Statement on the Death of Percy Sutton

December 27, 2009

Percy Sutton was a true hero to African Americans in New York City and around the country. We will remember him for his service to the country as a Tuskegee airman, to New York State as a State assemblyman, to New York City as Manhattan borough president, and to the community of Harlem in leading the effort to revitalize the world renowned Apollo Theater. His life-long dedication to the fight for civil rights and his career as an entrepreneur and public servant made the rise of countless young African Americans possible.

Michelle and I extend our deepest condolences to his family on this sad day.
