

## § 13.106

Affairs for the use and benefit of the beneficiary.

(2) The Veterans Service Center Manager may require a legal custodian to furnish an agreement in lieu of a surety bond or additional surety bond when funds are deposited in an interest or dividend-paying account in a State or federally insured institution. The agreement will provide that the legal custodian and institution agree that all funds received from the Department of Veterans Affairs on behalf of the beneficiary, which have been or will be deposited by the legal custodian in the account, will be withdrawn only with the written consent of the Veterans Service Center Manager or designee.

(b) *Substitution of surety; claims against defunct companies.* If any surety company is placed in receivership or ceases to do business in the particular State, the Veterans Service Center Manager will take the necessary action to have proper bonds substituted in Federal fiduciary cases and refer the matter to the Regional Counsel for such other action as may be appropriate.

## § 13.106 Investments by court-appointed fiduciaries.

The Veterans Service Center Manager will review and to the extent possible determine the legality and prudence of investments involving Department of Veterans Affairs income or estate. It is Department of Veterans Affairs policy to invest income or estate derived from Department of Veterans Affairs benefits only in legal investments which have safety, assured income, stability of principal and ready convertibility for the requirements of the beneficiary and his or her dependents. When notice of a contemplated or actual illegal or imprudent investment comes to the attention of the Veterans Service Center Manager, he or she will take remedial action to protect the beneficiary's estate. Cases in which it becomes necessary to institute court action will be referred to the Regional Counsel.
