

COASTWISE PROCEDURE

§ 4.80 Vessels entitled to engage in coastwise trade.

(a) No vessel shall transport, either directly or by way of a foreign port, any passenger or merchandise between points in the United States embraced within the coastwise laws, including points within a harbor, or merchandise for any part of the transportation between such points, unless it is:

(1) Owned by a citizen and is so documented under the laws of the United States as to permit it to engage in the coastwise trade;

(2) Owned by a citizen, is exempt from documentation, and is entitled to or, except for its tonnage, would be entitled to be documented with a coastwise endorsement.

(3) Owned by a partnership or association in which at least a 75 percent interest is owned by such a citizen, is exempt from documentation and is entitled to or, except for its tonnage, or citizenship of its owner, or both, would be entitled to be documented for the coastwise trade. The term "citizen" for vessel documentation purposes, whether for an individual, partnership, or corporation owner, is defined in 46 CFR 67.3.

(b) *Penalties for violating coastwise laws.* (1) The penalty imposed for the illegal transportation of merchandise between coastwise points is forfeiture of the merchandise or, in the discretion of the port director, forfeiture of a monetary amount up to the value of the merchandise to be recovered from the consignor, seller, owner, importer, consignee, agent, or other person or persons so transporting or causing the merchandise to be transported (46 U.S.C. 55102).

(2) The penalty imposed for the unlawful transportation of passengers between coastwise points is \$300 for each passenger so transported and landed on or before November 2, 2015, and \$762 for each passenger so transported and landed after November 2, 2015 (46 U.S.C. 55103, as adjusted by the Federal Civil Penalties Inflation Adjustment Act Improvements Act of 2015).

(c) Any vessel of the United States, whether or not entitled under paragraph (a) of this section to engage in

the coastwise trade, and any foreign vessel may proceed between points in the United States embraced within the coastwise laws to discharge cargo or passengers laden at a foreign port, to lade cargo or passengers for a foreign port, in ballast, or to transport certain articles in accordance with § 4.93. Cargo laden at a foreign port may be retained onboard during such movements. Furthermore, certain barges of United States or foreign flag may transport transferred merchandise between points in the United States embraced within the coastwise laws, excluding transportation between the continental United States and a noncontiguous point in the United States embraced within the coastwise laws, in accordance with § 4.81a.

(d) No vessel owned by a corporation which is a citizen of the United States under the Act of September 2, 1958 (46 U.S.C. 12118), shall be used in any trade other than the coastwise and shall not be used in that trade unless it is properly documented for such use or is exempt from documentation and is entitled to or, except for its tonnage, would be entitled to a coastwise license. Such a vessel shall not be documented for nor engage in the foreign trade or the fisheries and shall not transport merchandise or passengers coastwise for hire except as a service for a parent or a subsidiary corporation as defined in the aforesaid Act or while under demise or bareboat charter at prevailing rates for use otherwise than in trade with noncontiguous territory of the United States to a common or contract carrier subject to part III of the Interstate Commerce Act, as amended (49 U.S.C. 901 through 923), which otherwise qualifies as a citizen of the United States under section 2 of the Shipping Act, 1916, as amended (46 U.S.C. 50501), and which is not connected, directly or indirectly, by way of ownership or control with such owning corporation.

(e) No vessel which has acquired the lawful right to engage in the coastwise trade, by virtue of having been built or documented under the laws of the United States, will have the right to engage in such trade if it:

(1) Thereafter has been sold foreign in whole or in part or placed under foreign registry, unless such vessel is 200

§4.80a

19 CFR Ch. I (4-1-18 Edition)

gross tons or less (as measured under chapter 143 of title 46, United States Code); or

(2) Has been rebuilt, unless the entire rebuilding, including the construction of any major components of the hull or superstructure of the vessel, was effected within the United States.

(f) No foreign-built vessel owned and documented as a vessel of the United States prior to February 1, 1920, by a citizen nor one owned by the United States on June 5, 1920, and sold to and owned by a citizen, shall engage in the American fisheries, but it is otherwise unlimited as to trade so long as it continues in such ownership (section 22, Merchant Marine Act, of June 5, 1920; 46 U.S.C. 13). No foreign-built vessel which is owned by a citizen, but which was not so owned and documented on February 1, 1920, or which was not owned by the United States on June 5, 1920, shall engage in the coastwise trade or the American fisheries. No foreign-built vessel which has been sold, leased, or chartered by the Secretary of Commerce to any citizen, shall engage in the American fisheries, but it is otherwise unlimited as to trade so long as it continues in such ownership, lease, or charter (section 9 of the Act of Sept. 7, 1916, as amended, 46 U.S.C. 56101 and 57109). A vessel engaged in taking out fishing parties for hire, unless it intends to proceed to a foreign port, is considered to be engaged in the coastwise trade and not the fisheries.

(g) Certain vessels not documented under the laws of the United States which are acquired by or made available to the Secretary of Commerce may be documented under section 3 of the Act of August 9, 1954 (50 U.S.C. 198). Such vessels shall not engage in the coastwise trade unless in possession of a valid unexpired permit to engage in that trade issued by the Secretary of Commerce under authority of section 3(c) of the said Act.

(h) A vessel which is at least 50 percent owned by a citizen as defined in 46 CFR subpart 68.05, and which, except for citizenship requirements, is otherwise entitled to be documented with a coastwise endorsement, may be documented with a limited coastwise endorsement, provided the vessel is owned by a not-for-profit oil spill re-

sponse cooperative or by one or more members of such a cooperative who dedicate the vessel to the use of the cooperative (46 U.S.C. 12117). Notwithstanding 46 U.S.C. 55102, a vessel may be documented with such a limited endorsement even if formerly owned by a not-for-profit oil spill response cooperative or by one or more members thereof, as long as the citizenship criteria of 46 CFR subpart 68.05 are met. A vessel so documented may operate on the navigable waters of the United States or in the Exclusive Economic Zone only for the purpose of training for oil spill cleanup operations; deploying equipment, supplies and personnel for cleanup operations; and recovering and/or transporting oil discharged in a spill. Such vessel may also engage in any other employment for which a registry or fishing endorsement is not required, and may qualify to operate for other purposes by meeting the applicable requirements of 46 CFR part 67.

(i) Any vessel, entitled to be documented and not so documented, employed in a trade for which a Certificate of Documentation is issued under the vessel documentation laws (see §4.0(c)), other than a trade covered by a registry, is liable to a civil penalty of \$500 for each port at which it arrives without the proper Certificate of Documentation. If such a vessel has on board any foreign merchandise (sea stores excepted), or any domestic taxable alcoholic beverages, on which the duty and taxes have not been paid or secured to be paid, the vessel and its cargo are subject to seizure and forfeiture.

§4.80a Coastwise transportation of passengers.

(a) For the purposes of this section, the following terms will have the meaning set forth below:

(1) *Coastwise port* means a port in the U.S., its territories, or possessions embraced within the coastwise laws.

(2) *Nearby foreign port* means any foreign port in North America, Central America, the Bermuda Islands, or the West Indies (including the Bahama Islands, but not including the Leeward Islands of the Netherlands Antilles, i.e., Aruba, Bonaire, and Curacao). A port in the U.S. Virgin Islands shall be treated as a nearby foreign port.

(3) *Distant foreign port* means any foreign port that is not a nearby port.

(4) *Embark* means a passenger boarding a vessel for the duration of a specific voyage and *disembark* means a passenger leaving a vessel at the conclusion of a specific voyage. The terms *embark* and *disembark* are not applicable to a passenger going ashore temporarily at a coastwise port who reboards the vessel and departs with it on sailing from the port.

(5) *Passenger* has the meaning defined in § 4.50(b).

(b) The applicability of the coastwise law (46 U.S.C. 55103) to a vessel not qualified to engage in the coastwise trade (i.e., either a foreign-flag vessel or a U.S.-flag vessel that is foreign-built or at one time has been under foreign-flag) which embarks a passenger at a coastwise port is as follows:

(1) If the passenger is on a voyage solely to one or more coastwise ports and the passenger disembarks or goes ashore temporarily at a coastwise port, there is a violation of the coastwise law.

(2) If the passenger is on a voyage to one or more coastwise ports and a nearby foreign port or ports (but at no other foreign port) and the passenger disembarks at a coastwise port other than the port of embarkation, there is a violation of the coastwise law.

(3) If the passenger is on a voyage to one or more coastwise ports and a distant foreign port or ports (whether or not the voyage includes a nearby foreign port or ports) and the passenger disembarks at a coastwise port, there is no violation of the coastwise law provided the passenger has proceeded with the vessel to a distant foreign port.

(c) An exception to the prohibition in this section is the transportation of passengers between ports in Puerto Rico and other ports in the U.S. on passenger vessels not qualified to engage

in the coastwise trade. Such transportation is permitted until there is a finding under 46 U.S.C. 55104 that a qualified U.S.-flag passenger vessel is available for such service.

(d) The owner or charterer of a foreign vessel or any other interested person may request from Headquarters, U.S. Customs and Border Protection, Attention: Cargo Security, Carriers & Immigration Branch, Office of International Trade, an advisory ruling as to whether a contemplated voyage would be considered to be coastwise transportation in violation of 46 U.S.C. 55103. Such a request shall be filed in accordance with the provisions of part 177, CBP Regulations (19 CFR part 177).

§ 4.80b Coastwise transportation of merchandise.

(a) *Effect of manufacturing or processing at intermediate port or place.* A coastwise transportation of merchandise takes place, within the meaning of the coastwise laws, when merchandise laden at a point embraced within the coastwise laws ("coastwise point") is unladen at another coastwise point, regardless of the origin or ultimate destination of the merchandise. However, merchandise is not transported coastwise if at an intermediate port or place other than a coastwise point (that is at a foreign port or place, or at a port or place in a territory or possession of the United States not subject to the coastwise laws), it is manufactured or processed into a new and different product, and the new and different product thereafter is transported to a coastwise point.

(b) *Request for ruling.* Interested parties may request an advisory ruling from Headquarters, U.S. Customs and Border Protection, Attention: Cargo Security, Carriers & Immigration Branch, Office of International Trade, as to whether a specific action taken or to be taken with respect to merchandise at the intermediate port or place will result in its becoming a new and different product for purposes of this section. The request shall be filed in

§ 4.81 Reports of arrivals and departures in coastwise trade.

(a) No vessel which is documented with a coastwise license or registry endorsement or is owned by a citizen and exempt from documentation, and which is in ballast or laden only with domestic products or passengers being carried only between points in the United States shall be required to report arrival or to enter when coming into one port of the United States from any other such port, except as provided for in sections 4.83 and 4.84, nor to obtain a clearance, permit to proceed, or permission to depart when going from one port in the United States to any other such port except when transporting merchandise to a port in noncontiguous territory.¹¹¹

(b) When the facts are as above stated except that the vessel is carrying bonded merchandise, the master shall report its arrival as provided for in § 4.2.

(c) [Reserved]

(d) The traveling Crew's Effects Declaration, Customs Form 1304, or Customs and Immigration Form I-418 with attached Customs Form 5129, referred to in § 4.85 (b), (c), and (e) shall be deposited with the port director upon arrival at each port in the United States and finally surrendered to the appropriate Customs officer or director of the port where the vessel first departs directly for a foreign port.

(e) Before any foreign vessel departs in ballast, or solely with articles to be transported in accordance with § 4.93, from any port in the United States for any other such port, the master must apply to the port director for a permit to proceed by filing a Vessel Entrance or Clearance Statement, Customs Form 1300, in duplicate. If a vessel is proceeding in ballast and therefore the Cargo Declaration (Customs Form 1302) is omitted, the words "No merchandise

on board" shall be inserted in item 16 of the Vessel Entrance or Clearance Statement. However, articles to be transported in accordance with § 4.93 must be manifested on the Cargo Declaration, as required by § 4.93(c). Three copies of the Cargo Declaration must be filed with the port director. When the port director grants the permit by making an appropriate endorsement on the Vessel Entrance or Clearance Statement (see § 4.85(b)), the duplicate copy, together with two copies of the Cargo Declaration covering articles to be transported in accordance with § 4.93, must be returned to the master. The traveling Crew's Effects Declaration, Customs Form 1304, and all unused crewmembers' declarations on Customs Form 5129 will be placed in a sealed envelope addressed to the appropriate Customs officer at the next intended domestic port and returned to the master for delivery. The master must execute a receipt for all unused crewmembers' declarations which are returned to him. Immediately upon arrival at the next United States port the master must report his arrival to the port director. He must make entry within 48 hours by filing with the port director the permit to proceed on the Vessel Entrance or Clearance Statement received at the previous port, a newly executed Vessel Entrance or Clearance Statement, a Crew's Effects Declaration of all unentered articles acquired abroad by crewmembers which are still on board, a Ship's Stores Declaration, Customs Form 1303, in duplicate of the stores remaining on board, both copies of the Cargo Declaration covering articles transported in accordance with § 4.93, and the document of the vessel. The traveling Crew's Effects Declaration and all unused crewmembers' declarations on Customs Form 5129 returned at the prior port to the master must be delivered by him to the appropriate Customs officer.

(f) The master, licensed deck officer, or purser who enters or clears a vessel, or who obtains permission for a vessel to depart, when required under the provisions of this section or of § 4.82, § 4.84, § 4.85, § 4.87, § 4.89, or § 4.91 of the regulations of this part, may appear in person at the customhouse for that purpose,

¹¹¹ See § 4.84.

¹¹²⁻¹¹⁴ [Reserved]

or any required oaths, related documents, and other papers properly executed by the master or other proper officer may be delivered at the customhouse by the vessel agent or other personal representative of the master.

(g) In lieu of the procedures stated in §§4.85 and 4.87 and at the option of the owner or operator, unmanned non-self-propelled barges specifically designed for carriage aboard a vessel and regularly carried aboard a vessel in the foreign trade, hereinafter referred to as LASH-type barges, may move under a simplified permit-to-proceed procedure as follows:

(1) At the port where a LASH-type barge begins a coastwise movement with inward foreign cargo, a permit to proceed on the Vessel Entrance or Clearance Statement, Customs Form 1300, must be obtained. A single permit to proceed may be used for all the barges proceeding to the same port of unloading in the same town. An inward foreign manifest of the cargo in each barge, destined to the port of unloading shown on the permit to proceed, must be attached to each permit. At the port of unloading of the barge, report of arrival and entry must be made immediately upon arrival to the appropriate Customs officer by presentation of the permit to proceed, manifests, and a new Vessel Entrance or Clearance Statement, Customs Form 1300. If only part of the inward foreign cargo is unladen, a new permit to proceed must be obtained and the inward foreign manifests must be attached to it.

(2) At the port where a LASH-type barge begins a coastwise movement with export cargo, a permit to proceed on the Vessel Entrance or Clearance Statement, CBP Form 1300, must be presented to the appropriate CBP officer. A single permit to proceed may be presented for all the barges proceeding from the same port of lading in the same tow. Required Electronic Export Information (EEI) for LASH-type barges must be filed at the port where the barges will be taken aboard a barge-carrying vessel. At the next port, a report of arrival must be made immediately upon arrival and entry must be made within 48 hours by presentation of the permit to proceed received upon departure from the prior port and a

newly executed Vessel Entrance or Clearance Statement, CBP Form 1300.

(3) When foreign LASH-type barges are proceeding between ports of the United States under paragraph (e) of this section, a single permit to proceed may be used for all the barges proceeding to the same port in the same tow.

(4) In lieu of the master of the towing vessel executing and delivering documents required under permit-to-proceed procedures (see §4.81(f)) at the port where a LASH-type barge begins a coastwise movement, the master of the towing vessel may designate in writing the owner or operator of the barges as his representative with authority to execute and deliver such documents at the customhouse. The owner or operator of the barges may designate representatives to perform such functions at ports or places where permit-to-proceed documents must be delivered. Documents obtained from Customs officers at one place by such a representative may be forwarded by any suitable means to the representative who must present them to Customs officers at another place, the only requirement being that the forms are properly completed and are presented within the prescribed time periods. Moreover, instead of a written designation from each master of a towing vessel, a blanket designation in writing from the owner or operator of one or more towing vessels on behalf of masters of their towing vessels, designating the owner or operator of the barges to be the representative of the master for purposes of executing and delivering permit-to-proceed documents, is authorized.

(5) [Reserved]

(6) When a LASH-type barge is proceeding to a place in the United States that is not a port of entry, §101.4(a) and (b) of this chapter are applicable. No merchandise shall be unladen from a LASH-type barge until a permit or special license therefor is obtained in accordance with §4.30 except that a single permit to unlade may be used for all

§4.81a

barges that arrived at the port of unloading in the same tow.

§4.81a Certain barges carrying merchandise transferred from another barge.

(a) A LASH-type barge (as defined in §4.81(g)) documented as a vessel of the United States but not qualified to engage in the coastwise trade or a LASH-type barge of a nation found to grant reciprocal privileges to United States-flag LASH-type barges may transport inward foreign and export cargo between points embraced within the coastwise laws of the United States after the merchandise has been transferred to it from another LASH-type barge owned or leased by the same owner or operator. This section is not applicable to transportation between the continental United States and non-contiguous States, districts, territories, and possessions embraced within the coastwise laws. The permit to proceed shall include a statement that the unqualified LASH-type barge is owned or leased by the owner or operator of the LASH-type barge from which the merchandise was transferred.

(b) The following nations have been found to extend privileges reciprocal to those provided in paragraph (a) of this section to LASH-type barges of the United States:

Federal Republic of Germany.
Netherlands.
Sweden.
Union of Soviet Socialist Republics.

§4.82 Touching at foreign port while in coastwise trade.

(a) A United States documented vessel with a registry or, coastwise endorsement, or both which, during a voyage between ports in the United States, touches at one or more foreign ports and there discharges or takes on merchandise, passengers, baggages, or mail shall obtain a permit to proceed or clearance at each port of lading in the United States for the foreign port or ports at which it is intended to touch. The Cargo Declaration Outward With Commercial Forms, Customs Form 1302-A (see §4.63), shall show only the cargo for foreign destination. (See §§4.61 and 4.87.)

(b) The master must also present to the port director a coastwise Cargo Declaration in triplicate of the merchandise to be transported via the foreign port or ports to the subsequent ports in the United States. It must describe the merchandise and show the marks and numbers of the packages, the names of the shippers and consignees, and the destinations. The port director will certify the two copies and return them to the master. Merchandise carried by the vessel in bond under a transportation entry pursuant to part 18 of this chapter is not to be shown on the coastwise Cargo Declaration.

(c) Upon arrival from the foreign port or ports at the subsequent port in the United States, a report of arrival and entry of the vessel shall be made, and tonnage taxes shall be paid. The master shall present Cargo Declaration in accordance with §4.7 and the certified copies of the coastwise Cargo Declaration, Customs Form 1302.

(d) All merchandise on the vessel upon its arrival at the subsequent port in the United States is subject to such Customs examination and treatment as may be necessary to protect the revenue. Any article on board which is not identified to the satisfaction of the port director, by the coastwise Cargo Declaration, Customs Form 1302, or otherwise, as part of the coastwise

cargo, shall be treated as imported merchandise.

If a vessel proceeding from or to a port of the United States on the Great Lakes to or from any other port of the United States via the St. Lawrence River is intended to touch at any foreign port and does so touch, it will be subject to the usual requirements for manifesting, clearing, report of arrival, entry, payment of fees for entry and clearance, and tonnage taxes. Vessels which are boarded on the St. Lawrence River by Canadian authorities for the purposes of inspecting the vessel and taking a passing report are not deemed to have touched at a foreign port, provided that no ship's stores are landed or taken aboard and no other business is transacted at the port or place of boarding.

§ 4.84 Trade with noncontiguous territory.

(a) No foreign vessel will depart from a port in noncontiguous territory of the United States for any other port in noncontiguous territory or for any port in any State or the District of Columbia, nor from any port in any State or the District of Columbia for any port in noncontiguous territory, until a clearance for the vessel has been granted. Such a clearance will be granted in accordance with the applicable provisions of § 4.61 of the regulations of this part, including clearance of a vessel simultaneously engaged in one or more of the transactions listed in § 4.90(a)(4), (5), or (6) of this part. When merchandise is laden on a foreign vessel in noncontiguous territory other than Puerto Rico, for transportation on that vessel to a port in any State, the District of Columbia, or noncontiguous territory,

and when this transportation is not forbidden by the coastwise laws, the merchandise may be laden and shipped without the filing of Electronic Export Information (EEI).

(b) The master of every foreign vessel arriving at a port in any State or the District of Columbia or in noncontiguous territory of the United States from a port in noncontiguous territory to which the coastwise laws do not apply (e.g., Virgin Islands and American Samoa), or arriving at any port in noncontiguous territory to which the coastwise laws do not apply from any place embraced within the coastwise laws, shall immediately report its arrival and make entry for the vessel within 48 hours after its arrival.

(c)(1) A vessel which is not required to clear but which is transporting merchandise from a port in any State or the District of Columbia to any noncontiguous territory of the United States (excluding Puerto Rico), or from Puerto Rico to any State or the District of Columbia, or any other noncontiguous territory, will not be permitted to depart without filing a complete manifest, when required by the Census Bureau's Foreign Trade Regulations (15 CFR part 30), and all required EEI, unless before the vessel departs an approved bond is filed for the timely production of the required documents, as specified in 15 CFR 30.47. Requests for permission to depart may be written or oral and permission to depart will be granted orally by the appropriate CBP officer. However, if the request is to depart prior to the filing of the required manifest and EEI, permission will not be granted unless the appropriate bond is on file. In the latter case, the CBP officer will keep a simplified record of the necessary information in order to assure that the manifest and EEI are filed within the required time period. The Vessel Entrance or Clearance Statement, CBP Form 1300 (see § 4.63(a)), required at the time of clearance is not required to be taken to obtain permission to depart.

(2) A vessel which is not required to clear but which is transporting merchandise from a port in any State or the District of Columbia to Puerto Rico must file a complete manifest,

§ 4.85

19 CFR Ch. I (4-1-18 Edition)

when required by the the Census Bureau's Foreign Trade Regulations (15 CFR part 30), and all required EEI within one business day after arrival, as defined in §4.2(b) of this part, with the appropriate CBP officer in Puerto Rico. If the complete manifest and all required EEI are not filed with the appropriate CBP officer within that time frame, an appropriate bond must be filed with the CBP officer for the timely production of the required documents as specified in 15 CFR 30.47. In these instances when a bond is filed, the CBP officer will keep a simplified record of the necessary information in order to ensure that the manifest and EEI are filed not later than the seventh business day after arrival in Puerto Rico.

(d) Upon arrival of a vessel of the United States at a port in any State, the District of Columbia, or Puerto Rico from a port in noncontiguous territory other than Puerto Rico, the master must immediately report its arrival and must prepare, produce, and file a Cargo Declaration in the form and manner and at the times specified in §§4.7 and 4.9 but will not be required to make entry. Permission is granted to proceed to the port named in item 12.

Signature and title

(2) The duplicate must be attached to the traveling manifest and the triplicate (the permit to proceed to be delivered at the next port) must be returned to the master, together with the traveling manifest and the vessel's document, if on deposit. If no inward foreign cargo or passengers are to be discharged at the next port, that fact must be indicated on Customs Form 1300 by inserting "To load only" in parentheses after the name of the port to which the vessel is to proceed. The traveling Crew's Effects Declaration covering articles acquired abroad by officers and members of the crew, together with the unused crewmembers' declarations prepared for such articles, will be placed in a sealed envelope addressed to the appropriate Customs officer at the next port and given to the master for delivery.

The master must also present an abstract manifest consisting of a newly executed Vessel Entrance or Clearance Statement, Customs Form 1300, a Cargo Declaration, Customs Form 1302, and a Passenger List, Customs and Immigration Form I-418, in such number of copies as may be re-

If no inward foreign cargo or passengers are to be discharged, the Cargo Declaration or Passenger List may be omitted from the abstract manifest, and the following legend must be placed in item 15 of the Vessel Entrance or Clearance Statement:

Vessel on an inward foreign voyage with residue cargo/passengers for _____. No cargo or passengers for discharge at this port.

(2) The traveling manifest, together with a copy of the newly executed Vessel Entrance or Clearance Statement, will serve the purpose of a copy of an abstract manifest at the port where it is finally surrendered.

(d) If boarding is required before the port director will issue a permit or special license to lade or unlade, the abstract manifest described in paragraph (c) of this section shall be ready for presentation to the boarding officer.

(e) The traveling manifest shall be surrendered to the director of the final domestic port of discharge of the cargo, except that if residue foreign cargo remains on board for discharge at a foreign port or ports, the traveling manifest shall be surrendered at the final port of departure from the United States. However, it shall not be surrendered at the port from which the vessel departs for another United States port, via an intermediate foreign port, under § 4.89 if residue foreign cargo remains on board for discharge at a subsequent U.S. port. The traveling Crew's Effects Declaration shall be finally surrendered to the director of any port from
