

(4) For assisted units in projects financed other than as described in paragraph (b) (2) or (3) of this section, the Contract will be for an initial term of 20 years for any dwelling unit. There will be a provision for renewal for additional terms of not more than 5 years each. The total of initial and renewal terms will not exceed the lesser of (i) 30 years for any dwelling unit, or (ii) the term of the permanent financing (but not less than 20 years).

(c) *Staged Projects.* If a project is completed in stages, the term of the Contract must relate separately to the units in each stage unless the Agency and the owner agree that only the units in the first stage will be assisted for the maximum term of the Contract. The total Contract term, for the units in all stages, beginning with the effective date of the Contract for the first stage, may not exceed the overall maximum term allowable for any one unit under this section, plus two years.

§ 883.604 Maximum annual commitment and project account.

(a) *Maximum annual commitment.* The maximum annual contribution that may be contracted for in the ACC is the total of the contract rents and utility allowances for all assisted units in the project, plus the HUD-approved fees, if any, for State Agency administration of the Contract. (See § 883.606)

(b) *Project Account.* (1) A project account will be established and maintained by HUD as a specifically identified and segregated account for each project. The account will be established out of the amounts by which the maximum annual commitment exceeds the amount actually paid out under the ACC each year. Payments will be made from this account for housing assistance payments (and fees for Agency administration, if appropriate) when needed to cover increases in contract rents or decreases in tenant rents and for other costs specifically approved by the Secretary.

(2) Whenever a HUD-approved estimate of required payments under the ACC for a fiscal year exceeds the maximum annual commitment and would

cause the amount in the project account to be less than 40 percent of the maximum, HUD will, within a reasonable period of time, take such additional steps authorized by Section 8(c)(6) of the 1937 Act, as may be necessary, to assure that payments under the ACC will be adequate to cover increases in contract rents and decreases in tenant rents.

[81 FR 80813, Nov. 16, 2016]

§ 883.606 Administration fee.

(a) The State Agency is responsible for administration of the Contract subject to periodic review and audit by HUD.

(b) The Agency is entitled to a reasonable fee, determined by HUD, for administering a Contract on newly constructed or substantially rehabilitated units provided there is no override on the permanent loan granted by the Agency to the owner for a project containing assisted units.

§ 883.607 Default by owner and/or agency.

(a) *Rights of Owner if Agency defaults under Agreement or Contract.* The ACC, the Agreement and the Contract will provide that, in the event of failure of the Agency to comply with the Agreement or Contract with the owner, the owner will have the right, if he/she is not in default, to demand that HUD investigate. HUD will first give the Agency a reasonable opportunity to take corrective action. If HUD determines that a substantial default exists, HUD will assume the Agency's rights and obligations under the Agreement or Contract and meet the obligations of the Agency under the Agreement or Contract including the obligation to enter into the Contract.
