§ 609.11

(f) The Loan Guarantee Agreement must contain audit provisions which provide, in substance, as follows:

(1) The Eligible Lender or other Holder or other party servicing the Guaranteed Obligations, as applicable, and the Borrower, must keep such records concerning the project as are necessary to facilitate an effective and accurate audit and performance evaluation of the project as required in § 609.17 of this part; and

(2) DOE and the Comptroller General, or their duly authorized representatives, must have access, for the purpose of audit and examination, to any pertinent books, documents, papers, and records of the Borrower, Eligible Lender or other Holder, or other party servicing the Guaranteed Obligations, as applicable. (g)(1) An Eligible Lender or other Holder may sell, assign or transfer a Guaranteed Obligation to another Eligible Lender that meets the requirements of § 609.11 of this part. Such Eligible Lender to which a Guaranteed Obligation is assigned or transferred, is required to fulfill all servicing, monitoring, and reporting requirements contained in the Loan Guarantee Agreement and these regulations if the transferring Eligible Lender was performing these functions and transfer such functions to the new Eligible Lender. Any assignment or transfer, however, of the servicing, monitoring, and reporting functions must be approved by DOE in writing in advance of such assignment.

(2) The Secretary, or the Secretary's designee or contractual agent, for the purpose of identifying Holders with the right to receive payment under the

guarantees shall include in the Loan Guarantee Agreement or related documents a procedure for tracking and identifying Holders of Guarantee Obligations. These duties usually will be performed by the servicer. Any contractual agent approved by the Secretary to perform this function cannot transfer or assign this responsibility without the prior written consent of the Secretary.
