

Commodity Futures Trading Commission

§ 15.01

(j) *Foreign trader* means any trader (as defined in paragraph (s) of this section) who resides or is domiciled outside of the United States, its territories or possessions.

(k) *Futures, futures contract, future delivery or contract for future delivery*, means any contract for the purchase or sale of any commodity for future delivery that is executed on or subject to the rules of a reporting market, including all agreements, contracts and transactions that are treated by a clearing organization as fungible with such contracts.

(l) *Guided account program* means any customer trading program which limits trading to the purchase or sale of a particular contract for future delivery of a commodity or a particular commodity option that is advised or recommended to the participant in the program.

(m) *Managed account program* means a customer trading program which includes two or more discretionary accounts traded pursuant to a common plan, advice or recommendations.

(n) *Open contracts means* “open contracts” (as defined in §1.3(t) of this chapter) and commodity option positions held by any person on or subject to the rules of a board of trade which have not expired, been exercised, or offset.

(o) *Option, options, option contract, or options contract*, unless specifically provided otherwise, means any contract for the purchase or sale of a commodity option that is executed on or subject to the rules of a reporting market, including all agreements, contracts and transactions that are treated by a clearing organization as fungible with such contracts.

(p) *Reportable position* means:

(1) For reports specified in parts 17, 18 and §19.00(a)(2) and (a)(3) of this chapter any open contract position that at the close of the market on any business day equals or exceeds the quantity specified in §15.03 of this part in either:

(i) Any one futures of any commodity on any one reporting market, excluding futures contracts against which notices of delivery have been stopped by a trader or issued by the clearing organization of a reporting market; or

(ii) Long or short put or call options that exercise into the same future of any commodity, or other long or short put or call commodity options that have identical expirations and exercise into the same commodity, on any one reporting market.

(2) For the purposes of reports specified in §19.00(a)(1) of this chapter, any combined futures and futures-equivalent option open contract position as defined in part 150 of this chapter in any one month or in all months combined, either net long or net short in any commodity on any one reporting market, excluding futures positions against which notices of delivery have been stopped by a trader or issued by the clearing organization of a reporting market, which at the close of the market on the last business day of the week exceeds the net quantity limit in spot, single or in all-months fixed in §150.2 of this chapter for the particular commodity and reporting market.

(q) *Reporting market* means a designated contract market, registered entity under section 1a(29) of the Act, and unless determined otherwise by the Commission with respect to the facility or a specific contract listed by the facility, a registered derivatives transaction execution facility.

(r) *Special account* means any commodity futures or option account in which there is a reportable position.

(s) *Trader* means a person who, for his own account or for an account which he controls, makes transactions in commodity futures or options, or has such transactions made.
