**§ 240.24b-2 Nondisclosure of information filed with the Commission and with any exchange.**

PRELIMINARY NOTE: Except as otherwise provided in this rule, confidential treatment requests shall be submitted in paper format only, whether or not the filer is required to submit a filing in electronic format.

(a) Any person filing any registration statement, report, application, statement, correspondence, notice or other document (herein referred to as the material filed) pursuant to the Act may make written objection to the public disclosure of any information contained therein in accordance with

the procedure set forth below. The procedure provided in this rule shall be the exclusive means of requesting confidential treatment of information required to be filed under the Act.

(b) Except as otherwise provided in paragraphs (g) and (h) of this section, the person shall omit from material filed the portion thereof which it desires to keep undisclosed (hereinafter called the confidential portion). In lieu thereof, it shall indicate at the appropriate place in the material filed that the confidential portion has been so omitted and filed separately with the Commission. The person shall file with the copies of the material filed with the Commission:

(1) One copy of the confidential portion, marked "Confidential Treatment," of the material filed with the Commission. The copy shall contain an appropriate identification of the item or other requirement involved and, notwithstanding that the confidential portion does not constitute the whole of the answer, the entire answer thereto; except that in the case where the confidential portion is part of a financial statement or schedule, only the particular financial statement or schedule need be included. The copy of the confidential portion shall be in the same form as the remainder of the material filed;

(2) An application making objection to the disclosure of the confidential portion. Such application shall be on a sheet or sheets separate from the confidential portion, and shall contain (i) an identification of the portion; (ii) a statement of the grounds of objection referring to, and containing an analysis of, the applicable exemption(s) from disclosure under the Commission's rules and regulations adopted under the Freedom of Information Act (17 CFR 200.80), and a justification of the period of time for which confidential treatment is sought; (iii) a written consent to the furnishing of the confidential portion to other government agencies, offices or bodies and to the Congress; and (iv) the name of each exchange, if any, with which the material is filed.

(3) The copy of the confidential portion and the application filed in accordance with this paragraph (b) shall

be enclosed in a separate envelope marked "Confidential Treatment" and addressed to The Secretary, Securities and Exchange Commission, Washington, DC 20549.

(c) Pending a determination as to the objection filed the material for which confidential treatment has been applied will not be made available to the public.

(d)(1) If it is determined that the objection should be sustained, a notation to that effect will be made at the appropriate place in the material filed. Such a determination will not preclude reconsideration whenever appropriate, such as upon receipt of any subsequent request under the Freedom of Information Act (5 U.S.C. 552) and, if appropriate, revocation of the confidential status of all or a portion of the information in question. Where an initial determination has been made under this rule to sustain objections to disclosure, the Commission will attempt to give the person requesting confidential treatment advance notice, wherever possible, if confidential treatment is revoked.

(2) In any case where an objection to disclosure has been disallowed or where a prior grant of confidential treatment has been revoked, the person who requested such treatment will be so informed by registered or certified mail to the person or his agent for service. Pursuant to § 201.431 of this chapter, persons making objections to disclosure may petition the Commission for review of a determination by the Division disallowing objections or revoking confidential treatment.

(e) The confidential portion shall be made available to the public at the time and according to the conditions specified in paragraphs (d) (1) and (2) of this section:

(1) Upon the lapse of five days after the dispatch of notice by registered or certified mail of a determination disallowing an objection, if prior to the lapse of such five days the person shall not have communicated to the Secretary of the Commission his intention to seek review by the Commission under § 201.431 of this chapter of the determination made by the Division; or

(2) If such a petition for review shall have been filed under § 201.431 of this

chapter, upon final disposition thereof adverse to the petitioner.

(f) If the confidential portion is made available to the public, one copy thereof shall be attached to each copy of the material filed with the Commission and with each exchange.

(g) An SCI entity (as defined in § 242.1000 of this chapter) shall not omit the confidential portion from the material filed in electronic format on Form SCI pursuant to Regulation SCI, § 242.1000 *et. seq.*, and, in lieu of the procedures described in paragraph (b) of this section, may request confidential treatment of all information provided on Form SCI by completing Section IV of Form SCI.

(h) A security-based swap data repository shall not omit the confidential portion from the material filed in electronic format pursuant to section 13(n) of the Act (15 U.S.C. 78m(n)) and the rules and regulations thereunder. In lieu of the procedures described in paragraph (b) of this section, a security-based swap data repository shall request confidential treatment electronically for any material filed in electronic format pursuant to section 13(n) of the Act (15 U.S.C. 78m(n)) and the rules and regulations thereunder.
