[Docket No. N-95-3862; FR-3846-N-01]

**Notice of Funding Availability for
Fiscal Year 1995 for Innovative Project
Funding Under the Innovative
Homeless Initiatives Demonstration
Program**

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice of funding availability (NOFA).

SUMMARY: This Notice announces the availability of \$25 million in funds for applications for Innovative Project Funding under the Innovative Homeless Initiatives Demonstration Program. These funds will be awarded competitively for innovative programs designed to provide aggressive outreach to homeless persons living on the streets or in other places not designed for, or ordinarily used as, regular sleeping accommodations for human beings; provide intensive needs assessments; connect these people with existing community resources when available; and, if necessary, provide additional housing and services for them. Each innovative outreach program must fill a gap within the context of developing a continuum of care system in the jurisdiction designed to assist homeless persons. This notice of funding availability (NOFA) contains information concerning program purpose, eligible applicants, eligible activities, application requirements, and application processing.

DEADLINE DATE: All applications received at HUD Headquarters, Office of Community Planning and Development, at the address shown in the **ADDRESSES** section of this NOFA by 6 p.m. local time on February 6, 1995, will be considered for funding. HUD will treat as ineligible for consideration applications that are received after the deadline. However, any application received at that address within 24 hours after the deadline will be considered for funding if the applicant can show there were circumstances beyond its control that delayed delivery of the application, such as the failure of a delivery service to deliver the application on or before the specified date. Applications may not be sent by facsimile (FAX).

The Department has established a short application period for this NOFA in an effort to make funding quickly

available to applicants who are in need of funding to assist homeless persons, especially during this time when harsh weather conditions necessitate greater and more immediate assistance to homeless persons.

ADDRESSES: A completed application must be submitted to the following address: Processing and Control Unit, Room 7255, Office of Community Planning and Development, Department of Housing and Urban Development, 451 Seventh Street, SW., Washington, DC 20410, Attention: Homeless Innovative Funding.

One copy of the application must also be sent to the HUD Field Office serving the area in which the applicant's project is located. A list of Field Offices appears in Appendix C to this NOFA. The Field Office copy must be received by the application deadline as well, but a determination that an application was received on time will be made solely on receipt of the application at the Office of Community Planning and Development in Headquarters, Washington, DC.

FOR FURTHER INFORMATION CONTACT: The HUD Field Office for the area in which the proposed project is located. Telephone numbers are included in the list of Field Offices set forth in Appendix C to this NOFA.

SUPPLEMENTARY INFORMATION:

Paperwork Reduction Act Statement

The information collection requirements contained in this NOFA have been submitted, for expedited processing, to the Office of Management and Budget (OMB) for review under the Paperwork Reduction Act of 1980 (44 U.S.C. 3501-3520). No person may be subjected to a penalty for failure to comply with these requirements until they have been approved and assigned an OMB control number. The OMB control number, when assigned, will be announced by separate notice in the **Federal Register**. Any applicant that completes an application before the OMB control number is assigned may have to modify that application in accordance with changes in the application package that are requested by OMB and agreed to by HUD.

Public reporting burden for the collection of information requirements contained in this notice is estimated to include the time for reviewing the instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Information on the estimated public reporting burden is provided under the preamble heading, *Other Matters*. Send

comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden by January 30, 1995, to the Department of Housing and Urban Development, Rules Docket Clerk, 451 Seventh Street, SW., Room 10276, Washington, DC 20410-0500; and to the Office of Information and Regulatory Affairs, Office of Management and Budget, Attention: Desk Officer for HUD, Washington, DC 20503.

I. Purpose and Substantive Description

(A) Authority

Innovative Project Funding is part of the Innovative Homeless Initiatives Demonstration Program, which is authorized under section 2 of the HUD Demonstration Act of 1993 (Pub. L. 103-120, approved October 27, 1993).

(B) Purpose

The purpose of this NOFA is to fund innovative programs, within the context of developing a continuum of care system, designed to provide aggressive outreach to homeless persons, including persons with severe mental illness and/or substance abuse problems, who are particularly affected by adverse weather conditions because they are currently living on the streets or in other places not designed for, or ordinarily used as, regular sleeping accommodations for human beings. The purpose of this NOFA is also to provide these persons with intensive needs assessments; connect them with existing community resources when available; and, if necessary, provide additional housing and services. Therefore, the focus of this competition is aggressive outreach and assistance to help homeless persons move as quickly as possible from sidewalks, parks, cars, public transit facilities, and similar places. Heavy emphasis is placed on coordinating existing resources through the combined efforts of service and housing providers in the community. Each innovative program must fill a gap within the context of developing a continuum of care system in the jurisdiction.

A continuum of care system consists of four basic components:

- (1) A system of outreach and assessment for determining the needs and conditions of an individual or family who is homeless, or whether assistance is necessary to prevent an individual from becoming homeless;
- (2) Emergency shelters with appropriate supportive services to help ensure that homeless individuals and families receive adequate emergency

shelter and referral to necessary service providers or housing finders;

(3) Transitional housing with appropriate supportive services to help those homeless individuals and families who are not prepared to make the transition to permanent housing and independent living; and

(4) Permanent housing, or permanent supportive housing, to help meet the long-term needs of homeless individuals and families.

Grant requests in response to this \$25 million NOFA should only be made for activities involving aggressive outreach and assistance to homeless persons living on the streets or in other places not designed for, or ordinarily used as, regular sleeping accommodations for human beings. These are the homeless persons most affected by adverse weather conditions. Grant requests to assist homeless families or individuals in other circumstances should be submitted in response to a separate \$900 million NOFA the Department intends to issue in February.

(C) Funding Availability

This NOFA makes \$25 million available for the Innovative Project Funding. Grant requests may be for up to two years of funding. HUD reserves the right to fund less than the full amount requested in any application. Given the program's emphasis on coordination of resources within communities, it is likely that HUD will fund requests which reflect greater coordinative efforts of private nonprofit organizations, governmental agencies, and other organizations who can help provide resources to meet the needs of this most vulnerable population of homeless persons in one application.

With this focus on connecting these homeless persons with a system of community assistance, no renewals of grant awards made under this NOFA are anticipated. Because there is only \$25 million available for this competition, the Department expects to fund requests ranging from \$100,000 to \$1,000,000, and reserves the right to award no more than 20 percent of the funds (\$5 million) in any State.

II. Application Process

(A) Applications will be reviewed and selected on the basis of the following process.

(1) *Review.* Applications will be reviewed to ensure that they meet the following:

(a) Applicant eligibility. The applicant must be a jurisdiction (i.e., State, metropolitan city, urban county, unit of general local government [including units in rural areas], or

Indian tribe), or other nonprofit organization operating within such jurisdiction.

Projects involving the participation of more than one jurisdiction or more than one nonprofit organization, or a combination of jurisdictions or nonprofit organizations are strongly encouraged. However, of these participating jurisdictions and organizations, only one entity may be identified as the actual applicant.

The terms "State", "metropolitan city", "urban county", "unit of general local government", and "Indian tribe" have the meanings given such terms in section 102(a) of the Housing and Community Development Act of 1974 (42 U.S.C. 5302).

The term "nonprofit organization" means an organization—

(i) No part of the net earnings of which inures to the benefit of any member, founder, contributor, or individual;

(ii) That, in the case of a private nonprofit organization, has a voluntary board;

(iii) That has an accounting system, or has designated a fiscal agent in accordance with requirements established by the Secretary; and

(iv) That practices nondiscrimination in the provision of assistance.

(b) Eligible population to be served. The population proposed to be served must be homeless individuals or homeless families living in places not designed for, or ordinarily used as, regular sleeping accommodations, such as sidewalks, parks, cars and public transportation facilities (hereafter referred to as persons living on the streets).

The term "homeless family" means a group of one or more related individuals who are homeless individuals.

(c) Eligible activities. The activities for which assistance is requested may include activities needed to operate a program of aggressive outreach to persons living on streets, intensive needs assessments, and related activities. Up to 5 percent of the amount of grant funds requested for these activities may be used for grant administration expenses, such as the costs of audits and reports.

Applicants may not receive assistance to replace funds provided by any State or local government to assist homeless persons.

(d) Fair housing and equal opportunity. Organizations that receive assistance under this NOFA must be in compliance with applicable civil rights laws and Executive Orders.

(e) Outstanding audit or monitoring findings. No organization that receives

assistance may have serious, unaddressed, outstanding audit or monitoring findings that directly affect the proposed program.

(2) *Selection criteria.* Applications will be selected based on the following criteria:

(a) HUD will award up to 40 points based on the extent to which the program described in the application will achieve the purpose of this NOFA, as demonstrated through:

(i) A coordinated plan, developed within the context of a continuum of care system, for aggressive outreach to homeless persons living on the streets, intensive needs assessments, and addressing housing and service needs;

(ii) The marshaling of existing community resources to meet the housing and service needs of these person; and

(iii) If necessary, the provision of additional housing and services.

(b) HUD will award up to 30 points based on the extent to which the applicant demonstrates the capacity to implement a program that achieves the purpose of this NOFA, including the speed with which the activities will become operational. The rating under this criterion will also consider the Department's knowledge of the prior experience of the applicant (and any organizations that will participate in carrying out the program) in serving homeless persons and in carrying out programs similar to those proposed in the application and the prior performance of the applicant (and any organizations that will participate in carrying out the program) with any HUD-administered programs.

(c) HUD will award up to 30 points based on the jurisdiction's need for homeless assistance, as calculated by HUD from generally available data, and the extent to which the program described in the application is innovative and may be replicated or may serve as a model for implementation in other jurisdictions.

After scores have been assigned, the applications will be placed in rank order. Whether an application is selected will depend on its ranking compared to other applications, except that HUD reserves the right to select lower rated applications if necessary to achieve diversity by geography and community type.

III. Application Submission Requirements

(A) Instructions for Submitting Required Items

(1) Each submission requirement (listed as exhibits in Section (B) below)

must be clearly identified (including the exhibit subparts), and the application assembled in the order listed below.

After the entire application is assembled, applicants should:

- (a) Mark each exhibit with an appropriately numbered tab; and
- (b) Number every page of the application sequentially.

(2) All reviews will be based on the application submission.

(B) Application Submissions

All applications must include the following exhibits:

(1) Exhibit 1 consists of two documents that are printed in this **Federal Register** as appendices to this NOFA. The documents may be removed from the **Federal Register** or photocopied (do not re-type), and signed by the official authorized to act on behalf of the applicant. The two documents are:

(a) SF-424—Application for Federal Assistance (published as Appendix A to this NOFA); and

(b) Applicant Certifications (published as Appendix B to this NOFA).

(2) Exhibit 2. Provide on not more than one page the number of persons in the jurisdiction who are living on the streets. Describe the methodology used to obtain that number and the date(s) of relevant data collection.

(3) Exhibit 3. On not more than five pages:

(a) Describe:

(i) A coordinated plan, including a description of each activity for which funding is being requested, for aggressive outreach to homeless persons living on the streets, intensive needs assessments, connection to existing community resources and, if necessary, providing additional housing and services; and

(ii) How this plan fits within the jurisdiction's current system for reaching out and accommodating the housing and service needs of these persons;

(b) In the format shown below, provide a chart with the total grant amount requested for the activities described above and for grant administration, with a breakdown of grant amount by activity. (The request may not exceed two years of Innovative Project funding.) The amount requested for grant administration may not exceed 5 percent of the subtotal for all other activities;

4. Activity Subtotal
5. Grant Administration (no more than 5 percent of Activity Subtotal)
6. Total Request

(c) Provide a time schedule for carrying out the activities, from beginning to end, noting expected number of days from execution of the grant agreement for achievement of significant milestones;

(d) Estimate the number of homeless persons to be assisted (with Innovative Project funding) over the life of the project (i.e., up to two years); and

(e) List the resources, if any, that will be contributed to the project from States, local governments, and the private sector (including nonprofit organizations, foundations, and communities), and information on the status of any such resources that are essential to the financial feasibility of the project.

(4) Exhibit 4. Describe on not more than two pages the relevant past experience (e.g., conducting aggressive outreach) of the organization(s) that will implement the proposed activities in carrying out these types of activities.

(5) Exhibit 5. Describe on not more than three pages:

(6) Exhibit 6. If changes in a jurisdiction's policy or procedure are necessary to provide sufficient flexibility and resources to implement and sustain the proposed activities, submit a statement of commitment from the jurisdiction to make such changes.

(7) Exhibit 7. Applicants that are private nonprofit organizations must submit:

(a) Documentation showing that the applicant is a certified United Way member agency; or

(b) A copy of the organization's Internal Revenue Service (IRS) ruling

providing tax-exempt status under Section 501(c)(3) of the IRS Code of 1986, as amended; and a certification on letterhead stationery from the Executive Director of the organization stating that the organization has a functioning accounting system that meets the criteria listed below or that the organization has designated a qualified entity (include the name and address in the documentation) to maintain a functioning accounting system that meets the criteria below. The certification must attest that the organization's accounting system provides for the following:

- (i) Accurate, current and complete disclosure of the financial results of each federally-sponsored project;
- (ii) Records that identify adequately the source and application of funds for federally-sponsored activities;
- (iii) Effective control over and accountability for all funds, property and other assets;
- (iv) Comparison of outlays with budget amounts;
- (v) Written procedures to minimize the time elapsing between the transfer of funds to the recipient from the U.S. Treasury and the use of the funds for program purposes;
- (vi) Written procedures for determining the reasonableness, allocability and allowability of costs; and
- (vii) Accounting records including cost accounting records that are supported by source documentation.

(C) Clarification of Application Information

In accordance with the provisions of 24 CFR part 4, subpart B, HUD may contact an applicant to seek clarification of an item in the applicant's application, or to request additional or missing information, but the clarification or the request for additional or missing information shall not relate to items that would improve the substantive quality of the application pertinent to the funding decision.

(D) Environmental Review

Selection of an application for funding does not imply HUD approval of any particular property for use in the project. HUD will complete an environmental review with respect to particular properties, to the extent required under 24 CFR part 50, at the time the recipient proposes particular properties for use under the program. The recipient may not commit HUD or local funds for acquisition, leasing or physical development activities under the program until it receives HUD approval of the property.

IV. Reporting Requirements

Each grantee will be required to submit to HUD a progress report, in a form prescribed by HUD, within 90 days after the completion of each operating year or within 90 days after the project is completed if the total project period is less than twelve months. Each report

shall describe the use of the grant funds and include a description and an analysis of the project, the innovative approaches taken, and the level of cooperation among participating parties.

V. Other Matters

The information collection requirements contained in this notice

have been submitted to the Office of Management and Budget under the Paperwork Reduction Act of 1989 (44 U.S.C. 3501–3520). The Department estimates the information collection burden hours as follows:

	Number of respondents	Frequency of responses	Hours per response	Burden hours
Application preparation	250	1	35	8,750

Environmental Impact

A Finding of No Significant Impact with respect to the environment was made in accordance with HUD regulations that implement section 102(2)(C) of the National Environmental Policy Act of 1969 (42 U.S.C. 4332) at the time of development of the NOFA for FY 1994 for Innovative Project Funding under the Innovative Homeless Initiatives Demonstration Program. That Finding remains applicable to this FY 1995 NOFA, and is available for public inspection during business hours in the Office of the Rules Docket Clerk, Office of General Counsel, Room 10276, Department of Housing and Urban Development, 451 Seventh Street, SW, Washington, DC 20410.

Federalism Executive Order

The General Counsel, as the Designated Official under section 6(a) of Executive Order 12612, Federalism, has determined that this NOFA will not have substantial, direct effects on States, on their political subdivisions, or on their relationship with the Federal Government, or on the distribution of power and responsibilities between them and other levels of government. Specifically, the purpose of the funding under this NOFA is to provide grants to jurisdictions, or nonprofit organizations operating within jurisdictions, for innovative approaches toward providing a continuum of care system designed to assist homeless persons and prevent homelessness.

Family Executive Order

The General Counsel, as the Designated Official under Executive Order 12606, The Family, has determined that this document may have the potential for significant beneficial impact on family formation, maintenance, and general well-being to the extent that the activities of grantees will provide housing to homeless persons. Since the impact on the family is considered beneficial, no further review under the Order is necessary.

Prohibition Against Lobbying Activities: The Byrd Amendment

The use of funds awarded under this NOFA is subject to the disclosure requirements and prohibitions of section 319 of the Department of Interior and Related Agencies Appropriations Act for Fiscal Year 1990 (31 U.S.C. 1352) (the “Byrd Amendment”), and the implementing regulations at 24 CFR part 87. These authorities prohibit recipients of Federal contracts, grants, or loans from using appropriated funds for lobbying the Executive or Legislative Branches of the Federal Government in connection with a specific contract, grant, or loan. The prohibition also covers the awarding of contracts, grants, cooperative agreements, or loans unless the recipient has made an acceptable certification regarding lobbying. Under 24 CFR part 87, applicants, recipients, and subrecipients of assistance exceeding \$100,000, and applicants for Federal commitments exceeding \$150,000 must certify that no Federal funds have been or will be spent on lobbying activities in connection with the assistance.

Indian Housing Authorities (IHAs) established by an Indian tribe as a result of the exercise of the tribe’s sovereign power are excluded from coverage of the Byrd Amendment, but IHAs established under State law are not excluded from the statute’s coverage.

Prohibition Against Lobbying of HUD Personnel

Section 13 of the Department of Housing and Urban Development Act (42 U.S.C. 3537b) contains two provisions dealing with efforts to influence HUD’s decisions with respect to financial assistance. The first imposes disclosure requirements on those who are typically involved in these efforts—those who pay others to influence the award of assistance or the taking of a management action by the Department and those who are paid to provide the influence. The second restricts the payment of fees to those who are paid

to influence the award of HUD assistance, if the fees are tied to the number of housing units received or are based on the amount of assistance received, or if they are contingent upon the receipt of assistance. HUD’s regulation implementing section 13 is codified at 24 CFR part 86. If readers are involved in any efforts to influence the Department in these ways, they are urged to read the final rule, particularly the examples contained in Appendix A of the rule. Appendix A of this rule contains examples of activities covered by this rule.

Any questions concerning the rule should be directed to the Office of Ethics, Room 2158, Department of Housing and Urban Development, 451 Seventh Street, SW, Washington DC 20410. Telephone: (202) 708–3815 (voice/TDD). This is not a toll-free number. Forms necessary for compliance with the rule may be obtained from the local HUD office.

Prohibition Against Advance Disclosure of Funding Decisions

HUD’s regulations implementing section 103 of the Department of Housing and Urban Development Reform Act (HUD Reform Act) are codified at 24 CFR part 4 and apply to the funding competition announced today. The requirements of part 4 continue to apply until the announcement of the selection of successful applicants.

HUD employees involved in the review of applications and in the making of funding decisions are restrained by part 4 from providing advance information to any person (other than an authorized employee of HUD) concerning funding decisions, or from otherwise giving any applicant an unfair competitive advantage. Persons who apply for assistance in this competition should confine their inquiries to the subject areas permitted by 24 CFR part 4.

Applicants who have questions should contact the HUD Office of Ethics

(202) 708-3815 (voice/TDD). (This is not a toll-free number.) The Office of Ethics can provide information of a general nature to HUD employees, as well. However, a HUD employee who has specific program questions, such as whether particular subject matter can be discussed with persons outside the Department, should contact his or her Field Office Counsel, or Headquarters Counsel for the program to which the question pertains.

Accountability in the Provision of HUD Assistance

HUD's regulation implementing section 102 of the HUD Reform Act is codified at 24 CFR part 12. Section 102 contains a number of provisions that are designed to ensure greater accountability and integrity in the provision of certain types of assistance administered by HUD. On January 16, 1992 (57 FR 1942), following publication of the final rule, HUD published additional information that gave the public (including applicants for, and recipients of, HUD assistance) further information on the implementation, public access, and

disclosure requirements of section 102. The requirements of section 102 are applicable to assistance awarded under this NOFA.

a. Document and Public Access Requirements

HUD will ensure documentation and other information regarding each application submitted pursuant to this NOFA are sufficient to indicate the basis upon which assistance was provided or denied. This material, including any letters of support, will be made available for public inspection for a five-year period beginning not less than 30 days after the award of the assistance. Material will be made available in accordance with the Freedom of Information Act (5 U.S.C. 552) and HUD's implementing regulations at 24 CFR part 15. In addition, HUD will include the recipients of assistance pursuant to this NOFA in its **Federal Register** notice of all recipients of HUD assistance awarded on a competitive basis. (See 24 CFR 12.14(a) and 12.6(b), and the notice published in the **Federal Register** on January 16, 1992 (57 FR

1942) for further information on these requirements.

b. Disclosures

HUD will make available to the public for five years all applicant disclosure reports (HUD Form 2880) submitted in connection with this NOFA. Update reports (also Form 2880) will be made available along with the applicant disclosure reports, but in no case for a period less than three years.

All reports—both applicant disclosures and updates—will be made available in accordance with the Freedom of Information Act (5 U.S.C. 552) and HUD's implementing regulations at 24 CFR part 15. (See 24 CFR part 15, subpart C, and the notice published in the **Federal Register** on January 16, 1993 (57 FR 1942) for further information on these disclosure requirements.

Dated: January 18, 1995.

Andrew Cuomo,

Assistant Secretary for Community Planning and Development.

With reference to the real property and structure(s) thereon which are provided or improved with the aid of Federal financial assistance extended to the applicant, this assurance shall obligate the applicant, or in the case of any transfer, the transferee, for the period during which the real property and structure(s) are used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits.

For Indian tribes, it will comply with the Indian Civil Rights Act (25 U.S.C. 1301 *et seq.*), instead of Title VI and the Fair Housing Act and their implementing regulations.

c. The applicant will incorporate, or cause to be incorporated, into any contract for construction work as defined in Section 130.5 of HUD

regulations the equal opportunity clause required by Section 130.15(b) of the HUD regulations.

e. Section 3 of the Housing and Urban Development Act of 1968, as amended (12 U.S.C. 1701(u)), and the implementing regulations at 24 CFR part 135), which require that to the greatest extent feasible, employment, training and contract opportunities arising in connection with the expenditure of HUD assistance covered by section 3 be given to low-income and very low-income persons and the business concerns identified in the part 135 regulations.

f. Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), as amended, and the implementing regulations at 24 CFR part 8, which prohibit discrimination based on handicap in Federally-assisted and conducted programs and activities.

2. It will provide drug-free workplaces in accordance with the Drug-Free Workplace Act of 1988 (41 U.S.C. 701) by:

(4) the penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;

c. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph a;

d. Notifying the employee in the statement required by paragraph a that, as a condition of employment under the grant, the employee will—
