ACTION: Correction of final rule with comment period.

SUMMARY: This document corrects technical errors that appeared in the

final rule with comment period published in the **Federal Register** on December 8, 1994 (59 FR 63410) entitled "Medicare Program; Refinements to Geographic Adjustment Factor Values, Revisions to Payment Policies, Adjustments to the Relative Value Units (RVUs) Under the Physician Fee Schedule for Calendar Year 1995, and the 5-Year Refinement of RVUs."

EFFECTIVE DATE: January 1, 1995.

FOR FURTHER INFORMATION CONTACT: Elizabeth Holland, (410) 966-1309.

SUPPLEMENTARY INFORMATION:

Background

In the **Federal Register** Document [94-29916] dated December 8, 1994 beginning on page 63410, there were a number of technical and typographical errors in the preamble, in one section of the regulations text, and in two of the addenda. The corrections appear later in this document, under the heading "Correction of Errors."

In Table 6, Anesthesia Codes and Imputed RVUs, beginning on page

63456, we omitted the entry for HCPCS code 00534 and should not have included HCPCS code 00806. Also in Table 6, due to a transcription error, the "descriptions" were incorrect for HCPCS codes 00540 through 00802.

In the regulations text, § 414.39, appearing at page 63463, the text does not agree with the preamble description of it on page 63418 relating to payment of physician oversight services.

In Addendum B, Relative Value Units (RVUs) and Related Information, on page 63497, for HCPCS code 33247, the incorrect work RVUs (9.36) and incorrect total RVUs (25.06) were printed. The correct work RVUs for HCPCS code 33247 are 9.76 and the correct total RVUs are 25.36.

In Addendum G, Reference Set with 1995 Work RVUs, we inadvertently included some codes and omitted other codes. Thus, we are reprinting a corrected Addendum G in its entirety. The codes that were incorrectly included are listed below.

49 CFR Part 391

RIN 2125-AC50

Controlled Substances Testing; Removal of Foreign Implementation Date

AGENCY: Federal Highway Administration (FHWA), DOT.

ACTION: Final rule; removal of compliance date.

SUMMARY: The Federal Highway Administration announces the removal of the compliance date from regulations

governing drug testing of foreign-based employees of foreign-domiciled motor carriers. On February 15, 1994, the FHWA published a notice of proposed rulemaking which proposed to begin controlled substances and alcohol testing of foreign-based employees of foreign-domiciled employers under 49 CFR part 382 on January 1, 1996. But 49 CFR part 391 requires foreign-based employees of foreign-domiciled employers to implement controlled substances testing effective January 2, 1995. The removal of the compliance date in part 391 is to allow completion of the part 382 rulemaking process initiated in compliance with the Omnibus Transportation Employee Testing Act of 1991. Also the delay will allow negotiation with foreign governments to continue in an orderly and effective fashion.

EFFECTIVE DATE: This rule is effective December 30, 1994.

FOR FURTHER INFORMATION CONTACT: *For information regarding program issues:* Mr. Ronald Finn, Office of Motor Carrier Standards, (202) 366-0647, or *for information regarding legal issues:* Mr. David Sett, Office of the Chief Counsel, (202) 366-0834, Federal Highway

Administration, Department of Transportation, 400 Seventh Street, SW., Washington, DC 20590. Office hours are from 7:45 a.m. to 4:15 p.m., e.t., Monday through Friday, except Federal holidays.

SUPPLEMENTARY INFORMATION: On November 21, 1988, the FHWA, along with certain other agencies within the Department of Transportation (the Department), adopted regulations requiring pre-employment/use, periodic, post-accident, reasonable cause and random drug testing of commercial motor vehicle drivers. The FHWA rule applies to all covered drivers while they are operating in the United States, regardless of whether they are based in a foreign country or the United States. The rule provided, however, that it would not apply to any person for whom compliance would violate the domestic laws or policies of another country. The rule as originally published further provided that in any event it would not be effective until January 1, 1990, with respect to any person for whom a foreign government contends that application of the rules raises questions of compatibility with that country's laws or policies.
