

§ 15.06

the agent will accept delivery and service of communications from the Commission. This agreement must be filed with the Commission by the reporting market prior to permitting the foreign clearing member or the foreign trader to clear or effect any transactions in futures or option contracts. Unless otherwise specified by the Commission, the agreements required to be filed with the Commission shall be filed with the Secretary of the Commission at Three Lafayette Centre, 1155 21st Street, NW., Washington, DC 20581.

(3) A foreign clearing member or a foreign trader shall notify the Commission immediately if the written agency agreement is terminated, revoked, or is otherwise no longer in effect. If the reporting market knows or should know that the agreement has expired, been terminated, or is no longer in effect, the reporting market shall notify the Secretary of the Commission immediately. If the written agency agreement expires, terminates, or is not in effect, the reporting market, the foreign clearing member and the foreign trader shall be subject to the provisions of paragraphs (i) and (i)(1) of this section.

§ 16.01 Publication of market data on futures, swaps and options thereon: trading volume, open contracts, prices, and critical dates.

(a) *Trading volume and open contracts.*

(1) Each reporting market, as defined in part 15 of this chapter, must separately record for each business day the information prescribed in paragraphs (a)(2)(i) through (vi) of this section for each of the following contract categories:

(i) For futures, by commodity and by futures expiration date;

(ii) For options, by underlying futures contracts for options on futures contracts or by underlying commodity for options on commodities, and by put, by call, by expiration date and by strike price;

(iii) For swaps or class of swaps, by product type and by term life of the swap; and

(iv) For options on swaps or classes of options on swaps, by underlying swap contracts for options on swap contracts or by underlying commodity for options on swaps on commodities, and by put, by call, by expiration date and by strike price.

(2) Each reporting market must record for each trading session the following trading volume and open interest summary data:

(i) The option delta, where a delta system is used;

(ii) The total gross open contracts for futures, excluding those contracts against which delivery notices have been stopped;

(iii) For futures products that specify delivery, open contracts against which delivery notices have been issued on that business day;

(iv) The total volume of trading, excluding transfer trades or office trades:

(A) For swaps and options on swaps, trading volume shall be reported in terms of the number of contracts traded for standard-sized contracts (*i.e.*, contracts with a set contract size for all transactions) or in terms of notional value for non-standard-sized contracts (*i.e.*, contracts whose contract size is not set and can vary for each transaction).

(B) [Reserved]

(v) The total volume of futures/options/swaps/swaptions exchanged for commodities or for derivatives positions that are included in the total volume of trading; and

(vi) The total volume of block trades included in the total volume of trading.

(b) *Prices.* (1) Each reporting market must record the following contract types separately

(i) For futures, by commodity and by futures expiration;

(ii) For options, by underlying futures contracts for options on futures contracts or by underlying commodity for options on commodities, and by
