§ 1160.2 Federal Council on the Arts and the Humanities

For the purposes of this part (45 CFR part 1160) the Federal Council on the Arts and the Humanities shall be composed of the Chairman of the National Endowment for the Arts, the Chairman

of the National Endowment for the Humanities, the Secretary of Education, the Director of the National Science Foundation, the Librarian of Congress, the Chairman of the Commission of Fine Arts, the Archivist of the United States, the Commissioner, Public Buildings Service, General Services Administration, the Administrator of the General Services Administration, the Director of the United States Information Agency, the Secretary of the Interior, the Secretary of Commerce, the Secretary of Transportation, the Chairman of the National Museum Services Board, the Director of the Institute of Museum and Library Services, the Secretary of Housing and Urban Development, the Secretary of Labor, the Secretary of Veterans Affairs, and the Commissioner of the Administration on Aging.

§ 1160.3 Definitions.

For the purposes of this part:

(a) *Council* means the Federal Council on the Arts and the Humanities as defined in § 1160.2.

(b) *Letter of Intent* means an agreement by the Council to provide an indemnity covering a future exhibition subject to compliance with all requirements at the date the indemnity is to be effective.

(c) *Lender* means the owner of an object.

(d) *Eligible item* means an object which qualifies for coverage under the Arts and Artifacts Indemnity Act.

(e) *Exhibition* means a public display of an indemnified item(s) at one or more locations, as approved by the Council, presented by any person, non-profit agency or institution, or Government, in the United States or elsewhere.

(f) *On Exhibition* means the period of time beginning on the date an indemnified item leaves the place designated by the lender and ending on the termination date.

(g) *Indemnity Agreement* means the contract between the Council and the indemnitee covering loss or damage to

indemnified items under the authority of the Arts and Artifacts Indemnity Act.

(h) *Indemnitee* means the party or parties to an indemnity agreement issued by the Council, to whom the promise of indemnification is made.

(i) *Participating institution(s)* means the location(s) where an exhibition indemnified under this part will be displayed.

(j) *Termination date* means the date thirty (30) calendar days after the date specified in the indemnity Certificate by which an indemnified item is to be returned to the place designated by the lender or the date on which the item is actually so returned, whichever date is earlier. (In museum terms this means wall-to-wall coverage.) After 11:59 p.m. on the termination date, the item is no longer covered by the indemnity agreement unless an extension has theretofore been requested by the indemnitee and granted in writing by the Council.

§ 1160.4 Eligibility for international exhibitions.

An indemnity agreement for an international exhibition made under these regulations shall cover:

(a) Eligible items from outside the United States while on exhibition in the United States;

(b) Eligible items from the United States while on exhibition outside this country, preferably when they are part of an exchange of exhibitions; and

(c) Eligible items from the United States while on exhibition in the United States, in connection with other eligible items from outside the United States which are integral to the exhibition as a whole.

(d)(1) *Example.* An American art museum is organizing a retrospective exhibition which will include more than 150 works of art by Impressionist painter Auguste Renoir. Museums in Paris and London have agreed to lend 125 works of art, covering every aspect of his career, many of which have not been seen together since the artist's death in 1919. The organizer is planning to include 25 masterpieces by Renoir from American public and private collections. The show will open in Chicago and travel to San Francisco and Washington.

(2) *Discussion.* This example is a common application for coverage of both foreign- and domestic-owned objects in an international exhibition. The foreign-owned objects are eligible for indemnity coverage under paragraph (a) of this section, and the domestic-owned objects may be eligible for indemnity coverage under paragraph (c) of this section if the foreign-owned objects are integral to the purposes of the exhibition as a whole. In reviewing this application, the Federal Council would evaluate the exhibition as a whole and determine whether the loans of 125 foreign-owned objects are integral to the educational, cultural, historical, or scientific significance of the exhibition on Renoir. It would also be necessary for the U.S. Department of State to determine whether or not the exhibition was in the national interest.

[73 FR 21056, Apr. 18, 2008]

§ 1160.5 Eligibility for domestic exhibitions.

An indemnity agreement for a domestic exhibition made under these regulations shall cover eligible items from the United States while on Exhibition in the United States.

(a)(1) *Example 1.* An American museum is undergoing renovation and will be closed to the public for one year. During that time, masterpieces from the collection will go on tour to three other museums in the United States. Many of these works have never been lent for travel, and this will be a unique and the last opportunity for museum visitors in other parts of the country to see them exhibited together. Once the new building opens, they will be permanently installed and dispersed throughout the museum's galleries.

(2) *Discussion.* (i) This is a straightforward example of a domestic exhibition which would be eligible for consideration for indemnity coverage. Under the previous regulations, eligibility was limited to:

- (A) Exhibitions in the United States of entirely foreign-owned objects;
- (B) Exhibitions outside of the United States of domestic-owned objects; or
- (C) Exhibitions in the United States of both foreign- and domestic-owned objects, with the foreign-owned objects
