

§922.167

15 CFR Ch. IX (1–1–12 Edition)

recovery operations are begun, and an approved nautical conservator shall be in charge of planning, conducting, and supervising the conservation of any artifacts and other materials recovered.

(3) A curation agreement with a museum or facility for curation, public access and periodic public display, and maintenance of the recovered historical resources shall be in place before commencing field operations (such agreement for the curation and display of recovered historical resources may provide for the release of public artifacts for deaccession/transfer if such deaccession/transfer is consistent with preservation, research, education, or other purposes of the designation and management of the Sanctuary. Deaccession/transfer of historical resources requires a Special-use permit issued pursuant to paragraph (d) and such deaccession/transfer shall be executed in accordance with the requirements of the SCR Agreement).

(4) The site's archaeological information is fully documented, including measured drawings, site maps drawn to professional standards, and photographic records.

(m) In addition to the terms and conditions listed in paragraph (k) and (l) of this section, any permit issued pursuant to this section is subject to such other terms and conditions, including conditions governing access to, or use of, Sanctuary resources, as the Director deems reasonably necessary or appropriate and in furtherance of the purposes for which the Sanctuary is designated. Such terms and conditions may include, but are not limited to:

(1) Any data or information obtained under the permit shall be made available to the public.

(2) A NOAA official shall be allowed to observe any activity conducted under the permit.

(3) The permittee shall submit one or more reports on the status, progress, or results of any activity authorized by the permit.

(4) The permittee shall submit an annual report to the Director not later than December 31 of each year on activities conducted pursuant to the permit. The report shall describe all activities conducted under the permit and all revenues derived from such ac-

tivities during the year and/or term of the permit.

(5) The permittee shall purchase and maintain general liability insurance or other acceptable security against potential claims for destruction, loss of, or injury to Sanctuary resources arising out of the permitted activities. The amount of insurance or security should be commensurate with an estimated value of the Sanctuary resources in the permitted area. A copy of the insurance policy or security instrument shall be submitted to the Director.

§922.167 Permits for access to the Tortugas Ecological Reserve.

(a) A person may enter the Tortugas North area of the Tortugas Ecological Reserve other than for passage without interruption through the reserve, for law enforcement purposes, or for purposes of monitoring pursuant to paragraph (d)(2) of §922.164, if authorized by a valid access permit issued pursuant to §922.167.

(b)(1) Access permits must be requested at least 72 hours but no longer than one month before the date the permit is desired to be effective. Access permits do not require written applications or the payment of any fee. Permits may be requested via telephone or radio by contacting FKNMS at any of the following numbers:

Key West office: telephone: (305) 292-0311
Marathon office: telephone: (305) 743-2437

(2) The following information must be provided, as applicable:

- (i) Vessel name.
- (ii) Name, address, and telephone number of owner and operator.
- (iii) Name, address, and telephone number of applicant.
- (iv) USCG documentation, state license, or registration number.
- (v) Home port.
- (vi) Length of vessel and propulsion type (*i.e.*, motor or sail).
- (vii) Number of divers.
- (viii) Requested effective date and duration of permit (2 weeks, maximum).

(c) The Sanctuary Superintendent will issue a permit to the owner or to the owner's representative for the vessel when all applicable information has been provided. The Sanctuary Superintendent will provide a permit number

to the applicant and confirm the effective date and duration period of the permit. Written confirmation of permit issuance will be provided upon request.
