## REPORT

REVIEW NO. 10-6294

The Board of the Office of Congressional Ethics (the "Board"), by a vote of no less than four members, on July 23, 2010, adopted the following report and ordered it to be transmitted to the Committee on Standards of Official Conduct of the United States House of Representatives.

**SUBJECT:** Representative G. K. Butterfield

**NATURE OF THE ALLEGED VIOLATION:** In 2009, Representative G. K. Butterfield participated in a Congressional Delegation to Lithuania. During the trip, he received a travel per diem for meals and incidental expenses with an approximate value of \$800.00. Public statements attributed to Representative Butterfield indicated that he may have retained excess per diem. In addition, these public statements indicate that he may have retained excess per diems on other trips.

If Representative Butterfield's actual meal and incidental expenses during a CODEL were less than the per diem received and he did not return the excess per diem, he may have violated House Rule 10, clause 8, House Rule 23, clauses 1 and 2.

**RECOMMENDATION:** The Board recommends that the Committee on Standards of Official Conduct further review the above allegations.

**VOTES IN THE AFFIRMATIVE:** 6

**VOTES IN THE NEGATIVE:** 0

**MEMBER OF THE BOARD OR STAFF DESIGNATED TO PRESENT THIS REPORT TO THE COMMITTEE ON STANDARDS OF OFFICIAL CONDUCT:** Leo Wise, Staff Director & Chief Counsel.

## FINDINGS OF FACT AND CITATIONS TO LAW

Review No. 10-6294

On July 23, 2010, the Board of the Office of Congressional Ethics (the “Board”) adopted the following findings of fact and accompanying citations to law, regulations, rules and standards of conduct (*in italics*). The Board notes that these findings do not constitute a determination of whether or not a violation actually occurred.

### I. INTRODUCTION

1. The Rules of the 111th Congress were adopted by the U.S. House of Representatives on January 6, 2009. Rule 10, clause 8, provides that House Members and staff on official foreign travel receive reimbursement for their official expenses at the lesser of (1) the applicable per diem; or (2) the actual expenses incurred. The Rules of the 110th Congress included the identical provision.<sup>1</sup> By this rule, Members of the House imposed on themselves a requirement that per diem in excess of actual expenses is to be returned. The Speaker of the House recently underscored this requirement and restated the rule that “[a]ny per diem provided to members or staff is intended to be expended only for official purposes related to the trip. Excess funds are to be returned to the Treasury. . . .”<sup>2</sup>

2. During this Review, various committees which authorize foreign travel and the U.S. Department of State all informed the Office of Congressional Ethics (“OCE”) that many Members and staff use per diem properly, comply with the rule and return excess per diem. The House Committee on Foreign Affairs, the House Committee on Armed Services, the Commission Security and Cooperation in Europe, and the Bureau of Legislative Affairs of the U.S. Department of State each has staff responsible for collecting and recording the return of excess per diem from Members and staff. According to the officials, Members and staff routinely return excess per diem to these entities.<sup>3</sup>

3. Notwithstanding the rule and the compliance by many Members and staff, several Members claimed that it is common practice by some to use per diem for purposes other than official expenses and to retain excess per diem. While this practice may seem to be

consistent with the rationale for a per diem approach to covering travel expenses without need for itemized accounting, it nonetheless appears to be contrary to the rule the House adopted and with which many Members evidently do comply. The Board determined that fairness dictates upholding the standard stated in the rule and adhered to by many, rather than excusing a practice of noncompliance, however pervasive.

4. Representative Butterfield acknowledged publically before the commencement of the OCE's Review that he did not return excess per diem.<sup>4</sup> During the Review, he acknowledged that he used per diem for expenses other than meals and incidentals, indicating that he had excess per diem.<sup>5</sup>

#### A. SUMMARY OF ALLEGATIONS

5. Based on the information before the Office of Congressional Ethics ("OCE"), there is substantial reason to believe that Representative G.K. Butterfield may have violated House Rule 10, clause 8; House Rule 23, clauses 1 and 2, by retaining excess per diem when his actual meal and incidental expenses were less than the per diem that he received during various Congressional Delegation trips ("CODELs").

#### B. JURISDICTIONAL STATEMENT

6. The allegations that were the subject of this Review concern Representative Butterfield, a Member of the United States House of Representatives from the 1st District of North Carolina. The Resolution the United States House of Representatives adopted creating the OCE directs that, "[n]o review shall be undertaken . . . by the board of any alleged violation that occurred before the date of adoption of this resolution." The House adopted this Resolution on March 11, 2008. Therefore, the conduct under Review occurred after March 11, 2008.

#### C. PROCEDURAL HISTORY

7. The OCE received a written request for a preliminary review in this matter signed by at least two members of the Board on April 12, 2010. The preliminary Review commenced on April 13, 2010. The preliminary Review was scheduled to end on May 13, 2010.

8. At least three members of the Board voted to initiate a second-phase Review in this matter on May 11, 2010. The second phase Review commenced on May 14, 2010.<sup>6</sup> The second-phase Review was scheduled to end on June 28, 2010.

9. The Board voted to extend the 45-day second-phase Review by an additional 14 days on June 21, 2010, as provided for under H.

<sup>5</sup> Memorandum of Interview of Representative G.K. Butterfield, June 24, 2010 ("Butterfield MOI") (Exhibit 6 at 10-6294\_022).

<sup>6</sup> According to the Resolution, the Board must vote on whether to conduct a second-phase review in a matter before the expiration of the 30-day preliminary review. If the Board votes for a second-phase, the second-phase begins when the preliminary review ends. The second-phase review does not begin on the date of the Board vote.

Res 895. Following the extension, the second-phase Review was scheduled to end on July 12, 2010.<sup>7</sup>

10. Representative Butterfield submitted a written statement to the Board, under Rule 9(B) of the OCE's Rules for the Conduct of Investigations, on July 19, 2010.<sup>8</sup>

11. The Board voted to refer the matter to the Committee on Standards of Official Conduct for further Review and adopted these findings on July 23, 2010.

12. This report and findings in this matter were transmitted to the Committee on Standards of Official Conduct on July 30, 2010.

#### D. SUMMARY OF INVESTIGATIVE ACTIVITY

13. The OCE requested documentary and testimonial information from the following sources:

- (1) Representative Butterfield;
- (2) Commission on Security and Cooperation in Europe ("CSCE");
- (3) CSCE Office Manager;
- (4) House Committee on Foreign Affairs;
- (5) House Committee on Foreign Affairs Travel Coordinator;
- (6) House Committee on Armed Services;
- (7) House Committee on Armed Services Travel Coordinator;
- (8) Bureau of Legislative Affairs of the United States Department of State; and
- (9) United States Air Force Congressional Liaison Office.

## II. THERE IS SUBSTANTIAL REASON TO BELIEVE THAT REPRESENTATIVE BUTTERFIELD RECEIVED PER DIEM IN EXCESS OF HIS ACTUAL MEAL AND INCIDENTAL EXPENSES DURING CERTAIN CODELS AND RETAINED THE EXCESS PER DIEM

14. The Board recognizes that the per diem rule contained in House Rule 10, clause 8 is under the jurisdiction of the House Committee on Rules.

15. Based on the facts presented before the Board, the allegations in this Review also implicate House Rule 23, clauses 1 and 2, which are under the jurisdiction of the Committee on Standards of Official Conduct.

16. Regardless of which committee the House determines to appropriately address these issues, the OCE has jurisdiction to Review alleged violations of "any law, rule, regulation, or other standard of conduct applicable to the conduct of [a] Member, officer, or employee in the performance of his duties or the discharge of his responsibilities."<sup>9</sup>

### A. APPLICABLE LAW, RULES, AND STANDARDS OF CONDUCT

#### 1. HOUSE RULES

#### *17. Pursuant to House Rule 10, clause 8(b):*

<sup>7</sup>*Id.* at § 1(c)(2)(A)(ii) (2008).

<sup>8</sup>Letter from Representative Butterfield to Chairman David Skaggs and Co-Chairman Porter J. Goss, dated July 19, 2010. (Exhibit 7 at 10-6294-026).

<sup>9</sup>H. Res. 895 of the 110th Congress, as amended, Section 1(c)(1)(A).

*“The following conditions shall apply with respect to travel outside the United States or its territories or possessions . . .*

*(2) A member or employee shall be reimbursed for the expenses of such individual for a day at the lesser of—*

*(A) the per diem set forth in applicable Federal law; or*

*(B) the actual, unreimbursed expenses (other than for transportation) incurred during that day.”*

18. Pursuant to House Rule 23, clause 2:

*“A Member, Delegate, Resident Commissioner, officer, or employee of the House shall adhere to the spirit and the letter of the Rules of the House and to the rules of duly constituted committees thereof.”*

19. Pursuant to House Rule 23, clause 1:

*“A Member, Delegate, Resident Commissioner, officer, or employee of the House shall conduct himself at all times in a manner that shall reflect credibility on the House.”*

## 2. FEDERAL TRAVEL REGULATION AND OTHER GUIDANCE

20. House Rule 10, clause 8(b), incorporates by reference Federal law governing the use of per diem. Specifically, Public Law 95-384 governs per diem provided to congressional travelers. Per diem rates are established under 5 U.S.C. § 5702 and the Federal Travel Regulation, 41 C.F.R. chs. 300-304.

21. The “per diem allowance (also referred to as subsistence allowance) is a daily payment instead of reimbursement for actual expenses for **lodging, meals, and related incidental expenses**. The per diem allowance is separate from transportation expenses and other miscellaneous expenses.”<sup>10</sup>

22. Lodging expenses include “expenses, except lodging taxes in the United States, for overnight sleeping facilities, baths, personal use of the room during daytime, telephone access fee, and service charges for fans, air conditioners, heaters, and fires furnished in the room when such charges are not included in the room rate.”<sup>11</sup>

23. Meal expenses are “expenses for breakfast, lunch, dinner and related tips and taxes (specifically excluded are alcoholic beverage and entertainment expenses, and any expenses incurred for other persons).”<sup>12</sup>

24. Incidental expenses are “(1) Fees and tips given to porters, baggage carriers, bellhops, hotel maids, stewards or stewardesses and others on ships, and hotel servants in foreign countries; (2) Transportation between places of lodging or business and places where meals are taken, if suitable meals cannot be obtained at the TDY site; and (3) Mailing cost associated with filing travel vouchers and payment of Government sponsored charge card billings.”<sup>13</sup>

25. “Per Diem consists of two components: the lodging rate and the M&IE. Per diem rates are established by the Department of State for foreign cities. The foreign per diem rates are established monthly by the Department of State based on actual reported costs of hotel, meals and incidental expenses in individual cities around the world. Therefore, routine expenses are usually well within the

<sup>10</sup> 41 C.F.R. § 300-3.1 (emphasis added).

<sup>11</sup> *Id.*

<sup>12</sup> *Id.*

<sup>13</sup> *Id.*

*per diem rates and it is sufficient to authorize per diem payments based on those rates.”*<sup>14</sup>

26. Under the Federal Travel Regulation, the allocation of meals and incidental expenses (“M&IE”) rates that are used in making deductions from the M&IE are as follows: 15% for breakfast, 25% for lunch, 40% for dinner, and the remainder for incidental expenses. For example, if the M&IE for a specific city was \$100 per day, it was allocated as \$15 for breakfast, \$25 for lunch, \$40 for dinner, and \$20 for incidental expenses.<sup>15</sup>

27. According to The United States Department of State Bureau of Legislative Affairs Official Foreign Travel Guide published for the U.S. Congress, Members are advised the following:

#### Questions and Answers

**Q** What do I do if I received more travel funds than I needed?

**A** It depends. If you traveled on a per diem allowance (the set rates) you may keep any “excess” funds, though your authorizing committee may have their own specific rules.

If you received funds in excess of that allowance (because actual costs were anticipated to exceed the allowance) you must itemize your expenses and reconcile any differences with the congressional office that authorized your travel. Unused per diem funds, authorized on an enhanced or actual cost basis, must be returned to the Department of State by personal check in U.S. dollars, made payable to the U.S. Treasury or to the Treasurer of the United States.

28. *The House has adopted a general rule for all committees that per diem allowance (the set rates) in excess of actual expenses may not be retained.*<sup>16</sup>

#### B. REPRESENTATIVE BUTTERFIELD MADE PUBLIC STATEMENTS INDICATING THAT HE MAY HAVE RETAINED EXCESS PER DIEM

29. On March 2, 2010, the *Wall Street Journal* published an article entitled “Lawmakers Keep the Change.”<sup>17</sup>

30. Representative Butterfield’s statements in the article indicate that he may have retained excess per diem that he received during the CODELs.

31. According to the article: “Mr. Butterfield said that he didn’t recall if he had any leftover funds, and that he sometimes kept the extra cash.” “I won’t deny that sometimes I have a little left, but it’s not much—maybe 80, 90, or 100 dollars,” said Rep. G.K. Butterfield (D., N.C.)”<sup>18</sup>

32. Representative Butterfield told the OCE that these quotes are not completely accurate. He explained that it is accurate that he does not know if he had any “significant” leftover funds. However, he does not recall characterizing such funds as “80, 90, or 100 dollars.”<sup>19</sup>

C. REPRESENTATIVE BUTTERFIELD'S USE OF PER DIEM FOR EXPENSES OTHER THAN MEALS AND INCIDENTALS PROVIDES SUBSTANTIAL REASON TO BELIEVE THAT HE HAD EXCESS PER DIEM AND HE DID NOT RETURN EXCESS PER DIEM

33. Representative Butterfield used per diem for expenses other than his personal lodging, meals, and incidentals.

34. He told the OCE that during CODELs, he has typically attended dinners with Congressional staff, where he and other Members paid for the costs of staff dinners.<sup>20</sup>

35. He recalls an instance where the bill for a meal was "shockingly" expensive and he suggested that Members cover the costs for staff.<sup>21</sup>

36. He had also purchased gifts and souvenirs with the per diem. He purchased such souvenirs for himself, family, and occasionally staff.<sup>22</sup>

37. Representative Butterfield's use of the per diem for purposes other than his personal meals and incidental expenses suggests that his actual meal and incidental expenses were less than the per diem that he received.

38. As a result, there is substantial reason to believe that Representative Butterfield had excess per diem after certain CODELs.

D. ESTIMATES OF REPRESENTATIVE BUTTERFIELD'S MEAL AND INCIDENTAL EXPENSES PROVIDE SUBSTANTIAL REASON TO BELIEVE THAT HIS EXCESS PER DIEM WAS MORE THAN A *DE MINIMIS* amount for certain codels

39. Representative Butterfield told the OCE that he did not keep a complete record of expenses that he incurred on CODELs that he attended during the time period from March 2008 to May 2010.<sup>23</sup>

40. Based on the information before the OCE, the exact amount of his meal and incidental expenses for each CODEL is unknown.

41. Consequently, the OCE used an estimate of expenses to determine whether it appeared that Representative Butterfield retained excess per diem that was more than a *de minimis* amount.

42. The OCE Board notes that the sole purpose of the estimated meal and incidental expenses is to determine if there is substantial reason to believe that the Member had excess per diem that was more than a *de minimis* amount. The estimates are not intended to be used to conclude the exact amount of any excess per diem that the Member may have retained.

43. If an estimate is not used, a House Member or staff could impede the enforcement of Rule 10, clause 8, by simply not maintaining any records of his or her actual expenses.

44. Representative Butterfield's description of his typical meal and incidental expenses provided the basis for estimating his expenses.

45. Representative Butterfield's meals during CODELs falls into the following three categories:

<sup>20</sup> *Id.* at 10-6294\_022.

<sup>21</sup> *Id.*

<sup>22</sup> *Id.*

<sup>23</sup> *Id.* at 10-6294\_023.

(a) meals that were provided to him at no charge. These meals include working lunches, and official dinners that were hosted as part of the official events of the CODELs.<sup>24</sup> Representative Butterfield stated that most meals fall under this category;

(b) meals that were paid for by military personnel escorting the CODEL Representative Butterfield later reimbursed. These are the meals where multiples Members of Congress and staff attend and the military escort (e.g., U.S. Air Force official) paid for the dinner on behalf of all participants and then sent an invoice to each person for their portion of the bill. Occasionally, he will reimburse the escort with per diem while on the return flight to the U.S.;<sup>25</sup> and

(c) meals that Representative Butterfield directly paid for himself. He explained that such meals usually occurred as evening meals.<sup>26</sup>

46. With respect to incidental expenses, Representative Butterfield used per diem for taxis, however, most ground transportation was provided to him at no cost. He also used the per diem for laundry and other miscellaneous items that he cannot recall.<sup>27</sup>

47. As a result, the invoice received from the military escorts for each CODEL, along with the itinerary of meals that were provided at no charge to Representative Butterfield, provided an estimate of his meal expenses other than occasional evening meals that he purchased directly himself.

#### E. REPRESENTATIVE BUTTERFIELD DID NOT RETURN ANY EXCESS PER DIEM FOR MEALS AND INCIDENTAL EXPENSES

48. Representative Butterfield did not return any unused per diem for meal and incidental expenses as he does not know if he had any excess per diem after any CODEL. He does not acknowledge that he had any significant amount of excess per diem after any CODEL. He cannot quantify if such amount were between "\$10 to \$500".<sup>28</sup>

49. Procedures were in place at the time of Representative Butterfield's travel for him to return any excess per diem.

50. All of the relevant CODELs that Representative Butterfield attended were organized by the Commission on Security and Cooperation in Europe ("CSCE"), except CODEL Rush.

51. The Office Manager of the CSCE is responsible for reporting the amount of per diem that Members received, and recording any excess per diem that Members of Congress or staff returned. He told the OCE that he has received excess per diem from Representatives and staff for various CODELs, which was returned to him by checks made payable to the U.S. Treasury.<sup>29</sup>

<sup>29</sup> CSCE Office Manager MOI (Exhibit 2 at 10-6294\_005).

52. The Office Manager forwards the checks to a specific person at the U.S. Department of State who is responsible for receiving returns of excess per diem.<sup>30</sup>

53. There is substantial reason substantial reason to believe that Representative Butterfield had excess per diem for certain CODELs and he did not return per diem, even when there were procedures in place for him to return the per diem.

54. Although, the available evidence does not establish the exact amount of actual expenses for Representative Butterfield's CODELs, after estimating meal and incidental expenses, there is substantial reason to believe that Representative Butterfield retained excess per diem from the following CODELs:

<b>Summary of Estimated Excess Per Diem</b>

55. During CODEL Hastings to the United Kingdom, Kazakhstan, Pakistan, and Italy, Representative Butterfield received an enhanced per diem of \$1,108.00.<sup>33</sup>

57. Representative Butterfield' meal and incidental expenses are estimated on the Federal Travel Regulations allocation formula.<sup>35</sup>

58. The estimated amount of meals and incidental expenses is \$649.00.

59. Accordingly, the estimated excess per diem is \$459.00.

66. There is substantial reason to believe that Representative Butterfield had excess per diem for CODEL Hastings that he did not return to the U.S. Treasury.

### 3. CODEL CARDIN

67. During CODEL Cardin to Bosnia, Lithuania, and Belarus, Representative Butterfield only traveled to Lithuania. He received an enhanced per diem for meals and incidental expenses in the amount of \$800.00.<sup>39</sup>

68. According to the itinerary for CODEL Cardin, at least fourteen meals appear to have been provided at no cost to Representatives who participated during the five days in Lithuania.<sup>40</sup>

<sup>39</sup> See Letter from the Speaker of the House to the Secretary of State dated June 19, 2009 (Exhibit 12 at 10-6294\_067); Itinerary for CODEL Cardin (June 28 to July 3, 2009) (Exhibit 13 at 10-6294\_070-080); monthly per diem rates established by the Office of Allowances, United States Department of State <available at [http://aoprals.state.gov/web920/per\\_diem.asp](http://aoprals.state.gov/web920/per_diem.asp)>.

#### 4. CODEL RUSH

75. During CODEL Rush to Liberia, Ghana, South Africa, and Morocco, Representative Butterfield received per diem for meals and incidental expenses the amount of \$1,050.00.<sup>43</sup>

76. Representative Butterfield's daughter attended the CODEL. Per diem is only for a Representative's personal lodging, meals, and incidental expenses and cannot be used for expenses incurred on behalf of a Representative's child.

79. Representative Butterfield paid the \$732.92, but did not use per diem to pay for the amount for his daughter. His expenses for which he allocated per diem were \$208.57.<sup>46</sup>

80. The M&IE per diem remaining after the billed meal expenses is \$841.43.

81. Representative Butterfield may have incurred meal and incidental expenses in addition to those owed to the military escort.

These additional expenses are estimated on the Federal Travel Regulations allocation formula.<sup>47</sup>

83. Accordingly, the estimated excess per diem is \$405.00.

84. As a result, there is substantial reason to believe that Representative Butterfield's per diem exceed his actual expenses for CODEL Rush that he did not return to the U.S. Treasury.

### III. CONCLUSION

85. Pursuant to House Rule 10, clause 8, House Members imposed on themselves a restriction on the use of per diem for foreign travel. Specifically, House Members and staff may receive reimbursement for expenses that is *the lesser of*: (1) the applicable per diem; or (2) actual expenses.

86. Pursuant to House Rule 23, clause 2, House Members must adhere to the spirit and the letter of the rules. Accordingly, House Rule 10, clause 8, requires the return to the U.S. Treasury of any per diem that a Member receives that is in excess of the Member's actual expenses.

87. Pursuant to House Rule 23, clause 1, House Members must conduct themselves at all times in a manner that shall reflect credibility on the House. Representative Butterfield's public statements indicate that he may have retained excess per diem. As a result, if there is a violation, it implicates House Rule 23, clause 1 because it may be considered flagrant.<sup>48</sup>

88. Based on the information available to the OCE during this Review, Representative Butterfield's meals and incidental expenses were less than the per diem he received to cover these expenses during the following CODELs: CODEL Hastings (2008); CODEL Hastings (2008); CODEL Cardin; and CODEL Rush.

<sup>47</sup> 41 C.F.R. ch. 301 App. B.

<sup>48</sup> Insert cite to House Ethics Manual.

89. Based on the information available to the OCE during this Review, Representative Butterfield did not return any excess per diem for meal and incidental expenses. Therefore, there is substantial reason to believe that he may have violated House Rule 10, clause 8; House Rule 23, clauses 1 and 2.<sup>49</sup>

90. For these reasons, the Board recommends that the Committee on Standards of Official Conduct further Review the above described allegations concerning Representative Butterfield.

#### IV. INFORMATION THE OCE WAS UNABLE TO OBTAIN

91. The OCE requested information from the U.S. Department of State concerning letters of authorization for certain CODELs and records of Representative Butterfield returning excess per diem. The U.S. Department of State was cooperative with retrieving the information but was unable to acquire proper authorization to release the documents to the OCE before the end of this Review.

92. The OCE requested information from the U.S. Air Force Congressional Liaison Office concerning meal and other expenses incurred on behalf of Representative Butterfield and reimbursed by Representative Butterfield. The U.S. Air Force Congressional Liaison Office was cooperative with discussing the information with OCE staff but was unable to acquire proper authorization to release the documents to the OCE before the end of this Review.

The Honorable Ike Skelton, Chairman  
House Committee on Armed Services  
2121 Rayburn HOB  
Washington, D.C. 20515

Dear Mr. Chairman:

Following our recent conversation at the Chairmen's meeting, I would like to provide you with the following restatement of rules concerning the authorization by Chairmen of travel by Members and staff:

- A Member of the committee seeking authorization to travel for oversight purposes must do so in writing to the Chairman. An itinerary of the proposed trip must be included, as well as a statement describing the purpose of the travel. Should commercial travel be contemplated, the estimated cost of airline tickets as provided by CATO must also be included;
- For all Members and staff, international or domestic official travel via commercial air may only be booked in coach/economy class consistent with Executive Branch guidelines. Requests for exceptions to this policy due to special circumstances should be submitted in writing to the Office of Interparliamentary Affairs prior to commencement of the travel. As a general rule, business-class accommodations will only be authorized if the scheduled flight time is in excess of 14 hours, consistent with rules established by the Departments of Defense and State;
- Any per diem provided to Members or staff is intended to be expended only for official purposes related to the trip. Excess funds are to be returned to the Treasury;
- Requests for enhanced per diem must explain the justification for the request and must be submitted by the Member leading the delegation to the Office of Interparliamentary Affairs prior to departure. Executive Branch guidelines will apply to enhanced per diem;
- Foreign travel should be authorized only when it is necessary to facilitate the work of the Committee;

- Chairmen may authorize travel only for Members and staff of their committee. Spouses of Members may travel when necessary for protocol purposes only and at no cost to the federal government. Staff support for travel must be requested with the authorization to travel, and staff support must be provided by committee staff only. Personal staff is not authorized to travel and should not be added to Committee staff for the primary purpose of qualifying for status as Committee employees;
- If a Member of the committee does not have a spouse, an adult child (18 years of age and older) of the Member may be authorized to travel when necessary for protocol purposes only and on the same basis as a spouse.
- If a Member of the committee has a spouse, but the spouse is unavailable for travel, authorization for an adult child (18 years of age and older) of the Member to travel with the Member may be given on the same basis as a spouse.
- Per Department of Defense policy, committee or leadership letters requesting additional travelers should contain the travelers name and specify their relationship (spouse, adult child) to the Member they are accompanying;
- All travel must be led by a Majority party Member of the committee and efforts to ensure that the travel is bipartisan must be documented;
- The availability of Department of Defense aircraft to support congressional travel is extremely limited. A bipartisan, minimum number of Members, varying by the type of aircraft assigned, will be required. Requests for Department of Defense aircraft must be made through the Office of Interparliamentary Affairs. Committees should not contact the Department of Defense directly;
- Member travel is to be conducted only during times when the House is not in session and is not to interfere with representational responsibilities; and
- Committees must file, on a quarterly basis with the Clerk of the House, reports disclosing all expenditures for travel and the purpose of those expenditures.

Please contact the Office of Interparliamentary Affairs at ext. 6-████ with any questions or concerns. The staff is available to provide guidance regarding travel matters.

Thank you for your attention to this matter.

best regards,

NANCY PELOSI  
Speaker of the House

IN RE: Commission on Security and Cooperation in Europe Office Manager  
REVIEW Nos.: 10-0754; 10-1170; 10-5477; 10-6264; 10-7960; and 10-8483  
DATE: June 3, 2010  
LOCATION: Office of Congressional Ethics  
425 3<sup>rd</sup> Street, SW  
Washington, DC 20515  
TIME: 3:30 p.m. to 4:10 p.m. (approximately)  
PARTICIPANTS: Kedric L. Payne  
Elizabeth A. Horton  
Marlene M. Kaufman, General Counsel, Commission on Security and  
Cooperation in Europe

**SUMMARY:** The Commission on Security and Cooperation in Europe (“CSCE”) Office Manager was interviewed pursuant to Review Nos. 10-0754; 10-1170; 10-5477; 10-6264; 10-7960; and 10-8483. We requested an interview with the CSCE Office Manager (the “witness”) and he consented to an interview. The witness made the following statements in response to our questioning:

1. The witness was given an 18 U.S.C. § 1001 warning and consented to an interview. He signed a written acknowledgement of the warning, which will be placed in the case file in this review.
2. As the CSCE Office Manager, the witness is the trip coordinator. His duties include preparing authorization letters for travel, working with Congressional Travel Office of the U.S. Department of State, and corresponding with the relevant U.S. Embassies.
3. He also prepared and filed the foreign travel disclosure reports with the Clerk of the House of Representatives following CODELS. Information in these reports included the House Members who traveled, dates of travel, and countries visited.
4. In addition, the reports include information on the amount of per diem received and if excess per diem was returned.
5. The witness collected checks payable to the U.S. Treasury from anyone returning per diem and he gave the checks to the U.S. Department of State.

## CONFIDENTIAL

Subject to the Nondisclosure Provisions of H. Res. 895 of the 110th Congress as Amended

6. He provided the checks to the individual in the U.S. Department of State who was responsible for collecting returned per diem. He identified this person as Constance Austin.
7. The witness explained that enhanced per diem, as much as an additional \$50 per day, was provided to those traveling, if requested by a Member in an authorization letter. Such requests are typically approved. Out of the various Congressional Delegations ("CODELS") and Staff Delegations ("STAFFDELS") where he has been involved, the witness estimated that less than half had an enhanced per diem.
8. The witness believes that the per diem is to be used by Members for their official expenses, such as meals and incidentals. Examples of incidentals are cabs from the airport to the hotel.
9. The witness does not provide any guidance to Members on how to use per diem. Although, his personal reading of the law is that it does not specifically state that unused per diem should be returned, he does not give any guidance to Members or staff about a requirement to return per diem.
10. House Members and staff return unused per diem. He roughly estimated that 35% or 40% returned unused per diem.
11. For CODEL Cardin to Kazakhstan, Italy, and the United Kingdom from June 27 to July 3, 2008, he does not believe that any House Members or staff returned any unused per diem.
12. For CODEL Hastings to Bosnia and Herzegovina, and Lithuania from June 26 to July 3, 2009, the witness does not believe that any House Members or staff returned any unused per diem.

I certify that this memorandum contains all pertinent matter discussed with the witness on June 3, 2010.

 REVIEW No.: 10-0754; 10-1170; 10-5477; 10-6264; 10-7960; and 10-8483  
 DATE: June 2, 2010  
 LOCATION: 2170 Rayburn HOB

 TIME: 2:00 p.m. to 2:45 p.m. (approximately)  
 PARTICIPANTS: Kedric L. Payne  
 Elizabeth A. Horton  
 Daniel Silverberg, Senior Deputy Counsel, House Committee on Foreign  
 Affairs

**SUMMARY:** The Travel Coordinator for the House Committee on Foreign Affairs (the "witness") was interviewed pursuant to Review Nos. 10-0754; 10-1170; 10-5477; 10-6264; 10-7960; and 10-8483. We requested an interview with the witness and she consented to an interview. The witness made the following statements in response to our questioning:

1. The witness was given an 18 U.S.C. § 1001 warning and consented to an interview. She signed a written acknowledgement of the warning, which will be placed in the case file in this review.
2. The witness has been the Travel Coordinator for the Committee for approximately one year and two months.
3. Prior to her employment with the Committee, she was an intern with the Committee.
4. As Travel Coordinator, she is a liaison between the United States Department of State ("State Department") Travel Office and the Committee. She handles correspondence to the relevant U.S. Embassies. She also creates post-trip travel reports.
5. There are two reporting requirements. First, reports are created within fourteen days that a Member of Congress or staff returns from a trip. The report includes lodging receipts and per diem receipts. Second, quarterly travel reports are filed with the Clerk of the House of Representatives.
6. Prior to Speaker Nancy Pelosi's restatement of the travel rooms in May 2010, the Committee always requested enhanced per diem for Member travel. Enhanced per diem is now approved by the Inter-Parliamentary Affairs Office.

## CONFIDENTIAL

---

Subject to the Nondisclosure Provisions of H. Res. 895 of the 110th Congress as Amended

7. The Committee does not provide written or oral guidance to Members of Congress about how per diem should be used. The witness believes that it is understood among Members that per diem is for meals and incidental expenses, such as transportation. She also believes that it is understood that per diem is not to be used for gifts and souvenirs.
8. The witness based her understanding of the use of per diem on information that the State Department published on its website.
9. After returning from foreign travel, Members and staff are to provide her with all hotel receipts, per diem receipts, and checks to the U.S. Treasury for any unused per diem. The witness emails Members and staff to request this information from Members and staff.
10. Prior to foreign trip, she sends an email to those who are traveling who may not be familiar with the information that she will need following the trip. The email explains that she will need hotel receipts, per diem receipts, and checks to the U.S. Treasury for any unused per diem. However, most Members who travel are familiar with what is required after a trip and therefore she does not send them an email.
11. Any checks from Members or staff to the U.S. Treasury for unused per diem was retained in the Committee files. Therefore, if no such checks were produced in response to the OCE's Request for Information about CODEL Engel, it is reasonable to conclude that no such checks exist.
12. The report that is completed by Members for the Committee after they return from foreign travel is called a Form 11C. Form 11C notes the amount of per diem that the Member received and if any unused per diem was returned.
13. The witness explained that after CODEL Engel in February 2009, Congressman Eliot L. Engel Form submitted the 11C form twice. The first form was dated March 1, 2009 (HFAC 0024), but was amended by a form dated October 1, 2009 (HFAC 0115). The amount of per diem issued for travel to Jamaica was changed in the second form.
14. The witness explained that the Form 11C is the form that is received within 14 days after the Member has returned from the trip. This Form is used to complete the quarterly travel report that is sent to the Clerk of the House.
15. The per diem amount that was listed in the quarterly report is equal to the amount of the per diem issued to a Member or staff minus the amount of unused per diem returned.
16. The witness estimated that approximately 50% of travelers returned unused per diem. She also notes that staff usually returns per diem at a higher rate than Members.

Subject to the Nondisclosure Provisions of H. Res. 895 of the 110th Congress as Amended

17. With respect to Representative Engel's letter to Chairman Howard Berman, dated February 12, 2009, requesting representational funds for several receptions (HFAC 0007), the witness states that such requests are rare and happen less than 10% of the time.

This memorandum was prepared on June 9, 2010, based on the notes that the OCE staff prepared during the interview with the witness on June 2, 2010. I certify that this memorandum contains all pertinent matter discussed with the witness on June 2, 2010.

**SUMMARY:** The House Committee on Armed Services Travel Coordinator (the “witness”) was interviewed pursuant to Review Nos. 10-0754; 10-1170; 10-5477; 10-6264; 10-7960; and 10-8483. We requested an interview with the witness and she consented to an interview. The witness made the following statements in response to our questioning:

1. The witness was given an 18 U.S.C. § 1001 warning and consented to an interview. She signed a written acknowledgement of the warning, which will be placed in the case file in this review.
2. The witness has been a Professional Staff member with the Committee since February of 2005.
3. Prior to her employment with the Committee, she worked in the personal office of Representative Hefley from 2001-2005.
4. Prior to working for Representative Hefley, she worked as a Staff Assistant with the Committee from 1995 – 2001.
5. As a Professional Staff member, she handles all financial and human resource issues, including payroll benefits as well as domestic and foreign travel matters.
6. She handles all correspondence related to travel, she generates/processes letters of authorization for the Committee, and prepares quarterly travel reports tracking per diem.
7. She keeps everything related to travel in individual files.

8. She vets all trips, determining the purpose of the trip and who will be traveling.
9. If the trip is for foreign travel, she drafts a letter to the State Department and if the trip is domestic, she drafts a letter to the Department of Defense.
10. Travel must be bi-partisan.
11. The authorization letters are signed by the Chair of the Committee.
12. Once the trip is authorized, the State Department will release per diem funds for the travel. There is no per diem issued for domestic travel.
13. The escort officers help generate the itinerary for trips and normally issue the per diem to Members once they reach their destination. Occasionally, the per diem was issued prior to the trip.
14. Members must sign for the per diem. Receipts for per diem are required to be turned in to her at the end of the trip.
15. Staff may collect per diem and lodging receipts for the Member and submit them to her. She also gets information regarding lodging and per diem amounts from the State Department.
16. All receipts for per diem must be accounted for in the quarterly travel reports she prepared.
17. Often, she had to call Member offices and the State Department for missing receipts. She stated that collecting receipts was like “herding cats”.
18. Members are not required to submit receipts for meals and incidentals. It is up to the individual Member as to how the per diem for meals and incidental expenses are spent.
19. In many instances the cost of the hotel accommodations are higher than the allotted cost and, therefore, will be paid for directly by the State Department.
20. Members are highly encouraged to give any unused per diem back to the U.S. Treasury.
21. Members do not receive any formal guidance on per diem use; any guidance is by word of mouth.
22. The meals and incidental expenses (M&IE) is to be used for meals, lost luggage, medicine, toiletries, laundry, entry fees, etc.
23. She is not aware if Members spend the per diem on souvenirs because they are not required to submit receipts for the M&IE items.

## CONFIDENTIAL

---

Subject to the Nondisclosure Provisions of H. Res. 895 of the 110th Congress as Amended

24. According to the witness, Members spend the per diem on what they want.
25. She has never been asked to define “incidentals” to a Member. She considers incidentals to include lost luggage, medicine, and toiletries.
26. She provided the Members with a breakdown of the itinerary for each country visited, which included the dates of travel in each country along with the amount of per diem issued for each country.
27. She requested that any unused per diem be attributed to the country for which the per diem was issued.
28. The Committee does not authorize enhanced per diems. The practiced was stopped four years ago.
29. Enhanced per diem was generally for hotel costs that are higher than the government rate.
30. She always asked for the enhanced per diem to be returned if it was not spent on the lodging fee.
31. Because most trips have hostel costs that exceed the government rate, the lodging for the trips are paid by the State Department.
32. If a Member spends more than the per diem and has kept receipts of all expenditures, the Member can seek additional reimbursement from the State Department.
33. She has not had a Member seek additional reimbursement in the past four years.
34. She does not require Members to submit any receipts for the allotted per diem. It is up to the individual Member as to how the per diem is spent.
35. Members are highly encouraged by “word-of-mouth” to return any unused per diem. There is no formalized guidance regarding unused per diem.
36. She is not aware if any Members spend their per diem on souvenirs.
37. For travel to Iraq, Members are not given per diem because they eat in the mess. Meetings for such trips are not listed on any itinerary because they are a close hold. A Member may be able to go to McDonald’s.
38. All trips to areas of operation are unique.
39. Escort officers will prepare per diem reports for her at times. Not all of the services have the same process. The Marines for instance are very efficient.

40. The reports she creates that are required to be filed with the Clerk are broken down by Member.

41. If any per diem is returned, she makes a copy of the check and includes it in her files.

This memorandum was prepared on July 19, 2010, based on the notes that the OCE staff prepared during the interview with the witness on June 8, 2010. I certify that this memorandum contains all pertinent matter discussed with the witness on June 8, 2010.

## Lawmakers Keep the Change

*Cash Left Over From Official Trips Overseas Is Often Used for Personal Expenses*

By BRODY MULLINS And T.W. FARNAM

When lawmakers travel overseas on official business they are given up to \$250 a day in taxpayer funds to cover meals and expenses. Congressional rules say they must return any leftover cash to the government.

They usually don't.

Associated Press

From left, Reps. Alcee Hastings, Eliot Engel and Solomon P. Ortiz, and U.S. Ambassador William Brownfield, in Rio Negro, Colombia, in 2008.

According to interviews with 20 current and former members of Congress, lawmakers use the excess cash for shopping or to defray spouses' travel expenses. Sometimes they give it away; sometimes they pocket it. Many lawmakers said they didn't know the rules demand repayment.

"If that was the policy, you could never get many members traveling," said Rep. Solomon Ortiz, a Texas Democrat. Mr. Ortiz said he had never returned any money.

"There's a tacit understanding that if lawmakers don't spend the money, they get to keep it," said Rep. Sue Kelly, a New York Republican who was defeated in 2006.

Former Rep. Tom Davis, a Virginia Republican, said lawmakers often used leftover money "for shopping or to buy souvenirs to bring back to constituents. That's fairly standard."

Rep. Joe Wilson (R., S.C.) said he once bought marble goblets in the Kabul airport as gifts for constituents. Rep. Mark Souder (R., Ind.) said he dipped into his funds to buy a \$200 painting of an estuary in Turkey, which hung in his office for a while and was now in his house.

Lawmakers who said they sometimes keep excess funds said the amounts were small. "I won't deny that sometimes I have a little left, but it's not much—maybe 80, 90, or 100 dollars," said Rep. G.K. Butterfield (D., N.C.).

Congress has no system for tracking how the cash payments, called per diems, are being spent. Lawmakers aren't required to keep receipts and there are no public records.

In the past two years, hundreds of lawmakers spent a total of 5,300 days visiting 130 foreign countries on taxpayer-funded trips, according to congressional travel records.

House lawmakers received between \$375,000 and \$625,000 in per diem cash over that period, according to a Wall Street Journal estimate based on per diem rates and congressional travel disclosures. There's no documentation for how those funds were spent. Estimates for Senate travel couldn't be calculated.

"You are all concerned about nickels and dimes, and I'm not," said Rep. Alcee Hastings (D., Fla.). "You know, in a taxicab in Kazakhstan, I don't have time to get a receipt—I don't speak Kazakh."

In a subsequent interview, Mr. Hastings said he had time to gather receipts, but didn't.

Mr. Hastings said he sometimes used the extra taxpayer money to buy gifts, meals or drinks for military pilots, security officials and interpreters who travel with him. On a trip earlier this year to the Middle East, Mr. Hastings gave \$100 to an Iraqi refugee, he said.

"I'm a generous spirit and a courteous spirit," Mr. Hastings said. "I stand accused."

Some lawmakers are assiduous about returning surplus cash. Sen. Arlen Specter, a Pennsylvania Democrat, has returned to the U.S. Treasury about \$8,500 of the \$25,000 he was given for 11 trips since August 2005, according to documents provided by his office.

##### *Paris: \$178 a Day*

Bloomberg News

The per diem program is administered by the State Department. According to department officials and publications, when lawmakers arrive in a foreign country, U.S. government officials give them an envelope with cash in the local currency. The total stipend is set by the State Department based on surveys of local prices. It is meant to cover three meals and incidental expenses, which federal travel regulations say include transportation and tips for baggage handling and other services.

The amounts range from \$28 a day in Kabul to more than \$250 a day in Awashima, Japan.

When lawmakers leave the country, U.S. government officials generally meet them to convert any leftover foreign currency back into U.S. dollars.

Many of the lawmakers' daily expenses are picked up by U.S. embassies, foreign governments or military liaisons, according to travel documents and interviews.

House and Senate rules say per diems can be used only for legitimate travel expenses. Any leftover money must be returned. The cash is for lawmakers, not their spouses.

Lawmakers can request an extra \$50 a day if they believe the allowance is insufficient.

"The extra money and the plus-ups are really for the spouses," said Mr. Souder, the Indiana Republican.

Last summer, a dozen lawmakers of both parties flew to Lithuania to a conference of the Helsinki Commission, an independent U.S. government agency made up of members of Congress and others that was born during the Cold War to promote democracy, security and human rights. The lawmakers were given \$941 each in local currency to cover expenses for the six-day trip, said one attendee, Sen. Richard Durbin (D., Ill.).

When they got home, Mr. Durbin returned \$401.08 to the Treasury, according to documents provided by his office. Sen. Benjamin Cardin (D., Md.) returned \$86. No one else returned any money, according to travel records for the trip and interviews with the lawmakers.

One lawmaker on the trip, Rep. Robert Aderholt (R., Ala.) said he didn't return cash. "I don't keep up with it penny for penny," he said.

Mr. Butterfield said he didn't recall if he had any leftover funds, and that he sometimes kept the extra cash.

Sen. Tom Coburn (R., Okla.) said he once tried to return surplus cash to the State Department, but "they wouldn't take it. They said, 'We don't have a way to handle that.'" Mr. Coburn said he sent a personal check to the U.S. Treasury.

OFFICE OF CONGRESSIONAL ETHICS  
UNITED STATES HOUSE OF REPRESENTATIVES

**MEMORANDUM OF INTERVIEW**

IN RE: Representative G. K. Butterfield  
REVIEW No.: 10-6294  
DATE: June 24, 2010  
LOCATION: 413 Cannon HOB  
Washington, DC 20515  
TIME: 10:00 a.m. to 11:00 a.m. (approximately)  
PARTICIPANTS: Kedric L. Payne  
Elizabeth A. Horton

**SUMMARY:** Representative G. K. Butterfield is a Member of the United States House of Representatives and represents the 1<sup>st</sup> District of North Carolina. He was interviewed pursuant to Review No. 10-6294. We requested an interview with Representative Butterfield and he consented to an interview. Representative Butterfield made the following statements in response to our questioning:

1. Representative Butterfield was given an 18 U.S.C. § 1001 warning and consented to an interview. He signed a written acknowledgement of the warning.
2. Representative Butterfield stated when he participates in Congressional Delegations ("CODELs") that he is always taken to the distinguished visitor's lounge upon arrival before being taken to his hotel.
3. After arriving at the hotel, he goes to the control room where he is given a key to his room and an envelope that includes his per diem for the trip. Once he signs for receipt of the per diem, he goes to his room.
4. He generally does not open the per diem envelope until the day after arrival at which time he commingles the per diem with his personal funds. He typically travels with a couple hundred U.S. dollars.
5. He does not convert any personal funds to local currency while traveling.
6. Lodging is typically paid for by the U.S. Department of State.
7. He uses his per diem typically for meal expenses or for a venue that requires a fee for admission, such as a museum. He also uses per diem for laundry and other miscellaneous items that he could not specifically recall.

## CONFIDENTIAL

---

Subject to the Nondisclosure Provisions of H. Res. 895 of the 110th Congress as Amended

8. He may also use his per diem for transportation but more often than not, the U.S. Embassy provides transportation.
9. Most meals are hosted but he will go out in the evening for dinner. Members will typically pay for staff's dinner.
10. He could recall instances where the bill for a meal was shockingly high. In one instance, possibly in Egypt, the bill for the meal was hundreds of dollars. He suggested that the Members cover the cost of the meal for staff because of the high cost.
11. On some occasions, the military will pay for the meal and will send him a bill for his share upon his return.
12. He was not aware if staff received per diem. He thought that staff traveled on actual reimbursement in lieu of receiving a per diem for their travel. He assumed that staff was required to submit receipts to receive reimbursement. He would be surprised if staff received per diem.
13. When the military paid for meals, he may have received a bill for his share while he was on the return flight or within 10 days of his return. He promptly paid the bill by personal check. He may also have paid the bill with per diem funds while on the return flight. He preferred to pay as he went instead of paying by check when he returned.
14. If he paid for meals while traveling, he would use his per diem. Most businesses in foreign countries do not accept U.S. currency and he rarely, if ever, used credit cards because of the added charges.
15. Most meals that he purchased occurred in the evening. He would occasionally purchase lunch but rarely would he purchase breakfast.
16. He believed that most meals were paid for by Members up front.
17. He purchased gifts and souvenirs from time to time. He used the money in his wallet to purchase items. His personal funds were comingled with his per diem.
18. He did not know of any way to document whether he used personal funds or per diem for any purchases because he was not aware of any requirement to document his purchases at the time.
19. He liked to purchase items that documented his time in a country. In the past he has purchased coins and a statue of Mandela. He does not have a wife to buy items for; however, he would from time to time purchase items for his children.

## CONFIDENTIAL

---

Subject to the Nondisclosure Provisions of H. Res. 895 of the 110th Congress as Amended

20. He has purchased items for his staff but not often. He has a staff of eighteen, so anything that he would have bought for staff would have been insignificant as to cost.
21. On occasion he had per diem that was not used during the trip. The Embassy converted the foreign currency to U.S. currency before his departure. He used the remaining per diem for bills sent by the military or sometimes in the airport for mementos.
22. He could not say how much per diem he kept from any trip. He could not begin to quantify if the amount was \$10 or \$500. He could not acknowledge that any per diem was left over after any trip because of the outstanding bills he received from the military. He believed that no significant amount was kept after a trip. He could not quantify any specific amounts.
23. He does not deposit any funds in his bank account other than his paycheck and his retirement.
24. For the trip to Lithuania, he received an invoice from the escort on the trip for \$64 which included the price of a dinner (\$59) and an entrance fee to a castle. He had no specific recollection if he had any unused per diem from the trip.
25. For the trip to Africa, he received an invoice the week following the trip from Trevor Williams for \$732.92. He sent a check for payment in the amount of \$373. His daughter traveled with him on that trip and paid \$359.92.
26. He is not allowed to use per diem for family members so he made separate payments. On the invoice, it appears that the expenses designated with a check mark are his expenses and those that are not checked are his daughter's expenses.
27. He did not have any documentation for the Brussels trip, it was the Speaker's trip to the Climate Conference.
28. After his trip to Copenhagen, a reporter from the *Wall Street Journal* asked him how his trip went and asked if he received a per diem for the travel. He told the journalist that the trip was cold and that he of course received a per diem. Any Member that goes on a CODEL receives a per diem. When asked how much he received, he told the reporter that he did not know how much he received for the trip. The reporter then asked if there was any per diem left over. He stated that he was not sure. He did not recall making the statement that he had \$80, \$90, \$100 left.
29. When asked if he converted any U.S. currency when he traveled on CODELS, Representative Butterfield stated that he only did so once because he got burned on the transaction.

CONFIDENTIAL

---

Subject to the Nondisclosure Provisions of H. Res. 895 of the 110th Congress as Amended

30. When asked if any Embassy converted personal funds from U.S. currency to local currency for Members while traveling, Representative Butterfield stated that he did not know if any did so.

31. Representative Butterfield stated it is an institutional belief that per diem is per diem, if you exceed the amount then it is at your own cost.

This memorandum was prepared on July 9, 2010, based on the notes that the OCE staff prepared during the interview with Representative Butterfield on June 24, 2010. I certify that this memorandum contains all pertinent matter discussed with Representative Butterfield on June 24, 2010.

Re: BUTTERFIELD, G. K.  
Review No. 10-6294

Dear Chairman Skaggs and Co-Chairman Goss:

It is my understanding that the Office of Congressional Ethics is concluding its review of the above referenced matter which was initiated by Judicial Watch, a not-for-profit entity, suggesting that members of Congress are unlawfully retaining unused per diems associated with foreign travel.

The Judicial Watch letter specifically requests a general "investigation regarding unused congressional travel per diems converted to personal use." The letter went on to requests an "investigation and audit of House Foreign travel expenditures and the pocketing of unused per diems." No member of Congress was the subject of the Judicial Watch complaint but it is clear that Judicial Watch is asserting a broad claim against all members of Congress who participate in foreign travel and accept per diem allowances.

Prior to my service in Congress, I served in North Carolina's judicial branch of government as a trial judge and Supreme Court justice. In those capacities, I established a reputation for high ethical standards that I treasure and seek to maintain. The complaint of Judicial Watch is taken very seriously because it not only suggests that I may have violated House rules, but federal criminal laws as well.

The prevailing view in the House of Representatives is that per diem allowances are disbursed on the predicate that the amount paid should fully compensate a Member for his or her anticipated expenses while on official business. The view among Members is that expenses that exceed the per diem will not be reimbursed and any unused per diem may be retained by the member. My understanding of the rules is consistent with the prevailing view.

I respectfully request that you find that the rules associated with per diem foreign travel do not require Members to maintain expense records nor does it require members to reimburse the Treasury when there are unused funds. Alternatively, I request that you find that any misunderstanding of the rule should not be attributable to the member because of the failure of the Department of State or House Leadership to inform members of this responsibility.

Thank you very much.

Although travel plans are often understandably subject to change, early notice of travel needs greatly enhances our capacity to provide assistance. Therefore, a signed letter of authorization, itinerary, desired agenda, and meeting requests should be provided to the Department of State's Congressional Travel Office at least two (2) weeks before the planned departure whenever possible. This timely notification will allow us to instruct U.S. missions abroad regarding program, administrative, and logistical requirements, and to receive their country clearance, threat assessment, and suggestions for the trip.

## CONGRESSIONAL GUIDE FOR OFFICIAL FOREIGN TRAVEL

Effective and expeditious support for congressional travel abroad requires that both the travel authorization and background information reach the Department of State promptly. Whenever possible, a copy of the signed Letter of Authorization should be faxed to the Department of State's Congressional Travel Office (CTO) -- fax number 202-203-7700 -- at least two (2) weeks before the planned departure or sooner if possible; scanned and emailed copies of the authorization letter are also acceptable. The CTO will arrange for subsequent messenger pick-up of the original letter(s) from the authorizer(s). Additionally, please e-mail an itinerary, desired agenda and any meeting requests for CodeIs or StaffdeIs to: [IT\\_CTO@state.gov](mailto:IT_CTO@state.gov). Revisions to any of the above information should be faxed or e-mailed promptly.

Once the CTO receives notification of a trip, several things will happen. First, a domestic travel coordinator and a travel specialist will be assigned to the trip. These professionals will provide points of contact in the embassy, and assist with logistical arrangements, scheduling and briefings. There are many components to a successful trip so please contact us via phone, fax or email very early in the planning process, so that we can provide the best assistance possible.

Department of Defense (DOD) transportation and support must be requested separately by letter to the Secretary of Defense. For your convenience, a DOD-approved sample letter is enclosed in this package (TAB C).

### I. LETTERS OF AUTHORIZATION

Letters of Authorization constitute legal authority for the State Department to expend or disburse U.S. Government funds in support of official foreign travel by Members of Congress or congressional staff. The fiscal information under TAB B lists the types of expenditures that can be authorized for specific trips and gives guidance as to how authorization for such expenditures should be formulated. The full extent and range of support desired should be delineated as clearly as possible in the authorizing letter. Letters of authorization are signed by one of the following officials:

#### **SENATE**

Majority Leader  
 Minority Leader  
 President Pro Tempore  
 Full Committee Chairman  
 • for Member or employee of  
 the Committee or employee  
 of Committee Member

#### **HOUSE**

Speaker of the House  
 Full Committee Chairman  
 • for Member or employee of the  
 Committee

#### **JOINT COMMITTEE CHAIR**

• for Member or employee of the Joint Committee

Letters must list by name all persons being authorized to receive USG-funded support. Members or staff traveling with a committee with which they have no association must be authorized separately by either the Leadership or the Chairman of a committee with which they are associated. (See sample authorization letters TAB C.)

## **2. TRAVEL OBJECTIVES AND PROGRAM REQUESTS**

In the letter of authorization, please define the objectives of travel, identifying where possible specific program requests at each stop. When appointments with specific individuals are desired, it would be helpful to indicate the topics to be addressed. If any activities have already been arranged directly with local organizations or persons, please provide scheduling data so that other events can be arranged around them. Embassy/Consulate briefings are highly recommended prior to meetings with host country government officials. Briefings by Department officials prior to departure from the United States are also available and can be very useful.

## **3. LIST OF TRAVEL PARTICIPANTS**

The following are travel participants that are normally authorized under letters of authorization:

- Members of Congress (please include state and party affiliation)
- Spouses/family members (please include first names)
- Staff members (with titles)
- Executive branch/private sector invitees (with titles)
- DOD escorts (with rank and titles)

## **4. TRAVEL AND ITINERARY**

Please book all airline reservations with the Combined Airline Ticket Office (CATO) to expedite ticketing and delivery of prepaid tickets to the Hill. The Department cannot pre-pay airline tickets which are booked with private travel agents.

When booking, you should inform CATO that the tickets will be pre-paid by the Department of State. CATO offices are located on Capitol Hill (Senate Russell Building, Room B24 and House Longworth Building, Room B22) as well as in Rosslyn, Virginia. CATO's reservation number is 703-522-██████.

**5. PASSPORT AND VISA INFORMATION**

Travelers must have valid passports for all overseas travel. Please ensure that your passport is current and valid for at least six months beyond the travel dates. Official passports are available at no charge and are issued for the purpose of conducting official business abroad. The Department of State strongly encourages both Members and staff to obtain official passports. Blue "Tourist" passports should be used only for tourism, but may be used if the traveler does not possess an official passport.

Some countries require visas. It is the responsibility of the traveling party to obtain ALL necessary visas. For assistance with visa issues please contact the Special Issuance Agency at 202-955-█████

Travelers should coordinate passport/visa requirements directly with Passport Services well in advance of the trip. Travelers may call Passport Services at 202-955-█████. For information regarding visa requirements travelers may call 202-955-█████. Sometimes passport data will be required by foreign posts. In those cases CTO will contact you for you passport details.

For delegations with DOD escorts, the escorts collect the passports, obtain visas, and send data to appropriate foreign posts.

A variety of information including current travel warnings, passport forms, visa requirements, country background notes, adoption issues, exchange rates and more can be viewed at [www.state.gov/travel](http://www.state.gov/travel).

# FISCAL INFORMATION SHEET

## FISCAL INFORMATION SHEET

By longstanding agreement, funds for official foreign travel are administered by the Department of State on behalf of the U.S. Congress. Upon receipt of written authorization from appropriate congressional offices, obligations and disbursements will be charged against specific congressional travel accounts held by the U.S. Treasury. The disbursements, which are permitted under PL 95-384, The International Security Assistance Act of 1978, fall into three distinct categories: Per Diem, Transportation (international and/or local), and Other Official Expenses. Each must be specifically authorized in order for expenditures within that category to be incurred. Under PL 95-384, all expenses charged by the traveler, the delegation, and the Department of State to the fund cite must be reported by the traveler/delegation to the authorizing committee upon return.

### 1. PER DIEM

Under Public Law 95-384, congressional travelers abroad receive local currency for per diem in amounts not to exceed the maximum per diem allowed by law. The authority for establishing per diem rates is found in Chapter 57 of Title 5 of the U.S. Code and set forth as the Federal Travel Regulation at 41 CFR Ch. 300-304.

Per diem payments are made directly to authorized individuals (Members and staff) to cover the cost of lodging, meals and incidental expenses (M&IE) while traveling abroad. The U.S. Government does not pay the expenses of accompanying spouses. Upon arrival in a foreign country, per diem normally is disbursed by the Embassy or Consulate for each night spent in country. Payment is made in local currency unless U.S. dollars are required by hotels or such payment has been specifically requested prior to departure from the U.S. Upon departure from the country, arrangements can be made for travelers to convert unused per diem into U.S. dollars. Per diem which for any reason has not been received abroad may be claimed in U.S. dollars after the traveler's return and upon presentation of hotel receipts to the Department of State, Bureau of Legislative Affairs, Congressional Travel Office.

In the event that no-cost lodging is provided, (e.g. the traveler stays in Government facilities or as a private guest), the traveler is allowed the applicable meals and incidental expenses (M&IE) rate. Note that this guidance is consistent with changes in the Federal Travel Regulation

- **FOREIGN PER DIEM RATE:** Per diem consists of two components: the lodging rate and M&IE. Per diem rates are established by the Department of State for foreign cities. The foreign per diem rates are established monthly by the Department of State based on actual reported costs of hotel, meals and incidental expenses in individual cities around the world. Therefore, routine expenses are usually well within the per diem rates and it is sufficient to authorize per diem payments based on those rates. This type of per diem payment is called an allowance. Allowances are provided in full and require no accounting. Foreign per diem rates are available on the State Department's website at: [www.state.gov/bia/ads/tds.html](http://www.state.gov/bia/ads/tds.html).

- **ENHANCED PER DIEM RATE:** The committee may authorize enhanced per diem to offset exceptionally high costs associated with price increases that can be found in certain locations. Unless a specific dollar enhancement is authorized (e.g. \$75 USD or \$100 USD), the default enhancement is an additional \$50 USD above per diem.
- **ACTUAL EXPENSE BASIS:** Per Diem can be calculated by adding the expenses of up to 300% of the applicable per diem rate. This rate may be authorized for lodging, M&IE, or both, when actual expenses exceed the established per diem rate. There is no authority to exceed this 300% ceiling. **To avoid problems caused by unexpected devaluation of the US dollar, the following language may be used in authorization letters: "actual lodging is authorized."**
- **ACCOUNTING:** If an individual is traveling on an enhanced per diem or actual expense basis, he or she must itemize all expenses, including meals, and account for unused per diem funds. In situations where only lodging or M&IE is on an actual expense basis, only that portion need be itemized. Itemization requires the traveler to write down specific expenses but does not require receipts. Upon completion of the trip, the authorizing committee requires travelers to reconcile their actual expenditures with the expenditures authorized prior to travel. Consistent with congressional rules and regulations, this reporting (and reconciliation when required) should be submitted to the congressional office that authorized the travel.

Posts may pay for hotel charges directly if arrangements with the Embassy/Consulate staff are made beforehand. In this case, posts will be directed to disburse M&IE only.

As the purpose of the per diem enhancement and/or the payment of actual lodging expenses is to offset unexpectedly high costs found in certain locations, if a traveler receives either of these authorizations reimbursements for any additional lodging or M&IE costs are not authorized.

## 2. TRANSPORTATION

When international travel is authorized, travelers make their own reservations through CATO (see item 4 of previous chapter, "Travel and Itinerary"). The Department arranges for prepayment of the tickets, which the authorizing committee makes available to the traveler. This arrangement requires that the Department be notified of the carriers used, the class of service, and the precise itinerary. For transoceanic flights, U.S. flag carriers must be used (PL 94-624, Fly America Act) **unless** the authorization letter has specified otherwise based on a determination that no U.S. flag carriers are available. **Use of charter aircraft is an extraordinary expense and must be specified in the authorization letter.**

Authorized **local transportation** within a foreign country is normally arranged by either the Embassy, the Consulate or paid personally by the traveler. Local transportation costs may include trains, ferries, rental car/van/ bus (with or without driver), taxis, public transport, as well as overtime for drivers of U.S. Government vehicles. In many cities, staff delegations are encouraged to use taxis or public transportation and claim reimbursement. Upon presentation of receipts, the Congressional Travel Office will reimburse travelers for local transportation after their return to Washington, DC.

**3. OTHER OFFICIAL EXPENSES**

Other official expenses authorized for Codels and some Staffdiels include rental of control rooms, hospitality suites, special telephone lines, cell phones, copier/fax machines, wreaths and flowers for representational purposes, purchase of stationery supplies, interpreters, and employee overtime at posts.

If specified in the authorization letter, certain extraordinary or unusual expenses may be paid such as representation expenses, conference fees, media events, meeting hall rental, and travel and per diem expenses incurred by Post Personnel traveling outside of their duty station in support of Codel travel. These expenses, including any cancellation fees incurred, will be charged to the delegation fund cite and must be reported under PL 95-384.

**4. TRAVEL ADVANCES IN U.S. DOLLARS**

The Department will provide a U.S. dollar advance where hotels require payment in hard currency and the U.S. mission overseas has insufficient dollars to pay travelers. However, arrangements can also be made for U.S. dollar disbursements overseas where missions have access to U.S. dollars.

**5. REFUNDS/REIMBURSEMENTS/UNUSED AIRLINE TICKETS**

Unused per diem funds may be returned to the State Department by personal check made payable to the U.S. Treasury or Treasurer of the United States. The Department **cannot accept foreign currency in Washington**. The Department will reimburse travelers for out-of-pocket expenses previously authorized upon submission of receipts and a letter/memorandum from the authorizing committee. Unused airline tickets paid for by the U.S. Government must be returned to the Department of State, Congressional Travel Office for credit.

**6. REPORTING REQUIREMENTS**

PL 95-384 stipulates that travelers and delegations are responsible for reporting all expenses to the authorizer within 30 days of the completion of travel. Although the Department will assist travelers and delegations in obtaining the necessary financial information from foreign posts, PL 95-384 assigns none of the formal reporting responsibilities to the Department of State.

# QUESTIONS AND ANSWERS

## Questions and Answers

**Q What do I do if I received more travel funds than I needed?**

**A** It depends. If you traveled on a per diem allowance (the set rates) you may keep any "excess" funds, though your authorizing committee may have their own specific rules.

If you received funds in excess of that allowance (because actual costs were anticipated to exceed the allowance) you must itemize your expenses and reconcile any differences with the congressional office that authorized your travel. Unused per diem funds, authorized on an enhanced or actual cost basis, must be returned to the Department of State by personal check in U.S. dollars, made payable to the U.S. Treasury or to the Treasurer of the United States.

**Q What do I do if I incur lodging expenses over 300% of the per diem rate?**

**A** When you reconcile your travel expenses with the congressional authorizing committees, you will not be reimbursed for the excess of per diem expenses over the 300% maximum, or over the (lower) rate that was authorized.

**Q Will I be given a travel advance in U.S. dollars or in foreign (local) currency?**

**A** Congressional travelers will be given local currency when they arrive at the foreign post.

If the Congressional travelers are journeying to a foreign country that uses U.S. dollars, the advance in U.S. dollars will be given at post. Only in those cases where the post does not have sufficient U.S. dollars on hand will special arrangements be made to issue an advance in Washington D.C.

**Q Will the Department book travel reservations for the Members and staff?**

**A** The Department does not book reservations; rather, reservations should be made directly through CATO, which has locations on the Hill and in Rosslyn, Virginia.

**Q Will the travel expenses of spouses be covered?**

**A** No, current law prohibits the US Government from assuming the travel expenses of spouses, dependents or other non-official traveling companions.

**Q Will the Department of State assist in obtaining visas?**

**A** Assistance may be obtained by contacting the appropriate country desk officer.
