ICES, AND EDUCATION, AND RELATED AGENCIES APPRO-
PRIATION BILL, 2001

JUNE 7, 2000.—Referred to the House Calendar and ordered to be printed

Ms. PRYCE of Ohio, from the Committee on Rules,
submitted the following

REPORT

[To accompany H. Res. 518]

The Committee on Rules, having had under consideration House Resolution 518, by a nonrecord vote, report the same to the House with the recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for the consideration of H.R. 4577, the Departments of Labor, Health and Human Services, and Education, and Related Agencies Appropriation Bill, 2001, under an open rule. The rule provides one hour of general debate divided equally between the chairman and ranking minority member of the Committee on Appropriations.

The rule waives all points of order against consideration of the bill. The rule provides that the amendments printed in part A of this report shall be considered as adopted. The rule waives clause 2 of rule XXI (prohibiting unauthorized or legislative provisions in an appropriations bill) against provisions in the bill, as amended, except as otherwise specified in the rule.

The rule further provides that the amendment printed in part B of this report may be offered only by a Member designated in this report and only at the appropriate point in the reading of the bill, shall be considered as read, shall be debatable for the time specified in this report equally divided and controlled by the proponent and an opponent, shall not be subject to amendment, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole. All points of order against the amendment printed in part B of this report are waived. The rule also waives clause 2(e) of rule XXI (prohibiting non-emergency des-

ignated amendments to be offered to an appropriations bill containing an emergency designation) against amendments offered during consideration of the bill.

Members who have pre-printed their amendments in the Record prior to their consideration will be given priority in recognition to offer their amendments if otherwise consistent with House rules. The Chairman of the Committee of the Whole may postpone votes during consideration of the bill, and reduce voting time to five minutes on a postponed question if the vote follows a fifteen minute vote. The rule provides for one motion to recommit, with or without instructions. Finally, the rule lays H. Res. 515 on the table.
