services grant agreement. A grantee must receive VA's approval prior to implementing a significant change. Significant changes include, but are not limited to, a change in the grantee or any subcontractors identified in the supportive services grant agreement; a change in the area or community served by the grantee; additions or deletions of supportive services provided by the grantee; a change in category of participants to be served; and a change in budget line items that are more than 10 percent of the total supportive services grant award.

(1) VA's approval of changes is contingent upon the grantee's amended application retaining a high enough rank to have been competitively selected for funding in the year that the application was granted.

(2) Each supportive services grant modification request must contain a description of the revised proposed use of supportive services grant funds.

(b) VA may require that the grantee initiate, develop and submit to VA for approval a Corrective Action Plan (CAP) if, on a quarterly basis, actual supportive services grant expenditures vary from the amount disbursed to a grantee for that same quarter or actual supportive services grant activities vary from the grantee's program description provided in the supportive services grant agreement.

(1) The CAP must identify the expenditure or activity source that has caused the deviation, describe the reason(s) for the variance, provide specific proposed corrective action(s), and provide a timetable for accomplishment of the corrective action.

(2) After receipt of the CAP, VA will send a letter to the grantee indicating that the CAP is approved or disapproved. If disapproved, VA will make beneficial suggestions to improve the proposed CAP and request resubmission, or take other actions in accordance with this part.

(c) Grantees must inform VA in writing of any key personnel changes (e.g., new executive director, supportive services grant program director, or chief financial officer) and grantee ad-

dress changes within 30 days of the change.

### § 62.61 Procedural error.

If an applicant would have been selected but for a procedural error committed by VA, VA may select that applicant for funding when sufficient funds become available if there is no material change in the information that would have resulted in the applicant's selection. A new application will not be required for this purpose.

(b)(1) No organization may use direct financial assistance from VA under this part to pay for any of the following:

(i) Explicitly religious activities such as, religious worship, instruction, or proselytization; or
