(b) *Procedures and standards—(1) Joint agency determination.* At least annually, the Federal banking agencies shall determine jointly, based on the standards set forth in paragraph (b)(2) of this section, the following:

(2) *Standards for requiring ATRR—(i) Evaluation of assets.* The Federal banking agencies shall apply the following criteria in determining whether an ATRR is required for particular international assets:

(2) *Separate accounting.* A banking institution shall account for an ATRR separately from the Allowance for Loan and Lease Losses, and shall deduct the ATRR from "gross loans and leases" to arrive at "net loans and leases." The ATRR must be established for each asset subject to the ATRR in the percentage amount specified.

(3) *Consolidation.* A banking institution shall establish an ATRR, as required, on a consolidated basis. For banks, consolidation should be in accordance with the procedures and tests of significance set forth in the instructions for preparation of *Consolidated Reports of Condition and Income* (FFIEC 031 and 041).
