HOMETOWN HERO DAVID GRENIER

HON. BETH VAN DUYNÉ

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 5, 2023

Ms. VAN DUYNÉ. Mr. Speaker, I rise to recognize David Grenier, founder of Hero Grain. David crafts wooden, handmade American flags that he sells and donates to organizations that assist veterans and first responders. David is a Hero himself as he served our country for 13 years as a U.S. Marine and then a Navy SEAL. He left the service to look after his daughter who has special needs. David struggled with his transition from military to civilian life, but he found his passion when he created Hero Grain to make a difference in both his own life and veterans at large.

His company's mission is to employ combat veterans and donate flags to the families of the fallen and extraordinary heroes. David has a great sense of pride when he accredits outstanding soldiers by donating one of his handcrafted American flags. I thank him for his service, and for going above and beyond for service members across our community.

standard of living in historically underserved urban communities. Founded in 1975 as an affiliate of the National Urban League, the Urban League of Broward County is a community-based organization dedicated to empowering communities and changing lives.

The League helps our underserved communities achieve their highest true social parity, economic self-reliance, power, and civil rights. The organization promotes economic empowerment through education and job training, housing and community development, workforce development, entrepreneurship, health, and quality of life.

The League helps our community achieve these goals through a variety of programming—from their Summer Enrichment Program, which offers students the opportunity to create, discover, and learn, to ADVANCE-U, which offers a full range of essential economic resources for residents to help them succeed in the workforce, stabilize their finances and build assets.

The Urban League of Broward County's commitment to the health and wellness of Broward's families is extensive, impressive, and inspiring. I am grateful to the leadership and staff for their tireless efforts to fight for the rights of my constituents and all Americans to live with freedom, dignity, and prosperity.

HOMETOWN HERO GRAPEVINE
POLICE OFFICER PATRICK O'NEAL

HON. BETH VAN DUYNÉ

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 5, 2023

Ms. VAN DUYNÉ. Mr. Speaker, I rise today to recognize our Texas-24 Hometown Hero, Grapevine Police Officer Patrick O'Neal. In 2017, Officer O'Neal stalled working on a project to help law enforcement find any area or room on a school campus in an emergency, within seconds. After realizing this could be lifesaving for officers who are responding to an emergency at a school campus they may not be familiar with, Officer O'Neal embarked on his mission of numbering every door and hallway in Grapevine ISD, then creating digital maps of the floor plans to share across departments.

It took years to gather the information for all the schools in the district. The maps include detailed information about all doors, their accessibility to police, the most efficient points of entry and directions to specific classrooms, and even indicate which doors require keys to open. As a result of Officer O'Neal's work, Grapevine Police now have detailed maps of each campus in Grapevine ISD which the police department can access via a digital system on their phone.

Earlier this year, Officer O'Neal was honored with the 2023 State of Texas Law Enforcement Achievement Award for Public Services at the State Capitol. I'd like to thank Officer O'Neal for his tireless efforts and profound dedication to keeping North Texas students and staff safe.

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 5, 2023

Ms. VAN DUYNÉ. Mr. Speaker, I rise today to recognize our Texas-24 Hometown Heroes, Addison Police Department Officers Daniel Gutierrez, and Mark Meraz. On June 15, 2023, Addison Police Department Officers Daniel Gutierrez and Mark Meraz responded to a call regarding an injured person. Officers Gutierrez and Meraz quickly placed a tourniquet on his arm while they waited for paramedics to arrive. INTRODUCTION OF THE PROTECTING INDEPENDENT CONTRACTORS FROM DISCRIMINATION ACT

HON. ELEANOR HOLMES NORTON

OF THE DISTRICT OF COLUMBIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 5, 2023

Ms. NORTON. Mr. Speaker, today, I introduce the Protecting Independent Contractors from Discrimination Act, which would extend to independent contractors the same federal anti-discrimination protections provided to employees. This bill would extend the following anti-discrimination statutes, which apply to employees, to independent contractors: Title VII of

the Civil Rights Act of 1964, the Age Discrimination in Employment Act of 1967, Title I of the Americans with Disabilities Act, Section 505 of the Rehabilitation Act of 1973 and Title II of the Genetic Information Nondiscrimination Act of 2008.

According to the Bureau of Labor Statistics, approximately 7 percent of workers are considered independent contractors. Independent contractors, who often do the same work as employees, have almost none of the workplace protections provided to employees, including health insurance, collective bargaining, retirement security and even antidiscrimination. This bill focuses only on discrimination, from which every worker is entitled to be free.

These workshops provide life-changing skills to communities in need and will have a lasting benefit. I was glad to have Akshat as a member of my Congressional Youth Advisory Council and I congratulate him on recently receiving the Congressional Award. From the Levon and Satenig Nazarian Primary School in Lebanon to the Levon and Claudia Nazarian Radiology Center, to name just a few, Mr. Nazarian's philanthropic endeavors support Armenians across the globe. His commitment to faith, culture and the arts, as well as social and humanitarian causes have left an indelible mark on the community. Mr. Nazarian lived his life in service to his community and his passion to help others is evident.
