## 38 CFR Ch. I (7–1–21 Edition)

### § 77.14 Grant agreements.

(a) *General.* After a grant is approved for award, VA will draft a grant agreement to be executed by VA and the grantee. Upon execution of the grant agreement, VA will obligate the grant amount. The grant agreement will include a provision requiring that the grantee will operate the program in accordance with the provisions of this part, 2 CFR Part 200, and the grant application.

(b) *Equipment.* If grant funds will be used to procure or operate adaptive sports equipment to directly provide adaptive sports activities, the grant agreement must provide that:

(1) Title to the adaptive sports equipment vests solely in the grantee, or, for leased equipment, in an identified lessor;

(2) The grantee will at a minimum, provide liability insurance for the adaptive sports equipment to the same extent they would insure adaptive sports equipment procured with their own funds; and

(3) Adaptive sports equipment will be safe to use and maintained in accordance with the manufacturer's recommendations.

(c) *Use of funds for administrative and personnel expenses.* (1) An eligible entity that receives a grant under this part may use a portion of the grant for administrative expenses and personnel expenses of the eligible entity. The amount that may be used for such expenses may not exceed:

(ii) In the case of a grant made for adaptive sports activities taking place during fiscal year 2015, 7.5 percent of the total amount of the grant; and

(iii) In the case of a grant made for adaptive sports activities taking place during any subsequent fiscal year, 5 percent of the total amount of the grant.

(2) For purposes of § 77.14(c), personnel expenses include any costs associated with an employee of the eligible entity other than reimbursement for time spent by such an employee directly providing coaching or training for participants.

(d) *Use of grant funds for individuals who are not veterans or members of the Armed Forces.* The grant agreement may authorize grantees to support or provide services (including adaptive sports activities) to individuals with disabilities who are not veterans or members of the Armed Forces, or both, but will prohibit grant funds from being used to support or provide services (including adaptive sports activities) to those individuals.

(e) *Restrictions on the participation of certain veterans and former servicemembers.* The grant agreement will prohibit grant funds from being used to support or provide services (including adaptive sports activities) to veterans or former servicemembers who are barred from receiving VA benefits based on their service (see 38 U.S.C. 5303–5303A) and to veterans or former servicemembers who, if otherwise eligible, would be barred from receiving VA pension, compensation or dependency and indemnity compensation based on the character of their discharge from military service (see 38 CFR 3.12).

(b) *Quarterly report.* All grantees must submit to VA a quarterly report 30 days after the close of each Federal fiscal quarter of the grant period which includes the same information required for annual reports, as well as projected change requests if applicable.

(c) *Program variations.* Any changes in a grantee's program activities which result in deviations from the grant agreement must be reported to VA.

(d) *Additional reporting.* Additional reporting requirements may be requested by VA to allow VA to fully assess program effectiveness.

#### § 77.17 Recovery of funds by VA.

(a) *Recovery of funds.* VA may recover from the grantee any funds that are not used in accordance with a grant agreement. If VA decides to recover funds, VA will issue to the grantee a notice of intent to recover grant funds, and grantee will then have 30 days to submit documentation demonstrating why the grant funds should not be recovered. After review of all submitted documentation, VA will determine whether action will be taken to recover the grant funds.

(b) *Prohibition of additional adaptive sports grant payments.* When VA makes a final decision that action will be taken to recover grant funds from the grantee, VA must stop further payments of grant funds under this part until the grant funds are recovered and the condition that led to the decision to recover grant funds has been resolved.

#### § 77.18 Visits to monitor operations and compliance.

VA has the right, at all reasonable times, to make visits to all grantee locations where a grantee is using adaptive sports grant funds in order to review grantee accomplishments and management control systems and to provide such technical assistance as may be required. VA may conduct inspections of all program locations and records of a grantee at such times as are deemed necessary to determine compliance with the provisions of this part. In the event that a grantee delivers services at a location away from the grantee's place of business, VA may accompany the grantee. If any visit is made by VA on the premises of the grantee or a subcontractor under the adaptive sports grant, the grantee must provide, and must require its subcontractors to provide, all reasonable facilities and assistance for the safety and convenience of the VA representatives in the performance of their duties. All visits and evaluations will be performed in such a manner as will not unduly delay services.
