RECOGNIZING A BRAVE AND COM-
PASSIONATE NEIGHBOR: ERIK
ARCHAMBEAULT

HON. JANICE D. SCHAKOWSKY

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Monday, June 3, 2024

Ms. SCHAKOWSKY. Mr. Speaker, I rise today to commemorate a brave and compassionate resident of my district; Erik Archambeault. On April 9, 2024, shortly before noon, Erik was quietly celebrating his 47th birthday. He was interrupted by the sound of gunfire which appeared to be coming from the nearby Red Line CTA train station. Erik ran towards the gunfire to assist a resident who had been walking their dog. It turned out that a shooter jumped out of a car, opened fire, killing one—James Craig Smith, Jr.—and injuring the neighbor that Erik Archambeault was rushing to assist.

Without hesitation, Erik guided the injured man into his business, Rogers Park Social, and tended to his wound until he was safely in the hands of the paramedics. Mr. Archambeault demonstrated tremendous bravery and compassion for a neighbor in need. This is not the first time that Erik has risen to the occasion in a tense situation. Several years ago, Erik faced another tragically similar situation and rushed to aid and comfort another shooting victim in his neighborhood. In that case, the neighbor sadly did not survive.

Mr. Archambeault is the owner of Rogers Park Social and Rogers Part Provisions, two local businesses whose mission states:

"Founded and operated by neighborhood residents, we strive to mindfully infuse the spirit of community, diversity, and service in all that we offer."

No truer words were ever spoken. Erik Archambeault personifies what it means to be a resident who gives back and plays an integral role in the broader community. On behalf of the residents of the 9th Congressional District of Illinois, I thank Erik for being our neighbor. We are so grateful for the impact that he has had on our neighborhood.

RECOGNIZING THE 20TH ANNIVER-
SARY OF GARDEN STATE
EQUALITY

HON. FRANK PALLONE, JR.

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Monday, June 3, 2024

Mr. PALLONE. Mr. Speaker, I rise today to commemorate the 20th anniversary of Garden State Equality. Since its inception, Garden State Equality has provided support and advocacy to LGBTQ+ communities across New Jersey and its work is truly deserving of this body's recognition.

Organized in 2004 with the mission to institute marriage equality in New Jersey, Garden State Equality has not only succeeded in that goal but has continued to champion equal rights and protections for LGBTQ+ individuals. Throughout its 20-year history, Garden State Equality has seen major accomplishments in New Jersey, including the Anti-Bullying Bill of Rights, LGBTQ Older Adults Bill of Rights, Transgender Equality Taskforce, gender identity recognition, and LGBTQ-inclusive school curriculum. It is a leading voice on LGBTQ+ issues and priorities and is an effective advocate on behalf of New Jersey's activist community.

In addition to its advocacy, Garden State Equality's training and education programs are invaluable resources to the community, cultivating a more inclusive environment through better understanding of the issues and needs the LGBTQ+ community faces. It also provides resources and assistance to LGBTQ+ individuals—identifying LGBTQ-friendly healthcare providers, providing legal name and gender change instruction, and explaining

LGBTQ+ rights and protections, among others.

Founded by Steven Goldstein, today Garden State Equality is led by Executive Director Christian Fuscarino. Its success, outreach, and relevancy are evident in its growth as the largest LGBTQ+ advocacy organization in New Jersey with over 150,000 members.

Mr. Speaker, on its 20th anniversary, it is my honor and privilege to recognize the outstanding efforts and dedication of Garden State Equality on behalf of the LGBTQ+ community.

Mr. NADLER. Mr. Speaker, I rise today to honor the life and legacy of Paul Albert Mider, a dedicated public servant and beloved family man who passed away at the age of 77 on February 20, 2024.

A stalwart public servant and cherished family man, Paul's journey in public service began after he answered the call to serve our nation by enlisting in the United States Air Force during the Vietnam War, where he excelled as an Aeromedical Specialist in North Dakota and Canada.

Upon completing his military service, Paul relocated to Washington, D.C., and embarked on a career as a psychiatric technician, dedicating himself to those grappling with mental health and substance abuse challenges. His pursuit of knowledge continued at the University of Maryland, where he obtained his undergraduate degree, followed by further studies at New York University and Fielding Graduate University.

A relentless commitment to service defined Paul's professional life. He contributed significantly to the Veterans Administration's substance abuse programs and was a trailblazer in identifying Post-Traumatic Stress Disorder among Vietnam War veterans. His expertise also brought him to the New York City Fire Department, where he was instrumental in establishing their Counseling Unit, providing essential support to firefighters during and following the catastrophic events of September 11, 2001.

In addition to his work with the VA and FDNY, Paul held various academic and clinical positions, directed the substance abuse division at the Long Island Jewish-Hillside Medical Center, and taught at numerous universities. He maintained a successful private practice focusing on substance abuse, anxiety, mood disorders, and family therapy. RECOGNIZING SUPERINTENDENT
MARY SUZUKI ON THE OCCASION
OF HER RETIREMENT FROM THE
BEAR VALLEY UNIFIED SCHOOL
DISTRICT

HON. JAY OBERNOLTE

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, June 3, 2024

Mr. OBERNOLTE. Mr. Speaker, I rise today in recognition of Dr. Mary Suzuki's retirement from the Bear Valley Unified School District in Big Bear Lake, California. Dr. Suzuki served as superintendent for nearly a decade, playing a vital role in building a safe and quality learning environment for all students in the Big Bear Valley.

Dr. Suzuki's service to Bear Valley Unified represents the very best of our community's values. An educator with over thirty years of experience, Dr. Suzuki taught students at a variety of grade levels while working tirelessly, including as a literacy coach, to ensure that all her students enjoyed an innovative, positive learning environment that prepared them for life's next steps.

Her administrative positions have been equally remarkable. Dr. Suzuki's work as principal, Director of Curriculum and 21st Century Learning, as well as her service as chairperson of the California Technology Assistance Project, were key in preparing her to be superintendent of Bear Valley Unified, allowing her to make an indelible contribution to our rural community. Dr. Suzuki's nearly three decades of pedagogical and administrative experience ensured that Bear Valley Unified remains a world-class district where all students receive a high-quality education.

In addition to Dr. Suzuki's impressive work in education, she and her husband of 42 years, Dan, raised a wonderful family. Their three children, Elizabeth, David, and Matthew, as well as their seven grandchildren, are a true testament to their strong familial bonds and her role as a loving and devoted wife, mother, and grandmother.

I ask my colleagues to join me in thanking Dr. Suzuki for her selfless service to California's students, in commending her for her steadfast dedication to our community, and in wishing her many years of joy and peace in her well-earned retirement with friends and family.

HONORING EDWIN HARRY
CLANTON

HON. RICHARD McCORMICK

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Monday, June 3, 2024

Mr. McCORMICK. Mr. Speaker, I rise today to celebrate the life and legacy of Mr. Edwin Harry Clanton, a long time constituent and resident of Forsyth County, Georgia. Born in Alpharetta, Georgia in 1948, Mr. Clanton was a kind, hardworking man who lived in such a manner where he consistently prioritized the needs of others above his own. He served his country with pride during the Vietnam War as an Army Sergeant in the 1st Platoon of the Big Red One, C Company, 1st Battalion, 26th Infantry.

Once he returned from service, Mr. Clanton married Maddell, who was the love of his life and together they had two daughters and many grandchildren. While no longer serving in uniform, Mr. Clanton was a bedrock in his community, serving Atlanta Street Baptist Church as a deacon for many years and always willing to lend a helping hand to whoever was in need.

Mr. Clanton passed away peacefully surrounded by family on April 30, 2024. I am proud to have had him as my constituent and send my deepest condolences to his family and friends as they mourn his loss. Although he is no longer with us, his incredible legacy will never be forgotten.

HONORING MAJORITY LEADER
KARI DZIEDZIC

HON. ILHAN OMAR

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

Monday, June 3, 2024

Ms. OMAR. Mr. Speaker, I rise today to honor a dedicated public servant, Minnesota Senator Kari Dziedzic, and recognize her historic tenure.

The impact of Senator Dziedzic's time as Minnesota Senate Majority Leader for the 2023 legislative session will reverberate for years. Thanks in large part to her leadership, our state saw a historically productive session that will leave a lasting and transformational legacy on Minnesotans for generations to come. In 2023, the Minnesota Legislature passed significant investments in our state's K-12 education system, local governments, transportation infrastructure, affordable housing, and a green economy. Our elected officials also codified many progressive priorities, some of which had been stalled by gridlock for decades. These victories included statewide abortion access, Paid Family and Medical Leave, driver's licenses for all Minnesotans, the Trans Refuge and CROWN Acts, legalizing recreational cannabis, voting rights for 55,000 people, 100% renewable energy by 2040 statewide, and automatic expungement of low-level cannabis offenses for tens of thousands of Minnesotans. These nationally- and internationally-lauded accomplishments simply could not have happened without Majority Leader Dziedzic's guidance and mediation.

It was my great honor to work with Majority Leader Dziedzic when I was first elected to

the Minnesota legislature, as we shared the privilege of representing District 60 as Representative and Senator. I look forward to witnessing the legacy of her work in the years to come especially her efforts to ensure the well-being of more than 70,000 students, staff, and faculty who make up the University of Minnesota campus community. Since she was first elected in 2012, she authored countless bills to improve the campus, including funding for outdated infrastructure, critical research, and student health and safety. Majority Leader Dziedzic's five terms in the Minnesota Senate will be marked by her steadfast commitment to her constituents and her unique ability to bring people together to find functional, enduring solutions.

Her leadership in the past decade, and especially while serving as Senate Majority Leader, is a great inspiration to me and so many others. Her devotion to thoughtful, inclusive, and productive lawmaking has made our state a better place to live for all Minnesotans, particularly those who have too often been left behind.

Mr. Speaker, I ask my colleagues to join me in extending our profound gratitude to Majority Leader Dziedzic for her hard work and dedication as a Minnesota legislator.

RECOGNIZING THE 2024 UCLA
WOMEN'S WATER POLO TEAM

HON. TED LIEU

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, June 3, 2024

Mr. LIEU. Mr. Speaker, I use today to celebrate the women's water polo team from the University of California, Los Angeles. They took home the 2024 National Collegiate Women's Water Polo Championship on the 12th of May. UCLA defeated the women's water polo team from the University of California, Berkeley at the Spieker Aquatics Complex in Berkeley, California.

The UCLA women's water polo team accomplished their third undefeated season in program history, completing a perfect run to their NCAA Championship. This year's championship is the program's 12th national championship and 123rd overall NCAA championship earned by a UCLA team.

The team's head coach Adam Wright led the women's water polo team to their first championship since 2009. The UCLA women's water polo team should be proud of their accomplishments, becoming the fifth team in NCAA women's water polo history to complete an undefeated season and remain the top seed. The team's perseverance allowed them to lead the game following a tie of four points during halftime. During the third quarter, holding an outstanding 8-6 lead, the team secured a 10-6 lead following a hat trick by one of their star players.

I would like to sincerely congratulate the UCLA women's water polo team once again on winning the national championship and wish them the best of luck next season. Their performance and perseverance was a sight to behold and a tribute to the achievements of student athletes throughout the Nation. Go Bruins.

CELEBRATING THE 50TH ANNIVERSARY OF THE TED BLUM 4-H CENTER

IN THE HOUSE OF REPRESENTATIVES

Monday, June 3, 2024

CONGRATULATING CHRIS HASTEDT ON HER RETIREMENT

HON. CHELLIE PINGREE

OF MAINE

IN THE HOUSE OF REPRESENTATIVES

Monday, June 3, 2024

Ms. PINGREE. Mr. Speaker, I rise today to recognize a dedicated advocate and leader in my state who is retiring after several decades working to improve the lives of her fellow citizens. For nearly fifty years, Christine ("Chris") Hastedt has worked tirelessly to further equity, economic security, and access to higher education—among many other things—for all Mainers.

At the start of her career, Chris worked as a paralegal at Pine Tree Legal Assistance, a nonprofit organization which provides free, civil legal assistance to low-income people in Maine. Through her dedication and ingenuity, Chris proved to be fearless and deeply effective at expanding access to legal representation for countless people. Chris' years with Pine Tree were only the first of her forty-eight celebrated years as a respected and well-known force in the Maine State House. During my years at the State House, I relied on Chris for accurate information, strategic thinking and passion for all of the right causes. Many of our successes during that era were due to her assistance and persistence.

In 1996, Chris co-founded Maine Equal Justice, a nonprofit civil legal aid and economic justice organization. Under her guidance as Senior Policy Advisor, Maine Equal Justice has empowered people to better understand laws and independently navigate government systems to support their needs. By sharing her resources and policy knowledge, Chris has established coalitions among government agencies, policymakers, experts, academics, and national partners. Chris has consistently led with empathy and a distinct understanding of how to work with people across all backgrounds and life experiences.

In addition, Chris has dedicated her time to making higher education and workforce training more accessible for Mainers with low incomes. By advocating for programs such as Parents as Scholars, the Competitive Skills Scholarship Program, and Higher Opportunity for Pathways to Employment, Chris has helped thousands of Maine people reach their goals by expanding access to postsecondary education.

Chris Hastedts' nearly half-century as a uniquely dedicated advocate makes me very proud to represent her and the State of Maine in Congress. I wish Chris the best in her retirement, and I wholeheartedly thank her for her many years of influential work.

RECOGNIZING THE RETIREMENT OF MR. PATRICK COLLIGAN, PRESIDENT OF THE NEW JERSEY STATE POLICEMAN'S BENEVOLENT ASSOCIATION

HON. JOSH GOTTHEIMER

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Monday, June 3, 2024

Mr. GOTTHEIMER. Mr. Speaker, I rise today to congratulate Mr. Patrick Colligan on his retirement as President of the New Jersey Policeman's Benevolent Association or New Jersey State PBA. Over his decade-long tenure as New Jersey State PBA President, Mr. Colligan has stood out as a passionate advocate for law enforcement across the state. Personally, he has been a friend and trusted advisor on key bipartisan bills like the Invest to Protect Act. Mr. Colligan's tireless advocacy

on behalf of New Jersey police will be honored and appreciated for years to come.

Patrick Colligan began his career in law enforcement in August 1992 at the age of 27 with the Franklin Township Police Department. He graduated from Class 9–92 of the Somerset County Police Academy, where he served as class president and was the recipient of an academy leadership award.

During his law enforcement career, Patrick received more than a dozen awards, citations, and commendations. He is a founding member of the County Firewatch Program, a preventive program for juvenile fire setters. He also is a charter member of the County Arson Task Force. During his storied thirty-year career in law enforcement, Patrick has worked on and has taken part in thousands of investigations as a Detective from thefts to homicides.

On July 1, 2014, Patrick became President of the 32,000-member-strong New Jersey State Policemen's Benevolent Association, one of the largest in the country. In his capacity as PBA President, Patrick has developed very strong relationships throughout New Jersey. Within just a few years in his role, Patrick made a significant mark on the organization. Since 2017, he has been consistently ranked in the Insider NJ "100 Policymaker Power List" and the NJ Globe "100 Power List."

Patrick was appointed by Governor Jon Corzine to the Task Force on Police Suicides, which developed a successful video and program to curtail what was an alarming trend of police suicides. Governor Corzine also appointed him to the New Jersey Public Employment Relations Commission (PERC) where he proudly served from 2009 to 2011.

I salute Mr. Colligan for his steadfast leadership of New Jersey State PBA and his lifelong commitment to public service. He has notched an amazing record of legislative accomplishments that help keep our communities safe and ensure law enforcement have the resources they need to protect and serve. Jersey is truly lucky to have Patrick as a champion of what I believe are the greatest law enforcement officers in the country. Mr. STEIL. Mr. Speaker, to celebrate his retirement, I rise to thank Mr. Tom Coyne for 33 years of outstanding service to the U.S. House of Representatives. Tom has served this great institution as a valuable employee of the House Chief Administrative Office, both in the Office of Logistics & Support, and the Office of Finance. His journey was not without its challenges, but his resilience and dedication have been unwavering, and we are all the better for it.

Before embarking on his 33-year journey with the U.S. House of Representatives, Tom Coyne dedicated four years of his life to the U.S. Army, serving with honor in the 3rd U.S. Infantry Regiment, "The Old Guard" Unit. His military service concluded in 1984, and he then pursued his passion for numbers, earning a degree in Accounting from George Mason University.

Tom began his career at the House in February 1991 as an equipment counselor in the Office Equipment Services, and due to his excellent service, he was promoted through many positions, leading up to his role as Chief Logistics Officer. Tom assisted with multiple computer system implementations, which include the fixed asset and inventory management system (FAIMS), work ticketing, point of sale, finance, and online flag ordering systems. Additionally, Tom was instrumental in initiating and managing the first Office Services department, allowing offices to request CAO support and services more quickly.

provided a wealth of institutional knowledge, resulting in numerous successful initiatives and programs. He has been a pillar of support during all significant events over the past three decades, such as 9/11, Anthrax, the pandemic, 17 Congressional transitions, five Inaugurations, and nine House leadership changes. His professionalism, solid presence, and unwavering confidence has been a source of reassurance for his team, the Chief Administrative Office, and the U.S. House of Representatives.

We celebrate his many years of dedication and outstanding contributions to the U.S. House of Representatives. We wish Tom many wonderful years in fulfilling his retirement dreams. May this new chapter be filled with joy, adventure, and fulfillment.

COMMEMORATING THE 35TH ANNI-
VERSARY OF THE TIANANMEN
SQUARE MASSACRE

HON. ADAM B. SCHIFF

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, June 3, 2024

Mr. SCHIFF. Mr. Speaker, on June 4, we commemorate the 35th anniversary of the Tiananmen Square massacre, an event that serves as a stark reminder of the brutality of authoritarianism and its tragic human costs.

Thirty-five years ago in 1989, in the heart of Beijing, the world witnessed a military crackdown on peaceful pro-democracy protesters in Tiananmen Square. The Chinese government's violent suppression of student-led demonstrations shook the world's conscience, leaving a permanent scar on the collective memory of humanity and reminding us of the lengths to which authoritarian regimes will go to maintain their grip on power. There are credible estimates that more than 200,000 Chinese army soldiers killed nearly 1,000 people and wounded many thousands more. In the decades since the massacre, the Chinese Communist Party (CCP) has relentlessly pursued its agenda of control and repression, which has stifled dissent and trampled on the fundamental rights of its citizens. Freedom of speech, assembly, and religion remain severely curtailed, with censorship and surveillance pervasive throughout the country. Dissidents, human rights activists, and religious

minorities continue to face persecution, imprisonment, and even disappearance simply for expressing their beliefs or advocating for change.

The CCP continues its efforts to control the political discourse across the entire country and in every territory under its control. The crackdown in Hong Kong is one such example. The imposition of the draconian National Security Law in 2020 marked a turning point in the erosion of the city's autonomy and freedoms. Pro-democracy activists, journalists, and political figures have been arrested, charged, and silenced under the guise of national security, while Beijing tightens its grip on the former British colony. The passage of the Article 23 legislation, which further restricts basic freedoms of speech and assembly, will continue the erosion of the "one country, two systems" principle, undermining the aspirations of the people of Hong Kong and threatening the stability and prosperity of the entire region. For this reason, I, along with Congressman GUS BILIRAKIS, introduced a House Resolution that condemns the promulgation of the new Article 23 legislation and calls on other members of the international community to similarly condemn the process of undermining freedoms in Hong Kong.

While the total number of lives impacted by China's suppression of basic freedoms may never be fully known, I am honored to serve as an advocate for one person who has witnessed firsthand the brutality of the regime. Mr. Ding Jiayi, a prominent human rights lawyer and democracy advocate was wrongfully imprisoned in 2019 for his peaceful activism and charged for the crime of "subversion of state power." Mr. Ding's courageous efforts to defend the lights of marginalized communities and promote greater government accountability made him a target of the regime's ruthless crackdown on dissent. His arbitrary detention, which included solitary confinement and physical abuse, serves as a stark reminder of the grave risks faced by those who dare to challenge the authoritarian rule of the CCP. Together with the Congressional Tom Lantos Human Rights Commission's Defending Freedoms Project, I am committed to advocating for his release and reunion with his family.

As we remember the victims of the Tiananmen Square massacre and honor their memory, we must reaffirm our commitment to the values of democracy, human rights, and freedom. We stand in solidarity with the people of China, Hong Kong, and all those around the world who continue to courageously resist oppression and dream of a better future. Let us continue to pursue a world where freedoms are protected, and people like Mr. Ding Jiayi, are not wrongfully imprisoned and silenced, but instead honored for their work to improve society. The image of a single protestor who stood in the way of a column of tanks rolling through the streets of Beijing in June 1989 will continue to inspire those who will bravely face brute force for the sake of freedom. In confronting tyranny and injustice, we draw inspiration from the courage and resilience of those who have dared to challenge authoritarian rule. Their struggle is our struggle, and their cause is our cause.

HONORING BERNICE TROTTER

HON. KEVIN HERN

OF OKLAHOMA

IN THE HOUSE OF REPRESENTATIVES

Monday, June 3, 2024

Mr. HERN. Mr. Speaker, I rise today to honor Bernice Trotter, a World War II veteran, and Tulsa native, who turned 100 years old yesterday.

Ms. Trotter was a member of the U.S. Marine Corps Women's Reserve from 1944 to 1946. She enlisted within a few weeks of her brother, Franklin, who was killed in action in Germany in 1945.

Ms. Trotter completed basic training at Camp Pendleton, California and she remained there to faithfully execute her duties driving a jeep for a Major she was assigned to. The only problem was that she didn't know how to drive. Ms. Trotter and the other 18,000 women that joined the Marine Corps Women's Reserve didn't make excuses, they learned, and did their jobs with honor.

Our Nation stands on the strong shoulders of courageous, determined, and resourceful women like Ms. Trotter who answered the call to serve our Nation in one of our greatest hours of need. Happy birthday to Miss Minnie. She has done Franklin, and this entire Nation proud.

INTRODUCTION OF THE PROMOTING NATIONAL SERVICE AND REDUCING YOUTH UNEMPLOYMENT ACT

HON. ELEANOR HOLMES NORTON

OF THE DISTRICT OF COLUMBIA

IN THE HOUSE OF REPRESENTATIVES

Monday, June 3, 2024

Ms. NORTON. Mr. Speaker, today, I introduce the Promoting National Service and Reducing Youth Unemployment Act to address one of the greatest workforce tragedies—our unemployed young people—while filling vacancies in the public sector. Youth unemployment is harming our young people and costing our country billions of dollars each year in lost productivity and tax revenue, among other costs. Although the total unemployment rate has reached a relative low (3.9 percent), the youth unemployment rate is 8.2 percent. These young people have not had a fair chance to use the high school or college education we strongly urged them to obtain.

By adding 500,000 new members to AmeriCorps, this bill would need no new administrative structure or bureaucracy, and would allow unemployed youth to earn a stipend, obtain work experience and develop a good work history to help secure future employment. This bill would significantly expand job opportunities for young people who have done what they could to get a job, but, despite their best efforts, remain unemployed. AmeriCorps participants receive a living allowance and are also eligible for an education award equal to the value of a Pell grant, school-loan forbearance, health care benefits and childcare assistance. By expanding AmeriCorps, we would reduce the number of unemployed young people, provide them work skills and experience and help understaffed state and local governments provide services.

This bill would also establish that the minimum wage for any AmeriCorps State and National member would be 200 percent of the federal poverty line, and would not allow for a decrease in that amount, as is allowed under current law. AmeriCorps members serve their country and gain skills, but we should increase the minimum wage for everybody, including national service members.

For some time, it has been clear that policies to address the most stubborn forms of unemployment need to be targeted in order to be effective. Without significant targeting, many young people will continue to face their first years as adults without jobs and with no way to acquire necessary work experience. They deserve a better start in life as adults.

I ask my colleagues to support this urgently needed, targeted assistance for our unemployed youth.

HONORING DR. BOBBY KALOTEE

HON. ANTHONY D'ESPOSITO

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Monday, June 3, 2024

Mr. D'ESPOSITO. Mr. Speaker, I rise today to honor Dr. Bobby Kalotee, a distinguished civic leader on Long Island who has lived the American dream. He came here from India as an immigrant with a desire to serve the communities he now called home. For over four decades now, he either led or participated in a multitude of community projects, organizations and charitable work for the people of not just Nassau County but across New York State and beyond. Though he chaired several political parties, he never viewed politics as a sport for gain but as a vehicle for advocacy and civic duty. He sought to address the issues that afflicted countless lives regardless of their zip code of social status.

As a Major in the New York State Guard, Dr. Kalotee serves in the Division of Military and Naval Affairs and as a General in the United States Disaster Relief Command, which oversees operations that are vital to all Long Islanders. Here at home, Dr. Kalotee served as the Director and Vice Chair of the Counsel for Stony Brook University's Brookhaven National Labs and continues to serve on the board of the New York Institute of Technology. As the Chairman of the Nassau County Human Rights Commission, Dr. Kalotee has even personally witnessed many elections both here and abroad and has been invited to attend the inaugurations of several esteemed heads of state. As mentioned, Dr. Kalotee has also been involved in work overseas, having been appointed as a special liaison to South Asia and an advisor to the United Nations' Grenada Mission and providing medical services to over 7,000 people in cities across Central America. His humanitarian efforts and work with the UN even earned him the privilege to be a guest speaker before the General Assembly for multiple sessions.

Dr. Kalotee is an American with a passion to serve and look after his communities, a duty of which I understand and appreciate the importance. In the words of his organization's motto, "there is no better gift one can give to humanity than good health."

On behalf of myself and all Long Islanders, we give Bobby, my brother, our utmost gratitude for his service.

RECOGNIZING ROBERT M.
IAMELLO, AIA

HON. FRANK PALLONE, JR.

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Monday, June 3, 2024

Mr. PALLONE. Mr. Speaker, I rise today to congratulate Mr. Robert (Bob) M. Iamello whose dedication to the Amerigo Vespucci Society and his Italian heritage will be recognized by the organization with its “Man of the Year” award on June 8, 2024.

Robert Iamello maintains his Italian heritage through his family and his involvement with the Amerigo Vespucci Society (AVS). Raised in West Long Branch, New Jersey, Mr. Iamello grew up in a household that embraced its Calabrian lineage. His parents and grandparents often conversed with each other in Italian, introducing Mr. Iamello to the language. In college, he studied abroad in Venice, and has visited Italy many times since. Together with Diane, his wife of nearly 45 years, he has two children and three grandchildren. He takes great pride in his family and heritage, sharing his experiences with other members of the AVS.

Mr. Iamello received his Associate Degree in Engineering for Architectural Engineering Technology from Wentworth Institute of Technology and his Bachelor in Architecture from the University of Kentucky. Throughout his 47-year career, he was employed by architectural firms in New York and New Jersey before opening Ocean Township-based Iamello Architectural Studio LLC with his daughter in 2014. Mr. Iamello is a member of several architectural organizations and has been recognized for his work.

Mr. Speaker, please join me in congratulating Mr. Robert Iamello as the recipient of the Amerigo Vespucci Society “Man of the Year” award. This honor is a testament to his hard work, dedication, and service to family and community.

HONORING MARY HENDERSON

HON. CHELLIE PINGREE

OF MAINE

IN THE HOUSE OF REPRESENTATIVES

Monday, June 3, 2024

Ms. PINGREE. Mr. Speaker, I would like to recognize a visionary advocate and leader in my state who, for decades, has worked to improve the lives of her fellow citizens. Over her influential career, Mary Henderson has worked as an attorney and co-founded a legal aid and economic justice nonprofit—among many other roles—to consistently address root causes of poverty.

Mary’s advocacy for Maine people began at Pine Tree Legal Assistance, a nonprofit organization which provides free civil legal assistance. As a staff attorney, Mary tirelessly provided representation on a variety of cases. Under Mary’s guidance, countless people were able to access government supports for which they were eligible but had previously been improperly denied.

In 1996, Mary co-founded Maine Equal Justice, a nonprofit civil legal aid and economic justice organization. In her role as Executive Director, Mary assisted in the acquisition of a

location and the securing of funds to create a sustainable and reliable resource for Maine’s most vulnerable populations. Through her defense of government programs for public healthcare, education access, and housing and food security, Mary’s work has improved the lives of thousands of Maine people.

Since leaving Maine Equal Justice, Mary has brought her expertise and unwavering dedication to the Office of Substance Abuse, Maine Department of Labor, Office of Maine Care Services, National Academy for State Health Policy, Maine Children’s Alliance, and Preble Street Resource Center. In each of her roles, Mary has intentionally centered the voices and experiences of the people of Maine who are served by these critical government and anti-poverty programs.

I had the great pleasure of working with Mary during my years in the State House and was able to see firsthand how the State of Maine benefitted from her knowledge, skills, and advocacy. I am very proud to represent her and the State of Maine in Congress. I wish Mary continued success, and I wholeheartedly thank her for her many years of influential work.

APPRECIATING BULGARIA

HON. JOE WILSON

OF SOUTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Monday, June 3, 2024

Mr. WILSON of South Carolina. Mr. Speaker, today I am grateful to recognize the 120th anniversary of diplomatic relations between the United States of America and the Republic of Bulgaria.

September 19, 2023, marks the 120th anniversary of the establishment of diplomatic relations between the United States of America and the Republic of Bulgaria. The first United States Diplomatic Agent to Bulgaria, John B. Jackson, presented his credentials on September 19, 1903. The first Special Envoy and Minister Plenipotentiary of Bulgaria to the United States, Stefan Panaretov, presented his credentials to President Woodrow Wilson on December 22, 1914. Today Bulgaria is well represented in Washington by Ambassador Georgi Aanayotov who also was an election observer for the South Carolina Presidential Primary in the tradition of former Ambassador Elena Poptodorova.

The enduring ties between the two nations are exemplified by the founding of the American College of Sofia, dating back to a school opened by American missionaries in Bulgaria in 1860. On September 25, 2023, the United States and Bulgaria held the second high-level Strategic Dialogue to advance their bilateral, regional, and global agenda and to further enhance cooperation as friends, Allies, and partners.

The United States and Bulgaria stand together as North Atlantic Treaty Organization (NATO) Allies, determined to safeguard the freedom, common heritage, and civilization of their peoples, founded on the principles of democracy, individual liberty, and the rule of law, seeking to promote stability and well-being in the North Atlantic area. They have signed numerous important documents in key areas, including defense and security cooperation, 5G security, civil nuclear cooperation, science and

technology, and combating foreign disinformation and propaganda.

The United States and Bulgaria stand united against aggression and terror, condemning in the strongest possible terms Russia’s brutal and unprovoked war of aggression against Ukraine, and the heinous attacks on the Israeli people by the terrorist organization Hamas. Bulgaria remains committed to the collective defense, as exemplified by hosting a NATO battlegroup with United States participation, and by establishing a NATO littoral countries mine countermeasures task force to secure freedom of navigation in the Black Sea. Prior to becoming a NATO member and subsequently, as an ally, Bulgaria participated in the United States-led and NATO missions and operations in Iraq, Afghanistan, Libya, Kosovo, and the Mediterranean.

Bulgaria was among the very first countries to denounce terrorism and pledge active support to the United States in the fight against terrorism following the attacks of September 11, 2001. Bulgaria provided overflight and basing rights at the town of Bourgas for Operation Enduring Freedom, representing the first stationing of foreign forces in Bulgaria since World War II, and Bulgaria deployed a nuclear, biological, and chemical protection detachment to Afghanistan as part of the International Security Assistance Force (ISAF). The United States and Bulgaria recognize that Russia’s full-scale invasion of Ukraine has only underscored the geostrategic importance of the Black Sea region, and the need to ensure that the region remains free and secure from threats posed by Russia and other malign actors.

The bilateral Defense Cooperation Agreement (DCA) was signed in 2006, regulating the status of forces, allowing for joint United States-Bulgarian military facilities, providing for bilateral and multilateral exercises, and facilitating the movement and temporary stationing of aircraft and vessels. Bulgaria continues to invest in defense capabilities, interoperability, and the development of a credible defense posture in cooperation with the United States, as exemplified by the purchase of sixteen F-16 Block 70 fighter jets from the United States, and intending to purchase United States Stryker combat vehicles.

The United States and Bulgaria share the understanding that energy security is crucial component of national security, and Bulgaria has made significant progress in reducing its dependency on Russian energy resources and in diversifying its energy sector in collaboration with the United States. The two nations acknowledge the significance of intensifying their cooperation in innovations, research, and emerging technologies. The people-to-people exchanges between the United States and Bulgaria are vital for bolstering the bilateral relationship and Bulgaria has made progress towards meeting criteria for visa-free travel of Bulgarian citizens to the United States. The shared commitment to counter disinformation and hybrid threats was demonstrated by the signing of a bilateral Memorandum of Understanding on Countering Foreign Information Manipulation on September 25, 2023.

The year 2023 marks the 80th anniversary of the historic rescue of 50,000 Bulgarian Jews during the World War II. It is acknowledged with regret and sadness that 11,343 Jews were deported to Nazi concentration camps from Macedonia, Thrace, and Pirot, territories administered by Bulgaria at that time.

Bulgaria takes pride in its Jewish community and remains resolute in its stance against any forms of discrimination, intolerance, and anti-semitism.

The vibrant Bulgarian-American community is contributing to America's prosperity, including to its remarkable economic achievements, the preservation of its technological edge, and the enrichment of American culture and society, through its diverse talents, rich traditions, art, music, dance, cuisine, and language. Bulgaria's presence in the world's biggest library, the United States Library of Congress is marked with a collection of over 50,000 volumes of Bulgarian cultural heritage, brought together by the Library of Congress in collaboration with Bulgarian individuals and institutions since the 1880s. The American University in Bulgaria, the pioneer of American-style liberal arts education in Eastern Europe, has been delivering exceptional education for more than three decades. There are 41 Bulgarian Sunday schools in the United States, which are contributing to the preservation of Bulgarian language and traditions and to the cultural diversity in the United States. Bulgaria is the place of origin of the Cyrillic alphabet, which is currently taught in the Bulgarian Sunday schools across the United States.

The Bulgarian Caucus in the House of Representatives was formed in June 2002 and the following year a group for friendship with the United States was formed in the National Assembly of the Republic of Bulgaria demonstrating a dedication to the bilateral relationship. America's most successful and enduring relationships are built on shared values.
