

## Environmental Protection Agency

## § 270.110

(c)(1)(iv) do not apply; instead, you must submit the information required under § 270.110. When your permit is modified the RAP becomes part of the RCRA permit. Therefore when your permit (including the RAP portion) is modified, revoked and reissued, terminated or when it expires, it will be modified according to the applicable requirements in §§ 270.40 through 270.42, revoked and reissued according to the applicable requirements in §§ 270.41 and 270.43, terminated according to the applicable requirements in § 270.43, and expire according to the applicable requirements in §§ 270.50 and 270.51.

### § 270.90 Does my RAP grant me any rights or relieve me of any obligations?

The provisions of § 270.4 apply to RAPs. (NOTE: The provisions of § 270.4(a) provide you assurance that, as long as you comply with your RAP, EPA will consider you in compliance with Subtitle C of RCRA, and will not take enforcement actions against you. However, you should be aware of four exceptions to this provision that are listed in § 270.4.)

#### APPLYING FOR A RAP

### § 270.95 How do I apply for a RAP?

To apply for a RAP, you must complete an application, sign it, and submit it to the Director according to the requirements in this subpart.

### § 270.100 Who must obtain a RAP?

When a facility or remediation waste management site is owned by one person, but the treatment, storage or disposal activities are operated by another person, it is the operator's duty to obtain a RAP, except that the owner must also sign the RAP application.

### § 270.105 Who must sign the application and any required reports for a RAP?

Both the owner and the operator must sign the RAP application and any required reports according to § 270.11(a), (b), and (c). In the application, both the owner and the operator must also make the certification required under § 270.11(d)(1). However, the owner may choose the alternative certification

under § 270.11(d)(2) if the operator certifies under § 270.11(d)(1).

### § 270.110 What must I include in my application for a RAP?

You must include the following information in your application for a RAP:

(a) The name, address, and EPA identification number of the remediation waste management site;

(b) The name, address, and telephone number of the owner and operator;

(c) The latitude and longitude of the site;

(d) The United States Geological Survey (USGS) or county map showing the location of the remediation waste management site;

(e) A scaled drawing of the remediation waste management site showing:

(1) The remediation waste management site boundaries;

(2) Any significant physical structures; and

(3) The boundary of all areas on-site where remediation waste is to be treated, stored or disposed;

(f) A specification of the hazardous remediation waste to be treated, stored or disposed of at the facility or remediation waste management site. This must include information on:

(1) Constituent concentrations and other properties of the hazardous remediation wastes that may affect how such materials should be treated and/or otherwise managed;

(2) An estimate of the quantity of these wastes; and

(3) A description of the processes you will use to treat, store, or dispose of this waste including technologies, handling systems, design and operating parameters you will use to treat hazardous remediation wastes before disposing of them according to the LDR standards of part 268 of this chapter, as applicable;

(g) Enough information to demonstrate that operations that follow the provisions in your RAP application will ensure compliance with applicable requirements of parts 264, 266, and 268 of this chapter;

(h) Such information as may be necessary to enable the Regional Administrator to carry out his duties under other Federal laws as is required for

## §270.115

## 40 CFR Ch. I (7–1–13 Edition)

traditional RCRA permits under §270.14(b)(20);

(i) Any other information the Director decides is necessary for demonstrating compliance with this subpart or for determining any additional RAP conditions that are necessary to protect human health and the environment.

### **§270.115 What if I want to keep this information confidential?**

Part 2 (Public Information) of this chapter allows you to claim as confidential any or all of the information you submit to EPA under this subpart. You must assert any such claim at the time that you submit your RAP application or other submissions by stamping the words “confidential business information” on each page containing such information. If you do assert a claim at the time you submit the information, EPA will treat the information according to the procedures in part 2 of this chapter. If you do not assert a claim at the time you submit the information, EPA may make the information available to the public without further notice to you. EPA will deny any requests for confidentiality of your name and/or address.

### **§270.120 To whom must I submit my RAP application?**

You must submit your application for a RAP to the Director for approval.

### **§270.125 If I submit my RAP application as part of another document, what must I do?**

If you submit your application for a RAP as a part of another document, you must clearly identify the components of that document that constitute your RAP application.

#### GETTING A RAP APPROVED

### **§270.130 What is the process for approving or denying my application for a RAP?**

(a) If the Director tentatively finds that your RAP application includes all of the information required by §270.110 and that your proposed remediation waste management activities meet the regulatory standards, the Director will make a tentative decision to approve your RAP application. The Director

will then prepare a draft RAP and provide an opportunity for public comment before making a final decision on your RAP application, according to this subpart.

(b) If the Director tentatively finds that your RAP application does not include all of the information required by §270.110 or that your proposed remediation waste management activities do not meet the regulatory standards, the Director may request additional information from you or ask you to correct deficiencies in your application. If you fail or refuse to provide any additional information the Director requests, or to correct any deficiencies in your RAP application, the Director may make a tentative decision to deny your RAP application. After making this tentative decision, the Director will prepare a notice of intent to deny your RAP application (“notice of intent to deny”) and provide an opportunity for public comment before making a final decision on your RAP application, according to the requirements in this Subpart. The Director may deny the RAP application either in its entirety or in part.

### **§270.135 What must the Director include in a draft RAP?**

If the Director prepares a draft RAP, it must include the:

(a) Information required under §270.110(a) through (f);

(b) The following terms and conditions:

(1) Terms and conditions necessary to ensure that the operating requirements specified in your RAP comply with applicable requirements of parts 264, 266, and 268 of this chapter (including any recordkeeping and reporting requirements). In satisfying this provision, the Director may incorporate, expressly or by reference, applicable requirements of parts 264, 266, and 268 of this chapter into the RAP or establish site-specific conditions as required or allowed by parts 264, 266, and 268 of this chapter;

(2) Terms and conditions in §270.30;

(3) Terms and conditions for modifying, revoking and reissuing, and terminating your RAP, as provided in §270.170; and
