TITLE V—NATIONAL FOREST ORGANIZATIONAL CAMP FEE IMPROVEMENT ACT OF 2003

SEC. 501. [16 U.S.C. 6231 note] SHORT TITLE.

This title may be cited as the “National Forest Organizational Camp Fee Improvement Act of 2003”.

SEC. 502. [16 U.S.C. 6231] FINDINGS, PURPOSE, AND DEFINITIONS.

(a) FINDINGS.—Congress finds the following:

(1) Organizational camps, such as those administered by the Boy Scouts, Girl Scouts, and faith-based and community-based organizations, provide a valuable service to young people, individuals with a disability, and their families by promoting physical, mental, and spiritual health through activities conducted in a natural environment.

(2) The 192,000,0000 acres of national forests and grasslands of the National Forest System managed for multiple uses by the Forest Service provides an ideal setting for such organizational camps.

(3) The Federal Government should charge land use fees for the occupancy and use of National Forest System lands by such organizational camps that, while based on the fair market value of the land in use, also recognize the benefits provided to society by such organizational camps, do not preclude the ability of such organizational camps from utilizing these lands, and permit capital investment in, and maintenance of, camp

facilities by such organizational camps or their sponsoring organizations.

(4) Organizational camps should—

(A) ensure that their facilities meet applicable building and safety codes, including fire and health codes;

(B) have annual inspections as required by local law, including at a minimum inspections for fire and food safety; and

(C) have in place safety plans that address fire and medical emergencies and encounters with wildlife.

(b) **PURPOSE.**—It is the purpose of this Act to establish a land use fee system that provides for an equitable return to the Federal Government for the occupancy and use of National Forest System lands by organizational camps that serve young people or individuals with a disability.

(c) **DEFINITIONS.**—In this Act:

(1) The term “organizational camp” means a public or semipublic camp that—

(A) is developed on National Forest System lands by a nonprofit organization or governmental entity;

(B) provides a valuable service to the public by using such lands as a setting to introduce young people or individuals with a disability to activities that they may not otherwise experience and to educate them on natural resource issues; and

(C) does not have as its primary purpose raising revenue through commercial activities.

(2) The term “Secretary” means the Secretary of Agriculture, acting through the Chief of the Forest Service.

(3) The term “individual with a disability” has the meaning given the term in section 7(20) of the Rehabilitation Act of 1973 (29 U.S.C. 705(20)).

(4) The term “children at risk” means children who are raised in poverty or in single-parent homes or are subject to such circumstances as parental drug abuse, homelessness, or child abuse.

(5) The term “change in control” means—

(A) for a corporation, the sale or transfer of a controlling interest in the corporation;

(B) for a partnership or limited liability company, the sale or transfer of a controlling interest in the partnership or limited liability company; and

(C) for an individual, the sale or transfer or an organizational camp subject to this Act to another party.

SEC. 503. [16 U.S.C. 6232] FEES FOR OCCUPANCY AND USE OF NATIONAL FOREST SYSTEM LANDS AND FACILITIES BY ORGANIZATIONAL CAMPS.

(a) **LAND USE FEE.**—

(1) **PERCENTAGE OF LAND VALUE.**—The Secretary shall charge an annual land use fee for each organizational camp for its occupancy and use of National Forest System lands equal to 5 percent of the product of the following:

(A) The total number of acres of National Forest System lands authorized for the organizational camp.

(B) The estimated per-acre market value of land and buildings in the county where the camp is located, as reported in the most recent Census of Agriculture conducted by the National Agricultural Statistics Service.

(2) ANNUAL ADJUSTMENT.—The land use fee determined under paragraph (1) for an organizational camp shall be adjusted annually by the annual compounded rate of change between the two most recent Censuses of Agriculture.

(3) REDUCTION IN FEES.—

(A) TYPE OF PARTICIPANTS.—The Secretary shall reduce the land use fee determined under paragraph (1) proportionate to the number of individuals with a disability and children at risk who annually attend the organizational camp.

(B) TYPE OF PROGRAMS.—After making the reduction required by subparagraph (A), the Secretary shall reduce the remaining land use fee amount by up to 60 percent, proportionate to the number of persons who annually attend the organizational camp who participate in youth programs through organized and supervised social, citizenship, character-building, or faith-based activities oriented to outdoor-recreation experiences.

(C) RELATION TO MINIMUM FEE.—The reductions made under this paragraph may not reduce the land use fee for an organizational camp below the minimum land use fee required to be charged under paragraph (4).

(D) SPECIAL CONSIDERATIONS.—For purposes of determining the amount of the land use fee reduction required under subparagraph (A) or (B), the Secretary may not take into consideration the existence of sponsorships or scholarships to assist persons in attending the organizational camp.

(4) MINIMUM LAND USE FEE.—The Secretary shall charge a minimum land use fee under paragraph (1) that represents, on average, the Secretary's cost annually to administer an organizational camp special use authorization in the National Forest Region in which the organizational camp is located. Notwithstanding paragraph (3) or subsection (d), the minimum land use fee shall not be subject to a reduction or waiver.

(b) FACILITY USE FEE.—

(1) PERCENTAGE OF FACILITIES VALUE.—If an organizational camp uses a Government-owned facility on National Forest System lands pursuant to section 7 of the Act of April 24, 1950 (commonly known as the Granger-Thye Act; 16 U.S.C. 580d), the Secretary shall charge, in addition to the land use fee imposed under subsection (a), a facility use fee equal to 5 percent of the value of the authorized facilities, as determined by the Secretary.

(2) REDUCTION IN FEES PROHIBITED.—Notwithstanding subsection (d), the facility use fees determined under paragraph (1) shall not be subject to a reduction or waiver.

(c) FEE RELATED TO RECEIPT OF OTHER REVENUES.—If an organizational camp derives revenue from the use of National Forest System lands or authorized facilities described in subsection (b) for

purposes other than to introduce young people or individuals with a disability to activities that they may not otherwise experience and to educate them on natural resource issues, the Secretary shall charge, in addition to the land use fee imposed under subsection (a) and the facility use fee imposed under subsection (b), an additional fee equal to 5 percent of that revenue.

(d) **WORK-IN-LIEU PROGRAM.**—Subject to subsections (a)(4) and (b)(2), section 3 of the Federal Timber Contract Payment Modification Act (16 U.S.C. 539f) shall apply to the use fees imposed under this section.
