award instrument (*i.e.*, grant, cooperative agreement, or contract). The Federal Grant and Cooperative Agreement Act (31 U.S.C. 6301-08) governs the use of grants, cooperative agreements and contracts.

(1) *Grants and cooperative agreements.* A grant or cooperative agreement will be used only when the principal purpose of a transaction is to accomplish a public purpose of support or stimulation authorized by Federal statute. The statutory criterion for choosing between grants and cooperative agreements is that for the latter, "substantial involvement is expected between the executive agency and the State, local government, or other recipient when carrying out the activity contemplated in the agreement."

(2) *Contracts.* Contracts will be used when the principal purpose is acquisition of property or services for the direct benefit or use of the Federal Government.

(b) *Public notice and priority setting.* SSA will notify the public of its intended funding priorities for discretionary grant programs, unless funding priorities are established by Federal statute.

### § 435.12 Forms for applying for Federal assistance.

(a) SSA must comply with the applicable report clearance requirements of 5 CFR part 1320, "Controlling Paperwork Burdens on the Public," with regard to all forms used by SSA in place of or as a supplement to the Standard Form 424 (SF-424) series.

(b) Applicants must use the SF-424 series or those forms and instructions prescribed by SSA.

(c) For Federal programs covered by Executive Order 12372, "Intergovernmental Review of Federal Programs" (3 CFR, 1982 Comp., p. 197), the applicant must complete the appropriate sections of the SF-424 (Application for Federal Assistance) indicating whether the application was subject to review by the State Single Point of Contact (SPOC). The name and address of the SPOC for a particular State can be obtained from SSA or the *Catalog of Federal Domestic Assistance*. The SPOC will advise the applicant whether the program for

### § 435.13 Debarment and suspension. [Reserved]

### § 435.14 Special award conditions.

(a) *When special conditions may apply.* SSA may impose additional requirements, as needed, if an applicant or recipient:

- (1) Has a history of poor performance,
- (2) Is not financially stable,
- (3) Has a management system that does not meet the standards prescribed in this part,
- (4) Has not conformed to the terms and conditions of a previous award, or
- (5) Is not otherwise responsible.

(b) *Notice of special conditions.* When imposing additional requirements, SSA will notify the recipient in writing as to:

- (1) The nature of the additional requirements,
- (2) The reason why the additional requirements are being imposed,
- (3) The nature of the corrective action needed,
- (4) The time allowed for completing the corrective actions, and
- (5) The method for requesting reconsideration of the additional requirements imposed.

(c) Any special conditions will be promptly removed once the conditions that prompted them have been corrected.

### § 435.15 Metric system of measurement.

The Metric Conversion Act, as amended by the Omnibus Trade and Competitiveness Act (15 U.S.C. 205) declares that the metric system is the preferred measurement system for U.S. trade and commerce. The Act requires each Federal agency to establish a date or dates, in consultation with the Secretary of Commerce, when the metric system of measurement will be used in the agency's procurements, grants, and other business-related activities. Metric implementation may take longer where the use of the system is initially impractical or likely to cause significant inefficiencies in the accomplishment of federally-funded activities.
