Subpart 1642.12—Novation and Change-of-Name Agreements

1642.1201 Definitions.

The definitions at (FAR) 48 CFR 42.1201 shall have the same meaning for this subpart.

1642.1204 Agreement to recognize a successor in interest (novation agreement).

(a) (FAR) 48 CFR 42.1204 shall be implemented as provided in this section. The contracting officer shall insert the following agreement in all FEHBP contracts for use when the contractor's assets or the entire portion of the assets pertinent to the performance of the contract, as determined by the Government, are transferred.

NOVATION AGREEMENT

The (*insert corporate name*) (Transferor), a corporation duly organized and existing under the laws of (*insert State*) with its principal office in (*insert city, state*); the (*insert corporate name*) (Transferee), (if appropriate add "formerly known as the _____ Corporation") a corporation duly organized and existing under the laws of (*insert State*) with its principal office in (*insert city*); and the UNITED STATES OF AMERICA (Government) enter into this Agreement effective (*insert date transfer of assets became effective under applicable State law*).

(a) THE PARTIES AGREE TO THE FOLLOWING FACTS:

(1) The Government, represented by various Contracting Officers of the Office of Personnel Management (OPM), has entered into Contract Number _____ with the Transferor. The term *contracts*, as used in this Agreement, means the contract cited in this paragraph and all other contracts and purchase orders, including any and all amendments and modifications made between the Government and the Transferor before the effective date of this Agreement (whether or not performance and payment have been completed and releases executed if the Government or the Transferor has any remaining rights, duties, or obligations under these contracts and purchase orders).

(2) As of _____, 19____ (insert date transfer of assets became effective under applicable State law), the Transferor has transferred to the Transferee all the assets of the Transferor, or the entire portion of the Transferor's assets pertinent to performing the contract, as determined by OPM, by virtue of a(an) (*insert term describing the legal transaction involved*) between the Transferor and the Transferee.

(3) The Transferee has acquired all the assets of the Transferor, or the entire portion of the Transferor's assets pertinent to performing the contract, as determined by OPM, by virtue of the transfer in paragraph (a)(1).

(4) The Transferee has assumed all obligations and liabilities of the Transferor pertinent to performing the contract, as determined by OPM, by virtue of the transfer in paragraph (a)(1).

(5) The Transferee is in a position to fully perform all obligations that may exist under the contract.

(6) It is consistent with the Government's interest to recognize the Transferee as the successor party to the contract.

(7) Evidence of the transfer in paragraph (a)(1) has been filed with the Government.

(8) [If applicable:] A certificate dated _____, 19____, signed by the Secretary of State of (*insert State*), to the effect that the corporate name of (*insert old corporate name*) was changed to (*insert new corporate name*) on _____, 19____, has been filed with the Government.

(b) IN CONSIDERATION OF THESE FACTS, THE PARTIES AGREE THAT BY THIS AGREEMENT—

(1) The Transferor confirms the transfer to the Transferee, and waives any claims and rights against the Government or the Federal Employees Health Benefits Fund that it now has or may have in the future in connection with the contract.

(2) The Transferee agrees to be bound by and to perform the contract in accordance with the conditions contained in the contract. The Transferee also assumes all obligations and liabilities of, and all claims against, the Transferor pertinent to the contract, as determined by OPM, as if the Transferee were the original party to the contract.

(3) The Transferee ratifies all previous actions taken by the Transferor with respect to the contract, with the same force and effect as if the action had been taken by the Transferee.

(4) The Government recognizes the Transferee as the Transferor's successor in interest in and to the contract. The Transferee by this Agreement becomes entitled to all rights, titles, and interests of the Transferor in and to the contract as if the Transferee were the original party to the contract. Following the effective date of this Agreement, the terms *Carrier* and *Contractor* as used in the contract, shall refer to the Transferee.

(5) Except as expressly provided in this Agreement, nothing in it shall be construed as a waiver of any rights of the Government against the Transferor.

(6) All payments and reimbursements previously made by the Government to the Transferor, and all other previous actions taken by the Government under the contract, shall be considered to have discharged those parts of the Government's obligations under the contract. All payments and reimbursements made by the Government after the date of this Agreement in the name of or to the Transferor shall have the same force and effect as if made to the Transferee, and shall constitute a complete discharge of the Government's obligations under the contract, to the extent of the amounts paid or reimbursed.

(7) The Transferor and the Transferee agree that the Government is not obligated to pay or reimburse either of them for, or otherwise give effect to, any costs, taxes, or other expenses, or any related increases, directly or indirectly arising out of or resulting from the transfer of this Agreement, other than those that the Government in the absence of this transfer or Agreement would have been obligated to pay or reimburse under the terms of the contract.

(8) The Transferor guarantees payment of all liabilities and the performance of all obligations that the Transferee (i) assumes under this Agreement or (ii) may undertake in the future should this contract be modified under its terms and conditions. The Transferor waives notice of, and consents to, any such future modifications.

(9) The contract shall remain in full force and effect, except as modified by this Agreement. Each party has executed this Agreement effective *(insert the date transfer of as-*

Subpart 1642.70—Management Agreement (in Lieu of Novation Agreement)

1642.7001 Management agreement.

When it is in the best interest of FEHBP enrollees to continue a contract for an interim period after the carrier discontinues its operations and has entered into a Purchase and Sale Agreement (or other descriptive term), but before a successor in interest has been recognized by OPM, the carrier may submit for OPM approval a Management Agreement that enables it to continue a contract through an agreement with a third party to administer the day-to-day performance of the contract. Examples of situations in which a Management Agreement may be accepted by OPM are:

(a) When a transfer of assets does not meet the criteria for a novation;

(b) While a request for a novation is pending;

(c) While awaiting a decision on a request for a novation;

(d) As an interim measure, when the timing of a transfer of assets or the timing of a carrier's withdrawal make administration of the contract inconvenient;

(e) When it is not in the interests of the Government to either recognize a successor in interest or to immediately terminate the existing FEHBP contract.

Subpart 1644.1—General

1644.170 Policy for FEHB Program subcontracting.

(a) *General policy.* Carriers must follow commercially reasonable procurement procedures that comply, when required, with the Federal Acquisition Regulations (FAR) policies and proce-

dures relating to competition and contract pricing for the acquisition of both commercial and noncommercial items.

(b) *Consent.* For all experience-rated contracts, carriers will notify the Contracting officer in writing at least 30 days in advance of entering into any subcontract or subcontract modification, or as otherwise specified by the contract, if: the amount of the subcontract or the amount of the subcontract and modification charged to the FEHB Program equals or exceeds \$550,000 and is at least 25 percent of the total subcontract's costs. The amount of the dollar charge to the FEHB Program shall be adjusted by the same amount and at the same time as any change to the threshold for application of the Truth in Negotiations Act pursuant to 41 U.S.C. 254b(a)(7). Failure to provide advance notice may result in a Contracting officer's disallowance of subcontract costs or a penalty when considering the performance aspect of the carriers' service charge.

(1) All subcontracts or subcontract modifications that equal or exceed the threshold are subject to audit under FAR 52.215-2 "Audit and Records-Negotiations" if based on cost analysis, and subject to the provisions of 48 CFR 1646.301 and 1652.246–70 "FEHB Inspection" if based on price analysis.

(2) In determining whether the amount chargeable to the FEHB Program contract for a given subcontract or modification equals or exceeds the \$550,000 threshold, the following rules apply:

(i) For initial advance notification, the carrier shall provide the total cost/price for the base year.

(ii) The carrier shall provide advance notification of any modifications, options, including quantity or service options and option periods, and renewals of "evergreen contracts" that cause the total price to equal or exceed the threshold. OPM's review will be of the modification(s), itself, but documentation for the original subcontract will be required to perform the review.

(iii) The \$550,000 threshold will be adjusted by the same amount and at the

same time as any change to the threshold for application of the Truth in Negotiations Act.

(a) This section prescribes general policies and procedures to ensure that services acquired under the FEHB contract conform to the contract's quality and audit requirements.

(b) OPM will periodically evaluate the contractor's system of internal

controls under the quality assurance program required by the contract and will acknowledge in writing whether or not the system is consistent with the requirements set forth in the contract. After the initial review, subsequent reviews may be limited to changes in the contractor's internal control guidelines. However, a limited review does not diminish the contractor's obligation to apply the full internal control system.

(c) OPM will issue specific quality performance standards for the FEHB contracts and will inform carriers of the applicable standards prior to negotiations for the contract year. OPM will benchmark its standards against standards generally accepted in the insurance industry. The contracting officer may authorize nationally recognized standards to be used to fulfill this requirement. FEHB carriers will comply with the performance standards issued by OPM.

(d) In addition to reviewing carriers' quality assurance programs, OPM will periodically audit contractors, subcontractors and Large Providers' books and records to assure compliance with FEHB law, regulations, and the contract.
