Indian School Road, Šcottsdale, AZ, January 17 through January 19, 1995. The session on January 17, 1995, is scheduled to begin at 3:30 p.m. and end at 6:30 p.m. (MST). The sessions scheduled for January 18 and 19 are scheduled to begin at 8:00 a.m. and end at 5:00 p.m. (MST). The purpose of the meeting is to review research and development applications concerned with the measurement and evaluation of health care systems and with testing new methods of health care delivery and management. The meeting will be open to the public (to the seating capacity of the room) at the start of the January 17 session for approximately one hour to cover administrative matters and to discuss the general status of the program. The closed portion of the meeting involves discussion, examination, reference to, and oral review of staff and consultant critiques of research protocols, and similar documents. During this portion of the meeting, discussion and recommendations will deal with qualifications of personnel conducting

the studies, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy, as well as research information, the premature disclosure of which would be likely to significantly frustrate implementation of proposed agency action regarding such research projects. As provided by subsection 10(d) of Public Law 92–463, as amended by Public Law 94–409, closing portions of these meetings is in accordance with 5 U.S.C. 552b(c)(6) and (9)(B).

Due to the limited seating capacity of the room, those who plan to attend the open session should contact Mr. Bill Judy, Review Program Manager (12B3), Health Services Research and Development Service, Department of Veterans Affairs, 810 Vermont Avenue, NW, (Techworld), Washington, DC 20420 (phone: 202–523–7425) at least five days before the meeting.
