

Environmental Protection Agency

§ 46.210

terminate the fellowship agreement in accordance with § 46.210.

§ 46.190 Fellowship agreement amendments.

(a) If you need to make any of the changes listed in paragraphs (a)(1) through (3) of this section, you must notify the project officer and receive a formal amendment (EPA Form 5770-8) approving the changes. You must sign and return one copy of each amendment to the award official. If you make the change before you receive the amendment, you do so at your own risk. Changes that require formal amendments are:

(1) A change in the amount of the fellowship;

(2) A change in the academic institution you attend; or

(3) A change in the duration of your fellowship.

(b) You must obtain the EPA project officer's written approval of changes in the field of study or approved research project.

(c) You do not need EPA approval of minor changes that are consistent with the objective of the fellowship agreement. Minor changes do not, however, obligate EPA to provide additional funds for any costs you incur in excess of the fellowship agreement amount.

§ 46.195 Project period.

Based on the "Date Fellow Will Enter on Duty" which you enter on the Activation Notice (see § 46.185(a)), EPA will establish the project period for the fellowship. If you incur costs before the date of the fellowship award, the date on the Activation Notice must reflect that fact (see also § 46.170(b)).

§ 46.200 Payment.

EPA will not make payments under a fellowship agreement until the award official receives the signed "Fellowship Activation Notice" (EPA Form 5770-7) as required by § 46.185. Unless the fellowship provides another payment process, EPA makes payments as follows:

(a) EPA pays tuition and fees directly to the educational institution.

(b) EPA pays any stipend directly to you on a monthly or other basis ap-

proved by the project officer and included in the fellowship agreement.

(c) EPA pays any book or other expense allowance to you or to the educational institution, as specified in the fellowship agreement. If EPA pays your expense allowance to the educational institution, the institution may deduct not more than two percent of the expense allowance as a handling fee.

§ 46.205 Intangible property.

In general, if you develop intangible property under a fellowship agreement (e.g., copyrighted software), EPA reserves a royalty-free, nonexclusive and irrevocable right to reproduce, publish, or otherwise use the work for Federal purposes, and to authorize others to do so. EPA's requirements for dealing with such intangible property are found at 40 CFR 30.36 of EPA's Uniform Administrative Requirements for Grants and Agreements with Institutions of Higher Education, Hospitals, and Other Non-Profit Organizations.

§ 46.210 Termination.

(a) EPA may terminate your fellowship agreement in whole or in part in accordance with the following:

(1) If you fail to submit the "Fellowship Activation Notice" as required by § 46.185.

(2) If you fail to comply with the terms and conditions of the fellowship agreement.

(b) You may voluntarily terminate your fellowship by sending the award official written notification setting forth the reasons for termination and the effective date. In that case, the EPA project officer may discuss the terms of the termination with you, and EPA may send you a letter or other document which states any termination conditions.

(c) Costs resulting from obligations you incur after termination of an award are not allowable unless EPA expressly authorizes them in the notice of termination or subsequently approves them. Costs after termination which are necessary and not reasonably avoidable are allowable if:

(1) The cost results from obligations which you properly incurred before the effective date of termination, were not
