

§970.21

24 CFR Ch. IX (4-1-22 Edition)

(2) To the extent that any net proceeds remain, after the application of proceeds in accordance with paragraph (e)(1) of this section, for:

(i) The provision of low-income housing or to benefit the residents of the PHA, through such measures as modernization of lower-income housing or the acquisition, development, or rehabilitation of other properties to operate as lower-income housing; or

(ii) Leveraging amounts for securing commercial enterprises, on-site in public housing developments of the PHA, appropriate to serve the needs of the residents.

(f) For dispositions for the purpose stated in §970.17(b), a PHA must demonstrate to the satisfaction of HUD that the replacement units are being provided in connection with the disposition of the property. A PHA may use sale proceeds in accordance with paragraph (e) to fund the replacement units.

§970.21 Relocation of residents.

(a) *Relocation of residents on a non-discriminatory basis and relocation resources.* A PHA must offer each family displaced by demolition or disposition comparable housing that meets housing quality standards (HQS) and is located in an area that is generally not less desirable than the location of the displaced persons. The housing must be offered on a nondiscriminatory basis, without regard to race, color, religion, creed, national origin, handicap, age, familial status, or gender, in compliance with applicable Federal and state laws. For persons with disabilities displaced from a unit with reasonable accommodations, comparable housing should include similar accommodations. Such housing may include:

(1) Tenant-based assistance, such as assistance under the Housing Choice Voucher Program, 24 CFR part 982, except that such assistance will not be considered “comparable housing” until the family is actually relocated into such housing;

(2) Project-based assistance; or

(3) Occupancy in a unit operated or assisted by the PHA at a rental rate paid by the family that is comparable to the rental rate applicable to the unit from which the family is vacated.

(b) *In-place tenants.* A PHA may not complete disposition of a building until all tenants residing in the building are relocated.

(c) *Financial resources.* (1) Sources of funding for relocation costs related to demolition or disposition may include, but are not limited to, capital funds or other federal funds currently available for this purpose;

(2) If Federal financial assistance under the Community Development Block Grant (CDBG) program, 42 U.S.C. 5301 *et seq.* (including loan guarantees under section 108 of the Housing and Community Development Act of 1974, 42 U.S.C. 5308 *et seq.*); the Urban Development Action Grant (UDAG) program, 42 U.S.C. 5318 *et seq.*; or HOME program, 42 U.S.C. 12701 *et seq.* is used in connection with the demolition or disposition of public housing, the project is subject to section 104(d) of the Housing and Community Development Act of 1974, 42 U.S.C. 5304(d) (as amended), including the relocation payment provisions and the anti-displacement provisions, which require that comparable replacement dwellings be provided within the community for the same number of occupants as could have been housed in the occupied and vacant, occupiable low- and moderate-income units demolished or converted to another use.

(d) *Relocation timetable.* For the purpose of determining operating subsidy eligibility under 24 CFR part 990, a PHA must provide the following information in the application or immediately following application submission:

(1) The number of occupied units at the time of demolition/disposition application approval;

(2) A schedule for the relocation of those residents on a month-by-month basis.

(e) The PHA is responsible for the following:

(1) Notifying each family residing in the development of the proposed demolition or disposition 90 days prior to the displacement date, except in cases of imminent threat to health and safety. The notification must include a statement that:

(i) The development or portion of the development will be demolished or disposed of;

(ii) The demolition of the building in which the family resides will not commence until each resident of the building has been relocated;

(iii) Each family displaced by such action will be provided comparable housing, which may include housing with reasonable accommodations for disability, if required under section 504 of the Rehabilitation Act of 1973 and HUD's regulations in 24 CFR part 8, as described in paragraph (a) of this section;

(2) Providing for the payment of the actual and reasonable relocation expenses of each resident to be displaced, including residents requiring reasonable accommodations because of disabilities;

(3) Ensuring that each displaced resident is offered comparable replacement housing as described in paragraph (b) of this section; and

(4) Providing any necessary counseling for residents that are displaced.

(f) In addition, the PHA's plan for the relocation of residents who would be displaced by the proposed demolition or disposition must indicate:

(1) The number of individual residents to be displaced;

(2) The type of counseling and advisory services the PHA plans to provide;

(3) What housing resources are expected to be available to provide housing for displaced residents; and

(4) An estimate of the costs for counseling and advisory services and resident moving expenses, and the expected source for payment of these costs.

(g) The Uniform Relocation Act does not apply to demolitions and dispositions under this part.

§ 970.23 Costs of demolition and relocation of displaced tenants.

Where HUD has approved demolition of a project, or a portion of a project, and the proposed action is part of a program under the Capital Fund Program (24 CFR part 905), the costs of demolition and of relocation of displaced residents may be included in the budget funded with capital funds pursuant to section 9(d) of the Act (42 U.S.C. 1437g(d)) or awarded HOPE VI or other eligible HUD funds.

§ 970.25 Required and permitted actions prior to approval.

(a) A PHA may not take any action to demolish or dispose of a public housing development or a portion of a public housing development without obtaining HUD approval under this part. HUD funds may not be used to pay for the cost to demolish or dispose of a public housing development or a portion of a public housing development, unless HUD approval has been obtained under this part. Until the PHA receives HUD approval, the PHA shall continue to meet its ACC obligations to maintain and operate the property as housing for low-income families. However, the PHA may engage in planning activities, analysis, or consultations without seeking HUD approval. Planning activities may include project viability studies, capital planning, or comprehensive occupancy planning. The PHA must continue to provide full housing services to all residents that remain in the development. A PHA should not re-rent these units at turnover while HUD is considering its application for demolition or disposition. However, the PHA's operating subsidy eligibility will continue to be calculated as stated in 24 CFR part 990.

(b) A PHA may consolidate occupancy within or among buildings of a development, or among developments, or with other housing for the purposes of improving living conditions of, or providing more efficient services to residents, without submitting a demolition or disposition application.

§ 970.27 De minimis exception to demolition requirements.

(a) A PHA may demolish units without submitting an application if the PHA is proposing to demolish not more than the lesser of:

(1) five dwelling units; or

(2) 5 percent of the total dwelling units owned by the PHA over any 5-year period.

(b) The 5-year period referred to in paragraph (a)(2) of this section is the 5 years counting backward from the date of the proposed de minimis demolition, except that any demolition performed prior to October 21, 1998, will not be
