Subpart A—General Information

§ 502.1 Scope of rules in this part.

The rules in this part govern procedure before the Federal Maritime Commission, hereinafter referred to as the

§ 502.2

46 CFR Ch. IV (10–1–23 Edition)

“Commission,” under the Merchant Marine Act, 1920, Merchant Marine Act, 1936, Shipping Act of 1984, as amended by the Ocean Shipping Reform Act of 1998, Administrative Procedure Act, and related acts, except that subpart R of this part does not apply to proceedings subject to sections 7 and 8 of the Administrative Procedure Act, which are to be governed only by subparts A to Q inclusive, of this part. They shall be construed to secure the just, speedy, and inexpensive determination of every proceeding. To this end, all persons involved in proceedings conducted under the rules of this part shall be required to consider at an early stage of the proceeding whether resort to alternative dispute resolution techniques would be appropriate or useful. [Rule 1.]

[49 FR 44369, Nov. 6, 1984, as amended at 58 FR 38649, July 19, 1993; 64 FR 7807, Feb. 17, 1999]

§ 502.2 Filing of documents.

(a) *Requirement for filing.* Documents relating to any matter pending before the Commissioners for decision or to any matter pending before the Commission which is likely to come before the Commissioners for decision, whether or not relating to proceedings governed by this part, must be filed with the Secretary, Federal Maritime Commission. Such documents should not be filed with or separately submitted to the offices of individual Commissioners. Distribution to Commissioners and other agency personnel is handled by the Office of the Secretary to ensure that persons in decision-making and advisory positions receive identical copies of submissions in a uniform and impersonal manner and to avoid the possibility of ex parte communications within the meaning of § 502.11. These considerations apply to informal and oral communications as well, such as requests for expedited consideration.

(b) *Date and time of filing.* (1) Documents may be hand-delivered at the Commission during normal business hours from 8:30 a.m. to 5 p.m., Monday through Friday.

(2) Except with respect to initial filing of complaints pursuant to §§ 502.62 and 502.63, and claims pursuant to §§ 502.301 and 502.302, the date of filing

shall be either the date on which the pleading, document, or paper is physically delivered to the Commission by a party, the date on which a party certifies it to have been deposited in the mail or delivered to a courier, or the date of e-mail transmission.

(c) *Place of filing.* Except for exhibits filed pursuant to § 502.118(b)(4) and petitions for review of final agency orders served on the Commission pursuant to 28 U.S.C. 2112(a), all documents required to be filed in, and correspondence relating to proceedings governed by this part must be addressed and delivered to “Secretary, Federal Maritime Commission, 800 N. Capitol Street, NW., Washington, DC 20573-0001” or to *secretary@fmc.gov*.

(d) *Service of petition for review of Commission order.* Petitions for review of final agency orders served on the Commission pursuant to 28 U.S.C. 2112(a) must be addressed and delivered to “General Counsel, Office of the General Counsel, Federal Maritime Commission, 800 N. Capitol Street, NW., Washington, DC 20573-0001.”

(e) *Number of copies.* Parties filing documents in proceedings before the Commission or an administrative law judge must file an original, signed document and five (5) copies, and, if possible, a PDF of the document. The PDF document should be sent by e-mail to *secretary@fmc.gov* or submitted on an electronic storage device (such as compact disc or USB flash drive).

(f) *E-mail transmission of filings.* (1) Initial filing of complaints and claims pursuant to §§ 502.62–502.63 and 502.301–502.302 must be accomplished in the traditional manner on paper, rather than by e-mail.

(2) Pursuant to § 502.5 of this subpart, confidential filings must be accomplished in the traditional manner on paper, rather than by e-mail.

(3) If a filing is submitted electronically as a PDF attached to an e-mail, the original, signed document, and five (5) copies must be received by the Secretary within seven working days. The e-mail transmitting the PDF copy of a document must include a certification by the filing party that the electronic copy is a true and correct copy of the paper original, and that the paper signed original and five (5) copies are

Federal Maritime Commission

§ 502.5

being filed with the Secretary of the Commission. The e-mail Subject Line must include the docket number of the proceeding and be sent to *secretary@fmc.gov*.

(g) *Filing after announcement of Commission meeting prohibited.* No filings relating to matters scheduled for a Commission meeting will be accepted by the Secretary if submitted subsequent to public announcement of the particular meeting, except that the Commission, on its own initiative, or pursuant to a written request, may in its discretion, permit a departure from this limitation for exceptional circumstances. (See § 503.82(e) of this chapter.)

(h) *Return of rejected filings.* Any pleading, document, writing, or other paper submitted for filing which is rejected because it does not conform to the rules in this part will be returned to the sender.

(i) *Continuing obligation to provide contact information.* All parties and representatives are under a continuing obligation to provide the Commission and all other parties in a proceeding with accurate and current contact information including a street address, telephone number, and e-mail address.

(j) *Form of documents.* All papers to be filed under the rules in this part must be clear and legible, dated, show the docket number and title of the proceeding, document title, and include the title, if any, and address of the authorized signer or representative. An original signed in ink must be provided. Text shall appear on only one side of the paper and must be double spaced except that quotations of fifty or more words should be single-spaced and indented on the left and right without quotation marks. The paper must be strong and durable, of letter size (8½ × 11 in. or 215.9 × 279.4 mm) or A4 size (8.27 × 11.69 in. or 210 × 297 mm), with a margin of at least one inch on all four sides. Documents must be printed in clear type, and the type size, including footnotes and endnotes, must not be smaller than 12-point.

(k) *Discovery materials excluded from filing requirement.* (1) The following discovery requests and responses must not be filed with the Secretary until they are used in the proceeding, or the Com-

mission or presiding officer orders filing:

(i) Notice and transcript of depositions;

(ii) Interrogatories;

(iii) Requests for documents or tangible things or to permit entry onto designated land or other property;

(iv) Requests for admission; and

(v) Expert witness reports.

(2) The party that served the notice of deposition or discovery papers must preserve and ensure the integrity of original transcripts and discovery papers for use by the Commission or the presiding officer. A party that wants to use any part or all of discovery requests and responses in the proceeding must include the part or all of the documents in an appendix to be filed with the motion or other paper that refers to those documents. A party filing an appendix exceeding 100 pages should file an original and two (2) copies on paper and, if possible, also file such appendix by e-mail or on an electronic storage device. [Rule 2.]

[76 FR 10259, Feb. 24, 2011]

§ 502.3 Compliance with rules or orders of Commission.

Persons named in a rule or order shall notify the Commission during business hours on or before the day on which such rule or order becomes effective whether they have complied therewith, and if so, the manner in which compliance has been made. [Rule 3.]

[76 FR 10260, Feb. 24, 2011]

§ 502.4 Authentication of rules or orders of Commission.

All rules or orders issued by the Commission in any proceeding covered by this part shall, unless otherwise specifically provided, be signed by the Secretary of the Commission in the name of the Commission. [Rule 4.]

[76 FR 10260, Feb. 24, 2011]

§ 502.5 Documents containing confidential materials.

Except as otherwise provided in the rules of this part, all filings that contain information for which confidential treatment is sought or information previously designated as confidential pursuant to §§ 502.13, 502.141(j)(1)(vii),

§ 502.6

502.208, or any other rules of this part, or for which a request for protective order pursuant to § 502.141(j) is pending, are subject to the following requirements:

(a) *Two versions of filings.* Two versions of documents must be filed if a document:

(1) Contains information previously designated by the Commission or presiding officer as confidential; or

(2) Contains information for which confidential treatment is sought. Except as specified below, both versions must be filed in accordance with the requirements of § 502.2.

(i) *Confidential version.* The confidential filing must include a cover page marked “Confidential-Restricted.” The specific confidential information must be conspicuously and clearly marked on each page, for example by highlighting or bracing. If confidentiality will end on a date certain or upon the occurrence of an event, this must be stated on the cover, e.g., “CONFIDENTIAL UNTIL [DATE],” or “CONFIDENTIAL DURING JUDICIAL REVIEW.” The confidential version of a document may be provided to the presiding officer by email but should not be filed with the Office of the Secretary by email.

(ii) *Public version.* Within three business days of filing a confidential version of a filing, a public version must be filed. The public version must indicate on the cover page and on each affected page “Public Version—confidential materials excluded.” The public version must clearly indicate any information withheld, for example with blackout or braces, and its pagination and depiction of text on each page must be identical to that of the confidential version. For example, the confidential filing may read: “On January 1, 2005, complainant entered into a {25} year lease with respondent for a monthly rent of {\$1,000}.” The public version would read: “On January 1, 2005, complainant entered into a {} year lease with respondent for a monthly rent of {}.” Public versions of confidential filings may be filed with the Secretary and presiding officer by email.

(iii) *Exhibits.* Confidential information in exhibits should be marked as

46 CFR Ch. IV (10–1–23 Edition)

specified above. If marking within the text is not feasible, individual pages may be replaced in the public version with a page indicating that confidential material is excluded. Entire exhibits should not be excluded, only those pages containing confidential material.

(b) *Motion for confidential treatment.* If confidentiality is sought for a filing containing information not previously designated as confidential by the Commission or presiding officer, the confidential filing must be accompanied by a motion justifying confidential treatment. This motion must identify the specific information in a document for which protection is sought and show good cause by demonstrating that the information is a trade secret or other confidential research, development, or commercial information pursuant to § 502.141(j)(1)(vii). The burden is on the party that wants to protect the information to show good cause for its protection. A motion is not required for information, including personal privacy and financial account numbers, redacted pursuant to § 502.13, Privacy protection for filings made with the Commission.

(c) *Use of confidential information.* Confidential treatment afforded by this section is subject to the proviso that any information designated as confidential may be used by the administrative law judge or the Commission if deemed necessary to a decision in the proceeding. [Rule 5.]

§ 502.6 Verification of documents.

(a) If a party is represented by an attorney or other person qualified to practice before the Commission under the rules in this part, each pleading, document or other paper of such party filed with the Commission shall be signed by at least one person of record admitted to practice before the Commission in his or her individual name, whose address shall be stated. Except when otherwise specifically provided by rule or statute, such pleading, document or paper need not be verified or accompanied by affidavit. The signature of a person admitted or qualified to practice before the Commission constitutes a certificate by the signer that

Federal Maritime Commission

§ 502.11

the signer has read the pleading, document or paper; that the signer is authorized to file it; that to the best of the signer's knowledge, information, and belief formed after reasonable inquiry, the filing is well grounded in fact and is warranted by existing law or a good faith argument for the extension, modification, or reversal of existing law; and that it is not interposed for any improper purpose, such as to harass or to cause unnecessary delay or needless increase in the cost of litigation. For a willful violation of this section, a person admitted or qualified to practice before the Commission may be subjected to appropriate disciplinary action.

(b) If a party is not represented by a person admitted or qualified to practice before the Commission, each pleading, document or other paper of such party filed with the Commission shall be signed and verified under oath by the party or by a duly authorized officer or agent of the party, whose address and title shall be stated.

(c) Wherever, under any rules of this part, any matter is required or permitted to be supported, evidenced, established, or proved by the sworn declaration, verification, certificate, statement, oath, or affidavit, in writing of the person making the same (other than a deposition under § 502.143 or § 502.144), such matter may, with like force and effect, be supported, evidenced, established, or proved by the unsworn declaration, certificate, verification, or statement, in writing of such person which is subscribed by such person, as true under penalty of perjury, in substantially the following form:

(1) If executed without the United States: "I declare (or certify, verify, or state) under penalty of perjury under the laws of the United States of America that the foregoing is true and correct."

(2) If executed within the United States, its territories, possessions, or commonwealths: "I declare (or certify, verify, or state) under penalty of perjury that the foregoing is true and correct." [Rule 6.]

[Rule 7.]

§ 502.8 Denial of applications and notice thereof.

Except in affirming a prior denial or where the denial is self-explanatory, prompt written notice will be given of the denial in whole or in part of any written application, petition, or other request made in connection with any proceeding under this part, such notice to be accompanied by a simple statement of procedural or other grounds for the denial, and of any other or further administrative remedies or recourse applicant may have where the denial is based on procedural grounds. [Rule 8.]

§ 502.9 Suspension, amendment, etc., of rules in this part.

The rules in this part may, from time to time, be suspended, amended, or revoked, in whole or in part. Notice of any such action will be published in the FEDERAL REGISTER. [Rule 9.]

§ 502.10 Waiver of rules in this part.

Except to the extent that such waiver would be inconsistent with any statute, any of the rules in this part, except §§ 502.11 and 502.221, may be waived by the Commission or the presiding officer in any particular case to prevent undue hardship, manifest injustice, or if the expeditious conduct of business so requires. [Rule 10.]

defined in § 502.61 or who directly participates in any such proceeding and no interested person outside the Commission shall make or knowingly cause to be made to any Commission member, administrative law judge, or Commission employee who is or may reasonably be expected to be involved in the decisional process of any such proceeding, an ex parte communication relevant to the merits of the proceeding;

(b) No Commission member, administrative law judge, or Commission employee who is or may reasonably be expected to be involved in the decisional process of any agency proceeding, shall make or knowingly cause to be made to any interested persons outside the Commission or to any party to the proceeding or its agent or to any direct participant in a proceeding, an ex parte communication relevant to the merits of the proceeding. This prohibition shall not be construed to prevent any action authorized by paragraphs (e), (f) and (g) of this section;

(c) "Ex parte communication" means an oral or written communication not on the public record with respect to which reasonable prior notice to all parties is not given, but it shall not include requests for status reports or communications regarding purely procedural matters or matters which the Commission or member thereof, administrative law judge, or Commission employee is authorized by law or these rules to dispose of on an ex parte basis;

(d) Any Commission member, administrative law judge, or Commission employee who is or may reasonably be expected to be involved in the decisional process of any proceeding who receives, or who makes or knowingly causes to be made, an ex parte communication shall promptly transmit to the Secretary of the Commission:

(1) All such written communications;

(2) Memoranda stating the substance of all such oral communications; and

(3) All written responses and memoranda stating the substance of all oral responses to the materials described in paragraphs (d)(1) and (d)(2) of this section;

(e) The Secretary shall place the materials described in paragraph (d) of this section in the correspondence part

of the public docket of the proceeding and may take such other action as may be appropriate under the circumstances;

(f) Upon receipt of an ex parte communication knowingly made or knowingly caused to be made by a party to a proceeding, the Commission or the presiding officer may, to the extent consistent with the interests of justice and the policy of the statutes administered by the Commission, require the party to show cause why his or her claim or interest in the proceeding should not be dismissed, denied, disregarded, or otherwise adversely affected on account of the making of such communication;

(g) An ex parte communication shall not constitute a part of the record for decision. The Commission or the presiding officer may, to the extent consistent with the interests of justice and the policy of the statutes administered by the Commission, consider a violation of paragraph (b) of this section sufficient grounds for a decision adverse to a party who has knowingly caused such violation to occur and may take such other action as may be appropriate under the circumstances. (4) A filing covered by paragraph (c) of this section.

(c) *Filings made under seal.* The Commission or presiding officer may order that a filing be made under seal without redaction. The Commission or presiding officer may later unseal the filing or order the person who made the filing to file a redacted version for the public record.

(d) *Protective orders.* For good cause, the Commission or presiding officer may by order in a case:

(1) Require redaction of additional information; or

(2) Limit or prohibit a nonparty's remote electronic access to a document filed with the Commission.

Subpart B—Appearance and Practice Before the Commission

§ 502.21 Appearance.

(a) *Parties.* A party may appear in person or by an officer, partner, or regular employee of the party, or by or with counsel or other duly qualified representative, in any proceeding under the rules in this part. Any party or his or her representative may testify, produce and examine witnesses, and be heard upon brief and at oral argument if oral argument is granted.

(b) *Non-parties.* One who appears in person before the Commission or a representative thereof, either by compulsion from, or request or permission of the Commission, shall be accorded the right to be accompanied, represented, and advised by counsel.

(c) *Special appearance.* An appearance may be either general, that is, without reservation, or it may be special, that is, confined to a particular issue or question. A person who desires to appear specially must expressly so state when entering the appearance, and, at that time, shall also state the questions or issues to which the appearance is confined; otherwise the appearance will be considered general. [Rule 21.]

§ 502.22 Authority for representation.

Any individual acting in a representative capacity in any proceeding before

§ 502.23

the Commission may be required to show his or her authority to act in such capacity. [Rule 22.]

§ 502.23 Notice of appearance; substitution and withdrawal of representative.

(a) Upon filing of a complaint instituting proceedings or filing of an answer to an order or complaint, the party filing shall notify the Commission of the name(s), address(es), telephone number(s), and email address(es) of the person or persons who will represent the party in the pending proceeding. Each person who appears in a representative capacity in a proceeding must deliver a written notice of appearance to the Secretary stating for whom the appearance is made. Such notice must indicate whether the representative wishes to be notified of notices, orders and decisions by either email or facsimile transmission. All appearances shall be noted in the record. Motions for leave to intervene must indicate the name(s), address(es), telephone number(s), and email address(es) of the person or persons who will represent the intervenor in the pending proceeding if the motion is granted.

(b) A Notice of Appearance should follow the form set forth in Exhibit No. 1 to this subpart.

(c) An attorney must represent in the Notice of Appearance that he is admitted to practice and in good standing. A non-attorney must describe his or her authority to act in such capacity.

(d) If an attorney or other representative of record is superseded, there shall be filed a stipulation of substitution signed both by the attorney(s) or representative(s) and by the party, or a written notice from the party to the Commission with a Notice of Appearance included. Substitution of counsel or representative will not, by itself, be considered good cause for delaying a proceeding.

(e) If an attorney wishes to withdraw from representing a party, and written consent is not obtained, or if the party is not otherwise represented, the withdrawing attorney shall file an appropriate motion seeking permission to withdraw and provide appropriate reasons for making the motion. Such mo-

Non-attorneys who have been admitted to practice before the Commission may be excluded from such practice only after being afforded an opportunity to be heard.

(d) A non-attorney may not practice before the Commission unless and until an application has been approved.

§ 502.32 Former employees.

Title V of the Ethics in Government Act proscribes certain activities by certain former Federal employees (18 U.S.C. 207). In summary, as applied to former Commission employees, the restrictions and basic procedures are as follows:

(a) *Restrictions.* (1) No former Commission employee may represent in any formal or informal appearance or make any oral or written communication with intent to influence a U.S. Government agency in a particular matter involving a specific party or parties in which the employee participated personally and substantially while with the Commission.

(2) No former Commission employee may, within two years of terminating Commission employment, act as a representative in the manner described in paragraph (a)(1) of this section, as to a particular matter which was actually pending under the employee's official responsibility within one year prior to termination of the employment.

(3) Former senior Commission employees (defined as Commissioners and members of the Senior Executive Service as designated by the Office of Government Ethics under 18 U.S.C. 207(d)(1)) may not, for two years after terminating Commission employment, assist in representing a person by personal presence at an appearance before the Government on a matter in which the former employee had participated personally and substantially while at the Commission.

(4) Former senior Commission employees, as defined in paragraph (a)(3) of this section, are barred for one year from representing parties before the Commission or communicating with intent to influence the Commission, regardless of prior involvement in the particular proceeding.

(b) *Prior consent for appearance.* (1) Prior to making any appearance, representation or communication described in paragraph (a) of this section, and, in addition to other requirements of this subpart, every former employee must apply for and obtain prior written consent of the Commission for each proceeding or matter in which such appearance, representation, or communication is contemplated. Such consent

will be given only if the Commission determines that the appearance, representation or communication is not prohibited by the Act, this section or other provisions of this chapter.

(2) To facilitate the Commission's determination that the intended activity is not prohibited, applications for written consent shall:

(i) Be directed to the Commission, state the former connection of the applicant with the Commission and date of termination of employment, and identify the matter in which the applicant desires to appear; and

(ii) Be accompanied by an affidavit to the effect that the matter for which consent is requested is not a matter in which the applicant participated personally and substantially while at the Commission and, as made applicable by paragraph (a) of this section, that the particular matter as to which consent is requested was not pending under the applicant's official responsibility within one year prior to termination of employment and that the matter was not one in which the former employee had participated personally and substantially while at the Commission. The statements contained in the affidavit shall not be sufficient if disproved by an examination of the files and records of the case.

(3) The applicant shall be promptly advised as to his or her privilege to appear, represent or communicate in the particular matter, and the application, affidavit and consent, or refusal to consent, shall be filed by the Commission in its records relative thereto.

(c) *Reporting possible violations.* Possible violations of section 207 of Title 18 of the United States Code, 18 U.S.C. 207, by the Commission's former officers and employees are required to be reported to the Attorney General and the Office of Government Ethics, pursuant to the regulations of the Office of Government Ethics at 5 CFR 2641.103(a) and 5 CFR 2638.603.

(d) *Partners or associates.* (1) In any case in which a former member, officer, or employee of the Commission is prohibited under this section from practicing, appearing, or representing anyone before the Commission in a particular Commission matter, any partner or legal or business associate of

such former member, officer, or employee shall be prohibited from (i) utilizing the services of the disqualified former member, officer, or employee in connection with the matter, (ii) discussing the matter in any manner with the disqualified former member, officer, or employee, and (iii) sharing directly or indirectly with the disqualified former member, officer, or employee in any fees or revenues received for services rendered in connection with such matter.

(2) The Commission may require any practitioner or applicant to become a practitioner to file an affidavit to the effect that the practitioner or applicant will not: (i) Utilize the service of, (ii) discuss the particular matter with, or (iii) share directly or indirectly any fees or revenues received for services provided in the particular matter, with a partner, fellow employee, or legal or business associate who is a former member, officer or employee of the Commission and who is either permanently or temporarily precluded from practicing, appearing or representing anyone before the Commission in connection with the particular matter; and that the applicant's employment is not prohibited by any law of the United States or by the regulations of the Commission. (b) In the case of rules granting or recognizing exemption or relieving restriction; interpretative rules; or statements of policy.

(c) Interpretive rules, general statements of policy, or rules of agency organization, procedure, or practice. [Rule 55.]

Subpart E—Private Complaints and Commission Investigations

SOURCE: 77 FR 61524, Oct. 10, 2012, unless otherwise noted.

§ 502.61 Proceedings.

(a) Any person may commence a proceeding by filing a complaint (Rule 62) for a formal adjudication or by filing a claim for the informal adjudication of small claims (subpart S). A person may also file a petition for a rulemaking (Rule 51), for an exemption (Rule 74), for a declaratory order (Rule 75), or for other appropriate relief (Rule 76), which becomes a proceeding when the Commission assigns a formal docket number to the petition.

(b) The Commission may commence a proceeding for a rulemaking, for an adjudication (including Commission enforcement action under § 502.63), or a non-adjudicatory investigation upon petition or on its own initiative by issuing an appropriate order.

(c) Persons entitled to notice of hearings, except those notified by complaint service under § 502.113, will be duly and timely informed of the nature of the proceeding, the legal authority and jurisdiction under which the proceeding is conducted, and the terms, substance, and issues involved, or the matters of fact and law asserted, as the case may be. Such notice will be published in the FEDERAL REGISTER unless all persons subject thereto are named and either are served or otherwise have notice thereof in accordance with law.

(d) In the order instituting a proceeding or in the notice of filing of complaint and assignment, the Commission must establish dates by which the initial decision and the final Commission decision will be issued. These dates may be extended by order of the Commission for good cause shown. [Rule 61.]

Federal Maritime Commission

§ 502.62

§ 502.62 Private party complaints for formal adjudication.

(a) *Filing a complaint for formal adjudication.* (1) A person may file a sworn complaint alleging violation of the Shipping Act of 1984, 46 U.S.C. 40101 *et seq.*

(2) *Form.* Complaints should be drafted in accordance with the rules in this section.

(3) *Content of complaint.* The complaint must be verified and must contain the following:

(i) The name, street address, and email address of each complainant, and the name, address, and email address of each complainant's attorney or representative, the name, address, and, if known, email address of each person against whom complaint is made;

(ii) A recitation of the legal authority and jurisdiction for institution of the proceeding, with specific designation of the statutory provisions alleged to have been violated;

(iii) A clear and concise factual statement sufficient to inform each respondent with reasonable definiteness of the acts or practices alleged to be in violation of the law, and a statement showing that the complainant is entitled to relief;

(iv) A request for the relief and other affirmative action sought; and

(v) Shipping Act violation must be alleged. If the complaint fails to indicate the sections of the Act alleged to have been violated or clearly to state facts which support the allegations, the Commission may, on its own initiative, require the complaint to be amended to supply such further particulars as it deems necessary.

(4) *Complaints seeking reparation; statute of limitations.* A complaint may seek reparation (money damages) for injury caused by violation of the Shipping Act of 1984. (See subpart O of this part.)

(i) Where reparation is sought, the complaint must set forth the injury caused by the alleged violation and the amount of alleged damages.

(ii) Except under unusual circumstances and for good cause shown, reparation will not be awarded upon a complaint in which it is not specifically requested, nor upon a new complaint by or for the same complainant

which is based upon a finding in the original proceeding.

(iii) A complaint seeking reparation must be filed within three years after the claim accrues. Notification to the Commission that a complaint may or will be filed for the recovery of reparation will not constitute a filing within the applicable statutory period.

(iv) Civil penalties must not be requested and will not be awarded in complaint proceedings.

(5) *Oral hearing.* The complaint should designate whether an oral hearing is requested and the desired place for any oral hearing. The presiding officer will determine whether an oral hearing is necessary.

(6) *Filing fee.* The complaint must be accompanied by remittance of a \$387 filing fee.

(7) A complaint is deemed filed on the date it is received by the Commission.

(b) *Answer to a complaint.* (1) *Time for filing.* A respondent must file with the Commission an answer to the complaint and must serve the answer on complainant as provided in subpart H of this part within 25 days after the date of service of the complaint by the Commission or the Complainant unless this period has been extended under §502.67 or §502.102, or reduced under §502.103, or unless motion is filed to withdraw or dismiss the complaint, in which latter case, answer must be filed within 10 days after service of an order denying such motion. For good cause shown, the presiding officer may extend the time for filing an answer.

(2) *Contents of answer.* The answer must be verified and must contain the following:

(i) The name, address, and email address of each respondent, and the name, address, and email address of each respondent's attorney or representative;

(ii) Admission or denial of each alleged violation of the Shipping Act;

(iii) A clear and concise statement of each ground of defense and specific admission, denial, or explanation of facts alleged in the complaint, or, if respondent is without knowledge or information thereof, a statement to that effect; and

§ 502.63

46 CFR Ch. IV (10–1–23 Edition)

(iv) Any affirmative defenses, including allegations of any additional facts on which the affirmative defenses are based.

(3) *Oral hearing.* The answer should designate whether an oral hearing is requested and the desired place for such hearing. The presiding officer will determine whether an oral hearing is necessary.

(4) *Counterclaims, crossclaims, and third-party complaints.* In addition to filing an answer to a complaint, a respondent may include in the answer a counterclaim against the complainant, a crossclaim against another respondent, or a third-party complaint. A counterclaim, a crossclaim, or a third-party complaint must allege and be limited to violations of the Shipping Act within the jurisdiction of the Commission. The service and filing of a counterclaim, a crossclaim, or a third-party complaint and answers or replies thereto are governed by the rules and requirements of this section for the filing of complaints and answers.

(5) A reply to an answer may not be filed unless ordered by the presiding officer.

(6) *Effect of failure to file answer.* (i) Failure of a party to file an answer to a complaint, counterclaim, crossclaim, or third-party complaint within the time provided will be deemed to constitute a waiver of that party's right to appear and contest the allegations of the complaint, counterclaim, crossclaim, or third-party complaint to which it has not filed an answer and to authorize the presiding officer to enter an initial decision on default as provide for in 46 CFR 502.65. Well pleaded factual allegations in the complaint not answered or addressed will be deemed to be admitted.

(ii) A party may make a motion for initial decision on default. [Rule 62.]

§ 502.63 Commission enforcement action.

(a) The Commission may issue an Order of Investigation and Hearing commencing an adjudicatory investiga-

tion against one or more respondents alleging one or more violations of the statutes that it administers. Prior to recommending the issuance of an Order of Investigation and Hearing, BEIC will provide a respondent with notice of BEIC's intent and provide the respondent with the opportunity to make a written submission within 15 days for consideration by the Commission.

(b) *Contents of Order of Investigation and Hearing.* The Order of Investigation and Hearing must contain the following:

(1) The name, street address, and, if known, email address of each person against whom violations are alleged;

(2) A recitation of the legal authority and jurisdiction for institution of the proceeding, with specific designation of the statutory provisions alleged to have been violated;

(3) A clear and concise factual statement sufficient to inform each respondent with reasonable definiteness of the acts and practices alleged to be in violation of the law;

(4) Notice of penalties, cease and desist order, or other affirmative action sought; and

(5) Notice of the requirement to file an answer and a statement of the consequences of failure to file an answer.

(c) *Answer to Order of Investigation and Hearing.* (1) *Time for filing.* A respondent must file with the Commission an answer to the Order of Investigation and Hearing and serve a copy of the answer on the Bureau of Enforcement within 25 days after being served with the Order of Investigation and Hearing unless this period has been extended under § 502.67 or § 502.102, or reduced under § 502.103, or unless motion is filed to withdraw or dismiss the Order of Investigation and Hearing, in which latter case, answer must be filed within 10 days after service of an order denying such motion. For good cause shown, the presiding officer may extend the time for filing an answer.

(2) *Contents of answer.* The answer must be verified and must contain the following:

(i) The name, address, and email address of each respondent, and the name, address, and email address of each respondent's attorney or representative;

Federal Maritime Commission

§ 502.64

(ii) Admission or denial of each alleged violation of the Shipping Act;

(iii) A clear and concise statement of each ground of defense and specific admission, denial, or explanation of facts alleged in the complaint, or, if respondent is without knowledge or information thereof, a statement to that effect; and

(iv) Any affirmative defenses, including allegations of any additional facts on which the affirmative defenses are based.

(3) *Oral hearing.* The answer must indicate whether an oral hearing is requested and the desired place for such hearing. The presiding officer will determine whether an oral hearing is necessary.

(4) *Effect of failure to file answer.* (i) Failure of a respondent to file an answer to an Order of Investigation and Hearing within the time provided will be deemed to constitute a waiver of the respondent's right to appear and contest the allegations in the Order of Investigation and Hearing and to authorize the presiding officer to enter a decision on default as provided for in 46 CFR 502.65. Well pleaded factual allegations in the Order of Investigation and Hearing not answered or addressed will be deemed to be admitted.

(ii) The Bureau of Enforcement may make a motion for decision on default.

(d) *Informal enforcement process.* (1) BEIC may issue a Notice of Violations (NOV) to provide the person or persons with notice of the alleged violations and provide the opportunity for informal resolution of such claims pursuant to the procedures in §502.604. [Rule 63.]

(i) The Bureau of Enforcement has made a preliminary determination to recommend that the Commission initiate enforcement action against them;

(ii) Identifies the specific violations that the Bureau of Enforcement has preliminarily determined to include in the recommendation; and

(iii) Provides notice that the person may make a written submission to the Bureau of Enforcement concerning the proposed recommendation, including the deadline for the submission and any other relevant information (e.g., how and where to send such statements).

(2) Persons notified of such investigations may submit a written statement to the Bureau of Enforcement setting forth their interests and positions regarding the subject matter of the investigation.

(3) The Bureau of Enforcement will consider any written statements submitted under paragraph (d)(2) of this section when making recommendations to the Commission and will attach such written statements to the Bureau's recommendations. [Rule 63.]

[77 FR 61524, Oct. 10, 2012, as amended at 84 FR 54040, Oct. 9, 2019; 88 FR 23363, Apr. 17, 2023]

§ 502.64 Alternative dispute resolution.

(a) *Mandatory preliminary conference.*

(1) *Participation.* Subsequent to service of a Complaint, parties must participate in a preliminary conference with the Commission's Office of Consumer Affairs and Dispute Resolution Services (CADRS) as to whether the matter may be resolved through mediation. The preliminary conference may be conducted either in person or via telephone, video conference, or other forum.

(2) *Timing.* Within fifteen (15) days of the filing of an answer, the parties must contact the Director of CADRS to schedule the preliminary conference. The Director of CADRS or his/her designees will conduct the preliminary conference and may confer with each party separately at any time.

(b) *Continued availability of dispute resolution services to resolve procedural and other disputes.* Pursuant to subpart U of this part, the parties mutually may agree, at any time prior to the termination of a Commission proceeding, to initiate or reopen a mediation proceeding to explore resolution of procedural or substantive issues.

(c) *Proceeding not stayed during dispute resolution process.* Unless otherwise ordered by the presiding officer, a mediation proceeding does not stay or delay the procedural time requirements set forth by rule or order of the presiding officer.

(d) *Confidentiality.* The preliminary conference will be confidential. [Rule 64.]

§ 502.65

46 CFR Ch. IV (10–1–23 Edition)

§ 502.65 Decision on default.

(a) A party to a proceeding may be deemed to be in default if that party fails:

(1) To appear, in person or through a representative, at a hearing or conference of which that party has been notified;

(2) To answer, to respond to a dispositive motion within the time provided, or otherwise to defend the proceeding; or

(3) To cure a deficient filing within the time specified by the Commission or the presiding officer.

(b) When a party is found to be in default, the Commission or the presiding officer may issue a decision on default upon consideration of the record, including the complaint or Order of Investigation and Hearing.

(c) The presiding officer may require additional information or clarification when needed to issue a decision on default, including a determination of the amount of reparations or civil penalties where applicable.

(d) A respondent who has defaulted may file with the Commission a petition to set aside a decision on default. Such a petition must be made within 22 days of the service date of the decision, state in detail the reasons for failure to appear or defend, and specify the nature of the proposed defense. In order to prevent injustice, the Commission may for good cause shown set aside a decision on default. [Rule 65.]

§ 502.66 Amendments or supplements to pleadings.

(a) Amendments or supplements to any pleading (complaint, Order of Investigation and Hearing, counterclaim, crossclaim, third-party complaint, and answers thereto) will be permitted or rejected, either in the discretion of the Commission or presiding officer. No amendment will be allowed that would broaden the issues, without opportunity to reply to such amended pleading and to prepare for the broadened issues. The presiding officer may direct a party to state its case more fully and in more detail by way of amendment.

(b) A response to an amended pleading must be filed and served in conformity with the requirements of subpart H and § 502.69 of this part, unless

the Commission or the presiding officer directs otherwise. Amendments or supplements allowed prior to hearing will be served in the same manner as the original pleading, except that the presiding officer may authorize the service of amended complaints directly by the parties rather than by the Secretary of the Commission.

(c) Whenever by the rules in this part a pleading is required to be verified, the amendment or supplement must also be verified. [Rule 66.]

§ 502.67 Motion for more definite statement.

If a pleading (including a complaint, counterclaim, crossclaim, or third-party complaint filed pursuant to § 502.62) to which a responsive pleading is permitted is so vague or ambiguous that a party cannot reasonably prepare a response, the party may move for a more definite statement before filing a responsive pleading. The motion must be filed within 15 days of the pleading and must point out the defects complained of and the details desired. If the motion is granted and the order of the presiding officer is not obeyed within 10 days after service of the order or within such time as the presiding officer sets, the presiding officer may strike the pleading to which the motion was directed or issue any other appropriate order. If the motion is denied, the time for responding to the pleading must be extended to a date 10 days after service of the notice of denial. [Rule 67.]

§ 502.68 Motion for leave to intervene.

(a) *Filing.* A motion for leave to intervene may be filed in any proceeding.

(b) *Procedure for intervention.* (1) Upon request, the Commission will furnish a service list to any member of the public pursuant to part 503 of this chapter.

(2) The motion must:

(i) Comply with all applicable provisions of subpart A of this part;

(ii) Indicate the type of intervention sought;

(iii) Describe the interest and position of the person seeking intervention, and address the grounds for intervention set forth in paragraph (c) of this section;

Federal Maritime Commission

§ 502.69

(iv) Describe the nature and extent of its proposed participation, including the use of discovery, presentation of evidence, and examination of witnesses;

(v) State the basis for affirmative relief, if affirmative relief is sought; and

(vi) Be served on existing parties by the person seeking intervention pursuant to subpart H of this part.

(3) A response to a motion to intervene must be served and filed within 15 days after the date of service of the motion.

(c)(1) *Intervention of right.* The presiding officer or Commission must permit anyone to intervene who claims an interest relating to the property or transaction that is subject of the proceeding, and is so situated that disposition of the proceeding may as a practical matter impair or impede the ability of such person to protect its interest, unless existing parties adequately represent that interest.

(2) *Permissive intervention.* (i) *In general.* The presiding officer or Commission may permit anyone to intervene who shows that a common issue of law or fact exists between such person's interest and the subject matter of the proceeding; that intervention would not unduly delay or broaden the scope of the proceeding, prejudice the adjudication of the rights, or be duplicative of the positions of any existing party; and that such person's participation may reasonably be expected to assist in the development of a sound record.

(ii) *By a government department, agency, or the Commission's Bureau of Enforcement.* The presiding officer or Commission may permit intervention by a Federal or State government department or agency or the Commission's Bureau of Enforcement upon a showing that its expertise is relevant to one or more issues involved in the proceeding and may assist in the consideration of those issues.

(3) The timeliness of the motion will also be considered in determining whether a motion will be granted under paragraph (b)(2) of this section and should be filed no later than 30 days after publication in the FEDERAL REGISTER of the Commission's order instituting the proceeding or the notice of the filing of the complaint. Motions

filed after that date must show good cause for the failure to file within the 30-day period.

(d) *Use of discovery by an intervenor.*

(1) Absent good cause shown, an intervenor desiring to utilize the discovery procedures provided in subpart L must commence doing so no more than 15 days after its motion for leave to intervene has been granted.

(2) The Commission or presiding officer may impose reasonable limitations on an intervenor's participation in order to:

(i) Restrict irrelevant or duplicative discovery, evidence, or argument;

(ii) Have common interests represented by a spokesperson; and

(iii) Retain authority to determine priorities and control the course of the proceeding.

(3) The use of discovery procedures by an intervenor whose motion was filed more than 30 days after publication in the FEDERAL REGISTER of the Commission's order instituting the proceeding or the notice of the filing of the complaint will not be allowed if the presiding officer determines that the use of the discovery by the intervenor will unduly delay the proceeding. [Rule 68.]

§ 502.69 Motions.

(a) In any adjudication, an application or request for an order or ruling not otherwise specifically provided for in this part must be by motion. After the assignment of a presiding officer to a proceeding and before the issuance of his or her recommended or initial decision, all motions must be addressed to and ruled upon by the presiding officer unless the subject matter of the motion is beyond his or her authority, in which event the matter must be referred to the Commission. If the proceeding is not before the presiding officer, motions must be designated as *petitions* and must be addressed to and ruled upon by the Commission.

(b) Motions must be in writing, except that a motion made at a hearing may be sufficient if stated orally upon the record.

(c) Oral argument upon a written motion may be permitted at the discretion of the presiding officer or the Commission.

§ 502.70

(d) A repetitious motion will not be entertained.

(e) All written motions must state clearly and concisely the purpose of and the relief sought by the motion, the statutory or principal authority relied upon, and the facts claimed to constitute the grounds supporting the relief requested; and must conform with the requirements of subpart H of this part.

(f) Any party may file and serve a response to any written motion, pleading, petition, application, etc., permitted under this part except as otherwise provided respecting answers (§ 502.62), briefs (§ 502.214), exceptions (§ 502.227), and reply to petitions for attorney fees under the Equal Access to Justice Act (§ 502.503(b)(1)).

(g) *Dispositive and non-dispositive motions defined.* For the purpose of these rules, *dispositive motion* means a motion for decision on the pleadings; motion for summary decision or partial summary decision; motion to dismiss all or part of a proceeding or party to a proceeding; motion for involuntary dismissal; motion for initial decision on default; or any other motion for a final determination of all or part of a proceeding. All other motions, including all motions related to discovery, are non-dispositive motions. [Rule 69.]

[77 FR 61524, Oct. 10, 2012, as amended at 81 FR 93835, Dec. 22, 2016]

§ 502.70 Procedure for dispositive motions.

(a) A dispositive motion as defined in § 502.69(g) of this subpart must include a concise statement of the legal basis of the motion with citation to legal authority and a statement of material facts with exhibits as appropriate.

(b) A response to a dispositive motion must be served and filed within 15 days after the date of service of the motion. The response must include a concise statement of the legal basis of the response with citation to legal authority and specific responses to any statements of material facts with exhibits as appropriate.

(c) A reply to the response to a dispositive motion may be filed within 7 days after the date of service of the response to the motion. A reply may not raise new grounds for relief or present

46 CFR Ch. IV (10–1–23 Edition)

matters that do not relate to the response and must not reargue points made in the opening motion.

(d) The non-moving party may not file any further reply unless requested by the Commission or presiding officer, or upon a showing of extraordinary circumstances.

(e) *Page limits.* Neither the motion nor the response may exceed 30 pages, excluding exhibits or appendices, without leave of the presiding officer. A reply may not exceed 15 pages. [Rule 70.]

§ 502.71 Procedure for non-dispositive motions.

(a) *Duty to confer.* Before filing a non-dispositive motion as defined in § 502.69(g) of this subpart, the parties must attempt to discuss the anticipated motion with each other in a good faith effort to determine whether there is any opposition to the relief sought and, if there is opposition, to narrow the areas of disagreement. The moving party must state within the body of the motion what attempt was made or that the discussion occurred and whether the motion is opposed.

(b) *Response to a non-dispositive motion.* A response to a non-dispositive motion must be served and filed within 7 days after the date of service of the motion.

(c) *Response replies.* The moving party may not file a reply to a response to a non-dispositive motion unless requested by the Commission or presiding officer, or upon a showing of extraordinary circumstances.

(d) *Page limits.* Neither the motion nor the response may exceed 10 pages, excluding exhibits or appendices, without leave of the presiding officer. [Rule 71.]

§ 502.72 Dismissals.

(a) *Voluntary dismissal.* (1) *By the complainant.* When no settlement agreement is involved, the complainant may dismiss an action without an order from the presiding officer by filing a notice of dismissal before the opposing party serves either an answer, a motion to dismiss, or a motion for summary decision. Unless the notice or stipulation states otherwise, the dismissal is without prejudice.

Federal Maritime Commission

§ 502.75

(2) *By stipulation of the parties.* The parties may dismiss an action at any point without an order from the presiding officer by filing a stipulation of dismissal signed by all parties who have appeared. In the stipulation the parties must certify that no settlement on the merits was reached. Unless the stipulation states otherwise, the dismissal is without prejudice.

(3) *By order of the presiding officer.* Except as provided in paragraphs (a)(1) and (a)(2) of this section, an action may be dismissed at the complainant's request only by order of the presiding officer, on terms the presiding officer considers proper. If the motion is based on a settlement by the parties, the settlement agreement must be submitted with the motion for determination as to whether the settlement appears to violate any law or policy and to ensure the settlement is free of fraud, duress, undue influence, mistake, or other defects which might make it unapprovable. Unless the order states otherwise, a dismissal under this paragraph is without prejudice.

(b) *Involuntary dismissal; effect.* If the complainant fails to prosecute or to comply with these rules or an order in the proceeding, a respondent may move to dismiss the action or any claim against it, or the presiding officer, after notice to the parties, may dismiss the proceeding on its own motion. Unless the dismissal order states otherwise, a dismissal under this subpart, except one for lack of jurisdiction or failure to join a party, operates as an adjudication on the merits.

(c) *Dismissing a counterclaim, crossclaim, or third-party claim.* This rule applies to dismissals of any counterclaim, crossclaim, or third-party claim.

§ 502.73 Brief of an amicus curiae.

(a) A brief of an amicus curiae may be filed only by leave of the Commission or the presiding officer granted on motion with notice to the parties, or at the request of the Commission or the presiding officer, except that leave must not be required when the brief is presented by the United States or any agency or officer of the United States. The brief may be conditionally filed

with the motion for leave. A brief of an amicus curiae must be limited to questions of law or policy.

(b) A motion for leave to file an amicus brief must identify the interest of the applicant and must state the reasons why such a brief is desirable.

(c) Except as otherwise permitted by the Commission or the presiding officer, an amicus curiae must file its brief no later than 7 days after the initial brief of the party it supports is received at the Commission. An amicus curiae that is not supporting either party must file its brief no later than 7 days after the initial brief of the first party filing a brief is received at the Commission. The Commission or the presiding officer must grant leave for a later filing only for cause shown, in which event the period within which an opposing party may answer must be specified.

(d) A motion of an amicus curiae to participate in oral argument will be granted only in accordance with the requirements of § 502.241. [Rule 78.]

§ 502.75 Opportunity for informal settlement.

(a) Parties are encouraged to make use of all the procedures of this part that are designed to simplify or avoid formal litigation, and to assist the parties in reaching settlements whenever it appears that a particular procedure would be helpful.

(b) Where time, the nature of the proceeding, and the public interest permit, all interested parties will have the opportunity for the submission and consideration of facts, argument, offers of settlement, or proposal of adjustment, without prejudice to the rights of the parties.

(c) No settlement offer, or proposal will be admissible in evidence over the

§ 502.91

objection of any party in any hearing on the matter.

(d) As soon as practicable after the commencement of any proceeding, the presiding officer will direct the parties or their representatives to consider the use of alternative dispute resolution, including but not limited to mediation, and may direct the parties or their representatives to consult with the Federal Maritime Commission Alternative Dispute Resolution Specialist about the feasibility of alternative dispute resolution.

(e) Any party may request that a mediator or other neutral be appointed to assist the parties in reaching a settlement. If such a request or suggestion is made and is not opposed, the presiding officer will appoint a mediator or other neutral who is acceptable to all parties, coordinating with the Federal Maritime Commission Alternative Dispute Resolution Specialist. The mediator or other neutral will convene and conduct one or more mediation or other sessions with the parties and will inform the presiding officer, within the time prescribed by the presiding officer, whether the dispute resolution proceeding resulted in a resolution or not, and may make recommendations as to future proceedings. If settlement is reached, it will be submitted to the presiding officer who will issue an appropriate decision or ruling. All such dispute resolution proceedings are subject to the provisions of subpart U of this part.

(f) Any party may request that a settlement judge be appointed to assist the parties in reaching a settlement. If such a request or suggestion is made and is not opposed, the presiding officer will advise the Chief Administrative Law Judge who may appoint a settlement judge who is acceptable to all parties. The settlement judge will convene and preside over conferences and settlement negotiations and will report to the presiding officer within the time prescribed by the Chief Administrative Law Judge, on the results of settlement discussions with appropriate recommendations as to future proceedings. If settlement is reached, it must be submitted to the presiding of-

Subpart F—Petitions, Exemptions, and Orders to Show Cause

§ 502.91 Order to show cause.

The Commission may institute a proceeding by order to show cause. The order will be served upon all persons named therein, will include the information specified in § 502.221, will require the person named therein to answer, and may require such person to appear at a specified time and place and present evidence upon the matters specified. § 502.92 Exemption procedures—general.

(a) *Authority.* The Commission, upon application or on its own motion, may by order or regulation exempt for the future any class of agreements between persons subject to the Shipping Act of 1984 or any specified activity of those persons from any requirement of the Act if the Commission finds that the exemption will not result in substantial reduction in competition or be detrimental to commerce. The Commission may attach conditions to any exemption and may, by order, revoke any exemption.

(b) *Application for exemption.* Any person may petition the Commission for an exemption or revocation of an exemption of any class of agreements or an individual agreement or any specified activity pursuant to section 16 of the Shipping Act of 1984 (46 U.S.C. 40103). A petition for exemption must state the particular requirement of the Shipping Act of 1984 for which exemption is sought. The petition must also include a statement of the reasons why an exemption should be granted or revoked, must provide information relevant to any finding required by the Act and must comply with § 502.76. Where a petition for exemption of an individual agreement is made, the application must include a copy of the agreement. Unless a petition specifically requests an exemption by regulation, the Commission must evaluate

Federal Maritime Commission

§ 502.93

the petition as a request for an exemption by order.

(c) *Participation by interested persons.* No order or regulation of exemption or revocation of exemption may be issued unless opportunity for hearing has been afforded interested persons and departments and agencies of the United States.

(d) FEDERAL REGISTER notice. Notice of any proposed exemption or revocation of exemption, whether upon petition or the Commission's own motion, must be published in the FEDERAL REGISTER. The notice must include when applicable:

(1) A short title for the proposed exemption or the title of the existing exemption;

(2) The identity of the party proposing the exemption or seeking revocation;

(3) A concise summary of the agreement or class of agreements or specified activity for which exemption is sought, or the exemption which is to be revoked;

(4) A statement that the petition and any accompanying information are available for inspection in the Commission's offices in Washington, DC; and

(5) The final date for filing comments regarding the proposal. [Rule 74.]

§ 502.93 Declaratory orders and fee.

(a)(1) The Commission may, in its discretion, issue a declaratory order to terminate a controversy or to remove uncertainty.

(2) Petitions for the issuance thereof must: state clearly and concisely the controversy or uncertainty; name the persons and cite the statutory authority involved; include a complete statement of the facts and grounds prompting the petition, together with full disclosure of petitioner's interest; be served upon all parties named therein; and conform to the requirements of subpart H of this part.

(3) Petitions must be accompanied by remittance of a \$450 filing fee.

(b) Petitions under this section must be limited to matters involving conduct or activity regulated by the Commission under statutes administered by the Commission. The procedures of this

section must be invoked solely for the purpose of obtaining declaratory rulings which will allow persons to act without peril upon their own view. Controversies involving an allegation of violation by another person of statutes administered by the Commission, for which coercive rulings such as payment of reparation or cease and desist orders are sought, are not proper subjects of petitions under this section. Such matters must be adjudicated either by filing of a complaint under section 11 of the Shipping Act of 1984 (46 U.S.C. 41301-41302, 41305-41307(a)) and § 502.62, or by filing of a petition for investigation under § 502.76.

(c) Petitions under this section must be accompanied by the complete factual and legal presentation of petitioner as to the desired resolution of the controversy or uncertainty, or a detailed explanation why such can only be developed through discovery or evidentiary hearing.

(d) Responses to the petition must contain the complete factual and legal presentation of the responding party as to the desired resolution, or a detailed explanation why such can only be developed through discovery or evidentiary hearing. Responses must conform to the requirements of § 502.69 and must be served pursuant to subpart H of this part.

(e) No additional submissions will be permitted unless ordered or requested by the Commission or the presiding officer. If discovery or evidentiary hearing on the petition is deemed necessary by the parties, such must be requested in the petition or responses. Requests must state in detail the facts to be developed, their relevance to the issues, and why discovery or hearing procedures are necessary to develop such facts.

(f)(1) A notice of filing of any petition which meets the requirements of this section must be published in the FEDERAL REGISTER. The notice will indicate the time for filing of responses to the petition. If the controversy or uncertainty is one of general public interest, and not limited to specifically named persons, opportunity for response will be given to all interested persons including the Commission's Bureau of Enforcement.

§ 502.94

(2) In the case of petitions involving a matter limited to specifically named persons, participation by persons not named therein will be permitted only upon grant of intervention by the Commission pursuant to § 502.68.

(3) Petitions for leave to intervene must be submitted on or before the response date and must be accompanied by intervenor's complete response including its factual and legal presentation in the matter.

(g) Petitions for declaratory order which conform to the requirements of this section will be referred to a formal docket. Referral to a formal docket is not to be construed as the exercise by the Commission of its discretion to issue an order on the merits of the petition. [Rule 75.]

§ 502.94 Petitions—general and fee.

(a) Except when submitted in connection with a formal proceeding, all claims for relief or other affirmative action by the Commission, including appeals from Commission staff action, except as otherwise provided in this part, must be by written petition, which must state clearly and concisely the petitioner's grounds of interest in the subject matter, the facts relied upon and the relief sought, must cite by appropriate reference the statutory provisions or other authority relied upon for relief, must be served upon all parties named therein, and must conform otherwise to the requirements of subpart H of this part. Responses thereto must conform to the requirements of § 502.67.

(b) Petitions must be accompanied by remittance of a \$450 filing fee. [Rule 94.]

section 5(e) of the Shipping Act of 1984 (46 U.S.C. 40301(e), 40305), the Notice of Filing of Complaint and Assignment will specify a date before which the initial decision will be issued, which date will not be more than eight months from the date the complaint was filed.

(b) Any party to a proceeding conducted under this section who desires to utilize the prehearing discovery procedures provided by subpart L of this part must commence doing so at the time it files its initial pleading, i.e., complaint, answer, or petition for leave to intervene. Discovery matters accompanying complaints must be filed with the Secretary of the Commission for service pursuant to § 502.113. Answers or objections to discovery requests must be subject to the normal provisions set forth in subpart L.

(c) Exceptions to the decision of the presiding officer, filed pursuant to § 502.227, must be filed and served no later than 15 days after date of service of the initial decision. Replies thereto must be filed and served no later than 15 days after date of service of exceptions. In the absence of exceptions, the decision of the presiding officer must be final within 30 days from the date of service, unless within that period, a determination to review is made in accordance with the procedures outlined in § 502.227. Subpart J—Disclosures and Discovery

§ 502.141 Duty to disclose; general provisions governing discovery.

(a) *Applicability.* Unless otherwise stated in subpart S, T, or any other subpart of this part, the procedures described in this subpart are available in all adjudicatory proceedings under the Shipping Act of 1984.

(b) *Initial disclosures.* Except as otherwise stipulated or ordered by the Commission or presiding officer, and except as provided in this subpart related to disclosure of expert testimony, all parties must, within 7 days of service of a respondent's answer to the complaint or Order of Investigation and Hearing and without awaiting a discovery request, provide to each other:

(1) The name and, if known, the address and telephone number of each individual likely to have discoverable information that the disclosing party may use to support its claims or defenses, unless the use would be solely for impeachment;

(2) A copy, or a description by category and location, of all documents, electronically stored information, and tangible things that the disclosing

party has in its possession, custody, or control and may use to support its claims or defenses, unless the use would be solely for impeachment;

(3) An estimate of any damages claimed by the disclosing party who must also make available for inspection and copying the documents or other evidentiary material, unless privileged or protected from disclosure, on which the estimate is based, including materials bearing on the nature and extent of injuries suffered.

(c) *For parties served or joined later.* A party that is first served or otherwise joined after the answer is made must make the initial disclosures within seven (7) days after an order of intervention is granted, unless a different time is set by stipulation or order of presiding officer. All parties must also produce to the late-joined party any initial disclosures previously made.

(d) *Disclosure of expert testimony.* (1) *In general.* A party must disclose to the other parties the identity of any witness it may use in the proceeding to present evidence as an expert.

(2) *Witnesses who are required to provide a written report.* Unless otherwise stipulated or ordered by the presiding officer, if the witness is one retained or specially employed to provide expert testimony in the proceeding or one whose duties as the party's employee regularly involve giving expert testimony, the disclosure must be accompanied by a written report, prepared and signed by the witness. The report must contain:

(i) A complete statement of all opinions the witness will express and the basis and reasons for them;

(ii) The facts or data considered by the witness in forming them;

(iii) Any exhibits that will be used to summarize or support them;

(iv) The witness's qualifications, including a list of all publications authored in the previous 10 years;

(v) A list of all other proceedings or cases in which, during the previous 4 years, the witness testified as an expert in a trial, an administrative proceeding, or by deposition; and

(vi) A statement of the compensation to be paid for the study and testimony in the proceeding.

(3) *Witnesses who are not required to provide a written report.* Unless otherwise stipulated or ordered by the presiding officer, if the witness is not required to provide a written report under paragraph (d)(2) of this section, the disclosure must state:

(i) The subject matter on which the witness is expected to present evidence as an expert; and

(ii) Summary of the facts and opinions to which the witness is expected to testify.

(4) *Time to disclose expert testimony.* The time for disclosure of expert testimony must be addressed by the parties when they confer as provided in paragraph (h) of this section and, if applicable, must be included in the proposed discovery schedule submitted to the presiding officer.

(e) *Scope of discovery and limits.* (1) Unless otherwise limited by the presiding officer, or as otherwise provided in this subpart, the scope of discovery is as follows: Parties may obtain discovery regarding any nonprivileged matter that is relevant to any party's claim or defense—including the existence, description, nature, custody, condition, and location of any documents or other tangible things and the identity and location of persons who know of any discoverable matter. For good cause, the presiding officer may order discovery of any matter relevant to the subject matter involved in the action. Relevant information need not be admissible at hearing if the discovery appears reasonably calculated to lead to the discovery of admissible evidence.

(2) *Limitations on frequency and extent.* (i) *Specific limitations on electronically stored information.* A party need not provide discovery of electronically stored information from sources that the party identifies as not reasonably accessible because of undue burden or cost. On motion to compel discovery or for a protective order, the party from whom discovery is sought must show that the information is not reasonably accessible because of undue burden or cost. If that showing is made, the presiding officer may nonetheless order discovery from such sources if the requesting party shows good cause. The presiding officer may specify conditions for the discovery.

(ii) *When required.* On motion or on its own, the presiding officer may limit the frequency or extent of discovery otherwise allowed by these rules if the presiding officer determines that:

(A) The discovery sought is unreasonably cumulative or duplicative, or can be obtained from some other source that is more convenient, less burdensome, or less expensive;

(B) The party seeking discovery has had ample opportunity to obtain the information by discovery in the action; or

(C) The burden or expense of the proposed discovery outweighs its likely benefit, considering the needs of the proceeding, the amount in controversy, the parties' resources, the importance of the issues at stake in the action, and the importance of the discovery in resolving the issues.

(f) *Scope of discovery and limits—experts.* (1) A party may depose any person who has been identified as an expert whose opinions may be presented in a proceeding. If a report is required of the witness, the deposition may be conducted only after the report is provided.

(2) Drafts of any report or disclosure required by these rules are not discoverable regardless of the form in which the draft is recorded.

(3) Communications between the party's attorney and any expert witness required to provide a report are not discoverable regardless of the form of communications, except to the extent that the communications relate to compensation for the expert's study or testimony; identify facts or data that the party's attorney provided and that the expert considered in forming the opinions to be expressed; or identify assumptions that the party's attorney provided and that the expert relied on in forming the opinions to be expressed.

(4) A party may not by interrogatories or deposition discover facts known or opinions held by an expert who has been retained or specially employed by another party in anticipation of litigation or to prepare for a proceeding and who is not expected to be presented as a witness; provided, however, that the presiding officer may permit such discovery and may impose

§ 502.141

46 CFR Ch. IV (10-1-23 Edition)

such conditions as deemed appropriate upon a showing of exceptional circumstances under which it is impracticable for the party to obtain facts or opinions on the same subject by other means.

(g) *Completion of discovery.* Discovery must be completed within 150 days of the service of a respondent's answer to the complaint or Order of Investigation and Hearing.

(h) *Duty of the parties to confer.* In all proceedings in which the procedures of this subpart are used, it is the duty of the parties to confer within 15 days after receipt of a respondent's answer to a complaint or Order of Investigation and Hearing in order to: establish a schedule for the completion of discovery, including disclosures and discovery related to experts, within the 150-day period prescribed in paragraph (g) of this section; resolve to the fullest extent possible disputes relating to discovery matters; and expedite, limit, or eliminate discovery by use of admissions, stipulations and other techniques. The parties must submit the schedule to the presiding officer not later than 5 days after the conference. Nothing in this rule should be construed to preclude the parties from conducting discovery and conferring at an earlier date.

(i)(1) *Conferences by order of the presiding officer.* The presiding officer may at any time order the parties or their attorneys to participate in a conference at which the presiding officer may direct the proper use of the procedures of this subpart or make such orders as may be necessary to resolve disputes with respect to discovery and to prevent delay or undue inconvenience.

(2) *Resolution of disputes.* After making every reasonable effort to resolve discovery disputes, a party may request a conference or rulings from the presiding officer on such disputes. If necessary to prevent undue delay or otherwise facilitate conclusion of the proceeding, the presiding officer may order a hearing to commence before the completion of discovery.

(j) *Protective orders.* (1) *In general.* A party or any person from whom discovery is sought may move for a protective order. The motion must include a certification that the movant has in

good faith conferred or attempted to confer with other affected parties in an effort to resolve the dispute without Commission or presiding officer action. The Commission or presiding officer may, for good cause, issue an order to protect a party or person from annoyance, embarrassment, oppression, or undue burden or expense, including one or more of the following:

(i) Forbidding the disclosure or discovery;

(ii) Specifying terms, including time and place, for the disclosure or discovery;

(iii) Prescribing a discovery method other than the one selected by the party seeking discovery;

(iv) Forbidding inquiry into certain matters, or limiting the scope of disclosure or discovery to certain matters;

(v) Designating the persons who may be present while the discovery is conducted;

(vi) Requiring that a deposition be sealed and opened only on Commission or presiding officer order;

(vii) Requiring that a trade secret or other confidential research, development, or commercial information not be disclosed or be disclosed only in a specified way; or

(viii) Requiring that the parties simultaneously file specified documents or information in sealed envelopes, to be opened as the Commission or presiding officer directs.

(2) *Ordering discovery.* If a motion for a protective order is denied in whole or in part, the Commission or presiding officer may, on just terms, order that any party or person provide or permit discovery.

(k) *Supplementing responses.* A party who has made a disclosure under paragraph (b) or (d) of this section, or who has responded to an interrogatory, request for production, or request for admission, must supplement or correct its disclosure or response:

(1) In a timely manner if the party learns that in some material respect the disclosure or response is incomplete or incorrect, and if the additional or corrective information has not otherwise been made known to the other parties during the discovery process or in written communication; or

(2) As ordered by the presiding officer.

(1) *Stipulations.* Unless the presiding officer orders otherwise, the parties may stipulate that other procedures governing or limiting discovery be modified, but a stipulation extending the time for any form of discovery must have presiding officer's approval if it would interfere with the time set for completing discovery, for adjudicating a motion, or for hearing. [Rule 201.]

§ 502.142 Persons before whom depositions may be taken.

(a) *Within the United States.* (1) *In general.* Within the United States or a territory or insular possession subject to United States jurisdiction, a deposition must be taken before:

(i) An officer authorized to administer oaths either by federal law or by the law in the place of examination; or

(ii) A person appointed by the Commission or the presiding officer to administer oaths and take testimony.

(b) *In a foreign country.* (1) *In general.* A deposition may be taken in a foreign country:

(i) Under an applicable treaty or convention;

(ii) under a letter of request, whether or not captioned a "letter rogatory";

(iii) On notice, before a person authorized to administer oaths either by federal law or by the law in the place of examination; or

(iv) Before a person authorized by the Commission or the presiding officer to administer any necessary oath and take testimony.

(2) *Issuing a letter of request or an authorization.* A letter of request, an authorization, or both may be issued:

(i) On appropriate terms after an application and notice of it; and

(ii) Without a showing that taking the deposition in another manner is impracticable or inconvenient.

(3) *Form of a request, notice, or authorization.* When a letter of request or any other device is used according to a treaty or convention, it must be captioned in the form prescribed by that

treaty or convention. A letter of request may be addressed "To the Appropriate Authority in [name of country]." A deposition notice or an authorization must designate by name or descriptive title the person before whom the deposition is to be taken.

(4) *Letter of request—admitting evidence.* Evidence obtained in response to a letter of request need not be excluded merely because it is not a verbatim transcript, because the testimony was not taken under oath, or because of any similar departure from the requirements for depositions taken within the United States.

(c) *Disqualification.* A deposition must not be taken before a person who is any party's relative, employee, or attorney; who is related to or employed by any party's attorney; or who is financially interested in the action. [Rule 202.]

§ 502.143 Depositions by oral examination.

(a) *When a deposition may be taken.* (1) *Without leave.* A party may, by oral questions, depose any person, including a party, without leave of the presiding officer except as provided in § 502.143(a)(2). The deponent's attendance may be compelled by subpoena under subpart I of this part.

(2) *With leave.* A party must obtain leave of the presiding officer, if the parties have not stipulated to the deposition and:

(i) The deposition would result in more than 20 depositions being taken under this rule or § 502.144 by any party; or

(ii) The deponent has already been deposed in the case.

(b) *Notice of the deposition; other formal requirements.* (1) *Notice in general.* A party who wants to depose a person by oral questions must give reasonable written notice to every other party. The notice must state the time and place of the deposition and, if known, the deponent's name and address. If the name is unknown, the notice must provide a general description sufficient to identify the person or the particular class or group to which the person belongs.

(2) *Producing documents.* If a subpoena duces tecum is to be served on the deponent, the materials designated for production, as set out in the subpoena, must be listed in the notice or in an attachment. The notice to a party deponent may be accompanied by a request under § 502.146 to produce documents and tangible things at the deposition.

(3) *Method of recording.* (i) *Method stated in the notice.* The party who notices the deposition must state in the notice the method for recording the testimony. Unless the presiding officer orders otherwise, testimony may be recorded by audio, audiovisual, or stenographic means. The noticing party bears the recording costs. Any party may arrange to transcribe a deposition.

(ii) *Additional method.* With prior notice to the deponent and other parties, any party may designate another method for recording the testimony in addition to that specified in the original notice. That party bears the expense of the additional record or transcript unless the presiding officer orders otherwise.

(4) *By remote means.* The parties may stipulate, or the presiding officer may on motion order, that a deposition be taken by telephone or other remote means.

(5) *Officer's duties.* (i) *Before the deposition.* Unless the parties stipulate otherwise, a deposition must be conducted before an officer appointed or designated under § 502.142. The officer must begin the deposition with an on-the-record statement that includes:

(A) The officer's name and business address;

(B) The date, time, and place of the deposition;

(C) The deponent's name;

(D) The officer's administration of the oath or affirmation to the deponent; and

(E) The identity of all persons present.

(ii) *Conducting the deposition; avoiding distortion.* If the deposition is recorded nonstenographically, the officer must repeat the items in § 502.143(b)(5)(i)(A) through (C) at the beginning of each unit of the recording medium. The deponent's and attorneys' appearance or demeanor must not be distorted through recording techniques.

(iii) *After the deposition.* At the end of a deposition, the officer must state on the record that the deposition is complete and must set out any stipulations made by the attorneys about custody of the transcript or recording and of the exhibits, or about any other pertinent matters.

(6) *Notice or subpoena directed to an organization.* In its notice or subpoena, a party may name as the deponent a public or private corporation, a partnership, an association, a governmental agency, or other entity and must describe with reasonable particularity the matters for examination. The named organization must then designate one or more officers, directors, or managing representatives, or designate other persons who consent to testify on its behalf; and it may set out the matters on which each person designated will testify. A subpoena must advise a nonparty organization of its duty to make this designation. The persons designated must testify about information known or reasonably available to the organization. This paragraph (6) does not preclude a deposition by any other procedure allowed by these rules.

(c) *Examination and cross-examination; record of the examination; objections; written questions.* (1) *Examination and cross-examination.* The examination and cross-examination of a deponent proceed as they would at hearing under the provisions of § 502.202. After putting the deponent under oath or affirmation, the officer must record the testimony by the method designated under § 502.143(b)(3). The testimony must be recorded by the officer personally or by a person acting in the presence and under the direction of the officer.

(2) *Objections.* An objection at the time of the examination, whether to evidence, to a party's conduct, to the officer's qualifications, to the manner of taking the deposition, or to any other aspect of the deposition, must be noted on the record, but the examination still proceeds; the testimony is taken subject to any objection. An objection must be stated concisely in a nonargumentative and nonsuggestive

manner. A person may instruct a deponent not to answer only when necessary to preserve a privilege, to enforce a limitation ordered by the presiding officer, or to present a motion under § 502.143(d)(2).

(3) *Participating through written questions.* Instead of participating in the oral examination, a party may serve written questions in a sealed envelope on the party noticing the deposition, who must deliver them to the officer. The officer must ask the deponent those questions and record the answers verbatim.

(d) *Duration; sanction; motion to terminate or limit.* (1) *Duration.* Unless otherwise stipulated or ordered by the presiding officer, a deposition is limited to 1 day of 7 hours. The presiding officer must allow additional time consistent with § 502.141(e) if needed to fairly examine the deponent or if the deponent, another person, or any other circumstance impedes or delays the examination.

(2) *Motion to terminate or limit.* (i) *Grounds.* At any time during a deposition, the deponent or a party may move to terminate or limit it on the ground that it is being conducted in bad faith or in a manner that unreasonably annoys, embarrasses, or oppresses the deponent or party. The motion may be filed with the presiding officer. If the objecting deponent or party so demands, the deposition must be suspended for the time necessary to obtain an order.

(ii) *Order.* The presiding officer may order that the deposition be terminated or may limit its scope and manner as provided in § 502.141(j). If terminated, the deposition may be resumed only by order of the Commission or presiding officer.

(e) *Review by the witness; changes.* (1) *Review; statement of changes.* On request by the deponent or a party before the deposition is completed, the deponent must be allowed 15 days after being notified by the officer that the transcript or recording is available in which:

(i) To review the transcript or recording; and

(ii) If there are changes in form or substance, to sign a statement listing the changes and the reasons for making them.

(2) *Changes indicated in the officer's certificate.* The officer must note in the certificate prescribed by § 502.143(f)(1) whether a review was requested and, if so, must attach any changes the deponent makes during the 15-day period.

(f) *Certification and delivery; exhibits; copies of the transcript or recording.* (1) *Certification and delivery.* The officer must certify in writing that the witness was duly sworn and that the deposition, transcript or recording accurately records the witness's testimony. The certificate must accompany the record of the deposition. Unless the presiding officer orders otherwise, the officer must seal the deposition in an envelope or package bearing the title of the action and marked "Deposition of [witness's name]" and must promptly send it to the attorney who arranged for the transcript or recording. The attorney must store it under conditions that will protect it against loss, destruction, tampering, or deterioration.

(2) *Documents and tangible things.* (i) *Originals and copies.* Documents and tangible things produced for inspection during a deposition must, on a party's request, be marked for identification and attached to the deposition. Any party may inspect and copy them. But if the person who produced them wants to keep the originals, the person may:

(A) Offer copies to be marked, attached to the deposition, and then used as originals, after giving all parties a fair opportunity to verify the copies by comparing them with the originals; or

(B) Give all parties a fair opportunity to inspect and copy the originals after they are marked, in which event the originals may be used as if attached to the deposition.

(ii) *Order regarding the originals.* Any party may move for an order that the originals be attached to the deposition pending final disposition of the case.

(3) *Copies of the transcript or recording.* Unless otherwise stipulated or ordered by the presiding officer, the officer must retain the stenographic notes of a deposition taken stenographically or a copy of the recording of a deposition taken by another method. When paid reasonable charges, the officer must

§ 502.144

furnish a copy of the transcript or recording to any party or the deponent. [Rule 203.]

§ 502.144 Depositions by written questions.

(a) *When a deposition may be taken.* (1) *Without leave.* A party may, by written questions, depose any person, including a party, without leave of the presiding officer except as provided in paragraph (a)(2) of this section. The deponent's attendance may be compelled by subpoena under subpart I of this part.

(2) *With leave.* A party must obtain leave of the presiding officer, if the parties have not stipulated to the deposition and:

(i) The deposition would result in more than 20 depositions being taken under this rule or § 502.143 by any party;

(ii) The deponent has already been deposed in the case.

(3) *Service; required notice.* A party who wants to depose a person by written questions must serve them on every other party, with a notice stating, if known, the deponent's name and address. If the name is unknown, the notice must provide a general description sufficient to identify the person or the particular class or group to which the person belongs. The notice must also state the name or descriptive title and the address of the officer before whom the deposition will be taken.

(4) *Questions directed to an organization.* A public or private corporation, a partnership, an association, or a governmental agency may be deposed by written questions in accordance with § 502.143(b)(6).

(5) *Questions from other parties.* Any questions to the deponent from other parties must be served on all parties as follows: Cross-questions, within 14 days after being served with the notice and direct questions; redirect questions, within 7 days after being served with cross-questions; and recross-questions, within 7 days after being served with redirect questions. The presiding officer may, for good cause, extend or shorten these times.

(b) *Delivery to the officer; officer's duties.* The party who noticed the deposi-

tion must deliver to the officer before whom the deposition will be taken a copy of all the questions served and of the notice. The officer must promptly proceed to:

(1) Take the deponent's testimony in response to the questions;

(2) Prepare and certify the deposition; and

(3) Send it to the party, attaching a copy of the questions and of the notice.

(c) *Notice of completion or filing.* (1) *Completion.* The party who noticed the deposition must notify all other parties when it is completed.

(2) *Filing.* A party who files the deposition must promptly notify all other parties of the filing. [Rule 204.]

[77 FR 61529, Oct. 10, 2012. Redesignated at 81 FR 93836, Dec. 22, 2016; 81 FR 93837, Dec. 22, 2016]

§ 502.145 Interrogatories to parties.

(a) *In general.* (1) *Number.* Unless otherwise stipulated or ordered by the presiding officer, a party may serve on any other party no more than 50 written interrogatories, including all discrete subparts. Leave to serve additional interrogatories may be granted to the extent consistent with § 502.141(e)(2).

(2) *Scope.* An interrogatory may relate to any matter that may be inquired into under § 502.141(e) and (f). An interrogatory is not objectionable merely because it asks for an opinion or contention that relates to fact or the application of law to fact, but the presiding officer may order that the interrogatory need not be answered until designated discovery is complete, or until a prehearing conference or some other time.

(b) *Answers and objections.* (1) *Responding party.* The interrogatories must be answered:

(i) By the party to whom they are directed; or

(ii) If that party is a public or private corporation, a partnership, an association, or a governmental agency, by any officer or representative, who must furnish the information available to the party.

(2) *Time to respond.* The responding party must serve its answers and any objections within 30 days after being served with the interrogatories. A

shorter or longer time may be stipulated to as provided in §502.141(1) of this subpart or be ordered by the presiding officer.

(3) *Answering each interrogatory.* Each interrogatory must, to the extent it is not objected to, be answered separately and fully in writing under oath.

(4) *Objections.* The grounds for objecting to an interrogatory must be stated with specificity. Any ground not stated in a timely objection is waived unless the presiding officer, for good cause, excuses the failure.

(5) *Signature.* The person who makes the answers must sign them, and the attorney who objects must sign any objections.

(c) *Use.* An answer to an interrogatory may be used to the extent allowed by the rules in this part.

(d) *Option to produce business records.* If the answer to an interrogatory may be determined by examining, auditing, compiling, abstracting, or summarizing a party's business records (including electronically stored information), and if the burden of deriving or ascertaining the answer will be substantially the same for either party, the responding party may answer by:

(1) Specifying the records that must be reviewed, in sufficient detail to enable the interrogating party to locate and identify them as readily as the responding party could; and

(2) Giving the interrogating party a reasonable opportunity to examine and audit the records and to make copies, compilations, abstracts, or summaries. [Rule 205.]

[77 FR 61529, Oct. 10, 2012. Redesignated at 81 FR 93836, Dec. 22, 2016; 81 FR 93837, Dec. 22, 2016]

§ 502.146 Producing documents, electronically stored information, and tangible things, or entering onto land, for inspection and other purposes.

(a) *In general.* A party may serve on any other party a request within the scope of §502.141(e) and (f):

(1) To produce and permit the requesting party or its representative to inspect, copy, test, or sample the following items in the responding party's possession, custody, or control:

(i) Any designated documents or electronically stored information, including writings, drawings, graphs, charts, photographs, sound recordings, images, and other data or data compilations, stored in any medium from which information can be obtained either directly or, if necessary, after translation by the responding party into a reasonably usable form; or

(ii) Any designated tangible things; or

(2) To permit entry onto designated land or other property possessed or controlled by the responding party, so that the requesting party may inspect, measure, survey, photograph, test, or sample the property or any designated object or operation on it.

(b) *Procedure.* (1) *Contents of the request.* The request:

(i) Must describe with reasonable particularity each item or category of items to be inspected;

(ii) Must specify a reasonable time, place, and manner for the inspection and for performing the related acts; and

(iii) May specify the form or forms in which electronically stored information is to be produced.

(2) *Responses and objections.* (i) *Time to respond.* The party to whom the request is directed must respond in writing within 30 days after being served. A shorter or longer time may be stipulated to as provided in §502.141(1) of this subpart or be ordered by the presiding officer.

(ii) *Responding to each item.* For each item or category, the response must either state that inspection and related activities will be permitted as requested or state an objection to the request, including the reasons.

(iii) *Objections.* An objection to part of a request must specify the part and permit inspection of the rest.

(iv) *Responding to a request for production of electronically stored information.* The response may state an objection to a requested form for producing electronically stored information. If the responding party objects to a requested form, or if no form was specified in the request, the party must state the form or forms it intends to use.

(v) *Producing the documents or electronically stored information.* Unless otherwise stipulated or ordered by the presiding officer, these procedures apply to producing documents or electronically stored information:

(A) A party must produce documents as they are kept in the usual course of business or must organize and label them to correspond to the categories in the request;

(B) If a request does not specify a form for producing electronically stored information, a party must produce it in a form or forms in which it is ordinarily maintained or in a reasonably usable form or forms; and

(C) A party need not produce the same electronically stored information in more than one form.

(c) *Nonparties.* By subpoena under subpart I of this part, a nonparty may be compelled to produce documents and tangible things or to permit an inspection. [Rule 206.]

[77 FR 61529, Oct. 10, 2012. Redesignated at 81 FR 93836, Dec. 22, 2016; 81 FR 93837, Dec. 22, 2016]

§ 502.147 Requests for admission.

(a) *Scope and procedure.* (1) *Scope.* A party may serve on any other party a written request to admit, for the purposes of the pending action only, the truth of any nonprivileged relevant matters relating to facts, the application of law to fact, or opinions about either, and the genuineness of any described documents.

(2) *Form; copies of documents.* Each matter must be separately stated. A request to admit the genuineness of a document must be accompanied by a copy of the document unless it is, or has been, otherwise furnished or made available for inspection and copying.

(3) *Time to respond; effect of failure to respond.* A matter is admitted unless, within 30 days after being served, the party to whom the request is directed serves on the requesting party a written answer or objection addressed to the matter and signed by the party or its attorney. A shorter or longer time for responding may be stipulated to as provided in § 502.141(1) of this subpart or be ordered by the presiding officer.

(4) *Answer.* If a matter is not admitted, the answer must specifically deny

it or state in detail why the answering party cannot truthfully admit or deny it. A denial must fairly respond to the substance of the matter; and when good faith requires that a party qualify an answer or deny only a part of a matter, the answer must specify the part admitted and qualify or deny the rest. The answering party may assert lack of knowledge or information as a reason for failing to admit or deny only if the party states that it has made reasonable inquiry and that the information it knows or can readily obtain is insufficient to enable it to admit or deny.

(5) *Objections.* The grounds for objecting to a request must be stated. A party may not object solely on the ground that the request presents a genuine issue for adjudication.

(6) *Motion regarding the sufficiency of an answer or objection.* The requesting party may move for a determination of the sufficiency of an answer or objection. Unless the presiding officer finds an objection justified, the presiding officer must order that an answer be served. On finding that an answer does not comply with this rule, the presiding officer may order either that the matter is admitted or that an amended answer be served. The presiding officer may defer a decision until a prehearing conference or a specified time prior to hearing.

(b) *Effect of admission; withdrawal or amendment of admission.* A matter admitted under this rule is conclusively established unless the presiding officer, on motion, permits the admission to be withdrawn or amended. The presiding officer may permit withdrawal or amendment if it would promote the presentation of the merits of the action and if the presiding officer is not persuaded that it would prejudice the requesting party in maintaining or defending the action on the merits. An admission under this rule is not an admission for any other purpose and cannot be used against the party in any other proceeding. [Rule 207.]

[77 FR 61529, Oct. 10, 2012. Redesignated at 81 FR 93836, Dec. 22, 2016; 81 FR 93837, Dec. 22, 2016]

§ 502.148 Use of discovery procedures directed to Commission staff personnel.

(a) Discovery procedures described in §§ 502.142 through 502.147, directed to Commission staff personnel must be permitted and must be governed by the procedures set forth in those sections except as modified by paragraphs (b) and (c) of this section. All notices to take depositions, written interrogatories, requests for production of documents and other things, requests for admissions, and any motions in connection with the foregoing, must be served on the Secretary of the Commission.

(b) The General Counsel must designate an attorney to represent any Commission staff personnel to whom any discovery requests or motions are directed. The attorney so designated must not thereafter participate in the Commission's decision-making process concerning any issue in the proceeding.

(c) Rulings of the presiding officer issued under paragraph (a) of this section must become final rulings of the Commission unless an appeal is filed within 10 days after date of issuance of such rulings or unless the Commission on its own motion reverses, modifies, or stays such rulings within 20 days of their issuance. Replies to appeals may be filed within 10 days. No motion for leave to appeal is necessary in such instances and no ruling of the presiding officer must be effective until 20 days from date of issuance unless the Commission otherwise directs. [Rule 208.]

§ 502.149 Use of depositions at hearings.

(a) *Using depositions.* (1) *In general.* At a hearing, all or part of a deposition may be used against a party on these conditions:

(i) The party was present or represented at the taking of the deposition or had reasonable notice of it;

(ii) It is used to the extent it would be admissible if the deponent were present and testifying; and

(iii) The use is allowed by § 502.149(a)(2) through (7).

(2) *Impeachment and other uses.* Any party may use a deposition to contradict or impeach the testimony given by the deponent as a witness, or for any other purpose allowed by § 502.204 of subpart L of this part.

(3) *Deposition of party, representative, or designee.* An adverse party may use for any purpose the deposition of a party or anyone who, when deposed, was the party's officer, director, managing representative, or designee under § 502.143(b)(6) or § 502.144(a)(4).

(4) *Unavailable witness.* A party may use for any purpose the deposition of a witness, whether or not a party, if the Commission or presiding officer finds:

(i) That the witness is dead;

(ii) That the witness cannot attend or testify because of age, illness, infirmity, or imprisonment;

(iii) That the party offering the deposition could not procure the witness's attendance by subpoena; or

(iv) On motion and notice, that exceptional circumstances make it desirable, in the interest of justice and with due regard to the importance of live testimony at a hearing, to permit the deposition to be used.

(5) *Using part of a deposition.* If a party offers in evidence only part of a deposition, an adverse party may require the offeror to introduce other parts that in fairness should be considered with the part introduced, and any party may itself introduce any other parts.

(6) *Substituting a party.* Substituting a party does not affect the right to use a deposition previously taken.

(7) *Deposition taken in an earlier action.* A deposition lawfully taken and, if required, filed in any Federal or State court action may be used in a later action involving the same subject matter between the same parties, or their representatives or successors in interest, to the same extent as if taken in the later action. A deposition previously taken may also be used as allowed by § 502.204 of subpart L of this part.

(b) *Objections to admissibility.* Subject to § 502.142(b) and § 502.149(d)(3), an objection may be made at a hearing to the admission of any deposition testimony that would be inadmissible if the witness were present and testifying.

§ 502.150

(c) *Form of presentation.* Unless the presiding officer orders otherwise, a party must provide a transcript of any deposition testimony the party offers, but may provide the presiding officer with the testimony in nontranscript form as well.

(d) *Waiver of objections.* (1) *To the notice.* An objection to an error or irregularity in a deposition notice is waived unless promptly served in writing on the party giving the notice.

(2) *To the officer's qualification.* An objection based on qualification of the officer before whom a deposition is to be taken is waived if not made:

(i) Before the deposition begins; or

(ii) Promptly after the basis for disqualification becomes known or, with reasonable diligence, could have been known.

(3) *To the taking of the deposition.* (i) *Objection to competence, relevance, or materiality.* An objection to a deponent's competence, or to the competence, relevance, or materiality of testimony, is not waived by a failure to make the objection before or during the deposition, unless the ground for it might have been corrected at that time.

(ii) *Objection to an error or irregularity.* An objection to an error or irregularity at an oral examination is waived if:

(A) It relates to the manner of taking the deposition, the form of a question or answer, the oath or affirmation, a party's conduct, or other matters that might have been corrected at that time; and

(B) It is not timely made during the deposition.

(iii) *Objection to a written question.* An objection to the form of a written question under § 502.144 of this subpart is waived if not served in writing on the party submitting the question within the time for serving responsive questions or, if the question is a recross-question, within 7 days after being served with it.

(4) *To completing and returning the deposition.* An objection to how the officer transcribed the testimony, or prepared, signed, certified, sealed, endorsed, sent, or otherwise dealt with the deposition, is waived unless a motion to suppress is made promptly after the error or irregularity becomes

known or, with reasonable diligence, could have been known. [Rule 209.]

[77 FR 61529, Oct. 10, 2012. Redesignated at 81 FR 93836, Dec. 22, 2016; 81 FR 93837, Dec. 22, 2016]

§ 502.150 Motions to compel initial disclosures or compliance with discovery requests; failure to comply with order to make disclosure or answer or produce documents; sanctions; enforcement.

(a) *Motion for order to compel initial disclosures or compliance with discovery requests.* (1) A party may file a motion pursuant to § 502.69 for an order compelling compliance with the requirement for initial disclosures provided in § 502.141 or with its discovery requests as provided in this subpart, if a deponent fails to answer a question asked at a deposition or by written questions; a corporation or other entity fails to make a designation of an individual who will testify on its behalf; a party fails to answer an interrogatory; or a party fails to respond that inspection will be permitted, or fails to permit inspection, as requested under § 502.146 of this subpart. For purposes of this section, a failure to make a disclosure, answer, or respond includes an evasive or incomplete disclosure, answer, or response.

(2) A motion to compel must include:

(i) A certification that the moving party has conferred in good faith or attempted to confer with the party failing to make initial disclosure or respond to discovery requests as provided in this subpart in an effort to obtain compliance without the necessity of a motion;

(ii) A copy of the discovery requests that have not been answered or for which evasive or incomplete responses have been given. If the motion is limited to specific discovery requests, only those requests are to be included;

(iii) If a disclosure has been made or an answer or response has been given, a copy of the disclosure, answer, or response in its entirety;

(iv) A copy of the certificate of service that accompanied the discovery request; and

(v) A request for relief and supporting argument, if any.

(3) A party may file a response to the motion within 7 days of the service date of the motion. Unless there is a dispute with respect to the accuracy of the versions of the discovery requests, responses thereto, or the disclosures submitted by the moving party, the response must not include duplicative copies of them.

(4) A reply to a response is not allowed unless requested by the presiding officer, or upon a showing of extraordinary circumstances.

(b) *Failure to comply with order compelling disclosures or discovery.* If a party or a party's officer or authorized representative fails or refuses to obey an order requiring it to make disclosures or to respond to discovery requests, the presiding officer upon his or her own initiative or upon motion of a party may make such orders in regard to the failure or refusal as are just. A motion must include a certification that the moving party has conferred in good faith or attempted to confer with the disobedient party in an effort to obtain compliance without the necessity of a motion. An order of the presiding officer may:

(1) Direct that the matters included in the order or any other designated facts must be taken to be established for the purposes of the action as the party making the motion claims;

(2) Prohibit the disobedient party from supporting or opposing designated claims or defenses, or from introducing designated matters in evidence; or

(3) Strike pleadings in whole or in part; staying further proceedings until the order is obeyed; or dismissing the action or proceeding or any party thereto, or rendering a decision by default against the disobedient party.

(c) *Enforcement of orders and subpoenas.* In the event of refusal to obey an order or failure to comply with a subpoena, the Attorney General at the request of the Commission, or any party injured thereby may seek enforcement by a United States district court having jurisdiction over the parties. Any action with respect to enforcement of subpoenas or orders relating to depositions, written interrogatories, or other discovery matters must be taken within 20 days of the date of refusal to obey or failure to

comply. A private party must advise the Commission 5 days (excluding Saturdays, Sundays and legal holidays) before applying to the court of its intent to seek enforcement of such subpoenas and discovery orders.

(d) *Persons and documents located in a foreign country.* Orders of the presiding officer directed to persons or documents located in a foreign country must become final orders of the Commission unless an appeal to the Commission is filed within 10 days after date of issuance of such orders or unless the Commission on its own motion reverses, modifies, or stays such rulings within 20 days of their issuance. Replies to appeals may be filed within 10 days. No motion for leave to appeal is necessary in such instances and no orders of the presiding officer must be effective until 20 days from date of issuance unless the Commission otherwise directs. Subpart L—Presentation of Evidence

SOURCE: 81 FR 93837, Dec. 22, 2016, unless otherwise noted.

§ 502.201 Applicability and scope.

(a) The rules in this subpart apply to adjudicatory proceedings conducted under the statutes administered by the Commission involving matters which require determination after notice and opportunity for hearing. Adjudicatory proceedings are formal proceedings commenced upon the filing of a sworn complaint or by Order of the Commission. Such proceedings will be conducted pursuant to the Administrative Procedure Act, 5 U.S.C. 551–559, and the rules in this subpart.

(b) The term hearing means a formal adjudicatory proceeding in which evidence is presented orally, or through written statements, or by combination thereof. The term oral hearing means a

§ 502.202

hearing at which evidence is presented through oral testimony of a witness. [Rule 201].

§ 502.202 Right of parties to present evidence.

Every party has the right to present its case or defense by oral or documentary evidence, to submit rebuttal evidence, and to conduct such cross-examination as may be required for a full and true disclosure of the facts. The presiding officer, however, has the right and duty to limit the introduction of evidence and the examination and cross-examination of witnesses when, in his or her judgment, such evidence or examination is irrelevant, immaterial, or unduly repetitious. [Rule 202.]

§ 502.203 Burden of proof.

In all cases governed by the requirements of the Administrative Procedure Act, 5 U.S.C. 556(d), the burden of proof is on the proponent of the motion or the order. [Rule 203.]

§ 502.204 Evidence admissible.

(a) In any proceeding under the rules in this part and in accordance with the Administrative Procedure Act, all evidence which is relevant, material, reliable and probative, and not unduly repetitious or cumulative, will be admissible. All other evidence will be excluded. The presiding officer may consider the Federal Rules of Evidence for guidance.

(b) A party who objects to a ruling of the presiding officer rejecting or excluding proffered evidence may make an offer of proof. If the ruling excludes proffered oral testimony, an offer of proof may consist of a statement by counsel of the substance of the evidence that would be adduced, or in the discretion of the presiding officer, testimony of the witness. If the ruling excludes documents offered as evidence or reference to documents or records, the documents or records shall be marked for identification and will constitute the offer of proof. [Rule 204.]

§ 502.205 Records in other proceedings.

Portions of the record of other proceedings may be received in evidence.

46 CFR Ch. IV (10-1-23 Edition)

A true copy of the records sought to be admitted must be presented in the form of an exhibit unless the presiding officer accepts the parties' stipulation that such records may be incorporated by reference. [Rule 205.]

§ 502.206 Documents incorporated into the record by reference.

Any matter contained in a document on file with the Commission that is available to the public may be received in evidence through incorporation by reference without producing such document, provided that the matter so offered is specified in such manner as to be clearly identified, with sufficient particularity, and readily located electronically. [Rule 206.]

§ 502.207 Stipulations.

The parties may, and are encouraged to, stipulate any facts involved in the proceeding and include them in the record with the consent of the presiding officer. A stipulation may be admitted even if all parties do not agree, provided that any party who does not agree to the stipulation has the right to cross-examine and offer rebuttal evidence. [Rule 207.]

§ 502.208 Objection to public disclosure of information.

(a) If any party wishes to present confidential information or upon objection to public disclosure of any information sought to be elicited, the requirements and procedures in §502.5 will apply.

(b) In an oral hearing, the presiding officer may in his or her discretion order that a witness will disclose such information only in the presence of the parties and those designated and authorized by the presiding officer. Any transcript of such testimony will be held confidential to the extent the presiding officer determines. Copies of transcripts will be served only to authorized parties or their representatives or other parties as the presiding officer may designate.

(c) Any information given pursuant to this section may be used by the presiding officer or the Commission if deemed necessary to a correct decision in the proceeding. [Rule 208.]

§ 502.209 Prehearing conference.

(a)(1) Prior to any hearing, the Commission or presiding officer may direct all interested parties, by written notice, to attend one or more prehearing conferences for the purpose of considering any settlement under § 502.91, formulating the issues in the proceeding, and determining other matters to aid in its disposition. In addition to any offers of settlement or proposals of adjustment, the following may be considered:

- (i) Simplification of the issues;
- (ii) The necessity or desirability of amendments to the pleadings;
- (iii) The possibility of obtaining admissions of fact and of documents that will avoid unnecessary proof;
- (iv) Limitation of the number of witnesses;
- (v) The procedure to be used at the hearing;
- (vi) The distribution to the parties prior to the hearing of written testimony and exhibits;
- (vii) Consolidation of the examination of witnesses by counsel;
- (viii) Such other matters as may aid in the disposition of the proceeding.

(2) Prior to the hearing, the presiding officer may require exchange of exhibits and any other material that may expedite the hearing. The presiding officer will assume the responsibility of accomplishing the purposes of the notice of prehearing conference so far as this may be possible without prejudice to the rights of any party.

(3) The presiding officer will rule upon all matters presented for decision, orally upon the record when feasible, or by subsequent ruling in writing. If a party determines that a ruling made orally does not cover fully the issue presented, or is unclear, such party may file a motion requesting a further ruling within ten (10) days after receipt of the transcript.

(b) In any proceeding under the rules in this part, the presiding officer hold an informal conference prior to the taking of testimony, or may recess the hearing for such a conference, with a view to carrying out the purposes of this section.

(c) At any prehearing conference, consideration may be given to whether the use of alternative dispute resolu-

tion would be appropriate or useful for the disposition of the proceeding whether or not there has been previous consideration of such use. [Rule 209.]

§ 502.210 Prehearing statements.

(a) Unless a waiver is granted by the presiding officer, it is the duty of all parties to a proceeding to prepare a statement or statements at a time and in the manner to be established by the presiding officer provided that there has been reasonable opportunity for discovery. To the extent possible, joint statements should be prepared.

(b) The prehearing statement must state the name of the party or parties on whose behalf it is presented and briefly set forth the following matters, unless otherwise ordered by the presiding officer:

- (1) Issues involved in the proceeding.
- (2) Facts stipulated pursuant to the procedures together with a statement that the party or parties have communicated or conferred in a good faith effort to reach stipulation to the fullest extent possible.
- (3) Facts in dispute.
- (4) Witnesses and exhibits by which disputed facts will be litigated.
- (5) A brief statement of applicable law.
- (6) The conclusion to be drawn.
- (7) Suggested time and location of hearing and estimated time required for presentation of the party's or parties' case.
- (8) Any appropriate comments, suggestions, or information which might assist the parties in preparing for the hearing or otherwise aid in the disposition of the proceeding.

(c) The presiding officer may, for good cause shown, permit a party to introduce facts or argue points of law outside the scope of the facts and law outlined in the prehearing statement. Failure to file a prehearing statement, unless waiver has been granted by the presiding officer, may result in dismissal of a party from the proceeding, dismissal of a complaint, judgment against respondents, or imposition of such other sanctions as may be appropriate under the circumstances.

(d) Following the submission of prehearing statements, the presiding officer may, upon motion or otherwise,

§ 502.211

convene a prehearing conference for the purpose of further narrowing issues and limiting the scope of the hearing if, in his or her opinion, the prehearing statements indicate lack of dispute of material fact not previously acknowledged by the parties or lack of legitimate need for cross-examination and is authorized to issue appropriate orders consistent with the purposes stated in this section. [Rule 210.]

§ 502.211 Notice of time and place of oral hearing; postponement of hearing.

(a) The notice of an oral hearing will designate the time and place the person or persons who will preside, and the type of decision to be issued. The date or place of a hearing for which notice has been issued may be changed when warranted. Reasonable notice will be given to the parties or their representatives of the time and place of the change thereof, due regard being had for the public interest and the convenience and necessity of the parties or their representatives. Notice may be served by mail, facsimile transmission, or electronic mail.

(b) Motions for postponement of any hearing date must be filed in accordance with § 502.104. [Rule 211.]

§ 502.212 Exceptions to rulings of presiding officer unnecessary.

A formal exception to a ruling or order is unnecessary. When the ruling or order is requested or made, the party doing so need only state the action that it wants the presiding officer to take or that it objects to, along with the grounds for the request or objection. Failing to object does not prejudice a party who had no opportunity to do so when the ruling or order was made. [Rule 212.]

§ 502.213 Official transcript.

(a) The Commission will designate the official reporter for all hearings. The official transcript of testimony taken, together with any exhibits and any briefs or memoranda of law filed therewith, will be filed with the Commission. Transcripts of testimony will be available in any proceeding under the rules in this part, at actual cost of duplication.

46 CFR Ch. IV (10-1-23 Edition)

(b)(1) Where the Commission does not request daily copy service, any party requesting such service must bear the incremental cost of transcription above the regular copy transcription cost borne by the Commission, in addition to the actual cost of duplication. Where the requesting party applies for and demonstrates that the furnishing of daily copy is indispensable to the protection of a vital right or interest in achieving a fair hearing, the presiding officer in the proceeding in which the application is made will order that daily copy service be provided the requesting party at the actual cost of duplication, with the full cost of transcription being borne by the Commission.

(2) In the event a request for daily copy is denied by the presiding officer, the requesting party, in order to obtain daily copy, must pay the cost of transcription over and above that borne by the Commission, *i.e.*, the incremental cost between that paid by the Commission when it requests regular copy and when it requests daily copy. The decision of the presiding officer in this situation is interpreted as falling within the scope of the functions and powers of the presiding officer, as defined in § 502.25(a).

(c) Motions made at the hearing to correct the transcript will be acted upon by the presiding officer. Motions made after an oral hearing to correct the record must be filed with the presiding officer within twenty-five (25) days after the last day of hearing or any session thereof, unless otherwise directed by the presiding officer, and must be served on all parties. If no objections are received within ten (10) days after date of service, the transcript will, upon approval of the presiding officer, be changed to reflect such corrections. If objections are received, the motion will be acted upon with due consideration of the stenographic record of the hearing. [Rule 213.]

§ 502.214 Briefs; requests for findings.

(a) The presiding officer will determine the time and manner of filing briefs and any enlargement of time.

(b) Briefs will be served upon all parties pursuant to subpart H of this part.

(c) Unless otherwise ordered by the presiding officer, opening or initial briefs must contain the following matters in separately captioned sections:

(1) Introductory section describing the nature and background of the case;

(2) Proposed findings of fact in serially numbered paragraphs with reference to exhibit numbers and pages of the transcript;

(3) Argument based upon principles of law with appropriate citations of the authorities relied upon; and

(4) Conclusions.

(d) All briefs must contain a subject index or table of contents with page references and a list of authorities cited.

(e) All briefs filed pursuant to this section must ordinarily be limited to eighty (80) pages in length, exclusive of pages containing the table of contents, table of authorities, and certificate of service, unless the presiding officer allows the parties to exceed this limit for good cause shown and upon application filed not later than seven (7) days before the time fixed for filing of such a brief or reply. [Rule 214.]

§ 502.215 Requests for enlargement of time for filing briefs.

Requests for enlargement of time to file briefs must conform to the requirements of § 502.102. [Rule 215.]

§ 502.216 Supplementing the record.

A motion to supplement the record, pursuant to § 502.69, should be filed if submission of evidence is desired after the parties' presentation in a proceeding, but before issuance by the presiding officer of an initial decision. [Rule 216.]

§ 502.217 Record of decision.

The transcript of testimony and exhibits, together with all filings and motions filed in the proceeding, will constitute the exclusive record for decision. [Rule 217.]

Subpart M—Decisions; Appeals; Exceptions

§ 502.221 Appeal from ruling of presiding officer other than orders of dismissal in whole or in part.

(a) Rulings of the presiding officer may not be appealed prior to or during the course of the hearing, or subsequent thereto, if the proceeding is still before him or her, except where the presiding officer finds it necessary to allow an appeal to the Commission to prevent substantial delay, expense, or detriment to the public interest, or undue prejudice to a party.

(b) Any party seeking to appeal must file a motion for leave to appeal no later than fifteen (15) days after written service or oral notice of the ruling in question, unless the presiding officer, for good cause shown, enlarges or shortens the time. Any such motion must contain the grounds for leave to appeal and the appeal itself.

(c) Replies to the motion for leave to appeal and the appeal may be filed within fifteen (15) days after date of service thereof, unless the presiding officer, for good cause shown, enlarges or shortens the time. If the motion is granted, the presiding officer must certify the appeal to the Commission.

(d) Unless otherwise provided, the certification of the appeal will not operate as a stay of the proceeding before the presiding officer.

(e) The provisions of § 502.10 do not apply to this section. [Rule 221.]

§ 502.222 [Reserved]

§ 502.223 Decisions—Administrative law judges.

All initial and recommended decisions will include a statement of findings and conclusions, as well as the reasons or basis therefor, upon all the material issues presented on the record, and the appropriate rule, order, sanction, relief, or denial thereof. Where appropriate, the statement of findings and conclusions should be numbered. Initial decisions should address only those issues necessary to a resolution of the

§ 502.224

material issues presented on the record. A copy of each decision when issued shall be served on the parties to the proceeding. In proceedings involving overcharge claims, the presiding officer may, where appropriate, require that the carrier publish notice in its tariff of the substance of the decision. This provision shall also apply to decisions issued pursuant to subpart T of this part. [Rule 223.]

[64 FR 7810, Feb. 17, 1999]

§ 502.224 Separation of functions.

The separation of functions as required by 5 U.S.C. 554(d) shall be observed in proceedings under subparts A to Q inclusive, of this part. [Rule 224.]

§ 502.225 Decisions—Commission.

All final decisions will include a statement of findings and conclusions, as well as the reasons or basis therefor, upon all the material issues presented on the record, and the appropriate rule, order, sanction, relief, or denial thereof. A copy of each decision when issued shall be served on the parties to the proceeding. This provision shall also apply to decisions issued pursuant to subpart T of this part. [Rule 225.]

[64 FR 7810, Feb. 17, 1999]

§ 502.226 Decision based on official notice; public documents.

(a) Official notice may be taken of such matters as might be judicially noticed by the courts, or of technical or scientific facts within the general knowledge of the Commission as an expert body, provided, that where a decision or part thereof rests on the official notice of a material fact not appearing in the evidence in the record, the fact of official notice shall be so stated in the decision, and any party, upon timely request, shall be afforded an opportunity to show the contrary.

(b) Whenever there is offered in evidence (in whole or in part) a public document, such as an official report, decision, opinion, or published scientific or economic statistical data issued by any of the executive departments (or their subdivisions), legislative agencies or committees, or administrative agencies of the Federal Government (including Government-owned corpora-

46 CFR Ch. IV (10–1–23 Edition)

tions), or a similar document issued by a state or its agencies, and such document (or part thereof) has been shown by the offeror to be reasonably available to the public, such document need not be produced or marked for identification, but may be offered in evidence as a public document by specifying the document or relevant part thereof. [Rule 226.]

§ 502.227 Exceptions to decisions or orders of dismissal of administrative law judge; replies thereto; review of decisions or orders of dismissal by Commission; and judicial review.

(a)(1) Within twenty-two (22) days after date of service of the initial decision, unless a shorter period is fixed under § 502.103, any party may file a memorandum excepting to any conclusions, findings, or statements contained in such decision, and a brief in support of such memorandum. Such exceptions and brief shall constitute one document, shall indicate with particularity alleged errors, shall indicate transcript page and exhibit number when referring to the record, and shall be served on all parties pursuant to subpart H of this part.

(2) Any adverse party may file and serve a reply to such exceptions within twenty-two (22) days after the date of service thereof, which shall contain appropriate transcript and exhibit references.

(3) Whenever the officer who presided at the reception of the evidence, or other qualified officer, makes an initial decision, such decision shall become the decision of the Commission thirty (30) days after date of service thereof (and the Secretary shall so notify the parties), unless within such 30-day period, or greater time as enlarged by the Commission for good cause shown, request for review is made in exceptions filed or a determination to review is made by the Commission on its own initiative.

(4) A decision or order of dismissal by an administrative law judge shall only be considered final for purposes of judicial review if the party has first sought review by the Commission pursuant to this section.

(5) Upon the filing of exceptions to, or review of, an initial decision, such decision shall become inoperative until

Federal Maritime Commission

§ 502.230

the Commission determines the matter.

(6) Where exceptions are filed to, or the Commission reviews, an initial decision, the Commission, except as it may limit the issues upon notice or by rule, will have all the powers which it would have in making the initial decision. Whenever the Commission shall determine to review an initial decision on its own initiative, notice of such intention shall be served upon the parties.

(7) The time periods for filing exceptions and replies to exceptions, prescribed by this section, shall not apply to proceedings conducted under § 502.75.

(b)(1) If an administrative law judge has granted a motion for dismissal of the proceeding in whole or in part, any party desiring to appeal must file such appeal no later than twenty-two (22) days after service of the ruling on the motion in question.

(2) Any adverse party may file and serve a reply to an appeal under this paragraph within twenty-two (22) days after the appeal is served.

(3) The denial of a petition to intervene or withdrawal of a grant of intervention shall be deemed to be a dismissal within the meaning of this paragraph.

(c) Whenever an administrative law judge orders dismissal of a proceeding in whole or in part, such order, in the absence of appeal, shall become the order of the Commission thirty (30) days after date of service of such order (and the Secretary shall so notify the parties), unless within such 30-day period the Commission decides to review such order on its own motion, in which case notice of such intention shall be served upon the parties.

(d) The Commission shall not, on its own initiative, review any initial decision or order of dismissal unless such review is requested by an individual Commissioner. Any such request must be transmitted to the Secretary within thirty (30) days after date of service of the decision or order. Such request shall be sufficient to bring the matter before the Commission for review.

(e) All briefs and replies filed pursuant to this section shall ordinarily be limited to fifty (50) pages in length, exclusive of pages containing the table of

contents, table of authorities, and certificate of service, unless the Commission allows the parties to exceed this limit for good cause shown and upon application filed not later than seven (7) days before the time fixed for filing of such a brief or reply. [Rule 227.]

Requests for enlargement of time to file exceptions, and briefs in support of such exceptions, or replies to exceptions, must conform to the applicable provisions of § 502.102. Any enlargement of time granted will automatically extend by the same period, the date for the filing of notice or review by the Commission. [Rule 228.]

§ 502.229 Certification of record by presiding or other officer.

The presiding or other officer shall certify and transmit the entire record to the Commission when (a) exceptions are filed or the time therefor has expired, (b) notice is given by the Commission that the initial decision will be reviewed on its own initiative, or (c) the Commission requires the case to be certified to it for initial decision. [Rule 229.]

§ 502.230 Reopening by Commission.

(a) *Reopening by the Commission.* After an initial decision by the presiding officer, or in a matter otherwise pending before the Commission, but before issuance of a Commission decision, the Commission may, after petition and reply in conformity with paragraphs (b) and (c) of this section, or upon its own motion, reopen a proceeding for the purpose of taking further evidence.

(b) *Motion to reopen.* A motion to reopen shall be served in conformity with the requirements of subpart H and will

§ 502.241

(c) *Reply*. Within ten (10) days following service of a motion to reopen, any party may reply to such motion.

(d) *Remand by the Commission*. Nothing contained in this rule precludes the Commission from remanding a proceeding to the presiding officer for the taking of additional evidence or determining points of law. [Rule 230.]

Subpart N—Oral Argument; Submission for Final Decision

§ 502.241 Oral argument.

(a) The Commission may hear oral argument either on its own motion or upon the written request of a party. If oral argument before the Commission is desired on exceptions to an initial or recommended decision, or on a motion, petition, or application, a request therefor shall be made in writing. Any party may make such a request irrespective of its filing exceptions under § 502.227. If a brief on exceptions is filed, the request for oral argument shall be incorporated in such brief. Requests for oral argument on any motion, petition, or application shall be made in the motion, petition, or application, or in the reply thereto. If the Commission determines to hear oral argument, a notice will be issued setting forth the order of presentation and the amount of time allotted to each party.

(b)(1) Requests for oral argument will be granted or denied in the discretion of the Commission.

(2) Parties requesting oral argument shall set forth the specific issues they propose to address at oral argument.

(c) Those who appear before the Commission for oral argument shall confine their argument to points of controlling importance raised on exceptions or replies thereto. Where the facts of a case are adequately and accurately dealt with in the initial or recommended decision, parties should, as far as possible, address themselves in argument to the conclusions.

(d) Effort should be made by parties taking the same position to agree in

46 CFR Ch. IV (10–1–23 Edition)

advance of the argument upon those persons who are to present their side of the case, and the names of such persons and the amount of time requested should be received by the Commission not later than ten (10) days before the date set for the argument. The fewer the number of persons making the argument the more effectively can the parties' interests be presented in the time allotted. [Rule 241.]

[49 FR 44369, Nov. 6, 1984, as amended at 52 FR 4144, Feb. 10, 1987]

§ 502.242 Submission to Commission for final decision.

A proceeding will be deemed submitted to the Commission for final decision as follows: (a) If oral argument is had, the date of completion thereof, or if memoranda on points of law are permitted to be filed after argument, the last date of such filing; (b) if oral argument is not had, the last date when exceptions or replies thereto are filed, or if exceptions are not filed, the expiration date for such exceptions; (c) in the case of an initial decision, the date of notice of the Commission's intention to review the decision, if such notice is given. [Rule 242.]

§ 502.243 Participation of absent Commissioner.

Any Commissioner who is not present at oral argument and who is otherwise authorized to participate in a decision shall participate in making that decision after reading the transcript of oral argument unless he or she files in writing an election not to participate. [Rule 243.]

Subpart O—Reparation; Attorney Fees

§ 502.251 Proof on award of reparation.

If many shipments or points of origin or destination are involved in a proceeding in which reparation is sought (See § 502.63), the Commission will determine in its decision the issues as to violations, injury to complainant, and right to reparation. If complainant is found entitled to reparation, the parties thereafter will be given an opportunity to agree or make proof respecting the shipments and pecuniary

Federal Maritime Commission

§ 502.254

amount of reparation due before the order of the Commission awarding reparation is entered. In such cases, freight bills and other exhibits bearing on the details of all shipments, and the amount of reparation on each, need not be produced at the original hearing unless called for or needed to develop other pertinent facts. [Rule 251.]

§ 502.252 **Reparation statements.**

When the Commission finds that reparation is due, but that the amount cannot be ascertained upon the record before it, the complainant shall immediately prepare a statement in accordance with the approved reparation statement in Exhibit No. 1 to this subpart, showing details of the shipments on which reparation is claimed. This statement shall not include any shipments not covered by the findings of the Commission. Complainant shall forward the statement, together with the paid freight bills on the shipments, or true copies thereof, to the respondent or other person who collected the charges for checking and certification as to accuracy. Statements so prepared and certified shall be filed with the Commission for consideration in determining the amount of reparation due. Disputes concerning the accuracy of amounts may be assigned for conference by the Commission, or in its discretion referred for further hearing. [Rule 252.]

§ 502.253 **Interest in reparation proceedings.**

Except as to applications for refund or waiver of freight charges under § 502.271 and claims which are settled by agreement of the parties, and absent fraud or misconduct of a party, interest granted on awards of reparation in complaint proceedings instituted under the Shipping Act of 1984 will accrue from the date of injury to the date specified in the Commission order awarding reparation. Compounding will be daily from the date of injury to the date specified in the Commission order awarding reparation. Normally, the date specified within which payment must be made will be fifteen (15) days subsequent to the date of service of the Commission order. Interest shall be computed on the basis of the average

monthly secondary market rate on six-month U.S. Treasury bills commencing with the rate for the month that the injury occurred and concluding with the latest available monthly U.S. Treasury bill rate at the date of the Commission order awarding reparation. The monthly secondary market rates on six-month U.S. Treasury bills for the reparation period will be summed up and divided by the number of months for which interest rates are available in the reparation period to determine the average interest rate applicable during the period. [Rule 253.]

[64 FR 7810, Feb. 17, 1999]

§ 502.254 **Attorney fees in complaint proceedings.**

(a) *General.* In any complaint proceeding brought under 46 U.S.C. 41301 (sections 11(a)–(b) of the Shipping Act of 1984), the Commission may, upon petition, award the prevailing party reasonable attorney fees.

(b) *Definitions.*

Attorney fees means the fair market value of the services of any person permitted to appear and practice before the Commission in accordance with subpart B of this part.

Decision means:

(1) An initial decision or dismissal order issued by an administrative law judge;

(2) A final decision issued by a small claims officer; or

(3) A final decision issued by the Commission.

(c) *Filing petitions for attorney fees.* (1)

In order to recover attorney fees, the prevailing party must file a petition within 30 days after a decision becomes final. For purposes of this section, a decision is considered final when the time for seeking judicial review has expired or when a court appeal has terminated.

(2) The prevailing party must file the petition with either:

(i) The administrative law judge or small claims officer, if that official's decision became administratively final under § 502.227(a)(3), § 502.227(c), § 502.304(g), or § 502.318(a); or

(ii) The Commission, if the Commission reviewed the decision of the administrative law judge or small claims

§ 502.254

46 CFR Ch. IV (10–1–23 Edition)

officer under § 502.227, § 502.304, or § 502.318.

(d) *Content of petitions.* (1) The petition must:

(i) Explain why attorney fees should be awarded in the proceeding;

(ii) Specify the number of hours claimed by each person representing the prevailing party at each identifiable stage of the proceeding; and

(iii) Include supporting evidence of the reasonableness of the hours claimed and the customary rates charged by attorneys and associated legal representatives in the community where the person practices.

(2) The petition may request additional compensation, but any such request must be supported by evidence that the customary rates for the hours reasonably expended on the case would result in an unreasonably low fee award.

(e) *Replies to petitions.* The opposing party may file a reply to the petition within 20 days of the service date of the petition. The reply may address the reasonableness of any aspect of the prevailing party's claim and may suggest adjustments to the claim under the criteria stated in paragraph (d) of this section.

(f) *Rulings on petitions.* (1) Upon consideration of a petition and any reply thereto, the Commission, administrative law judge, or small claims officer will issue an order granting or denying the petition.

(i) If the order awards the prevailing party attorney fees, the order will state the total amount of attorney fees awarded, specify the compensable hours and appropriate rate of compensation, and explain the basis for any additional adjustments.

(ii) If the order denies the prevailing party attorney fees, the order will explain the reasons for the denial.

(2) The Commission, administrative law judge, or small claims officer may adopt a stipulated settlement of attorney fees.

(g) *Timing of rulings.* An order granting or denying a petition for attorney fees will be served within 60 days of the date of the filing of the reply to the petition or expiration of the reply period, except that in cases involving a substantial dispute of facts critical to the determination of an award, the Commission, administrative law judge, or small claims officer may hold a hearing on such issues and extend the time for issuing an order by an additional 30 days.

(h) *Appealing rulings by administrative law judge or small claims officer.* The relevant rules governing appeal and Commission review of decisions by administrative law judges (§§ 502.227; 502.318) and small claims officers (§ 502.304) apply to orders issued by those officers under this section. Subpart S—Informal Procedure for Adjudication of Small Claims

§ 502.301 Statement of policy.

(a) Section 11(a) of the Shipping Act of 1984 (46 U.S.C. 41301(a)) permits any person to file a complaint with the Commission claiming a violation occurring in connection with the foreign commerce of the United States and to seek reparation for any injury caused by that violation.

(b) With the consent of both parties, claims filed under this subpart in the amount of \$50,000 or less will be decided by a Small Claims Officer appointed by the Federal Maritime Commission's Chief Administrative Law Judge, without the necessity of formal proceedings under the rules of this part. Authority to issue decisions under this subpart is delegated to the appointed Small Claims Officer.

§ 502.302

(c) Determination of claims under this subpart shall be administratively final and conclusive. [Rule 301.]

§ 502.302 Limitations of actions.

(a) Claims alleging violations of the Shipping Act of 1984 must be filed within three years from the time the cause of action accrues.

(b) A claim is deemed filed on the date it is received by the Commission. [Rule 302.]

[49 FR 44369, Nov. 6, 1984, as amended at 64 FR 7812, Feb. 17, 1999]

§ 502.303 [Reserved]

§ 502.304 Procedure and filing fee.

(a) A sworn claim under this subpart shall be filed in the form prescribed in Exhibit No. 1 to this subpart. Three (3) copies of this claim must be filed, together with the same number of copies of such supporting documents as may be deemed necessary to establish the claim. Copies of tariff pages need not be filed; reference to such tariffs or to pertinent parts thereof will be sufficient. Supporting documents may consist of affidavits, correspondence, bills of lading, paid freight bills, export declarations, dock or wharf receipts, or of such other documents as, in the judgment of the claimant, tend to establish the claim. The Small Claims Officer may, if deemed necessary, request additional documents or information from claimants. Claimant may attach a memorandum, brief or other document containing discussion, argument, or legal authority in support of its claim. If a claim filed under this subpart involves any shipment which has been the subject of a previous claim filed with the Commission, formally or informally, full reference to such previous claim must be given.

(b) Claims under this subpart shall be addressed to the Office of the Secretary, Federal Maritime Commission, Washington, DC 20573. Such claims must be accompanied by remittance of a \$176 filing fee.

(c) Each claim under this subpart will be acknowledged with a reference

46 CFR Ch. IV (10-1-23 Edition)

to the Informal Docket Number assigned. The number shall consist of a numeral(s) followed by capital "I" in parentheses. All further correspondence pertaining to such claims must refer to the assigned Informal Docket Number. If the documents filed fail to establish a claim for which relief may be granted, the parties affected will be so notified in writing. The claimant may thereafter, but only if the period of limitation has not run, resubmit its claim with such additional proof as may be necessary to establish the claim. In the event a complaint has been amended because it failed to state a claim upon which relief may be granted, it will be considered as a new complaint.

(d) A copy of each claim filed under this subpart, with attachments, shall be served by the Secretary on the respondent named in the claim.

(e) Within twenty-five (25) days from the date of service of the claim, the respondent shall serve upon the claimant and file with the Commission its response to the claim, together with an indication, in the form prescribed in Exhibit No. 2 to this subpart, as to whether the informal procedure provided in this subpart is consented to. Failure of the respondent to indicate refusal or consent in its response will be conclusively deemed to indicate such consent. The response shall consist of documents, arguments, legal authorities, or precedents, or any other matters considered by the respondent to be a defense to the claim. The Small Claims Officer may request the respondent to furnish such further documents or information as deemed necessary, or he or she may require the claimant to reply to the defenses raised by the respondent.

(f) If the respondent refuses to consent to the claim being informally adjudicated pursuant to this subpart, the claim will be considered a complaint under §502.311 and will be adjudicated under subpart T of this part.

(g) Both parties shall promptly be served with the Small Claims Officer's decision which shall state the basis upon which the decision was made. Where appropriate, the Small Claims Officer may require that the respondent publish notice in its tariff of the

Federal Maritime Commission

Pt. 502, Subpt. S, Exh. 1

substance of the decision. This decision shall be final, unless, within thirty (30) days from the date of service of the decision, the Commission exercises its discretionary right to review the decision. The Commission shall not, on its own initiative, review any decision or order of dismissal unless such review is requested by an individual Commissioner. Any such request must be transmitted to the Secretary within thirty (30) days after date of service of the decision or order. Such request shall be sufficient to bring the matter before the Commission for review.

(h) Within thirty (30) days after service of a final decision by a Small Claims Officer, any party may file a petition for reconsideration. Such petition shall be directed to the Small Claims Officer and shall act as a stay of the review period prescribed in paragraph (g) of this section. A petition will be subject to summary rejection unless it: (1) Specifies that there has been a change in material fact or in applicable law, which change has occurred after issuance of the decision or order; (2) identifies a substantive error in material fact contained in the decision or order; (3) addresses a material matter in the Small Claims Officer's decision upon which the petitioner has not previously had the opportunity to comment. Petitions which merely elaborate upon or repeat arguments made prior to the decision or order will not be received. Upon issuance of a decision or order on reconsideration by the Small Claims Officer, the review period prescribed in paragraph (g) of this section will recommence. [Rule 304.]

Subpart T—Formal Procedure for Adjudication of Small Claims

§ 502.311 Applicability.

In the event the respondent elects not to consent to determination of the claim under subpart S of this part, it shall be adjudicated by the administrative law judges of the Commission under procedures set forth in this subpart, if timely filed under § 502.302. The previously assigned Docket Number shall be used except that it shall now be followed by capital “F” instead of “I” in parentheses (See § 502.304(c)). The complaint shall consist of the documents submitted by the claimant under subpart S of this part. [Rule 311.]

§ 502.312 Answer to complaint.

The respondent shall file with the Commission an answer within twenty-five (25) days of service of the complaint and shall serve a copy of said answer upon complainant. The answer shall admit or deny each matter set forth in the complaint. Matters not specifically denied will be deemed admitted. Where matters are urged in defense, the answer shall be accompanied by appropriate affidavits, other documents, and memoranda. [Rule 312.]

[49 FR 44369, Nov. 6, 1984; 49 FR 47394, Dec. 4, 1984]

§ 502.313 Reply of complainant.

Complainant may, within twenty (20) days of service of the answer filed by respondent, file with the Commission and serve upon the respondent a reply memorandum accompanied by appropriate affidavits and supporting documents. [Rule 313.]

The administrative law judge may require the submission of additional affidavits, documents, or memoranda from complainant or respondent. [Rule 314.]

§ 502.315 Request for oral hearing.

In the usual course of disposition of complaints filed under this subpart, no

oral hearing will be held, but, the administrative law judge, in his or her discretion, may order such hearing. A request for oral hearing may be incorporated in the answer or in complainant’s reply to the answer. Requests for oral hearing will not be entertained unless they set forth in detail the reasons why the filing of affidavits or other documents will not permit the fair and expeditious disposition of the claim, and the precise nature of the facts sought to be proved at such oral hearing. The administrative law judge shall rule upon a request for oral hearing within ten (10) days of its receipt. In the event an oral hearing is ordered, it will be held in accordance with the rules applicable to other formal proceedings, as set forth in subparts A through Q of this part. [Rule 315.]

(a) The decision of the administrative law judge shall be final, unless, within twenty-two (22) days from the date of service of the decision, either party requests review of the decision by the Commission, asserting as grounds therefor that a material finding of fact or a necessary legal conclusion is erroneous or that prejudicial error has occurred, or unless, within thirty (30) days from the date of service of the decision, the Commission exercises its discretionary right to review the decision. The Commission shall not, on its own initiative, review any decision or order of dismissal unless such review is requested by an individual Commissioner. Any such request must be transmitted to the Secretary within thirty (30) days after date of service of the decision or order. Such request shall be sufficient to bring the matter before the Commission for review. [Rule 318.]

§ 502.319 Date of service and computation of time.

(a) The date of service of documents served by the Commission will be the date shown in the service stamp placed on the first page of the document. The date of service of documents served by parties will be the date when the document served is transmitted by email, deposited in the United States mail, delivered to a courier, or delivered in person. Subpart U—Alternative Dispute Resolution

SOURCE: 66 FR 43513, Aug. 20, 2001, unless otherwise noted.

§ 502.401 Policy.

It is the policy of the Federal Maritime Commission to use alternative means of dispute resolution to the fullest extent compatible with the law and the agency's mission and resources. The Commission will consider using ADR in all areas including workplace

issues, formal and informal adjudication, issuance of regulations, enforcement and compliance, issuing and revoking licenses and permits, contract award and administration, litigation brought by or against the Commission, and other interactions with the public and the regulated community. The Commission will provide learning and development opportunities for its employees to develop their ability to use conflict resolution skills, instill knowledge of the theory and practice of ADR, and to facilitate appropriate use of ADR. To this end, all parties to matters under this part are required to consider use of a wide range of alternative means to resolve disputes at an early stage. Parties are encouraged to pursue use of alternative means through the Commission's Office of Consumer Affairs and Dispute Resolution Services in lieu of or prior to initiating a Commission proceeding. All employees and persons who interact with the Commission are encouraged to identify opportunities for collaborative, consensual approaches to dispute resolution or rulemaking.

[66 FR 43513, Aug. 20, 2001, as amended at 70 FR 7669, Feb. 15, 2005; 70 FR 44867, Aug. 4, 2005]

§ 502.402 Definitions.

(a) *Alternative means of dispute resolution* means any procedure that is used to resolve issues in controversy, including, but not limited to, conciliation, facilitation, mediation, fact-finding, minitrials, arbitration, and use of ombuds, or any combination thereof;

(b) *Award* means any decision by an arbitrator resolving the issues in controversy;

(c) *Dispute resolution communication* means any oral or written communication prepared for the purposes of a dispute resolution proceeding, including any memoranda, notes or work product of the neutral, parties or nonparty participant; except that a written agreement to enter into a dispute resolution proceeding, or final written agreement or arbitral award reached as a result of a dispute resolution proceeding, is not a dispute resolution communication;

(d) *Dispute resolution proceeding* means any process in which an alternative means of dispute resolution is

used to resolve an issue in controversy in which a neutral is appointed and specified parties participate;

(e) *In confidence* means, with respect to information, that the information is provided—

(1) With the expressed intent of the source that it not be disclosed; or

(2) Under circumstances that would create the reasonable expectation on behalf of the source that the information will not be disclosed;

(f) *Issue in controversy* means an issue which is material to a decision concerning a program of the Commission, and with which there is disagreement—

(1) Between the Commission and persons who would be substantially affected by the decision; or

(2) Between persons who would be substantially affected by the decision;

(g) *Neutral* means an individual who, with respect to an issue in controversy, functions specifically to aid the parties in resolving the controversy; and

(h) *Person* has the same meaning as in 5 U.S.C. 551(2).

§ 502.403 General authority.

(a) The Commission intends to consider using a dispute resolution proceeding for the resolution of an issue in controversy, if the parties agree to a dispute resolution proceeding.

(b) The Commission will consider not using a dispute resolution proceeding if—

(1) A definitive or authoritative resolution of the matter is required for precedential value, and such a proceeding is not likely to be accepted generally as an authoritative precedent;

(2) The matter involves or may bear upon significant questions of Government policy that require additional procedures before a final resolution may be made, and such a proceeding would not likely serve to develop a recommended policy for the agency;

(3) Maintaining established policies is of special importance, so that variations among individual decisions are not increased and such a proceeding would not likely reach consistent results among individual decisions;

(4) The matter significantly affects persons or organizations who are not parties to the proceeding;

§ 502.404

46 CFR Ch. IV (10–1–23 Edition)

(5) A full public record of the proceeding is important, and a dispute resolution proceeding cannot provide such a record; and

(6) The Commission must maintain continuing jurisdiction over the matter with authority to alter the disposition of the matter in the light of changed circumstances, and a dispute resolution proceeding would interfere with the Commission's fulfilling that requirement.

(c) Alternative means of dispute resolution authorized under this subpart are voluntary procedures which supplement rather than limit other available agency dispute resolution techniques.

§ 502.404 Neutrals.

(a) A neutral may be a permanent or temporary officer or employee of the Federal Government or any other individual who is acceptable to the parties to a dispute resolution proceeding. A neutral shall have no official, financial, or personal conflict of interest with respect to the issues in controversy, unless such interest is fully disclosed in writing to all parties and all parties agree that the neutral may serve.

(b) A neutral who serves as a conciliator, facilitator, or mediator serves at the will of the parties.

(c) With consent of the parties, the Federal Maritime Commission Dispute Resolution Specialist will seek to provide a neutral in dispute resolution proceedings through Commission staff, arrangements with other agencies, or on a contractual basis.

(d) *Fees.* Should the parties choose a neutral other than an official or employee of the Commission, fees and expenses shall be borne by the parties as the parties shall agree.

§ 502.405 Confidentiality.

(a) Except as provided in paragraphs (d) and (e) of this section, a neutral in a dispute resolution proceeding shall not voluntarily disclose or through discovery or compulsory process be required to disclose any dispute resolution communication or any communication provided in confidence to the neutral, unless—

(1) All parties to the dispute resolution proceeding and the neutral con-

sent in writing, and, if the dispute resolution communication was provided by a nonparty participant, that participant also consents in writing;

(2) The dispute resolution communication has already been made public;

(3) The dispute resolution communication is required by statute to be made public, but a neutral should make such communication public only if no other person is reasonably available to disclose the communication; or

(4) A court determines that such testimony or disclosure is necessary to—

(i) Prevent a manifest injustice;

(ii) Help establish a violation of law; or

(iii) Prevent harm to the public health or safety, of sufficient magnitude in the particular case to outweigh the integrity of dispute resolution proceedings in general by reducing the confidence of parties in future cases that their communications will remain confidential.

(b) A party to a dispute resolution proceeding shall not voluntarily disclose or through discovery or compulsory process be required to disclose any dispute resolution communication, unless—

(1) The communication was prepared by the party seeking disclosure;

(2) All parties to the dispute resolution proceeding consent in writing;

(3) The dispute resolution communication has already been made public;

(4) The dispute resolution communication is required by statute to be made public;

(5) A court determines that such testimony or disclosure is necessary to—

(i) Prevent a manifest injustice;

(ii) Help establish a violation of law; or

(iii) Prevent harm to the public health and safety, of sufficient magnitude in the particular case to outweigh the integrity of dispute resolution proceedings in general by reducing the confidence of parties in future cases that their communications will remain confidential;

(6) The dispute resolution communication is relevant to determining the existence or meaning of an agreement or award that resulted from the dispute

Federal Maritime Commission

§ 502.406

resolution proceeding or to the enforcement of such an agreement or award; or

(7) Except for dispute resolution communications generated by the neutral, the dispute resolution communication was provided to or was available to all parties to the dispute resolution proceeding.

(c) Any dispute resolution communication that is disclosed in violation of paragraph (a) or (b) of this section shall not be admissible in any proceeding relating to the issues in controversy with respect to which the communication was made.

(d) (1) The parties may agree between or amongst themselves to alternative confidential procedures for disclosures by a neutral, and shall inform the neutral before commencement of the dispute resolution proceeding of any modifications to the provisions of paragraph (a) of this section that will govern the confidentiality of the dispute resolution proceeding, in accordance with the guidance on confidentiality in federal proceedings published by the Interagency ADR Working Group and adopted by the ADR Council (<http://www.financenet.gov/financenet/fed/iadrwg/confid.pdf>). If the parties do not so inform the neutral, paragraph (a) of this section shall apply.

(2) To qualify for the exemption under paragraph (j) of this section, an alternative confidential procedure under this subsection may not provide for less disclosure than the confidential procedures otherwise provided under this section.

(e) If a demand for disclosure, by way of discovery request or other legal process, is made upon a neutral regarding a dispute resolution communication, the neutral shall make reasonable efforts to notify the parties and any affected nonparty participants of the demand. Any party or affected nonparty participant who receives such notice and within 15 calendar days does not offer to defend a refusal of the neutral to disclose the requested information shall have waived any objection to such disclosure.

(f) Nothing in this section shall prevent the discovery or admissibility of any evidence that is otherwise discoverable, merely because the evidence

was presented in the course of a dispute resolution proceeding.

(g) Paragraphs (a) and (b) of this section shall have no effect on the information and data that are necessary to document an agreement reached or order issued pursuant to a dispute resolution proceeding.

(h) Paragraphs (a) and (b) of this section shall not prevent the gathering of information for research or educational purposes, in cooperation with other agencies, governmental entities, or dispute resolution programs, so long as the parties and the specific issues in controversy are not identifiable.

(i) Paragraphs (a) and (b) of this section shall not prevent use of a dispute resolution communication to resolve a dispute between the neutral in a dispute resolution proceeding and a party to or participant in such proceeding, so long as such dispute resolution communication is disclosed only to the extent necessary to resolve such dispute.

(j) A dispute resolution communication which is between a neutral and a party and which may not be disclosed under this section shall also be exempt from disclosure under 5 U.S.C. 552(b)(3).

§ 502.406 Arbitration.

(a)(1) Arbitration may be used as an alternative means of dispute resolution whenever all parties consent, except that arbitration may not be used when the Commission or one of its components is a party. Consent may be obtained either before or after an issue in controversy has arisen. A party may agree to—

(i) Submit only certain issues in controversy to arbitration; or

(ii) Arbitration on the condition that the award must be within a range of possible outcomes.

(2) The arbitration agreement that sets forth the subject matter submitted to the arbitrator shall be in writing. Each such arbitration agreement shall specify a maximum award that may be issued by the arbitrator and may specify other conditions limiting the range of possible outcomes.

(b) With the concurrence of the Federal Maritime Commission Dispute Resolution Specialist, binding arbitration may be used to resolve any and all disputes that could be the subject of a

§ 502.407

46 CFR Ch. IV (10–1–23 Edition)

Commission administrative proceeding before an Administrative Law Judge. The Federal Maritime Commission Dispute Resolution Specialist may withhold such concurrence after considering the factors specified in § 502.403, should the Commission's General Counsel object to use of binding arbitration.

(c)(1) The Federal Maritime Commission Dispute Resolution Specialist will appoint an arbitrator of the parties' choosing for an arbitration proceeding.

(2) A Commission officer or employee selected as an arbitrator by the parties and appointed by the Federal Maritime Commission Dispute Resolution Specialist shall have authority to settle an issue in controversy through binding arbitration pursuant to the arbitration agreement; provided, however, that decisions by arbitrators shall not have precedential value with respect to decisions by Administrative Law Judges or the Commission. Administrative Law Judges may be appointed as arbitrators with the concurrence of the Chief Administrative Law Judge.

(d) The arbitrator shall be a neutral who meets the criteria of 5 U.S.C. 573.

§ 502.407 Authority of the arbitrator.

An arbitrator to whom a dispute is referred may—

(a) Regulate the course of and conduct arbitral hearings;

(b) Administer oaths and affirmations;

(c) Compel the attendance of witnesses and production of evidence at the hearing under the provisions of 9 U.S.C. 7 only to the extent the Commission is otherwise authorized by law to do so; and

(d) Make awards.

§ 502.408 Conduct of arbitration proceedings.

(a) The arbitrator shall set a time and place for the hearing on the dispute and shall notify the parties not less than seven (7) days before the hearing.

(b) Any party wishing a record of the hearing shall—

(1) Be responsible for the preparation of such record;

(2) Notify the other parties and the arbitrator of the preparation of such record;

(3) Furnish copies to all identified parties and the arbitrator; and

(4) Pay all costs for such record, unless the parties agree otherwise or the arbitrator determines that the costs should be apportioned.

(c)(1) The parties to the arbitration are entitled to be heard, to present evidence material to the controversy, and to cross-examine witnesses appearing at the hearing.

(2) The arbitrator may, with the consent of the parties, conduct all or part of the hearing by telephone, television, computer, or other electronic means, if each party has an opportunity to participate.

(3) The hearing shall be conducted expeditiously and in an informal manner.

(4) The arbitrator may receive any oral or documentary evidence, except that irrelevant, immaterial, unduly repetitious, or privileged evidence may be excluded by the arbitrator.

(5) The arbitrator shall interpret and apply relevant statutory and regulatory requirements, legal precedents, and policy directives.

(d) The provisions of § 502.11 regarding *ex parte* communications apply to all arbitration proceedings. No interested person shall make or knowingly cause to be made to the arbitrator an unauthorized *ex parte* communication relevant to the merits of the proceeding, unless the parties agree otherwise. If a communication is made in violation of this subsection, the arbitrator shall ensure that a memorandum of the communication is prepared and made a part of the record, and that an opportunity for rebuttal is allowed. Upon receipt of a communication made in violation of this subsection, the arbitrator may, to the extent consistent with the interests of justice and the policies underlying this subchapter, require the offending party to show cause why the claim of such party should not be resolved against such party as a result of the improper conduct.

(e) The arbitrator shall make an award within 30 days after the close of the hearing, or the date of the filing of any briefs authorized by the arbitrator,

Federal Maritime Commission

§ 502.501

whichever date is later, unless the parties agree to some other time limit.

[66 FR 43513, Aug. 20, 2001, as amended at 80 FR 57307, Sept. 23, 2015]

§ 502.409 Arbitration awards.

(a)(1) The award in an arbitration proceeding under this subchapter shall include a brief, informal discussion of the factual and legal basis for the award, but formal findings of fact or conclusions of law shall not be required.

(2) Exceptions to or an appeal of an arbitrator's decision may not be filed with the Commission.

(b) An award entered in an arbitration proceeding may not serve as an estoppel in any other proceeding for any issue that was resolved in the proceeding. Such an award also may not be used as precedent or otherwise be considered in any factually unrelated proceeding.

§ 502.410 Representation of parties.

(a) The provisions of § 502.21 apply to the representation of parties in dispute resolution proceedings, as do the provisions of § 502.27 regarding the representation of parties by nonattorneys.

(b) A neutral in a dispute resolution proceeding may require participants to demonstrate authority to enter into a binding agreement reached by means of a dispute resolution proceeding.

§ 502.411 Mediation and other alternative means of dispute resolution.

(a) Parties are encouraged to utilize mediation or other forms of alternative dispute resolution in all formal proceedings. The Commission also encourages those with disputes to pursue mediation in lieu of, or prior to, the initiation of a Commission proceeding.

(b) Any party may request, at any time, that a mediator or other neutral be appointed to assist the parties in reaching a settlement. If such a request is made in a proceeding assigned to an Administrative Law Judge, the provisions of § 502.91 apply. For all other matters, alternative dispute resolution services may be requested directly from the Federal Maritime Commission Alternative Dispute Resolution Specialist, who may serve as the neutral if the parties agree or who will

arrange for the appointment of a neutral acceptable to all parties.

(c) The neutral shall convene and conduct mediation or other appropriate dispute resolution proceedings with the parties.

(d) *Ex parte Communications.* Except with respect to arbitration, the provisions of § 502.11 do not apply to dispute resolution proceedings, and mediators are expressly authorized to conduct private sessions with parties.

Subpart V—Implementation of the Equal Access to Justice Act in Commission Proceedings

SOURCE: 52 FR 28264, July 29, 1987, unless otherwise noted.

§ 502.501 General provisions.

(a) *Purpose.* The Equal Access to Justice Act, 5 U.S.C. 504 (“EAJA”), provides for the award of attorney fees and other expenses to eligible individuals and entities who are parties to certain administrative proceedings (called “adversary adjudications”) before the Federal Maritime Commission (“the Commission”). An eligible party may receive an award when it prevails over an agency, unless the agency's position was substantially justified or special circumstances make an award unjust. The rules in this subpart describe the parties eligible for awards and the proceedings that are covered. They also explain how to apply for awards, and the procedures and standards that the Commission will use to make them.

(b) *When EAJA applies.* EAJA applies to any adversary adjudication:

(1) Pending or commenced before the Commission on or after August 5, 1985;

(2) Commenced on or after October 1, 1984, and finally disposed of before August 5, 1985, provided that an application for fees and expenses, as described in § 502.502 of this subpart, has been filed with the Commission within 30 days after August 5, 1985; or

(3) Pending on or commenced on or after October 1, 1981, in which an application for fees and other expenses was timely filed and was dismissed for lack of jurisdiction.

(c) *Proceedings covered.* (1)(i) EAJA applies to adversary adjudications conducted by the Commission under this

§ 502.501

46 CFR Ch. IV (10–1–23 Edition)

part. These are adjudications under 5 U.S.C. 554 in which the position of this or any other agency of the United States, or any component of any agency, is presented by an attorney or other representative who enters an appearance and participates in the proceeding.

(ii) Any proceeding in which the Commission may prescribe a lawful present or future rate is not covered by the Act.

(iii) Proceedings to grant or renew licenses are also excluded, but proceedings to modify, suspend, or revoke licenses are covered if they are otherwise “adversary adjudications.”

(2) The Commission’s failure to identify a type of proceeding as an adversary adjudication shall not preclude the filing of an application by a party who believes the proceeding is covered by the EAJA; whether the proceeding is covered will then be an issue for resolution in proceedings on the application.

(3) If a proceeding includes both matters covered by EAJA and matters specifically excluded from coverage, any award made will include only fees and expenses related to covered issues.

(d) *Eligibility of applicants.* (1) To be eligible for an award of attorney fees and other expenses under EAJA, the applicant must be a party to the adversary adjudication for which it seeks an award. The term “party” is defined in 5 U.S.C. 551(3). The applicant must show that it meets all conditions of eligibility set out in this section and § 502.502.

(2) The types of eligible applicants are:

(i) An individual with a net worth of not more than \$2 million;

(ii) The sole owner of an unincorporated business who has a net worth of not more than \$7 million, including both personal and business interests, and not more than 500 employees;

(iii) A charitable or other tax-exempt organization described in section 501(c)(3) of the Internal Revenue Code (26 U.S.C. 501(c)(3)) with not more than 500 employees;

(iv) A cooperative association as defined in section 15(a) of the Agricultural Marketing Act (12 U.S.C. 1141j(a)) with not more than 500 employees; and

(v) Any other partnership, corporation, association, unit of local government, or organization with a net worth of not more than \$7 million and not more than 500 employees.

(vi) For purposes of paragraph (e)(3) of this section, a small entity as defined in 5 U.S.C. 601.

(3) For the purpose of eligibility, the net worth and number of employees of an applicant shall be determined as of the date the proceeding was initiated.

(4) An applicant who owns an unincorporated business will be considered as an “individual” rather than a “sole owner of an unincorporated business” if the issues on which the applicant prevails are related primarily to personal interests rather than to business interests.

(5) The employees of an applicant include all persons who regularly perform services for remuneration for the applicant, under the applicant’s direction and control. Part-time employees shall be included on a proportional basis.

(6) The net worth and number of employees of the applicant and all of its affiliates shall be aggregated to determine eligibility. Any individual corporation or other entity that directly or indirectly controls or owns a majority of the voting shares or other interests of the applicant, or any corporation or other entity of which the applicant directly or indirectly owns or controls a majority of the voting shares or other interests, will be considered an affiliate for purposes of this subpart, unless the adjudicative officer determines that such treatment would be unjust and contrary to the purposes of EAJA in light of the actual relationship between the affiliated entities. In addition, the adjudicative officer may determine that financial relationships of the applicant other than those described in this paragraph constitute special circumstances that would make an award unjust.

(7) An applicant that participates in a proceeding primarily on behalf of one or more other persons or entities that would be ineligible is not itself eligible for an award.

(e) *Standards for awards.* (1) A prevailing applicant may receive an award

Federal Maritime Commission

§ 502.502

for fees and expenses incurred in connection with a proceeding or in a significant and discrete substantive portion of the proceeding, unless the position of the agency over which the applicant has prevailed was substantially justified. The position of the agency includes, in addition to the position taken by the agency in the adversary adjudication, the action or failure to act by the agency upon which the adversary adjudication is based. The burden of proof that an award should not be made to an eligible prevailing applicant is on agency counsel.

(2) An award will be reduced or denied if the applicant has unduly or unreasonably protracted the proceeding or if special circumstances make the award sought unjust.

(3) In an adversary adjudication arising from a Commission action to enforce a party's compliance with a statutory or regulatory requirement, if the demand by the Commission is substantially in excess of the decision of the presiding officer and is unreasonable under the facts and circumstances of the case, the presiding officer shall award to the party fees and other expenses related to defending against the excessive demand, unless the party has committed a willful violation of law or otherwise acted in bad faith, or special circumstances make an award unjust.

(f) *Allowable fees and expenses.* (1) Awards will be based on rates customarily charged by the persons engaged in the business of acting as attorneys, agents and expert witnesses, even if the services were made available without charge or at a reduced rate to the applicant.

(2) No award for the fee of an attorney or agent under this subpart may exceed \$125 per hour. No award to compensate an expert witness may exceed the highest rate at which the Commission pays expert witnesses. However, an award may also include the reasonable expenses of the attorney, agent, or witness as a separate item, if the attorney, agent or witness ordinarily charges clients separately for such expenses.

(3) In determining the reasonableness of the fee sought for an attorney, agent or expert witness, the adjudicative officer shall consider the following:

(i) If the attorney, agent or witness is in private practice, his or her customary fees for similar services, or, if an employee of the applicant, the fully allocated costs of the services;

(ii) The prevailing rate for similar services in the community in which the attorney, agent or witness ordinarily performs services;

(iii) The time actually spent in the representation of the applicant;

(iv) The time reasonably spent in light of the difficulty or complexity of the issues in the proceeding; and

(v) Such other factors as may bear on the value of the services provided.

(4) The reasonable cost of any study, analysis, engineering report, test project or similar matter prepared on behalf of a party may be awarded, to the extent that the charge for the services does not exceed the prevailing rate for similar services, and the study or other matter was necessary for preparation of applicant's case.

(g) *Awards against other agencies.* If an applicant is entitled to an award because it prevails over another agency of the United States that participates in a proceeding before the Commission and takes a position that is not substantially justified, the award or an appropriate portion of the award shall be made against that agency. [Rule 501.]

§ 502.502 Information required from applicants.

(a) *Contents of petition.* (1) An application for an award of fees and expenses under EAJA shall be by petition under § 502.69 of this part, shall clearly indicate that the application is made under EAJA, and shall identify the applicant and the proceeding (including docket number) for which an award is sought. The application shall show that the applicant has prevailed and identify the position of an agency or agencies that the applicant alleges was not substantially justified. Unless the applicant is an individual, the application shall also state the number of employees of the applicant and describe briefly the type and purpose of its organization or business.

(2) The petition shall also include a statement that the applicant's net

worth does not exceed \$2 million (if an individual) or \$7 million (for all other applicants, including their affiliates). However, an applicant may omit this statement if:

(i) It attaches a copy of a ruling by the Internal Revenue Service that it qualifies as an organization described in section 501(c)(3) of the Internal Revenue Code (26 U.S.C. 501(c)(3)) or, in the case of a tax-exempt organization not required to obtain a ruling from the Internal Revenue Service on its exempt status, a statement that describes the basis for the applicant's belief that it qualifies under such section; or

(ii) It states that it is a cooperative association as defined in section 15(a) of the Agricultural Marketing Act (12 U.S.C. 1141j(a)).

(3) The petition shall state the amount of fees and expenses for which an award is sought.

(4) The petition may also include any other matters that the applicant wishes the Commission to consider in determining whether and in what amount an award should be made.

(5) The petition shall be signed by the applicant or an authorized officer or attorney of the applicant. It shall also contain or be accompanied by a written verification under oath or under penalty of perjury that the information provided in the application is true and correct.

(b) *Net worth exhibit.* (1) Each applicant except a qualified tax-exempt organization or cooperative association must provide with its petition a detailed exhibit showing the net worth of the applicant and any affiliates (as defined in §502.501(d)(6) of this subpart) when the proceeding was initiated. The exhibit may be in any form convenient to the applicant that provides full disclosure of the applicant's and its affiliates' assets and liabilities and is sufficient to determine whether the applicant qualifies under the standards in this subpart. The adjudicative officer may require an applicant to file additional information to determine its eligibility for an award.

(2) Ordinarily, the net worth exhibit will be included in the public record of the proceeding. However, an applicant that objects to public disclosure of information in any portion of the exhibit

and believes there are legal grounds for withholding it from disclosure may submit that portion of the exhibit directly to the adjudicative officer in a sealed envelope labeled "Confidential Financial Information," accompanied by a motion to withhold the information from public disclosure. The motion shall describe the information sought to be withheld and explain, in detail, why it falls within one or more of the specific exemptions from mandatory disclosure under the Freedom of Information Act, 5 U.S.C. 552(b)(1)–(9), why public disclosure of the information would adversely affect the applicant, and why disclosure is not required in the public interest. The material in question shall be served on counsel representing the agency against which the applicant seeks an award, but need not be served on any other party to the proceeding. If the adjudicative officer finds that the information should not be withheld from disclosure, it shall be placed in the public record of the proceeding. Otherwise, any request to inspect or copy the exhibit shall be disposed of in accordance with the Commission's established procedures under the Freedom of Information Act under §§ 503.31–503.43 of this chapter.

(c) *Documentation of fees and expenses.* The petition shall be accompanied by full documentation of the fees and expenses, including the cost of any study, analysis, engineering report, test, project or similar matter, for which an award is sought. A separate itemized statement shall be submitted for each professional firm or individual whose services are covered by the application, showing the hours spent in connection with the proceeding by each individual, a description of the specific services performed, the rates at which each fee has been computed, any expenses for which reimbursement is sought, the total amount claimed, and the total amount paid or payable by the applicant or by any other person or entity for the services provided. The adjudicative officer may require the applicant to provide vouchers, receipts, or other substantiation for any expenses claimed.

(d) *When a petition may be filed.* (1) A petition may be filed whenever the applicant has prevailed in the proceeding or in a significant and discrete substantive portion of the proceeding, but in no case later than 30 days after the Commission's final disposition of the proceeding.

(2) For purposes of this subpart, final disposition means the date on which a decision or order disposing of the merits of the proceeding or any other complete resolution of the proceeding, such as a settlement or voluntary dismissal, becomes final and unappealable, both within the Commission and to the courts.

(3) If review or reconsideration is sought or taken of a decision as to which an applicant believes it has prevailed, proceedings for the award of fees shall be stayed pending final disposition of the underlying controversy. When the United States appeals the underlying merits of an adversary adjudication to a court, no decision on an application for fees and other expenses in connection with that adversary adjudication shall be made until a final and unreviewable decision is rendered by the court on the appeal or until the underlying merits of the case have been finally determined pursuant to the appeal. [Rule 502.]

[52 FR 28264, July 29, 1987, as amended at 64 FR 7812, Feb. 17, 1999]

§ 502.503 Procedures for considering petitions.

(a) *Filing and service of documents.* (1) Any petition for an award or other pleading or document related to a petition shall be filed and served on all parties to the proceeding in the same manner as other pleadings in the proceeding, except as provided in § 502.502(b)(2) (confidential financial information).

(2) The petition and all other pleadings or documents related to the petition will be referred to an Administrative Law Judge to initially decide the matter as adjudicative officer.

(b) *Reply to petition.* (1) Within 30 days after service of a petition, counsel representing the agency against which an award is sought may file a reply to the petition. Unless counsel requests an extension of time for filing or files a

statement of intent to negotiate under paragraph (b)(2) of this section, failure to file a reply within the 30-day period may be treated as a consent to the award requested.

(2) If agency counsel and the applicant believe that the issues in the fee application can be settled, they may jointly file a statement of their intent to negotiate a settlement. The filing of this statement shall extend the time for filing a reply for an additional 30 days, and further extension may be granted by the adjudicative officer upon request by agency counsel and the applicant.

(3) The reply shall explain in detail any objections to the award requested and identify the facts relied on in support of counsel's position. If the reply is based on any alleged facts not already in the record of the proceeding, agency counsel shall include with the reply either supporting affidavits or a request for further proceedings under paragraph (f) of this section.

(c) *Response to reply.* Within 15 days after service of a reply, the applicant may file a response. If the response is based on any alleged facts not already in the record of the proceeding, the applicant shall include with the response either supporting affidavits or a request for further proceedings under paragraph (f) of this section.

(d) *Comments by other parties.* Any party to a proceeding other than the applicant and agency counsel may file comments on an application within 30 days after it is served, or on a reply, within 15 days after it is served. A commenting party may not participate further in proceedings on the application unless the adjudicative officer determines that the public interest requires such participation in order to permit full exploration of matters raised in the comments.

(e) *Settlement.* The applicant and agency counsel may agree on a proposed settlement of the award before final action on the application, either in connection with a settlement of the underlying proceeding, or after the underlying proceeding has been concluded in accordance with the rules of this subpart pertaining to settlement. If a prevailing party and agency counsel agree on a proposed settlement of an

§ 502.601

46 CFR Ch. IV (10-1-23 Edition)

award before a petition is filed, the petition shall be filed with the proposed settlement.

(f) *Further proceedings.* (1) Ordinarily, the determination of an award will be made on the basis of the written record. However, on request of either the applicant or agency counsel, or on his or her own initiative, the adjudicative officer may order further proceedings, such as an informal conference, oral argument, additional written submissions or, as to issues other than substantial justification (such as the applicant's eligibility or substantiation of fees and expenses), pertinent discovery or an evidentiary hearing. Such further proceedings shall be held only when necessary for full and fair resolution of the issues arising from the application, and shall be conducted as promptly as possible. Whether or not the position of the agency was substantially justified shall be determined on the basis of the administrative record, as a whole, which is made in the adversary adjudication for which fees and other expenses are sought.

(2) A request that the adjudicative officer order further proceedings under this section shall specifically identify the information sought or the disputed issues and shall explain why the additional proceedings are necessary to resolve the issues.

(g) *Decision.* The adjudicative officer shall serve an initial decision on the application within 60 days after completion of proceedings on the application. The decision shall include written findings and conclusions on the applicant's eligibility and status as a prevailing party, and an explanation of the reasons for any difference between the amount requested and the amount awarded. The decision shall also include, if at issue, findings on whether the agency's position was substantially justified, whether the applicant unduly protracted the proceedings, or whether special circumstances make an award unjust. If the applicant has sought an award against more than one agency, the decision shall allocate responsibility for payment of any award made among the agencies, and shall explain the reason for the allocation made.

(h) *Commission review.* Either the applicant or agency counsel may seek review of the initial decision on the fee application, or the Commission may decide to review the decision on its own initiative, in accordance with § 502.227 of this part. If neither the applicant nor agency counsel seeks review and the Commission does not take review on its own initiative, the initial decision on the application shall become a final decision of the Commission 30 days after it is issued. Whether to review a decision is a matter within the discretion of the Commission. If review is taken, the Commission will issue a final decision on the application or remand the application to the adjudicative officer for further proceedings.

(i) *Judicial review.* Judicial review of final Commission decisions on awards may be sought as provided in 5 U.S.C. 504(c)(2).

(j) *Payment of award.* (1)(i) An applicant seeking payment of an award shall submit to the comptroller or other disbursing officer of the paying agency a copy of the Commission's final decision granting the award, accompanied by a certification that the applicant will not seek review of the decision in the United States courts.

(ii) The agency will pay the amount awarded to the applicant within 60 days.

(2) Where the Federal Maritime Commission is the paying agency, the application for payment of award shall be submitted to: Office of Budget and Financial Management, Federal Maritime Commission, Washington, DC 20573. [Rule 503.]

§ 502.603 Assessment of civil penalties: Procedure; criteria for determining amount; limitations; relation to compromise.

(a) *Procedure for assessment of penalty.* The Commission may assess a civil penalty or, in addition to or in lieu of a civil penalty, a refund of a charge, only after notice and opportunity for hearing. Civil penalty assessment proceedings, including settlement negotiations, shall be governed by the Commission’s Rules of Practice and Procedure in this part. All settlements must be approved by the Presiding Officer. The full text of any settlement must be included in the final order of the Commission.

(b) *Determination of amount—(1) Factors for consideration.* In determining the amount of a civil penalty assessed pursuant to paragraph (a) of this section, the Federal Maritime Commission shall take into consideration:

(i) The nature, circumstances, extent, and gravity of the violation committed;

(ii) With respect to the violator:

(A) The degree of culpability;

(B) Any history of prior offenses;

(C) The ability to pay; and

(D) Such other matters as justice may require; and

(iii) The amount of any refund of money ordered under 46 U.S.C. 41310.

(2) *Commensurate reduction in civil penalty—(i) In general.* In any case in

which the Federal Maritime Commission orders a refund of money in addition to assessing a civil penalty, the amount of the civil penalty assessed shall be decreased by any additional amounts included in the refund of money in excess of the actual injury (as defined in 46 U.S.C. 41305(a)).

(ii) *Treatment of refunds.* A refund of money ordered shall be:

(A) Considered to be compensation paid to the applicable claimant; and

(B) Deducted from the total amount of damages awarded to that claimant in a civil action against the violator relating to the applicable violation.

(c) *Limitations; relation to compromise.* When the Commission, in its discretion, determines that policy, justice or other circumstances warrant, a civil penalty assessment proceeding may be instituted at any time for any violation which occurred within five years prior to the issuance of the order of investigation. Such proceeding may also be instituted at any time after the initiation of informal compromise procedures, except where a compromise agreement for the same violations under the compromise procedures has become effective under § 502.604). § 502.604 Compromise of penalties: Relation to assessment proceedings.

(a) *Scope.* Except in pending civil penalty assessment proceedings provided for in § 502.603, the Commission, when it has reason to believe a violation has occurred, may invoke the informal compromise procedures of this section.

(b) *Notice.* When the Commission considers it appropriate to afford an opportunity for the compromise of a civil penalty, it will, except when circumstances render it unnecessary, send a Notice of Violations (NOV) to the respondent by electronic and registered or certified mail, or by other means reasonably calculated to give notice. The NOV will describe specific violation(s) on which the claim is based, including the particular facts, dates, and other elements necessary for the respondent to identify the specific con-

duct constituting the alleged violation; the amount of the penalty demanded; and the names of Commission personnel with whom the demand may be discussed, if the person desires to compromise the penalty. The NOV also will state the deadlines for the institution and completion of compromise negotiations. If a compromise agreement is not reached between the parties and BEIC intends to recommend that the Commission institute a formal proceeding pursuant to § 502.63(a), then BEIC shall provide notice of its intent to the respondent and provide the respondent with the opportunity to make a written submission within 15 days for consideration by the Commission.

(c) *Request for compromise.* Any person receiving an NOV provided for in paragraph (b) of this section may, within the time specified, request opportunity for informal resolution, deny the violation, or submit materials explaining, mitigating, or showing extenuating circumstances, as well as make voluntary disclosures of information and documents.

(d) *Criteria for compromise.* In addition to the factors set forth in § 502.603(b), in compromising a penalty claim, the Commission may consider litigative concerns, the cost of collecting the claim, and enforcement policy.

(e) *Disposition of claims in compromise procedures.* (1) When a penalty is compromised and the respondent agrees to settle, a compromise agreement shall be executed by the respondent. This agreement, after reciting the nature of the claim, will include a statement evidencing the respondent's agreement to the compromise of the Commission's penalty claim for the amount set forth in the agreement and will also embody an approval and acceptance provision which is to be signed by the appropriate Commission official subsequent to Commission review under § 501.11, if any. Upon compromise of the penalty in the agreed amount, a duplicate original of the fully executed agreement shall be furnished to the respondent.

(2) Upon completion of the compromise, the Commission may issue a public notice thereof, the terms and language of which are not subject to negotiation.

Federal Maritime Commission

Pt. 502, Subpt. W, App. A

(f) Relation to assessment proceedings. Except by order of the Commission, no compromise procedure shall be initiated or continued after institution of a Commission assessment proceeding directed to the same violations. Any offer of compromise submitted by the respondent pursuant to this section shall be deemed to have been furnished by the respondent without prejudice and shall not be used against the respondent in any proceeding.

(g) Delegation of compromise authority. The compromise authority set forth in this subpart is delegated to the Director, Bureau of Enforcement, Investigations, and Compliance. The Director, Bureau of Enforcement, Investigations, and Compliance, has the authority to negotiate the terms of compromise agreements, provided that any compromise agreement shall not become effective until the Commission has had the opportunity to review pursuant to §501.11(f)(2). [Rule 604.]

[88 FR 23363, Apr. 17, 2023]

§502.605 Payment of penalty: Method; default.

(a) Method. Payment of penalties by the respondent is to be made by bank cashier's check or other instrument acceptable to the Commission.

(b) All checks or other instruments submitted in payment of claims shall be made payable to the Federal Maritime Commission.

(c) Default in payment. Where a respondent fails or refuses to pay a penalty properly assessed under §502.603, or compromised and agreed to under §502.604, appropriate collection efforts will be made by the Commission, including, but not limited to referral to the Department of Justice for collection. Where such defaulting respondent is a licensed ocean transportation intermediary, such default also may be grounds for revocation or suspension of the respondent's license, after notice and opportunity for hearing, unless such notice and hearing have been waived by the respondent in writing.
