Each of these Orders was prepared in furtherance of the National Environmental Policy Act of 1969, as amended (42 U.S.C. 4321 *et seq.*). These procedures apply to Level A and B regional or river basin planning activities carried out by regional planning sponsors including consideration of inclusion of site specific projects in Level A or B regional or river basin plans. These procedures do not apply to site specific Level C planning carried out by individual Federal agencies. Each Federal agency shall use its own procedures promulgated pursuant to these Orders for such Level C planning.
