

§ 408.1215

appropriate for the State considering the complexity of administering the State's recognition payment program.

(c) *Agreement period.* The agreement period for a State that has elected Federal administration of its recognition payments extends for one year from the date the agreement was signed unless otherwise designated in the agreement. The agreement will be automatically renewed for a period of one year unless either the State or SSA gives written notice not to renew, at least 90 days before the beginning of the new period. For a State to elect Federal administration of its recognition payment program, it must notify SSA of its intent to enter into an agreement, furnishing the necessary payment specifications, at least 120 days before the first day of the month for which it wishes Federal administration to begin, and have executed such agreement at least 30 days before such day.

(d) *Modification or termination.* The agreement may be modified at any time by mutual consent. The State or SSA may terminate the agreement upon 90 days' written notice to the other party, provided the effective date of the termination is the last day of a quarter. However, the State may terminate the agreement upon 45 days written notice to SSA if: (1) The State does not wish to comply with a regulation promulgated by SSA after the execution of the agreement; and (2) the State provides its written notice within 30 days of the effective date of the regulation. The Commissioner is not precluded from terminating the agreement in less than 90 days if the State has failed to materially comply with the provisions of § 408.1235 on State transfer of funds to SSA.

§ 408.1215 How do you establish eligibility for Federally administered State recognition payments?

(a) *Applications.* When you file an application for SVB under subpart C of this part, you are deemed to have filed an application for any Federally administered State recognition payments for which you may be eligible unless you waive your right to such payments as provided for in § 408.1230. However, you will be required to give us a supplemental statement if additional in-

formation is necessary to establish your eligibility or to determine the correct amount of your State recognition payment.

(b) *Evidence requirements.* The evidence requirements and developmental procedures of this part also apply with respect to Federally administered State recognition payments.

(c) *Determination.* Where not inconsistent with the provisions of this subpart, we determine your eligibility for and the amount of your State recognition payment using the rules in subparts A through K of this part.

§ 408.1220 How do we pay Federally administered State recognition payments?

(a) *Payment procedures.* We make Federally administered State recognition payments on a monthly basis and we include them in the same check as your SVB payment. The State recognition payment is for the same month as your SVB payment.

(b) *Maximum amount.* Except as specified in paragraph (c) of this section, there is no restriction on the amount of a State recognition payment that SSA will administer on behalf of a State.

(c) *Minimum amount.* SSA will not administer State recognition payments in amounts less than \$1 per month. Hence, recognition payment amounts of less than \$1 will be raised to a dollar.

§ 408.1225 What happens if you receive an overpayment?

If we determine that you received an overpayment, we will adjust future Federally administered State recognition payments you are entitled to. Our rules and requirements (see §§ 408.910 through 408.941) that apply to recovery (or waiver) of SVB overpayments also apply to the recovery (or waiver) of Federally administered State recognition overpayments. If your entitlement to State recognition payments ends before you have repaid the overpayment, we will annotate your record (specifying the amount of the overpayment) to permit us to recoup the overpaid amount if you become reentitled to recognition payments from the same State.
