

AUTHORIZING THE USE OF THE CAPITOL GROUNDS FOR A  
BIKE RODEO TO BE CONDUCTED BY THE EARTH FORCE  
YOUTH BIKE SUMMIT

---

MARCH 16, 1999.—Referred to the House Calendar and ordered to be printed

---

Mr. SHUSTER, from the Committee on Transportation and  
Infrastructure, submitted the following

REPORT

[To accompany H. Con. Res. 49]

[Including cost estimate of the Congressional Budget Office]

The Committee on Transportation and Infrastructure, to whom was referred the concurrent resolution (H. Con. Res. 49) authorizing the use of the Capitol Grounds for a bike rodeo to be conducted by the Earth Force Youth Bike Summit, having considered the same, report favorably thereon without amendment and recommend that the concurrent resolution be agreed to.

House Concurrent Resolution 49, authorizes the use of the Capitol Grounds for the Get Out Spoke'n bicycle summit scheduled for May 5, 1999, or on such other date as the Speaker of the House of Representatives and the Senate Committee on Rules and Administration may jointly designate. The resolution also authorizes the Architect of the Capitol, the Capitol Police Board, and the sponsors of the event, to negotiate the necessary arrangements for carrying out the event in complete compliance with the rules and regulations governing the use of the Capitol Grounds. The event is open to the public and free of admission charge; and the sponsor will assume responsibility for all expenses and liabilities related to the event. In addition, sales, advertisements, and solicitations are explicitly prohibited on the Capitol Grounds for this event.

The Get Out Spoke'n bicycle summit will teach children the proper ways to ride their bikes and honor children who have been actively involved in the national campaign to make America more bike friendly. This event will help children in grades 5–9 develop habits of active citizenship and environmental stewardship.

## COMMITTEE CONSIDERATION

On March 11, 1999, the Committee met in open session and ordered reported H. Con. Res. 49, to authorize the use of the Capitol Grounds for a bike summit, approved March 11, 1999, by the Subcommittee on Economic Development, Public Buildings, Hazardous Materials and Pipeline Transportation, by voice vote with a quorum present. There were no recorded votes taken during Committee consideration of H. Con. Res. 49.

## RECORD VOTES

Clause 3(b) of rule XIII of the House of Representatives requires each committee report to include the total number of votes cast for and against on each record vote on a motion to report and on any amendment offered to the measure or matter, and the names of those members voting for and against. There were no recorded votes taken in connection with ordering H. Con. Res. 49 reported. A motion by Mr. Franks to order H. Con. Res. 49 favorably reported to the House was agreed to by voice vote, a quorum being present.

## COST OF THE LEGISLATION

Clause 3(d)(2) of rule XIII of the Rules of the House of Representatives does not apply where a cost estimate and comparison prepared by the Director of the Congressional Budget Office under section 402 of the Congressional Budget Act of 1974 has been timely submitted prior to the filing of the report and is included in the report. Such a cost estimate is included in this report.

## COMPLIANCE WITH HOUSE RULE XIII

1. With respect to the requirement of clause 3(c)(2) of rule XIII of the Rules of the House of Representatives, and section 308(a) of the Congressional Budget Act of 1974, the Committee references the report of the Congressional Budget Office below.

2. With respect to the requirement of clause 3(c)(4) of rule XIII of the Rules of the House of Representatives, the Committee has received no report of oversight findings and recommendations from the Committee on Government Reform on the subject of H. Con. Res. 49.

3. With respect to the requirement of clause 3(c)(3) of rule XIII of the Rules of the House of Representatives and section 402 of the Congressional Budget Act of 1974, the Committee has received the following cost estimate for H. Con. Res. 49 from the Director of the Congressional Budget Office.

## CONGRESSIONAL BUDGET OFFICE COST ESTIMATE

*H. Con. Res. 49—Authorizing the use of the Capitol grounds for a bike rodeo to be conducted by the Earth Force Youth Bike Summit*

H. Con. Res. 49 would authorize the Earth Force Youth Bike Summit to use the Capitol grounds on May 5, 1999, or on such other date as the Speaker of the House of Representatives and the Senate Committee on Rules and Administration may jointly des-

ignite. Because it would require that the sponsors assume responsibility for all expenses and liabilities associated with the event, CBO estimates that passage of H. Con. Res. 49 would result in no significant cost to the federal government.

The CBO staff contact for this estimate is John R. Righter. The estimate was approved by Robert A. Sunshine, Deputy Assistant Director for Budget Analysis.
