APPENDIX B TO PART 749—CATASTROPHIC ACT PREPAREDNESS GUIDELINES

Credit unions often look to NCUA for guidance on preparing for a catastrophic act. While NCUA has minimal regulation in this area,¹ as an aid to credit unions it is pub-

lishing this appendix of suggested guidelines. It is recommended that all credit unions develop a program to prepare for a catastrophic act. The program should be developed with oversight and approval of the board of directors. It is recommended the program address the following five elements:

- (1) A business impact analysis to evaluate potential threats;
- (2) A risk assessment to determine critical systems and necessary resources;
- (3) A written plan addressing:
 - i. Persons with authority to enact the plan;
 - ii. Preservation and ability to restore vital records;
 - iii. A method for restoring vital member services through identification of alternate operating location(s) or mediums to provide services, such as telephone centers, shared service centers, agreements with other credit unions, or other appropriate methods;
 - iv. Communication methods for employees and members;
 - v. Notification of regulators as addressed in 12 CFR 748.1(b);
 - vi. Training and documentation of training to ensure all employees and volunteer officials are aware of procedures to follow in the event of destruction of vital records or loss of vital member services; and
 - vii. Testing procedures, including a means for documenting the testing results.
- (4) Internal controls for reviewing the plan at least annually and for revising the plan as circumstances warrant, for example, to address changes in the credit union's operations; and
- (5) Annual testing.

§ 750.0

SOURCE: 76 FR 30517, May 26, 2011, unless otherwise noted.

§ 750.0 Scope.

(a) This part limits and prohibits, in certain circumstances, the ability of Federally insured credit unions, including Federally and state chartered natural person credit unions and Federally and state chartered corporate credit unions, to enter into contracts to pay and to make golden parachute and indemnification payments to institution-affiliated parties (IAPs).

(b) The limitations on golden parachute payments apply to troubled Federally insured credit unions that seek to enter into contracts to pay or to make golden parachute payments to their IAPs. A “golden parachute payment” is generally considered to be any payment to an IAP which is contingent on the termination of that person’s employment and is received when the Federally insured credit union making the payment is troubled. The definition of golden parachute payment does not include payments pursuant to qualified retirement plans, non-qualified bona fide deferred compensation plans, nondiscriminatory severance pay plans, other types of common benefits plans, state statutes and death benefits. Certain limited exceptions to the golden parachute payment prohibition are provided for in cases involving unassisted mergers and the hiring of new management to help improve a troubled Federally insured credit union’s financial condition. A procedure is also set forth to permit a Federally insured credit union to request permission to make what would otherwise be a prohibited golden parachute payment.

(c) The limitations on indemnification payments apply to all Federally insured credit unions, including state chartered credit unions, regardless of their financial health. Generally, this part prohibits Federally insured credit unions from indemnifying an IAP for that portion of the costs sustained with regard to an administrative proceeding or civil action commenced by NCUA or a state regulatory authority that results in a final order or settlement pursuant to which the IAP is assessed a civil money penalty, removed

from office, prohibited from participating in the affairs of a Federally insured credit union or required to cease and desist from an action or take an affirmative action described in section 206 of the Federal Credit Union Act, 12 U.S.C. 1786. There are exceptions to this general prohibition. First, a Federally insured credit union may purchase commercial insurance to cover these expenses, except judgments and penalties. Second, the credit union may advance legal and other professional expenses to an IAP directly (except for judgments and penalties) if its board of directors makes certain specific findings and the IAP provides a written affirmation and agrees in writing to reimburse the credit union if it is ultimately determined that the IAP violated a law or regulation or has engaged in certain unsafe or unsound practices or breaches of fiduciary duty. For Federal credit unions, fiduciary duty is defined in 701.4 of this chapter. State chartered credit unions should look to applicable state law.

§ 750.1 Definitions.

As used in this part:

(a) *Benefit plan* means any employee benefit plan, contract, agreement or other arrangement subject to the requirements in § 701.19 of this chapter; provided, however, that to the extent the plan exhibits characteristics of a deferred compensation plan or arrangement, or severance plan, it meets the criteria set forth in paragraph (c) or (i), respectively, of this section.

(b) *Bona fide deferred compensation plan or arrangement* means any plan, contract, agreement or other arrangement where:

(1) An IAP voluntarily elects to defer all or a portion of the reasonable compensation, wages or fees paid for services rendered that otherwise would have been paid to the IAP at the time the services were rendered, including a plan providing for crediting a reasonable investment return on the elective deferrals, and the Federally insured credit union either:

(i) Recognizes compensation expense and accrues a liability for the benefit payments according to generally accepted accounting principles (GAAP); or

National Credit Union Administration

§ 750.1

(ii) Segregates or otherwise sets aside assets in a trust that may only be used to pay plan and other benefits, except that the assets of the trust may be available to satisfy claims of the Federally insured credit union's creditors in the case of insolvency; or

(2) A Federally insured credit union establishes a nonqualified deferred compensation or supplemental retirement plan, other than an elective deferral plan described in paragraph (c)(1) of this section:

(i) Primarily for the purpose of providing benefits for certain IAPs in excess of the limitations on contributions and benefits imposed by sections 415, 401(a)(17), 402(g) or any other applicable provision of the Internal Revenue Code of 1986 (26 U.S.C. 415, 401(a)(17), 402(g)); or

(ii) Primarily for the purpose of providing supplemental retirement benefits or other deferred compensation for a select group of directors, management or highly compensated employees, excluding severance payments described in paragraph (e)(2)(v) of this section and permissible golden parachute payments described in § 750.4; and

(3) In the case of any nonqualified deferred compensation or supplemental retirement plans as described in paragraphs (c)(1) and (2) of this section, the following requirements apply:

(i) The plan was in effect at least one year before any of the events described in paragraph (e)(1)(ii) of this section;

(ii) Any payment made pursuant to the plan is made in accordance with the terms of the plan as in effect no later than one year before any of the events described in paragraph (e)(1)(ii) of this section and in accordance with any amendments to the plan during that one year period that do not increase the benefits payable under the plan;

(iii) The IAP has a vested right, as defined under the applicable plan document, at the time of termination of employment to payments under the plan;

(iv) Benefits under the plan are accrued each period only for current or prior service rendered to the employer, except that an allowance may be made for service with a predecessor employer;

(v) Any payment made pursuant to the plan is not based on any discretionary acceleration of vesting or accrual of benefits that occurs at any time later than one year before any of the events described in paragraph (e)(1)(ii) of this section;

(vi) The Federally insured credit union has previously recognized compensation expense and accrued a liability for the benefit payments according to GAAP or segregated or otherwise set aside assets in a trust that may only be used to pay plan benefits, except that the assets of the trust may be available to satisfy claims of the credit union's creditors in the case of insolvency; and

(vii) Payments pursuant to the plans must not exceed the accrued liability computed in accordance with GAAP.

(c) *Federally insured credit union* means a Federal credit union, state chartered credit union, or corporate credit union the member accounts of which are insured under the Act.

(d) *Golden parachute payment*.

(1) The term *golden parachute payment* means any payment or any agreement to make any payment in the nature of compensation by any Federally insured credit union for the benefit of any current or former IAP pursuant to an obligation of the credit union that:

(i) Is contingent on, or by its terms is payable on or after, the termination of the party's primary employment or affiliation with the credit union; and

(ii) Is received on or after, or is made in contemplation of, any of the following events:

(A) The insolvency of the Federally insured credit union that is making the payment; or

(B) The appointment of any conservator or liquidating agent for the Federally insured credit union; or

(C) The federally insured credit union is in troubled condition as defined in § 700.2(j) of this chapter; or

(D) In the case of a corporate credit union, the federally insured credit union is undercapitalized as defined in § 704.4 of this chapter; or

(E) The federally insured credit union is subject to a proceeding to terminate or suspend its share insurance; and

§ 750.1

12 CFR Ch. VII (1–1–14 Edition)

(iii) Is payable to an IAP whose employment by or affiliation with a Federally insured credit union is terminated at a time when the Federally insured credit union by which the IAP is employed or with which the IAP is affiliated satisfies any of the conditions enumerated in paragraphs (e)(1)(ii) (A) through (E) of this section, or in contemplation of any of these conditions.

(2) *Exceptions.* The term *golden parachute payment* does not include:

(i) Any payment made pursuant to a deferred compensation plan under section 457(b) of the Internal Revenue Code of 1986, 26 U.S.C. 457(b), or a pension or retirement plan that is qualified or is intended within a reasonable period of time to be qualified under section 401 of the Internal Revenue Code of 1986, 26 U.S.C. 401; or

(ii) Any payment made pursuant to a benefit plan as that term is defined in paragraph (b) of this section; or

(iii) Any payment made pursuant to a *bona fide deferred compensation plan or arrangement* as defined in paragraph (c) of this section; or

(iv) Any payment made by reason of death or by reason of termination caused by the disability of an IAP; or

(v) Any payment made pursuant to a nondiscriminatory severance pay plan or arrangement that provides for payment of severance benefits to all eligible employees upon involuntary termination other than for cause, voluntary resignation, or early retirement; provided, however, that no employee will receive any payment that exceeds the base compensation paid to the employee during the twelve months, or a longer period or greater benefit as the NCUA will consent to, immediately preceding termination of employment, resignation or early retirement, and the severance pay plan or arrangement must not or cannot have been adopted or modified to increase the amount or scope of severance benefits at a time when the Federally insured credit union was in a condition specified in paragraph (e)(1)(ii) of this section or in contemplation of that condition without the prior written consent of NCUA; or

(vi) Any severance or similar payment required to be made pursuant to a state statute applicable to all em-

ployers within the appropriate jurisdiction, with the exception of employers that may be exempt due to their small number of employees or other similar criteria; or

(vii) Any other payment NCUA determines to be permissible in accordance with § 750.4.

(e) *Institution-affiliated party (IAP)* means any individual meeting the criteria in section 206(r) of the Act, 12 U.S.C. 1786(r).

(f) *Liability or legal expense* means:

(1) Any legal or other professional fees and expenses incurred in connection with any claim, proceeding, or action;

(2) The amount of, and any cost incurred in connection with, any settlement of any claim, proceeding, or action; and

(3) The amount of, and any cost incurred in connection with, any judgment or penalty imposed with respect to any claim, proceeding, or action.

(g) *NCUA* means the National Credit Union Administration.

(h) *Nondiscriminatory* means that the plan, contract or arrangement applies to all employees of a Federally insured credit union who meet reasonable and customary eligibility requirements applicable to all employees, such as minimum length of service requirements. A nondiscriminatory plan, contract or arrangement may provide different benefits based only on objective criteria, such as salary, total compensation, length of service, job grade or classification, applied on a proportionate basis (with a variance in severance benefits relating to any criterion of plus or minus ten percent) to groups of employees consisting of not less than 33% of all employees.

(i) *Payment* means:

(1) Any direct or indirect transfer of any funds or any asset;

(2) Any forgiveness of any debt or other obligation;

(3) The conferring of any benefit; or

(4) Any segregation of any funds or assets, the establishment or funding of any trust or the purchase of or arrangement for any letter of credit or other instrument, for the purpose of making, or pursuant to any agreement to make, any payment on or after the date on which the funds or assets are

National Credit Union Administration

§ 750.4

segregated, or at the time of or after such trust is established or letter of credit or other instrument is made available, without regard to whether the obligation to make such payment is contingent on:

(i) The determination, after such date, of the liability for the payment of such amount; or

(ii) The liquidation, after such date, of the amount of such payment.

(j) *Prohibited indemnification payment.*

(1) *Prohibited indemnification payment* means any payment or any agreement or arrangement to make any payment by any Federally insured credit union for the benefit of any person who is or was an IAP of the Federally insured credit union, to pay or reimburse such person for any civil money penalty, judgment, or other liability or legal expense resulting from any administrative or civil action instituted by NCUA or any appropriate state regulatory authority, in the case of a credit union or corporate credit union chartered by a state, that results in a final order or settlement pursuant to which such person:

(i) Is assessed a civil money penalty;

(ii) Is removed from office or prohibited from participating in the conduct of the affairs of the Federally insured credit union; or

(iii) Is required to cease and desist from an action or take any affirmative action described in section 206 of the Act (12 U.S.C.1786) with respect to the credit union.

(2) *Exceptions. Prohibited indemnification payment* does not include any reasonable payment that:

(i) Is used to purchase a commercial insurance policy or fidelity bond, provided that the insurance policy or bond must not be used to pay or reimburse an IAP for the cost of any judgment or civil money penalty assessed against the IAP in an administrative proceeding or civil action commenced by NCUA or the appropriate state supervisory authority, in the case of a credit union or corporate credit union chartered by a state, but may pay any legal or professional expenses incurred in connection with a proceeding or action or the amount of any restitution, to the Federally insured credit union or its conservator or liquidating agent; or

(ii) Represents partial indemnification for legal or professional expenses specifically attributable to particular charges for which there has been a formal and final adjudication or finding in connection with a settlement that the IAP has not violated certain laws or regulations or has not engaged in certain unsafe or unsound practices or breaches of fiduciary duty, unless the administrative action or civil proceeding has resulted in a final prohibition order against the IAP.

§ 750.2 Golden parachute payments prohibited.

A Federally insured credit union must not make or agree to make any golden parachute payment, except as permitted by this part.

§ 750.3 Prohibited indemnification payments.

A Federally insured credit union must not make or agree to make any prohibited indemnification payment, except as permitted by this chapter.¹

§ 750.4 Permissible golden parachute payments.

(a) A Federally insured credit union may agree to make or may make a golden parachute payment if:

(1) NCUA, with written concurrence of the appropriate state supervisory authority in the case of a state chartered credit union or corporate credit union, determines the payment or agreement is permissible; or

(2) An agreement is made in order to hire a person to become an IAP at a time when the Federally insured credit union satisfies or in an effort to prevent it from imminently satisfying any of the criteria in § 750.1(e)(1)(ii), and NCUA, with written concurrence of the appropriate state supervisory authority in the case of a state chartered credit union or corporate credit union, consents in writing to the amount and terms of the golden parachute payment. NCUA's consent will not improve

the IAP's position in the event of the insolvency of the credit union since NCUA's consent cannot bind a liquidating agent or affect the provability of claims in liquidation. In the event the credit union is placed into conservatorship or liquidation, the conservator or the liquidating agent will not be obligated to pay the promised golden parachute and the IAP will not be accorded preferential treatment on the basis of any prior approval; or

(3) A payment is made pursuant to an agreement that provides for a reasonable severance payment, not to exceed twelve months' salary, to an IAP in the event of a merger of the Federally insured credit union; provided, however, that a Federally insured credit union must obtain the consent of NCUA before making a payment and this paragraph (a)(3) does not apply to any merger of a Federally insured credit union resulting from an assisted transaction described in section 208 of the Act, 12 U.S.C. 1788, or the Federally insured credit union being placed into conservatorship or liquidation; and

(4) A Federally insured credit union or IAP making a request pursuant to paragraphs (a)(1) through (3) of this section must demonstrate it does not possess and is not aware of any information, evidence, documents or other materials indicating there is a reasonable basis to believe, at the time the payment is proposed to be made, that:

(i) The IAP has committed any fraudulent act or omission, breach of trust or fiduciary duty, or insider abuse with regard to the Federally insured credit union that has had or is likely to have a material adverse effect on the Federally insured credit union;

(ii) The IAP is substantially responsible for the insolvency of, the appointment of a conservator liquidating agent for, or the troubled condition, as defined by § 750.1(1), of the Federally insured credit union;

(iii) The IAP has materially violated any applicable Federal or state law or regulation that has had or is likely to have a material effect on the Federally insured credit union; or

(iv) The IAP has violated or conspired to violate sections 215, 656, 657, 1005, 1006, 1007, 1014, 1032, or 1344 of title 18 of the United States Code, or sec-

tions 1341 or 1343 of that title affecting a Federally insured financial institution, as defined in title 18 of the United States Code.

(b) In making a determination under paragraphs (a)(1) through (3) of this section, NCUA may consider:

(1) Whether, and to what degree, the IAP was in a position of managerial or fiduciary responsibility;

(2) The length of time the IAP was affiliated with the Federally insured credit union and the degree to which the proposed payment represents a reasonable payment for services rendered over the period of employment; and

(3) Any other factors or circumstances indicating the proposed payment would be contrary to the intent of section 206(t) of the Act or this part.

§ 750.5 Permissible indemnification payments.

(a) A Federally insured credit union may make or agree to make reasonable indemnification payments to an IAP, including advanced funds to pay or reimburse reasonable legal fees or other professional expenses incurred by an IAP in an administrative proceeding or civil action initiated by NCUA or a state regulatory authority if:

(1) The Federally insured credit union's board of directors, in good faith, determines in writing after due investigation and consideration that:

(i) The IAP acted in good faith and in a manner he or she believed to be consistent with his or her fiduciary duty;

(ii) The advancement or payment of the expenses will not materially adversely affect the credit union's safety and soundness; and

(iii) The IAP has the financial capability or has otherwise made appropriate financial arrangements sufficient to repay the advance if required in accordance with this rule; and

(2) The IAP provides:

(i) A written affirmation of his or her reasonable good faith belief that he or she acted in a manner believed to be consistent with his or her fiduciary duty; and

(ii) An agreement in writing to reimburse the Federally insured credit union, to the extent not covered by

National Credit Union Administration

§ 750.6

payments from insurance or bonds purchased pursuant to § 750.1(k)(2)(i), for that portion of any advanced indemnification payments which ultimately become prohibited indemnification payments as defined in § 750.1(k); and

(3) The indemnification payments do not ultimately constitute prohibited indemnification payments as defined in § 750.1(k).

(b) An IAP seeking indemnification payments must not participate in any way in the board of director's discussion and approval of such payments; however, the IAP may present his or her request to the board and respond to any inquiries from the board concerning his or her involvement in the circumstances giving rise to the administrative proceeding or civil action.

(c) In the event a majority of the members of the board of directors are named as respondents in an administrative proceeding or civil action and request indemnification, the remaining members of the board may authorize independent legal counsel to review the indemnification request and provide the remaining members of the board with a written opinion of counsel as to whether the conditions in paragraph (a)(1) through (3) of this section have been met. If independent legal counsel concludes that the conditions have been met, the remaining members of the board of directors may rely on the opinion in authorizing the requested indemnification.

(d) In the event all of the members of the board of directors are named as respondents in an administrative proceeding or civil action and request indemnification, the board will authorize independent legal counsel to review the indemnification request and provide the board with a written opinion of counsel as to whether the conditions in paragraph (a)(1) through (3) of this section have been met. If independent legal counsel concludes the conditions have been met, the board of directors may rely on the opinion in authorizing the requested indemnification.

§ 750.6 Filing instructions; appeal.

(a) Requests to make excess non-discriminatory severance plan payments pursuant to § 750.1(e)(2)(v) and golden parachute payments permitted

by § 750.4 must be submitted in writing to NCUA. In the case of a Federal or state chartered natural person credit union, such written requests must be submitted to the NCUA regional director for the region in which the credit union is located. In the case of a Federal or state chartered corporate credit union, such written requests must be submitted to the Director of the Office of National Examinations and Supervision. The request must be in letter form and must contain all relevant factual information as well as the reasons why such approval should be granted. If written concurrence by the state supervisory authority is required, the requesting party must submit a copy of its written request to the state supervisory authority where the credit union is located.

(b) An FICU whose request for approval by NCUA in accordance with paragraph (a) of this section has been denied may file an appeal of that denial with the NCUA Board by following the procedures set out in this paragraph.

(1) The appeal must be in writing and filed with the Secretary of the Board, National Credit Union Administration, 1775 Duke Street, Alexandria, VA 22314-3428, and must be filed not later than sixty days after the initial determination denying the request.

(2) The Board shall make its determination concerning the appeal based on what is submitted in writing; there shall be no personal appearance before the Board in connection with an appeal under this paragraph.

(3) The Board shall make its determination concerning the appeal within 180 days from the date of its receipt of the appeal. The decision by the Board on appeal shall be provided to the appellant in writing, stating the reasons for the decision, and shall constitute a final agency decision. Failure by the Board to issue a decision on appeal within the 180-day period provided for under this section shall be deemed to be denial of such appeal.

(4) A final determination by the Board is reviewable in accordance with the provisions of chapter 7, title 5, United States Code, by the United States District Court for the Eastern District of Virginia or the U.S. District

§ 750.7

Court for the Federal judicial district where the FICU's principal place of business is located. Any request for judicial review under this section must be filed within 60 days of the date of the Board's final decision. If any appellant fails to file before the end of the 60-day period, the Board's decision shall be final, and the appellant shall have no further rights or remedies with respect to the request.

[76 FR 30517, May 26, 2011, as amended at 78 FR 32545, May 31, 2013]

§ 750.7 Applicability in the event of liquidation or conservatorship.

The provisions of this part, or any consent or approval granted under the provisions of this part by NCUA, will not in any way bind any liquidating agent or conservator for a failed Federally insured credit union and will not in any way obligate the liquidating agent or conservator to pay any claim or obligation pursuant to any golden parachute, severance, indemnification or other agreement. Claims for employee welfare benefits or other benefits that are contingent, even if otherwise vested, when a liquidating agent or conservator is appointed for any Federally insured credit union, including any contingency for termination of employment, are not provable claims or actual, direct compensatory damage claims against such liquidating agent or conservator. Nothing in this part may be construed to permit the payment of salary or any liability or legal expense of any IAP contrary to 12 U.S.C. 1786(t)(3).
