

affiliate acts as principal, in transactions on the customer's behalf. Applicants maintain that the Board has permitted bank holding companies to provide general investment advisory services with respect to futures and options on futures on financial and nonfinancial commodities (12 CFR 225.25(b)(19), *Swiss Bank* and *J.P. Morgan*), and that the proposed discretionary services appear to be functionally similar to the securities-related investment advisory activities the Board has approved for bank holding companies generally in § 225.25(b)(4) of Regulation Y. Applicants conclude that for these reasons, providing discretionary portfolio management services with respect to futures and options on futures on financial and nonfinancial commodities is closely related to banking.

In order to approve the proposal, the Board must determine that the proposed activities to be conducted by Company "can reasonably be expected to produce benefits to the public, such as greater convenience, increased competition, or gains in efficiency, that outweigh possible adverse effects, such as undue concentration of resources, decreased or unfair competition, conflicts of interests, or unsound banking practices." 12 U.S.C. § 1843(c)(8). Applicants believe that the proposal will produce public benefits that outweigh any potential adverse effects. In particular, Applicants maintain that the proposal will enhance competition and enable Applicants to offer their customers a broader range of products. In addition, Applicants state that the proposed activities will not result in adverse effects such as an undue concentration of resources, decreased or unfair competition, conflicts of interest, or unsound banking practices.

In publishing the proposal for comment, the Board does not take a position on issues raised by the proposal. Notice of the proposal is published solely to seek the views of interested persons on the issues presented by the application and does not represent a determination by the Board that the proposal meets, or is likely to meet, the standards of the BHC Act.

Any comments or requests for hearing should be submitted in writing and received by William W. Wiles, Secretary, Board of Governors of the Federal Reserve System, Washington, DC 20551, not later than February 3, 1995. Any request for a hearing on this application must, as required by § 262.3(e) of the Board's Rules of Procedure (12 CFR 262.3(e)), be accompanied by a statement of the reasons why a written presentation

would not suffice in lieu of a hearing, identifying specifically any questions of fact that are in dispute, summarizing the evidence that would be presented at a hearing, and indicating how the party commenting would be aggrieved by approval of the proposal.

This application may be inspected at the offices of the Board of Governors or the Federal Reserve Bank of New York.

Board of Governors of the Federal Reserve System, January 12, 1995.
