Iowa Power, Inc.—Construction Exemption—Council Bluffs, Iowa and

[Finance Docket No. 32453]

CBEC Railway, Inc.—Acquisition and Operation Exemption—Great Western Railway Company of Iowa, Inc.—Council Bluffs, IA

The Iowa Power, Inc. (Iowa Power) has petitioned the Interstate Commerce Commission (Commission) for authority to construct and operate a 3.0 mile rail line in Council Bluffs, Iowa. In a related proceeding, CBEC Railway, Inc. (CBEC) acquired an existing three mile rail line which it would rehabilitate and operate in order to carry the traffic generated from the proposed rail construction project, if approved by the Commission. The Commission's Section of Environmental Analysis (SEA) has prepared its Environmental Assessment (EA). Based on the information provided and the environmental analysis conducted to date, this EA concludes that this proposal should not

significantly affect the quality of the human environment if the recommended mitigation measures set forth in the EA are implemented. Accordingly, SEA preliminarily recommends that the Commission impose on any decision approving the proposed construction and operation conditions that would implement the mitigation measures contained in the EA. The EA will be served on all parties of record as well as all appropriate Federal, state and local officials and will be made available to the public upon request. SEA will consider all comments received in response to the EA in making final environmental recommendations to the Commission. The Commission will then consider SEA's final recommendations and the environmental record in making its final decision in this proceeding.

Comments (an original and 10 copies) and any questions regarding this EA should be filed with the Commission's Section of Environmental Analysis, Office of Economic and Environmental Analysis, Room 3219, Interstate Commerce Commission, Washington, DC 20423, to the attention of Ms. Tawanna Glover-Sanders (202) 927-6203. Requests for copies of the EA should also be directed to Ms. Glover-Sanders.

Date made available to the public: January 6, 1995.

Comment due date: February 6, 1995.

By the Commission, Elaine K. Kaiser, Chief, Section of Environmental Analysis, Office of Economic and Environmental Analysis.

Secretary.
