OMB Control No.: 3060-0620.

Title: Universal Service Fund Data Request.

Expiration Date: 10/31/95.

Estimated Annual Burden: 125,193 total annual hours; 87 hours per response.

Description: The Federal Communications Commission has issued a Notice of Inquiry to evaluate various means of providing financial assistance to support telephone service in areas with high costs of service. The Universal Service Fund Data Request will give the Commission, State regulatory agencies, local exchange carriers (LECs), and interexchange carriers, and other interested parties, the ability to compare the effects of various assistance mechanisms on the telecommunications industry as a whole, as well as on an individual LECs. The importance of the Universal Service Fund goals and the substantial amount of money involved require thorough analysis of those financial effects and their implications, if any, for reasonably-priced local telephone service. The respondents consist of approximately 1439 LECs.

Federal Communications Commission.

William F. Caton,

Acting Secretary.
