All notices of unfavorable action shall state

(d) *Approval by area director.* Except as otherwise indicated in the regulations in this part, loans acted upon favorably by the board, where the applicant's indebtedness to the fund will exceed \$4,000 but not exceed \$10,000, shall be approved by the area director. Loans to cooperatives; loans for the purchase of livestock, equipment, or machinery with maturities exceeding six years; loans to members under 21 years of age; loans with maturities exceeding ten years; loans for the purchase of land; educational loans; and loans to individuals who are Government employees shall require approval of the area director regardless of amount. (h) *Modifications.* The board may approve one modification of any loan agreement extending the terms of repayment up to 90 days beyond the maturity date scheduled in the original loan agreement when the original loan agreement has been approved by the board in accordance with paragraph (b) of this section. Unless otherwise authorized by the Commissioner, all other modifications of loans approved by other than the Commissioner shall require approval by the area director. The area director may approve modifications of loan agreements approved by the Commissioner in accordance with paragraph (e) of this section, in cases where the amounts of the loans are not increased.

(i) *Advances.* Advances on all approved loans shall be made within 30 days of the date of final approval of the applications, unless otherwise requested by the borrowers and so provided in their loan agreements.

§ 28.8 *Interest, service fees, and penalties.* Borrowers shall pay five percent interest annually on the basis of 360 days per annum, from the date funds are advanced on the loan until they are repaid, except on loans for educational purposes, on which the board may specify the rate to be charged: *Provided*, That such rate may not be less than 1 percent per annum nor more than the rate

charged other borrowers. Borrowers also shall pay a penalty of one-half of one percent per month, or fraction thereof, on all amounts which are not paid on the due dates set forth in their loan agreements as originally approved, or as subsequently modified. § 28.18 *Responsibility of superintendent.* The superintendent shall not make disbursements on any loans which are in violation of the regulations in this part. The superintendent shall also take the following action with reference to board matters:

(a) Return to the board any application acted upon favorably by the board in accordance with § 28.7 (a) which are in violation of the regulations in this part, and advise the board in writing of the section violated.

(b) Advise the board in writing of any application approved by the board in accordance with § 28.7 (b) which, although not in violation of the regulations in this part, does not indicate, in his opinion, reasonable assurance of repayment to the fund. He shall state the reasons for his opinion. Disbursements on such loans may be withheld pending reconsideration by the board. If, after reconsideration, the board again approves such loan, and the superintendent is still of the opinion that it does not indicate reasonable assurance of repayment to the fund, he shall advise the business committee in writing of his opinion and the facts in the case. Disbursements on such loan may be withheld until it also receives the approval of the business committee.

(c) Advise the board in writing of the action which should be taken on any loan delinquent for a period longer than 30 days, in payment of either principal or interest, and prescribe a time limit within which such action shall be taken. If the board fails to take such action within the period prescribed, the case shall be reported to the business committee. The business committee may direct the board in writing to take the action which it deems necessary to protect the loan. In the event the board fails to take such action within 10 days after receipt of the business committee's directive, the business committee may take any action which the board could have taken.

This order shall not become effective to change the status of such lands or to

permit the leasing thereof under the Small Tract Act of June 1, 1938, cited above, until 10:00 a. m. on August 7, 1950. At that time the lands shall, subject to valid existing rights, become subject to application, petition, location or selection, as follows:

Application by such veterans and by other persons entitled to credit for service shall be subject to claims of the classes described in subdivision (2).

(b) *Advance period for simultaneous preference right filings.* All applications by such veterans and persons claiming preference rights superior to those of such veterans filed on July 18, 1950, or thereafter, up to and including 10:00 a. m., on August 7, 1950, shall be treated as simultaneously filed.

(c) *Date for nonpreference right filings authorized by the public land laws.* Commencing at 10:00 a. m., on November 6, 1950, any of the land remaining unappropriated shall become subject to application under the Small Tract Act by the public generally.

Other persons claiming credit for service of veterans must furnish like proof in support of their claims. Persons asserting preference rights, through settlement or otherwise, and those having equitable claim, shall accompany their applications by duly corroborated statements in support thereof, setting forth in detail all facts relevant to their claims.

Applications under the Small Tract Act of June 1, 1938, shall be governed by the regulations contained in Part 257 of Title 43 of the Code of Federal Regulations.

Lessees under the Small Tract Act of June 1, 1938, will be required, within a reasonable time after execution of the lease, to construct upon the leased land, to the satisfaction of the appropriate officer of the Bureau of Land Management authorized to sign the lease, improvements which, in the circumstances, are presentable, substantial and appropriate for the use for which the lease is issued. Leases will be for a period of not more than five years, at an annual rental of \$5.00 for home and cabin sites, payable in advance for the entire lease period. Leases will contain an option to purchase the tract at or after the expiration of one year from the date the lease is issued, provided the terms and conditions of the lease have been met.

Approximately 13.9 miles of 8 $\frac{1}{2}$ -inch O. D. branch transmission line beginning at a point on Applicant's 24-inch O.
