

§ 455.3

some components of the vehicle,” “MANUFACTURER’S USED VEHICLE WARRANTY APPLIES,” and/or “OTHER USED VEHICLE WARRANTY APPLIES.”

If, following negotiations, you and the buyer agree to changes in the warranty coverage, mark the changes on the form, as appropriate. If you first offer the vehicle with a warranty, but then sell it without one, cross out the offered warranty and mark either the “As Is—No Dealer Warranty” box or the “Implied Warranties Only” box, as appropriate.

(3) *Service contracts.* If you make a service contract available on the vehicle, you must add the following heading and paragraph below the Non-Dealer Warranties Section and mark the box labeled “Service Contract,” unless offering such service contract is “the business of insurance” and such business is regulated by State law. See § 455.5 for the Spanish version of this disclosure.

SERVICE CONTRACT. A service contract on this vehicle is available for an extra charge. Ask for details about coverage, deductible, price, and exclusions. If you buy a service contract within 90 days of your purchase of this vehicle, *implied warranties* under your state’s laws may give you additional rights.

(c) *Name and Address.* Put the name and address of your dealership in the space provided. If you do not have a dealership, use the name and address of your place of business (for example, your service station) or your own name and home address.

(d) *Make, Model, Model Year, VIN.* Put the vehicle’s make (for example, “Chevrolet”), model (for example, “Corvette”), model year, and Vehicle Identification Number (VIN) in the spaces provided. You may write the dealer stock number in the space provided or you may leave this space blank.

(e) *Complaints.* In the space provided, put the name and telephone number of the person who should be contacted if any complaints arise after sale.

(f) *Optional Signature Line.* In the space provided for the name of the individual to be contacted in the event of complaints after sale, you may include a signature line for a buyer’s signature.

16 CFR Ch. I (1–1–24 Edition)

If you opt to include a signature line, you must include a disclosure in immediate proximity to the signature line stating: “I hereby acknowledge receipt of the Buyers Guide at the closing of this sale.” You may pre-print this language on the form if you choose.

[49 FR 45725, Nov. 19, 1984, as amended at 60 FR 62205, Dec. 5, 1995; 77 FR 73914, Dec. 12, 2012; 81 FR 81678, Nov. 18, 2016]

§ 455.3 Window form.

(a) *Form given to buyer.* Give the buyer of a used vehicle sold by you the window form displayed under § 455.2 containing all of the disclosures required by the Rule and reflecting the warranty coverage agreed upon. If you prefer, you may give the buyer a copy of the original, so long as that copy accurately reflects all of the disclosures required by the Rule and the warranty coverage agreed upon.

(b) *Incorporated into contract.* The information on the final version of the window form is incorporated into the contract of sale for each used vehicle you sell to a consumer. Information on the window form overrides any contrary provisions in the contract of sale. To inform the consumer of these facts, include the following language conspicuously in each consumer contract of sale:

The information you see on the window form for this vehicle is part of this contract. Information on the window form overrides any contrary provisions in the contract of sale.

§ 455.4 Contrary statements.

You may not make any statements, oral or written, or take other actions which alter or contradict the disclosures required by §§ 455.2 and 455.3. You may negotiate over warranty coverage, as provided in § 455.2(b) of this part, as long as the final warranty terms are identified in the contract of sale and summarized on the copy of the window form you give to the buyer.

§ 455.5 Spanish language sales.

(a) If you conduct a sale in Spanish, the window form required by § 455.2 and the contract disclosures required by § 455.3 must be in that language. You may display on a vehicle both an English language window form and a
