

§ 61.19

§ 61.19 Detariffing of international and interstate, domestic interexchange services.

(a) Except as otherwise provided in paragraphs (b) through (e) of this section, or by Commission order, carriers that are nondominant in the provision of international and interstate, domestic interexchange services shall not file tariffs for such services.

(b) Carriers that are nondominant in the provision of international and domestic, interstate, interexchange services are permitted to file tariffs for dial-around 1+ services. For the purposes of this paragraph, dial-around 1+ calls are those calls made by accessing the interexchange carrier through the use of that carrier's carrier access code.

(c) Carriers that are nondominant in the provision of international and domestic, interstate, interexchange services are permitted to file a tariff for such services applicable to those customers who contact the local exchange carrier to designate an interexchange carrier or to initiate a change with respect to their primary interexchange carrier. Such tariff will enable the interexchange carrier to provide service to the customer until the interexchange carrier and the customer consummate a written agreement, but in no event shall the interexchange carrier provide service to its customer pursuant to such tariff for more than 45 days.

(d) Carriers that are nondominant in the provision of international inbound collect calls to the United States are permitted to file a tariff for such services.

(e) Carriers that are nondominant in the provision of "on-demand" Mobile Satellite Services are permitted to file a tariff for such services applicable to those customers that have not entered into pre-existing service contracts designating a specific provider for such services.

§ 61.25 References to other instruments.

In addition to the cross-references permitted pursuant to § 61.74, a nondominant carrier may cross-reference in its tariff publication only the rate provisions of another carrier's FCC tariff publication, provided that the following conditions are met:

(a) The tariff being cross-referenced must be on file with the Commission and in effect;

(b) The issuing carrier must specifically identify in its tariff the cross-referenced tariff by Carrier Name and FCC Tariff Number;

(c) The issuing carrier must specifically identify in its tariff the rates being cross-referenced so as to leave no doubt as to the exact rates that will apply, including but not limited to any applicable credits, discounts, promotions; and

(d) The issuing carrier must keep its cross-references current.

§ 61.26 Tariffing of competitive interstate switched exchange access services.

(a) *Definitions.* For purposes of this section, the following definitions shall apply:

(1) *CLEC* shall mean a local exchange carrier that provides some or all of the interstate exchange access services used to send traffic to or from an end user and does not fall within the definition of "incumbent local exchange carrier" in 47 U.S.C. 251(h).

(2) *Competing ILEC* shall mean the incumbent local exchange carrier, as defined in 47 U.S.C. 251(h), that would
