SUPPLEMENTARY INFORMATION: The Corporation for National Service (the Corporation) is a government organization created by the National and Community Service Trust Act of 1993. The Corporation's mission is to engage Americans of all ages and backgrounds in community-based service. This service will address the nation's education, public safety, human and environmental needs to achieve direct and demonstrable results. In doing so, the Corporation will foster civic responsibility, strengthen the ties that bind us together as a people, and provide educational opportunity for those who make a substantial commitment to service.

The Corporation will fund one grant to assist AmeriCorps programs in providing Conflict Mediation training for AmeriCorps Members. AmeriCorps Members provide service in many different sites across the country. As a result, training should be designed for small groups at sites located throughout the United States. The Corporation will be especially interested in proposals that offer to tap into a national network of local training providers so that AmeriCorps programs can benefit from receiving training from local trainers who are familiar with local issues and can continue to be involved with AmeriCorps programs beyond the time frame of the award. In addition, a one-day training curriculum that is specific to the needs of AmeriCorps members should be developed.

The Conflict Mediation training should provide AmeriCorps members with skills to:

1. Manage interpersonal conflict in the workplace and community settings;
2. Negotiate intergroup and community conflicts and issues; and
3. Participate in collaborative planning and problem solving processes with individuals and groups in the community.

The grant will be awarded competitively, based on criteria in the application, including consideration for organizations that propose cost-effective methods and cost-sharing.
