furnish an assurance or otherwise fails or refuses to comply with a requirement imposed by or pursuant to § 28.115, Federal financial assistance may be refused in accordance with the procedures of paragraph (c) of this section. The Department shall not be required to provide assistance in such a case during the pendency of the administrative proceedings under paragraph (c) of this section except that the Department shall continue assistance during the pendency of such proceedings where such assistance is due and payable pursuant to an application therefor approved prior to September 29, 2000.

(c) *Termination of or refusal to grant or to continue Federal financial assistance.*

(1) No order suspending, terminating or refusing to grant or continue Federal financial assistance shall become effective until:

(i) The designated agency official has advised the applicant or recipient of its failure to comply and has determined that compliance cannot be secured by voluntary means;

(ii) There has been an express finding on the record, after opportunity for hearing, of a failure by the applicant or recipient to comply with a requirement imposed by or pursuant to these Title IX regulations; and

(iii) The expiration of 30 days after the Secretary has filed with the committee of the House, and the committee of the Senate having legislative jurisdiction over the program involved, a full written report of the circumstances and the grounds for such action.

(2) Any action to suspend or terminate or to refuse to grant or to continue Federal financial assistance shall be limited to the particular political entity, or part thereof, or other applicant or recipient as to whom such a finding has been made and shall be limited in its effect to the particular program, or part thereof, in which such noncompliance has been so found.

(d) *Other means authorized by law.* (1) No action to effect compliance by any other means authorized by law shall be taken until:

(i) The designated agency official has determined that compliance cannot be secured by voluntary means;

(ii) The recipient has been notified of its failure to comply and of the action to be taken to effect compliance; and

(iii) The expiration of at least 10 days from the mailing of such notice to the recipient.

(2) During this period of at least 10 days additional efforts shall be made to persuade the recipient to comply with these Title IX regulations and to take such corrective action as may be appropriate.

§ 28.620 Hearings.

(a) *Opportunity for hearing.* Whenever an opportunity for a hearing is required by § 28.615(c), reasonable notice shall be given by registered or certified

mail, return receipt requested, to the affected applicant or recipient. This notice shall advise the applicant or recipient of the action proposed to be taken, the specific provision under which the proposed action against it is to be taken, and the matters of fact or law asserted as the basis for this action, and either:

(1) Fix a date not less than 20 days after the date of such notice within which the applicant or recipient may request of the designated agency official that the matter be scheduled for hearing; or

(2) Advise the applicant or recipient that the matter in question has been set down for hearing at a stated place and time. The time and place so fixed shall be reasonable and shall be subject to change for cause. The complainant, if any, shall be advised of the time and place of the hearing. An applicant or recipient may waive a hearing and submit written information and argument for the record. The failure of an applicant or recipient to request a hearing for which a date has been set shall be deemed to be a waiver of the right to a hearing under 20 U.S.C. 1682 and § 28.615(c) and consent to the making of a decision on the basis of such information as may be filed as the record.

(b) *Time and place of hearing.* Hearings shall be held at the offices of the Department in Washington, DC, at a time fixed by the designated agency official unless the official determines that the convenience of the applicant or recipient or of the Department requires that another place be selected. Hearings shall be held before a hearing officer designated in accordance with 5 U.S.C. 556(b).

(c) *Right to counsel.* In all proceedings under this section, the applicant or recipient and the Department shall have the right to be represented by counsel.

(d) *Procedures, evidence, and record.* (1) The hearing, decision, and any administrative review thereof shall be conducted in conformity with 5 U.S.C. 554–557 (sections 5–8 of the Administrative Procedure Act), and in accordance with such rules of procedure as are proper (and not inconsistent with this section) relating to the conduct of the hearing, giving of notices subsequent to those provided for in paragraph (a) of this

§ 28.625

section, taking of testimony, exhibits, arguments and briefs, requests for findings, and other related matters. Both the Department and the applicant or recipient shall be entitled to introduce all relevant evidence on the issues as stated in the notice for hearing or as determined by the hearing officer at the outset of or during the hearing. Any person (other than a Government employee considered to be on official business) who, having been invited or requested to appear and testify as a witness on the Government's behalf, attends at a time and place scheduled for a hearing provided for by these Title IX regulations, may be reimbursed for his or her travel and actual expenses of attendance in an amount not to exceed the amount payable under the standardized travel regulations to a Government employee traveling on official business.

(2) Technical rules of evidence shall not apply to hearings conducted pursuant to these Title IX regulations, but rules or principles designed to assure production of the most credible evidence available and to subject testimony to test by cross-examination shall be applied where reasonably necessary by the hearing officer. The hearing officer may exclude irrelevant, immaterial, or unduly repetitious evidence. All documents and other evidence offered or taken for the record shall be open to examination by the parties and opportunity shall be given to refute facts and arguments advanced on either side of the issues. A transcript shall be made of the oral evidence except to the extent the substance thereof is stipulated for the record. All decisions shall be based upon the hearing record and written findings shall be made.

(e) *Consolidated or Joint Hearings.* In cases in which the same or related facts are asserted to constitute non-compliance with these Title IX regulations with respect to two or more programs to which these Title IX regulations apply, or noncompliance with these Title IX regulations and the regulations of one or more other Federal departments or agencies issued under Title IX, the designated agency official may, by agreement with such other departments or agencies where applica-

ble, provide for the conduct of consolidated or joint hearings, and for the application to such hearings of rules of procedures not inconsistent with these Title IX regulations. Final decisions in such cases, insofar as these Title IX regulations are concerned, shall be made in accordance with § 28.625.

[65 FR 52883, Aug. 30, 2000]

§ 28.625 Decisions and notices.

(a) *Decisions by hearing officers.* After a hearing is held by a hearing officer such hearing officer shall either make an initial decision, if so authorized, or certify the entire record including recommended findings and proposed decision to the reviewing authority for a final decision, and a copy of such initial decision or certification shall be mailed to the applicant or recipient and to the complainant, if any. Where the initial decision referred to in this paragraph or in paragraph (c) of this section is made by the hearing officer, the applicant or recipient or the counsel for the Department may, within the period provided for in the rules of procedure issued by the designated agency official, file with the reviewing authority exceptions to the initial decision, with the reasons therefor. Upon the filing of such exceptions the reviewing authority shall review the initial decision and issue its own decision thereof including the reasons therefor. In the absence of exceptions the initial decision shall constitute the final decision, subject to the provisions of paragraph (e) of this section.

(b) *Decisions on record or review by the reviewing authority.* Whenever a record is certified to the reviewing authority for decision or it reviews the decision of a hearing officer pursuant to paragraph (a) or (c) of this section, the applicant or recipient shall be given reasonable opportunity to file with it briefs or other written statements of its contentions, and a copy of the final decision of the reviewing authority shall be given in writing to the applicant or recipient and to the complainant, if any.

(c) *Decisions on record where a hearing is waived.* Whenever a hearing is waived pursuant to § 28.620, the reviewing authority shall make its final decision on the record or refer the matter to a

hearing officer for an initial decision to be made on the record. A copy of such decision shall be given in writing to the applicant or recipient, and to the complainant, if any.

(d) *Rulings required.* Each decision of a hearing officer or reviewing authority shall set forth a ruling on each finding, conclusion, or exception presented, and shall identify the requirement or requirements imposed by or pursuant to these Title IX regulations with which it is found that the applicant or recipient has failed to comply.

(e) *Review in certain cases by the Secretary of the Treasury.* If the Secretary has not personally made the final decision referred to in paragraph (a), (b), or (c) of this section, a recipient or applicant or the counsel for the Department may request the Secretary to review a decision of the reviewing authority in accordance with rules of procedure issued by the designated agency official. Such review is not a matter of right and shall be granted only where the Secretary determines there are special and important reasons therefor. The Secretary may grant or deny such request, in whole or in part. The Secretary also may review such a decision upon his own motion in accordance with rules of procedure issued by the designated agency official. In the absence of a review under this paragraph (e), a final decision referred to in paragraph (a), (b), or (c) of this section shall become the final decision of the Department when the Secretary transmits it as such to congressional committees with the report required under 20 U.S.C. 1682. Failure of an applicant or recipient to file an exception with the reviewing authority or to request review under this paragraph (e) shall not be deemed a failure to exhaust administrative remedies for the purpose of obtaining judicial review.

(f) *Content of orders.* The final decision may provide for suspension or termination of, or refusal to grant or continue Federal financial assistance, in whole or in part, to which these Title IX regulations apply, and may contain such terms, conditions, and other provisions as are consistent with and will effectuate the purposes of Title IX and these Title IX regulations, including provisions designed to assure that no

Federal financial assistance to which these Title IX regulations apply will thereafter be extended under such law or laws to the applicant or recipient determined by such decision to be in default in its performance of an assurance given by it pursuant to these Title IX regulations, or to have otherwise failed to comply with these Title IX regulations unless and until it corrects its noncompliance and satisfies the designated agency official that it will fully comply with these Title IX regulations.

(g) *Post-termination proceedings.* (1) An applicant or recipient adversely affected by an order issued under paragraph (f) of this section shall be restored to full eligibility to receive Federal financial assistance if it satisfies the terms and conditions of that order for such eligibility or if it brings itself into compliance with these Title IX regulations and provides reasonable assurance that it will fully comply with these Title IX regulations. An elementary or secondary school or school system that is unable to file an assurance of compliance shall be restored to full eligibility to receive Federal financial assistance if it files a court order or a plan for desegregation that meets the applicable requirements and provides reasonable assurance that it will comply with the court order or plan.

(2) Any applicant or recipient adversely affected by an order entered pursuant to paragraph (f) of this section may at any time request the designated agency official to restore fully its eligibility to receive Federal financial assistance. Any such request shall be supported by information showing that the applicant or recipient has met the requirements of paragraph (g)(1) of this section. If the designated agency official determines that those requirements have been satisfied, the official shall restore such eligibility.

(3) If the designated agency official denies any such request, the applicant or recipient may submit a request for a hearing in writing, specifying why it believes such official to have been in error. It shall thereupon be given an expeditious hearing, with a decision on the record, in accordance with rules of procedure issued by the designated

§ 28.630

agency official. The applicant or recipient will be restored to such eligibility if it proves at such hearing that it satisfied the requirements of paragraph (g)(1) of this section. While proceedings under this paragraph (g) are pending, the sanctions imposed by the order issued under paragraph (f) of this section shall remain in effect.

§ 28.630 Judicial review.

Action taken pursuant to 20 U.S.C. 1682 is subject to judicial review as provided in 20 U.S.C. 1683.

[65 FR 52885, Aug. 30, 2000]

§ 28.635 Forms and instructions; coordination.

(a) *Forms and instructions.* The designated agency official shall issue and promptly make available to interested persons forms and detailed instructions and procedures for effectuating these Title IX regulations.

(b) *Supervision and coordination.* The designated agency official may from time to time assign to officials of the Department, or to officials of other departments or agencies of the Government with the consent of such departments or agencies, responsibilities in connection with the effectuation of the purposes of Title IX and these Title IX regulations (other than responsibility for review as provided in § 28.625(e)), including the achievements of effective coordination and maximum uniformity within the Department and within the Executive Branch of the Government in the application of Title IX and these Title IX regulations to similar programs and in similar situations. Any action taken, determination made, or requirement imposed by an official of another department or agency acting pursuant to an assignment of responsibility under this section shall have the same effect as though such action had been taken by the designated official of this Department.

Judges Plan means the retirement program (under subchapter III of chapter 15 of title 11 of the D.C. Code) for judges of the District of Columbia Court of Appeals or Superior Court or with judicial service with the former

§ 29.104 Schedule for Federal Benefit Payments.

Federal Benefit Payments are payable on the first business day of the month following the month in which the benefit accrues. (See § 29.105(b).)

§ 29.105 Computation of time.

(a) *For filing documents.* In computing the number of days allowed for filing a document, the first day counted is the day after the action or event from which the period begins to run. If the date that ordinarily would be the last day for filing falls on a Saturday, a Sunday, a Federal holiday, or a District holiday, the period runs until the end of the next day that is not a Saturday, a Sunday, or a Federal or a District holiday.

(b) *For benefit accrual.* (1) Annuity accrues on a daily basis; one-thirtieth of the monthly rate constitutes the daily rate.

(2) Annuity does not accrue on the 31st day of any month except that annuity accrues on the 31st day of the initial month if the employee's annuity commences on the 31st day of a 31-day month.

(3) For accrual purposes the last day of a 28-day month counts as 3 days and the last day of a 29-day month counts as 2 days.

(c) *For counting unused sick leave.* (1) For annuity computation purposes—

(i) The service of a participant under the Police and Firefighters Plan who retires on an immediate annuity is increased by the number of days of unused sick leave to the participant's credit under a formal leave system; and

(ii) The service of a participant under the Teachers Plan who retires on an immediate annuity or dies leaving a survivor entitled to an annuity is increased by the number of days of unused sick leave to the participant's credit under a formal leave system.

(2) In general, 8 hours of unused sick leave increases total service by 1 day. In cases where more or less than 8 hours of sick leave would be charged for a day's absence, total service is increased by the number of days in the period between the date of separation and the date that the unused sick leave would have expired had the employee used it (except that holidays falling

§ 29.106

within the period are treated as work days, and no additional leave credit is earned for that period).

(3) If an employee's tour of duty changes from part time to full time or full time to part time within 180 days before retirement, the credit for unused sick leave is computed as though no change had occurred.

(d) *For counting leave without pay (LWOP) that is creditable service.* (1) Under the Police and Firefighters Plan, credit is allowed for no more than 6 months of LWOP in each calendar year.

(2)(i) Under the Teachers Plan, credit is allowed for no more than 6 months of LWOP in each fiscal year.

(ii)(A) For years prior to fiscal year 1976, each fiscal year started on July 1 and ended on the following June 30.

(B) Fiscal year 1976 started on July 1, 1975, and ended on September 30, 1976.

(C) For years starting in fiscal year 1977, each fiscal year starts on October 1 and ends on the following September 30.

§ 29.106 Representative payees.

For Federal Benefit Payments, representative payees will be authorized to the same extent and under the same circumstances as each plan permits for non-Federal Benefit Payments under the plan. (See *e.g.*, section 4-629(b) of the D.C. Code (1997) (applicable to the Police and Firefighters Plan).)

Subpart C—Split Benefits

SOURCE: 65 FR 77501, Dec. 12, 2001, unless otherwise noted.

§ 29.301 Purpose and scope.

(a) The purpose of this subpart is to address the legal and policy issues that affect the calculation of the Federal and District of Columbia portions of benefits under subtitle A of Title XI of the Balanced Budget Act of 1977, Public Law 105-33, 111 Stat. 251, 712-731, enacted August 5, 1997, as amended.

(1) This subpart states general principles for the calculation of Federal Benefit Payments in cases in which the Department and the District government are both responsible for paying a portion of an employee's total retirement benefits under the Police and Firefighters Plan or the Teachers Plan.

(2) This subpart provides illustrative examples of sample computations to

show the application of the general principles to specific problems.

(b)(1) This subpart applies only to benefits under the Police and Firefighters Plan or the Teachers Plan for individuals who have performed service creditable under these programs on or before June 30, 1997.

(2) This subpart addresses only those issues that affect the split of fiscal responsibility for retirement benefits (that is, the calculation of Federal Benefit Payments).

(3) Issues relating to determination and review of eligibility and payments, and financial management, are beyond the scope of this subpart.

(c) This subpart does not apply to benefit calculations under the Judges Plan.

§ 29.302 Definitions.

In this subpart (including appendix A of this subpart)—

Deferred retirement means retirement under section 4-623 of the D.C. Code (1997) (under the Police and Firefighters Plan) or section 31-1231(a) of the D.C. Code (1997) (under the Teachers Plan).

Deferred retirement age means the age at which a deferred annuity begins to accrue, that is, age 55 under the Police and Firefighters Plan and age 62 under the Teachers Plan.

Department service or *departmental service* means any period of employment in a position covered by the Police and Firefighters Plan or Teachers Plan. *Department service* or *departmental service* may include certain periods of military service that interrupt a period of employment under the Police and Firefighters Plan or the Teachers Plan.

Disability retirement means retirement under section 4-615 or section 4-616 of the D.C. Code (1997) (under the Police and Firefighters Plan) or section 31-1225 of the D.C. Code (1997) (under the Teachers Plan), regardless of whether the disability was incurred in the line of duty.

Enter on duty means commencement of employment in a position covered by the Police and Firefighters Plan or the Teachers Plan.

Excess leave without pay or *excess LWOP* means a period of time in a non-pay status that in any year is greater

than the amount creditable as service under § 29.105(d).

Hire date means the date the employee entered on duty.

Military service means—

(1) For the Police and Firefighters Plan, military service as defined in section 4-607 of the D.C. Code (1997) that is creditable as other service under section 4-602 or section 4-610 of the D.C. Code (1997); and

(2) For the Teachers Plan, military service as described in section 31-1230(a)(4) of the D.C. Code (1997).

Optional retirement means regular longevity retirement under section 4-618 of the D.C. Code (1997) (under the Police and Firefighters Plan) or section 31-1224(a) of the D.C. Code (1997) (under the Teachers Plan).

Other service means any period of creditable service other than departmental service or unused sick leave. *Other service* includes service that becomes creditable upon payment of a deposit, such as service in another school system under the Teachers Plan (under section 31-1208 of the D.C. Code (1997)); and service that is creditable without payment of a deposit, such as military service occurring prior to employment under the Police and Firefighters Plan.

Pre-80 hire means an individual whose annuity is computed using the formula under the Police and Firefighters Plan applicable to individuals hired before February 15, 1980.

Pre-96 hire means an individual whose annuity is computed using the formula under the Teachers Plan applicable to individuals hired before November 10, 1996.

Sick leave means unused sick leave, which is creditable in a retirement computation, as calculated under § 29.105(c).

GENERAL PRINCIPLES FOR DETERMINING SERVICE CREDIT TO CALCULATE FEDERAL BENEFIT PAYMENTS

§ 29.311 Credit only for service performed on or before June 30, 1997.

Only service performed on or before June 30, 1997, is credited toward Federal Benefit Payments.

§ 29.312

§ 29.312 All requirements for credit must be satisfied by June 30, 1997.

Service is counted toward Federal Benefit Payments only if all requirements for the service to be creditable are satisfied as of June 30, 1997.

§ 29.313 Federal Benefit Payments are computed based on retirement eligibility as of the separation date and service creditable as of June 30, 1997.

Except as otherwise provided in this subpart, the amount of Federal Benefit Payments is computed based on retirement eligibility as of the separation date and service creditable as of June 30, 1997.

SERVICE PERFORMED AFTER JUNE 30,
1997

§ 29.321 General principle.

Any service performed after June 30, 1997, may never be credited toward Federal Benefit Payments.

§ 29.322 Disability benefits.

If an employee separates for disability retirement after June 30, 1997, and, on the date of separation, the employee—

(a) Satisfies the age and service requirements for optional retirement, the Federal Benefit Payment commences immediately, that is, the Federal Benefit Payment is calculated as though the employee retired under optional retirement rules using only service through June 30, 1997 (See examples 7A and 7B of appendix A of this subpart); or

(b) Does not satisfy the age and service requirements for optional retirement, the Federal Benefit Payment begins when the disability retiree reaches deferred retirement age. (See § 29.343.)

ALL REQUIREMENTS FOR CREDIT MUST
BE SATISFIED BY JUNE 30, 1997

§ 29.331 General principle.

To determine whether service is creditable for the computation of Federal Benefit Payments under this subpart, the controlling factor is whether all requirements for the service to be creditable under the Police and Fire-

31 CFR Subtitle A (7-1-10 Edition)

fighters Plan or the Teachers Plan were satisfied as of June 30, 1997.

§ 29.332 Unused sick leave.

(a) For employees separated for retirement as of June 30, 1997, Federal Benefit Payments include credit for any unused sick leave that is creditable under the applicable plan.

(b) For employees separated for retirement after June 30, 1997, no unused sick leave is creditable toward Federal Benefit Payments.

§ 29.333 Military service.

(a) For employees who entered on duty on or before June 30, 1997, and whose military service was performed prior to that date, credit for military service is included in Federal Benefit Payments under the terms and conditions applicable to each plan.

(b) For employees who enter on duty after June 30, 1997, military service is not creditable toward Federal Benefit Payments, even if performed as of June 30, 1997.

(c) For employees who entered on duty on or before June 30, 1997, but who perform military service after that date, the credit for military service is not included in Federal Benefit Payments.

§ 29.334 Deposit service.

(a) *Teachers Plan.* (1) Periods of civilian service that were not subject to retirement deductions at the time they were performed are creditable for Federal Benefit Payments under the Teachers Plan if the deposit for the service was paid in full to the Teachers Plan as of June 30, 1997.

(2) No credit is allowed for Federal Benefit Payments under the Teachers Plan for any period of civilian service that was not subject to retirement deductions at the time it was performed if the deposit for the service was not paid in full as of June 30, 1997.

(b) *Police and Firefighters Plan.* No credit is allowed for Federal Benefit Payments under the Police and Firefighters Plan for any period of civilian service that was not subject to retirement deductions at the time that the service was performed. (See definition of "governmental service" at D.C. Code section 4-607(15) (1997).)

§ 29.335 Refunded service.

(a) Periods of civilian service that were subject to retirement deductions but for which the deductions were refunded to the employee are creditable for Federal Benefit Payments if the re-deposit for the service was paid in full to the District government as of June 30, 1997.

(b) No credit is allowed for Federal Benefit Payments for any period of civilian service that was subject to retirement deductions but for which the deductions were refunded to the employee if the re-deposit for the service was not paid in full to the District government as of June 30, 1997.

CALCULATION OF THE AMOUNT OF
FEDERAL BENEFIT PAYMENTS

§ 29.341 General principle.

Except for disability retirements after June 30, 1997, and certain death benefits based on deaths after June 30, 1997, in which the calculation is not based upon length of service (see § 29.344); for cases in which some service is creditable on or before June 30, 1997, and some service is creditable after June 30, 1997, Federal Benefit Payments are computed under the rules of the applicable plan as though—

(a) The employee were eligible to retire effective July 1, 1997, under the same conditions as the actual retirement (that is, using the annuity computation formula that applies under the plan in effect on June 29, 1997, and the actual retirement age, including any applicable age reduction, based on the age at actual retirement);

(b) The service that became creditable after June 30, 1997, did not exist; and

(c) The average salary is the average salary at separation.

NOTE TO § 29.341: See examples 7B, 9, and 13 of appendix A of this subpart.

§ 29.342 Computed annuity exceeds the statutory maximum.

(a) In cases in which the total computed annuity exceeds the statutory maximum:

(1) Federal Benefit Payments may equal total benefits even if the employee had service after June 30, 1997.

(2) If the employee had sufficient service as of June 30, 1997, to qualify for the maximum annuity under the plan, the Federal Benefit Payment is the maximum annuity under the plan. This will be the entire benefit except for any amount in excess of the normal maximum due to unused sick leave, which is the responsibility of the District. (See example 3, of appendix A of this subpart.)

(b) If the employee did not perform sufficient service as of June 30, 1997, to reach the statutory maximum benefit, but has sufficient service at actual retirement to exceed the statutory maximum, the Federal Benefit Payment is the amount earned through June 30, 1997. The non-Federal-Benefit-Payment portion of the total benefit consists of only the amount by which the total benefit payable exceeds the Federal Benefit Payment.

§ 29.343 Disability benefits.

(a) The general rule that Federal Benefit Payments are calculated under the applicable retirement plan as though the employee were eligible for optional retirement and separated on June 30, 1997, does not apply to disability benefits prior to optional retirement age.

(b) In cases involving disability benefits prior to optional retirement age, no Federal Benefit Payment is payable until the retiree reaches the age of eligibility to receive a deferred annuity (age 55 under the Police and Firefighters Plan and age 62 under the Teachers Plan). When the age for deferred annuity is reached, the Federal Benefit Payment is paid using creditable service accrued as of June 30, 1997, and average salary (computed under the rules for the applicable plan) as of the date of separation. (See examples 6 and 7 of appendix A of this subpart.)

§ 29.344 Survivor benefits.

(a) The general rule that Federal Benefit Payments are calculated under the applicable retirement plan as though the employee were eligible for optional retirement and separated on June 30, 1997, does not apply to death benefits that are not determined by length of service.

§ 29.345

(b) In cases in which the amount of death benefits is not determined by length of service, the amount of Federal Benefit Payments is calculated by multiplying the amount of the total benefit payable by the number of full months of service through June 30, 1997, and then dividing by the number of months of total service at retirement (for elected survivor benefits) or death (for guaranteed-minimum death-in-service survivor benefits). (See example 13 of appendix A of this subpart.)

§ 29.345 Cost-of-living adjustments.

Cost-of-living increases are applied directly to Federal Benefit Payments, rather than computed on the total benefit and then prorated. (See example 14 of appendix A of this subpart.)

§ 29.346 Reduction for survivor benefits.

(a) If a retiree designates a base for a survivor annuity that is greater than or equal to the unreduced Federal Benefit Payment, the applicable plan's annuity reduction formula is applied to the unreduced Federal Benefit Payment to determine the reduced Federal Benefit Payment. (See example 10 of appendix A of this subpart.)

(b) If a retiree designates a base for a survivor annuity that is less than the amount of the Federal Benefit Payment, the entire survivor reduction applies to the Federal Benefit Payment to determine the reduced Federal Benefit Payment.

**APPENDIX A TO SUBPART C OF PART 29—
EXAMPLES**

This appendix contains sample calculations of Federal Benefit Payments in a variety of situations.

OPTIONAL RETIREMENT EXAMPLES

EXAMPLE 1: NO UNUSED SICK LEAVE

A. In this example, an individual covered by the Police and Firefighters Plan hired before 1980 retires in October 1997. At retirement, he is age 51 with 20 years and 3 days of departmental service plus 3 years, 4 months, and 21 days of military service that preceded the departmental service. The Federal Benefit Payment begins at retirement. It is based on the 19 years, 8 months, and 22 days of departmental service and 3 years, 4 months, and 21 days of military service performed as of June 30, 1997. Thus, the Federal

31 CFR Subtitle A (7-1-10 Edition)

Benefit Payment is based on 23 years and 1 month of service, all at the 2.5 percent accrual rate. The total annuity is based on 23 years and 4 months of service, all at the 2.5 percent accrual rate.

B. In this example, the individual covered by the Police and Firefighters Plan was hired earlier than in example 1A and thus performed more service as of both June 30, 1997, and retirement in October 1997. At retirement, he is age 51 with 21 years, 11 months and 29 days of departmental service plus 3 years, 4 months, and 21 days of military service that preceded the departmental service. The Federal Benefit Payment begins at retirement. It is based on the 21 years, 8 months, and 18 days of departmental service and 3 years, 4 months, and 21 days of military service performed as of June 30, 1997. Thus, the Federal Benefit Payment is based on 25 years and 1 month of service, 1 year and 8 months at the 3.0 percent accrual rate and 23 years and 5 months at the 2.5 percent accrual rate (including 1 month consisting of 18 days of departmental service and 21 days of other service). The total annuity is based on 25 years and 4 months of service, 1 year and 11 months at the 3.0 percent accrual rate and 23 years and 5 months at the 2.5 percent accrual rate (including 1 month consisting of 29 days of departmental service and 21 days of other service).

EXAMPLE 2: UNUSED SICK LEAVE CREDIT

In this example, an individual covered by the Police and Firefighters Plan and hired before 1980 retires in March 1998. At retirement, she is age 48 with 24 years, 8 months, and 6 days of departmental service plus 6 months and 4 days of other service (deposit paid before June 30, 1997) and 11 months and 11 days of unused sick leave. For a police officer (or a non-firefighting division firefighter) such an amount of sick leave would be 1968 hours (246 days, based on a 260-day year, times 8 hours per day). For a firefighting division firefighter, such an amount would be 2069 hours (341 days divided by 360 days per year times 2184 hours per year). The Federal Benefit Payment begins at retirement. It is based on the 23 years, 11 months, and 23 days of departmental service performed as of June 30, 1997, and 6 months and 4 days of other service. Thus, the Federal Benefit Payment is based on 20 years departmental and 6 months of other service at the 2.5 percent accrual rate and 3 years and 11 months of service at the 3.0 percent accrual rate. The total annuity is based on 20 years and 6 months of service at the 2.5 percent accrual rate and 5 years and 7 months of service at the 3 percent accrual rate.

EXAMPLE 3: CALCULATED BENEFIT EXCEEDS
STATUTORY MAXIMUM

A. In this example, an individual covered by the Police and Firefighters Plan hired before 1980 retires in March 1998. At retirement, he is age 55 with 32 years and 17 days of departmental service. The Federal Benefit Payment begins at retirement. It is based on the 31 years, 3 months, and 17 days of departmental service performed as of June 30, 1997. Thus, the Federal Benefit Payment is based on 20 years of service at the 2.5 percent accrual rate and 11 years and 3 months of service at the 3.0 percent accrual rate. However, the annuity is limited to 80 percent of the basic salary at time of retirement. (This limitation does not apply to the unused sick leave credit.) The annuity computed as of June 30, 1997, equals the full benefit payable; therefore, the Federal Benefit Payment is the total benefit.

\$5,145.00

B. In this example, the individual in example 3A also has 6 months of unused sick leave at retirement. The sick leave credit is not subject to the 80% limitation and does not become creditable service until the date of separation. For a police officer (or a non-firefighting division firefighter) such an amount of sick leave would be 1040 hours (130 days, based on a 260-day year, times 8 hours per day). For a firefighting division firefighter, such an amount would be 1092 hours (180 days divided by 360 days per year times 2184 hours per year). Six months of unused sick leave increases the annual total benefit by 1.5 percent of the average salary, or in the example by \$94 per month. The District is responsible for the portion of the annuity attributable to the unused sick leave because it became creditable at retirement, that is, after June 30, 1997.

EXAMPLE 4: EXCESS LEAVE WITHOUT PAY

In this example, an individual covered by the Teachers Plan hired before 1996 retires in February 1998. At retirement, she is age 64 with 27 years of departmental service and 6 years, 7 months, and 28 days of other service (creditable before June 30, 1997). However, only 6 months of leave in a fiscal year without pay may be credited toward retirement under the Teachers Plan. She had 3 months and 18 days of excess leave without pay as of June 30, 1997. Since the excess leave without pay occurred before June 30, 1997, the time attributable to the excess leave without pay is subtracted from the service used in both the Federal Benefit Payment and the total benefit computations. The Federal Benefit Payment begins at retirement. It is based on the 32 years and 8 months of service (32 years, 11 months, and 28 days minus 3 months and 18 days and the partial month dropped); 5 years of service at the 1.5 percent accrual rate, 5 years of service at the 1.75 percent accrual rate, and 22 years and 8 months of service at the 2 percent accrual rate. The total annuity is based on 33 years and 4 months of service (33 years, 7 months and 28 days minus 3 months and 18 days and the partial month dropped) 5 years of service at the 1.5 percent accrual rate, 5 years of service at the 1.75 percent accrual rate and 23 years and 4 months of service at the 2 percent accrual rate.

NOTE: For the Teachers Plan, section 1230(a) of title 31 of the DC Code (1997) allows for 6 months leave without pay in any fiscal year. For the Police and Firefighters Plan, section 610(d) of title 4 of the DC Code (1997) allows for 6 months leave without pay in any calendar year.

EXAMPLE 5: SERVICE CREDIT DEPOSITS

A. An individual covered by the Teachers Plan hired before 1996 retires in October 1997. At retirement, he is age 61 with 30 years and 3 days of departmental service plus 3 years, 4 months, and 21 days of other service that preceded the departmental service for which the deposit was fully paid on or before June 30, 1997. The Federal Benefit Payment begins at retirement. It is based on the 29 years, 8 months, and 22 days of departmental service and 3 years, 4 months, and 21 days of service performed as of June 30, 1997. Thus, the Federal Benefit Payment is based on 33 years and 1 month of service; 5 years of service at the 1.5 percent accrual rate, 5 years of service at the 1.75 percent accrual rate, and 23 years and 1 month of service at the 2 percent accrual rate. The total annuity is based on 33 years and 4 months of service; 5 years of service at the 1.5 percent accrual rate, 5 years of service at the 1.75 percent accrual rate and 23 years and 4 months of service at the 2 percent accrual rate.

B. In this example, the employee in example 5A did not pay any of the deposit to obtain credit for the 3 years, 4 months, and 21 days of other service as of June 30, 1997. Thus, none of the other service is used in the computation of the Federal Benefit Payment. An individual covered by the Teachers Plan hired before 1996 retires in October 1997. At retirement, he is age 61 with 30 years and 3 days of departmental service plus 3 years, 4 months, and 21 days of other service that preceded the departmental service for which the deposit was paid in full in October 1997 (at retirement). The Federal Benefit Payment begins at retirement. It is based on only the 29 years, 8 months, and 22 days of departmental service performed as of June 30, 1997; 5 years of service at the 1.5 percent accrual rate, 5 years of service at the 1.75 percent accrual rate, and 19 years and 8 months of service at the 2 percent accrual rate. The total annuity is based on 33 years and 4 months of service; 5 years of service at the 1.5 percent accrual rate, 5 years of service at the 1.75 percent accrual rate and 23 years and 4 months of service at the 2 percent accrual rate.

DISABILITY RETIREMENT EXAMPLES

**EXAMPLE 6: DISABILITY OCCURS BEFORE
ELIGIBILITY FOR OPTIONAL RETIREMENT**

A. In this example, an individual covered by the Police and Firefighters Plan hired before 1980 retires based on a disability in the line of duty in October 1997. At retirement, he is age 45 with 18 years, 5 months, and 11 days of departmental service. Since he had performed less than 20 years of service and had not reached the age of eligibility for an optional retirement, the Federal Benefit Payment does not begin at retirement. When the disability annuitant reaches age 55, he satisfies the age and service requirements for deferred retirement. At that time (August 20, 2007), the Federal Benefit Payment begins. It is based on the 18 years, 1 month, and 17 days of departmental service performed as of June 30, 1997, all at the 2.5 percent accrual rate.

B. In this example, an individual covered by the Teachers Plan hired before 1996 retires based on a disability in December 1997. At retirement, she is age 49 with 27 years and 4 months of departmental service which includes 3 years, 3 months and 14 days of excess leave without pay (prior to June 30, 1997). Since she does not qualify for optional retirement at separation, the Federal Benefit Payment does not begin at separation. When the disability annuitant reaches age 62, she

will satisfy the age and service requirements for deferred retirement. At that time (March 9, 2010), the Federal Benefit Payment begins. The time attributable to the excess leave without pay is subtracted from the service used to compute the Federal Benefit Payment. Since the excess leave without pay occurred before June 30, 1997, the deferred Federal Benefit Payment is based on the 23 years and 6 months of service; 5 years of service at the 1.5 percent accrual rate, 5 years of service at the 1.75 percent accrual rate, and 13 and 6 months of service at the 2 percent accrual rate.

A. In this example, an individual covered by the Police and Firefighters Plan hired before 1980 retires based on a disability in the line of duty in October 1997. At retirement, she is age 55 with 24 years, 5 months, and 11 days of departmental service. Since she was also eligible for optional retirement at the time of separation, the Federal Benefit Payment commences at retirement. It is based on the 24 years, 1 month, and 17 days of departmental service performed as of June 30, 1997. Thus, the Federal Benefit Payment is based on 20 years of service at the 2.5 percent accrual rate and 4 years and 1 month of service at the 3 percent accrual rate. The total annuity is based on the disability formula and is equal to two-thirds of average pay because that amount is higher than the 63.25 percent payable based on total service.

Since the excess leave without pay occurred before June 30, 1997, and the total annuity is based on actual service (that is, exceeds the guaranteed disability minimum), the time attributable to the excess leave without pay is subtracted from the service used to compute the Federal Benefit Payment and total benefit. The Federal Benefit Payment is based on 23 years and 6 months of service; 5 years of service at the 1.5 percent accrual rate, 5 years of service at the 1.75 percent accrual rate, and 13 years and 6 months of service at the 2 percent accrual rate. In this example, an individual covered by the Police and Firefighters Plan hired before 1980 separated in March 1986 with title to a deferred annuity. In November 1997, he reaches age 55 and becomes eligible for the deferred annuity based on his 15 years, 9 months, and 8 days of departmental service, all at the 2.5 percent accrual rate. The total annuity is based on the same 15 years, 9 months, and 8 days of service all at the 2.5 percent accrual rate. Since all the service is creditable as of June 30, 1997, the Federal Benefit Payment equals the total annuity.

CALCULATIONS**

Both of the following examples involve a former teacher who elected a reduced annuity to provide a survivor benefit:

A. In this example, the employee elected full survivor benefits. The Federal Benefit Payment is reduced by 2½ percent of the first \$3600 and 10 percent of the balance. The total annuity is also reduced by 2½ percent of the first \$3600 and 10 percent of the balance.

**EARLY OPTIONAL OR INVOLUNTARY
RETIREMENT EXAMPLES**

**EXAMPLE 11: EARLY OPTIONAL WITH AGE
REDUCTION**

In this example, an individual covered by the Teachers Plan hired before 1996 retires voluntarily in February 1998, under a special program that allows early retirement with at least 20 years of service at age 50 older, or at least 25 years of service at any age. At retirement, she is 6 full months short of age 55. She has 25 years and 5 months of departmental service; 6 years, 2 months, and 19 days of other service (creditable before June 30, 1997); and 2 months and 9 days of unused sick leave. Since she is not eligible for optional retirement and she is eligible to retire voluntarily only because of the District-approved special program, the Federal Benefit Payment is calculated similar to a disability retirement. It does not begin until she becomes eligible for a deferred annuity at age 62. When it commences the Federal Benefit Payment will be based on the service creditable as of June 30, 1997: 30 years and 11 months of service; 5 years of service at the 1.5 percent accrual rate, 5 years of service at the 1.75 percent accrual rate, and 20 years and 11 months of service at the 2 percent accrual rate. The total annuity is based on 5 years of service at the 1.5 percent accrual rate, 5 years of service at the 1.75 percent accrual rate and 21 years and 9 months of service at the 2 percent accrual rate (including the unused sick leave). In this example, an individual covered by the Teachers Plan hired before 1996 retires involuntarily in February 1998. At retirement, she is 6 full months short of age 55. She has 25 years and 5 months of departmental service; 6 years, 2 months, and 19 days of other service (creditable before June 30, 1997); and 2 months and 9 days of unused sick leave. The Federal Benefit Payment begins at retirement. It is based on the 30 years and 11 months of service; 5 years of service at the 1.5 percent accrual rate, 5 years of service at the 1.75 percent accrual rate, and 20 years and 11 months of service at the 2 percent accrual rate. The total annuity is based on 5 years of service at the 1.5 percent accrual rate, 5 years of service at the 1.75 percent accrual rate and 21 years and 9 months of service at the 2 percent accrual rate (including the unused sick leave). Both the Federal Benefit Payment and the total benefit are reduced by the age reduction factor.

DEATH BENEFITS EXAMPLE

EXAMPLE 13: DEATH BENEFITS CALCULATION

Regardless of whether death occurs in service or after retirement, if the death benefit is not based on the length of service, the portion of a death benefit that is a Federal Benefit Payment is based on the ratio of the number of months of the deceased employee's service as of June 30, 1997, to the number of months of the deceased employee's total service. This proration will always apply to cases of death after retirement in which the survivor annuity is based on the reduction in the employee's annuity to provide the benefit. It also applies to lump-sum benefits and benefits computed under a guaranteed-minimum or a percentage-of-disability-at-retirement formula.

A. In this example, an individual covered by the Teachers Plan retires in April 1998 with 30 years of service and elects to provide a full survivor annuity. He dies in June 1998. The Federal Benefit Payment is 97½ percent (351 months/360 months) of the total survivor benefit.

B. In this example, a teacher dies in service on June 30, 1998 after 31 years of departmental service. Since the survivor annuity is based on actual service, the Federal Benefit Payment is based on the 30 years of service as of June 30, 1997. The total benefit is based on the 31 years of total service. No proration is appropriate.

C. In this example, a teacher dies in service on April 1, 1998 after 15 years of departmental service. Since the survivor annuity is based on the guaranteed minimum, the Federal Benefit Payment is a prorated portion of the total benefit. Since the teacher had 171 months of service as of the freeze date and 180 months of service at death, the Federal

Benefit Payment equals 171/180ths of the total benefit.

D. In this example, as in the prior example, a teacher dies in service on April 1, 1998 after 15 years of departmental service. However, in this example, the teacher was age 40 on the hire date. The amount of service used in the survivor annuity calculation equals the amount of service that the teacher would have had if the teacher continued covered employment until age 60. Since the survivor annuity is based on projected service, a form of the guaranteed minimum, the Federal Benefit Payment is a prorated portion of the total benefit. Since the teacher had 171 months of service as of the freeze date and 180 months of service at death, the Federal Benefit Payment equals 171/180ths of the total benefit.

COST OF LIVING ADJUSTMENT EXAMPLES

**EXAMPLE 14: APPLICATION OF COST OF LIVING
ADJUSTMENTS**

Cost of living adjustments are applied directly to the Federal Benefit Payment to determine the new rate of the Federal Benefit Payment after a cost of living adjustment.

A. In this example, the cost of living adjustment is the same for the Federal Benefit Payment and the non-Federal Benefit Payment portion of the total benefit. Effectively, the total cost of living adjustment is proportionally split between the Federal Benefit Payment and the non-Federal Benefit Payment.

RETROACTIVE PAYMENT OF ACCRUED ANNUITY EXAMPLE

EXAMPLE 15: ACCRUAL OF FEDERAL BENEFIT PAYMENT

The Federal Benefit Payment begins to accrue on the annuity commencing date, regardless of whether the employee is added to the annuity roll in time for the regular payment cycle. If the employee is due a retroactive payment of accrued annuity, the portion of the retroactive payment that would have been Federal Benefit Payment (if it were made in the regular payment cycle) is still Federal Benefit Payment. In this example, a teacher retired effective September 11, 1998. She was added to the retirement rolls on the pay date November 1, 1998 (October 1 to October 31 accrual cycle). Her Federal Benefit Payment is \$3000 per month and her total benefit payment is \$3120 per month. Her initial check is \$5200 because it includes a prorated payment for 20 days (September 11 to September 30). The Federal Benefit Payment is \$5000 of the initial check (\$3000 for the October cycle and \$2000 for the September cycle).

Department means the Secretary of the Treasury or a designee authorized to exercise the Secretary's authority with respect to Federal Benefit Payments under the Act.

[65 FR 80753, Dec. 22, 2000, as amended at 70 FR 60005, Oct. 14, 2005]

§ 29.403 Applications filed with the Benefits Administrator.

All claimants for Federal Benefit Payments must file applications for benefits (including applications for retirement, refunds of contributions, and death benefits) with the Benefits Administrator.

§ 29.404 Initial benefit determinations and reconsideration by the Benefits Administrator.

(a) *Initial benefit determinations.* The Benefits Administrator will process applications for Federal Benefit Payments and determine the eligibility for and the amount and form of Federal Benefit Payments. All initial benefit determination decisions which may reasonably be construed as a denial (in whole or part) of a claim for Federal Benefit Payments must be in writing, must advise claimants of their right to request reconsideration under paragraph (b), of this section and must state the time limits applicable to such a request.

(b) *Claimant's right to reconsideration of benefit denials.* (1) Except as provided in paragraph (b)(2) of this section, claimants who disagree with the amount or form of a Federal Benefit Payment determination and wish to contest the determination must first request the Benefits Administrator to reconsider its determination.

(2) A decision to collect a debt is not a denial of a benefit claim under this section.

31 CFR Subtitle A (7-1-10 Edition)

(c) *Form and timing of requests for reconsideration.* (1) A request for reconsideration must be in writing, must include the claimant's name, address, date of birth and claim number, if applicable, and must state the basis for the request.

(2) A request for reconsideration must be received by the Benefits Administrator within 30 calendar days from the date of the written notice of the initial benefit determination.

(d) *Reconsideration decisions.* A reconsideration decision by the Benefits Administrator denying (in whole or part) a claim for a Federal Benefit Payment must—

(1) Be in writing;

(2) Provide adequate notice of such denial, setting forth the specific reason for the denial in a manner calculated to be understood by the average participant; and

(3) Provide notice of the right to appeal the Benefit Administrator's decision to the Department, the address to which such an appeal must be submitted, and the time limits applicable to such an appeal.

(e) *Appeal of reconsideration decisions.* The Department will review an appeal of a reconsideration decision under § 29.405.

§ 29.405 Appeals to the Department.

(a) *Who may file.* Any claimant whose claim for a Federal Benefit Payment has been denied (in whole or part) by the Benefits Administrator in a reconsideration decision under § 29.404(d) may appeal that decision to the Department.

(b) *Form of appeal.* An appeal must be in writing, must include the claimant's name, address, date of birth and claim number, if applicable, and must state the basis for the appeal.

(c) *Time limits on Appeals.* (1) An appeal must be received by the Department within 30 calendar days from the date of the reconsideration decision under § 29.404(d).

(2) The Department may extend the time limit for filing when the claimant shows that he or she was not notified of the time limit and was not otherwise aware of it, or that he or she was prevented by circumstances beyond his or her control from making the request

within the time limit, or for other good and sufficient reason.

(d) *Final decision.* After consideration of the appeal, the Department will issue a final decision. The Department's decision must be in writing, must fully set forth the Department's findings and conclusions on the appeal, and must contain notice of the right to judicial review provided in § 29.406. Copies of the final decision must be sent to the claimant seeking appeal, to any competing claimants (see § 29.407) and to the Benefits Administrator.

§ 29.406 Judicial review.

An individual whose claim for a Federal Benefit Payment has been denied (in whole or part) in a final decision by the Department under § 29.405 may, within 180 days of the date of the final decision, file a civil action in the United States District Court for the District of Columbia. Any such civil action must be filed in accordance with the rules of that court.

§ 29.407 Competing claimants.

(a) *Competing claimants* are applicants for survivor benefits based on the service of a participant when—

- (1) A benefit is payable based on the service of the participant;
- (2) Two or more claimants have applied for benefits based on the service of the participant; and
- (3) A decision in favor of one claimant will adversely affect another claimant(s).

(b)(1) When a competing claimant files a request for reconsideration under this section, the other competing claimants shall be notified of the request and given an opportunity to submit written substantiation of their claim.

(2) When the Benefits Administrator receives an application from a competing claimant(s) before any payments are made based upon the service of the participant, and an initial determination of benefits in favor of one claimant adversely affects another claimant, all known claimants concerned will be notified in writing of that decision and those adversely affected will be given an opportunity to request reconsideration under the procedures and time limitations set forth

in § 29.404(c). The Benefits Administrator must not execute its decision until the time limit for filing a request for reconsideration has expired, or, if a reconsideration decision is made, until the time limit for filing an appeal to the Department has expired or the Department has issued a final decision on a timely appeal, whichever is later.

(3) When the Benefits Administrator does not receive an application from a competing claimant(s) until after another person has begun to receive payments based upon the service of the participant, the payments will continue until the time limit for filing a request for reconsideration has expired, or, if a reconsideration decision is made, until the time limit for filing an appeal to the Department has expired or the Department has issued a final decision on a timely appeal, whichever is later.

SOURCE: 66 FR 36705, July 13, 2001, unless otherwise noted.

§ 29.501 Purpose; incorporation by reference; scope.

(a) This subpart regulates—

- (1) The recovery of overpayments of Federal Benefit Payments;
- (2) The standards for waiver of recovery of overpayments of Federal Benefit Payments; and
- (3) The use of Federal Benefit Payments to recover certain other debts due the United States.

(b) The regulations of this subpart incorporate by this reference all provisions of the Federal Claims Collection Standards (FCCS) (parts 900–904 of Title 31, Code of Federal Regulations), and supplement those regulations by the prescription of procedures and directives necessary and appropriate for the operation and administration of the Retirement Funds. To the extent they are not inconsistent with the regulations contained in this subpart, the regulations in part 5 of title 31, Code of Federal Regulations, also apply to the collection of debts under this subpart.

(c)(1) *Debts based on fraud, misrepresentation, or the presentation of a false claim.* This subpart does not apply to

§ 29.502

any overpayments of Federal Benefit Payments which arose, in whole or in part, due to fraud, misrepresentation, or the presentation of a false claim by the debtor or any party having an interest in the claim. Such debts should be referred by the Benefits Administrator immediately to the U.S. Justice Department for action pursuant to 31 CFR 900.3.

(2) *Tax debts.* This subpart does not apply to tax debts.

(d)(1) Sections 29.501 through 29.506 state the rules of general applicability to this subpart.

(2) Sections 29.511 through 29.520 prescribe procedures to be followed by the Benefits Administrator which are consistent with the FCCS in the collection of debts owed to the Retirement Funds.

(3) Sections 29.521 through 29.526 prescribe the standards that the Department will apply in decisions to waive recoupment or recovery of overpayments from the Retirement Funds under sections 11021(3) and 11251(c)(2)(B) of the Act.

(e) This part does not apply to debt collection claims asserted and requests for waivers of collection initiated before October 1, 1997. Such debt collection claims must be pursued by the District of Columbia and such requests for waivers of collection must be pursued with the District of Columbia.

Salary offset means any offset authorized by 5 U.S.C. 5514 and 31 U.S.C. 3716.

Substantially all, as used in § 29.524, means that a debtor’s income is less than or equal to his or her ordinary and necessary expenses plus a reasonable monthly allowance for unexpected or emergency expenses and does not allow for the deduction of a reasonable monthly installment payment to recover the debt.

Voluntary repayment agreement means an agreement wherein the debtor makes installment payments to repay an overpayment debt in accordance with a repayment schedule agreed to by the Benefits Administrator or the Department.

Waiver means a decision not to recover all or part of an overpayment debt owed to the Retirement Funds under authority of sections 11021(3) or 11251(c)(2)(B) of the Act.

§ 29.504 Status of debts.

A payment of a Federal Benefit Payment to a debtor because of an error on the part of the Department or Benefits Administrator, or the failure of the creditor agency to properly and/or timely submit a debt claim, does not erase the debt or affect the validity of the claim by the creditor agency.

§ 29.505 Compromise of debts; termination and suspension of collection actions.

The procedures for compromise of a claim for an overpayment or the termination or suspension of a collection action seeking to recover an overpayment, other than waiver of an overpayment under §§ 29.521 through 29.526, are controlled exclusively by the FCCS and 31 CFR part 5.

§ 29.506 Recovery of other debts owed to the United States.

(a) *Procedures for Creditor Agencies.* Agencies seeking to recover a debt by offset of Federal Benefit Payments payable to the debtor must comply with the offset procedures set forth in 31 U.S.C. 3716 and the FCCS. A creditor agency may seek to collect a debt through offset of Federal Benefit Payments pursuant to the Department's procedures for administrative offset set forth in 31 CFR part 5.

(b) *Offset by the Benefits Administrator.* As required by 31 U.S.C. 3716(c), the Benefits Administrator must compare payment records of the Retirement Funds with records of debts submitted to the Financial Management Service for collection by administrative offset, and must offset payments to satisfy, in whole or in part, debts owed by any annuitant.

31 CFR Subtitle A (7-1-10 Edition)

COLLECTION OF OVERPAYMENTS

§ 29.511 Demand letters.

Except as provided in § 29.516(e), before starting collection action to recover an overpayment, the Benefits Administrator must send a demand letter that informs the debtor in writing—

(a) That an overpayment has occurred, the amount of the overpayment, and the facts giving rise to the overpayment;

(b) The date by which payment of the debt should be made to avoid additional charges (*i.e.*, interest, penalties and administrative costs) permitted by the FCCS and enforced collection;

(c) The requirement that any overpayment debt delinquent for more than 180 days be transferred to the Department of the Treasury's Financial Management Service for collection;

(d) The name, address, and phone number of the appropriate person or office the debtor may contact about the debt;

(e) The remedies which may be used to enforce payment of the debt, including assessment of interest, administrative costs and penalties; administrative wage garnishment; the use of collection agencies; Federal salary offset; tax refund offset; administrative offset; and litigation.

(f) Whether offset is available and, if so, the types of payment(s) to be offset or eligible for offset, the repayment schedule (if any), the right to request an adjustment in the repayment schedule, and the right to request a voluntary repayment agreement in lieu of offset;

(g) An explanation of the Department's policy on interest, penalties, and administrative costs as set forth in 31 CFR part 5, the FCCS, and 31 U.S.C. 3717, including a statement that such assessments must be made unless excused in accordance with the FCCS;

(h) The debtor's opportunity to request repayment in installments if the debtor can show an inability to repay the debt in one lump sum;

(i) The debtor's opportunity to inspect and/or receive a copy of the records relating to the overpayment;

(j) The method and time period (60 calendar days) for requesting reconsideration, waiver, and/or compromise of the overpayment;

(k) That all requests for waiver or compromise must be accompanied by a disclosure of the debtor's financial condition and ability to pay the debt;

(l) The standards used by the Department in deciding requests for waiver (set forth in §§ 29.521 through 29.526) and compromise (set forth in 31 CFR 902.2); and

(m) The fact that a timely filing of a request for reconsideration, waiver and/or compromise, or a subsequent timely appeal of a reconsideration decision, will stop collection proceedings, unless—

(1) Failure to take the offset would substantially prejudice the Federal Government's ability to collect the debt; and

(2) The time before the payment is to be made does not reasonably permit the completion of these procedures.

§ 29.512 Reconsideration by the Benefits Administrator.

(a) *Right to reconsideration of overpayment determinations.* Individuals who receive a demand letter and who wish to contest the existence or amount of the overpayment may ask the Benefits Administrator to reconsider the determination.

(b) *Requests for waiver or compromise.* Individuals who wish to seek waiver or compromise of the overpayment may file such requests with the Department under § 29.514. An individual may file a request for reconsideration in addition to a request for waiver or compromise.

(c) *Form and timing of requests for reconsideration.* (1) A request for reconsideration must be in writing and must state the basis for the request. Individuals requesting reconsideration will be given a full opportunity to present any pertinent information and documentation supporting their position and should, to the extent possible, include such information and documentation in their request.

(2) A request for reconsideration must be received by the Benefits Administrator within 60 calendar days of the date of the demand letter. The Department may extend the time limit

for filing when the individual shows that he or she was not notified of the time limit and was not otherwise aware of it, or that he or she was prevented by circumstances beyond his or her control from making the request within the time limit, or for other good and sufficient reason.

(3) When a request for reconsideration covered by this subpart is properly filed before the death of the debtor, it will be processed to completion unless the relief sought is nullified by the debtor's death.

(d) *Reconsideration decisions.* (1) The Benefits Administrator's decision on a request for reconsideration will be based upon the individual's written submissions, evidence of record, and other pertinent available information.

(2) A reconsideration decision by the Benefits Administrator must—

(i) Be in writing;

(ii) Provide notice of the extent of the individual's liability for the overpayment, if any;

(iii) If the individual is determined to be liable for all or a portion of the overpayment, reaffirm or modify the conditions for the collection of the overpayment previously proposed in the demand letter;

(iv) Provide notice of the right to appeal the Benefits Administrator's decision to the Department, the address to which such an appeal must be submitted, and the time limits applicable to such an appeal; and

(v) State that a timely appeal of the Benefits Administrator's decision to the Department will suspend action to collect the debt.

(e) *Appeal of reconsideration decisions.* The Department will review an appeal of a reconsideration decision under § 29.513.

§ 29.513 Appeals to the Department.

(a) *Form of appeal.* An appeal of a reconsideration decision under § 29.512 must be in writing and must state the basis for the appeal.

(b) *Time limits on appeals.* (1) An appeal must be received by the Department within 60 calendar days from the date of the reconsideration decision.

§29.514

(2) The Department may extend the time limit for filing when the individual shows that he or she was not notified of the time limit and was not otherwise aware of it, or that he or she was prevented by circumstances beyond his or her control from making the request within the time limit, or for other good and sufficient reason.

(c) *Final decision.* After consideration of the appeal, the Department will issue a final decision. The Department's decision will be in writing, will fully set forth the Department's findings and conclusions on the appeal, and will contain notice of the right to judicial review provided in §29.515. If the Department determines that the individual is liable for all or a portion of the overpayment, the decision also will contain the conditions for the collection of the overpayment. Copies of the final decision will be sent to the individual seeking appeal and to the Benefits Administrator.

§29.514 Requests for waiver and/or compromise.

(a) *Right to request waiver and/or compromise.* Individuals who receive a demand letter regarding an overpayment may ask the Department to waive and/or compromise, in whole or part, the amount of the overpayment.

(b) *Requests for reconsideration.* Individuals who have filed a request for reconsideration under §29.512 may also request a waiver and/or compromise under this section.

(c) *Form and timing of requests for waiver and/or compromise.* (1) A request for waiver and/or compromise must be in writing and must state the basis for the request. Individuals making such requests will be given a full opportunity to present any pertinent information and documentation supporting their position and should, to the extent possible, include such information and documentation in their request. Individuals seeking waiver or compromise of an overpayment must also submit required financial information identified in the demand letter.

(2) A request for waiver or compromise must be filed with the Department. If the request is sent by mail, it must be postmarked within 60 calendar days of the date of the demand letter.

31 CFR Subtitle A (7-1-10 Edition)

If the request is hand delivered or delivered electronically, it must be received within 60 calendar days of the date of the demand letter. The Department may extend the time limit for filing when the individual shows that he or she was not notified of the time limit and was not otherwise aware of it, or that he or she was prevented by circumstances beyond his or her control from making the request within the time limit, or for other good and sufficient reason.

(3) When a request for waiver and/or compromise under this section is properly filed before the death of the debtor, it will be processed to completion unless the relief sought is nullified by the debtor's death.

(d) *Waiver and/or compromise decisions.*

(1) The Department's decision on a request for waiver and/or compromise will be based upon the individual's written submissions, evidence of record, and other pertinent available information. An individual's request for waiver will be evaluated by the standards set forth in §29.521 through §29.526. An individual's request for compromise will be evaluated by the standards set forth in the FCCS in 31 CFR part 902.

(2) A waiver or compromise decision by the Department will—

(i) Be in writing;

(ii) Provide notice of whether the overpayment will be waived or compromised, and the extent to which the individual is still liable for the overpayment, if at all;

(iii) If the individual is determined to be liable for all or a portion of the overpayment, reaffirm or modify the conditions for the collection of the overpayment previously proposed in the demand letter; and

(iv) Be issued within 120 calendar days from the Department's receipt of a timely request for waiver and/or compromise. This time limit does not apply to requests for compromise that are referred to the Department of Justice for consideration pursuant to 31 CFR 902.1(b).

§29.515 Judicial review.

An individual whose request for reconsideration has been denied (in whole

or part) in a final decision by the Department under § 29.513 may, within 180 days of the date of the final decision, file a civil action in the United States District Court for the District of Columbia. Any such civil action must be filed in accordance with the rules of that court.

§ 29.516 Collection of overpayments.

(a) *Means of collection.* Collection of an overpayment may be made by means of offset under § 29.517, or under any statutory provision providing for offset of money due the debtor from the Federal Government including, but not limited to, Federal Benefit Payments. Collection may also be effected by referral to the Justice Department for litigation, as provided in § 29.520, or referral to a collection agency as provided in § 29.519, or by other means authorized by federal law.

(b) *Additional charges.* Interest, penalties, and administrative costs will be assessed on the overpayment in accordance with standards established in 31 U.S.C. 3717 and 31 CFR 901.9. Additional charges will be waived when required by the FCCS. The Department will waive the collection of interest on the overpayment pending the Benefits Administrator's consideration of a request for reconsideration and the Department's consideration of a request for waiver and/or compromise or the appeal of a reconsideration decision. In addition, such charges may be waived when the Department determines—

(1) Collection of those charges would be against equity and good conscience under the standards prescribed in §§ 29.523 through 29.525; or

(2) Waiver of those charges would be in the best interest of the United States.

(c) *Collection in installments.* (1) Whenever feasible, overpayments will be collected in one lump sum.

(2) However, installment payments may be effected when—

(i) The debtor establishes that he or she is financially unable to pay in one lump sum; or

(ii)(A) The benefit payable is insufficient to make collection in one lump sum;

(B) The debtor fails to respond to a demand for full payment; and

(C) Offset is available.

(d) *Offset Amount.* (1) The amount offset from a monthly Federal Benefit Payment will be the lesser of:

(i) The amount of the debt, including any interest, penalties and administrative costs;

(ii) An amount equal to 15 percent of the monthly Federal Benefit Payment; or

(iii) The amount, if any, by which the monthly Federal Benefit Payment exceeds \$750.

(2) For purposes of this subsection, the “monthly Federal Benefit Payment” is the amount of the gross monthly benefit after any reductions or deductions required under law, including reductions made to recover overpayments of Federal Benefit Payments.

(e) *Commencement of collection.* (1) Except as provided in paragraph (e)(2) of this section, collection will begin after the time limits for requesting further rights stated in § 29.512 through § 29.514 expire and no such requests have been made, or after the Benefits Administrator and/or the Department have issued decisions on all timely requests for or appeals of those rights, unless failure to make an offset would substantially prejudice the Department's ability to collect the overpayment and the time before the payment is to be made does not reasonably permit the completion of the proceedings in § 29.511 through § 29.514 or litigation. When offset begins without completion of the administrative review process, these procedures will be completed promptly, and amounts recovered by offset but later found not owed will be refunded promptly.

(2) The procedures identified in § 29.511 through § 29.514 will not be applied when the overpayment is caused by—

(i) A retroactive adjustment in the periodic rate of annuity or any deduction taken from annuity when the adjustment is a result of the annuitant's election of different entitlements under law, if the adjustment is made within 120 days of the effective date of the election; or

(ii) interim estimated payments made before the formal determination of entitlement to annuity, if the

§ 29.517

amount is recouped from the total annuity payable on the first day of the month following the later of—

(A) The last interim payment or

(B) The date the formal determination is made.

(f) *Collection of delinquent debts*—(1) *Debts delinquent over 180 days.* The Benefits Administrator must refer all overpayment debts that are over 180 days delinquent to the Secretary for collection pursuant to 31 U.S.C. 3711(g) and 3716, and 31 CFR part 901.

(2) *Debts delinquent less than 180 days.* Once an overpayment debt becomes delinquent, the Benefits Administrator should refer it to the Secretary for collection by centralized administrative offset pursuant to 31 CFR 901.3, unless collection of the debt by some other means is likely to occur in a more timely and efficient manner.

(3) Once a debt is referred under this subsection, the Benefits Administrator has no further obligation to collect the debt.

§ 29.517 Collection by offset.

(a) *Offset from retirement payments.* An overpayment may be collected in whole or in part from any refund payment or recurring Federal Benefit Payments.

(b) *Offset from other payments*—(1) *Administrative offset.* When offset under subsection (a) is not available, an overpayment may be offset from other Federal payments due the debtor from other agencies under the procedures set forth in 31 CFR part 5 and 31 CFR 901.3(c).

(2) *Salary offset.* When the debtor is an employee of the Federal Government, the Department may effect collection of an overpayment by offset of the debtor's pay in accordance with regulations published to implement such offsets under 5 U.S.C. 5514 (see 5 CFR part 550, subpart K; 31 CFR 285.7; and 31 CFR Part 5). Due process described in the federal salary offset regulations of 31 CFR part 5 will apply. When the debtor did not receive a hearing under those regulations and requests such a hearing, one will be conducted in accordance with 5 CFR part 550, subpart K and 31 CFR part 5.

(3) *Tax refund offset.* The Department may effect collection of an overpayment by offset of the debtor's tax re-

31 CFR Subtitle A (7-1-10 Edition)

fund in accordance with the Department's tax refund offset regulations found at 31 CFR part 5.

§ 29.518 Reporting delinquent debts to credit bureaus.

(a) *Notice.* If a debtor's response to the demand letter does not result in payment in full, payment by offset, or payment in accordance with a voluntary repayment agreement or other repayment schedule acceptable to the Benefits Administrator, and the debtor's rights under § 29.512 through § 29.514 have been exhausted, the Benefits Administrator must report the debtor to a credit bureau. In addition, a debtor's failure to make subsequent payments in accordance with a repayment schedule must result in a report to a credit bureau. Before making a report to a credit bureau, the Benefits Administrator must notify the debtor in writing that—

(1) The payment is overdue;

(2) The Benefits Administrator intends, after 60 days, to make a report as described in paragraph (b) of this section to a credit bureau;

(3) The debtor's right to dispute the liability has been exhausted under § 29.512 through § 29.514; and

(4) The debtor may avoid having the Benefits Administrator report the debtor to a credit bureau by paying the debt in one lump sum or making payments current under a repayment schedule.

(b) *Report.* If, after being sent the notice described in paragraph (a) of this section, the debtor does not pay the overpayment debt or make payments current under a repayment schedule or fails to respond to the notice, and 60 days have elapsed since the notice was mailed, the Benefits Administrator will report to a credit bureau that the debtor is responsible for an unpaid debt and provide the following information:

(1) The debtor's name, address, taxpayer identification number, and any other information necessary to establish the identity of the individual;

(2) The amount, status, and history of the debt; and

(3) The fact that the debt arose in connection with the administration of Federal Benefit Payments under a District Retirement Fund.

(c) *Subsequent reports.* The Benefits Administrator must update its report to the credit bureau whenever it has knowledge of events that substantially change the status or the amount of the liability.

(d) *Other reporting of delinquent debts.* Pursuant to 31 CFR 901.4, delinquent overpayment debts should be reported to the Department of Housing and Urban Development's Credit Alert Interactive Voice Response System (CAIVRS).

(e) *Privacy Act considerations.* A delinquent debt may not be reported under this section unless a notice issued pursuant to the Privacy Act, 5 U.S.C. 552a(e)(4), authorizes the disclosure of information about the debtor to a credit bureau or CAIVRS.

§ 29.519 Referral to a collection agency.

(a) The Department retains the responsibility for resolving disputes, compromising debts, referring overpayment debts for litigation, and suspending or terminating collection action.

(b) The Department may not refer overpayment debts to commercial collection agencies until all procedures required by or requested under § 29.511 through § 29.514 have been completed.

§ 29.520 Referral for litigation.

The Department may refer to the Justice Department for litigation overpayment debts which cannot be compromised or waived, or on which collection activity cannot be suspended or terminated, and which the Department has been unable to recover pursuant to the collection activity described in § 29.511 through § 29.519. (See 31 CFR part 904.) Such debts should be referred to the Justice Department as early as possible, but at least within 1 year of the date such debts last became delinquent. In the case of overpayments arising from fraud, misrepresentation, or the presentation of a false claim, referral should be made to the Justice Department immediately. (See 31 CFR 900.3(a).) Referral of a debt to the Justice Department will suspend processing under § 29.511 through § 29.519 of this subpart.

STANDARDS FOR WAIVER OF
OVERPAYMENTS

§ 29.521 Conditions for waiver and other adjustments.

(a) *General.* Overpayments made from the Retirement Funds will be recovered unless there is substantial evidence that the individual from whom recovery is to be made is eligible for waiver.

(b) *Waiver.* The Department may waive an overpayment from the Retirement Funds (provided there is no indication of fraud, misrepresentation, or lack of good faith on the part of the debtor) under sections 11021(3) or 11251(c)(2)(B) of the Act when it is established by substantial evidence that the individual from whom recovery is to be made—

(1) Is not at fault in causing or contributing to the overpayment, and

(2) Recovery would be against equity and good conscience.

(c) *Adjustment in the installment schedule.* (1)(i) An overpayment will not be waived because of financial hardship if a reasonable installment schedule can be established for repayment of the debt by adjusting the installment schedule originally established.

(ii) For example, if the Department finds that the original installment schedule—24 installments at \$125 each—causes the debtor financial hardship, but that repayment in 60 installments at \$50 each does not, it may adjust the installments and recover the debt in full.

(2) Where it has been determined that an individual is ineligible for a waiver, but the individual has shown that collection action pursuant to the original installment schedule would cause him or her financial hardship, the Department may—

(i) Adjust the installment schedule if the individual shows that it would cause him or her financial hardship to make payments at the rate initially scheduled by the Department; or

(ii) Terminate the collection action under 31 CFR 903.3 if the costs of collecting the debt are anticipated to exceed the amount recoverable.

§ 29.522 Fault.

(a) *General rule.* A debtor is considered to be at fault if he or she, or any

§ 29.523

other person having an interest in obtaining a waiver of the claim, caused or contributed to the accrual of the overpayment. The Department considers a debtor or any other person having an interest in obtaining a waiver of the claim to have caused or contributed to the accrual of an overpayment if—

(1) Payment resulted from the individual's incorrect but not fraudulent statement, which the individual knew or should have known to be incorrect; or

(2) Payment resulted from the individual's failure to disclose facts in his or her possession which the individual knew or should have known were material, when the Department has identified that the individual has a duty to report and has clearly notified the individual of this reporting requirement.

(3) The following factors may affect the decision as to whether the debtor is or is not at fault where the debtor submitted an incorrect statement, or the debtor failed to disclose material facts in his or her possession—

(i) The debtor's age;

(ii) The debtor's physical and/or mental condition; and

(iii) The availability and nature of the information provided to the debtor by the Department.

(b) *Knowledge of an overpayment.* (1) Individuals who are aware that they are not entitled to a payment or are aware that a payment is higher than the payment to which they are entitled are not considered to have contributed to the overpayment if they promptly contact the Benefits Administrator and question the correctness of the payment and take no further action in reliance of the overpayment.

(2) Any contact made with the Benefits Administrator concerning the overpayment within 60 days of receipt (if the overpayment is a recurring payment, contact must be made within 60 days of the initial payment) will satisfy the prompt notification requirement.

(c) *Reasonable person standard.* The Department will use a reasonable person standard to determine whether an individual should have known that a statement was incorrect or that material facts in the individual's possession should have been disclosed. The reason-

31 CFR Subtitle A (7-1-10 Edition)

able person standard will take into account the objective factors set forth in paragraph (a)(3) of this section.

§ 29.523 Equity and good conscience.

Recovery is against equity and good conscience when there is substantial evidence that—

(a) It would cause financial hardship to the person from whom it is sought no matter what the amount and length of the proposed installment;

(b) The recipient of the overpayment can show (regardless of his or her financial circumstances) that due to the notice that such payment would be made or because of the incorrect payment he or she either has relinquished a valuable right or has changed positions for the worse; or

(c) Recovery would be unconscionable under the circumstances.

§ 29.524 Financial hardship.

Financial hardship may be deemed to exist when the debtor needs substantially all of his or her current and anticipated income and liquid assets to meet current and anticipated ordinary and necessary living expenses during the projected period of collection. Financial hardship will not be found to exist when the debtor merely establishes that the repayment causes a financial burden, i.e., when it is inconvenient to repay the debt. If there are anticipated changes in income or expenses that would allow for the recovery of the overpayment at a later date, the Department may suspend collection action until a future date.

(a) *Considerations.* Pertinent considerations in determining whether recovery would cause financial hardship include the following:

(1) The debtor's financial ability to pay at the time collection is scheduled to be made, and

(2) Income to other family member(s), if such member's ordinary and necessary living expenses are included in expenses reported by the debtor.

§ 29.525 Ordinary and necessary living expenses.

An individual's ordinary and necessary living expenses include rent, mortgage payments, utilities, maintenance, transportation, food, clothing,

insurance (life, health, and accident), taxes, installment payments for which the individual is already liable, medical expenses, support expenses for which the individual is legally responsible, and other miscellaneous expenses that the individual can establish as being ordinary and necessary.

§ 29.526 Waiver precluded.

Waivers will not be offered or granted when—

(1) The overpayment was obtained by fraud, misrepresentation, or by improper negotiation of checks or withdrawal of electronic fund transfer payments after the death of the payee; or

(2) The overpayment was made to an estate and a timely demand for repayment is made prior to the final disbursement by the administrator or executor of the estate.

§ 30.0 Executive compensation and corporate governance.

The following questions and answers reflect the executive compensation and corporate governance requirements of section 111 of the Emergency Economic Stabilization Act of 2008, as amended (12 U.S.C. 5221) (EESA), with respect to participation in the Troubled Assets Relief Program (TARP) established by

§ 30.1

the Department of the Treasury (Treasury) thereunder.

§ 30.1 Q-1: What definitions apply in this part?

Affiliate. The term “affiliate” means an “affiliate” as that term is defined in Rule 405 of the Securities Act of 1933 (17 CFR 230.405).

Annual compensation. (1) *General rule.* The term “annual compensation” means, except as otherwise explicitly provided in this part, the dollar value for total compensation for the applicable fiscal year as determined pursuant to Item 402(a) of Regulation S-K under the Federal securities laws (17 CFR 229.402(a)). Accordingly, for this purpose the amounts required to be disclosed pursuant to paragraph (c)(2)(viii) of Item 402(a) of Regulation S-K (actuarial increases in pension plans and above market earnings on deferred compensation) are not required to be included in annual compensation.

(2) *Application to private TARP recipients.* For purposes of determining annual compensation, a TARP recipient that does not have securities registered with the SEC pursuant to the Federal securities laws must follow the requirements set forth in paragraph (1) of this definition.

ARRA. The term “ARRA” means the American Recovery and Reinvestment Act of 2009 (Pub. L. 111-5).

Benefit plan. The term “benefit plan” means any plan, contract, agreement or other arrangement that is an “employee welfare benefit plan” as that term is defined in section 3(1) of the Employee Retirement Income Security Act of 1974, as amended (29 U.S.C. 1002(1)), or other usual and customary plans such as dependent care, tuition reimbursement, group legal services or cafeteria plans; provided, however, that this term does not include:

(1) Any plan that is a deferred compensation plan; or

(2) Any severance pay plan, whether or not nondiscriminatory, or any other arrangement that provides for payment of severance benefits to eligible employees upon voluntary termination for good reason, involuntary termination, or termination under a window program as defined in 26 CFR 1.409A-1(b)(9)(vi).

31 CFR Subtitle A (7-1-10 Edition)

Bonus. The term “bonus” means any payment in addition to any amount payable to an employee for services performed by the employee at a regular hourly, daily, weekly, monthly, or similar periodic rate. Such term generally does not include payments to or on behalf of an employee as contributions to any qualified retirement plan (as defined in section 4974(c) of the Internal Revenue Code (26 U.S.C. 4974(c)), benefits under a broad-based benefit plan, bona fide overtime pay, or bona fide and routine expense reimbursements. In addition, provided that the rate of commission is pre-established and reasonable, and is applied consistently to the sale of substantially similar goods or services, commission compensation will not be treated as a bonus. For this purpose, a bonus may include a contribution to, or other increase in benefits under, a nonqualified deferred compensation plan, regardless of when the actual payment will be made under the plan. A bonus may also qualify as a retention award or as incentive compensation.

Bonus payment. For purposes of this part, except where otherwise noted, the term “bonus payment” includes a payment that is, or is in the nature of, a bonus, incentive compensation, or retention award. Whether a payment is a bonus payment, or whether the right to a payment is a right to a bonus payment, is determined based upon all the facts and circumstances, and a payment may be a bonus payment regardless of the characterization of such payment by the TARP recipient or the employee. For purposes of this part, a bonus payment may include the forgiveness of a loan or other amount that otherwise may be required to be paid by the employee to the employer.

Commission compensation. (1) *Definition.* The term “commission compensation” means:

(i) Compensation or portions of compensation earned by an employee consistent with a program in existence for that type of employee as of February 17, 2009, if a substantial portion of the services provided by this employee consists of the direct sale of a product or service to an unrelated customer, these sales occur frequently and in the ordinary course of business of the TARP

recipient (but not a specified transaction, such as an initial public offering or sale or acquisition of a specified entity or entities), the compensation paid by the TARP recipient to the employee consists of either a portion of the purchase price for the product or service sold to the unrelated customer or an amount substantially all of which is calculated by reference to the volume of sales to the unrelated customers, and payment of the compensation is either contingent upon the TARP recipient receiving payment from the unrelated customer for the product or service or, if applied consistently to all similarly situated employees, is contingent upon the closing of the sales transaction and such other requirements as may be specified by the TARP recipient before the closing of the sales transaction with the unrelated customer;

(ii) Compensation or portions of compensation earned by an employee that meet the requirements of paragraph (1)(i) of this definition except that the transaction occurs with a related customer, provided that substantial sales from which commission compensation arises are made, or substantial services from which commission compensation arises are provided, to unrelated customers by the service recipient, the sales and service arrangement and the commission arrangement with respect to the related customer are bona fide, arise from the service recipient's ordinary course of business, and are substantially the same, both in term and in practice, as the terms and practices applicable to unrelated customers to which individually or in the aggregate substantial sales are made or substantial services provided by the service recipient; or

(iii) Compensation or portions of compensation earned by an employee consistent with a program in existence for that type of employee as of February 17, 2009, if a substantial portion of the services provided by this employee to the TARP recipient consists of sales of financial products or other direct customer services with respect to unrelated customer assets or unrelated customer asset accounts that are generally intended to be held indefinitely (and not customer assets in-

tended to be used for a specific transaction, such as an initial public offering, or sale or acquisition of a specified entity or entities), the unrelated customer retains the right to terminate the customer relationship and may move or liquidate the assets or asset accounts without undue delay (which may be subject to a reasonable notice period), the compensation consists of a portion of the value of the unrelated customer's overall assets or asset account balance, an amount substantially all of which is calculated by reference to the increase in the value of the overall assets or account balance during a specified period, or both, or is calculated by reference to a contractual benchmark (such as a securities index or peer results), and the value of the overall assets or account balance and commission compensation is determined at least annually. For purposes of this definition, a customer is treated as an unrelated customer if the person would not be treated as related to the TARP recipient under 26 CFR 1.409A-1(f)(2)(ii) and the person would not be treated as providing management services to the TARP recipient under 26 CFR 1.409A-1(f)(2)(iv).

(2) *Examples.* The following examples illustrate the provisions of paragraph (1) of this definition:

Example 1. Employee A is an employee of TARP recipient. Among TARP recipient's businesses is the sale of life insurance policies, and TARP recipient buys and sells such policies frequently as part of its ordinary course of business. Employee A's primary duties consist of selling life insurance policies to customers unrelated to the TARP recipient. Under a commission program existing for all TARP Recipient employees selling life insurance policies as of February 17, 2009, Employee A is entitled to receive an amount equal to 75% of the total first year's premium paid by an unrelated customer to whom Employee A has sold a life insurance policy. The payments to Employee A under the program constitute commission compensation.

Example 2. The same facts as Example 1, except that under the program, the rate of commission increases to 80% of the total first year's premium paid by a customer once Employee A has sold \$10 million in policies in a year. Provided that 80% is a reasonable commission, the payments to Employee A under the program constitute commission compensation.

Example 3. Employee B is an employee of TARP recipient. Among TARP recipient's businesses is the investment management of unrelated customer asset accounts, and TARP recipient provides such services routinely and in the ordinary course of business. Employee B's primary duties as an employee consist of managing the investments of the asset accounts of specified unrelated customers who have deposited amounts with the TARP recipient. Under a program in existence on February 17, 2009, Employee B is entitled to receive an amount equal to 1% of the aggregate account balances of the assets under management, as determined each December 31. The payments to Employee B constitute commission compensation.

Example 4. TARP recipient employs Employee C. As part of Employee C's duties, Employee C is responsible for specified aspects of any acquisition of an unrelated entity by TARP Recipient. As part of an acquisition in 2009, Employee C is entitled to 1% of the purchase price if and when the transaction closes. Regardless of whether such an arrangement was customary or established under a specific program as of February 17, 2009, the amount is not commission compensation because the compensation relates to a specified transaction, in this case the purchase of the entity. Accordingly, the compensation is incentive compensation.

Example 5. TARP recipient employs Employee D. As part of Employee D's duties, Employee D is responsible for managing the initial public offerings of securities of unrelated customers of TARP recipient. As part of an initial public offering in 2009, Employee D is entitled to 1% of the purchase price if and when the initial public offering closes. Regardless of whether such an arrangement was customary or established under a specific program as of February 17, 2009, the amount is not commission compensation because the compensation relates to a specified transaction, in this case the initial public offering. Accordingly, the compensation is incentive compensation.

Compensation means all remuneration for employment, including but not limited to salary, commissions, tips, welfare benefits, retirement benefits, fringe benefits and perquisites.

Compensation committee. (1) *General rule.* The term "compensation committee" means a committee of independent directors, whose independence is determined pursuant to Item 407(a) of Regulation S-K under the Federal securities laws (17 CFR 229.407(a)).

(2) *Application to private TARP recipients.* For purposes of determining director independence, a TARP recipient that does not have securities registered

with the SEC pursuant to the Federal securities laws must follow the requirements set forth in Item 407(a)(1)(ii) of Regulation S-K under the Federal securities laws (17 CFR 229.407(a)(1)(ii)).

Compensation structure. The term "compensation structure" means the characteristics of the various forms of total compensation that an employee receives or may receive, including the amounts of such compensation or potential compensation relative to the amounts of other types of compensation or potential compensation, the amounts of such compensation or potential compensation relative to the total compensation over the relevant period, and how such various forms of compensation interrelate to provide the employee his or her ultimate total compensation. These characteristics include, but are not limited to, whether the compensation is provided as salary, short-term incentive compensation, or long-term incentive compensation, whether the compensation is provided as cash compensation, equity-based compensation, or other types of compensation (such as executive pensions, other benefits or perquisites), and whether the compensation is provided as current compensation or deferred compensation.

Deferred compensation plan. The term "deferred compensation plan" means

(1) Any plan, contract, agreement, or other arrangement under which an employee voluntarily elects to defer all or a portion of the reasonable compensation, wages, or fees paid for services rendered which otherwise would have been paid to the employee at the time the services were rendered (including a plan that provides for the crediting of a reasonable investment return on such elective deferrals), provided that the TARP recipient either:

(i) Recognizes a compensation expense and accrues a liability for the benefit payments according to GAAP; or

(ii) Segregates or otherwise sets aside assets in a trust which may only be used to pay plan and other benefits, except that the assets of this trust may be available to satisfy claims of the TARP recipient's creditors in the case of insolvency; or

(2) A nonqualified deferred compensation or supplemental retirement plan, other than an elective deferral plan established by a TARP recipient:

(i) Primarily for the purpose of providing benefits for a select group of directors, management, or highly compensated employees in excess of the limitations on contributions and benefits imposed by sections 415, 401(a)(17), 402(g) or any other applicable provision of the Internal Revenue Code (26 U.S.C. 415, 401(a)(17), 402(g)); or

(ii) Primarily for the purpose for providing supplemental retirement benefits or other deferred compensation for a select group of directors, management or highly compensated employees (excluding severance payments).

EESA. The term “EESA” means the Emergency Economic Stabilization Act of 2008, as amended.

Employee. The term “employee” means an individual serving as a servant in the conventional master-servant relationship as understood by the common-law agency doctrine. In general, a partner of a partnership, a member of a limited liability company, or other similar owner in a similar type of entity, will not be treated as an employee for this purpose. However, to the extent that the primary purpose for the creation or utilization of such partnership, limited liability company, or other similar type of entity is to avoid or evade any or all of the requirements of section 111 of EESA or these regulations with respect to a partner, member or other similar owner, the partner, member or other similar owner will be treated as an employee. In addition, a personal service corporation or similar intermediary between the TARP recipient and an individual providing services to the TARP recipient will be disregarded for purposes of determining whether such individual is an employee of the TARP recipient.

Employee compensation plan. The term “employee compensation plan” means “plan” as that term is defined in Item 402(a)(6)(ii) of Regulation S-K under the Federal securities laws (17 CFR 229.402(a)(6)(ii)), but only any employee compensation plan in which two or more employees participate and without regard to whether an executive per-

ficer participates in the employee compensation plan.

Exceptional financial assistance. The term “exceptional financial assistance” means any financial assistance provided under the Programs for Systemically Significant Failing Institutions, the Targeted Investment Program, the Automotive Industry Financing Program, and any new program designated by the Secretary as providing exceptional financial assistance.

Excessive or luxury expenditures. The term “excessive or luxury expenditures” means excessive expenditures on any of the following to the extent such expenditures are not reasonable expenditures for staff development, reasonable performance incentives, or other similar reasonable measures conducted in the normal course of the TARP recipient’s business operations:

- (1) Entertainment or events;
- (2) Office and facility renovations;
- (3) Aviation or other transportation services; and
- (4) Other similar items, activities, or events for which the TARP recipient may reasonably anticipate incurring expenses, or reimbursing an employee for incurring expenses.

Excessive or luxury expenditures policy. The term “excessive or luxury expenditures policy” means written standards applicable to the TARP recipient and its employees that address the four categories of expenses set forth in the definition of “excessive or luxury expenditures” (entertainment or events, office and facility renovations, aviation or other transportation services, and other similar items, activities or events), and that are reasonably designed to eliminate excessive and luxury expenditures. Such written standards must:

- (1) Identify the types or categories of expenditures which are prohibited (which may include a threshold expenditure amount per item, activity, or event or a threshold expenditure amount per employee receiving the item or participating in the activity or event);
- (2) Identify the types or categories of expenditures for which prior approval is required (which may include a threshold expenditure amount per

§ 30.1

item, activity, or event or a threshold expenditure amount per employee receiving the item or participating in the activity or event);

(3) Provide reasonable approval procedures under which an expenditure requiring prior approval may be approved;

(4) Require PEO and PFO certification that the approval of any expenditure requiring the prior approval of any SEO, any executive officer of a substantially similar level of responsibility, or the TARP recipient's board of directors (or a committee of such board of directors), was properly obtained with respect to each such expenditure;

(5) Require the prompt internal reporting of violations to an appropriate person or persons identified in this policy; and

(6) Mandate accountability for adherence to this policy.

Executive officer. The term “executive officer” means an “executive officer” as that term is defined in Rule 3b-7 of the Securities Exchange Act of 1934 (Exchange Act) (17 CFR 240.3b-7).

Financial assistance. (1) *Definition.* The term “financial assistance” means any funds or fund commitment provided through the purchase of troubled assets under the authority granted to Treasury under section 101 of EESA or the insurance of troubled assets under the authority granted to Treasury under section 102 of EESA, provided that the term “financial assistance” does not include any loan modification under sections 101 and 109 of EESA. A change in the form of previously received financial assistance, such as a conversion of convertible preferred stock to common stock, is not treated as new or additional financial assistance.

(2) *Examples.* The following examples illustrate the provisions of paragraph (1) of this definition:

Example 1. Company A sells \$500,000,000 of preferred stock to Treasury through the Capital Purchase Program. Company A has received financial assistance.

Example 2. Company B posts collateral to and receives a loan from the Federal Reserve special purpose vehicle under the Term Asset-Backed Security Loan Facility program. Company B has neither sold troubled assets to Treasury, nor insured troubled as-

sets through Treasury, and therefore has not received financial assistance.

Example 3. LP C is a limited partnership established for the purpose of participating in the Public Private Investment Program. LP C has a general partner (GP) that makes management decisions on behalf of LP C. A limited liability company controlled by an affiliate of GP (LLC partner) raises \$55,000,000 from twenty investors, with each investing equal shares, joins LP C as a limited partner, and invests those funds for a 55% equity interest in LP C. LP C sells a \$45,000,000 equity interest to Treasury. LP C, at the direction of the GP, will buy and sell securities as investments and manage those investments. LP C will contract for investment advice from an investment advisor that is an affiliate of GP. LP C has received financial assistance. LLC partner has received financial assistance because it is treated as the same employer as LP C according to the standards set forth in paragraph (1)(ii) of the definition of “TARP recipient”. The investors in the LLC partner have not received financial assistance because they are not treated as the same employer as LP C according to the standards set forth in paragraph (1)(ii) of the definition of “TARP recipient”. GP is not an employee of LP C pursuant to the definition of “employee” in this rule, and is not treated as the same employer as LP C according to the standards set forth in paragraph (1)(ii) of the definition of “TARP recipient”. The investment advisor-contractor to LP C has not received financial assistance. Entities that sell securities to or buy securities from LP C have neither sold troubled assets to Treasury nor insured troubled assets through Treasury, and therefore have not received financial assistance.

Example 4. Company D, a servicer of mortgage loans or mortgaged-backed securities, issues a financial instrument to Treasury's financial agent in which Company D commits to modify mortgages it is servicing consistent with guidelines established by Treasury under the Home Affordable Modification Program. Treasury, through its financial agent, commits to pay up to \$800,000,000 in incentive payments and credit enhancements for Company E's commitment to modify mortgages. Company E has not received financial assistance.

GAAP. The term “GAAP” means U.S. generally accepted accounting principles.

Golden parachute payment. (1) *General rule.* The term “golden parachute payment” means any payment for the departure from a TARP recipient for any reason, or any payment due to a change in control of the TARP recipient or any entity that is included in a group of entities treated as one TARP

31 CFR Subtitle A (7-1-10 Edition)

recipient, except for payments for services performed or benefits accrued. For this purpose, a change in control includes any event that would qualify as a change in control event as defined in 26 CFR 1.280G-1, Q&A-27 through Q&A-29 or as a change in control event as defined in 26 CFR 1.409A-3(i)(5)(i). For this purpose, a golden parachute payment includes the acceleration of vesting due to the departure or the change in control event, as applicable. A golden parachute payment is treated as paid at the time of departure or change in control event, and is equal to the aggregate present value of all payments made for a departure or a change in control event (including the entire aggregate present value of the payment if the vesting period was not otherwise completed but was accelerated due to departure, regardless of whatever portion of the required vesting period the employee had completed). Thus, a golden parachute payment may include a right to amounts actually payable after the TARP period.

(2) *Exclusions.* For purposes of this part, a golden parachute payment does not include any of the following:

(i) Any payment made pursuant to a pension or retirement plan which is qualified (or is intended within a reasonable period of time to be qualified) under section 401 of the Internal Revenue Code (26 U.S.C. 401) or pursuant to a pension or other retirement plan which is governed by the laws of any foreign country;

(ii) Any payment made by reason of the departure of the employee due to the employee's death or disability; or

(iii) Any severance or similar payment which is required to be made pursuant to a State statute or foreign law (independent of any terms of a contract or other agreement) which is applicable to all employers within the appropriate jurisdiction (with the exception of employers that may be exempt due to their small number of employees or other similar criteria).

(3) *Payments for services performed or benefits accrued.* (i) *General rules.* Except as otherwise provided for payments made under a deferred compensation plan or a benefit plan in paragraph (4) of this definition, a payment made, or a right to a payment

arising under a plan, contract, agreement, or other arrangement (including the acceleration of any vesting conditions) is for services performed or benefits accrued only if the payment was made, or the right to the payment arose, for current or prior services to the TARP recipient (except that an appropriate allowance may be made for services for a predecessor employer). Whether a payment is for services performed or benefits accrued is determined based on all the facts and circumstances. However, a payment, or a right to a payment, generally will be treated as a payment for services performed or benefits accrued only if the payment would be made regardless of whether the employee departs or the change in control event occurs, or if the payment is due upon the departure of the employee, regardless of whether the departure is voluntary or involuntary (other than reasonable restrictions, such as the forfeiture of the right to a payment for an involuntary departure for cause, but not restrictions relating to whether the departure was a voluntary departure for good reason or subsequent to a change in control).

(ii) *Examples.* The following examples illustrate the general rules in paragraph (3)(i) of this definition:

Example 1. Employee A is a SEO of Entity B at all relevant times. On September 1, 2007, Employee A received a stock appreciation right granting him the right to appreciation on the underlying shares that would vest 25% for every twelve months of continued services. Under the terms of the grant, the stock appreciation right would be immediately exercised and payable upon termination of employment. Entity B becomes a TARP recipient in December 2008. On September 1, 2009, Entity B involuntarily terminates Employee A, at which time Employee A receives a payment equal to the post-September 1, 2007 appreciation on 50% of the shares under the stock appreciation right (the portion of the shares that had vested before the termination of employment). The payment is treated as a payment for services performed and does not constitute a golden parachute payment.

Example 2. The facts are the same as the facts in Example 1, except that under Employee A's employment agreement, Employee A is entitled to accelerate vesting if Employee A is terminated involuntarily

§ 30.1

other than for cause. If Entity B pays Employee A the post-September 1, 2007 appreciation on 100% of the shares under the stock appreciation right, the portion of the payment representing the additional 50% accelerated vesting due to the termination of employment would not be for services performed and would be a golden parachute payment.

(4) *Payments from benefit plans and deferred compensation plans.* A payment from a benefit plan or a deferred compensation plan is treated as a payment for services performed or benefits accrued only if the following conditions are met:

(i) The plan was in effect at least one year prior to the employee's departure;

(ii) The payment is made pursuant to the plan and is made in accordance with the terms of the plan as in effect no later than one year before the departure and in accordance with any amendments to the plan during this one year period that do not increase the benefits payable hereunder;

(iii) The employee has a vested right, as defined under the applicable plan document, at the time of the departure or the change in control event (but not due to the departure or the change in control event) to the payments under the plan;

(iv) Benefits under the plan are accrued each period only for current or prior service rendered to the TARP recipient (except that an appropriate allowance may be made for service for a predecessor employer);

(v) Any payment made pursuant to the plan is not based on any discretionary acceleration of vesting or accrual of benefits which occurs at any time later than one year before the departure or the change in control event; and

(vi) With respect to payments under a deferred compensation plan, the TARP recipient has previously recognized compensation expense and accrued a liability for the benefit payments according to GAAP or segregated or otherwise set aside assets in a trust which may only be used to pay plan benefits, except that the assets of this trust may be available to satisfy claims of the TARP recipient's creditors in the case of insolvency and payments pursuant to the plan are not in

31 CFR Subtitle A (7-1-10 Edition)

excess of the accrued liability computed in accordance with GAAP.

Gross-up. The term "gross-up" means any reimbursement of taxes owed with respect to any compensation, provided that a gross-up does not include a payment under a tax equalization agreement, which is an agreement, method, program, or other arrangement that provides payments intended to compensate an employee for some or all of the excess of the taxes actually imposed by a foreign jurisdiction on the compensation paid by the TARP recipient to the employee over the taxes that would be imposed if the compensation were subject solely to U.S. Federal, State, and local income tax, or some or all of the excess of the U.S. Federal, State, and local income tax actually imposed on the compensation paid by the TARP recipient to the employee over the taxes that would be imposed if the compensation were subject solely to taxes in the applicable foreign jurisdiction, provided that the payment made under such agreement, method, program, or other arrangement may not exceed such excess and the amount necessary to compensate for the additional taxes on the amount paid under the agreement, method, program, or other arrangement.

Incentive compensation. The term "incentive compensation" means compensation provided under an incentive plan.

Incentive plan. (1) *Definition.* The term "incentive plan" means an "incentive plan" as that term is defined in Item 402(a)(6)(iii) of Regulation S-K under the Federal securities laws (17 CFR 229.402(a)(6)(iii)), and any plan providing stock or options as defined in Item 402(a)(6)(i) of Regulation S-K under the Federal securities laws (17 CFR 229.402(a)(6)(i)) or other equity-based compensation such as restricted stock units or stock appreciation rights, except for the payment of salary or other permissible payments in stock, stock units, or other property as described in paragraph (2) of this definition. An incentive plan does not include the payment of salary, but does include an arrangement under which an employee would earn compensation in the nature of a commission, unless

such compensation qualifies as commission compensation (as defined above). Accordingly, an incentive plan includes an arrangement under which an employee receives compensation only upon the completion of a specified transaction, such as an initial public offering or sale or acquisition of a specified entity or entities, regardless of how such compensation is measured. For examples, see the definition of “commission compensation,” above. An incentive plan, or a grant under an incentive plan, may also qualify as a bonus or a retention award.

(2) *Salary or other permissible payments paid in property.* The term “incentive plan” does not include an arrangement under which an employee receives salary or another permissible payment in property, such as TARP recipient stock, provided that such property is not subject to a substantial risk of forfeiture (as defined in 26 CFR 1.83-3(c)) or other future period of required services, the amount of the payment is determinable as a dollar amount through the date such compensation is earned (for example, an agreement that salary payments will be made in stock equal to the value of the cash payment that would otherwise be due), and the amount of stock or other property accrues at the same time or times as the salary or other permissible payments would otherwise be paid in cash. The term “incentive plan” also does not include an arrangement under which an employee receives a restricted stock unit that is analogous to TARP recipient stock, that otherwise meets the requirements of the previous sentence. For this purpose, a unit is analogous to stock if the unit is based upon stock of the TARP recipient, or is applied as if the applicable entity, division, or other unit were a corporation with one class of stock and the number of units of stock granted is determined based on a fixed percentage of the overall value of this corporation, and the term “TARP recipient stock” with respect to a particular employee recipient means the stock of a corporation (or the entity, division, or other unit the value of which forms the basis for the unit) that is an “eligible issuer of service recipient stock” under 26 CFR 1.409A-

1(b)(5)(iii)(E) (applied by analogy to non-corporate entities).

(3) *Examples.* The following examples illustrate the provisions of paragraph (2) of this definition.

Example 1. Employee is an employee of TARP recipient. For 2010, TARP recipient agrees to pay a salary of \$15,000, payable monthly. At each salary payment date Employee will receive a \$10,000 payment in cash, and be transferred a number of shares of common stock of TARP recipient equal to \$5,000 divided by the fair market value of a share of common stock on the salary payment date. The arrangement is for the payment of salary, and is not an incentive plan.

Example 2. Same facts as *Example 1*, except that pursuant to a valid elective deferral election, Employee elects to defer 20% of each salary payment into a nonqualified deferred compensation plan. At each salary payment date Employee will receive an \$8,000 payment in cash, be transferred a number of shares of common stock of TARP recipient equal to \$4,000 divided by the fair market value of a share of common stock on the salary payment date, and a \$3,000 contribution to an account under a nonqualified deferred compensation plan. The arrangement is for the payment of salary, and is not an incentive plan.

Example 3. Employee is an employee of TARP recipient. For 2010, TARP recipient agrees to pay a salary of \$15,000, payable monthly. At each salary payment date, Employee will receive a \$10,000 payment in cash, and accrue a right to a number of shares of common stock of TARP recipient equal to \$5,000 divided by the fair market value of a share of common stock on the salary payment date. At the end of the year, TARP recipient will transfer the total number of accrued shares to Employee, subject to a multi-year holding period (a restriction that the shares may not be transferred or otherwise disposed of by Employee for a specified number of years). If Employee’s employment with the TARP recipient terminates during the holding period, the termination will not affect the duration or application of the holding period or Employee’s right to retain the shares and to transfer or otherwise dispose of them at the end of the holding period. The arrangement is for the payment of salary, and is not an incentive plan. The arrangement would also be for the payment of salary, and not an incentive plan, if the arrangement provided that the holding period was to last until the later of a specified time period or a specified time following Employee’s retirement or other termination of employment.

Example 4. Employee is an employee of TARP recipient. For 2010, TARP recipient agrees to pay a salary of \$15,000, payable

§ 30.1

monthly. At each salary payment date, Employee will receive a \$10,000 payment in cash, and accrue a right to a contribution to an account equal to \$5,000 divided by the fair market value of a share on the salary payment date. The account balance will be subject to notional gains and losses based on the investment return on TARP recipient common stock. The amount will be payable upon the last day of the second year immediately following the year the services are performed. The arrangement is for the payment of salary, and is not an incentive plan. However, the arrangement generally will provide deferred compensation for purposes of section 409A of the Internal Revenue Code.

Internal Revenue Code. The term “Internal Revenue Code” means the Internal Revenue Code of 1986, as amended.

Long-term restricted stock. The term “long-term restricted stock” means restricted stock or restricted stock units that include the following features:

(1) The restricted stock or restricted stock units are issued with respect to common stock of the TARP recipient. For this purpose, a restricted stock unit includes a unit that is payable, or may be payable, in cash or stock, provided that the value of the payment is equal to the value of the underlying stock. With respect to a specified division or other unit within a TARP recipient or a TARP recipient that is not a stock corporation, a unit analogous to common stock may be used. For this purpose, a unit is analogous to common stock if applied as if the entity, division, or other unit were a corporation with one class of common stock and the number of units of common stock granted is determined based on a fixed percentage of the overall value of this corporation. Notwithstanding the foregoing, with respect to a particular employee recipient, the corporation the stock of which is utilized (or the entity, division, or other unit the value of which forms the basis for the unit) must be an “eligible issuer of service recipient stock” under 26 CFR 1.409A-1(b)(5)(iii)(E) (applied by analogy to non-corporate entities).

(2) The restricted stock or restricted stock unit may not become transferable (as defined in 26 CFR 1.83-3(d)), or payable as applied to a restricted stock unit, at any time earlier than permitted under the following schedule (except as necessary to reflect a merg-

31 CFR Subtitle A (7-1-10 Edition)

er or acquisition of the TARP recipient):

(i) 25% of the shares or units granted at the time of repayment of 25% of the aggregate financial assistance received.

(ii) An additional 25% of the shares or units granted (for an aggregate total of 50% of the shares or units granted) at the time of repayment of 50% of the aggregate financial assistance received.

(iii) An additional 25% of the shares or units granted (for an aggregate total of 75% of the shares or units granted) at the time of repayment of 75% of the aggregate financial assistance received.

(iv) The remainder of the shares or units granted at the time of repayment of 100% of the aggregate financial assistance received.

(3) Notwithstanding the foregoing, in the case of restricted stock for which the employee does not make an election under section 83(b) of the Internal Revenue Code (26 U.S.C. 83(b)), at any time beginning with the date upon which the stock becomes substantially vested (as defined in 26 CFR 1.83-3(b)) and ending on December 31 of the calendar year including that date, a portion of the restricted stock may be made transferable as may reasonably be required to pay the Federal, State, local, or foreign taxes that are anticipated to apply to the income recognized due to this vesting, and the amounts made transferable for this purpose shall not count toward the percentages in the schedule above.

(4) The employee must be required to forfeit the restricted stock or restricted stock unit if the employee does not continue performing substantial services for the TARP recipient for at least two years from the date of grant, other than due to the employee's death or disability, or a change in control event (as defined in 26 CFR 1.280G-1, Q&A-27 through Q&A-29 or as defined in 26 CFR 1.409A-3(i)(5)(i)) with respect to the TARP recipient before the second anniversary of the date of grant.

(5) Nothing in paragraphs (1), (2), (3), and (4) of this definition is intended to prevent the placement on such restricted stock or restricted stock unit

of any additional restrictions, conditions, or limitations that are not inconsistent with the requirements of these paragraphs.

Most highly compensated employee. (1) *In general.* The terms “most highly compensated employee” or “most highly compensated employees” mean the employee or employees of the TARP recipient whose annual compensation is determined to be the highest among all employees of the TARP recipient, provided that, solely for purposes of identifying the employees who are subject to any rule applicable to both the CEOs and one or more of the most highly compensated employees of the TARP recipient, CEOs of the TARP recipient are excluded when identifying the most highly compensated employee(s). For this purpose, a former employee who is no longer employed as of the first date of the relevant fiscal year of the TARP recipient is not a most highly compensated employee unless it is reasonably anticipated that such employee will return to employment with the TARP recipient during such fiscal year.

(2) *Application to new entities.* For an entity that is created or organized in the same year that the entity becomes a TARP recipient, a most highly compensated employee for the first year includes the person that the TARP recipient determines will be the most highly compensated employee for the next year based upon a reasonable, good faith determination of the projected annual compensation of such person earned during that year. This determination must be made as of the later of the date the entity is created or organized or the date the entity becomes a TARP recipient, and must be made only once. However, a person need not yet be an employee to be treated as a most highly compensated employee, if it is reasonably anticipated that the person will become an employee of the TARP recipient during the first year.

Obligation. (1) *Definition.* The term “obligation” means a requirement for, or an ability of, a TARP recipient to repay financial assistance received from Treasury, as provided in the terms of the applicable financial instrument and related agreements,

through the repayment of a debt obligation or the redemption or repurchase of an equity security, but not including warrants to purchase common stock of the TARP recipient.

(2) *Examples.* The following examples illustrate the provisions of paragraph (1) of this definition.

Example 1. TARP recipient sells \$500 million of preferred stock to Treasury, and provides warrants to Treasury for the purchase of \$75 million of common stock. The TARP recipient has an ability to redeem the preferred stock and thus maintains an outstanding obligation to Treasury.

Example 2. Same facts as *Example 1*, except that TARP recipient redeems the \$500 million of preferred stock, so that Treasury holds only the \$75 million of warrants to purchase common stock outstanding. TARP recipient does not maintain an outstanding obligation to Treasury.

Example 3. TARP recipient sells \$120 million of securities backed by Small Business Administration-guaranteed loans to Treasury through the Consumer and Business Lending initiative, and provides warrants to Treasury for the purchase of \$10 million of common stock. Because the TARP recipient does not as a result of this transaction owe a debt obligation or have a requirement or right to redeem or repurchase an equity security (other than the warrants to purchase common stock provided to the Treasury), the TARP recipient does not have an outstanding obligation to Treasury as a result of this transaction.

PEO. The term “PEO” means the principal executive officer or an employee acting in a similar capacity.

Perquisite. The term “perquisite” means a “perquisite or other personal benefit” the amount of which is required to be included in the amount reported under Item 402(c)(2)(ix)(A) of Regulation S-K under the Federal securities laws (17 CFR 229.402(c)(2)(ix)(A)) (Column (i) of the Summary Compensation Table (All Other Compensation)), modified to also include any such perquisite or other personal benefit provided to a most highly compensated employee subject to § 30.11(b) (Q-11).

PFO. The term “PFO” means the principal financial officer or an employee acting in a similar capacity.

Primary regulatory agency. The term “primary regulatory agency” means the Federal regulatory agency that has primary supervisory authority over the

TARP recipient. For a TARP recipient that is a State-chartered bank that does not have securities registered with the SEC pursuant to the Federal securities laws, the primary regulatory agency is the TARP recipient's primary Federal banking regulator. If a TARP recipient is not subject to the supervision of a Federal regulatory agency, the term "primary regulatory agency" means the Treasury.

Repayment. The term "repayment" means satisfaction of an obligation.

Retention award. (1) *General definition.* The term "retention award" means any payment to an employee, other than a payment of commission compensation, a payment made pursuant to a pension or retirement plan which is qualified (or is intended within a reasonable period of time to be qualified) under section 401 of the Internal Revenue Code (26 U.S.C. 401), a payment made pursuant to a benefit plan, or a payment of a fringe benefit, overtime pay, or reasonable expense reimbursement that:

(i) Is not payable periodically to an employee for services performed by the employee at a regular hourly, daily, weekly, monthly, or similar periodic rate (or would not be payable in such manner absent an elective deferral election);

(ii) Is contingent on the completion of a period of future service with the TARP recipient or the completion of a specific project or other activity of the TARP recipient; and

(iii) Is not based on the performance of the employee (other than a requirement that the employee not be separated from employment for cause) or the business activities or value of the TARP recipient.

(2) *New hires.* With respect to newly hired employees, a payment that will be made only if the new hire continues providing services for a specified period generally constitutes a retention award. For example, a signing bonus that must be repaid unless the newly hired employee completes a certain period of service is a retention award. Similarly, a "make-whole" agreement under which a newly hired employee is provided benefits intended to make up for benefits foregone at his former employer, where these new benefits are

subject to a continued service period vesting requirement (such as a continuation of the vesting period at the former employer), is a retention award.

(3) *Deferred compensation plans.* Whether a benefit under a deferred compensation plan that is subject to a service vesting period is a retention award depends on all the facts and circumstances. However, to the extent an employee continues to accrue, or becomes eligible to accrue, a benefit under a plan the benefits under which have not been materially enhanced for a significant period of time prior to the employee becoming an SEO or most highly compensated employee (including through expansion of the eligibility for such plan), the benefits accrued generally will not be a retention award. However, to the extent the plan is amended to materially enhance the benefits provided under the plan or to make such employee eligible to participate in such plan, and such benefits are subject to a requirement of a continued period of service, such an amendment generally will be a retention award.

SEC. The term "SEC" means the U.S. Securities and Exchange Commission.

Senior executive officer or SEO. (1) *General definition.* The term "senior executive officer" or "SEO" means a "named executive officer" as that term is determined pursuant to Instruction 1 to Item 402(a)(3) of Regulation S-K under the Federal securities laws (17 CFR 229.402(a)) who is an employee of the TARP recipient.

(2) *Application to smaller reporting company.* A TARP recipient that is a smaller reporting company must identify SEOs pursuant to paragraph (1) of this definition. Such a TARP recipient must identify at least five SEOs, even if only three named executive officers are provided in the disclosure pursuant to Item 402(m)(2) of Regulation S-K under the Federal securities laws (17 CFR 229.402(m)(2)), provided that no employee must be identified as a SEO if the employee's total annual compensation does not exceed \$100,000 as defined in Item 402(a)(3)(1) of Regulation S-K under the Federal securities laws (17 CFR 229.402(a)(3)(1)).

(3) *Application to private TARP recipients.* A TARP recipient that does not have securities registered with the SEC

pursuant to the Federal securities laws must identify SEOs in accordance with rules analogous to the rules in paragraph (1) of this definition.

SEO compensation plan. The term “SEO compensation plan” means “plan” as that term is defined in Item 402(a)(6)(ii) of Regulation S-K under the Federal securities laws (17 CFR 229.402(a)(6)(ii)), but only with regard to a SEO compensation plan in which a SEO participates.

Senior risk officer. The term “senior risk officer” means a senior risk executive officer or employee acting in a similar capacity.

Smaller reporting company. The term “smaller reporting company” means a “smaller reporting company” as that term is defined in Item 10(f) of Regulation S-K under the Federal securities laws (17 CFR 229.10(f)).

Sunset date. The term “sunset date” means the date on which the authorities provided under EESA section 101 and 102 terminate, pursuant to EESA section 120, taking into account any extensions pursuant to EESA section 120(b).

TARP. The term “TARP” means the Troubled Asset Relief Program, established pursuant to EESA.

TARP fiscal year. The term “TARP fiscal year” means a fiscal year of a TARP recipient, or the portion of a fiscal year of a TARP recipient, that is also a TARP period.

TARP period. The term “TARP period” means the period beginning with the TARP recipient’s receipt of any financial assistance and ending on the last date upon which any obligation arising from financial assistance remains outstanding (disregarding any warrants to purchase common stock of the TARP recipient that the Treasury may hold).

TARP recipient. (1) *General definition.* The term “TARP recipient” means

(i) Any entity that has received or holds a commitment to receive financial assistance; and

(ii) Any entity that would be treated as the same employer as an entity receiving financial assistance based on the rules in sections 414(b) and 414(c) of the Internal Revenue Code (26 U.S.C. 414(b) or (c)), but modified by substituting “50%” for “80%” in each

place it appears in section 414(b) or 414(c) and the accompanying regulations. However, for purposes of applying the aggregation rules to determine the applicable employer, the rules for brother-sister controlled groups and combined groups are disregarded (including disregarding the rules in section 1563(a)(2) and (a)(3) of the Internal Revenue Code (26 U.S.C. 1563(a)(2) and (a)(3)) with respect to corporations and the parallel rules that are in 26 CFR 1.414(c)-2(c) with respect to other organizations conducting trades or businesses).

(2) *Certain excluded entities.* Neither any entity receiving funds under TARP pursuant to section 109 of EESA nor any Federal Reserve bank as that term is used in the Federal Reserve Act (12 U.S.C. 221 *et seq.*) will be treated as a TARP recipient subject to section 111 of EESA and any rules and regulations promulgated thereunder.

(3) *Anti-abuse rule.* Notwithstanding paragraph (1) of this definition, the term “TARP recipient” means any entity that has received, or holds a commitment to receive, financial assistance; and any entity related to such TARP recipient to the extent that the primary purpose for the creation or utilization of such entity is to avoid or evade any or all of the requirements of section 111 of EESA or these regulations.

Treasury. The term “Treasury” means the U.S. Department of the Treasury.

Valid employment contract. The term “valid employment contract” means a written employment contract that is:

(1)(i) A material contract as determined pursuant to Item 601(b)(10)(iii)(A) of Regulation S-K under the Federal securities laws (17 CFR 229.601(b)(10)(iii)(A)); or

(ii) A contract that would be deemed a material contract as determined pursuant to Item 601(b)(10)(iii) of Regulation S-K under the Federal securities laws (17 CFR 229.601(b)(10)(iii)), but for the fact that the material contract relates to one or more employee who is not an executive officer; and

(2) Is enforceable under the law of the applicable jurisdiction.

[74 FR 28405, June 15, 2009, as amended at 74 FR 63992, Dec. 7, 2009]

§ 30.2

§ 30.2 Q-2: To what entities does this part apply?

This part applies to any TARP recipient, provided that the requirements of sections 111(b) (portions of § 30.4 (Q-4), § 30.5 (Q-5) and § 30.7 (Q-7), as applicable, § 30.6 (Q-6), and § 30.8 (Q-8) through § 30.11 (Q-11), and § 30.15 (Q-15)), and section 111(e) (§ 30.13 (Q-13)) apply only during the period during which any obligation to the Federal government arising from financial assistance provided under the TARP remains outstanding. For a TARP recipient that has had an obligation to the Federal government arising from financial assistance provided under the TARP, and no further financial assistance under the TARP, the requirements of section 111(c) (including portions of § 30.4 (Q-4), § 30.5 (Q-5) and § 30.7 (Q-7), as applicable) and section 111(d) (§ 30.12 (Q-12)) apply through the last day of the period during which that obligation remains outstanding; for a TARP recipient that has never had an obligation to the Federal government arising from financial assistance provided under the TARP, the requirements of section 111(c) (including portions of § 30.4 (Q-4), § 30.5 (Q-5) and § 30.7 (Q-7), as applicable) and section 111(d) (§ 30.12 (Q-12)) apply through the last day of the TARP recipient's fiscal year including the sunset date. For this purpose, an obligation includes the ownership by the Federal government of common stock of a TARP recipient.

[74 FR 28405, June 15, 2009, as amended at 74 FR 63992, Dec. 7, 2009]

§ 30.3 Q-3: How are the SEOs and most highly compensated employees identified for purposes of compliance with this part?

(a) *Identification.* The SEOs for a year are the "named executive officers" who are employees and are identified in the TARP recipient's annual report on Form 10-K or annual meeting proxy statement for that year (reporting the SEOs' compensation for the immediately preceding year). These employees are considered the SEOs throughout that entire year. For purposes of the standards in this part applicable to the most highly compensated employees, the determination of whether an employee is a most highly com-

31 CFR Subtitle A (7-1-10 Edition)

pensated employee in a current fiscal year looks back to the annual compensation for the last completed fiscal year without regard to whether the compensation is includible in the employee's gross income for Federal income tax purposes.

(b) *Compliance.* Regardless of when during the current fiscal year the TARP recipient determines the SEOs or the most highly compensated employees, the TARP recipient must ensure that any of the SEOs or employees potentially subject to the requirements in this part for the current fiscal year complies with the requirements in this part as applicable.

§ 30.4 Q-4: What actions are necessary for a TARP recipient to comply with the standards established under sections 111(b)(3)(A), 111(b)(3)(E), 111(b)(3)(F) and 111(c) of EESA (evaluation of employee plans and potential to encourage excessive risk or manipulation of earnings)?

(a) *General rule.* To comply with the standards established under sections 111(b)(3)(A), 111(b)(3)(E), 111(b)(3)(F) and 111(c) of EESA, a TARP recipient must establish a compensation committee by the later of ninety days after the closing date of the agreement between the TARP recipient and Treasury or September 14, 2009, and maintain a compensation committee during the remainder of the TARP period. If a compensation committee is already established before the later of the closing date or September 14, 2009, the TARP recipient must maintain its compensation committee. During the remainder of the TARP period after the later of ninety days after the closing date of the agreement between the TARP recipient and Treasury or September 14, 2009, the compensation committee must:

(1) Discuss, evaluate, and review at least every six months with the TARP recipient's senior risk officers the SEO compensation plans to ensure that the SEO compensation plans do not encourage SEOs to take unnecessary and excessive risks that threaten the value of the TARP recipient;

(2) Discuss, evaluate, and review with senior risk officers at least every six months employee compensation plans

in light of the risks posed to the TARP recipient by such plans and how to limit such risks;

(3) Discuss, evaluate, and review at least every six months the employee compensation plans of the TARP recipient to ensure that these plans do not encourage the manipulation of reported earnings of the TARP recipient to enhance the compensation of any of the TARP recipient's employees;

(4) At least once per TARP recipient fiscal year, provide a narrative description of how the SEO compensation plans do not encourage the SEOs to take unnecessary and excessive risks that threaten the value of the TARP recipient, including how these SEO compensation plans do not encourage behavior focused on short-term results rather than long-term value creation, the risks posed by employee compensation plans and how these risks were limited, including how these employee compensation plans do not encourage behavior focused on short-term results rather than long-term value creation, and how the TARP recipient has ensured that the employee compensation plans do not encourage the manipulation of reported earnings of the TARP recipient to enhance the compensation of any of the TARP recipient's employees; and

(5) Certify the completion of the reviews of the SEO compensation plans and employee compensation plans required under paragraphs (a)(1), (2), and (3) of this section.

(b) *Exclusion of TARP recipients with no employees or no affected employees.* For any period during which a TARP recipient has no employees, or has no SEO or compensation plan subject to the review process, the TARP recipient is not subject to the requirements of paragraph (a) of this section.

(c) *Application to private TARP recipients.* The rules provided in paragraph (a) of this section are also applicable to TARP recipients that do not have securities registered with the SEC pursuant to the Federal securities laws. A TARP recipient that does not have securities registered with the SEC pursuant to the Federal securities laws and has received \$25,000,000 or less in financial assistance is subject to paragraph (a) of this section, except that, in lieu of es-

tablishing and maintaining a compensation committee, such a TARP recipient is permitted to ensure that all the members of the board of directors carry out the duties of the compensation committee as described in paragraph (a) of this section. However, such a TARP recipient will be required to establish and maintain a compensation committee satisfying the requirements of paragraph (a) of this section for the first fiscal year following a fiscal year during which the TARP recipient either registers securities with the SEC pursuant to the Federal securities laws or has received more than \$25,000,000 in financial assistance, and during subsequent years of the TARP period.

(d) *Application to TARP recipients that have never had an outstanding obligation.* For TARP recipients that have never had an outstanding obligation, only paragraphs (a)(2), (a)(4), (a)(5) (but for the narrative and certification requirements of (a)(4) and (a)(5), applied only to the requirements of paragraph (a)(2)), (b) and (c) of this §30.4 (Q-4) shall apply.

§ 30.5 Q-5: How does a TARP recipient comply with the requirements under §30.4 (Q-4) of this part that the compensation committee discuss, evaluate, and review the SEO compensation plans and employee compensation plans to ensure that the SEO compensation plans do not encourage the SEOs to take unnecessary and excessive risks that threaten the value of the TARP recipient, or that the employee compensation plans do not pose unnecessary risks to the TARP recipient?

At least every six months, the compensation committee must discuss, evaluate, and review with the TARP recipient's senior risk officers any risks (including long-term as well as short-term risks) that the TARP recipient faces that could threaten the value of the TARP recipient. The compensation committee must identify the features in the TARP recipient's SEO compensation plans that could lead SEOs to take these risks and the features in the employee compensation plans that pose risks to the TARP recipient, including any features in the SEO compensation plans and the employee compensation plans that would encourage behavior focused on short-

§ 30.6

term results and not on long-term value creation. The compensation committed is required to limit these features to ensure that the SEOs are not encouraged to take risks that are unnecessary or excessive and that the TARP recipient is not unnecessarily exposed to risks.

§ 30.6 Q-6: How does a TARP recipient comply with the requirement under § 30.4 (Q-4) of this part that the compensation committee discuss, evaluate, and review the employee compensation plans to ensure that these plans do not encourage the manipulation of reported earnings of the TARP recipient to enhance the compensation of any of the TARP recipient's employees?

The compensation committee must discuss, evaluate, and review at least every six months the terms of each employee compensation plan and identify and eliminate the features in these plans that could encourage the manipulation of reported earnings of the TARP recipient to enhance the compensation of any employee.

§ 30.7 Q-7: How does a TARP recipient comply with the certification and disclosure requirements under § 30.4 (Q-4) of this part?

(a) *Certification.* The compensation committee must provide the certifications required by § 30.4 (Q-4) of this part stating that it has reviewed, with the TARP recipient's senior risk officers, the SEO compensation plans to ensure that these plans do not encourage SEOs to take unnecessary and excessive risks, the employee compensation plans to limit any unnecessary risks these plans pose to the TARP recipient, and the employee compensation plans to eliminate any features of these plans that would encourage the manipulation of reported earnings of the TARP recipient to enhance the compensation of any employee. For any period during which no obligation arising from financial assistance provided under the TARP remains outstanding, the requirements under this paragraph shall be modified to be consistent with § 30.4(d) (Q-4(d)). Providing a statement similar to the following and in the manner provided in paragraphs (c) and (d) of this section, as ap-

31 CFR Subtitle A (7-1-10 Edition)

plicable, would satisfy this standard: "The compensation committee certifies that:

(1) It has reviewed with senior risk officers the senior executive officer (SEO) compensation plans and has made all reasonable efforts to ensure that these plans do not encourage SEOs to take unnecessary and excessive risks that threaten the value of [identify TARP recipient];

(2) It has reviewed with senior risk officers the employee compensation plans and has made all reasonable efforts to limit any unnecessary risks these plans pose to the [identify TARP recipient]; and

(3) It has reviewed the employee compensation plans to eliminate any features of these plans that would encourage the manipulation of reported earnings of [identify TARP recipient] to enhance the compensation of any employee."

(b) *Disclosure.* At least once per TARP recipient fiscal year, the compensation committee must provide a narrative description identifying each SEO compensation plan and explaining how the SEO compensation plan does not encourage the SEOs to take unnecessary and excessive risks that threaten the value of the TARP recipient. The compensation committee must also identify each employee compensation plan, explain how any unnecessary risks posed by the employee compensation plan have been limited, and further explain how the employee compensation plan does not encourage the manipulation of reported earnings to enhance the compensation of any employee.

(c) *Location.* For TARP recipients with securities registered with the SEC pursuant to the Federal securities law, the compensation committee must provide these certifications and disclosures in the Compensation Committee Report required pursuant to Item 407(e) of Regulation S-K under the Federal securities laws (17 CFR 229.407(e)) and to Treasury. These disclosures must be provided in the Compensation Committee Report for any disclosure pertaining to any fiscal year any portion of which is a TARP period (for a TARP recipient with an obligation), or for any disclosure pertaining to any fiscal

year including a date on or before the sunset date (for a TARP recipient that has never had an obligation). Within 120 days of the completion of a fiscal year during any part of which is a TARP period (for a TARP recipient with an obligation), or the completion of a fiscal year including a date on or before the sunset date (for a TARP recipient that has never had an obligation), a TARP recipient that is a smaller reporting company must provide the certifications of the compensation committee to its primary regulatory agency and to Treasury.

(d) *Application to private TARP recipients.* The rules provided in paragraphs (a), (b), and (c) of this section are also applicable to TARP recipients that do not have securities registered with the SEC pursuant to the Federal securities laws. Within 120 days of the completion of the fiscal year during any part of which is a TARP period (for a TARP recipient with an obligation), or the completion of a fiscal year including a date on or before the sunset date (for a TARP recipient that has never had an obligation), a private TARP recipient must provide the certification of the compensation committee (or board of directors, as applicable under § 30.4 (Q-4)) to its primary regulatory agency and to Treasury.

§ 30.8 Q-8: What actions are necessary for a TARP recipient to comply with the standards established under section 111(b)(3)(B) of EESA (the “clawback” provision requirement)?

To comply with the standards established under section 111(b)(3)(B) of EESA, a TARP recipient must ensure that any bonus payment made to a CEO or the next twenty most highly compensated employees during the TARP period is subject to a provision for recovery or “clawback” by the TARP recipient if the bonus payment was based on materially inaccurate financial statements (which includes, but is not limited to, statements of earnings, revenues, or gains) or any other materially inaccurate performance metric criteria. Whether a financial statement or performance metric criteria is materially inaccurate depends on all the facts and circumstances. However, for this purpose,

a financial statement or performance metric criteria shall be treated as materially inaccurate with respect to any employee who knowingly engaged in providing inaccurate information (including knowingly failing to timely correct inaccurate information) relating to those financial statements or performance metrics. Otherwise, with respect to a performance criteria, whether the inaccurate measurement of the performance or inaccurate application of the performance to the performance criteria is material depends on whether the actual performance or accurate application of the actual performance to the performance criteria is materially different from the performance required under the performance criteria or the inaccurate application of the actual performance to the performance criteria. The TARP recipient must exercise its clawback rights except to the extent it demonstrates that it is unreasonable to do so, such as, for example, if the expense of enforcing the rights would exceed the amount recovered. For the purpose of this section, a bonus payment is deemed to be made to an individual when the individual obtains a legally binding right to that payment.

§ 30.9 Q-9: What actions are necessary for a TARP recipient to comply with the standards established under section 111(b)(3)(C) of EESA (the prohibition on golden parachute payments)?

(a) *Prohibition on golden parachute payments.* To comply with the standards established under section 111(b)(3)(C) of EESA, a TARP recipient must prohibit any golden parachute payment to a CEO and any of the next five most highly compensated employees during the TARP period. A golden parachute payment is treated as paid at the time of departure and is equal to the aggregate present value of all payments made for a departure. Thus, a golden parachute payment during the TARP period may include a right to amounts actually payable after the TARP period.

(b) *Examples.* The following examples illustrate the provisions of paragraph (a) of this section:

§ 30.10

31 CFR Subtitle A (7-1-10 Edition)

Example 1. Employee A is a SEO of a TARP recipient. Employee A is entitled to a payment of three times his annual compensation upon an involuntary termination of employment or voluntary termination of employment for good reason, but such amount is not payable unless and until the TARP period expires with respect to TARP recipient. Employee A terminates employment during the TARP period. Because, for purposes of the prohibition on golden parachute payments, the payment is made at the time of departure, Employee A may not obtain the right to the payment upon the termination of employment.

Example 2. Employee B involuntarily terminated employment on July 1, 2008, at which time Employee B was a SEO of a financial institution. Employee B's employment agreement provided that if Employee B were involuntarily terminated or voluntarily terminated employment for good reason, Employee B would be entitled to a series of five equal annual payments. After the first payment, but before any subsequent payment, the entity became a TARP recipient. Because, for purposes of the prohibition on golden parachute payments, all of the five payments are deemed to have occurred at termination of employment and because, in this case, termination of employment occurred before the beginning of the applicable TARP period, the payment of the four remaining payments due under the agreement will not violate the requirements of this section.

§ 30.10 Q-10: What actions are necessary for a TARP recipient to comply with section 111(b)(3)(D) of EESA (the limitations on bonus payments)?

(a) *General rule.* To comply with section 111(b)(3)(D) of EESA, pursuant to the schedule under paragraph (b) of this section and subject to the exclusions under paragraph (e) of this section, a TARP recipient must prohibit the payment or accrual of any bonus payment during the TARP period to or by the employees identified pursuant to paragraph (b) of this section.

(b)(1) *Schedule.* The prohibition required under paragraph (a) of this section applies as follows to:

(i) The most highly compensated employee of any TARP recipient receiving less than \$25,000,000 in financial assistance;

(ii) At least the five most highly compensated employees of any TARP recipient receiving \$25,000,000 but less than \$250,000,000 in financial assistance;

(iii) The SEOs and at least the ten next most highly compensated employees of any TARP recipient receiving \$250,000,000 but less than \$500,000,000 in financial assistance; and

(iv) The SEOs and at least the twenty next most highly compensated employees of any TARP recipient receiving \$500,000,000 or more in financial assistance.

(2) *Changes in level of financial assistance.* The determination of which schedule in paragraph (b) of this section is applicable to a TARP recipient during the TARP period is determined by the gross amount of all financial assistance provided to the TARP recipient, valued at the time the financial assistance was received. Whether a TARP recipient's financial assistance has increased during a fiscal year to the point in the schedule under paragraph (b) of this section that the SEOs or a greater number of the most highly compensated employees will be subject to the requirements under paragraph (a) of this section is determined as of the last day of the TARP recipient's fiscal year, and the increase in coverage is effective for the subsequent fiscal year.

(3) *Application to first year of financial assistance.* For employers who become TARP recipients after June 15, 2009, the bonus payment limitation provision under this paragraph (b) does not apply to bonus payments paid or accrued by TARP recipients or their employees before the first date of the TARP period. Certain bonus payments may relate to a service period beginning before and ending after the first date of the TARP period. In these circumstances, the employee will not be treated as having accrued the bonus payment on or after the first date of the TARP period if the bonus payment is reduced to reflect at least the portion of the service period that occurs on or after the first date of the TARP period. However, if the employee is a SEO or most highly compensated employee at the time the amount would otherwise be paid, the bonus payment amount as reduced in accordance with the previous sentence still may not be paid until such time as bonus payments to that employee are permitted.

(c) *Accrual.* (1) *General rule.* Whether an employee has accrued a bonus payment is determined based on the facts and circumstances. An accrual may include the granting of service credit (whether toward the calculation of the benefit or any vesting requirement) or credit for the compensation received (or that otherwise would have been received) during the period the employee was subject to the restriction under paragraph (a) of this section. For application of this rule to the fiscal year including June 15, 2009, see § 30.17 (Q-17).

(2) *Payments or accruals after the employee is no longer a SEO or most highly compensated employee.* If after the employee is no longer a SEO or most highly compensated employee, the employee is paid a bonus payment or provided a legally binding right to a bonus payment that is based upon services performed or compensation received during the period the employee was a SEO or most highly compensated employee, the employee will be treated as having accrued such bonus payment during the period the employee was a SEO or most highly compensated employee. For example, if the employee is retroactively granted service credit under an incentive plan (whether for vesting or benefit calculation purposes) for the period in which the employee was a SEO or most highly compensated employee, the employee will be treated as having accrued that benefit during the period the employee was a SEO or most highly compensated employee.

(3) *Multi-year service periods.* Certain bonus payments may relate to a multi-year service period, during some portion of which the employee is a SEO or most highly compensated employee subject to paragraph (a) of this section, and during some portion of which the employee is not. In these circumstances, the employee will not be treated as having accrued the bonus payment during the period the employee was a SEO or most highly compensated employee if the bonus payment is at least reduced to reflect the portion of the service period that the employee was a SEO or most highly compensated employee. If the employee is a SEO or most highly compensated employee at the time the net bonus payment amount after such re-

duction would otherwise be paid, the amount still may not be paid until such time as bonus payments to that employee are permitted.

(d) *Examples.* The following examples illustrate the rules of paragraphs (a) through (c) of this section:

Example 1. Employee A is a SEO of a TARP recipient in 2010, but not in 2011. The TARP recipient maintains an annual bonus program, generally paying bonus payments in March of the following year. Employee A may not be paid a bonus payment in 2010 (for services performed in 2009 or any other year). In addition, Employee A may not be paid a bonus payment in 2011 to the extent such bonus payment is based on services performed in 2010.

Example 2. Same facts as in *Example 1*, provided further that Employee A receives a salary increase for 2011. The salary increase equals the same percentage as similarly situated executive officers, with an additional percentage increase which, over the course of twelve months, equals the bonus that would have been payable to Employee A in 2011 (for services performed in 2010), except for application of paragraph (a) of this section. Under these facts and circumstances, the additional percentage increase will be treated as a bonus payment accrued in 2010 and Employee A may not be paid this bonus payment.

Example 3. Same facts as in *Example 1*, provided further that on March 1, 2011, Employee A is granted a stock option under the TARP recipient stock incentive plan with a value approximately equal to the bonus that would have been payable to Employee A in 2011 (for services performed in 2010), except for application of paragraph (a) of this section. Other similarly situated employee not covered by the bonus limitation for 2010 do not receive such a grant. Under these facts and circumstances, the stock option grant will be treated as a bonus payment accrued in 2010 and will not be permitted to be paid to Employee A.

Example 4. Employee B is not a SEO or a most highly compensated employee of a TARP recipient during 2009. On July 1, 2009, Employee B is granted the right to a bonus payment of \$50,000 if Employee B is employed by the TARP recipient through July 1, 2011 (two years). Employee B is a SEO of a TARP recipient during 2010, but is not a SEO or a most highly compensated employee of the TARP recipient during 2011. Employee B is employed by the TARP recipient on July 1, 2011. Thus, Employee B was a SEO or most highly compensated employee during one-half of the two-year required service period. Provided that Employee B is paid not more than half of the otherwise payable bonus payment, or \$25,000, Employee B will not be treated as having accrued a bonus payment

§ 30.10

while Employee B was a SEO or a most highly compensated employee.

(e) *Exclusions*—(1) *Long-term restricted stock*—(i) *General rule*. The TARP recipient is permitted to award long-term restricted stock to the employees whose compensation is limited according to the schedule under paragraph (b) of this section, provided that the value of this grant may not exceed one third of the employee's annual compensation as determined for that fiscal year (that is, not using the look-back method for the prior year). For purposes of this paragraph, in determining an employee's annual compensation, all equity-based compensation granted in fiscal years ending after June 15, 2009 will only be included in the calculation in the year in which it is granted at its total fair market value on the grant date, and all equity-based compensation granted in fiscal years ending prior to June 15, 2009 will not be included in the calculation of annual compensation for any subsequent fiscal year. For purposes of this paragraph, in determining the value of the long-term restricted stock grant, the long-term restricted stock granted in accordance with this paragraph will only be included in the calculation in the year in which the restricted stock is granted at its total fair market value on the grant date.

(ii) *Example*.

During 2008, Employee A receives compensation of \$1 million salary and a \$1,200,000 long-term restricted stock grant subject to a three-year vesting period. During 2009, Employee A received compensation of \$1 million salary and no grant of long-term restricted stock. During 2010, Employee A receives compensation of \$600,000 salary and a \$300,000 long-term restricted stock grant subject to a three-year vesting period. Under the general SEC compensation disclosure rules used to define annual compensation in § 30.1 (Q-1) of this part, the compensation related to the long-term restricted stock grants would be allocated over the vesting period. Assume for this purpose, that for 2010, \$400,000 of the 2008 long-term restricted stock grant is allocated as compensation, and \$100,000 of the 2010 long-term restricted stock grant is allocated as compensation, so that the total annual compensation is \$1,100,000 (\$600,000 salary + \$400,000 + \$100,000). However, for purposes of determining Employee A's annual compensation to apply the limit on the value of the long-term restricted stock that may be

31 CFR Subtitle A (7-1-10 Edition)

granted to Employee A in 2010, the entire \$300,000 value of the 2010 grant is included but the \$400,000 value attributed to the 2008 grant is excluded. Accordingly, Employee A's adjusted annual compensation is \$900,000 (\$1,100,000 - \$100,000 + \$300,000 - \$400,000). In addition, the entire fair market value of the 2010 long-term restricted stock grant is included for purposes of determining whether the limit has been exceeded. Because the \$300,000 adjusted value of the long-term restricted stock grant does not exceed one-third of the \$900,000 adjusted annual compensation, the grant complies with paragraph (e)(1)(i).

(2) *Legally binding right under valid employment contracts*—(i) *General rule*.

The prohibition under paragraph (a) of this section does not apply to bonus payments required to be paid under a valid employment contract if the employee had a legally binding right under the contract to a bonus payment as of February 11, 2009. For purposes of determining whether an employee had a legally binding right to a bonus payment, see 26 CFR 1.409A-1(b)(i). In addition, the bonus payment must be made in accordance with the terms of the contract as of February 11, 2009 (which may include application of an elective deferral election under a qualified retirement plan or a nonqualified deferred compensation plan), such that any subsequent amendment to the contract to increase the amount payable, accelerate any vesting conditions, or otherwise materially enhance the benefit available to the employee under the contract will result in the bonus payment being treated as not made under the employment contract executed on or before February 11, 2009. However, amendment of a valid employment contract executed on or before February 11, 2009 under which an employee has a legally binding right to a bonus payment to reduce the amount of the bonus payment or to enhance or include service-based or performance-based vesting requirements or holding period requirements will not result in this treatment. The amended employment contract would still be deemed a valid employment contract and the employee would still be treated as having a legally binding right to the bonus payment under the original employment contract. The TARP recipient

and the employees of the TARP recipient should be cognizant of the restrictions under section 409A of the Internal Revenue Code (26 U.S.C. 409A) in the case of an amendment described in the preceding sentence.

(ii) *Examples.* The following examples illustrate the provisions of this paragraph (2).

Example 1. TARP recipient sponsors a written restricted stock unit plan. Under the plan, restricted stock units are traditionally granted each July 1, and are subject to a three-year vesting requirement. Employee A, a SEO of TARP recipient, received grants on July 1, 2007, July 1, 2008, and July 1, 2009. The July 1, 2007 and July 1, 2008 grants are excluded from the limitation on payments, because although the awards were subject to a continuing service vesting requirement, Employee A retained a legally binding right to the restricted stock units as of February 11, 2009. However, regardless of the fact that the restricted stock unit program was in existence on February 11, 2009, Employee A did not retain a legally binding right to a restricted stock unit for 2009 as of February 11, 2009, but rather obtained the legally binding right only when the restricted stock unit was granted on July 1, 2009. Accordingly, the July 1, 2009 grant is subject to the limitation and is not permitted to be accrued or paid (unless such grant complies with the exception for certain grants of long-term restricted stock).

Example 2. TARP recipient sponsors an annual bonus program documented in a written plan. Under the bonus program, the board of directors retains the discretion to eliminate or reduce the bonus of any employee in the bonus pool. Employees B and C, both SEOs, are in the bonus pool for 2008. On January 15, 2009, the compensation committee determines the bonuses to which the employees of the division in which Employee B works are entitled, and awards Employee B a \$10,000 bonus payable on June 1. Employee B has a legally binding right to the bonus as of February 11, 2009 and payment of the bonus is not subject to the limitation. However, as of February 11, 2009, the board of directors has not met to determine which employees of the division in which Employee C works will be entitled to a bonus or the amount of such bonus. Accordingly, Employee C did not have a legally binding right to a bonus as of February 11, 2009 and may be subject to the bonus payment limitation.

Example 3. TARP recipient sponsors a written stock option plan under which stock options may be granted to SEOs designated by the compensation committee. Designations and grants typically occur at a meeting in August of every year, and no meeting occurred in 2009 before August. Regardless of

the existence of the general plan, no SEO had a legally binding right to a stock option grant for 2009 as of February 11, 2009 because no grants had been made under the plan. Accordingly, any 2009 grant will be subject to the limitation and is not permitted to be made.

Example 4. Employee D is an SEO of a TARP recipient. Under Employee D's written employment agreement executed before February 11, 2009, Employee D is entitled to the total of whatever bonuses are made available to Employee E and Employee F. As of February 11, 2009, Employee E had a legally binding right to a \$100,000 bonus. Employees E and F are never at any time SEOs or highly compensated employees subject to the limitation. As of February 11, 2009, Employee F had no legally binding right to a bonus, but was eligible to participate in a bonus pool and was ultimately awarded a bonus of \$50,000. As of February 11, 2009, Employee D had a legally binding right to a \$100,000 bonus, so that bonus is not subject to the limitation. However, as of February 11, 2009, Employee D did not have a legally binding right to the additional \$50,000 bonus, so that bonus is subject to the bonus payment limitation and, if not paid before June 15, 2009 is not permitted to be paid.

(f) *Application to private TARP recipients.* The rules set forth in this section are also applicable to TARP recipients that do not have securities registered with the SEC pursuant to the Federal securities laws.

§ 30.11 Q-11: Are TARP recipients required to meet any other standards under the executive compensation and corporate governance standards in section 111 of EESA?

(a) *Approval of compensation payments to, and compensation structures for, certain employees of TARP recipients receiving exceptional financial assistance.* For any period during which a TARP recipient is designated as a TARP recipient that has received exceptional financial assistance, the TARP recipient must obtain the approval by the Special Master of all compensation payments to, and compensation structures for, SEOs and most highly compensated employees subject to paragraph (b) of § 30.10 (Q-10). TARP recipients that receive exceptional financial assistance must also receive approval

§ 30.11

by the Special Master for all compensation structures for other employees who are executive officers (as defined under the Securities and Exchange Act, Rule 3b-7) or one of the 100 most highly compensated employees of a TARP recipient receiving exceptional assistance (or both), who are not subject to the bonus limitations under § 30.10 (Q-10). For this purpose, compensation payments and compensation structures may include awards or other rights to compensation which an employee has already received but not yet been paid or, in some instances, fully accrued. Accordingly, the Special Master has the authority to require that such compensation payments or compensation structures be altered to meet the standards set forth in § 30.16 (Q-16). However, this approval requirement is not applicable to payments that are not subject to paragraph (a) of § 30.10 (Q-10) due to the application of paragraph (e)(2) of § 30.10 (Q-10) or the effective date provisions of § 30.17 (Q-17), though the Special Master will take such payments into account in reviewing the compensation structure and amounts payable, as applicable, that are subject to review. Notwithstanding any of the foregoing, approval is not required with respect to an employee not subject to the bonus payment limitations to the extent that the employee's annual compensation, as modified in § 30.16 (Q-16) to include certain deferred compensation and pension accruals but to disregard any grant of long-term restricted stock, is limited to \$500,000 or less, and any further compensation is provided in the form of long-term restricted stock. For details, see § 30.16 (Q-16).

(b) *Perquisite disclosure*—(1) *General rule*. TARP recipients must annually disclose during the TARP period any perquisite whose total value for the TARP recipient's fiscal year exceeds \$25,000 for each of the SEOs and most highly compensated employees that are subject to paragraph (a) of § 30.10 (Q-10). TARP recipients must provide a narrative description of the amount and nature of these perquisites, the recipient of these perquisites, and a justification for offering these perquisites (including a justification for offering the perquisite, and not only for offer-

31 CFR Subtitle A (7-1-10 Edition)

ing the perquisite with a value that exceeds \$25,000). Such disclosure must be provided within 120 days of the completion of a fiscal year any part of which is a TARP period.

(2) *Location*. A TARP recipient must provide this disclosure to Treasury and to its primary regulatory agency.

(c) *Compensation consultant disclosure*—(1) *General rule*. The compensation committee of the TARP recipient must provide annually a narrative description of whether the TARP recipient, the board of directors of the TARP recipient, or the compensation committee has engaged a compensation consultant; and all types of services, including non-compensation related services, the compensation consultant or any of its affiliates has provided to the TARP recipient, the board, or the compensation committee during the past three years, including any "benchmarking" or comparisons employed to identify certain percentile levels of compensation (for example, entities used for benchmarking and a justification for using these entities and the lowest percentile level proposed for compensation). Such disclosure must be provided within 120 days of the completion of a fiscal year any part of which is a TARP period.

(2) *Application to TARP recipients not required to maintain compensation committees*. For those TARP recipients not required to establish and maintain compensation committees under § 30.4(c) (Q-4), the board of directors must provide the disclosure under § 30.4(c)(1).

(3) *Location*. A TARP recipient must provide this disclosure to Treasury and to its primary regulatory agency.

(d) *Prohibition on gross-ups*. Except as explicitly permitted under this part, TARP recipients are prohibited from providing (formally or informally) gross-ups to any of the SEOs and next twenty most highly compensated employees during the TARP period. For this purpose, providing a gross-up includes providing a right to a payment of such a gross-up at a future date, for example a date after the TARP period.

§ 30.12 Q-12: What actions are necessary for a TARP recipient to comply with section 111(d) of EESA (the excessive or luxury expenditures policy requirement)?

To comply with section 111(d) of EESA, by the later of ninety days after the closing date of the agreement between the TARP recipient and Treasury or September 14, 2009, the board of directors of the TARP recipient must adopt an excessive or luxury expenditures policy, provide this policy to Treasury and its primary regulatory agency, and post the text of this policy on its Internet Web site, if the TARP recipient maintains a company Web site. After adoption of the policy, the TARP recipient must maintain the policy during the remaining TARP period (if the TARP recipient has an obligation), or through the last day of the TARP recipient's fiscal year including the sunset date (if the TARP recipient has never had an obligation). If, after adopting an excessive or luxury expenditures policy, the board of directors of the TARP recipient makes any material amendments to this policy, within ninety days of the adoption of the amended policy, the board of directors must provide the amended policy to Treasury and its primary regulatory agency and post the amended policy on its Internet Web site, if the TARP recipient maintains a company Web site. This disclosure must continue through the TARP period (if the TARP recipient has an obligation), or through the last day of the TARP recipient's fiscal year that includes the sunset date (if the TARP recipient has never had an obligation).

§ 30.13 Q-13: What actions are necessary for a TARP recipient to comply with section 111(e) of EESA (the shareholder resolution on executive compensation requirement)?

As provided in section 111(e) of EESA, any proxy or consent or authorization for an annual or other meeting of the shareholders of any TARP recipient that occurs during the TARP period must permit a separate shareholder vote to approve the compensation of executives, as required to be disclosed pursuant to the Federal securities laws (including the compensation discussion and analysis, the compensa-

tion tables, and any related material). To meet this standard, a TARP recipient must comply with any rules, regulations, or guidance promulgated by the SEC that are applicable to the TARP recipient.

[74 FR 63992, Dec. 7, 2009]

§ 30.14 Q-14: How does section 111 of EESA operate in connection with an acquisition, merger, or reorganization?

(a) *Special rules for acquisitions, mergers, or reorganizations.* In the event that a TARP recipient (target) is acquired by an entity that is not an affiliate of the target (acquirer) in an acquisition of any form, including a purchase of substantially all of the assets of the target, such that the acquirer after the transaction would have been treated as a TARP recipient if the target had received the TARP funds immediately after the transaction, acquirer will not become subject to section 111 of EESA merely as a result of the acquisition. If the acquirer is not subject to section 111 of EESA immediately after the transaction, then any employees of the acquirer immediately after the transaction (including target employees who were SEOs or most highly compensated employees immediately prior to the transaction and became acquirer employees as a result of the transaction) will not be subject to section 111 of EESA.

(b) *Anti-abuse rule.* Notwithstanding the provisions of paragraph (a) of this section, if the primary purpose of a transaction involving the acquisition, in any form, of a TARP recipient is to avoid or evade the application of any of the requirements of section 111 of EESA, the acquirer will be treated as a TARP recipient immediately upon such acquisition. In such a case, the SEOs and the most highly compensated employees to whom any of the requirements of section 111 of EESA and this Interim Final Rule apply shall be redetermined as of the date of the acquisition. The redetermined SEOs and most highly compensated employees of the post-acquisition acquirer shall consist of the PEO and PFO of the post-acquisition acquirer, plus the applicable

§ 30.15

number of next most highly compensated employees determined by aggregating the post-acquisition employees of the acquirer (to include the pre-acquisition employees of the target employed by the acquirer, or anticipated to be employed by the acquirer), and ranking such employees in order of compensation for the immediately preceding fiscal year of the pre-acquisition target or pre-acquisition acquirer, as appropriate. In the case of an asset acquisition, the entity or entities to whom the target's assets are transferred shall be treated as the direct recipient of the financial assistance for purposes of determining which other related entities are treated, in the aggregate, as the TARP recipient under the definition of "TARP recipient" in § 30.1 (Q-1).

§ 30.15 Q-15: What actions are necessary for a TARP recipient to comply with certification requirements of section 111(b)(4) of EESA?

(a) *Certification Requirements*—(1) *General*. To comply with section 111(b)(4) of EESA, the PEO and the PFO of the TARP recipient must provide the following certifications with respect to the compliance of the TARP recipient with section 111 of EESA as implemented under this part:

(2) *First Fiscal Year Certification*. (i) Within ninety days of the completion of the first annual fiscal year of the TARP recipient any portion of which is a TARP period, the PEO and the PFO of the TARP recipient must provide certifications similar to the model provided in appendix A to this section.

(ii) If the first annual fiscal year of a TARP recipient any portion of which is a TARP period ends within thirty days after the closing date of the applicable agreement between the TARP recipient and Treasury, the TARP recipient shall have an additional sixty days beginning on the day after the end of the fiscal year during which it can establish the compensation committee, if not already established, and during which the compensation committee shall meet with senior risk officers to discuss, review, and evaluate the SEO compensation plans and employee compensation plans in accordance with § 30.4 (Q-4) of this part. The certifi-

31 CFR Subtitle A (7-1-10 Edition)

cations of the PEO and the PFO of the TARP recipient must be amended to reflect the timing of the establishment and reviews of the compensation committee.

(3) *Years Following First Fiscal Year Certification*. Within ninety days of the completion of each TARP fiscal year of the TARP recipient after the first TARP fiscal year, the PEO and the PFO of the TARP recipient must provide a certification similar to the model provided in Appendix B to this section.

(4) *Location*. A TARP recipient with securities registered with the SEC pursuant to the Federal securities law must provide these certifications as an exhibit (pursuant to Item 601(b)(99)(i) of Regulation S-K under the Federal securities laws (17 CFR 229.601(b)(99)(i)) to the TARP recipient's annual report on Form 10-K and to Treasury. To the extent that the PEO or the PFO of the TARP recipient is unable to provide any of these certifications in a timely manner, the PEO or the PFO must provide Treasury an explanation of the reason such certification has not been provided. These certifications are in addition to the compensation committee certifications required by § 30.5 (Q-5) of this part.

(5) *Application to private TARP recipients*. The rules provided in this section are also applicable to TARP recipients that do not have securities registered with the SEC pursuant to the Federal securities laws, except that the certifications under Appendix A, paragraph (x) and Appendix B, paragraph (x) of this section are not required for such TARP recipients. A private TARP recipient must provide these certifications to its primary regulatory agency and to Treasury.

(6) *Application to TARP recipients that have never had an obligation*. For those TARP recipients that have never had an obligation, the PEO and PFO must provide the certifications pursuant to this paragraph (a) only with respect to the requirements applicable to a TARP recipient that has never had an obligation (generally certain compensation committee reviews of employee compensation plans and the issuance of, and compliance with, an excessive or luxury expenses policy).

(b) *Recordkeeping requirements.* The TARP recipient must preserve appropriate documentation and records to substantiate each certification required under paragraph (a) of this section for a period of not less than six years after the date of the certification, the first two years in an easily accessible place. The TARP recipient must furnish promptly to Treasury legible, true, complete, and current copies of the documentation and records that are required to be preserved under paragraph (b) of this section that are requested by any representative of Treasury.

(c) *Penalties for making or providing false or fraudulent Statements.* Any individual or entity that provides information or makes a certification to Treasury pursuant to the Interim Final Rule or as required pursuant to 31 CFR Part 30 may be subject to 18 U.S.C. 1001, which generally prohibits the making of any false or fraudulent statement in a matter within the jurisdiction of the Federal government. Upon receipt of information indicating that any individual or entity has violated any provision of title 18 of the U.S. Code or other provision of Federal law, Treasury shall refer such information to the Department of Justice and the Special Inspector General for the Troubled Asset Relief Program.

[74 FR 28405, June 15, 2009, as amended at 74 FR 63992, Dec. 7, 2009]

§ 30.16 Q-16: What is the Office of the Special Master for TARP Executive Compensation, and what are its powers, duties and responsibilities?

(a) *The Office of the Special Master for TARP Executive Compensation.* The Secretary of the Treasury shall establish the Office of the Special Master for TARP Executive Compensation (Special Master). The Special Master shall serve at the pleasure of the Secretary, and may be removed by the Secretary without notice, without cause, and prior to the naming of any successor Special Master. The Special Master shall have the following powers, duties and responsibilities:

(1) *Interpretative authority.* The Special Master shall have responsibility for interpreting section 111 of EESA, these regulations, and any other applicable guidance, to determine how the requirements under section 111 of EESA, these regulations, and any other applicable guidance, apply to particular facts and circumstances. Accordingly, the Special Master shall make all determinations, as required, as to the meaning of such guidance and whether such requirements have been met in any particular circumstances. In addition, a TARP recipient or a TARP recipient employee may submit a request, in accordance with paragraph (c)(3) of this section, for an advisory opinion with respect to the requirements under section 111 of EESA, these regulations and any other applicable guidance.

(2) *Review of prior payments to employees.* Section 111(f) of EESA provides that the Secretary shall review bonuses, retention awards, and other compensation paid before February 17, 2009, to employees of each entity receiving TARP assistance before February 17, 2009, to determine whether any such payments were inconsistent with the purposes of section 111 of EESA or TARP, or otherwise contrary to the public interest. Section 111(f) of EESA provides that, if the Secretary makes such a determination, the Secretary shall seek to negotiate with the

31 CFR Subtitle A (7-1-10 Edition)

TARP recipient and the subject employee for appropriate reimbursements to the Federal Government with respect to compensation or bonuses. The Special Master shall have the responsibility for administering these provisions, including the identification of the payments that are inconsistent with the purposes of EESA or TARP, or otherwise contrary to the public interest, and the Special Master shall have responsibility for the negotiation with the TARP recipient and the subject employee for appropriate reimbursements to the Federal Government with respect to compensation or bonuses. The Special Master shall make this determination by application of the principles outlined in paragraph (b) of this section. The Special Master’s administration of these provisions may provide for the scope of review by the Special Master of a payment, including a limited review or no review, depending on the payment amount, the type of payment, the overall compensation earned by the employee during the relevant period, a combination thereof, or such other factors as the Special Master may determine, where the Special Master determines that such factors demonstrate that such payments are not, or are highly unlikely to be, inconsistent with the purposes of section 111 of EESA or TARP, or otherwise contrary to the public interest, or that renegotiation of such payments is not in the public interest. The Special Master may request in writing any information from TARP recipients necessary to carry out the review of prior compensation required under section 111(f) of EESA. TARP recipients must submit any requested information to the Special Master within 30 days of the request.

(3) *Approval of certain payments to employees of TARP recipients receiving exceptional financial assistance.* (i) *SEOs and most highly compensated employees.* The Special Master shall determine whether the compensation structure for each SEO or most highly compensated employee of a TARP recipient receiving exceptional assistance, including the amounts payable or potentially payable under such compensation structure, will or may result in payments that are inconsistent with

the purposes of section 111 of EESA or TARP, or are otherwise contrary to the public interest. The Special Master shall make such determinations by applying the principles outlined in paragraph (b) of this section, subject to the requirement that the compensation structure and payments satisfy the applicable limitations under § 30.10 (Q-10). This requirement shall apply to any compensation accrued or paid during any period the SEO or most highly compensated employee is subject to the limitations under § 30.10 (Q-10). Initial requests for such approval must be submitted no later than August 14, 2009. The Special Master's administration of these provisions may provide for the Special Master's scope of review, including a limited review or no review, of a portion of a compensation structure or payment depending on the amount of such payments, the type of such payments, the overall compensation earned by the employee during the relevant period, a combination thereof, or such other factors as the Special Master determines, if the Special Master has determined that such factors demonstrate that such payments are not, or are highly unlikely to be, inconsistent with the purposes of section 111 of EESA or TARP, or otherwise contrary to the public interest. The Special Master shall issue a determination within 60 days of the receipt of a substantially complete submission. The TARP recipient must make a further request for approval to the extent the compensation structure for any SEO or most highly compensated employee, including the amounts that are or may be payable, for any SEO or highly compensated employee is materially modified. In reviewing compensation structures and compensation payments for any period subject to Special Master review, the Special Master may take into account other compensation structures and other compensation earned, accrued or paid, including such compensation and compensation structures that are not subject to the restrictions of Section 111 of EESA pursuant to section 111(b)(3)(D)(iii) (see § 30.10(e)(2) (Q-30.10(e)(2) (certain legally binding rights under valid written employment contracts)), and amounts that were ac-

crued or paid prior to June 15, 2009 and are therefore not subject to review by the Special Master.

(ii) *Other executive officers and most highly compensated employees.* With respect to any employee who is either an executive officer (as defined under the Securities and Exchange Act Rule 3b-7) or one of the 100 most highly compensated employees of a TARP recipient receiving exceptional assistance (or both), who is not subject to the bonus limitations under § 30.10 (Q-10), the Special Master shall determine whether the compensation structure for such employees will or may result in payments that are inconsistent with the purposes of section 111 of EESA or TARP, or are otherwise contrary to the public interest. The Special Master shall make such determination through application of the principles outlined in paragraph (b) of this section. With respect to the scope of the required review, the Special Master shall determine only whether the compensation arrangements are adequately structured, and is not required to rule with respect to the amounts that are or may be payable thereunder. However, the TARP recipient may also request an advisory opinion with respect to the amounts that are or may be payable, which the Special Master may provide in his sole discretion. Notwithstanding the foregoing, if the total annual compensation to an employee complies with the rules applicable to an SEO under § 30.10 (Q-10) applied without any limits on the grant of long-term restricted stock, and the annual compensation other than long-term restricted stock does not exceed \$500,000 (or for 2009, \$500,000 prorated to reflect the remaining portion of 2009 after June 15, 2009), the compensation structure will automatically be deemed to meet the requirements and no prior approval by the Special Master will be required. For purposes of the \$500,000 limit, in determining annual compensation, all equity-based compensation granted in fiscal years ending after June 15, 2009 will be included in the calculation only in the year in which they are granted at their total fair market value on the grant date and all equity-based compensation granted in fiscal years ending prior to

§ 30.16

June 15, 2009 will not be included in the calculation of annual compensation. In addition, solely for purposes of applying the limit (and not for purposes of identifying the most highly compensated employees), the term annual compensation includes amounts required to be disclosed under paragraph (viii) of Item 402(a) of Regulation S-K of the Federal securities laws (change in the actuarial present value of benefits under a pension plan and above-market earnings on deferred compensation). The Special Master's administration of these provisions may provide for limited or no review of a portion of a compensation structure by the Special Master depending on the amount of potential payments, the type of such payments, the overall compensation earned by the employee during the relevant period, a combination thereof, or such other factors as the Special Master determines, where the Special Master has determined that such factors demonstrate that such payments are not, or are highly unlikely to be, inconsistent with the purposes of section 111 of EESA or TARP, or otherwise contrary to the public interest. Initial requests for such approval must be submitted no later than 120 days after publication of the final rule. Separate requests need not be submitted for each individual covered employee, but should be submitted for identified groups of employees subject to the same compensation structures to the extent possible as long as sufficient detail regarding individual compensation awards are provided as necessary to evaluate such employee's compensation structure. The Special Master shall issue a determination within 60 days of the receipt of a substantially complete submission. The TARP recipient must make a further request for approval to the extent the compensation structure, including the amounts that are or may be payable, for any executive officer is materially amended. In reviewing compensation structures for any period subject to Special Master review, the Special Master may take into account other compensation structures and other compensation earned, accrued or paid, including such compensation and compensation structures that are not sub-

31 CFR Subtitle A (7-1-10 Edition)

ject to the restrictions of Section 111 of EESA pursuant to section 111(b)(3)(D)(iii) (see §30.10(e)(2) (Q-30.10(e)(2) (certain legally binding rights under valid written employment contracts)), and amounts that were accrued or paid prior to June 15, 2009 and are therefore not subject to review by the Special Master.

(iii) *Period from June 15, 2009 through final determination.* For the period from June 15, 2009 through the date of the Special Master's final determination, the TARP recipient will be treated as complying with this section if, with respect to employees covered by paragraph (a)(3)(i) of this section, the TARP recipient continues to pay compensation to such employees in accordance with the terms of employment as of June 14, 2009 to the extent otherwise permissible under this Interim Final Rule (for example, continued salary payments but not any bonus payments) and if, with respect to employees covered by paragraph (a)(3)(ii) of this section, the TARP recipient continues to pay compensation to such employees under the compensation structure established as of June 14, 2009, and if in addition the TARP recipient promptly complies with any modifications that may be required by the Special Master's final determination. However, the Special Master may take into account the amounts paid to an employee during such period in determining the appropriate compensation amounts and compensation structures, as applicable, for the remainder of the year.

(4) *Advisory opinions on compensation structures or compensation payments to employees of TARP recipients.* A TARP recipient or TARP recipient employee may request an advisory opinion from the Special Master as to whether a compensation structure is, or will or may result in payments that are, inconsistent with the purposes of EESA or TARP, or otherwise contrary to the public interest. In addition, the Special Master may become aware of compensation structures or payments at any TARP recipient for which it may be useful to provide an advisory opinion as to whether such structure or payments meets this standard. Accordingly, the Special Master shall have

the authority to render advisory opinions upon request or at the Special Master's initiative, as to whether a compensation structure is, or will or may result in payments to an employee that are inconsistent with the purposes of section 111 of EESA or TARP, or otherwise contrary to the public interest, or whether a compensation payment made, or to be made, was or will be inconsistent with the purposes of section 111 of EESA or TARP, or otherwise contrary to the public interest. If the Special Master renders an adverse opinion, the Special Master shall have the authority to seek to negotiate with the TARP recipient and the subject employee for appropriate reimbursements to the TARP recipient or the Federal government. Any advisory opinion shall reflect the Special Master's application of the principles outlined in paragraph (b) of this section. The Special Master shall not be required to render an advisory opinion in every instance, but may do so only where the Special Master deems appropriate and feasible in the context of the Special Master's other responsibilities. In any case, the Special Master shall render an opinion, or affirmatively decline to render an advisory opinion, within 60 days of the receipt of a substantially complete submission. The Special Master shall not be required to explain any decision to decline to render an advisory opinion.

(5) *Other designated duties and powers.* The Special Master shall have such other duties and powers related to the application of compensation issues arising in the administration of EESA or TARP as the Secretary or the Secretary's designate may delegate to the Special Master, including, but not limited to, the interpretation or application of contractual provisions between the Federal government and a TARP recipient as those provisions relate to the compensation paid to, or accrued by, an employee of such TARP recipient.

(b) *Determination of whether compensation is inconsistent with the purposes of section 111 of EESA or TARP or is otherwise contrary to the public interest—(1) Principles.* In reviewing a compensation structure or a compensation payment to determine whether it is inconsistent

with the purposes of section 111 of EESA or TARP or is otherwise contrary to the public interest, the Special Master shall apply the principles enumerated below. The principles are intended to be consistent with sound compensation practices appropriate for TARP recipients, and to advance the purposes and considerations described in EESA sections 2 and 103, including the maximization of overall returns to the taxpayers of the United States and providing stability and preventing disruptions to financial markets. The Special Master has discretion to determine the appropriate weight or relevance of a particular principle depending on the facts and circumstances surrounding the compensation structure or payment under consideration, such as whether a payment occurred in the past or is proposed for the future, the role of the employee within the TARP recipient, the situation of the TARP recipient within the marketplace and the amount and type of financial assistance provided. To the extent that two or more principles may appear inconsistent in a particular situation, the Special Master will determine the relative weight to be accorded each principle. In the case of any review of payments already made under paragraph (c)(2) of this section, or of any rights to bonuses, awards, or other compensation already granted, the Special Master shall apply these principles by considering the facts and circumstances at the time the compensation was granted, earned, or paid, as appropriate.

(i) *Risk.* The compensation structure should avoid incentives to take unnecessary or excessive risks that could threaten the value of the TARP recipient, including incentives that reward employees for short-term or temporary increases in value, performance, or similar measure that may not ultimately be reflected by an increase in the long-term value of the TARP recipient. Accordingly, incentive payments or similar rewards should be structured to be paid over a time horizon that takes into account the risk horizon so that the payment or reward reflects whether the employee's performance over the particular service

period has actually contributed to the long-term value of the TARP recipient.

(ii) *Taxpayer return.* The compensation structure, and amount payable where applicable, should reflect the need for the TARP recipient to remain a competitive enterprise, to retain and recruit talented employees who will contribute to the TARP recipient's future success, and ultimately to be able to repay TARP obligations.

(iii) *Appropriate allocation.* The compensation structure should appropriately allocate the components of compensation such as salary, short-term and long-term incentives, as well as the extent to which compensation is provided in cash, equity or other types of compensation such as executive pensions, other benefits, or perquisites, based on the specific role of the employee and other relevant circumstances, including the nature and amount of current compensation, deferred compensation, or other compensation and benefits previously paid or awarded. The appropriate allocation may be different for different positions and for different employees, but generally, in the case of an executive or other senior level position a significant portion of the overall compensation should be long-term compensation that aligns the interest of the employee with the interests of shareholders and taxpayers.

(iv) *Performance-based compensation.* An appropriate portion of the compensation should be performance-based over a relevant performance period. Performance-based compensation should be determined through tailored metrics that encompass individual performance and/or the performance of the TARP recipient or a relevant business unit taking into consideration specific business objectives. Performance metrics may relate to employee compliance with relevant corporate policies. In addition, the likelihood of meeting the performance metrics should not be so great that the arrangement fails to provide an adequate incentive for the employee to perform, and performance metrics should be measurable, enforceable, and actually enforced if not met. The appropriate allocation and the appropriate performance metrics may be different for dif-

ferent positions and for different employees, but generally a significant portion of total compensation should be performance-based compensation, and generally that portion should be greater for positions that exercise higher levels of responsibility.

(v) *Comparable structures and payments.* The compensation structure, and amount payable where applicable, should be consistent with, and not excessive, taking into account compensation structures and amounts for persons in similar positions or roles at similar entities that are similarly situated, including, as applicable, entities competing in the same markets and similarly situated entities that are financially distressed or that are contemplating or undergoing reorganization.

(vi) *Employee contribution to TARP recipient value.* The compensation structure, and amount payable where applicable, should reflect the current or prospective contributions of an employee to the value of the TARP recipient, taking into account multiple factors such as revenue production, specific expertise, compliance with company policy and regulation (including risk management), and corporate leadership, as well as the role the employee may have had with respect to any change in the financial health or competitive position of the TARP recipient.

(2) *Further guidance.* The Secretary reserves the discretion to modify or amend the foregoing principles through notice, announcement or other generally applicable guidance, provided that such guidance shall apply only prospectively from its date of publication and shall not provide a basis for reconsideration of a determination of the Special Master, except as the Special Master deems appropriate in light of such modification or amendment.

(c) *Special Master determinations*—(1) *Initial determinations.* The Special Master shall provide an initial determination in writing, within 60 days of the receipt of a substantially complete submission, setting forth the facts and analysis that formed the basis for the determination. The TARP recipient shall have 30 days to request in writing that the Special Master reconsider the initial determination. The request for

reconsideration must specify a factual error or relevant new information not previously considered, and must demonstrate that such error or lack of information resulted in a material error in the initial determination. The Special Master must provide a final determination in writing within 30 days, setting forth the facts and analysis that formed the basis for the determination. If a TARP recipient does not request reconsideration within 30 days, the initial determination shall be treated as a final determination.

(2) *Final determinations.* In the case of any final determination that the TARP recipient is required to receive, the final determination of the Special Master shall be final and binding and treated as the determination of the Treasury.

(3) *Advisory Opinions.* An advisory opinion of the Special Master shall not be binding upon any TARP recipient or employee, but may be relied upon by a TARP recipient or employee if the advisory opinion applies to the TARP recipient and the employee and the TARP recipient and employee comply in all respects with the advisory opinion.

(d) *Submissions to the Special Master—*

(1) *Submission procedures.* Submissions to the Special Master may be made under such procedures as the Special Master shall determine. The Special Master may reserve the right to request further information at any time and a submission shall not be treated as substantially complete unless the Special Master has so designated.

(2) *Disclosure procedures.* Materials submitted to the Special Master and the initial and final determinations of the Special Master are subject to disclosure under the standards provided in the Freedom of Information Act (FOIA, (5 U.S.C. 552 *et seq.*)). In addition, the final determinations of the Special Master shall be disclosed to the public. The Special Master shall promulgate procedures for ensuring that disclosed materials have been subject to appropriate redaction to protect personal privacy, privileged or confidential commercial or financial information or other appropriate redactions permissible under the FOIA, which may include a procedure for the person or en-

tity making the submission to request redactions and to review and request reconsideration of any proposed redactions before such redacted materials are released.

§ 30.17 Q-17: How do the effective date provisions apply with respect to the requirements under section 111 of EESA?

(a) *General rule.* The requirements under this part with respect to sections 111(b), 111(c), 111(d) and 111(f) are effective upon June 15, 2009. The guidance under this part with respect to those sections supersedes any previous guidance applicable to a TARP recipient to the extent that guidance is inconsistent with those requirements, but supersedes that guidance only as of June 15, 2009. To the extent previous contractual provisions are not inconsistent with ARRA or the guidance under this part, those contractual provisions remain in effect and continue to apply in accordance with their terms.

(b) *Bonus payment limitation.* The bonus payment limitation provision under § 30.10 (Q-10) of this part does not apply to bonus payments paid or accrued by TARP recipients or their employees before June 15, 2009. Certain bonus payments may relate to a service period beginning before and ending after June 15, 2009. In these circumstances, the employee will not be treated as having accrued the bonus payment on or after June 15, 2009 if the bonus payment is at least reduced to reflect the portion of the service period that occurs after June 15, 2009. If the employee is an SEO or most highly compensated employee at the time the net bonus payment after such reduction would otherwise be paid, the amount still may not be paid until such time as bonus payments to that employee are permitted.

§ 31.1 General.

This Part sets forth regulations to implement and administer the Emergency Economic Stabilization Act of 2008 (Pub. L. 110–343; 122 Stat 3765).

Subpart A [Reserved]

Subpart B—Conflicts of Interest

§ 31.200 Purpose and scope.

(a) *Purpose.* This regulation sets forth standards to address and manage or to prohibit conflicts of interest that may arise in connection with the administration and execution of the authorities under the Troubled Asset Relief Program (TARP), established under sections 101 and 102 of the Emergency Economic Stabilization Act of 2008 (EESA).

(b) *Scope.* This regulation addresses actual and potential conflicts of interest that may arise from contracts and financial agency agreements between private sector entities and the Treasury for services under the TARP, other than administrative services identified by TARP Chief Compliance Officer.

§ 31.201 Definitions.

As used in this part:

Arrangement means a contract or financial agency agreement between a private sector entity and the Treasury for services under the TARP, other than administrative services identified by the TARP Chief Compliance Officer.

EESA means the Emergency Economic Stabilization Act of 2008.

Key individual means an individual providing services to a private sector

entity who participates personally and substantially, through decision, approval, disapproval, recommendation, or the rendering of advice, in the negotiation or performance of, or monitoring for compliance under, the arrangement with the Treasury. For purposes of the definition of key individual, the words “personally and substantially” shall have the same meaning and interpretation as such words have in 5 CFR 2635.402(b)(4).

Management official means an individual within a retained entity’s organization who has substantial responsibility for the direction and control of the retained entity’s policies and operations. With respect to organizations that have a management committee or executive committee that has been given such responsibilities, this means the members of those committees and, if no such committee exists, this means each of the general partners.

Organizational conflict of interest means a situation in which the retained entity has an interest or relationship that could cause a reasonable person with knowledge of the relevant facts to question the retained entity’s objectivity or judgment to perform under the arrangement, or its ability to represent the Treasury. Without limiting the scope of this definition, organizational conflicts of interest may include the following situations:

(1) A prior or current arrangement between the Treasury and the retained entity that may give the retained entity an unfair competitive advantage in obtaining a new arrangement with Treasury.

(2) The retained entity is, or represents, a party in litigation against the Treasury relating to activities under the EESA.

(3) The retained entity provides services for Treasury relating to the acquisition, valuation, disposition, or management of troubled assets at the same time it provides those services for itself or others.

(4) The retained entity gains, or stands to gain, an unfair competitive advantage in private business arrangements or investments by using information provided under an arrangement or obtained or developed pursuant to an arrangement with Treasury.

(5) The retained entity is a potential candidate for relief under EESA, is currently participating in an EESA program, or has a financial interest that could be affected by its performance of the arrangement.

Personal conflict of interest means a personal, business, or financial interest of an individual, his or her spouse, minor child, or other family member with whom the individual has a close personal relationship, that could adversely affect the individual's ability to perform under the arrangement, his or her objectivity or judgment in such performance, or his or her ability to represent the interests of the Treasury;

Related entity means the parent company and subsidiaries of a retained entity, any entity holding a controlling interest in the retained entity, and any entity in which the retained entity holds a controlling interest.

Retained entity means the individual or entity seeking an arrangement with the Treasury or having such an arrangement with the Treasury, but does not include special government employees. A "retained entity" includes the subcontractors and consultants it hires to perform services under the arrangement.

Special government employee means any employee serving the Treasury with or without compensation for a period not to exceed 130 days during any 365-day period on a full-time or intermittent basis.

Treasury means the United States Department of the Treasury.

Treasury employee means an officer or employee of the Treasury, including a special government employee, or an employee of any other government agency who is properly acting on behalf of the Treasury.

Troubled assets means residential or commercial mortgages and any securities, obligations, or other instruments that are based on or related to such mortgages, that in each case originated or was issued on or before March 14, 2008; and any other financial instrument that the Secretary of the Treasury has determined, upon transmittal in writing to the appropriate committees of Congress, the purchase of which is necessary to promote financial market stability.

§ 31.211 Organizational conflicts of interest.

(a) *Retained entity's responsibility.* A retained entity working under an arrangement shall not permit an organizational conflict of interest unless the conflict has been disclosed to Treasury under this Section and mitigated under a plan approved by Treasury, or Treasury has waived the conflict. With respect to arrangements for the acquisition, valuation, management, or disposition of troubled assets, the retained entity shall maintain a compliance program designed to detect and prevent violations of federal securities laws and organizational conflicts of interest.

(b) *Information required about the retained entity.* As early as possible before entering an arrangement to perform services for Treasury under the EESA, a retained entity shall provide Treasury with sufficient information to evaluate any organizational conflicts of interest. The information shall include the following:

(1) The retained entity's relationship to any related entities.

(2) The categories of troubled assets owned or controlled by the retained entity and its related entities, if the arrangement relates to the acquisition, valuation, disposition, or management of troubled assets.

(3) Information concerning all other business or financial interests of the retained entity, its proposed subcontractors, or its related entities, which could conflict with the retained entity's obligations under the arrangement with Treasury.

(4) A description of all organizational conflicts of interest and potential conflicts of interest.

(5) A written detailed plan to mitigate all organizational conflicts of interest, along with supporting documents.

(6) Any other information or documentation about the retained entity, its proposed subcontractors, or its related entities that Treasury may request.

(c) *Plans to mitigate organizational conflicts of interest.* The steps necessary to mitigate a conflict may depend on a variety of factors, including the type of conflict, the scope of work under the

§ 31.212

arrangement, and the organizational structure of the retained entity. Some conflicts may be so substantial and pervasive that they cannot be mitigated. Retained entities should consider the following measures when designing a mitigation plan:

(1) Adopting, implementing, and enforcing appropriate information barriers to prevent unauthorized people from learning nonpublic information relating to the arrangement and isolate key individuals from learning how their performance under the arrangement could affect the financial interests of the retained entity, its clients, and related entities.

(2) Divesting assets that give rise to conflicts of interest.

(3) Terminating or refraining from business relationships that give rise to conflicts of interest.

(4) If consistent with the terms of the arrangement and permitted by Treasury, refraining from performing specific types of work under the arrangement.

(5) Any other steps appropriate under the circumstances.

(d) *Certification required.* When the retained entity provides the information required by paragraph (b) of this section, the retained entity shall certify that the information is complete and accurate in all material respects.

(e) *Determination required.* Prior to entering into any arrangement, the Treasury must conclude that no organizational conflict of interest exists that has not been adequately mitigated, or if a conflict cannot be adequately mitigated, that Treasury has expressly waived it. Once Treasury has approved a conflicts mitigation plan, the plan becomes an enforceable term under the arrangement.

(f) *Subsequent notification.* The retained entity has a continuing obligation to search for and to report any potential organizational conflict of interest. Within five (5) business days after learning of a potential organizational conflict of interest, the retained entity shall disclose the potential conflict of interest in writing to the TARP Chief Compliance Officer. The disclosure shall describe the steps it has taken or proposes to take to mitigate the poten-

31 CFR Subtitle A (7–1–10 Edition)

tial conflict or request a waiver from Treasury.

(g) *Periodic Certification.* No later than one year after the arrangement's effective date, and at least annually thereafter, the retained entity shall certify in writing that it has no organizational conflicts of interest, or explain in detail the extent to which it can certify, and describe the actions it has taken and plans to take to mitigate any conflicts. Treasury may require more frequent certifications, depending on the arrangement.

(h) *Retention of information.* A retained entity shall retain the information needed to comply with this section and to support the certifications required by this section for three (3) years following termination or expiration of the arrangement, and shall make that information available to Treasury upon request. Such retained information shall include, but is not limited to, written documentation regarding the factors the retained entity considered in its mitigation plan as well as written documentation addressing the results of the retained entities' periodic review of the mitigation plan.

§ 31.212 Personal conflicts of interest.

(a) *Retained entity's responsibility.* A retained entity shall ensure that all management officials performing work under the arrangement and key individuals have no personal conflicts of interest unless mitigation measures have neutralized the conflict, or Treasury has waived the conflict.

(b) *Information required.* Before management officials and key individuals begin work under an arrangement, a retained entity shall obtain information from each of them in writing about their personal, business, and financial relationships, as well as those of their spouses, minor children, and other family members with whom the individuals have a close personal relationship that would cause a reasonable person with knowledge of the relevant facts to question the individual's ability to perform, his or her objectivity or judgment in such performance, or his or her ability to represent the interests of the Treasury. When the arrangement concerns the acquisition, valuation, management, or disposition of troubled

assets, the information shall be no less extensive than that required of certain new federal employees under Office of Government Ethics Form 278. Treasury may extend the time necessary to meet these requirements in urgent and compelling circumstances.

(c) *Disqualification.* The retained entity shall disqualify persons with personal conflicts of interests from performing work pursuant to the arrangement unless mitigation measures have neutralized the conflict to the satisfaction of the TARP Chief Compliance Officer. The retained entity may seek a waiver from the TARP Chief Compliance Officer to allow an individual with a personal conflict of interest to work under the arrangement.

(d) *Initial Certification.* No later than ten business days after the effective date of the arrangement, the retained entity shall certify to the Treasury that all management officials and key individuals performing services under the arrangement have no personal conflicts of interest, or are subject to a mitigation plan or waiver approved by Treasury. In making this certification, the retained entity may rely on the information obtained pursuant to paragraph (b) of this section, unless the retained entity knows or should have known that the information provided is false or inaccurate. Treasury may extend the certification deadline in urgent and compelling circumstances.

(e) *Periodic Certification.* No later than one year after the arrangement's effective date, and at least annually thereafter, the retained entity shall renew the certification required by paragraph (d) of this section. The retained entity shall provide more frequent certifications to Treasury when requested.

(f) *Retained Entities' Responsibilities.* The retained entity shall adopt and implement procedures designed to discover, monitor, and report personal conflicts of interest on a continuous basis.

(g) *Subsequent notification.* Within five business days after learning of a personal conflict of interest, the retained entity shall notify Treasury of the conflict and describe the steps it has taken and will take in the future to neutralize the conflict.

(h) *Retention of information.* A retained entity shall retain the information needed to comply with this section and to support the certifications required by this section for three years following termination or expiration of the arrangement, and shall make that information available to Treasury upon request.

§ 31.213 General standards.

(a) During the time period in which a retained entity is seeking an arrangement and during the term of any arrangement, a retained entity, its officers and partners, and its employees shall not:

(1) Accept or solicit favors, gifts, or other items of monetary value from any individual or entity whom the retained entity, officer, partner, or employee knows is seeking official action from the Treasury in connection with the arrangement or has interests which may be substantially affected by the performance or nonperformance of duties to the Treasury under the arrangement.

(2) Improperly use or allow the improper use of Treasury property for the personal benefit of any individual or entity other than the Treasury.

(3) Make any unauthorized promise or commitment on behalf of the Treasury.

(b) Any individual who acts for or on behalf of the Treasury pursuant to an arrangement shall comply with 18 U.S.C. 201, which generally prohibits the direct or indirect acceptance by a public official of anything of value in return for being influenced in, or because of, an official act. Violators are subject to criminal penalties.

(c) Any individual or entity who provides information or makes a certification to the Treasury that is relating to services under EESA or required pursuant to 31 CFR Part 31 is subject to 18 U.S.C. 1001, which generally prohibits the making of any false or fraudulent statement to a federal officer. Upon receipt of information indicating that any individual or entity has violated any provision of title 18 of the

§31.214

U.S. Code or other provision of criminal law, Treasury shall refer such information to the Department of Justice and the Special Inspector General provided for under EESA.

(d) A retained entity shall disclose to the Special Inspector General provided for the TARP, or the Treasury Office of the Inspector General, any credible evidence, in connection with the designation, services, or closeout of the arrangement, that a management official, employee, or contractor of the retained entity has committed a violation of Federal criminal law involving fraud, conflict of interest, bribery, or gratuity violations found in Title 18 of the United States Code, or a violation of the civil False Claims Act (31 U.S.C. 3729-3733).

§31.214 Limitations on concurrent activities.

Treasury has determined that certain market activities by a retained entity during the arrangement are likely to cause impermissible conflicts of interest. Accordingly, the following restrictions shall apply unless waived pursuant to §31.215, or Treasury agrees in writing to specific mitigation measures.

(a) If the retained entity assists Treasury in the acquisition, valuation, management, or disposition of specific troubled assets, the retained entity, management officials performing work under the arrangement, and key individuals shall not purchase or offer to purchase such assets from Treasury, or assist anyone else in purchasing or offering to purchase such troubled assets from the Treasury, during the term of its arrangement.

(b) If the retained entity advises Treasury with respect to a program for the purchase of troubled assets, the retained entity, management officials performing work under the arrangement, and key individuals shall not, during the term of the arrangement, sell or offer to sell, or act on behalf of anyone with respect to a sale or offer to sell, any asset to Treasury under the terms of that program.

§31.215 Grant of waivers.

The TARP Chief Compliance Officer may waive a requirement under this

31 CFR Subtitle A (7-1-10 Edition)

Part that is not otherwise imposed by law when it is clear from the totality of the circumstances that a waiver is in the government's interest.

§31.216 Communications with Treasury employees.

(a) *Prohibitions.* During the course of any process for selecting a retained entity (including any process using non-competitive procedures), a retained entity participating in the process and its representatives shall not:

(1) Directly or indirectly make any offer or promise of future employment or business opportunity to, or engage directly or indirectly in any discussion of future employment or business opportunity with, any Treasury employee with personal or direct responsibility for that procurement.

(2) Offer, give, or promise to offer or give, directly or indirectly, any money, gratuity, or other thing of value to any Treasury employee, except as permitted by Government-Wide Ethics Rules, 5 CFR part 2635.

(3) Solicit or obtain from any Treasury employee, directly or indirectly, any information that is not public and was prepared for use by Treasury for the purpose of evaluating an offer, quotation, or response to enter into an arrangement.

(b) *Certification.* Before a retained entity enters a new arrangement, or accepts a modification to an existing arrangement, the retained entity must certify to the following:

(1) The retained entity is aware of the prohibitions of paragraph (a) of this section and, to the best of its knowledge after making reasonable inquiry, the retained entity has no information concerning a violation or possible violation of paragraph (a) of this section.

(2) Each officer, employee, and representative of the retained entity who participated personally and substantially in preparing and submitting a bid, offer, proposal, or request for modification of the arrangement has certified that he or she:

(i) Is familiar with and will comply with the requirements of paragraph (a) of this section; and

(ii) Has no information of any violations or possible violations of paragraph (a) of this section, and will report immediately to the retained entity any subsequently gained information concerning a violation or possible violation of paragraph (a) of this section.

§ 31.217 Confidentiality of information.

(a) *Nonpublic information defined.* Any information that Treasury provides to a retained entity under an arrangement, or that the retained entity obtains or develops pursuant to the arrangement, shall be deemed nonpublic until the Treasury determines otherwise in writing, or the information becomes part of the body of public information from a source other than the retained entity.

(b) *Prohibitions.* The retained entity shall not:

(1) Disclose nonpublic information to anyone except as required to perform the retained entity's obligations pursuant to the arrangement, or pursuant to a lawful court order or valid subpoena after giving prior notice to Treasury.

(2) Use or allow the use of any nonpublic information to further any private interest other than as contemplated by the arrangement.

(c) *Retained entity's responsibility.* A retained entity shall take appropriate measures to ensure the confidentiality of nonpublic information and to prevent its inappropriate use. The retained entity shall document these measures in sufficient detail to demonstrate compliance, and shall maintain this documentation for three years after the arrangement has terminated. The retained entity shall notify the TARP Chief Compliance Officer in writing within five business days of detecting a violation of the prohibitions in paragraph (b), above. The security measures required by this paragraph shall include:

(1) Security measures to prevent unauthorized access to facilities and storage containers where nonpublic information is stored.

(2) Security measures to detect and prevent unauthorized access to computer equipment and data storage devices that store or transmit nonpublic information.

(3) Periodic training to ensure that persons receiving nonpublic information know their obligation to maintain its confidentiality and to use it only for purposes contemplated by the arrangement.

(4) Programs to ensure compliance with federal securities laws, including laws relating to insider trading, when the arrangement relates to the acquisition, valuation, management, or disposition of troubled assets.

(5) A certification from each management official performing work under the arrangement and each key individual stating that he or she will comply with the requirements in section 31.217(b). The retained entity shall obtain this certification, in the form of a nondisclosure agreement, before a management official or key individual performs work under the arrangement, and then annually thereafter.

§ 31.218 Enforcement.

(a) Compliance with these rules concerning conflicts of interest is of the utmost importance. In the event a retained entity or any individual or entity providing information pursuant to 31 U.S.C. Part 31 violates any of these rules, Treasury may impose or pursue one or more of the following sanctions:

(1) Rejection of work tainted by an organizational conflict of interest or a personal conflict of interest and denial of payment for that work.

(2) Termination of the arrangement for default.

(3) Debarment of the retained entity for Federal government contracting and/or disqualification of the retained entity from future financial agency agreements.

(4) Imposition of any other remedy available under the terms of the arrangement or at law.

(5) In the event of violation of a criminal statute, referral to the Department of Justice for prosecution of the retained entity and/or its officers or employees. In such cases, the Department of Justice may make direct and derivative use of any statements and information provided by any entity, its representatives and employees or any individual, to the extent permitted by law.

Pt. 32

(b) To the extent Treasury has discretion in selecting or imposing a remedy, it will give significant consideration to a retained entity's prompt disclosure of any violation of these rules.

PART 32—PAYMENTS IN LIEU OF LOW INCOME HOUSING TAX CREDITS

AUTHORITY: Public Law 111-5.

§ 32.1 Timing of disbursements.

(a) State housing credit agencies that receive funds under section 1602 of Division B of the American Recovery and Reinvestment Tax Act of 2009 must make subawards to subawardees to finance the construction or acquisition and rehabilitation of low-income housing no later than December 31, 2010. Any funds that are not used to make subawards by December 31, 2010, must be returned to the Treasury by January 1, 2011.

(b) The requirement in subsection (a) above does not prevent State housing credit agencies from continuing to disburse funds to subawardees after December 31, 2010 provided:

(1) A subaward has been made to the subawardee on or before December 31, 2010;

(2) The subawardee has, by the close of 2010, paid or incurred at least 30 percent of the subawardee's total adjusted basis in land and depreciable property that is reasonably expected to be part of the low-income housing project; and

(3) Any funds not disbursed to the subawardee by December 31, 2011, must be returned to the Treasury by January 1, 2012.

§ 50.5

(2) *Limitations.* The Secretary is not authorized to certify an act as an act of terrorism if:

(i) The act is committed as part of the course of a war declared by the Congress (except with respect to any coverage for workers' compensation); or

(ii) property and casualty losses resulting from the act, in the aggregate, do not exceed \$5,000,000.

(3) *Judicial review precluded.* The Secretary's certification of an act of terrorism, or determination not to certify an act as an act of terrorism, is final and is not subject to judicial review.

(c)(1) *Affiliate* means, with respect to an insurer, any entity that controls, is controlled by, or is under common control with the insurer. An affiliate must itself meet the definition of insurer to participate in the Program.

(2) For purposes of paragraph (c)(1) of this section, an insurer has control over another insurer for purposes of the Program if:

(i) The insurer directly or indirectly or acting through one or more other persons owns, controls, or has power to vote 25 percent or more of any class of voting securities of the other insurer;

(ii) The insurer controls in any manner the election of a majority of the directors or trustees of the other insurer; or

(iii) The Secretary determines, after notice and opportunity for hearing, that an insurer directly or indirectly exercises a controlling influence over the management or policies of the other insurer, even if there is no control as defined in paragraph (c)(2)(i) or (c)(2)(ii) of this section.

(3) An insurer described in paragraph (c)(2)(i) or (c)(2)(ii) of this section is conclusively deemed to have control.

(4) For purposes of a determination of controlling influence under paragraph (c)(2)(iii) of this section, if an insurer is not described in paragraph (c)(2)(i) or (c)(2)(ii) of this section, the following rebuttable presumptions will apply:

(i) If an insurer controls another insurer under any State law, and at least one of the factors listed in paragraph (c) (4)(iv) of this section applies, there is a rebuttable presumption that the insurer that has control under State law exercises a controlling influence

31 CFR Subtitle A (7-1-10 Edition)

over the management or policies of the other insurer for purposes of paragraph (c)(2)(iii) of this section.

(ii) If an insurer provides 25 percent or more of another insurer's capital (in the case of a stock insurer), policyholder surplus (in the case of a mutual insurer), or corporate capital (in the case of other entities that qualify as insurers), and at least one of the factors listed in paragraph (c)(4)(iv) of this section applies, there is a rebuttable presumption that the insurer providing such capital, policyholder surplus, or corporate capital exercises a controlling influence over the management or policies of the receiving insurer for purposes of paragraph (c)(2)(iii) of this section.

(iii) If an insurer, at any time during a Program Year, supplies 25 percent or more of the underwriting capacity for that year to an insurer that is a syndicate consisting of a group including incorporated and individual unincorporated underwriters, and at least one of the factors in paragraph (c)(4)(iv) of this section applies, there is a rebuttable presumption that the insurer exercises a controlling influence over the syndicate for purposes of paragraph (c)(2)(iii) of this section.

(iv) If paragraphs (c)(4)(i) through (c)(4)(iii) of this section are not applicable, but two or more of the following factors apply to an insurer, with respect to another insurer, there is a rebuttable presumption that the insurer exercises a controlling influence over the management or policies of the other insurer for purposes of paragraph (c)(2)(iii) of this section:

(A) The insurer is one of the two largest shareholders of any class of voting stock;

(B) The insurer holds more than 35 percent of the combined debt securities and equity of the other insurer;

(C) The insurer is party to an agreement pursuant to which the insurer possesses a material economic stake in the other insurer resulting from a profit-sharing arrangement, use of common names, facilities or personnel, or the provision of essential services to the other insurer;

(D) The insurer is party to an agreement that enables the insurer to influence a material aspect of the management or policies of the other insurer;

(E) The insurer would have the ability, other than through the holding of revocable proxies, to direct the votes of more than 25 percent of the other insurer's voting stock in the future upon the occurrence of an event;

(F) The insurer has the power to direct the disposition of more than 25 percent of a class of voting stock of the other insurer in a manner other than a widely dispersed or public offering;

(G) The insurer and/or the insurer's representative or nominee constitute more than one member of the other insurer's board of directors; or

(H) The insurer or its nominee or an officer of the insurer serves as the chairman of the board, chairman of the executive committee, chief executive officer, chief operating officer, chief financial officer or in any position with similar policymaking authority in the other insurer.

(5) An insurer that is not described in paragraph (c)(2)(i) or (c)(2)(ii) of this section may request a hearing in which the insurer may rebut a presumption of controlling influence under paragraph (c)(4)(i) through (c)(4)(iv) of this section or otherwise request a determination of controlling influence by presenting and supporting its position through written submissions to Treasury, and in Treasury's discretion, through informal oral presentations, in accordance with the procedure in § 50.8.

(6) See § 50.55 of this part for determination of an insurer's affiliates for purposes of subpart F.

(d) *Aggregate Federal share of compensation* means the aggregate amount paid by Treasury for the Federal share of compensation for insured losses in a Program Year.

(e) *Assessment period* means a period, established by Treasury, during which policyholders of property and casualty insurance policies must pay, and insurers must collect, the Federal Terrorism Policy Surcharge for remittance to Treasury.

(f) *Direct earned premium* means direct earned premium for all commercial property and casualty insurance issued by any insurer for insurance against all

losses, including losses from an act of terrorism, occurring at the locations described in section 102(5)(A) and (B) of the Act.

(1) *State licensed or admitted insurers.* For a State licensed or admitted insurer that reports to the NAIC, direct earned premium is the premium information for commercial property and casualty insurance reported by the insurer on column 2 of the NAIC Exhibit of Premiums and Losses of the NAIC Annual Statement (commonly known as Statutory Page 14). (*See* definition of property and casualty insurance.)

(i) Premium information as reported to the NAIC should be included in the calculation of direct earned premiums for purposes of the Program only to the extent it reflects premiums for commercial property and casualty insurance issued by the insurer against losses occurring at the locations described in section 102(5)(A) and (B) of the Act.

(ii) Premiums for personal property and casualty insurance (insurance primarily designed to cover personal, family or household risk exposures, with the exception of insurance written to insure 1 to 4 family rental dwellings owned for the business purpose of generating income for the property owner), or premiums for any other insurance coverage that does not meet the definition of commercial property and casualty insurance, should be excluded in the calculation of direct earned premiums for purposes of the Program.

(iii) Personal property and casualty insurance coverage that includes incidental coverage for commercial purposes is primarily personal coverage, and therefore premiums may be fully excluded by an insurer from the calculation of direct earned premium. For purposes of the Program, commercial coverage is incidental if less than 25 percent of the total direct earned premium is attributable to commercial coverage. Commercial property and casualty insurance against losses occurring at locations other than the locations described in section 102(5)(A) and (B) of the Act, or other insurance

§ 50.5

coverage that does not meet the definition of commercial property and casualty insurance, but that includes incidental coverage for commercial risk exposures at such locations, is primarily not commercial property and casualty insurance, and therefore premiums for such insurance may also be fully excluded by an insurer from the calculation of direct earned premium. For purposes of this section, commercial property and casualty insurance for losses occurring at the locations described in section 102(5)(A) and (B) of the Act is incidental if less than 25 percent of the total direct earned premium for the insurance policy is attributable to coverage at such locations. Also for purposes of this section, coverage for commercial risk exposures is incidental if it is combined with coverages that otherwise do not meet the definition of commercial property and casualty insurance and less than 25 percent of the total direct earned premium for the insurance policy is attributable to the coverage for commercial risk exposures.

(iv) If a property and casualty insurance policy covers both commercial and personal risk exposures, insurers may allocate the premiums in accordance with the proportion of risk between commercial and personal components in order to ascertain direct earned premium. If a policy includes insurance coverage that meets the definition of commercial property and casualty insurance for losses occurring at the locations described in section 102(5)(A) and (B) of the Act, but also includes other coverage, insurers may allocate the premiums in accordance with the proportion of risk attributable to the components in order to ascertain direct earned premium.

(2) *Insurers that do not report to NAIC.* An insurer that does not report to the NAIC, but that is licensed or admitted by any State (such as certain farm or county mutual insurers), should use the guidance provided in paragraph (f)(1) of this section to assist in ascertaining its direct earned premium.

(i) Direct earned premium may be ascertained by adjusting data maintained by such insurer or reported by such insurer to its State regulator to

31 CFR Subtitle A (7-1-10 Edition)

reflect a breakdown of premiums for commercial and personal property and casualty exposure risk as described in paragraph (f)(1) of this section and, if necessary, re-stated to reflect the accrual method of determining direct earned premium versus direct premium.

(ii) Such an insurer should consider other types of payments that compensate the insurer for risk of loss (contributions, assessments, etc.) as part of its direct earned premium.

(3) *Certain eligible surplus line carrier insurers.* An eligible surplus line carrier insurer listed on the NAIC Quarterly Listing of Alien Insurers must ascertain its direct earned premium as follows:

(i) For policies that were in-force as of November 26, 2002, or entered into prior to January 1, 2003, direct earned premiums are to be determined with reference to the definition of property and casualty insurance and the locations described in section 102(5)(A) and (B) of the Act by allocating the appropriate portion of premium income for losses for property and casualty insurance at such locations. The same allocation methodologies contained within the NAIC's "Allocation of Surplus Lines and Independently Procured Insurance Premium Tax on Multi-State Risks Model Regulation" for allocating premium between coverage for property and casualty insurance for losses occurring at the locations described in section 102(5)(A) and (B) of the Act and all other coverage, to ascertain the appropriate percentage of premium income to be included in direct earned premium, may be used.

(ii) For policies issued after January 1, 2003, premium for insurance that meets the definition of property and casualty insurance for losses occurring at the locations described in section 102(5)(A) and (B) of the Act, must be priced separately by such eligible surplus line carriers.

(4) *Federally approved insurers.* A federally approved insurer under section 102(6)(A)(iii) of the Act should use a methodology similar to that specified for eligible surplus line carrier insurers in paragraph (f)(3) of this section to calculate its direct earned premium. Such calculation should be adjusted to

reflect the limitations on scope of insurance coverage under the Program (i.e., to the extent of federal approval of commercial property and casualty insurance in connection with maritime, energy or aviation activities).

(g) *Direct written premium* means the premium information for commercial property and casualty insurance as defined in paragraph (u) of this section that is included by an insurer in column 1 of the Exhibit of Premiums and Losses of the NAIC Annual Statement or in an equivalent reporting requirement. The Federal Terrorism Policy Surcharge is not included in amounts reported as direct written premium.

(h) *Discretionary recoupment amount* means such amount of the aggregate Federal share of compensation in excess of the mandatory recoupment amount that the Secretary has determined will be recouped pursuant to section 103(e)(7)(D) of the Act.

(i) *Federal Terrorism Policy Surcharge* means the amount established by Treasury under section 103(e)(8) of the Act which is imposed as a policy surcharge on property and casualty insurance policies, expressed as a percentage of the written premium.

(j) *Insurance marketplace aggregate retention amount* means an amount for a Program Year as set forth in section 103(e)(6) of the Act. For any Program Year beginning with 2008 through 2014, such amount is the lesser of \$27,500,000,000 and the aggregate amount, for all insurers, of insured losses from Program Trigger Events during the Program Year.

(k) *Insured loss.* (1) The term insured loss means any loss resulting from an act of terrorism (including an act of war, in the case of workers' compensation) that is covered by primary or excess property and casualty insurance issued by an insurer if the loss:

- (i) Occurs within the United States;
- (ii) Occurs to an air carrier (as defined in 49 U.S.C. 40102), to a United States flag vessel (or a vessel based principally in the United States, on which United States income tax is paid and whose insurance coverage is subject to regulation in the United States), regardless of where the loss occurs; or

(iii) Occurs at the premises of any United States mission.

(2)(i) A loss that occurs to an air carrier (as defined in 49 U.S.C. 40102), to a United States flag vessel, or a vessel based principally in the United States, on which United States income tax is paid and whose insurance coverage is subject to regulation in the United States, is not an insured loss under section 102(5)(B) of the Act unless it is incurred by the air carrier or vessel outside the United States.

(ii) An insured loss to an air carrier or vessel outside the United States under section 102(5)(B) of the Act does not include losses covered by third party insurance contracts that are separate from the insurance coverage provided to the air carrier or vessel.

(3) The term insured loss includes reasonable loss adjustment expenses, incurred by an insurer in connection with insured losses, that are allocated and identified by claim file in insurer records, including expenses incurred in the investigation, adjustment and defense of claims, but excluding staff salaries, overhead, and other insurer expenses that would have been incurred notwithstanding the insured loss.

(4) The term insured loss does not include:

- (i) Punitive or exemplary damages awarded or paid in connection with the Federal cause of action specified in section 107(a)(1) of the Act. The term "punitive or exemplary damages" means damages that are not compensatory but are an award of money made to a claimant solely to punish or deter; or
- (ii) Extra contractual damages awarded against, or paid by, an insurer; or
- (iii) Payments by an insurer in excess of policy limits.

(1) *Insurer* means any entity, including any affiliate of the entity, that meets the following requirements:

(1)(i) The entity must fall within at least one of the following categories:

(A) It is licensed or admitted to engage in the business of providing primary or excess insurance in any State, (including, but not limited to, State licensed captive insurance companies, State licensed or admitted risk retention groups, and State licensed or admitted farm and county mutuals), and,

§ 50.5

if a joint underwriting association, pooling arrangement, or other similar entity, then the entity must:

(1) Have gone through a process of being licensed or admitted to engage in the business of providing primary or excess insurance that is administered by the State's insurance regulator, which process generally applies to insurance companies or is similar in scope and content to the process applicable to insurance companies;

(2) Be generally subject to State insurance regulation, including financial reporting requirements, applicable to insurance companies within the State; and

(3) Be managed independently from other insurers participating in the Program;

(B) It is not licensed or admitted to engage in the business of providing primary or excess insurance in any State, but is an eligible surplus line carrier listed on the Quarterly Listing of Alien Insurers of the NAIC, or any successor to the NAIC;

(C) It is approved or accepted for the purpose of offering property and casualty insurance by a Federal agency in connection with maritime, energy, or aviation activity, but only to the extent of such federal approval of commercial property and casualty insurance coverage offered by the insurer in connection with maritime, energy, or aviation activity;

(D) It is a State residual market insurance entity or State workers' compensation fund; or

(E) As determined by the Secretary, it falls within any other class or type of captive insurer or other self-insurance arrangement by a municipality or other entity, to the extent provided in Treasury regulations issued under section 103(f) of the Act.

(ii) If an entity falls within more than one category described in paragraph (f)(1)(i) of this section, the entity is considered to fall within the first category within which it falls for purposes of the Program.

(2) The entity must receive direct earned premiums for any type of commercial property and casualty insurance coverage, except in the case of:

(i) State residual market insurance entities and State workers' compensa-

31 CFR Subtitle A (7-1-10 Edition)

tion funds, to the extent provided in Treasury regulations; and

(ii) Other classes or types of captive insurers and other self-insurance arrangements by municipalities and other entities, if such entities are included in the Program by Treasury under regulations in this Part.

(3) The entity must meet any other criteria as prescribed by Treasury.

(m) *Insurer deductible* means:

(1) For an insurer that has had a full year of operations during the calendar year immediately preceding the applicable Program Year:

(i) For the Transition Period (November 26, 2002 through December 31, 2002), the value of an insurer's direct earned premiums over calendar 2001, multiplied by 1 percent;

(ii) For Program Year 1 (January 1, 2003 through December 31, 2003), the value of an insurer's direct earned premiums over calendar year 2002, multiplied by 7 percent;

(iii) For Program Year 2 (January 1, 2004 through December 31, 2004), the value of an insurer's direct earned premiums over calendar year 2003, multiplied by 10 percent;

(iv) For Program Year 3 (January 1, 2005 through December 31, 2005), the value of an insurer's direct earned premiums over calendar year 2004, multiplied by 15 percent;

(v) For Program Year 4 (January 1, 2006 through December 31, 2006), the value of an insurer's direct earned premiums over calendar year 2005, multiplied by 17.5 percent;

(vi) For Program Year 5 (January 1, 2007 through December 31, 2007), or any Program Year thereafter, the value of an insurer's direct earned premiums over the calendar year immediately preceding that Program Year, multiplied by 20 percent; and

(2) For an insurer that has not had a full year of operations during the calendar year immediately preceding the applicable Program Year, the insurer deductible will be based on data for direct earned premiums for the applicable Program Year multiplied by the specified percentage for the insurer deductible for the applicable Program Year. If the insurer does not have a full year of operations during the applicable Program Year, the direct earned

premiums for the applicable Program Year will be annualized to determine the insurer deductible.

(n) *Mandatory recoupment amount* means the difference between the insurance marketplace aggregate retention amount for a Program Year and the uncompensated insured losses during such Program Year. The mandatory recoupment amount shall be zero, however, if the amount of such uncompensated insured losses is greater than the insurance marketplace aggregate retention amount.

(a) An insurer or insurers not having control over another insurer under § 50.5(c)(2)(i) or (c)(2)(ii) may make a written submission to Treasury to rebut a presumption of controlling influence under § 50.5(c)(4)(i) through (iv)

Office of the Secretary of the Treasury

or otherwise to request a determination of controlling influence. Such submissions shall be made to the Terrorism Risk Insurance Program Office, Department of the Treasury, Suite 2110, 1425 New York Ave NW, Washington, D.C. 20220. The submission should be entitled, "Controlling Influence Submission," and should provide the full name and address of the submitting insurer(s) and the name, title, address and telephone number of the designated contact person(s) for such insurer(s).

The determination shall set forth Treasury's basis for its determination.

(e) This § 50.8 supersedes the Interim Guidance issued by Treasury in a no-

(d) *Policies issued more than 90 days after the date of enactment.* For policies issued on or after February 25, 2003, the disclosure required by the Act must be made on a separate line item in the policy, at the time of offer, purchase, and renewal of the policy. For policies issued in late 2005 with coverage extending into 2006, see § 50.12(e)(2).

[68 FR 19306, Apr. 18, 2003, as amended at 71 FR 27570, May 11, 2006]

§ 50.11 Definition.

For purposes of this subpart, unless the context indicates otherwise, the term “disclosure” or “disclosures” refers to the disclosure described in section 103(b)(2) of the Act and § 50.10. The term “cap disclosure” refers to the disclosure required by section 103(b)(3) of the Act and § 50.15.

[73 FR 53364, Sept. 16, 2008]

§ 50.12 Clear and conspicuous disclosure.

(a) *General.* Whether a disclosure is clear and conspicuous depends on the totality of the facts and circumstances of the disclosure. See § 50.17 for model forms.

(b)(1) *Description of premium.* An insurer may describe the premium charged for insured losses covered by the Program as a portion or percentage of an annual premium, if consistent with standard business practice. An insurer may not describe the premium in a manner that is misleading in the context of the Program, such as by characterizing the premium as a “surcharge.”

(2) *Premium to reflect definition of act of terrorism.* If an insurer makes an initial offer of coverage, or offers to renew

31 CFR Subtitle A (7–1–10 Edition)

an existing policy on or after December 26, 2007, the disclosure provided to the policyholder must reflect the premium charged for insured losses covered by the Act, consistent with the definition of an act of terrorism as amended by the Terrorism Risk Insurance Program Reauthorization Act of 2007, Public Law 110–160, 121 Stat. 1839.

(c) *Method of disclosure.* An insurer may provide disclosures using normal business practices, including forms and methods of communication used to communicate similar policyholder information to policyholders.

(d) *Use of producer.* If an insurer normally communicates with a policyholder through an insurance producer or other intermediary, an insurer may provide disclosures through such producer or other intermediary. If an insurer elects to make the disclosures through an insurance producer or other intermediary, the insurer remains responsible for ensuring that the disclosures are provided by the insurance producer or other intermediary to policyholders in accordance with the Act.

(e) *Demonstration of compliance.* (1) An insurer may demonstrate that it has satisfied the requirement to provide clear and conspicuous disclosure as described in § 50.10 through use of appropriate systems and normal business practices that demonstrate a practice of compliance.

(2) If an insurer made available coverage for insured losses in a new policy or policy renewal in Program Year 3 for coverage becoming effective in Program Year 4, but did not provide a disclosure at the time of offer, purchase or renewal, then the insurer must be able to demonstrate to Treasury’s satisfaction that it has provided a disclosure as soon as possible following January 1, 2006.

(3) If an insurer made available coverage for insured losses in a new policy or policy renewal in 2007 or in the first three months of 2008 for coverage becoming effective in 2008, but did not provide a disclosure at the time of offer, purchase or renewal of the policy, then the insurer must be able to demonstrate to Treasury’s satisfaction that it has provided a disclosure as soon as possible following January 1, 2008.

(f) *Certification of compliance.* An insurer must certify that it has complied with the requirement to provide disclosure to the policyholder on all policies that form the basis for any claim that is submitted by an insurer for federal payment under the Program.

[68 FR 19306, Apr. 18, 2003, as amended at 68 FR 59727, Oct. 17, 2003; 71 FR 27570, May 11, 2006; 73 FR 53364, Sept. 16, 2008]

§ 50.13 Offer, purchase, and renewal.

An insurer is deemed to be in compliance with the requirement of providing disclosure “at the time of offer, purchase, and renewal of the policy” under § 50.10(c) and (d) if the insurer:

(a) Makes the disclosure no later than the time the insurer first formally offers to provide insurance coverage or renew a policy for a current policyholder; and

(b) Makes clear and conspicuous reference back to that disclosure, as well as the final terms of terrorism insurance coverage, at the time the transaction is completed.

§ 50.14 Separate line item.

An insurer is deemed to be in compliance with the requirement of providing disclosure on a “separate line item in the policy” under § 50.10(d) if the insurer makes the disclosure:

(a) On the declarations page of the policy;

(b) Elsewhere within the policy itself; or

(c) In any rider or endorsement, or other document that is made a part of the policy.

[68 FR 59727, Oct. 17, 2003]

§ 50.15 Cap disclosure.

(a) *General.* Under section 103(e)(2) of the Act, if the aggregate insured losses exceed \$100,000,000,000 during any Program Year, the Secretary shall not make any payment for any portion of the amount of such losses that exceeds \$100,000,000,000, and no insurer that has met its insurer deductible shall be liable for the payment of any portion of the amount of such losses that exceeds \$100,000,000,000.

(b) *Other requirements.* As a condition for federal payments under section 103(b) of the Act, in the case of any pol-

icy that is issued after December 26, 2007, an insurer must provide clear and conspicuous disclosure to the policyholder of the existence of the \$100,000,000,000 cap under section 103(e)(2). The cap disclosure must be made at the time of offer, purchase, and renewal of the policy.

(c) *Demonstration of compliance.* For policies issued after December 26, 2007, if an insurer does not provide a cap disclosure by the time of the first offer, purchase or renewal of the policy after December 26, 2007, then the insurer must be able to demonstrate to Treasury’s satisfaction that it has provided the disclosure as soon as possible following December 26, 2007.

(d) *Other applicable rules.* The rules in § 50.12(a), (c), (d), (e)(1), and (f) (relating to clear and conspicuous disclosure) and in § 50.13 (relating to offer, purchase, and renewal) apply to the cap disclosure.

[73 FR 53364, Sept. 16, 2008]

§ 50.17 Use of model forms.

(a) *Policies in force on the date of enactment.* (1) An insurer that is required to make the disclosure under § 50.10(b) and that makes no change in the existing premium, is deemed to be in compliance with the disclosure requirement if it uses NAIC Model Disclosure Form No. 2.

(2) An insurer that is required to make the disclosure under § 50.10(b) and that makes a change in the existing premium, is deemed to be in compliance with the disclosure requirement if it uses NAIC Model Disclosure Form No. 1. Such an insurer may also use the same NAIC Model Disclosure Form No. 1 to comply with the notice requirement of section 105(c) of the Act. *See* § 50.18.

(b) *Policies issued within 90 days of the date of enactment.* An insurer that is required to make the disclosure under § 50.10(c) is deemed to be in compliance with the disclosure requirement if it uses either NAIC Model Disclosure Form No. 1 or NAIC Model Disclosure Form No. 2, as long as the form used is modified as appropriate for the particular policy.

(c) *Policies issued more than 90 days after the date of enactment.* An insurer that is required to make the disclosure

§ 50.18

under § 50.10(d) may continue to use NAIC Model Disclosure Form No. 1 or NAIC Model Disclosure Form No. 2 if appropriate, or other disclosures that meet the requirements of §§ 50.10(a) and 50.14 may be developed.

(d) *Not exclusive means of compliance.* An insurer is not required to use NAIC Model Disclosure Form No. 1 or NAIC Model Disclosure Form No. 2 to satisfy the disclosure requirement. An insurer may use other means to comply with the disclosure requirement, as long as the disclosure comports with the requirements of the Act.

(e) *Cap disclosure.* An insurer may use NAIC Model Disclosure Form No. 1 or NAIC Model Disclosure Form No. 2 dated December 19, 2007, or as subsequently modified in accordance with paragraph (f) of this section, to satisfy the cap disclosure requirement, or another disclosure that meets the requirements of § 50.15 may be developed.

(f) *Definitions.* For purposes of this section, references to NAIC Model Disclosure Form No. 1 and NAIC Model Disclosure Form No. 2 refer to such forms as were in existence on April 18, 2003, or as subsequently modified by the NAIC, provided Treasury has stated that usage by insurers of the subsequently modified forms is deemed to satisfy the disclosure requirements of the Act and the insurer uses the most current forms that are available at the time of disclosure. These forms may be found on the Treasury Web site at <http://www.treasury.gov/trip>.

[68 FR 19306, Apr. 18, 2003, as amended at 71 FR 27570, May 11, 2006; 73 FR 53364, Sept. 16, 2008]

§ 50.18 Notice required by reinstatement provision.

(a) *Nullification of terrorism exclusion.* Any terrorism exclusion in a contract for property and casualty insurance that was in force on November 26, 2002, is void to the extent it excludes losses that would otherwise be insured losses.

(b) *Reinstatement of terrorism exclusion.* Notwithstanding paragraph (a) of this section, an insurer may reinstate a preexisting provision in a contract for property and casualty insurance that was in force on November 26, 2002, and that excludes coverage for an act of terrorism only if:

31 CFR Subtitle A (7–1–10 Edition)

(1) The insurer has received a written statement from the insured that affirmatively authorizes such reinstatement; or

(2) The insurer provided notice at least 30 days before any such reinstatement of the increased premium for such terrorism coverage and the rights of the insured with respect to such coverage, including the date upon which the exclusion would be reinstated if no payment is received, and the insured fails to pay any increased premium charged by the insurer for providing such terrorism coverage.

§ 50.19 General disclosure requirements for State residual market insurance entities and State worker's compensation funds.

(a) *Policies in force on October 17, 2003, or renewed or issued on or before January 15, 2004.* For policies in force on October 17, 2003, or renewed or issued on or before January 15, 2004, the disclosure required by section 103(b) of the Act as a condition for Federal payment is waived for those State residual market insurance entities and State workers' compensation funds that since November 26, 2002, have not provided disclosures to policyholders, until January 15, 2004, after which disclosures are to be made to policyholders for policies then in force and subsequently issued.

(b) *Residual Market Mechanism Disclosure.* A State residual market insurance entity or State workers' compensation fund may provide the disclosures required by this subpart B to policyholders using normal business practices, including forms and methods of communication used to communicate similar policyholder information to policyholders. The disclosures may be made by the State residual market insurance entity or State workers' compensation fund itself, the individual insurers that participate in the State residual market insurance entity or a State workers' compensation fund, or its servicing carriers. The ultimate responsibility for ensuring that the disclosure requirements have been met rests with the insurer filing a claim under the Program.

(c) *Other requirements.* Except as provided in this section, all other disclosure requirements set out in this subpart B apply to State residual insurance market entities and State workers' compensation funds.

(d) *Prior safe harbor superseded.* This section supersedes the disclosure safe harbor provisions found at paragraph C.4 of the Interim Guidance issued by Treasury in a notice published on December 18, 2002, and published at 67 FR 78864 (December 26, 2002).

Subpart C—Mandatory Availability

SOURCE: 68 FR 19307, Apr. 18, 2003, unless otherwise noted.

§ 50.20 General mandatory availability requirements.

(a) *Transition Period and Program Years 1 and 2—period ending December 31, 2004.* Under section 103(c) of the Act (unless the time is extended by the Secretary as provided in that section) during the period beginning on November 26, 2002 and ending on December 31, 2004 (the last day of Program Year 2), an insurer must:

(1) Make available, in all of its property and casualty insurance policies, coverage for insured losses; and

(2) Make available property and casualty insurance coverage for insured losses that does not differ materially from the terms, amounts, and other coverage limitations applicable to losses arising from events other than acts of terrorism.

(b) *Program Year 3—calendar year 2005.* In accordance with the determination of the Secretary announced June 18, 2004, an insurer must comply with paragraphs (a)(1) and (a)(2) of this section during Program Year 3.

(c) *Program Years 4 and 5—calendar years 2006 and 2007.* Under section 103(c) of the Act, an insurer must comply with paragraphs (a)(1) and (a)(2) of this section during Program Years 4 and 5.

(d) *Program Years thereafter.* Under section 103(c) of the Act, an insurer must comply with paragraphs (a)(1) and (a)(2) of this section during Program Years 2008 through 2014.

(e) *Beyond 2014.* Notwithstanding paragraph (a)(2) of this section and § 50.23(a), property and casualty insurance coverage for insured losses does not have to be made available beyond December 31, 2014, even if the policy period of insurance coverage for losses from events other than acts of terrorism extends beyond that date.

[71 FR 27570, May 11, 2006, as amended at 73 FR 53364, Sept. 16, 2008]

§ 50.21 Make available.

(a) *General.* The requirement to make available coverage as provided in § 50.20 applies to policies in existence on November 26, 2002, and new policies issued and renewals of existing policies during the period beginning on November 26, 2002 and ending on December 31, 2002, and in any Program Year thereafter. Except as provided in paragraph (c) of this section, the requirement applies at the time an insurer makes the initial offer of coverage as well as at the time an insurer makes an initial offer of renewal of an existing policy.

(b) *Offer consistent with amended definition of act of terrorism.* An insurer must make available coverage for insured losses in a policy of property and casualty insurance consistent with the definition of an act of terrorism as amended by the Terrorism Risk Insurance Program Reauthorization Act of 2007 beginning with the first initial offer of coverage or offer of renewal of the policy made on or after December 26, 2007. Notwithstanding this requirement, if an insurer makes an offer of coverage on or after December 26, 2007 on a policy that is in mid term, then the insurer must make available coverage for insured losses consistent with the definition of an act of terrorism.

(c) *Rules concerning extension of Program.* (1) *Special Program Year 4 requirement for certain new policies issued and renewals of existing policies in Program Year 3.* If coverage for insured losses under a policy of property and casualty insurance (as defined by the Act, as amended) expired as of December 31, 2005, but the remainder of coverage under the policy continued in force in Program Year 4, then an insurer must make available coverage as provided in § 50.20 for insured losses for the remaining portion of the policy term in the

§ 50.21

manner specified in paragraphs (e)(1) and (e)(2) of this section. This requirement does not apply if during Program Year 3 a policyholder declined an offer of coverage for insured losses made at the time of the initial offer of coverage or offer of renewal of the existing policy.

(2) *Special 2008 requirement for certain policies where coverage expired.* If coverage for insured losses under a policy of property and casualty insurance expired as of December 31, 2007, but the remainder of coverage under the policy continued in force in 2008, then an insurer must make available coverage as provided in § 50.20 for insured losses for the remaining portion of the policy term in the manner specified in paragraphs (e)(1) and (e)(4) of this section. However, if a policyholder declined an offer made by an insurer for such coverage expiring as of December 31, 2007, then the insurer is not required to make a new offer of coverage for insured losses before any offer of renewal.

(d) *Changes negotiated subsequent to initial offer.* If an insurer satisfies the requirement to “make available” coverage as described in § 50.20 by first making an offer with coverage for insured losses that does not differ materially from the terms, amounts, and other coverage limitations applicable to losses arising from events other than acts of terrorism, which the policyholder declines, the insurer may negotiate with the policyholder an option of partial coverage for insured losses at a lower amount of coverage if permitted by any applicable State law. An insurer is not required by the Act to offer partial coverage if the policyholder declines full coverage. See § 50.24.

(e) *Demonstrations of compliance.* (1) *No contract.* If an insurer makes an offer of insurance but no contract of insurance is concluded, the insurer may demonstrate that it has satisfied the requirement to make available coverage as described in § 50.20 through use of appropriate systems and normal business practices that demonstrate a practice of compliance.

(2) *Policy periods beginning in Program Year 3.* If an insurer must make available coverage for insured losses as re-

31 CFR Subtitle A (7–1–10 Edition)

quired by paragraph (c)(1) of this section for a policy whose coverage period began in Program Year 3 but extends into Program Year 4, then the insurer must be able to demonstrate to Treasury’s satisfaction that it has offered such coverage by January 1, 2006, or as soon as possible following that date.

(3) *Coverage becoming effective in Program Year 4.* If an insurer processed a new policy or policy renewal in Program Year 3 for coverage becoming effective in Program Year 4, but did not make available coverage for insured losses as required by § 50.20 by January 1, 2006, then the insurer must be able to demonstrate to Treasury’s satisfaction that it has provided an offer of coverage for insured losses as soon as possible following that date.

(4) *Coverage expired as of December 31, 2007.* If an insurer must make available coverage for insured losses under the circumstances described in paragraph (c)(2) of this section, the insurer must be able to demonstrate to Treasury’s satisfaction that it has offered such coverage as soon as possible following January 1, 2008.

(5) *Coverage becoming effective in 2008.* (i) *No coverage.* If an insurer processed a new policy or policy renewal in 2007 or in the first three months of 2008 for coverage becoming effective in 2008, but did not make available coverage for insured losses as required by § 50.20(a), then the insurer must be able to demonstrate to Treasury’s satisfaction that it has provided an offer of coverage for insured losses as soon as possible following January 1, 2008.

(ii) *Not consistent with amended definition of act of terrorism.* If an insurer made an initial offer of coverage or offer of renewal on or after December 26, 2007 for a policy term becoming effective in 2008, and made available coverage for insured losses, but the scope of the coverage for insured losses in the offer was not consistent with the definition of an act of terrorism as amended by the Terrorism Risk Insurance Program Reauthorization Act of 2007, then the insurer must be able to demonstrate to Treasury’s satisfaction

that it has provided a new offer of coverage as soon as possible following January 1, 2008. If an insurer made an initial offer of coverage or offer of renewal before December 26, 2007, for a policy term becoming effective in 2008, and the insurer made available coverage for insured losses in compliance with the Act and the definition of an act of terrorism in effect at the time of the offer, then the insurer is not required to make a new offer of coverage before the policy is due to be renewed by its terms, regardless of whether the offer was accepted or rejected.

[73 FR 53364, Sept. 16, 2008]

§ 50.23 No material difference from other coverage.

(a) *Terms, amounts, and other coverage limitations.* As provided in § 50.20(a)(2), an insurer must offer coverage for insured losses resulting from an act of terrorism that does not differ materially from the terms, amounts, and other coverage limitations (including deductibles) applicable to losses from other perils. For purposes of this requirement, “terms” excludes price.

(b) *Limitations on types of risk.* If an insurer does not cover all types of risks, then it is not required to cover the excluded risks in satisfying the requirement to make available coverage for losses resulting from an act of terrorism that does not differ materially from the terms, amounts, and other coverage limitations applicable to losses arising from events other than acts of terrorism. For example, if an insurer does not cover all types of risks, either because the insurer is outside of direct State regulatory oversight, or because a State permits certain exclusions for certain types of losses, such as nuclear, biological, or chemical events, then the insurer is not required to make such coverage available.

§ 50.24 Applicability of State law requirements.

(a) *General.* After satisfying the requirement to make available coverage for insured losses that does not differ materially from the terms, amounts, and other coverage limitations applicable to losses arising from events other

than acts of terrorism, if coverage is rejected an insurer may then offer coverage that is on different terms, amounts, or coverage limitations, as long as such an offer does not violate any applicable State law requirements.

(b) *Examples.* (1) If an insurer subject to State regulation first makes available coverage in accordance with § 50.20 and the State has a requirement that an insurer offer full coverage without any exclusion, then the requirement would continue to apply and the insurer may not subsequently offer less than full coverage or coverage with exclusions.

(2) If an insurer subject to State regulation first makes available coverage in accordance with § 50.20 and the State permits certain exclusions or allows for other limitations, or an insurance policy is not governed by State law requirements, then the insurer may subsequently offer limited coverage or coverage with exclusions.

Subpart D—State Residual Market Insurance Entities; Workers’ Compensation Funds

§ 50.30 General participation requirements.

(a) *Insurers.* As defined in § 50.5(f), all State residual market insurance entities and State workers’ compensation funds are insurers under the Program even if such entities do not receive direct earned premiums.

(b) *Mandatory Participation.* State residual market insurance entities and State workers’ compensation funds that meet the requirements of § 50.5(f) are mandatory participants in the Program subject to the rules issued in this Subpart.

(c) *Identification.* Treasury will release and maintain a list of State residual market insurance entities and State workers’ compensation funds at www.treasury.gov/trip. Procedures for providing comments and updates to that list will be posted with the list.

[68 FR 59720, Oct. 17, 2003]

§ 50.33

§ 50.33 Entities that do not share profits and losses with private sector insurers.

(a) *Treatment.* A State residual market insurance entity or a State workers' compensation fund that does not share profits and losses with a private sector insurer is deemed to be a separate insurer under the Program.

(b) *Premium calculation.* A State residual market insurance entity or a State workers' compensation fund that is deemed to be a separate insurer should follow the guidelines specified in § 50.5(d)(1) or 50.5(d)(2) for the purposes of calculating the appropriate measure of direct earned premium.

[68 FR 59720, Oct. 17, 2003]

§ 50.35 Entities that share profits and losses with private sector insurers.

(a) *Treatment.* A State residual market insurance entity or a State workers' compensation fund that shares profits and losses with a private sector insurer is not deemed to be a separate insurer under the Program.

(b) *Premium and loss calculation.* A State residual market insurance entity or a State workers' compensation fund that is not deemed to be a separate insurer should continue to report, in accordance with normal business practices, to each participant insurer its share of premium income and insured losses, which shall then be included respectively in the participant insurer's direct earned premium or insured loss calculations.

[68 FR 59720, Oct. 17, 2003]

§ 50.36 Allocation of premium income associated with entities that do share profits and losses with private sector insurers.

(a) *Servicing Carriers.* For purposes of this Subpart, a servicing carrier is an insurer that enters into an agreement to place and service insurance contracts for a State residual market insurance entity or a State workers' compensation fund and to cede premiums associated with such insurance contracts to the State residual market insurance entity or State workers' compensation fund. Premiums written by a servicing carrier on behalf of a State residual market insurance entity

31 CFR Subtitle A (7–1–10 Edition)

or State workers' compensation fund that are ceded to such an entity or fund shall not be included as direct earned premium (as described in § 50.5(d)(1) or 50.5(d)(2)) of the servicing carrier.

(b) *Participant Insurers.* For purposes of this Subpart, a participant insurer is an insurer that shares in the profits and losses of a State residual market insurance entity or a State workers' compensation fund. Premium income that is distributed to or assumed by participant insurers in a State residual market insurance entity or State workers' compensation fund (whether directly or as quota share insurers of risks written by servicing carriers), shall be included in direct earned premium (as described in § 50.5(d)(1) or 50.5(d)(2)) of the participant insurer.

Subpart E—Self-Insurance Arrangements; Captives [Reserved]

Subpart F—Claims Procedures

§ 50.50 Federal share of compensation.

(a) *General.* (1) The Treasury will pay the Federal share of compensation for insured losses as provided in section 103 of the Act once a Certification of Loss required by § 50.53 is deemed sufficient. The Federal share of compensation under the Program shall be:

(i) 90 percent of that portion of the insurer's aggregate insured losses that exceed its insurer deductible during each Program Year through Program Year 4, and

(ii) 85 percent of that portion of the insurer's aggregate insured losses that exceed its insurer deductible during Program Year 5 and any Program Year thereafter.

(2) The percentages in paragraphs (a)(1)(i) and (ii) are both subject to any adjustments in § 50.51 and the cap of \$100 billion as provided in section 103(e)(2) of the Act.

(b) *Program Trigger amounts.* Notwithstanding paragraph (a) or anything in this Subpart to the contrary, no Federal share of compensation will be paid by Treasury unless the aggregate industry insured losses resulting from a certified act of terrorism occurring

after March 31, 2006 exceed the following amounts:

(1) For a certified act of terrorism occurring after March 31, 2006 and before January 1, 2007: \$50 million;

(2) For a certified act of terrorism occurring in 2007 and any Program Year thereafter: \$100 million.

(c) *Insured losses after March 31, 2006.* For all purposes of subpart F, insured loss or insured losses or aggregate insured losses resulting from acts of terrorism after March 31, 2006 shall be limited to those insured losses resulting from Program Trigger events.

(d) *Conditions for payment of Federal share.* Subject to paragraph (e) of this section, Treasury shall pay the appropriate amount of the Federal share of compensation to an insurer upon a determination that:

(1) The insurer is an entity, including an affiliate thereof, that meets the requirements of § 50.5(f);

(2) The insurer's insured losses, as defined in § 50.5(e) and limited by § 50.50(c) (including the allocated dollar value of the insurer's proportionate share of insured losses from a State residual market insurance entity or State workers' compensation fund as described in § 50.35), have exceeded its insurer deductible as defined in § 50.5(g);

(3) The insurer has paid or is prepared to pay an underlying insured loss, based on a filed claim for the insured loss;

(4) Neither the insurer's claim for Federal payment nor any underlying claim for an insured loss is fraudulent, collusive, made in bad faith, dishonest or otherwise designed to circumvent the purposes of the Act and regulations;

(5) The insurer had provided a clear and conspicuous disclosure as required by §§ 50.10 through 50.19 and a cap disclosure as required by § 50.15;

(6) The insurer offered coverage for insured losses and the offer was accepted by the insured prior to the occurrence of the loss;

(7) The insurer took all steps reasonably necessary to properly and carefully investigate the underlying insured loss and otherwise processed the underlying insured loss using appropriate insurance business practices;

(8) The insured losses submitted for payment are within the scope of coverage issued by the insurer under the terms and conditions of the policies for commercial property and casualty insurance as defined in § 50.5(n); and

(9) The procedures specified in this Subpart have been followed and all conditions for payment have been met.

(e) *Adjustments.* Treasury may subsequently adjust, including requiring repayment of, any payment made under paragraph (d) of this section in accordance with its authority under the Act.

(f) *Suspension of payment for other insured losses.* Upon a determination by Treasury that an insurer has failed to meet any of the requirements for payment specified in paragraph (d) of this section for a particular insured loss, Treasury may suspend payment of the Federal share of compensation for all other insured losses of the insurer pending investigation and audit of the insurer's insured losses.

(g) *Aggregate industry losses.* Treasury will determine the amount of aggregate industry insured losses resulting from a certified act of terrorism. If such aggregate industry insured losses exceed the applicable Program Trigger amounts specified in paragraph (b) of this section, Treasury will publish notice in the FEDERAL REGISTER that the act of terrorism is a Program Trigger event.

[71 FR 27571, May 11, 2006, as amended at 73 FR 53365, Sept. 16, 2008]

§ 50.51 Adjustments to the Federal share of compensation.

(a) *Aggregate amount of insured losses.* The aggregate amount of insured losses of an insurer in a Program Year used to calculate the Federal share of compensation shall be reduced by any amounts recovered by the insurer as salvage or subrogation for its insured losses in the Program Year.

(b) *Amount of Federal share of compensation.* The Federal share of compensation shall be adjusted as follows:

(1) *No excess recoveries.* For any Program Year, the sum of the Federal share of compensation paid by Treasury to an insurer and the insurer's recoveries for insured losses from other sources shall not be greater than the insurer's aggregate amount of insured

§ 50.52

losses for acts of terrorism in that Program Year. Amounts recovered for insured losses in excess of an insurer's aggregate amount of insured losses in a Program Year shall be repaid to Treasury within 45 days after the end of the month in which total recoveries of the insurer, from all sources, become excess. For purposes of this paragraph, amounts recovered from a reinsurer pursuant to an agreement whereby the reinsurer's right to any excess recovery has priority over the rights of Treasury shall not be considered a recovery subject to repayment to Treasury.

(2) *Reduction of amount payable.* The Federal share of compensation for insured losses under the Program shall be reduced by the amount of other compensation provided by other Federal programs to an insured or a third party to the extent such other compensation duplicates the insurance indemnification for those insured losses.

(i) *Other Federal program compensation.* For purposes of this section, compensation provided by other Federal programs for insured losses means compensation that is provided by Federal programs established for the purpose of compensating persons for losses in the event of emergencies, disasters, acts of terrorism, or similar events. Compensation provided by Federal programs for insured losses excludes benefit or entitlement payments, such as those made under the Social Security Act, under laws administered by the Secretary of Veteran Affairs, railroad retirement benefit payments, and other similar types of benefit payments.

(ii) *Insurer due diligence.* Each insurer shall inquire of each of its policyholders, insureds, and claimants whether the person receiving insurance proceeds for an insured loss has received, expects to receive, or is entitled to receive compensation from another Federal program for the insured loss, and if so, the source and the amount of the compensation received or expected. The response, source, and such amounts shall be reported with each underlying claim on the bordereau specified in § 50.53(b)(1).

§ 50.52 Initial Notice of Insured Loss.

Each insurer shall submit to Treasury an Initial Notice of Insured Loss,

31 CFR Subtitle A (7-1-10 Edition)

on a form prescribed by Treasury, whenever the insurer's aggregate insured losses (including reserves for "incurred but not reported" losses) within a Program Year exceed an amount equal to 50 percent of the insurer's deductible as specified in § 50.5(g). Insurers are advised the form for the Initial Notice of Insured Loss will include an initial estimate of aggregate losses for the Program Year, the amount of the insurer deductible and an estimate of the Federal share of compensation for the insurer's aggregate insured losses. In the case of an affiliated group of insurers, the form for the Initial Notice of Insured Loss will include the name and address of a single designated insurer within the affiliated group that will serve as the single point of contact for the purpose of providing loss and compliance certifications as required in § 50.53 and for receiving, disbursing, and distributing payments of the Federal share of compensation in accordance with § 50.54. An insurer, at its option, may elect to include with its Initial Notice of Insured Loss the certification of direct earned premium required by § 50.53(b)(3).

§ 50.53 Loss certifications.

(a) *General.* When an insurer has paid aggregate insured losses that exceed its insurer deductible, the insurer may make claim upon Treasury for the payment of the Federal share of compensation for its insured losses. The insurer shall file an Initial Certification of Loss, on a form prescribed by Treasury, and thereafter such Supplementary Certifications of Loss, on a form prescribed by Treasury, as may be necessary to receive payment for the Federal share of compensation for its insured losses.

(b) *Initial Certification of Loss.* An insurer shall use its best efforts to file with the Program the Initial Certification of Loss within 45 days following the last calendar day of the month when an insurer has paid aggregate insured losses that exceed its insurer deductible. The Initial Certification of Loss will include the following:

(1) A bordereau, on a form prescribed by Treasury, that includes basic information about each underlying insured loss. For purposes of this section, a

“bordereau” is a report of basic information about an insurer’s underlying claims that, in the aggregate, constitute the insured losses of the insurer. The bordereau will include, but may not be limited to:

(i) A listing of each underlying insured loss by catastrophe code and line of business;

(ii) The total amount of reinsurance recovered from other sources;

(iii) A calculation of the aggregate insured losses sustained by the insurer above its insurer deductible for the Program Year; and

(iv) The amount the insurer claims as the Federal share of compensation for its aggregate insured losses.

(2) A certification that the insurer is in compliance with the provisions of section 103(b) of the Act and this part, including certifications that:

(i) The underlying insured losses listed on the bordereau filed pursuant to § 50.53(b)(1) either: Have been paid by the insurer; or will be paid by the insurer upon receipt of an advance payment of the Federal share of compensation as soon as possible, consistent with the insurer’s normal business practices, but not longer than five business days after receipt of the Federal share of compensation;

(ii) The underlying claims for insured losses were filed by persons who suffered an insured loss, or by persons acting on behalf of such persons;

(iii) The underlying claims for insured losses were processed in accordance with appropriate business practices and the procedures specified in this subpart;

(iv) The insurer has complied with the disclosure requirements of §§ 50.10 through 50.19, and the cap disclosure requirement of § 50.15, for each underlying insured loss that is included in the amount of the insurer’s aggregate insured losses; and

(v) The insurer has complied with the mandatory availability requirements of §§ 50.20 through 50.24.

(3) A certification of the amount of the insurer’s “direct earned premium” as defined in § 50.5(d), together with the calculation of its “insurer deductible” as defined in § 50.5(g) (provided this certification was not submitted previously

with the Initial Notice of Insured Loss specified in § 50.52).

(4) A certification that the insurer will disburse payment of the Federal share of compensation in accordance with this subpart.

(5) A certification that if Treasury has determined a *Pro rata* Loss Percentage (PRLP) (see § 50.92), the insurer has complied with applying the PRLP to insured loss payments, where required.

(c) *Supplementary Certification of Loss.* If the total amount of the Federal share of compensation due an insurer for insured losses under the Act has not been determined at the time an Initial Certification of Loss has been filed, the insurer shall file monthly, or on a schedule otherwise determined by Treasury, Supplementary Certifications of Loss updating the amount of the Federal share of compensation owed for the insurer’s insured losses. Supplementary Certifications of Loss will include the following:

(1) A bordereau described in § 50.53(b)(1); and

(2) A certification as described in § 50.53(b)(2).

(d) *Supplementary information.* In addition to the information required in paragraphs (b) and (c) of this section, Treasury may require such additional supporting documentation as required to ascertain the Federal share of compensation for the insured losses of any insurer.

(e) *State Residual Market Insurance Entities and State Workers’ Compensation Funds.* A State residual market insurance entity or State workers’ compensation fund described in § 50.35 shall provide the Certifications of Loss described in §§ 50.53(b) and 50.53(c) for all its insured losses to each participating insurer at the time it provides the allocated dollar value of the participating insurer’s proportionate share of insured losses. In addition, at such time the State residual market insurance entity or State workers’ compensation fund shall provide the certification described in § 50.53(b)(2) to Treasury. Participating insurers shall treat the allocated dollar value of their proportionate share of insured losses from a State residual market insurance entity or State workers’ compensation fund

§ 50.54

as an insured loss for the purpose of their own reporting to Treasury in seeking the Federal share of compensation.

[68 FR 9811, Feb. 28, 2003, as amended at 73 FR 53365, Sept. 16, 2008; 74 FR 66067, Dec. 14, 2009]

§ 50.54 Payment of Federal share of compensation.

(a) *Timing.* Treasury will promptly pay to an insurer the Federal share of compensation due the insurer for its insured losses. Payment shall be made in such installments and on such conditions as determined by the Treasury to be appropriate. Any overpayments by Treasury of the Federal share of compensation will be offset from future payments to the insurer or returned to Treasury within 45 days.

(b) *Payment process.* Payment of the Federal share of compensation for insured losses will be made to the insurer designated on the Initial Notice of Loss required by § 50.52. An insurer that requests payment of the Federal share of compensation for insured losses must receive payment through electronic funds transfer. The insurer must establish either an account for reimbursement as described in paragraph (c) of this section (if the insurer only seeks reimbursement) or a segregated account as described in paragraph (d) of this section (if the insurer seeks advance payments or a combination of advance payments and reimbursement). Applicable procedures will be posted at www.treasury.gov/trip or otherwise will be made publicly available.

(c) *Account for reimbursement.* An insurer shall designate an account for the receipt of reimbursement of the Federal share of compensation at an institution eligible to receive payments through the Automated Clearing House (ACH) network.

(d) *Segregated account for advance payments.* An insurer that seeks advance payments of the Federal share of compensation as certified according to § 50.53(b)(2)(i)(B) shall establish an interest-bearing segregated account into which Treasury will make advance payments as well as reimbursements to the insurer.

(1) *Definition of segregated account.* For purposes of this section, a seg-

31 CFR Subtitle A (7-1-10 Edition)

regated account is an interest-bearing separate account established by an insurer at a financial institution eligible to receive payments through the ACH network. Such an account is limited to the purposes of:

(i) Receiving payments of the Federal share of compensation;

(ii) Disbursing payments to insureds and claimants; and

(iii) Transferring payments to the insurer or affiliated insurers for insured losses reported on the bordereau as already paid.

(2) *Remittance of interest.* All interest earned on advance payments in the segregated account must be remitted at least quarterly to Treasury's Office of Financial Management or as otherwise prescribed in applicable procedures.

(e) *Denial or withholding of advance payment.* Treasury may deny or withhold advance payments of the Federal share of compensation to an insurer if Treasury determines that the insurer has not properly disbursed previous advances of the Federal share of compensation or otherwise has not complied with the requirements for advance payment as provided in this subpart.

(f) *Affiliated group.* In the case of an affiliated group of insurers, Treasury will make payment of the Federal share of compensation for the insured losses of the affiliated group to the insurer designated in the Initial Notice of Insured Loss to receive payment on behalf of the affiliated group. The designated insurer receiving payment from Treasury must distribute payment to affiliated insurers in a manner that ensures that each insurer in the affiliated group is compensated for its share of insured losses, taking into account a reasonable and fair allocation of the group deductible among affiliated insurers. Upon payment of the Federal share of compensation to the designated insurer, Treasury's payment obligation to the insurers in the affiliated group with respect to any insured losses covered on the applicable bordereau is discharged to the extent of the payment.

§ 50.55 Determination of Affiliations.

For the purposes of subpart F, an insurer's affiliates for any Program Year shall be determined by the circumstances existing on the date of occurrence of the act of terrorism that is the first act of terrorism in a Program Year to be certified by the Secretary for that Program Year. Provided, however, if such act of terrorism occurs after March 31, 2006, the act of terrorism must also be a Program Trigger event to determine affiliations as provided in this section.

[71 FR 27572, May 11, 2006]

Subpart G—Audit and Investigative Procedures

§ 50.60 Audit authority.

The Secretary of the Treasury, or an authorized representative, shall have, upon reasonable notice, access to all books, documents, papers and records of an insurer that are pertinent to amounts paid to the insurer as the Federal share of compensation for insured losses, or pertinent to any Federal Terrorism Policy Surcharge that is imposed pursuant to subpart H of this part, for the purpose of investigation, confirmation, audit and examination.

[74 FR 66058, Dec. 14, 2009]

§ 50.61 Recordkeeping.

(a) Each insurer that seeks payment of a Federal share of compensation under subpart F of this part shall retain such records as are necessary to fully disclose all material matters pertinent to insured losses and the Federal share of compensation sought under the Program, including, but not limited to, records regarding premiums and insured losses for all commercial property and casualty insurance issued by the insurer and information relating to any adjustment in the amount of the Federal share of compensation payable. Insurers shall maintain detailed records for not less than five (5) years from the termination dates of all reinsurance agreements involving commercial property and casualty insurance subject to the Act. Records relating to premiums shall be retained and available for review for not less than three

(3) years following the conclusion of the policy year. Records relating to underlying claims shall be retained for not less than five (5) years following the final adjustment of the claim.

(b) Each insurer that collects a Federal Terrorism Policy Surcharge as required by subpart H of this part shall retain records related to such Surcharge, including records of the property and casualty insurance premiums subject to the Surcharge, the amount of the Surcharge imposed on each policy, aggregate Federal Terrorism Policy Surcharges collected, and aggregate Federal Terrorism Policy Surcharges remitted to Treasury during each assessment period. Such records shall be retained and kept available for review for not less than three (3) years following the conclusion of the assessment period or settlement of accounts with Treasury, whichever is later.

Subpart H—Recoupment and Surcharge Procedures

SOURCE: 74 FR 66059, Dec. 14, 2009, unless otherwise noted.

§ 50.70 Mandatory and discretionary recoupment.

(a) Pursuant to section 103 of the Act, the Secretary shall impose, and insurers shall collect, such Federal Terrorism Policy Surcharges as needed to recover 133 percent of the mandatory recoupment amount for any Program Year.

(b) In the Secretary's discretion, the Secretary may recover any portion of the aggregate Federal share of compensation that exceeds the mandatory recoupment amount through a Federal Terrorism Policy Surcharge based on the factors set forth in section 103(e)(7)(D) of the Act.

(c) If the Secretary is required to impose a Federal Terrorism Policy Surcharge as provided in paragraph (a) of this section, then the required amounts, based on the extent to which payments for the Federal share of compensation have been made by the collection deadlines in section 103(e)(7)(E) of the Act, shall be collected in accordance with such deadlines:

§ 50.71

(1) For any act of terrorism that occurs on or before December 31, 2010, the Secretary shall collect all required amounts by September 30, 2012;

(2) For any act of terrorism that occurs between January 1 and December 31, 2011, the Secretary shall collect 35 percent of any required amounts by September 30, 2012, and the remainder by September 30, 2017; and

(3) For any act of terrorism that occurs on or after January 1, 2012, the Secretary shall collect all required amounts by September 30, 2017.

§ 50.71 Determination of recoupment amounts.

(a) If payments for the Federal share of compensation have been made for a Program Year, and Treasury determines that insured loss information is sufficiently developed and credible to serve as a basis for calculating recoupment amounts, Treasury will make an initial determination of any mandatory or discretionary recoupment amounts for that Program Year.

(b)(1) Within 90 days after certification of an act of terrorism, the Secretary shall publish in the FEDERAL REGISTER an estimate of aggregate insured losses which shall be used as the basis for initially determining whether mandatory recoupment will be required.

(2) If at any time Treasury projects that payments for the Federal share of compensation will be made for a Program Year, and that in order to meet the collection timing requirements of section 103(e)(7)(E) of the Act it is necessary to use an estimate of such payments as a basis for calculating recoupment amounts, Treasury will make an initial determination of any mandatory recoupment amounts for that Program Year.

(c) Following the initial determination of recoupment amounts for a Program Year, Treasury will recalculate any mandatory or discretionary recoupment amount as necessary and appropriate, and at least annually, until a final recoupment amount for the Program Year is determined. Treasury will compare any recalculated recoupment amount to amounts already remitted and/or to be

31 CFR Subtitle A (7–1–10 Edition)

remitted to Treasury for a Federal Terrorism Policy Surcharge previously established to determine whether any additional amount will be recouped by Treasury.

(d) For the purpose of determining initial or recalculated recoupment amounts, Treasury may issue a data call to insurers for insurer deductible and insured loss information by Program Year. Treasury's determination of the aggregate amount of insured losses from Program Trigger Events of all insurers for a Program Year will be based on the amounts reported in response to a data call and any other information Treasury in its discretion considers appropriate. Submission of data in response to a data call shall be on a form promulgated by Treasury.

§ 50.72 Establishment of Federal Terrorism Policy Surcharge.

(a) Treasury will establish the Federal Terrorism Policy Surcharge based on the following factors and considerations:

(1) In the case of a mandatory recoupment amount, the requirement to collect 133 percent of that amount;

(2) The total dollar amount to be recouped as a percentage of the latest available annual aggregate industry direct written premium information;

(3) The adjustment factors for terrorism loss risk-spreading premiums described in section 103(e)(8)(D) of the Act;

(4) The annual 3 percent limitation on terrorism loss risk-spreading premiums collected on a discretionary basis as provided in section 103(e)(8)(C) of the Act;

(5) A preferred minimum initial assessment period of one full year and subsequent extension periods in full year increments;

(6) The collection timing requirements of section 103(e)(7)(E) of the Act;

(7) The likelihood that the amount of the Federal Terrorism Policy Surcharge may result in the collection of an aggregate recoupment amount in excess of the planned recoupment amount; and

(8) Such other factors as the Secretary considers important.

(b) The Federal Terrorism Policy Surcharge shall be the obligation of

the policyholder and is payable to the insurer with the premium for a property and casualty insurance policy in effect during the assessment period established by Treasury. See § 50.74(c).

§ 50.73 Notification of recoupment.

(a) Treasury will provide notifications of recoupment through publication of notices in the FEDERAL REGISTER or in another manner Treasury deems appropriate, based upon the circumstances of the act of terrorism under consideration.

(b) Treasury will provide reasonable advance notice to insurers of any initial Federal Terrorism Policy Surcharge effective date. This effective date shall be January 1, unless such date would not provide for sufficient notice of implementation while meeting the collection timing requirements of section 103(e)(7)(E) of the Act.

(c) Treasury will provide reasonable advance notice to insurers of any modification or cessation of the Federal Terrorism Policy Surcharge.

(d) Treasury will provide notification to insurers annually as to the continuation of the Federal Terrorism Policy Surcharge.

§ 50.74 Collecting the Surcharge.

(a) Insurers shall collect a Federal Terrorism Policy Surcharge from policyholders as required by Treasury.

(b) Policies subject to the Federal Terrorism Policy Surcharge are those for which direct written premium is reported on commercial lines of business on the NAIC's Exhibit of Premiums and Losses of the NAIC Annual Statement (commonly known as Statutory Page 14) as provided in § 50.5(u)(1), or equivalently reported.

(c) For policies subject to the Federal Terrorism Policy Surcharge, the Surcharge shall be imposed and collected on a written premium basis for policies that incept or renew during the assessment period. All new, renewal, mid-term, and audit premiums for a policy term are subject to the Surcharge in effect on the policy term effective date. Notwithstanding this paragraph, if the premium for a policy term that would otherwise be subject to the Surcharge is revised after the end of the reporting period described in § 50.75(e), then any

additional premium attributable to such revision is not subject to the Surcharge. For purposes of this subpart:

(1) Written premium basis means the premium amount charged a policyholder by an insurer for property and casualty insurance as defined in § 50.5(u), including all premiums, policy expense constants and fees defined as premium pursuant to the Statements of Statutory Accounting Principles established by the National Association of Insurance Commissioners, as adopted by the state for which the premium will be reported.

(2) In the case of a policy providing multiple insurance coverages, if an insurer cannot identify the premium amount charged a policyholder specifically for property and casualty insurance under the policy, then:

(i) If the insurer estimates that the portion of the premium amount charged for coverage other than property and casualty insurance is *de minimis* to the total premium for the policy, the insurer may impose and collect from the policyholder a Surcharge amount based on the total premium for the policy, but

(ii) If the insurer estimates that the portion of the premium amount charged for coverage other than property and casualty insurance is not *de minimis*, the insurer shall impose and collect from the policyholder a Surcharge amount based on a reasonable estimate of the premium amount for the property and casualty insurance coverage under the policy.

(3) The Federal Terrorism Policy Surcharge is not considered premium.

(d) A policyholder must pay the applicable Federal Terrorism Policy Surcharge when due. The insurer shall have such rights and remedies to enforce the collection of the Surcharge that are the equivalent to those that exist under applicable state or other law for nonpayment of premium.

(e) When an insurer returns an unearned premium, or otherwise refunds premium to a policyholder, it shall also return any Federal Terrorism Policy Surcharge collected that is attributable to the refunded premium. Notwithstanding this paragraph, if the written premium for a policy is revised

§ 50.75

and refunded after the end of the reporting period described in § 50.75(e), then the insurer is not required to refund any Surcharge that is attributable to the refunded premium.

(f) Notwithstanding paragraphs (a), (b), and (c) of this section, if the expense of collecting the Federal Terrorism Policy Surcharge from all policyholders of an insurer during an assessment period exceeds the amount of the Surcharges anticipated to be collected, such insurer may satisfy its obligation to collect by omitting actual collection and instead remitting to Treasury the amount otherwise due.

(g) The Federal Terrorism Policy Surcharge is repayment of Federal financial assistance in an amount required by law. No fee or commission shall be charged on the Federal Terrorism Policy Surcharge.

§ 50.75 Remitting the surcharge.

(a) Each insurer shall provide a statement of direct written premium and Federal Terrorism Policy Surcharge to Treasury on a monthly basis, starting with the first month within the assessment period, through November of the calendar year and on an annual basis as of the last month of the calendar year. Reporting will be on a form prescribed by Treasury and will be due according to the following schedule:

(1) For each month beginning in the first month of the assessment period through November, the last business day of the calendar month following the month for which premium is reported, and

(2) March 1 for the calendar year.

(b) The monthly statements provided to Treasury will include the following:

(1) Cumulative calendar year direct written premium adjusted for premium not subject to the Federal Terrorism Policy Surcharge, summarized by policy year.

(2) The aggregate Federal Terrorism Policy Surcharge amount calculated by applying the established Surcharge percentage to the insurer's adjusted direct written premium by policy year.

(3) Insurer certification of the submission.

(c) The annual statements to be provided to Treasury will include the following:

31 CFR Subtitle A (7-1-10 Edition)

(1) Direct written premium as defined in § 50.5(g), adjusted for premium not subject to the Federal Terrorism Policy Surcharge, summarized by policy year and by commercial line of insurance as specified in § 50.5(u).

(2) The aggregate Federal Terrorism Policy Surcharge amount calculated by applying the established Surcharge percentage to the insurer's adjusted direct written premium by policy year.

(3) In the case of an insurer that has chosen not to collect the Federal Terrorism Policy Surcharge from its policyholders as provided in § 50.74(f), a certification that the expense of collecting the Surcharge during the assessment period would have exceeded the amount of the Surcharges collected over the assessment period.

(4) Insurer certification of the submission.

(d) The calculated aggregate Federal Terrorism Policy Surcharge amount, as described in paragraphs (b)(2) and (c)(2) of this section, shall be remitted to Treasury upon submission of each monthly and annual statement. Through its submitted statements, an insurer obtains credit for a refund of any Federal Terrorism Policy Surcharge previously remitted to Treasury that was subsequently returned by the insurer to a policyholder as attributable to refunded premium under § 50.74(e). A negative calculated amount in a monthly or annual statement indicates payment from Treasury is due to the insurer.

(e) Reporting shall continue for the one-year period following the end of the assessment period established by Treasury, unless otherwise permitted by Treasury.

§ 50.76 Insurer responsibility.

For purposes of the collection, reporting and remittance of Federal Terrorism Policy Surcharges to Treasury, an "insurer," as defined in § 50.5(1), shall not include any affiliate of the insurer.

Subpart I—Federal Cause of Action; Approval of Settlements

SOURCE: 69 FR 44941, July 28, 2004, unless otherwise noted.

§ 50.80 Federal cause of action and remedy.

(a) *General.* If the Secretary certifies an act as an act of terrorism pursuant to section 102 of the Act, there shall exist a Federal cause of action for property damage, personal injury, or death arising out of or resulting from such act of terrorism, pursuant to section 107 of the Act, which shall be the exclusive cause of action and remedy for claims for property damage, personal injury, or death arising out of or relating to such act of terrorism, except as provided in paragraph (c) of this section.

(b) *Effective period.* The exclusive Federal cause of action and remedy described in paragraph (a) of this section shall exist only for causes of action for property damage, personal injury, or death that arise out of or result from acts of terrorism that occur or occurred during the effective period of the Program.

(c) *Rights not affected.* Nothing in section 107 of the Act or this Subpart shall in any way:

(1) Limit the liability of any government, organization, or person who knowingly participates in, conspires to commit, aids and abets, or commits any act of terrorism;

(2) Affect any party's contractual right to arbitrate a dispute; or

(3) Affect any provision of the Air Transportation Safety and System Stabilization Act (Pub. L. 107-42; 49 U.S.C. 40101 note).

§ 50.81 State causes of action preempted.

All State causes of action of any kind for property damage, personal injury, or death arising out of or resulting from an act of terrorism that are otherwise available under State law are preempted, except that, pursuant to section 107(b) of the Act, nothing in this section shall limit in any way the liability of any government, organization, or person who knowingly participates in, conspires to commit, aids and abets, or commits the act of terrorism certified by the Secretary.

§ 50.82 Advance approval of settlements.

(a) *Mandatory submission of settlements for advance approval.* An insurer shall submit to Treasury for advance approval any proposed agreement to settle or compromise any Federal cause of action for property damage, personal injury, or death, asserted by a third-party or parties against an insured, involving an insured loss, all or part of the payment of which the insurer intends to submit as part of its claim for Federal payment under the Program, when:

(1) Any portion of the proposed settlement amount that is attributable to an insured loss or losses involving personal injury or death in the aggregate is \$2 million or more per third-party claimant, regardless of the number of causes of action or insured losses being settled; or

(2) Any portion of the proposed settlement amount that is attributable to an insured loss or losses involving property damage (including loss of use) in the aggregate is \$10 million or more per third-party claimant, regardless of the number of causes of action or insured losses being settled.

(b) *Discretionary review of other settlements.* Notwithstanding paragraph (a), Treasury may require that an insurer submit for review and advance approval any proposed agreement to settle or compromise any Federal cause of action for property damage, personal injury, or death, asserted by a third-party or parties against an insured, involving an insured loss, all or part of the payment of which the insurer intends to submit as part of its claim for Federal payment under the Program where the settlement amounts are below the applicable monetary thresholds identified in paragraphs (a)(1) and (2) of this section.

(c) *Factors.* In determining whether to approve a proposed settlement, Treasury will consider the nature of the loss, the facts and circumstances surrounding the loss, and other factors such as whether:

(1) The proposed settlement compensates for a third-party's loss, the liability for which is an insured loss under the terms and conditions of the underlying commercial property and

§ 50.83

casualty insurance policy, as certified by the insurer pursuant to § 50.83(d)(2);

(2) Any amount of the proposed settlement is attributable to punitive or exemplary damages intended to punish or deter (whether or not specifically so described as such damages);

(3) The settlement amount offsets amounts received from the United States pursuant to any other Federal program;

(4) The settlement amount does not include any items such as fees and expenses of attorneys, experts, and other professionals that have caused the insured losses under the underlying commercial property and casualty insurance policy to be overstated; and

(5) Any other criteria that Treasury may consider appropriate, depending on the facts and circumstances surrounding the settlement, including the information contained in § 50.83.

(d) *Settlement without seeking advance approval or despite disapproval.* If an insurer settles a cause of action or agrees to the settlement of a cause of action without submitting the proposed settlement for Treasury's advance approval in accordance with paragraph (a) or (b) of this section, and in accordance with § 50.83 or despite Treasury's disapproval of the proposed settlement, the insurer will not be entitled to include the paid settlement amount (or portion of the settlement amount, to the extent partially disapproved) in its aggregate insured losses for purposes of calculating the Federal share of compensation of its insured losses, unless the insurer can demonstrate, to the satisfaction of Treasury, extenuating circumstances.

§ 50.83 Procedure for requesting approval of proposed settlements.

(a) *Submission of notice.* Insurers must request advance approval of a proposed settlement by submitting a notice of the proposed settlement and other required information in writing to the Terrorism Risk Insurance Program Office or its designated representative. The address where notices are to be submitted will be available at <http://www.treasury.gov/trip> following any certification of an act of terrorism pursuant to section 102(1) of the Act.

31 CFR Subtitle A (7-1-10 Edition)

(b) *Complete notice.* Treasury will review requests for advance approval and determine whether additional information is needed to complete the notice.

(c) *Treasury response or deemed approval.* Within 30 days after Treasury's receipt of a complete notice, or as extended in writing by Treasury, Treasury may issue a written response and indicate its partial or full approval or rejection of the proposed settlement. If Treasury does not issue a response within 30 days after Treasury's receipt of a complete notice, unless extended in writing by Treasury, the request for advance approval is deemed approved by Treasury. Any settlement is still subject to review under the claim procedures pursuant to § 50.50.

(d) *Notice format.* A notice of a proposed settlement should be entitled, "Notice of Proposed Settlement—Request for Approval," and should provide the full name and address of the submitting insurer and the name, title, address, and telephone number of the designated contact person. An insurer must provide all relevant information, including the following, as applicable:

(1) A brief description of the insured's underlying claim, the insured's loss, the amount of the claim, the operative policy terms, defenses to coverage, and all damages sustained;

(2) A certification by the insurer that the settlement is for a third-party's loss the liability for which is an insured loss under the terms and conditions of the underlying commercial property and casualty insurance policy;

(3) An itemized statement of all damages by category (*i.e.*, actual, economic and non-economic loss, punitive damages, etc.);

(4) A statement from the insurer or its attorney in support of the settlement.;

(5) The total dollar amount of the proposed settlement;

(6) Indication as to whether the settlement was negotiated by counsel;

(7) The amount to be paid that will compensate for any items such as fees and expenses of attorneys, experts, and other professionals for their services and expenses related to the insured loss and/or settlement and the net amount

Office of the Secretary of the Treasury

§ 50.92

to be received by the third-party after such payment;

(8) The amount received from the United States pursuant to any other Federal program for compensation of insured losses related to an act of terrorism;

(9) The proposed terms of the written settlement agreement, including release language and subrogation terms;

(10) If requested by Treasury, other relevant agreements, including:

(i) Admissions of liability or insurance coverage;

(ii) Determinations of the number of occurrences under a commercial property and casualty insurance policy;

(iii) The allocation of paid amounts or amounts to be paid to certain policies, or to specific policy, coverage and/or aggregate limits; and

(iv) Any other agreement that may affect the payment or amount of the Federal share of compensation to be paid to the insurer;

(11) A statement indicating whether the proposed settlement has been approved by the Federal court or is subject to such approval and whether such approval is expected or likely; and

(12) Such other information that is related to the insured loss as may be requested by Treasury that it deems necessary to evaluate the proposed settlement.

§ 50.84 Subrogation.

An insurer shall not waive its rights of subrogation under its property and casualty insurance policy and preserve the subrogation right of the United States as provided by section 107(c) of the Act by not taking any action that would prejudice the United States' right of subrogation.

§ 50.85 Amendment related to settlement approval.

Section 107(a)(6) of the Act, added December 22, 2005, provides that procedures and requirements established by the Secretary under § 50.82 (as in effect on the date of issuance of that section in final form) shall apply to any cause of action described in section 107(a)(1) of the Act.

Subpart J—Cap on Annual Liability

SOURCE: 74 FR 66067, Dec. 14, 2009, unless otherwise noted.

§ 50.90 Cap on annual liability.

Pursuant to Section 103 of the Act, if the aggregate insured losses exceed \$100,000,000,000 during any Program Year:

(a) The Secretary shall not make any payment for any portion of the amount of such losses that exceeds \$100,000,000,000;

(b) No insurer that has met its insurer deductible shall be liable for the payment of any portion of the amount of such losses that exceeds \$100,000,000,000; and

(c) The Secretary shall determine the *pro rata* share of insured losses to be paid by each insurer that incurs insured losses under the Program.

§ 50.91 Notice to Congress.

Pursuant to section 103(e)(3) of the Act, the Secretary shall provide an initial notice to Congress within 15 days of the certification of an act of terrorism, stating whether the Secretary estimates that aggregate insured losses will exceed \$100,000,000,000 for the Program Year in which the event occurs. Such initial estimate shall be based on insured loss amounts as compiled by insurance industry statistical organizations and any other information the Secretary in his or her discretion considers appropriate. The Secretary shall also notify Congress if estimated or actual aggregate insured losses exceed \$100,000,000,000 during any Program Year.

§ 50.92 Determination of *pro rata* share.

(a) *Pro rata loss percentage (PRLP)* is the percentage determined by the Secretary to be applied by an insurer against the amount that would otherwise be paid by the insurer under the terms and conditions of an insurance policy providing property and casualty insurance under the Program if there were no cap on annual liability under section 103(e)(2)(A) of the Act.

§ 50.93

(b) Except as provided in paragraph (e) of this section, if Treasury estimates that aggregate insured losses may exceed the cap on annual liability for a Program Year, then Treasury will determine a PRLP. The PRLP applies to insured loss payments by insurers for insured losses incurred in the subject Program Year, as specified in § 50.93, from the effective date of the PRLP, as established by Treasury, until such time as Treasury provides notice that the PRLP is revised. Treasury will determine the PRLP based on the following considerations:

(1) Estimates of insured losses from insurance industry statistical organizations;

(2) Any data calls issued by Treasury (see § 50.94);

(3) Expected reliability and accuracy of insured loss estimates and likelihood that insured loss estimates could increase;

(4) Estimates of insured losses and expenses not included in available statistical reporting;

(5) Such other factors as the Secretary considers important.

(c) Treasury shall provide notice of the determination of the PRLP through publication in the FEDERAL REGISTER, or in another manner Treasury deems appropriate, based upon the circumstances of the act of terrorism under consideration.

(d) As appropriate, Treasury will determine any revision to a PRLP based on the same considerations listed in paragraph (b) of this section, and will provide notice for its application to insured loss payments.

(e) If Treasury estimates based on an initial act of terrorism or subsequent act of terrorism within a Program Year that aggregate insured losses may exceed the cap on annual liability, but an appropriate PRLP cannot yet be determined, Treasury will provide notification advising insurers of this circumstance and, after consulting with the relevant State authorities, may initiate the action described in either paragraph (e)(1) or (e)(2) of this section.

(1) Call a hiatus in insurer loss payments for insured losses of up to two weeks. In such a circumstance, Treasury will determine a PRLP as quickly as possible. The PRLP, as later deter-

31 CFR Subtitle A (7-1-10 Edition)

mined, will be effective retroactively as of the start of the hiatus. Any insured losses submitted in support of an insurer's claim for the Federal share of compensation will be reviewed for the insurer's compliance with *pro rata* payments in accordance with the effective date of the PRLP.

(2) Determine an interim PRLP. (i) An interim PRLP is an amount determined without the availability of information necessary for consideration of all factors listed in § 50.92(b). It is a conservatively low percentage amount determined in order to facilitate initial partial claim payments by insurers after an act of terrorism and prior to the time that information becomes available to determine a PRLP based on consideration of the factors listed in § 50.92(b).

(ii) In such a circumstance, Treasury will determine a PRLP to replace the interim PRLP as quickly as possible. The PRLP, as later determined, will be effective retroactively as of the effective date of the interim PRLP. Any insured losses submitted in support of an insurer's claim for the Federal share of compensation will be reviewed for the insurer's compliance with *pro rata* payments in accordance with the effective date of the interim PRLP, or as later replaced by the PRLP as appropriate.

§ 50.93 Application of *pro rata* share.

An insurer shall apply the PRLP to determine the *pro rata* share of each insured loss to be paid by the insurer on all insured losses where there is not an agreement on a complete and final settlement as evidenced by a signed settlement agreement or other means reviewable by a third party as of the effective date established by Treasury. Payments based on the application of the PRLP and determination of the *pro rata* share satisfy the insurer's liability for payment under the Program. Application of the PRLP and the determination of the *pro rata* share are the exclusive means for calculating the amount of insured losses for Program purposes. The *pro rata* share is subject to the following:

(a) The *pro rata* share is determined based on the estimated or actual final claim settlement amount that would otherwise be paid.

(b) *All policies.* If partial payments have already been made as of the effective date of the PRLP, then the *pro rata* share for that loss is the greater of the amount already paid as of the effective date of the PRLP or the amount computed by applying the PRLP to the estimated or actual final claim settlement amount that would otherwise be paid.

(c) *Certain workers' compensation insurance policies.* If an insurer's payments under a workers' compensation policy cumulatively exceed the amount computed by applying the PRLP to the estimated or actual final claim settlement amount that would otherwise be paid because such estimated or actual final settlement amount is reduced from a previous estimate, then the insurer may request a review and adjustment by Treasury in the calculation of the Federal share of compensation. In requesting such a review, the insurer must submit information to supplement its Certification of Loss demonstrating a reasonable estimate invalidated by unexpected conditions differing from prior assumptions including, but not limited to, an explanation and the basis for the prior assumptions.

(d) If an insurer has not yet made payments in excess of its insurer deductible, the rules in this paragraph apply.

(1) If the insurer estimates that it *will* exceed its insurer deductible making payments based on the application of the PRLP to its insured losses, then the insurer shall apply the PRLP as of the effective date specified in § 50.92(b).

(2)(i) If the insurer estimates that it *will not* exceed its insurer deductible making payments based on the application of the PRLP to its insured losses, then the insurer may make payments on the same basis as prior to the effective date of the PRLP. The insurer may also make payments on the basis of applying some other *pro rata* amount it determines that is greater than the PRLP, where the insurer estimates that application of such other *pro rata* amount will result in it not exceeding its insurer deductible. The insurer remains liable for losses in accordance with § 50.95(c).

(ii) If an insurer estimates that it will not exceed its insurer deductible and has made payments on the basis provided in (2)(i), but thereafter reaches its insurer deductible, then the insurer shall apply the PRLP to any remaining insured losses. When such an insurer submits a claim for the Federal share of compensation, the amount of the insurer's losses will be deemed to be the amount it would have paid if it had applied the PRLP as of the effective date, and the Federal share of compensation will be calculated on that amount. However, an insurer may request an exception if it can demonstrate that its estimate was invalidated as a result of insured losses from a subsequent act of terrorism.

§ 50.94 Data call authority.

For the purpose of determining initial or recalculated PRLPs, Treasury may issue a data call to insurers for insured loss information. Submission of data in response to a data call shall be on a form promulgated by Treasury.

§ 50.95 Final amount.

(a) Treasury shall determine if, as a final proration, remaining insured loss payments, as well as adjustments to previous insured loss payments, can be made by insurers based on an adjusted PLRP, and aggregate insured losses still remain within the cap on annual liability. In such a circumstance, Treasury will notify insurers as to the final PRLP and its application to insured losses.

(b) If paragraph (a) of this section applies, Treasury may require, as part of the insurer submission for the Federal share of compensation for insured losses, a supplementary explanation regarding how additional payments will be provided on previously settled insured losses.

(c) An insurer that has prorated its insured losses, but that has not met its insurer deductible, remains liable for loss payments that in the aggregate bring the insurer's total insured loss payments up to an amount equal to the lesser of its insured losses without proration or its insurer deductible.

(i) A reference to and specific identification of the Initial Notice of Assessment involved;

(ii) The full name of the person against whom the Initial Notice of Assessment has been made;

(2) The written response must admit or deny each violation of §92.13 set

forth in the Initial Notice of Assessment. Any violation not specifically denied will be presumed to be admitted. Where a violation is denied, the respondent shall specifically set forth the legal or factual basis upon which the allegation is denied. If the basis of the written response is that the respondent is not the person responsible for the alleged violation, the written response must set forth sufficient information to allow the examining and assessing officials to determine the truth of such an assertion. The written response should include any and all documents and other information that the respondent believes should be a part of the administrative record on the matter.

(b) *Time.* (1) Except as provided in paragraph (b)(2) of this section, any written response made under this section must be submitted not later than 30 days after the date of the Initial Notice of Assessment.

(2) If a request for documents or other evidence is made pursuant to § 92.15(d)(4), the written response must be submitted not later than 20 days after the date of the United States Mint's response to the request.

(3)(i) In computing the number of days allowed for filing a written response under this paragraph, the first day counted is the day after the date of the Initial Notice of Assessment is issued. If the last date on which the response is required to be filed by this paragraph is a Saturday, Sunday or Federal holiday, the response will be due on the next business day after that date.

(ii) If a response is transmitted by United States mail, it will be deemed timely filed if postmarked on or before the due date.

(4) The examining official may extend the period for making a written response under paragraphs (b)(1) and (b)(2) of this section for up to ten days for good cause shown. Requests for extensions beyond ten days must be approved by the assessing official and must be based on good cause shown. Generally, failure to obtain representation in a timely manner will not be considered good cause.

(c) *Filing.* The response may be sent by personal delivery, United States

mail or commercial delivery. A written response transmitted by means other than United States mail will be considered filed on the date received at the address specified in the Initial Notice of Assessment.

(d) *Review and Recommendation.* The examining official will fully consider the facts and arguments submitted by the respondent in the written response, any other documents filed by the respondent pursuant to this subpart, and the evidence in the United States Mint's record on the matter. If the respondent waives the right to submit a written response in accordance with § 92.15(d)(1), or declines to submit a written response by the end of the 30-day response period, the examining official will fully consider the evidence in the United States Mint's record on the matter.

(1) In fully considering the matter, the examining official will not consider any evidence introduced into the record by the United States Mint after the date of the Initial Notice of Assessment unless and until the respondent has been notified that such additional evidence will be considered, and has had an opportunity to request, review and comment on such evidence.

(2) The examining official will prepare a concise report, addressed to the assessing official, which will contain the following:

(i) The entire administrative record on the matter, including all information provided in or with a written response timely filed by the respondent and any additional information provided pursuant to § 92.15(e)(2), as well as all evidence upon which the Initial Notice of Assessment was based, and any additional evidence as provided for in § 92.16(d)(1).

(ii) A finding, based on the preponderance of the evidence, as to each alleged violation specified in the Initial Notice of Assessment;

(iii) For each violation that the examining official determines to have occurred, a recommendation as to the appropriate amount of a civil penalty to be imposed which, upon additional consideration of the evidence, may be the same as, more than, or less than the amount initially proposed by the examining official pursuant to § 92.15. In

§92.17

31 CFR Ch. I (7-1-10 Edition)

making this recommendation, the examining official will consider all relevant factors including, but not limited to, the following:

- (A) The scope of the misuse;
 - (B) The purpose and/or nature of the misuse;
 - (C) The extent of the harm caused by the misuse;
 - (D) The circumstances of the misuse;
 - (E) The commercial benefit intended to be derived from the misuse; and
 - (F) The repeated nature of the misuse.
- (iv) If the examining official determines that a violation has occurred, a proposed Final Notice of Assessment that incorporates his or her findings and recommendations.

(v) Any additional information or considerations that the assessing officer should consider in a decision whether to issue a Final Notice of Assessment under §92.17.

§92.17 Final action.

(a) In making a final determination whether to impose a penalty, the assessing official shall take into consideration the entire report prepared by the examining official. Although the assessing official should accord appropriate weight to the findings and recommendations of the examining official, the assessing official is not bound by them. The assessing official may approve, disapprove, modify, or substitute any or all of the examining official's findings and recommendations if, in his or her judgment, the evidence in the record supports such a decision. The assessing official will determine whether:

- (1) The facts warrant a conclusion that no violation has occurred; or
 - (2)(i) The facts warrant a conclusion that one or more violations have occurred; and
 - (ii) The facts and violations found justify the conclusion that a civil penalty should be imposed.
- (b) If the assessing official determines that no violation has occurred, the official shall promptly send a letter indicating that determination to the person served with an Initial Notice of Assessment and to any designated representative of such person.

(c) If the assessing official determines that a violation has occurred:

- (1) The assessing official shall issue a Final Notice of Assessment to the person served with an Initial Notice of Assessment and to any designated representative of such person.
- (2) The assessing official may, in his or her discretion:
 - (i) Impose a civil penalty;
 - (ii) Not impose a civil penalty; or
 - (iii) Impose a civil penalty and suspend the payment of all or some of the civil penalty, conditioned on the violator's future compliance with 31 U.S.C. 333.
- (3) If a civil penalty is imposed under §92.17(c)(2)(i) or (iii), the assessing official shall determine the appropriate amount of the penalty in accordance with 31 U.S.C. 333(c)(2). In determining the amount of a civil penalty, the assessing official will consider relevant factors including, but not limited to, the following:

- (i) The scope of the misuse;
- (ii) The purpose and/or nature of the misuse;
- (iii) The extent of the harm caused by the misuse;
- (iv) The circumstances of the misuse;
- (v) The commercial benefit intended to be derived from the misuse; and
- (vi) The repeated nature of the misuse.

(4) The Final Notice of Assessment shall:

- (i) Include the following:
 - (A) A specific reference to each provision of §92.13 found to have been violated;
 - (B) A concise statement of the facts supporting a conclusion that each violation has occurred;
 - (C) An analysis of how the facts and each violation justifies the conclusion that a civil penalty should be imposed; and
 - (D) The amount of each civil penalty imposed and a statement as to how the amount of each penalty was determined; and
- (ii) Inform the person of the following:
 - (A) Payment of a civil penalty imposed by the Final Notice of Assessment must be made within 30 days of the date of the notice;

Monetary Offices, Treasury

§ 100.2

(B) Payment of a civil penalty imposed by the Final Notice of Assessment shall be paid by EFT in accordance with instructions provided in the notice, unless the assessing official has given written approval to have payment made by other means;

(C) If payment of a civil penalty imposed by the Final Notice of Assessment has been suspended on the condition that the person comply in the future with 31 U.S.C. 333 and this subpart, the failure by the person to so comply will make the civil penalty payable on demand;

(D) If a civil penalty is not paid within 30 days of the date of the Final Notice of Assessment (or on demand under paragraph (c)(3)(ii)(D) of this section), a civil action to collect the penalty or enforce compliance may be commenced at any time within two years of the date of the Final Notice of Assessment; and

(E) Any civil penalty imposed by the Final Notice of Assessment may be subject to judicial review in accordance with 5 U.S.C. 701 *et seq.*

§92.18 Judicial review.

A Final Notice of Assessment issued under the procedures in this subpart may be subject to judicial review pursuant to 5 U.S.C. 701 *et seq.*

§100.2 Scope of regulations; transactions effected through Federal Reserve banks and branches; distribution of coin and currencies.

The regulations in this part govern the exchange of the coin and paper currency of the United States (including national bank notes and Federal Reserve bank notes in process of retirement and Federal Reserve notes). Under authorization in the Act approved May 29, 1920, 41 Stat. 655 (31 U.S.C. 476), the Secretary of the Treasury transferred to the Federal Reserve banks and branches the duties and functions performed by the former Assistant Treasurers of the United States in connection with the exchange of paper currency and coin of the United States. Except for the duties in this respect to be performed by the Treasurer of the United States and the Director of the Mint, as may be indicated from time to time by the Secretary of the Treasury, exchanges of the paper currency and coin of the United States and the distribution and replacement thereof will, so far as practicable, be effected through the Federal Reserve banks and branches. The Federal Reserve banks and branches are authorized to distribute available supplies of coin and currency to depository institutions, as that term is defined in section 103 of the Monetary Control Act of 1980 (Pub. L. 96-221). As authorized by section 107 of the Act, transportation of coin and currency and coin wrapping

§ 100.3

services will be provided according to a schedule of fees established by the Board of Governors of the Federal Reserve System. Inquiries by depository institutions regarding distribution and related services should be addressed to the Federal Reserve bank of the district where the institution is located.

Subpart A—In General

§ 100.3 Lawfully held coin and currencies in general.

The official agencies of the Department of the Treasury will continue to exchange lawfully held coins and currencies of the United States, dollar for dollar, for other coins and currencies which may be lawfully acquired and are legal tender for public and private debts. Paper currency of the United States which has been falsely altered and coins altered to render them for use as other denominations will not be redeemed since such currency and coins are subject to forfeiture under Title 18, United States Code, section 492. Persons receiving such currency and coins should notify immediately the nearest local office of the U.S. Secret Service of the Department of the Treasury, and hold the same pending advice from the Service.

§ 100.4 Gold coin and gold certificates in general.

Gold coins, and gold certificates of the type issued before January 30, 1934, are exchangeable, as provided in this part, into other currency or coin which may be lawfully issued.

Subpart B—Exchange of Mutilated Paper Currency

§ 100.5 Mutilated paper currency.

(a) Lawfully held paper currency of the United States which has been mutilated will be exchanged at face amount if clearly more than one-half of the original whole note remains. Fragments of such mutilated currency which are not clearly more than one-half of the original whole note will be exchanged at face value only if the Director, Bureau of Engraving and Printing, Department of the Treasury, is satisfied that the missing portions have been totally destroyed. The Direc-

31 CFR Ch. I (7–1–10 Edition)

tor's judgment shall be based on such evidence of total destruction as is necessary and shall be final.

DEFINITIONS

(1) Mutilated currency is currency which has been damaged to the extent that (i) one-half or less of the original note remains or (ii) its condition is such that its value is questionable and the currency must be forwarded to the Treasury Department for examination by trained experts before any exchange is made.

(2) Unfit currency is currency which is unfit for further circulation because of its physical condition such as torn, dirty, limp, worn or defaced. Unfit currency should not be forwarded to the Treasury, but may be exchanged at commercial banks.

[47 FR 32044, July 23, 1982, as amended at 56 FR 10170, Mar. 11, 1991]

§ 100.6 Destroyed paper currency.

No relief will be granted on account of lawfully held paper currency of the United States which has been totally destroyed.

§ 100.7 Treasury's liability.

(a) Payment will be made to lawful holders of mutilated currency at full value when:

(1) Clearly more than 50% of a note identifiable as United States currency is present; or

(2) Fifty percent or less of a note identifiable as United States currency is present and the method of mutilation and supporting evidence demonstrate to the satisfaction of the Treasury that the missing portions have been totally destroyed.

(b) No payments will be made when:

(1) Fragments and remnants presented are not identifiable as United States currency; or

(2) Fragments and remnants presented which represent 50% or less of a note are identifiable as United States currency but the method of destruction and supporting evidence do not satisfy the Treasury that the missing portion has been totally destroyed.

(c) All cases will be handled under proper procedures to safeguard the funds and interests of the claimant. In

Monetary Offices, Treasury

§ 100.11

some cases, the amount repaid will be less than the amount claimed. In other cases, the amount repaid may be greater. The amount paid will be determined by an examination made by trained mutilated currency examiners and governed by the above criteria.

(d) The Director of the Bureau of Engraving and Printing shall have final authority with respect to settlements for mutilated currency claims.

[47 FR 32044, July 23, 1982, as amended at 56 FR 10170, Mar. 11, 1991]

§ 100.8 Packaging of mutilated currency.

Mutilated currency examiners are normally able to determine the value of mutilated currency when it has been carefully packed and boxed as described below:

(a) Regardless of the condition of the currency, do not disturb the fragments more than is absolutely necessary.

(b) If the currency is brittle or inclined to fall apart, pack it carefully in cotton and box it as found, without disturbing the fragments, if possible.

(c) If the money was in a purse, box, or other container when mutilated, it should be left therein, if possible, in order to prevent further deterioration of the fragments or from their being lost.

(d) If it is absolutely necessary to remove the fragments from the container, send the container with the currency and any other contents found, except as noted in paragraph (h) of this section.

(e) If the money was flat when mutilated, do not roll or fold.

(f) If the money was in a roll when mutilated, do not attempt to unroll or straighten.

(g) If coin or any other metal is mixed with the currency, remove carefully. Do not send coin or other metal in the same package with mutilated paper currency, as the metal will break up the currency. Coin should be forwarded as provided in § 100.12 (c) and (d).

(h) Any fused or melted coin should be sent to: Superintendent, United States Mint, P.O. Box 400, Philadelphia, PA 19105.

§ 100.9 Where mutilated currency should be transmitted.

Mutilated currency shipments must be addressed as follows: Department of the Treasury, Bureau of Engraving and Printing, OCS, Room 344A, Post Office Box 37048, Washington, DC 20013.

§ 101.1 Purpose and scope.

The purpose of this part is to establish a policy whereby certain purchasers or holders of gold coins who have forfeited them to the United States because they were counterfeit may, in the discretion of the Secretary of the Treasury, recover the gold bullion from the coins. This part sets forth the procedures to be followed in implementing this policy.

§ 101.2 Petitions for mitigation.

(a) *Who may file.* Any person may petition the Secretary of the Treasury for return of the gold bullion of counterfeit gold coins forfeited to the United States, if:

(1) The petitioner innocently purchased or received the coins and held them without the knowledge that they were counterfeit; and,

(2) The petitioner voluntarily submitted the coins to the Treasury Department for a determination of whether they were legitimate or counterfeit; and,

(3) The coins were determined to be counterfeit and were seized by the Treasury Department and forfeited to the United States.

(b) *To whom addressed.* Petitions for mitigation of the forfeiture of counterfeit gold coins should be addressed to the Assistant Secretary, Enforcement,

§ 101.3

Operations, Tariff Affairs, Department of Treasury, 15th and Pennsylvania Avenue, NW., Washington, DC 20220.

(c) *Form.* The petition need not be in any particular form, but must be under oath, and set forth at least the following:

(1) The full name and address of the petitioner;

(2) A description of the coin or coins involved;

(3) The name and address of the person from whom the coins were received or purchased by the petitioner;

(4) The date and place where they were voluntarily submitted for examination;

(5) Any other circumstances relied upon by the petitioner to justify the mitigation;

(6) A statement that the petitioner purchased or received and held the coins without the knowledge that they were counterfeit.

§ 101.3 Petitions reviewed by Assistant Secretary, Enforcement, Operations, Tariff Affairs.

(a) The Assistant Secretary will receive and review all petitions for mitigation of the forfeiture of counterfeit gold coins. He shall conduct such further investigation, and may request such further information from the petitioner as he deems necessary. Petitions will be approved if the Assistant Secretary determines that:

(1) The gold coins have not been previously disposed of by normal procedures;

(2) The petitioner was an innocent purchaser or holder of the gold coins and is not under investigation in connection with the coins at the time of submission or thereafter;

(3) The coins are not needed and will not be needed in the future in any investigation or as evidence in legal proceedings; and

(4) Mitigation of the forfeiture is in the best interest of the Government.

§ 101.4 Extraction of gold bullion from the counterfeit coins.

If the petition is approved, the Assistant Secretary shall then forward the gold coins to the Bureau of the Mint where, if economically feasible, the gold bullion will be extracted from

31 CFR Ch. I (7-1-10 Edition)

the counterfeit coins. The Bureau of the Mint will then return the bullion to the Assistant Secretary.

§ 101.5 Payment of smelting costs.

The petitioner shall be required to pay all reasonable costs incurred in extracting the bullion from the counterfeit coins, as shall be determined by the Assistant Secretary. Payment must be made prior to the return of the gold bullion to the petitioner.

§ 101.6 Return of the bullion.

After receiving the gold bullion from the Bureau of the Mint, the Assistant Secretary shall notify the petitioner that his petition has been approved and that payment of the smelting costs in an amount set forth in such notice must be made prior to the return of the bullion.

§ 101.7 Exceptions.

The provisions of this part shall not apply where the cost of smelting the gold coins exceeds the value of the gold bullion to be returned.

§ 101.8 Discretion of the Secretary.

The Secretary of the Treasury retains complete discretion to deny any claim of any petitioner when the Secretary believes it is not in the best interest of the Government to return the bullion to the petitioner or when the Secretary is not convinced that the petitioner was an innocent purchaser or holder without knowledge that the gold coins were counterfeit.

The term includes any transmittal order issued by the transmitter's financial institution or an intermediary financial institution intended to carry out the transmitter's transmittal order. L. 95–630, 92 Stat. 3728, 15 U.S.C. 1693, *et seq.*), as well as any other funds transfers that are made through an automated clearinghouse, an automated teller machine, or a point-of-sale system, are excluded from this definition.

(mm) *Transmittor's financial institution.* The receiving financial institution to which the transmittal order of the transmittor is issued if the transmittor is not a financial institution or foreign financial agency, or the transmittor if the transmittor is a financial institution or foreign financial agency. (1) *Currency dealer or exchanger.* A currency dealer or exchanger (other than a person who does not exchange currency in an amount greater than \$1,000 in currency or monetary or other instruments for any person on any day in one or more transactions).

(B) Any other person engaged as a business in the transfer of funds.

(ii) *Facts and circumstances; Limitation.* Whether a person “engages as a business” in the activities described in paragraph (uu)(5)(i) of this section is a matter of facts and circumstances. Generally, the acceptance and transmission of funds as an integral part of the execution and settlement of a transaction other than the funds transmission itself (for example, in connection with a bona fide sale of securities or other property), will not cause a person to be a money transmitter within the meaning of paragraph (uu)(5)(i) of this section.

(6) *United States Postal Service.* The United States Postal Service, except with respect to the sale of postage or philatelic products.

§ 103.15 Reports by mutual funds of suspicious transactions.

(a) *General.* (1) Every investment company (as defined in section 3 of the Investment Company Act of 1940 (15 U.S.C. 80a-3) (“Investment Company Act”) that is an open-end company (as defined in section 5 of the Investment Company Act (15 U.S.C. 80a-5)) and that is registered, or is required to register, with the Securities and Exchange Commission pursuant to that Act (for purposes of this section, a “mutual fund”), shall file with the Financial Crimes Enforcement Network, to the extent and in the manner required by this section, a report of any suspicious transaction relevant to a possible violation of law or regulation. A mutual fund may also file with the Financial Crimes Enforcement Network a report of any suspicious transaction that it believes is relevant to the possible violation of any law or regulation, but whose reporting is not required by this section. Filing a report of a suspicious transaction does not relieve a mutual fund from the responsibility of complying with any other reporting requirements imposed by the Securities and Exchange Commission.

(2) A transaction requires reporting under this section if it is conducted or attempted by, at, or through a mutual fund, it involves or aggregates funds or other assets of at least \$5,000, and the mutual fund knows, suspects, or has reason to suspect that the transaction (or a pattern of transactions of which the transaction is a part):

(i) Involves funds derived from illegal activity or is intended or conducted in order to hide or disguise funds or assets derived from illegal activity (including, without limitation, the ownership, nature, source, location, or control of such funds or assets) as part of a plan to violate or evade any Federal law or regulation or to avoid any transaction reporting requirement under Federal law or regulation;

(ii) Is designed, whether through structuring or other means, to evade any requirements of this part or any other regulations promulgated under the Bank Secrecy Act, Public Law 91-508, as amended, codified at 12 U.S.C. 1829b, 12 U.S.C. 1951-1959, and 31 U.S.C. 5311-5314, 5316-5332;

(iii) Has no business or apparent lawful purpose or is not the sort in which the particular customer would normally be expected to engage, and the mutual fund knows of no reasonable explanation for the transaction after examining the available facts, including the background and possible purpose of the transaction; or

(iv) Involves use of the mutual fund to facilitate criminal activity.

(3) More than one mutual fund may have an obligation to report the same transaction under this section, and other financial institutions may have separate obligations to report suspicious activity with respect to the same transaction pursuant to other provisions of this part. In those instances, no more than one report is required to be filed by the mutual fund(s) and other financial institution(s) involved in the transaction, provided that the report filed contains all relevant facts, including the name of each financial institution and the words “joint filing” in the narrative section, and each institution maintains a copy of the report filed, along with any supporting documentation.

(b) *Filing and notification procedures—*

(1) *What to file.* A suspicious transaction shall be reported by completing a Suspicious Activity Report by Securities and Futures Industries (“SAR-SF”), and collecting and maintaining supporting documentation as required by paragraph (c) of this section.

(2) *Where to file.* Form SAR-SF shall be filed with the Financial Crimes Enforcement Network in accordance with the instructions to the Form SAR-SF.

(3) *When to file.* A Form SAR-SF shall be filed no later than 30 calendar days after the date of the initial detection by the reporting mutual fund of facts that may constitute a basis for filing a Form SAR-SF under this section. If no suspect is identified on the date of such initial detection, a mutual fund may delay filing a Form SAR-SF

for an additional 30 calendar days to identify a suspect, but in no case shall reporting be delayed more than 60 calendar days after the date of such initial detection.

(4) *Mandatory notification to law enforcement.* In situations involving violations that require immediate attention, such as suspected terrorist financing or ongoing money laundering schemes, a mutual fund shall immediately notify by telephone an appropriate law enforcement authority in addition to filing timely a Form SAR-SF.

(5) *Voluntary notification to the Financial Crimes Enforcement Network or the Securities and Exchange Commission.* Mutual funds wishing voluntarily to report suspicious transactions that may relate to terrorist activity may call the Financial Crimes Enforcement Network's Financial Institutions Hotline at 1-866-556-3974 in addition to filing timely a Form SAR-SF if required by this section. The mutual fund may also, but is not required to, contact the Securities and Exchange Commission to report in such situations.

(c) *Retention of records.* A mutual fund shall maintain a copy of any Form SAR-SF filed by the fund or on its behalf (including joint reports), and the original (or business record equivalent) of any supporting documentation concerning any Form SAR-SF that it files (or is filed on its behalf), for a period of five years from the date of filing the Form SAR-SF. Supporting documentation shall be identified as such and maintained by the mutual fund, and shall be deemed to have been filed with the Form SAR-SF. The mutual fund shall make all supporting documentation available to the Financial Crimes Enforcement Network, any other appropriate law enforcement agencies or federal or state securities regulators, and for purposes of an examination of a broker-dealer pursuant to §103.19(g) regarding a joint report, to a self-regulatory organization (as defined in section 3(a)(26) of the Securities Exchange Act of 1934, 15 U.S.C. 78c(a)(26)) registered with the Securities and Exchange Commission, upon request.

(d) *Confidentiality of reports.* No mutual fund, and no director, officer, employee, or agent of any mutual fund,

who reports a suspicious transaction under this part (whether such a report is required by this section or made voluntarily), may notify any person involved in the transaction that the transaction has been reported, except to the extent permitted by paragraph (a)(3) of this section. Any person subpoenaed or otherwise required to disclose a Form SAR-SF or the information contained in a Form SAR-SF, including a Form SAR-SF filed jointly with another financial institution involved in the same transaction (except where such disclosure is requested by the Financial Crimes Enforcement Network, the Securities and Exchange Commission, another appropriate law enforcement or regulatory agency, or, in the case of a joint report involving a broker-dealer, a self-regulatory organization registered with the Securities and Exchange Commission conducting an examination of such broker-dealer pursuant to §103.19(g)), shall decline to produce Form SAR-SF or to provide any information that would disclose that a Form SAR-SF has been prepared or filed, citing this paragraph (d) and 31 U.S.C. 5318(g)(2), and shall notify the Financial Crimes Enforcement Network of any such request and its response thereto.

(e) *Limitation of liability.* A mutual fund, and any director, officer, employee, or agent of such mutual fund, that makes a report of any possible violation of law or regulation pursuant to this section, including a joint report (whether such report is required by this section or made voluntarily) shall be protected from liability for any disclosure contained in, or for failure to disclose the fact of, such report, or both, to the extent provided in 31 U.S.C. 5318(g)(3).

(f) *Examinations and enforcement.* Compliance with this section shall be examined by the Department of the Treasury, through the Financial Crimes Enforcement Network or its delegates, under the terms of the Bank Secrecy Act. Failure to satisfy the requirements of this section may constitute a violation of the reporting rules of the Bank Secrecy Act and of this part.

(g) *Effective date.* This section applies to transactions occurring after October 31, 2006.

508, as amended, codified at 12 U.S.C. 1829b, 12 U.S.C. 1951-1959, and 31 U.S.C. 5311-5314; 5316-5332;

(iii) Has no business or apparent lawful purpose or is not the sort in which the particular customer would normally be expected to engage, and the insurance company knows of no reasonable explanation for the transaction after examining the available facts, including the background and possible purpose of the transaction; or

(iv) Involves use of the insurance company to facilitate criminal activity.

(3) (i) An insurance company is responsible for reporting suspicious transactions conducted through its insurance agents and insurance brokers. Accordingly, an insurance company shall establish and implement policies and procedures reasonably designed to obtain customer-related information necessary to detect suspicious activity from all relevant sources, including from its insurance agents and insurance brokers, and shall report suspicious activity based on such information.

(ii) Certain insurance agents may have a separate obligation to report suspicious activity pursuant to other provisions of this part. In those instances, no more than one report is required to be filed by the financial institutions involved in the transaction, as long as the report filed contains all relevant facts, including the names of both institutions and the words “joint filing” in the narrative section, and both institutions maintain a copy of the report filed, along with any supporting documentation.

(iii) An insurance company that issues variable insurance products funded by separate accounts that meet the definition of a mutual fund in §103.15(a)(1) shall file reports of suspicious transactions pursuant to §103.15.

(2) *Where to file.* The SAR-IC shall be filed with the Financial Crimes En-

(3) *When to file.* A SAR-IC shall be filed no later than 30 calendar days after the date of the initial detection by the insurance company of facts that may constitute a basis for filing a SAR-IC under this section. If no suspect is identified on the date of such initial detection, an insurance company may delay filing a SAR-IC for an additional 30 calendar days to identify a suspect, but in no case shall reporting be delayed more than 60 calendar days after the date of such initial detection. In situations that require immediate attention, such as terrorist financing or ongoing money laundering schemes, the insurance company shall immediately notify by telephone an appropriate law enforcement authority in addition to filing timely a SAR-IC. Insurance companies wishing voluntarily to report suspicious transactions that may relate to terrorist activity may call the Financial Crimes Enforcement Network’s Financial Institutions Hotline at 1-866-556-3974 in addition to filing timely a SAR-IC if required by this section.

(d) *Exception.* An insurance company is not required to file a SAR-IC to report the submission to it of false or fraudulent information to obtain a policy or make a claim, unless the company has reason to believe that the false or fraudulent submission relates to money laundering or terrorist financing.

(e) *Retention of records.* An insurance company shall maintain a copy of any SAR-IC filed and the original or business record equivalent of any supporting documentation for a period of five years from the date of filing the SAR-IC. Supporting documentation shall be identified as such and maintained by the insurance company and shall be deemed to have been filed with the SAR-IC. When an insurance company has filed or is identified as a filer in a joint Suspicious Activity Report, the insurance company shall maintain a copy of such joint report (together with copies of any supporting documentation) for a period of five years from the date of filing. An insurance company shall make all supporting

Thus, any insurance company subpoenaed or otherwise requested to disclose a SAR-IC or the information contained in a SAR-IC (or a copy of a joint Suspicious Activity Report filed with another financial institution involved in the same transaction, including an insurance agent), except where such disclosure is requested by the Financial Crimes Enforcement Network or another appropriate law enforcement or supervisory agency, shall decline to produce the Suspicious Activity Report or to provide any information that would disclose that a Suspicious Activity Report has been prepared or filed, citing as authority 31 CFR 103.16 and 31 U.S.C. 5318(g)(2), and shall notify the Financial Crimes Enforcement Network of any such request and its response thereto. An insurance company, and any director, officer, employee, agent, or broker of such insurance company, that makes a report pursuant to this section, including a joint report (whether such report is required by this section or made voluntarily) shall be protected from liability for any disclosure contained in, or for failure to disclose the fact of, such report, or both, to the extent provided by 31 U.S.C. 5318(g)(3).

§ 103.17 Reports by futures commission merchants and introducing brokers in commodities of suspicious transactions.

(a) *General*—(1) Every futures commission merchant (“FCM”) and introducing broker in commodities (“IB-C”) within the United States shall file with FinCEN, to the extent and in the manner required by this section, a report of any suspicious transaction relevant to a possible violation of law or regulation. An FCM or IB-C may also file with FinCEN a report of any suspicious transaction that it believes is relevant to the possible violation of any law or regulation but whose reporting is not required by this section. Filing a report of a suspicious transaction does not relieve an FCM or IB-C from the responsibility of complying with any other reporting requirements imposed by the Commodity Futures Trading Commission (“CFTC”) or any registered futures association or registered entity as those terms are defined in the Commodity Exchange Act (“CEA”), 7 U.S.C. 21 and 7 U.S.C. 1a(29).

(2) A transaction requires reporting under the terms of this section if it is conducted or attempted by, at, or through an FCM or IB-C, it involves or aggregates funds or other assets of at least \$5,000, and the FCM or IB-C knows, suspects, or has reason to suspect that the transaction (or a pattern of transactions of which the transaction is a part):

(i) Involves funds derived from illegal activity or is intended or conducted in order to hide or disguise funds or assets derived from illegal activity (including, without limitation, the ownership, nature, source, location, or control of such funds or assets) as part of a plan to violate or evade any federal law or regulation or to avoid any transaction reporting requirement under federal law or regulation;

(ii) Is designed, whether through structuring or other means, to evade any requirements of this part or of any other regulations promulgated under the Bank Secrecy Act (“BSA”), Public Law 91–508, as amended, codified at 12 U.S.C. 1829b, 12 U.S.C. 1951–1959, and 31 U.S.C. 5311–5314, 5316–5332;

(iii) Has no business or apparent lawful purpose or is not the sort in which the particular customer would normally be expected to engage, and the FCM or IB-C knows of no reasonable explanation for the transaction after examining the available facts, including the background and possible purpose of the transaction; or

(iv) Involves use of the FCM or IB-C to facilitate criminal activity.

(3) The obligation to identify and properly and timely to report a suspicious transaction rests with each FCM and IB-C involved in the transaction, provided that no more than one report is required to be filed by any of the FCMs or IB-Cs involved in a particular transaction, so long as the report filed contains all relevant facts.

(b) *Filing procedures*—(1) *What to file.* A suspicious transaction shall be reported by completing a Suspicious Activity Report—Securities and Futures Industry (“SAR-SF”), and collecting and maintaining supporting documentation as required by paragraph (d) of this section.

(2) *Where to file.* The SAR-SF shall be filed with FinCEN in a central location, to be determined by FinCEN, as indicated in the instructions to the SAR-SF.

(3) *When to file.* A SAR-SF shall be filed no later than 30 calendar days after the date of the initial detection by the reporting FCM or IB-C of facts that may constitute a basis for filing a SAR-SF under this section. If no suspect is identified on the date of such

initial detection, an FCM or IB-C may delay filing a SAR-SF for an additional 30 calendar days to identify a suspect, but in no case shall reporting be delayed more than 60 calendar days after the date of such initial detection. In situations involving violations that require immediate attention, such as terrorist financing or ongoing money laundering schemes, the FCM or IB-C shall immediately notify by telephone an appropriate law enforcement authority in addition to filing timely a SAR-SF. FCMs and IB-Cs wishing voluntarily to report suspicious transactions that may relate to terrorist activity may call FinCEN’s Financial Institutions Hotline at 1–866–556–3974 in addition to filing timely a SAR-SF if required by this section. The FCM or IB-C may also, but is not required to, contact the CFTC to report in such situations.

(c) *Exceptions*—(1) An FCM or IB-C is not required to file a SAR-SF to report—

(i) A robbery or burglary committed or attempted of the FCM or IB-C that is reported to appropriate law enforcement authorities;

(ii) A violation otherwise required to be reported under the CEA (7 U.S.C. 1 *et seq.*), the regulations of the CFTC (17 CFR chapter I), or the rules of any registered futures association or registered entity as those terms are defined in the CEA, 7 U.S.C. 21 and 7 U.S.C. 1a(29), by the FCM or IB-C or any of its officers, directors, employees, or associated persons, other than a violation of 17 CFR 42.2, as long as such violation is appropriately reported to the CFTC or a registered futures association or registered entity.

(2) An FCM or IB-C may be required to demonstrate that it has relied on an exception in paragraph (c)(1) of this section, and must maintain records of its determinations to do so for the period specified in paragraph (d) of this section. To the extent that a Form 8–R, 8–T, U–5, or any other similar form concerning the transaction is filed consistent with CFTC, registered futures association, or registered entity rules, a copy of that form will be a sufficient record for the purposes of this paragraph (c)(2).

(d) *Retention of records.* An FCM or IB-C shall maintain a copy of any SAR-SF filed and the original or business record equivalent of any supporting documentation for a period of five years from the date of filing the SAR-SF. Supporting documentation shall be identified as such and maintained by the FCM or IB-C, and shall be deemed to have been filed with the SAR-SF. An FCM or IB-C shall make all supporting documentation available to FinCEN, the CFTC, or any other appropriate law enforcement agency or regulatory agency, and, for purposes of paragraph (g) of this section, to any registered futures association, registered entity, or self-regulatory organization (“SRO”) (as defined in section 3(a)(26) of the Securities Exchange Act of 1934, 15 U.S.C. 78c(a)(26)), upon request.

(e) *Confidentiality of reports.* No financial institution, and no director, officer, employee, or agent of any financial institution, who reports a suspicious transaction under this part, may notify any person involved in the transaction that the transaction has been reported, except to the extent permitted by paragraph (a)(3) of this section. Thus, any person subpoenaed or otherwise requested to disclose a SAR-SF or the information contained in a SAR-SF, except where such disclosure is requested by FinCEN, the CFTC, another appropriate law enforcement or regulatory agency, or for purposes of paragraph (g) of this section, a registered futures association, registered entity, or SRO shall decline to produce the SAR-SF or to provide any information that would disclose that a SAR-SF has been prepared or filed, citing this paragraph and 31 U.S.C. 5318(g)(2), and shall notify FinCEN of any such request and its response thereto.

(f) *Limitation of liability.* An FCM or IB-C, and any director, officer, employee, or agent of such FCM or IB-C, that makes a report of any possible violation of law or regulation pursuant to this section or any other authority (or voluntarily) shall not be liable to any person under any law or regulation of the United States (or otherwise to the extent also provided in 31 U.S.C. 5318(g)(3), including in any arbitration or reparations proceeding) for any dis-

closure contained in, or for failure to disclose the fact of, such report.

(g) *Examination and enforcement.* Compliance with this section shall be examined by the Department of the Treasury, through FinCEN or its delegates, under the terms of the BSA. Reports filed under this section or §103.19 (including any supporting documentation), and documentation demonstrating reliance on an exception under paragraph (c) of this section or §103.19, shall be made available, upon request, to the CFTC, Securities and Exchange Commission, and any registered futures association, registered entity, or SRO, examining an FCM, IB-C, or broker or dealer in securities for compliance with the requirements of this section or §103.19. Failure to satisfy the requirements of this section may constitute a violation of the reporting rules of the BSA or of this part.

(h) *Effective date.* This section applies to transactions occurring after May 18, 2004.

§103.18 Reports by banks of suspicious transactions.

(a) *General.* (1) Every bank shall file with the Treasury Department, to the extent and in the manner required by this section, a report of any suspicious transaction relevant to a possible violation of law or regulation. A bank may also file with the Treasury Department by using the Suspicious Activity Report specified in paragraph (b)(1) of this section or otherwise, a report of any suspicious transaction that it believes is relevant to the possible violation of any law or regulation but whose reporting is not required by this section.

(2) A transaction requires reporting under the terms of this section if it is conducted or attempted by, at, or through the bank, it involves or aggregates at least \$5,000 in funds or other assets, and the bank knows, suspects, or has reason to suspect that:

(i) The transaction involves funds derived from illegal activities or is intended or conducted in order to hide or disguise funds or assets derived from illegal activities (including, without limitation, the ownership, nature,

source, location, or control of such funds or assets) as part of a plan to violate or evade any federal law or regulation or to avoid any transaction reporting requirement under federal law or regulation;

(ii) The transaction is designed to evade any requirements of this part or of any other regulations promulgated under the Bank Secrecy Act, Pub. L. 91–508, as amended, codified at 12 U.S.C. 1829b, 12 U.S.C. 1951–1959, and 31 U.S.C. 5311–5330; or

(iii) The transaction has no business or apparent lawful purpose or is not the sort in which the particular customer would normally be expected to engage, and the bank knows of no reasonable explanation for the transaction after examining the available facts, including the background and possible purpose of the transaction.

(b) *Filing procedures*—(1) *What to file.* A suspicious transaction shall be reported by completing a Suspicious Activity Report (“SAR”), and collecting and maintaining supporting documentation as required by paragraph (d) of this section.

(2) *Where to file.* The SAR shall be filed with FinCEN in a central location, to be determined by FinCEN, as indicated in the instructions to the SAR.

(3) *When to file.* A bank is required to file a SAR no later than 30 calendar days after the date of initial detection by the bank of facts that may constitute a basis for filing a SAR. If no suspect was identified on the date of the detection of the incident requiring the filing, a bank may delay filing a SAR for an additional 30 calendar days to identify a suspect. In no case shall reporting be delayed more than 60 calendar days after the date of initial detection of a reportable transaction. In situations involving violations that require immediate attention, such as, for example, ongoing money laundering schemes, the bank shall immediately notify, by telephone, an appropriate law enforcement authority in addition to filing timely a SAR.

(c) *Exceptions.* A bank is not required to file a SAR for a robbery or burglary committed or attempted that is reported to appropriate law enforcement authorities, or for lost, missing, coun-

terfeit, or stolen securities with respect to which the bank files a report pursuant to the reporting requirements of 17 CFR 240.17f-1.

(d) *Retention of records.* A bank shall maintain a copy of any SAR filed and the original or business record equivalent of any supporting documentation for a period of five years from the date of filing the SAR. Supporting documentation shall be identified, and maintained by the bank as such, and shall be deemed to have been filed with the SAR. A bank shall make all supporting documentation available to FinCEN and any appropriate law enforcement agencies or bank supervisory agencies upon request.

(e) *Confidentiality of reports; limitation of liability.* No bank or other financial institution, and no director, officer, employee, or agent of any bank or other financial institution, who reports a suspicious transaction under this part, may notify any person involved in the transaction that the transaction has been reported. Thus, any person subpoenaed or otherwise requested to disclose a SAR or the information contained in a SAR, except where such disclosure is requested by FinCEN or an appropriate law enforcement or bank supervisory agency, shall decline to produce the SAR or to provide any information that would disclose that a SAR has been prepared or filed, citing this paragraph (e) and 31 U.S.C. 5318(g)(2), and shall notify FinCEN of any such request and its response thereto. A bank, and any director, officer, employee, or agent of such bank, that makes a report pursuant to this section (whether such report is required by this section or is made voluntarily) shall be protected from liability for any disclosure contained in, or for failure to disclose the fact of such report, or both, to the full extent provided by 31 U.S.C. 5318(g)(3).

(f) *Compliance.* Compliance with this section shall be audited by the Department of the Treasury, through FinCEN or its delegees under the terms of the Bank Secrecy Act. Failure to satisfy the requirements of this section may be a violation of the reporting rules of the Bank Secrecy Act and of this part.

§ 103.19 Reports by brokers or dealers in securities of suspicious transactions.

(a) *General.* (1) Every broker or dealer in securities within the United States (for purposes of this section, a “broker-dealer”) shall file with FinCEN, to the extent and in the manner required by this section, a report of any suspicious transaction relevant to a possible violation of law or regulation. A broker-dealer may also file with FinCEN a report of any suspicious transaction that it believes is relevant to the possible violation of any law or regulation but whose reporting is not required by this section. Filing a report of a suspicious transaction does not relieve a broker-dealer from the responsibility of complying with any other reporting requirements imposed by the Securities and Exchange Commission or a self-regulatory organization (“SRO”) (as defined in section 3(a)(26) of the Securities Exchange Act of 1934, 15 U.S.C. 78c(a)(26)).

(2) A transaction requires reporting under the terms of this section if it is conducted or attempted by, at, or through a broker-dealer, it involves or aggregates funds or other assets of at least \$5,000, and the broker-dealer knows, suspects, or has reason to suspect that the transaction (or a pattern of transactions of which the transaction is a part):

(i) Involves funds derived from illegal activity or is intended or conducted in order to hide or disguise funds or assets derived from illegal activity (including, without limitation, the ownership, nature, source, location, or control of such funds or assets) as part of a plan to violate or evade any federal law or regulation or to avoid any transaction reporting requirement under federal law or regulation;

(ii) Is designed, whether through structuring or other means, to evade any requirements of this part or of any other regulations promulgated under the Bank Secrecy Act, Public Law 91-

508, as amended, codified at 12 U.S.C. 1829b, 12 U.S.C. 1951–1959, and 31 U.S.C. 5311–5332;

(iii) Has no business or apparent lawful purpose or is not the sort in which the particular customer would normally be expected to engage, and the broker-dealer knows of no reasonable explanation for the transaction after examining the available facts, including the background and possible purpose of the transaction; or

(iv) Involves use of the broker-dealer to facilitate criminal activity.

(3) The obligation to identify and properly and timely to report a suspicious transaction rests with each broker-dealer involved in the transaction, provided that no more than one report is required to be filed by the broker-dealers involved in a particular transaction (so long as the report filed contains all relevant facts).

(b) *Filing procedures*—(1) *What to file.* A suspicious transaction shall be reported by completing a Suspicious Activity Report—Brokers or Dealers in Securities (“SAR-S-F”), and collecting and maintaining supporting documentation as required by paragraph (d) of this section.

(2) *Where to file.* The SAR-BD shall be filed with FinCEN in a central location, to be determined by FinCEN, as indicated in the instructions to the SAR-S-F.

(3) *When to file.* A SAR-S-F shall be filed no later than 30 calendar days after the date of the initial detection by the reporting broker-dealer of facts that may constitute a basis for filing a SAR-S-F under this section. If no suspect is identified on the date of such initial detection, a broker-dealer may delay filing a SAR-S-F for an additional 30 calendar days to identify a suspect, but in no case shall reporting be delayed more than 60 calendar days after the date of such initial detection. In situations involving violations that require immediate attention, such as terrorist financing or ongoing money laundering schemes, the broker-dealer shall immediately notify by telephone an appropriate law enforcement authority in addition to filing timely a

SAR-S-F. Broker-dealers wishing voluntarily to report suspicious transactions that may relate to terrorist activity may call FinCEN's Financial Institutions Hotline at 1-866-556-3974 in addition to filing timely a SAR-S-F if required by this section. The broker-dealer may also, but is not required to, contact the Securities and Exchange Commission to report in such situations.

(c) *Exceptions.* (1) A broker-dealer is not required to file a SAR-S-F to report:

(i) A robbery or burglary committed or attempted of the broker-dealer that is reported to appropriate law enforcement authorities, or for lost, missing, counterfeit, or stolen securities with respect to which the broker-dealer files a report pursuant to the reporting requirements of 17 CFR 240.17f-1;

(ii) A violation otherwise required to be reported under this section of any of the federal securities laws or rules of an SRO by the broker-dealer or any of its officers, directors, employees, or other registered representatives, other than a violation of 17 CFR 240.17a-8 or 17 CFR 405.4, so long as such violation is appropriately reported to the SEC or an SRO.

(2) A broker-dealer may be required to demonstrate that it has relied on an exception in paragraph (c)(1) of this section, and must maintain records of its determinations to do so for the period specified in paragraph (d) of this section. To the extent that a Form RE-3, Form U-4, or Form U-5 concerning the transaction is filed consistent with the SRO rules, a copy of that form will be a sufficient record for purposes of this paragraph (c)(2).

(3) For the purposes of this paragraph (c) the term "federal securities laws" means the "securities laws," as that term is defined in section 3(a)(47) of the Securities Exchange Act of 1934, 15 U.S.C. 78c(a)(47), and the rules and regulations promulgated by the Securities and Exchange Commission under such laws.

(d) *Retention of records.* A broker-dealer shall maintain a copy of any SAR-S-F filed and the original or business record equivalent of any supporting documentation for a period of five years from the date of filing the

SAR-S-F. Supporting documentation shall be identified as such and maintained by the broker-dealer, and shall be deemed to have been filed with the SAR-S-F. A broker-dealer shall make all supporting documentation available to FinCEN, any other appropriate law enforcement agencies or federal or state securities regulators, and for purposes of paragraph (g) of this section, to an SRO registered with the Securities and Exchange Commission, upon request.

(e) *Confidentiality of reports.* No financial institution, and no director, officer, employee, or agent of any financial institution, who reports a suspicious transaction under this part, may notify any person involved in the transaction that the transaction has been reported, except to the extent permitted by paragraph (a)(3) of this section. Thus, any person subpoenaed or otherwise requested to disclose a SAR-S-F or the information contained in a SAR-S-F, except where such disclosure is requested by FinCEN, the Securities and Exchange Commission, or another appropriate law enforcement or regulatory agency, or for purposes of paragraph (g) of this section, an SRO registered with the Securities and Exchange Commission, shall decline to produce the SAR-S-F or to provide any information that would disclose that a SAR-S-F has been prepared or filed, citing this paragraph (e) and 31 U.S.C. 5318(g)(2), and shall notify FinCEN of any such request and its response thereto.

(f) *Limitation of liability.* A broker-dealer, and any director, officer, employee, or agent of such broker-dealer, that makes a report of any possible violation of law or regulation pursuant to this section or any other authority (or voluntarily) shall not be liable to any person under any law or regulation of the United States (or otherwise to the extent also provided in 31 U.S.C. 5318(g)(3), including in any arbitration proceeding) for any disclosure contained in, or for failure to disclose the fact of, such report.

(g) *Examination and enforcement.* Compliance with this section shall be examined by the Department of the Treasury, through FinCEN or its delegees, under the terms of the Bank

Monetary Offices, Treasury

§ 103.20

Secrecy Act. Reports filed under this section shall be made available to an SRO registered with the Securities and Exchange Commission examining a broker-dealer for compliance with the requirements of this section. Failure to satisfy the requirements of this section may constitute a violation of the reporting rules of the Bank Secrecy Act and of this part.

(h) *Effective date.* This section applies to transactions occurring after December 30, 2002.

§ 103.20 Reports by money services businesses of suspicious transactions.

(a) *General.* (1) Every money services business, described in §103.11(uu) (1), (3), (4), (5), or (6), shall file with the Treasury Department, to the extent and in the manner required by this section, a report of any suspicious transaction relevant to a possible violation of law or regulation. Any money services business may also file with the Treasury Department, by using the form specified in paragraph (b)(1) of this section, or otherwise, a report of any suspicious transaction that it believes is relevant to the possible violation of any law or regulation but whose reporting is not required by this section.

(2) A transaction requires reporting under the terms of this section if it is conducted or attempted by, at, or through a money services business, involves or aggregates funds or other assets of at least \$2,000 (except as provided in paragraph (a)(3) of this section), and the money services business knows, suspects, or has reason to suspect that the transaction (or a pattern of transactions of which the transaction is a part):

(i) Involves funds derived from illegal activity or is intended or conducted in order to hide or disguise funds or assets derived from illegal activity (including, without limitation, the ownership, nature, source, location, or control of such funds or assets) as part of a plan to violate or evade any federal law or regulation or to avoid any transaction reporting requirement under federal law or regulation;

(ii) Is designed, whether through structuring or other means, to evade any requirements of this part or of any other regulations promulgated under the Bank Secrecy Act, Public Law 91-508, as amended, codified at 12 U.S.C. 1829b, 12 U.S.C. 1951-1959, and 31 U.S.C. 5311-5330; or

(iii) Serves no business or apparent lawful purpose, and the reporting money services business knows of no reasonable explanation for the transaction after examining the available facts, including the background and possible purpose of the transaction.

(iv) Involves use of the money services business to facilitate criminal activity.

(3) To the extent that the identification of transactions required to be reported is derived from a review of clearance records or other similar records of money orders or traveler's checks that have been sold or processed, an issuer of money orders or traveler's checks shall only be required to report a transaction or pattern of transactions that involves or aggregates funds or other assets of at least \$5,000.

(4) The obligation to identify and properly and timely to report a suspicious transaction rests with each money services business involved in the transaction, provided that no more than one report is required to be filed by the money services businesses involved in a particular transaction (so long as the report filed contains all relevant facts). Whether, in addition to any liability on its own for failure to report, a money services business that issues the instrument or provides the funds transfer service involved in the transaction may be liable for the failure of another money services business involved in the transaction to report that transaction depends upon the nature of the contractual or other relationship between the businesses, and the legal effect of the facts and circumstances of the relationship and transaction involved, under general principles of the law of agency.

(5) Notwithstanding the provisions of this section, a transaction that involves solely the issuance, or facilitation of the transfer of stored value, or the issuance, sale, or redemption of

stored value, shall not be subject to reporting under this paragraph (a), until the promulgation of rules specifically relating to such reporting.

(b) *Filing procedures*—(1) *What to file.* A suspicious transaction shall be reported by completing a Suspicious Activity Report-MSB (“SAR-MSB”), and collecting and maintaining supporting documentation as required by paragraph (c) of this section.

(2) *Where to file.* The SAR-MSB shall be filed in a central location to be determined by FinCEN, as indicated in the instructions to the SAR-MSB.

(3) *When to file.* A money services business subject to this section is required to file each SAR-MSB no later than 30 calendar days after the date of the initial detection by the money services business of facts that may constitute a basis for filing a SAR-MSB under this section. In situations involving violations that require immediate attention, such as ongoing money laundering schemes, the money services business shall immediately notify by telephone an appropriate law enforcement authority in addition to filing a SAR-MSB. Money services businesses wishing voluntarily to report suspicious transactions that may relate to terrorist activity may call FinCEN’s Financial Institutions Hotline at 1-866-556-3974 in addition to filing timely a SAR-MSB if required by this section.

(c) *Retention of records.* A money services business shall maintain a copy of any SAR-MSB filed and the original or business record equivalent of any supporting documentation for a period of five years from the date of filing the SAR-MSB. Supporting documentation shall be identified as such and maintained by the money services business, and shall be deemed to have been filed with the SAR-MSB. A money services business shall make all supporting documentation available to FinCEN and any other appropriate law enforcement agencies or supervisory agencies upon request.

(d) *Confidentiality of reports; limitation of liability.* No financial institution, and no director, officer, employee, or agent of any financial institution, who reports a suspicious transaction under this part, may notify any person in-

involved in the transaction that the transaction has been reported. Thus, any person subpoenaed or otherwise requested to disclose a SAR-MSB or the information contained in a SAR-MSB, except where such disclosure is requested by FinCEN or an appropriate law enforcement or supervisory agency, shall decline to produce the SAR-MSB or to provide any information that would disclose that a SAR-MSB has been prepared or filed, citing this paragraph (d) and 31 U.S.C. 5318(g)(2), and shall notify FinCEN of any such request and its response thereto. A reporting money services business, and any director, officer, employee, or agent of such reporting money services business, that makes a report pursuant to this section (whether such report is required by this section or made voluntarily) shall be protected from liability for any disclosure contained in, or for failure to disclose the fact of, such report, or both, to the extent provided by 31 U.S.C. 5318(g)(3).

(e) *Compliance.* Compliance with this section shall be audited by the Department of the Treasury, through FinCEN or its delegees under the terms of the Bank Secrecy Act. Failure to satisfy the requirements of this section may constitute a violation of the reporting rules of the Bank Secrecy Act and of this part.

(f) *Effective date.* This section applies to transactions occurring after December 31, 2001.

A casino may also file with FinCEN, by using the form specified in paragraph (b)(1) of this section, or otherwise, a report of any suspicious transaction that it believes is relevant to the possible violation of any law or regulation but whose reporting is not required by this section.

(2) A transaction requires reporting under the terms of this section if it is conducted or attempted by, at, or

through a casino, and involves or aggregates at least \$5,000 in funds or other assets, and the casino knows, suspects, or has reason to suspect that the transaction (or a pattern of transactions of which the transaction is a part):

(i) Involves funds derived from illegal activity or is intended or conducted in order to hide or disguise funds or assets derived from illegal activity (including, without limitation, the ownership, nature, source, location, or control of such funds or assets) as part of a plan to violate or evade any federal law or regulation or to avoid any transaction reporting requirement under federal law or regulation;

(ii) Is designed, whether through structuring or other means, to evade any requirements of this part or of any other regulations promulgated under the Bank Secrecy Act, Public Law 91-508, as amended, codified at 12 U.S.C. 1829b, 12 U.S.C. 1951-1959, and 31 U.S.C. 5311-5332;

(iii) Has no business or apparent lawful purpose or is not the sort in which the particular customer would normally be expected to engage, and the casino knows of no reasonable explanation for the transaction after examining the available facts, including the background and possible purpose of the transaction; or

(iv) Involves use of the casino to facilitate criminal activity.

(b) *Filing procedures*—(1) *What to file.* A suspicious transaction shall be reported by completing a Suspicious Activity Report by Casinos (“SARC”), and collecting and maintaining supporting documentation as required by paragraph (d) of this section.

(2) *Where to file.* The SARC shall be filed with FinCEN in a central location, to be determined by FinCEN, as indicated in the instructions to the SARC.

(3) *When to file.* A SARC shall be filed no later than 30 calendar days after the date of the initial detection by the casino of facts that may constitute a basis for filing a SARC under this section. If no suspect is identified on the date of such initial detection, a casino may delay filing a SARC for an additional 30 calendar days to identify a suspect, but in no case shall reporting

be delayed more than 60 calendar days after the date of such initial detection. In situations involving violations that require immediate attention, such as ongoing money laundering schemes, the casino shall immediately notify by telephone an appropriate law enforcement authority in addition to filing timely a SARC. Casinos wishing voluntarily to report suspicious transactions that may relate to terrorist activity may call FinCEN’s Financial Institutions Hotline at 1-866-556-3974 in addition to filing timely a SARC if required by this section.

(c) *Exceptions.* A casino is not required to file a SARC for a robbery or burglary committed or attempted that is reported to appropriate law enforcement authorities.

(d) *Retention of records.* A casino shall maintain a copy of any SARC filed and the original or business record equivalent of any supporting documentation for a period of five years from the date of filing the SARC. Supporting documentation shall be identified as such and maintained by the casino, and shall be deemed to have been filed with the SARC. A casino shall make all supporting documentation available to FinCEN, any other appropriate law enforcement agencies or federal, state, local, or tribal gaming regulators upon request.

(e) *Confidentiality of reports; limitation of liability.* No casino, and no director, officer, employee, or agent of any casino, who reports a suspicious transaction under this part, may notify any person involved in the transaction that the transaction has been reported. Thus, any person subpoenaed or otherwise requested to disclose a SARC or the information contained in a SARC, except where such disclosure is requested by FinCEN or another appropriate law enforcement or regulatory agency, shall decline to produce the SARC or to provide any information that would disclose that a SARC has been prepared or filed, citing this paragraph (e) and 31 U.S.C. 5318(g)(2), and shall notify FinCEN of any such request and its response thereto. A casino, and any director, officer, employee, or agent of such casino, that makes a report pursuant to this section (whether such report is required

§ 103.22

by this section or made voluntarily) shall be protected from liability for any disclosure contained in, or for failure to disclose the fact of, such report, or both, to the extent provided by 31 U.S.C. 5318(g)(3).

(f) *Compliance.* Compliance with this section shall be audited by the Department of the Treasury, through FinCEN or its delegees, under the terms of the Bank Secrecy Act. Failure to satisfy the requirements of this section may constitute a violation of the reporting rules of the Bank Secrecy Act and of this part.

Deposits made at night or over a weekend or holiday shall be treated as if received on the next business day following the deposit.

(3) *Multiple transactions—casinos*. In the case of a casino, multiple currency transactions shall be treated as a single transaction if the casino has knowledge that they are by or on behalf of any person and result in either cash in or cash out totaling more than \$10,000 during any gaming day. For purposes of this paragraph (c)(3), a casino shall be deemed to have the knowledge described in the preceding sentence, if: any sole proprietor, partner, officer, director, or employee of the casino, acting within the scope of his or her employment, has knowledge that such multiple currency transactions have occurred, including knowledge from examining the books, records, logs, information retained on magnetic disk, tape or other machine-readable media, or in any manual system, and similar documents and information, which the casino maintains pursuant to any law or regulation or within the ordinary course of its business, and which contain information that such multiple currency transactions have occurred.

(d) *Transactions of exempt persons*—(1) *General*. No bank is required to file a

report otherwise required by paragraph (b) of this section with respect to any transaction in currency between an exempt person and such bank, or, to the extent provided in paragraph (d)(5)(vi) of this section, between such exempt person and other banks affiliated with such bank. In addition, a non-bank financial institution is not required to file a report otherwise required by paragraph (b) of this section with respect to a transaction in currency between the institution and a commercial bank. (A limitation on the exemption described in this paragraph (d)(1) is set forth in paragraph (d)(6) of this section.)

(2) *Exempt person*. For purposes of this section, an exempt person is:

(i) A bank, to the extent of such bank's domestic operations;

(ii) A department or agency of the United States, of any State, or of any political subdivision of any State;

(iii) Any entity established under the laws of the United States, of any State, or of any political subdivision of any State, or under an interstate compact between two or more States, that exercises governmental authority on behalf of the United States or any such State or political subdivision;

(iv) Any entity, other than a bank, whose common stock or analogous equity interests are listed on the New York Stock Exchange or the American Stock Exchange or whose common stock or analogous equity interests have been designated as a NASDAQ National Market Security listed on the NASDAQ Stock Market (except stock or interests listed under the separate "NASDAQ Capital Markets Companies" heading), provided that, for purposes of this paragraph (d)(2)(iv), a person that is a financial institution, other than a bank, is an exempt person only to the extent of its domestic operations;

(v) Any subsidiary, other than a bank, of any entity described in paragraph (d)(2)(iv) of this section (a "listed entity") that is organized under the laws of the United States or of any State and at least 51 percent of whose common stock or analogous equity interest is owned by the listed entity, provided that, for purposes of this paragraph (d)(2)(v), a person that is a

financial institution, other than a bank, is an exempt person only to the extent of its domestic operations;

(vi) To the extent of its domestic operations and only with respect to transactions conducted through its exemptible accounts, any other commercial enterprise (for purposes of this paragraph (d), a “non-listed business”), other than an enterprise specified in paragraph (d)(5)(viii) of this section, that:

(A) Maintains a transaction account, as defined in paragraph (d)(5)(ix) of this section, at the bank for at least two months, except as provided in paragraph (d)(3)(ii)(B) of this section;

(B) Frequently engages in transactions in currency with the bank in excess of \$10,000; and

(C) Is incorporated or organized under the laws of the United States or a State, or is registered as and eligible to do business within the United States or a State; or

(vii) With respect solely to withdrawals for payroll purposes from existing exemptible accounts, any other person (for purposes of this paragraph (d), a “payroll customer”) that:

(A) Maintains a transaction account, as defined in paragraph (d)(5)(ix) of this section, at the bank for at least two months, except as provided in paragraph (d)(3)(ii)(B) of this section;

(B) Operates a firm that regularly withdraws more than \$10,000 in order to pay its United States employees in currency; and

(C) Is incorporated or organized under the laws of the United States or a State, or is registered as and eligible to do business within the United States or a State.

(3) *Designation of certain exempt persons*—(i) *General*. Except as provided in paragraph (d)(3)(ii) of this section, a bank must designate an exempt person by filing FinCEN Form 110. Such designation must occur by the close of the 30-calendar day period beginning after the day of the first reportable transaction in currency with that person sought to be exempted from reporting under the terms of this paragraph (d). The designation must be made separately by each bank that treats the customer as an exempt person, except

as provided in paragraph (d)(5)(vi) of this section.

(ii) *Special rules*—(A) A bank is not required to file a FinCEN Form 110 with respect to the transfer of currency to or from:

(1) Any of the twelve Federal Reserve Banks; or

(2) Any exempt person as described in paragraphs (d)(2)(i) to (iii) of this section.

(B) Notwithstanding subparagraphs (d)(2)(vi)(A) and (d)(2)(vii)(A) of this section, and if the requirements under this paragraph (d) of this section are otherwise satisfied, a bank may designate a non-listed business or a payroll customer, as described in paragraphs (d)(2)(vi) and (vii) of this section, as an exempt person before the customer has maintained a transaction account at the bank for at least two months if the bank conducts and documents a risk-based assessment of the customer and forms a reasonable belief that the customer has a legitimate business purpose for conducting frequent transactions in currency.

(4) *Annual review*. At least once each year, a bank must review the eligibility of an exempt person described in paragraphs (d)(2)(iv) to (vii) of this section to determine whether such person remains eligible for an exemption. As part of its annual review, a bank must review the application of the monitoring system required to be maintained by paragraph (d)(8)(ii) of this section to each existing account of an exempt person described in paragraphs (d)(2)(vi) or (d)(2)(vii) of this section.

(5) *Operating rules*—(i) *General rule*. Subject to the specific rules of this paragraph (d), a bank must take such steps to assure itself that a person is an exempt person (within the meaning of the applicable provision of paragraph (d)(2) of this section), to document the basis for its conclusions, and document its compliance, with the terms of this paragraph (d), that a reasonable and prudent bank would take and document to protect itself from loan or other fraud or loss based on misidentification of a person’s status, and in the case of the monitoring system requirement set forth in paragraph (d)(8)(ii) of this section, such steps that a reasonable and prudent bank would

take and document to identify suspicious transactions as required by paragraph (d)(8)(ii) of this section.

(ii) *Governmental departments and agencies.* A bank may treat a person as a governmental department, agency, or entity if the name of such person reasonably indicates that it is described in paragraph (d)(2)(ii) or (d)(2)(iii) of this section, or if such person is known generally in the community to be a State, the District of Columbia, a tribal government, a Territory or Insular Possession of the United States, or a political subdivision or a wholly-owned agency or instrumentality of any of the foregoing. An entity generally exercises governmental authority on behalf of the United States, a State, or a political subdivision, for purposes of paragraph (d)(2)(iii) of this section, only if its authorities include one or more of the powers to tax, to exercise the authority of eminent domain, or to exercise police powers with respect to matters within its jurisdiction. Examples of entities that exercise governmental authority include, but are not limited to, the New Jersey Turnpike Authority and the Port Authority of New York and New Jersey.

(iii) *Stock exchange listings.* In determining whether a person is described in paragraph (d)(2)(iv) of this section, a bank may rely on any New York, American, or NASDAQ Stock Market listing published in a newspaper of general circulation, on any commonly accepted or published stock symbol guide, on any information contained in the Securities and Exchange Commission "EDGAR" System, or on any information contained on an Internet site or sites maintained by the New York Stock Exchange, the American Stock Exchange, or the NASDAQ.

(iv) *Listed company subsidiaries.* In determining whether a person is described in paragraph (d)(2)(v) of this section, a bank may rely upon:

(A) Any reasonably authenticated corporate officer's certificate;

(B) Any reasonably authenticated photocopy of Internal Revenue Service Form 851 (Affiliation Schedule) or the equivalent thereof for the appropriate tax year; or

(C) A person's Annual Report or Form 10-K, as filed in each case with

the Securities and Exchange Commission.

(v) *Aggregated accounts.* In determining the qualification of a customer as a non-listed business or a payroll customer, a bank may treat all exemptible accounts of the customer as a single account. If a bank elects to treat all exemptible accounts of a customer as a single account, the bank must continue to treat such accounts consistently as a single account for purposes of determining the qualification of the customer as a non-listed business or payroll customer.

(vi) *Affiliated banks.* The designation required by paragraph (d)(3) of this section may be made by a parent bank holding company or one of its bank subsidiaries on behalf of all bank subsidiaries of the holding company, so long as the designation lists each bank subsidiary to which the designation shall apply.

(vii) *Sole proprietorships.* A sole proprietorship may be treated as a non-listed business if it otherwise meets the requirements of paragraph (d)(2)(vi) of this section, as applicable. In addition, a sole proprietorship may be treated as a payroll customer if it otherwise meets the requirements of paragraph (d)(2)(vii) of this section, as applicable.

(viii) *Ineligible businesses.* A business engaged primarily in one or more of the following activities may not be treated as a non-listed business for purposes of this paragraph (d): serving as financial institutions or agents of financial institutions of any type; purchase or sale to customers of motor vehicles of any kind, vessels, aircraft, farm equipment or mobile homes; the practice of law, accountancy, or medicine; auctioning of goods; chartering or operation of ships, buses, or aircraft; gaming of any kind (other than licensed parimutuel betting at race tracks); investment advisory services or investment banking services; real estate brokerage; pawn brokerage; title insurance and real estate closing; trade union activities; and any other activities that may be specified by FinCEN. A business that engages in multiple business activities may be treated as a non-listed business so long as no more

than 50% of its gross revenues are derived from one or more of the ineligible business activities listed in this paragraph (d)(5)(viii).

(ix) *Exemptible accounts of a non-listed business or payroll customer.* The exemptible accounts of a non-listed business or payroll customer include transaction accounts and money market deposit accounts. However, money market deposit accounts maintained other than in connection with a commercial enterprise are not exemptible accounts. A transaction account, for purposes of this paragraph (d), is any account described in section 19(b)(1)(C) of the Federal Reserve Act, 12 U.S.C. 461(b)(1)(C), and its implementing regulations (12 CFR part 204). A money market deposit account, for purposes of this paragraph (d), is any interest-bearing account that is described as a money market deposit account in 12 CFR 204.2(d)(2).

(x) *Documentation.* The records maintained by a bank to document its compliance with and administration of the rules of this paragraph (d) shall be maintained in accordance with the provisions of §103.38.

(6) *Limitation on exemption.* A transaction carried out by an exempt person as an agent for another person who is the beneficial owner of the funds that are the subject of a transaction in currency is not subject to the exemption from reporting contained in paragraph (d)(1) of this section.

(7) *Limitation on liability.* (i) No bank shall be subject to penalty under this part for failure to file a report required by paragraph (b) of this section with respect to a transaction in currency by an exempt person with respect to which the requirements of this paragraph (d) have been satisfied, unless the bank:

(A) Knowingly files false or incomplete information with respect to the transaction or the customer engaging in the transaction; or

(B) Has reason to believe that the customer does not meet the criteria established by this paragraph (d) for treatment of the transactor as an exempt person or that the transaction is not a transaction of the exempt person.

(ii) Subject to the specific terms of this paragraph (d), and absent any specific knowledge of information indi-

cating that a customer no longer meets the requirements of an exempt person, a bank satisfies the requirements of this paragraph (d) to the extent it continues to treat that customer as an exempt person until the completion of that customer's next required periodic review, which as required by paragraph (d)(4) of this section for an exempt person described in paragraph (d)(2)(iv) to (vii) of this section, shall occur no less than once each year.

(iii) A bank that files a report with respect to a currency transaction by an exempt person rather than treating such person as exempt shall remain subject, with respect to each such report, to the rules for filing reports, and the penalties for filing false or incomplete reports that are applicable to reporting of transactions in currency by persons other than exempt persons.

(8) *Obligations to file suspicious activity reports and maintain system for monitoring transactions in currency.* (i) Nothing in this paragraph (d) relieves a bank of the obligation, or reduces in any way such bank's obligation, to file a report required by §103.18 with respect to any transaction, including any transaction in currency that a bank knows, suspects, or has reason to suspect is a transaction or attempted transaction that is described in §103.18(a)(2)(i), (ii), or (iii), or relieves a bank of any reporting or recordkeeping obligation imposed by this part (except the obligation to report transactions in currency pursuant to this section to the extent provided in this paragraph (d)). Thus, for example, a sharp increase from one year to the next in the gross total of currency transactions made by an exempt customer, or similarly anomalous transactions trends or patterns, may trigger the obligation of a bank under §103.18.

(ii) Consistent with its annual review obligations under paragraph (d)(4) of this section, a bank shall establish and maintain a monitoring system that is reasonably designed to detect, for each account of a non-listed business or payroll customer, those transactions in currency involving such account that would require a bank to file a suspicious transaction report. The statement in the preceding sentence with

Monetary Offices, Treasury

§ 103.23

respect to accounts of non-listed business and payroll customers does not limit the obligation of banks generally to take the steps necessary to satisfy the terms of paragraph (d)(8)(i) of this section and §103.18 with respect to all exempt persons.

(9) *Revocation.* Without any action on the part of the Department of the Treasury and subject to the limitation on liability contained in paragraph (d)(7)(ii) of this section:

(i) The status of an entity as an exempt person under paragraph (d)(2)(iv) of this section ceases once such entity ceases to be listed on the applicable stock exchange; and

(ii) The status of a subsidiary as an exempt person under paragraph (d)(2)(v) of this section ceases once such subsidiary ceases to have at least 51 per cent of its common stock or analogous equity interest owned by a listed entity.

§ 103.23 Reports of transportation of currency or monetary instruments.

(a) Each person who physically transports, mails, or ships, or causes to be physically transported, mailed, or shipped, or attempts to physically transport, mail or ship, or attempts to cause to be physically transported, mailed or shipped, currency or other monetary instruments in an aggregate amount exceeding \$10,000 at one time from the United States to any place outside the United States, or into the United States from any place outside the United States, shall make a report thereof. A person is deemed to have caused such transportation, mailing or shipping when he aids, abets, counsels, commands, procures, or requests it to be done by a financial institution or any other person.

(b) Each person who receives in the U.S. currency or other monetary instruments in an aggregate amount exceeding \$10,000 at one time which have been transported, mailed, or shipped to such person from any place outside the United States with respect to which a report has not been filed under para-

graph (a) of this section, whether or not required to be filed thereunder, shall make a report thereof, stating the amount, the date of receipt, the form of monetary instruments, and the person from whom received.

(c) This section shall not require reports by:

(1) A Federal Reserve;

(2) A bank, a foreign bank, or a broker or dealer in securities, in respect to currency or other monetary instruments mailed or shipped through the postal service or by common carrier;

(3) A commercial bank or trust company organized under the laws of any State or of the United States with respect to overland shipments of currency or monetary instruments shipped to or received from an established customer maintaining a deposit relationship with the bank, in amounts which the bank may reasonably conclude do not exceed amounts commensurate with the customary conduct of the business, industry or profession of the customer concerned;

(4) A person who is not a citizen or resident of the United States in respect to currency or other monetary instruments mailed or shipped from abroad to a bank or broker or dealer in securities through the postal service or by common carrier;

(5) A common carrier of passengers in respect to currency or other monetary instruments in the possession of its passengers;

(6) A common carrier of goods in respect to shipments of currency or monetary instruments not declared to be such by the shipper;

(7) A travelers' check issuer or its agent in respect to the transportation of travelers' checks prior to their delivery to selling agents for eventual sale to the public;

(8) By a person with respect to a restrictively endorsed traveler's check that is in the collection and reconciliation process after the traveler's check has been negotiated,

(9) Nor by a person engaged as a business in the transportation of currency, monetary instruments and other commercial papers with respect to the transportation of currency or other

monetary instruments overland between established offices of banks or brokers or dealers in securities and foreign persons.

(d) A transfer of funds through normal banking procedures which does not involve the physical transportation of currency or monetary instruments is not required to be reported by this section. This section does not require that more than one report be filed covering a particular transportation, mailing or shipping of currency or other monetary instruments with respect to which a complete and truthful report has been filed by a person. However, no person required by paragraph (a) or (b) of this section to file a report shall be excused from liability for failure to do so if, in fact, a complete and truthful report has not been filed.

§ 103.24 Reports of foreign financial accounts.

(a) Each person subject to the jurisdiction of the United States (except a foreign subsidiary of a U.S. person) having a financial interest in, or signature or other authority over, a bank, securities or other financial account in a foreign country shall report such relationship to the Commissioner of the Internal Revenue for each year in which such relationship exists, and shall provide such information as shall be specified in a reporting form prescribed by the Secretary to be filed by such persons. Persons having a financial interest in 25 or more foreign financial accounts need only note that fact on the form. Such persons will be required to provide detailed information concerning each account when so requested by the Secretary or his delegate.

[42 FR 63774, Dec. 20, 1977, as amended at 52 FR 11443, Apr. 8, 1987; 52 FR 12641, Apr. 17, 1987]

§ 103.25 Reports of transactions with foreign financial agencies.

(a) *Promulgation of reporting requirements.* The Secretary, when he deems

appropriate, may promulgate regulations requiring specified financial institutions to file reports of certain transactions with designated foreign financial agencies. If any such regulation is issued as a final rule without notice and opportunity for public comment, then a finding of good cause for dispensing with notice and comment in accordance with 5 U.S.C. 553(b) will be included in the regulation. If any such regulation is not published in the FEDERAL REGISTER, then any financial institution subject to the regulation will be named and personally served or otherwise given actual notice in accordance with 5 U.S.C. 553(b). If a financial institution is given notice of a reporting requirement under this section by means other than publication in the FEDERAL REGISTER, the Secretary may prohibit disclosure of the existence or provisions of that reporting requirement to the designated foreign financial agency or agencies and to any other party.

(b) *Information subject to reporting requirements.* A regulation promulgated pursuant to paragraph (a) of this section shall designate one or more of the following categories of information to be reported:

(1) Checks or drafts, including traveler's checks, received by respondent financial institution for collection or credit to the account of a foreign financial agency, sent by respondent financial institution to a foreign country for collection or payment, drawn by respondent financial institution on a foreign financial agency, drawn by a foreign financial agency on respondent financial institution—including the following information.

- (v) Names of all endorsers.

(2) Transmittal orders received by a respondent financial institution from a foreign financial agency or sent by respondent financial institution to a foreign financial agency, including all information maintained by that institution pursuant to § 103.33.

(3) Loans made by respondent financial institution to or through a foreign

Monetary Offices, Treasury

§ 103.25

financial agency—including the following information:

- (i) Name of borrower;
- (ii) Name of person acting for borrower;
- (iii) Date and amount of loan;
- (iv) Terms of repayment;
- (v) Name of guarantor;
- (vi) Rate of interest;
- (vii) Method of disbursing proceeds;
- (viii) Collateral for loan.

(4) Commercial paper received or shipped by the respondent financial institution—including the following information:

- (i) Name of maker;
- (ii) Date and amount of paper;
- (iii) Due date;
- (iv) Certificate number;
- (v) Amount of transaction.

(5) Stocks received or shipped by respondent financial institution—including the following information:

- (i) Name of corporation;
- (ii) Type of stock;
- (iii) Certificate number;

(6) Bonds received or shipped by respondent financial institution—including the following information:

(7) Certificates of deposit received or shipped by respondent financial institution—including the following information:

- (iii) Dollar amount;
- (iv) Name of registered holder;
- (v) Due date;
- (vi) Rate of interest;
- (vii) Certificate number;
- (viii) Name and address of issuing agent.

(c) *Scope of reports.* In issuing regulations as provided in paragraph (a) of this section, the Secretary will prescribe:

(1) A reasonable classification of financial institutions subject to or exempt from a reporting requirement;

(2) A foreign country to which a reporting requirement applies if the Secretary decides that applying the requirement to all foreign countries is unnecessary or undesirable;

(3) The magnitude of transactions subject to a reporting requirement; and

(4) The kind of transaction subject to or exempt from a reporting requirement.

(d) *Form of reports.* Regulations issued pursuant to paragraph (a) of this section may prescribe the manner in which the information is to be reported. However, the Secretary may authorize a designated financial institution to report in a different manner if the institution demonstrates to the Secretary that the form of the required report is unnecessarily burdensome on the institution as prescribed; that a report in a different form will provide all the information the Secretary deems necessary; and that submission of the information in a different manner will not unduly hinder the effective administration of this part.

(e) *Limitations.* (1) In issuing regulations under paragraph (a) of this section, the Secretary shall consider the need to avoid impeding or controlling the export or import of monetary instruments and the need to avoid burdening unreasonably a person making a transaction with a foreign financial agency.

(2) The Secretary shall not issue a regulation under paragraph (a) of this section for the purpose of obtaining individually identifiable account information concerning a customer, as defined by the Right to Financial Privacy Act (12 U.S.C. 3401 *et seq.*), where that customer is already the subject of an ongoing investigation for possible violation of the Currency and Foreign Transactions Reporting Act, or is known by the Secretary to be the subject of an investigation for possible violation of any other Federal law.

(3) The Secretary may issue a regulation pursuant to paragraph (a) of this section requiring a financial institution to report transactions completed prior to the date it received notice of the reporting requirement. However,

§ 103.26

31 CFR Ch. I (7-1-10 Edition)

with respect to completed transactions, a financial institution may be required to provide information only from records required to be maintained pursuant to Subpart C of this part, or any other provision of state or Federal law, or otherwise maintained in the regular course of business.

§ 103.26 Reports of certain domestic coin and currency transactions.

(a) If the Secretary of the Treasury finds, upon the Secretary's own initiative or at the request of an appropriate Federal or State law enforcement official, that reasonable grounds exist for concluding that additional record-keeping and/or reporting requirements are necessary to carry out the purposes of this part and to prevent persons from evading the reporting/record-keeping requirements of this part, the Secretary may issue an order requiring any domestic financial institution or group of domestic financial institutions in a geographic area and any other person participating in the type of transaction to file a report in the manner and to the extent specified in such order. The order shall contain such information as the Secretary may describe concerning any transaction in which such financial institution is involved for the payment, receipt, or transfer of United States coins or currency (or such other monetary instruments as the Secretary may describe in such order) the total amounts or denominations of which are equal to or greater than an amount which the Secretary may prescribe.

(b) An order issued under paragraph (a) of this section shall be directed to the Chief Executive Officer of the financial institution and shall designate one or more of the following categories of information to be reported: Each deposit, withdrawal, exchange of currency or other payment or transfer, by, through or to such financial institution specified in the order, which involves all or any class of transactions in currency and/or monetary instru-

ments equal to or exceeding an amount to be specified in the order.

(3) The appropriate form for reporting the transactions required in the order;

(4) The address to which reports required in the order are to be sent or from which they will be picked up;

(5) The starting and ending dates by which such transactions specified in the order are to be reported;

(6) The name of a Treasury official to be contacted for any additional information or questions;

(7) The amount of time the reports and records of reports generated in response to the order will have to be retained by the financial institution; and

(8) Any other information deemed necessary to carry out the purposes of the order.

(d)(1) No order issued pursuant to paragraph (a) of this section shall prescribe a reporting period of more than 60 days unless renewed pursuant to the requirements of paragraph (a).

(2) Any revisions to an order issued under this section will not be effective until made in writing by the Secretary.

(3) Unless otherwise specified in the order, a bank receiving an order under this section may continue to use the exemptions granted under § 103.22 of this part prior to the receipt of the order, but may not grant additional exemptions.

(4) For purposes of this section, the term *geographic area* means any area in one or more States of the United States, the District of Columbia, the Commonwealth of Puerto Rico, the United States Virgin Islands, Guam, the Commonwealth of the Northern Mariana Islands, American Samoa, the Trust Territory of the Pacific Islands, the territories and possessions of the

§ 103.28 Identification required.

Before concluding any transaction with respect to which a report is required under § 103.22, a financial institution shall verify and record the name and address of the individual presenting a transaction, as well as record the identity, account number, and the social security or taxpayer identification number, if any, of any person or entity on whose behalf such transaction is to be effected. Verification of the identity of an individual who indicates that he or she is an alien or is not a resident of the United States must be made by passport, alien identification card, or other official document evidencing nationality or residence (*e.g.*, a Provincial driver's license with indication of home address). Verification of identity in any other case shall be made by examination of a document, other than a bank signature card, that is normally acceptable within the banking community as a means of identification when cashing checks for nondepositors (*e.g.*, a drivers license or credit card). A bank signature card may be relied upon only if it was issued after documents establishing the identity of the individual were examined and notation of the specific information was made on the signature card. In each instance, the specific identifying information (*i.e.*, the account number of the credit card, the driver's license number, etc.) used in verifying the identity of the customer shall be recorded on the report, and the mere

notation of "known customer" or "bank signature card on file" on the report is prohibited.

§ 103.29 Purchases of bank checks and drafts, cashier's checks, money orders and traveler's checks.

(a) No financial institution may issue or sell a bank check or draft, cashier's check, money order or traveler's check for \$3,000 or more in currency unless it maintains records of the following information, which must be obtained for each issuance or sale of one or more of these instruments to any individual purchaser which involves currency in amounts of \$3,000-\$10,000 inclusive:

(1) If the purchaser has a deposit account with the financial institution:

- (i)(A) The name of the purchaser;
(B) The date of purchase;
(C) The type(s) of instrument(s) purchased;

(D) The serial number(s) of each of the instrument(s) purchased; and

(E) The amount in dollars of each of the instrument(s) purchased.

(ii) In addition, the financial institution must verify that the individual is a deposit accountholder or must verify the individual's identity. Verification may be either through a signature card or other file or record at the financial institution provided the deposit accountholder's name and address were verified previously and that information was recorded on the signature card or other file or record; or by examination of a document which is normally acceptable within the banking community as a means of identification when cashing checks for nondepositors and which contains the name and address of the purchaser. If the deposit accountholder's identity has not been verified previously, the financial institution shall verify the deposit accountholder's identity by examination of a document which is normally acceptable within the banking community as a means of identification when cashing checks for nondepositors and which contains the name and address

of the purchaser, and shall record the specific identifying information (e.g., State of issuance and number of driver's license).

(2) If the purchaser does not have a deposit account with the financial institution:

- (i)(A) The name and address of the purchaser;
(B) The social security number of the purchaser, or if the purchaser is an alien and does not have a social security number, the alien identification number;
(C) The date of birth of the purchaser;
(D) The date of purchase;
(E) The type(s) of instrument(s) purchased;
(F) The serial number(s) of the instrument(s) purchased; and
(G) The amount in dollars of each of the instrument(s) purchased.

(ii) In addition, the financial institution shall verify the purchaser's name and address by examination of a document which is normally acceptable within the banking community as a means of identification when cashing checks for nondepositors and which contains the name and address of the purchaser, and shall record the specific identifying information (e.g., State of issuance and number of driver's license).

(b) Contemporaneous purchases of the same or different types of instruments totaling \$3,000 or more shall be treated as one purchase. Multiple purchases during one business day totaling \$3,000 or more shall be treated as one purchase if an individual employee, director, officer, or partner of the financial institution has knowledge that these purchases have occurred.

(c) Records required to be kept shall be retained by the financial institution for a period of five years and shall be made available to the Secretary upon request at any time.

§ 103.30 Reports relating to currency in excess of \$10,000 received in a trade or business.

(a) Reporting requirement—(1) Reportable transactions—(i) In general. Any person (solely for purposes of section 5331 of title 31, United States Code and

this section, “person” shall have the same meaning as under 26 U.S.C. 7701 (a)(1) who, in the course of a trade or business in which such person is engaged, receives currency in excess of \$10,000 in 1 transaction (or 2 or more related transactions) shall, except as otherwise provided, make a report of information with respect to the receipt of currency. This section does not apply to amounts received in a transaction reported under 31 U.S.C. 5313 and §103.22.

(ii) *Certain financial transactions.* Section 6050I of title 26 of the United States Code requires persons to report information about financial transactions to the IRS, and 31 U.S.C. 5331 requires persons to report similar information about certain transactions to the Financial Crimes Enforcement Network. This information shall be reported on the same form as prescribed by the Secretary.

(2) *Currency received for the account of another.* Currency in excess of \$10,000 received by a person for the account of another must be reported under this section. Thus, for example, a person who collects delinquent accounts receivable for an automobile dealer must report with respect to the receipt of currency in excess of \$10,000 from the collection of a particular account even though the proceeds of the collection are credited to the account of the automobile dealer (*i.e.*, where the rights to the proceeds from the account are retained by the automobile dealer and the collection is made on a fee-for-service basis).

(3) *Currency received by agents*—(i) *General rule.* Except as provided in paragraph (a)(3)(ii) of this section, a person who in the course of a trade or business acts as an agent (or in some other similar capacity) and receives currency in excess of \$10,000 from a principal must report the receipt of currency under this section.

(ii) *Exception.* An agent who receives currency from a principal and uses all of the currency within 15 days in a currency transaction (the “second currency transaction”) which is reportable under section 5312 of title 31, or 31 U.S.C. 5331 and this section, and who discloses the name, address, and taxpayer identification number of the

principal to the recipient in the second currency transaction need not report the initial receipt of currency under this section. An agent will be deemed to have met the disclosure requirements of this paragraph (a)(3)(ii) if the agent discloses only the name of the principal and the agent knows that the recipient has the principal’s address and taxpayer identification number.

(iii) *Example.* The following example illustrates the application of the rules in paragraphs (a)(3)(i) and (ii) of this section:

Example. B, the principal, gives D, an attorney, \$75,000 in currency to purchase real property on behalf of B. Within 15 days D purchases real property for currency from E, a real estate developer, and discloses to E, B’s name, address, and taxpayer identification number. Because the transaction qualifies for the exception provided in paragraph (a)(3)(ii) of this section, D need not report with respect to the initial receipt of currency under this section. The exception does not apply, however, if D pays E by means other than currency, or effects the purchase more than 15 days following receipt of the currency from B, or fails to disclose B’s name, address, and taxpayer identification number (assuming D does not know that E already has B’s address and taxpayer identification number), or purchases the property from a person whose sale of the property is not in the course of that person’s trade or business. In any such case, D is required to report the receipt of currency from B under this section.

(b) *Multiple payments.* The receipt of multiple currency deposits or currency installment payments (or other similar payments or prepayments) relating to a single transaction (or two or more related transactions), is reported as set forth in paragraphs (b)(1) through (b)(3) of this section.

(1) *Initial payment in excess of \$10,000.* If the initial payment exceeds \$10,000, the recipient must report the initial payment within 15 days of its receipt.

(2) *Initial payment of \$10,000 or less.* If the initial payment does not exceed \$10,000, the recipient must aggregate the initial payment and subsequent payments made within one year of the initial payment until the aggregate amount exceeds \$10,000, and report with respect to the aggregate amount within 15 days after receiving the payment that causes the aggregate amount to exceed \$10,000.

(3) *Subsequent payments.* In addition to any other required report, a report must be made each time that previously unreportable payments made within a 12-month period with respect to a single transaction (or two or more related transactions), individually or in the aggregate, exceed \$10,000. The report must be made within 15 days after receiving the payment in excess of \$10,000 or the payment that causes the aggregate amount received in the 12-month period to exceed \$10,000. (If more than one report would otherwise be required for multiple currency payments within a 15-day period that relate to a single transaction (or two or more related transactions), the recipient may make a single combined report with respect to the payments. The combined report must be made no later than the date by which the first of the separate reports would otherwise be required to be made.)

(4) *Example.* The following example illustrates the application of the rules in paragraphs (b)(1) through (b)(3) of this section:

Example. On January 10, Year 1, M receives an initial payment in currency of \$11,000 with respect to a transaction. M receives subsequent payments in currency with respect to the same transaction of \$4,000 on February 15, Year 1, \$6,000 on March 20, Year 1, and \$12,000 on May 15, Year 1. M must make a report with respect to the payment received on January 10, Year 1, by January 25, Year 1. M must also make a report with respect to the payments totaling \$22,000 received from February 15, Year 1, through May 15, Year 1. This report must be made by May 30, Year 1, that is, within 15 days of the date that the subsequent payments, all of which were received within a 12-month period, exceeded \$10,000.

(c) *Meaning of terms.* The following definitions apply for purposes of this section—

(1) *Currency.* Solely for purposes of 31 U.S.C. 5331 and this section, *currency* means—

(i) The coin and currency of the United States or of any other country, which circulate in and are customarily used and accepted as money in the country in which issued; and

(ii) A cashier's check (by whatever name called, including "treasurer's check" and "bank check"), bank draft, traveler's check, or money order hav-

ing a face amount of not more than \$10,000—

(A) Received in a designated reporting transaction as defined in paragraph (c)(2) of this section (except as provided in paragraphs (c)(3), (4), and (5) of this section), or

(B) Received in any transaction in which the recipient knows that such instrument is being used in an attempt to avoid the reporting of the transaction under section 5331 and this section.

(2) *Designated reporting transaction.* A designated reporting transaction is a retail sale (or the receipt of funds by a broker or other intermediary in connection with a retail sale) of—

(i) A consumer durable, (ii) A collectible, or

(iii) A travel or entertainment activity.

(3) *Exception for certain loans.* A cashier's check, bank draft, traveler's check, or money order received in a designated reporting transaction is not treated as currency pursuant to paragraph (c)(1)(ii)(A) of this section if the instrument constitutes the proceeds of a loan from a bank. The recipient may rely on a copy of the loan document, a written statement from the bank, or similar documentation (such as a written lien instruction from the issuer of the instrument) to substantiate that the instrument constitutes loan proceeds.

(4) *Exception for certain installment sales.* A cashier's check, bank draft, traveler's check, or money order received in a designated reporting transaction is not treated as currency pursuant to paragraph (c)(1)(ii)(A) of this section if the instrument is received in payment on a promissory note or an installment sales contract (including a lease that is considered to be a sale for Federal income tax purposes). However, the preceding sentence applies only if—

(i) Promissory notes or installment sales contracts with the same or substantially similar terms are used in the ordinary course of the recipient's trade or business in connection with sales to ultimate consumers; and

(ii) The total amount of payments with respect to the sale that are received on or before the 60th day after

the date of the sale does not exceed 50 percent of the purchase price of the sale.

(5) *Exception for certain down payment plans.* A cashier's check, bank draft, traveler's check, or money order received in a designated reporting transaction is not treated as currency pursuant to paragraph (c)(1)(ii)(A) of this section if the instrument is received pursuant to a payment plan requiring one or more down payments and the payment of the balance of the purchase price by a date no later than the date of the sale (in the case of an item of travel or entertainment, a date no later than the earliest date that any item of travel or entertainment pertaining to the same trip or event is furnished). However, the preceding sentence applies only if—

(i) The recipient uses payment plans with the same or substantially similar terms in the ordinary course of its trade or business in connection with sales to ultimate consumers; and

(ii) The instrument is received more than 60 days prior to the date of the sale (in the case of an item of travel or entertainment, the date on which the final payment is due).

(6) *Examples.* The following examples illustrate the definition of "currency" set forth in paragraphs (c)(1) through (c)(5) of this section:

Example 1. D, an individual, purchases gold coins from M, a coin dealer, for \$13,200. D tenders to M in payment United States currency in the amount of \$6,200 and a cashier's check in the face amount of \$7,000 which D had purchased. Because the sale is a designated reporting transaction, the cashier's check is treated as currency for purposes of 31 U.S.C. 5331 and this section. Therefore, because M has received more than \$10,000 in currency with respect to the transaction, M must make the report required by 31 U.S.C. 5331 and this section.

Example 2. E, an individual, purchases an automobile from Q, an automobile dealer, for \$11,500. E tenders to Q in payment United States currency in the amount of \$2,000 and a cashier's check payable to E and Q in the amount of \$9,500. The cashier's check constitutes the proceeds of a loan from the bank issuing the check. The origin of the proceeds is evident from provisions inserted by the bank on the check that instruct the dealer to cause a lien to be placed on the vehicle as security for the loan. The sale of the automobile is a designated reporting transaction. However, under paragraph (c)(3) of this sec-

tion, because E has furnished Q documentary information establishing that the cashier's check constitutes the proceeds of a loan from the bank issuing the check, the cashier's check is not treated as currency pursuant to paragraph (c)(1)(ii)(A) of this section.

Example 3. F, an individual, purchases an item of jewelry from S, a retail jeweler, for \$12,000. F gives S traveler's checks totaling \$2,400 and pays the balance with a personal check payable to S in the amount of \$9,600. Because the sale is a designated reporting transaction, the traveler's checks are treated as currency for purposes of section 5331 and this section. However, because the personal check is not treated as currency for purposes of section 5331 and this section, S has not received more than \$10,000 in currency in the transaction and no report is required to be filed under section 5331 and this section.

Example 4. G, an individual, purchases a boat from T, a boat dealer, for \$16,500. G pays T with a cashier's check payable to T in the amount of \$16,500. The cashier's check is not treated as currency because the face amount of the check is more than \$10,000. Thus, no report is required to be made by T under section 5331 and this section.

Example 5. H, an individual, arranges with W, a travel agent, for the chartering of a passenger aircraft to transport a group of individuals to a sports event in another city. H also arranges with W for hotel accommodations for the group and for admission tickets to the sports event. In payment, H tenders to W money orders which H had previously purchased. The total amount of the money orders, none of which individually exceeds \$10,000 in face amount, exceeds \$10,000. Because the transaction is a designated reporting transaction, the money orders are treated as currency for purposes of section 5331 and this section. Therefore, because W has received more than \$10,000 in currency with respect to the transaction, W must make the report required by section 5331 and this section.

(7) *Consumer durable.* The term *consumer durable* means an item of tangible personal property of a type that is suitable under ordinary usage for personal consumption or use, that can reasonably be expected to be useful for at least 1 year under ordinary usage, and that has a sales price of more than \$10,000. Thus, for example, a \$20,000 automobile is a consumer durable (whether or not it is sold for business use), but a \$20,000 dump truck or a \$20,000 factory machine is not.

(8) *Collectible.* The term *collectible* means an item described in paragraphs (A) through (D) of section 408 (m)(2) of

title 26 of the United States Code (determined without regard to section 408 (m)(3) of title 26 of the United States Code).

(9) *Travel or entertainment activity.* The term *travel or entertainment activity* means an item of travel or entertainment (within the meaning of 26 CFR 1.274–2(b)(1)) pertaining to a single trip or event where the aggregate sales price of the item and all other items pertaining to the same trip or event that are sold in the same transaction (or related transactions) exceeds \$10,000.

(10) *Retail sale.* The term *retail sale* means any sale (whether for resale or for any other purpose) made in the course of a trade or business if that trade or business principally consists of making sales to ultimate consumers.

(11) *Trade or business.* The term *trade or business* has the same meaning as under section 162 of title 26, United States Code.

(12) *Transaction.* (i) Solely for purposes of 31 U.S.C. 5331 and this section, the term *transaction* means the underlying event precipitating the payer's transfer of currency to the recipient. In this context, transactions include (but are not limited to) a sale of goods or services; a sale of real property; a sale of intangible property; a rental of real or personal property; an exchange of currency for other currency; the establishment or maintenance of or contribution to a custodial, trust, or escrow arrangement; a payment of a pre-existing debt; a conversion of currency to a negotiable instrument; a reimbursement for expenses paid; or the making or repayment of a loan. A transaction may not be divided into multiple transactions in order to avoid reporting under this section.

(ii) The term *related transactions* means any transaction conducted between a payer (or its agent) and a recipient of currency in a 24-hour period. Additionally, transactions conducted between a payer (or its agent) and a currency recipient during a period of more than 24 hours are related if the recipient knows or has reason to know that each transaction is one of a series of connected transactions.

(iii) The following examples illustrate the definition of paragraphs (c)(12) (i) and (ii) of this section:

Example 1. A person has a tacit agreement with a gold dealer to purchase \$36,000 in gold bullion. The \$36,000 purchase represents a single transaction under paragraph (c)(12)(i) of this section and the reporting requirements of this section cannot be avoided by recasting the single sales transaction into 4 separate \$9,000 sales transactions.

Example 2. An attorney agrees to represent a client in a criminal case with the attorney's fee to be determined on an hourly basis. In the first month in which the attorney represents the client, the bill for the attorney's services comes to \$8,000 which the client pays in currency. In the second month in which the attorney represents the client, the bill for the attorney's services comes to \$4,000, which the client again pays in currency. The aggregate amount of currency paid (\$12,000) relates to a single transaction as defined in paragraph (c)(12)(i) of this section, the sale of legal services relating to the criminal case, and the receipt of currency must be reported under this section.

Example 3. A person intends to contribute a total of \$45,000 to a trust fund, and the trustee of the fund knows or has reason to know of that intention. The \$45,000 contribution is a single transaction under paragraph (c)(12)(i) of this section and the reporting requirement of this section cannot be avoided by the grantor's making five separate \$9,000 contributions of currency to a single fund or by making five \$9,000 contributions of currency to five separate funds administered by a common trustee.

Example 4. K, an individual, attends a one day auction and purchases for currency two items, at a cost of \$9,240 and \$1,732.50 respectively (tax and buyer's premium included). Because the transactions are related transactions as defined in paragraph (c)(12)(ii) of this section, the auction house is required to report the aggregate amount of currency received from the related sales (\$10,972.50), even though the auction house accounts separately on its books for each item sold and presents the purchaser with separate bills for each item purchased.

Example 5. F, a coin dealer, sells for currency \$9,000 worth of gold coins to an individual on three successive days. Under paragraph (c)(12)(ii) of this section the three \$9,000 transactions are related transactions aggregating \$27,000 if F knows, or has reason to know, that each transaction is one of a series of connected transactions.

(13) *Recipient.* (i) The term *recipient* means the person receiving the currency. Except as provided in paragraph

(c)(13)(ii) of this section, each store, division, branch, department, headquarters, or office (“branch”) (regardless of physical location) comprising a portion of a person’s trade or business shall for purposes of this section be deemed a separate recipient.

(ii) A branch that receives currency payments will not be deemed a separate recipient if the branch (or a central unit linking such branch with other branches) would in the ordinary course of business have reason to know the identity of payers making currency payments to other branches of such person.

(iii) *Examples.* The following examples illustrate the application of the rules in paragraphs (c)(13)(i) and (ii) of this section:

Example 1. N, an individual, purchases regulated futures contracts at a cost of \$7,500 and \$5,000, respectively, through two different branches of Commodities Broker X on the same day. N pays for each purchase with currency. Each branch of Commodities Broker X transmits the sales information regarding each of N’s purchases to a central unit of Commodities Broker X (which settles the transactions against N’s account). Under paragraph (c)(13)(ii) of this section the separate branches of Commodities Broker X are not deemed to be separate recipients; therefore, Commodities Broker X must report with respect to the two related regulated futures contracts sales in accordance with this section.

Example 2. P, a corporation, owns and operates a racetrack. P’s racetrack contains 100 betting windows at which pari-mutuel wagers may be made. R, an individual, places currency wagers of \$3,000 each at five separate betting windows. Assuming that in the ordinary course of business each betting window (or a central unit linking windows) does not have reason to know the identity of persons making wagers at other betting windows, each betting window would be deemed to be a separate currency recipient under paragraph (c)(13)(i) of this section. As no individual recipient received currency in excess of \$10,000, no report need be made by P under this section.

(d) *Exceptions to the reporting requirements of 31 U.S.C. 5331—(1) Receipt of currency by certain casinos having gross annual gaming revenue in excess of \$1,000,000—(i) In general.* If a casino receives currency in excess of \$10,000 and is required to report the receipt of such currency directly to the Treasury Department under §§ 103.22 (a)(2) and 103.25

and is subject to the recordkeeping requirements of § 103.36, then the casino is not required to make a report with respect to the receipt of such currency under 31 U.S.C. 5331 and this section.

(ii) *Casinos exempt under § 103.55(c).* Pursuant to § 103.55, the Secretary may exempt from the reporting and recordkeeping requirements under §§ 103.22, 103.25 and 103.36 casinos in any state whose regulatory system substantially meets the reporting and recordkeeping requirements of this part. Such casinos shall not be required to report receipt of currency under 31 U.S.C. 5331 and this section.

(iii) *Reporting of currency received in a nongaming business.* Nongaming businesses (such as shops, restaurants, entertainment, and hotels) at casino hotels and resorts are separate trades or businesses in which the receipt of currency in excess of \$10,000 is reportable under section 5331 and these regulations. Thus, a casino exempt under paragraph (d)(1)(i) or (ii) of this section must report with respect to currency in excess of \$10,000 received in its nongaming businesses.

(iv) *Example.* The following example illustrates the application of the rules in paragraphs (d)(2) (i) and (iii) of this section:

Example. A and B are casinos having gross annual gaming revenue in excess of \$1,000,000. C is a casino with gross annual gaming revenue of less than \$1,000,000. Casino A receives \$15,000 in currency from a customer with respect to a gaming transaction which the casino reports to the Treasury Department under §§ 103.22(a)(2) and 103.25. Casino B receives \$15,000 in currency from a customer in payment for accommodations provided to that customer at Casino B’s hotel. Casino C receives \$15,000 in currency from a customer with respect to a gaming transaction. Casino A is not required to report the transaction under 31 U.S.C. 5331 or this section because the exception for certain casinos provided in paragraph (d)(1)(i) of this section (“the casino exception”) applies. Casino B is required to report under 31 U.S.C. 5331 and this section because the casino exception does not apply to the receipt of currency from a nongaming activity. Casino C is required to report under 31 U.S.C. 5331 and this section because the casino exception does not apply to casinos having gross annual gaming revenue of \$1,000,000 or less which do not have to report to the Treasury Department under §§ 103.22(a)(2) and 103.25.

(2) *Receipt of currency not in the course of the recipient's trade or business.* The receipt of currency in excess of \$10,000 by a person other than in the course of the person's trade or business is not reportable under 31 U.S.C. 5331. Thus, for example, F, an individual in the trade or business of selling real estate, sells a motorboat for \$12,000, the purchase price of which is paid in currency. F did not use the motorboat in any trade or business in which F was engaged. F is not required to report under 31 U.S.C. 5331 or this section because the exception provided in this paragraph (d)(2) applies.

(3) *Receipt is made with respect to a foreign currency transaction—(i) In general.* Generally, there is no requirement to report with respect to a currency transaction if the entire transaction occurs outside the United States (the fifty states and the District of Columbia). An entire transaction consists of both the transaction as defined in paragraph (c)(12)(i) of this section and the receipt of currency by the recipient. If, however, any part of an entire transaction occurs in the Commonwealth of Puerto Rico or a possession or territory of the United States and the recipient of currency in that transaction is subject to the general jurisdiction of the Internal Revenue Service under title 26 of the United States Code, the recipient is required to report the transaction under this section.

(ii) *Example.* The following example illustrates the application of the rules in paragraph (d)(3)(i) of this section:

Example. W, an individual engaged in the trade or business of selling aircraft, reaches an agreement to sell an airplane to a U.S. citizen living in Mexico. The agreement, no portion of which is formulated in the United States, calls for a purchase price of \$125,000 and requires delivery of and payment for the airplane to be made in Mexico. Upon delivery of the airplane in Mexico, W receives \$125,000 in currency. W is not required to report under 31 U.S.C. 5331 or this section because the exception provided in paragraph (d)(3)(i) of this section ("foreign transaction exception") applies. If, however, any part of the agreement to sell had been formulated in the United States, the foreign transaction exception would not apply and W would be required to report the receipt of currency under 31 U.S.C. 5331 and this section.

(e) *Time, manner, and form of reporting—(1) In general.* The reports required by paragraph (a) of this section must be made by filing a Form 8300, as specified in 26 CFR 1.6050I-1(e)(2). The reports must be filed at the time and in the manner specified in 26 CFR 1.6050I-1(e)(1) and (3) respectively.

(2) *Verification.* A person making a report of information under this section must verify the identity of the person from whom the reportable currency is received. Verification of the identity of a person who purports to be an alien must be made by examination of such person's passport, alien identification card, or other official document evidencing nationality or residence. Verification of the identity of any other person may be made by examination of a document normally acceptable as a means of identification when cashing or accepting checks (for example, a driver's license or a credit card). In addition, a report will be considered incomplete if the person required to make a report knows (or has reason to know) that an agent is conducting the transaction for a principal, and the return does not identify both the principal and the agent.

(3) *Retention of reports.* A person required to make a report under this section must keep a copy of each report filed for five years from the date of filing.

count is opened, secure and maintain a record of the taxpayer identification number of the person maintaining the account; or in the case of an account of one or more individuals, such broker or dealer shall secure and maintain a record of the social security number of an individual having a financial interest in that account. The name and address of such person shall be verified by the casino at the time the deposit is made, account opened, or credit extended. The verification shall be made by examination of a document of the type described in §103.28, and the specific identifying information shall be recorded in the manner described in §103.28. If the transfer outside the United States is on behalf of a third party, the record shall include the third party's name, permanent address, social security number, signature, and the date and amount of the transaction. If the transfer is received from outside the United States on behalf of a third party, the record shall include the third party's name, permanent address, social security number, signature, and the date and amount of the transaction. (9)(i) A separate record containing a list of each transaction between the casino and its customers involving the following types of instruments having a face value of \$3,000 or more:

Subpart D—Special Rules for Money Services Businesses

SOURCE: 64 FR 45451, Aug. 20, 1999, unless otherwise noted.

§ 103.41 Registration of money services businesses.

(a) *Registration requirement*—(1) *In general.* Except as provided in paragraph (a)(2) of this section, relating to agents, each money services business (whether or not licensed as a money services business by any State) must register with the Department of the Treasury and, as part of that registration, maintain a list of its agents as required by 31 U.S.C. 5330 and this section. This section does not apply to the United States Postal Service, to agencies of the United States, of any State, or of any political subdivision of a State, or to a person to the extent that

31 CFR Ch. I (7–1–10 Edition)

the person is an issuer, seller, or redeemer of stored value.

(2) *Agents.* A person that is a money services business solely because that person serves as an agent of another money services business, see §103.11(uu), is not required to register under this section, but a money services business that engages in activities described in §103.11(uu) both on its own behalf and as an agent for others must register under this section. For example, a supermarket corporation that acts as an agent for an issuer of money orders and performs no other services of a nature and value that would cause the corporation to be a money services business, is not required to register; the answer would be the same if the supermarket corporation served as an agent both of a money order issuer and of a money transmitter. However, registration would be required if the supermarket corporation, in addition to acting as an agent of an issuer of money orders, cashed checks or exchanged currencies (other than as an agent for another business) in an amount greater than \$1,000 in currency or monetary or other instruments for any person on any day, in one or more transactions.

(3) *Agency status.* The determination whether a person is an agent depends on all the facts and circumstances.

(b) *Registration procedures*—(1) *In general.* (i) A money services business must be registered by filing such form as FinCEN may specify with the Detroit Computing Center of the Internal Revenue Service (or such other location as the form may specify). The information required by 31 U.S.C. 5330(b) and any other information required by the form must be reported in the manner and to the extent required by the form.

(ii) A branch office of a money services business is not required to file its own registration form. A money services business must, however, report information about its branch locations or offices as provided by the instructions to the registration form.

(iii) A money services business must retain a copy of any registration form filed under this section and any registration number that may be assigned to the business at a location in the

Monetary Offices, Treasury

§ 103.41

United States and for the period specified in § 103.38(d).

(2) *Registration period.* A money services business must be registered for the initial registration period and each renewal period. The initial registration period is the two-calendar-year period beginning with the calendar year in which the money services business is first required to be registered. However, the initial registration period for a money services business required to register by December 31, 2001 (see paragraph (b)(3) of this section) is the two-calendar year period beginning 2002. Each two-calendar-year period following the initial registration period is a renewal period.

(3) *Due date.* The registration form for the initial registration period must be filed on or before the later of December 31, 2001, and the end of the 180-day period beginning on the day following the date the business is established. The registration form for a renewal period must be filed on or before the last day of the calendar year preceding the renewal period.

(4) *Events requiring re-registration.* If a money services business registered as such under the laws of any State experiences a change in ownership or control that requires the business to be re-registered under State law, the money services business must also be re-registered under this section. In addition, if there is a transfer of more than 10 percent of the voting power or equity interests of a money services business (other than a money services business that must report such transfer to the Securities and Exchange Commission), the money services business must be re-registered under this section. Finally, if a money services business experiences a more than 50-per cent increase in the number of its agents during any registration period, the money services business must be re-registered under this section. The registration form must be filed not later than 180 days after such change in ownership, transfer of voting power or equity interests, or increase in agents. The calendar year in which the change, transfer, or increase occurs is treated as the first year of a new two-year registration period.

(c) *Persons required to file the registration form.* Under 31 U.S.C. 5330(a), any person who owns or controls a money services business is responsible for registering the business; however, only one registration form is required to be filed for each registration period. A person is treated as owning or controlling a money services business for purposes of filing the registration form only to the extent provided by the form. If more than one person owns or controls a money services business, the owning or controlling persons may enter into an agreement designating one of them to register the business. The failure of the designated person to register the money services business does not, however, relieve any of the other persons who own or control the business of liability for the failure to register the business. See paragraph (e) of this section, relating to consequences of the failure to comply with 31 U.S.C. 5330 or this section.

(d) *List of agents—(1) In general.* A money services business must prepare and maintain a list of its agents. The initial list of agents must be prepared by January 1, 2002, and must be revised each January 1, for the immediately preceding 12 month period; for money services businesses established after December 31, 2001, the initial agent list must be prepared by the due date of the initial registration form and must be revised each January 1 for the immediately preceding 12-month period. The list is not filed with the registration form but must be maintained at the location in the United States reported on the registration form under paragraph (b)(1) of this section. Upon request, a money services business must make its list of agents available to FinCEN and any other appropriate law enforcement agency (including, without limitation, the examination function of the Internal Revenue Service in its capacity as delegee of Bank Secrecy Act examination authority). Requests for information made pursuant to the preceding sentence shall be coordinated through FinCEN in the manner and to the extent determined by FinCEN. The original list of agents and any revised list must be retained for the period specified in § 103.38(d).

(2) *Information included on the list of agents*—(i) *In general.* Except as provided in paragraph (d)(2)(ii) of this section, a money services business must include the following information with respect to each agent on the list (including any revised list) of its agents—

(A) The name of the agent, including any trade names or doing-business-as names;

(B) The address of the agent, including street address, city, state, and ZIP code;

(C) The telephone number of the agent;

(D) The type of service or services (money orders, traveler’s checks, check sales, check cashing, currency exchange, and money transmitting) the agent provides;

(E) A listing of the months in the 12 months immediately preceding the date of the most recent agent list in which the gross transaction amount of the agent with respect to financial products or services issued by the money services business maintaining the agent list exceeded \$100,000. For this purpose, the money services gross transaction amount is the agent’s gross amount (excluding fees and commissions) received from transactions of one or more businesses described in §103.11(uu);

(F) The name and address of any depository institution at which the agent maintains a transaction account (as defined in 12 U.S.C. 461(b)(1)(C)) for all or part of the funds received in or for the financial products or services issued by the money services business maintaining the list, whether in the agent’s or the business principal’s name;

(G) The year in which the agent first became an agent of the money services business; and

(H) The number of branches or sub-agents the agent has.

(ii) *Special rules.* Information about agent volume must be current within 45 days of the due date of the agent list. The information described by paragraphs (d)(2)(i)(G) and (d)(2)(i)(H) of this section is not required to be included in an agent list with respect to any person that is an agent of the money services business maintaining the list before the first day of the

month beginning after February 16, 2000 so long as the information described by paragraphs (d)(2)(i)(G) and (d)(2)(i)(H) of this section is made available upon the request of FinCEN and any other appropriate law enforcement agency (including, without limitation, the examination function of the Internal Revenue Service in its capacity as delegee of Bank Secrecy Act examination authority).

(e) *Consequences of failing to comply with 31 U.S.C. 5330 or the regulations thereunder.* It is unlawful to do business without complying with 31 U.S.C. 5330 and this section. A failure to comply with the requirements of 31 U.S.C. 5330 or this section includes the filing of false or materially incomplete information in connection with the registration of a money services business. Any person who fails to comply with any requirement of 31 U.S.C. 5330 or this section shall be liable for a civil penalty of \$5,000 for each violation. Each day a violation of 31 U.S.C. 5330 or this section continues constitutes a separate violation. In addition, under 31 U.S.C. 5320, the Secretary of the Treasury may bring a civil action to enjoin the violation. See 18 U.S.C. 1960 for a criminal penalty for failure to comply with the registration requirements of 31 U.S.C. 5330 or this section.

(f) *Effective date.* This section is effective September 20, 1999. Registration of money services businesses under this section will not be required prior to December 31, 2001.

(b) A request filed by a corporation shall be signed by a corporate officer and a request filed by a partnership shall be signed by a partner.

(c) A request may advocate a particular proposed interpretation and may set forth the legal and factual basis for that interpretation.

(d) Requests shall be addressed to: Director, Office of Financial Enforcement, Office of the Assistant Secretary (Enforcement), U.S. Department of the Treasury, 1500 Pennsylvania Avenue NW., Room 4320, Washington, DC 20220.

§ 103.82 Nonconforming requests.

The Director, Office of Financial Enforcement, shall notify the requester if the ruling request does not conform with the requirements of § 103.81. The notice shall be in writing and shall describe the requirements that have not been met. A request that is not brought

§ 103.83 Oral communications.

(a) The Office of the Assistant Secretary (Enforcement) will not issue administrative rulings in response to oral requests. Oral opinions or advice by Treasury, the Customs Service, the Internal Revenue Service, the Office of the Comptroller of the Currency, or any other bank supervisory agency personnel, regarding the interpretation and application of this part, do not bind the Treasury Department and carry no precedential value.

(b) A person who has made a ruling request in conformity with § 103.81 may request an opportunity for oral discussion of the issues presented in the request. The request should be made to the Director, Office of Financial Enforcement, and any decision to grant such a conference is wholly within the discretion of the Director. Personal conferences or telephone conferences may be scheduled only for the purpose of affording the requester an opportunity to discuss freely and openly the matters set forth in the administrative ruling request. Accordingly, the conferees will not be bound by any argument or position advocated or agreed to, expressly or impliedly, during the conference. Any new arguments or facts put forth by the requester at the meeting must be reduced to writing by the requester and submitted in conformity with § 103.81 before they may be considered in connection with the request.

§ 103.84 Withdrawing requests.

A person may withdraw a request for an administrative ruling at any time before the ruling has been issued.

§ 103.85

31 CFR Ch. I (7–1–10 Edition)

§ 103.85 Issuing rulings.

The Director, FinCEN, or his designee may issue a written ruling interpreting the relationship between part 103 and each situation for which the ruling has been requested in conformity with § 103.81. A ruling issued under this section shall bind FinCEN only in the event that the request describes a specifically identified actual situation. A ruling issued under this section shall have precedential value, and hence may be relied upon by others similarly situated, only if FinCEN makes it available to the public through publication on the FinCEN website under the heading “Administrative rulings” or other appropriate forum. All rulings with precedential value will be available by mail to any person upon written request specifically identifying the ruling sought. FinCEN will make every effort to respond to each requestor within 90 days of receiving a request.

[74 FR 59098, Nov. 17, 2009]

§ 103.86 Modifying or rescinding rulings.

(a) The Assistant Secretary (Enforcement), or his designee may modify or rescind any ruling made pursuant to § 103.85:

(1) When, in light of changes in the statute or regulations, the ruling no longer sets forth the interpretation of the Assistant Secretary (Enforcement) with respect to the described situation,

(2) When any fact or statement submitted in the original ruling request is found to be materially inaccurate or incomplete, or

(3) For other good cause.

(b) Any person may submit to the Assistant Secretary (Enforcement) a written request that an administrative ruling be modified or rescinded. The request should conform to the requirements of § 103.81, explain why rescission or modification is warranted, and refer to any reasons in paragraph (a) of this section that are relevant. The request may advocate an alternative interpretation and may set forth the legal and factual basis for that interpretation.

(c) Treasury shall modify an existing administrative ruling by issuing a new ruling that rescinds the relevant prior

ruling. Once rescinded, an administrative ruling shall no longer have any precedential value.

(d) An administrative ruling may be modified or rescinded retroactively with respect to one or more parties to the original ruling request if the Assistant Secretary determines that:

(1) A fact or statement in the original ruling request was materially inaccurate or incomplete,

(2) The requestor failed to notify in writing the Office of Enforcement of a material change to any fact or statement in the original request, or

(3) A party to the original request acted in bad faith when relying upon the ruling.

§ 103.87 Disclosing information.

(a) Any part of any administrative ruling, including names, addresses, or information related to the business transactions of private parties, may be disclosed pursuant to a request under the Freedom of Information Act, 5 U.S.C. 552. If the request for an administrative ruling contains information which the requestor wishes to be considered for exemption from disclosure under the Freedom of Information Act, the requestor should clearly identify such portions of the request and the reasons why such information should be exempt from disclosure.

(b) A requestor claiming an exemption from disclosure will be notified, at least 10 days before the administrative ruling is issued, of a decision not to exempt any of such information from disclosure so that the underlying request for an administrative ruling can be withdrawn if the requestor so chooses.

[67 FR 60585, Sept. 26, 2002, as amended at 75 FR 6569, Feb. 10, 2010]

§ 103.100 Information sharing between Federal law enforcement agencies and financial institutions.

(a) *Definitions*. For purposes of this section:

(1) The definitions in § 103.90 apply.

(2) *Financial institution* means any financial institution described in 31 U.S.C. 5312(a)(2).

(3) *Transmittal of funds* has the same meaning as provided in § 103.11(jj).

(4) *Law enforcement agency* means a Federal, State, local, or foreign law enforcement agency with criminal investigative authority, provided that in the case of a foreign law enforcement agency, such agency is from a jurisdiction that is a party to a treaty that provides, or in the determination of FinCEN is from a jurisdiction that otherwise allows, law enforcement agencies in the United States reciprocal access to information comparable to that obtainable under this section.

(b) *Information requests based on credible evidence concerning terrorist activity or money laundering—(1) In general*. A law enforcement agency investigating terrorist activity or money laundering

may request that FinCEN solicit, on the investigating agency’s behalf, certain information from a financial institution or a group of financial institutions. When submitting such a request to FinCEN, the law enforcement agency shall provide FinCEN with a written certification, in such form and manner as FinCEN may prescribe. At a minimum, such certification must: state that each individual, entity, or organization about which the law enforcement agency is seeking information is engaged in, or is reasonably suspected based on credible evidence of engaging in, terrorist activity or money laundering; include enough specific identifiers, such as date of birth, address, and social security number, that would permit a financial institution to differentiate between common or similar names; and identify one person at the agency who can be contacted with any questions relating to its request. Upon receiving the requisite certification from the requesting law enforcement agency, FinCEN may require any financial institution to search its records to determine whether the financial institution maintains or has maintained accounts for, or has engaged in transactions with, any specified individual, entity, or organization.

(2) *Requests from FinCEN*. FinCEN may solicit, on its own behalf and on behalf of appropriate components of the Department of the Treasury, whether a financial institution or a group of financial institutions maintains or has maintained accounts for, or has engaged in transactions with, any specified individual, entity, or organization. Before an information request under this section is made to a financial institution, FinCEN or the appropriate Treasury component shall certify in writing in the same manner as a requesting law enforcement agency that each individual, entity or organization about which FinCEN or the appropriate Treasury component is seeking information is engaged in, or is reasonably suspected based on credible evidence of engaging in, terrorist activity or money laundering. The certification also must include enough specific identifiers, such as date of

birth, address, and social security number, that would permit a financial institution to differentiate between common or similar names, and identify one person at FinCEN or the appropriate Treasury component who can be contacted with any questions relating to its request.

(3) *Obligations of a financial institution receiving an information request—(i) Record search.* Upon receiving an information request from FinCEN under this section, a financial institution shall expeditiously search its records to determine whether it maintains or has maintained any account for, or has engaged in any transaction with, each individual, entity, or organization named in FinCEN's request. A financial institution may contact the law enforcement agency, FinCEN or requesting Treasury component representative, or U.S. law enforcement attaché in the case of a request by a foreign law enforcement agency, which has been named in the information request provided to the institution by FinCEN with any questions relating to the scope or terms of the request. Except as otherwise provided in the information request, a financial institution shall only be required to search its records for:

(A) Any current account maintained for a named suspect;

(B) Any account maintained for a named suspect during the preceding twelve months; and

(C) Any transaction, as defined by § 103.90(d), conducted by or on behalf of a named suspect, or any transmittal of funds conducted in which a named suspect was either the transmitter or the recipient, during the preceding six months that is required under law or regulation to be recorded by the financial institution or is recorded and maintained electronically by the institution.

(ii) *Report to FinCEN.* If a financial institution identifies an account or transaction identified with any individual, entity, or organization named in a request from FinCEN, it shall report to FinCEN, in the manner and in the time frame specified in FinCEN's request, the following information:

(A) The name of such individual, entity, or organization;

(B) The number of each such account, or in the case of a transaction, the date and type of each such transaction; and

(C) Any Social Security number, taxpayer identification number, passport number, date of birth, address, or other similar identifying information provided by the individual, entity, or organization when each such account was opened or each such transaction was conducted.

(iii) *Designation of contact person.* Upon receiving an information request under this section, a financial institution shall designate one person to be the point of contact at the institution regarding the request and to receive similar requests for information from FinCEN in the future. When requested by FinCEN, a financial institution shall provide FinCEN with the name, title, mailing address, e-mail address, telephone number, and facsimile number of such person, in such manner as FinCEN may prescribe. A financial institution that has provided FinCEN with contact information must promptly notify FinCEN of any changes to such information.

(iv) *Use and security of information request.* (A) A financial institution shall not use information provided by FinCEN pursuant to this section for any purpose other than:

(1) Reporting to FinCEN as provided in this section;

(2) Determining whether to establish or maintain an account, or to engage in a transaction; or

(3) Assisting the financial institution in complying with any requirement of this part.

(B)(1) A financial institution shall not disclose to any person, other than FinCEN or the requesting Treasury component, the law enforcement agency on whose behalf FinCEN is requesting information, or U.S. law enforcement attaché in the case of a request by a foreign law enforcement agency, which has been named in the information request, the fact that FinCEN has requested or has obtained information under this section, except to the extent necessary to comply with such an information request.

(2) Notwithstanding paragraph (b)(3)(iv)(B)(I) of this section, a financial institution authorized to share information under §103.110 may share information concerning an individual, entity, or organization named in a request from FinCEN in accordance with the requirements of such section. However, such sharing shall not disclose the fact that FinCEN has requested information concerning such individual, entity, or organization.

(C) Each financial institution shall maintain adequate procedures to protect the security and confidentiality of requests from FinCEN for information under this section. The requirements of this paragraph (b)(3)(iv)(C) shall be deemed satisfied to the extent that a financial institution applies to such information procedures that the institution has established to satisfy the requirements of section 501 of the Gramm-Leach-Bliley Act (15 U.S.C. 6801), and applicable regulations issued thereunder, with regard to the protection of its customers' nonpublic personal information.

(v) *No other action required.* Nothing in this section shall be construed to require a financial institution to take any action, or to decline to take any action, with respect to an account established for, or a transaction engaged in with, an individual, entity, or organization named in a request from FinCEN, or to decline to establish an account for, or to engage in a transaction with, any such individual, entity, or organization. Except as otherwise provided in an information request under this section, such a request shall not require a financial institution to report on future account opening activity or transactions or to treat a suspect list received under this section as a government list for purposes of section 326 of Public Law 107-56.

(4) *Relation to the Right to Financial Privacy Act and the Gramm-Leach-Bliley Act.* The information that a financial institution is required to report pursuant to paragraph (b)(3)(ii) of this section is information required to be reported in accordance with a federal statute or rule promulgated thereunder, for purposes of subsection 3413(d) of the Right to Financial Privacy Act (12 U.S.C. 3413(d)) and sub-

section 502(e)(8) of the Gramm-Leach-Bliley Act (15 U.S.C. 6802(e)(8)).

(5) *No effect on law enforcement or regulatory investigations.* Nothing in this subpart affects the authority of a Federal, State or local law enforcement agency or officer, or FinCEN or another component of the Department of the Treasury, to obtain information directly from a financial institution.

§ 103.110 Voluntary information sharing among financial institutions.

(a) *Definitions.* For purposes of this section:

(1) The definitions in §103.90 apply.

(2) *Financial institution.* (i) Except as provided in paragraph (a)(2)(ii) of this section, the term “financial institution” means any financial institution described in 31 U.S.C. 5312(a)(2) that is required under this part to establish and maintain an anti-money laundering program, or is treated under this part as having satisfied the requirements of 31 U.S.C. 5318(h)(1).

(ii) For purposes of this section, a financial institution shall not mean any institution included within a class of financial institutions that FinCEN has designated as ineligible to share information under this section.

(3) *Association of financial institutions* means a group or organization the membership of which is comprised entirely of financial institutions as defined in paragraph (a)(2) of this section.

(b) *Voluntary information sharing among financial institutions*—(1) *In general.* Subject to paragraphs (b)(2), (b)(3), and (b)(4) of this section, a financial institution or an association of financial institutions may, under the protection of the safe harbor from liability described in paragraph (b)(5) of this section, transmit, receive, or otherwise share information with any other financial institution or association of financial institutions regarding individuals, entities, organizations, and countries for purposes of identifying and, where appropriate, reporting activities that the financial institution or association suspects may involve possible terrorist activity or money laundering.

(2) *Notice requirement.* A financial institution or association of financial institutions that intends to share information as described in paragraph (b)(1) of this section shall submit to FinCEN a notice described in Appendix A to this subpart H. Each notice provided pursuant to this paragraph (b)(2) shall be effective for the one year period beginning on the date of the notice. In order to continue to engage in the sharing of information after the end of the one year period, a financial institution or association of financial institutions must submit a new notice. Completed notices may be submitted to FinCEN by accessing FinCEN's Internet Web site, <http://www.treas.gov/fincen>, and entering the appropriate information as directed, or, if a financial institution does not have Internet access, by mail to: FinCEN, P.O. Box 39, Mail Stop 100, Vienna, VA 22183.

(3) *Verification requirement.* Prior to sharing information as described in paragraph (b)(1) of this section, a financial institution or an association of financial institutions must take reasonable steps to verify that the other financial institution or association of financial institutions with which it intends to share information has submitted to FinCEN the notice required by paragraph (b)(2) of this section. A financial institution or an association of financial institutions may satisfy this paragraph (b)(3) by confirming that the other financial institution or association of financial institutions appears on a list that FinCEN will periodically make available to financial institutions or associations of financial institutions that have filed a notice with it, or by confirming directly with the other financial institution or association of financial institutions that the requisite notice has been filed.

(4) *Use and security of information.* (i) Information received by a financial institution or an association of financial institutions pursuant to this section shall not be used for any purpose other than:

(A) Identifying and, where appropriate, reporting on money laundering or terrorist activities;

(B) Determining whether to establish or maintain an account, or to engage in a transaction; or

(C) Assisting the financial institution in complying with any requirement of this part.

(ii) Each financial institution or association of financial institutions that engages in the sharing of information pursuant to this section shall maintain adequate procedures to protect the security and confidentiality of such information. The requirements of this paragraph (b)(4)(ii) shall be deemed satisfied to the extent that a financial institution applies to such information procedures that the institution has established to satisfy the requirements of section 501 of the Gramm-Leach-Bliley Act (15 U.S.C. 6801), and applicable regulations issued thereunder, with regard to the protection of its customers' non-public personal information.

(5) *Safe harbor from certain liability—*

(i) *In general.* A financial institution or association of financial institutions that shares information pursuant to paragraph (b) of this section shall be protected from liability for such sharing, or for any failure to provide notice of such sharing, to an individual, entity, or organization that is identified in such sharing, to the full extent provided in subsection 314(b) of Public Law 107-56.

(ii) *Limitation.* Paragraph (b)(5)(i) of this section shall not apply to a financial institution or association of financial institutions to the extent such institution or association fails to comply with paragraphs (b)(2), (b)(3), or (b)(4) of this section.

(c) *Information sharing between financial institutions and the Federal Government.* If, as a result of information shared pursuant to this section, a financial institution knows, suspects, or has reason to suspect that an individual, entity, or organization is involved in, or may be involved in terrorist activity or money laundering, and such institution is subject to a suspicious activity reporting requirement under this part or other applicable regulations, the institution shall file a Suspicious Activity Report in accordance with those regulations. In situations involving violations requiring immediate attention, such as when a reportable violation involves terrorist activity or is ongoing, the financial institution shall immediately notify, by

Monetary Offices, Treasury

§ 103.110

telephone, an appropriate law enforcement authority and financial institution supervisory authorities in addition to filing timely a Suspicious Activity Report. A financial institution that is not subject to a suspicious activity reporting requirement is not required to file a Suspicious Activity Report or otherwise to notify law enforcement of suspicious activity that is detected as a result of information shared pursuant to this section. Such a financial institution is encouraged, however,

to voluntarily report such activity to FinCEN.

(d) *No effect on financial institution reporting obligations.* Nothing in this subpart affects the obligation of a financial institution to file a Suspicious Activity Report pursuant to subpart B of this part or any other applicable regulations, or to otherwise contact directly a Federal agency concerning individuals or entities suspected of engaging in terrorist activity or money laundering.

(3) Address, which shall be:

(i) For an individual, a residential or business street address;

(ii) For an individual who does not have a residential or business street address, an Army Post Office (APO) or Fleet Post Office (FPO) box number, or the residential or business street address of next of kin or of another contact individual; or

(iii) For a person other than an individual (such as a corporation, partnership, or trust), a principal place of

business, local office, or other physical location; and

(4) Identification number, which shall be:

(i) For a U.S. person, a taxpayer identification number; or

(ii) For a non-U.S. person, one or more of the following: a taxpayer identification number; passport number and country of issuance; alien identification card number; or number and country of issuance of any other government-issued document evidencing nationality or residence and bearing a photograph or similar safeguard.

NOTE TO PARAGRAPH (b)(2)(i)(A)(4)(ii): When opening an account for a foreign business or enterprise that does not have an identification number, the bank must request alternative government-issued documentation certifying the existence of the business or enterprise.

(B) *Exception for persons applying for a taxpayer identification number.* Instead of obtaining a taxpayer identification number from a customer prior to opening the account, the CIP may include procedures for opening an account for a customer that has applied for, but has not received, a taxpayer identification number. In this case, the CIP must include procedures to confirm that the application was filed before the customer opens the account and to obtain the taxpayer identification number within a reasonable period of time after the account is opened.

(C) *Credit card accounts.* In connection with a customer who opens a credit card account, a bank may obtain the identifying information about a customer required under paragraph (b)(2)(i)(A) by acquiring it from a third-party source prior to extending credit to the customer.

(ii) *Customer verification.* The CIP must contain procedures for verifying the identity of the customer, using information obtained in accordance with paragraph (b)(2)(i) of this section, within a reasonable time after the account is opened. The procedures must describe when the bank will use documents, non-documentary methods, or a combination of both methods as described in this paragraph (b)(2)(ii).

(A) *Verification through documents.* For a bank relying on documents, the CIP must contain procedures that set

forth the documents that the bank will use. These documents may include:

(1) For an individual, unexpired government-issued identification evidencing nationality or residence and bearing a photograph or similar safeguard, such as a driver's license or passport; and

(2) For a person other than an individual (such as a corporation, partnership, or trust), documents showing the existence of the entity, such as certified articles of incorporation, a government-issued business license, a partnership agreement, or trust instrument.

(B) *Verification through non-documentary methods.* For a bank relying on non-documentary methods, the CIP must contain procedures that describe the non-documentary methods the bank will use.

(1) These methods may include contacting a customer; independently verifying the customer's identity through the comparison of information provided by the customer with information obtained from a consumer reporting agency, public database, or other source; checking references with other financial institutions; and obtaining a financial statement.

(2) The bank's non-documentary procedures must address situations where an individual is unable to present an unexpired government-issued identification document that bears a photograph or similar safeguard; the bank is not familiar with the documents presented; the account is opened without obtaining documents; the customer opens the account without appearing in person at the bank; and where the bank is otherwise presented with circumstances that increase the risk that the bank will be unable to verify the true identity of a customer through documents.

(C) *Additional verification for certain customers.* The CIP must address situations where, based on the bank's risk assessment of a new account opened by a customer that is not an individual, the bank will obtain information about individuals with authority or control over such account, including signatories, in order to verify the customer's identity. This verification method applies only when the bank cannot verify

the customer's true identity using the verification methods described in paragraphs (b)(2)(ii)(A) and (B) of this section.

(iii) *Lack of verification.* The CIP must include procedures for responding to circumstances in which the bank cannot form a reasonable belief that it knows the true identity of a customer. These procedures should describe:

(A) When the bank should not open an account;

(B) The terms under which a customer may use an account while the bank attempts to verify the customer's identity;

(C) When the bank should close an account, after attempts to verify a customer's identity have failed; and

(D) When the bank should file a Suspicious Activity Report in accordance with applicable law and regulation.

(3) *Recordkeeping.* The CIP must include procedures for making and maintaining a record of all information obtained under the procedures implementing paragraph (b) of this section.

(i) *Required records.* At a minimum, the record must include:

(A) All identifying information about a customer obtained under paragraph (b)(2)(i) of this section;

(B) A description of any document that was relied on under paragraph (b)(2)(ii)(A) of this section noting the type of document, any identification number contained in the document, the place of issuance and, if any, the date of issuance and expiration date;

(C) A description of the methods and the results of any measures undertaken to verify the identity of the customer under paragraph (b)(2)(ii)(B) or (C) of this section; and

(D) A description of the resolution of any substantive discrepancy discovered when verifying the identifying information obtained.

(ii) *Retention of records.* The bank must retain the information in paragraph (b)(3)(i)(A) of this section for five years after the date the account is closed or, in the case of credit card accounts, five years after the account is closed or becomes dormant. The bank must retain the information in paragraphs (b)(3)(i)(B), (C), and (D) of this section for five years after the record is made.

(4) *Comparison with government lists.* The CIP must include procedures for determining whether the customer appears on any list of known or suspected terrorists or terrorist organizations issued by any Federal government agency and designated as such by Treasury in consultation with the Federal functional regulators. The procedures must require the bank to make such a determination within a reasonable period of time after the account is opened, or earlier, if required by another Federal law or regulation or Federal directive issued in connection with the applicable list. The procedures must also require the bank to follow all Federal directives issued in connection with such lists.

(5)(i) *Customer notice.* The CIP must include procedures for providing bank customers with adequate notice that the bank is requesting information to verify their identities.

(ii) *Adequate notice.* Notice is adequate if the bank generally describes the identification requirements of this section and provides the notice in a manner reasonably designed to ensure that a customer is able to view the notice, or is otherwise given notice, before opening an account. For example, depending upon the manner in which the account is opened, a bank may post a notice in the lobby or on its website, include the notice on its account applications, or use any other form of written or oral notice.

(iii) *Sample notice.* If appropriate, a bank may use the following sample language to provide notice to its customers:

IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT

To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account.

What this means for you: When you open an account, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents.

(6) *Reliance on another financial institution.* The CIP may include procedures

specifying when a bank will rely on the performance by another financial institution (including an affiliate) of any procedures of the bank's CIP, with respect to any customer of the bank that is opening, or has opened, an account or has established a similar formal banking or business relationship with the other financial institution to provide or engage in services, dealings, or other financial transactions, provided that:

(i) Such reliance is reasonable under the circumstances;

(ii) The other financial institution is subject to a rule implementing 31 U.S.C. 5318(h) and is regulated by a Federal functional regulator; and

(iii) The other financial institution enters into a contract requiring it to certify annually to the bank that it has implemented its anti-money laundering program, and that it will perform (or its agent will perform) the specified requirements of the bank's CIP.

(c) *Exemptions.* The appropriate Federal functional regulator, with the concurrence of the Secretary, may, by order or regulation, exempt any bank or type of account from the requirements of this section. The Federal functional regulator and the Secretary shall consider whether the exemption is consistent with the purposes of the Bank Secrecy Act and with safe and sound banking, and may consider other appropriate factors. The Secretary will make these determinations for any bank or type of account that is not subject to the authority of a Federal functional regulator.

(d) *Other requirements unaffected.* Nothing in this section relieves a bank of its obligation to comply with any other provision in this part, including provisions concerning information that must be obtained, verified, or maintained in connection with any account or transaction.

(b) *Customer identification program: minimum requirements*—(1) *In general.* A broker-dealer must establish, document, and maintain a written Customer Identification Program (“CIP”) appropriate for its size and business that, at a minimum, includes each of the requirements of paragraphs (b)(1) through (b)(5) of this section. The CIP must be a part of the broker-dealer’s anti-money laundering compliance program required under 31 U.S.C. 5318(h).

(2) *Identity verification procedures.* The CIP must include risk-based procedures for verifying the identity of each customer to the extent reasonable and practicable. The procedures must enable the broker-dealer to form a reasonable belief that it knows the true identity of each customer. The procedures must be based on the broker-dealer’s assessment of the relevant risks, including those presented by the various types of accounts maintained by the broker-dealer, the various methods of opening accounts provided by the broker-dealer, the various types of identifying information available and the broker-dealer’s size, location and customer base. At a minimum, these procedures must contain the elements described in this paragraph (b)(2).

(i)(A) *Customer information required.* The CIP must contain procedures for opening an account that specify identifying information that will be obtained from each customer. Except as permitted by paragraph (b)(2)(i)(B) of this section, the broker-dealer must obtain, at a minimum, the following information prior to opening an account:

(1) Name;

(2) Date of birth, for an individual;

(3) Address, which shall be: (i) For an individual, a residential or business street address; (ii) for an individual who does not have a residential or business street address, an Army Post Office (APO) or Fleet Post Office (FPO) box number, or the residential or business street address of a next of kin or another contact individual; or (iii) for a person other than an individual (such as a corporation, partnership or trust), a principal place of business, local office or other physical location; and

NOTE TO PARAGRAPH (b)(2)(i)(A)(4)(ii): When opening an account for a foreign business or enterprise that does not have an identification number, the broker-dealer must request alternative government-issued documentation certifying the existence of the business or enterprise.

(B) *Exception for persons applying for a taxpayer identification number.* Instead of obtaining a taxpayer identification number from a customer prior to opening an account, the CIP may include procedures for opening an account for a customer that has applied for, but has not received, a taxpayer identification number. In this case, the CIP must include procedures to confirm that the application was filed before the customer opens the account and to obtain the taxpayer identification number within a reasonable period of time after the account is opened.

(ii) *Customer verification.* The CIP must contain procedures for verifying the identity of each customer, using information obtained in accordance with paragraph (b)(2)(i) of this section, within a reasonable time before or after the customer’s account is opened. The procedures must describe when the broker-dealer will use documents, non-documentary methods, or a combination of both methods, as described in this paragraph (b)(2)(ii).

(A) *Verification through documents.* For a broker-dealer relying on documents, the CIP must contain procedures that set forth the documents the broker-dealer will use. These documents may include:

(1) For an individual, an unexpired government-issued identification evidencing nationality or residence and bearing a photograph or similar safeguard, such as a driver’s license or passport; and

(B) *Verification through non-documentary methods.* For a broker-dealer relying on non-documentary methods, the CIP must contain procedures that set forth the non-documentary methods the broker-dealer will use.

(1) These methods may include contacting a customer; independently verifying the customer's identity through the comparison of information provided by the customer with information obtained from a consumer reporting agency, public database, or other source; checking references with other financial institutions; or obtaining a financial statement.

(2) The broker-dealer's non-documentary procedures must address situations where an individual is unable to present an unexpired government-issued identification document that bears a photograph or similar safeguard; the broker-dealer is not familiar with the documents presented; the account is opened without obtaining documents; the customer opens the account without appearing in person at the broker-dealer; and where the broker-dealer is otherwise presented with circumstances that increase the risk that the broker-dealer will be unable to verify the true identity of a customer through documents.

(C) *Additional verification for certain customers.* The CIP must address situations where, based on the broker-dealer's risk assessment of a new account opened by a customer that is not an individual, the broker-dealer will obtain information about individuals with authority or control over such account. This verification method applies only when the broker-dealer cannot verify the customer's true identity using the verification methods described in paragraphs (b)(2)(ii)(A) and (B) of this section.

(iii) *Lack of verification.* The CIP must include procedures for responding to circumstances in which the broker-dealer cannot form a reasonable belief

that it knows the true identity of a customer. These procedures should describe:

(A) When the broker-dealer should not open an account;

(B) The terms under which a customer may conduct transactions while the broker-dealer attempts to verify the customer's identity;

(C) When the broker-dealer should close an account after attempts to verify a customer's identity fail; and

(D) When the broker-dealer should file a Suspicious Activity Report in accordance with applicable law and regulation.

(3) *Recordkeeping.* The CIP must include procedures for making and maintaining a record of all information obtained under procedures implementing paragraph (b) of this section.

(i) *Required records.* At a minimum, the record must include:

(A) All identifying information about a customer obtained under paragraph (b)(2)(i) of this section,

(B) A description of any document that was relied on under paragraph (b)(2)(ii)(A) of this section noting the type of document, any identification number contained in the document, the place of issuance, and if any, the date of issuance and expiration date;

(C) A description of the methods and the results of any measures undertaken to verify the identity of a customer under paragraphs (b)(2)(ii)(B) and (C) of this section; and

(D) A description of the resolution of each substantive discrepancy discovered when verifying the identifying information obtained.

(ii) *Retention of records.* The broker-dealer must retain the records made under paragraph (b)(3)(i)(A) of this section for five years after the account is closed and the records made under paragraphs (b)(3)(i)(B), (C) and (D) of this section for five years after the record is made. In all other respects, the records must be maintained pursuant to the provisions of 17 CFR 240.17a-4.

(4) *Comparison with government lists.* The CIP must include procedures for determining whether a customer appears on any list of known or suspected terrorists or terrorist organizations issued by any Federal government

agency and designated as such by Treasury in consultation with the Federal functional regulators. The procedures must require the broker-dealer to make such a determination within a reasonable period of time after the account is opened, or earlier if required by another Federal law or regulation or Federal directive issued in connection with the applicable list. The procedures also must require the broker-dealer to follow all Federal directives issued in connection with such lists.

(5)(i) *Customer notice.* The CIP must include procedures for providing customers with adequate notice that the broker-dealer is requesting information to verify their identities.

(ii) *Adequate notice.* Notice is adequate if the broker-dealer generally describes the identification requirements of this section and provides such notice in a manner reasonably designed to ensure that a customer is able to view the notice, or is otherwise given notice, before opening an account. For example, depending upon the manner in which the account is opened, a broker-dealer may post a notice in the lobby or on its Web site, include the notice on its account applications or use any other form of oral or written notice.

(iii) *Sample notice.* If appropriate, a broker-dealer may use the following sample language to provide notice to its customers:

IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT

To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account.

What this means for you: When you open an account, we will ask for your name, address, date of birth and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents.

(6) *Reliance on another financial institution.* The CIP may include procedures specifying when the broker-dealer will rely on the performance by another financial institution (including an affiliate) of any procedures of the broker-dealer's CIP, with respect to any customer of the broker-dealer that is opening an account or has established

an account or similar business relationship with the other financial institution to provide or engage in services, dealings, or other financial transactions, provided that:

(i) Such reliance is reasonable under the circumstances;

(ii) The other financial institution is subject to a rule implementing 31 U.S.C. 5318(h), and regulated by a Federal functional regulator; and

(iii) The other financial institution enters into a contract requiring it to certify annually to the broker-dealer that it has implemented its anti-money laundering program, and that it will perform (or its agent will perform) specified requirements of the broker-dealer's CIP.

(c) *Exemptions.* The Commission, with the concurrence of the Secretary, may by order or regulation exempt any broker-dealer that registers with the Commission pursuant to 15 U.S.C. 78o or 15 U.S.C. 78o-4 or any type of account from the requirements of this section. The Secretary, with the concurrence of the Commission, may exempt any broker-dealer that registers with the Commission pursuant to 15 U.S.C. 78o-5. In issuing such exemptions, the Commission and the Secretary shall consider whether the exemption is consistent with the purposes of the Bank Secrecy Act, and in the public interest, and may consider other necessary and appropriate factors.

(d) *Other requirements unaffected.* Nothing in this section relieves a broker-dealer of its obligation to comply with any other provision of this part, including provisions concerning information that must be obtained, verified, or maintained in connection with any account or transaction.

The CIP must be a part of each futures commission merchant's and introducing broker's anti-money laundering compliance program required under 31 U.S.C. 5318(h).

(2) *Identity verification procedures.* The CIP must include risk-based procedures for verifying the identity of each customer to the extent reasonable and practicable. The procedures must enable each futures commission merchant and introducing broker to form a

reasonable belief that it knows the true identity of each customer. The procedures must be based on the futures commission merchant's or introducing broker's assessment of the relevant risks, including those presented by the various types of accounts maintained, the various methods of opening accounts, the various types of identifying information available, and the futures commission merchant's or introducing broker's size, location and customer base. At a minimum, these procedures must contain the elements described in paragraph (b)(2) of this section.

NOTE TO PARAGRAPH (b)(2)(i)(A)(4)(ii): When opening an account for a foreign business or enterprise that does not have an identifica-

tion number, the futures commission merchant or introducing broker must request alternative government-issued documentation certifying the existence of the business or enterprise.

(B) *Exception for persons applying for a taxpayer identification number.* Instead of obtaining a taxpayer identification number from a customer prior to opening an account, the CIP may include procedures for opening an account for a customer that has applied for, but has not received, a taxpayer identification number. In this case, the CIP must include procedures to confirm that the application was filed before the customer opens the account and to obtain the taxpayer identification number within a reasonable period of time after the account is opened.

(B) *Verification through non-documentary methods.* For a futures commission merchant or introducing broker relying on non-documentary methods, the

CIP must contain procedures that set forth the non-documentary methods the futures commission merchant or introducing broker will use.

(1) These methods may include contacting a customer; independently verifying the customer's identity through the comparison of information provided by the customer with information obtained from a consumer reporting agency, public database, or other source; checking references with other financial institutions; or obtaining a financial statement.

(2) The futures commission merchant's or introducing broker's non-documentary procedures must address situations where an individual is unable to present an unexpired government-issued identification document that bears a photograph or similar safeguard; the futures commission merchant or introducing broker is not familiar with the documents presented; the account is opened without obtaining documents; the customer opens the account without appearing in person at the futures commission merchant or introducing broker; and where the futures commission merchant or introducing broker is otherwise presented with circumstances that increase the risk that the futures commission merchant or introducing broker will be unable to verify the true identity of a customer through documents.

(C) *Additional verification for certain customers.* The CIP must address situations where, based on the futures commission merchant's or introducing broker's risk assessment of a new account opened by a customer that is not an individual, the futures commission merchant or introducing broker will obtain information about individuals with authority or control over such account in order to verify the customer's identity. This verification method applies only when the futures commission merchant or introducing broker cannot verify the customer's true identity after using the verification methods described in paragraphs (b)(2)(ii)(A) and (B) of this section.

(iii) *Lack of verification.* The CIP must include procedures for responding to circumstances in which the futures commission merchant or introducing broker cannot form a reasonable belief

that it knows the true identity of a customer. These procedures should describe:

(A) When an account should not be opened;

(B) The terms under which a customer may conduct transactions while the futures commission merchant or introducing broker attempts to verify the customer's identity;

(C) When an account should be closed after attempts to verify a customer's identity have failed; and

(D) When the futures commission merchant or introducing broker should file a Suspicious Activity Report in accordance with applicable law and regulation.

(i) *Required records.* At a minimum, the record must include:

(A) All identifying information about a customer obtained under paragraph (b)(2)(i) of this section;

(B) A description of any document that was relied on under paragraph (b)(2)(ii)(A) of this section noting the type of document, any identification number contained in the document, the place of issuance, and if any, the date of issuance and expiration date;

(C) A description of the methods and the results of any measures undertaken to verify the identity of a customer under paragraphs (b)(2)(ii)(B) and (C) of this section; and

(D) A description of the resolution of each substantive discrepancy discovered when verifying the identifying information obtained.

(ii) *Retention of records.* Each futures commission merchant and introducing broker must retain the records made under paragraph (b)(3)(i)(A) of this section for five years after the account is closed and the records made under paragraphs (b)(3)(i)(B), (C), and (D) of this section for five years after the record is made. In all other respects, the records must be maintained pursuant to the provisions of 17 CFR 1.31.

(4) *Comparison with government lists.* The CIP must include procedures for determining whether a customer appears on any list of known or suspected

terrorists or terrorist organizations issued by any Federal government agency and designated as such by Treasury in consultation with the Federal functional regulators. The procedures must require the futures commission merchant or introducing broker to make such a determination within a reasonable period of time after the account is opened, or earlier if required by another Federal law or regulation or Federal directive issued in connection with the applicable list. The procedures also must require the futures commission merchant or introducing broker to follow all Federal directives issued in connection with such lists.

(5)(i) *Customer notice.* The CIP must include procedures for providing customers with adequate notice that the futures commission merchant or introducing broker is requesting information to verify their identities.

(ii) *Adequate notice.* Notice is adequate if the futures commission merchant or introducing broker generally describes the identification requirements of this section and provides such notice in a manner reasonably designed to ensure that a customer is able to view the notice, or is otherwise given notice, before opening an account. For example, depending upon the manner in which the account is opened, a futures commission merchant or introducing broker may post a notice in the lobby or on its Web site, include the notice on its account applications or use any other form of written or oral notice.

(iii) *Sample notice.* If appropriate, a futures commission merchant or introducing broker may use the following sample language to provide notice to its customers:

IMPORTANT INFORMATION ABOUT PROCEDURES
FOR OPENING A NEW ACCOUNT

To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account.

What this means for you: When you open an account, we will ask for your name, address, date of birth and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents.

(6) *Reliance on another financial institution.* The CIP may include procedures specifying when the futures commission merchant or introducing broker will rely on the performance by another financial institution (including an affiliate) of any procedures of its CIP, with respect to any customer of the futures commission merchant or introducing broker that is opening an account, or has established an account or similar business relationship with the other financial institution to provide or engage in services, dealings, or other financial transactions, provided that:

(i) Such reliance is reasonable under the circumstances;

(ii) The other financial institution is subject to a rule implementing 31 U.S.C. 5318(h), and is regulated by a Federal functional regulator; and

(iii) The other financial institution enters into a contract requiring it to certify annually to the futures commission merchant or introducing broker that it has implemented its anti-money laundering program, and that it will perform (or its agent will perform) specified requirements of the futures commission merchant's or introducing broker's CIP.

(c) *Exemptions.* The Commission, with the concurrence of the Secretary, may by order or regulation exempt any futures commission merchant or introducing broker that registers with the Commission or any type of account from the requirements of this section. In issuing such exemptions, the Commission and the Secretary shall consider whether the exemption is consistent with the purposes of the Bank Secrecy Act, and in the public interest, and may consider other necessary and appropriate factors.

(d) *Other requirements unaffected.* Nothing in this section relieves a futures commission merchant or introducing broker of its obligation to comply with any other provision of this part, including provisions concerning information that must be obtained, verified, or maintained in connection with any account or transaction.

quirements set forth in this section, and nothing in this paragraph (d)(1) relieves any money services business from its obligation to establish and maintain an effective anti-money laundering program.

(4) Provide for independent review to monitor and maintain an adequate program. Such review may be conducted by an officer or employee of the money services business so long as the reviewer is not the person designated in paragraph (d)(2) of this section.

(e) *Effective date.* A money services business must develop and implement an anti-money laundering program that complies with the requirements of this section on or before the later of July 24, 2002, and the end of the 90-day period beginning on the day following the date the business is established.

issued by the mutual fund, including the purchase or sale of securities.

(ii) *Account* does not include:

(B) A person described in § 103.22(d)(2)(ii) through (iv); or

(3) *Federal functional regulator* is defined at § 103.120(a)(2).

(4) *Financial institution* is defined at 31 U.S.C. 5312(a)(2) and (c)(1).

(5) *Mutual fund* means an “investment company” (as the term is defined in section 3 of the Investment Company Act (15 U.S.C. 80a-3)) that is an “open-end company” (as that term is defined in section 5 of the Investment Company Act (15 U.S.C. 80a-5)) that is registered or is required to register with the Commission under section 8 of the Investment Company Act (15 U.S.C. 80a-8).

(6) *Non-U.S. person* means a person that is not a *U.S. person*.

(7) *Taxpayer identification number* is defined by section 6109 of the Internal Revenue Code of 1986 (26 U.S.C. 6109) and Internal Revenue Service regulations implementing that section (*e.g.*, social security number or employer identification number).

(8) *U.S. person* means:

(i) A United States citizen; or

(ii) A person other than an individual (such as a corporation, partnership or trust), that is established or organized under the laws of a State or the United States.

(b) *Customer identification program: minimum requirements*—(1) *In general.* A mutual fund must implement a written Customer Identification Program (“CIP”) appropriate for its size and type of business that, at a minimum, includes each of the requirements of paragraphs (b)(1) through (5) of this section. The CIP must be a part of the mutual fund’s anti-money laundering program required under the regulations implementing 31 U.S.C. 5318(h).

(2) *Identity verification procedures.* The CIP must include risk-based procedures for verifying the identity of each customer to the extent reasonable and practicable. The procedures must enable the mutual fund to form a reasonable belief that it knows the true identity of each customer. The procedures must be based on the mutual fund’s assessment of the relevant risks, including those presented by the manner in which accounts are opened, fund shares are distributed, and purchases, sales and exchanges are effected, the various types of accounts maintained by the mutual fund, the various types of identifying information available, and the mutual fund’s customer base. At a minimum, these procedures must contain the elements described in this paragraph (b)(2).

(i) *Customer information required*—(A) *In general.* The CIP must contain procedures for opening an account that specify the identifying information that will be obtained with respect to each customer. Except as permitted by paragraph (b)(2)(i)(B) of this section, a mutual fund must obtain, at a minimum, the following information prior to opening an account:

- (1) Name;
- (2) Date of birth, for an individual;
- (3) Address, which shall be:

(i) For an individual, a residential or business street address;

(ii) For an individual who does not have a residential or business street address, an Army Post Office (APO) or Fleet Post Office (FPO) box number, or the residential or business street ad-

dress of next of kin or of another contact individual; or

(iii) For a person other than an individual (such as a corporation, partnership, or trust), a principal place of business, local office or other physical location; and

(4) Identification number, which shall be:

(i) For a U.S. person, a taxpayer identification number; or

(ii) For a non-U.S. person, one or more of the following: a taxpayer identification number; passport number and country of issuance; alien identification card number; or number and country of issuance of any other government-issued document evidencing nationality or residence and bearing a photograph or similar safeguard.

NOTE TO PARAGRAPH (b)(2)(i)(A)(4)(ii): When opening an account for a foreign business or enterprise that does not have an identification number, the mutual fund must request alternative government-issued documentation certifying the existence of the business or enterprise.

(B) *Exception for persons applying for a taxpayer identification number.* Instead of obtaining a taxpayer identification number from a customer prior to opening an account, the CIP may include procedures for opening an account for a person that has applied for, but has not received, a taxpayer identification number. In this case, the CIP must include procedures to confirm that the application was filed before the person opens the account and to obtain the taxpayer identification number within a reasonable period of time after the account is opened.

(ii) *Customer verification.* The CIP must contain procedures for verifying the identity of the customer, using the information obtained in accordance with paragraph (b)(2)(i) of this section, within a reasonable time after the account is opened. The procedures must describe when the mutual fund will use documents, non-documentary methods, or a combination of both methods as described in this paragraph (b)(2)(ii).

(A) *Verification through documents.* For a mutual fund relying on documents, the CIP must contain procedures that set forth the documents that the mutual fund will use. These documents may include:

(1) For an individual, unexpired government-issued identification evidencing nationality or residence and bearing a photograph or similar safeguard, such as a driver's license or passport; and

(2) For a person other than an individual (such as a corporation, partnership, or trust), documents showing the existence of the entity, such as certified articles of incorporation, a government-issued business license, a partnership agreement, or trust instrument.

(B) *Verification through non-documentary methods.* For a mutual fund relying on non-documentary methods, the CIP must contain procedures that describe the non-documentary methods the mutual fund will use.

(1) These methods may include contacting a customer; independently verifying the customer's identity through the comparison of information provided by the customer with information obtained from a consumer reporting agency, public database, or other source; checking references with other financial institutions; and obtaining a financial statement.

(2) The mutual fund's non-documentary procedures must address situations where an individual is unable to present an unexpired government-issued identification document that bears a photograph or similar safeguard; the mutual fund is not familiar with the documents presented; the account is opened without obtaining documents; the customer opens the account without appearing in person; and where the mutual fund is otherwise presented with circumstances that increase the risk that the mutual fund will be unable to verify the true identity of a customer through documents.

(C) *Additional verification for certain customers.* The CIP must address situations where, based on the mutual fund's risk assessment of a new account opened by a customer that is not an individual, the mutual fund will obtain information about individuals with authority or control over such account, including persons authorized to effect transactions in the shareholder of record's account, in order to verify the customer's identity. This verification method applies only when

the mutual fund cannot verify the customer's true identity using the verification methods described in paragraphs (b)(2)(ii)(A) and (B) of this section.

(iii) *Lack of verification.* The CIP must include procedures for responding to circumstances in which the mutual fund cannot form a reasonable belief that it knows the true identity of a customer. These procedures should describe:

(A) When the mutual fund should not open an account;

(B) The terms under which a customer may use an account while the mutual fund attempts to verify the customer's identity;

(C) When the mutual fund should file a Suspicious Activity Report in accordance with applicable law and regulation; and

(D) When the mutual fund should close an account, after attempts to verify a customer's identity have failed.

(3) *Recordkeeping.* The CIP must include procedures for making and maintaining a record of all information obtained under paragraph (b) of this section.

(i) *Required records.* At a minimum, the record must include:

(A) All identifying information about a customer obtained under paragraph (b)(2)(i) of this section;

(B) A description of any document that was relied on under paragraph (b)(2)(ii)(A) of this section noting the type of document, any identification number contained in the document, the place of issuance, and if any, the date of issuance and expiration date;

(C) A description of the methods and the results of any measures undertaken to verify the identity of the customer under paragraph (b)(2)(ii)(B) or (C) of this section; and

(D) A description of the resolution of any substantive discrepancy discovered when verifying the identifying information obtained.

(ii) *Retention of records.* The mutual fund must retain the information in paragraph (b)(3)(i)(A) of this section for five years after the date the account is closed. The mutual fund must retain the information in paragraphs

(b)(3)(i)(B), (C), and (D) of this section for five years after the record is made.

(4) *Comparison with government lists.* The CIP must include procedures for determining whether the customer appears on any list of known or suspected terrorists or terrorist organizations issued by any federal government agency and designated as such by the Department of the Treasury in consultation with the federal functional regulators. The procedures must require the mutual fund to make such a determination within a reasonable period of time after the account is opened, or earlier, if required by another federal law or regulation or federal directive issued in connection with the applicable list. The procedures must also require the mutual fund to follow all federal directives issued in connection with such lists.

(5)(i) *Customer notice.* The CIP must include procedures for providing mutual fund customers with adequate notice that the mutual fund is requesting information to verify their identities.

(ii) *Adequate notice.* Notice is adequate if the mutual fund generally describes the identification requirements of this section and provides the notice in a manner reasonably designed to ensure that a customer is able to view the notice, or is otherwise given notice, before opening an account. For example, depending on the manner in which the account is opened, a mutual fund may post a notice on its website, include the notice on its account applications, or use any other form of written or oral notice.

(iii) *Sample notice.* If appropriate, a mutual fund may use the following sample language to provide notice to its customers:

IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT

To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account.

What this means for you: When you open an account, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents.

(6) *Reliance on other financial institutions.* The CIP may include procedures specifying when a mutual fund will rely on the performance by another financial institution (including an affiliate) of any procedures of the mutual fund's CIP, with respect to any customer of the mutual fund that is opening, or has opened, an account or has established a similar formal business relationship with the other financial institution to provide or engage in services, dealings, or other financial transactions, provided that:

(i) Such reliance is reasonable under the circumstances;

(ii) The other financial institution is subject to a rule implementing 31 U.S.C. 5318(h) and is regulated by a federal functional regulator; and

(iii) The other financial institution enters into a contract requiring it to certify annually to the mutual fund that it has implemented its anti-money laundering program, and that it (or its agent) will perform the specific requirements of the mutual fund's CIP.

(c) *Exemptions.* The Commission, with the concurrence of the Secretary, may, by order or regulation, exempt any mutual fund or type of account from the requirements of this section. The Commission and the Secretary shall consider whether the exemption is consistent with the purposes of the Bank Secrecy Act and is in the public interest, and may consider other appropriate factors.

(d) *Other requirements unaffected.* Nothing in this section relieves a mutual fund of its obligation to comply with any other provision in this part, including provisions concerning information that must be obtained, verified, or maintained in connection with any account or transaction.

(ii) For purposes of making the risk assessment required by paragraph (c)(1)(i) of this section, the following persons are presumed to pose a heightened risk of money laundering or terrorist financing when evaluating whether and under what circumstances to authorize, or to maintain authorization for, any such person to serve as an issuing or acquiring institution:

APPENDIX C TO PART 103—INTERPRETIVE RULES

RELEASE NO. 2004-01

This Interpretive Guidance sets forth our interpretation of the regulation requiring Money Services Businesses that are required to register with FinCEN to establish and maintain anti-money laundering programs. See 31 CFR 103.125. Specifically, this Interpretive Guidance clarifies that the anti-money laundering program regulation requires Money Services Businesses to establish adequate and appropriate policies, procedures, and controls commensurate with the risks of money laundering and the financing of terrorism posed by their relationship with foreign agents or foreign counterparties of the Money Services Business.¹

Under existing Bank Secrecy Act regulations, we have defined Money Services Businesses to include five distinct types of financial services providers and the U.S. Postal Service: (1) Currency dealers or exchangers; (2) check cashers; (3) issuers of traveler's checks, money orders, or stored value; (4) sellers or redeemers of traveler's checks, money orders, or stored value; and (5) money transmitters. See 31 CFR 103.11(uu). With limited exception, Money Services Businesses are subject to the full range of Bank Secrecy Act regulatory controls, including the anti-money laundering program rule, suspicious activity and currency transaction reporting rules, and various other identification and recordkeeping rules.²

¹This Interpretive Guidance focuses on the need to control risks arising out of the relationship between a Money Service Business and its foreign counterparty or agent. Under existing FinCEN regulations, only Money Service Business principals are required to register with FinCEN, and only Money Service Business principals establish the counterparty or agency relationships. 31 CFR 103.41. Accordingly, this Interpretive Guidance only applies to those Money Service Businesses required to register with FinCEN, that is, only those Money Service Businesses that may have a relationship with a foreign agent or counterparty.

²See 31 CFR 103.125 (requirement for Money Service Businesses to establish and maintain an anti-money laundering compliance program); 31 CFR 103.22 (requirement for Money Service Businesses to file currency transaction reports); 31 CFR 103.20 (requirement for Money Service Businesses, other than check cashers and issuers, sellers, or redeemers of stored value, to file suspicious activity reports); 31 CFR 103.29 (requirement for Money Service Businesses that sell money orders, traveler's checks, or other instru-

Many Money Services Businesses, including the vast majority of money transmitters in the United States, operate through a system of agents both domestically and internationally. We estimate that a substantial majority of all cross-border remittances by money transmitters are conducted using this model. Other Money Services Businesses may operate through more informal relationships, such as the trust-based hawala system.³ Regardless of the form of the relationship between a Money Services Business and its foreign agents or counterparties, Money Services Business transactions generally are initiated by customers seeking to send or receive funds, cash checks, buy or sell money orders or traveler's checks, or buy or sell currency. The customer directs the Money Services Business to execute the transactions; the Money Services Business does not unilaterally determine the recipient of its products or services. Although the customer can use the Money Services Business' services, the customer does not typically establish an account relationship with the Money Services Business. The focus of this Interpretive Guidance is the establishment of, and ongoing relationship between, a Money Services Business and its foreign agent or foreign counterparty that facilitates the flow of funds cross-border into and out of the United States on behalf of customers.

THE CROSS-BORDER FLOW OF FUNDS THROUGH MONEY SERVICES BUSINESSES AND ASSOCIATED RISKS

Ensuring that financial institutions based in the United States establish and apply adequate and appropriate policies, procedures, and controls in their anti-money laundering compliance programs to protect the international gateways to the U.S. financial system is an essential element of the Bank Secrecy Act regulatory regime. This Interpretive Guidance forms a part of our comprehensive approach to accomplishing this

goal. To the extent Money Services Businesses utilize relationships with foreign agents or counterparties to facilitate the movement of funds into or out of the United States, they must take reasonable steps to guard against the flow of illicit funds, or the flow of funds from legitimate sources to persons seeking to use those funds for illicit purposes, through such relationships.

The money laundering or terrorism financing risks associated with foreign agents or counterparties are similar to the risks presented by domestic agents of Money Services Businesses. For example, the foreign agent of the domestic Money Services Business may have lax anti-money laundering policies, procedures, and internal controls, or actually may be complicit with those seeking to move illicit funds. In some instances, the risk with foreign agents can be greater than with domestic agents because foreign agents are not subject to the Bank Secrecy Act regulatory regime; the extent to which they are subject to anti-money laundering regulation, and the quality of that regulation, will vary with the jurisdictions in which they are located.

There are a variety of ways in which a Money Services Business may be susceptible to the unwitting facilitation of money laundering through foreign agents or counterparties. For example, our review of Bank Secrecy Act data revealed several instances of suspected criminal activity—detected by existing anti-money laundering and suspicious activity reporting programs of Money Services Businesses and banks—where foreign agents of Money Services Business have engaged in bulk sales of sequentially numbered, U.S. denominated traveler's checks or blocks of money orders, to one or two individuals. The individuals involved frequently purchased the instruments on multiple dates and in different locations, structuring the purchases to avoid reporting thresholds and issuer limits on daily instrument sales. The instruments usually had illegible signatures or failed to designate a beneficiary or payor. The instruments were then negotiated with one or more dealers in goods, such as diamonds, gems, or precious metals, deposited in foreign banks, and cleared through U.S. banks. In such cases, the clearing banks were so far removed from the transactions that they could not trace back or screen either the intervening transactions or the individuals involved in the transactions.

A case involving suspicious activity in a Money Services Business' domestic agent provides a further example of the type of high-risk activity that also may be engaged in by foreign agents or counterparties. In this instance, the domestic Money Service Business had policies, procedures, and controls that facilitated the detection of illicit activity at the agent. A group of six customers entered a money transmitter agent

at approximately five-minute intervals to send the same structured amounts (\$2,500) to the same receiver in a foreign country. Several weeks later, another group of six customers entered the same agent location and conducted an identical pattern of successive \$2,500 transfers (a few minutes apart) to the same recipient in the same foreign country as the first set of transactions. Some of the individuals in the second group had the same last names as customers in the first group. Additional suspicious activity reports filed by the primary Money Services Business identified several other groups of customers initiating money transfers at this same agent business location, in the same manner, and in the same overall time frame. This activity by an agent drew the scrutiny of the Money Services Business, and in addition to the filing of suspicious activity reports, led to the termination of the relationship of the Money Services Business with the agent.

These examples of illicit activity occurring at the agents of Money Services Businesses underscore the need for Money Services Businesses to include, as a part of their anti-money laundering programs, procedures, policies, and controls to govern relationships with foreign agents and counterparties to enable the Money Services Business to perform the appropriate level of suspicious activity and risk monitoring. We believe that this obligation is an essential part of each Money Services Business' existing obligation under 31 CFR 103.125 to develop and implement an effective anti-money laundering program.⁴ This Interpretive Guidance will aid Money Services Businesses in adopting appropriate risk-based policies, procedures, and controls on cross-border relationships with foreign agents and counterparties.

ANTI-MONEY LAUNDERING PROGRAM ELEMENTS RELATING TO FOREIGN AGENTS AND COUNTERPARTIES

Under 31 CFR 103.125(a), Money Services Businesses are required to develop, implement, and maintain an effective anti-money laundering program reasonably designed to prevent the Money Services Business from being used to facilitate money laundering and the financing of terrorist activities. The program must be commensurate with the risks posed by the location, size, nature, and volume of the financial services provided by the Money Services Business. Additionally, the program must incorporate policies, procedures, and controls reasonably designed to assure compliance with the Bank Secrecy Act and implementing regulations.

⁴FinCEN previously interpreted 31 CFR 103.125 to impose a similar obligation on a money transmitter with respect to its domestic agents. See Matter of Western Union, No. 2003-2 (Mar. 6, 2003) (www.fincen.gov).

With respect to Money Services Businesses that utilize foreign agents or counterparties, a Money Services Business' anti-money laundering program must include risk-based policies, procedures, and controls designed to identify and minimize money laundering and terrorist financing risks associated with foreign agents and counterparties that facilitate the flow of funds into and out of the United States. The program must be aimed at preventing the products and services of the Money Services Business from being used to facilitate money laundering or terrorist financing through these relationships and detecting the use of these products and services for money laundering or terrorist financing by the Money Services Business or agent. Relevant risk factors may include, but are not limited to:

- The foreign agent or counterparty's location and jurisdiction of organization, chartering, or licensing. This would include considering the extent to which the relevant jurisdiction is internationally recognized as presenting a greater risk for money laundering or is considered to have more robust anti-money laundering standards.
- The ownership of the foreign agent or counterparty. This includes whether the owners are known, upon reasonable inquiry, to be associated with criminal conduct or terrorism. For example, have the individuals been designated by Treasury's Office of Foreign Assets Control as Specially Designated Nationals or Blocked Persons (*i.e.*, involvement in terrorism, drug trafficking, or the proliferation of weapons of mass destruction)?
- The extent to which the foreign agent or counterparty is subject to anti-money laundering requirements in its jurisdiction and whether it has established such controls.
- Any information known or readily available to the Money Services Business about the foreign agent or counterparty's anti-money laundering record, including public information in industry guides, periodicals, and major publications.
- The nature of the foreign agent or counterparty's business, the markets it serves, and the extent to which its business and the markets it serves present an increased risk for money laundering or terrorist financing.
- The types and purpose of services to be provided to, and anticipated activity with, the foreign agent or counterparty.
- The nature and duration of the Money Services Business' relationship with the foreign agent or counterparty.

Specifically, a Money Services Business' anti-money laundering program should include procedures for the following:

1. Conduct of Due Diligence on Foreign Agents and Counterparties

Money Services Businesses should establish procedures for conducting reasonable, risk-based due diligence on potential and existing foreign agents and counterparties to help ensure that such foreign agents and counterparties are not themselves complicit in illegal activity involving the Money Services Business' products and services, and that they have in place appropriate anti-money laundering controls to guard against the abuse of the Money Services Business' products and services. Such due diligence must, at a minimum, include reasonable procedures to identify the owners of the Money Services Business' foreign agents and counterparties, as well as to evaluate, on an ongoing basis, the operations of those foreign agents and counterparties and their implementation of policies, procedures, and controls reasonably designed to help assure that the Money Services Business' products and services are not subject to abuse by the foreign agent's or counterparty's customers, employees, or contractors.⁵ The extent of the due diligence required will depend on a variety of factors specific to each agent or counterparty. We expect Money Services Businesses to assess such risks and perform due diligence in a manner consistent with that risk, in light of the availability of information.

2. Risk-based Monitoring of Foreign Agents or Counterparties

In addition to the due diligence described above, in order to detect and report suspected money laundering or terrorist financing, Money Services Businesses should establish procedures for risk-based monitoring and review of transactions from, to, or through the United States that are conducted through foreign agents and counterparties.⁶ Such procedures should also focus

⁵Our anti-money laundering program rule, 31 CFR 103.125(d)(iii), permits Money Service Businesses to satisfy this last requirement with regard to their domestic agents (which are also Money Service Businesses under the BSA regulations), by allocating responsibility for the program to their agents. Such an allocation, however, does not relieve a Money Service Business from ultimate responsibility for establishing and maintaining an effective anti-money laundering program. *Id.*

⁶Nothing in this Interpretive Guidance is intended to require Money Service Businesses to monitor or review, for purposes of the Bank Secrecy Act, transactions or activities of foreign agents or counterparties that occur entirely outside of the United

on identifying material changes in the agent's risk profile, such as a change in ownership, business, or the regulatory scrutiny to which it is subject.

The review of transactions should enable the Money Services Business to identify and, where appropriate, report as suspicious such occurrences as: instances of unusual wire activity, bulk sales or purchases of sequentially numbered instruments, multiple purchases or sales that appear to be structured, and illegible or missing customer information. Additionally, Money Services Businesses should establish procedures to assure that their foreign agents or counterparties are effectively implementing an anti-money laundering program and to discern obvious breakdowns in the implementation of the program by the foreign agent or counterparty.

Similarly, money transmitters should have procedures in place to enable them to review foreign agent or counterparty activity for signs of structuring or unnecessarily complex transmissions through multiple jurisdictions that may be indicative of layering. Such procedures should also enable them to discern attempts to evade identification or other requirements, whether imposed by applicable law or by the Money Services Business' own internal policies. Activity by agents or counterparties that appears aimed at evading the Money Services Business' own controls can be indicative of complicity in illicit conduct; this activity must be scrutinized, reported as appropriate, and corrective action taken as warranted.

3. Corrective Action and Termination

Money Services Businesses should have procedures for responding to foreign agents or counterparties that present unreasonable risks of money laundering or the financing of terrorism. Such procedures should provide for the implementation of corrective action on the part of the foreign agent or counterparty or for the termination of the relationship with any foreign agent or counterparty that the Money Services Business determines poses an unacceptable risk of money laundering or terrorist financing, or that has demonstrated systemic, willful, or repeated lapses in compliance with the Money Services Business' own anti-money laundering procedures or requirements.

While Money Services Businesses may already have implemented some or all of the procedures described in this Interpretive Guidance as a part of their anti-money laundering programs, we wish to provide a reasonable period of time for all affected Money Services Businesses to assess their operations, review their existing policies and

programs for compliance with this Advisory, and implement any additional necessary changes. We will expect full compliance with this Interpretive Release within 180 days.

Finally, we are mindful of the potential impact that this Interpretive Release may have on continuing efforts to bring informal value transfer systems into compliance with the existing regulatory framework of the Bank Secrecy Act. Experience has demonstrated the challenges in securing compliance by, for instance, hawalas and other informal value transfer systems. Further specification of Bank Secrecy Act compliance obligations carries with it the risk of driving these businesses underground, thereby undermining our ultimate regulatory goals. On balance, however, we believe that outlining the requirements for dealing with foreign agents and counterparties, including informal networks, is appropriate in light of the risks of money laundering and the financing of terrorism.

RELEASE NO. 2004-02

This FinCEN interpretive guidance clarifies that reports filed with the Department of the Treasury's Office of Foreign Assets Control ("OFAC") of blocked transactions with Specially Designated Global Terrorists, Specially Designated Terrorists, Foreign Terrorist Organizations, Specially Designated Narcotics Trafficker Kingpins, and Specially Designated Narcotics Traffickers will be deemed by FinCEN to fulfill the requirement to file suspicious activity reports on such transactions for purposes of FinCEN's suspicious activity reporting rules. However, the filing of a blocking report with OFAC will not be deemed to satisfy a financial institution's obligation to file a suspicious activity report if the transactions would be reportable under FinCEN's suspicious activity reporting rules even if there were no OFAC match. Moreover, to the extent that the financial institution is in possession of information not included on the blocking report filed with OFAC, a separate suspicious activity report should be filed with FinCEN including that information.

Background

The Bank Secrecy Act authorizes the Secretary of the Treasury to require financial institutions to report "any suspicious transaction relevant to a possible violation of law or regulation."¹ Under this authority, FinCEN has issued regulations requiring banks, securities broker-dealers, introducing

States and do not flow from, to, or through the United States.

¹ See 31 U.S.C. 5318(g)(1).

brokers, casinos, futures commission merchants, and money services businesses, to report suspicious activity that meets a particular dollar threshold.² Each rule includes filing procedures requiring that a suspicious transaction shall be reported by completing a suspicious activity report and filing it with FinCEN in a central location to be determined by FinCEN. Generally, the rules provide a financial institution with thirty days from the date of the initial detection of suspicious activity to file a report, with an additional thirty days if the financial institution is unable to identify a suspect. Reports are filed on forms developed for each industry subject to the reporting requirement.³

OFAC administers and enforces economic and trade sanctions based on U.S. foreign policy and national security goals against targeted foreign countries, terrorists, international narcotics traffickers, and those engaged in activities related to the proliferation of weapons of mass destruction. OFAC's Reporting, Procedures and Penalties Regulations at 31 CFR part 501 require U.S. financial institutions to block and file reports on accounts, payments, or transfers in which an OFAC-designated country, entity, or individual has any interest.⁴ These reports must be filed with OFAC within ten business days of the blocking of the property.⁵

Prior Guidance

Transactions involving an individual or entity designated on OFAC's list of Specially Designated Nationals and Blocked Persons as a global terrorist, terrorist, terrorist organization, narcotics trafficker, or narcotics kingpin⁶ may be in furtherance of a criminal act, and therefore relevant to a possible violation of law. Thus, blocking reports related to such persons also describe potentially suspicious activity. In the November 2003 edi-

tion of its "SAR Activity Review,"⁷ FinCEN instructed financial institutions to file suspicious activity reports on verified matches of persons designated by OFAC. While this guidance ensured that the relevant information would be available to law enforcement, it also resulted in financial institutions being required to make two separate filings with the Department of the Treasury—one with OFAC pursuant to its Reporting, Procedures and Penalties Regulations, and one with FinCEN pursuant to its suspicious activity reporting rules.

Revised Guidance

FinCEN is hereby revising its prior guidance to eliminate the need for duplicative reporting in cases where a financial institution identifies a verified match with individuals or entities designated by OFAC. As of the date of publication of this interpretation, FinCEN will deem its rules requiring the filing of suspicious activity reports to be satisfied by the filing of a blocking report with OFAC in accordance with OFAC's Reporting, Penalties and Procedures Regulations. OFAC will then provide the information to FinCEN for inclusion in the suspicious activity reporting database where it will be made available to law enforcement. This construction of the suspicious activity reporting rules will serve the public interest by enabling FinCEN to obtain and provide potentially important information about terrorists and major drug traffickers to law enforcement on an expedited basis without imposing duplicative reporting burdens on the regulated industry.

Accordingly, a financial institution that files a blocking report with OFAC due to the involvement in a transaction or account of a person designated as a Specially Designated Global Terrorist, a Specially Designated Terrorist, a Foreign Terrorist Organization, a Specially Designated Narcotics Trafficker Kingpin, or a Specially Designated Narcotics Trafficker, shall be deemed to have simultaneously filed a suspicious activity report on the fact of the match with FinCEN, in satisfaction of the requirements of the applicable suspicious activity reporting rule. This interpretation does not affect a financial institution's obligation to identify and report suspicious activity beyond the fact of the OFAC match. To the extent that the financial institution is in possession of information not included on the blocking report filed with OFAC, a separate suspicious activity report should be filed with FinCEN including that information. This interpretation also does not affect a financial institution's obligation to file a suspicious activity report even if it has filed a blocking report with OFAC, to the extent that the facts and circumstances surrounding the OFAC match

²See 31 CFR 103.17–21. The threshold for most financial institutions is \$5,000; transactions conducted at points of sale for money services businesses have a reporting threshold of \$2,000. See 31 CFR 103.20.

See 31 CFR parts 595, 597, 598 and the Foreign Narcotics Kingpin Act, 21 U.S.C. 1901–08, 8 U.S.C. 1182. These categories of designations are subject solely to blocking requirements.

are independently suspicious—and are otherwise required to be reported under existing FinCEN regulations. In those cases, the OFAC blocking report would not satisfy a financial institution's suspicious activity report filing obligation.

Further, nothing in this interpretation is intended to preclude a financial institution from filing a suspicious activity report to disclose additional information concerning the OFAC match,⁸ nor does it preclude a financial institution from filing a suspicious activity report if the financial institution has reason to believe that terrorism or drug trafficking is taking place, even though there is no OFAC match. Finally, this interpretation does not apply to blocking reports filed to report transactions and accounts involving persons owned by, or who are nationals of, countries subject to OFAC-administered sanctions programs. Such transactions should be reported on suspicious activity reports under the suspicious activity reporting rules if, and only if, the activity itself appears to be suspicious under the criteria established by the suspicious activity reporting rules.

§ 132.4 Exemptions.

(a) *Automated clearing house systems.* The participants processing a particular transaction through an automated clearing house system are exempt from this regulation's requirements for establishing written policies and procedures reasonably designed to prevent or prohibit restricted transactions with respect to that transaction, except for—

(1) The receiving depository financial institution and any third-party processor receiving the transaction on behalf of the receiver in an ACH credit transaction;

(2) The originating depository financial institution and any third-party processor initiating the transaction on behalf of the originator in an ACH debit transaction; and

(3) The receiving gateway operator and any third-party processor that receives instructions for an ACH debit transaction directly from a foreign sender (which could include a foreign banking office, a foreign third-party processor, or a foreign originating gateway operator).

(b) *Check collection systems.* The participants in a particular check collection through a check collection system are exempt from this regulation's requirements for establishing written policies and procedures reasonably designed to prevent or prohibit restricted transactions with respect to that check collection, except for the depository bank.

(c) *Money transmitting businesses.* The participants in a money transmitting business are exempt from this regulation's requirements for establishing written policies and procedures reasonably designed to prevent or prohibit restricted transactions, except for the operator.

(d) *Wire transfer systems.* The participants in a particular wire transfer through a wire transfer system are exempt from this regulation's requirements for establishing written policies and procedures reasonably designed to prevent or prohibit restricted transactions with respect to that transaction, except for the beneficiary's bank.

§ 132.5 Policies and procedures required.

(a) All non-exempt participants in designated payment systems shall establish and implement written policies and procedures reasonably designed to identify and block or otherwise prevent or prohibit restricted transactions.

(b) A non-exempt financial transaction provider participant in a designated payment system shall be considered to be in compliance with the requirements of paragraph (a) of this section if—

(1) It relies on and complies with the written policies and procedures of the designated payment system that are reasonably designed to—

(i) Identify and block restricted transactions; or

(ii) Otherwise prevent or prohibit the acceptance of the products or services of the designated payment system or participant in connection with restricted transactions; and

(2) Such policies and procedures of the designated payment system comply with the requirements of this part.

(c) For purposes of paragraph (b)(2) in this section, a participant in a designated payment system may rely on a written statement or notice by the operator of that designated payment system to its participants that states that the operator has designed or structured the system's policies and procedures for identifying and blocking or otherwise preventing or prohibiting restricted transactions to comply with the requirements of this part as conclusive evidence that the system's policies and procedures comply with the requirements of this part, unless the participant is notified otherwise by its Federal functional regulator or, in the case of participants that are not directly supervised by a Federal functional regulator, the Federal Trade Commission.

(d) As provided in the Act, a person that identifies and blocks a transaction, prevents or prohibits the acceptance of its products or services in connection with a transaction, or otherwise refuses to honor a transaction, shall not be liable to any party for such action if—

(1) The transaction is a restricted transaction;

§ 132.6

31 CFR Ch. I (7–1–10 Edition)

(2) Such person reasonably believes the transaction to be a restricted transaction; or

(3) The person is a participant in a designated payment system and blocks or otherwise prevents the transaction in reliance on the policies and procedures of the designated payment system in an effort to comply with this regulation.

(e) Nothing in this part requires or is intended to suggest that designated payment systems or participants therein must or should block or otherwise prevent or prohibit any transaction in connection with any activity that is excluded from the definition of “unlawful Internet gambling” in the Act as an intrastate transaction, an intratribal transaction, or a transaction in connection with any activity that is allowed under the Interstate Horseracing Act of 1978 (15 U.S.C. 3001 *et seq.*; see § 132.1(a)).

(f) Nothing in this part modifies any requirement imposed on a participant by other applicable law or regulation to file a suspicious activity report to the appropriate authorities.

(g) The requirement of this part to establish and implement written policies and procedures applies only to the U.S. offices of participants in designated payment systems.

§ 132.6 Non-exclusive examples of policies and procedures.

(a) *In general.* The examples of policies and procedures to identify and block or otherwise prevent or prohibit restricted transactions set out in this section are non-exclusive. In establishing and implementing written policies and procedures to identify and block or otherwise prevent or prohibit restricted transactions, a non-exempt participant in a designated payment system is permitted to design and implement policies and procedures tailored to its business that may be different than the examples provided in this section. In addition, non-exempt participants may use different policies and procedures with respect to different business lines or different parts of the organization.

(b) *Due diligence.* If a non-exempt participant in a designated payment system establishes and implements proce-

dures for due diligence of its commercial customer accounts or commercial customer relationships in order to comply, in whole or in part, with the requirements of this regulation, those due diligence procedures will be deemed to be reasonably designed to identify and block or otherwise prevent or prohibit restricted transactions if the procedures include the steps set out in paragraphs (b)(1), (b)(2), and (b)(3) of this section and subject to paragraph (b)(4) of this section.

(1) At the establishment of the account or relationship, the participant conducts due diligence of a commercial customer and its activities commensurate with the participant’s judgment of the risk of restricted transactions presented by the customer’s business.

(2) Based on its due diligence, the participant makes a determination regarding the risk the commercial customer presents of engaging in an Internet gambling business and follows either paragraph (b)(2)(i) or (b)(2)(ii) of this section.

(i) The participant determines that the commercial customer presents a minimal risk of engaging in an Internet gambling business.

(ii) The participant cannot determine that the commercial customer presents a minimal risk of engaging in an Internet gambling business, in which case it obtains the documentation in either paragraph (b)(2)(ii)(A) or (b)(2)(ii)(B) of this section—

(A) Certification from the commercial customer that it does not engage in an Internet gambling business; or

(B) If the commercial customer does engage in an Internet gambling business, each of the following—

(1) Evidence of legal authority to engage in the Internet gambling business, such as—

(i) A copy of the commercial customer’s license that expressly authorizes the customer to engage in the Internet gambling business issued by the appropriate State or Tribal authority or, if the commercial customer does not have such a license, a reasoned legal opinion that demonstrates that the commercial customer’s Internet gambling business does not involve restricted transactions; and

(ii) A written commitment by the commercial customer to notify the participant of any changes in its legal authority to engage in its Internet gambling business.

(2) A third-party certification that the commercial customer's systems for engaging in the Internet gambling business are reasonably designed to ensure that the commercial customer's Internet gambling business will remain within the licensed or otherwise lawful limits, including with respect to age and location verification.

(3) The participant notifies all of its commercial customers, through provisions in the account or commercial customer relationship agreement or otherwise, that restricted transactions are prohibited from being processed through the account or relationship.

(4) With respect to the determination in paragraph (b)(2)(i) of this section, participants may deem the following commercial customers to present a minimal risk of engaging in an Internet gambling business—

(i) An entity that is directly supervised by a Federal functional regulator as set out in §132.7(a); or

(ii) An agency, department, or division of the Federal government or a State government.

(c) *Automated clearing house system examples.* (1) The policies and procedures of the originating depository financial institution and any third party processor in an ACH debit transaction, and the receiving depository financial institution and any third party processor in an ACH credit transaction, are deemed to be reasonably designed to identify and block or otherwise prevent or prohibit restricted transactions if they—

(i) Address methods to conduct due diligence in establishing a commercial customer account or relationship as set out in §132.6(b);

(ii) Address methods to conduct due diligence as set out in §132.6(b)(2)(ii)(B) in the event that the participant has actual knowledge that an existing commercial customer of the participant engages in an Internet gambling business; and

(iii) Include procedures to be followed with respect to a commercial customer if the originating depository financial

institution or third-party processor has actual knowledge that its commercial customer has originated restricted transactions as ACH debit transactions or if the receiving depository financial institution or third-party processor has actual knowledge that its commercial customer has received restricted transactions as ACH credit transactions, such as procedures that address—

(A) The circumstances under which the commercial customer should not be allowed to originate ACH debit transactions or receive ACH credit transactions; and

(B) The circumstances under which the account should be closed.

(2) The policies and procedures of a receiving gateway operator and third-party processor that receives instructions to originate an ACH debit transaction directly from a foreign sender are deemed to be reasonably designed to prevent or prohibit restricted transactions if they include procedures to be followed with respect to a foreign sender if the receiving gateway operator or third-party processor has actual knowledge, obtained through notification by a government entity, such as law enforcement or a regulatory agency, that such instructions included instructions for restricted transactions. Such procedures may address sending notification to the foreign sender, such as in the form of the notice contained in appendix A to this part.

(d) *Card system examples.* The policies and procedures of a card system operator, a merchant acquirer, third-party processor, or a card issuer, are deemed to be reasonably designed to identify and block or otherwise prevent or prohibit restricted transactions, if the policies and procedures—

(1) Provide for either—

(i) Methods to conduct due diligence—

(A) In establishing a commercial customer account or relationship as set out in §132.6(b); and

(B) As set out in §132.6(b)(2)(ii)(B) in the event that the participant has actual knowledge that an existing commercial customer of the participant engages in an Internet gambling business; or

§ 132.6

31 CFR Ch. I (7-1-10 Edition)

(ii) Implementation of a code system, such as transaction codes and merchant/business category codes, that are required to accompany the authorization request for a transaction, including—

(A) The operational functionality to enable the card system operator or the card issuer to reasonably identify and deny authorization for a transaction that the coding procedure indicates may be a restricted transaction; and

(B) Procedures for ongoing monitoring or testing by the card system operator to detect potential restricted transactions, including—

(1) Conducting testing to ascertain whether transaction authorization requests are coded correctly; and

(2) Monitoring and analyzing payment patterns to detect suspicious payment volumes from a merchant customer; and

(2) For the card system operator, merchant acquirer, or third-party processor, include procedures to be followed when the participant has actual knowledge that a merchant has received restricted transactions through the card system, such as—

(i) The circumstances under which the access to the card system for the merchant, merchant acquirer, or third-party processor should be denied; and

(ii) The circumstances under which the merchant account should be closed.

(e) *Check collection system examples.* (1) The policies and procedures of a depository bank are deemed to be reasonably designed to identify and block or otherwise prevent or prohibit restricted transactions, if they—

(i) Address methods for the depository bank to conduct due diligence in establishing a commercial customer account or relationship as set out in §132.6(b);

(ii) Address methods for the depository bank to conduct due diligence as set out in §132.6(b)(2)(ii)(B) in the event that the depository bank has actual knowledge that an existing commercial customer engages in an Internet gambling business; and

(iii) Include procedures to be followed if the depository bank has actual knowledge that a commercial customer of the depository bank has deposited checks that are restricted trans-

actions, such as procedures that address—

(A) The circumstances under which check collection services for the customer should be denied; and

(B) The circumstances under which the account should be closed.

(2) The policies and procedures of a depository bank that receives checks for collection from a foreign banking office are deemed to be reasonably designed to identify and block or otherwise prevent or prohibit restricted transactions if they include procedures to be followed by the depository bank when it has actual knowledge, obtained through notification by a government entity, such as law enforcement or a regulatory agency, that a foreign banking office has sent checks to the depository bank that are restricted transactions. Such procedures may address sending notification to the foreign banking office, such as in the form of the notice contained in the appendix to this part.

(f) *Money transmitting business examples.* The policies and procedures of an operator of a money transmitting business are deemed to be reasonably designed to identify and block or otherwise prevent or prohibit restricted transactions if they—

(1) Address methods for the operator to conduct due diligence in establishing a commercial customer relationship as set out in §132.6(b);

(2) Address methods for the operator to conduct due diligence as set out in §132.6(b)(2)(ii)(B) in the event that the operator has actual knowledge that an existing commercial customer engages in an Internet gambling business;

(3) Include procedures regarding ongoing monitoring or testing by the operator to detect potential restricted transactions, such as monitoring and analyzing payment patterns to detect suspicious payment volumes to any recipient; and

(4) Include procedures when the operator has actual knowledge that a commercial customer of the operator has received restricted transactions through the money transmitting business, that address—

(i) The circumstances under which money transmitting services should be

denied to that commercial customer; and

(ii) The circumstances under which the commercial customer account should be closed.

(g) *Wire transfer system examples.* The policies and procedures of the beneficiary's bank in a wire transfer are deemed to be reasonably designed to identify and block or otherwise prevent or prohibit restricted transactions if they—

(1) Address methods for the beneficiary's bank to conduct due diligence in establishing a commercial customer account as set out in §132.6(b);

(2) Address methods for the beneficiary's bank to conduct due diligence as set out in §132.6(b)(2)(ii)(B) in the event that the beneficiary's bank has actual knowledge that an existing commercial customer of the bank engages in an Internet gambling business;

(3) Include procedures to be followed if the beneficiary's bank obtains actual knowledge that a commercial customer of the bank has received restricted transactions through the wire transfer system, such as procedures that address

(i) The circumstances under which the beneficiary bank should deny wire transfer services to the commercial customer; and

(ii) The circumstances under which the commercial customer account should be closed.

§ 132.7 Regulatory enforcement.

The requirements under this part are subject to the exclusive regulatory enforcement of—

(a) The Federal functional regulators, with respect to the designated payment systems and participants therein that are subject to the respective jurisdiction of such regulators under section 505(a) of the Gramm-

Leach-Bliley Act (15 U.S.C. 6805(a)) and section 5g of the Commodity Exchange Act (7 U.S.C. 7b-2); and

(b) The Federal Trade Commission, with respect to designated payment systems and participants therein not otherwise subject to the jurisdiction of any Federal functional regulators (including the Commission) as described in paragraph (a) of this section.
