

Minor Construction and Improvements Projects during FY 2023

Report to Congress
December 27, 2023

U.S. Coast Guard

Foreword

December 27, 2023

I am pleased to present the following report, “Minor Construction and Improvements Projects during FY 2023,” prepared by the U.S. Coast Guard.

Section 903 of title 14, United States Code, directs the submission of a report on each minor construction and improvement project undertaken with operation and support funding during the preceding fiscal year for which the amount expended exceeded \$1,000,000.

Pursuant to Congressional requirements, this report is provided to the following members of Congress:

The Honorable Maria Cantwell
Chair, Senate Committee on Commerce, Science, and Transportation

The Honorable Ted Cruz
Ranking Member, Senate Committee on Commerce, Science, and Transportation

The Honorable Sam Graves
Chairman, House Committee on Transportation and Infrastructure

The Honorable Rick Larsen
Ranking Member, House Committee on Transportation and Infrastructure.

I would be pleased to answer any further questions you may have, or your staff may contact my Senate Liaison Office at (202) 224-2913 or House Liaison Office at (202) 225-4775.

Sincerely,

Linda L. Fagan
Admiral, U.S. Coast Guard
Commandant

Minor Construction and Improvements Projects during FY 2023

I. Legislative Language

This report responds to the language set forth in Section 903 of title 14, U.S. Code, which states:

14 U.S.C. §903. USE OF CERTAIN APPROPRIATED FUNDS

(a) Funds appropriated to or for the use of the Coast Guard for procurement, construction, and improvement of facilities and for research and development shall remain available until expended.

(a) Funds appropriated to or for the use of the Coast Guard for procurement, construction, and improvement of facilities and for research and development shall remain available until expended.

(b) The Secretary may use any funds appropriated to or for the use of the Coast Guard for other construction purposes to restore, repair, or replace facilities that have been damaged or destroyed, including acquisition of sites.

(c) The Secretary may use any funds appropriated to or for the use of the Coast Guard for other construction purposes to acquire, construct, convert, extend, and install at Coast Guard installations and facilities, needed permanent or temporary public works, including the preparation of sites and the furnishing of appurtenances, utilities, and equipment, but excluding the construction of family quarters, costing not more than \$200,000 for any one project.

(d) Minor Construction and Improvement.-

(1) In general.-Subject to the reporting requirements set forth in paragraph (2), each fiscal year the Secretary may expend from amounts made available for the operations and support of the Coast Guard not more than \$1,500,000 for minor construction and improvement projects at any location.

(2) Report.-Not later than the date on which the President submits to Congress a budget under section 1105 of title 31 each year, the Secretary shall submit to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate a report describing each project carried out under paragraph (1), in the most recently concluded fiscal year, for which the amount expended under such paragraph for such project was more than \$1,000,000. If no such project was carried out during a fiscal year, no report under this paragraph shall be required with respect to that fiscal year.

II. Report

The following table provides location and description information for four construction and improvement projects executed in fiscal year 2023 that exceeded \$1 million. The total value of these projects was \$5.9 million.
